Chapter 3251

Su Chen looked at the Dragon Mother unexpectedly,

The Dragon Mother and the Ancestral Dragon are enemies?

What does this mean?

Even if the Dragon Mother and the Ancestral Dragon are not Taoist companions, they can't be enemies, right?

Wangshu would not talk nonsense,

The Dragon Mother did not explain,

Su Chen touched his chin and thought,

Among the later dragons, only the Candle Dragon did not fall,

The Ancestral Dragon fell completely,

The dragon clan also had no news about the Quasi-Saint Dragon Mother, Su Chen guessed that the Dragon Mother also fell in the catastrophe of the three clans.

The Dragon Mother noticed Su Chen looking at her and asked, "Su Chen, what is your relationship with the Demon Ancestor Luo Hou?"

"No relationship!"

The Dragon Mother stared at Su Chen with her beautiful eyes and said coldly, "No relationship? Do you think I will believe it?"

Wang Shu also asked, "Su Chen, how could the demon envoy of the demon clan work for you? Are you and Luo Hou having any conspiracy?"

Su Chen replied to the two beauties,

"I'll tell you one thing."

"Luo Hou and I have only met twice. The Lustful Demon Envoy will be my maid in the future. She will have no relationship with the demon clan in the future. Don't ask about other things, and I won't answer."

Wang Shu and the Dragon Mother looked at each other. They were very speechless about Su Chen's words.

What Su Chen said was equivalent to saying nothing.

However,

How could the Lustful Demon Envoy be Su Chen's maid?

If Su Chen had robbed Luohou's men, why didn't Luohou attack Su Chen?

Wangshu and Dragon Mother couldn't figure it out,

They couldn't guess whether Su Chen and Luohou had conspired.

Su Chen pointed to the fighting and asked, "Dragon Mother, do you want to save the Black Dragon King?"

"Do you want me to save you?"

Dragon Mother was speechless,

Another person asked her to save the Black Dragon King.

Wangshu asked her if she would save the Black Dragon King before, and now Su Chen asked her if she would save the Black Dragon King again.

Save the Black Dragon King?

Is it possible?

If it is possible,

Dragon Mother will kill the Black Dragon King herself.

"How would I know."

Su Chen took out a pot of wine and shook his head,

A crazy woman,

No,

A crazy female dragon,

Su Chen had some guesses in his mind,

The Dragon Mother might not have a good relationship with the Dragon Clan, and she doesn't care about the lives of other members of the Dragon Clan.

Interesting,

The Dragon Mother and the Ancestral Dragon are enemies,

The Dragon Mother doesn't care about the life and death of the Black Dragon King, there must be some reason and secret in this.

Su Chen wanted to know the Dragon Mother's position in the Dragon Clan, and he also wanted to know why the Dragon Mother and the Ancestral Dragon were enemies.

Wangshu stretched out his white hand and said coldly, "Su Chen, give me some of your wine."

Su Chen asked with a smile, "Why?"

"Su Chen, don't forget that you still need my help to find your sister."

"That's true."

"Give me some wine."

"Okay."

Su ChenHe took out dozens of pots of wine and gave them to Wangshu.

His wine was brewed from nine thousand years of peaches and primordial spiritual fruit. Wangshu might have sensed the spiritual charm in the wine.

Wangshu accepted the wine and said, "Your wine is good. It is brewed from the best innate spiritual fruit. There is also a kind of Tao charm in it."

"Su Chen, give me some of your wine too."

The Dragon Mother also stretched out her fair hand.

The spiritual wine Su Chen drank was very good. She could feel her magic power improving just by smelling it.

Wine brewed from the best innate spiritual fruit?

There is another kind of Tao charm in the spiritual wine?

The Dragon Mother guessed that Su Chen's wine could not only improve her cultivation, but also help her comprehend a law of chaos.

Su Chen speechlessly gave the Dragon Mother some more wine,

Forget it,

Just consider it as interest,

The Dragon Mother and the Ancestral Dragon are enemies, and she has a bad relationship with the dragon clan. Su Chen wants to win over the Dragon Mother in the future,

With one more quasi-saint helper,

his trial can be completed safely and smoothly.

Swoosh~

The Lustful Demon Envoy appeared instantly and saluted,

"Master, the Black Jade Qilin and the Black Dragon King have been taken into the Ten Thousand Mother Cauldron. Do you want to kill them completely?"

"Kill them."

"Yes, Master."

The Lustful Demon Envoy smiled and nodded to activate the Ten Thousand Mother Cauldron. She completely annihilated the Black Jade Qilin and the Ancestral Dragon King in the Ten Thousand Mother Cauldron.

"Dragon Mother, Wangshu, you know my dojo, you can come to visit my dojo in the future."

Su Chen said as he hugged the Lustful Demon Envoy and disappeared in the air.

The Black Jade Qilin and the Black Dragon King were annihilated.

The Qilin and Dragon tribes will not give up, Su Chen must prepare for the revenge of the Ancestral Dragon and the First Qilin.

He is now a Golden Immortal. (To read the violent novels, go to Flylu Novel Network!)

In a few years,

Su Chen will recover to the Quasi-Sage.

As long as the Ancestral Dragon and the First Qilin arrive in three years, Su Chen will not be afraid of their joining forces.

"Wangshu, I am leaving too."

Dragon Mother nodded to Wangshu and disappeared.

Su Chen?

She is interested in Su Chen.

Dragon Mother had no hope for her fate before, she calculated that the Ancestral Dragon would not let her live until after the three tribes' war.

Su Chen's appearance,

Dragon Mother found that her fate had changed, and she guessed that Su Chen would help her change her fate.

"Why do you feel weird?"

After Su Chen and Dragon Mother left, Wangshu felt that both Su Chen and Dragon Mother were weird.

Su Chen left,

He was preparing for the revenge of Zulong and Shi Qilin,

The Lustful Demon killed Moyu Qilin and Black Dragon King, Shi Qilin and Zulong would not let it go. []

It won't be long,

Shi Qilin and Zulong will come to Lingxi Lake.

Where is Dragon Mother?

Wangshu saw that Dragon Mother was much more relaxed,

Su Chen just gave Dragon Mother some spiritual wine, how could Dragon Mother become relaxed and in a good mood?

"Forget it, don't think about it, go to Buzhou Mountain to find Su Chen's sister first, I hope SuSister Chen knows about her personal belongings. "

Wangshu shook his head and disappeared in the air.

Outside the Lingxi Lake, 453

The Qilin and Dragon armies did not dare to act rashly,

The Black Jade Qilin and the Black Dragon King were defeated, and they were also taken into the spiritual treasure by the Lustful Demon Envoy.

Kirin and Dragon tribes knew that there was a powerful being on the Lingxi Lake, and they did not dare to continue attacking the Lingxi Lake.

Kirin and Dragon tribes notified all tribes,

They would wait for the arrival of strong men before attacking the Lingxi Lake.

One year later,

Buzhou Mountain,

Nannan was stopped by some creatures at this moment, and she looked at the seven people who stopped her with murderous intent.

Witch tribe?

Nannan did not expect the seven witch tribes who stopped her.

The witch tribe still wanted to kill her.

"Zhu Rong, the female spirit seems to be stronger than us, do we really want to kill her? "

"Must kill her. Our Wu clan temple is thousands of miles away. We cannot let the female spirit find our temple."

“Zhu Rong is right. The Qilin clan is also in Buzhou Mountain. If our Wu clan temple is exposed, the Qilin clan will come to rob our Wu clan temple. We cannot let the female spirit leave.”

“Take action and kill the powerful female spirit together.”

“Kill her. Our Wu clan temple cannot be exposed.”

After the seven ancestors of the Wu clan talked, they secretly decided to surround and kill Nannan for the sake of Pangu Temple.

At this time,

Nuwa appeared in the air chasing Nannan’s breath,

“Huh? Wu clan? How dare the Wu clan fools stop the Daluo Jinxian? Eh? The strong woman has hidden her cultivation, and the Wu clan is in trouble. ”.

Chapter 3252

Nuwa touched her fair chin and smiled.

Nannan did not reveal her cultivation level.

The reckless men of the witch clan were going to fail.

She guessed that Nannan would kill the seven ancestors of the witch clan. Nuwa did not have a good impression of the witch clan in Buzhou Mountain.

Boom~

Suddenly,

Nannan burst out with a terrifying aura and pressure, and the seven ancestors of the witch clan were instantly suppressed and lay on the ground.

"Daluo Jinxian? How is it possible? How could she be a Daluo Jinxian?"

"It's over. We are finished this time."

"Jumang, inform the eldest brother quickly."

"I can't inform him. The Daluo Jinxian is very terrifying. My laws can't be used."

"Gonggong, we can't self-destruct."

"Idiot, Zhurong, try to self-destruct now."

The seven ancestors of the Wu clan were suppressed and lay on the ground.

They all showed incredible expressions. They also understood that they had provoked a strong man who should not be provoked.

Crack~Crack~Crack~

"Ah~It hurts so much."

"Law? A strong woman knows the law. We are all eroded by the law."

"I...ah, I want to kill you I want...ah~"

"Don't use magic power to repair your body. The power of law will destroy our bodies again."

Nannan broke the bones of the Seventh Ancestral Witch with her feet.

She also used the power of space to erode the body of the Seventh Ancestral Witch. The Seventh Ancestral Witch would be tortured by the power of space every day.

As long as Nannan didn't pull out the power of space from the Seventh Ancestral Witch, Dijiang couldn't pull out her power of space.

Unless her brother took action.

Nannan said coldly, "For the sake of some people, I will not kill you, but you will be in agony for a year."

Zhu Rong grinned and endured the severe pain and asked, "Who are you? Dare to leave your Taoist name?"

"My name: Ruthless Empress."

The seven witch ancestors looked at Nannan in a daze,

Ruthless Empress?

Although they did not leave Buzhou Mountain,

But the powerful and strong people in the prehistoric fairy world also knew something,

Among the strong women,

They had never heard of the name of the Ruthless Empress. What race was the Ruthless Empress?

Swoosh, swoosh, swoosh~

At this time,

Emperor Jiang and Hou Tu, the five witch ancestors, arrived one after another,

They sensed the terrifying aura,

Emperor Jiang was worried that a strong man would discover Pangu Palace, so they came quickly to stop the strong man from going to the witch clan's territory.

"Sir, can you let my brothers go? Our Wu clan will thank you."

When Emperor Jiang saw Zhu Rong and the other seven being suppressed,

He also found out that Nan Nan was a powerful Daluo Jinxian.

Emperor Jiang sent a message to Hou Tu and the others not to act rashly, as he was worried that Nan Nan would kill all of their brothers.

After looking at Hou Tu and Xuan Ming, Nan Nan said, "Emperor Jiang, this time I am just giving Zhu Rong and the other seven a lesson. If they dare to speak without thinking again, I will destroy them.. "

"Thank you, I will take good care of my brothers."

Di Jiang was relieved.

He also understood from Nannan's words that it was the brothers' fault.

Zhu Rong and the other seven were all unruly and arrogant.

Di Jiang guessed that the Zhu Rong and the other seven had offended Nannan, so Nannan took action to suppress the Zhu Rong and the other seven.

Nannan looked up at the sky and shouted, "Nu Wa, aren't you coming out yet?"

Swoosh~

Nu Wa appeared beside Nannan in an instant and asked, "You have already noticed that I am following you from behind?"

"Yes, Nu Wa, why are you following me?"

"I want to know the relationship with you? Why do you ask me for help?"

"No need, you are weak and can't help me, you should go back to your dojo, otherwise you may die."
„

Nannan was speechless about Nuwa,

The scumbag Taiyi Jinxian,

Nuwa is not as good as the middle-level strongmen in the three tribes now,

If Nannan takes Nuwa to find her brother, she will probably have to be a nanny to protect Nuwa all the way.

And Houtu and Xuanming,

They were also Taiyi Jinxian in this period,

Nannan has heard about the great calamity of the prehistoric fairyland. After the great calamity of the three tribes, it was the era of Nuwa, Houtu, Queen Mother of the West and others. They were all scumbags in the period of the three tribes.

Nuwa shook her head and smiled, "Fall? Is it still cultivation if there is no danger? Since I chased you here, I am not worried about falling."

"Are you really not afraid?"

"No."

(dafa) Nannan thought for a while and said, "Okay, I will take them with me on the journey. I hope you don't regret it. "

"I never regret my decision."

Nuwa nodded with a cold expression,

Regret?

If she doesn't figure out her relationship with Nannan,

Nuwa will regret it.

Nannan looked at Houtu and Xuanming and said, "Houtu, Xuanming, your fate is related to my fate. I remind you once, don't participate in the war between the three tribes. "

Hou Tu and Xuan Ming were very confused.

Is their fate related to Nan Nan's?

Is it possible?

Hou Tu and Xuan Ming have never left the Wu Clan Dojo, and they have never seen or known Nan Nan's existence.

Nan Nan had previously suppressed Zhu Rong and seven others. (To read the violent novel, go to Feilu Novel Network!)

Does this have anything to do with fate?

At this time,

Di Jiang saluted Nan Nan and said, "Sir, my brothers have been eroded by your spatial power. I would like to ask you to remove the spatial power."

Hou Tu asked in surprise, "Brother, don't you know the spatial law? Can't you remove the spatial power?"

Di Jiang shook his head and replied, "No, I have only cultivated the spatial law to 30%, and the ruthless female emperor has cultivated it to at least 80%. I can't remove the spatial power in Zhu Rong and others."

"80%? "

Hou Tu and other ancestor witches were very shocked.

Emperor Jiang cultivated the law of space to the third level. If he succeeds, he will be promoted to the realm of Taiyi Jinxian.

Has Nannan cultivated the space law to 80%?

Daluo Jinxian?

How could Nannan be Daluo Jinxian?

The ancestor witches guessed that Nannan was either the legendary quasi-saint, or a being more terrifying and powerful than a quasi-saint.

Nannan replied coldly, "No, the seven ancestor witches have offended me, and they will have to go through a thousand years of space erosion."

Hou Tu hurriedly saluted and said, "The ruthless empress, a thousand years is too long, can it be changed to a hundred years?"

"No, you don't have to beg for mercy, if it weren't for you and Xuanming's face, the seven ancestor witches would have been completely annihilated by me."[]

"I..."

Boom~

When Hou Tu wanted to say something to Nannan, suddenly a terrifying pressure enveloped the area of hundreds of thousands of miles.

The twelve witch ancestors and Nuwa were suppressed and fell to the ground.

Nannan frowned and looked up at the sky.

"Demon Ancestor Luohou? Shouldn't Luohou be in the west of the prehistoric world? How could he come to the east of the prehistoric world?"

Swoosh~

Luohou, dressed in a black robe, appeared in the sky.

He looked at Nannan in surprise.

Nannan and Su Chen were related in aura and blood. Luohou didn't expect to meet Su Chen's sister or sister.

Daluo Jinxian?

Luohou frowned as he checked Nannan's cultivation level.

Nannan gave him a very dangerous feeling. He guessed that Nannan was also in the quasi-saint level like Su Chen.

"The ancestor is Demon Ancestor Luohou. Are you Su Chen's sister? Or sister?"

Chapter 3253

Nuwa and the twelve witch ancestors were very surprised.

Demon Ancestor Luohou?

The Western demon clan ancestor Luohou was very cruel and brutal, and he slaughtered all kinds of creatures in the prehistoric world.

How did Demon Ancestor Luohou come to Buzhou Mountain?

Moreover,

Why did Luohou seem to know Nannan?

Nannan has a brother or a brother? Is her brother or brother a strong man?

Nannan asked with bright eyes, "Su Chen is my brother, Demon Ancestor, do you know my brother?"

"Yes, the ancestor and your brother are allies."

"Allies?"

Nannan shook her head speechlessly,

She guessed that her brother had deceived Luohou again,

Luohou was also unlucky,

No,

Luohou was unlucky to meet her brother.

In later life,

her brother not only deceived Luohu, but also threatened Luohu by shouting "040" at him. Luohu seemed to be her brother's punching bag. When her brother was in a bad mood, he would scold Luohu.

Now,

Luohu has formed an alliance with her brother again.

Nannan guessed that her brother would deceive Luohu into a thug, and Luohu had to thank her brother for being deceived.

Luo Hou nodded and replied,

"Yes, since you are Su Chen's sister, you and the ancestor are allies. Su Chen is at the Lingxi Lake where the east and north of the prehistoric world meet. If you don't believe it, you can ask your brother."

Nan Nan said with a cold face, "Thank you, I will ask my brother."

"What is your Taoist name?"

"The Ruthless Empress!"

"Empress? You are worthy of being an empress, and you are worthy of being an empress."

Luo Hou nodded to Nan Nan,

Nan Nan has a noble temperament, outstanding demeanor, and is unattainable. Her demeanor and temperament that look down on the world make people look unattainable.

Nan Nan is not only a congenital great power,

but also a peerless beauty.

"The ancestor still has things to do. See you later."

Luo Hou said and disappeared instantly.

He didn't care about the scum like Nuwa and the Wu Clan.

Some Taiyi Golden Immortals,

Luo Hou could suppress and destroy them with his aura and pressure.

After Luo Hou left, Nan Nan said, "Nu Wa, let's go to the Lingxi Lake."

"Okay."

Nu Wa didn't object.

She wouldn't object either.

Nu Wa also wanted to know the relationship between her and Nan Nan. She also had many questions to ask Nan Nan.

What did Nan Nan want her to help with?

Who was Nan Nan's brother?

How could the Demon Ancestor Luo Hou form an alliance with Nan Nan's brother? Nu Wa wanted to know all of this.

Swoosh~

Nannan waved her hand and took Nuwa away in front of the witch ancestors.

The twelve witch ancestors were stunned, and even Zhurong and the seven witch ancestors did not scream. (To read the exciting novels, go to Fulu Novel Network!)

"Brother, how did the demon ancestor Luohou know the ruthless empress's brother? What kind of powerful person is the Ruthless Empress's brother?"

"I don't know, but Luohou is one of the top few people in the prehistoric fairy world. Luohou looks at the Ruthless Empress differently. I guess the Ruthless Empress's brother may also be a strong man."

"Big brother is right. Legend has it that the Demon Ancestor Luohou is very cruel and slaughtered countless lives. Luohou can be kind to the Ruthless Empress. I also guess that the Ruthless Empress's brother and Luohou are powerful people of the same status."

"This time is very dangerous. Our witch clan must not offend the Ruthless Empress in the future."

"Second brother is right. We were reckless this time. It's just strange that the Ruthless Empress and Xuanming seem to know each other. "

"Yes, the Ruthless Empress didn't kill the seven of us because of Xuanming and Xiaomei. Xuanming and Xiaomei have never left the dojo. How could the Ruthless Empress know them?"

The ancestor witches talked and looked at Xuanming and Houtu.

They almost jumped out of their chests when they faced Luohou before. They were even more worried that Luohou would kill them all if they disagreed.

And Nannan?

How could Nannan know Xuanming and Houtu?

Xuanming and Houtu had never left the Wu clan dojo. The ancestor witches couldn't figure out what Nannan said before.

Houtu shook his head speechlessly and said, "Brothers, Sister Xuanming and I have never left the dojo, and we have never seen the Ruthless Empress. It's useless for you to look at us."

Dijiang stroked his beard and said in confusion, "We know, but the Ruthless Empress won't lie. The other brothers and I can't guess the reason. "

Xuan Ming said with a cold face,

"Brother, have you found Nuwa? Nuwa and the Ruthless Empress should have just met. Nuwa also said that she wanted to follow the Ruthless Empress. I guess Nuwa wants to find out the reason."

Zhu Jiuyin frowned and said, "Yes, Nuwa and Fuxi live in the Buzhou Mountain Dojo. It is impossible for Nuwa to know the Ruthless Empress. Strange! Strange!"

Zhu Rong couldn't help shouting beside him,

"I say, the seven of us are still suffering from the erosion and torture of the power of space. Can you help us reduce the pain?"

"Brothers, let's talk about it after the dojo..."

"Okay, brother. "

Emperor Jiang and Zhu Rong and the other seven disappeared,

Xuan Ming and Hou Tu did not leave,

They could not figure out the relationship with Nan Nan, and they wanted to find out the reason just like Nu Wa.

Hou Tu stroked her hair and guessed, "Sister, I guess we have nothing to do with the Ruthless Empress."

Xuan Ming asked puzzledly, "No relationship? Little sister, why do you say that?"

Hou Tu thought for a while and explained,

"Sister, I can see from the attitude of the Ruthless Empress that she doesn't care about us."

"The Ruthless Empress was not happy to see us, nor did she show a close expression. I guess that the Ruthless Empress has nothing to do with us, and the Ruthless Empress's brother may also have a relationship with us."

Xuan Ming touched his fair chin and thought, "The Ruthless Empress's brother? We haven't seen the Ruthless Empress's brother either. Ah!"

"Very strange, sister, in the Sea of Destiny, is our destiny related to the destiny of the Ruthless Empress' brother?"[]

"It's possible. We are Taiyi Jinxian and cannot view the Sea of Destiny. Sister, why were you absent-minded just now? You don't want to go to Lingxi Lake, do you?"

"I want to go to Lingxi Lake, sister. I want to find out if it has anything to do with the Ruthless Empress. I want to know if it has anything to do with the Ruthless Empress' brother."

Hou Tu is interested in the Ruthless Empress.

She is more interested in the Ruthless Empress' brother. Hou Tu wants to know what the relationship is between her and the Ruthless Empress' brother and sister.

Xuan Ming thought for a while and said,

"Sister, I will go with you. It is too dangerous during the three tribes' war. Sister is worried that you will meet the strong men of the three tribes. "

Hou Tu smiled and explained, "Sister, there is no battlefield between the prehistoric east and prehistoric north, and the three tribes will not appear at the Lingxi Lake where the spiritual energy is thin. Nothing will happen if I go to the Lingxi Lake."

"Sister is still worried about you, let's go to the Lingxi Lake together."

"Okay. "

Chapter 3254

Qiankun Mountain,

Ancestor Qiankun, Yangmei, Ancestor Yangyang, and Hongjun, the four of them sat together to discuss.

Yang Mei asked in confusion,

"There is something wrong with Luo Hou. For more than ten years, Luo Hou has not provoked the three tribes again. Why would he come to rob the Qian Kun Ding of the Qian Kun Patriarch?"

Patriarch Yang Yang stroked his beard and nodded, "It's not right. Luo Hou has the twelfth-grade world-destroying black lotus, the God-killing gun, and the sword array of the immortals. He has no reason to rob the Qian Kun Ding of the Qian Kun Patriarch."

Patriarch Qian Kun said with a cold face, "Luo Hou is moody. He may have taken a fancy to the Qian Kun Ding of the ancestor."

"No, Luo Hou is not right recently."

Hong Jun stroked his beard and shook his head,

In the past ten years,

Luo Hou does not seem to be the lawless and unruly Luo Hou. Luo Hou gives him the feeling that he knows something.

Lingxi Lakeside?

The black bird of the bird royal family has been to Lingxi Lake,

Luo Hou has also been to Lingxi Lake,

The Qilin and Dragon clans have been there successively, and the Black Jade Qilin and the Black Dragon King have both fallen by the Lingxi Lake.

There is something strange by the Lingxi Lake.

But,

Hongjun didn't figure out anything with the Jade Disc of Creation?

Is it possible that the Chaos Demon God has also revived by the Lingxi Lake? Has the Chaos Demon God formed an alliance with Luo Hou?

Yang Mei asked Hongjun, "Hongjun, tell me your guess?"

Hongjun said with a serious face,

"In the past ten years, there has been no conflict among the three tribes, but the Lingxi Lake is very strange. Xuanniao has been there, Luohou has been there, Qilin and the dragon clan have also been there. I guess there is something strange about Lingxi Lake, and it is also possible that the Chaos Demon God has revived by the Lingxi Lake."

Yang Mei stroked his beard and nodded,

"Lingxi Lake? The junction of the east and north of the prehistoric world? I have also found it very strange recently. Xuanniao and Luohou, as well as Qilin and the dragon clan have been there. You may not know that Taiyin Star Wangshu and Dragon Mother have also been there."

Ancestor Yangyang asked the other three, "In this case, Luohou's abnormality is related to Lingxi Lake. If the Chaos Demon God really revived by Lingxi Lake, should we go and investigate?"

Ancestor Qiankun asked thoughtfully,

|= |

"The Chaos God is resurrected? Who will it be? Among the ten great gods, the God of Destiny has completely fallen. The God of Time, the God of Soul, the God of Ice and Snow, the God of Seal, the God of Reincarnation, and the God of Creation, who among them will be resurrected by the Lingxi Lake?"

Hongjun said with sharp eyes,

"No matter which Chaos God is resurrected, we can't let him ruin our plan."

"The Great Heavenly Dao is about to be formed."

"We don't want to be expelled from the Great Heavenly Dao by the Great Heavenly Dao. The war between the three tribes is an opportunity. As long as we can get the merits of the Great Heavenly Dao, the Great Heavenly Dao will not expel us from the Great Heavenly Dao."

Yang Mei, the ancestors Qiankun and Yangyang nodded,

The Great Heavenly Dao is about to be formed,

They are all Chaos Gods,

Once the Great Heavenly Dao is formed, they don't want to be killed by the Great Heavenly Dao and can only fleeHonghuang Immortal Realm.

Three tribes fighting?

Heavenly Merit?

Hongjun calculated from the Jade Disc of Creation,

They will get Heavenly Merit in the Three Tribes Fight,

As long as they get Heavenly Merit,

Honghuang Heavenly Dao will think that they will not destroy Honghuang Immortal Realm, and they may not be expelled or killed by Honghuang Heavenly Dao.

Yang Mei drank tea and glanced at Hongjun,

He did not completely believe Hongjun,

Hongjun was just the lowest ranked demon god in the Chaos Demon God,

Hongjun did not completely perish in the Chaos War, and he also got Pangu's Jade Disc of Creation and other spiritual treasures.

Yang Mei guessed that Hongjun was a sinister villain,

He had to guard against Hongjun using the three of them.

Ancestor Qiankun asked doubtfully, "Shall we go check the Lingxi Lake together?"

Hongjun shook his head and replied, "No, I still have to go to the three tribes. If the three tribes don't fight, we can't get the merits of the Heavenly Dao."

Ancestor Yangyang frowned and asked, "So, Qiankun, Yangmei and I will go to the Lingxi Lake to check?"

Hongjun said with a serious face,

"The start of the three tribes' war is the top priority, and we can't have any surprises."

|= |

"The old Taoist has initially convinced the first Qilin that the Qilin tribe will attack the Phoenix tribe. At that time, the Dragon tribe will not stay out of it. The old Taoist speculates that the Dragon tribe will sneak attack the Qilin and Phoenix tribes."

Yang Mei frowned and asked, "Hongjun, will the Qilin tribe really attack the Phoenix tribe?"

"Yes, within a thousand years, the Qilin tribe will definitely attack the Phoenix tribe, and the war between the three tribes will be completely launched after a thousand years."

Ancestor Yangyang and Taoist Qiankun, Yang Mei looked at each other,

A thousand years?

The time is very short,

If what Hongjun said is true, they believe that Hongjun can provoke a war among the three tribes after a thousand years.

Ancestor Yangyang thought for a while and said, "Hongjun, the three of us will go to the Lingxi Lake. If the revived Chaos Demon God and Luohou form an alliance, we will kill the revived Chaos Demon God."

"Okay, three old friends, let's do it together. I believe that the revived Chaos Demon God is not your opponent."

Hongjun stroked his beard and smiled and nodded. (To read the exciting novel, go to Feilu Novel Network!)

Three idiots,

Hongjun has plans for the three ancestors of Yangyang,

After the three tribes fought,

The battle between Taoism and demons began,

After Luohou's Zhuxian Sword Formation was activated, Hongjun would kill all the three ancestors of Yangyang.

The Tai Chi Diagram of the innate treasure of the Yangyang Patriarch,

The Qiankun Cauldron, Qiankun Diagram, Qiankun Ruler of the Qiankun Patriarch, these spiritual treasures will all belong to him,

Especially the Tai Chi Diagram and Qiankun Cauldron,

Hongjun must get them,

Both of these innate spiritual treasures will be of great use in the future, and he must plan some arrangements for the future in advance.

Half a year later,

Beside the Lingxi Lake,

The Qilin and Dragon tribes gathered tens of millions of troops.

Since the Black Jade Qilin and the Black Dragon King were killed, the Qilin and Dragon tribes are veryAngry. []

But,

It is rumored that there are strong people on the shore of Lingxi Lake.

The Qilin and Dragon tribes did not dare to attack easily when their armies arrived. Both tribes were waiting for the arrival of the strong people in their tribes.

By the lake, (Qian Lihao)

Su Chen was bored and resting against a big tree.

He is now a Daluo Jinxian.

In another year,

Su Chen's strength can be restored to the quasi-sage realm, and he does not have to worry about being killed in the prehistoric fairyland.

The Lustful Demon appeared beside Su Chen and asked, "Master, the Qilin and Dragon tribes have been outside the Lingxi Lake. Do you want to destroy them?"

Su Chen drank his wine and waved his hand, "No, they are just scum. They dare not enter the Lingxi Lake."

"Master, the weak creatures around are gathered outside our dojo. This is not a solution."

Su Chen looked at the Lustful Demon speechlessly,

When did the Lustful Demon become kind? Shouldn't she not care about the life and death of weak creatures?

"Hmm? Interesting!" Su Chen suddenly looked up at the sky and whispered,

"Master, what's wrong, Jie?"

"Lustful Demon, prepare five cushions. We have guests coming to our dojo."

Chapter 3255

Su Chen didn't expect that five quasi-saints would appear.

One was the Dragon Clan's Zulong,

One was the Qilin Clan's Shi Qilin,

Among the other three quasi-saints,

Su Chen sensed Yang Mei's aura,

How could the Space Demon God Yang Mei come? Could the other two be the Qiankun Patriarch and the Yinyang Patriarch?

"Yes, Master."

The Lustful Demon God waved his hand and conjured up five cushions.

Su Chen said that five guests were coming, and she guessed that the five guests who came were not simple.

Swoosh~

Zulong and Shi Qilin appeared next to Su Chen one after another. They looked at the Lustful Demon-envoy and looked at Su Chen.

No cultivation at all?

Is it possible?

Zulong and Shi Qilin guessed that Su Chen had hidden his cultivation level, and Su Chen might be a quasi-saint-powerful person like them.

Zulong asked sternly, "Sir, why did you kill the Black Dragon King of my clan?"

Shi Qilin shouted fiercely, "Boy, you killed the Black Jade Qilin of my clan, do you want to be an enemy of the Qilin clan?"

Su Chen said disdainfully, "Zulong, Shi Qilin, do you want to be my enemy?"

Boom boom boom~

"So what if we are enemies?"

"Hmph, do you really want to perish?"

Zulong and Shi Qilin burst out with terrifying auras, and Su Chen's disdain and strength made them very angry.

Zulong and Shi Qilin control the life and death of billions of lives,

No one dares to talk to them like this.

Even if Su Chen is a quasi-saint,

They are all quasi-saints,

Zulong and Shi Qilin are still late-stage quasi-saints, and any one of them can kill Su Chen.

The Lustful Devil stood beside Su Chen, alert.

Zu Long and Shi Qilin dared to attack Su Chen.

Even if she was not a match for the two innate powers, the Lustful Devil would block the attack for Su Chen.

Su Chen drank tea and shouted to the sky, "Three of you, aren't you coming out yet?"

Zu Long and Shi Qilin looked up at the sky. They also sensed that there were strong men hiding in the sky.

However,

They only found that there were strong men hiding in the sky.

They didn't know what strong men were coming, nor did they sense how many strong men were hiding in the sky.

Swoosh, swoosh, swoosh~

Yang Mei, Qian Kun, Yin Yang, three people appeared beside them in an instant.

After they appeared, they looked at Su Chen in confusion.

Yang Mei and the other two did not find Su Chen's cultivation level, nor did they find out what kind of Chaos Devil Su Chen was.

Su Chen looked at Yang Mei and the other two and said,

"Space Demon God Yang Mei, Qian Kun Demon God Qian Kun, Yin Yang Demon God Yin Yang, I didn't expect you to come to my dojo."

Yang Mei stroked his beard and asked, "Daoyou, you should be a Chaos Demon God like us."

"I used to be."

"I used to be? That's right, we are all Chaos Demon Gods who have fallen once, and lost more than half of our origin. Without dozens of Hui Yuan repairs, we can't be called Chaos Demon Gods.. "

"You can call me Su Chen, please sit down, fellow Taoists."

Su Chen invited Yang Mei and the other two to sit down and asked, "Yang Mei, what are you doing in my Taoist temple?"

Yang Mei and the other two sat on the futon,

Ancestor Qiankun stroked his beard and asked, "Fellow Taoist Su Chen, have you formed an alliance with Luo Hou?"

Su Chen thought for a while and nodded, "Alliance? Luo Hou and I can be said to be in alliance."

Ancestor Yin Yang hurriedly said, "Fellow Taoist Su Chen, Luo Hou is cruel and slaughters prehistoric creatures everywhere. It is not appropriate for you to form an alliance with Luo Hou. It is better for you not to form an alliance with Luo Hou. "

“Haha~”

Su Chen laughed loudly,

He understood,

Yang Mei and the other two came for three purposes,

First, to check his identity,

Second, to see if he could be persuaded to part ways with Luo Hou,

Third, if he could not be persuaded to part ways with Luo Hou, Yang Mei and the other two should unite to kill him.

[Shi Qilin, Su Chen and Yang Mei are all Chaos Demon Gods, what should we do?]

[Zu Long, Chaos Demon Gods are stronger than each other, Yang Mei and the other two came with bad intentions, let's wait and see what happens.]

[Okay.]

After Zu Long and Shi Qilin communicated with each other, they stood by with very ugly faces.

Su Chen invited Yang Mei and the other two to sit down, (to read the violent novel, go to Feilu Novel Network!)

What about them?

Zulong is the king of the scale-armored tribe,

Shi Qilin is the king of the beast tribe,

They are all the top existences in the prehistoric world, but Su Chen did not invite them to sit down.

Chaos Demon God is indeed Chaos Demon God,

He is arrogant and

Looks down on prehistoric creatures.

But,

Su Chen and Yang Mei are Chaos Demon Gods, they do not need to and do not want to offend Chaos Demon God.

At least not now.

They just want someone to unify the prehistoric world,

Get the luck of the prehistoric world,

Chaos Demon God is scum in front of them, they can do whatever they want to Chaos Demon God.

0Ask for flowers0

Yang Mei stroked his beard and asked, "Daoyou Su Chen, are you unwilling to part ways with Luo Hou? "[

Su Chen asked with a smile, "Why should I part ways with Luo Hou?"

Ancestor Yang Yang said grimly, "Daoyou, we are all Chaos Demon Gods. Only a few of us have revived out of the three thousand Chaos Demon Gods. As long as you don't form an alliance with Luo Hou, we won't attack you."

Su Chen shook his head and said, "Yang Mei, Yin Yang, Qian Kun, let me ask you, between Luo Hou and Hong Jun, who do you think you should believe?"

Yang Mei frowned and asked, "Daoyou, what do you mean?"

Su Chen explained while drinking tea,

"You know what I mean."

"Hong Jun is only the last Chaos Demon God. Although Luo Hou is cruel, self-righteous, and arrogant, Luo Hou keeps his word and doesn't plot. "

"Where is Hongjun?"

"Hongjun is just a conspirator, and a villain hiding behind the scenes. I would rather form an alliance with Luohou than be conspired against. You, the Hongjun alliance, also have bad intentions."

Yang Mei and the other two looked at each other.

They understood that Su Chen was right.

Luohou was unruly and arrogant.

But Luohou would not plot against them. Luohou relied on his strength to speak, and he also disdained conspiracies.

Hongjun?

A bottom-ranked Chaos Demon God,

And a sinister schemer.

Yang Mei and the other two were on guard against Hongjun.

But,

The temptation of Hongjun's alliance was too great.

Yang Mei and the other two did not want to be forced to leave the prehistoric fairyland. They had to form an alliance with Hongjun.

As for the plot,

As long as Yang Mei and the other two were on guard against Hongjun, they did not believe that Hongjun could plot against the three of them.

Ancestor Qiankun stood up and said coldly, "Daoyou Su Chen, we understand what you said, but because of some things, we must form an alliance with Hongjun. If you continue to form an alliance with Luohou, we can only let you die by the Lingxi Lake."

Ancestor Yinyang also stood up and threatened, "Daoyou, I hope you don't force us to kill you."

Yang Mei stroked his beard and said, "You two Daoyou are right, Daoyou Su Chen, we all have our own difficulties. If you are stubborn, we can only kill you together."

Su Chen stood up and said expressionlessly, "Okay, I also want to try your methods, a battle in the prehistoric starry sky."

"A battle in the prehistoric starry sky, ten!".

Chapter 3256

Yang Mei, Qian Kun Patriarch, Yin Yang Patriarch, the three of them also understood that they had to fight Su Chen.

Su Chen was unwilling to part ways with Luo Hou.

They wanted to join forces to kill Su Chen.

Yang Mei and the other two would not let Su Chen ruin their plan.

"I will wait for you in the prehistoric starry sky." Su Chen said and disappeared on the spot.

A battle in the prehistoric starry sky?

Facing three Chaos Demon Gods?

Su Chen was not afraid at all.

Yang Mei and the other two were only in the Quasi-Saint realm.

Although he was a Daluo Jinxian,

However,

Su Chen's space law and time law were unlocked one after another. He would not necessarily lose when facing the three Chaos Demon Gods.

"We will do our best to kill Su Chen."

"Okay~"

"Su Chen is too arrogant, he is more arrogant than Luo Hou, we must kill Su Chen."

"Let's go to the Primordial Starry Sky."

"Okay!"

After Yang Mei, Qiankun Patriarch, and Yinyang Patriarch talked, they also disappeared from the spot.

"Shi Qilin, let's go to the Primordial Starry Sky, we can't miss the battle of the four Chaos Demon Gods."

"Zulong, Yang Mei and the other two will jointly surround and kill Su Chen, Su Chen is dead this time."

"That's right, let's go to the Primordial Starry Sky to watch the battle of the Chaos Demon God."

"Okay."

Zulong and Shi Qilin also disappeared from the Lingxi Lake.

They want to watch the battle of the four Chaos Demon Gods, and they also want to see Su Chen being surrounded and killed by Yang Mei and the other two.

"Master~"

The Lustful Demon Envoy was worried.

Yang Mei, Qiankun Patriarch, and Yinyang Patriarch were going to surround and kill Su Chen. She didn't know if Su Chen was a match for Yang Mei and the other two.

"Demon Ancestor Luohou?"

The Lustful Demon God thought of Demon Ancestor Luohou.

She disappeared quickly.

The Lustful Demon God was going to inform Demon Ancestor Luohou. She wanted Luohou to go to the prehistoric starry sky to rescue Su Chen.

Boom boom boom~

Suddenly,

The prehistoric starry sky began to shake.

The strong men in the prehistoric fairyland looked at the prehistoric starry sky.

The Phoenix Ancestor, Xuanniao, and Qingying of the Phoenix Clan,

The Candle Dragon and the Dragon Mother of the Dragon Clan.

The five-colored Qilin of the Qilin clan, the auspicious Qilin,

Wangshu of the Taiyin star,

These quasi-saints all checked what happened in the prehistoric starry sky. They also wanted to know what strong people were fighting in the prehistoric starry sky.

Phoenix clan,

After Xuanniao Li Ge checked the situation in the prehistoric starry sky,

hurriedly said,

"Phoenix Ancestor, Su Chen is in danger. Yang Mei, Qiankun Patriarch, and Yinyang Patriarch are going to surround and kill Su Chen. We must go to save Su Chen quickly."

Phoenix Ancestor Yuanfeng asked in confusion, "Li Ge, is Su Chen really Xuanniao?"

Qingying asked after checking, "Sister Li Ge, why didn't I sense that Su Chen was Xuanniao? You won't be deceived, right?"

Li Ge shook his head and said, "Su Chen is really Xuanniao, how could I recognize the wrong tribe member."

"Li Ge, Qing Ying, let's go to the prehistoric starry sky. If Su Chen is really a black bird, we must rescue him."

Yuan Feng's eyes flickered.

Black bird?

If Su Chen is a black bird,

The bird clan will have one more quasi-saint,

The three clans war begins,

The bird clan will have four quasi-saints, and Yuan Feng can also destroy the dragon clan and the Qilin clan.

The bird clan will rule the prehistoric fairyland,

She can also get the luck of the prehistoric fairyland, and Yuan Feng will have the opportunity to advance to a higher level of cultivation by using the luck.

Qing Ying: "Okay, Sister Yuan Feng."

Li Ge: "Thank you, Sister Yuan Feng."

"Let's go to the prehistoric starry sky."

Yuan Feng waved and disappeared instantly,

Li Ge and Qing Ying also disappeared with Yuan Feng. (To read the most exciting novels, go to Faloo Novel Network!)

Kunlun Mountain,

Luo Hou and Hong Jun were about to fight, but the vibration of the prehistoric starry sky prevented them from fighting.

"Yang Mei? Qian Kun? Yin Yang? Damn it, Hong Jun, you actually let Yang Mei and the other two go to kill my allies."

Luo Hou was very angry after checking the prehistoric starry sky,

Yang Mei and the other two were confronting Su Chen in the prehistoric starry sky. He understood that Yang Mei and the other two wanted to kill Su Chen,

He and Su Chen formed an alliance,

Luo Hou had one more quasi-saint ally,

When he faced Hong Jun and Yang Mei and the other four in the future, Luo Hou would not be powerless to fight back.

But now,

Yang Mei and the other two surrounded Su Chen in the prehistoric starry sky,

Luo Hou guessed that Hong Jun used the Jade Disc of Creation to calculate Su Chen's identity, and Hong Jun wanted to kill his ally first.

Hong Jun said with a righteous gentleman's expression,

"Daoyou Luo Hou, Su Chen killed countless prehistoric creatures. Yang Mei, Qian Kun, Yin Yang, the three Daoists killed Su Chen to enforce justice and to kill the evildoers who killed creatures for the prehistoric races."

Luo Hou showed a disgusted expression and shouted, "Hong Jun, you make the ancestor look sick."

"Luo Hou, leave Kunlun Mountain, with the old Taoist here, you can't capture the old Taoist's three disciples."[]

Hong Jun stroked his beard and didn't care,

He didn't want to say anything to anger Luo Hou.

It's not time to fight Luo Hou yet.

Before the three tribes died in the war and left the prehistoric world, Hongjun would not decide the winner with Luohou.

The battle between Taoism and demons?

Hongjun also wanted to use Luohou to kill Yang Mei and the other two.

He calculated Luohou's fate clearly, and Luohou's fate was destined to be a wedding dress for him.

However,

Luohou came to Kunlun Mountain to capture the Three Pure Ones, and he also knew that Pangu and the Three Pure Ones were his disciples.

This was unexpected by Hongjun.

Hongjun concealed the secret by taking Pangu and the Three Pure Ones.

Even the Chaos Demon God could not figure it out.

Hongjun did not tell anyone. How could Luohou know that the Three Pure Ones were his disciples?

Su Chen?

Hongjun thought of Su Chen.

Luohou 583 did not know how to calculate,

For tens of thousands of years,

Luo Hou has always been arrogant, unruly, and rude. Luo Hou has also changed a lot recently.

Hongjun guessed that Su Chen changed Luo Hou.

Luo Hou knew that Pangu Sanqing was his disciple, and he guessed that Su Chen told Luo Hou.

Su Chen is a variable.

Hongjun can't let Su Chen destroy his many years of planning, and he won't allow his many years of planning to be destroyed.

"Damn it."

Luo Hou burst into a terrifying murderous aura in anger.

Failed again.

Luo Hou didn't expect Hongjun to figure out that he was going to catch Sanqing, and Hongjun appeared in time to stop him.

The Jade Disc of Fortune?

It's all because Hongjun has the Jade Disc of Fortune.

Luo Hou wanted to kill Hong Jun at this moment,

But,

He didn't have time to waste here,

Luo Hou wanted to go to the Honghuang Starry Sky to rescue Su Chen as soon as possible. He would not let his only helper be surrounded and killed by Yang Mei and the other two.

"Hong Jun, the ancestor will destroy your body and soul in the future. The next time will be the time when your body and soul are destroyed."

Luo Hou glared at Hong Jun angrily and disappeared on the spot.

He wanted to go to the Honghuang Starry Sky to rescue Su Chen. He didn't want to be delayed by the old sinister calculation to rescue Su Chen.

Hong Jun stroked his beard and whispered, "Save Su Chen? Luo Hou, you can't save Su Chen. The strong men who want to kill Su Chen are not only Yang Mei and the other three, but also Zu Long and Shi Qilin."

Chapter 3257

On a mountain in the prehistoric world,

Nannan and Nuwa looked at the prehistoric sky,

The prehistoric sky suddenly shook, and they guessed that there were strong men fighting in the prehistoric sky.

"Brother?"

Nannan saw Su Chen appear in the prehistoric sky,

She was very worried.

The strange woman reminded her that

Su Chen would not have any cultivation in the early stage of the trial,

Her brother now appeared in the prehistoric sky and faced three Chaos Demon Gods. Nannan didn't know how much cultivation her brother had recovered.

However,

Nannan's cultivation was only Daluo Jinxian, and she guessed that her brother could only recover to Daluo Jinxian at most.

Yang Mei and the other two were all quasi-saints,

Nannan was worried that her brother was not Yang Mei's opponent.

Nuwa asked hurriedly, "Nannan, is the white-clothed warrior in the prehistoric starry sky your brother?"

"Yes."

"It's bad. Your brother is facing three strong men, and Zulong and Shi Qilin are also next to him. Will your brother be in trouble?"

"No."

Nannan shook her head with a cold face. Although she was worried that her brother would be in trouble,

However,

her brother has always created miracles.

Even if Yang Mei and the other two joined forces to kill her brother, Nannan 780 also believed that her brother would be safe.

"Will not?"

Nuwa was very surprised.

No?

Why is Nannan so sure?

Even if Su Chen is a quasi-saint, Yang Mei and the other two are also quasi-saints.

There are also Zulong and Shi Qilin.

They are also eyeing Su Chen covetously.

Su Chen is facing five quasi-saints.

How can Nannan believe that Su Chen will not get into trouble? Does Su Chen have the ability to face five quasi-saints?

Nannan turned around and asked, "I'm going to the prehistoric starry sky. Do you want to go?"

"I'm going too."

"Okay, I'll take you with me."

Nannan waved and disappeared in the mountains with Nuwa.

She will watch her brother defeat Yang Mei and the other two in the prehistoric starry sky, and she will also rescue her brother at any time.

Tayin Star,

Wangshu walked around in the palace.

Su Chen faced Yang Mei and the other two in the prehistoric starry sky, and Zulong and Shi Qilin also appeared in the prehistoric starry sky.

Wangshu couldn't make up her mind whether to go to the Primordial Starry Sky or not.

She hadn't decided whether to save Su Chen or not.

[Wangshu, Su Chen is in danger, do you want to save Su Chen?]

Wangshu was speechless when she heard the voice transmission from the Dragon Mother's Yuanshen.

Save Su Chen?

How can she save Su Chen?

Su Chen is facing not one or two quasi-saints.

If Wangshu goes to the Primordial Starry Sky to save Su Chen, any one of the three Yang Mei can stop her.

Wangshu thought for a while and asked, "Dragon Mother, are you going to the Primordial Starry Sky?"

[No, Zulong is in the Primordial Starry Sky, I won't go to the Primordial Starry Sky.]

"That's right."

[Wangshu, you don't plan to save Su Chen?]

Wangshu stroked her hair and said, "I will go to the Honghuang Starry Sky. As for whether to save Su Chen, I will see the situation first."

[You decide. I am... Eh? Wangshu, look at the Honghuang Starry Sky. Feng Zu brought Xuanniao and Qingying to the Honghuang Starry Sky. They seemed to want to help Su Chen.]

Wangshu hurriedly checked the Honghuang Starry Sky.

Feng Zu brought Xuanniao and Qingying to help Su Chen? Why did the bird tribe want to save Su Chen?

What's going on?

Su Chen is from the bird tribe?

Is it possible?

The bird tribe only has three quasi-saints. Wangshu has not heard that there are other quasi-saints in the bird tribe.

Swoosh~

Wangshu hurried to the Honghuang Starry Sky.

She wanted to check what was going on.

Half an hour ago,

In the starry sky,

Su Chen, Yang Mei and the other two burst out with a terrifying aura, and Zulong and Shi Qilin watched the battle that was about to break out from a distance.

The Qiankun Patriarch shouted with the Qiankun Cauldron on his head, "Su Chen, don't you want to expose all your cultivation?"

"Three scumbags, I can defeat you with my Daluo Jinxian cultivation."

Su Chen curled his lips and was very speechless,

He only has Daluo Jinxian cultivation,

Can he burst out with the aura and pressure of a quasi-saint?

What the hell,

Three idiots,

Even if Su Chen can't kill them this time, he will beat Yang Mei and the other two into autism.

"You are looking for death, Qiankun Ding, suppress it."

"Tai Chi diagram, suppress it."

"Space is distorted." (To read exciting novels, go to Feilu Novels!)

Boom boom boom~

The three Qiankun ancestors attacked Su Chen one after another.

Su Chen was too arrogant.

The Golden Immortal wanted to defeat the three of them. Yang Mei and the other two would make Su Chen pay for his arrogance.

"Time is paused, space is distorted."

Su Chen also activated the laws of time and space, and his chaos law was promoted to the Hongmeng law.

It was just during the period of the three tribes.

The laws of time and space were also restricted, and Su Chen could only exert the power of the chaos law.

Even so,

His law is stronger than Yang Mei's law,

Yang Mei's space law is only 70%, Su Chen's space law and time law are both perfect, he can remain undefeated in the face of three Chaos Demon Gods by relying on the law.

Boom boom boom~

The ancient starry sky was violently shaken by the battle, and some meteorites were shaken and shattered.

After using the Tai Chi diagram to resist the law attack, the Yin-Yang Patriarch shouted, "Be careful, Su Chen not only knows the space law, but also the time law."

The Qiankun Patriarch shouted in disbelief, "How is it possible? How can Su Chen know the space law and the time law?"[]

"Kill Su Chen with all your strength, Su Chen must not be alive." Yang Mei launched a space law attack with a gloomy face,

Space law?

Su Chen actually knows the space law,

Moreover, he cultivated the space law to the great perfection.

Yang Mei is the space demon god,

He cultivated the space law to 70%,

How can Su Chen be stronger than his space law? Who is the space demon god between Yang Mei and Su Chen?

"Time goes backwards, space collapses."

Su Chen instantly appeared behind the Qiankun Patriarch, and he quickly launched a law attack on the Qiankun Patriarch.

The Qiankun Cauldron of the Qiankun Patriarch,

Su Chen wants to snatch it this time,

The Qiankun Patriarch is not as powerful as Yang Mei, and he is not as difficult as the Tai Chi Diagram of the Yin-Yang Patriarch.

Su Chen wants to pick the weak persimmon,

He wants to snatch the Qiankun Cauldron of the Qiankun Patriarch.

"Qian Kun Ding, suppress."

Boom boom boom~

"Time pauses, time goes back, time slows down, Qian Kun Patriarch, look at my invincible big brick."

After Su Chen activated the law of time continuously, he took out the Heaven-turning Seal and instantly slapped it at Qian Kun Patriarch.

Bang~

"Ah~ It hurts the Patriarch."

The Qian Kun Patriarch was hit on the head by the Heaven-turning Seal and screamed,

Su Chen's Heaven-turning Seal successfully avoided the Qian Kun Ding's sneak attack, and the Qian Kun Patriarch's head was smashed off by a small half.

"Suppress with the Tai Chi Diagram."

"Space Storm."

The Yin Yang Patriarch and Yang Mei quickly attacked Su Chen,

They didn't expect Su Chen to hit the Qian Kun Patriarch,

The Qian Kun Patriarch's Qian Kun Ding didn't block Su Chen's attack, so they were more cautious in dealing with Su Chen's space law.

Su Chen instantly appeared not far away and shouted, "Old bastard, how does the Heaven-shattering Seal taste?".

Chapter 3258

It was a pity for Su Chen.

If Yang Mei and Yin Yang had been a little late in rescuing Qian Kun, he could have taken away Qian Kun's ancestor Qian Kun's Qian Kun Ding.

The ancestor Qian Kun shouted angrily, "Yang Mei, Yin Yang, surround and kill Su Chen, the ancestor wants to destroy Su Chen's body and soul."

"Tsk, you are bragging, I'm going to do space teleportation, space teleportation!"

Boom boom boom~

Su Chen was almost successfully attacked by Yang Mei,

He relaxed his vigilance against the old bitch,

After all, Yang Mei had comprehended 70% of the space law, and if Su Chen was careless, he would fall into Yang Mei's hands.

"Space blockade!"

"Qian Kun Ding, Qian Kun Ruler, suppress!"

"Suppress with Tai Chi Diagram."

Yang Mei and the other two kept chasing and intercepting Su Chen, they could not let Su Chen go no matter what.

Su Chen's space law and time law, both of which have been cultivated to the Great Perfection.

If they cannot kill Su Chen this time,

Su Chen will become their nightmare demon in the future, and they will have to face Su Chen's attacks at all times in the future.

In the prehistoric starry sky,

Zu Long and Shi Qilin were constantly forced to retreat, and they could not withstand the terrifying pressure of the attack.

Zu Long clenched his hands and said seriously, "The Chaos Demon God is much stronger than us. At the same level, we, the prehistoric creatures, are no match for the Chaos Demon God."

"Damn it, we are the top race in the prehistoric fairyland, how can we be worse than the Chaos Demon God?"

Shi Qilin was very unwilling,

He couldn't even resist the fighting aura of the Chaos Demon God Temple,

Shi Qilin was the king of the beast tribe,

He was also the top powerhouse among the three prehistoric tribes,

He was unwilling to be inferior to the Chaos Demon God, and he didn't want the Chaos Demon God to be stronger than him.

Luck?

Shi Qilin thought of the prehistoric luck,

As long as the beast tribe unified the prehistoric fairyland, he could get the huge luck of the prehistoric fairyland.

With the luck of the prehistoric fairyland,

Shi Qilin can advance to a higher level of cultivation,

At that time,

the Chaos Demon God is nothing in front of him, and he can kill the Chaos Demon God who does not submit to him at will.

At this moment,

Su Chen teleported everywhere in the prehistoric starry sky,

He did not attack Yang Mei and the Yin-Yang Patriarch. After nearly half an hour of attack, Xiao Yu identified the Qiankun Patriarch,

"Time pauses, space strangles!"

"Ah~"

The Qiankun Patriarch accidentally had one arm cut off by the sharp blade of space,

He gnashed his teeth in hatred for Su Chen,

The Qiankun Patriarch, Yang Mei, and the Yin-Yang Patriarch surrounded and killed Su Chen together, why did Su Chen identify him?

Ancestor Qiankun was constantly injured by Su Chen's attacks.

Yang Mei and Ancestor Yin Yang were not hurt at all? Ancestor Qiankun was very angry and helpless.

Ancestor Yin Yang shouted, "Yang Mei, what should we do?"

Yang Mei said with a grim expression, "There is no way. I can't block the space of the prehistoric starry sky. Su Chen's spaceThe law is perfect, and my space blockade will be broken by him in an instant. "

Ancestor Yin and Yang couldn't figure it out and asked, "What kind of demon god is Su Chen? How can he know your space law and Ancestor Shichen's time law? Could Su Chen be Ancestor Shichen?"

"No, Ancestor Yin and Yang, I am familiar with Ancestor Shichen's breath, and Su Chen is not Ancestor Shichen."

"Damn it, what should I do now? Su Chen has been attacking Ancestor Qiankun, and I am worried that Ancestor Qiankun will be killed by Su Chen's sneak attack."

"I want to think of a way. "

Yang Mei thought quickly while attacking Su Chen,

How to surround and kill Su Chen?

How to limit Su Chen's law ability?

Something is wrong?

Yang Mei thought that Su Chen had been using the Daluo Jinxian cultivation, why didn't Su Chen use all his cultivation?

Why?

Hongjun?

Luohu?

Is Su Chen guarding against Hongjun or Luohu?

Hongjun has the broken Chaos Spirit Treasure Creation Jade Disc. Even if the Creation Jade Disc is broken, it is still a half-step Chaos Spirit Treasure.

What about Luohou?

Luohou has the terrifying Zhuxian Sword Formation.

If Yang Mei, Qiankun, and Yinyang are trapped in the Zhuxian Sword Formation, they will also perish in the Zhuxian Sword Formation.

Yang Mei thought and hurriedly shouted, "Qiankun, Yinyang, don't fight Su Chen first, I have something to say." (To read the violent novel, go to Feilu Novel Network!)

Swoosh~

The Yinyang Patriarch and the Qiankun Patriarch appeared beside Yang Mei one after another.

The Qiankun Patriarch looked very miserable. His body, which had not been repaired for a long time, was broken again by Su Chen's attack.

The Qiankun Patriarch shouted angrily, "Yang Mei, why did you stop besieging and killing Su Chen? "

The Yin-Yang Patriarch held the Tai Chi diagram above his head and asked, "Yang Mei, have you found a way to kill Su Chen?"

Yang Mei stroked his beard and said, “I just thought of something, something that concerns our life and death.”

The Qiankun Patriarch shouted, “Tell me quickly, we can’t let Su Chen escape!”

Yang Mei analyzed with a serious face,

“Did you notice?”

“Su Chen has not been fighting with us with all his strength. Does he not want to fight with us? Or does he have some concerns? ”

“And Hongjun and Luohou, don’t forget Hongjun’s Jade Disc of Creation and Luohou’s Sword Formation of Immortal Execution. If we...0....”

On a meteorite in the starry sky,

Su Chen looked at Yang Mei and the other two in confusion,

What’s going on?

Are Yang Mei and the other two tired of fighting? Do they want to rest for a while before fighting again?[]

Swoosh swoosh swoosh~

Feng Zu, Xuan Niao, and Qing Ying appeared on the meteorite one after another,

Xuan Niao Li Ge said to Su Chen, “Su Chen, why are you fighting with Yang Mei, Qian Kun, and Yin Yang? Why are they trying to kill you?”

“Three idiots are bored and want to kill me, so I’ll just play with them.”

Su Chen said as he looked at Feng Zu and Qing Ying,

The most beautiful woman in the prehistoric world during the Three Clans period, Su Chen was fortunate to see the true face of Feng Zu today.

Feng Zu has a noble temperament, a stunning face, and a sexy and attractive figure. She has an aura that looks down on the world. Feng Zu is worthy of being the most powerful woman in the prehistoric world.

And Qing Ying,

Qing Ying's body is very petite and cute, and her two dimples make Su Chen want to poke her.

Li Ge rolled his eyes at Su Chen and said, "You are really looking for death. Yang Mei and the other two are all Chaos Demon Gods. They also have treasures. You are facing the three of them alone. I think you want to be surrounded and killed by Yang Mei and the other two."

"Li Ge, let's not talk about Yang Mei and the other two. Don't you introduce me to the beauty next to you?"

Qing Ying smiled and said, "Su Chen, I am Qing Ying, you can call me Qing'er."

Feng Zu said with a cold face, "Phoenix, Feng Zu Yuan Feng."

Su Chen smiled and said, "You Hello, I am Xuanniao, you can call me Su Chen. "

Bluebird asked in confusion, "Su Chen, are you really Xuanniao? Why can't I sense your Xuanniao aura?"

"Chirp chirp~"

Suddenly,

Su Chen turned into a golden Xuanniao,

The huge golden Xuanniao had two feathers,

The sharp claws were comparable to the best innate best,

The golden feathers were very beautiful, and the bright eyes showed a light that looked down on the world.

"Chirp chirp~"

Li Ge also turned into a huge Xuanniao,

But she was a white Xuanniao, with only one feather, and her body was not as big as Su Chen's.

"Chirp chirp~"

Phoenix Ancestor heard the Xuanniao singing again and was surprised, "How is it possible? In addition to Li Ge and Su Chen, how can there be Xuanniao in the prehistoric world?" .

Chapter 3259

Qingying was also confused.

Su Chen and Li Lige turned into Xuanniao one after another. She understood that Su Chen's true form was Xuanniao.

What about now?

The Xuanniao chirped again in the prehistoric starry sky.

It was not Su Chen and Lige.

Su Chen first appeared in the prehistoric fairyland as Xuanniao. How come there is another Xuanniao?

Qingying asked cutely, "Sister Yuanfeng, are there other Xuanniao in the prehistoric fairyland?"

"Maybe, the chirping sound just now was indeed Xuanniao."

Feng Zu was very uneasy.

Su Chen turned into Xuanniao.

She was very happy in her heart.

The bird clan will have one more royal family,

and it is a quasi-saint strongman.

The bird clan has four quasi-saint strongmen. The beast clan and the scale armor clan are not as good as the bird clan.

What about now?

The chirping of the black bird appeared again in the prehistoric starry sky, indicating that a new black bird appeared in the prehistoric fairyland.

The third black bird?

It may be a quasi-saint black bird.

The Phoenix Ancestor was so excited that he couldn't help but want to turn into a phoenix and chirp.

The prehistoric starry sky,

Yang Mei, the Qiankun Patriarch, and the Yinyang Patriarch were all stunned.

Su Chen turned into a golden black bird?

Su Chen's original body is a black bird?

Ancestor Qiankun: "Yang Mei, how can Su Chen be Xuanniao?"

Ancestor Yinyang: "How is it possible? Su Chen is obviously the Chaos Demon God, how can his body be Xuanniao?"

Yang Mei looked at Su Chen's face and said seriously,

"Qiankun, Yang Mei, Su Chen is Xuanniao, he is also the Chaos Demon God, I guess Su Chen is Chaos Xuanniao, didn't you feel the breath of Su Chen after he transformed into his body?"

"Chaos Xuanniao? Yang Mei, you said Su Chen is Chaos Xuanniao?"

Ancestor Qiankun was very surprised,

Chaos Xuanniao is also a terrifying Chaos Demon God,

The Chaos Three Thousand Demon Gods fought with Pangu, and the Chaos Xuanniao's Law of Light was very terrifying.

But,

Su Chen knows the laws of space and time, why doesn't he know the Chaos Xuanniao's Law of Light?

Ancestor Yin and Yang said with a serious face, "Su Chen's body has the aura of the Chaos Demon God, and the aura of the Chaos Demon God is very thin. Su Chen should not have recovered the origin of the Chaos Demon God yet."

"Look, Su Chen's body has only two feathers, and Xuanniao Li Ge has only one feather. I guess Su Chen's chaos body is incomplete. He has not fully recovered like us."

Ancestor Qiankun nodded and said, "That makes sense. In this case, Su Chen is the Chaos Xuanniao."

Yang Mei asked in confusion, "There is another Xuanniao singing in the prehistoric starry sky. Isn't Li Ge the only Xuanniao in the prehistoric fairyland? Could it be that the flying bird clan has hidden Xuanniao?"

Yang Yang: "The flying bird clan must have hidden another Xuanniao. Su Chen and Li Ge's bodies are singing, and the hidden Xuanniao is responding. Let's wait and see. Another Xuanniao is coming soon."

Yang Mei:

"If the Phoenix Ancestor hides another Xuanniao, Zulong and Shi Qilin will be terrified."

"SuChen is the Chaos Mysterious Bird. Phoenix Ancestor will definitely win over Su Chen. With the hidden Mysterious Bird, the Flying Bird Clan will have five Quasi-Saints. Even if the Dragon Clan and the Kirin Clan join forces, they are no match for the Phoenix Clan. "

Ancestor Yin Yang and Ancestor Qian Kun nodded. They understood what it meant for the Flying Bird Clan to have two more Quasi-Saints.

The Flying Bird Clan originally had three Quasi-Saints,

Phoenix Ancestor, Mysterious Bird, Blue Oriole, and now there is a terrifying Su Chen. Phoenix Ancestor also has a hidden Mysterious Bird.

Five Quasi-Saints?

Among them is the terrifying existence of Su Chen.

The balance of the three tribes in the prehistoric world will be broken.

The Dragon Clan and the Kirin Clan will not be the opponents of the Phoenix Clan. Su Chen alone can destroy the three Quasi-Saints of a tribe.

The prehistoric fairyland will be the world of the Flying Bird Clan in the future.

Phoenix Ancestor will also get the prehistoric fairyland 's luck, Hongjun and their plans will also come to nothing.

At this moment,

Zulong and Shi Qilin looked very ugly,

Is Su Chen's true form a black bird?

Feng Zu, Qingying, and Li Ge all know Su Chen?

They understand what it means,

The bird clan will have one more quasi-saint, and a terrifying quasi-saint.

Moreover,

There is also a black bird singing,

Feng Zu has hidden a black bird?

Did the bird clan have four quasi-saints before?

Zulong said to Shi Qilin, "Shi Qilin, let's unite our two clans." (To read the violent novel, go to Feilu Novel Network!)

Shi Qilin said with an ugly face, "Unite? Zulong, can we defeat the bird clan by uniting? Su Chen can defeat three quasi-saints by himself, and we are not the opponent of the bird clan even if we unite. "

Zu Long clenched his hands tightly and thought,

Shi Qilin was right,

Su Chen was an accident,

Yang Mei and the other two were not Su Chen's opponents,

The Dragon Clan and Qilin Union had six quasi-saints,

But Su Chen alone could restrain three quasi-saints, and Su Chen might kill three quasi-saints,

The Bird Clan still had four quasi-saints,

How could the remaining three quasi-saints defeat the remaining Four quasi-saints?

Moreover,

The dragon mother of the dragon clan has a grudge against him,

Zulong has been on guard against suppressing the dragon mother, and the dragon mother will not help him with all her strength.

Trouble,

Zulong feels that the balance of the three clans has been broken,

The five quasi-saints of the bird clan, []

The various forces in the prehistoric fairy world are no match, and the Chaos Demon God dare not offend the bird clan.

Zulong thought for a while and said, ""Shi Qilin, how about we unite with Yang Mei and the other two?"

Shi Qilin shouted in surprise, "Zulong, are you crazy? The prehistoric heavenly way is about to be born, and if we dare to cooperate with the Chaos Demon God, the prehistoric heavenly way will not let us go after it is born. "

Zu Long stroked his beard and said, [Do we have any choice? We can pretend to cooperate with the Chaos Demon God, and then we can part ways with the Chaos Demon God after we have wiped out the bird tribe..]

Shi Qilin shook his head and said, [I need to think about it. This matter is too big. I can't bet the whole clan.]

[Okay.]

On the meteorite,

Su Chen and Li Ge were looking at each other,

Golden Xuanniao,

White Xuanniao,

Their feathers are different in color, but they are all Xuanniao, and they are all Xuanniao with blood.

Li Ge looked at Su Chen and asked, "Su Chen, why do you have two (Wang Wang Hello) feathers?"

Su Chen replied,

"Li Ge, my two feathers represent two laws of chaos, you only have one feather, your feather represents your law of light, and my feather represents the law of space and the law of time."

Li Ge nodded and said, "So that's the case. By the way, the Xuanniao that just called is your sister, right?"

"Yes, Li Ge, Didn't you help me find my sister? Why didn't you go to look for her?"

"Su Chen, I wanted Feng Zu and Qing Ying to tell you about your sister, but we found you and Yang Mei fighting in the prehistoric starry sky, so we had to come to save you first."

Su Chen shook his head speechlessly,

Feng Zu, Qing Ying, and Li Ge arrived,

He also transformed into the original form of Xuanniao,

Yang Mei and the other two didn't dare to fight with him anymore, Su Chen guessed that Yang Mei and the other two would secretly leave Ling.

Swoosh~

A white Xuanniao instantly appeared on the back of Su Chen's original form, "Brother, I finally found you."

Chapter 3260

Su Chen was very confused.

He thought of Nannan's arrival.

But why did Nannan come without Nuwa?

Nuwa was a scumbag during the Three Tribes period. Can Nannan help him by bringing Nuwa here?

Su Chen introduced Nannan to her, "Nannan, this is Xuanniao Lige. Lige and we are a family."

"Lige? Xuanniao?"

Nannan looked at Lige in surprise.

She didn't expect that Xuanniao during the Three Tribes period would be a female. Lige and she were both white Xuanniao.

Nannan would become Xuanniao.

She knew that it was Su Chen who helped her to have Xuanniao bloodline~.

The ruthless female emperor also had Xuanniao bloodline. Su Chen treated them equally. They were both white Xuanniao.

Li Ge said happily, "Nan Nan, you can call me Sister Li Ge."

"Hello, Sister Li Ge."

Nan Nan saw Su Chen nod and called out,

Forget it,

Li Ge was a quasi-saint during the Three Clans period,

Nan Nan was not older than Li Ge, and she had the blood of the Xuanniao, so it didn't matter if she called Li Ge Sister.

"Let's restore our Tao bodies first and then talk."

Su Chen said to Nan Nan and Li Ge,

He had Nan Nan on his back,

Nan Nan had Nu Wa on her back,

What does this look like?

A mount?

Su Chen's face darkened as he thought about it,

There was no need for it in the future,

He couldn't transform into the Xuanniao body, and Su Chen didn't want to be anyone's mount.

Swoosh swoosh swoosh~

Su Chen, Li Ge, and Nan Nan all transformed back into Tao bodies, and they looked at each other and felt very cordial.

Nuwa stood speechless by the side,

Earlier,

Nannan suddenly turned into a black bird, which scared her. Nuwa thought Nannan was a black bird from the bird clan.

After listening to Nannan's explanation,

Nuwa realized that Nannan was not a black bird from the bird clan.

Feng Zu appeared instantly and said, "Su Chen, you want to join the bird clan, and your sister also wants to join the bird clan."

Qingying appeared and smiled, "Yes, Su Chen, you and your sister are both black birds, and the black birds are the royal family of the bird clan. You brothers and sisters want to join the bird clan."

Li Ge stretched out her perfect body and said, "Sister Yuanfeng, sister Qing'er, you don't need to say that Su Chen and Nannan will also join the bird clan. After all, they are my people."

Su Chen frowned and thought,

Join the bird clan?

During the period of the three tribes,

The war between the three tribes, the bird tribe, the beast tribe, and the scale-armor tribe, not only killed countless lives, but also destroyed the prehistoric fairyland.

The prehistoric heavenly way will be born soon,

The three tribes withdrew from the prehistoric hegemony after being defeated,

The prehistoric heavenly way brought endless karma to the three tribes, and the three tribes also fell into a slump because of the numerous karmas.

If Su Chen and Nan Nan joined the bird tribe,

they might get countless karmas,

this is very unprofitable,

but,

Su Chen and Nan NanAfter all, Nannan is a black bird, and it is unreasonable for them not to join the bird tribe.

This is a dead end,

Joining the bird tribe will be more trouble than it gains.

If they don't join the bird tribe,

All races in the bird tribe will complain, and Feng Zu, Li Ge, and Qing Ying will not agree.

Nannan said with a cold face, "My brother and I will not join the bird tribe."

Li Ge asked in surprise, "What? Nannan, why don't you and your brother join the bird tribe?"

Feng Zu and Qing Ying both looked at Nannan,

They couldn't figure it out,

Su Chen and Nannan were black birds,

The black birds were also the royal family of the bird tribe,

If Su Chen and Nannan announced that they would join the bird tribe, they would not only get the luck of the bird tribe, but also make the entire bird tribe stronger. Why didn't Nannan agree to join the bird tribe?

"My brother and I have offended several Chaos Demon Gods. We are worried that the Flying Birds will be implicated. Don't worry, even if my brother and I do not join the Flying Birds, we will help the Flying Birds."

Nannan heard Su Chen's voice transmission, (To read the exciting novel, go to Flying Birds Novel Network!)

She could only speak nonsense to the three girls of Li Ge against her will,

Nannan also heard about the events of the Three Clan period. There is no benefit for her and Su Chen to join the Flying Birds.

If Nannan and Su Chen did not have the blood of the Black Bird,

She would not explain to the three girls of Li Ge.

Feng Zu asked coldly, "Nannan, Su Chen, you really don't want to join the bird tribe?"

Su Chen touched his nose and said, "My sister and I will not join for the time being."

Yuan Feng said coldly, "I hope you don't regret it. If you are surrounded and killed by the Chaos Demon God in the future, we will not come forward to save you."

Li Ge hurriedly said, "Sister Yuan Feng, how can you say that?"

Feng Zu said with a serious face, "Li Ge, don't you understand? Su Chen and Nannan don't want to join the bird tribe. They are not the same as us. We don't need to care about their life or death."

Li Ge Lu said with an angry expression,

"Feng Zu, Su Chen and Nan Nan are my people, I will not ignore them."

0Please ask for flowers

"Besides, they are not joining the bird tribe temporarily because they offended the Chaos Demon God. Nan Nan also said that she would help us in the future. How can you say that you will go your separate ways."

Qing Ying hurriedly said beside her, "Sister Yuan Feng, Sister Li Ge is right. You shouldn't say such heartless words."

Feng Zu shook his head and said nothing, []

She guessed that it was not because of the Chaos Demon God that Su Chen and Nan Nan refused to join the bird tribe.

Afraid of being implicated?

Or do you not think highly of the bird tribe?

Feng Zu is still unclear,

However,

If Su Chen and Nan Nan do not join the flying bird tribe,

Feng Zu will not force them,

They will definitely regret it in the future,

If Xuanniao does not join the flying bird tribe, will the other two tribes believe it? Zulong and Shi Qilin will not. Let Su Chen and Nannan go?

.0 0

Su Chen and Nannan were forced into a desperate situation, and they would definitely ask her to join the bird tribe.

Su Chen pulled Nannan and said,

"Li Ge, Qing'er, don't blame Feng Zu. Feng Zu, my sister and I don't join the flying tribe for your own good."

"Think about it, if my sister and I join the flying tribe, what will Zulong and Shi Qilin think? Will they unite? Will they unite with other Chaos Demon Gods?"

Feng Zu, Li Ge, and Qingying all looked at Su Chen. They understood what Su Chen meant.

Su Chen and Nannan joined the flying tribe,

The flying tribe will have five quasi-saints,

Zulong and Shi Qilin don't want to be exterminated, they will definitely unite to fight against the flying tribe.

As for uniting with Chaos Demon Gods?

Do Zulong and Shi Qilin dare?

Honghuang Tiandao will be born in less than a thousand years,

The Chaos Demon God will either flee from Honghuang Immortal Realm or be killed by Honghuang Tiandao.

If Zulong and Shi Qilin dare to collude with Chaos Demon God,

Honghuang Tiandao will not let the two tribes go,

The two tribes will either be punished by Honghuang Tiandao with karma or by thunder.

Li Ge shook his head and said,

"Su Chen, you are thinking too much."

"You and Nannan are both Xuanniao, and Xuanniao is the royal family of the bird tribe."

"Even if you don't join the bird tribe, Zulong and Shi Qilin will think you are the bird tribe. They will definitely unite, but they dare not collude with Chaos Demon God."
