

## Zongwu 3201

### Chapter 3201

After Angel Zhui talked with Angel Yan, she looked at Su Chen who was sitting on the meteorite and didn't know how to start.

Ask directly?

Will Su Chen tell her?

Ask in a roundabout way?

Angel Zhui wouldn't,

She is a battle angel, not a human diplomat, and intrigue is not suitable for her.

Su Chen took a sip of wine and asked, "A Zhui, do you want to know my angel genes?"

Angel Zhui nodded hurriedly, "Yes."

"Do you think I will tell you?"

"You will!"

"Well? Why would I tell you?"

Angel Zhui said with a serious face, "If you don't tell me, Queen Yan will send an angel army to capture you."

Su Chen pouted and said speechlessly, "A Zhui, you are really not cute. Angel Yan sent an angel army to capture me? Is it possible? Angel Yan can only command young angels. Can Angel Yan command old angels over 10,000 years old?"

"You...how do you know this?"

Angel Zhui was confused again.

How did Su Chen know what happened to Angel Nebula?

The old angels did not obey Angel Yan's orders.

The angels would not tell this matter, and Angel Zhui couldn't figure out how Su Chen knew it.

Su Chen leaned against the meteorite and smiled, "Do you believe what I guessed?"

"I don't believe it."

"Forget it, I'll tell you, I'm Queen Kesha's idol, Angel Nebula has no secrets from me."

"You're talking nonsense, Queen Kesha doesn't have an idol, and you don't deserve to be Kesha's idol... Silver Wings? How is it possible, how can you have Queen Kesha's Silver Wings?"

Angel Chase was confused again.

Silver Wings?

The four dark silver weapons around Su Chen are silver wings, how can Su Chen have Queen Kesha's silver wings?

Queen Kesha's dark silver weapons silver wings, silver wings are also a symbol of Queen Kesha's identity.

The silver wings should be in Queen Kesha's arsenal,

Queen Kesha's weapons are still under the control of Angel Yan, Angel Yan can't give the silver wings to a scumbag.

Su Chen commanded the silver wings to fly around and said, "A Zhui, do you believe now that I am Queen Kesha's idol?"

Angel Zhui asked with a confused expression, "How do you have Queen Kesha's silver wings?"

"My silver wings are not Kesha's silver wings. If you don't believe it, you can ask Angel Yan."

"I will ask."

Angel Zhui patted her forehead and felt a little silly. She even forgot to ask Angel Yan if the silver wings were still there.

Angel Zhui hurriedly connected to Angel Yan and asked, [Queen, is Queen Kesha's silver wings still in the armory? ]

[A Zhui, Queen Kesha's silver wings are still in the armory, why are you asking about the silver wings? ]

[Queen, I will open the sharing system, you will understand after you see it. ] Angel Zhui said that she opened the sharing system, and she wanted Angel Yan to see the silver wings next to Su Chen with her own eyes.

Su Chen was a little confused at this time,

He Xi and Zhi Xin actually recorded the scientific and technological achievements of the Knowledge Treasure House. Are He Xi and Zhi Xin thieves?

What the hell,

Is it necessary for He Xi and Zhi Xin to steal?

The Knowledge Treasure House will be open to all female angels in the future. They don't need to record scientific and technological achievements at all.

Su Chen suddenly shouted to He Xi and Zhi Xin, [Wow, catch two thieves, He Xi, Zhi Xin, aren't you angels of justice? How could you steal? ]

He Xi and Zhi Xin blushed instantly,

They didn't expect Su Chen to find out that they were recording technology.

He Xi said embarrassedly, [Su Chen, we didn't steal. Zhi Xin and I were just studying some of your technology. ]

[I believe what you said, He Xi, you only recorded ordinary technology. Do you want to know the upgrade of the invincible body? Do you want to know the higher frequency of the sub-biological engine? ]

[Do you have it? ]

[Of course, my sacred left and right wing guards, my angel army, they are all equipped with invincible bodies and sub-biological engines, and the more advanced ones have not been installed for my angels. ]

[Su Chen, you are a scumbag, I don't understand, how can you have a knowledge treasure house like Queen Kesha's knowledge treasure house? Or an upgraded version of the knowledge treasure house, can you tell me? ]

[He Xi, check it yourself, I will give you the highest authority of the knowledge treasure house, you can check all the scientific and technological achievements and information in the knowledge treasure house. ]

[Why didn't you tell me. ]

He Xi was very surprised,

How could Su Chen give her the highest authority of the knowledge treasure house?

If she had the highest authority to control the knowledge treasure house, He Xi could even expel Su Chen from the knowledge treasure house.

Isn't Su Chen worried that she would take over the magpie's nest?

Su Chen is a scumbag,

How could Su Chen trust her so much?

[I want to say that I am Kaisha's idol and I am also your idol, will you believe it? ]

He Xi said coldly, [You scumbag, do you think I will believe it? ]

[He Xi, I know many of your secrets, what happened to you in the military academy 30,000 years ago, you were almost burned to death by the scumbag, the star birthmark on your belly button, and touching your lower abdomen will... ]

[Shut up. ] (To read the violent novel, go to Fly Novel Network!)

He Xi blushed and wanted to strangle Su Chen to death,

She didn't expect Su Chen to really know that she was everything,

How could it be possible?

Her body secrets and feelings,

Kaisha and Zhi Xin didn't know much, why did the scumbag Su Chen know so well about her.

Angel Zhi Xin blushed and lowered her head,

Su Chen and He Xi's conversation was not hidden from her, and she also heard everything Su Chen and He Xi said.

Especially when Su Chen talked about He Xi's secret,

She only knew a little bit, 140 Zhi Xin didn't expect Su Chen to know everything,

What is the relationship between Su Chen and her master He Xi? Angel Zhi Xin is also very confused now.

[He Xi, everything you want to know is in the deepest part of the knowledge treasure house. After you check it out, you will understand why IHow can you say he is your idol? ]

Su Chen said as he looked at Angel Zhui who was walking over.

Why did Angel Zhui get so close to him?

The little beauty was hiding far away in fear just now. Could it be that Ah Zhui was confused?

"Hmm?"

Su Chen was speechless after checking Ah Zhui.

Peeping?

Ah Zhui actually turned on the Angel Sharing System, and Angel Yan was secretly checking him.

"Azhui, did you let the female gangster spy on me?"[]

Azhui opened his eyes and asked in confusion, "Female...female gangster?"

Su Chen smiled and said, "Isn't Angel Yan a female gangster? There are two female gangsters among the angels in the Angel Nebula. Azhui, do you want to know who they are?"

"You tell me."

Angel Zhui became curious.

She knew that Angel Yan sometimes spoke out of tune. Angel Yan could be said to be a female gangster in the Angel Nebula.

Who would the other female gangster be?

Angel Zhui did not notice that the other angels spoke out of tune.

Su Chen touched his chin and replied, "Apocalypse King Liang Bing, she is also the current Demon Queen Morgana."

Chapter 3202

Su Chen had a headache when he thought of Liang Bing. Liang Bing still had the same bad habits in Xuantian Realm.

Calling her a bitch all the time,

Especially when Kaisha held Liang Bing,

Liang Bing would angrily call Kaisha a bitch for several days. Kaisha was so angry that she imprisoned Liang Bing several times.

Angel Zhui asked in confusion, "King of Apocalypse Liang Bing? How could King of Apocalypse be Demon Queen Morgana?"

Su Chen shook his head and said, "A Zhui, if you don't believe it, you can ask the female gangster Angel Yan."

Angel Zhui hurriedly communicated with Angel Yan and asked, [Queen, is King of Apocalypse Liang Bing Demon Queen Morgana? ]

[Yes, Demon Queen Morgana is King of Apocalypse. ]

Fred Planet,

Angel Yan was very upset,

She saw the silver wings beside Su Chen, which were exactly the same as those of Queen Kaisha.

No,

Su Chen's silver wings are stronger than Queen Kesha's silver wings. How can Su Chen have the same silver wings as Queen Kesha?

Also,

Apocalypse King Liang Bing is Demon Queen Morgana,

This matter is very secretive,

Only Queen Kesha and He Xi know,

She also knew it when Queen Kesha said it unintentionally,

Other angels in Angel Nebula don't know, how can Su Chen know that Liang Bing is Morgana?

[Queen, something happened at the Big Insect Bridge. Hundreds of Sky Scum appeared from the Big Insect Bridge, and 810 three space mercenaries appeared with the Sky Scum. ]

Angel Yantian hurriedly ordered after hearing what Angel Qingqing said, [Qingqing, come back immediately to gather Fred's angels. The Sky Scum and Space Mercenaries are here to kill Enesid. ]

[Yes, Queen! ]

Angel Yan looked at the starry sky and felt that she was in trouble.

Fred only had one team of fighting angels, and they were young angels who were hundreds of years old.

There were more than a hundred scumbags.

There were also space mercenaries.

Fred's angels could not kill the scumbags and the space mercenaries. The space mercenaries might be the third generation of gods.

What should I do?

It was too late to dispatch angels now.

Angel Yan thought that if she was entangled by the space mercenaries, Anisid might be killed by the scumbags.

[Angel Yan, you seem to be in trouble? ]

[Scumbag Su Chen? How can you connect to Queen Kesha's treasure house of knowledge? And know my genetic communication code? ]

Angel Yan was very confused when she heard Su Chen's voice suddenly.

How could Su Chen connect to Queen Kesha's treasure house of knowledge? And know her genetic communication code?

[Scumbag? Female hooligan, if you call me Tian Zha again, I will not help you. ]

[Tian...Su Chen, how are you going to help me? ]

[Angel Yan, call me a good brother, I will help you kill Tian Zha and the universe mercenary. ]

[You are dreaming. ]

[Whatever you want, female hooligan, don't think about Ge Xiaolun anymore, he is dead, the future of angels can only rely on angels, you have five minutes to think about it, no more time. ]

TianShi Yan clenched his fists tightly,

What did Su Chen mean?

Kill Ge Xiaolun?

The future of angels can only rely on angels?

Angel Yan was a little confused,

Ge Xiaolun was the male god appointed by Queen Kesha for her. At the beginning, she looked down on the ugly Ge Xiaolun very much,

But a few years have passed,

Whether it is for Queen Kesha's order or for the future of angels, Angel Yan also accepts Ge Xiaolun as her male god.

Su Chen's words,

Angel Yan had thought about it before,

The future of angels cannot rely on outsiders,

But Ge Xiaolun's ability is getting stronger and stronger, Angel Yan didn't think about it anymore.

Swoosh!

Angel Qingqing appeared in an instant and said hurriedly, "Queen, there are too many scumbags, and three third-generation divine bodies of cosmic mercenaries have arrived. Fred's angel team cannot cope with it."

"I know, I will find a way."

Angel Yan nodded to Angel Qingqing,

Method?

How can Su Chen help her?

Should she call Su Chen a good brother?

Also,

Su Chen is a scumbag,

Why should he help the female angel? (To read the violent novel, go to Feilu Novel Network!)

Angel Yan thought and rubbed his forehead,

She decided to let Su Chen help her kill the scumbags and cosmic mercenaries. She couldn't let the scumbags kill Enixid.

Angel Yan contacted Su Chen and said, [(aeeh) Su Chen, I agree. ]

[Call me a good brother. ]

[You... a good brother. ]

Angel Yan blushed and called Su Chen a good brother. She decided to make Su Chen pay the price in the future.

[Female gangster, I have some men in Fred. This is the genetic communication code of my men. You can contact my men to kill the scum and the cosmic mercenaries. ]

[I won't thank you, scum! ]

Angel Yan disconnected after checking the genetic communication code. She wanted to notify Su Chen's men to take action.

The scum can attack at any time.

Angel Yan will not let the angels sacrifice, nor will she let Aini Xide be killed. She wants to know who Su Chen's men are.

Angel Yan linked the genetic communication code and asked, [I am Angel Yan. Su Chen asked me to contact you. Who are you? ]

[Angel Yan? I didn't expect the king to let you contact me. My name is Angel Alan, the fourth generation of Queen Kesha's sacred left-wing guard, and now the sacred right-wing guard of Angel King Su Chen. ]

Angel Yan was stunned,

Angel Alan?

She had heard of Angel Alan,

Queen Kesha's fourth-generation Holy Left Wing Guard, Angel Yan did not expect Angel Alan to be resurrected.

Why is Angel Alan called Su Chen the King of Angels? How did he become the Holy Right Wing Guard of Tian Zha?

[Angel Yan, I know you have many questions, now is not the time to talk, my angel will destroy Tian Zha and the universe mercenaries, we will talk later. ]

[Okay, moreThanks. ] []

[You're welcome. We are all female angels and Queen Kesha's battle angels. ]

When Angel Yan heard what Angel Alan said,

She felt strange.

Angel Alan admitted that she was Queen Kesha's battle angel. How could she become Su Chen's sacred right-wing guard?

Angel Yan patted his forehead and ordered, "Qingqing, you lead the angel team to prepare for the attack."

"Queen, should we take the initiative to attack?"

Angel Qingqing was very confused when she heard Angel Yan's order.

They only had more than a dozen angels,

They were all young angels,

Shouldn't Angel Yan let them protect Enesid? Why let the angel team take the initiative to attack?

Angel Yan glanced at Angel Qingqing and said, "Our angel reinforcements have arrived. Qingqing, the angel reinforcements have begun to attack the scum. You take your team to help. I will personally protect Aini Xide."

"Yes, Queen."

At this moment,

Su Chen drank and looked at the confused Angel Zhui.

Earlier,

Su Chen and Angel Yan's conversation,

Angel Zhui heard it clearly.

The little beauty also heard Angel Yan call him good brother. Angel Zhui was probably worried that the female gangster would know that she was eavesdropping.

"A Zhui, you seem to know that Angel Alan is in Fred. Why didn't you tell Angel Yan just now? Do you also want to hear Angel Yan call me good brother?"

Chapter 3203

Angel Zhui felt very uncomfortable when she heard Su Chen's words.

She just forgot to remind Angel Yan.

After Angel Yan called Su Chen good brother,

Angel Zhui was stunned. She didn't expect Angel Yan to really call Su Chen good brother.

Angel Zhui blushed and shouted, "Oh my God...Su Chen, you will be judged by Sister Yan in the future."

Su Chen stood up and smiled, "Judgement? Ah Zhui, do you think I'm afraid of a female hooligan?"

"I..."

Angel Zhui said suddenly saw Angel Leng flying over. She glanced at Su Chen and looked at Angel Leng.

Swoosh!

Angel Leng came quickly and saluted, "Your Majesty, the scum and the scum battleships were destroyed, and Ruoning was captured alive by me."

"Leng, completely destroyed Ruoning's genes."

"Yes, Your Majesty!"

After Angel Leng saluted Su Chen with "four three seven", she said to Angel Zhui, "A Zhui, long time no see."

Angel Zhui nodded and said, "Sister Leng, I didn't expect you to be resurrected by Su Chen."

Angel Leng said coldly, "A Zhui, tell Angel Yan that she is not worthy of being the queen, and the angels will not recognize Angel Yan as the queen of Melo Heaven."

Angel Zhui asked coldly, "Sister Leng, Sister Yan is the queen appointed by Queen Kesha, you are violating Queen Kesha's Order?"

"No, I will not violate Queen Kesha's order, but, Ah Zhui, do you think Angel Yan is suitable to be the queen? Since Angel Yan became the queen, has everything she has done been for our Angel Nebula?"

After Angel Leng was resurrected, he learned what Angel Yan did.

The first thing Angel Yan did after becoming the queen was,

She actually gave Sky Blade VII to the earth. Angel VII contains the high-tech achievements of Angel Nebula.

In addition to Queen Kesha's treasure trove of knowledge,

Sky Blade VII has all the technology of Angel Nebula.

If the earth gets Sky Blade VII,

Earth's technology will undergo earth-shaking changes, and it will become a cosmic civilization in a few decades.

Angel Yan is selling out the interests of the angels.

Angel Yan is selling out the technological achievements of the angels for tens of thousands of years.

When Taotie invaded the earth,

Countless angels died for the earth, and Angel Leng also died on the earth for Angel Yan's order,

What about Angel Yan?

For the sake of the male god, she didn't care about the lives of the angels,

She also gave the angel's Sky Blade No. 7 to Ge Xiaolun,

Angel Leng was very angry with Angel Yan after learning about this, she couldn't help but want to beat up the stupid Angel Yan.

Angel Zhui lowered his head and replied, "I don't know, I only know that Angel Yan is the queen, and any order from her must be obeyed."

"Any order must be obeyed? What if Angel Yan sacrifices Angel Nebula for the earth? Will you obey it too?"

Angel Zhui hurriedly said, "Sister Yan will not sacrifice Angel Nebula."

Angel Leng said with a disdainful expression,

"No? Do you still want to quibble for Angel Yan? Our AngelHow much have you sacrificed for the Earth?"

"The Super Seminary and the Earth have long refused to allow angels to help the Earth. Angels have no obligation to sacrifice for the Earth. If Queen Kesha had not fallen, would she have allowed angels to sacrifice to help the Earth? "

Angel Zhui was silent.

Angel Leng's words made her feel that Angel Yan was wrong.

Angel Yan did it for the earth.

For the male god.

The angels in the Angel Nebula sacrificed many lives.

Especially when sending Sky Blade No. 7,

Hundreds of young angels died in battle. Is it worth it for Angel Yan to sacrifice angels for the earth and the male god?

Is this right?

Angel Zhui was confused for a moment.

She was a fighting angel.

She was also Angel Yan's left-wing guard.

Angel Yan was the queen of Melo Heaven and the successor designated by Queen Kesha. Angel Zhui would not disobey Queen Kesha's orders, and she would not disobey Angel Yan's orders.

But,

Everything Angel Yan did was for the earth.

For =|

Angel Zhui was confused and didn't know what to do. She didn't know whether she should obey Angel Yan's orders.

Su Chen heard the conversation between Angel Leng and Angel Zhui. He didn't stop Angel Leng from belittling Angel Yan.

Although Angel Yan's actions were excusable, she was also because of Queen Kesha's orders.

But Su Chen didn't agree with Angel Yan's approach.

Angel Leng wouldn't agree either.

The old angels in the Angel Nebula probably wouldn't agree either.

Su Chen asked Angel Yan who was eavesdropping, [Angel Yan, what do you think of what Angel Leng said? ]

[Thoughts? Angel Leng is right, but I am doing this for the future of Angel. Ge Xiaolun is the power of the galaxy and the future of Angel. When Ge Xiaolun grows up, Angel's sacrifice is worth it. ....] (To read the exciting novels, go to Faloo Novel Network!)

Su Chen said angrily after hearing Angel Yan's words,

[Angel's future? Angel Yan, are you an idiot? Or a fool? Angel's future can only rely on angels. You sacrificed angels for an unknown future and gave the angels' scientific achievements to the earth. Are you worthy of being the Angel Queen? ]

[Angel Yan, you are not worthy of being the Angel Queen. I will notify Hao Hexi to depose you as the queen. Hexi will notify all angels in the universe and all cosmic civilizations that you will no longer be the queen of the Angel Nebula. You are not worthy. ]

|= |

Su Chen had nothing to say about Angel Yan's idiocy. Angel Yan might be because of the Galaxy Power of the Three Major Projects, Ge Xiaolun, or because Queen Kesha valued Ge Xiaolun.

However,

The Sky Scum were upgraded by the Death God Carl, and Hua Ye also installed a black hole engine. The angels will have no chance of winning against the Sky Scum in the future.

There are also Taotie and Triangle.

Taotie's Void Warriors can easily kill angels, and Triangle can also evolve and kill angels at will.

Not to mention the old cunning Carl,

If Angel Yan still thinks so,

Angel Nebula Will it be broken by the scumbags of the sky as in the plot,

He Xi fell,

Liang Bing fell,

Will the angels become a second-rate 1.5 force in the universe in the future, or will they lose their homes and become stray dogs?

Earth?

Will the Earth accept angels after it becomes a cosmic civilization?

Or will it enslave angels?

Will angel civilization still exist in the future?

Su Chen asked with anger, [He Xi, you also heard the conversation between me and Angel Yan, what do you want to say? ]

[I will depose Angel Yan's queen status, Su Chen, I will wait for you to come to the Angel Nebula. ]  
[ ]

[He Xi, you have read the most core information of the knowledge treasure house, shouldn't you call me a male god? ]

[Dream. ]

[Just be stubborn. ]

[Su Chen, come to the Angel Nebula quickly, I still have many things to ask you. ]

[I will go to Angel Nebula as soon as possible, He Xi, don't forget to wear armor and white stockings and wait for me. ]

[Shameless scum. ] .

Chapter 3204

In the Melo Heavenly Palace,

He Xi blushed and clenched her hands tightly in shame and anger,

Male God?

How could a scumbag be her male god?

It's just that,

The core information of Su Chen's knowledge treasure house, He Xi knew it was true after checking,

Another time and space,

Another angel nebula,

There are another He Xi, Kaisha, and Liang Bing.

The three angel kings are all Su Chen's women, and Su Chen is also the emperor of the Melo Heavenly Palace in the Xuantian Realm.

"The Xuantian Realm is so powerful that it is unimaginable. I am actually Su Chen's woman in the small world. Su Chen also took Kaisha and Liang Bing in. The three angel kings were actually wiped out by the shameless bastard."

He Xi thought about it and became even more angry,

She didn't expect that the three kings in the small world were all Su Chen's women. The shameless scumbag must have deceived the three kings in the small world.

It's just that?

What is the Chaos World?

Why are there worlds with the same origin? How can another super-god world be exactly the same as this one?

Angels, demons, Fiery Sun Star, Taotie, Triangle, etc., some people and things have the same trajectory.

It is not a mirror world,

It is not a cloned world,

He Xi frowned and whispered, "What should I do? Su Chen just came to this world for the trial. He will leave after completing the trial. Do I have to leave with him?"

Forget it,

He Xi thought and shook her head,

She planned to ask Su Chen in detail after he arrived at Melo Star. She wanted to know what the Chaos World was, what the Xuantian Realm was, and the situation of another Angel Nebula.

He Xi thought of Angel Yan,

She announced with a serious face,

[Attention all angels in the Angel Nebula, angels in the universe, please pay attention, I am the Tianji King He Xi, the Holy Kesha has fallen, Queen Kesha has appointed Angel Yan as the new queen. ]

[However, Angel Yan sacrificed the interests of the angels and ignored the sacrifice of the angels for the sake of the earth. Angel Yan violated the entrustment of Queen Kesha. ]

[Queen Kesha authorized me to supervise Angel Yan, Angel Yan is not qualified to be the Queen of Angels. ]

[In the name of Queen Kesha, in the name of the Tianji King, I depose Angel Yan's queen status, Angel Yan is no longer the queen of the Angel Nebula. ]

Angels in the Angel Nebula,

Angels on various planets in the universe,

All angels heard He Xi's announcement, and the angels understood that Angel Yan's queen status had been deposed.

The knowledge treasure house contains the supervision order that Queen Kesha asked He Xi to give.

The angels will not doubt it.

Even if King Tianji did not have the supervision order from Queen Kesha, King Tianji still had the right to depose Angel Yan.

[Angel Yun, obey the order of King Tianji. ]

[Angel Keira, obey the order of King Tianji]

[Angel Liufeng, obey the order of King Tianji. ]

[Angel Yu, obey the order of King Tianji! ]

.....o

Fred,

Angel Yan is still angry about what Su Chen said,

Why is she not worthy of being the Queen of Angels?

Angel Yan sacrificed the angels to protect the earth and for the justice order of Queen Kesha.

Give it to Ge Xiaolun Sky Blade No. 7,

Angel Yan is to make Ge Xiaolun grow up quickly,

Only if Ge Xiaolun grows up quickly,

Angels have a future,

Did she do anything wrong?

Suddenly,

Angel Yan heard He Xi's announcement in the genetic system,

She was stunned for a moment,

He Xi deposed her as the Queen?

How is it possible?

Why would He Xi depose her for no reason? Didn't she announce He Xi's postgraduate entrance examination?

Swoosh, swoosh, swoosh~

Angel Qingqing came quickly with a team of angels. They looked at Su Chen and Angel Yan didn't know what to say.

Angel Qingqing asked in confusion, "Sister... Sister Yan, why would the King of Tianji depose Sister Yan?"

Angel Yan shook her head in frustration and said, "I don't know, Qingqing, are the scum of the sky and the universe mercenaries destroyed?"

"They have been destroyed. The angels who came to support us are very powerful."

Angel Qingqing thought of Angel Alan and a team of angels. She felt that they were all useless angels. (To read the violent novels, go to Feilu Novel Network!)

Angel Alan is the fourth generation of divine body,

A team of angels are all third generation of divine body,

Angel Qingqing guessed that with Angel Alan and a team of angels, they can sweep all the scum of the sky.

"Qingqing, how can you continue...?"

Angel Yan's face suddenly turned pale as she spoke,

Kesha's knowledge treasury and arsenal were disconnected from her, and she would not be able to control them in the future.

Angel Qingqing hurriedly asked, "Sister Yan, what happened?"

Angel Yan sat down helplessly and said, "King Tianji took away the knowledge treasury and arsenal, and I have no right to use them in the future."

Angel Qingqing and other angels looked at each other,

They are all little angels,

They must obey King Tianji's orders, and all angels cannot disobey King Tianji's orders.

Angel Yan?

Angel Qingqing felt that Angel Yan was not suitable to be a queen,

Angel Yan was a fighting angel, a commanding angel, and fighting was actually the most suitable for Angel Yan.

Swoosh, swoosh, swoosh~

Angel Alan appeared next to Angel Yan with a team of angels.

Angel Alan said with a serious face, "Angel Yan, the king has ordered that you are arrested and we will escort you back to Melo Heaven."

Angel Yan frowned and asked, "King? Angel Alan, you are a female angel and the fourth left-wing guard of Queen Kesha. Why do you obey the orders of a scumbag?"

Angel Alan shouted coldly, "How dare you, Angel Yan, if you slander the king again, I have the right to kill you."

A team of high-levelThe angels quickly surrounded Angel Yan, []

They did not allow Angel Yan to slander Su Chen. If Angel Yan dared to slander Su Chen again,

They would kill Angel Yan, who betrayed the interests of the angels and sacrificed the angels for the earth, on the spot.

Angel Qingqing and a team of little angels did not know what to do. They did not know what this (Nono is good) situation was.

But,

Angel Alan was the fourth left-wing guard of Queen Kesha, and Angel Alan was ordered to capture Angel Yan.

They did not dare to stop him.

As for what kind of scumbag is this?

They did not know.

Angel Qingqing was confused now.

[Sister Yan, don't slander Su Chen. He is not the scumbag we think he is. You and Angel Alan go back to Melo Star. You will understand everything when you get to Melo Star. ]

Angel Yan heard what Angel Zhui of the genetic system said. She looked at Angel Alan and said nothing more.

Capture her?

Is it necessary?

Angel Yan thought for a while and said, "Angel Alan, I can go back to Melo Heaven with you, but how will Anisid run the store?"

"Anisid is no longer related to us angels. She is just one of the futures calculated by Queen Kesha. The future of angels can only rely on angels. We will not regard Anisid as the future of angels.".

Chapter 3205

Angel Alan doesn't care about Enesid.

If it were in the past,

she would firmly support Queen Kesha's orders, and she would also obey Queen Kesha's orders to protect Enesid.

But with the appearance of Su Chen,

will the angels still rely on Enesid?

The angels don't need Enesid in their future, and Enesid's life and death have nothing to do with the angels.

Angel Yan asked with a serious face, "Angel Alan, do you mean that you don't care whether Anesid lives or dies?"

"Yes, whether Anesid lives or dies has nothing to do with the angels. Fred is just a wild planet, and Anesid is just the queen of a country on a wild planet. The angels will not regard Anesid as the future, and Anesid has no ability to become the future of the angels."

Angel Yan took out the flaming sword and shouted, "I will not agree. Queen Kesha's order is to protect Anesid. Anesid will be the future of the angels in the future. I will not give up Anesid~."

Angel Alan said coldly Asked, "Angel Yan, do you want to resist?"

Angel Yan shouted angrily, "Resist? I am following the order of Queen Kaisha. You abandoning Enixide is a betrayal to Queen Kaisha."

Angel Alan asked Angel Qingqing and a team of angels, "What about you? Will you resist with Angel Yan? Or go back to the Angel Nebula with us?"

"I..."

Angel Qingqing was unable to answer for a moment,

She didn't know how to answer,

Angel Yan was deposed as queen by the King of Tianji, and Angel Alan wanted to capture Angel Yan and take her to the Angel Nebula.

Angel Qingqing wanted to help Angel Yan,

But helping Angel Yan was equivalent to betraying the Melo Heavenly Court, and she was tangled in her heart and didn't know what to do.

Angel Yan turned around and said, "Qingqing, take the angels and Angel Alan away."

"Sister Yan~"

"No need to say more, I can't let you get in trouble."

Angel Qingqing took out the flaming sword and said, "Sister Yan, I am your direct combat angel, I will not leave with them."

"We will not leave either."

A team of little angels also supported Angel Yan,

They didn't know what happened to Angel Nebula,

But Angel Yan used to be the left-wing guard, and before that, she was the angel queen. Angel Yan was protecting Enesid on the orders of Queen Kesha. They were all Angel Yan's direct combat angels,

As long as Angel Yan didn't betray the angels,

They would always obey Angel Yan's orders.

At this moment,

Su Chen and Angel Zhui both heard Angel Yan's decision,

"Ah Zhui, is Angel Yan an idiot?"

Angel Zhui stared at Su Chen and said, "Sister Yan is not an idiot, Sister Yan is just following the orders of Queen Kaisha."

Su Chen touched his chin and shook his head, "That's right, Angel Yan is too stubborn, she is suitable to be a warrior, not an angel queen."

"Su Chen, can you let Sister Yan go?"

"Ah Zhui, youWhy do you think I asked Angel Alan to capture Angel Yan?"

Angel Zhui asked in confusion, "Aren't you angry about what Sister Yan said before?"

Su Chen took out a pot of wine and threw it to Angel Zhui, saying, "No, I am saving Angel Yan and other angels. You should have checked what happened to Fred through the gene sharing system."

"Think about it, if I didn't send Angel Alan to lead a team of angels, would Angel Yan and her angels be able to protect Enesid? Angel Yan is a sacred body and may not die, but what about the other young angels? Can they survive? "

Angel Zhui nodded,

There are too many scumbags and space mercenaries in Frederi, and they are too powerful.

If the angels in Frederi don't have the help of Angel Alan.

Angel Qingqing will be killed,

A team of young angels will also be killed,

Angel Yan can't protect Enesid alone, and Enesid may also be killed.

Angel Leng shook his head and said, "King, Angel Yan is a pure angel warrior. She is following the orders of Queen Kesha. I think Angel Yan will understand in the future."

Su Chen smiled, "Leng, are you speaking for Angel Yan?"

Angel Leng replied awkwardly, "Yan and I have been sisters for thousands of years after all. We have been quarreling for thousands of years, and I don't want the king to punish Yan."

Angel Zhui nodded hurriedly, "I don't want you to punish Sister Yan either. "

Su Chen took a sip of wine and thought,

Should I capture Angel Yan?

Su Chen felt that if he captured Angel Yan and brought him back to the Angel Nebula, Angel Yan would probably be stubborn and not understand.

Forget it.

Let Angel Yan figure it out slowly.

Su Chen thought for a while and ordered, [Alan, don't worry about Angel Yan, you guys come back.]

[Yes, King!]

Fred,

Angel Alan was very puzzled when she heard Su Chen's order. She didn't understand why Su Chen suddenly let Angel Yan go.

Please give me flowers

"Angel Yan, the king ordered that you will not be captured back to the Angel Nebula. You can continue to protect Enixid, who you should protect. I hope your decision will not let the angels sacrifice themselves to Fred. "

Angel Alan waved to the other angels, and she quickly flew away from Fred with a team of high-level angels.

All the scum and space mercenaries in Fred were killed. They were fulfilling Su Chen's orders. (To read the exciting novels, go to Faloo Novel Network!)

As for what will happen to Fred in the future,

Angel Alan can't do anything about it.

She can only hope that Angel Yan and the young angels will not die in Fred.

"Why did you suddenly let me go?" Angel Yan was very confused when she saw Angel Alan leave.

Order?

Su Chen's order?

Why did Su Chen suddenly give up on capturing her and return to the Angel Nebula?

Angel Qingqing asked in confusion, "Sister Yan, Angel Alan and the others have left. Do we still have to protect Enixid in Fred?"

Angel Yan thought for a while and replied, "No, we go to Earth, The scumbag and the cosmic mercenary were killed this time. The scumbag will not come to kill Enixide again recently. We have to go to Earth to check what happened. "

"Yes, Sister Yan."

Earth,

Since the angels evacuated the Earth,

Taotie has become more unscrupulous on Earth, the Earth's joint army has been continuously destroyed, the devil's worshippers are making trouble everywhere, and some scumbags have also appeared on Earth.

In the Mangdangshan,

Lianfeng and Sun Wukong, Liu Chuang and some super soldiers, they sat together very helplessly.

Taotie's void warriors made them helpless, and Taotie's warships made the Earth army unable to deal with them.

As long as the Earth's super soldiers are dispatched,

Taotie's void warriors will surround and kill them, and the super soldiers now dare not appear in battle at will. []

Qilin couldn't help asking, "Lianfeng, what should we do? Without advanced technology and the help of angels, our Earth cannot defeat Taotie. "

Liu Chuang shouted angrily, "There are also Tianzha, dozens of Tianzha appeared on Earth, and Tianzha and Taotie have joined forces. We will be surrounded and killed as soon as we go out."

Lian Feng rubbed his forehead and replied, "I have no way now. Angel Zhixin left with other angels, and Ge Xiaolun's Xiongxin has not been completed. Without the help of angel technology, our technology is not enough to complete Ge Xiaolun's Xiongxin death."

## Chapter 3206

Qilin bit her lip and asked, "Sister Lianfeng, will the angels really not help our Earth anymore?"

Liu Chuang, Sun Wukong, Rui Mengmeng, Cheng Yaowen, and several others looked at Lianfeng. They also wanted to know if the angels would still help the Earth.

If the Earth did not have the help of the angels,

The cosmic civilization Taotie could destroy the Earth, not to mention that there were celestial scums more powerful than Taotie.

Lian Feng shook his head and replied,

"I don't know. Some of you have also seen Su Chen. Su Chen called all the female angels to leave the earth. I don't know what happened to the Angel Nebula, why the female angels obeyed Su Chen's orders, and what happened to Angel Yan. I don't know either."

Liu Chuang touched his head and asked in confusion, "I'm wondering, Su Chen is a male angel, which is what the female angels call a scumbag. How could the female angels obey Su Chen's orders?"

Cheng Yaowen also asked in confusion, "It's very strange. It stands to reason that female angels hate scumbags very much. It's impossible for female angels to obey the orders of scumbags. What about Su Chen you are talking about? Who could it be?"

Qilin thought of Rose and said hurriedly, "Rose? We can ask Rose. Rose is with the demon queen Morgana. Morgana should know who Su Chen is."

Lianfeng nodded in agreement, "This is also a way. Qilin, you are responsible for contacting Rose."

"Okay!"

"Sun Wukong, Mangdangshan is the only technological spacecraft on Earth. I hope you can guard Mangdangshan."

"I understand."

After a while,

After Sun Wukong and Qilin left the meeting room, Lianfeng took out the communicator Su Chen gave her and thought about it.

"What should I do? A promise? Will Su Chen agree to help the Earth if I make a promise myself?"

Lianfeng thought about it and put away the communicator again,

She guessed that Su Chen would agree to help other things,

But help the Earth?

Lianfeng guessed that Su Chen would not agree.

She saw from Su Chen's eyes that Su Chen was disdainful of the Earth and a little wary. Su Chen would not help the Earth.

"What about the Super Seminary? Su Chen said that there are other Super Seminaries in the universe. Super Seminaries are more powerful than Taotie. Will they train Ge Xiaolun? Will the Super Seminary sacrifice countless Earthlings to train Ge Xiaolun?"

Lianfeng had a complicated expression on her face.

She didn't know what to do.

The departure of the angels.

The Earth was powerless to stop the invasion of Taotie.

The scum of the sky has appeared.

What about Lieyang Star?

I'm afraid Lieyang Star will soon invade the Earth.

The Earth will become a hot commodity in the universe, and any cosmic civilization will come to take a bite of the fat meat.

Ding ding ding!

Lianfeng looked at the communicator and said in surprise, [Rose? ]

[Lianfeng, I want to tell you something. ]

[Qiangwei, I just asked Qilin to find a way to contact you, but I didn't expect you to contact me. ]

[Lianfeng, listen to me first, something happened to Angel Xingyun, Angel Yan's queen status was deposed, and Tianji King Hexi appeared. In the Ruler Angel Nebula, you must be prepared. The angels may be recalled to the Angel Nebula. ]

[Rose, you are late. The angels have been recalled to the Angel Nebula, and it was a male angel named Su Chen who recalled them. Ask the Demon Queen Morgana if there is an angel named Su Chen in the Angel Nebula? ]

Lianfeng was very surprised.

Angel Yan was deposed as queen?

Isn't Angel Yan the Angel Queen appointed by Queen Kesha? Who can depose Angel Yan in the Angel Nebula?

Tianji is He Xi?

Doesn't Tianji King He Xi care about the affairs of the Angel Nebula? How could she depose Angel Yan as queen?

[What? Male angel? Tian Za? How can Tian Za order female angels? Wait, I'll ask Morgana. ]

[Okay! ]

At this time,

Earth, outer space.

In Devil No. 1,

Morgana and Qiangwei sat together,

Qiangwei just had a communication conversation with Lianfeng, and Morgana heard it clearly.

Qiangwei stared at Morgana and asked, "Don't you want to talk?"

"Talk? What? The scumbag Su Chen? Or the king of the celestial base, He Xi?"

Morgana shook her glass and was very speechless,

She was going to take Qiangwei back to Kunsu, but things happened one after another,

The angels left the earth,

He Xi deposed the queen of Angel Yan,

A strange male angel named Su Chen, and a male angel who could command female angels.

Ruo Ning was killed,

The scumbag and the cosmic mercenaries invaded Fred and were completely wiped out,

Everything seemed to be related to the scumbag Su Chen. Morgana had never heard of a scumbag named Su Chen in tens of thousands of years.

Rose asked angrily, "Who is the scumbag Su Chen? How can he command the female angel?"

Morgana smiled and replied, "I don't know the scumbag Su Chen, but the female angel can obey the orders of the scumbag Su Chen. I guess the scumbag may be Kaisha's male god, or He Xi's male god."

"Do you think I believe it?" (To read the violent novel, go to Feilu Novel Network!)

Rose became even more angry,

How could Queen Kaisha have a male god?

He Xi?

She didn't know who He Xi was,

But He Xi was able to depose the Queen of Angel Yan,

Rose guessed that He Xi was also a senior member of the Angel Nebula, and might be an old angel of the same generation as Queen Kaisha. She didn't believe that Su Chen would be He Xi's male god.

"If you don't believe me, I can't help it. I really don't like the scumbag Su Chen... huh? Scumbag Su Chen?"

As Morgana was talking, someone suddenly contacted her in the genetic system.

It was the Su Chen she just mentioned.

How is it possible?

How could Su Chen have her genetic communication code? Morgana frowned and connected to Su Chen's genetic system.

[Liang Bing, go to Melo Heaven within ten days. I'll wait for you in Melo Heaven. ]

Morgana cursed, [Bitch, scumbag Su Chen, how could youDo you know my name is Liang Bing? How do you have my genetic communication code? ]

In Tianren No. 7,

Su Chen's face turned black when he heard Morgana's scolding,

A female gangster is indeed a female gangster,

Su (devil) Chen saw Angel Zhui, Angel Zhixin, and Angel Leng smiling, and he couldn't help but want to beat Morgana's little butt hard.

[Damn it, Liang Bing, you are the King of Apocalypse, not a shrew, can you speak more civilized? ]

[I'm not civilized, scumbag, remember this, I'm the Demon Queen, not the King of Apocalypse. ]

[Liang Bing, I remind you, if you dare to say dirty words like a lady again, I will order Tianren No. 7 to blow up the demon mother planet Kunsu, and I will also take away your rose. ]

[Bitch, you are looking for death. ]

Bang!

Morgana slammed the table hard. She was about to explode with anger at the scumbag Su Chen.

Blast her Kunsu?

Still want to steal her rose?

Does the scumbag Su Chen want to die?

Morgana will go and kill the scumbag Su Chencang now.

[Liang Bing, you only have ten days, otherwise you know what the consequences will be. I will wait for you in Melo Heaven, and He Xi will wait for you too. ]

Chapter 3207

"Bitch! Bitch! Bitch!"

Morgana kept beating and scolding angrily,

Threat,

Naked threat,

Damn scumbag,

Damn scumbag Su Chen,

Morgana will tear scumbag Su Chen into pieces sooner or later, no, she will make scumbag Su Chen live a life worse than death.

Rose asked with a serious face, "Morgana, what is your name? Liang Bing? Apocalypse King? Why does scumbag Su Chen call you Liang Bing and Apocalypse King?"

"You don't need to know."

Morgana regretted connecting to Rose's genetic communication, and she shouldn't have let Rose hear her conversation with Su Chen.

Damn scumbag,

Why did scumbag Su Chen know her identity? He Xi told scumbag Su Chen her identity?

Is it possible?

He Xi is not a big mouth,

Morgana can be said to be the shame of the angels, and He Xi may tell Su Chen for the sake of the angels.

Go to Melo Heaven?

Why did the scumbag Su Chen threaten her to go to Melo Heaven?

Kill her?

Impossible,

If the scumbag wants to kill her, he will not let her go to Melo Heaven,

Why?

He Xi is also waiting for her?

What conspiracy does the scumbag Su Chen have? What is the relationship between the scumbag Su Chen and He Xi?

Rose stared at Morgana and asked 780, "Morgana, what on earth are you hiding from me?"

Morgana said with a complicated expression, "Rose, I will send you back to Earth in a while. Don't you want to be with your teammates? I agree. You don't have to go to Kunsu with me."

"If you don't explain clearly, I won't go back."

"You must go back to Earth."

"Morgana, I have promised to go to Kunsu with you. I won't go back on my word."

"I've gone back on my word."

"You..."

Rose pointed at Morgana and couldn't speak.

Female hooligan?

Morgana is a female hooligan,

But,

Morgana suddenly went back on her word and asked her to go back to Earth. Rose guessed that Morgana was going to the Angel Nebula,

Su Chen's threat?

She guessed that Morgana was concerned about Su Chen's threat.

For Kunsu and for her, Morgana would definitely follow Su Chen's words and go to Melo Heaven.

Ato hurriedly informed Morgana, "Queen, a group of angels are approaching us."

"Bitch."

Morgana hurriedly walked towards the control room.

The appearance of the angel,

She guessed that Demon No. 1 was exposed, or that the scumbag Su Chen knew the location of Demon No. 1.

Qiangwei also hurried over.

She would not leave.

If Morgana went to the angel's Melo Heaven, she would follow Morgana.

At this moment,

Angel Alan appeared next to Demon No. 1 with the angel. She looked at Demon No. 1 with mixed feelings.

Once,

She was killed by the devil,

AngelAlan didn't expect that the Demon Queen was Apocalypse King Liang Bing. Is the war between angels and demons for tens of thousands of years meaningful?

An angel asked Angel Alan, "Holy Right Wing Guard, will Demon No. 1 attack us?"

Angel Alan shook her head and replied, "No, our king has contacted Morgana, Morgana dare not let Demon No. 1 attack us, and the sisters have exposed the sub-biological engine."

"Yes, Holy Right Wing Guard."

The angels nodded,

They looked at Demon No. 1 and talked,

"I didn't expect the Demon Queen to be Apocalypse King Liang Bing. The war between our angels and demons is meaningless."

"No, we angels are for Justice is done, Queen Kesha is not wrong, the demons should be destroyed."

"Yes, the demons spread the virus everywhere, we angels are for the universe, for the justice of Queen Kesha."

"Our king wants us to take Morgana away. I guess the king wants Morgana to atone for her sins, and wants Apocalypse King Liang Bing to atone for the angels who died in the battle."

Angel Alan didn't care about the conversation between the angels. (To read the violent novels, go to Faloo Novel Network!)

She has read the most core information of the knowledge treasure house.

She knows the relationship between Apocalypse King Liang Bing and Su Chen, and Angel Alan also knows her relationship with Su Chen.

In the Melo Heaven,

The three angel kings,

There are also her and Angel Leng's women,

They are all Su Chen's women, and Su Chen is also their male god.

Xuantian Realm?

Chaos World?

Angel Alan wanted to meet Angel Alan who looked exactly like her, and she also wanted to visit the vast Xuantian Realm.

"Little bitches, aren't you afraid of death? Eh? Angel Alan? How come you are still alive?"

Morgana's huge image appeared above Demon No. 1. She was very surprised to see Angel Alan.

Angel Alan was ambushed and killed ten thousand years ago.

Kesha would not resurrect the angels who died in battle, so how could Angel Alan appear in front of her?

Angel Alan said with a serious face, "Morgana, we have been ordered to take you back to Melo Heaven."

Morgana said disdainfully, "Ordered? Whose order? Why should I go to Melo Heaven with you?"

"Angel King Su Chen."

"Bitch, how can the scumbag be the angel king? All the female angels are dead... huh? You... how can you be the fourth generation angel? How come the other angels are all third generation gods?"

Morgana was confused as she spoke,

She found that Angel Alan and other angels were very powerful,

Fourth generation angels, []

Third generation gods,

And the void engine that she found out,

Damn it,

How come these angels are so powerful?

Did the scumbag Su Chen upgrade the angels? And installed the void engine for the bitches?

Angel Alan said coldly, "Morgana, you only have half an hour to prepare. If you don't leave with us in half an hour, our king will do something to displease you."

"Bitch, I will go to the Melo Heaven with you. "

Morgana reluctantly agreed,

Even if she disagreed, there was no way,

Angel Alan and a team of angels could destroy the demons,

Morgana didn't have a void engine,

If they fought,

Angel Alan might be able to capture her alive,

Damn it,

How many angels have installed void engines? How many angels have upgraded to the third generation of divine bodies?

In the universe,

Sky Blade VII moved quickly towards the Angel Nebula, and Su drank and looked at the long legs around him.

How long has it been?

Since he left the Super God World,

I haven't seen so many long legs for almost two hundred years.

Angel Zhixin asked Su Chen, "Su Chen, will Morgana go to Melo Heaven?"

"Yes."

"I didn't expect Morgana to be the King of Apocalypse, or the sister of Queen Kesha. ”

Su Chen looked at the beautiful angel Zhixin and asked, "Zhixin, you have read the most core information in the treasure house of knowledge, what do you think of me now?"

"I... I am me, I am not the angel Zhixin from the super god world, you can't treat me the same as the other Zhixin."

Chapter 3208

Angel Zhixin blushed and took a few steps back. She was worried that Su Chen would do something to her.

As for Su Chen,

Angel Zhixin didn't know how to treat him. She had read the most core information in the treasure house of knowledge.

She understood that there were other worlds with the same origin outside of this world.

Su Chen had also been to a world exactly like hers. Angel Zhixin in the other world was still Su Chen's woman.

But she was her.

The other Angel Zhixin was not her.

Angel Zhixin would not regard Su Chen as her male god.

Su Chen crossed his arms and smiled, "Zhi Xin, you know that you look exactly like another angel Zhi Xin, I know your bodies very well."

"You are shameless."

Angel Zhi Xin glared at Xiao Yu with shame and anger. She felt that Xiao Yu deliberately let her see the embarrassing video information.

She blushed and her heartbeat quickened when she saw the romantic video of Xiao Yu and another angel Zhi Xin.

But,

Angel Zhi Xin wanted to know the following information,

She endured her shyness and watched it all the way.

After watching it, Angel Zhi Xin sat down on a chair with weak legs. She kept thinking about the embarrassing video in her mind.

Angel coldly blushed and said, "Wang, you are too shameless."

"Su Chen, you are indeed a scumbag."

Angel Zhui clenched her hands tightly and stared at Su Chen in shame and anger,

She had just read the most core information of the knowledge treasure house, and Angel Zhui understood why Su Chen did not attack her,

In another world,

Another Angel Xingyun,

Another Angel Zhui,

In another world,

Angel Zhui and Angel Yan knew Su Chen at the same time, and Su Chen's hug and caress of Angel Zhui seemed to be touching her.

Xiao Yu curled her lips and said, "You are all my women, and I am also your male god. How can I be shameless to you?"

Angel Zhui said proudly, "Su Chen, I am me, I am not another angel Zhui."

Angel Zhixin also said hurriedly, "Yes, I am not the angel Zhixin from another world, you can't treat me the same as the other angel Zhixin."

Su Chen leaned back in the chair and said, "Let's talk about this later, you will be my women anyway."

Angel Leng asked eagerly, "King, can we become immortals in the future?"

"Not now, my strength is sealed, I will make you immortals in the future."

Angel Leng's three daughters looked at each other,

They all understood the power of becoming immortals,

The fourth generation of sacred bodies are the soldiers of the immortal world, they all want to see the vast and terrifying Xuantian Realm, and they also want to become powerful gods in the Xuantian Realm.

Ding ding~

Suddenly,

Su Chen's communicator rang.

Qilin?

Why would Qilin contact him?

Su Chen took out the communicator and looked at it, very confused. He had not been away from Earth for long. Could something have happened on Earth?

Su Chen connected the communicationQi asked, "Qilin, what do you want to talk to me about?"

[Su Chen, something happened on Earth, the scumbag took Ge Xiaolun away. ]

"Ge Xiaolun was caught? Qilin, do you want me to save Ge Xiaolun?"

Su Chen didn't expect Ge Xiaolun to be caught by the scumbag,

Who could it be?

The scumbag Sumali?

What the hell,

Sumali must not kill Ge Xiaolun. If Ge Xiaolun is killed by Sumali, his trial mission will also be ruined.

[Yes, Su Chen, you promised me and Lianfeng three promises, I want you to send an angel to rescue Ge Xiaolun. ]

Su Chen touched his chin and thought for a while and said, "Qilin, Angel Yan took a team of angels to Earth, you can contact Angel Yan to save Ge Xiaolun."

[Su Chen, can't you save Ge Xiaolun? ]

Su Chen held Angel Leng in his arms and said, "I'm in the Angel Nebula, too far away. Angel Yan should have reached the earth. If you don't want Ge Xiaolun to die, contact Angel Yan as soon as possible."

[Okay. ]

Su Chen hung up the call and smiled, "Leng, let's go to Fenghuaxueyue."

Angel Leng blushed and said hurriedly, "I... I'm not ready yet, let me go."

"Leng, you are my first guardian angel, do you want to be robbed by Angel Zhui and Angel Zhixin?"

"I... I..."

Angel Leng blushed and couldn't speak. She knew that the other Angel Leng was Su Chen's first guardian angel.

But she is her,

She is different from the other Angel Leng,

Angel Leng doesn't know whether she should swear the Angel Oath to Su Chen, and she doesn't know whether she should snatch the male god of the three angel kings. (To read the exciting novels, go to Faloo Novel Network!)

"Since you agree, let's go to the romantic place."

Su Chen hugged Angel Leng and disappeared in the control center.

He wanted to enjoy Angel Leng's passion and tenderness, and he was also looking forward to Angel Leng's tender service.0

Angel Zhixin said, "Su Chen is such a scumbag."

Angel Zhui shook his head and said, "Zhixin, I'm afraid we can't escape. Su Chen knows us very well, not only about everything, but also about our bodies."

"A Zhui, Su Chen is my master's idol, and my master won't let Su Chen have any ideas about me."

"I'm afraid it's difficult. "

"Forget it, when we get to Melo Heaven, I will hide so that Su Chen won't find me."

"Count me in, I don't want to be found by Su Chen either."

"Okay!"

Earth,

After Qilin contacted Su Chen,

She hurriedly said to Lianfeng,

“Sister Lianfeng, Su Chen went to the Angel Nebula, he can’t help us, but Su Chen said that Angel Yan brought a team of angels to Earth, we can contact Angel Yan to save Xiaolun.”

Lianfeng hurriedly said, “I will contact Angel Yan immediately.”

“Okay!”

Qilin nodded to Lianfeng and thought about Su Chen,

Su Chen went to the Angel Nebula Yun?

Would a scumbag dare to go to the Angel Nebula? []

He Xi, the King of Tianji?

Did the King of Tianji agree with Su Chen to go to the Angel Nebula?

Also,

Why did He Xi depose the Queen of Angel Yan? What is the relationship between He Xi and Su Chen?

Liu Chuang ran over and shouted, "Qilin, Lianfeng, Sun Wukong 5.3 told me that it was the scumbag Sumali who took Xiaolun away. He is the third generation of the divine body. We can't save Xiaolun."

Qilin asked hurriedly, "Liu Chuang, where is Sun Wukong? Can he defeat the scumbag Sumali?"

"Brother Monkey is going to save Xiaolun. I don't know if Brother Monkey can defeat the scumbag Sumali."

"Liu Chuang, let's go to help Sun Wukong."

"Okay, I notified Mengmeng and Yaowen, and they will also go with us to help Brother Monkey."

"Let's go now. "

Qilin put on black armor and hurried away with Liu Chuang.

Sun Wukong had already gone there.

They had to help Sun Wukong rescue Ge Xiaolun as soon as possible.

If Angel Yan also arrived in time, they would rescue Ge Xiaolun safely.

At this moment,

Lian Feng showed a surprised expression and asked, "Angel Yan, what did you say? The Lieyang Star Fleet is about to arrive on Earth?" .

Chapter 3209

[Yes, Lianfeng, more than 300 warships have arrived from Lieyang Star. I guess Lieyang Star is going to invade Earth. ]

"I understand, Angel Yan, Ge Xiaolun was captured by the scumbag Sumali. Sun Wukong and Xiongbinglian have gone to rescue Ge Xiaolun. I hope you can help rescue Ge Xiaolun."

[I will rescue Ge Xiaolun. ]

"Thank you."

Lianfeng hung up the communicator and rubbed her forehead.

Su Chen did not lie to her.

Both the scumbag and Lieyang Star have arrived on Earth. The scumbag has captured Ge Xiaolun, and Lieyang Star is going to invade Earth.

What should Earth do?

Without the help of angels,

Earth cannot resist the invasion of cosmic civilization.

Lian Feng took out the communicator and whispered, "Su Chen? The Earth cannot be occupied by Taotie, Tian Zha, and Lieyang Star. I want to contact Su Chen, hoping that Su Chen can send angels to help the Earth."

After a while,

Lian Feng did not contact Su Chen,

Su Chen has not connected the communicator,

Angel Nebula?

Is Su Chen doing something important in the Angel Nebula? Does he have no time to connect the communicator at this moment?

At this moment,

North Star,

Sun Wukong and Tian Zha Sumali are fighting in the air, and Qilin, Liu Chuang and the other four rescue the unconscious Ge Xiaolun.

"Are we going to help Monkey King?"

"We can't help Monkey King. We are only the second generation of super soldiers. Tian Zha is too powerful. If we go up, we will not only fail to help Monkey King, but may also hinder Monkey King's feet."

"That's right. Let's not act on our own. How is Xiaolun?"

"Xiaolun is being experimented on by Tian Zha. Tian Zha seems to be studying Xiaolun's genes."

"I hope Xiaolun will be fine."

After Liu Chuang and Qilin talked,

They ignored the unconscious Ge Xiaolun.

Sun Wukong was stabbed in many places by Tian Zha's dagger. They were worried that Sun Wukong would not be Tian Zha's opponent.

"The art of clones."

In the air,

Sun Wukong split dozens of clones and rushed towards Sumali. He could not deal with Sumali's dark silver dagger.

The Dark Silver Dagger caused too much damage to him.

If Sun Wukong is pierced by the Dark Silver Dagger again, his genes may be damaged.

"Unnecessary struggle~'."

Su Mali controlled the Dark Silver Dagger to quickly break Sun Wukong's clone.

Sun Wukong's strength was on par with his.

But he had the Dark Silver Dagger.

As long as Su Mali didn't let Sun Wukong get close, he could kill Sun Wukong.

Swoosh~

At this time,

More than a dozen angels flew in the air.

After Su Mali found out, he took back the Dark Silver Dagger and left quickly.

Angel Yan?

Why would Angel Yan bring angels to Earth?

Isn't Angel Yan in Fred to protect Enesid? Su Mali didn't expect Angel Yan to ignore Enesid's arrival on Earth.

Sumali is no match for Angel Yan.

But it doesn't matter,

He has already obtained the genes of Ge Xiaolun,

As long as Sumali integrates the genes of the female angel, he will also have the genes of the power of the galaxy.

After a while,

Angel Yan brought Angel Qingqing and more than ten angels to arrive,

Qilin smiled and waved, "Angel Yan, you are here."

Angel Yan asked with a serious face, "What happened to Ge Xiaolun?"

Liu Chuang hurriedly replied, "Xiaolun was taken away by the scumbag Sumali for research, and he is still unconscious. We don't know what the scumbag Sumali did to Xiaolun."

Angel Yan hurriedly checked Ge Xiaolun,

Ge Xiaolun is not only her male god, but also the future of angels. She can't let Ge Xiaolun get into trouble.

Sun Wukong and Qilin looked at Angel Yan one after another. They were worried that Ge Xiaolun would have a big problem.

Angel Qingqing looked at Ge Xiaolun and frowned.

Angel Yan's male god?

Second-generation super soldier?

Ge Xiaolun's strength is too low, and he is not worthy of Angel Yan, who has a fourth-generation sacred body.

Angel Yan checked Ge Xiaolun and said, "Ge Xiaolun has lost some genes, don't worry, he is not a big problem." (To read the violent novel, go to Faloo Novel Network!)

Liu Chuang asked with a big axe, "Angel Yan, Xiaolun's Xiongxin is not completed yet, will you angels help Xiaolun complete it?"

"I can't help Ge Xiaolun."

Angel Yan shook her head at Liu Chuang and the others. Angel Zhixin was researching Ge Xiaolun's Xiongxin.

Angel Yan is a combat angel,

She is not proficient in scientific research,

She can't help Ge Xiaolun complete the Xiongxin.

Moreover,

Angel Yan is no longer the angel queen of Melo Heaven. Except for the dozen angels around her, other angels will no longer obey her orders, and she can't order the scientific research angels to help Ge Xiaolun.

Cheng Yaowen asked with a serious face, "Angel Yan, are the angels going to abandon the earth?"

"Abandon?"

Angel Yan looked at Liu Chuang and Cheng Yaowen,

Did the angels abandon the earth?

The Super Seminary refused the angels to help the earth at the beginning,

If it wasn't for Ge Xiaolun, Angel Yan would not order the angels to help the earth,

Hundreds of angels died in battle on the earth,

She sacrificed hundreds of young angels to teleport Sky Blade No. 7,

Did Angel Yan abandon the earth?

She sacrificed hundreds of angels for the earth and Ge Xiaolun, and Angel Yan now doesn't know if she did the right thing.

Liu Chuang bowed to Angel Yan and said, "..Angel Yan, all the angels on Earth have been recalled by Su Chen, and Angel Zhixin has also been recalled by Su Chen. I hope the angels can continue to help the Earth."

Angel Yan shook her head and said, "I can't do anything. You should have heard that I was deposed as the Angel Queen, and the angels will no longer obey my orders."

Qilin asked hurriedly, "Angel Yan, can you and your angels help the Earth?"

"I....."

[Sister Yan, you can't help the Earth, otherwise, my master and Su Chen will disconnect you from the Knowledge Treasure House. ]

Angel Yan suddenly heard the Angel Zhixin gene communication,

She was stunned,

Disconnect the Knowledge Treasure House?

If Angel Yan and her angels were disconnected from the Knowledge Treasure House.

(Li's) They were abandoned by the Angel Nebula,

You can also say that they were exiled by the Angel Nebula, and they will be regarded as traitors by all female angels,

They will be like Ruoning in the future.

They will be hated by female angels,

They will be spurned by the Angel Nebula angels.

[Sister Yan, the Earth is not worth the angels' efforts. Su Chen is right. You will understand everything when you see Su Chen. ]

Angel Yan asked angrily, "Zhi Xin, do you want to admit that Su Chen is the king of angels?"

[Sister Yan, I can't explain it to you at the moment. Su Chen is the king of angels. The old angels, young angels, my master, and all angels in the Angel Nebula will recognize Su Chen's identity. ]

Angel Yan clenched her hands tightly and asked, "Zhi Xin, I can't agree with everything you said. I want to ask you now, do you want me to give up Ge Xiaolun?"

[Sister Yan, give up Ge Xiaolun. The future of our angels can only rely on angels. Ge Xiaolun is no longer your male god. Your male god is someone else. ] .

Chapter 3210

Angel Yan was stunned when she heard what Angel Zhixin said. She knew that Angel's future could only rely on Angel.

But how could Ge Xiaolun not be her idol?

How could her idol be someone else?

"Zhixin, what do you mean? How could Ge Xiaolun not be my idol? How could my idol be someone else?"

In Tianren No. 7,

Angel Zhixin and Angel Zhui looked at each other,

They didn't know how to tell Angel Yan.

Should they tell Angel Yan that her idol is Su Chen? Is the matching degree between Su Chen and Angel Yan still 100%~?

If they told Angel Yan like this,

Angel Yan would not believe it even more,

Unless Angel Yan and Su Chen matched face to face, but Angel Yan would probably be stubborn and would not match with Tianzha.

Angel Zhui asked helplessly, "Zhi Xin, how should we answer Sister Yan?"

"I don't know."

Angel Zhi Xin was lying on the table and was also very helpless.

Persuade Angel Yan?

Is it possible?

Angel Zhixin is very familiar with Angel Yan, and she also knows Angel Yan's stubborn character.

Angel Zhui blushed and said, "Su Chen is still bullying Sister Leng, and we can't let Su Chen convince Sister Yan now."

"Ah Zhui, can Su Chen convince Sister Yan? I'm worried that Su Chen will make Sister Yan crazy."

"That's right, Su Chen is too shameless and a bastard, especially to Sister Yan. Not only did he say that Sister Yan is a female hooligan, he almost asked Angel Alan to catch Sister Yan back."

"In another world, Su Chen and Sister Yan have the best relationship. I guess Su Chen loves her deeply and blames her harshly."

"Let's not talk about this, Ah Zhui, how can we convince Sister Yan?"

"I don't know."

Angel Zhixin and Angel Zhui both lay on the table. They still haven't thought of a way to convince Angel Yan.

If Angel Yan dares to help the earth, Su Chen and He Xi will really expel Angel Yan from the treasure house of knowledge.

After Angel Yan was expelled from the treasure house of knowledge,

she will no longer have celestial computers to support her in battle,

she will no longer have dark energy to replenish,

after a long time,

Angel Yan will not be able to defeat even the third generation of super soldiers because she has no dark energy to replenish.

Earth,

Angel Yan has not waited for Angel Zhixin to reply, and she can't understand why Angel Zhixin didn't answer her.

"Xiaolun, you're awake."

"Xiaolun, how do you feel?"

"Boy, you don't have much problem, don't shake your head anymore."

"Xiaolun, Angel Yan has checked your condition, and you don't have much problem."

Liu Chuang and Qilin saw Ge Xiaolun wake up, and they didn't have to worry about Ge Xiaolun having any big problems.

Angel Yan frowned and looked at Ge Xiaolun, who still looked like a loser.

If it weren't for the battle with Fred,

Angel Yan wouldn't have looked at Ge Xiaolun differently.

After a while,

Ge Xiaolun stood up and said to Angel Yan, "Yan, you angels cannot leave the Earth. Taotie is getting stronger and stronger, and Tianzha has also appeared on Earth. The Earth cannot face the cosmic civilization."

"And my Xiongxin."

"Angel Zhixin left before helping me complete Xiongxin. You must let Angel Zhixin come back to help me complete Xiongxin."

Angel Yan said coldly, "Ge Xiaolun, the Earth is powerless to face Taotie and Tianzha. You can ask for help from the Super God Academy. Angels have no obligation to help the Earth. As for your Xiongxin, I can't do anything."

Ge Xiaolun shouted hurriedly, "Why don't you have an obligation? Haven't angels been helping the Earth all this time?"

Angel Yan said angrily, "Angels help the Earth. It was my personal behavior. In order to help the earth, the angels have sacrificed too much. I will not let the angels sacrifice for the earth again. "

"Aren't angels just? There are 8 billion people on earth, and more than 3 billion people died or were injured in less than a year. Why don't angels help the earth? Why don't they save humans?"

"Ge Xiaolun, I said that angels have no obligation to help the earth. The earth is the sphere of influence of the Super Seminary. If you want the people on earth not to be enslaved and slaughtered by the Taotie, you can ask the Super Seminary to help the earth."

Ge Xiaolun showed an angry expression and shouted, "Angel Yan, you have changed. You are no longer the Angel Yan I know. If the angels don't help the earth, it's fine. The earth no longer welcomes the angels to come. Please take the angels away from the earth."

Bang!

Angel Yan kicked Ge Xiaolun away angrily.

She was angry.

Angels don't help the earth?

Ge Xiaolun actually wanted to drive her and the angels away from the father earth?

Angel Yan was wrong,

She realized her mistake too late,

For the Earth,

For Ge Xiaolun, (To read the exciting novels, go to Faloo Novel Network!)

Angel Yan did her utmost to help the Earth after the death of Queen Kesha, and hundreds of angel sisters died for the Earth,

Please give flowers

She also killed hundreds of young angels in order to send Sky Blade No. 7 to Ge Xiaolun,

Didn't Ge Xiaolun see countless angels die for the Earth?

Humans?

Humans don't deserve the help of angels,

Angel Yan finally understood what Su Chen said, that angels can only rely on angels, and no one will really help angels,

She regretted it,

She shouldn't have sacrificed hundreds of angel sisters for the sake of the male god,

For the justice in her heart.

Angel Qingqing and other angels glared at Ge Xiaolun,

The angels lost Queen Kesha,

They were also threatened by Tianzha and Taotie,

But,

They didn't expect to be driven away by the earthlings. The angels sacrificed hundreds of sisters for the earth. []

Is it worth it?

Not worth it,

The angel sisters sacrificed in vain,

Earth dared to expel angels when it was not a cosmic civilization,

If the earth becomes a powerful civilization in the universe in the future, will the earthlings enslave and humiliate the angels?

Angel Qing Qing thinks that when the Earthlings become powerful, they will enslave and humiliate the Angels.

She has looked at the history of the Earth for thousands of years.

The greed, lust, war, killing, and betrayal of the Earthlings have happened frequently in recent years.

Some Earthlings turn to the devil for immortality, and those humans kill and rape everywhere for immortality and power.

Humans do not deserve the protection and help of the Angels.

Humans do not deserve the protection and help of the Angels.

At this moment,

Ge Xiaolun hit the wall and vomited blood and stood up and shouted, "Angel Yan, I didn't expect you to attack me. Take your angels away from the earth. The earth will no longer need angels to help."

"Ge Xiaolun, shut up."

"Xiaolun, how can you say that?"

"Too selfish, I didn't expect Ge Xiaolun to say such ungrateful words."

"This... How can Xiaolun say that?"

"Xiaolun, it's wrong for you to say that about angels. Angels sacrificed hundreds of angels for the earth. How can you say ungrateful words."

Sun Wukong and Qilin stared at Ge Xiaolun angrily,

Is Ge Xiaolun talking human words?

Angel Yan can no longer help the earth. Ge Xiaolun actually wants to expel the angels from the earth.

Angels sacrificed hundreds of angels for the earth.

Didn't Ge Xiaolun see it? .
