Chapter 3271

Hongjun believes that Luohou will agree to surround and kill Su Chen.

Su Chen is too powerful,

The three Chaos Demon Gods cannot surround and kill Su Chen,

Luohou wants to dominate the prehistoric fairyland,

Su Chen is an insurmountable obstacle, and Luohou probably wants to kill Su Chen a long time ago.

The Thunder Demon God asked, "Hongjun, since you are sure to convince Luohou, when will we surround and kill Su Chen?"

Hongjun thought for a while and said,

"Luohou has not replied yet, but it won't be long before Luohou agrees. Let's wait for a while."

"Okay, let's wait for a while."

After the Thunder Demon God and the others looked at each other, they all agreed to wait and surround and kill Su Chen,

After all, with one more Luohou,

it would be much easier for them to surround and kill Su Chen.

Yang Mei, Qian Kun, Yin Yang looked at Hong Jun with bright eyes,

Hong Jun's eloquence was good,

Yang Mei said that he had talked with the four Thunder Demon Gods for more than a year, and none of them agreed to join forces.

Hong Jun only talked for a few months,

The four Thunder Demon Gods agreed to join forces.

They were all wary of Hong Jun, and they were more worried that Hong Jun would plot against them. After all, the merits of the Heavenly Dao were very precious and were of vital importance to them, the Chaos Demon Gods.

In the west of Hong Huang,

Mount Xumi,

Luo Hou had been thinking,

He had been sitting on the top of the mountain for almost two years, and Luo Hou had been unable to decide whether to join forces with Hong Jun to kill Su Chen.

Join forces?

Kill Su Chen?

Luo Hou wanted to kill Su Chen,

But could Hong Jun's words be believed?

The Chaos Demon Gods are all ruthless and ruthless. Luo Hou did not believe a word of Hong Jun's words.

Although he has always been wary of Su Chen,

However,

He has also learned something about Su Chen over the years.

Although that bastard Su Chen has always mocked and scolded him, Su Chen does not seem to be a Chaos Demon God who betrays his allies.

It's just that

Su Chen is too powerful.

His sister is also very powerful.

Luo Hou wants to unify the prehistoric world.

Su Chen is a big obstacle.

He has to worry that Su Chen will compete with him for the destiny of the prehistoric fairyland.

He is even more worried that after destroying Hong Jun and the Chaos Demon Gods, Su Chen will eventually destroy him as well.

Luo Hou rubbed his forehead and whispered, "It's a dead end. Join forces to kill Su Chen? Hongjun will kill him. Don't join forces to kill Su Chen? After Su Chen kills Hongjun and the Chaos Demon Gods, he will also kill himself."

Swoosh~

Luo Hou disappeared instantly.

He wanted to test Su Chen.

If Su Chen was worthy of his trust, Luo Hou would not join forces with Hongjun and the other four to kill Su Chen.

Beside Lingxi Lake,

Su Chen, Wangshu, and Longmu were still drinking tea together.

They were all silent.

Su Chen didn't know what to say to the two women, and Wangshu and Longmu didn't want to deal with the shameless Su Chen.

Su Chen drank tea and looked at the two women.

Wangshu and Dragon Mother were also ruthless.

It was almost a day.

Although immortals had no concept of time, the two women were not practicing or meditating.

They were sitting with him.

The two women kept silent.

Aren't they afraid of being suffocated?

Su Chen pretended to cough, "Ahem, I say, why don't you go to the small space to practice?"

Dragon Mother stared at Su Chen and said, "Why? Are you idle and we are uncomfortable next to you?"

"No, I'm just worried that you will be bored."

"Will immortals be bored? We won't be bored even if we sit like this for a thousand years."

"Okay, whatever you want."

Su Chen had nothing to say.

A thousand years? (To read the exciting novels, go to Faloo Novel Network!)

He believed what Dragon Mother said,

Immortals can sit still and not talk for a thousand years,

But he can't,

Su Chen is still used to human life,

He doesn't even want to practice in seclusion for a hundred years, let alone sit still for a thousand years.

Dragon Mother and Wangshu looked at each other,

They didn't want to sit here with Su Chen either,

It's just that,

Before Feng Zu left, he asked them to watch Su Chen,

Su Chen would always do something stupid and make trouble,

They didn't want Su Chen to do something stupid and make trouble when he was threatened by the Chaos Demon God.

"Hmm?"

Su Chen suddenly looked to the west,

Rahu?

Why did Rahu come at this time? []

Shouldn't he be with Hongjun? Shouldn't they discuss how to surround and kill him?

Wangshu asked in confusion, "What's wrong?"

Su Chen touched his chin and said, "Luo Hou is coming, you should stay away first."

"What if we don't leave?"

The Dragon Mother didn't plan to leave.

She was worried that Su Chen would unite with Luo Hou.

Luo Hou was the Chaos Demon God.

After the birth of Honghuang Tiandao, he would expel or destroy the Chaos Demon God.

If Su Chen colluded with the Chaos Demon God, Honghuang Tiandao would not let Su Chen go.

The Dragon Mother and Wangshu had already united with Su Chen.

She would not let Su Chen implicate them.

They would not allow Su Chen to unite with Luo Hou.

Su Chen thought for a moment and said, "I can hide you in the space prison. As long as you don't come out, Luo Hou won't be able to find you."

"Okay."

Long Mu and Wang Shu looked at each other and agreed.

They didn't want to face the crazy Luo Hou either, so it was good for Su Chen to hide them around.

"Space prison."

Su Chen activated the space law to hide Long Mu and Wang Shu.

As long as Long Mu and Wang Shu don't attack the space prison,

they won't be discovered by anyone inside, even if the space demon Yang Mei comes, they won't be discovered.

Swoosh~

Luo Hou appeared next to Su Chen instantly,

He was very surprised to see Su Chen drinking tea leisurely.

Hongjun and the Chaos Demon God wanted to surround and kill Su Chen. Luo Hou couldn't understand why Su Chen was not worried at all.

Su Chen drank tea and asked, "Luo Hou, what do you want to talk to me about?"

"Don't you know that Hongjun and his men are going to surround and kill you?"

"I know."

"You know? How can you not be worried at all?"

"Do I need to worry?"

Luo Hou said with a serious face,

"Su Chen, I know you are powerful. I got the news that Hongjun has contacted other Chaos Demon Gods. You are not facing four Chaos Demon Gods, but five or six. Chaos Demon God."

Su Chen asked, playing with the teacup, "What about you? Do you want to join Hongjun and others to kill me?"

"Do you want me and Hongjun to join forces to kill you?"

"You are welcome."

"Aren't you worried that I will join forces with Hongjun to kill you?"

Luo Hou couldn't figure it out.

Su Chen was too calm.

It also made him unable to see through.

Luo Hou thought Su Chen would ask him to join forces to deal with Hongjun. Why didn't Su Chen look worried at all now? Could Su Chen have a way to deal with Hongjun and the Chaos Demon Gods?

Su Chen put down the teacup and smiled, "Luo Hou, I thought you would be persuaded by Hongjun to kill me, but with your arrival, I guess you won't agree to Hongjun."

Chapter 3272

Su Chen understood after hearing what Luo Hou said.

Luo Hou knew that Hong Jun and the other four wanted to surround and kill him, and that Hong Jun wanted to join forces with other Chaos Demon Gods to surround and kill him.

However,

Luo Hou still came to see him,

Su Chen guessed that Luo Hou would not join forces with Hong Jun, and Luo Hou should still want to join forces with him.

Interesting,

After Su Chen and Yang Mei and the other three showed some strength during the fight,

He thought Luo Hou would be afraid of him.

He would also try to kill him.

Also,

Hong Jun and the other Chaos Demon Gods wanted to surround and kill him, and they would also join forces with Luo Hou to surround and kill him.

Luo Hou actually did not agree?

Is Luo Hou a fool?

Or is he worried that Hong Jun would also surround and kill him afterwards?

Luo Hou said coldly, "The ancestor has not decided to agree to Hongjun, and the ancestor has not saved you either."

Su Chen nodded and smiled, "I understand. So, did you come here just to say this?"

"Su Chen, you are very powerful, and your sister is also quite powerful, but you have to understand that there are at least six or seven Chaos Demon Gods that Hongjun has united with. Are you and your sister opponents of these Chaos Demon Gods?"

"Not sure."

"Not sure? You dare to drink tea here leisurely if you don't know?"

Su Chen curled his lips and said, "What else? Can I escape? Where can I escape to in the prehistoric fairyland? Escape to chaos?"

Luo Hou was confused for a moment,

Su Chen was right, 220

Escape?

Escape to where?

Chaos?

Su Chen is only a quasi-saint,

He can only escape to the chaos for a while. If he encounters a chaos storm, Su Chen may perish in the chaos.

"Su Chen, are you going to fight to the death?"

Su Chen nodded while drinking tea, "I guess so, Luo Hou, do you want to help me?"

Luo Hou shouted angrily, "I can't help you at all. Hongjun has united six or seven Chaos Demon Gods. My Zhuxian Sword Formation can't deal with them. How can I help you?"

"Luo Hou, I can deal with the four Chaos Demon Gods who came. How about leaving Hongjun and the other four to you?"

"You want to use me?"

"Not to use you, you also want to kill Hongjun and the other four, right? I will kill the other Chaos Demon Gods, and you use the Zhuxian Sword Formation to kill Hongjun, Yangmei, Qiankun, Yinyang, and we will both benefit. "

Luo Hou shouted angrily with a dark face,

"You want to deceive me? Hongjun, Qiankun, Yin Yang Yangmei, leave the four of them to me, you are only facing one or two Chaos Demon Gods, you and your sister can easily kill them."

Su Chen shook his head and said, "No, you are wrong, my sister and I are also facing four Chaos Demon Gods."

Luo Hou asked in surprise, "Four Chaos Demon Gods? Are there four Chaos Demon Gods coming to the Honghuang Immortal Realm?"

"Yes, there are four Chaos Demon Gods, Hongjun used the Jade Disc of Creation to hide their breath."

Su Chen had asked the system before,

He didn't expect it to be Four Chaos Demons arrived in the prehistoric fairyland.

Something changed during the Three Clans period.

Hongjun and the four Chaos Demons did not change.

Luohu did not change either.

How could there be four more Chaos Demons?

Su Chen had to go through the Three Clans War to complete the trial. Was the trial mission going to make it more difficult for him?

"What kind of Chaos Demons are they?"

Luohu was very angry at the moment.

Hongjun?

Hongjun did not reveal the four Chaos Demons that came. Did the old bastard want to kill him as well?

Luohu was very grateful.

If he had not come to see Su Chen,

Luohu would have foolishly agreed to join forces with Hongjun.

Once the battle began,

he and Su Chen would be surrounded and killed.

Eight Chaos Demons?

Luo Hou felt powerless just thinking about it.

The Immortal Execution Sword Formation only trapped the four Chaos Demon Gods, and Luo Hou might not be able to kill them. The Immortal Execution Sword Formation might be broken by the four Chaos Demon Gods.

Hongjun?

Damn old bastard,

Luo Hou wished that Hongjun would be destroyed both physically and spiritually at this moment.

Su Chen did not hide anything and said, "They are Thunder Demon, Titan Demon, Light Demon, and Soul Demon." (To read the exciting novels, go to Faloo Novel Network!)

Luo Hou breathed a sigh of relief and said, "It turned out to be them. I didn't expect that their souls also escaped the disaster and cultivated to the level of Quasi-Saint."

"Luo Hou, do you know them?"

"The scumbag Chaos Demon, (ccaf) if the ancestor recovers to the level of Hunyuan Daluo Jinxian, they will not dare to appear in front of me."

"You are pretty awesome."

"Awesome? What do you mean?"

"It means to praise your strength."

"Hmph, do you think I will believe it? You must be scolding me."

"What if I scold you?"

Luo Hou shouted angrily, "Su Chen, if you dare to mock and scold me again, the ancestor will unite with Hongjun to kill you."

Su Chen said indifferently, "You are welcome."

"You... you are also an old bastard."

Luo Hou was very helpless with Su Chen,

He wanted to kill Su Chen,

But he couldn't kill Su Chen,

Hongjun united the eight chaos demons, []

If Luo Hou didn't have Su Chen's help, he would be killed by Hongjun and the eight chaos demons sooner or later.

In the space prison,

Wangshu and Dragon Mother listened to the conversation between Su Chen and Luo Hou. They were also shocked by what Su Chen said.

Four Chaos Demons came to the prehistoric fairyland.

If Hongjun and the other four are included,

The eight Chaos Demons are united to surround and kill Su Chen. They all feel very powerless.

Dragon Mother touched her fair chin and said,

"Wangshu, why do I feel that Su Chen is deceiving Luo Hou? If Luo Hou agrees to deal with Hongjun and the other four, the remaining four Chaos Demons can be easily killed by Su Chen and us."

Wangshu showedSmiling, he said,

"Yes, Su Chen can restrain three Chaos Gods by himself. Although we are not the opponent of the remaining Chaos God, we still have the help of Su Chen's sister. The three of us should be able to kill a Chaos God together."

The Dragon Mother smiled, "Wangshu, and Xuanniao."

"That's right. You and I, plus Su Chen's sister and Xuanniao, the four of us will successfully kill a Chaos God."

"Now it depends on whether Su Chen can deceive Luohou. As long as Luohou agrees, Su Chen's crisis can be resolved."

Wangshu asked doubtfully, "Dragon Mother, do you think that if Su Chen kills the Chaos God, will he kill Luohou as well?"

The Dragon Mother frowned and said, "It's hard to say. Su Chen is too shameless and a bastard. He might really kill Luo Hou as well."

"Forget it. The Chaos Gods are extremely cruel and are still making trouble in the Honghuang Immortal Realm. If Su Chen can kill all the Chaos Demon Gods, it will be a good thing for the Honghuang Immortal Realm."

"Wangshu, let's continue listening."

"Okay."

At this moment,

Luo Hou thought for a while and said, "Su Chen, can you and your sister kill four Chaos Demon Gods?"

"I don't know. I haven't faced them. I don't know if I can kill them."

Su Chen curled his lips and didn't tell the truth.

Four Chaos Demon Gods?

He can kill four Chaos Demon Gods by himself, but can he tell Luo Hou?

"Su Chen, you didn't lie to me?".

Chapter 3273

Luo Hou did not completely believe Su Chen's words.

Su Chen could remain undefeated against Yang Mei and the other two.

If Su Chen's sister Nan Nan is included, he guessed that the four Chaos Demon Gods would not be a match for Su Chen and his sister.

Besides,

Su Chen is also a cunning old man.

Luo Hou was also worried about being tricked by Su Chen, so he had to be careful when facing Su Chen.

Su Chen narrowed his eyes and said,

"I know what you are worried about. I was surrounded by Yang Mei and the other two a few years ago. Do you think I can kill them?"

"Luo Hou, you were hiding nearby at that time."

"You should have seen that when I wanted to kill Qian Kun, Yang Mei and Yin Yang would take action in time. I was also distracted by the three Chaos Demon Gods and had no ability to kill them."

Luo Hou nodded involuntarily,

What Su Chen said was right,

He was hiding nearby at that time, and Luo Hou also saw the battle between Su Chen and Yang Mei clearly.

Every time Su Chen wanted to kill Qian Kun,

Yang Mei and Yin Yang would stop him in time, and Su Chen had no ability to kill any Chaos Demon God.

"Su Chen, the ancestor agreed. After the war, the ancestor will use the Zhuxian Sword Formation to contain Hongjun, Qiankun, Yangmei, and Yinyang. The other four Chaos Demon Gods will be killed by you and your sister."

Luo Hou thought about it and decided to cooperate with Su Chen.

Although Su Chen is also a powerful Chaos Demon God, he only has one sister.

Hongjun is different.

Hongjun is not only a conspirator, but also united with seven Chaos Demon Gods.

Hongjun is a greater threat to him.

Luo Hou does not want to be surrounded and killed by eight Chaos Demon Gods in the future. He wants to unite with Su Chen to kill Hongjun and eight people first.

As for the future,

Luo Hou has the Zhuxian Sword Formation,

He is not very worried about Su Chen.

"Okay."

Su Chen nodded to Luo Hou.

Luo Hou agreed.

Although his plan was changed,

but the result was the same,

Luo Hou still faced Hong Jun and the other four,

I hope the result will be the same as he thought, Qian Kun and Yin Yang were killed, Yang Mei escaped, Luo Hou blew himself up, and Hong Jun won miserably in the end.

If the ending is like this,

Su Chen only needs to kill Hong Jun again,

The war between the three tribes will not be affected by external factors,

After the three tribes die together and exit the prehistoric fairyland, Su Chen can also complete the last trial task.

Luo Hou snorted coldly while drinking tea, "Hmph, I hope you won't be killed by the four Thunder Demon Gods."

Su Chen curled his lips and sneered, "Same here, I hope you won't be killed by Hongjun and the other four."

"The ancestor will not lose."

"Pretend."

"The ancestor has the Zhuxian Sword Formation, you should think about how to face the four Chaos Demon Gods."

Luo Hou said with a dark face and disappeared in an instant,

Pretend?

Is he pretending?

After the Zhuxian Sword Formation was repaired,

He isHe could not kill Hongjun and his four companions, nor would he be defeated by them.

Su Chen fought against the four Thunder Gods, and Luo Hou hoped that they could die together.

In this way,

he only needed to kill one of the four Hongjuns.

The other three Chaos Gods were no match for him, and the Zhuxian Sword Formation would not be broken by the three Chaos Gods.

Su Chen took a sip of tea and whispered, "Luo Hou, don't blame me. You have to die once more before you can open up the outer demon world and advance to the Hunyuan Daluo Jinxian."

Swoosh~

Wangshu and Dragon Mother came out of the space prison,

They heard the conversation between Su Chen and Luo Hou.

Luo Hou agreed to help contain Hongjun and his four companions, and Su Chen's plan could be said to be half successful.

The Dragon Mother sat down and taunted, "Su Chen, you are so insidious. Luo Hou might be happy to be deceived by you."

"Insidious?"

"Aren't you insidious?"

Su Chen glanced at the Dragon Mother and said, "I am not insidious at all. Hongjun united seven chaotic demons. Do you think they are just against me? If I am killed, do you think Hongjun will let Luo Hou go?"

The Dragon Mother poured tea and said disdainfully,

"Don't you think I am an idiot?" (To read the violent novels, go to Feilu Novel Network!)

|= |

"Luo Hou held back Hong Jun and the other four."

"You and your sister, plus Wang Shu, Xuan Niao and I, it would be easy for us to kill the Thunder God together. Even if Luo Hou didn't kill Hong Jun and the other four, do you think Luo Hou and Hong Jun and the other four will be our opponents in the future?"

Wang Shu smiled and nodded.

What Dragon Mother said was right.

After Su Chen and them killed the four Thunder Gods together,

Hong Jun and the other four and Luo Hou were not a concern.

Su Chen had four quasi-saints around him.

It would be easy for them to kill Hong Jun and the other four or Luo Hou in the future.

Su Chen shook his head speechlessly and said, "Dragon Mother, what you said makes me unable to refute it."

"Hmph."

Dragon Mother drank tea and said nothing more.

She was thinking that after Su Chen killed all the Chaos Demon Gods, Su Chen would also control the Honghuang Immortal Realm.

It is said that unifying the Honghuang Immortal Realm can gain huge luck, and using luck can promote to a higher level of cultivation.

The three tribes fought to compete for the Honghuang luck.

What about Su Chen? []

Does he also want to compete for the Honghuang luck?

Wangshu asked doubtfully, "Su Chen, when will the war start?"

"It should be soon."

Su Chen touched his chin and guessed that Hongjun would not wait too long.

The Honghuang Heavenly Dao is about to be born.

As long as Hongjun convinces the four Thunder Demon Gods, the Chaos Demon Gods will immediately come to surround and kill him.

Wangshu asked again, "Will the battle take place by the Lingxi Lake?"

Su Chen shook his head and said, "No, I will lead the four Thunder Demon Gods to the Primordial Starry Sky for a battle. As for Luohou, he may fight with Hongjun and the other four in the Primordial West."

"In the western part of the prehistoric world? Won't Luohou, Hongjun and the other four go to the prehistoric starry sky to fight?"

"Not sure."

Su Chen touched his chin and thought,

He wanted to kill Hongjun,

The development trajectory of the prehistoric world was changed by him, so would Luohou still have to self-destruct in the western part of the prehistoric world?

What the hell,

Su Chen was also stupid,

When he arrived at the Three Clans period,

The Three Clans War had been changed by him,

Hongjun and the other Chaos Demon Gods would be killed, so he didn't have to let Luohou self-destruct in the western part of the prehistoric world. 2.7 Su Chen could help Feng Zu win the Three Clans War,

As for the future development trajectory of the prehistoric world,

Feng Zu could replace Hongjun to preach after he was promoted to the Hunyuan Daluo Jinxian, and the prehistoric world would also start a new development trajectory.

The Dragon Mother stared at Su Chen and asked, "Su Chen, you don't have any conspiracy again, do you?"

"No."

Su Chen made a decision.

He would let Luo Hou go to the prehistoric starry sky.

The prehistoric fairyland cannot be destroyed, and Su Chen will not let Luo Hou self-destruct in the west of the prehistoric world.

The Dragon Mother said, "I don't believe it."

Su Chen smiled and said, "Dragon Mother, it's your business if you don't believe it, I just believe it."

The Dragon Mother stared at Su Chen and threatened, "Su Chen, if you dare to plot against me and Wangshu, I will self-destruct and perish with you."

"Oh my god, you are so cruel."

"Get lost, you are the cruel one."

Chapter 3274

The Dragon Mother was furious.

She couldn't help but want to kill Su Chen.

Vicious?

How is she vicious?

For hundreds of thousands of years,

The Dragon Mother has never killed a living being. If she is so vicious, what are the other creatures in the prehistoric fairyland?

Even more vicious?

Or cruel and vicious?

Wangshu stared at Su Chen coldly and said, "Su Chen, will you die if you are not shameless?"

Su Chen drank tea and said nothing.

He just said it casually.

Which creature in the prehistoric fairyland is not vicious?

If the prehistoric creatures are kind-hearted, they will be killed or brutally killed and swallowed.

The Dragon Mother suppressed her anger and asked, "Su Chen, tell me about our plan to kill the Chaos Demon God."

"There is no plan. After the Chaos Demon God starts to surround and kill me, you and Wangshu don't have to take action. You stay by the Lingxi Lake."

"Huh? What do you mean?"

Su Chen curled his lips and said sarcastically, "You are too weak. You can't kill a Chaos Demon God even if you work together. I don't need your help. You just need to protect my dojo."

Bang~

The Dragon Mother slammed the table and shouted angrily, "Su Chen, do you look down on Wangshu and me and 753?"

Wangshu also glared at Su Chen with unkind eyes,

Too weak?

Are she and the Dragon Mother weak?

The Quasi-Saints are the ceiling in the prehistoric fairyland. How come they are weak?

They can't kill the Chaos Demon God even if they work together?

Wangshu and Longmu cannot kill the Chaos Demon God.

The Chaos Demon God is very powerful.

Any quasi-saint in the prehistoric fairy world is not a match for him. Wangshu also admits that he and Longmu cannot kill the Chaos Demon God.

But what does Su Chen mean?

Without their help?

Can Su Chen kill four Chaos Demon Gods? Does the shameless bastard want to be surrounded and killed by the Chaos Demon God?

Su Chen shook his head and said, "It's not that I look down on you, I just don't need your help."

Wangshu couldn't help asking, "You don't need our help, why did you agree to join us?"

Su Chen looked at Wangshu and Dragon Mother separately and said,

"You are all beautiful fairies in the prehistoric fairyland. The reason why I join forces with you is that I can admire your beautiful faces and your sexy and attractive bodies every day."

"Shameless!"

"What a bastard."

Wangshu and Dragon Mother were so angry that they wanted to kill people.

They didn't expect Su Chen to answer so shamelessly.

Is Su Chen still a strong man?

How can a strong man have so many dirty desires? Doesn't Su Chen worry that too many desires will affect his cultivation?

Swoosh~

Nannan appeared instantly and called out, "Brother."

Su Chen smiled and asked, "Nannan, have you passed on the Su Nu Heart Sutra to them?"

"Yes, Nuwa and I passed on the Su Nu Heart Sutra to Hou Tu, Xuan Ming, Xi He, and Chang Xi respectively."

Su Chen nodded,

If the four women of Hou Tu practice the Su Nu Heart Sutra,

their cultivation will progress rapidly in the future, and they can also practice to the Chaos Daluo Jinxian.

"Nannan, you said that Hou Tu and Xihe are here, should I bring the Queen Mother of the West here as well?"

Su Chen touched his chin and thought,

During the Three Clans period,

Hou Tu, Xihe, Xuanming, Changxi, and the Queen Mother of the West, these women were born.

Guanyin Bodhisattva and Yunxiao women were not born yet,

Hou Tu and Xihe four women have arrived,

There is no need to keep the remaining Queen Mother of the West, Su Chen also wants to bring the Queen Mother of the West here.

By the way,

There is also the Queen Mother of the West.

The Queen Mother of the West is now Hongjun's virgin, and Su Chen cannot forget the Queen Mother of the West.

Nannan said indifferently, "Brother, just make the decision."

"Okay."

Su Chen touched Nannan's hair and shook his head.

Nannan did everything for him, (To read the novel, go to Feilu Novel Network!)

His sister lived for him all her life,

Su Chen wanted to make Nannan happy in the future, and he decided to take Nannan with him wherever he went.

Wangshu and Longmu looked at each other,

They saw that Nannan was centered on Su Chen,

No matter what Su Chen said or what he asked Nannan to do, Nannan would obey unconditionally.

Although Su Chen was a shameless bastard,

He had a good sister.

"Wangshu, Dragon Mother, go to the small space of time and space. The spiritual energy in the small space of time and space is rich. You can practice for a while."

Su Chen said and disappeared in his arms with Nannan.

While there is still time,

He wants to take Nannan to visit the prehistoric fairyland, and he also wants to accompany Nannan for a relaxing and enjoyable trip.

Dragon Mother said helplessly, "Wangshu, Su Chen left without explaining clearly, what should we do?"

Wangshu thought for a while and said,

"Dragon Mother, Su Chen will not joke about his fate. I guess Su Chen can kill four Chaos Demon Gods by himself."

"Is it possible?"[]

"Do you think Su Chen will let his sister have an accident?"

"No, I can see that Su Chen loves his sister very much. Even if he dies, he will not let his sister die.

Dragon Mother understood a little,

If Su Chen is not sure of hitting Kill four Chaos Demon Gods, he will definitely let her and Wangshu help.

In this way,

When Su Chen fought with Yang Mei and the other two before, the shameless bastard must not have revealed his full strength.

The insidious bastard,

Facing three powerful Chaos Demon Gods,

Su Chen actually retained his strength and did not reveal it. The Dragon Mother did not know how strong Su Chen was.

She had to be careful with Su Chen,

The Dragon Mother was not afraid that Su Chen would plot against her, she was worried that Su Chen would have dirty and unreasonable thoughts about her.

Ten years later,

YujingMountain,

Hongjun and the eight Chaos Demon Gods sat together drinking tea, their faces were not very good.

As for Luohou,

They have been persuading for ten years,

For ten years, Luohou has not agreed to join forces. They understand that Luohou wants to sit on the mountain and watch the tigers fight.

Ancestor Qiankun: "What should we do? Luohou has not agreed. We can't wait any longer."

Thunder Demon God: "Yes, the Honghuang Heavenly Dao is about to be born. We don't have much time. We must kill Su Chen as soon as possible."

Yang Mei drank tea and asked, "Hongjun, what do the Dragon Clan and the Qilin Clan say?"

Hongjun stroked his beard and said, "The Zulong and the Shi Qilin did not agree, but they agreed to contain the three quasi-saints of the Phoenix Clan."

Ancestor Yin and Yang said with bright eyes, "This is good, Su Chen only has his sister to help him, so we eight Chaos Demons can surround and kill Su Chen and his sister. "

The Soul Demon asked, "Hongjun, have you decided to surround and kill Su Chen?"

Hongjun said with a serious face, "We must not only surround and kill Su Chen, but also kill Luohou. Luohou wants to be the fisherman, and we can't let Luohou stab us from behind."

"Encircle and kill Luohou? Hongjun, can Su Chen remain undefeated against all three of us Chaos Demons? If we surround and kill Luohou again, will the siege fail?"

Chapter 3275

Yang Mei disagrees with Hongjun's decision.

Su Chen is not weak.

Three Chaos Demon Gods may not be able to kill Su Chen.

If Hongjun wants to surround and kill Luohou,

Luohou has a terrifying Zhuxian Sword Formation, and four Chaos Demon Gods are needed to break Luohou's Zhuxian Sword Formation.

In this way,

Three Chaos Demon Gods want to surround and kill Su Chen,

They may not be able to surround and kill Su Chen.

Four Chaos Demon Gods want to break Luohou's Zhuxian Sword Formation, and only one Chaos Demon God is left among the eight Chaos Demon Gods.

Su Chen also has a quasi-saint sister.

The remaining Chaos Demon Gods will also kill Su Chen's sister.

It is too risky for Hongjun to do this.

Yang Mei does not want Hongjun to attack Luohou.

Hongjun waved his hand and said,

"Yang Mei, and everyone else, I have thought about all this, but Luohou is as threatening as Su Chen."

"Su Chen can remain undefeated against three Chaos Demon Gods, but Luohou has the Immortal Execution Sword Formation. If Luohou attacks us secretly, we may be killed by Luohou."

Ancestor Qiankun frowned and said, "Hongjun, we can let one person monitor Luohou. There is no need to surround and kill Su Chen and Luohou together."

Hongjun smiled and explained,

"Listen to me."

|= |

"Three Chaos Demon Gods can hold Su Chen back first, and four Chaos Demon Gods can quickly break Luohou's Zhuxian Sword Formation. Luohou is a tiger without claws without the Zhuxian Sword Formation."

"We can kill him quickly. After Luohou is killed, we can work together to kill Su Chen. In this way, can't we kill Su Chen and Luohou together?"

Yang Mei and the Thunder Demon Gods looked at each other.

What Hongjun said made sense.

Three Chaos Demon Gods can hold Su Chen back. They just need to quickly break Luohou's Zhuxian Sword Formation.

Luohou can only let them slaughter him.

After killing Luohou,

The eight Chaos Demon Gods can safely and boldly kill Su Chen. Su Chen will not be the opponent of the eight Chaos Demon Gods.

The Soul Demon frowned and asked, "Hongjun, let's do as you say, but who among us will hold back Su Chen? Who will break Luohou's Zhuxian Sword Formation?"

"How about this, Soul Demon, Thunder Demon, Titan Demon, the three of you hold back Su Chen, Light Demon kills Su Chen's sister, and Qiankun, Yangmei, Yinyang and I, the four of us, will break Luohou's Zhuxian Sword Formation. What do you think?"

Hongjun also has a purpose for saying this,

He will kill Yangmei, Qiankun, Yinyang one by one in Luohou's Zhuxian Sword Formation.

After Yangmei and the other three die,

Hongjun will summon the Three Corpses to break Luohou's Zhuxian Sword Formation,

After killing Luohou,

Hongjun and the other four Chaos Demons can also kill Su Chen. It would be best if Su Chen can kill a few Chaos Demons in return.

After killing Su Chen,

The remaining Chaos Demon Gods will be killed by him, and Hongjun will not share the prehistoric destiny and heavenly merits with anyone.

"That's good. We agree."

The four Thunder Demon Gods had no objection.

Hongjun and the other four went to bite the bullet.

It would be very easy for them to contain Su Chen and kill Nannan. Hongjun did not plot against them this time.

Yang Mei, Qiankun, and Yin Yang also had no objection.

Hongjun would break Luo Hou's Zhuxian Sword Formation with them this time. Yang Mei and the other two did not have to worry about Hongjun plotting against them.

Hongjun nodded and said, "Everyone, get ready. I will issue a challenge to Su Chen and Luo Hou."

"Okay."

Honghuang Sea of Clouds.

Su Chen held Nannan and looked at the fairyland surrounded by clouds and mist.

For ten years,

Su Chen and Nannan did not return to Lingxi Lake. He took Nannan to travel around and see the scenery.

Nannan also smiled constantly.

She no longer looked cold all the time.

"Brother, it's been more than ten years, why hasn't Hongjun started to kill us yet?"

Nannan picked up a branch and picked up the sea of clouds.

Being able to play with her brother,

see the scenery together,

she has been very happy in the past ten years.

Nannan and her brother have never been alone for such a long time, and she likes her brother to take her around.

"It should be soon. Luohou sent a message saying that Hongjun has been trying to persuade him for ten years. Hongjun knows that he can't persuade Luohou to unite, so he will immediately unite with other Chaos Demons to kill us."

Su Chen touched Nannan's hair and smiled,

Hongjun? (To read the exciting novels, go to Faloo Novel Network!)

Hongjun can't wait any longer.

Luo Hou rejected Hongjun for ten years.

Hongjun just wants to continue to persuade Luo Hou to join forces. Other Chaos Demon Gods will not be willing to wait.

Besides, the Great Dao of the Primordial World is about to be born.

Hongjun will not wait any longer.

Nan Nan asked reluctantly, "Brother, are we going back to Lingxi Lake?"

"Let's go back. After we kill all the Chaos Demon Gods, brother will take you to play in the Primordial World."

"Okay, brother."

Lingxi Lake,

Long Mu and Wang Shu looked unhappy.

Ten years have passed.

Su Chen took Nan Nan away for ten years.

If they could not contact Su Chen, Long Mu and Wang Shu would think that Su Chen took Nan Nan away to the Chaos. []

The Dragon Mother couldn't figure it out and asked, "I don't understand, isn't Su Chen worried at all? The war could start at any time, how can Su Chen still be in the mood to take his sister out for fun?"

"Dragon Mother, Su Chen should be back soon."

Wangshu was very envious of Nannan,

She somewhat understood Su Chen's thoughts,

Nannan lived for Su Chen, everything was centered on Su Chen, and Su Chen also loved his sister very much,

Play?

Wangshu guessed that Su Chen seldom accompanied Nannan before,

or had never accompanied Nannan.

Su Chen was making up for his debt to Nannan, and he wanted to make Nannan happy.

Boom boom boom boom~

Suddenly,

The Great Wilderness began to shake,

Eight Chaos Demon Gods appeared in the Great Wilderness Starry Sky, and they all burst out with a terrifying aura.

The Great Wilderness creatures looked at the Great Wilderness Starry Sky in horror.

Eight terrifying strong men appeared in the Great Wilderness Starry Sky at the same time, and all the creatures did not know what was happening.

Dragon Clan~

Qilin Clan~

Phoenix Clan~

The quasi-saints of the three clans rose into the air one after another, and they understood that the Chaos Demon God was going to start to surround and kill Su Chen.

Xuan Niao Li Ge asked worriedly, "Sister Yuan Feng, do I really not need to help Su Chen?"

Feng Zu shook his head and said, "No, the shameless bastard won't let you go. I guess Su Chen has the ability to kill the Chaos Demon God."

Qing Ying smiled and said,

"Sister Li Ge, Su Chen said that he fooled Luo Hou. Luo Hou has the Zhu Xian Sword Formation, which can share Su Chen's pressure. I believe Su Chen can kill the Chaos Demon God who surrounded him."

Li Ge nodded and said, "That's right."

"Get ready, the Dragon Clan and the Qilin Clan Quasi-Saints will come to contain us."

"Okay, Sister Yuan Feng."

Sumeru Mountain,

Luo Hou looked at the prehistoric starry sky and whispered, "It's finally about to start, Hongjun, can you kill the ancestor this time? Or can the ancestor kill you?"

Chapter 3276

It has been ten years.

Luo Hou has been annoyed by Hong Jun for ten years.

Hong Jun would contact him several times every year to discuss cooperation.

Luo Hou would refuse every time, but Hong Jun would still contact him out of annoyance.

Now,

Hong Jun can't wait to start the war.

Luo Hou can kill Hong Jun who plotted against him, as well as other Chaos Demon Gods who are competing for his luck.

Luo Hou looked at the prehistoric starry sky and whispered,

"Hongjun, the ancestor will not be calculated by you."

"Although Su Chen is also an old bastard, you are more sinister than Su Chen. The ancestor's Zhuxian Sword Formation has been repaired. This time, I will use you and other Chaos Demons to open blood."

Boom boom boom~

Prehistoric starry sky,

The eight Chaos Demons continued to burst out with terrifying auras, and the prehistoric creatures hid in their respective dojos in fear.

The eight Chaos Demons appeared in the prehistoric starry sky,

All creatures knew that the great war was about to begin. What creatures did the eight powerful men want to surround and kill?

Dragon clan?

Phoenix clan?

Qilin clan?

Or are the eight Chaos Demons going to surround and kill the three clans of powerful people?

In the air,

Zu Long said in surprise, "Shi Qilin, I didn't expect Hongjun to unite with seven Chaos Demon Gods. Su Chen is dead this time."

Shi Qilin said with a serious face,

"Hongjun is too insidious. He has wanted to unite with us for more than ten years. Hongjun did not reveal the other Chaos Demon Gods. Chaos Demon Gods cannot be trusted. We must be careful of Hongjun in the future."

"Shi Qilin, we still have to stop the three quasi-saints of the Phoenix clan, right? I am worried that Su Chen will be surrounded and killed by the eight Chaos Demon Gods. Hongjun and the Chaos Demon Gods will not let us go."

Zu Long has always been on guard against Hongjun.

The eight Chaos Demon Gods surrounded and killed Su Chen.

What if Su Chen was killed?

What about the future?

Will the Chaos Demon Gods surround and kill the strong men of the three clans?

Zu Long didn't want to contain the three quasi-saints of the Phoenix Clan, and he didn't even want Su Chen to be surrounded and killed by the eight Chaos Demon Gods.

At least Su Chen was there,

The Chaos Demon Gods would always target Su Chen, and would not threaten the Dragon, Phoenix, and Kirin Clan.

Shi Qilin stroked his beard and said,

"Zulong, I know what you think, but Su Chen belongs to the Phoenix Clan. He is a huge threat to our two clans. Besides, Su Chen is so powerful that the three Chaos Demon Gods cannot kill him."

"We can let Su Chen and the Chaos Demon Gods kill each other. If Su Chen is surrounded and killed and explodes, it would be best if he can take away a few Chaos Demon Gods. In this way, we don't have to worry about the Chaos Demon Gods surrounding and killing us."

Zulong thought for a while and nodded, "Okay, the quasi-saints of our two clans will stop the three quasi-saints of the Phoenix Clan."

"Okay, Zulong, I heard that the Dragon Mother disappeared, and your Dragon Clan now has only two quasi-saints left, hahaha~"

Shi Qilin laughed and disappeared,

For ten years,

The Dragon Clan has been looking for the Dragon Mother everywhere,

Zulong was also furious and destroyed many subordinate races,

Shi Qilin guessed what happened between the Dragon Mother and Zulong. The Dragon Mother even ran away and didn't want to help Zulong anymore.

That's good.

The Dragon Clan lost a quasi-saint.

After the Phoenix Clan was destroyed,

The Qilin Clan had a huge advantage over the Dragon Clan. Shi Qilin would be the best to get the luck of the prehistoric fairyland.

"Damn it."

Boom~

Zulong burst out with momentum and smashed countless mountains below.

The disappearance of the Dragon Mother.

He knew why the Dragon Mother disappeared suddenly. Zulong just didn't expect that the Dragon Mother would escape at the critical moment.

Zulong showed a vicious expression and said, "If I had known, I would have planted a ban on the Dragon Mother. The Dragon Mother could not escape from my palm. When I find the Dragon Mother in the future, I must torture and humiliate her for 10,000 years."

Lingxi Lakeside,

Wangshu and the Dragon Mother looked at the prehistoric starry sky with serious faces.

The eight Chaos Demon Gods appeared together in the prehistoric starry sky. They were no match for any of the Chaos Demon Gods.

What Su Chen said was right.

Although they were quasi-saints,

they were still scum in front of the Chaos Demon Gods.

The Dragon Mother said with emotion, "Wangshu, we prehistoric creatures are really not as good as the Chaos Demon Gods."

"Dragon Mother, the Chaos Demon Gods have existed for billions of years. Their Chaos Demon bodies are much stronger than the prehistoric quasi-saints, not to mention that the Chaos Demon Gods know the Chaos Laws. It is understandable that we are not their opponents."

Wangshu looked at the prehistoric starry sky with a complicated expression. (To read the violent novels, go to Feilu Novel Network!)

She was also very helpless.

Also as quasi-saints,

the prehistoric quasi-saints were no match for the Chaos Demon Gods. One Chaos Demon God could easily kill two or three prehistoric quasi-saints.

What about Su Chen?

Why is he so powerful?

Why can he remain undefeated against three Chaos Gods?

Is Su Chen a Chaos God?

Wangshu still hasn't figured it out.

However,

The eight Chaos Gods want to surround and kill Su Chen. It doesn't matter whether Su Chen is a Chaos God or not.

If Su Chen is surrounded and killed,

The way of the prehistoric world will not be revealed.

The prehistoric world will be the world of the Chaos Gods in the future. The prehistoric creatures will probably be enslaved or slaughtered.

The Dragon Mother stroked her hair and asked, "Can Su Chen and her sister kill the Chaos Demon God?"

Wangshu shook his head and replied, []

"Not sure, Su Chen and her sister, and Luo Hou, the three of them are facing the eight Chaos Demon Gods, the number gap is too big, we don't know the strength of Su Chen, Nannan, and Luo Hou, what will happen in the end, I'm afraid no one will know."

The Dragon Mother frowned and asked, "Wangshu, don't we need to help Su Chen?"

"Su Chen won't let us go, he may not think highly of our strength."

"Damn bastard, I can't help but want to beat Su Chen."

"Dragon Mother, you are no match for Su Chen."

"Forget it, I'm also worried that Su Chen will do something to me, little bastard Too shameless. "

Boom boom boom~

After the Honghuang starry sky burst into a roar,

"Su Chen, Luo Hou, let's fight in the Honghuang starry sky." Hongjun's voice spread throughout the Honghuang fairyland,

Luo Hou shouted arrogantly, "Hongjun, Luo Hou agreed, let's fight in the Honghuang starry sky."

"Luo Hou, you are still as arrogant as ever, Hongjun, Su Chen also agreed, let's fight in the Honghuang starry sky."

Honghuang sea of clouds,

Su Chen curled his lips when he heard Luo Hou's agreement,

Arrogant Luo Hou,

This is the last time to hear Luo Hou's arrogant voice, and it will also be the last time he ridicules and mocks Luo Hou.

Nan Nan asked with a cold look, "Brother, let's go to the Honghuang starry sky now. "

Su Chen touched Nannan's hair and said,

"Yes, Nannan, Luohou will use the Zhuxian Sword Formation to trap four Chaos Demons."

"Three Chaos Demons will hold me back."

"One Chaos Demon will kill you, so don't kill the Chaos Demon too quickly. We have to wait until Luohou is done before we kill the Chaos Demon."

Nannan nodded and said, "Brother, I understand."

Chapter 3277

"Let's go, let's go to the prehistoric starry sky."

"Okay, brother."

Su Chen and Nannan disappeared in the prehistoric sea of clouds,

The battle is about to begin.

After this battle in the prehistoric starry sky,

The three-tribe war is very easy for him, and Su Chen can also complete the last trial task.

In the prehistoric starry sky,

Luo Hou first appeared opposite Hongjun and the other eight. He looked at Hongjun and the other eight with disdain.

Swoosh!

Su Chen and Nannan appeared next to Luo Hou.

More than a dozen quasi-saints burst out with a terrifying aura, and the prehistoric starry sky was shaken and roared continuously.

Su Chen looked at the eight Chaos Demon Gods and said, "Hongjun, we are all here, how do you want to fight us?"

Hongjun said expressionlessly,

"Su Chen, I will fight Luohou with Yangmei, Qiankun, Yinyang, and the four of us, Thunder Demon God, Soul Demon God, Titan Demon God, and Light Demon God will fight you and your sister."

Su Chen was very surprised,

Is Hongjun his worm?

He had been thinking about how to make Luohou and Hongjun and the other four fight against each other, but Hongjun and the other four actually decided to fight Luohou.

Not bad,

Very good,

This is the result he is very willing to see, and it is also the result Su Chen hopes to see.

"Luo Hou, what do you think?"

Luo Hou said coldly, "The ancestor will kill Hong Jun and his four 7 people."

"Pretending."

"Su Chen, do you want to die?"

Luo Hou stared at Su Chen angrily,

It's time,

How can Su Chen still be in the mood to mock him?

If Luo Hou was not facing a big battle, he would definitely let Su Chen taste the power of the Zhu Xian Sword Formation.

"As long as you are happy."

Su Chen shook his head,

Forget it,

Luo Hou will be forced to self-destruct and die by Hong Jun in a short time, and Su Chen does not want to mock Luo Hou too much.

"Hongjun, Luohou and I have agreed to fight in the prehistoric starry sky. If you die in this battle, we will fall."

"Take action."

Hongjun waved to Yang Mei and the others, and they faced Su Chen, Luohou, and Nannan respectively.

Hongjun and the other four quickly surrounded Luohou.

"Kill! Kill! Destroy! Trap!"

Luohou quickly arranged the Zhuxian Sword Formation.

If he didn't arrange the Zhuxian Sword Formation, he would not be a match for Luohou and the other four. Luohou could not be careless in the face of the four Chaos Demon Gods.

Boom boom boom~

The space of the prehistoric starry sky seemed to be torn apart, and the evil spirits of the prehistoric immortals were terrified by the Zhuxian Sword Formation.

Luo Hou held up the Zhu Xian Sword Formation above his head and shouted, "Hongjun, Yangmei, Qiankun, Yinyang, the ancestor's Zhu Xian Sword Formation has been set up. Do you dare to break it?"

Hongjun and the other four showed cautious expressions.

The Zhu Xian Sword Formation was more terrifying than they thought.

Luckily, Luo Hou was not a Hunyuan Daluo Jinxian, so the Zhu Xian Sword Formation could not fully unleash its terrifying power.

Hongjun's faceHe said seriously, "Luo Hou's Zhuxian Sword Formation cannot be underestimated. We will each break one sword."

Ancestor Qiankun: "Okay, I will break the Juexian Sword."

Yang Mei: "I will break the Luxian Sword."

Ancestor Yin Yang: "Ancestor, break the Xian Sword."

Hongjun glanced at Yang Mei and the other two with a dark face.

Three cunning bastards,

Yang Mei and the other two actually left the strongest Zhuxian Sword to him,

Hongjun wanted to kill Yang Mei and the other two, and Yang Mei and the other two were probably on guard against him.

"Break the formation together."

Ancestor Qiankun held the Qiankun map in his hand and the Qiankun tripod on his head and entered the Juexian Sword Formation.

"Quick battle, we still have to surround and kill Su Chen." Yang Mei said as she entered the Luxian Sword Formation.

The Yin-Yang Patriarch glanced at Hongjun and entered the Xian-Trap Sword Formation.

He had the innate treasure Pangu Banner, so the Yin-Yang Patriarch would quickly break the Xian-Trap Sword Formation.

Hongjun entered the Zhuxian Sword Formation with the Jade Disc of Creation.

He would not quickly break the Zhuxian Sword Formation.

Before Yang Mei and the other two were killed by Luo Hou, Hongjun would not use all his strength to break the Zhuxian Sword Formation. (To read the exciting novel, go to [Flylu Novel Network!](#))

Boom boom boom~

"We hold Su Chen back."

Hongjun and the other four went to break Luo Hou's Zhuxian Sword Formation. The Thunder Demon God shouted and attacked Su Chen with the Soul Demon God and the Titan Demon God.

"Time goes backwards."

Su Chen activated the law of time to resist the attack.

Hold him back?

Just right,

Why does Su Chen feel that the Chaos Demons are cooperating with him? Why do the Chaos Demons think the same as him?

He wants to contain the Chaos Demon,

The three Chaos Demons also want to contain him.

They all want to wait for the battle between Luohou and Hongjun and the other four to end,

The three Thunder Demons want to wait for Hongjun and the other four to surround and kill him together, and Su Chen wants to see Luohou and the other four die together.

Damn it,

Is this a coincidence?

Or are the Chaos Demons on guard against each other? []

"Thunderbolt."

"Soul shock."

"Titan power."

The three Thunder Demons burst out with their own law attacks.

Although they want to contain Su Chen, they will not miss the opportunity to kill Su Chen.

"Space barrier!"

Boom~bang bang bang~

A blue barrier appeared in front of Su Chen, and the attacks of the three Chaos Demons were all blocked.

Su Chen did not fight back.

The battle in the prehistoric starry sky had just begun, and he was worried that the counterattack would accidentally kill the Chaos Demons.

"Light Cut!"

The Light Demon attacked Nannan, and he wanted to kill Nannan as soon as possible.

A scumbag prehistoric creature,

The Light Demon did not care about the scumbag Nannan.

A series of terrifying light blades instantly attacked Nannan, and the terrifying light blades seemed to cut Nannan into pieces.

"Space transfer."

Nannan waved her hand to move the light blade of the Light Demon to Chaos.

She not only knows the Law of Space,

but also the Law of Ice,

Nannan can kill the Light Demon God without the Law, but she wants to hear her brother's words to delay time.

"Law of Space?"

The Light Demon God was very surprised,

Su Chen knows the Law of Space, and Nannan also knows the Law of Space. How come the brother and sister both know the Law of Space?

Among the Chaos Demon Gods, except Yang Mei,

How come Su Chen and his sister both know the Law of Space?

Nannan can use the Law of Space to move his attack. He guessed that Nannan's Law of Space has been cultivated to at least 60%.

At this time,

There were three terrifying battles in the prehistoric starry sky, and the prehistoric creatures were very frightened.

More than a dozen quasi-saints fought,

The prehistoric fairyland has never appeared before,

Some Daluo Jinxians saw the three battles, and they didn't expect that there would be so many quasi-saints in the prehistoric world.

Lingxi Lake,

Wangshu and Longmu were very surprised by the battle,

They were worried that Nannan would be in danger, and they were ready to save Nannan in time.

But,

They didn't expect Nannan to know the law of space, and Nannan was not at a disadvantage when facing the Demon God of Light.

Longmu asked in surprise, "Wangshu, how can Nannan know the law of space?"

"I don't know either. Su Chen knows the law of space and the law of time. I didn't expect Nannan to know the law of space. Longmu, do you think Nannan will know the law of time?"

Chapter 3278

Wangshu was also very confused,

Space Demon God Yang Mei's Space Law,

Su Chen not only knows the Space Law, how can Nannan also know the Space Law?

Su Chen and Nannan are too weird,

Wangshu is getting more and more confused about Su Chen and Nannan.

Xuan Niao?

Su Chen is Xuan Niao,

Maybe he is Chaos Demon God Xuan Niao,

What about Nannan?

Will Nannan also be Xuan Niao? Will she be Chaos Demon God Xuan Niao?

The Dragon Mother thought for a while and said, "Nannan is Su Chen's sister. She and Su Chen may be born at the same time, and the Chaos Law may be inherited at the same time, so Nannan also knows the Space Law."

Wangshu asked, "What about the Time Law? Su Chen also knows the Time Law. Do you think Nannan knows the Time Law?"

"This... I don't know."

The Dragon Mother shook her head,

Time Law? "387"

Does Nannan know the law of time?

Each Chaos Demon God knows a law of chaos,

Su Chen knows the law of space and the law of time, and the Dragon Mother is not sure whether Nannan knows the law of time.

Beside Lingxi Lake,

The Lustful Demon Envoy, Nuwa, Changxi, Xihe, and the Queen Mother of the West who was captured by the Lustful Demon Envoy.

They are also watching the battle in the prehistoric starry sky.

Chang Xi: "Su Chen and Nan Nan are fighting against the Chaos Demon God. Why didn't Sister Wangshu and Dragon Mother help them? Why didn't the three quasi-saints of the Phoenix Clan help?"

Devil of Lust: "Master, you don't need help."

Xihe: "No need? Can Su Chen kill three Chaos Demon Gods? Can Nan Nan kill the Light Demon God?"

Nuwa: "Xihe, Su Chen is very powerful. He was able to remain undefeated against three Chaos Demon Gods more than ten years ago, and he almost killed the Ancestor Qiankun. Nan Nan's strength is also very terrifying."

Queen Mother of the West did not speak.

She was captured by the Devil of Lust for more than seven years.

Queen Mother of the West had never seen Su Chen and Nan Nan, and she didn't understand why Su Chen asked the Devil of Lust to capture her.

Also,

Why did Su Chen ask Nuwa to teach her the Saint-level skills? Why did she provide her with so many top-quality cultivation resources?

Su Chen?

What is the relationship between Su Chen and her?

Queen Mother of the West has been unable to figure it out for years.

At this moment,

In the sky in the south of Honghuang,

Zulong, Zhulong, and three quasi-saints of the Qilin clan, five quasi-saints confronted Fengzu, Xuanniao, and Qingying.

The eight quasi-saints did not fight,

Everyone was watching the battle in the Honghuang starry sky.

Qingying asked in confusion, "Sister Yuanfeng, why are Su Chen and Nannan defending? Why don't they fight back?"

"I don't know."

Fengzu couldn't figure it out either,

Su Chen faced the attacks of three Chaos Demon Gods, he might have avoided the attacks and didn't plan to fight back.

Where is Nannan?

Why is Nannan leisurely resisting the attacks of the Light Demon God?

It should be easy for her to fight back against the Light Demon God, right? Why didn't Nannan fight back once?

Something is wrong,

Feng Zu felt something was very wrong,

She guessed that Su Chen had some conspiracy,

More than ten years ago,

Su Chen almost killed Qiankun Patriarch when facing Yang Mei and the other two. Feng Zu didn't believe that the Thunder Demon God and the other two were stronger than Yang Mei and the other two. She guessed that Su Chen had some conspiracy.

Xuan Niao Li Ge pursed her lips and didn't speak,

She knew Su Chen's calculations,

She also knew how powerful Su Chen was,

Not to mention the three Chaos Demon Gods besieging Su Chen,

Even if the eight Chaos Demon Gods were besieging Su Chen together, Su Chen could easily kill them.

Qingying asked Lige, "Sister Lige, what are you thinking about?"

Lige replied, "Nothing, I just wonder why Zulong and the others didn't attack us."

"The five Zulong's want to hold us back from rescuing Su Chen. If we don't rescue Su Chen, the five Zulong's won't attack us."

Fengzu squinted at Lige,

She felt that Lige knew something, and that Lige might know Su Chen's conspiracy.

More than a dozen sisters of Huiyuan, (to read the violent novel, go to Feilu Novel Network!)

Lige has only known Su Chen for a few decades, why did Lige hide it from her and Qingying?

Is it because of Xuanniao?

Or is it because Su Chen is Lige's Taoist partner?

Damn pervert,

Fengzu really wants to beat Su Chen to death.

Qingying smiled and said, "Zulong miscalculated. Su Chen did not let us rescue him. It is unnecessary for Zulong and his five men to hold us back."

Li Ge smiled and said, "It is unnecessary."

Zulong and his five men looked serious as they watched the battle in the prehistoric starry sky.

They were frightened by the power of the Chaos Demon God.

Especially Luohou's Zhuxian Sword Formation. If they enter the Zhuxian Sword Formation, they may perish in it.....

"The Chaos Demon God should not be underestimated. We prehistoric creatures are not his opponents."

"I hope they can die together."

"Yes, if the Chaos Demon God dies together with Su Chen and Luohou, we don't have to worry about being killed by the Chaos Demon God."

"Feng Zu, Xuanniao, Qingying, why don't they rescue Su Chen?"

"I don't I know, but I have some guesses. Feng Zu probably also wants Su Chen and Chaos Demon to perish together. "[

"That makes sense. Feng Zu wants to get the luck of the prehistoric fairyland. She won't let Su Chen and Chaos Demon stop her."

"That's good. It's not the time for the three tribes to fight. As long as Feng Zu doesn't rescue Su Chen, we don't have to stop Feng Zu."

Zu Long and Shi Qilin talked with the other five.

After they looked at the three tribes of Feng Zu,

they checked the three battles in the prehistoric starry sky.

The eight Chaos Demons fought with Su Chen, Nan Nan, and Luo Hou. They all wanted Chaos Demon and Su Chen to perish together.

The prehistoric starry sky,

Su Chen resisted the attack of the three Thunder Gods. He saw Nannan leisurely shaking her head in front of the Light God.

Nannan was not suitable for pretending.

Nannan would not attack the Light God until the four Hongjun and Luohou had decided the winner.

After Su Chen moved the attack of the three Thunder Gods, he smiled and shouted, "Three, are you fake Chaos Gods? Why are you attacking like you are tickling me?"

"You are looking for death."

"Thunder 3.0 Storm."

"Damn scum, I will hammer you into pulp."

The three Thunder Gods attacked Su Chen angrily.

Fake Chaos God?

Are they fake Chaos Gods?

However,

Su Chen is indeed as Hongjun and the other four said,

his strength should not be underestimated,

They all believe that Su Chen is the Chaos Demon God, and that Su Chen may have devoured other Chaos Demon Gods to become so powerful.

"Space shift, space rebound."

"Soul shock."

"Sky-lifting strike."

"Thunderbolt!"

The three battles in the prehistoric starry sky have been going on for one year, three years, five years, and ten years.

For ten years,

the prehistoric starry sky and the prehistoric fairyland have been rumbling and shaking, and the prehistoric creatures have spent ten years in fear and panic. .

Chapter 3279

Su Chen felt a little annoyed.

He had been fighting against the three Thunder Gods, but Luo Hou had not killed a single Chaos God in the past ten years.

Luo Hou was also useless.

The Immortal Execution Sword Formation was also useless.

[Nan Nan, hold on for a while longer. I think Luo Hou is about to kill the Chaos God.]

Su Chen saw Nan Nan's cold face became even colder. He knew that Nan Nan couldn't stand not fighting back.

But he and Nan Nan couldn't kill the four Thunder Gods yet.

If they killed the four Thunder Gods, Luo Hou would definitely ask them to help.

Su Chen's plan was to let Luo Hou self-destruct.

He couldn't let Luo Hou survive.

He didn't want to kill Luo Hou himself.

Su Chen could only let Nan Nan hold on for a while longer.

Nannan sent a voice message to Su Chen, [I understand brother.]

At this moment,

In the Zhuxian Sword Formation,

Luo Hou continuously outputted mana to the Four Sword Formation,

But this won't work,

In the past ten years,

Luo Hou has not killed any Chaos Demon God, and he can't go on any longer.

Luo Hou checked Hongjun and the other four in the Zhuxian Sword Formation,

He decided to kill one person first with mana, and Luo Hou couldn't kill all four at the same time.

Hongjun had the Half-Step Chaos Spirit Treasure Creation Jade Disc,

which was not easy to kill,

Luo Hou decided to leave Hongjun to be killed last.

Yang Mei knew the Law of Space, and it was not easy to kill him if he was not good.

The Yin-Yang Demon God had the Tai Chi Diagram, an innate treasure, and he couldn't kill him for a while.

Qiankun Demon God?

Luo Hou thought about it and decided to kill Qiankun Demon God first.

Qiankun Demon God only had Qiankun Ding, which was comparable to the innate treasure, and two top-grade innate spiritual treasures. Luo Hou felt that Qiankun Demon God was the easiest to kill compared to the other three.

Boom boom boom~

At this moment,

In the Juexian Sword,

Countless violent sword blades appeared instantly to attack Qiankun Patriarch,

Qiankun Patriarch used Qiankun Ding to fight against it,

Very confused.

Why did the Juexian Sword formation suddenly become violent? The evil spirit and violent sword blades were much stronger than before.

"Qiankun Ding, hold it back for me"

Boom boom boom~

The violent sword blades in the Juexian Sword formation kept attacking Qiankun Ding, and Qiankun Patriarch sweated on his forehead.

Too strong,

The Juexian Sword Formation is four or five times stronger than before,

The Qiankun Patriarch had a hard time resisting.

Among the other three swords,

Hongjun, Yangmei, and Yinyang all felt much more relaxed. How come the sword formation's evil spirit and blades were weakened?

Why did the sword formation suddenly become weaker?

Yangmei and Yinyang Demon God didn't think much about it. They quickly smashed the blades and evil spirits to break their own sword formations.

Hongjun whispered in confusion, "Luo Hou can't have exhausted his mana. How come the Zhuxian Sword Formation suddenly became weaker?"

He couldn't figure it out,

The Zhuxian Sword Formation couldn't be so weak,

Luo Hou couldn't be so useless.

The Zhu Xian Sword Formation suddenly weakened.

Hongjun guessed that Luo Hou had some conspiracy. He guessed that Luo Hou had thought of a way to kill the four of them.

A month later,

Ancestor Qian Kun couldn't hold on any longer.

His Qian Kun Ding lost its luster and was about to break. The mana of Ancestor Qian Kun was almost exhausted.

"Hongjun, Yang Mei, Yin Yang, help me quickly. Luo Hou used all his mana to activate the Jue Xian Sword Formation. My spiritual treasure and mana can no longer resist. You send me mana to help me resist."

Hongjun, Yang Mei, Yin Yang all understood at this moment.

No wonder their sword formation weakened. It turned out that Luo Hou wanted to kill Ancestor Qian Kun first.

Hongjun and the other two ignored the Qiankun Patriarch.

The Zhuxian Sword Formation was very terrifying.

They had been unable to break the Zhuxian Sword Formation for more than ten years. (To read the violent novels, go to Feilu Novel Network!)

If they used their magic power to help the Qiankun Patriarch, they might run out of magic power and be killed by Luohou.

"Hongjun, Yangmei, Yinyang, you actually watched him die without helping him. The Patriarch misjudged you."

The Qiankun Patriarch found that Hongjun and the other two did not help him.

He understood.

Hongjun and the other two would not save him.

The Chaos Demon God is indeed the Chaos Demon God. He has no friends or allies. He forgets his principles when he sees profit and devours each other at the first opportunity.

The Qiankun Patriarch should not ask Hongjun and the other two for help.

If it were him,

He would not save the other Chaos Demon Gods either.

Luo Hou laughed wildly, "Haha~, Qiankun, you are dead. Hongjun is selfish. Will he save you?"

"Luo Hou, the ancestor will not let you have an easy life even if he dies."

The ancestor Qiankun wanted to self-destruct,

He still had a chance of recovery after self-destruction.

If the ancestor Qiankun was killed and swallowed by Luo Hou, there would be no chance of recovery after his death.

Boom~[]

The ancestor Qiankun gathered his magic power and self-destructed,

In order to have a chance of recovery, he would not let Luo Hou kill and swallow his origin.

"Ahem~"

Luo Hou was seriously injured by the backlash of the ancestor Qiankun's self-destruction. He did not expect the ancestor Qiankun to self-destruct.

"Damn it, how could the Qiankun Patriarch self-destruct?"

Luo Hou angrily tried his best to kill the Yin Yang Demon God.

He was seriously injured this time.

Luo Hou had to kill the remaining three people as soon as possible, otherwise he would be broken by the other three people in the Zhuxian Sword Formation.

Hongjun, Yang Mei, and Yin Yang were very surprised.

The Qiankun Patriarch self-destructed?

Luo Hou actually forced the Qiankun Patriarch to self-destruct. They also guessed that the Qiankun Patriarch self-destructed in order to seek a chance of recovery.

The Yin Yang Patriarch suddenly felt that the attacks in the sword formation were doubly violent, and the evil spirit in the sword formation was several times stronger than before.

The Yin Yang Patriarch shouted angrily, "Damn it, Luo Hou is the next one to attack the ancestor."

At this moment,

Su Chen smiled when he heard the roar of the self-destruction. Luo Hou forced a Chaos Demon God to self-destruction.

Who could have self-destructed?

Luo Hou couldn't have attacked Hong Jun first, nor would he have attacked Yang Mei who knew the law of space first.

Yin Yang?

Or Qian Kun?

No matter who it was,

Luo Hou began to exert his strength to kill the Chaos Demon God.

Su Chen guessed that it wouldn't be long before Luo Hou would be forced to self-destruct by Hong Jun.

The three Thunder Demon Gods were very surprised.

A Chaos Demon God self-destructed?

Luo Hou's Zhu Xian Sword Formation was really terrifying. Fortunately, it was Hong Jun and his four companions (Ma Ma Zhao) who broke the Zhu Xian Sword Formation.

They didn't care whether Hong Jun and his four companions lived or died.

They even hoped that Hong Jun and his four companions would perish together with Luo Hou.

Nan Nan sent a voice message to Su Chen, [Brother, who self-destructed just now?]

[Brother, I don't know, but I guess it's either the Yin-Yang Demon God or the Qiankun Demon God.]

[Brother, in this case, Luo Hou has started to exert his strength now. Other Chaos Demon Gods can only self-destruct if they don't want to be killed?]

[Yes, as long as the Chaos Demon Gods are not swallowed, they still have a chance to revive after self-destruction. As long as the Chaos Demon Gods are in a desperate situation, they will generally self-destruct and wait for the next revival. Negative]

[I understand, brother.]

While Su Chen was fighting against the attacks of the three Thunder Demon Gods, he checked the Zhuxian Sword Formation hundreds of thousands of miles away.

It's almost there,

After the next Chaos Demon God self-destructs,

Yang Mei may escape,

Su Chen planned to intercept the Space Demon God Yang Mei. He would not let Yang Mei break through the Zhuxian Sword Formation and escape. .

Chapter 3280

In the prehistoric fairyland,

The self-destruction of the Qiankun Demon God caused the prehistoric fairyland to shake more violently. All the strong ones knew that the Chaos Demon God had self-destructed.

Qingying asked in surprise, "Sister Yuanfeng, which Chaos Devil blew himself up?"

Feng Zu frowned and replied, "I don't know. Among the four Chaos Devil Gods who entered the Zhuxian Sword Formation, Hongjun, Yangmei, Qi Qiankun, and Yinyang, one of them blew himself up."

Xuanniao Lige thought of what Su Chen had said to her,

She guessed,

"I guess it was either Qiankun or Yinyang. They are not as good as Hongjun who has the Jade Disc of Creation, nor are they as good as Yangmei's spatial law. The two of them are most likely to be forced to self-destruct by Luohou."

"That's true."

Feng Zu nodded,

Lige was right,

Hongjun has the Half-Step Chaos Spirit Treasure Rebellion Jade Disc,

Yangmei's spatial law is very powerful,

Qiankun and Yinyang are not as good as Hongjun and Yangmei. They are most likely to be forced to self-destruct by Luohou.

It's just strange,

More than ten years have passed,

Why haven't Su Chen and Nan Nan fought back yet? What is that bastard's conspiracy?

Qingying pulled Lige and asked in confusion,

"Sister Lige, what do you think Su Chen meant? Why have he and his sister been resisting the attacks of the Chaos Demon God? There has been no counterattack in more than ten years. This doesn't make sense."

"I don't know. Su Chen didn't return to Lingxi Lake more than ten years ago. I don't know what Su Chen's conspiracy is."

"Is that so? Let's continue to watch. I guess that after Luohou and Hongjun decide the winner, Su Chen will probably start to counterattack."

"Qingying, your guess is the same as mine."

Feng Zu heard the conversation between Qingying and Lige,

She understood,

Su Chen has the ability to kill the four Thunder Demon Gods. He doesn't want to help Luohou in the Zhuxian Sword Formation,

Does Su Chen want Luohou and the Chaos Demon God to perish together?

One Chaos Demon God has already self-destructed,

If the remaining three Chaos Demon Gods are also forced to self-destruct,

Luo Hou will either be seriously injured by the self-destruction, or will be affected by the self-destruction and fall in the Zhuxian Sword Formation.

The cunning little bastard,

Su Chen probably doesn't want to kill Luo Hou himself, so he doesn't fight back and deliberately restrains the three Chaos Demon Gods.

[Should I be on guard against Su Chen? It seems not necessary, the shameless bastard is a pervert, he won't harm me, Qingying, and Lige.]

Feng Zu touched her fair chin and shook her head,

She is not worried that Su Chen will trick them.

Su Chen's eyes are full of lust every time he looks at her, the shameless bastard will not harm her.

Shi Qilin asked with a serious face, "Zulong, one Chaos Demon God blew himself up, do you think the remaining three Chaos Demon Gods can break Luohou's Zhuxian Sword Formation?"

Zhulong and the two quasi-saints of the Qilin clan looked at Zulong,

Four Chaos Demon Gods went to break Luohou's Zhuxian Sword Formation, and now one Chaos Demon God blew himself up,

They also want to know,

Can the three Chaos Demon Gods break Luo Hou's Zhu Xian Sword Formation?

Zu Long shook his head and replied, "I don't know, but the Zhu Xian Sword Formation is divided into four sword formations. Now there is one Chaos Demon God missing, and the remaining three Chaos Demon Gods may not be able to break the Zhu Xian Sword Formation."

Zhu Long asked puzzledly, "Brother, why hasn't Su Chen fought back for more than ten years? He should not be powerless to fight back against the three Chaos Demon Gods. Why do I feel that Su Chen doesn't want to fight back."

Zu Long narrowed his eyes and said, "Su Chen is too weird, I can't guess what conspiracy he has Trick."

Shi Qilin said viciously, "Zulong, how about we each send a quasi-saint to kill Su Chen? We can't let Su Chen survive the battle."

"Shi Qilin, you can send your Qilin clan quasi-saint to surround and kill Su Chen."

"Hmph."

Shi Qilin snorted coldly and looked at the prehistoric starry sky. He knew that Zulong would not let Zhulong surround and kill Su Chen.

There were only two quasi-saints left in the dragon clan.

Zulong was worried that Zhulong would be killed by Su Chen.

Shi Qilin would not send the Qilin clan quasi-saint to surround and kill Su Chen. He was also worried that Su Chen would kill the Qilin clan quasi-saint.

Boom~

Suddenly,

There was another roar in the prehistoric starry sky, and the prehistoric fairyland also shook violently.

Another Chaos Demon God exploded.

In a short period of time,

Two Chaos Demon Gods exploded in the Zhuxian Sword Formation, and the prehistoric creatures guessed that the prehistoric starry sky war was coming to an end.

Beside Lingxi Lake,

Wangshu and Dragon Mother,

There were also Xihe, Changxi, Lustful Demon Envoy, Nuwa, Queen Mother of the West, Houtu, Xuanming, who were talking to each other,

0Please give me flowers

The prehistoric starry sky exploded with a roar again,

Another Chaos Demon God exploded. (To read the most exciting novels, go to Faloo Novel Network!)

Chang Xi hurriedly asked, "Sister Wangshu, another Chaos Demon God has self-destructed in the Zhuxian Sword Formation. Can the remaining two Chaos Demon Gods still break Luohou's Zhuxian Sword Formation?"

"Not sure."

Wangshu didn't care about the battle in the Zhuxian Sword Formation at all.

She had been keeping Su Chen in the prison.

Su Chen had been resisting the Chaos Demon God's attacks without counterattacking. She had been unable to figure it out for more than ten years.

And Nannan.

Nannan was even more leisurely.

Every time she easily resisted the attack of the Light Demon God, Nannan showed an impatient look.

Wangshu guessed that Nannan could easily kill the Light Demon God.

She seemed to be waiting for something.

That's why Nannan didn't kill the Light Demon God.

Xihe asked the Dragon Mother beside him, "Dragon Mother, do you know?"

The Dragon Mother thought for a while and replied,

"I don't know either."[]

"However, Su Chen said that the Zhuxian Sword Formation is composed of the Zhuxian Sword, the Luxian Sword, the Xianjian Sword, and the Juexian Sword. Four strong men must work together to break the Zhuxian Sword Formation. Now there are only two Chaos Demon Gods left. I guess they can't break the Zhuxian Sword Formation."

Hou Tu said in surprise, "In that case, Hongjun and the other four will all fall in the Zhuxian Sword Formation, and Luohou will be considered to have won a great victory."

Dragon Mother shook her head and said,

"That can't be said. Two Chaos Demon Gods self-destructed, Luohou can't be unharmed. I guess Luohou may be injured."

Queen Mother of the West said with bright eyes, "Injured? If Luohou is injured, the remaining two Chaos Demon Gods may have a chance to break the Zhuxian Sword Formation. It's hard to say who will win and who will lose. "

Nuwa looked at Su Chen in the starry sky with a cold face.

She heard Nannan talk about Su Chen's plan.

Luohu?

Su Chen didn't want to kill Luohu.

That's why he and Nannan didn't fight back.

Nuwa guessed that the battle in the Zhuxian Sword Formation would end before Su Chen and Nannan would go all out.

Nuwa touched her fair chin and thought,

[Su Chen? What's his relationship with me? Why did he pass on his holy skills? Why did he provide me with top-quality cultivation resources? And Houtu and the Queen Mother of the West, what's their relationship with Su Chen? Yu].
