Chapter 35

Su Chen also looked at the gangs that appeared again. Now Su Chen didn't care why these masters appeared here. This time he just came to have fun. No matter what happened, he would not be happy with him.

Seeing that Su Chen seemed to know these masters who appeared, Huanwan asked with interest,

"Su Chen, do you know everyone here?"

Su Chen touched Huan Huan's delicate little face and said with a smile,

"I only knew their names, and this was the first time I saw them in person."

Huanwen opened Su Chen's hand angrily and asked doubtfully,

"Why would you know the names of these people if you are not a Jianghu person?"

Pah.

When Su Chen saw that Huanwan kept asking for information about him, he spanked her and said,

"Why do you ask so many questions? Shouldn't I know the names of these people since I'm not a Jianghu person?"

Su Chen felt a little regretful after spanking Huan Huan. He had forgotten that this little demon girl Huan Huan was very vindictive. It seemed that he had to run away quickly after this Beggar Clan meeting, otherwise this little demon girl would definitely not let him go, but the feeling of spanking Huanwan is really good.

Huanhua blushed with embarrassment and said angrily, "You.....you...How dare you spank me."

Shi Feixuan is blushing now and dare not look at Su Chen. Now she is also afraid that Su Chen will spank her. It would be very embarrassing if Su Chen spanked her.

Li Xunhuan pretended not to know anything. Looking at the martial arts masters in the apricot forest,

Lin Shiyin blushed and glared at Su Chen. Now she believed even more that Su Chen was not a good person. He actually spanked a woman in public. This bastard must be a lecher.

Su Chen was in Huan Huan whispered in his ear,

"Huanwen, you are my woman now. What's wrong with me spanking you? If you don't obey, I will spank you again."

Huan Huan c stared at Su Chen with a red face and threatened,

"Bastard, I will teach you a lesson after this incident."

In the seats in the center of the Beggar Clan, some people who are familiar with each other are now saying hello and talking.

In the Emei sect, a beautiful woman said to a very beautiful woman in front,

"Zhou Zhiruo, look at Song Qingshu of the Wudang Clan, but he keeps staring at you. Is there anything going on between you?"

Zhou Zhiruo looked at Song Qingshu and said with an unchanged expression,

"Senior Sister Ding, I am not familiar with Song Qingshu of the Wudang Sect. It is best not to say these words in the future."

Ding Minjun smiled and said to Zhou Zhiruo,

"Haha, who knows? If you two had no relationship, why would Song Qingshu keep looking at you?"

Ding Minjun really hopes that Zhou Zhiruo and Song Qingshu will be together, so that he will definitely be the leader of the Emei Sect in the future. If Zhou Zhiruo stays in the Emei Sect, the master also likes Zhou Zhiruo very much, and he will never have the chance to become the leader.Bit.

After listening to Ding Minjun's words, Master Miejie sitting in front looked at Zhou Zhiruo and Song Qingshu and shouted to Ding Minjun,

"Minjun, shut up, is this the time to say these things? If Zhiruo says she's not familiar with it, she's definitely not familiar with it. Don't ask about these things again in the future."

""Yes, master."

Ding Minjun was a little angry when he saw that his master still defended Zhou Zhiruo. Now the master lets Zhou Zhiruo do everything. This is obviously training Zhou Zhiruo to be the next generation leader of the Emei Sect, which Ding Minjun doesn't know yet. How to make the master change his mind.

Zhou Zhiruo turned around and suddenly looked at the people under the big tree next to him. Zhou Zhiruo now really wanted to know who those people were and why there were three very beautiful women there.

Zhou Zhiruolai went to Master Miejie He said softly,

"Master, I want to take a walk."

Master Jue looked at his outstanding apprentice and said with a smile,

"Well, go ahead, don't go too far, the Beggar Clan Conference will start soon. Zhou

Zhiruo happily pointed to the big tree next to her and said,

"Master, I will go to the big tree next to you to get to know those people."

Master Jue looked at the handsome men and women under the big tree and said, "Huh? Those young people are pretty good, you can get to know them."

Master Jue didn't expect that the Little Li Flying Sword Li Xunhuan of the Ming Dynasty would also come here. This Little Li Flying Sword Li Xunhuan is a master of the Grand Master. If Zhiruo can make friends with Li Xunhuan, it will be good for the Emei Sect in the future. of

"Yes, master."

Ding Minjun saw the direction Zhou Zhiruo was going and saw a few people there. Ding Minjun didn't expect that there were several women more beautiful than Zhou Zhiruo under the big tree, which made Ding Minjun feel much more comfortable.

At least Zhou Zhiruo was here. Not the prettiest, but now Ding Minjun is very interested in the two young men next to those beautiful women. At a table next to the Emei School, a beautiful woman is sitting there looking at the martial arts masters around her.

At this time, A guard behind this beautiful woman said to this beautiful woman,

"Princess, there are really more martial arts masters in the Central Plains than in Mongolia. If we deal with these Central Plains masters, we may not succeed."

The beautiful woman smiled and said,

"What are you afraid of? We are not dealing with these masters from the Central Plains now. Now we are just watching the show. This beggars conference will definitely not be easy."

The guard asked with some doubts,

"So the princess is here just to watch a show? Are we not going to make trouble for this conference?"

The beautiful woman shook her head and said,

"No, there are too many masters here. We didn't take the masters with us this time. If we go to cause trouble, we may lose more than we gain."

At this time, a handsome young man came here with some guards and said,

"Princess Zhao Min, I am Wan Yankang from the Kingdom of Jin. I wonder if I can sit here with the princess?"

Zhao Min looked at the young prince of the Kingdom of Jin and said disgracefully,

"Wan Yankang, the young prince of the Kingdom of Jin? You'd better go back. I don't know if there will be a Kingdom of Jin in the future?"

Zhao Min now knows that the Kingdom of Jin will be destroyed by Mongolia in a short time. Now this young prince of the Kingdom of Jin wants to come to his place to join in the fun. He really doesn't know whether to live or die.

"you.....Humph, I really don't know what is good or bad."Wan Yankang cursed and left with a blue face.

"Seeking death."

Zhao Min's guards saw that Wanyan Kang dared to talk to the princess like this and wanted to teach the young prince of the Jin Kingdom a lesson.

Zhao Min stopped his men and said nonchalantly,

"Ah Da, forget it, let him go this time. There will be plenty of opportunities to teach him a lesson in the future."

"Yes, Princess"
