Chapter 3241

Bai Ling hurriedly shouted, "I won't leave. I want to save my father and my people."

"Princess, we can't save the chief, nor can we save our people. The princess is the only hope of our Frost Giant Wolf Clan. We must protect the princess and escape from the Cloudy Mountains as soon as possible."

"Xue Yi, can't we really save our people?"

"We are powerless. The giant apes were conquered by the Qilin Clan so that they could become a subordinate race of the Qilin Clan. The strong men of the Qilin Clan helped the giant apes to slaughter our Frost Giant Wolf Clan. We can't defeat the strong men of the Qilin Clan."

Su Chen was speechless beside him.

These stupid wolves are talking endlessly, right?

If the Taiyi Jinxian of the Qilin Clan finds this place, none of these stupid wolves can escape, and Su Chen will also be implicated and killed.

"Bai Ling, stop talking nonsense, take me away quickly. If the Qilin and the Giant Ape tribes destroy your Frost Giant Wolf tribe, they will definitely hunt you down. Run away now."

Bai Ling hurriedly asked after hearing Su Chen's words, "Su Chen, where are we going?"

"I don't know shit, let's escape from the Cloudy Mountains first."

"Okay."

Bai Ling nodded in agreement to Su Chen,

She and the twelve white wolf guards disappeared in front of Su Chen in an instant,

"Damn it."

Su Chen was stunned,

Did Bai Ling forget something?

Where is he 19?

Did the stupid wolf forget him?

Swoosh~

Bai Ling appeared again in an instant and said, "Su Chen, I forgot that your cultivation disappeared. Hurry up and get on my back. I will take you away."

Su Chen hurriedly climbed onto Bai Ling's back and shouted, "Bai Ling, run away quickly."

"Okay!"

Three months later,

Lingxi Lakeside.

Su Chen sat by the lake thinking,

He was taken by Bai Ling to escape billions of miles from the Yunwu Mountains. They were temporarily safe by Lingxi Lakeside.

The news found by the White Wolf Guards,

The east of Lingxi Lakeside is the sphere of influence of the Dragon Clan, the south is the sphere of influence of the Phoenix Clan, and the north is the sphere of influence of the Qilin Clan.

As for the west?

Although the White Wolf Guards did not find out,

Su Chen knew whose territory was to the west,

Demon Ancestor Luohou!

What the hell,

Su Chen couldn't help but want to scold the Demon Ancestor Luo Hou when he thought of him. He hadn't scolded Luo Hou for more than two hundred years.

Where to go?

Three Immortal Islands?

During the Great Tribulation of the Three Clans,

The Three Immortal Islands in the East China Sea had not been discovered yet.

The Three Immortal Islands were chaos fragments that could conceal the secrets of heaven. There were also top-grade innate spiritual treasures and Three Lights Divine Water in the three immortal islands.

However,

The Three Immortal Islands were within the influence of the Dragon Clan.

Su Chen had no cultivation at all.

Even if he arrived in the East China Sea, he couldn't find the Three Immortal Islands.

Su Chen rubbed his forehead helplessly and said, "Alas! It's really hard to move forward without strength."

Swoosh!

Bai Ling appeared beside Su Chen and shouted, "Su Chen, my PanI have finished eating peaches, give me some more."

"Bai Ling, didn't I give you hundreds of peaches a month ago? How come you have eaten them all?"

Su Chen's eyes lit up as he looked at the beautiful girl in front of him.

Bai Ling was very pure and beautiful in her Taoist form. The beautiful girl had a sexy figure and attractive curves.

Especially when Bai Ling was wearing a white dress,

The beautiful girl was as beautiful as an elf.

Bai Ling smiled sweetly and said,

"I distributed the peaches to Xue Yi and the others. The White Wolf Guards used the peaches to practice. They are all about to be promoted to Xuanxian. Xue Yi will be promoted to Jinxian in a short time. I will be promoted to Jinxian soon. "

Su Chen shook his head speechlessly,

He took out hundreds of peaches and gave them to Bai Ling. The three thousand years of peaches were the reward for Bai Ling and the White Wolf Guards to protect him.

The system girl was quite conscientious,

There were no items in the closed system space,

Items in the prehistoric fairyland could be taken out, but treasures beyond the prehistoric fairyland could not be taken out.

Su Chen was also a dog owner during the Three Clans period.

Bai Ling accepted the peaches and asked in confusion, "Su Chen, why didn't you recover any of your cultivation after eating the peaches?" (To read the exciting novels, go to Faloo Novel Network!)

Su Chen hugged Bai Ling and smiled, "Bai Ling, my situation is special, and eating peaches can't restore my cultivation."

"Why are you hugging me again? Let me go, you hugging me makes me feel weird. "

Bai Ling blushed when Su Chen hugged her.

She felt very strange when Su Chen hugged her.

Bai Ling was not only in a good mood, but also wanted to lean on Su Chen's arms, and even couldn't help wanting Su Chen to kiss her again.

Su Chen touched Bai Ling's soft waist and smiled, "Bai Ling, I hugged you more than once or twice, why are you not used to it? Besides, I rode you before."

Bai Ling shouted in shame, "Su Chen, I carried you on my back to escape, not you rode me."

"Is there a difference?"

"Why is there no difference..."

As Bai Ling said this, she suddenly thought that Su Chen seemed to be riding her.

If she transformed into a Taoist body, she would carry Su Chen on her back.

Su Chen rode on her original body. Bai Ling thought that she should be regarded as being ridden by Su Chen.

Su Chen touched Bai Ling's delicate face and asked, "Little beauty, are you shy? "

"Am I shy?"

"Aren't you?"[]

"I'm not."

Bai Ling was lying in Su Chen's arms with a blushing face.

She was shy.

She was ridden by Su Chen.

Su Chen would be her Taoist partner in the future.

Bai Ling had a Taoist partner when she was only over a thousand years old. She was not ready to have one yet.

Swoosh~

A woman in black suddenly appeared beside her.

Bai Ling saw the sudden appearance of a living being and hurriedly shouted, "Who is it?"

Swoosh, swoosh, swoosh~

The twelve white wolf guards quickly appeared beside Bai Ling. They protected Bai Ling and Su Chen in the middle and were alert to the woman who appeared.

Su Chen sawThe woman in black was confused.

The Lustful Demon Envoy was one of the seven demons under the Demon Ancestor Luohou 093. How could the Lustful Demon Envoy come to the East of the Great Desolation?

In the main world,

Su Chen deceived Luohou and wanted to take the Lustful Demon Envoy away.

The Lustful Demon Envoy was his concubine, and Su Chen's first saint concubine.

During the Three Clans period,

The Lustful Demon Envoy should be a Daluo Jinxian.

Su Chen didn't understand why the Lustful Demon Envoy came to the East. Shouldn't she be in the Western Continent controlled by the Demon Ancestor Luohou?

Damn it,

Something bad is going to happen.

Don't think that the Lustful Demon Envoy is a beautiful and sexy woman.

The Lustful Demon Envoy is very cruel and has slaughtered countless lives. Su Chen doesn't want to be killed by his concubine.

"How did the Lustful Demon Envoy come to the East of the Great Desolation? Did the Demon Ancestor Luohou send you to the East of the Great Desolation to provoke a war among the three tribes?"

"Little creature, do you know this Demon Envoy? Eh? Strange, how come you don't have any cultivation after you transformed?"

The Lustful Demon Envoy was very surprised.

She didn't expect Su Chen to know her Taoist name.

Su Chen also knew that she was a subordinate of the Demon Ancestor Luohou, and even knew the purpose of her coming to the East of the Great Desolation.

But,

How could a transformed creature have no cultivation?

Hidden his cultivation?

Is Su Chen a hermit in the Great Desolation Immortal Realm?

The Lustful Demon Envoy felt that her guess was not wrong. Su Chen might be a powerful person of the same generation as the Demon Ancestor.

"Lustful Demon Envoy, Luohou and I know each other. All the seven great demons under Luohou know him."

Chapter 3242

Su Chen could only deceive the Lustful Demon Envoy at this moment.

The demons were too cruel,

The Lustful Demon Envoy was even more cruel.

Su Chen was worried that the Lustful Demon Envoy would kill him without saying a word, and he didn't want to be killed by his own woman.

"Do you know the Demon Ancestor?"

The Lustful Demon Envoy calmly sent a message to the Demon Ancestor Luohou.

Although she believed that Su Chen was a congenitally powerful person, she still wanted the Demon Ancestor to come and confirm it.

"I know him. There are no people from the three tribes here, and this is not the battlefield of the three tribes. What are you doing at the Lingxi Lake?"

"You will know in a while."

"Hmm? Did you inform Luohou?"

"Yes!"

Su Chen's face turned black.

What the hell,

How could the lustful girl secretly inform Luohou? Su Chen quickly thought about how to deal with the demon ancestor Luohou.

Bai Ling grabbed Su Chen and said worriedly, "Su Chen, what should we do?"

"Don't worry, I can handle it." Su Chen touched Bai Ling's hair and shook his head.

What should we do?

What can he do?

Su Chen can only hope that Luohou, that idiot, is easy to fool. He doesn't want to be crushed to death by Luohou without saying a word.

Su Chen took a sip of wine and asked, "Devil of Lust, if I ask Luo Hou to take you as a maid, will Luo Hou agree?"

Devil of Lust said coldly, "The Demon Ancestor will not agree."

"Are you sure? 750"

"I am sure."

"That's hard to say."

Swoosh~

A man in black robes appeared silently beside the Devil of Lust,

He looked at Su Chen and frowned.

No cultivation? Unable to check the memory? Fate can't calculate Su Chen's origin?

Luo Hou became curious about Su Chen,

He guessed that Su Chen was the revived Chaos Demon God,

But why didn't Luo Hou see Su Chen before? Could Su Chen be the one among the three thousand Chaos Demon Gods?

"Luo Hou, come and sit down."

Su Chen asked Bai Ling to transform some cushions, and he took out tea sets and brewed tea on the stone pier.

Luo Hou came and sat on the cushion, and asked coldly, "What is your Taoist name?"

"You can call me Su Chen."

"Su Chen? There is no Chaos Demon God named Su Chen among the three thousand demon gods. Who are you?"

Su Chen poured tea for Luo Hou and smiled, "Luo Hou, let's not talk about who I am."

"What do you think after you provoked the three tribes' war, your Zhuxian Sword Formation absorbed enough blood and evil spirits to recover, and you unified the prehistoric fairy world and gained luck, and finally you can Can you advance to the level of Hunyuan Daluo Jinxian?"

Luo Hou said arrogantly, "Why not?"

Su Chen curled his lips and said sarcastically, "Can you? Luo Hou, you will die without a burial place if you are arrogant. Have you forgotten the other revived Chaos Demon Gods? Hongjun, Yin Yang, Yang Mei, Qian Kun, those old bastards will let you advance to the level of Hunyuan Daluo Jinxian?"

Luo Hou's eyes flashed coldly when he heard Su Chen's words,

Hongjun and the other four were his obstacles,

NoHowever,

Luo Hou did not care about Hong Jun and Yang Mei.

As long as his Zhu Xian Sword Formation absorbs enough blood and evil spirits to recover, Luo Hou can kill Hong Jun and Yang Mei alone.

Next to him,

Bai Ling and the twelve white wolf guards,

and the lustful demon envoy,

They listened to the conversation between Su Chen and Luo Hou and dared not speak, and they dared not disturb the conversation between Su Chen and Luo Hou.

Bai Ling and the twelve white wolf guards were very scared.

Since Luo Hou arrived,

Their souls were constantly shaking.

The perception of the demon ancestor Luo Hou was too dangerous, even more terrifying than the danger given to them by the lustful demon envoy. Bai Ling and others guessed that Luo Hou's burst of breath could annihilate them.

Luo Hou picked up the teacup and drank it, and asked, "What else do you know?"

"What else do you want to know?"

"I want to know everything you know."

Su Chen touched his chin and smiled, "Okay, my information is not free, what do you want to exchange?"

"Aren't you afraid that I will kill you?"

"You won't."

Luo Hou nodded silently,

He will not kill Su Chen, (to read the violent novel, go to Faloo Novel Network!)

No,

Luo Hou will not attack Su Chen before he figured out what kind of Chaos Demon God Su Chen is.

Su Chen is too mysterious,

He is also an old cunning man,

How can the Chaos Demon God have no cultivation after resurrection,

Luo Hou guessed that Su (caaf) Chen deliberately concealed his cultivation level, and Su Chen's cultivation level should also be the Quasi-Saint level.

"What do you want?"

Su Chen looked at the Lustful Demon Envoy and said, "I am missing a Golden Immortal maid, so the Lustful Demon Envoy will belong to me from now on."

"Hmph, do you think it's possible?"

Luo Hou didn't expect Su Chen to ask for such a high price.

Lustful Demon Envoy?

The Lustful Demon Envoy is one of the seven great demon envoys under him.

The Lustful Demon Envoy is also a Golden Immortal with peak cultivation. How could Luo Hou give a Golden Immortal to Su Chen?

Su Chen curled his lips and said, "You will. I can reveal a little. You will give the Lustful Demon Envoy to me after hearing it."

"Speak!"[]

"Hongjun is contacting the three tribes. You should know what he is going to do."

Luo Hou narrowed his eyes and stared at Su Chen.

Hongjun contacted the three tribes?

Is Hongjun contacting the three tribes to attack the demon tribe? Luohou wanted to kill Hongjun at this moment.

Su Chen saw the cold light in Luohou's eyes and said, "Luohou, you can't kill Hongjun."

Luohou glared at Su Chen angrily and shouted, "The ancestor can't kill Hongjun? Are you kidding?"

Su Chen shook his head speechlessly and said,

"I'm not kidding."

"Although Hongjun is the worst existence among the Chaos Demon Gods."

"After the Chaos War, the Chaos Demon Gods either fell completely or their souls escaped and revived again."

"After Hongjun revived, he obtained an incomplete half-step Chaos Spirit TreasureThe Jade Disc of Good Fortune, do you understand what the Jade Disc of Good Fortune is? Moreover, Hongjun and Yangmei have joined forces. Can you kill the four of them by yourself? "

Luohu Luohu showed a surprised look,

The Jade Disc of Good Fortune?

The Jade Disc of Good Fortune, Pangu's half-step Chaos Spirit Treasure, Hongjun got the Jade Disc of Good Fortune and didn't reveal it.

There are also Yangmei and the other three,

Hongjun also joined forces with Yangmei and the other three,

What did the four Chaos Demon Gods join forces for? Apart from dealing with him, Luohu couldn't think of the purpose of their union.

Luohu always looked down on Hongjun,

Hongjun is a Chaos Demon God. The lowest ranking existence of Chaos Demon God,

When the three thousand Chaos Demon Gods fought against Pangu,

Hongjun was so scared that he never showed up. Luohou did not see Hongjun appear before he was killed by Pangu.

Now,

Hongjun, who is a scumbag, makes him helpless.

Hongjun also joined forces with other Chaos Demon Gods to deal with him. Luohou is extremely angry with Hongjun.

"Su Chen, I can let the Lustful Demon Envoy be your maid, but you have to cooperate with me."

Su Chen asked in a daze, "Cooperation? Luohou, are you kidding? Will the Killing Demon God cooperate with others?"

Luohou said with a serious face, "You are different. I can see that you have no ambitions, and you don't want to get the luck of the prehistoric fairyland. It will be beneficial for you to cooperate with me. "

"I can cooperate with you, but, in addition to the Lustful Demon Envoy, you have to snatch the Qiankun Cauldron from the Taoist Master Qiankun for me."

Chapter 3243

Su Chen thought about it and decided to cooperate with Luo Hou.

He was also worried that if he didn't cooperate with Luo Hou,

the foolish Luo Hou would turn against him.

Su Chen had no cultivation level at the moment, and he didn't dare to provoke the foolish Luo Hou.

However,

Su Chen couldn't agree easily.

If he agreed to cooperate with Luo Hou easily, Luo Hou would definitely be suspicious of him.

Luo Hou frowned and thought for a while and said, "The Qiankun Cauldron of the Qiankun Patriarch? Okay, I agree. Within a year, I will take the Qiankun Cauldron from the Qiankun Patriarch and give it to you."

"After I get the Qiankun Cauldron, our cooperation will begin."

Luo Hou nodded and agreed, "Okay, Lustful Demon Envoy, you will be Su Chen's maid in the future."

Su Chen said to the Lustful Demon Envoy, "Lustful Demon Envoy, hand over a wisp of Yuanshen."

The Lustful Demon Envoy had no choice but to cut off a wisp of Yuanshen and give it to Su Chen,

She didn't dare not hand it over, "Four-nine-three"

If the Lustful Demon Envoy dared to refuse to hand over Yuanshen,

Demon Ancestor Luo Hou would suppress her, and she would still have to hand over Yuanshen to Su Chen at that time.

"System, help me take the Lustful Demon's Yuanshen."

Su Chen is just an ordinary person at this moment,

He can't even take the Yuanshen,

If Su Chen doesn't take the Lustful Demon's Yuanshen, the Lustful Demon and Luohou will doubt him.

[Ding, scum host, congratulations on getting the Lustful Demon's Yuanshen again, you can enjoy your witch to your heart's content in the future.]

Su Chen saw the system take the Lustful Demon's Yuanshen and taunted, "Girl, you are just a voyeur."

[Ding, ants are coming.]

"Ants? Girl, I will let you enjoy the torment of ants sooner or later."

[Ding, hooligan.]

Su Chen ignored the system,

He said to Luo Hou, "Luo Hou, don't provoke the three tribes during this period. You should check Hongjun's recent actions first. The war between the three tribes is inevitable. You should understand."

"Okay, the ancestor will check what Hongjun is doing. Within a year, the ancestor will come to you."

Luo Hou said and disappeared in front of Su Chen,

He had been checking Su Chen's collection of the Lustful Demon Envoy's Yuanshen,

But,

He didn't even notice Su Chen's breath, and Su Chen took away the Lustful Demon Envoy's Yuanshen,

What a cunning old bastard,

Luo Hou should also be more careful about Su Chen.

He won't be tricked by Su Chen without knowing it,

After all, the Chaos Demon Gods are not good people, and they have no credit. Su Chen may not have good intentions to cooperate with him.

After Luo Hou left, Bai Ling asked in confusion, "Su Chen, what kind of creature are you? Chaos Demon God?"

Su Chen hugged Bai Ling and kissed her, saying, "Don't ask, I will tell you later, Bai Ling, you and the White Wolf Guard continue to practice, I will provide you with practice resources."

"Okay."

Bai Ling nodded to Su Chen,

She took the White Wolf Guard away to practice,

Su Chen is not now Tell her the identity,

Bai Ling guessed that Su Chen had something to hide, and she also guessed that Su Chen's identity must be extraordinary.

Otherwise,

Demon Ancestor Luo Hou would not be on an equal footing with Su Chen.

Su Chen walked to the side of the Lustful Demon Envoy, pointed at the smooth chin of the Lustful Demon Envoy and smiled, "Lustful Demon Envoy, I said you would be my maid, do you believe it now?"

The Lustful Demon Envoy said with a bitter face, "Master, I believe it."

Su Chen took out a dress and said, "Put on this dress, your dress is too ugly."

"This... this... dress is actually a congenital middle-grade spiritual treasure?"

The Lustful Demon Envoy was very surprised to see the black dress,

Her weapon is a congenital middle-grade spiritual treasure, Su Chen actually gave her a congenital middle-grade spiritual treasure dress.

Too wasteful,

The middle-grade spiritual treasure dress is only a defensive spiritual treasure,

It would be great if the dress was an offensive spiritual treasure, and the strength of the Lustful Demon Envoy would increase by about 30%.

"Hurry up and change into it, I have something for you to do."

"Yes, Master."

The Lustful Demon Envoy waved her hand and changed into a black sexy dress. She felt very uncomfortable wearing the sexy dress.

Too revealing.

A large area of her skin was exposed, and her uneven body was revealed vividly.

The Lustful Demon Envoy's previous dress was considered revealing,

But this dress made her look more like a witch, more like a seductive and charming witch.

"Very good, Lustful Demon, the dress has two forms. You have to wear this form in front of me, and the other form can be worn for others to see."

Su Chen nodded to the Lustful Demon,

The dress was originally the Lustful Demon's dress,

It can change into two forms,

The Lustful Demon is wearing a sexy and seductive dress, and she can only wear it in front of him in the future.

Su Chen thought of the Lustful Demon seducing him in the past,

The Lustful Demon was wearing a sexy dress and dancing sexy dance. Su Chen couldn't help wanting to pounce on the Lustful Demon,

But he couldn't yet,

Su Chen didn't have any strength,

He was worried that he would be defeated by the Lustful Demon in the wind and snow, and Su Chen didn't want to embarrass himself in front of his woman...

The Lustful Demon replied with bright eyes, "Yes, Master."

Su Chen took out a jade box and said, "The Lustful Demon, you go to Taiyin Star and give this jade box to Moon God Wangshu. Remember, Moon God Wangshu is a quasi-saint, you must not act recklessly on Taiyin Star. "

"I understand."

"Go."

"Yes, Master."

After the Lustful Demon Envoy disappeared, (To read the violent novel, go to Faloo Novel Network!)

Su Chen drank tea and thought,

He reached a preliminary cooperation with Luohou, and the Lustful Demon Envoy was protecting him. Su Chen was considered to have survived the most dangerous moment.

The rest is just time,

A major realm can be restored in one year,

Su Chen can recover to the quasi-saint realm in less than fifty years.

He can help Phoenix Ancestor Yuanfeng at that time. Su Chen will not let Phoenix Ancestor fall in this period.

Four years later,

Time is not valuable in the prehistoric fairyland.

Su Chen just took a leisurely time.

Four years have passed unknowingly.

His cultivation has also recovered to the spirit separation realm of the fairyland. Su Chen is still a little scum. The spirit separation realm is not even as good as cannon fodder in the three tribes. He is not even as good as a newly born little phoenix.

In the past four years,

The prehistoric fairyland is not peaceful. Although the three tribes have not started the war on May 7,

But every friction and conflict will kill hundreds of millions of lives. The calamity of the prehistoric fairyland is getting thicker and thicker. The time for the war between the three tribes will not be too far away.

The Lustful Demon leaned on Su Chen's arms and asked in confusion, "Master, the Demon Ancestor has not come for four years, what's going on?"

"Luo Hou will not come if he does not grab the Qiankun Ding." Su Chen stroked the seductive body of the Lustful Demon and smiled.

Luo Hou might be very angry.

The Qiankun Ding of the Qiankun Ancestor is not easy to grab.

If there is only the Qiankun Ancestor, it is very easy for Luo Hou to grab the Qiankun Ding.

But if Qiankun is with the Yin-Yang Ancestor, or with Yang Mei, it is very difficult for Luo Hou to grab the Qiankun Ding.

"Master, where is the Moon Goddess Wangshu? Why didn't she react at all after receiving the jade box from the master?"

Chapter 3244

"Wangshu, the Moon God?"

Su Chen didn't understand why Wangshu didn't come to see him.

It stands to reason that

After Wangshu saw her personal belongings in the jade box, she should have been eager to come.

It has been four years,

Wangshu has not come yet,

Su Chen couldn't figure out what was wrong with Wangshu.

Wangshu didn't care about the items in the jade box? Or did Wangshu not have the items in the jade box?

Chirp chirp~

Suddenly,

The sound of birds chirping was heard by the Lingxi Lake, and the clear sound of birds chirping spread to hundreds of thousands of miles around the Lingxi Lake.

"Xuanniao?"

Su Chen hurriedly stood up and looked around.

It was the Xuanniao that was chirping just now.

Did the Xuanniao sense his presence?

Is it possible?

Su Chen's Xuanniao bloodline was also sealed by the system, so the Xuanniao should not be able to sense his existence.

The Lustful Demon said nervously, "Master, the one who just called was the Xuanniao from the three major royal families of birds. She is also in the quasi-saint realm. How could the Xuanniao appear by the Lingxi Lake?"

Su Chen shook his head,

How could he know.

Is the Xuanniao in the quasi-saint realm?

Su Chen thought about it and felt that Xuanniao should be a quasi-saint.

The dragon clan has Zulong, Mother Dragon, and Zhulong, three quasi-saints.

The Qilin clan has Zuqilin, Five-color Qilin, and Auspicious Qilin, and the Qilin clan also has three quasi-saints.

It is impossible that only the Phoenix Ancestor is a quasi-saint in the Phoenix clan.

Both Xuanniao and Qingying should be quasi-saints.

Only in this way,

The top powerhouses of the three clans will be evenly matched, and finally both will be defeated and withdraw from the historical stage of the prehistoric fairyland.

Swoosh~

A beautiful white giant bird appeared at the lakeside in an instant, and her huge eyes looked at Su Chen with excitement.

The lustful demon was uneasy and dared not move.

The Xuanniao gave her a very terrifying feeling. She was worried that the Xuanniao would kill her with one claw.

Su Chen asked Xuanniao, "Do you know me?"

"Of course, don't say you don't know me."

Xuanniao instantly turned into a noble and beautiful woman. She approached Su Chen and felt a closeness she had never felt before.

Xuanniao,

Su Chen was also a Xuanniao,

But why was Su Chen's blood sealed?

Xuanniao couldn't figure out what was going on, but she was very sure that Su Chen and she were of the same clan.

Xuanniao had never met anyone of the same clan,

In her inherited memory, Xuanniao and Qingying were lonely all their lives, without any of the same clan, and there would be no one of the same clan appearing at the same time.

But,

Xuanniao sensed the breath of the same clan four years ago, and she has been looking for the breath that makes her close for four years.

Su Chen nodded and said, "I understand, Xuanniao, you and I are close, but there are some things I can't tell you yet"

Su Chen didn't expect Xuanniao to really see his identity,

The blood sealed by the system seems to be useless,

Xuanniao should sense his previous Xuanniao bloodOnly if he could feel the breath of the blood, Xuanniao would discover his identity.

Xuanniao smiled and said, "You come back to the Phoenix Clan with me, I will find a way to unlock your sealed bloodline."

"No need, my bloodline will be unlocked in the future, Xuanniao, I have something to do by the Lingxi Lake, can't I leave yet?"

"Huh? Are you threatened by the demons?"

Xuanniao looked at the Lustful Demon Envoy with murderous intent,

Su Chen is her only tribe member,

and it is the first tribe member she has met in billions of years.

Xuanniao is worried that Su Chen will stay in the dangerous Honghuang Immortal Realm, she wants to take Su Chen back to the territory of the bird clan.

Su Chen hurriedly said, "No, the Lustful Demon Envoy is my maid, and she has nothing to do with the demons."

"Maid?"

Xuan Niao was very surprised,

Su Chen's bloodline was sealed,

He is now a scum, how could Su Chen take the Lustful Demon Envoy of the Golden Immortal as a maid?

"Xuan Niao, you don't have to worry about the Lustful Demon Envoy being bad to me, I am very safe by the Lingxi Lake."

"No, there will be a war in the Honghuang Immortal Realm, you can't stay by the Lingxi Lake, I will take you to see the Phoenix Ancestor, and you will also become the king of the bird clan."

Su Chen rubbed his forehead speechlessly,

Leave?

He didn't want to see the Phoenix Ancestor Yuanfeng now, and he didn't want the Dragon Clan and Qilin to discover his existence.

What to do?

How to convince Xuan Niao?

Nannan?

Su Chen suddenly thought of Nannan and had a solution, "Xuan Niao, I have a sister, can you find my sister first?"

"You have a sister? Is she also Xuan Niao?"

"Yes, my sister is also Xuan Niao."

Su Chen nodded and admitted,

The ruthless female emperor was given Xuan Niao blood by the system, which was also done secretly by Su Chen.

For this,

The system also blackmailed him for a whole source of heaven,

Su Chen let the ruthless female emperor have Xuan Niao blood, and he also wanted the ruthless female emperor to know that they were siblings.

Nannan also has Xuan Niao blood, (to read the violent novel, go to Feilu Novel Network!)

When the system gave the ruthless female emperor, it did not forget Nannan.

Xuanniao showed a surprised expression and asked, "Why didn't I sense the existence of Xuanniao? You won't lie to me, right?"

"No, maybe my sister is far away from you, so you didn't sense her."

"If what you said is true, I will find your sister in the Honghuang Immortal Realm. After all, your sister is also my sister. We are both Xuanniao."

"My name is Su Chen, my sister is Su Nannan, what's your name?"

"Li Ge!"

Su Chen sent a voice message to Li Ge, [Li Ge, go back to the Phoenix Clan first. I will find you after I recover my cultivation level. You can also find my sister first.]

Li Ge sent a voice message in doubt, [How long will it take for you to unlock the seal and recover your cultivation?]

[Within fifty years.]

[Okay, I will go find our sister first. After fifty years, I will come to take you back to the Phoenix Clan.]

Su Chen nodded in agreement, [Okay!]

Li Ge nodded to Su Chen and disappeared by the Lingxi Lake.

Su Chen also has a younger sister.

She needs to find her sister of the same clan as soon as possible.

Li Ge is worried that Nannan will be discovered by the dragon clan and Qilin. []

If the dragon clan and Qilin find Nannan, they will definitely kill her. Li Ge will not let her sister of the same clan be killed.

After Li Ge left, the Lustful Demon Envoy asked in confusion, "Master, are you the Chaos Demon God? Or the Black Bird?"

"I am the Chaos Demon God Black Bird."

Su Chen curled his lips and said nonsense.

He was not talking nonsense.

Su Chen's blood evolved to the Chaos Black Bird, so he was not wrong to say that he was the Chaos Demon God Black Bird.

The Lustful Demon Envoy asked in confusion, "Where is Xuanniao Lige? How could she have the same blood as the master?"

"Not sure, let's not talk about this, Lustful Demon Envoy, let's go to the cave you opened up, I want to enjoy your passionate rules."

"I will serve the master well."

The Moon Star,

Wangshu sat under the laurel tree with a frown,

No clue,

She couldn't figure out the answer she wanted to know,

Su Chen?

How could Su Chen have her personal belongings? How could the Lustful Demon Envoy of the Demon Clan be Su Chen's maid?

Wangshu stroked her hair and whispered, "Should we go to Lingxi Lake? Will Lingxi Lake be a conspiracy of the Demon Clan?".

Chapter 3245

Wangshu thought about it and decided not to go.

She was worried that it was a conspiracy of the demons.

The demons had been provoking a war among the three tribes and constantly killing other innate great powers in the prehistoric fairyland. Wangshu did not want to intervene in the great catastrophe that was about to happen in the prehistoric world, and she would not let the demons plot against her.

As for her personal belongings,

The demons might have used some magic weapon to find her personal belongings. Wangshu guessed that the demons had copied her personal belongings.

Su Chen?

She didn't know who it was.

But Wangshu would not let Su Chen of the demon tribe go. She would find a way to kill Su Chen after the catastrophe began.

East China Sea,

The Black Dragon King got the news that the black bird appeared on the shore of Lingxi Lake. He didn't understand why the black bird appeared on the shore of Lingxi Lake.

Lingxi Lake was far away from the Phoenix Clan's territory.

There were no powerful groups of creatures there, let alone the area contested by the three tribes.

In the Black Dragon Hall,

A Taiyi Golden Immortal Black Dragon saluted and said, "Dragon King, should we notify the Ancestral Dragon?"

The Black Dragon King shook his head and said, "No, the black bird left not long after it appeared. I guess the black bird passed by the Lingxi Lake."

"Dragon King, the Qilin tribe sent the Black Jade Qilin King to check the Lingxi Lake. Should we also go to check it out?"

"Oh? The Qilin tribe is going to check the Lingxi Lake?"

"Yes, the Black Jade Qilin leads one million Qilin tribes, and there are more than Tens of millions of beasts of all races will reach the shore of Lingxi Lake within ten years."

"Third Elder, gather one million troops of our Black Dragon Clan, and recruit another ten million troops of various races of the Sea Clan, and set out to the shore of Lingxi Lake in a year. We cannot let the Qilin Clan occupy the area of the shore of Lingxi Lake."

"Yes, Dragon King."

Eight years later,

Lingxi Lake,

Su Chen's cultivation level has recovered to the Golden Immortal Realm,

The laws of space and time have also recovered, and his current cultivation level can be said to be able to protect himself.

Kill some small fry and don't let them live,

Even Taiyi Jinxian can be killed by him.

Swoosh~

Bai Ling appeared beside Su Chen in an instant and asked worriedly, "Su Chen, did the Qilin tribe discover us?"

Su Chen held Bai Ling in his arms and shook his head, "No, the Lustful Demon Envoy said that the Qilin tribe dispatched tens of millions of troops. I guess the Qilin tribe wants to conquer the area by Lingxi Lake."

"Conquer this place? Lingxi Lake is just a remote place, and the spiritual energy is not sufficient. How can the Qilin tribe conquer this area?"

"You don't understand, Lingxi Lake is tens of millions of miles away. There are many living races here. The Qilin tribe wants to unify the beast tribe, and they will not miss the races here by the Lingxi Lake. "

"Are we leaving?"

"No, some scum Qilin, the Lustful Demon Envoy can destroy the Qilin tribe."

Su Chen kissed Bai Ling without caring,

Three years ago,

The Lustful Demon Envoy discovered that the Qilin tribe was going to the Lingxi Lake,

The Qilin tribe sent out a Daluo Jinxian Qilin King, and the other Qilin tribe elders and clan leaders were not Taiyi JinImmortal wine is the Golden Immortal, and the Lustful Demon Envoy can destroy the Qilin clan strongman alone.

Bai Ling was kissed by Su Chen and said shyly, "Okay, Su Chen, I want to continue to retreat and practice."

"You just advanced to the Golden Immortal four years ago, don't rush to retreat, you have to accompany me more."

"No, the White Wolf Guards have all advanced to the Golden Immortal, I am their princess, I don't want to be less powerful than the White Wolf Guards."

Bai Ling hurriedly shook her head to refuse,

She didn't want to continue to retreat and practice,

It's just that Su Chen is too bastard,

Since Bai Ling was promoted to the Golden Immortal and came out of retreat,

For several years,

She was almost harmed by Su Chen every day,

If it weren't for the Lustful Demon Envoy helping her, Bai Ling would be harmed by Su Chen and fall into a coma every day.

Su Chen touched Bai Ling's face and said, "Forget it, I'll give you some more cultivation resources, and you can also pass on the Su Nu Heart Sutra to the White Wolf Guards."

"Okay."

Bai Ling rolled her eyes at Su Chen,

Twelve White Wolf Guards,

Bai Ling guessed that Su Chen had stolen a few of them. She had long discovered that something was wrong with Bai Bing and Bai Rou's female guards.

Sometimes Bai Bing and the other girls would not show up for a few days while serving Su Chen. When they showed up, they would blush and look shy. Bai Ling guessed that Su Chen had harmed a few of her White Wolf female guards.

After Bai Ling left,

Su Chen instantly appeared on a huge tree. He looked into the distance and pondered.

It's been twelve years,

Why hasn't Luo Hou come yet?

Even if he didn't get the Qiankun Ding, Luo Hou couldn't have stayed away for so long.

Swoosh~ (To read the exciting novels, go to Faloo Novel Network!)

The Lustful Demon Envoy instantly appeared beside Su Chen and said,

"Master, you are right. The Dragon Tribe has also set out. The Black Dragon King is also coming to Lingxi Lake with his army. At most half a year, the Kirin Tribe and the Dragon Tribe will arrive at Lingxi Lake."

"Interesting, the Black Bird only appeared at Lingxi Lake. The Kirin Tribe and the Dragon Tribe are both interested in Lingxi Lake."

Su Chen touched his chin and wondered whether to destroy the Kirin Tribe and the Dragon Tribe.

Lingxi Lake is in the east of the Honghuang Immortal Realm.

Close to the north of the Honghuang Immortal Realm,

It stands to reason that the north of the Honghuang Immortal Realm is cold and harsh, and the three tribes would not be interested in the north of the Honghuang Immortal Realm.

The various races here are very weak,

The Kirin Tribe and the Dragon Tribe should not be interested here.

Because the Black Bird appeared at Lingxi Lake eight years ago? The Qilin and Dragon tribes are interested in Lingxi Lake?

The Lustful Demon stretched his concave and convex body and continued, "Master, the creatures of all races within a million miles of Lingxi Lake are migrating towards us."

"Don't worry about those creatures, Lustful Demon, how long will it take for you to be promoted to Quasi Saint?"

"Master, I am only one step away from being promoted to Quasi Saint, but with this one step, I may not be able to be promoted to Quasi Saint for a thousand years."

"You are really a wimp."[]

"Master~"

Su ChenHugging the sexy body of the Lustful Demon Envoy and smiling, he understood why the Lustful Demon Envoy could not be promoted to Quasi-Saint.

Is it restricted by Heavenly Dao?

The Heavenly Dao during this period of the prehistoric times was not complete. In addition to the Chaos Demon God who was not suppressed and restricted by Heavenly Dao, only the three tribes with great luck who were not suppressed and restricted.

Others such as the Three Pure Ones, Nuwa, and Zhunti, who were all great luck, were now either Taiyi Jinxian or Daluo Jinxian.

After the great calamity of the three tribes,

Heavenly Dao would no longer suppress and restrict them.

Su Chen kissed the Lustful Demon Envoy and said, "I will give you some Heavenly Dao merits and Heavenly Dao origins. You must be promoted to Quasi-Saint before the three tribes fight."

The Lustful Demon Envoy was surprised and asked, "Master, how do you have Heavenly Dao merits? And Heavenly Dao origins? Master, have you destroyed the Heavenly Daos of other worlds? And robbed the Heavenly Dao origins?"

"You don't need to ask more. I will tell you when the time comes."

"Yes, Master Yi."

Chapter 3246

The Lustful Demon Envoy did not ask any more questions,

However,

She was very shocked by Su Chen,

Heavenly Merit?

Heavenly Origin?

The Lustful Demon Envoy heard from Luo Hou that

The Chaos Demon God in the Chaos could not obtain it.

Su Chen could obtain Heavenly Merit and Heavenly Origin, so she guessed that Su Chen was a Chaos Demon God with terrifying strength.

The Lustful Demon Envoy smiled as she thought about it,

She was Su Chen's concubine,

She and Su Chen were also one and the same, and the stronger Su Chen was, the happier the Lustful Demon Envoy would be.

In the following months,

Tens of millions of creatures from the Lingxi Lake came to Lingxi Lake, and weak creatures from various races came to Lingxi Lake to station in different areas.

The Qilin and Dragon races wanted to wipe out all races from the Lingxi Lake, and creatures from various races heard that there was an innate great power here.

All creatures don't want to die or be enslaved,

They can only come here to ask Su Chen for shelter.

By the Lingxi Lake,

Su Chen sat by the lake and fished boredly,

He heard many creatures talking and shook his head speechlessly.

Shelter?

Are all the creatures around the Lingxi Lake idiots?

Su Chen is just a little scum now, how can he shelter tens of thousands of creatures of various races?

The Lustful Demon sat beside Su Chen and smiled, "Master, these creatures want to be sheltered by the Master."

"Are the Qilin and Dragon tribes going to war soon?"

Su Chen threw down his fishing rod, stood up and stretched his waist,

More than a month ago,

The Qilin and Dragon tribes came to the Lingxi Lake one after another, and the two armies were thousands of miles apart and confronted each other. The war was imminent.

The Lustful Demon Envoy handed Su Chen a cup of tea and said, "Master, the war should break out in the next two days."

Su Chen took the teacup and wanted to see the war between the two tribes.

He also wanted to see how strong the Qilin and Dragon tribes were during the war between the three tribes.

Swoosh, swoosh, swoosh~

At this time,

More than a dozen Golden Immortals and Taiyi Golden Immortals appeared one after another. They looked at Su Chen and the Lustful Demon Envoy and saluted hurriedly.

An old man bowed and said respectfully, "Senior, we are the clan leaders of the tribes along Lingxi Lake. We are sorry to disturb you this time."

Su Chen frowned and asked, "What are you doing here?"

"Senior, the Qilin and Dragon tribes want to destroy the creatures of the tribes along Lingxi Lake. We hope you can protect us, and we are willing to submit to you."

"We are just scum and cannot protect you."

The leader of the Tianma tribe, Yueying, bowed hurriedly and said, "Senior, five years ago, I saw the strong man around you kill a fierce beast. You must be a congenital great power. Please protect our weak race."

Su Chen looked at the Lustful Demon Envoy speechlessly.

The Lustful Demon Envoy killed a Daluo Jinxian fierce beast five years ago. He didn't expect that the Tianma tribe would happen to see it.

The Lustful Demon thought for a moment and said, "Master, why don't you protect these weak races? You also need some men here. Serve."

"Do I need these scum to serve me?"

"Master, you are the top powerhouse in the prehistoric fairyland. It is unreasonable to have no subordinates. Besides, the master has countless resources. If you cultivate these creatures, the master can let these creatures do things in the future."

"That makes sense, but it is useless. The war between the three tribes will break out in less than a thousand years. It takes thousands or tens of thousands of years to cultivate these creatures. I don't have time to cultivate them."

Su Chen shook his head and didn't want to recruit any subordinates.

He didn't want to cultivate subordinates even more.

Su Chen would leave the three tribes after completing the task, and there was no need for him to cultivate the scum to grow.

The lustful demon smiled and said, "Master, I didn't say to cultivate tens of millions of creatures. I want you to cultivate a group of female spirits."

"Female spirits? What do I do with female spirits? "

"There are many benefits. The tribes that have come include Pegasus, Spirit Flower, Grass Spirit, Giant Bull, etc. The creatures of each tribe can not only take care of our dojo, but also do various things in the dojo. The master doesn't want to have only more than ten of us in the dojo, right?"

The Lustful Demon Envoy said this out of selfishness.

Su Chen is getting stronger and stronger.

She and Bai Ling fainted every time they served Su Chen.

The Lustful Demon Envoy wanted to select some beautiful female spirits for Su Chen. After Bai Ling and the twelve white wolf guards went into seclusion, she didn't want to bear Su Chen's torment and harm alone every time.

Su Chen thought about it and agreed, "Lustful Demon Envoy, what you said makes sense. You can arrange these."

"Yes, master. "

The Lustful Demon Envoy was happy to meet the tribe leaders.

She wanted each tribe to offer 100,000 female spirits.

The Lustful Demon Envoy wanted to cultivate 100,000 female spirits, and she also wanted to select the most beautiful and powerful female spirits to serve Su Chen.

Su Chen didn't care what the Lustful Demon Envoy did.

What the Lustful Demon Envoy said was right. (To read the violent novels, go to Faloo Novel Network!)

The temporary dojo is too cold.

If there are some female spirits to take care of the dojo,

Su Chen doesn't have to spend his time fishing in boredom. He can look at various beautiful female spirits when he has nothing to do.

No Zhoushan,

Nannan has been looking for Nuwa in Buzhoushan for more than ten years,

She appeared in Buzhoushan when she came to the Three Tribes of the Primordial World. Nannan doesn't know where Su Chen is, but she knows that Nuwa's dojo before she became a saint is in Buzhoushan.

Nannan must find Nuwa first,

She wants to go with Nuwa to find Su Chen.

Fengxi Valley,

In a hidden formation dojo,

After Nuwa saw Nannan passing by the dojo again,

She said to Fuxi beside her, "Brother, the female spirit has been looking for something in Buzhoushan. Why don't we go out of the dojo to ask."

Fu hurriedly shook his head to stop him,

"No, the female spirit is a Daluo Jinxian, and we are just Taiyi Jinxian. If the female spirit is a demon who wants to rob treasures and origins, we brothers and sisters are not her opponents."

"Brother, the female spirit doesn't look like a demon. I don't sense any demonic energy in her."

"Sister, the calamity of the prehistoric world is getting heavier. The war between the three tribes is about to begin. We should not intervene in the war between the three tribes in the dojo, and we don't need to care about what the female spirit is looking for."

"Okay."

Nuwa thought about it and felt that what Fuxi said was right.

There are countless strong men in the three tribes.

There are many Daluo Jinxian.

There are even strong men who surpass Daluo Jinxian.

Nuwa and Fuxi are scum in the face of the three tribes. She also feels that they cannot be targeted by the three tribes.

Boom boom boom~

Suddenly,

The formation outside the dojo was attacked.

Nuwa and Fuxi hurried to check what happened.

After checking, Fuxi hurriedly said, "It's bad, the female spirit has discovered our dojo."

Nuwa asked worriedly, "Brother, can the dojo formation withstand the attack of the female spirit?"

"Don't worry, sister, my formation will not be easily broken. The female spirit does not have a powerful spiritual treasure, and she has been unable to..."

Crack~Boom~.

Chapter 3247

Fuxi said confidently when he suddenly heard a cracking sound.

He looked at the cave formation and his face turned black.

The formation was about to be broken.

Nannan broke the formation without using the magic treasure. Fuxi was embarrassing himself in front of Nuwa.

"The formation is about to be broken."

Nuwa showed a surprised expression on her beautiful face.

Fuxi said that the formation can only be broken by a powerful magic treasure.

But what?

Nannan was about to break the formation with her physical attack. Nuwa was shocked by Nannan's powerful strength.

Boom~

After the formation was completely broken,

Nuwa and Fuxi were alert to Nannan's arrival.

Swoosh~

Nannan appeared in front of Fuxi and Nuwa in an instant.

She frowned after checking Nuwa.

Taiyi Jinxian?

Nuwa during the prehistoric period of the three tribes was too weak, and Nuwa could not help Su Chen with the help of Taiyi Jinxian.

"Senior, we brothers and sisters have never offended the former..."

Boom~

Fuxi had not finished talking to Nannan,

Nannan burst out with momentum and blew Fuxi away for thousands of miles.

Fuxi?

Nannan knew the character of Fuxi in the future,

Her brother could be said to have killed the Fuxi of the future 520,

Nannan did not kill Fuxi just now, she was also looking at Nuwa's face.

"Brother~"

Nuwa saw Fuxi being blown away by Nannan,

She hurried to attack Nannan.

Nannan said with a cold and indifferent expression, "Nuwa, you'd better not move, otherwise I will suppress you."

Nuwa asked coldly, "Who are you? Why did you destroy our dojo? Why did you shock my brother away?"

Nannan thought for a while and replied, "You are related to me, I won't attack you. I came here this time to need your help, but your cultivation is too weak, you can't help me."

"We are related? You need my help?"

Nuwa couldn't figure it out.

She had never seen Nannan, and she had no relationship with Nannan. Why did Nannan say they were related?

Help?

Nannan is a Daluo Jinxian,

Nuwa is a Taiyi Jinxian,

Why would Nannan need her help?

"I have said everything I need to say, Nuwa, practice well."

Nannan shook her head and prepared to leave.

Nuwa couldn't help her,

She couldn't take the weak Nuwa to help Su Chen.

Nannan also went to look for Su Chen,

Her brother had no cultivation at all, Nannan would not let her brother get into trouble during the trial of the Honghuang Immortal Realm.

As for Nuwa?

Nannan didn't dare to pass on Nuwa's skills,

She didn't dare to give Nuwa a powerful spiritual treasure,

Nannan was worried that helping Nuwa would cause trouble, and she didn't want the changes during the Three Tribes period to affect her brother's trial.

Nuwa hurriedly shouted, "Wait, tell me clearly, what is our relationship?"

"Will you be in the future?" "I know, Nuwa, your future is promising, but you have to be careful not to be calculated by others. The huge temptation is full of dangers. You have to think more before getting the huge temptation benefits. "

Nannan said and disappeared in front of Nuwa,

She could only remind Nuwa of this,

If Nuwa gets Hongjun's Hongmeng purple qi in the future, I hope Nuwa will not be calculated by Hongjun again.

"What do you mean? "

Nuwa couldn't figure out what Nannan was missing.

Is there a promising future?

Be careful of being plotted against?

A huge temptation?

What do all these mean?

Nuwa couldn't figure it out after thinking for a while.

She saw that Nannan had no hostility towards her. What did Nannan encounter that needed help?

Weak?

Nuwa stroked her hair and shook her head.

Nannan, a Daluo Jinxian, needed help. Her Taiyi Jinxian cultivation was not enough to help Nannan.

"Sister, are you okay? "

Fuxi appeared beside Nuwa in a miserable state.

He was still in shock.

Nannan had just blown him away with her aura.

Fuxi was seriously injured, his soul was broken, and his mind was almost shattered by fear (cfft).

If Nannan wanted to kill him,

Fuxi might be killed instantly by Nannan's finger.

It was too terrible.

It was too scary.

Fuxi didn't want to face Nannan anymore.

Nuwa shook her head and replied, "Brother, I'm fine. The senior is not an enemy. She came here just to talk to me."

Fuxi frowned and said, "No hostility? How is it possible? She almost killed me." (To read the violent novels, go to Feilu Novel Network!)

"Brother, you go to heal first. I have something to think about."

"Okay."

"

After Fuxi left,

Nuwa sat on the jade stool and thought,

She felt that Nannan had something she didn't say, and she also felt that Nannan was worried about someone.

Want to go find Nannan?

Nuwa thought about it and left a message for Fuxi, and she disappeared in the dojo in an instant.

She wanted to go find Nannan,

If Nuwa didn't ask clearly,

She couldn't calm down even if she practiced in seclusion.

By the Lingxi Lake,

Su Chen saw the lust The demon selected 100,000 female spirits and shook his head.

The female spirits are all scum.

The most powerful ones are Xuanxian. []

However, each female spirit is very beautiful and attractive. The lustful demon probably recruits female spirits based on their appearance.

Swoosh~

The demon ancestor Luohou appeared in front of Su Chen in an instant. He looked around and showed a surprised expression.

There are tens of millions of weak creatures around.

How could Su Chen let tens of millions of weak creatures stay outside the dojo?

"Luohou, did you get the Qiankun Ding?"

Su Chen was a little surprised to see Luohou appear.

For more than ten years,

Luohou has not appeared.

Why did Luohou come now? Did you get the Qiankun Ding? Or did you come for the Qilin and Dragon tribes on the shore of Lingxi Lake?

Luo Hou sat down and said with a dark face, "Su Chen, the Qiankun Patriarch has been with Yang Mei and Yin Yang. My Zhuxian Sword Formation has not been repaired yet. I am no match for the three of them. The Qiankun Ding has not been obtained yet."

"I guessed it."

"Su Chen, I will snatch the Qiankun Ding for you later."

"I believe you."

Su Chen glanced at Luo Hou,

What the hell,

Later?

How long is later?

Su Chen didn't dare to mock Luo Hou,

His strength had not recovered to the level before he became a quasi-saint, so Su Chen could only let Luo Hou pretend for a while.

Luo Hou said coldly, "The Qilin and Dragon tribes appeared on the shore of Lingxi Lake. How are you going to deal with them? Destroy them? Or use them?"

Su Chen also pretended to be cool and said coldly, "They are just scum. If they don't bother me, I'm too lazy to destroy them."

"Su Chen, Hongjun has been in the three tribes for many years. I want to know what conspiracy Hongjun has."

Su Chen touched his chin and smiled,

"Conspiracy? Luo Hou, speaking of conspiracy, I can help you once. If you make good use of this opportunity, I think Hongjun will personally give you the Qiankun Ding of the Qiankun Patriarch."

"Tell me about it."

"The Three Pure Ones of Kunlun Mountain."

Chapter 3248

Luo Hou asked in confusion, "Kunlun Sanqing? Su Chen, who are Kunlun Sanqing? Why does Hongjun care about them?"

"Kunlun Sanqing is the incarnation of Pangu's primordial spirit, and they are the disciples that Hongjun wants to accept. Do you understand?"

Su Chen shook his head while drinking.

Luo Hou is really stupid.

Su Chen thought Luo Hou knew the existence of Kunlun Sanqing, but he didn't expect Luo Hou to not know the existence of Kunlun Sanqing.

Su Chen guessed that Hongjun had already accepted Kunlun Sanqing as his disciples.

Fighting for seats in Zixiao Palace is also a joke.

Hongjun is much smarter than Luo Hou.

He always takes the lead over Luo Hou in everything.

Hongjun first contacts other Chaos Demon Gods, and then kills them after using them.

The war between the three tribes has not ended yet,

The war between the immortals and the demons has not ended either,

Hongjun has begun to plan to plunder the fortune of the innate great power, and Luohou is still stupid and does not know at all.

Luohou said with an ugly face, "The transformation of Pangu's primordial spirit? Hongjun wants to accept them as disciples? Damn, so calculating, is Hongjun trying to secretly rob the fortune of Kunlun Sanqing?"

"You are not stupid."

Boom~

Luohou burst out with terrifying momentum and shouted angrily, "Su Chen, do you want to die?"

The creatures on the shore of Lingxi Lake were pressed to the ground one after another, and all the creatures looked at Su Chen's dojo in fear.

They didn't know what happened in the dojo,

Some creatures were worried about the arrival of the Qilin or Dragon tribe strongmen, and they were more worried that Su Chen was not a match for the Qilin or Dragon tribe strongmen.

"Demon Ancestor? Are the Demon Ancestor and the Master enemies?"

The Lustful Demon Envoy sensed the aura of the Demon Ancestor Luohu,

She was very worried about Su Chen,

Su Chen had not yet burst out with his aura and pressure,

The Lustful Demon Envoy did not dare to go over to check what happened, she was worried that she would become a burden to Su Chen if she went over.

Su Chen secretly supported the pressure and shouted, "Damn it, Luo Hou, you'd better put away your momentum. There are some scum in my dojo. If you shock my men to death, Hongjun will have an extra helper."

Luo Hou shouted angrily, "Damn it, Su Chen, you dare to threaten the ancestor?"

"Idiot."

"Asshole, do you really want to be the enemy of the ancestor?"

Luo Hou was going crazy because of Su Chen,

But,

He didn't dare to attack Su Chen,

Hongjun already had the help of the Qiankun Patriarch, the Yinyang Patriarch, and Yangmei, three Chaos Demon Gods.

If Su Chen also helped Hongjun,

Even if Luo Hou repaired the Zhuxian Sword Formation, he would not be able to defeat the five Chaos Demon Gods.

Su Chen couldn't help but yelled, "Are you an idiot? If you don't burst out your aura and pressure to kill my men, would I threaten you?"

Luo Hou's face turned black and he shouted angrily, "Su Chen, if I kill Hongjun and other Chaos Demon Gods, the ancestor will definitely destroy you both physically and spiritually."

Su Chen curled his lips and reminded, "Stupid, if you have nothing to do, go and capture the Kunlun Three Pure Ones. If Hongjun uses the Jade Disc of Creation to calculate you, if he wants to capture the Three Pure Ones of Kunlun, he will definitely hide them. "

"Hmph, the ancestor will definitely capture the Three Pure Ones of Kunlun."

"By the way, the Queen Mother of West of West Kunlun, she is my person, don't be so stupid as to kill my people."

"Get lost, you are the one who is so stupid. "

Luo Hou's face turned black and he disappeared beside Su Chen in an instant.

He didn't want to see Su Chen's face.

For billions of years, no creature dared to scold Luo Hou, even Hongjun and Qiankun Laozu, the Chaos Demon Gods, never scolded him even though they were enemies.

Luo Hou and Su Chen had only met twice.

He didn't expect Su Chen to keep scolding him as an idiot. Luo Hou was so angry that he really wanted to pinch Su Chen to death.

Su Chen breathed a sigh of relief and whispered, "Damn, it was a close call. Fortunately, my cultivation level was raised to the Golden Immortal, and the laws of space and time were also unlocked. Otherwise, I really couldn't resist Luo Hou's momentum and pressure."

Swoosh~

The Lustful Demon Envoy appeared in an instant and asked, "Master, what happened just now?"

Su Chen sat down and smiled and said, "Nothing, Luo Hou just deserved to be scolded. I just scolded Luo Hou a few words. "

The Lustful Demon looked at Su Chen in silence.

Scold Luohou?

No creature in the prehistoric fairyland dared to scold Luohou.

The Lustful Demon had followed Luohou for billions of years. Hongjun and other Chaos Demons did not dare to scold Luohou.

She did not expect Su Chen to scold Luohou.

No wonder,

Lustful Demon guessed that Luohou was very angry because Su Chen scolded him.

It was just strange,

Why didn't Luohou attack Su Chen in anger? Isn't the Demon Ancestor Luohou a match for Su Chen?

"Hmm? "

Su Chen suddenly sensed two Daluo Jinxians rushing over here. (To read the exciting novels, go to Faloo Novel Network!)

The Qilin and Dragon Clan?

Interesting,

Luo Hou's previous aura and pressure,

Su Chen guessed that the Qilin and Dragon Clan had felt it, and they wanted to come over to see who had the aura and pressure.....

Su Chen touched his chin and thought for a while and ordered, "Demon Envoy of Lust, Mo Yu Qilin and Black Dragon King, come over here, don't let them come to our dojo, you go and intercept and kill them."

"Yes, Master. "

The Lustful Demon smiled and disappeared beside Su Chen. She didn't care about the Black Jade Qilin and the Black Dragon King.

The Lustful Demon was about to be promoted to Quasi-Saint.

Su Chen also gave her a top-grade innate spiritual treasure.

The Black Jade Qilin and the Black Dragon King were only in the late stage of Daluo Jinxian. The Lustful Demon would easily kill them.

Su Chen leaned against the tree to communicate with the system and asked, "System, where is my sister now?"

[Ding, Buzhou Mountain, Nannan is leaving Buzhou Mountain.]

"Buzhou Mountain? Nannan appeared in Buzhou Mountain. Oh, Nannan will not go to find Nuwa, right?"

[Ding, the host guessed correctly. Nannan found Nuwa in Buzhou Mountain before. However, Nannan found that Nuwa was just TaiyiGolden Immortal, she left Buzhou Mountain disappointed.
]

Su Chen smiled and shook his head, []

During the Three Clans period,

The innate powers were all scum, and they didn't dare to leave the cave to participate in the Three Clans War.

The witch clan and the monsters didn't dare to show up,

The twelve ancestors of the witch clan hid in Pangu Palace, and Di Jun and Donghuang Taiyi hid in the Sun Star.

Nuwa should be hiding in Fengxi Valley with Fuxi,

What the hell,

Su Chen would kill Fuxi again if he had the chance, he didn't want Fuxi and Nuwa to be together for billions of years.

A plump beauty appeared and bowed 5.0 to Su Chen, saying, "Master, the Space-Time Cave Mansion has stabilized."

"Stable? Xilan, arrange for all the female spirits to enter the Space-Time Cave Mansion. There are cultivation resources and techniques in the space ring. You and the other immortal servants will distribute them to all the female spirits."

Su Chen took out a space ring and handed it to Xilan.

Since the Lustful Demon Envoy has collected 100,000 female spirits, Su Chen will also train them.

Time will speed up in the Space-Time Cave Mansion.

If the female spirits cultivate in the Space-Time Cave Mansion for 10,000 years, only one year will pass in the Primordial Immortal Realm.

If the female spirits cultivate for hundreds of thousands of years,

their cultivation will at least reach the Taiyi Golden Immortal realm.

Xilan smiled and saluted, "Master, we twelve immortal servants will allocate cultivation resources to the sisters, and we will also pass on the skills to the sisters."

"Well, that's good."

"Master, do you need my service?".

Chapter 3249

Xilan blushed and lowered her head.

What the Lustful Demon Envoy told her and the other Fairy Servants,

Xilan was willing to serve Su Chen.

Su Chen was willing to protect their respective tribesmen and provide them with cultivation resources and techniques.

The twelve Fairy Servants and other female spirits,

They were chosen by the Lustful Demon Envoy to serve Su Chen. They could not and dared not disobey the Lustful Demon Envoy's orders.

They voluntarily followed the Lustful Demon Envoy to the Dojo.

The female spirits all understood that they had to serve Su Chen.

"Okay!"

Su Chen hugged Xilan and disappeared on the spot.

He was also idle now.

The Lustful Demon Envoy went to kill the Black Jade Qilin and the Black Dragon King. Su Chen also wanted to taste the flower demon Xilan.

Fresh game,

Or beautiful and sexy game,

Any man would be unable to resist eating it secretly,

It was boring for Su Chen to wait for his cultivation to recover, he might as well enjoy the service of the flower demon Xilan.

Three thousand miles away,

The Lustful Demon stopped the Black Jade Qilin and the Black Dragon King. She looked at the two scumbag Daluo Jinxian and raised her lips.

Two scumbags,

Even if the Lustful Demon had not practiced the Saint-level technique Su Nu Heart Sutra, and had not been given the best innate spiritual treasure by Su Chen, it would not be difficult for her to kill the Black Jade Qilin and the Black Dragon King 760.

The black jade Qilin checked the Lustful Demon Envoy and shouted, "Demons? Your demon's Lustful Demon Envoy?"

The Black Dragon King said with an ugly face, "She is indeed a Lustful Demon Envoy. We Dragons have been killed by her tens of thousands."

The Lustful Demon Envoy crossed her sexy waist and said coldly, "Two scums, you disturbed the master's peace. Don't think about leaving today. I will kill you to make the master love me."

The black jade Qilin said vigilantly, "Demons, our Qilin clan and your demons have no hatred for hundreds of thousands of years. I have no intention of disturbing your master today. How about we stop here today?"

"No matter, the master ordered to kill you, and you will all perish by the Lingxi Lake."

"Kill~"

The Black Dragon King sent out a spiritual treasure to kill the Lustful Demon Envoy.

The Dragon Clan and the Demon Clan have a grudge.

The Lustful Demon Envoy still refused to let him go. The Black Dragon King wanted to take the initiative to kill the Lustful Demon Envoy.

"Idiot!"

The black jade unicorn also hurriedly sent out a magic treasure to attack the lustful demon.

He regretted coming with the Black Dragon King to check.

The Black Dragon King was too stupid and too arrogant.

The lustful demon was at the peak of the Golden Immortal Realm, and they were all at the late Golden Immortal Realm.

The attack methods of the demons were very (chcg) strange. Even if the black jade unicorn and the Black Dragon King joined forces, they might not be the opponents of the lustful demon.

It was too late now.

The Black Dragon King's Lustful Demon launched an attack on me.

The black jade unicorn did not want to die.

He could only kill the lustful demon with the Black Dragon King.

Boom boom~bang~

"Dregs~"

The lustful demon summoned the top-grade innate magic treasure Wanmu Ding, which easily resisted the attack of two medium-grade innate magic treasures.Strike.

The Lustful Demon Envoy smiled and said, "The Ten Thousand Mother Cauldron given by the Master is very good, and I am also very comfortable using it."

"Dragon Scale Spear, kill!"

"Meteoric Hammer, attack."

The Black Dragon King and the Black Jade Kirin used their magic power to activate their respective spiritual treasures,

They were all shocked just now.

A small cauldron easily resisted their spiritual treasures,

If they could not kill the Lustful Demon Envoy, the Black Dragon King and the Black Jade Kirin would fall here.

Boom boom boom~

The spiritual treasures within a thousand miles were shaken and shattered,

The earth cracked into countless huge cracks, the forest was flattened by the attack wave, the mountains were broken and collapsed, and the rivers and lakes were flooded. This area seemed like the end of the world.

In the air,

A woman in a green dress watched the fight. She did not expect that there would be demons on the shore of Lingxi Lake.

Master?

Who is the master that the Lustful Demon Envoy is talking about?

The Demon Ancestor Rahu?

The woman in the green dress thought and shook her head.

The Lustful Demon Envoy said that two idiots disturbed her master's peace.

Rahu had left Lingxi Lake before, so the Lustful Demon Envoy's master should not be Ling Rahu.

"Huh?" (To read the exciting novels, go to Faloo Novel Network!)

The woman in the green dress looked at Lingxi Lake with a dark face. She didn't expect Su Chen and the flower demon to be doing dirty things.

Strange?

The place where Rahu appeared before,

How could there be two scum creatures doing dirty things? The tens of millions of creatures around were even more scum.

What is the relationship between the two scum and Rahu?

The flower demon is a golden fairy,

The woman in the green dress cannot find out what level of cultivation the male spirit has, nor can she find out what race the male spirit is.

Strange,

The male spirit is too strange,

Could the master that the lustful demon said be a male spirit?

Swoosh~

Wangshu instantly appeared in the air and shouted, "Dragon Mother."

"Wangshu."

The woman in the green dress was very surprised to see Wangshu coming. She didn't expect the Moon God Wangshu to come to Lingxi Lake.

The woman in the green dress is the Dragon Mother of the Dragon Clan, []

She is also one of the three quasi-saints of the Dragon Clan,

However, the Dragon Mother has never taken care of the affairs of the Dragon Clan, and the Ancestral Dragon has always been on guard against her seizing control of the Dragon Clan.

Wangshu looked at the fight below and asked, "Dragon Mother, are you going to save the Black Dragon King?"

Dragon Mother shook her head and replied

"No, I passed by Lingxi Lake and found Luohou had been there, I just wanted to check it out."

"So that's how it is."

"Wangshu, what about you? How did you get to Lingxi Lake?"

"I'm curious too."

"Hehe~ Wangshu, I don't believe you at all."

Dragon Mother glanced at Wangshu,

Moon God Wangshu has been staying on Taiyin Star, rarely coming to Honghuang Continent, and never participating in anything in Honghuang Continent. Dragon Mother doesn't believe Wangshu because she is curious.

Wangshu LuShe said with an embarrassed expression, "Okay, I can tell you, I am because of the little creature who had sex with the flower demon."

Dragon Mother asked curiously

"Little creature who had sex? Wangshu, do you know the little creature? What race is the little creature? What is his cultivation?"

"I don't know, I only know that his name is Su Chen."

Wangshu had seen Su Chen and the flower demon having sex before,

She almost killed Su Chen,

Su Chen might have copied her personal belongings, Wangshu guessed that Su Chen had used the spying magic treasure to check her,

What about now?

Su Chen did not even let the little flower demon go,

She guessed that Su Chen was a lustful creature, and Wangshu was worried that her personal belongings were contaminated by Su Chen.

The Dragon Mother asked with a smile, "Do you mind if I kill Su Chen?"

"Whatever."

"Really?"

Wangshu said with a cold face, "Dragon Mother, you don't need to test me. I have nothing to do with Su Chen. You can do whatever you want with Su Chen."

"Oh~"

The Dragon Mother didn't believe Wangshu's words. She always felt that Wangshu came for Su Chen.

Su Chen?

A creature that she couldn't find any information about.

The Dragon Mother was interested in Su Chen.

Wangshu, the Moon God?

And the Demon Ancestor Luohu?

They should all be related to Su Chen. The Dragon Mother wanted to know what was different about Su Chen. .

Chapter 3250

Wangshu found that the Dragon Mother did not believe him,

She was too lazy to explain,

Su Chen?

Who is he?

Wangshu found that she could not check Su Chen's memory,

She could not find out Su Chen's cultivation level, and she could not calculate Su Chen's origin in the Sea of Destiny,

Strange,

Too weird,

Even if it was a quasi-saint,

Wangshu could not find out any information at all, and Su Chen could not be an existence beyond the quasi-saint.

The Dragon Mother watched the battle and said, "The Lustful Demon Envoy has become stronger again. She may be promoted to Quasi-Saint. There is also a small tower spiritual treasure. How can the Lustful Demon Envoy have a top-grade innate spiritual treasure, the small tower?"

Wangshu touched his fair chin and nodded,

"I met the Lustful Demon Envoy a few years ago. She was not so powerful at that time. Maybe someone helped the Lustful Demon Envoy and gave her a top-grade innate spiritual treasure."

"The Black Jade Qilin and the Black Dragon "540" King are going to fall."

"Dragon Mother, won't you save the Black Dragon King?"

The Dragon Mother said sarcastically, "Save the Black Dragon King? You know my situation. Do you think I will save the Black Dragon King?"

"That's true."

Wangshu has heard about the Dragon Mother.

The Dragon Mother can be said to be a special existence of the Dragon Clan. As the Dragon Mother, she has no rights in the Dragon Clan.

The Ancestral Dragon continued to suppress the Dragon Mother.

If it weren't for the upcoming war between the three tribes, the Ancestral Dragon might have suppressed and annihilated the Dragon Mother.

Wangshu couldn't understand and asked, "Dragon Mother, you have been suppressed by the Ancestral Dragon, why do you still help the Ancestral Dragon?"

"For the sake of my people, the Ancestral Dragon controls the Golden Dragon Clan. If I don't help the Ancestral Dragon, the Ancestral Dragon will kill all my people."

"You can take your people away from the East China Sea."

The Dragon Mother said with a helpless expression,

"It's not that simple. My people have been bewitched and used by the Ancestral Dragon. They won't leave with me, and the Ancestral Dragon doesn't dare to let me leave. If I want to leave the East China Sea, the Ancestral Dragon will kill me first."

Wangshu looked at the Dragon Mother and shook her head.

She understood the Dragon Mother's feelings.

However,

She thought the Dragon Mother was too stupid.

The tribe has betrayed her,

The Dragon Mother should not be driven by the Ancestral Dragon for the sake of the tribe.

If the Dragon Mother continues to be used and driven by the Ancestral Dragon, Wangshu guessed that the Dragon Mother would be killed by the Ancestral Dragon in the three tribes' war.

Swoosh~

At this time,

Su Chen instantly appeared beside the Dragon Mother and Wangshu. He smiled at the stunningly beautiful Wangshu.

As for the Dragon Mother,

Su Chen didn't know who she was.

He saw that the Dragon Mother was a female quasi-saint of the Dragon Clan. Su Chen guessed that she was the Dragon Mother that Xuanniao mentioned.

Earlier,

When Su Chen and Xilan were enjoying the romance by the Lingxi Lake, he sensed that someone was peeping at him.

Being peeped at again,

Every time Su Chen was having romance with a woman, someone would peep at him.

The system chick never missed a single one, He guessed that the system girl was addicted to peeping.

Fortunately, it was not Luohou who peeped this time,

Su Chen did not expect that it would be Wangshu and Longmu who peeped at him,

"Wangshu, long time no see."

Wangshu and Longmu were very surprised,

Su Chen appeared beside them in an instant,

They did not even sense the fluctuation of space. Could it be that Su Chen was more powerful than them?

Wangshu asked coldly, "Your name is Su Chen, how do you know me?"

Su Chen saw Wangshu burst out with a cold breath,

hurriedly said,

"If I say I know you by fate."

"You definitely won't believe it."

"I can't explain it either, and you won't believe my explanation, and you might get angry and attack me."

"Wangshu, time will prove our fate. You can wait for ten years, which is very short for you, and you don't have to worry about me deceiving you."

Su Chen was helpless,

He found that Wangshu was going to attack him,

He didn't know why,

Is it because of the personal belongings? (To read the violent novels, go to Feilu Novel Network!)

Why did Wangshu want to kill him when he saw her personal belongings? Shouldn't she ask about the origin of the personal belongings?

In order to prevent Wangshu from making a move,

Su Chen could only delay time first,

As long as another three or four years,

Su Chen's cultivation would be restored to the level of a quasi-saint, and he would not worry about Wangshu making a move on him.

If Wangshu dared to make a move on him,

Su Chen would suppress Wangshu and dote on his wife Qing Leng who loved him.

Wangshu thought for a while and said, "Ten years is very short for me, Su Chen, I will wait for you for ten years, and I hope you will give me a satisfactory explanation after ten years."

"I will satisfy you, and I will make you very, very satisfied."

Su Chen will severely harm and torment Wangshu in the future,

Wangshu will definitely be tortured to death by him, and Wangshu will regret wanting to make a move on him today...

"Hmph~"

Wangshu snorted coldly,

If she was not worried that she was not Su Chen's opponent, Wangshu would suppress Su Chen and destroy him completely.

The Dragon Mother watched all this with interest, []

Su Chen just said that he knew Wangshu? Wangshu didn't look like he knew Su Chen?

Knowing each other in destiny?

Is it possible?

All three of them are innate quasi-saints, and they can all check the trajectory of the Sea of Destiny.

The Dragon Mother had a feeling that

Su Chen seemed to be deliberately delaying time.

Just ten years?

It didn't seem to be delaying time,

Ten years is just a nap for a quasi-saint, and the Dragon Mother couldn't understand why Su Chen delayed for ten years.

Su Chen thought of Nannan and said to Wangshu, "Wangshu, can you do me a small favor?"

"Tell me."

"My sister is near Mount Buzhou, I would like you to take my sister to me. Come to Lingxi Lake."

Wangshu asked in confusion, "Your sister? Why don't you bring your sister here?"

"I can't leave because of something. My sister is Su Nannan, and she knows you. Just tell my sister that I am at Lingxi Lake, and my sister will come with you to Lingxi Lake."

"I agree, I will bring your sister here."

A gleam of light flashed in Wangshu's eyes,

Su Chen's sister?

And bring her to Lingxi Lake?

Is it possible?

Wangshu decided to bring Nannan back to Taiyin Star,

She wanted to check Nannan's memory,

0.0Su Chen had her personal belongings, Wangshu hoped to find them in Nannan's memory.

"Thank you. "

After thanking Wangshu, Su Chen looked at the Dragon Mother. What is the relationship between the Dragon Mother and Zulong?

A Taoist couple?

Su Chen didn't dare to speak carelessly.

Honghuang Immortal Realm is too deceiving.

Just like the Queen Mother and Haotian,

Su Chen thought that the Queen Mother and Haotian were Taoist couples, but in the end they were just senior and junior brothers and sisters.

For this,

Su Chen was almost killed by the Queen Mother.

"Dragon Mother, excuse me, what is your relationship with Zulong? You don't have to answer."

Dragon Mother frowned and replied, "I have no relationship with Zulong, no relationship at all."

Wangshu glanced at Su Chen and reminded him, "Su Chen, Dragon Mother and Zulong are enemies. You don't have to ask why, and you don't have to know too much. Knowing too much is not good for you."
