### Chapter 331

The next morning,

Wang Meng and Wang Yi, commanders of the Netherworld Cavalry Corps, led their troops to evacuate. After all, this was in the country of Qin. Although this time they took advantage of the chaos in Qin to invade the hinterland of Qin, after all, Qin had hundreds of troops. Ten thousand troops.

If the Qin State tried to destroy them at all costs, even if it defeated the Qin State, I am afraid that the Netherworld Cavalry Legion and Wang Yi's legion would suffer heavy losses.

When Su Chen came out of Hu Ji's room, he saw Wei Zhuang waiting in the courtyard.

Su Chen smiled when he saw Wei Zhuang's impatient look. This brother-in-law's personality was a bit cold, and he just got up a little late. ?

"Wei Zhuang, don't worry, Luo Wang is secretive to begin with, Qin King Ying Zheng will not find Luo Wang's headquarters so easily,"

Wei Zhuang knew what was going on when he saw Su Chen, a bastard, coming out of Hu Ji's room. He wanted to leave immediately. He went to deal with the snare matter, but this bastard insisted on waiting for him today, saying that he still had something to tell him.

Wei Zhuang waited from morning until almost noon before this bastard came out of the room, which made Wei Zhuang very angry with this bastard. Angry,

Wei Zhuang calmed down his emotions and said to Su Chen,

"If Luo Wen were to be evacuated from the Qin State as soon as possible, Zhan Ri knew Luo Wen very well."

Su Chen sat in the yard, poured a cup of tea and took a sip and said,

"Don't worry, although Zhanri knows Luo Yu very well, he wouldn't dare to make a trap even if he had the courage to do so."

"Who is hiding the sun?"

Wei Zhuang was very curious about Zie Ri. Yesterday, the bastard didn't reveal who Zie Ri was. This time Wei Zhuang wanted to know the identity of Zhe Ri.

Su Chen smiled and said to Wei Zhuang,

"king"

"king?"

Weizhuang looked at this bastard and wanted to beat him.

What does a [king] mean?

Are you asking yourself to guess a riddle?

Wei Zhuang immediately turned cold and didn't want to talk to this bastard.

When Su Chen saw Wei Zhuang's look, he knew he was guessing. If it didn't come out, Su Chen might not be able to guess it even if he thought about it. The word "王" is too popular, and Wei Zhuang doesn't understand Sun Covering either. Wei Zhuang would be damned if he guessed it.

Su Chen smiled and said Wei Zhuang reminded,

"It should be very easy to guess who was named Wang next to King Qin yesterday."

After hearing Su Chen's words, Wei Zhuang lowered his head and murmured to himself,

"Your surname is Wang? King scissors? Is it Wang Jian who hides the sun? But that's not right. If Zhanri is Wang Jian's man, then why does Zhenri help Changxin Hou Lao'ai? Could it be that Wang Jian also doesn't know Zhan Ri's true identity?"

Su Chen saw that Wei Zhuang was still a little confused and said to him directly,

"Zhanri is Wang Jian's son Wang Ben. All you need to know is this. I can't guess why Wang Ben did this. Take away the Sun-Shielding Sword as well, and see who needs the Sun-Shielding Sword in the future."

Su Chen said to Wei Zhuang and took out the Sun-Shielding Sword from the system space and handed it to Wei Zhuang. It was useless for him to keep the Sun-Shielding Sword. Now Wei Zhuang's senior brother Gai Nie is still here to heal his injuries, and this time Gai Nie will definitely not be able to return to King Ying Zheng of Qin. The Sun Covering Sword can be used by Gai Nie. Now it depends on whether Wei Zhuang can convince Gai Nie.

"Zhanri turned out to be Wang Jian's son Wang Ben."

Weizhuang didn't expect that Zhanri turned out to be Wang Ben. This surprised Wei Zhuang. The son of General Wang Jian of Qin State actually became the killer of Luo Sheng, and he was still anonymous. What is this Wang Ben going to do?

Wei Zhuang was shaken. He shook his head and did not guess, but it was none of their business. Even if Wang Bi had any conspiracy, it was an internal matter within the Qin State.

Wei Zhuang took the Sun-Concealing Sword handed to him by Su Chen and asked doubtfully,

"Sun-hiding sword? Do you want to give this sword to my senior brother Gai Nie?"

Su Chen saw Hu Ji coming out. He stood up, waved to Hu Ji and said to Wei Zhuang,

"I have this idea, but it depends on what you want. I am leaving Qin and returning to the Southern Continent. If your sister is there, go back and tell her."

"I understand."

Wei Zhuang knew that Su Chen's army was waging a war in the Southern Continent. This bastard had come to the Eastern Continent to pick up girls for almost two months. Su Chen must be needed to deal with some things there.

Then Wei Zhuang left, Luo Wang's Although the matter was not too urgent, Wei Zhuang still had to hide the net first, and then let the net work again after he integrated it.

Su Chen hugged Hu Ji who came to him and ordered,

"Madam, you are going to Han Country today, and I am going back to the Southern Continent today. If you have anything to do in the future, you and Zi Nu will discuss it more. Hu

Ji looked at Su Chen and said softly,

"Husband, I know."

Hu Ji is now Su Chen's real wife. She was also fully involved in the discussion last night. Hu Ji knows that from now on, the Eastern Continent will rely on her and the purple girl in Zilanxuan. Hu Ji doesn't want Su Chen was disappointed with her, but they had to part ways after just one day together, which made Hu Ji a little reluctant to leave.

At almost noon,

Hu Ji secretly left Yongcheng and went to Han Country under the protection of hundreds of secret guards. When Hu Ji left, Su Chen wrote a letter and gave it to Hu Ji. This letter asked Hu Ji to go to Zilanxuan to read it with Zi Nu. This was Su Chen asking Zi Nu in advance based on some things he knew. Be prepared with Hu Ji.

After Su Chen saw Hu Ji leaving, he was also preparing to leave Qin. It's just that there were a lot of people going back with him this time, well!

Basically they were all women.

First of all, Black and White Siming was If he wants to leave with him, the Queen Mother of Qin, Zhao Ji, also has to leave with him. After all, the gold has not been taken out by the secret guards. Who knows if Zhao Ji has deceived him. There is no way that Moon God and Ehuang Nvyng can fight with him. Leave, otherwise Donghuang Taiyi will definitely go crazy.

There are also Yan Lingji and the others. Yan Lingji should be with Yan Fei now. I don't know what kind of women Yan Lingji brought here this time, but Mingzhu will definitely There were quite a few people who came here.

Su Chen touched his chin and thought that when he came to the Eastern Continent, he came with a woman, and when he returned, a lot of women came back with him.

Although there were only two or three of them. His wife, but other women were either his subordinates or his confidante, which made Su Chen feel that he was a little sentimental.

"By the way, why haven't Donghuang Taiyi and Bai Ruobing come back yet? Could it be that the two of them, land gods in the heavenly realm, couldn't beat Xiaomeng's master Bei Mingzi?"

Su Chen suddenly thought of Donghuang Taiyi and Marquis Bai Ruobing. They had been gone for almost a day and a night. How come there was no news at this time? Su Chen hurriedly walked towards the main hall of Yong Palace. He wanted to see Xiaomeng. Has that arrogant girl left?

When Su Chen entered the main hall, he saw the beauties from the Yin Yang family and Xiao Meng were here. Su Chen hurriedly asked Xiao Meng,

"Xiaomeng, has there been news from your master Bei Mingzi?"

When Xiaomeng saw Su Chen coming to her side and asked her, Xiaomeng said to Su Chen with an expression like "I don't want to see you very much."

"Shameless person, why should I tell you?"

Damn it, this arrogant woman really looked like she wanted to be beaten.

Su Chen looked at Xiaomeng's long legs and felt that he was not the same as her. After all, beauties have certain privileges. He will wait until he can deal with Xiaomeng in the future. , will let her know how powerful she is

"Moon God, is there any news about Donghuang Taiyi?"

"Haha, you bastard are worried about your wife. Don't worry, Mr. Donghuang and your wife are fine, but you are going to be in trouble."

Chapter 332

Su Chen was a little confused. Since nothing happened to Donghuang Taiyi and Marquis Bai Ruobing, what trouble did he have?

Is someone trying to do something to themselves?

Or is Bei Mingzi from Taoist Tianzong trying to cause trouble for him?

Did that arrogant girl Xiaomeng complain to Bei Mingzi?

Su Chen just looked at Xiaomeng's long legs and didn't do anything else?

Su Chen thought about it and didn't understand what kind of trouble he would be in. In the Qin State, King Qin Yingzheng probably couldn't do anything to him, so who could trouble him?

Seeing Su Chen's confused look, Moon God smiled and said,

"Haha, Su Chen, it's Xiaomeng. She wants to travel to the Southern Continent with you. This is what her master asked her to go with you. Bei Mingzi, your wife, and Lord Donghuang had something to do last night. They Leave a message and disappear. Xiaomeng will need your care from now on."

I guess, it turns out that's the case. No wonder Xiaomeng looks unhappy today.

It seems that Xiaomeng doesn't want to stay with him.

Su Chen looked at Xiaomeng next to him and ignored her. Who is Bei Mingzi? What do you mean?

Why did you let Xiaomeng leave with him?

Aren't Bei Mingzi afraid that he would turn Xiaomeng into his wife?

Su Chen shook his head and didn't think about these things. When he came to Yueshen and Ehuang, he hugged them. The two of them smiled and said,

"Moon God, Ehuang, I am going back to the Southern Continent today. Do you want to go with me?"

"No, Lord Donghuang gave us a mission. We can't go with you."

"Yes, our Yin Yang family still has a lot to do here. We can't leave with you."

Although Yueshen and Ehuang wanted to leave with Su Chen, they thought of Donghuang Taiyi's order last night, so they could only refuse.

Yueshen looked at Su Chen, touched Su Chen's face and said with a smile, "Su Chen, I originally wanted you to look at my eyes, but you have no chance. Who told you, a bastard, to be with that Hu girl last night? I will go find you and let you look into my eyes later."

Su Chen smiled awkwardly. He enjoyed Hu Ji's tenderness last night, but he put everything aside. This little girl Luna must be jealous.

"Haha, Moon God, I think it's okay now."

Yue Shen opened the bastard Su Chen's hand on her waist. She didn't want to talk to this bastard.

"Humph, you bastard doesn't stand a chance."

Su Chen took out two boxes and handed them to Yueshen and Ehuang one each and said,

"Okay, then I will look into your eyes later, Moon God, Ehuang, each of you has this. There is innate red fruit in it. You will have no problem eating it to advance to the Grand Master."

Su Chen also knew that they must have stayed for Canglong Qisu. The Yinyang family doesn't know how many of the Canglong Qisu copper boxes have been collected now, but it must not be much. The

Qin State copper box should have been given to Donghuang by King Qin Yingzheng. Taiyi, Concubine Yan of the Han Kingdom should have also given it to Donghuang Taiyi. Su Chen also knew about the rest, but he didn't know if Donghuang Taiyi had obtained other copper boxes in the past few decades.

Moon God and Ehuang Taking the box, they opened it and looked at the red fruit inside. When they opened the box together, a burst of fragrance spread throughout the hall. The Moon God and Ehuang immediately covered the box. They all knew that this was a kind of heaven and earth spirit. Guo, such a heaven and earth spirit fruit did not expect that Su Chen would give it up to them. This made the Moon God and Ehuang look at Su Chen with tenderness.

At this time, the female heroes Da Si Ming and Shao Siming, Xiao Meng, and Black and White Si Ming , Zhao Ji was a little shocked when she looked at the box in the hands of Yueshen and Ehuang.

They heard very clearly just now. Da Si Ming and the others smelled a fresh fragrance when Yueshen and Ehuang opened the box. They I didn't expect that Su Chen would have such a heaven and earth spirit fruit, and also gave it to the Moon God and Ehuang.

This made other women in the hall look at the Moon God and Ehuang with envy.

The nvying next to her couldn't help it, this Since the bastard gave it to his sister Ehuang, why didn't he give it to himself? Is this looking down on her?

Nuying came directly to Su Chen, grabbed him and asked angrily,

"Su Chen, where is mine?"

"What are you?"

Su Chen smiled when he looked at the angry Nuying. Su Chen also planned to give Nuying's Zhu Guo to her. Nuying looked exactly like Ehuang. Su Chen would not let Nuying take advantage of others. It's just that The heroine was a bit too lively, and she often went against him. Su Chen planned to train this somewhat lawless heroine in the future.

"Heaven and Earth Spiritual Fruit, you gave it to my sister, why didn't you give it to me?"

"Nonsense, your sister will be my wife from now on, isn't it natural for me to give it to her?"

"You bastard, give it to me quickly or you won't even think about leaving."

Nüying said to Su Chen with some hatred.

Nüying has telepathy with her sister Ehuang. If Ehuang really becomes the wife of this bastard Su Chen, will she still like other people?

Nüying She also fell in love with this bastard after she was saved by him, but this bastard always liked her sister, so Nvying was unhappy and kept going against him.

"Sister, let me give this to you."

"I don't want it, I want this bastard for me"

"Here you go, don't go against me at all times in the future."

Nvying took the box Su Chen gave her and smiled happily. She looked at Su Chen and said deliberately,

"Tsk, I will definitely be right with you from now on."

Other people here saw that Nu Ying wanted to get the Heaven and Earth Spirit Fruit. They also looked at Su Chen one by one. They didn't know if Su Chen still had the Heaven and Earth Spirit Fruit, but they also wanted Su Chen to give them a Heaven and Earth Spirit Fruit. Sure enough.

Su Chen patted Nu Ying on the head and stopped talking to her. He also saw the expressions of the women next to her. Su Chen said to the other women without being angry,

"What are you looking at? Do you think the Heaven and Earth Spirit Fruit is Chinese cabbage? I don't have it anymore, so don't even think about it."

Su Chen didn't have many Xiantian Zhuguo available last time. He gave them to Yanlingji, Mingzhu, Zinu, and Zinu's younger brother Wei Zhuang in Zilanxuan. One for each of them, and now they are divided. Three of them were taken out, and Marquis Bai Ruobing used one to heal her wounds. Su Chen was left with only two innate red fruits. Da

Siming and the others turned their heads in embarrassment. They had nothing to do with this Lord Wu Xiang, even if Even if Lord Wu Xiang has the Heaven and Earth Spiritual Fruit, I'm afraid he won't give it to these people. In the Southern Continent, Su Yan has been living here at Pegasus Ranch for a while. She wanted to leave, but Shang Xiuxun refused to let her leave.

Su Yan also knew that she couldn't stay here forever. She had to go to Luoyang, otherwise Aunt Murong Qiudi would definitely come here to find her.

Su Yan felt helpless when he looked at Shang Xiuxun who was making beautiful food. said,

"Sister Shang, we have agreed this time that after the horse transaction at your Pegasus Ranch is completed, I really have to leave, otherwise I may be imprisoned and unable to get out of the house in the future."

"Allah, Allah, as long as I complete the war horse transaction this time, how about I take you with me and send you the war horse to Luoyang? Sister, am I interesting enough?"

Chapter 333

Shang Xiuxun smiled when she looked at the helpless little Su Yan. She also knew that she could not keep Su Yan here forever. As long as she traded the remaining horses this time, those who wanted to take advantage of Pegasus Ranch would know There are no more war horses in Pegasus Ranch.

Pegasus Ranch will definitely be safe for a while. This time she and Su Yan went to Luoyang to discuss cooperation with Su Yan's family.

Su Yan sat on the chair and kicked his feet boredly and said,

"There are still ten more days, Sister Shang, if I go back and be imprisoned this time, I won't let you leave."

Shang Xiuxun was a little confused. Su Yan had been out for more than a month. Her aunt should not restrict Su Yan's freedom in the future.

Shang Xiuxun looked at Su Yan who was bored and asked,

"Su Yan, will your aunt really imprison you? You're just hanging out for some time, she shouldn't be doing this, right?"

"Why should I come out to play? I secretly came out of the house to save my dad this time, but dad was not saved and was left here by you instead."

Su Yan was also very speechless about her father.

Su Yan thought about why her father didn't come back from the Eastern Continent since he had nothing to do. Now the news about the ranking list of martial arts beauties was spreading. If her father came back from the Eastern Continent in the future, what would happen to her family? The aunts would definitely not spare him.

Shang Xiuxun was a little interested when he thought of Su Yan's father. Shang Xiuxun knew the expression on this little girl's face when she found out about the ranking of martial arts beauties. At that time, Su Chen gritted his teeth and wanted to teach her a lesson. Her father also said that her father did not make people worry about anything.

Shang Xiuxun laughed when he thought of this.

"Haha, you, a little girl, do you still need to save someone as big as your father? Besides, isn't your father doing well now?"

"Tsk tsk,"

"Su Yan, you have also seen the ranking list of martial arts beauties. You will have many aunts in the future! Look at the beauties on the beauty rankings. Most of them are related to your father. You will definitely have a hard time in the future."

Su Yan was speechless looking at the laughing Shang Xiuxun.

Is this Shang Xiuxun laughing at her?

What will she have to do in the future?

Even if her father has many women, it is impossible for those women to be disadvantageous to her.

"Yep, my dad has a lot of confidantes, no matter how many there are, I'm used to them anyway."

Shang Xiuxun was speechless after hearing Su Yan's words. Su Yan's father did have a lot of confidantes.

Shang Xiuxun thought about it. No matter how many confidantes Su Yan's father had, I'm afraid there really wouldn't be many.

Wulin beauties It is impossible for all the beauties on the ranking list to be related to Su Yan's father, at least he has no relationship to her father. When

Shang Xiuxun thought that she was also a beauty on the martial arts beauty ranking list, she was a little worried that Su Yan's father would attack her. Shang Xiuxun shook his head and felt that she was thinking too much.

Su Yan's father should not be the kind of person who can't walk when he sees a beautiful woman, otherwise he would definitely not be alive now

"Ahem, Su Yan, we can go to Luoyang in less than ten days, so you can stay at Pegasus Ranch for another ten days."

Su Yan took the snacks made by Shang Xiuxun and started to eat. She was no longer interested in Pegasus Ranch. She had already walked around here, and it would be like that again.

Su Yan suddenly thought of what was coming in these two days. Kou Zhong and Xu Ziling looked at Shang Xiuxun and said with a smile,

"By the way, Sister Shang, one of those two boys seems to like you. Do you want to think about it?"

"You mean Xu Ziling and Kou Zhong?"

Shang Xiu looked at the little girl a little irritably and wanted to beat her up. Kou Zhong and Xu Ziling were also the ones who came to buy war horses this time. They were Du Fuwei who represented Jianghuai.

Shang Xiuxun met those two boys last time. After that, Shang Xiuxun felt that the two of them were like little gangsters and did not look like representatives of the same power at all.

Su Yan looked at Shang Xiuxun's somewhat ugly face and said with a smile,

"Yes, there is something wrong with the way Xu Ziling looks at you. He must have fallen in love with you. Besides, they are here to buy war horses on behalf of Jianghuai Du Fuwei, and they are both Du Fuwei's adopted sons, but their martial arts skills are inferior."

Shang Xiuxun immediately grabbed Su Yan and threatened,

"Shut up, Su girl, I won't fall in love with that Xu Ziling. A boy who looks like a gangster still wants to eat swan meat. He is really delusional. You girl, don't talk nonsense to me."

"Haha Allah, Allah."

At this time, in a room at Pegasus Ranch, Kou Zhong and Xu Ziling were talking in the room. Now Kou Zhong and Xu Ziling were dressed in gorgeous clothes and looked very handsome.

Neither Kou Zhong nor Xu Ziling Thinking that they would be adopted as adopted sons by Du Fuwei of Jianghuai, the two of them just ate a red fruit by mistake after leaving Yangzhou. They did not expect that after eating the fruit, they would have internal strength. Later they After meeting Du Fuwei and being released by that Wu Xiangjun, Kou Zhong and Xu Ziling were adopted as adopted sons by Du Fuwei and brought back to Jianghuai in a daze. Now they have also practiced the martial arts passed down by Du Fuwei. And he also cultivated to the realm of innate cultivation in a short period of time.

Kou Zhong looked at Xu Ziling's distracted look and said with a smile,

"Mr. Ling, if you like Shang Xiuxun, the owner of Pegasus Ranch, just go after him. Anyway, we are now young marshals of the Jianghuai Army, and our status is worthy of Shang Xiuxun. We are not the two people from Yangzhou City before. What a bastard."

Xu Ziling immediately stood up and hurriedly grabbed Kou Zhong and said,

"Mr. Zhong, don't talk nonsense. I don't like Shang Xiuxun, the owner of Pegasus Ranch."

Kou Zhong looked a little funny when he saw Xu Ziling's nervous look. Of course he knew that Xu Ziling didn't like Shang Xiuxun at all. Kou Zhong also wanted to tease Xu Ziling.

"Then why do you think Shang Xiuxun's eyes look wrong?"

Xu Ziling has no idea that Kou Zhong is teasing him. He is now afraid that Kou Zhong will talk nonsense in the future. Xu Ziling has someone he likes. If Kou Zhong spreads everywhere in the future that he likes Shang Xiuxun, the owner of Pegasus Ranch, I'm afraid he will There would never be a chance to get the woman he liked again, so Xu Ziling said seriously to Kou Zhong,

"Mr. Zhong, I just think the mall owner is pretty and outspoken, and a beautiful woman can manage such a large Pegasus ranch. Her ability is also very good."

Kou Zhong now feels that he can no longer tease Xu Ziling, otherwise this honest guy may fall out. Kou Zhong smiled at Xu Ziling and said,

"Haha, I understand, you still can't forget that Shi Fei Xuan from Cihang Jingzhai, right?"

"you? How do you know that I like Shi Feixuan from Cihang Jingzhai?"

Xu Ziling looked at Kou Zhong with some surprise.

Xu Ziling liked Shi Fei Xuan but didn't tell anyone.

Xu Ziling used to be just a gangster, and he was not qualified to like Cihang Jingzhai's proud daughter of heaven. Although he is practicing now He has martial arts skills and is also a powerful young marshal, but compared with Cihang Jingzhai's Shi Feixuan, he is still not good enough.

Moreover, everyone knows the relationship between Shi Feixuan and Wu Xiangjun, but Xu Ziling cannot compare with that Wu Xiangjun. Xiangjun, he could only bury his love for Shi Feixuan deep in his heart, but he didn't expect that Kou Zhong knew that he liked Shi Feixuan, which Xu Ziling didn't expect.

"Haha, Mr. Ling, when you were at the small lake outside Yangzhou City, you looked at Cihang Jingzhai's Concubine Xuan, and your eyes were wrong. But after you knew that Concubine Xuan was the confidante of Lord Wu Xiang, you became very emotional. If I can't figure out how depressed you are, then why should I be your brother?"

Chapter 334

Xu Ziling felt helpless after hearing what Kou Zhong said. What was the use of him liking Shi Feixuan? Shi Feixuan was Wu Xiangjun's confidante and would even be Wu Xiangjun's wife in the future.

Even if Xu Ziling has practiced martial arts now, what's the point of being a young commander of the Jianghuai Army? His adoptive father Du Fuwei was also defeated at the hands of Lord Wu Xiang, and Lord Wu Xiang's men were not something he could deal with. sXu Ziling looked at the smiling Kou Zhong next to him and said seriously,

"Mr. Zhong, please don't talk about this matter casually. If Lord Wu Xiang and Shi Feixuan find out about this matter, it may bring trouble to us and even our adoptive father. You also know Lord Wu Xiang's power in the Sui Dynasty. How big."

Kou Zhong also knew the seriousness of this matter. Their adoptive father had repeatedly told them not to offend Lord Wu Xiang. Kou Zhong did not want to cause unnecessary trouble to his adoptive father Du Fuwei.

"I know. Fortunately, Lord Wu Xiang did not want to dominate the world. He only controls Yangzhou and Luoyang now. His adoptive father said that if Lord Wu Xiang wanted to dominate the world, the people of the Sui Dynasty No force will be Wu Xiangjun's opponent, but I don't understand why Wu Xiangjun's army only has less than 100,000 people. Why would his adoptive father say this?"

"I don't know, maybe my adoptive father knows some secret things. I guess that Lord Wu Xiang cannot only have Yangzhou and Luoyang armies. Lord Wu Xiang should also have hidden other armies, but we don't know."

"Forget it, let's not talk about this anymore. Mr. Ling, why don't you go to the back mountain to chat with that old man?"

"Go, that senior is not simple. I have benefited a lot from him these days. That senior must be a powerful master. I must learn more skills from him."

---

At the junction of the Eastern Continent and the Southern Continent, thousands of guards were guarding several luxurious carriages heading towards the Southern Continent.

In a luxurious carriage, Su Chen was sitting in the carriage holding Concubine Yan and looking at the scenery outside. This was already the sixth day since they left Chang Qin State. They had been traveling for the past six days, hoping to return as soon as possible. Southern Continent.

Su Chen touched Concubine Yan's belly and said with a smile,

"Madam, we will be separated after we arrive in Sui Dynasty. You take Mingzhu and the others back to Gusu City directly. I am going to Luoyang in Sui Dynasty to take out the treasures from the treasure house. I also have to make arrangements here in Sui Dynasty. Concubine Yan lay lazily in Su Chen's arms and squinted her eyes and said, "I know, but don't waste too much time. If you're not here when our child is born, I won't let you go.""

Su Chen was very happy when he saw Concubine Yan. Although Su Chen had a daughter, Su Yan was not his biological daughter after all.

Moreover, Su Yan was five or six years old when she followed him, and Su Chen had never held a baby since she was a child. Su Yan during the period, this time his child was born, he must be there. Su Chen wanted his child to be able to see his father when he was born,

"Haha, don't worry, I will definitely be there when our child is born. This is my first child, how could I not be there."

Concubine Yan suddenly took out the letter from the secret guard and said to Su Chen,

"It's good that you know. By the way, Jing Salamander sent a message saying that Su Yan's girl is at the Pegasus Ranch in Sui Dynasty and wants you to pick her up too. That girl has learned from you not to go home once she leaves home."

Su Chen was a little worried when he heard that Su Yan appeared in the Sui Dynasty. That girl is getting more and more bold now. She used to just run around around Gusu City, but now she actually crossed the sea and went to the Sui Dynasty.

There is no need to go to the Song Dynasty here. , the Great Sui Dynasty was very chaotic, with various forces constantly fighting and annexing each other, and I don't know how any girl ended up at Pegasus Ranch.

Su Chen also felt that Su Yan was getting older and bigger, and he would be less able to control her in the future. Su Chen hugged her Concubine Zhu Yan said helplessly,

"Don't pay attention to that girl. Su Yan is very smart. It is impossible for anything to happen to her. But this time she crossed the sea and came to Sui Dynasty. This girl is a bit brave."

"This daughter of yours is here to save you. Don't scold her when you see her."

"Let me tell you, madam, you don't know about that girl. If I offended her in the past, she would always ask me to compete in martial arts. I didn't know martial arts at that time, but I was bullied by that girl as a sparring partner for a while."

"Haha, that's why you like that girl Su Yan. Your daughter is quite amazing. She is so smart at such a young age. She will definitely be a very amazing person in the future."

"That is, regardless of whose daughter she is."

Concubine Yan rolled her eyes and ignored this bastard. Su Yan is smart and smart now. But Su Chen, this bastard, will be punished. When Su Yan grows up, he will definitely cause trouble like this bastard. Su Chen will prepare for Su Chen in the future. Let's deal with those troublesome things.

Concubine Yan looked at the carriage behind and said helplessly to Su Chen,

"How do you arrange for the women in the back?"

Concubine Yan also knows that the women in the carriage behind have nothing to do with Su Chen, but these are some peerless beauties after all, and she doesn't know how this bastard will deal with them in the future.

Concubine Yan now feels that this bastard will definitely not let these women leave. Concubine Yan was too lazy to care about these things.

Su Chen held Concubine Yan in his arms and looked at the carriages behind him. In those carriages were the women who came with him this time. Su Chen did not expect that Yan Lingji would bring her. We went to the Southern Continent with some unrelated women.

There were quite a few women who came from Zilanxuan with Yan Lingji this time, but most of them had nothing to do with Su Chen, and they didn't know either Zi Nu or Pearl Yan Lingji. They would ask these women to follow them.

Su Chen had asked Yan Lingji to take some women back to Zilanxuan, otherwise there would have been more women following this time.

Su Chen thought of Xiao Meng and Xue Nu in the carriage behind. Black Widow, Hu Meiren, Madam Hu, Zhao Ji, Black and White Siming, Su Chen asked Yan Lingji to take Li Wu and Yingge back to Zilanxuan to help Zinu. Just these women, Su Chen had a headache how to arrange them. They, especially Hu Mei and Madam Hu, Zi Nu asked them to come over anyway. Are they afraid that something will happen to Zi Lan Xuan in the future?

Su Chen looked at Ming Zhu who was pretending to sleep next to her and pushed her and said,

"Mingzhu, stop pretending to be asleep. You brought those women here, and you can arrange for them yourself in the future."

After Mingzhu got up from the side, she stretched her perfect figure and said with a smile to Su Chen,

"Husband, these women are prepared for you by Sister Zinu. Sister Zinu is worried that you, a bastard, will still run around in the future. If you have these beauties at home, you will not disappear easily."

Mrs. Mingzhu has been tortured a lot by this bastard in the past few days. Concubine Yan is now pregnant and she is left to serve this bastard alone. Mingzhu is a little afraid of this bastard these days. There are several times when

Mingzhu wants to call Mei Mei Come here, but every time Hu Meiren, the vixen, keeps avoiding her as if she knows something, which makes Mrs. Mingzhu a little angry. The remaining women have nothing to do with Su Chen, so she can't just drag a woman over here, right?

"Shit, you are talking nonsense. When did I run around randomly? I do serious things every time I go out. Mingzhu, what happened to Mrs. Hu? You can't possibly prepare her for me, right?"

Chapter 335

Mrs. Mingzhu laughed when she saw Su Chen's angry look. She knew why Mrs. Hu came with her. At that time, Mrs. Hu was not among the women who went to Qin to help Su Chen. It was just that Hu Meiren brought her with her when setting off. Mrs. Hu got on the carriage.

There were so many people at the time that she didn't pay attention, and the remaining women didn't know who was going this time, so Mrs. Hu followed them in a daze. This was only discovered by Yan Lingji after she arrived in Qin..

But the people had already arrived, and Yan Lingji had no choice but to continue taking Mrs. Hu to Yongcheng. Fortunately, they were met by Concubine Yan before they entered Yongcheng this time. Otherwise, these women would just be delivering food. A battle involving hundreds of thousands of troops is not something women like them can participate in.

Mrs. Mingzhu later learned from Hu Meiren the reason why Mrs. Hu came here this time. It turned out that Mrs. Hu had discovered her former husband Li Kai. Hu Meiren felt that Li Kai was not a man and did not want her sister to be with that Li Kai. What else is there to do with it?

Besides, Li Kai was also disfigured and covered in scars. She didn't know when she would die. She didn't want her sister to be sad again, so Hu Meiren secretly tricked Mrs. Hu into the carriage.

Mrs. Mingzhu smiled and told Su Chen and Concubine Yan why Mrs. Hu also came here.

After Mrs. Mingzhu finished speaking, she looked at Su Chen intriguingly. Mrs. Mingzhu wondered if this bastard Su Chen had thought of something just now.

Mrs. Hu is in her prime, and she is also very gentle and considerate. Does this bastard have any thoughts about Mrs. Hu?

Su Chen is a little embarrassed now. He was the one who thought wrong just now. Su Chen did not expect such a thing to happen, but Mrs. Hu can come with her. Anyway, his Wu Xiangjun Mansion does not need one more person to eat..

At a fork in the road,

Su Chen and Yan Fei and the others separated. More than a thousand guards continued to escort Yan Fei and the others to take a boat back to Gusu City.

Su Chen continued to go to the Sui Dynasty, and this time Su Chen was followed by Xiaomeng, a tsundere, and the Snow Girl given to him by Ji Wuye. The rest was the black widow of Luo Yue, and all the rest were with Concubine Yan went to Gusu City together.

Su Chen waited for Concubine Yan and her convoy to disappear. After getting on the carriage and moving on, Black Widow drove the carriage and set off slowly.

After Su Chen entered the carriage, he saw Xiao Meng and Xue Nu looking at him coldly. Su Chen looked at these two women with white hair and said speechlessly,

"Why are you looking at me like that? If you don't want to sit in a carriage, go replace the Black Widow."

"Shameless."

When Xiao Meng saw Su Chen, she had a cold and proud face and didn't want to talk to this shameless person. She didn't understand why the master asked her to follow this shameless person to the Southern Continent for training. This bastard was a shameless person. When Xiao Meng saw This bastard is angry.

Su Chen looked at Xiaomeng and felt helpless. Will this arrogant girl die if she doesn't go against her?

Look at Xue Nu, although Xue Nu can't stand her, she is self-aware and knows how to speak. Too much is self-disgrace.

Why didn't Xiaomeng think of this?

Has cultivation made his brain stupid?

Su Chen pointed at Xiaomeng and said unhappily,

"Let me tell you, Xiaomeng, you have to know that if your master Bei Mingzi hadn't asked me to take you through the training with the same mentality as the light and dust, I wouldn't have taken you, an arrogant woman, with you."

"I didn't ask you to take me with you"

"Hey, you can leave now"

"Return Heguang Tongchen to me and leave."

Su Chen directly threw He Guang Tongchen to Xiao Meng after hearing what Xiao Meng said. This He Guang Tongchen himself has started practicing in the past few days, and Concubine Yan also copied it down. Su Chen doesn't mind this He Guang Tongchen now. Same as the mind of dust,

"Do you think I care about being like the light? Give it back to you."

Xiaomeng was a little stupid.

Xiaomeng was just talking casually. She was not familiar with the place in the Southern Continent. Besides, his master asked her to follow this bastard Su Chen. If she left privately, I'm afraid she wouldn't be able to give him anything in the future. The master explained.

And this bastard Su Chen has a lot of good items on his body. Even the Heaven and Earth Spirit Fruit Xiaomeng really wants to get it.

Xiaomeng is a little confused when holding Heguang Tongchen. What should I do now?

This damn bastard is so annoying. She, this made Xiaomeng undecided whether to leave. At this time, the snow girl next to her suddenly spoke to Xiaomeng,

"Xiao Meng, he has already copied He Guang Tong Chen's mental method."

Su Chen heard Xue Nu's cold voice, and he looked at this snow nv who danced well.

This was the first time Su Chen heard Xue Nu speak along the way. Xue Nu's voice was indeed good, although Xue Nu's voice sounded very cold. But as soon as he heard her voice, he knew that she was a peerless beauty. After hearing Xue Nu's words, Xiao Meng suddenly realized and asked, "You shameless bastard, you didn't really copy Wakang Tongchen, did you?"

"I just copied it. Is that what you want?"

Su Chen looked at the talkative Xue Nu and admitted generously. Anyway, the copied version of He Guang Tong Chen's mind has been taken away by Concubine Yan. Can Xiaomeng still get the copied version of He Guang Tong Chen from Concubine Yan? ?

"Shameless"

Xiaomeng angrily threw Heguang Tongchen on Su Chen's body again. Xiaomeng did not expect that this bastard would be so shameless. He even copied Heguang Tongchen and drove her away. This made Xiaomeng unchanged forever. An angry expression appeared on his face again

"Hahahaha."

Seeing Xiaomeng's changed face, Su Chen also thought about why Bei Mingzi asked Xiaomeng to come out for training.

Although Xiaomeng is a cultivation genius, she has never experienced the fireworks of the world, or even understands the ways of the world. This may be the reason why Bei Mingzi asked Xiaomeng to come out to practice this time. Otherwise, if Xiaomeng continues to practice like this in the future, Xiaomeng's seven emotions and six desires will disappear.

By that time, what is the use of Xiaomeng's martial arts being the best in the world?.

Indifferent to everything?

Not caring about anything?

Then will Xiaomeng still be considered a human being in the future?

The reason why human beings are human is that they have seven emotions and six desires, without any emotions, and treat everything as if it is the way of heaven and has been arranged by fate, then Xiaomeng was useless.

Su Chen smiled for a while and saw that Xiaomeng's face was getting more and more ugly. He did not dare to anger Xiaomeng too much. Su Chen decided to slowly change Xiaomeng in the future.

Su Chen looked at it The man sitting next to him looked calm and relaxed and asked with a smile,

"Snow Girl, what do you think? You were just given to me by Ji Wuye as a concubine. If you don't want to, you can leave at any time and I won't stop you from leaving."

"Hey, are you mute?"

"Snow Girl, do you agree to be my concubine? Still disagree?"

"Snow girl, can you say something?"

Su Chen was a little helpless. This snow girl is really too cold. This snow girl who hides her heart doesn't know how deeply the man who hurt her hurt her. This is nothing in modern times. It's common for people to break up because they can't get along, and I don't see anyone seeking death or survival.

"Xiaomeng, I leave this to you as your sister."

After Xiaomeng heard what Su Chen said, she immediately stood up angrily and pointed her Qiuli sword at Su Chen. She didn't expect that this bastard would dare to attack her.

"Shameless, I am not your woman"

"Let me guess, when did I say that you are my woman? I see that you both have white hair. If others don't know, they will definitely think that you are sisters. Am I wrong to say this?"

Chapter 337

Su Chen appeared in a small town with Black Widow in his arms. Su Chen looked at the town and it should be not far from the Pegasus Ranch. It was a bit late today.

Su Chen decided to take a rest here. Xiao Meng and Xue Nu would definitely not be able to find this place anyway. Su Chen had to teleport several times before finding this town.

"Black Widow, look at the inns here and there. Let's take a rest here tonight and leave again tomorrow."

"Yes, Master."

Black Widow is still a little confused now. She did not expect that her master is so powerful. Su Chen only held her for a few times and appeared in a small town. This made Black Widow feel a little in awe of this master..At night,

Black Widow took Su Chen to an inn, but there were a lot of people in this inn. Su Chen frowned when he looked at the people here, but after thinking about it, this was a small town. , I'm afraid there is no other inn. As long as these people don't seek death, Su Chen doesn't bother to talk to them.

The waiter in the inn saw a richly dressed young man coming in with a beautiful woman. He hurried over and bent down and asked ,

"The young master is inviting me inside. I wonder if the guest is staying in a hotel or having a meal?"

Su Chen looked around and said to the boy,"Boy, open a room and prepare some special dishes for us."

"Well done, sir. Please take a seat. The food will be served immediately. Black

Widow observed the people in the inn and said cautiously to Su Chen,"Master, the people here seem to be waiting for someone to come over?"

"No matter who they are waiting for, Black Widow, sit down and eat first. We don't need to pay attention to what's going on here."

"Yes, Master."

At this time, the people in the inn looked at Su Chen and Black Widow and then withdrew their gaze. These two people were not what they were waiting for.

"Brother Yang, do you think everyone in Shang Xiu Fang Shang will really pass by here?"

"Of course, Shang Xiufang and everyone are going to Luoyang, the eastern capital. This is the ultimate road. It is getting late now. Shang Xiufang and everyone must rest here for a night. Then we can see the true appearance of Shang Xiufang and everyone."

"That's right. If Shang Xiufang can perform here, we will make a lot of money."

"You are just wishful thinking. Countless people in the world wanted to invite Shang Xiufang and everyone to perform, but they were all rejected by Shang Xiufang and everyone."

"Hehe, Shang Xiufang is the fifth most beautiful woman in the martial arts world in our southern continent. I just want to see how beautiful Shang Xiufang is."

"Most of the stunning beauties in our southern continent are taken over by Wu Xiangjun. This Wu Xiangjun is very awesome."

"Fortunately, Mr. Shang has nothing to do with Mr. Wu Xiang, otherwise we would cry to death."

While the people in the inn were talking about Shang Xiufang, a young man stood up and said to everyone in the inn,

"Well, let's talk about it. In our ranking list of martial arts beauties in the southern continent, the number one Shi Fei Xuan from Cihang Jingzhai is related to Wu Xiangjun, and the second ranked Yinkui sect Huan Huan is also related to Wu Xiangjun."

"The third little dragon girl is from the Song Dynasty. I heard that she is from the ancient tomb sect. Maybe the little dragon girl was not born, so she has nothing to do with Wu Xiangjun."

"But Shi Qingxuan, the fourth one, turned out to be pregnant with Wu Xiangjun's child, which made Shi Qingxuan's admirers heartbroken."

"We are ranked fifth, Shang Xiufang, everyone is still as clean and self-possessed as ever"

"Huang Rong, ranked sixth, is also related to Wu Xiangjun and even lives in Wu Xiangjun's mansion."

"Shang Xiuxun, ranked seventh, is also related to Wu Xiangjun. She should not be related to Wu Xiangjun's daughter. Maybe she will be Wu Xiangjun's confidante in the future."

"Li Xiuning, who is ranked eighth, this woman has been beaten by Wu Xiangjun. This is big news. Wu Xiangjun has never beaten the beauties on the martial arts ranking list. Do you think Li Clan's young lady Li Xiuning has offended Wu Xiang? Jun?"

"Song Yuzhi, who is ranked ninth, is also related to Wu Xiangjun. Shan Wanqing, the princess of Dongming, who is ranked tenth, cannot have a relationship with Wu Xiangjun overseas."

"The only peerless beauties on these martial arts beauty rankings are Xiao Longnu from the Ancient Tomb Sect, Shang Xiufang, Shang Jia, and Shan Wanqing from the Dongming Sect. The three of them have nothing to do with Wu Xiangjun."

"But this is also temporary. Who knows whether Mr. Wu Xiang will directly occupy the remaining three peerless beauties? Haolai has an all-inclusive list of all the stunning beauties on our ranking list of martial arts beauties in the southern continent."

As soon as the young man finished speaking, everyone in the inn began to talk. They were all a little worried about the remaining peerless beauties. They were afraid that Lord Wu Xiang would also harm the remaining three peerless beauties.

"Not sure about this"

"Yes, yes, if Wu Xiangjun has a whim that day and has a happy reunion, then we will also be heartbroken."

"I now pray that Mr. Wu Xiang will let our Shang Xiufang go. Mr. Wu Xiang has enough beauties. I hope he will not hit our Shang Xiufang again."

"No, have you ever thought about it? Wu Xiangjun's cousin Wang Yuyan used to be the seventh most beautiful woman in the martial arts world. Why is she not on the list this time?"

"I don't know, maybe it's not on the list for some reason."

"That's right. Wang Yuyan is Wu Xiangjun's cousin. Nothing will happen to her. There must be some reason why she is not on the list."

The people in the inn were still talking about Shang Xiufang, everyone, but as they talked, they started talking about the martial arts beauty rankings, and even removed Wu Xiangjun from the list.

Su Chen heard this at first Shang Xiufang might be coming here soon. He was also somewhat interested in this ancient star, but he felt a little embarrassed when he heard it. Why didn't these people talk about Shang Xiufang? Now they are talking about the ranking of martial arts beauties. , and even kept mentioning himself, which made Su Chen a little helpless. Su Chen was speechless when he heard what these people said. He was the one who deceived Shi Zhixuan about Shi Qingxuan at that time. Who knew that the rumor would become true? This made Su Chen Chen felt even more sorry for Shi Qingxuan.

However, her cousin Wang Yuyan was not on the list this time, probably because she disappeared recently. Su Chen's cousin Wang Yuyan has been in seclusion since she practiced martial arts. Su Chen is now very much looking forward to Wang Yuyan coming out of seclusion. How strong is the queen's strength?

Black Widow asked Su Chen with some expectations,

"Master, when can Master win the remaining three beauties in the ranking list of martial arts beauties in the Southern Continent? Just like the ranking list of martial arts beauties in the Eastern Continent, the master has won them all"

"I guess, I don't have all-inclusive packages in the Eastern Continent."

Su Chen looked at the Black Widow speechlessly. He did not expect that the Black Widow would be so gossipy now, and the beauties on the martial arts beauty rankings were only related to him, but Su Chen had not captured them yet. The

Black Widow looked at Su Chen With a speechless expression, he smiled and said,

"Haha, Master, the only one left in the ranking list of martial arts beauties in the Eastern Continent is Da Siming of the Yin-Yang family, and Da Siming looks at you in the wrong way. Maybe the master will not take the initiative to take the initiative, and Da Siming of the Yin-Yang family will throw himself into your arms. Hug"

"How can this be? That imperial sister dislikes me very much, and Gongsun Liji has nothing to do with me. It's not like you don't know this.".....

## Chapter 338

Su Chen was speechless looking at the black widow's admiring eyes. What could this black widow have to admire about these things?

Su Chen was also helpless, why did that damn Bai Xiaosheng seem to know everything, and he had some relationship with those women just by talking to them, and then other people also talked to those beauties, so he didn't see Bai Xiaosheng put those Bring people too.

That Bai Xiaosheng had deep ill intentions towards him. Was he making himself a public enemy in the martial arts world?

Black Widow gave Su Chen some vegetables and said with a smile,

"Master, Gongsun Liji, do you think anyone will dare to want her? If word spreads about what the master is doing in the Eastern Continent, even some people who want to take Gongsun Liji's ideas will be too scared to take any more chances with her."

"What does that have to do with me? I haven't even seen Young Master Li Ji's face."

"Hahaha."

Just when Su Chen and Black Widow were eating, there was some commotion outside, and people in the inn also ran outside one after another.

Black Widow looked outside and said to Su Chen, "Master, Shang Xiu. Fang is here, should we go take a look?"

Su Chen shook his head and drank the wine and said, "Don't look at it. It's not like I haven't seen beautiful women before. Let's take a rest after dinner. We have to go to Pegasus Ranch tomorrow."

Su Chen is not in the mood to see this ancient star now. He is a little worried that Xiao Meng and Xue Nu will have arrived at Pegasus Ranch tomorrow. If they meet Xiao Meng and Xue Nu again in Pegasus Ranch, Su Chen will not be able to escape. After all, his daughter is still at Pegasus Ranch.

Black Widow blushed a little after hearing Su Chen's words. Su Chen opened a bedchamber today, and Su Chen teased her all the way. He wouldn't want her to sleep with him this time. ?

The black widow was a little uneasy now. She didn't know whether she should serve this master, and she had no intention of resisting. The black widow looked at Su Chen, who was eating and drinking, and her face became redder and redder.

Su Chen had eaten Fan saw that it was still noisy outside, so he went upstairs to rest with the blushing Black Widow in his arms. The Shang Xiufang outside had nothing to do with him, and Su Chen didn't want to have anything to do with this ancient star.

The next day, it was still dark It was not bright. Su Chen got dressed under the care of the black widow and prepared to go to Pegasus Ranch. However, when Su Chen and the black widow went downstairs, they found that someone had gotten up earlier than them.

Shang Xiufang was also very helpless. She was so The first time she went to Luoyang, the eastern capital, to meet a friend, she didn't know who leaked the news. She was harassed all the way.

Today she decided to change her route. Shang Xiufang decided to go to Pegasus Ranch to stay for a while. Shang Xiuxun from the ranch is her friend, and Shang Xiufang believes that Shang Xiuxun will be happy about her arrival this time. Shang Xiufang was preparing to go to Pegasus Ranch before dawn, but just when Shang Xiufang was about to go out, Finding someone coming downstairs, Shang Xiufang looked up and saw a young man coming down with a charming and beautiful woman in his arms.

Shang Xiufang looked at Su Chen who came down with some disgust and left without looking back. Shang Xiufang She felt that the young man and the beautiful woman wearing scantily clad clothes were not serious people at first glance. She would not have anything to do with such people.

Su Chen was a little confused when he saw Shang Xiufang leave after looking at them.

Su Chen felt that he was People were disgusted, no, they were disgusted. This made Su Chen confused. They didn't know this Shang Xiufang, so why did she hate them?

Su Chen said angrily,

"Damn it, Black Widow, was that Shang Xiufang just now? What does she mean? We didn't offend her, right? Why does that Shang Xiufang look at us with such disgust? She, an actress, actually hates us?"

"Master, I'm going to kill her."

Black Widow was a little very angry. She was originally in a very good mood today, but as soon as she came downstairs, she was made angry by Shang Xiufang.

Su Chen hugged Black Widow and did not let go of her. Su Chen did not want Black Widow to kill Shang Xiufang. , although Shang Xiufang looked down on them for some unknown reason, she did not die.

"Wait, forget it, she's just an actress, there's no need for us to be familiar with her"

"Okay, master."

Black Widow listened to Su Chen's words and did not go to kill Shang Xiufang again, but she remembered Shang Xiufang. If she encounters Shang Xiufang again in the future, even if she does not kill her, Black Widow will teach her a lesson. Pause.

Su Chen looked at the angry Black Widow, patted her shoulder and said,

"Let's set off too. This time we have to arrive at Pegasus Ranch before Xiaomeng and Xuenu. Otherwise, if Xiaomeng and Xuenu arrive first, I will be in trouble."

"Haha, Master, I don't think Xiaomeng will kill you."

"Even if you don't know how to kill, do you want me to be beaten?"

"I will protect my master"

"Haha."

In the Pegasus Ranch,

Shang Xiuxun and Su Yan looked helpless at the two white-haired beauties in front of them.

Two beautiful beauties came at midnight last night to find Su Yan. Shang Xiuxun was also raped in the middle of the night. When she woke up and saw these two beautiful women, after knowing that she was looking for Su Yan, she asked someone to call Su Yan over too.

But what Shang Xiuxun didn't expect was that these two beauties were actually looking for Su Yan's father. , and also said that Su Yan's father would come to Pegasus Ranch today, which made Shang Xiuxun and Su Yan a little surprised.

Early this morning, these two white-haired beauties took Su Yan to bed while he was still sleeping. He shouted, which made Su Yan, who was a little bit sleepy, helpless. Shang Xiuxun was speechless. He just wanted to see Su Yan's father, so there was no need to get up so early.

Su Yan smiled when he looked at these two white-haired beauties. asked,

"Two beautiful sisters, what is your relationship with my father? And what are your names? I also forgot to ask at night."

Su Yan now suspects that these two beauties have a problem with their father. She was too sleepy last night and didn't pay much attention.

Su Yan now looks at their expressions and something is wrong. Could it be that these two white-haired beauties were abandoned by their father? ?This time she just wants to wait for her father to come by her side?

Xiaomeng looked helpless when she saw Su Chen's daughter. This little girl looked very smart. She was really the daughter of that shameless bastard Su Chen.

Xiaomeng didn't want to be with her. Su Chen's daughter lost her temper, so she calmly said to Su Yan,"We have nothing to do with your father. You can call me Xiaomeng and her name is Xue Nu.""

"Xiao Meng? Snow girl?"

"Um?"

"You are Xiaomeng and Xuenu, who are ranked fourth and sixth on the list of martial arts beauties in the Eastern Continent. Xuenu, you are my father's concubine, and you are also my aunt."

Su Yan suddenly remembered who they were. These two people turned out to be beauties on the ranking list of martial arts beauties in the Eastern Continent, and one of them was related to his father.

Su Yan did not expect that these two white-haired beauties were from the East. She came from the mainland, and one of the beauties was her father's concubine.

But she didn't look like it, and after he told her that she was his father's concubine, Xue Nu seemed a little unwilling.

Su Yan looked at Xue Nu and felt very Su Yan believed that her father could not threaten a woman. Besides, her father had so many beautiful confidantes, Su Yan did not believe that her father would rob a beautiful woman.

Chapter 339

Xue Nu was speechless looking at Su Chen's daughter. Although she was snatched away by Ji Wuye and given to Su Chen, she did not agree to be that bastard's concubine.

That bastard Su Chen didn't want her, and even asked her to leave at any time. Xue Nu didn't know where to go for a while, so she continued to stay. Now that Su Chen's daughter calls her this, does Xue Nu agree?

Still don't agree?

The snow girl is a little confused now.

Su Yan is now very sure that this snow girl has nothing to do with his father, but since they have nothing to do with his father, why did they find it here from the Dong family?

He even said that his father would come to Pegasus Ranch today. Su Yan wondered if they would come from the Eastern Continent with his father? It's just that something happened or there was a conflict on the road.

When Su Yan thought of this, he calmly continued to ask Xue Nu,"Auntie, did I say something wrong just now?"

Xiao Meng looked at Xue Nu speechlessly and said to Su Yan,"Little girl, you were right. , Xue Nu is indeed your father's woman."

Xiao Meng felt helpless when she saw Xue Nu being silent. This Xue Nu was even more arrogant than her. If Xiao Meng, a person walking along the road, hadn't known Xue Nu's character, Xiao Meng would have misunderstood Xue Nu as a arrogant person. people.

Su Yan blinked and knew that her guess might be correct. She looked at Xiaomeng, who was tall and even looked a little arrogant, and asked with a smile,

"Oh, what about you? Sister Xiaomeng, what is your relationship with my father?"

Xiaomeng said bluntly when Su Yan asked her,

"I have nothing to do with your father"

"Yeah? I know some don't believe it?"

Su Yan didn't believe Xiao Meng's words. She looked at the silent Xue Nu and then at the arrogant Xiao Meng. Su Yan felt that Xiao Meng might have been the one to make the decision this time when she came to Pegasus Ranch, and Xue Nu might have been forced to do it. Come.

Looking at Xiaomeng's expression, Su Yan felt that Xiaomeng might have a grudge against his father, or that his father might have molested Xiaomeng. After all, she was a little envious of Xiaomeng's long legs.

Xiaomeng was attracted by this Su Yan Wen was a little impatient. She didn't like to talk in the first place. If it weren't for that bastard Su Chen, she wouldn't have said so much to this smart little girl.

"call! Little girl, I have nothing to do with your shameless father. You don't need to ask anymore."

Shang Xiuxun is now looking at Xiaomeng and Xuenu with great interest. She feels that there must be some conflict between Xiaomeng, Xuenu and Su Yan's father, otherwise they would not be able to wake up Su Yan so early in the morning.

Shang Xiuxun even felt that they were afraid that Su Yan would leave quietly. Xiaomeng and Xuenu wanted to prevent Su Yan from leaving. Now Su Yan might be regarded as a [hostage] by them. At this time, a guard from

Pegasus Ranch arrived The hall reported to Shang Xiuxun,

"The owners of the venue, Li Shimin and Li Xiuning from the Li family are here."

"oh? People from the Li clan still dare to come?"

Shang Xiuxun didn't expect that Li Clan would have the nerve to come to her Pegasus Ranch. However, Shang Xiuxun thought that Li Clan's rebellion was imminent and they had very few war horses. After thinking about it, Shang Xiuxun decided to meet Li Shimin and Li Xiuning.

The guard saw that Shang Xiuxun's face was a bit ugly. He also knew that the previous attack on Pegasus Ranch by the four major bandits was led by the Li family. The guard said to Shang Xiuxun angrily,

"Owner, do you want to kick them out?"

"No, let them in. Anyway, there are a lot of forces coming this time. Kou Zhong and Xu Ziling from Jianghuai, Shen Luoyan from Wagang Village, Song Shidao, Song Yuhua, Song Yuzhi from Song Clan, and some small forces are not bad either. Li Clan's people"

""Yes, the host."

Shang Xiuxun looked at Xiaomeng and Xuenu next to him and smiled at Su Yan and said, "Little girl, I have something to do in a while, so you can entertain these two by yourself."

"Go and do your work, I will take care of you here."

Shang Xiuxun nodded to Xiaomeng and Xuenu and went out.

Shang Xiuxun was also speechless about Su Yan's father. Some of the things that bastard did actually affected his daughter.

Shang Xiuxun now understood Su Yan Why did she keep saying that her father didn't let her worry? It was also difficult for Su Yan to have such a troubled father.

In the Pegasus Ranch,

Li Shimin and Li Xiuning came in with a group of people and saw that Li Shimin knew the black armored heavy cavalry patrolling Pegasus Ranch. These troops were obviously the army of that bastard Wu Xiangjun. Li Shimin did not expect that Wu Xiangjun was related to Shang Xiuxun from Pegasus Ranch. No wonder there is a relationship between Shang Xiuxun and Wu Xiangjun's daughter on the ranking list of martial arts beauties.

That bastard Wu Xiangjun must have sent his daughter to establish a good relationship with Shang Xiuxun, and that bastard must also have taken a fancy to Pegasus Ranch. War horses.

Li Shimin looked at the black-armored army here and said angrily,

"Second sister, the troops here are all Wu Xiangjun's troops. It seems that Wu Xiangjun is also interested in the war horses in Pegasus Ranch."

"I know that it was that bastard who ruined my plan last time. I don't know if that bastard is coming this time?"

Li Xiuning beat that bastard Wu Xiangjun to death. This was the first time in her life that she was beaten by others, and she was slapped in public. This made Li Xiuning swear that she would seek revenge on that bastard. At this time, Li Xiuning A pretty boy next to him said to Li Xiuning attentively,

"Xiuning, don't worry, I have brought some experts here this time. If that Mr. Wu Xiang is here, I will definitely avenge you."

Li Xiuning listened to Chai Shao's words next to him and hurriedly stopped him, "Chai Shao, don't mess around. The army here is not something we can deal with. Besides, we are here to buy war horses this time, so don't delay for that bastard. event."

Li Xiuning felt a little disgusted when she looked at Chai Shao. If Chai Shao's family hadn't supported their Li family with millions of money, Li Xiuning wouldn't have bothered to deal with this disgusting pretty boy. Li Shimin looked at the way

Chai Shao looked at Li Xiuning and smiled and said, "Chai Shao, my second sister is right. Even if we see Lord Wu Xiang this time, we won't be able to take revenge. War horses are of great importance. Before we came here, we promised our father that we would buy war horses and go back."

"Okay, I will listen to Xiuning in everything."

Chai Shao was a little excited when he saw the dashing and very beautiful Li Xiuning. This beautiful Li Xiuning would be his wife in the future.

Although they were not engaged yet, Li Yuan promised his father that in the future Will marry Li Xiuning to him, otherwise Chai Shao's father would not be able to support Li Clan's millions of money.

Li Xiuning frowned when Chai Shao saw him and wanted to stay away from this pretty boy. This Chai Shao is better than Wu Xiangjun The bastard is even more disgusting and hateful,

"Let's go, let's first see how many forces want to buy war horses this time."

Chapter 340

The meeting hall of Pegasus Ranch is almost full of people. All the forces are here to buy war horses. Pegasus Ranch is the largest horse farm in Sui Dynasty. The more than 100,000 war horses here are very tempting. After all, the army cannot survive without cavalry.

Here at Song Clan, Song Yuzhi looked at Song Yuhua's frown and thought she was worried about Mr. Wu Xiang. Song Yuzhi comforted him by saying,

"Sister, that Mr. Wu Xiang will definitely not be here this time, and you don't have to be afraid. Your father will not marry you with that bastard."

Song Yuhua smiled and said to Song Yuzhi,

"Yuzhi, I'm not worried, it's just that I feel a little uncomfortable here. After all, I don't understand these things. Please pay attention to it with Shi Dao later."

Song Yuhua didn't know why her father asked her to come with him during this trip to Pegasus Ranch. She didn't know anything about this. Song Yuhua thought about it and didn't understand. She just thought she was out to relax this time.

Song Yuhua thought of Wu Xiang Jun was a little blushing.

She had been teased by that bastard during her last trip to Yangzhou, but she hadn't seen that bastard again since that time. She only knew that the bastard had gone to the Eastern Continent, and even dated the martial arts beauties from the Eastern Continent. The beauty in bed has something to do with it, which makes Song Yuhua a little speechless.

He left the affairs here in Sui Dynasty alone, and that bastard went to the Eastern Continent to chase beautiful women. Now even Pegasus Ranch is handled by that bastard's daughter.

That bastard His heart is so big!

No!

It should be that bastard who is so lustful that he doesn't even care about serious things for the sake of women.

Song Yuzhi didn't see Song Yuhua's expression. She observed the other forces in the hall. This time they, the Song Clan, also Tens of thousands of war horses are needed, and now the Song Clan has broken with Duzunbao.

A war between Lingnan and Shuzhong can happen at any time. If the Song Clan has tens of thousands of war horses, the war may be tilted to the Song Clan's side.

Eh?

Aren't those two boys the adopted sons of Jianghuai Du Fuwei?

Damn it, are they going to die?

How dare they look at her like this.

Song Yuzhi glared at those two bastards. She will teach these guys a lesson in the future. Two brats who don't know the heights of heaven and earth.

When Kou Zhong saw Song Yuzhi noticed that he and Xu Ziling were looking at her, and glared at them, Kou Zhong smiled and said to Xu Ziling,

"Mr. Ling, that Miss Song Clan is a little wildcat, but I like her."

Xu Ziling looked at Kou Zhong's lustful look and said helplessly,

"Of course you like it. Miss Song Yuzhi of the Song Dynasty is one of the beauties in the martial arts rankings. It would be strange if you didn't like it."

"Hehe, don't all men like beautiful women? Don't you still like Shi Feixuan, who ranks number one among the martial arts beauties in the Southern Continent?"

"I'm too lazy to care about you. We are here to do something this time. Don't forget what we are here for."

Kou Zhong patted Xu Ziling's shoulder and said with a smile,

"Haha, everything will be fine as long as you are here. Yesterday, the old man agreed to sell us war horses. That man is Shang Xiuxun's father. We are 90% sure now. You will be the uncle of Pegasus Ranch in the future. Hey! Hey! Hey"

"I haven't agreed yet"

"Isn't this a matter of time? Moreover, Shang Xiuxun does not need to be sent by Shi Feixuan, and Shang Xiuxun's father also agreed. Shi Feixuan must not like you. Mr. Ling, just give up on Shi Feixuan. You will have no results."

"Oh, I know, I will think about it."

Xu Ziling is also a little moved. Shang Xiuxun is an out-and-out beauty, and her abilities are very outstanding. Xu Ziling also admires Shang Xiuxun very much.

Xu Ziling only found out that the old man is Shang Xiu last night. Xun's father, he never thought that the old man he had been chatting with for a few days turned out to be Lu Miaozi, the father of Shang Xiuxun at Pegasus Ranch, and that Lu Miaozi even wanted to marry Shang Xiuxun to him.

Xu Ziling was a little confused at the time, otherwise He felt that the old man was not lying. He thought the old man was a madman.

On the other side of the hall, a middle-aged man wearing armor said to a beautiful woman sitting next to him,

"Military Advisor, there are a lot of competitors this time, and our biggest competitors should be the Jianghuai Army and the Song Dynasty who were the first to arrive."

This very beautiful woman said with a serious face, "No, the real competitor has not arrived yet."

These two people are the military counselor Shen Luoyan and the general Xu Shiji of Wagang Village. This time they brought Wagang Village to buy war horses.

Xu Shiji looked at the beautiful Shen Luoyan and said infatuatedly, "Huh? Are there other forces coming? Military advisor, what other forces are coming?"

Xu Shiji is Shen Luoyan's fiancé. This time he took the initiative to come to Pegasus Ranch with Shen Luoyan. Xu Shiji hoped to connect with Shen Luoyan on the way, but they were rushing on the road and Xu Shiji had no chance to kiss Fangze..

Shen Luoyan saw the way Xu Shiji looked at her and didn't care. Shen Luoyan knew Xu Shiji's feelings for her, but she had no feelings for Xu Shiji. If there wasn't a marriage contract between them, Shen Luoyan would definitely not pay attention to this person. When Xu Shiji was 20 years old,

Shen Luoyan looked at the strength around him and smiled and said,

"Haha, she has been at Pegasus Ranch for a long time, and there are people from Li Clan who haven't come yet, but they should be arriving soon."

"The military advisor is talking about Wu Xiangjun's daughter? Military advisor, you are worrying too much. We have met Wu Xiangjun's daughter. She is a six or seven-year-old girl. She cannot be our competitor, but Li Clan may be a threat to us."

"You will know after a while that Wu Xiangjun's daughter is not an ordinary little girl. If you are careless, you may suffer."

Shen Luoyan has met Wu Xiangjun's daughter Su Yan. That little girlIt was difficult to deal with a six or seven-year-old girl who spoke perfectly. Not only did Shen Luoyan not get anything out of that little girl, she was even almost fooled by that little girl. Shen Luoyan would not underestimate Wu Xiangjun. daughter.

At this time, Li Shimin and Li Xiuning also entered the meeting hall with their people. When they came in, they saw that there were also other forces here. The Li clan was very aware of these forces.

Kou Zhong had been staring at Li Xiuning since Li Shimin and the others came in. Kou Zhong felt that he had met the woman he liked. He was attracted to Li Xiuning when he saw her. Kou Zhong had never felt like this before. He felt his heartbeat now. Very powerful.

Kou Zhong grabbed Xu Ziling's shoulders and said excitedly,

"Mr. Ling, I have found the woman I like. Have you seen that heroic woman? I like this woman."

Xu Ziling looked at Li Xiuning who just came in and said doubtfully,

"Huh? This woman is good, is she a female general? Mr. Zhong, didn't you like Song Yuzhi from the Song Dynasty just now? Why did you fall in love so quickly?"

"It's different. I liked Song Yuzhi at first glance, but I fell in love with this woman as soon as I saw her. I have never felt this way about any other woman."
