

## Zongwu 341

### Chapter 341

Xu Ziling felt helpless when he looked at Kou Zhong. He didn't know whether Kou Zhong was right or not, but Xu Ziling had never seen Kou Zhong have such an expression. He now somewhat believed that what Kou Zhong said was true.

But who is this woman?

Is she married?

Neither he nor Kou Zhong knew this.

"Mr. Zhong, we don't know who she is yet, so don't hold out too much hope. If she gets married or is engaged, you have no hope."

Kou Zhong looked at Li Xiuning and had some guesses about her. After all, he has not been idle for more than a month, and the person who came in just now, Kou Zhong, knew who he was. Kou Zhong looked at the beautiful Li Xiuning and said with a smile ,

"Haha, Master Ling, I know who she is. She is Li Shimin's sister Li Xiuning. That person is Li Shimin. I have seen Li Shimin's portrait at my adoptive father's place."

"Moreover, my adoptive father and Li Shimin were both captured by Wu Xiangjun. Although we were not present, one of my adoptive father's generals told me"

"You don't want to ignore everything in the future. There are some forces and martial arts masters that we need to understand. We are now the young commanders of the Jianghuai Army and are no longer gangsters in Yangzhou City."

Xu Ziling shook his head and said indifferently,

"You know I'm not interested in those, but if she is Li Shimin's sister, you don't have much hope. The Li family is much more powerful than our Jianghuai family."

"What's the matter? The Jianghuai Army will definitely become stronger in the future. I will decide on this Li Xiuning."

Kou Zhong said with some enthusiasm.

Kou Zhong has motivation now. He must make the Jianghuai Army stronger in the future. Only in this way can Li Xiuning of the Li Clan look at him differently, and Kou Zhong will also have the opportunity to chase Li Xiuning.

"It's up to you, as long as you don't regret it."

At this time, Shang Xiuxun came in with some deacons from Pegasus Ranch. She came to the middle seat and sat down. The deacons from Pegasus Ranch all stood behind Shang Xiuxun.

Shang Xiuxun looked at it. Looking at the various forces in the hall, he said,

"Everyone, this time the 160,000 war horses in the Pegasus Ranch are about to be traded. As for which of your forces gets these horses in the end, it depends on your ability. Today I am just telling you some necessary things. Trading will officially start tomorrow."

All the forces in the hall started talking one after another. One hundred and sixty thousand war horses, this is a large number. Even if one force gets 10,000 war horses, the strength of their force will be greatly improved. Li

Pegasus Ranch Twenty miles away.

Shang Xiufang was riding her horse towards the Pegasus Ranch, but she looked back from time to time.

Shang Xiufang was very angry now. Since she came out of the inn, the two people she met in the inn The dog man and woman kept following her, and Shang Xiufang felt that these two people were going to be harmful to her.

This made Shang Xiufang drive non-stop all the way, without daring to stop and rest.

Not far behind Shang Xiufang, Su Chen and Black Widow also Following Shang Xiufang closely on horseback,

Black Widow looked at Shang Xiufang who did not dare to stop and rest along the way and laughed and said,

"Haha, Master, it's really a relief for you to tease that Shang Xiufang like this."

Su Chen looked at Shang Xiufang who looked back at them from time to time and said with a smile,

"Haha, I didn't expect that Shang Xiufang was also going to Pegasus Ranch. This time I didn't want to scare this hateful woman to death."

Su Chen didn't expect that they would meet Shang Xiufang on the road. This was the way to Pegasus Ranch. Su Chen didn't expect that Shang Xiufang would go to Pegasus Ranch instead of Luoyang.

Su Chen thought when he looked at Shang Xiufang. To trick her, he and Black Widow followed Shang Xiufang. They didn't go beyond Shang Xiufang. They stayed away from Shang Xiufang. They just followed her like this.

Su Chen wanted to make Shang Xiufang afraid, but the effect was very good. , Shang Xiufang was really scared and didn't stop along the way.

"Master, why don't we just catch her and humiliate her once?"

"There is no need. This woman seems to be going to Pegasus Ranch. Can she still escape after arriving at Pegasus Ranch?"

Su Chen looked at Shang Xiufang galloping in front of her and felt bad for her butt. Su Chen's butt was a little painful from the saddle, and Shang Xiufang would definitely not feel good either.

"Damn you bastard, when we get to Pegasus Ranch, I will make sure you look good."

Shang Xiufang was furious now. When she saw the two people behind her, she just looked at them with disgust and didn't even scold them for being shameless. But just like that, she was targeted by this pair of bitches.

Shang Xiufang now She felt that her butt was no longer feeling, which made Shang Xiufang feel ashamed, angry and helpless. She didn't want to stop and let the pair of bitches catch her now.

An hour later,

Shang Xiufang looked at the Pegasus that was approaching. The ranch breathed a sigh of relief. She touched her very painful butt and felt a little helpless. However, when she turned around and saw the dog man and woman still chasing her, Shang Xiufang's face turned red and she slapped the horse and ran towards the Pegasus Ranch. , Shang Xiufang was very embarrassed when she thought that her actions just now were seen by the dog men and women behind her.

When Shang Xiufang came to the gate of Pegasus Ranch, she saw that the guards guarding here turned out to be some troops wearing black armor, and Shang Xiufang was also She hadn't been to Pegasus Ranch for a long time, and she didn't know when Pegasus Ranch had such an elite army.

Shang Xiufang turned around and saw the two dog men and women still coming here, so she hurriedly faced the black-armored army here. said,

"I am Shang Xiufang, a friend of your owner Shang Xiuxun. Let me in quickly."

A steward of Pegasus Ranch also discovered Shang Xiufang at this time. He hurried over and said to the farm owner's friend,

"It's Shang, everyone, come in quickly"

"Are you Shang Kui?"Shang Xiufang came into Pegasus Ranch and looked at this somewhat familiar middle-aged man and asked.

Shang Kui was very excited when he heard that Shang Xiufang still remembered him. He happily saluted Shang Xiufang,

"Yes, everyone, Shang, I didn't expect you to still remember the villain."

Shang Xiufang didn't say anything to Shang Kui. She immediately said to Shang Kui,

"Shang Kui, there are two people chasing me from behind. I will capture them soon."

"What? If anyone dares to take advantage of Mr. Shang, please don't worry, Mr. Shang, I will capture those two people and hand them over to you soon."

Shang Kui was a little surprised after hearing Shang Xiufang's words. He didn't expect that someone would dare to take advantage of Shang Xiufang. He hurriedly looked at the way Shang Xiufang came. Sure enough, there were two horses heading towards Pegasus Ranch.

Shang Xiufang was a little happy after hearing Shang Kui's words. Those two ignorant people actually chased her to Pegasus Ranch. Didn't they come to die?

Shang Xiufang got off the horse and rubbed her butt without anyone noticing. This time Her butt suffered a lot on the road, and now she still feels that her butt is very painful.

Shang Kui looked at these two reckless people who really dared to chase. This was their Pegasus Ranch, and Shang Kui was facing the Pegasus Ranch. The guard ordered,

"Come on, catch these two evildoers."

Whoa! Whoa! Whoa! Whoa!"

"Wang Kai, the captain of the Nether Iron Cavalry, please see your Majesty."

"See you, Your Majesty."

Just when Shang Xiufang was about to watch Shang Kui send someone to catch the two incoming people, the black-armored army here knelt down and saluted the incoming dog men and women. This made Xiu Fang was confused for a moment.

At the gate of Pegasus Ranch, Shang Kui was trembling with fear. He originally thought he could show off in front of Shang Xiufang this time, but who knew that one of the men and women who came was Wu Xiangjun.

Shang Kui is now afraid that Lord Wu Xiang will cause trouble for him. You must know that there are 10,000 black armored heavy cavalry in Pegasus Ranch. These 10,000 black armored heavy cavalry are all Lord Wu Xiang's army.

Shang Kui is trembling and hurriedly He saluted the arriving Lord Wu Xiang and said, "Shang Kui of Pegasus Ranch has met Lord Wu Xiang. Just now, the villain didn't know that Lord Wu Xiang was coming. Please punish Lord Wu Xiang."

"I have met Mr. Wu Xiang."

The guards in Pegasus Ranch also saluted Lord Wu Xiang.

Su Chen and Black Widow came to Pegasus Ranch and looked at the kneeling Nether Cavalry Legion and the guards of Pegasus Ranch, they waved their hands and said,

"Get up, everyone"

""Thank you."

Su Chen looked at the bewildered Shang Xiufang next to him and smiled interestingly. Su Chen didn't want to deal with Shang Xiufang now. She couldn't live without Pegasus Ranch anyway. He had plenty of time to treat this ancient star.

"Wang Kai, is the little princess at Pegasus Ranch now?"

"Your Majesty, the princess is now at the Pegasus Ranch."

"Are there two beautiful women looking for the little princess?"

"Your Majesty, two beautiful women came to see the princess in the middle of the night last night."

I gather, Xiaomeng and Xuenu came to Pegasus Ranch last night. They came here without rest all night. How cruel is this to me.

Black Widow didn't expect Xiaomeng and Xuenu to arrive last night. She looked at Su Chen's surprised look and said worriedly,

"Master, what should we do now? Xiao Meng and Xue Nu are already here, why don't we see them first?"

"No, you can't avoid it this time, let's go! Let's go meet the Tsundere Girl and the Ice Cube Girl."

Su Chen thought about it and felt that he would definitely not be able to avoid Xiaomeng and Xuenu this time. They arrived last night. I'm afraid Su Yan has been entangled by them both. Su Yan will definitely be watched closely by them today.

Su Chen wanted to secretly take Su Yan Yirong away, but the army couldn't secretly take him away. After all, there were too many people in the army. Su

Chen didn't pay attention to the people in Pegasus Ranch and Shang Xiufang. He led him and Black Widow towards the Pegasus Ranch.

When Shang Kui saw Wu Xiangjun and others leaving, he wiped the sweat on his head and said, "Huh, luckily Wu Xiangjun didn't blame me this time."

Shang Xiufang was very surprised when she saw Su Chen and Black Widow leaving. She heard clearly what the black-armored army and Shang Kui called that man just now.

Shang Xiufang did not expect that that bastard turned out to be the famous passionate young master Wu Xiangjun. Su Chen, the public enemy who dominates the beauties in the martial arts rankings, did not expect to appear at Pegasus Ranch.

Shang Xiufang also knew that she had misunderstood that Wu Xiangjun was going to be detrimental to her. Wu Xiangjun should be in the same place as her. , they all wanted to come to Pegasus Ranch, but why did that bastard keep chasing her?

Did that bastard deliberately want to scare her?

Shang Xiufang's face turned ugly when she thought of this. She took a few heavy breaths to calm herself down,

Shang Xiufang She thought: She can't be angry. That bastard has an army here. Even Shang Xiuxun from Pegasus Ranch probably wouldn't dare to provoke that bastard. Shang Xiufang felt that she couldn't be angry for a lecherous person.

Shang Kui looked at his face with a gloomy expression. Shang Xiufang, who was uncertain about the weather, whispered,

"Mr. Shang, you may have misunderstood Mr. Wu Xiang. This time Mr. Wu Xiang came to Pegasus Ranch to find his daughter, Princess Su Yan."

"I understand, Shang Kui, take me to meet your owner"

"Okay, everyone."

In a room in the Pegasus Ranch,

Su Yan had a headache looking at Xiao Meng and Xue Nu. These two beautiful women were following her all the time. Even if she went to the toilet, they had to wait for her outside. Su Yan was now very sure that these two beautiful women came to seek revenge on his father.

Su Yan felt that she could not continue like this. She looked at Xue Nu and wanted to get rid of her father's concubine first.

"Auntie, are you here to trouble my father?"

Xue Nu blushed a little when she heard this little girl call her aunt. She looked at this clever little girl and said coldly,

"no"

"no? It's my aunt, isn't it? Or are you neither?"

"I.....I'm not."

Xue Nu told Su Yan helplessly. She was now afraid that this little girl would keep asking like this, which made her feel very embarrassed here.

Xiao Meng took a sip of tea and looked at Xue Nu helplessly. This Xue Nu looked at She was very cold and unkind, but she was still too kind.

Although Xiaomeng didn't know how to be human, this little girl was obviously telling lies, but Xue Nu was defeated by this little girl calling her aunt, which made Xiaomeng also... Not knowing what to say to Xue Nu,

Xiao Meng stood up and said proudly, "Little girl, don't keep guessing. Your bastard father offended me, and I'm here to take revenge this time."

Su Yan looked at Xiaomeng with an expression that was indeed like this. She guessed that this time it was Xiaomeng who came to trouble his father.

Su Yan decided to help her father deal with Xiaomeng.

"Sister Xiaomeng, you are so beautiful, how could my father offend you? He must like you very much, right? Can you tell me how my father offended you?"

Xiao Meng looked at Su Yan speechlessly. Su Chen's daughter is a bit of a monster. At such a young age, she has to help that bastard Su Chen, but can she say that?

Could she tell this little girl that she was forcibly kissed by her father? ?

Xiao Meng will not tell others that she was kissed by that bastard.

Xue Nu is looking at Xiao Meng and Su Yan in a funny way. Now Su Yan is no longer asking questions about her, which makes Xue Nu breathe a sigh of relief. I just wanted to know how Xiaomeng was going to talk about those things to this little girl.

Xiaomeng said to Su Yan expressionlessly, "Little girl, you don't need to know these things. When your bastard father comes, I won't do it again." Limit you."

Su Yan sat on the chair and swayed her feet and said with a smile, "Haha, sister Xiaomeng, do you think you can restrict my freedom?"

Xiaomeng knew what the little girl meant, and she was not worried at all about the little girl's secret guards and the Netherworld Cavalry. When Xiaomeng came here, she discussed with Xue Nu how to deal with the secret guards and the Netherworld Cavalry. Finally

,

Xiao Meng still asked Xue Nu to pretend to be Su Chen's bastard concubine.

This didn't count as letting Xue Nu pretend. Xue Nu was originally Su Chen's concubine.

Xiao Meng's tall figure walked up to Su Yan with her long legs. said,

"Little girl, you'd better not summon your secret guards and ghost cavalry. I know you must have a lot of guards, but you have to know that Xue Nu is your father's concubine. Those guards and ghost cavalry of yours will definitely not dare to deal with her. We take action"

"....."

Su Yan looked at Xue Nu beside him and shook his head.

Su Yan did not believe that his secret guards and Netherworld Cavalry Legion would not obey his orders.

If Su Yan gave the order to arrest Xiaomeng and Xue Nu, her secret guards and Netherworld Cavalry Corps would not obey her orders. The cavalry regiment will not care about the identity of the snow girl and dare not arrest them. Even all her father's secret guards and troops will obey her orders unconditionally when they see her.

Su Yan has the Black Bird Jade Pendant. With this Black Bird Jade Pendant, all the men in her father's force will obey her orders unconditionally.

## Chapter 343

When Xiaomeng saw Su Yan lowering his head and thinking deeply, she knew that she had frightened this little girl. Although this little girl was a clever girl, she was still too young after all.

Xue Nu looked at Xiao Meng helplessly. Why did Xiao Meng mention her again? Although she was forced to agree to Xiao Meng, she was staying out of it now. Xue Nu didn't want to be Xiao Meng's shield anymore.

Just when Xue Nu was about to speak to Xiao Meng, the door to the room was suddenly pushed open. Xue Nu and Xiao Meng looked over and saw that bastard Su Chen walking in with a smile.

When Xiao Meng saw Su Chen, she immediately appeared next to Su Chen. She grabbed Su Chen with one hand and said threateningly,

"How dare you, bastard, escape last time? Are you trying to escape again now?"

""Dad"

Su Yan was so happy when she saw Su Chen that she ran towards him. She hadn't seen her father for several months. Su Yan couldn't let her father leave for no reason this time. She had to leave. Take her with you too.

Su Chen ignored Xiao Meng. When he saw Su Yan running towards him, he smiled and picked up Su Yan and said,

"Haha, good daughter, do you miss your father?"

Su Yan laughed happily after being picked up by Su Chen, "I think, Dad, can you take me with you next time you leave secretly? I don't want to stay at home anymore. It's really boring at home. After hearing Su Yan's words, Su

Chen shook his head without hesitation and said, "That's not okay. Dad is here to do business. You'd better study more at home. Besides, your mother and Aunt Li can't let you do that." Come out to play, leave secretly this time, and prepare to be beaten when you go back."

Su Yan looked at Su Chen with contempt and said sarcastically,

"Doing business? Dad, your main business is to find me many aunts? And I'm not afraid of my mother. With Aunt Li here, my mother can't do anything to me."

Su Chen felt a little helpless when he looked at Su Yan, who was not cute at all. This little adult was becoming more and more lawless, and now he dared to ridicule himself. However, Su Chen still couldn't bear to teach Su Yan a lesson.

Su Chen knew that this time Su Yan secretly He ran away from home to save himself. Su Chen was very moved when he heard the secret guard's report. A six-year-old girl actually traveled thousands of miles to Sui Dynasty to save him. This made Su Chen feel that his love for this daughter was not in vain. Chen felt a little embarrassed and quickly changed the subject and said,

"Ahem, we'll talk about this later, Yan'er, get ready, we're going to Luoyang, and dad will take you on a treasure hunt this time."

Xiaomeng is also very embarrassed now. This bastard didn't even care that he was holding her arm, but now it looks like they are a family of three.

The bastard Su Chen is holding his daughter, while he is holding her arm. His arm made Xiaomeng feel very awkward no matter how she looked at it.

After thinking about it, Xiaomeng let go of this bastard. She saw that Su Chen, this bastard, had no intention of running away again.

She looked at Su Chen and Su Yan's father and daughter Sitting aside, Xiaomeng was ready to wait for Su Chen, a bastard, to talk to Su Yan before beating him up.

When Su Yan heard Su Chen say there was a treasure, she asked with great interest, "Treasure hunting?" Dad, is there any treasure in Luoyang?

Seeing that the topic had been successfully changed, Su Chen said with a smile, "Yes, there is a treasure house of Mr. Yang in Luoyang. There are a lot of weapons, equipment, gold and silver treasures, and even the evil emperor's relic, the most precious treasure of the Demon Sect."

"Wow, okay, let's go treasure hunting in Luoyang together." Su Yan couldn't wait to go to Luoyang.

Su Yan suddenly thought of what Shang Xiuxun had asked her to do and was a little embarrassed. Su Yan felt that she had to be loyal. Besides, Shang Xiuxun was also going to Luoyang. Then he could talk to them. They left together.

Su Yan pretended to be pitiful and said to Su Chen,

"Dad, I promised Sister Shang Xiuxun that I can't leave until this Pegasus Ranch war horse transaction is over. How about we stay for a few more days? This time, Sister Shang Xiuxun has prepared 50,000 high-quality war horses for us."

"Okay, okay, let's stay for a few more days."

Su Chen felt a little helpless when he saw the clever Su Yan.

On the way here, Su Chen knew that Pegasus Ranch was trying to trade war horses. Su Chen was not interested in the war horses in Pegasus Ranch.

If Su Chen wanted There are many war horses at Hu Ji's place. The war horses on the grassland should be much better than the war horses in Pegasus Ranch.

"Haha, thank you dad." Su Yan was very happy when Su Chen agreed, so she didn't have to be embarrassed. Su Yan suddenly thought of Xiao Meng and Xue Nu, so she lay in Su Chen's ear and whispered,

"Dad, what's going on with those two beautiful women?"

"It's nothing, don't worry about it, your father and I can take care of them by ourselves. You and Black Widow go out first, and I can take care of them in a while."

Su Yan was speechless when she looked at Su Chen. She knew that her father was very good at dealing with women, and Su Yan was worried that she would have another aunt in the future. Su

Yan looked at Xiao Meng and Xue Nu and nodded to Su Chen. , she left with the black widow next to her.

Su Chen came to Xue Nu and sat down. He looked at Xue Nu's uncomfortable look and didn't pay attention.

Su Chen looked at Xiao Meng next to him and said with a smile,

"Xiaomeng, I didn't expect that you would miss me so much after not seeing me for a day. Why don't you hold my arm now?"

"Shameless, who missed you."

Xiao Meng stared at this bastard and wanted to teach her a lesson, but now she was not as angry as before, which made Xiao Meng feel a little incredible. Xiao Meng was very angry when she saw Su Chen just now, but she was slapped by Su Yan's girl. After disturbing her, her anger had almost disappeared. Xiaomeng thought that it must be the clever little girl who deliberately disturbed her to take revenge.

Su Chen saw that Xiaomeng was not as angry as before, so he took out Xiaomeng's Qiuli Sword from the system space. He handed it to Xiaomeng and said with a smile,

"Xiaomeng, you owe me your Qiuli Sword for what happened before. Although I took the initiative to ask for the bet, you lost the bet after all, and I was afraid that you would regret it and forcefully kissed you."

Xiao Meng took the Qiuli Sword and pointed at Su Chen's chest and said coldly and arrogantly, "Aren't you afraid that I will kill you?"

"you will not."

Su Chen didn't mind Xiao Meng pointing his sword at him. Su Chen picked up a cup of tea next to Xue Nu and drank it.

Xiao Meng was a little helpless. She really wouldn't kill this bastard. This damn bastard is now eating Set her up,

"Hum, I remember what happened this time. If there is a next time, I will definitely kill you."

Xue Nu is blushing now. She saw that bastard Su Chen actually picked up the tea she had drunk and started drinking it. This made it too late for her to stop her. Xue Nu was now angry and shy and didn't know what to do.

Xiao Xiao Meng looked at Su Chen and didn't want to make things easier for this bastard who had taken advantage of her. She really wanted to get those Heaven and Earth Spirit Fruits in Su Chen's hands. If she ate the Heaven and Earth Spirit Fruits, then she could advance to Grand Master,

Xiao Meng She put away the Qiuli Sword and stretched out her hand to Su Chen and said bluntly,

"I want that Heaven and Earth Spirit Fruit"

"No"

"Bastard, will you give it to me?"

"Xiaomeng, you have to know that the Heaven and Earth Spirit Fruit was prepared by me for my wife and family, and you are not me? Why should I give it to you?"

"you.....If you kiss me, you must give me one."

Chapter 344

Xiaomeng regretted it after saying it. She didn't expect that she would say such words. Xiaomeng felt that this was all because of the bastard Su Chen. Xiaomeng felt a little flustered when she saw the way Xue Nu looked at her.

Su Chen didn't expect Xiaomeng to say such words. Is this still the aloof Taoist Tianzong Xiaomeng?

Is this Xiaomeng fake?

"What are you looking at, you bastard? Give it to me or not?"

""Here"

Su Chen took out the last two innate red fruits from the system space and gave one to Xiaomeng. He gave the remaining one directly to Xue Nu. Xiaomeng could not escape from his hands in the future, so he should give it to himself in advance. She has a wife, and does Xue Nu still have a choice? Xue Nu can just be her own woman from now on.

Xiao Meng was very surprised when she got this Heaven and Earth Spirit Fruit. She didn't expect that this bastard actually gave it to her.

This bastard wouldn't have any conspiracy. Right?

Xiao Meng looked at the box in her hand with some confusion, and now she didn't want it.

And Xue Nu looked at the box that Su Chen gave her in confusion. She didn't expect that she didn't want it, but Su Chen also gave it to her. She has a Heaven and Earth Spirit Fruit.

Suddenly Xue Nu thought of what Su Chen said. These Heaven and Earth Spirit Fruits were prepared for his woman and family. Is this bastard Su Chen going to attack her?

Just when Xiaomeng and Xue Nu were entangled. , Su Chen smiled and went out. Tomorrow will be another month. Su Chen now hopes that tomorrow's gift bag will contain some useful items.

Seeing Su Chen leave, the Snow Girl held the box containing the Heaven and Earth Spirit Fruit to her. Xiaomeng said,

"dawn, Do we really want this heaven and earth spirit fruit?"

Xiaomeng looked at the box in her hand and sighed and said,

"I don't know. I wanted this Heaven and Earth Spirit Fruit before, but I regretted it after that bastard gave it to me. Snow Girl, I feel like my Taoist heart is unstable."

Xiao Meng is a little confused. Ever since she met Su Chen, a bastard, she feels that she is changing every day. She is no longer the aloof Xiao Meng who doesn't eat the fireworks of the world. Even her personality has gradually changed. ,

"What to do with this Heaven and Earth Spirit Fruit? Will you give it back to Su Chen tomorrow?"

When Xue Nu saw that Xiao Meng didn't want the Heaven and Earth Spirit Fruit, she felt strange. Just now Xiao Meng had insisted on getting the Heaven and Earth Spirit Fruit before she gave up. But why does Xiao Meng regret it now? Could it be that Taoist Xiao Meng is attracted to that bastard Su Chen

?

?

Xiaomeng looked at Xue Nu and shook her head and said,

"Snow Girl, you don't have to give it back to Su Chen. After all, you will be his woman from now on. Since that bastard gave you the Heaven and Earth Spirit Fruit, it means that he has regarded you as his woman."

"Snow Girl, it's not bad for you to follow that bastard Su Chen from now on. At least he still respects his women very much. Didn't you see that none of Su Chen's women were restrained by Su Chen?"

"I....."

Xue Nu listened to Xiao Meng's adviceShe glared at Xiaomeng with a red face. Although what Xiaomeng said was true, she never thought about being the bastard woman like Su Chen.

Xue Nu also knew that Su Chen's women all had their own things to do, and even Su Chen never asked about what his women were doing, but what did this have to do with her?

The room became quiet for a while. Xiaomeng and Xuenu were both thinking about their own things. After a while, Xiaomeng stood up and returned to her proud look. She looked at Xuenu next to her and said,

"Forget it, I will eat this Heaven and Earth Spirit Fruit tonight. I will repay the favor of this bastard Su Chen when I have the opportunity in the future. Snow Girl, your strength is low. If you don't want to drag Su Chen down in the future, you can eat it tonight too."

Xiao Meng also figured it out. As long as she becomes stronger in the future, she can repay Su Chen's favor. Although she doesn't know which bastard wants to return the favor herself, Xiao Meng doesn't want to owe that bastard anything.

Xiao Meng is also afraid of Su Chen That bastard said something about trading a Heaven and Earth Spirit Fruit for a wife. If that bastard dared to say that, Xiaomeng wouldn't mind stabbing him to death with a sword.

"I see."

In Pegasus Ranch,

Shang Xiuxun and a group of people were watching the horses in the racecourse. These forces also wanted to know the quality of the horses in this battle. After looking around in Pegasus Ranch, these forces were attracted by Shang Xiuxun. Sent away, all the results will depend on tomorrow.

Just when Shang Xiuxun was about to go back, Shang Kui rushed over from the side. Shang Kui came to Shang Xiuxun and said hurriedly,

"The owner of the farm, Shang Xiufangshang, everyone has come to Pegasus Ranch and is waiting for you in your room. Also, Mr. Wu Xiang has also arrived at Pegasus Ranch."

Shang Xiuxun heard that Shang Xiufang and Wu Xiangjun came to Pegasus Ranch at the same time, which made Shang Xiuxun feel a little strange.

Shang Xiuxun thought:

Shang Xiufang actually came to Pegasus Ranch?

Didn't he hear that she was going to Luoyang?

Why did you suddenly come to Pegasus Ranch?

Su Yan's father is also here. Haha, I'm afraid Su Yan's place will be lively this time. Those two women are waiting for Mr. Wu Xiang, but I'll go first. Meet Shang Xiufang.

At this time, the people of the Li clan were preparing to go back to discuss the transaction of war horses tomorrow, but they were stopped by some people on the way back.

Li Shimin saw that the people who stopped them were people from the Jianghuai Army, and he It's a little strange that he has no connection with the Jianghuai Army.

Although he and Du Fuwei were both captured by Wu Xiangjun during the Yangzhou War, they had no chance to talk. This time, the Jianghuai Army stopped them and they didn't know why. Things.

On the Jianghuai Army side, when Kou Zhong saw his men stopping the Li clan members who were about to leave, he walked over with a smile and said to the confused Li Xiuning,

"Miss Li Xiuning, I am Kou Zhong from the Jianghuai Army. I wonder if Miss has time for us to talk about the war horses in Pegasus Ranch?"

"Kou Zhong? The young commander of the Jianghuai Army? I wonder what the young marshal wants to talk to me about about the war horse?"

Li Xiuning looked at Kou Zhong with some doubts.

She didn't know the young marshal of the Jianghuai Army, and shouldn't she talk to her brother Li Shimin about fighting horses?

Li Xiuning looked at the way Kou Zhong looked at her and knew that talking about fighting horses might be possible. It was a lie. Wanting to get to know him should be the purpose of this Jianghuai Army young marshal.

Kou Zhong watched the beautiful Li Xiuning talking to him. This made Kou Zhong feel that his goal of getting closer to Li Xiuning was already halfway accomplished. If he could make friends with Li Xiuning later, , then they will have a lot of time to get along with each other in the future.

Kou Zhong smiled and said to Li Xiuning,

"Miss Li Xiuning, this is not the place to talk. I have prepared some wine and food in my room. How about we chat while we eat?"

Chai Shao is so angry that he can't hold it anymore. Li Xiuning is his future woman. This young marshal of the Jianghuai Army obviously has a crush on Li Xiuning. If he talks about war horses, Chai Shao thinks that Kou Zhong is a drunkard. Not wanting to drink,

Chai Shao angrily walked to Li Xiuning and said angrily to Kou Zhong,

"No matter what, kid, I don't care what kind of young marshal you are in the Jianghuai Army. Li Xiuning will be my Chai Shao's fiancée from now on. You kid, stay away from Xiuning from now on."

Kou Zhong saw a disruptor appeared and even said that Li Xiuning was his fiancée. This made Kou Zhong glare at Chai Shao angrily and said,

"Chai Shao? what are you? I am talking to Miss Xiuning. Do you, a servant, have the right to speak here?"

"Chai Shao, when did I become your fiancée? Don't talk nonsense here."

Chapter 345

Li Xiuning was a little angry after hearing Chai Shao's words. Although she heard rumors that she was going to marry Chai Shao from the Chai family, Li Xiuning despised this pretty boy Chai Shao. Li Xiuning would rather not marry than marry. Give Chai Shao

"Xiuning, my father proposed marriage to Clan Leader Li, and Clan Leader Li promised to let us get engaged after this Pegasus Ranch. I didn't lie to you. Brother Shimin can testify."

Chai Shao saw Li Xiuning staring at him, so he hurriedly told Li Xiuning what he knew. Chai Shao was afraid that Kou Zhong of the Jianghuai Army would intercept his beautiful future wife halfway.

Li Xiuning suppressed his anger and asked Li Shimin next to him. He said, "Shimin, is what Chai Shao said true?"

Li Shimin wants to scold Chai Shao for being such a loser right now. Can he tell Li Xiuning these things now? This damn bastard, if Chai Shao's family wasn't rich and the Chai family still supports him, Li Shimin would have kicked this fool away long ago. ,

Li Shimin said to Li Xiuning helplessly,

"Second sister, what Chai Shao said is true. Chai Shao is a talented person and second sister is a perfect match. His father also intends to recruit Chai Shao as his son-in-law."

Li Xiuning was a little angry when she looked at Li Shimin.

Why is Chai Shao so talented?

Isn't this bastard Li Shimin just interested in the Chai family's money?

Li Xiuning is very disappointed with Li Shimin. She has always supported him, but Li Shimin actually wanted to support the Chai family. And sold her.

Li Xiuning thought about how their father would have let her marry Chai Shao, a pretty boy, if Li Shimin hadn't arranged it.

"Haha, it turns out it is true. Now that you all know it, I am the only one who is kept in the dark. You are really my brother."

Li Shimin saw Li Xiuning's angry expression, and he also knew that what he had done secretly had been guessed by Li Xiuning, but Li Shimin had no choice. If he wanted to seek revenge on Wu Xiangjun for taking his wife in the future, he would have to have troops and money, and even in the future. He also wants their father's position, otherwise he will not be Wu Xiangjun's opponent at all.

Li Shimin wants to appease Li Xiuning now. He does not want to part ways with Li Xiuning at this time. If Li Shimin does not have Li Xiuning's support in the future, I am afraid what will he do in the future? Everything will be targeted by his eldest brother and third brother, and Li Xiuning will probably never speak for him again in the future.

"Second sister, I didn't mean to hide it from you, it's just that we haven't gotten the war horses from Pegasus Ranch yet, and now is not the time to talk about those things. I just wanted to tell the second sister after the war horses were traded."

Kou Zhong also understands now that Li Xiuning has decided to marry Li Xiuning to this pretty boy, and Li Xiuning is unwilling. Kou Zhong feels that he still has a chance. As long as he is strong in the future, Kou Zhong does not believe that Li Xiuning will marry her. Li Xiuning married this pretty boy.

Kou Zhong stabilized his somewhat angry mood and said to Li Xiuning, "Miss Li, will you still discuss the war horse with me?"

"Kou Zhong: Let's go, let's discuss the matter of the war horses."

Li Xiuning looked at Li Shimin and Chai Shao and prepared to leave with Kou Zhong. She now feels that Li Shimin is a little disgusting, and Chai Shao makes her even more disgusting.

""Okay, Miss Li please."

Kou Zhong was very happy when he saw that Li Xiuning was willing to leave with him. This made Kou Zhong even more sure that Li Xiuning would not agree to be engaged to that pretty boy.

"Second sister"

""Xiuning"

Li Shimin and Chai Shao were a little anxious when they saw that Li Xiuning was leaving. Li Shimin didn't expect that her second sister would react so violently, while Chai Shao was afraid that Li Xiuning and the impure-minded Kou Zhong would leave and give him something to do in the future. Cuckold.

Bang! Bang! Bang! Bang!

"What a good show, Chai Shao, why don't you stop your fiancée? They are alone together, and they have to drink. Haven't you thought about what will happen?"

After Su Chen left Xiao Meng and Xue Nu's room, he wanted to wander around the Pegasus Ranch. He didn't expect to see a good show.

Seeing that they were about to leave, Su Chen felt that this was a bit unsatisfactory, so Su Chen decided You should add more firewood to them, so that you can watch the show for a while.

And Kou Zhong and Xu Ziling can actually do martial arts. This makes Su Chen a little bit unexpected. Without the longevity secret, these two gangsters can still do it. Du Fuwei's adopted son, is this the fate of the protagonist?

When Li Shimin saw Su Chen appear, he glared angrily at the bastard who took away his fiancée.

"Mr. Wu Xiang? Are you here like this, you bastard? Su

Chen smiled nonchalantly and said to Li Shimin,"Li Shimin, what you said is really funny. Why can't I be here?" Is this the territory of your Li clan?"

Li Shimin glared at Su Chen angrily and then suppressed his anger and said to Su Chen,

"Mr. Wu Xiang, this is the private matter of our Li clan. I hope you won't meddle in our own business."

Li Shimin knew that this bastard's army existed in Pegasus Ranch. If he dared to offend this bastard here, the bastard would definitely catch him and extort some money from his father.

Su Chen didn't care about Li Shimin, he was just a clown. It will be very easy to crush him to death in the future. It is better to let Li Shimin continue to fight with Li Yuan's sons.

Su Chen looked at the pretty boy Chai Shao, smiled and said,

"Haha, I was just passing by, Chai Shao, right? You should know that Li Shimin had a fiancée before, right? His fiancée is now my wife. Do you understand what I mean when I say this?"

"What do you mean?"

Chai Shao looked at Su Chen in confusion. He didn't understand what Su Chen meant by saying this. Was he here to show off that he had snatched Li Shimin's fiancée?

"Let me mingle, I said it's so clear, you still don't understand?"

Su Chen was speechless looking at this silly pretty boy Chai Shao. He had already made it clear enough. How did this Chai Shao become Li Tang's duke in the future? Could it be that Li Xiuning will be the one helping Chai Shao, a drunkard and rice bagger in the future? After

Su Chen appeared, Li Xiuning was trembling all over. This bastard was the only man who had ever beaten her. Li Xiuning would never forget this bastard in his life. If this was not the Pegasus Ranch, there were many of this bastard here. Army, Li Xiuning wants to kill this bastard now.

Kou Zhong shrank when Su Chen appeared. He knew that Lord Wu Xiang was very powerful, and his adoptive father had repeatedly told him not to provoke Lord Wu Xiang. Kou Zhong looked at Su Chen wanted to take Li Xiuning and leave immediately. He didn't want to see this big devil.

Chai Shao understood what Su Chen said now. He looked at Li Xiuning and Kou Zhong next to him and wanted to know if his guess was true. Chai

Shao He clenched his fists and continued to ask with some trembling,

"What exactly do you mean?"

Su Chen looked at Chai Shao and was about to lose control. He knew that something good was going to happen soon. Su Chen thought about it and said to Chai Shao,

"Chai Shao, have you ever heard of a fable? This fable is about when you have a pair of new shoes and don't wear them on your feet right away because you like them. But they can't be new shoes

forever, and they may have been secretly worn by others. If you wear them again, then They are old shoes or torn ones.....shoe."

## Chapter 346

After hearing what Su Chen said, Chai Shao looked at Li Xiuning and Kou Zhong with red eyes. He now understood what Wu Xiangjun meant, indeed!

Li Xiuning despises him now, and at this time, Li Xiuning is chatting and drinking with a man who likes her.

Is this his fault!

He wouldn't believe it if something happened.

Chai Shao looked angrily at Kou Zhong, who was trying to steal his wife, and ordered his guards,

"Come on, get this bastard down for me"

"It's the young master."

When Chai Shao's guards heard the order, they pulled out their weapons and went to catch Kou Zhong.

""Protect the young marshal."

Kou Zhong brought the guards and immediately stepped forward with weapons to protect Kou Zhong. Now the scene was about to break out.

Seeing this, Su Chen found a big rock next to him and sat on it. This time he succeeded in sowing discord. , the rest can be watched.

Chai Shao looked at Kou Zhong's dozens of guards protecting Kou Zhong and shouted angrily,

"Come on, anyone who blocks your path will be killed."

""Kill" just after Chai Shao gave the order, his guards fought with Kou Zhong's guards, but this time Chai Shao's guards were a bit stronger.

In just one encounter, Kou Zhong's guards killed and injured more than ten people, Chai Shao These guards he recruited to deal with Su Chen, but this time he had to take action on Kou Zhong first.

"Madman, kill, kill these people for me."Kou Zhong saw that more than ten of his guards had been killed, and he angrily killed Jing Zhongyue, who had come out of his way, to Chai Shao and other guards.

After all, Kou Zhong was an innate master, and he was also a gangster when he was a gangster. There was no shortage of fights, and Kou slaughtered these guards who were only at the fifth or sixth level one by one.

Kou Zhong didn't care who was right or wrong now. Anyway, Chai Shao was the one who took action this time, and Kou Zhong also killed Chai Shao. In this way It was impossible for Li Xiuning to marry Chai Shao, a fool.

Chai Shao did not expect that Kou Zhong was so powerful. When he saw Kou Zhong killing his guards with great power, he said to the two old men next to him,

"Mr. Wang, Mr. Hu, you also come up and kill that Kou Zhong"

"Don't worry, young master, we will definitely kill this boy who only has the realm of innate cultivation."

After these two old men attacked Kou Zhong, Kou Zhong was a little overwhelmed. These two old men were at the peak of their innate strength, and Kou Zhong was no match for him.

Kou Zhong saw that he had no support, so he The guards were slaughtered and fled everywhere, and Kou Zhong was a little anxious. If he continued like this, he might be killed soon.

Kou Zhong now hoped that Li Xiuning could come forward to save him, and even he could support him until Xu Ziling came to save him..Li

Xiuning kept staring at Su Chen with a cold face. She didn't care about the battle between Chai Shao and Kou Zhong. Li Xiuning didn't know Chai Shao well, and she didn't know Kou Zhong even more. It didn't matter whether they were alive or dead. Regarding her matter, Li Xiuning wanted to find a way to kill Wu Xiangjun who was watching the show next to him.

At this time, the sound of fighting here also attracted other forces. They did not expect that in such a short time, Li Clan Why did they start fighting with the Jianghuai Army? This made them confused.

Xu Shiji from Wagang Village looked at the hundreds of people fighting in the field and asked in confusion,

"Military Advisor, why are Li Clan and Jianghuai Army fighting?"

Shen Luoyan was a little surprised when she looked at the two sides fighting. Shen Luoyan also couldn't understand why the Li clan's people were fighting with the Jianghuai Army's people. She had never heard of any conflict between the Li clan and the Jianghuai Army.

Shen Luoyan shook his head. He shook his head and said, "I don't know, let's take a look first and then talk."

Song Yuzhi of the Song Clan looked at the battle between the Jianghuai Army and the Li Clan and said with gloating, "Haha, the young commander of the Jianghuai Army will be unlucky this time, and may even be killed in a while."

Song Yuzhi looks down on that bastard Kou Zhong very much. She was a little upset when she was stared at by this bastard in the meeting hall just now. This time the fight must have been caused by Kou Zhong's lust for Li Xiuning of the Li clan.

Song Yuzhi hopes that this time they will Both sides can fight to the death, so tomorrow's war horse trade may lose two strong competitors.

Song Yuhua was not interested in these fights and killings. She looked at the two sides fighting and looked towards What Song Yuhua didn't expect was that she actually found Wu Xiangjun at the Pegasus Ranch.

Song Yuhua blushed when she saw Wu Xiangjun sitting on a rock watching a show. Song Yuhua hurriedly lowered her head, not daring to look at the man who was teasing her. Wu Xiangjun, she was also afraid that Wu Xiangjun would find out that she was also at Pegasus Ranch. Li Shimin was a little helpless now. It was obviously Wu Xiangjun who was stirring up trouble just now, but Chai Shao still believed it.

Although Jiang Huaijun was not as good as them Li Clan, but the power of the Jianghuai Army is not small. If Chai Shao kills the adopted son of Jianghuai Army Du Fuwei this time, I am afraid that the Jianghuai Army will fight with them Li Clan to death in the future.

"Li Gongfeng went to rescue Kou Zhong, the young commander of the Jianghuai Army."

A middle-aged man next to Li Shimin frowned and said after hearing this,

"Second Young Master, do you really want to do this? If you do this, I'm afraid Chai Shao won't support the second young master in the future."

"Save first and then talk"

"All right."

Boom! Boom! Boom!"

"Stop it all."

Li Gongfeng came to the middle of the battlefield with a light skill and blasted the surroundings with his palms. He did not kill anyone. Li Gongfeng just asked these people to stop, so that both sides could withdraw from the battle first, and Kou Zhong also There was no need to save him, and Li Shimin would not have offended Chai Shao to death. The level of cultivation that Li Clan worshiped as a master was just a few blows against the guards of Chai Shao and Kou Zhong, and both of them were suppressed by this master. Just after Chai Shao and Kou Zhong's guards separated, Li Shimin came over. He discovered that in just a moment, dozens of people had been killed and injured here, and Kou Zhong's guards had less than five people left. And all of them were injured.

Li Shimin looked at Chai Shao next to him and said with hatred,

"Chai Shao, can you calm down? You have fallen into Mr. Wu Xiang's plan to sow discord."

Chai Shao saw that he could catch Kou Zhong soon, but he didn't expect that Li Shimin's people would actually help Kou Zhong of the Jianghuai Army. This made Chai Shao very angry.

His Chai family supported Li Shimin, and the Chai family even more. After stealing millions of money from the Li clan, Chai Shao did not expect that Li Shimin would stop him.

Chai Shao looked at Li Shimin and said unkindly,

"Am I not calm? If I remain calm, my fiancée will become that Kou Zhong's wife. Li Shimin, are you calm now? Where is your fiancée? Is your fiancée still your fiancée?"

Li Shimin didn't expect that Chai Shao would dare to speak to him like this, and even fight about his former fiancée.

This made Li Shimin very angry.

"How dare you talk to me like this, Chai Shao?"

"Haha, Li Shimin, our Chai family has not surrendered to you, Li Clan, and you are not the master of our Chai family. If you dare to stop me after what happened today, our Chai family will no longer support you in the future. I think your eldest brother Li Jiancheng will do the same. Welcome to our Chai family."

Chapter 347

Chai Shao looked at Li Shimin and threatened with a bad expression. Chai Shao now also cares whether Li Shimin will cause trouble for his Chai family in the future.

He likes Li Xiuning very much. Even if there is no help from Li Shimin in the future, Chai Shao can still find Li Jiancheng. Moreover, Li Jiancheng is Li Yuan's eldest son, and Li Jiancheng has more potential than Li Shimin.

Li Shimin's face became gloomy after hearing Chai Shao's words. He did not expect that Chai Shao would say such words. If his power lacks the financial support of the Chai family in the future, he may not be able to do many things.

If the Chai family joins his eldest brother Li Jiancheng in the future, it will definitely cause him countless troubles, and his eldest brother will definitely be more powerful than him. After all, the Chai family is very rich.

Li Xiuning looked at Li Shimin's gloomy face with disdain. Now Li Xiuning has seen through Li Shimin.

Li Shimin is a ruthless and unjust person. He can even betray anyone for his own benefit.

Li Gongfeng next to him came to Li Shimin and whispered,

"Second Young Master, Chai Shao now wants toThe young lady is going crazy. If you don't want to lose the support of the Chai family, it's best not to ask about this matter again."

"Alas, it's a little late now. I didn't expect Chai Shao to be so crazy."

Li Shimin looked at Chai Shao's distorted face and shook his head.

Li Shimin is now in a difficult position. Chai Shao threatened him just now and other forces here have heard it.

If he doesn't care about this matter now, I'm afraid his reputation will also be ruined. It's going to stink. Damn Chai Shao. You shouldn't have brought this bastard to Pegasus Ranch this time.

Shen Luoyan looked at Li Shimin and laughed. This time Li Shimin failed to steal the chicken and lost all the rice.

"Haha, we have a good show this time. What do you think Li Shimin will do now?"

"Military advisor, Li Shimin will definitely not help Kou Zhong of the Jianghuai Army again. If Li Shimin helps Kou Zhong of the Jianghuai Army again, I am afraid that the Chai family of the Guanzhong family will no longer support him."

"Well, Li Shimin was a little embarrassed this time. Wasn't his fiancée robbed by that Wu Xiangjun? This time Chai Shao exposed his scars. Li Shimin will definitely not let Chai Shao go in the future."

"Military Advisor, Li Shimin is probably in a very difficult situation right now. No matter what decision Li Shimin makes now, Chai Shao and Kou Zhong of the Jianghuai Army will no longer have contact with Li Shimin."

The people in Wagang Village are also talking now. They are all looking at Li Shimin and wondering what he will do, but Li Shimin really did something stupid this time.

Song Shidao of the Song clan shook his head when he looked at the nosy Li Shimin. He shook his head and said, "Little sister, this Li Shimin has angered Chai Shao of the Chai family this time. Li Shimin may not get the support of the Chai family again in the future. Song

Yuzhi looked at Li Shimin and said with some disdain,

"Li Shimin not only wanted the support of the Chai family, but also wanted to have a good relationship with Jiang Huaijun. There are the best of both worlds."

While the other forces here were talking about what Li Shimin would decide,

Su Chen came over. He looked at the scarred Kou Zhong and was speechless. Two innate peak powerhouses did not kill a sixth-level innate person. My God, Kou Zhong, is this the destiny of the protagonist?

Su Chen came over and praised Chai Shao,

"Chai Shao, you act like a man like this. If you don't do this today, Li Xiuning will definitely look down on you even more. Chai Shao, you have to know that Li Xiuning is a general who leads troops in war, but he looks down on people who are not manly."

Chai Shao took advantage of Su Chen's words. He also knew that Li Xiuning was a resolute woman. What he did this time was not wrong.

Chai Shao looked at Su Chen and knew that he didn't have good intentions either, but Su Chen treated him well. The threat is not big. After all, Su Chen will not compete with him for Li Xiuning. If Wu Xiangjun competes with him for Li Xiuning, I'm afraid he won't have any chance.

"I know how to do it, I don't need you, a hypocritical person, to teach me"

"Damn it, Chai Shao, don't be ignorant of good people's hearts. If I hadn't reminded you just now, would you have done this?"

"Mr. Wu Xiang, aren't you just trying to sow discord between our Chai family and Li Shimin? This time you succeeded"

"Haha, Chai Shao, you are actually smarter this time. However, since you have offended Li Shimin this time, if your Chai family still supports Li Shimin in the future,"

"Have you ever thought about it?"

"If Li Shimin becomes powerful in the future, will he treat your Chai family like this?"

"After all, you have offended Li Shimin quite a bit this time."

Chai Shao looked at Li Shimin after hearing Su Chen's words. He also knew that he had offended Li Shimin to death this time. If Li Shimin gained power in the future, Li Shimin would definitely attack the Chai family.

Chai Shao decided now that they would be the Chai family in the future. Li Shimin's family no longer supports him. He doesn't want to raise wolves and cause trouble.

"This is our Chai family's business and you don't need to worry about it."

At this time, people from other forces saw a young man talking to Chai Shao. They were very surprised when they heard the young man talking to Chai Shao. People from other forces did not expect that this young man was famous. Wu Xiangjun.

Song Yuzhi asked angrily when he saw Su Chen appearing,

"When did this damn bastard come to Pegasus Ranch?"

Song Shidao's eyes lit up when he saw Wu Xiangjun appear.

Song Shidao fell in love with the Korean woman who appeared in Yangzhou City at first sight, and that Korean woman is now imprisoned in Yangzhou City by Su Chen.

Song Shidao wanted to be with him when there was no one around. Wu Xiangjun asked him to let the Korean woman go

"Little sister, I don't know if we can provoke this Mr. Wu Xiang anymore, otherwise if our father finds out, he will definitely teach us a lesson."

"I know." After Song Yuzhi glared at Su Chen, she noticed that her sister Song Yuhua was a little distracted. Song Yuzhi shouted worriedly, "Sister? Big sister? what's on your mind?"

"ah? Um! I didn't think about anything, I just didn't expect that Mr. Wu Xiang was here, which surprised me." Song Yuhua blushed and looked at Song Yuzhi and quickly lowered her head. She didn't want Song Yuzhi and Song Shidao to see his blushing.

Song Yuzhi was a little confused when she saw Song Yuhua blushing. Now she guessed that her sister might not like Wu Xiangjun. Is that bastard?

This is not okay!

That bastard is a shameless hooligan. He has several wives.

Even the bastard's confidante is a beauty on the martial arts beauty rankings. Song Yuzhi doesn't want her sister to fall into the fire pit.

Su Chen Chen smiled when he saw Chai Shao's somewhat enlightened look. Not only did he watch a good show this time, he might even turn Chai Shao and Li Shimin into enemies. This time Su Chen did not fool Chai Shao, a fool, in vain. At this time, thousands of guards came to Pegasus Ranch. When they arrived, they surrounded Li Shimin and Kou Zhong.

Shang Xiuxun was a little angry now. She just went to chat with her friend Shang Xiufang, but Before chatting with Shang Xiufang for a while, she heard a report from her subordinates that Li Clan and Jianghuai Army were fighting.

After hearing this, Shang Xiuxun hurriedly came here with Shang Xiufang.

"Something is going on here."

Chapter 348

When Su Chen saw Shang Xiufang arriving with a cold and heroic woman, he knew that he wouldn't be able to watch the show this time. This somewhat heroic woman must be Shang Xiuxun, the beautiful owner of Pegasus Ranch. Shang Xiufang's arrival must be something special. There will be no more fighting here.

Just when Shang Xiuxun and Shang Xiufang arrived and wanted to ask what happened here.

Xu Ziling also appeared here. When he saw the scarred Kou Zhong, he hurriedly came to him to support him and asked,

"Mr. Zhong, what's wrong with you?"

Xu Ziling left without thinking that he would leave for a while. Kou Zhong was beaten with wounds all over his body, and even their guards were dead. Only a few of them were left. Xu Ziling looked at some people from the Li clan next to him who were hostile to Kou Zhong. He guessed that Kou Zhong must have been injured by the Li clan's men.

Kou Zhong, who was covered in scars, said to Xu Ziling, "Master Ling, I am in trouble this time. I was attacked by the Li clan's men."

Kou Zhong is now sitting on the ground weakly. Xu Ziling's arrival has completely relaxed Kou Zhong. He is not worried about Li Clan's people attacking him again.

"Why did Li Clan attack you? Have you provoked Li Xiuning of the Li clan?"

"Forehead! I am inviting Li Xiuning to discuss the matter of trading war horses tomorrow. Who knew that Chai Shao in Li Clan wanted to kill me? Mr. Ling, I must avenge this."

"You are really obsessed with sex."

Xu Ziling looked at Kou Zhong speechlessly.

Xu Ziling did not expect that Kou Zhong could not wait to attack Li Xiuning of the Li clan. Li Xiuning was the princess of the Li clan. Kou Zhong was trying to chat up Li Xiuning like this. In Li clan's case, People who admire Li Xiuning will definitely take action against Kou Zhong.

Shang Xiuxun watched Kou Zhong and Xu Ziling chatting in low voices and did not pay attention to her arrival at all. Li Shimin was also silent and didn't know what he was thinking.

Shang Xiufang asked angrily and loudly,

"Couldn't anyone tell me what happened here? Li Shimin, Kou Zhong, why did you fight in Pegasus Ranch? So many people were killed or injured?"

When Su Chen heard Shang Xiuxun asking Kou Zhong and Li Shimin angrily, he fanned the flames and said,

"I know, mall owner, the fight here was caused by the jealousy between Li Shimin's men and Kou Zhong of the Jianghuai Army."

Shang Xiuxun was a little confused when she saw Su Chen walking over. She had never seen this person before, and this person was not afraid that Li Clan and Jiang Huaijun dared to talk about them like this. This made Shang Xiufang ask curiously. ,

"Jealous? and who are you?"

Su Chen looked at Shang Xiufang, who was staring at him next to Shang Xiuxun, and said with a smile,

"I am a passerby, a kind-hearted passerby"

"Passerby? Will there be passers-by in Pegasus Ranch?"

Shang Xiuxun looked at Su Chen with amusement.

This passer-by who lied without blinking was a bit bold. Could passers-by appear in Pegasus Ranch?

If passers-by could appear in Pegasus Ranch casually, I'm afraid her Pegasus Ranch would have been It was taken away by other forces.

Shang Xiufang pulled Shang Xiuxun beside him and whispered, "Xiuxun, this bastard is Wu Xiangjun, you can't let this bastard go."

"What? Is he Wu Xiangjun? Su Yan's father? Wu Xiangjun, who basically dominates the beauties in the martial arts ranking list?"

Shang Xiuxun looked at Su Chen in surprise after hearing Shang Xiufang's words.

Shang Xiuxun did not expect that Lord Wu Xiang would actually come today. It seems that Xiaomeng and Xuenu did not lie, but this Lord Wu Xiang might be coming soon. Unfortunately, Xiaomeng and Xuenu are going to make trouble for Wu Xiangjun.

Shang Xiuxun wants to see how Wu Xiangjun offended Xiaomeng and Xuenu, and how Xiaomeng and Xuenu will teach him a lesson. Lustful Wu Xiangjun.

Shang Xiufang was very angry with this Wu Xiangjun. If this bastard hadn't deliberately teased her, she wouldn't have come to Pegasus Ranch without rest all the way. Shang Xiufang felt that her butt was still very painful. ,

Shang Xiufang glared at Su Chen fiercely with her beautiful eyes and said to Shang Xiuxun,

"Yes, Xiuxun, this bastard is Wu Xiangjun. Can you catch this bastard? Shang

Xiuxun looked at Shang Xiufang with a wry smile and said, "Xiufang, I don't dare to arrest this Lord Wu Xiang. You must know that there is his army in Pegasus Ranch, and there are 10,000 heavy armored cavalry. My Pegasus Ranch does not dare to offend Mr. Wu Xiang"

"Damn it, it seems I can't get my revenge."

"Xiufang, has Mr. Wu Xiang provoked you?"

"That bastard is a despicable person. This bastard Wu Xiangjun has made fun of me all the way."

Su Chen looked at Shang Xiuxun and Shang Xiufang talking, and he knew that Shang Xiufang, who was glaring at him, told Shang Xiuxun his identity, but Su Chen didn't care. Many people here knew his identity. It was impossible for him to hide his identity.

Shang Xiuxun looked at Su Chen. Although she didn't know why Wu Xiangjun wanted to tease Shang Xiufang, this was not the time to talk about these things.

Shang Xiuxun looked at the people around him. Other forces said,

"Everyone, please disperse. Tomorrow is the time to trade war horses. If you have any grievances, you can resolve them on your own after you leave Pegasus Ranch. If I find you fighting and killing in Pegasus Ranch again, then I will cancel your transaction. The qualifications of a war horse."

The surrounding forces looked at Chai Shao and Kou Zhong and knew that after the arrival of Pegasus Ranch owner Shang Xiufang, they could no longer fight, so some small forces left first.

Shen Luoyan from Wagang Village looked puzzled. After looking at Su Chen, she took her men and left. Shen Luoyan was now very curious about who the young man who appeared was?

Why were Li Shimin and Kou Zhong clearly instigated by that young man?

And Li Shimin and Kou Zhong Didn't you bother to find that young man?

As Shen Luoyan walked away, he ordered Xu Shiji next to him, "General Xu, the identity of that young man is not simple. I will investigate him later and find out who he is.""

"Okay, strategist."

Li Shimin looked at Chai Shao and left with his people. Fortunately, Shang Xiuxun came over this time, otherwise he would really be in trouble this time.

Li Shimin also knew that he had offended Chai Shao to death this time. , if he cannot repair his relationship with Chai Shao during this period, I am afraid that when Chai Shao returns to Jinyang, Shanxi, he will directly join his elder brother Li Jiancheng. This is not the result Li Shimin wants to see.

Chai Shao rescues him somewhat viciously Kou Zhong said,

"Kou Zhong, you are lucky this time, you bastard, listen to me, Li Xiuning is my Chai Shao's woman, if I find you dare to take Li Xiuning's idea again in the future, I will definitely kill you."

After Chai Shao finished speaking, he left with his men. He was helpless because he failed to kill Kou Zhong this time. As for his break with Li Shimin, Chai Shao also wanted to tell his family that he had no time to stay now. At the Pegasus Ranch, Chai Shao will now return to Jinyang, Shanxi Province.

Song Yuzhi looked at Su Chen and left with others. Now she was worried that Wu Xiangjun, a bastard, would have bad thoughts about her sister. Let that bastard bother her sister again, Song Yuzhi doesn't know whether to take action against that bastard

"Girl, we meet again, does your butt still hurt?"After Su Chen saw that all the forces here had left, he looked at Shang Xiufang and said teasingly,

"shameless"

Chapter 349

Shang Xiufang didn't expect that this bastard would say these things in front of Shang Xiuxun, which made Shang Xiufang blush and want to strangle this bastard to death.

Shang Xiufang looked at Shang Xiuxun looking at her in confusion. She had no way to explain to Shang Xiuxun now. She didn't want to talk about her butt injury while riding a horse in front of everyone.

"Haha, female star, do you want me to apply medicine on your butt? My golden sore medicine is very easy to use. I'm sure your butt will no longer hurt after using it."

Shang Xiufang looked at the way the guards at Pegasus Ranch looked at her, and she cursed angrily, "Shameless, you bastard is a shameless person."

When Shang Xiuxun heard what Su Chen said, he frowned and looked at Su Chen unkindly. Shang Xiufang was his good friend. Although Wu Xiangjun was very powerful, he couldn't say such things to a woman..

If other uninformed people heard this, they would think that the relationship between Wu Xiangjun and Shang Xiufang was unclear. These words would be very misunderstood by others.

Shang Xiuxun waved her hand and asked her thousands of guards to leave. Then he said,

"Mr. Wu Xiang, is it okay for a noble nobleman like you to ruin a woman's reputation like this?"

"Owner Shang Xiuxun, I'm telling the truth, Shang Xiufang came all the way to Pegasus Ranch non-stop. I felt bad for her when I saw Shang Xiufang sticking her butt out while riding a horse, right? Shang Xiufang, everyone?"

"Bastard, I'm going to kill you."

Shang Xiufang couldn't bear the insult from this bastard anymore. She, a pure and pure woman, was now being spoken to by this bastard with such disgusting words. Shang Xiufang couldn't stand it anymore.

Su Chen saw Shang Xiuxun raising his hand towards him. After the attack, he teleported directly in front of Shang Xiufang. Shang Xiufang did not expect that this bastard would suddenly appear in front of her. Before

Shang Xiufang had time to react, she ran directly into Su Chen's arms.

"ha? Shang Xiufang, are you throwing yourself at me?"

"ah! Shameless guy, let me go"

"Haha, you threw yourself into my arms yourself. Could it be that this little girl like you has fallen in love with me?"

Shang Xiuxun saw this bastard Wu Xiangjun teasing Shang Xiufang, and she rushed towards Su Chen. Shang Xiuxun didn't care whether Wu Xiangjun would get angry and deal with her Pegasus Ranch. Shang Xiufang was his best friend. As a good friend, she would not just watch Su Chen bully Shang Xiufang like this.

"Let Xiufang go"

"Here comes another beauty." Su Chen saw Shang Xiuxun also attacking him. He turned around and avoided Shang Xiuxun's attack. Su Chen pulled back his hand and wanted to pull Shang Xiuxun into his arms.

There was a stabbing sound from

Su Chen. Su Chen was stunned for a moment.

Su Chen didn't expect that he tore Shang Xiuxun's clothes directly. Su Chen was shocked when he saw the pink bellyband exposed.

"Ah, you shameless person, I'm going to kill you."

When Shang Xiuxun saw that her dress was torn by Su Chen, she hurriedly squatted on the ground with her face flushed. Shang Xiuxun protected her chest with both hands and glared at Su Chen angrily.

Shang Xiufang was also shocked. She didn't Thinking of Wu Xiangjun, a bastard, tearing off Shang Xiuxun's dress in public, Shang Xiufang looked at Shang Xiuxun squatting on the ground and didn't react for a while.

Shang Xiufang was thinking about Su Chen, a bastard. After seeing Shang Xiuxun's body, wasn't Shang Xiuxun's innocence ruined by this bastard?

Su Chen was speechless looking at Shang Xiuxun squatting on the ground. He didn't do it on purpose at all this time, Su Chen I didn't expect Shang Xiuxun's dress to be so flimsy.

"Um, mall owner, do you believe me if I say I didn't mean it?"

Shang Xiuxun saw that this bastard Su Chen was still looking at her, which made Shang Xiuxun even more angry, "I believe you, you damn bastard, turn your head right now."

"Okay, okay." Su Chen let go of Shang Xiufang and wanted to leave here. He wouldn't stay stupidly, otherwise the two women would go crazy together, and he didn't want to be their target.

"Huh? Li Xiuning, a stinky woman, didn't leave?" When Su Chen turned around and was about to leave, he suddenly found that Li Xiuning was looking at him with contempt, which made Su Chen a little strange.

He knew that Li Xiuning had not left with Li Shimin, but when all the forces left, Su Chen just saw When Kou Zhong left, he went to find Li Xiuning. He originally thought that Li Xiuning would leave with Kou Zhong, but this Li Xiuning hadn't left yet?

Could it be that she wanted to take revenge on herself?

When Su Chen let her go, Shang Xiufang She also reacted, Shang Xiufang hurriedly took off her cloak and covered Shang Xiuxun's body, "Xiuxun, are you okay? Put on my cloak quickly."

Shang Xiuxun put on Shang Xiufang's cloak and cried heartbreakingly,

"Xiufang, help me kill that bastard, I will definitely kill her this time."

Shang Xiuxun didn't expect that her innocence would be ruined by Wu Xiangjun, a bastard. Shang Xiuxun only had one thought now, that she must kill this bastard who ruined her innocence.

Shang Xiufang hugged her heartbroken Shang Xiuxun comforted him, "Okay, let's kill this bastard together."

When Su Chen heard what Shang Xiuxun and Shang Xiufang said, he instantly appeared next to Li Xiuning. Without waiting for Li Xiuning to react, he picked up Li Xiuning and disappeared from here.

"Damn it, that bastard ran away, Xiu Xun, what should we do now?"

"I'll go change my clothes first, and then I'll look for this bastard's daughter. Even if the bastard escapes, as long as her daughter is with us, I don't believe that bastard won't show up."

"Okay, then you go change your clothes first. After you change your clothes, we will find that bastard's daughter."

Shang Xiufang said as she pulled Shang Xiuxun up and walked towards her room. But as she walked, Shang Xiufang thought that Shang Xiuxun's innocence was ruined by that bastard. If they couldn't kill that bastard, how could Shang Xiuxun be killed in the future? Do you want to marry that bastard?

On a hill not far from Pegasus Ranch, Su Chen appeared here holding a panicked Li Xiuning.

Li Xiuning did not expect Wu Xiangjun, a bastard, to hijack her. Now Li Xiuning is a little scared, this bastard is a complete pervert. If this bastard bullies her in this wilderness, Li Xiuning will not be able to escape. Li Xiuning looked at Su Chen who was still holding her and struggled angrily, "You bastard, hurry up Let me go, why did you catch me here?"

Su Chen hugged Li Xiuning tightly and was a little surprised. He didn't expect that Li Xiuning had such a hot figure. This was something Su Chen didn't expect.

Su Chen smelled the fragrance of Li Xiuning's body and said with a smile, "Haha, Li Xiuning, I didn't expect you to have such a good figure. How did you develop such a good figure?"

"you.....Stay away from me you bastard."

Li Xiuning struggled and worried when she saw Su Chen's lustful look.

Li Xiuning is now afraid that this bastard will suddenly become animalistic and bully her. She now regrets staying and causing trouble for this bastard Wu Xiangjun.

"Haha, do you think it's possible? Li Xiuning, how do you want me to treat you this time?"

## Chapter 350

Su Chen looked at the frightened Li Xiuning and smiled. He just wanted to scare the future Princess Li Tang, but something was wrong with Li Xiuning of the Li clan today. She actually didn't seem to want to hear Li Shimin's words this time. He obeyed his father's wishes and married Chai Shao, but wanted to cheat and leave with Kou Zhong.

This made Su Chen confused. Wasn't this Li Xiuning dedicated to the great cause of the Li family in Zongwu's world? ?

Li Xiuning looked at Su Chen who was holding her so close and was very cruel to him. If this bastard hadn't extorted so much money from their Li family last time, his father would never have used her as a bargaining chip in exchange for the Chai family. Support, Li Xiuning wants to stab this bastard to death right now.

Li Xiuning stopped struggling. She knew that if this bastard Su Chen wanted to do something to her, she wouldn't be able to stop her. Li Clan might even be very happy with what this bastard did to him.

Li Xiuning took a breath and calmly said to Su Chen, "Shameless, let me go.""

"You're not afraid of me anymore, Li Xiuning. Aren't you afraid of what I will do to you?"

"Wu Xiangjun Su Chen, do you think I can stop you from what you are going to do to me?"

"Um, it seems not possible"

"Haha, Mr. Wu Xiang, everything that happened to me today was caused by you. I will never let you go in the future. You'd better kill me now, otherwise you will regret it one day."

I guess, what does this have to do with me? Why does this Li Xiuning hate herself so much? Is it because he beat her?

Su Chen let go of this Li Xiuning speechlessly. Although this woman Li Xiuning is very beautiful, Su Chen doesn't know how to do it. The overlord forced himself to get this Li Xiuning. This woman was a bit dangerous. Su Chen didn't want an unstable factor to appear in his family in the future.

"Li Xiuning, what does your experience have to do with me? In Yangzhou, you and your unscrupulous brother Li Shimin came to seek revenge from me, but I never took the initiative to cause trouble for you."

"Hehe, if you, bastard, hadn't snatched Li Shimin's fiancée, his eldest grandson, Wu Chuan, would Li Shimin take revenge on you, bastard?"

Su Chen said angrily when Li Xiuning mentioned Changsun Wuchuan, "Damn it, Li Xiuning, Changsun Wuchuan and I were in love, and at that time Li Shimin had already abandoned Changsun Wuchuan and canceled the engagement. , I'm afraid you don't know these, right?"

"I don't care about you, you crazy woman who doesn't understand anything. If you want to know why Li Shimin and Changsun Wuchu broke off their engagement, you should ask Song Yuzhi of the Song Dynasty."

Su Chen felt that he was just looking for trouble this time. It was a mistake for him to arrest this Li Xiuning this time. Su Chen felt that he had lost his mind and said so many useless words to this Li Xiuning.

Su Chen grabbed Li Xiuning and appeared instantly In Pegasus Ranch, he didn't want to continue talking to the anxious Li Xiuning. Su Chen felt that if he had this time, he might as well go around Pegasus Ranch.

"Li Xiuning, just take care of yourself."

Su Chen let go of Li Xiuning and disappeared.

Li Xiuning blushed when she saw Su Chen, a bastard, hugging her back again. She had never been hugged by another man in her entire life, especially this damn bastard. He was still restless while holding his hand.

Li Xiuning was also a little confused. She didn't know whether she should continue to help his father or even help Li Shimin. Li Xiuning had done so much for Li Clan and Li Shimin with all her heart, but in the end she was also It's just a tool for marriage. This makes Li Xiuning a little sad and angry

"What should I do next? Do you still want to do your best for Li Clan? Do you still want to obey your father's arrangement and marry Chai Shao?"

When Li Xiuning thought about her future affairs, she thought of that bastard Su Chen again. Although that bastard Su Chen was lecherous and shameless, he had never done anything harmful to the world. She even thought about the matter of her brother Li Shimin's fiancée's eldest grandson, Wu Chuan. It was clear that Li Xiuning had to deal with Su Chen in Yangzhou for the sake of Li Clan's face. Now that she thought about it, she felt how childish she had done.

Just when Li Xiuning was thinking about her future, she found herself in a room in the Pegasus Ranch. Here, Su Yan and Black Widow were speechless looking at the aggressive Shang Xiuxun and Shang Xiufang.

Su Yan did not expect that his restless father would offend Shang Xiufang in such a short time, which made Su Yan resent her father for provoking women. Her ability was a little helpless.

Seeing Shang Xiuxun holding her and fearing her leaving, Su Yan asked helplessly, "Sister Shang, why did my father offend you? Shang

Xiuxun pulled Su Yan to sit on a chair and said with a face, "Girl Su Yan, you don't need to know about this. I just want to settle a score with your father. You can be my hostage for a while now. I won't believe that your shameless father will not come to find you."

Su Yan looked at Shang Xiuxun's angry look and didn't know how to persuade her. She was just a child. How could she take care of her father's affairs? She had been a hostage in the past two days.

Su Yan thought about it and wanted to know. Why did her father offend Shang Xiuxun this time? After all, Shang Xiuxun was her friend. She didn't want Shang Xiuxun to conflict with her father later.

"Sister Shang, is my father teasing you?"

Shang Xiuxun's face turned red after hearing Su Yan's words.

She thought: Not only did your shameless father molest her, she couldn't tell Su Yan that her dress was torn. That bastard ruined her. Shang Xiuxun said to Su Yan in embarrassment when he thought of this, "Su Yan, your father and I will be enemies of life and death from now on. Either she dies or I die.""

"Forehead! No way? Sister Shang, you don't really want to do this, do you?"

"Hey, Su Yan, your shameless and bastard father is dead this time."

Shang Xiufang was very curious when she looked at the daughter of that shameless bastard. This little girl who was only six or seven years old looked very smart and cute. She even saw the depression and helplessness in the eyes of this little adult.

Shang Xiufang felt This little girl is a bit unusual. During the conversation between this little girl and Shang Xiuxun, she also discovered that this little girl kept trying to trick Shang Xiuxun. But this little girl might be disappointed. Shang Xiuxun's dress was torn off. She will definitely not tell anyone about

"Stop it, Black Widow, stop it."

At this time, Su Yan suddenly realized that something was wrong with the Black Widow. She suddenly thought of the Black Widow's ability and hurriedly stopped her.

Su Yan had understood the Black Widow's ability before, and she even saw that this Black Widow was not only her father's. The subordinate is probably a concubine of her father.

Su Yan also saw the love for her father in the eyes of the black widow. She is now afraid that the black widow will directly kill Shang Xiuxun.

"Princess, since this woman is the enemy of the master, she should not continue to live. It is impossible for me to leave the master's life and death enemy beside the master."
