### Chapter 3261

Su Chen was speechless.

How could he not know this?

Zu Long and Shi Qilin were right beside him. Su Chen guessed that Zu Long and Shi Qilin would not let him go.

But,

Does he care?

He didn't want to fall into the trap of the bird clan.

After the birth of the Honghuang Heavenly Dao,

The three innate clans were destined to withdraw from the Honghuang Immortal Realm. There was no benefit for Su Chen to join the bird clan.

Unless the Honghuang Heavenly Dao was born without any defects, there was no need for Hongjun to complete the Heavenly Dao.

Su Chen touched his chin and thought for a while and said, "Li Ge, can I consider two or three years?"

Li Ge nodded hurriedly, "Yes, two or three years is a very short time. I will wait for you for two or three years. I hope you won't make it difficult for me."

"Hmph~"

Feng Zu glared at Su Chen fiercely with her beautiful eyes. She guessed that Su Chen was stalling for time.

Just two or three years?

The time is too short,

Feng Zu didn't understand why Su Chen wanted to delay for two or three years. Su Chen's delay for two or three years was meaningless.

Qing Ying suddenly shouted, "Look, Yang Mei, Qian Kun, Yin Yang left Honghuang Xingkong, Zu Long and Shi Qilin also left."

Su Chen didn't care about Yang Mei and the others leaving. He looked in one direction and was very curious. 11

Wang Shu?

Why didn't Wang Shu come to Honghuang Xingkong when he came?

Is she hiding aside to watch the fun?

And Luo Hou,

Why did Luo Hou become a cowardly mouse? Why did he hide around and not show himself?

Nannan said with a cold face, "Brother, Yang Mei and the other two will not give up, they will come to surround and kill you."

Su Chen smiled and transmitted, [Don't worry, in just one year, your cultivation will be able to recover to the quasi-saint realm. By then, you can kill them like chickens. ]

Nannan nodded with bright eyes,

One year?

If Su Chen recovers to the quasi-saint realm in one year,

Nannan's cultivation will also be restored to the quasi-saint realm, and she will be able to kill Yang Mei and the other two at that time.

After Feng Zu, Li Ge and Qing Ying had a conversation,

Li Ge said to Su Chen,

"Su Chen, we have to go back. Zu Long and Shi Qilin may cooperate. We have to deal with the two tribes launching a war against the bird tribe."

Su Chen nodded and said, "Li Ge, if you need my sister and my help, you can go to Lingxi Lake to inform me."

Li Ge smiled and said, "Don't worry, our bird tribe needs your help. The two tribes have six Quasi-saints, we are no match for them."

"You are such a wimp."

"You are such a jerk."

Su Chen crossed his arms and asked, "Li Ge, I can defeat the three quasi-saints of the dragon clan by myself. Can you? Can Feng Zu? Can Qing Er?"

"Hmph, let's leave."

Feng Zu snorted coldly and disappeared in the prehistoric starry sky.

She was underestimated by Su Chen.

She was ridiculed by Su Chen as the first powerful woman in the prehistoric world.

However,

Su Chen is stronger than her.

Su Chen can face Yang Mei and the other two without losing. Feng Zu guessed that Su Chen would be the first person in the prehistoric fairyland.

The first female powerhouse?

The first person in the prehistoric world?

Feng Zu thought about it with an unnatural expression. She felt that she had thought things in a roundabout way.

"Su Chen, I will go to Lingxi Lake to find you. I have many things to ask you."

"Su Chen, see you later."

Li Ge and Qing Ying waved to Su Chen.

They disappeared in the prehistoric starry sky.

Feng Feng Zu left with a bad look on his face.

They still had to appease Feng Zu. They didn't want Feng Zu to have a prejudice against Su Chen.

After Feng Zu and the other two left,

Su Chen asked Nannan, "Nannan, why did you bring Nuwa with you?"

"She wants to come with me to see you."

Nannan glanced at Nuwa next to her,

Nuwa's cultivation was too low,

She was holding her back all the way,

If Nannan hadn't brought Nuwa with her, she would have come to the Honghuang Starry Sky to meet Su Chen.

Nuwa looked very embarrassed next to her, (to read the novel, go to Faloo Novel Network!)

She was a scumbag Taiyi Jinxian,

Su Chen was a quasi-saint,

The people Su Chen knew were all quasi-saints, and Nuwa was worried that Su Chen would look down on her.

Su Chen looked at the beautiful Nuwa and said, "Nuwa, your fate is connected with mine, and we have a very close relationship. You will know this later."

"Su Chen, why don't you tell me the reason now?"

Nuwa was very confused about Su Chen.

Destiny connected?

A very close relationship?

Is it possible?

She and Su Chen had never met.

Su Chen and she were not from the same clan. How could their fates be connected and their relationship be close?

Su Chen waved his hand at Nuwa, and he looked aside and shouted, "Luo Hou, you are here, why don't you show yourself? Did you fail to capture the Three Pure Ones of Kunlun again?"

Swoosh~

Luo Hou appeared next to Su Chen,

He stared at Su Chen and asked coldly, "Su Chen, who are you? Chaos Demon God? Or the black bird of the bird clan?"[]

Su Chen smiled and asked, "Didn't you hear everything before?"

"Chaos Black Bird? If you are Chaos Black Bird, why do you know the laws of space and time?"

"Guess."

"Do you want to die?"

"Luo Hou, you are so bold, just try it."

Luo Hou shouted angrily, "Damn it, can't you tell the truth to the ancestor?"

"Sure, tell me your secret and I will tell you."

"The ancestor has no secrets."

"I don't believe you."

"Su Chen, what the ancestor said is true, there is no secret, there is no secret."

Su Chen curled his lips and said in disbelief, "Really? I seem to know something about the demon world, Luo Hou, what is the demon world? Why don't you tell me?" "Speak?"

Luo Hou stared at Su Chen in shock,

733 Demon Realm?

How could Su Chen know about the Demon Realm?

Luo Hou fell in the chaos,

After the resurrection of the Honghuang Immortal Realm, he had peeked into the Honghuang Heavenly Dao, and he found information about the Demon Realm in the Honghuang Heavenly Dao that had never been born.

The Demon Realm and he were closely connected, and Luo Hou's enlightenment was also closely related to the Demon Realm.

For several years,

He did not find out any information about the Demon Realm,

In order to compete for the fortune of the Honghuang Immortal Realm, Luo Hou temporarily gave up looking for the Demon Realm.

It is impossible for anyone else to know about the Demon Realm,

How could Su Chen know about the Demon Realm?

Su Chen crossed his arms and said, "I know a lot of things. The Demon Realm is just one of your secrets. I also know that the God-killing Spear of the Beast King Shen Ni is in your hands. "

Luo Hou showed a helpless expression and said, "Su Chen, I hope you can keep these secrets."

"Okay, I don't plan to tell it. "

Luo Hou's face turned black and he disappeared on the meteorite.

Su Chen was too weird.

He had no secrets in Su Chen's eyes. Luo Hou felt that Su Chen was more sinister than Hong Jun.

Nan Nan couldn't figure it out and asked, "Brother, how could Luo Hou know about the outer demon world at this time? Didn't Luo Hou open up the outer demon world in the chaos after he blew himself up and revived?"

"No, Luo Hou knew the information about the demon world a long time ago. He didn't know that the demon world didn't exist, and he didn't know that the demon world needed him to open it up. "

Chapter 3262

Su Chen shook his head and explained to Nannan,

Demon world outside the domain?

He guessed that Luohou knew about the demon world early on, and Luohou might also know that his enlightenment was related to the demon world.

But Luohou didn't know that the demon world needed him to open up,

Before Luohou was surrounded and killed and blew himself up,

He should have understood the cause and effect of the demon world.

That's why Luohou blew himself up without hesitation to escape,

The demon world outside the domain was opened up by Luohou,

It was because of opening up the demon world outside the domain that he was able to advance to the holy realm and become one of the top powers in the chaotic world.

After Nannan understood, she asked, "Is that so, brother, are you going to tell Luohou?"

"Tell Luohou?"

Su Chen touched his chin and thought,

Tell Luohou about the demon world?

Is it possible?

Luo Hou is too proud,

and also very arrogant,

Su Chen dare not change the trend of the prehistoric trajectory,

The Three Clans period is not the Journey to the West period,

nor is it the Conferred God period,

nor is it the period when the Emperor of Man was born,

The Three Clans period is the period when the Prehistoric Heavenly Dao was born,

If Su Chen changes the trend,

After the Prehistoric Heavenly Dao is born, he may be expelled, and may even be punished by thunder.

Before Su Chen understands the will of the Prehistoric Heavenly Dao,

He can change some small trends,

but he dare not change some big trends in advance.

Su Chen thought for a while and said, "Nannan, the Great Heavenly Dao is about to be born. We don't know the will of the Great Heavenly Dao yet, so don't change the Great Heavenly Dao."

"Yes!"

Nannan nodded to Su Chen.

She also knew that the Great Heavenly Dao was about to be born.

If her brother changed the Great Heavenly Dao of the Great Heavenly Dao in advance,

After the Great Heavenly Dao was born, it might stop them, and it might also expel them or punish them with thunder.

Nuwa was very shocked when she heard it. The conversation between Su Chen and Nannan made her incredible.

The Demon Realm outside the Domain?

Will Luohou open up the Demon Realm in the future?

And the Great Heavenly Dao is about to be born?

The Great Heavenly Dao?

These are all major events that will happen in the Great Heavenly Dao in the future. How could Su Chen and Nannan know?

Nuwa seemed to understand something,

But,

Is her guess right?

Su Chen and Nannan are from the afterlife of the prehistoric world?

Nuwa felt a little uneasy,

She heard these secrets from Su Chen and Nannan, will Su Chen and Nannan let her go?

Su Chen turned back and said to Nuwa, "Nuwa, you can't tell anyone what you heard."

Nuwa asked curiously, "You won't kill me?"

Nannan rolled her eyes at Nuwa speechlessly.

Kill Nuwa?

How could Su Chen kill Nuwa? Even if her brother killed Luohou, he couldn't kill Nuwa.

Su Chen took a sip of wine and said, "How could I kill you? You will go to Lingxi Lake with us to practice in the future. I will give you practice resources and practice skills.Method."

"Okay~"

Nuwa stroked her hair and nodded,

She looked at the starry sky and thought,

Nuwa seemed to understand something,

Destiny connected?

Close relationship?

She knew Su Chen and Nannan in the future? What kind of relationship would they have?

Su Chen looked at the direction where Wangshu was and shook his head,

Wangshu was really cautious,

There were only these people left in the prehistoric starry sky, and Wangshu was still watching from a distance and did not leave,

What is the cold beauty worried about?

Or does the cold beauty not want to get involved in the cause and effect of the prehistoric struggle?

"Let's go back to Lingxi Lake. "

Su Chen waved his hand and took Nannan and Nuwa and disappeared into the prehistoric starry sky.

He did not go to find Wangshu.

Wangshu did not want to come to see him.

Su Chen guessed that Wangshu did not want to get involved in the cause and effect.

But Wangshu could not escape the development of the prehistoric trend. The Chaos Demon God and the three tribes would force Wangshu to participate in the fight.

"Left? "

In the primordial starry sky,

Wangshu found Su Chen and Nannan. After Nuwa disappeared, she frowned and thought about it and disappeared in the primordial starry sky.

Chaos Demon God?

Chaos Black Bird?

Wangshu didn't expect Su Chen to be the Chaos Demon God. She was wary of Su Chen.

But,

Feng Zu, Black Bird, Qing Ying, why are they close to Su Chen? (To read the exciting novel, go to Feilu Novel Network!)

Chaos Black Bird (bcb f)?

But the Chaos Black Bird is not the Black Bird of the Primordial Immortal Realm,

The three Fengzus could not have not known, could Su Chen not be the Chaos Demon God?

Wangshu decided to wait and see for a while,

She wanted to find out Su Chen's true identity before deciding whether to meet that bastard.

Also,

Wangshu also wanted to notify the Dragon Mother,

She wanted the Dragon Mother to help her find out Su Chen's true identity.

Six hundred years later,

Primordial Immortal Realm It was getting more and more chaotic.

The war between the three tribes had not yet started, but millions and tens of millions of lives were often killed.

The Dragon Tribe and the Qilin Tribe joined forces to encroach on the Phoenix Tribe's territory.

The Phoenix Ancestor did not order the Bird Tribe to launch a counterattack. She gathered the Bird Tribe and retreated to the south of the prehistoric world.

The Immortal Volcano, []

The Phoenix Ancestor stood on the huge phoenix tree with a cold face.

She was getting more and more dissatisfied with Su Chen.

The Dragon Tribe and the Qilin Tribe joined forces to encroach on the Phoenix Tribe's territory. Su Chen also asked her to retreat the bird tribe to the south of the prehistoric world.

The caves with abundant spiritual energy and various precious resources in the east of the prehistoric world were all abandoned by Feng Zu.

Without caves with abundant spiritual energy and precious resources,

How can the bird tribe grow and develop?

Swoosh~

Qing Ying appeared instantly and shouted, "Sister Yuan Feng, the dragon tribe and the Qilin tribe have started fighting, and the Azure Dragon King and the Black Qilin have both participated. In less than half a year, tens of millions of lives have been lost in each tribe."

FengZu asked with bright eyes, "Qing'er, did the Azure Dragon King and the Black Kirin fight?"

"They also fought. I checked earlier. The Black Kirin had one leg cut off by the Azure Dragon King. The Five-Colored Kirin rushed to the battlefield, and the Candle Dragon also rushed to the battlefield. The two quasi-saints confronted each other in the air. I guess they might also fight."

Feng Zu asked puzzledly, "Strange, aren't the Dragon Clan and the Kirin Clan allied? Why would they turn against each other and fight?"

Qingying sat on the tree trunk and smiled. Laughing,

"Because of a top-grade innate spiritual treasure."

"In Tianmai Mountain in the east of the prehistoric world, the Qilin tribe discovered a top-grade innate spiritual treasure. The Dragon tribe did not want to be obtained by the Qilin tribe, and the small-scale competition evolved into a huge war."

"Tianmai Mountain? Top-grade innate spiritual treasure?"

Feng Zu touched his white chin and guessed that there was a conspiracy.

The bird tribe occupied Tianmai Mountain.

If there was a top-grade innate spiritual treasure in Tianmai Mountain, the bird tribe would not have failed to discover it.

Who provoked the war between the Dragon and Qilin tribes?

Chaos Demon God?

Or Luohu?

Or Su Chen?

Feng Zu thought for a moment and ordered, "Qing'er, send a message to Li Ge, and ask her to ask Su Chen what's going on with the top-grade innate spiritual treasure in Tianmai Mountain."

Qing Ying opened her eyes wide and asked in confusion,

"Sister Yuan Feng, do you think Su Chen provoked the war between the Dragon Clan and the Qilin Clan? The top-grade innate spiritual treasure is Su Chen's spiritual treasure? Did Su Chen deliberately let the Qilin Clan find out?"

"Yes, Su Chen is a shameless bastard, and a cunning and lustful person. There can't be a top-grade innate spiritual treasure in Tianmai Mountain. I guess it's Su Chen's conspiracy."

Chapter 3263

Phoenix Ancestor really dislikes Su Chen.

For six hundred years,

Su Chen has been nestling by the Lingxi Lake.

He said he would join the bird tribe in two or three years. Su Chen did join the bird tribe.

But,

Su Chen has been nestling by the Lingxi Lake where no one lives. Has he ever fought for the bird tribe?

And the black bird Li Ge.

Phoenix Ancestor didn't expect Li Ge to obey Su Chen.

She and Li Ge are sisters who have won dozens of championships. In Li Ge's heart, is she not as good as the shameless and lustful Su Chen?

Bluebird smiled while lifting her white feet,

"Sister Yuanfeng, Su Chen is not bad. He has cultivated more than thirty Golden Immortals and thousands of Taiyi Golden Immortals in the past six hundred years. The middle-level masters of our bird clan are several times stronger than before."

"Bluebird, as the king of the bird clan, Su Chen should do his duty."

Phoenix Ancestor "Five Four Zero" said with a smile on his face,

Thirty-six Golden Immortals?

The bird clan has thirty-six more Golden Immortals, more than she has cultivated in one Huiyuan.

Small space-time space?

One year is equal to one thousand years in the prehistoric fairyland?

Su Chen's laws of time and space are really powerful,

If another thousand years pass,

The bird clan may have several quasi-saints.

At that time,

Even if the Dragon and Qilin tribes join forces with the Chaos Demon God, their bird tribe will not be afraid.

Qingying jumped to Fengzu and asked, "Sister Yuanfeng, if the quasi-saints of the Qilin and Dragon tribes participate in the war, their alliance will definitely be broken. Should we prepare to start a war?"

"It's time to prepare to start a war. Start a war against the Qilin tribe first. As long as the Qilin tribe is defeated, we can finally attack the Dragon tribe with all our strength."

"Okay, I'll notify the clan leaders of each tribe to prepare to start a war." Qingying said and disappeared from the sycamore tree in an instant.

Fengzu stood up and stretched her perfect body.

Prepare for a few battles.

In the past, they were all small fights.

Honghuang Tiandao is about to be born.

Fengzu must unify the Honghuang Immortal Realm and get luck as soon as Honghuang Tiandao is born.

Tianmai Mountain,

Tens of millions of lives were being killed,

Huge corpses kept falling from the sky, and the whole area was like the end of the world.

The mountains were razed to the ground, the ground collapsed into deep trenches, rivers and lakes rolled back, the sky was blood red, and the broken corpses of various races were everywhere.

In the air,

Su Chen held Nannan and looked at the war between the two races,

"It's really tragic, the corpses of the dragon clan thousands of meters long, the corpses of the Qilin clan as big as a hill, and the corpses of the sea clan and the corpses of beasts. If these corpses were in the Journey to the West period, they would have been treasures."

Nannan asked with a cold face, "Brother, aren't you going to take back the spiritual treasure?"

"It's not the time yet. Zhulong and the five-colored Qilin haven't fought yet. I'll take back the spiritual treasure when they fight."

"Will Hongjun find out?"

Nannan looked at the Zhulong and the five-colored Qilin facing each other in the sky above the battlefield.

Su Chen had set up a conspiracy a hundred years ago.

A superb innate spiritual treasure caused the dragon clan and Qilin clan to break up, and the two clans went to war for the superb innate spiritual treasure.

Nannan was worried that Hongjun would have the Jade Disc of Fortune to calculate the cause and effect.

Hongjun might come to stop the war between the two clans, and even expose Su Chen as the mastermind behind it.

Su Chen touched his chin and asked, "Nannan, are you worried that Hongjun will come to stop it?"

"Yes."

"Don't worry, the Dragon Clan and the Qilin Clan are just appetizers, and I'm not targeting them this time."

Nannan asked in surprise, "Huh? Brother, are you going to plot against the Chaos Demon God?"

Su Chen said with a cold face,

"Yes, the war between the three clans is inevitable, and I have no ability to stop it. This is also a necessary process for the operation of the Honghuang Immortal Realm. However, Chaos Demon God is the mastermind behind the war. "

"Chaos Demon God knows that Honghuang Tiandao is about to come out. In order not to be expelled or killed by Honghuang Tiandao, I guess Hongjun told other demon gods some secrets, and other demon gods are willing to help Hongjun."

"I want to kill or expel Chaos Demon God before the three tribes fight all-out. The victory or defeat of the three tribes can only be the three tribes. I will not let Chaos Demon God reap the benefits."

Nannan asked, "Brother, this time I have to Do you want to do it?"

Su Chen nodded and replied,

"No, it's not the right time yet."

"Killing Chaos Demon God Luo Hou is the key."

"I informed Luo Hou in advance of the war between the Dragon Clan and the Qilin Clan this time. Luo Hou will use the blood evil energy to repair the Zhu Xian Sword Formation. Once the Zhu Xian Sword Formation is repaired by Luo Hou, Luo Hou will definitely expand..."

"Other Chaos Demon Gods know that the Zhu Xian Sword Formation has been repaired. They will not let Luo Hou completely control the Zhu Xian Sword Formation. Dao Demon The war will start before the three tribes fight. "

Nannan stroked her hair and smiled, "Brother, you don't want to kill Luohou yourself, so you have this plan, right?" (To read the exciting novel, go to Faloo Novel Network!)

"You are right, Luohou and I have a good relationship, I just don't want to kill him personally."

Su Chen couldn't help laughing when he thought of Luohou,

In the later world,

Su Chen scolded Luohou at every turn, and Luohou was so angry that he had no way to deal with him.

During the Three Clans Period,

For six hundred years,

Su Chen constantly mocked Luo Hou,

Luo Hou's face turned black every time he got angry,

But Luo Hou didn't dare to attack him,

More than five hundred years ago,

Su Chen and Nan Nan's cultivation level recovered to the quasi-saint level,

Luo Hou was so angry that he couldn't help but attack Su Chen, and Nan Nan used the bronze ancient temple to suppress Luo Hou,

From then on,

No matter how angry Luo Hou was, he only dared to curse but didn't dare to attack.

"A good relationship?"[]

Nan Nan shook her head speechlessly,

Her brother and Luo Hou had a good relationship. Hammer,

My brother always mocked Luohou for his incompetence or scolded him for bragging.

If possible,

The first person Luohou would kill might be her brother.

Boom~ Bang~

Suddenly,

Zhulong and Wucai Qilin started fighting, and they were moving away from Tianmai Mountain area while fighting.

Su Chen looked at the fight between Zhulong and Wucai Qilin and said, "Hongjun is about to appear."

Nannan looked around with her beautiful eyes,

Hongjun?

His brother had killed Hongjun several times,

This time,

Nannan wanted to kill Hongjun for her brother once, and she also wanted to kill Hongjun for the prehistoric creatures in the future.

Swoosh~

Hongjun appeared not far from Su Chen and Nannan,

He had a jade disc of good fortune on his head and a Pangu banner in his hand, looking aggressive as if he was coming to fight.

Hongjun shouted righteously, "Su Chen, you disrupted the order of the prehistoric fairyland and provoked a war between the three tribes. The creatures of the prehistoric fairyland will not let you go, and neither will the three tribes."

Su Chen sneered disdainfully, "Tsk, Hongjun, who do you think you are? Who can you represent to question me?".

Chapter 3264

"Su Chen, you provoked a war between the Dragon Clan and the Qilin Clan for no reason. No creature in the prehistoric world will allow you to do this. You are destroying the prehistoric fairyland. The prehistoric heavenly way will also expel you."

Hongjun reprimanded Su Chen with a calm face. The Dragon Clan and the Qilin Clan must not kill each other.

Su Chen has a close relationship with the Phoenix Clan.

If a war breaks out between the Dragon Clan and the Qilin Clan,

the strength of the two clans will be greatly damaged.

The balance of the three clans will be broken.

At that time,

the Phoenix Clan will dominate.

Hongjun's wish for the three clans to perish together cannot be realized. He must stop Su Chen from provoking a war between the Dragon Clan and the Qilin Clan.

Su Chen crossed his arms and asked, "So? Are you going to attack me?"

"I won't attack you. You must promise not to provoke another war between the two tribes."

"Do you think it's possible?"

Hongjun threatened coldly, "Su Chen, don't be stubborn. If Yang Mei, Qian Kun, Yin Yang and I join forces with the quasi-saints of the Dragon and Qilin tribes to surround and kill you, you can't escape."

"Hongjun, I'll give you a chance. You can contact the Dragon Clan and the Qilin Clan. I will wait for you to surround and kill me by the Lingxi Lake."

Boom~

Hongjun burst out with a terrifying aura and shouted, "Su Chen, do you really want to die?"

Boom~

Nannan also burst out with a terrifying aura and shouted coldly, "Hongjun, do you want to die?"

"Quasi-saint? How is it possible?"

Hongjun was stunned.

Didn't Yang Mei and the other two say that Su Chen's sister was a Daluo Jinxian?

Is this a Daluo Jinxian?

Nannan's aura is clearly at the peak of Quasi-saint.

Hongjun took dozens of Huiyuan to cultivate to the peak of Quasi-saint. How can Nannan also be at the peak of Quasi-saint?

What about Su Chen?

Sister is at the peak of Quasi-saint?

Su Chen is probably at least at the peak of Quasi-saint.

Trouble,

Hongjun underestimated Su Chen,

His decision six hundred years ago was wrong,

He should have joined forces with Yang Mei and the other two, as well as the quasi-saints of the dragon and unicorn tribes to surround and kill Su Chen six hundred years ago.

At this moment,

The two tribes that were fighting in Tianmai Mountain stopped fighting, and all the creatures looked up at the sky with expressions of fear.

The terrifying pressure in the air made the creatures of the two tribes breathless,

The creatures of the two tribes were worried that they would be suppressed and killed.

On a black mountain,

Luo Hou looked up at the sky and whispered,

"Hongjun the old bastard has appeared again. Will Yangmei, Qiankun, Yinyang, show up? Damn, Sister Su Chen is really scary. I hope Sister Su Chen can kill Hongjun..."

Regarding Nannan,

Luo Hou was speechless.

He didn't expect that he would be defeated one day,

and he was defeated by Sister Su Chen.

Nannan's bronze ancient palace is stronger than his Heavenly Demon Tower. The Heavenly Demon Tower was instantly suppressed when it encountered the bronze ancient palace.

If Luo Hou didn't have the God-killing Spear,

he would lose the battle with Nannan even more shamefully.

"Kill Hongjun and defeat him. What should I do after I kill Hongjun, Yangmei and the other four? Can Su Chen live in peace with me? Will Su Chen compete with me for the destiny of the prehistoric world? "

Luo Hou frowned and thought,

Su Chen's strength is unfathomable,

The two chaos laws are hard to guard against, and Luo Hou's killing law cannot fight against Su Chen,

Su Chen also has a terrifying sister,

Luo Hou became more and more upset,

In addition to the old cunning Hongjun in the prehistoric world,

He might have to face another old cunning, the old cunning who mocked and scolded him every time they met.

The greedy demon appeared and saluted, "Demon Ancestor, the two tribes stopped killing each other, and the blood evil energy can no longer be collected."

"Don't worry, the two tribes will fight again, order the demon tribe to prepare to collect the blood evil energy."

"Yes, Demon Ancestor. "

After the Greedy Demon Envoy left,

Luo Hou looked at Su Chen in the air and sneered,

Collecting several Huiyuan's bloody evil spirits,

If enough bloody evil spirits can be collected this time, the Four Swords of Zhu Xian can be completely repaired.

At that time, (to read the violent novels, go to Feilu Novel Network!)

Su Chen and Nan Nan will not be his opponents together, and Luo Hou will kill Su Chen and Nan Nan.

The luck of the prehistoric fairy world will belong to him,

Luo Hou can use the luck to advance to the Hunyuan Daluo Jinxian.

In the air,

After Nan Nan threatened Hongjun,

Hongjun looked gloomy and wanted to leave.

Although he had the Jade Disc of Creation, a half-step Chaos Spirit Treasure,

and the Pangu Banner, a congenital treasure,

he didn't know if he could defeat Su Chen and Nannan, and his Three Corpses Method couldn't be exposed yet.

Yang Mei and the other two were unreliable.

After Luo Hou was killed,

Hongjun would unite with many Quasi-Saints to kill Su Chen and his sister.

As long as Su Chen and Nannan were also killed,

Even if Yang Mei and the other two were not killed by him, he could still defeat them with the Three Corpses Method.

Su Chen threatened coldly, "Hongjun, get out of here quickly, or don't even think about leaving."[]

"Hmph, Su Chen, you will pay the price for your arrogance. "

Hongjun threatened and disappeared in the air in an instant.

Can't wait any longer.

He wants to unite Yang Mei and the other two, as well as the quasi-saints of the Dragon Clan and the Qilin Clan, a total of ten quasi-saints to surround and kill Su Chen and his sister.

Su Chen and Nannan are accidents.

Still anomalies.

They are also obstacles that hinder his enlightenment.

Su Chen is even more terrifying than Luohou. Hongjun must kill Su Chen and Nannan first.

And Luohou.

Hongjun believes that Luohou also wants to kill Su Chen. He has to find a way to persuade Luohou to surround and kill Su Chen and Nannan together.

Su Chen shouted to the creatures of the two tribes below, ".~Listen to all the creatures of the Dragon Clan and the Qilin Clan. The victorious party can leave Tianmai Mountain. Any creature who dares to escape will be killed without mercy. "

Tianmai Mountain,

The dragon and Qilin creatures heard Su Chen's threat,

The two tribes started to fight again,

The creatures of the two tribes fought to grab the spiritual treasures before,

Now they fight to survive,

Su Chen is as strong as Zulong and Shi Qilin,

The tens of millions of creatures of the two tribes dare not escape, they can only survive by destroying the hostile race.

Nannan asked doubtfully, "Brother, will Hongjun unite with Yangmei and the other two to surround and kill us?"

Su Chen touched his chin and replied,

"Of course, we are more dangerous than Luohou in Hongjun's eyes. Hongjun will not only unite with Yangmei and the other three, he will also unite with the dragon tribe and the Qilin tribe, and even secretly unite with Luohou."

Nannan showed a surprised expression and asked, "Luohou? Brother, will Luohou unite with Hong?"

Su Chen looked at dozens of Heishan, thousands of miles away, said,

"Luohu will agree. The Zhuxian Sword Formation will be repaired in no time. If Hongjun unites with many quasi-saints to surround and kill us, Luohu would like to unite with many quasi-saints to kill us."

Luohu,

An arrogant idiot,

Hongjun unites with many quasi-saints to surround and kill him and Nannan,

Luohu thinks that he has repaired the Zhuxian Sword Formation and no longer needs to form an alliance with him. The idiot will definitely agree to join in the siege and kill him and Nannan.

But it's also good,

All Chaos Demon Gods can be solved at one time,

Luohu must make great efforts in it, Su Chen will first provoke Hongjun and others to surround and kill Luohu.

At this time,

Zhulong and the five-colored Qilin appeared one after another,

They understood that they were calculated by Su Chen, and Su Chen conspired to provoke a war between the dragon clan and the Qilin.

"Su Chen, do you want to be an enemy of the dragon clan?"

"Su Chen, you dare to plot against us, do you want to be surrounded and killed?"

Chapter 3265

Su Chen said disdainfully,

"Be an enemy? Surround and kill me? Zhulong, Five-Colored Kirin, I'm right here, do you dare to attack me?"

Zhulong and Five-Colored Kirin were stunned,

Attacking Su Chen?

They didn't dare,

Six hundred years ago,

Yang Mei and the three Chaos Demon Gods couldn't surround and kill Su Chen, they were not as strong as Yang Mei and the other two.

Zulong and Shi Qilin also told them many times that there was no need to provoke Su Chen,

They were just bluffing before,

If Zhulong and Five-Colored Kirin dared to attack Su Chen, they might die in Tianmai Mountain~

Zhu Long clenched his hands tightly and shouted, "Su Chen, don't be arrogant. We don't have to be enemies with you. You have to let our tribes leave Tianmai Mountain."

Su Chen said coldly, "Before the winner is decided, the creatures of the two tribes cannot leave Tianmai Mountain."

"You..."

Zhu Long understood,

Su Chen obviously wanted the two tribes to kill each other, and the victorious party could leave Tianmai Mountain.

Damn it,

What should I do?

He and the five-color Qilin are not Su Chen's opponents,

Su Chen's sister is also a quasi-saint,

Hongjun didn't dare to take action before,

The quasi-saints of the dragon and Qilin tribes combined are probably not Su Chen's brothers and sisters.

Su Chen curled his lips and threatened, "Get out of here. If anyone dares to take your people away, I will massacre 50 million people from each of your tribes, and you will also die."

Swoosh~

Zhu Long and the Five-Colored Kirin disappeared one after another.

They wanted to inform their respective clan leaders.

Su Chen was too threatening to the two tribes.

They could only watch their own tribesmen fighting in Tianmai Mountain and dared not to stop the war.

Nan Nan stroked her hair and asked, "Brother, have they compromised?"

"Compromised."

Su Chen narrowed his eyes and looked at Tianmai Mountain.

Zhu Long and the Five-Colored Kirin hid in Tianmai Mountain and did not leave. He guessed that the two had informed Zu Long and Shi Qilin respectively.

Zhu Long?

During the Journey to the West,

Zhu Long submitted to him,

Su Chen was forced to leave the prehistoric fairyland, and Zhu Long handed over tens of millions of dragon troops to him.

During the Three Clans period,

Su Chen was a member of the Phoenix Clan and the Bird Clan,

He and Zhu Long were in opposing forces,

Su Chen could keep Zhu Long alive in the Three Clans War, and he would not have good intentions towards other dragons.

However,

If Zhu Long wanted to die,

Su Chen did not mind killing Zhu Long during this period.

"Nannan, take back the Heavenly Spirit Pearl, and we will return to the Lingxi Lake."

"Okay, brother."

Nannan waved her hand to take back the Heavenly Spirit Pearl in Tianmai Mountain,

Heavenly Spirit Pearl?

Top-grade innate spiritual treasure,

Su Chen has a set of heavenly spiritual pearls,

Twelve beads strung together form a chaotic spiritual treasure,

Nannan asked Su Chen what he wanted to take with him. On her wrist, she liked the exquisite Tianlingzhu bracelet very much.

"Brother, don't we care about the outcome here? Don't we ask Luohou if he has collected enough blood evil energy?"

Su Chen looked at Luohou on the Black Mountain and said,

"No, Zhulong and the Five-Colored Kirin dare not stop the war."

"As for Luohou?"

"The idiot said that he needed 40 million lives of blood evil energy."

"There are 60 million lives of the two tribes here. Luohou collected a lot of blood evil energy during the fierce beast period. He can collect enough blood evil energy this time, and the Zhuxian Sword Formation will be repaired in a short time."

Nannan nodded,

Luohou?

Luohou is the key to killing the Chaos Demon God. Brother wants to let Luohou and Hongjun kill him first.

The Zhuxian Sword Formation can kill one or two Chaos Demon Gods,

Finally,

Luo Hou was forced to self-destruct by Hongjun breaking the Zhuxian Sword Formation, and his brother appeared again to kill Hongjun and the remaining Chaos Demon Gods.

The three tribes started a war,

his brother might not intervene,

the three tribes were destined to withdraw from the prehistoric fairyland, and his brother just had to ensure that Li Ge and the other girls would not die.

"Let's leave."

Su Chen disappeared in the air holding Nannan,

he also had to inform Li Ge,

the dragon tribe and the Qilin tribe had a war in Tianmai Mountain, and he was worried that Feng Zu would not be able to resist launching a war against the dragon tribe or the Qilin tribe.

the arrogant woman could not resist launching a war,

the alliance between the dragon tribe and the Qilin tribe was broken this time, and Feng Zu might not give up this opportunity.

"Did the old bitch leave?"

On the Black Mountain,

Luo Hou found that Su Chen and Nan Nan had disappeared,

He showed a cold and icy look.

It will be soon, (to read the exciting novels, go to [Flylu Novel Network!](#))

As long as the blood evil energy is collected enough,

In less than two or three years,

the Zhuxian Sword Formation can be repaired,

When the time comes,

whether it is Hongjun and Yang Mei, the Chaos Demon Gods,

or Su Chen and Nan Nan,

Luo Hou will not let them go, and those who hinder him from advancing to the Hunyuan Daluo Jinxian will die.

One year later,

Tianyin Star,

Wangshu and Dragon Mother were sitting under the laurel tree drinking tea,

One year ago,

They had heard about the bloody war between the Dragon Clan and the Qilin Clan in Tianmai Mountain, and they also knew that Su Chen was the mastermind behind it.

Dragon Mother drank tea and asked, "Wangshu, what do you think is the purpose of Su Chen's doing this? To help the Phoenix Clan?"

Wangshu shook his head and replied, []

"No, if Su Chen helps the Phoenix Clan, he can kill three quasi-saints in the clan by himself. I don't understand Su Chen. Is he a Chaos Demon God? Or a black bird from the bird clan? I still don't understand it."

"That's right. Over the years, I haven't figured out Su Chen's identity. Su Chen has been staying at the Lingxi Lake where no one is going to shit, and has not gone to the Phoenix Clan. I am also very confused about Su Chen."

.....0

Dragon Mother feels that Su Chen is more and more weird,

She felt that Su Chen was planning something,

But she couldn't find any clues,

Helping the Phoenix Clan?

It seems not,

Why did Su Chen become the enemy of the Chaos Demon God?

Rahu?

Why did the Lustful Demon Envoy become Su Chen's subordinate? Did Su Chen secretly form an alliance with Rahu?

Wangshu asked curiously, "Dragon Mother, do the Dragon Clan and the Qilin Clan plan to surround and kill Su Chen?"

Dragon Mother touched her fair chin and shook her head,

"No, Zulong doesn't dare."

"Su Chen is equivalent to three Chaos Demon Gods. Su Chen's sister is also a quasi-saint. Hongjun doesn't dare to make a move. Before Zulong is fully sure, he doesn't dare to make a move on Su Chen's brother and sister."

Wangshu poured laurel tea for Dragon Mother,

She felt that something big was going to happen,

Su Chen first offended Hongjun and the Chaos Demon Gods, and then offended the Dragon Clan and the Qilin Clan a year ago.

Su Chen was too suicidal,

Wangshu was worried that the Chaos Demon God and the two clans would unite to surround and kill Su Chen,

Ten quasi-saints surrounded and killed Su Chen and Nannan,

Wangshu felt horrified just thinking about it.

[No, I have to go to Lingxi Lake to meet Su Chen and ask about the bellyband. If Su Chen dies, I won't know why Su Chen has the same bellyband as hers. ]

Wangshu thought for a while and asked the Dragon Mother,

"Dragon Mother, if the Chaos Demon God unites with the Dragon Clan and the Qilin to surround and kill Su Chen, will you take action at that time?"

"Wangshu, how long do you want me to take action to surround and kill Su Chen?"

Chapter 3266

The Dragon Mother looked at Wangshu with amusement.

Over the years,

Wangshu was very concerned about Su Chen's affairs, and every time he contacted her, it was for Su Chen.

The Dragon Mother guessed that Wangshu and Su Chen had a relationship,

There must be a secret between them.

Wangshu said with an unnatural expression, "You can do whatever you want."

The Dragon Mother stretched out her plump body and said, "Don't worry, I won't surround and kill Su Chen with those people."

"Aren't you worried that Zulong will force you?"

"Don't worry, Zulong doesn't dare to force me at this time, she is even worried that I will be killed."

The Dragon Mother laughed at herself,

She is a quasi-saint,

and the most powerful creature in the prehistoric fairyland, but she has been coerced by Zulong to be used as a pawn.

The Dragon Mother lived very depressed for several Huiyuan,

very cowardly.

Since Su Chen appeared,

She figured it out,

Her people were all bewitched by the Ancestral Dragon,

The Golden Holy Dragon Clan no longer obeyed her orders and ignored her, the Dragon Mother,

Golden Holy Dragon?

The Dragon Mother decided to give up her race,<sup>16</sup>

Since the Golden Holy Dragon Clan was alienated from her, the Dragon Mother would not be coerced by the Ancestral Dragon for the sake of her race,

The Dragon Mother would live for herself in the future,

She would no longer belong to the Dragon Clan,

She would announce her withdrawal from the Dragon Clan as soon as possible.

"Ah~"

Wangshu sighed and said,

"You are the same as me. Although we are both strong, we don't want to get involved in cause and effect, but cause and effect cannot be avoided. I have been uneasy recently, and it seems that something big is going to happen."

The Dragon Mother hurriedly reminded, "Something big is happening? Wangshu, the Heavenly Dao is about to be born, and the Chaos Demon God is also going to attack Su Chen. You'd better not get involved in cause and effect."

"I understand, but can I avoid cause and effect?"

Wangshu shook his head helplessly,

The prehistoric fairy world is becoming more and more chaotic,

The three tribes are fighting for hegemony, the Chaos Demon God is disrupting the situation, Luohou is making trouble, and Su Chen is constantly committing suicide.

For these,

Wangshu doesn't want to participate,

But will the many quasi-saints let her stay out of it?

Wangshu guessed that she might be forced to participate in cause and effect, and she felt that she would perish in cause and effect.

"Hmm?"

Wangshu and Longmu Tian suddenly looked at the starry sky,

There is a strong man coming,

Who will come to Taiyin Star?

After a while,

Longmu sensed the breath and said in surprise, "Hongjun? Why would Hongjun come to Taiyin Star?"

Wangshu said with a cold face, "I'm afraid he is not here with good intentions."

"He is not here with good intentions? Is he here to kill Su Chen?"

"It's almost certain."

"Wangshu, what are you going to do?"

"Let's see later."

After a while,

Hongjun appeared next to the laurel tree,

He nodded to Wangshu and Longmu, "I came here uninvited, please come to Fairy Wangshu. Don't be surprised, I didn't expect that the Dragon Mother was also on the Moon Star."

Wangshu called to the side, "Xihe, prepare a cushion for fellow Daoist Hongjun."

"Yes, sister. "

Xihe walked out of the palace,

She placed the prepared futon in front of the table.

There were all strong men here,

Xihe was just a worthless Taiyi Jinxian, and she didn't dare to stay and listen to the conversation of the strong men.

Hongjun looked at Xihe who was leaving in surprise,

A person with great luck?

He didn't expect that a worthless Taiyin girl would be a person with great luck. Xihe had the same luck as Emperor Jun of the Sun Star,

Will they be Taoist companions in the future?

Will they be the protagonists of the luck after the three tribes? (To read the exciting novels, go to Feilu Novel Network!)

Hongjun planned to use the Jade Disc of Creation to calculate Xihe in the future,

If Xihe was the protagonist of the luck in the future, he would calculate Xihe in advance.

Wangshu asked with a cold face, "Daoyou Hongjun, what's the matter with you coming to Taiyin Star? "

"Fairy Wangshu, I came here to ask for something."

"Please speak."

Hongjun said with a serious face, "Fairy Wangshu, you have also heard that Su Chen acted recklessly in the prehistoric fairyland, and provoked a war between the dragon and unicorn tribes more than a year ago. We are all powerful people in the prehistoric fairyland, and we also have the obligation to maintain the stability of the prehistoric fairyland."

Wangshu asked calmly, "What is the plan of fellow Daoist Hongjun?"

Hongjun stroked his beard and said, "The old Taoist plans to invite the fairies to surround and kill Su Chen together. "

The Dragon Mother drank her tea without saying anything.

She was very disdainful of Hongjun.

To protect the prehistoric fairyland?

Does she believe it?

Will the three tribes of the prehistoric fairyland believe it?

Hongjun is the Chaos Demon God.

He also wants to protect the prehistoric fairyland opened up by Pangu?[]

It's okay for Hongjun to deceive some ignorant prehistoric creatures.

The Dragon Mother and Wangshu both know Hongjun's identity.

Hongjun is shameless to say these things. Does Hongjun think they are all fools?

Wangshu shook his head and said, "No need. This palace does not participate in the affairs of the prehistoric fairyland, and does not want to be involved in karma."

"Fairy, don't you think about it?"

"I have made up my mind. "

Hongjun He took a sip of tea and said with a smile, "Fairy, I forgot to say something. Fellow Daoist Yang Mei discovered that several Chaos Demons appeared outside the Honghuang Immortal Realm. They may enter the Honghuang Immortal Realm. The fairy's Taiyin Star will be visited by the Chaos Demons first."

More than three years ago,

Yang Mei discovered the four great demons: Thunder Demon, Titan Demon, Soul Demon, and Light Demon.

The four great demons have all revived,

They have also cultivated to the quasi-saint realm,

Yang Mei has approached the four great demons. If the four great demons agree to unite with them,

At that time,

The eight great demons surrounded Su Chen and Nannan, and they could kill Su Chen and Nannan without fail,

But Hongjun had other plans,

The quasi-saints of the three tribes are strongAll will be killed after 327, but Wangshu of Taiyin Star is an exception.

Wangshu has never participated in the prehistoric disputes.

Hongjun wants to calculate all the quasi-saints who know his identity.

Wangshu will also fall in the Three Clans Period. He will not leave Wangshu to expose his identity in the future.

Wangshu asked coldly, "Hongjun, are you threatening me?"

The Dragon Mother said coldly, "Hongjun, Wangshu is my Taoist friend, I don't want you to threaten Wangshu."

Hongjun shook his head and said, "I didn't threaten Fairy Wangshu, I just reminded Fairy Wangshu that some Chaos Demon Gods are about to enter the Honghuang Immortal Realm."

Wangshu thought for a while and said,

"Hongjun, I understand what you mean, I will consider it for a year and give you an answer in a year."

"One year? Okay, I hope to hear good news in a year."

Hongjun stood up and nodded and disappeared instantly,

The purpose of his coming has been achieved,

Wangshu didn't want to be surrounded and killed by the four Thunder Demon Gods, Hongjun guessed that Wangshu would definitely agree to the alliance.

Dragon Mother asked worriedly, "Wangshu, what are you going to do?"

Wangshu smiled,

"How? I'm going to go to the Lingxi Lake."

"Hongjun threatened me with the Chaos Demon God, I can go to Su Chen to join forces, anyway, I have to participate in the cause and effect, why don't I find a strong man I like to join forces with?"

Chapter 3267

The Dragon Mother was not surprised to hear Wangshu's words.

She had previously guessed that Wangshu and Su Chen had a relationship, so it was not surprising that Wangshu went to Su Chen to form an alliance.

However,

Hongjun and the Chaos Demon God wanted to surround and kill Su Chen.

If Wangshu and Su Chen formed an alliance, the Dragon Mother was worried that Wangshu would perish in the battle between the strong.

"Wangshu, Hongjun said that a Chaos Demon God is going to enter the Honghuang Immortal Realm. I guess Hongjun is going to unite with the Chaos Demon God. If you unite with Su Chen, you may die in the war."

Wangshu said indifferently,

"It doesn't matter. Even if I don't unite with Su Chen, Hongjun will still plot against me, and I will still be at risk of dying. Since that's the case, why don't I give it a try?"

The Dragon Mother said with a complicated look, "That's right. When the catastrophe comes, we can't avoid it."

"Dragon Mother, come with me to find Su Chen. Su Chen and his sister are quasi-saints. Su Chen also has a good relationship with the Phoenix Clan. If we unite with Su Chen, there are as many as seven quasi-saints."

"Find Su Chen? Unite?"

The Dragon Mother was a little moved.

Su Chen?

She has known Su Chen for a while. Su Chen has been courting death for many years.

Among all the top powers in the prehistoric fairyland,

Except for the Phoenix Clan,

Su Chen has offended all of them.

However,

Su Chen is very powerful.

He can remain undefeated even when facing three Chaos Demon Gods alone, and he even killed the Qiankun Patriarch 373 times, almost hurting his origin.

If the Dragon Mother joins forces with Su Chen,

the Dragon Clan can't do anything to her,

she doesn't have to worry about being hunted down if she leaves the Dragon Clan.

The Dragon Mother thought for a moment and said with a firm expression, "Wangshu, I agree. Let's go to Lingxi Lake to join Su Chen."

Wangshu smiled,

"Okay, I will take my two sisters to Lingxi Lake, and Taiyin Star will be closed first."

"There is no time to lose. Let's go to Su Chen as soon as possible. I'm worried that Hongjun will figure out that we are going to find Su Chen."

"Okay, let's go to Lingxi Lake immediately."

Lingxi Lake,

Su Chen rubbed his forehead and felt very helpless,

A year ago, Feng Zu did not listen to his persuasion, and the arrogant woman insisted on attacking the Qilin tribe.

"It's a problem. If Feng Zu goes to war with the Qilin Clan, his plan will be ruined by Feng Zu. What should he do? Or should he imprison Feng Zu by the Lingxi Lake?"

Swoosh~

The Lustful Demon Envoy appeared in an instant and said, "Master, there are two creatures by the Lingxi Lake asking about the young lady."

"I know them."

Su Chen was also drunk.

A year ago,

He found Hou Tu and Xuan Ming appeared around the Lingxi Lake, and the two scumbag women were still asking about Nan Nan.

Nu Wa was brought to the Lingxi Lake by Nan Nan.

Why did Hou Tu and Xuan Ming come to the Lingxi Lake?

Why did they come to the Lingxi Lake to look for Nan Nan? Did Nan Nan meet the two women in Buzhou Mountain?

The Lustful Demon asked Su Chen while giving him a massage, "Master, do you know them?"

"I guess so."

Su Chen held the Lustful Demon in his arms,

Know?

Su Chen knew them more than anything.

He was very familiar with the two women. He had measured Hou Tu and Xuan Ming from head to toe.

"Where is Nu Wa? Is she still cultivating in the small space of time and space?"

The Lustful Demon leaned in Su Chen's arms and replied, "Master, after Nu Wa became a Daluo Jinxian, she has been cultivating the magical power of the Su Nu Heart Sutra in the small space."

"Go and inform Nan Nan, and ask her to bring Hou Tu and Xuan Ming here."

"Yes, Master."

After the Lustful Demon left,

Su Chen drank tea and thought about Hong Jun and the Chaos Demons.

It's been more than a year.

Why haven't those people from Hong Jun made any moves? Shouldn't they unite to surround and kill me?

Weird,

Too weird,

Hongjun and his men can't be indifferent, is there any conspiracy? Or are Hongjun and his men not prepared?

Four Chaos Demon Gods?

Add Luohou, (to read the exciting novel, go to Fulu Novel Network!)

If they unite with the Dragon Clan and the Qilin Clan, they will have eleven quasi-saints.

However,

The Dragon Clan and the Qilin Clan will not agree to unite with the Chaos Demon God, and Zulong and Shi Qilin will worry about being calculated by the Chaos Demon God.

They will be more worried about being used as cannon fodder,

After all, Chaos Demon Gods are all cannibals.

Swoosh~ (bhef)

Feng Zu appeared beside Su Chen in an instant, her beautiful eyes staring at Su Chen with cold eyes and very angry.

Feng Zu was preparing to attack the Qilin tribe,

She didn't expect Su Chen to object,

and asked Li Ge to persuade her to give up attacking the Qilin tribe.

Feng Zu came today to ask Su Chen to give her an explanation. If Su Chen didn't have a reason, she would not let the pervert go, and she would beat the shameless pervert severely.

Feng Zu asked coldly, "Su Chen, why don't you agree that I will attack the Qilin tribe?"

"It's not the time yet."

Su Chen shook his head at Feng Zu,

What the hell, []

A bunch of troubles,

Feng Zu's ambition to dominate the prehistoric fairy world is too big,

For the fortune of the prehistoric fairy world, Feng Zu might have wanted to go to war with the two tribes a long time ago.

Feng Zu said with a cold face,

"Why is it not the right time? The alliance between the Dragon Clan and the Kirin Clan is broken. Now is the best time to attack the Kirin Clan. As long as I destroy the Kirin Clan, I can fight the Dragon Clan with all my strength in the future."

"Feng Zu, something big is going to happen in the next few years. It is not the time to start the war between the three clans. Don't ask me. I won't tell you. You will understand everything in three to five years at most."

"Big thing? Why don't you tell me?"

Feng Zu stared at Su Chen in confusion,

She felt that Su Chen was not lying,

Big thing?

Honghuang XianHow could there be any other major events in the world besides the war between the three tribes?

Su Chen poured tea for Feng Zu and said, "Feng Zu, don't ask so many questions. You can prepare for the war between the three tribes in the next few years. After the big event, I will no longer stop you from going to war with the Qilin tribe."

"Su Chen, I will trust you again. If you dare to deceive me, I will never let you go."

"Arrogant woman."

"Shameless bastard."

Su Chen looked at Feng Zu's curvy figure and smiled, "Feng Zu, there is a hot spring with good spiritual energy on the bank of Lingxi Lake. Why don't we go to soak in the hot spring."

Feng Zu glared at Su Chen angrily and shouted, "Do you want to die?"

Soak in a hot spring?

Damn pervert,

Su Chen has harmed Li Ge,

Feng Zu didn't expect Su Chen to have improper thoughts about her. She couldn't help but want to pinch Su Chen to death.

And Li Ge,

A fool,

Say something for the future of the Xuanniao clan,

She actually wanted to give birth to a little Xuanniao,

It is difficult for a quasi-saint to have offspring, maybe not at all, doesn't Li Ge know that?

Feng Zu suddenly thought of herself,

If she and Su Chen became Taoist partners, would their child be a Xuanniao? Or would it be a phoenix?

Feng Zu hurriedly shook his head,

How could she become a Taoist partner with a shameless bastard,

She would never have a child with a shameless bastard.

Su Chen suddenly looked up into the air and asked in confusion, "Huh? The aura of Wangshu and Dragon Mother, how could they come to the Lingxi Lake?".

Chapter 3268

"Wangshu? Dragon Mother? Su Chen, do you know them?" Feng Zu stared at Su Chen with a bad look.

Wangshu is the fairy of Taiyin Star,

and a quasi-saint.

It doesn't matter that Su Chen knows Wangshu, after all, Wangshu has never participated in the affairs of the prehistoric fairyland.

But Dragon Mother is different.

Dragon Mother is one of the three quasi-saints of the dragon clan,

and also the enemy of the Phoenix clan.

If Su Chen dares to collude with Dragon Mother, Feng Zu will beat Su Chen to death in anger.

Su Chen touched his chin and replied, "I met them once."

"Su Chen, let's work together to kill the Dragon Mother. The Dragon Mother has fallen into a trap this time. We can't let her leave alive."

"Kill the Dragon Mother?"

Feng Zu stared at Su Chen fiercely and asked, "Well? You don't want to kill the Dragon Mother?"

Su Chen shook his head.

Feng Zu is worthy of being the king of the Phoenix Clan and the Bird Clan. He is decisive in killing and will weaken the hostile forces when he has the chance.

But,

Doesn't Feng Zu think about why the Dragon Mother dared to come to see him?

The strong men in the prehistoric fairy world all know his relationship with the Phoenix Clan. Would the Dragon Mother be stupid enough not to know?

"Feng Zu, do you know about the Dragon Mother?"

Feng Zu asked in confusion, "Dragon Mother? What about the Dragon Mother?"

Su Chen rubbed his forehead and asked speechlessly, "Have you never collected intelligence on the Dragon Clan? The Dragon Mother and the Ancestral Dragon are at odds with each other, and they are even mortal enemies. You have never heard of it?"

Feng Zu asked in shock, "What did you say? The Dragon Mother and the Ancestral Dragon are at odds with each other? They are even mortal enemies? How is it possible? How come such an important thing has not been spread out?"

Su Chen pouted and mocked,

"Spread out? Are you an idiot? Will the Dragon Clan let this be spread out?"

"Feng Zu, you are really useless. Wangshu knows about the Dragon Mother. As the patriarch of the Phoenix Clan and the king of the Bird Clan, you don't know anything about such an important thing."

Feng Zu was so angry that he shouted, "Asshole, you are the idiot."

Idiot?

Is she an idiot?

If Feng Zu is an idiot,

Can she lead hundreds of billions of birds? Can she make those unruly birds in the bird tribe submit to her?

Damn bastard,

Feng Zu really wants to beat Su Chen up once,

Su Chen either teases her or ridicules her, the shameless bastard is just a poisonous-tongued stupid bird.

But,

Does the Dragon Mother and the Ancestral Dragon not get along?

Or are they enemies?

She really doesn't know anything.

The Phoenix Clan only knows the important strong men of the Dragon Clan, and has not investigated the conflicts in the Dragon Clan.

Feng Zu wants to change this,

She wants to arrange people to investigate the internal conflicts between the Dragon Clan and the Qilin Clan. After she understands it, she may be able to use the internal conflicts to calculate the split of the Dragon Clan and the Qilin Clan and cause a civil war.

Su Chen smiled and took out two cushions.

Wangshu and Dragon Mother would not come to the temple for no reason, not to mention that the Chaos Demon God wanted to surround and kill him. The news spread, and Su Chen guessed that Wangshu and Dragon Mother had something to tell him.

Swoosh~

At this time,

Wangshu brought Changxi, Xihe and Dragon Mother, and they appeared next to Su Chen.

Dragon Mother looked at Feng Zu and sneered, "I didn't expect Feng Zu to be at the Lingxi Lake. Feng Zu, aren't you going to attack the Qilin tribe? Why are you leisurely drinking tea here?"

Su Chen was very confused,

Changxi and Xihe?

Why did Wangshu bring them to him?

What the hell

Su Chen didn't want to find his women for this trial mission,

His women were all scum during the Three Tribes period,

Not only could the women not help him, but they might also perish. For their safety, Su Chen didn't go to see them.

Now,

Nuwa was brought by Nannan,

Hou Tu and Xuan Ming followed,

Chang Xi and Xi He were brought by Wang Shu,

Where is the Queen Mother of the West?

Where is the Queen Mother?

Will they come too?

Feng Zu said coldly, "Dragon Mother, aren't you worried that I will kill you?"

"Will you?" (To read the novel, go to [Faloo Novel Network](#)!)

"Hmph."

Feng Zu snorted coldly and said nothing,

If she hadn't heard Su Chen's words, Feng Zu would have killed Dragon Mother without saying a word.

Su Chen glanced at Feng Zu and said, "Dragon Mother, Wang Shu, please sit down."

"Thank you!"

Wang Shu and Dragon Mother sat down one after another,

Chang Xi and Xi He stood behind Wang Shu.

They looked at Su Chen with great curiosity.

Wangshu said that Su Chen was very powerful. He remained undefeated against three quasi-saints and almost killed the Qiankun Patriarch. Su Chen could be said to be the strongest person in the prehistoric fairyland.

However,

They found that Su Chen had no cultivation at all.

Su Chen seemed to be an ordinary creature without cultivation.....

And Feng Zu,

a peerless beauty,

and the strongest woman in the prehistoric fairyland,[]

Why was Feng Zu here with Su Chen?

What was the relationship between Su Chen and Feng Zu? Changxi and Xihe were very interested in these.

Su Chen poured tea for the three women and asked, "Wangshu, Dragon Mother, what are you doing here?"

Wangshu said without hiding, "Su Chen, we are here to unite with you."

"Unite? Wangshu, don't you want to not participate in the cause and effect of the prehistoric fairyland? Why do you want to unite with me?"

"I have no choice. If I don't unite with you, I may perish."

Su Chen smiled and said, "I thought you had feelings for me, so you wanted to unite with me."

"You are so shameless."

Wangshu glanced at Su Chen coldly,

Feelings for Su Chen?

Does she have feelings for Su Chen?

Wangshu must have a grudge against Su Chen. She has not forgotten that Su Chen has the same bellyband as hers.

Feng Zu shouted angrily, "Su Chen, is it shameful? You have disgraced the bird tribe. "

The Dragon Mother shook her head speechlessly,

She had some understanding of Su Chen,

but she did not expect Su Chen to be so shameless.

Those who practice Taoism almost all give up lust and practice Taoism, without any love between men and women.

Su Chen, on the other hand,

flirts with beautiful women whenever he sees them,

The Dragon Mother guessed that Su Chen was a lustful Taoist.

Su Chen said awkwardly, "I was just joking, Wangshu, tell me why you want to join forces with me?"

Wangshu stroked his hair helplessly and said,

"Hongjun had approached me before and invited me to join him in killing you. If I disagreed, those powerful men of Hongjun would not let me go. I had no choice but to join forces with you. "

"Also, there is a Chaos God coming from outside the Honghuang Immortal Realm. Yang Mei should go to meet the Chaos God. You have to be careful that Hongjun and others will join forces with other Chaos Gods to kill you."

Dragon Mother said while drinking tea, "Su Chen, there may be more than one Chaos God coming from outside the Honghuang Immortal Realm. Wangshu and I will join forces with you, and we still have a chance to defeat them."

Su Chen understood,

No wonder Hongjun and his people have not come to kill him,

It turns out that there is a Chaos God coming to the Honghuang Immortal Realm, and Hongjun will definitely contact other Chaos Gods to kill him..

Chapter 3269

Feng Zu was very shocked.

There are still Chaos Demon Gods outside the Honghuang Immortal Realm? Dragon Mother probably meant more than one or two Chaos Demon Gods.

Trouble,

Su Chen is really in trouble this time.

Hongjun, Yang Mei, Qiankun, Yinyang, these are already four Chaos Demon Gods.

If Yang Mei talks about Chaos Demon Gods outside the domain,

Su Chen will have to face six or seven Chaos Demon Gods besieging him, and there may be seven or eight Chaos Demon Gods besieging him.

Su Chen has only one Quasi Saint by his side.

With Wangshu and Dragon Mother,

Su Chen also has only three Quasi Saint helpers. The power of Chaos Demon God is not something that a Honghuang Quasi Saint can defeat.

Feng Zu, Xuanniao, and Qingying cannot help Su Chen completely.

After all, they still have to guard against the Dragon Clan and the Qilin Clan.

Feng Zu thought for a while and asked, "Su Chen, what are you going to do?"

Su Chen took a sip of tea and said, "What to do? If the enemy comes, I will fight him. If the water comes, I will cover it with earth. If the Chaos Demon God dares to surround and kill me, I will annihilate them all."

Feng Zu shouted angrily,

"Will you die if you don't act arrogantly?"

"There will be at least six or seven Chaos Demon Gods. You can fight against three Chaos Demon Gods. Nannan, Wangshu, Dragon Mother, plus Xuanniao Lige, they can fight against two Chaos

Demon Gods together. If there are one or two more Chaos Demon Gods, you will all be surrounded and killed."

Wangshu and Dragon Mother nodded beside them,

Feng Zu was right,

Su Chen was powerful,

He could fight against three Chaos Demon Gods and remain undefeated,

Wangshu and Dragon Mother, plus Su Chen's sister and Xuanniao, they can only force two Chaos Demon Gods together.

After all, the Chaos Demon Gods are very terrifying.

It is their limit for two people to contain one Chaos Demon God. They may not be the opponent of the Chaos Demon God.

Su Chen smiled and asked, "Feng Zu, you and Qingying are not going to help me?"

Feng Zu said with a heaving chest,

"Can I help you?"

"If you are surrounded and killed by the Chaos Demon God, the Dragon Clan and the Qilin Clan will definitely force me. Xuanniao Lige will help you. If I let Qingying help you, will I be a match for the five quasi-saints?"

Su Chen nodded.

Feng Zu is right.

The Dragon Clan and the Qilin Clan will not cooperate with the Chaos Demon God, but they will not let Feng Zu's three daughters help him.

As long as the Chaos Demon God starts to surround and kill him,

The Dragon Clan and the Qilin Clan will definitely force Feng Zu.

However,

Feng Zu, Wang Shu, and the three daughters of the Dragon Mother still underestimated him.

They even underestimated Nan Nan.

Nan Nan alone could kill three Chaos Demon Gods,

Even if he was surrounded by six or seven Chaos Demon Gods, Su Chen could still kill them.

Besides,

The main force this time is Luo Hou,

Su Chen will kill the Chaos Demon God outside the domain,

As for Hong Jun, Yang Mei and the other four Chaos Demon Gods, Su Chen will let them perish together with Luo Hou.

Hong Jun and the fourThere are still people alive,

He can also kill them in the end.

Changxi sent a message to Xihe, [Sister, is Su Chen going to die? ]

[Maybe. ]

Xihe stared at Su Chen and couldn't figure it out.

Su Chen was about to be surrounded by six or seven Chaos Demon Gods, why didn't she see Su Chen's panic and fear?

And Wangshu,

Why did Wangshu want to join forces with Su Chen?

Su Chen obviously has no advantage against the Chaos Demon Gods, and may be surrounded and killed by them.

Wouldn't Wangshu's alliance with Su Chen be a way to his own death?

Changxi said worriedly, [Sister, we should persuade Sister Wangshu not to join forces with Su Chen. I'm worried that Sister Wangshu will perish. ]

[No need, Sister Wangshu knows what to do. Besides, Hongjun wants to plot against Sister Wangshu. Apart from joining forces with Su Chen, no other strong person will join forces with Sister Wangshu. ]

[That's true. Hongjun is too abominable. Sister Wangshu has never participated in the struggle of the prehistoric fairyland, but Hongjun actually plotted against Sister Wangshu. ]

[Changxi, this is the prehistoric world. It's not that you won't get away from it if you don't get involved in the cause and effect. Some conspirators won't let the strong stay out of the war. ]

[I understand, sister. ]

Changxi nodded,

She also knew the cruelty of the prehistoric fairyland,

Just like the war between the three races,

Some races can't help but want to participate. (To read the exciting novels, go to Flylu Novel Network!)

However,

The tribes in the prehistoric fairyland are divided into three huge tribes,

The flying tribe led by Phoenix Ancestor, the scaled tribe led by Zulong, and the beast tribe led by Shi Qilin.

The three tribes are clearly divided,

The birds in the sky belong to the flying tribe.

The creatures in the sea and rivers belong to the scaled tribe.

The creatures on the prehistoric land belong to the beast tribe.

Some small tribes just don't want to join the big tribes and don't want to participate in the war, so they will be slaughtered by other tribes.

Wangshu frowned and asked, "Su Chen, how are you going to deal with this crisis?"

Su Chen poured tea for the three women and said, "Don't worry, I'm well prepared."

Dragon Mother asked in surprise, ".Prepared? Su Chen, you haven't been calculating the Chaos Demon God for a long time, right?"

"You are really smart."

"Tell us your calculations."

"It's not the time yet."

Dragon Mother shouted angrily, "You are such a bastard, we have all joined forces with you, why don't you tell us your calculations?"[]

Su Chen looked at Dragon Mother with his eyes wide open,

Dragon Mother was so angry that her chest was so proud, he didn't expect that Dragon Mother was also very secretive.

Dragon Mother's chest kept rising and falling,

She wouldn't burst her dress in anger, would she?

Feng Zu's face turned black and he shouted angrily, "Su Chen, do you want to die? It's already this time, can't you stop being lustful?"

"Shameless bastard, I wish I could crush you to death."

Long Mu found that Su Chen was staring atShe stood up in shame and anger and wanted to kill Su Chen.

Too shameless,

Dragon Mother didn't expect Su Chen to be so shameless,

Staring at her chest?

And he didn't even blink (Zhao Zhao).

If the dress Dragon Mother wore wasn't a magic treasure, she guessed that Su Chen would have seen her naked body.

Wangshu shook his head,

She was very speechless about Su Chen,

The spiritual beings in the prehistoric fairyland are not lustful, and the more powerful the beings are, the less interested they are in lust.

Su Chen is a special case,

A quasi-saint,

He hasn't practiced in seclusion in these years,

Su Chen hangs out with some scumbag female spirits all day long, and Wangshu's face darkened several times when he checked on Su Chen and he wanted to pinch Su Chen to death.

"Ahem~ Drink tea, everyone drink tea."

Su Chen pretended to cough awkwardly,

What a Danfu,

This time he was embarrassed,

He was attracted by the proud mountain of the Dragon Mother,

Su Chen forgot that these women were all quasi-saints, not the scumbag women in the previous trial world.

Phoenix Ancestor stared at Su Chen coldly and threatened, "Su Chen, if you dare to embarrass the bird clan again, I will make you look good."

Chapter 3270

Su Chen glanced at Feng Zu,

Is it embarrassing again?

Is it embarrassing for him to look at the proud body of the Dragon Mother?

Feng Zu is also meddling in other people's business,

Teach him a lesson?

Su Chen can suppress the arrogant Feng Zu with one hand. Doesn't the arrogant girl know that she is not his opponent?

Swoosh~

At this time,

Nan Nan brought Hou Tu and Xuan Ming here~.

Hou Tu and Xuan Ming didn't expect that there would be four quasi-saints here. They were even more curious about Su Chen.

Su Chen said with a headache, "Nannan, take them to Nuwa and let them practice in the small space."

Hou Tu and Xuan Ming arrived,

Su Chen didn't have time to take care of them now,

Nuwa practiced in the small space to the Golden Immortal, Hou Tu and Xuan Ming are here, Su Chen will also teach them the practice method, and provide resources for them to grow up as soon as possible.

"Okay brother."

Nannan nodded to Su Chen,

She didn't look at Feng Zu and Wang Shu, the three daughters of Dragon Mother, and she was not interested in Feng Zu's three daughters.

Wang Shu hurriedly said, "Wait, Su Chen, let your sister take my two sisters to practice in the small space."

Su Chen agreed without hesitation, "Okay, Chang Xi, Xi He, you and my sister will also go to the small space to practice."

After Chang Xi and Xi He looked at Wang Shu, they followed Nannan and the three daughters and left together.

Feng Zu asked doubtfully, "Su Chen, are the two female spirits your sister brought from the Wu clan?"

"Yes."

"Why did you bring them here?"

Su Chen shook his head and lied, "It's not me. They know my sister and followed my sister to the Lingxi Lake. My sister just brought them here."

"Hmph, I don't believe it."

Feng Zu didn't believe what Su Chen said.

She felt that Su Chen knew Hou Tu and Xuan Ming.

Su Chen was a pervert.

Although Hou Tu and Xuan Ming were scum creatures,

they were both extremely beautiful. Feng Zu guessed that Su Chen had dirty thoughts about Hou Tu and Xuan Ming.

Su Chen smiled and said, "I believe it."

"You are so shameless."

"You are so sexy."

"Su Chen, will you die if you don't be a bastard?"

"No."

Feng Zu was so angry that he yelled, "If you don't, shut up."

Su Chen drank tea and didn't want to pay attention to Feng Zu.

Why does Feng Zu want to control everything?

Is she his Taoist partner?

"Dragon Mother, Wangshu, you stay at the Lingxi Lake. If you need anything, you can find my maid, the Lustful Demon Envoy."

Wangshu nodded and asked, "Okay, Su Chen, what is your relationship with Luohou?"

"You will know later."

Dragon Mother stared at Su Chen and asked, "Why don't you tell me now?"

Su Chen shook his head and said, "It's not the right time yet. Don't worry, Luohou and I don't have much to do with each other."

Feng Zu reminded Su Chen,

"YouIt's best not to have anything to do with the Chaos Demon God."

"The Great Heavenly Dao is about to be born. Any creature that has anything to do with the Chaos Demon God will either be expelled or annihilated. I don't want to see you killed by the Great Heavenly Dao."

Wangshu nodded and said, "Yes, Su Chen, you must not form an alliance with Luo Hou."

"I know, you don't have to worry."

Su Chen touched his chin and looked at the Great Heavenly Dao.

The Great Heavenly Dao is about to be born.

Is the Great Heavenly Dao of the Three Clans period related to Pangu? Will a trace of Pangu's soul be hidden in the Great Heavenly Dao?

Su Chen can't figure it out now.

He doesn't want Pangu to exist in the Three Clans period.

"You're on your own. "

Feng Zu said and disappeared in an instant.

Her plan was disrupted by Su Chen.

The plan to attack the Qilin tribe had to be cancelled.

As soon as the Chaos Demon God began to surround and kill Su Chen, Zulong and Shi Qilin would definitely intercept her. Feng Zu had to find a way to help Su Chen survive the catastrophe.

Five years later,

Yujing Mountain Hongjun Dojo, (to read the exciting novel, go to Faloo Novel Network!)

Hongjun, Yang Mei, Qiankun, Yinyang, and the Thunder Demon God, Titan Demon God, Light Demon God, Soul Demon God, and the eight Chaos Demon Gods who came from outside the domain to the Honghuang Immortal Realm were talking together.

The Soul Demon God asked coldly, "Hongjun, is the Su Chen you are talking about the Chaos Demon God? "

Hongjun shook his head and replied,

"Not sure, Su Chen has the aura of the Chaos Demon God, he may be the Chaos Bird, but Su Chen knows the laws of space and time, we are not sure whether he is the Chaos Bird. "

The four soul demons looked at each other,

They didn't know if what Hongjun and the other four said was true, but Hongjun's plan made them very excited.

Honghuang Heavenly Dao is about to be born,

0Seeking flowers0

If they cooperate with Hongjun and the other four, there is a 50% chance that they can get Heavenly Dao merit.

With Heavenly Dao merit,

There is also a chance that Honghuang Heavenly Dao will not expel them when it is born, and they have a 50% chance of staying in Honghuang Immortal Realm.

[Lei Ting, do we agree to Hongjun?]

[Agree, what Hongjun and the other four said is very tempting. If we cooperate with Hongjun and the other four and can get Heavenly Dao merit, we have a 50% chance of staying in Hong Desolate Immortal Realm. ]

[Lei Ting is right. Desolate Immortal Realm is a top-level world. We can advance to Chaos Daluo Jinxian as soon as possible if we stay in Desolate Immortal Realm. ]

[I agree. We have four Chaos Demon Gods. Hongjun and his four people dare not deceive us. ] []

[Where is Su Chen? Titan Demon God, should we help Hongjun and his four people kill Su Chen? ]

[Su Chen is probably also a Chaos Demon God, otherwise the three Qiankun people would not be able to surround and kill Su Chen. Su Chen is also a threat to us. We can help Hongjun and his four people surround and kill Su Chen. ]

[Okay, since we have decided to help Hongjun and his four people, we will help them surround and kill Su Chen. ]

Thunder Demon God, Soul Demon God, Titan Demon God, Light Demon God, after talking with their souls, they decided to unite with Hongjun and the other four.

Whether it was for the merits of Heaven,

or to kill Su Chen,

this was very beneficial to them.

They did not want to be threatened by Su Chen. Su Chen could face Yang Mei and the other three undefeated. They were also worried that Su Chen would kill them in the future and take away their Chaos Origin.

The Soul Demon God said, "Hongjun, we will also unite and agree to surround and kill Su Chen."

Hongjun stroked his beard and smiled, "Okay, if Luohou agrees to unite with us, we can go to surround and kill Su Chen."

Yang Mei, Qiankun, Yin Yang all nodded.

The four Soul Demon Gods agreed to unite with them. It was a sure thing for the eight Chaos Demon Gods to surround and kill Su Chen.

Su Chen was too threatening to them.

They would not let Su Chen ruin their plans.

The Titan Demon frowned and asked, "Rahu? Rahu is very arrogant. Will he agree to join forces with us?"

"Yes, Su Chen is not only a huge threat to us, but also to Rahu. Rahu will not let Su Chen go. I believe that Rahu will join forces with us to kill Su Chen."
