Chapter 34

Su Chen now looks at Huan Huan and wants to beat this witch. This time Su Chen knows that even if he jumps into the Yellow River, he won't be able to escape.

Su Chen was speechless when he saw the way Li Xunhuan and Lin Shiyin looked at him. Now Li Xunhuan and Lin Shiyin must regard themselves as ruthless and unjust people.

Su Chen looked at Hanhan, who was crying whenever she wanted to. There was nothing she could do.

"Okay, I give up, you can stay here if you want.

Huanwan immediately wiped her eyes and said angrily, "That's pretty much it. Su Chen, who are these two people?"

Su Chen looked at Huanwan and pointed at Li Xunhuan and Lin Shiyin and said,

"Xiao Li Feidao Li Xunhuan, this silly woman is his cousin Lin Shiyin.

Lin Shiyin looked at Su Chen and said angrily, "Su Chen, right? Why do you call me a stupid woman?"

Lin Shiyin was very angry when she heard that Su Chen called her a stupid woman. She still doesn't understand why Su Chen looks down on her. She doesn't seem to have offended him by coming here. Besides, didn't this bastard realize that she is so beautiful? ? And she can definitely enter the martial arts beauty list this time.

But Lin Shiyin felt a little unconfident when she saw Huan and Shi Feixuan next to Su Chen. She also didn't expect that Su Chen, a bastard, would actually have two people with her. Both equally beautiful beauties.

This bastard must have deceived these two beautiful beauties. This time, he must expose this bastard's true face.

Su Chen looked at this silly Lin Shiyin and winked at Li Xunhuan.

"Well, you are a smart silly woman."

Lin Shiyin is so angry that she wants to strangle this bastard to death.

"Damn, you bastard is pissing me off."

Li Xunhuan hurriedly pulled Lin Shiyin and said with a smile,

"Shiyin, Brother Su is joking with you, don't take it seriously."

Li Xunhuan now doesn't understand how his cousin, who has always been very gentle and weak in speech, became so sharp-tongued after meeting Su Chen.

Moreover, it looked like she was quarreling with someone familiar, which made Li Xunhuan He looked at Su Chen with some curiosity and then at Lin Shiyin.

Lin Shiyin now raised her small fist at Su Chen and said threateningly,

"You are just a bastard. I don't want to care about you now. If you call me a fool again, I will beat you. Although I don't know martial arts, I have learned some boxing and kicking skills. You are a weak young man. I will punch you. I can knock you down"

"Then thank you."

Su Chen made a gesture of staying away from Lin Shiyin and didn't want to talk to her. When

Lin Shiyin saw Su Chen's indifferent look on her, she was so angry that she went to beat him, but she was pulled by Li Xunhuan He glared at Su Chen fiercely and shouted,

"Damn it, cousin, let me go. If this bastard doesn't teach you a lesson, I'll feel bad."

Li Xunhuan is now speechless towards these two people. Li Xunhuan now sees that Su Chen and his cousin may not get along. It is better for them to meet less in the future.

"Brother Su, are these two your confidants?"

Hanwen and Shi Feixuan next to them were a little confused when they looked at Li Xunhuan. They didn't expect that Li Xunhuan, the great master of the Ming Dynasty, Xiao Li Feidao, actually knew Su Chen.

And now it seems that they have a good relationship, which makes Huan Both Huan and Shi Feixuan were a little surprised. A congenital grandmaster and a person who didn't know martial arts called themselves brothers. This made both Huan and Shi Feixuan a little stunned.

"Yes, Brother Li really has a good eye."

Su Chen turned around and saw the shocked looks of Shi Feixuan and Huan Huan, and found it funny. When Su Chen came to them, he held Huan Huan and Shi Feixuan in his arms.

Now many people are watching here. Now, Su Chen doesn't care so much. This time he will be killed by this witch and fairy. He can't suffer now. Su Chen just wants to take advantage of Zhan Huan and Shi Feixuan.

Shi Feixuan was killed by Su Chen She hugged her and wanted to struggle out, but Su Chen held her waist tightly. She also felt a little guilty for letting Su Chen run away just now. Moreover,

Shi Feixuan also wanted to get to know Su Chen, but after thinking about it, Shi Feixuan decided not to She struggled, but if Su Chen touched her, that would be a different matter.

Huanwan didn't struggle at all, and even leaned in Su Chen's arms, which reminded Huanhan of Su Chen hugging her on the horse. Feeling, now she felt the previous feeling again, which made Huanhua feel very comfortable and safe. Even the male smell exuding from Su Chen's body made Huanhua a little confused. At this time, most of the people in Xingzi Forest Everyone was looking at Su Chen. They didn't expect that there would be three top beauties here.

But these beauties seemed to have their own owners, especially when they saw Su Chen holding two top beauties, this made the world here... Everyone wants to replace him

"In the Song Dynasty, Hong Qigong, the leader of the Southern Beggar Clan, arrived.

"During the Ming Dynasty, the Emei sect's exterminator has arrived."

At this time, an old nun walked in with a group of young female nuns

"During the Song Dynasty, Abbot Xuanci of Shaolin Temple arrived?"

"In the Kingdom of Jin, the young prince has arrived in good health"

"Ming Dynasty, Wudang Sect, Song and Yuanqiao arrived"

"During the Sui Dynasty, Song Zhi, the younger brother of Tiandao, arrived."

"Dali, Zhennan King, Duan Zhengchun arrived".....

Su Chen was holding Hanwan and Shi Feixuan in his arms and was a little dumbfounded as he looked at the familiar names appearing on the stage. He did not expect that so many gangs and important figures from the country would appear in a small beggars conference.

Su Chen now thought that this time it must not be just about Qiao Feng, there must be other things happening.

Su Chen looked at Li Xunhuan next to him and asked,

"Brother Li, why do so many martial arts gangs and important figures from the country come to this Beggar Clan Conference?"

Li Xunhuan is also very curious about this Beggar Clan Conference. There are quite a few masters and masters appearing this time. Li Xunhuan is not sure what happened to make these masters and masters appear here.

"I don't know, Brother Su, you are from the Song Dynasty, so you didn't hear anything?"

Su Chen shook his head and said,

"I just heard that the Northern Beggars Gang has some conspiracy against their gang leader Qiao Feng this time, but I don't know the rest."

Li Xunhuan looked at these masters who appeared one after another and said,

"Then let's wait and see, maybe something big will happen at this Beggar Clan Conference."
