Chapter 351

Black Widow is now preparing to strangle Shang Xiuxun with a sword net composed of her heartless threads. The colorless and transparent heartless threads trap Shang Xiuxun like a spider web. At this time, as long as the Black Widow's hand moves slightly, Shang Xiuxun, who is innately cultivated, will immediately be strangled by the Black Widow's ruthless threads.

Black Widow is now not only Su Chen's guard, she is also Su Chen's woman. Black Widow will not let anyone who is hostile appear in front of Su Chen, let alone a woman who wants to kill her man.

Su Yan was a little anxious now. She knew that her father's bodyguard and concubine were already preparing to kill Shang Xiuxun. Su Yan didn't want this kind-hearted Shang Xiuxun to be killed, although she didn't know why Shang Xiuxun was so cruel. Her father, Su Yan, had a way to appease Shang Xiuxun.

Su Yan immediately stood in front of Shang Xiuxun and hurriedly said to Black Widow, "Black Widow, stop quickly. Shang Xiuxun is not an enemy. She was just joking." bump

""Looking for death."

At this time,

Shang Xiufang, who had been listening to the conversation between Su Yan and Shang Xiuxun, also saw that the sexy woman next to her was about to attack Shang Xiuxun, and Su Yan's girl was also nervously ordering the woman Stopping,

Shang Xiufang was afraid that the woman named Black Widow would attack Shang Xiufang, so she slapped the Black Widow. The Black Widow also felt that another woman was about to attack her. She originally thought about whether to listen to Su Did she say that she would let the woman in front of her go?

But her other woman had already attacked her, and Black Widow no longer hesitated. She kicked away the attacking Shang Xiufang. She wanted to kill Shang Xiuxun first, and then attacked her. Kill her woman together.

Shang Xiufang, who is in the innate realm of cultivation, can be the opponent of Black Widow in the middle stage of Grandmaster. She was kicked out of the room by Black Widow as soon as they met her.

"Xiu Fang! Damn it!"

Shang Xiuxun saw Shang Xiufang being kicked out of the room by that sexy woman. She immediately took out her long sword and attacked the black widow.

The black widow couldn't kill this Shang with her ruthless silk threads now. Xiuxun, Su Yan in the room has always defended Shang Xiuxun, but the black widow was afraid that her ruthlessness would accidentally hurt Su Yan. When the black widow saw Shang Xiuxun, who was in the innate cultivation realm, coming to attack her, she smiled ruthlessly. , a little scumbag with middle-level innate talent dared to attack her, the black widow wanted to teach this woman who was hostile to Su Chen a lesson before killing her.

"Come on, please separate them quickly."

Su Yan felt that she was going crazy now. Changes here were happening one after another, and she felt that she was losing control of the situation. At this moment, Su Yan was complaining to her father. The woman her father provoked asked her to deal with the aftermath, which made her Su Yan was very speechless. Su Yan could only order his secret guards to separate them first.

Whoosh! Whoosh! Whoosh! Whoosh!

After Su Yan shouted, dozens of secret guards entered the room in an instant. Upon arrival, Su Yan protected Su Yan first, and then began to separate the fighting Black Widow and Shang Xiuxun.

"Black Widow, Aunt Black Widow, please don't take action again. Sister Shang, you also don't take action again."

Su Yan has no choice now. If the black widow doesn't get rid of her first, I'm afraid the room will not calm down. The black widow is just her father's concubine, or even just a guard woman. Su Yan originally didn't want to call the black widow aunt. Yes, but in order to appease Black Widow first, she could only call her that.

"Yes, Princess."

When the black widow heard Su Yan call her aunt, she blushed shyly for the first time. The black widow didn't expect that Su Chen's daughter would recognize her as Su Chen's woman. She is very happy now and feels sorry for Shang Xiuxun. She didn't care now. Anyway, Shang Xiuxun was taught a lesson by her.

Shang Xiuxun was very angry when she saw the few footprints on her dress. Her dress was torn by that bastard Su Chen. She had just put on the dress that she had just put on and was kicked a few times by Su Chen's woman, which made Shang Xiuxun even more cruel to that bastard Su Chen.

Shang Xiufang quickly came to Shang Xiuxun's side from outside the room. He pulled her and said, "Xiu Xun, are you okay? This woman is a master and we are no match."

"I know, I didn't expect that bastard woman to be so powerful and cruel." Shang Xiuxun rubbed her numb arms and said helplessly.

Shang Xiuxun now also knows that she and Shang Xiufang may not be able to take revenge. That bastard's army and women are very powerful. I'm afraid the two of them haven't. If you get close to that bastard, you'll be stopped.

"The secret guards all go out and guard the room."

""Yes, Princess."

After Su Yan ordered the secret guards to leave, she looked at Shang Xiufang and Shang Xiuxun.

"Sister Shang, I will ask my father about this matter later. If it was my father who offended you, I will definitely help Sister Shang. If Sister Shang can tell me the reason now, that would be great.

"Aunt Black Widow, don't attack them now. Let's find out the reason first."

"Girl Su Yan, you should ask your hateful father about this matter. I hope you can give me an explanation tomorrow."

Shang Xiuxun looked at the young Su Yan and said with some embarrassment. She couldn't tell what Su Chen did to her. Shang Xiuxun looked at the black widow next to him and pulled Shang Xiufang. Out.

When the Black Widow saw that Shang Xiuxun was still determined not to give up, she came to Su Yan and said with a smile,

"Princess, it seems that these two women are still hostile to the master. Do you want me to kill them now to avoid causing further trouble?"

"Auntie, don't call me Princess. You are my father's woman. You can just call me by my name from now on. We don't have to worry about Sister Shang and that woman. Sister Shang Xiuxun is not a bad person. She may be given to her by my father. You're teasing me, otherwise Sister Shang Xiuxun wouldn't be so angry."

"Su Yan, are you saying that the master has taken a liking to this Shang Xiuxun?"

"I don't know, but it's quite possible. I'll ask her when my father comes."

Just when Su Yan and Black Widow were talking about him and Shang Xiuxun, Su Chen walked around the Pegasus Ranch and found Lu Miaozi hiding in the Pegasus Ranch. Su Chen was there. After observing Lu Miaozi from a distance, he did not go there.

Su Chen was not interested in this Lu Miaozi, and even looked down upon this old guy. He was a disgusting man who abandoned his wife and daughter for other women. Su Chen looked down on him very much.

"Mr. Wu Xiang?"

Song Yuhua is a little nervous now. She just came to this small lake to relax. Song Yuhua didn't expect to meet Mr. Wu Xiang who came here. She lowered her head and was a little overwhelmed.

"Song Yuhua, why are you here?"

Su Chen didn't expect that Song Yuhua would also appear here. She smiled when she looked at the somewhat restrained Song Yuhua. He didn't expect to meet this gentle woman again.

Song Yuhua lowered her head and blushed and said hurriedly, "I.....I'm just here to look at the scenery"

"Alas, I thought Miss Song Yuhua came to see me specially. It seems that I am a little pretentious."

Chapter 352

Su Chen looked at Song Yuhua's gentle and elegant look and wanted to tease her. I wonder if this woman will be used by Song Que as a marriage tool to marry Jie Wenlong again? If Song Que still marries Song Yuhua to Xie Wenlong in the future, then the rest of Song Yuhua's life will be ruined.

When Song Yuhua heard Su Chen's words, she kept backing away with her face flushed. She was a little afraid of this somewhat unruly Mr. Wu Xiang. There was no one here now. With her martial arts, she was no match for Mr. Wu Xiang. If this If Wu Xiangjun touches her again, I'm afraid she won't be able to resist.

""Be careful."

Su Chen was speechless when he saw Song Yuhua lowered his head and kept retreating. Is he so scary? Why is this Song Yuhua so afraid of him? Su Chen saw that Song Yuhua forgot that there was a small lake behind him, but Song Yuhua still kept retreating. Su Chen hurriedly reminded.

With a plop,

Song Yuhua was frightened and retreated even faster after Su Chen reminded her. She thought Su Chen was going to attack her, so she hurriedly took a few steps back and fell directly into the small lake.

Su Chen looked at Song Yuhua, who fell into the lake, was speechless, "Oh my God, am I a bad person? Or am I a pervert?"

Song Yuhua fell into the lake and kept shouting, "Help, help, I can't swim."

Su Chen felt helpless when he heard Song Yuhua kept struggling and shouting in the lake.

A southern woman unexpectedly Can't swim?

Does this Lingnan Song Que not even let his daughter learn to swim?

Plop

Su Chen was also afraid that Song Yuhua would be drowned, so he jumped directly into the lake.

Su Chen swam to Song Yuhua and pulled her towards the shore. She was swimming away, but when Song Yuhua saw that she had pulled something, she hurriedly hugged Su Chen. Song Yuhua didn't care what she was hugging now. Damn it

, is Song Yuhua trying to take advantage of herself?

Su Chen saw that Song Yuhua was soft Her body hugged him tightly, and she also held her waist and swam toward the shore.

"Song Yuhua? Miss Song? You won't be in a coma, right?"

Su Chen carried Song Yuhua to the shore and found that Song Yuhua was unconscious. He checked Song Yuhua and found that she was still breathing.

Su Chen looked at the unconscious Song Yuhua in confusion. He didn't know how to save people.

"Do I need artificial respiration? Still no artificial respiration.

Song Yuhua lay on the grass and thought speechlessly:"Artificial respiration?" What is artificial respiration? Mr. Wu Xiang, please send me back to my sister quickly."

Song Yuhua is also very nervous now. She doesn't want to face Su Chen in embarrassment and pretend to be unconscious. Song Yuhua now hopes that Wu Xiangjun will send her back to her sister Song Yuzhi as soon as possible.

Su Chen doesn't dare to delay anymore when he looks at Song Yuhua. , if Song Yuhua died without timely treatment, Su Chen would feel a little sorry."Song Yuhua, don't blame me, I also wanted to save your life."

Su Chen said, while giving emergency treatment to Song Yuhua, he lowered his head and gave Song Yuhua emergency artificial respiration.

Song Yuhua was confused now. She didn't expect that Wu Xiangjun squeezed her chest and mouthed her again. Her innocence was ruined by this bastard.

Su Chen gave Song Yuhua emergency artificial respiration for a while and then felt something was wrong. Although Song Yuhua didn't wake up, her face was very red, and Song Yuhua was still covered in blood. There was some trembling, which made Su Chen understand that this Song Yuhua was pretending to be unconscious just now. Su Chen was speechless looking at Song Yuhua who was pretending to be unconscious. What should he do now?

This Song Yuhua was touched and kissed by him!

Although it was by himself. Save her, but looking at Song Yuhua's pretending appearance, Su Chen knew that he had done the wrong thing with good intentions.

After Su Chen used his internal energy to dry Song Yuhua's clothes, he also lay next to Song Yuhua. Although it is winter now, the sunshine today It's not bad. It's also a good choice to bask in the sun here. Anyway, there is a beautiful woman beside him.

Song Yuhua is clenching his fists tightly and wants to beat this bastard to death. Just now, this bastard treated her again. Touching and kissing, and now he is lying next to her like a harmless person. What on earth is this bastard going to do?

Why doesn't he hurry up and go back?

At this moment, Song Yuhua feels that pretending to be unconscious is a wrong decision. Now her innocence can be said to be ruined. It was in the hands of Su Chen, a bastard. Although no one else saw these things, Song Yuhua was still a little angry.

Su Chen lay next to Song Yuhua and wanted to see how long she would keep pretending. Su Chen didn't believe that Song Yuhua would stay with him. Lying on the grass and basking in the sun

"Um? What's wrong with me?"

After a while, Song Yuhua couldn't wait any longer. She didn't expect that this bastard Su Chen never wanted to send her back.

Song Yuhua couldn't stay here forever. If she and this bastard were found lying here, I'm afraid she won't have the face to see anyone in the future.

Su Chen looked at Song Yuhua who was pretending to wake up and said cooperatively, "You fell into the water, but I spent a lot of effort to rescue you ashore."

"Did I fall into the lake? oh! I remembered, I accidentally fell into the lake just now, Wu.....Xiang.....Jun....Thank you very much for your [life-saving grace just now]" Song Yuhua stared at this shameless man and pretended to be confused.

Song Yuhua especially emphasized her tone when calling Su Chen's name and asking for help. She couldn't reveal that she was pretending to be comatose just now. She could only Her tone expressed her dissatisfaction with this bastard.

Su Chen looked at Song Yuhua, who was blushing and even a little angry, and smiled and said, "You're welcome, Song Yuhua, I saved your life, how are you going to repay me?"

"How does Mr. Wu Xiang want me to [repay] you?" Song Yuhua asked helplessly looking at the hateful smile of this bastard.

Su Chen saw Song Yuhua who was angry but did not dare to be angry, so he teased and said,

"Miss Song, isn't there a saying in the world that says: Thank you very much, Master, for saving your life. My daughter pledged herself to you without any repayment. Miss Song Yuhua, you can actually pledge yourself to me as well."

Song Yuhua can no longer pretend. Her innocence has been ruined by this bastard, but this bastard still wants to marry this shameless person. This makes Song Yuhua, no matter how good-tempered, can't help but explode.

"Shameless, you shameless bastard."

Su Chen didn't expect that Song Yuhua would explode. It seemed that she didn't want to pretend anymore.

Su Chen looked at Song Yuhua's beautiful face with an angry expression and said with a smile, "Haha, Miss Song Yuhua, why am I so shameless? , What I'm telling you is true. I think you've heard this before, right?"

Song Yuhua didn't expect this bastard to say this. Although this proverb is true, how could she marry such a shameless person just because of a proverb?

Song Yuhua's previous good impression of Su Chen has now disappeared without a trace. , she is so angry now that she wants to strangle this bastard who ruined her innocence,

"Impossible, you shameless person, I will not marry you, a shameless person, and you should stop wishful thinking, I will not marry you, a bastard even if I die."

"oh? Then Miss Song Yuhua is willing to marry Xie Wenlong of Duzunbao?"

Chapter 353

Song Yuhua stared at Su Chen and was very angry.

What does this bastard mean?

Will he marry Xie Wenlong of Duzunbao in the future?

But now the Song Clan is at war with Duzun Fort, otherwise it would be impossible for them to come to Pegasus Ranch to trade war horses this time.

Did this bastard get any news?

Song Yuhua was a little confused and asked Su Chen, "Wu Xiangjun, who did you hear that I want to marry Xie Wenlong of Duzun Fort? Now we are at war with Duzun Fort in Sichuan. You won't scare me on purpose, right?"

Su Chen looked at Song Yuhua and smiled.

Su Chen knew that Song Yuhua would definitely marry Xie Wenlong of Duzunbao if he didn't go out in the future. Song Que of the Song Dynasty wanted to marry Song Yuhua to Xie Wenlong of Duzunbao before. Although he didn't I know why they are going to war now, but Song Que of the Song clan will definitely not continue to fight with Duzunbao.

Song Que is a nationalist, and Xie Hui of Duzunbao is not the Song clan's primary target. The Song clan's primary target is definitely the Li clan, the Dugu clan and the Yuwen clan who have foreign ancestry.

Su Chen looked at Song Yuhua's confused look and asked,"Song Yuhua, do you think your father will continue to fight with Xie Hui from Duzunbao?"

Song Yuhua thought that not long ago, her father would join forces with Duzunbao to fight together. During the Sui Dynasty, she was asked by her father to marry the young master of Duzun Castle, Jie Wenlong.

And now that the Song Clan is at war with Duzunbao, Song Yuhua thought that she would no longer be married to her father, but now she looked at Su Chen, a bastard, and asked herself, Song Yuhua said with some worry,

"why not?"

"Song Yuhua, you should know what your father is like. He is a democrat of our Chinese clan, and among the four major clans in the Sui Dynasty, three of them are impure Chinese clans. Your father's primary target is the other three clans. You should not continue fighting with Duzun Fort. If your father wants to reconcile with Duzun Fort, do you think you will continue to marry Xie Wenlong, the young master of Duzun Fort? Song

Yuhua looked a little ugly and shook his head and said,"I don't believe it, Mr. Wu Xiang, you are talking nonsense.""

Su Chen stood up, patted the weeds on his body and said with a smile,"Whatever you think, Song Yuhua, I'm just telling some facts. Okay, I'll leave first. I won't tell you what happened today. Anyone's."

Su Chen disappeared directly after saying this.

Su Chen knew that Song Yuhua must believe what she just said, but she still didn't believe that her father would marry her.

Who is Song Que? He is a nationalist. As long as he is in the future

,

The Great Sui Dynasty was ruled by a member of the Huaxia clan. Song Que would not care whether his daughter would be happy or not in the future. It was Song Yuhua's misfortune to have such a father, but it was the Huaxia clan's luck to have such a man.

In The Legend of Double Dragons of the Tang Dynasty, Song Que He spared no effort to help Kou Zhong fight for hegemony with Li Shimin, who was of Hu origin.

But what about Kou Zhong? What did he do?

Kou Zhong was persuaded by his brother to give up the fight for hegemony. Did Kou Zhong think that fighting for hegemony was just a play? Didn't he think about whether those who supported him and the men who followed him would be liquidated by Li Shimin in the future?

I believe that after Song Que knew that Kou Zhong gave up the fight for world hegemony, he must be so angry that he wanted to destroy Kou Zhong. This can only It was strange that Song Que had misjudged the person.

After Song Yuhua disappeared by Su Chen, she had been standing by the lake looking ahead. She somewhat believed what Su Chen said just now. Song Yuhua also understood her father's personality and knew that if Su Chen According to what Chen said, her father would definitely let her marry Duzunbao to resolve the tense relationship between Lingnan and Duzunbao.

Song Yuhua suddenly thought of that bastard Su Chen who touched and kissed her just now, and her face turned red and she cursed,

"That bastard, after ruining his innocence, he still boasted that he wouldn't tell anyone. Damn it, I can't let him go like this."

At this time, Su Chen returned to the room in Pegasus Ranch to practice his martial arts. Su Chen had not practiced properly for a long time. In the past few days, he was preparing to break through to the realm of master's cultivation.

Shang Xiuxun In the room,

Shang Xiuxun and Shang Xiufang sat together and kept talking. Shang Xiuxun also told Shang Xiufang some things about Wu Xiangjun.

Shang Xiufang was a little worried about Shang Xiuxun now. Wu Xiangjun's power Now she also knows that he is very powerful. If Shang Xiuxun seeks revenge from Wu Xiangjun again, I am afraid that Shang Xiuxun will be bullied by that shameless person again.

"Xiu Xun, Lord Wu Xiang's power is so powerful, you'd better not seek revenge from him. Anyway, I knew at that time that your dress was torn by Lord Wu Xiang, and I definitely wouldn't tell anyone."

Shang Xiuxun gritted his teeth and said, "No, I won't take advantage of that bastard so much. I must avenge this."

Shang Xiufang said with lingering fear when she thought of the horror of the black widow just now,

"But you are no match for Mr. Wu Xiang, and the woman named Black Widow today is not something we can deal with. If Mr. Wu Xiang's daughter hadn't stopped the black widow in time, I'm afraid both of us would have been killed by the black widow today."

Shang Xiuxun also knew that she would not be a match for that bastard Wu Xiangjun on her own, and even the women around Wu Xiangjun were not something she could deal with. Shang Xiuxun felt a little reluctant when thinking of this.

"Phew, Xiufang, did I just take advantage of that bastard? That bastard saw me through"

"Forehead! You still had a bellyband at that time, and that shameless person didn't even take a look at you."

"show.....Fang"

"Haha, I'm kidding, just kidding."

Shang Xiuxun was speechless when he looked at Shang Xiufang. Why is Shang Xiufang still joking at this time? Shang Xiufang caused all this. Shang Xiuxun was torn apart by that bastard Wu Xiangjun just to save Shang Xiufang.

"Xiufang, when the horse transaction at Pegasus Ranch is completed tomorrow, Su Yan and I will go to Luoyang. You can come with me then. I want to think carefully about how to deal with that Wu Xiangjun on the way."

"Okay, let's go deal with that shameless guy then."

The next morning

, Su Chen woke up from practicing. This time he had practiced all night. Su Chen stretched and stood up to move his body.

"This practice is not bad. I will be able to break through to the master level tomorrow night. I will be a little master in the future."

"Master, you are awake." Black Widow came in from outside the room and said to Su Chen with a smile.

Su Chen stepped forward and hugged Black Widow's waist, kissed her and said, "Haha, Black Widow, you don't have to protect me outside in the future, there are people here. The secret guards are protecting me, so you don't have to work so hard."

Chapter 354

Black Widow was very shy when she was hugged and kissed by Su Chen. She was also caught in the trap, but apart from fighting and killing to complete the task, Black Widow had never been

treated like this by anyone, but this feeling was very good. Black Widow is now I just didn't want to leave Su Chen's arms.

Su Chen patted Black Widow's plump body and said with a smile, "Black Widow, go see if Xiaomeng and Xuenu have finished practicing. I will take you to see the horse trading scene at Pegasus Ranch later."

"Yes, Master."

Black Widow glanced at Su Chen with a blushing face, and left in a hurry. Her master was becoming more and more unruly.

Su Chen immediately communicated with the system after seeing Black Widow leave. Today, it has been a month. Here we are, Su Chen doesn't know what good items he can get from the gift bag this time.

"System, receive this month's gift pack"

"Ding, the gift package has been successfully collected."

"Open the system gift package"

"Ding, the gift bag has been opened. Congratulations to the host for obtaining the military formation [Momentum like a rainbow, marching forward bravely], two hundred shadow assassins, fifty thousand elite troops (optional arms can be selected), three years of weapons and equipment, food and medicine supplies for a hundred thousand army, and ten dancing girls. Two."

I guess, why didn't the martial arts secrets come out this time? The military formation should be prepared for the army. Two hundred shadow assassins are not bad. The supplies for a hundred thousand troops came at the right time.

But what the hell is this dancer?

I need it. Dancers?

Su Chen was speechless when he saw the last twelve dancers.

"System, introduce the military formation [Momentum is like a rainbow, march forward bravely] "

"Ding, the military formation [Momentum like a rainbow, march forward bravely]: When the army starts to use the military formation [Momentum like a rainbow, march forward bravely], the combat effectiveness of the army can explode to 500% of its strength. Even the masters who are trapped in the military formation will be killed in a quarter of an hour. Kill, note: There will be a two-hour period of weakness after using the military formation [Vigorously Like a Rainbow, Marching Courageously]."

Su Chen nodded after listening to the introduction of the system. This military formation is quite good. It can explode five times the strength. Even the master masters trapped in the military formation will be killed instantly, but the sequelae are a bit serious.

"System, what the hell is a dancer?"

"Ding, a dancer is a dancer, host. When you watch these dancers perform songs and dances, your strength will increase unknowingly. Note: Each of the twelve dancers has peak innate strength."

Damn it, this is not a bug. From now on, I don't need to practice and just watch the dancers perform songs and dances. This reward is good. I can increase my strength while watching the beauties perform in the future.

Su Chen touched his chin and wondered if he would be able to do it in the future. He is addicted to beauty. If others know that he has been addicted to beauty singing and dancing in the future, Su Chen's reputation will definitely be even worse.

After Su Chen released the two hundred shadow assassins, he said to the room, "Youruo, the two hundred shadow assassins are also under your command."

A woman in night clothes suddenly appeared in the room. After she appeared, she saluted Su Chen and said,

"Yes, master."

Su Chen waved his hand, and Youruo and the two hundred shadow assassins disappeared into the room instantly. These shadow assassins were their trump cards. Ever since Youruo and the others practiced the king-level secret shadow killing technique, Su Chen used Mentally, I can't feel the presence of shadow assassins like Youruo and the others. The king-level secret shadow killing technique is quite powerful.

After Su Chen washed up, he walked towards Su Yan's room. He knew that Su Yan's girl must not be there yet. When Su Yan got up, he had the habit of sleeping in, but now that Su Yan was still young, Su Chen didn't intend to let Su Yan get rid of this bad habit. When Su Chen came to Su Yan's room, he saw that she was still sleeping soundly on the bed. Su Chen smiled, pushed Su Yan and said,

"Little lazy boy, get up quickly, the sun is shining on your butt."

Su Yan opened her eyes in a daze and saw her father coming. She leaned on Su Chen and closed her eyes and said,

"Dad, let me sleep for a while, it's still early."

Su Chen looked at the very cute Su Yan and couldn't bear to let her get up. However, Murong Qiudi in Luoyang was very worried about Su Yan's safety. If Su Yan didn't go to Luoyang, I'm afraid Murong Qiudi would really send someone to arrest her. This girl Su Yan went to Luoyang.

Su Chen patted Su Yan on the back and said with a smile,

"Haha, Yan'er, today is the day for trading war horses at Pegasus Ranch. Get up, let's go see those forces competing for war horses first, and then we will go back to Luoyang. Your Aunt Murong Qiudi is getting impatient with the waiting. I don't want your aunt to send her Tianzun organization here to take you back by force."

Su Yan got a little angry and hit Su Chen with his head and said unhappily,

"It's true, I haven't had a good rest since I came out."

"You girl?"

Su Chen looked at Su Yan, obviously wanting to take revenge for what he did yesterday, but Su Chen didn't care. A little Pegasus Ranch, Su Chen didn't take them seriously.

Su Chen waited for Su Yan to put on his clothes. The clothes pulled her out of the room. When Su Chen and Su Yan came out, they saw the black widow waiting for them outside with Xiao Meng and Xue Nu.

Su Chen looked at Xiao Meng and Xue Nu and nodded. He knew Xiaomeng and Xuenu had already taken the Xiantian Zhuguo. Xiaomeng and Su Chen couldn't tell her cultivation level, but Xuenu was now at the middle stage of the master's level. This cold woman, Su Chen, didn't expect to break through to the middle stage of the grand master in one fell swoop.

Xiaomeng saw Su Chen looking at her and Xue Nu, and she said proudly to Su Chen,

"Mr. Wu Xiang, I will repay this favor to you in the future."

Xiao Meng has now broken through to the realm of Grand Master. After breaking Qi and transforming into Yuan, Xiao Meng is at least dozens of times stronger than before. Even an ordinary Grand Master cannot be her opponent. Su

Chen Looking at the arrogant Xiaomeng, she was speechless. Wouldn't it be uncomfortable if Xiaomeng wasn't arrogant?

Su Chen touched his chin. He teased Xiaomeng and said,

"Xiaomeng, actually I still need a wife, how about you pledge yourself to her?"

After hearing what Su Chen said, Xiao Meng glared at this bastard and shouted angrily with a blushing face,

"Dream, you pervert, if you don't think about this, will you die?"

"You will die, how beautiful you are, if I don't pursue you hard, I'm afraid you won't be able to take advantage of that bastard in the future."

"you.....Shameless."

Xiaomeng couldn't do anything when he saw this bastard. This bastard is a shameless person.

Xiaomeng also saw it. I am afraid that he has been targeted by this shameless person for a long time. Ever since he was in Yongcheng, this bastard has been Staring at her legs, Xiaomeng knew that this bastard was trying to trick her.

At this time, a secret guard hurriedly came to Su Chen and saluted, "Your Majesty, an urgent secret report from Xianyang of the State of Qin."

""Bring it here."

Su Chen took the secret report handed to him by the secret guard and started to read it. However, Su Chen frowned as he looked at it. He did not expect that he was tricked by that woman Zhao Ji.

"Dad, what happened?"

Chapter 355

Su Yan was a little worried when she saw her father frowning. She didn't know what happened in Xianyang, Qin State in the Eastern Continent. Su Yan held her little hand and wanted to share her father's worries.

Su Chen touched it and said something agitated. Su Yan said angrily. ,

"Damn it, that Zhao Ji actually lied to me. King Qin Ying Zheng didn't know about the three million gold. It seems that Zhao Ji didn't tell King Qin that Ying Zheng wanted to use three million gold to redeem his life. Black

Widow looked at Su Chen's angry look and said, "Master, do you want the secret guard to inform Madam Yan Fei to control Zhao Ji?"

Su Chen thought for a while and waved his hand to stop the black widow. He thought that Zhao Ji had nothing in his hand to compensate him, but at least Zhao Ji's three million gold did not deceive him.

Su Chen suddenly thought of Zhao Ji. Ji had more than a thousand Da Qin Iron Eagle warriors left, Su Chen said with a smile,

"Forget it, Zhao Ji should be a smart woman. Zhao Ji deceived me about the gold, but she must have a way to compensate me. It seems that Zhao Ji's remaining Great Qin Iron Eagle warriors will be compensated to me, Black Widow Don't inform Concubine Yan anymore"

"Yes, master."

After Su Chen gave the instructions to the black widow, he looked at the cold snow girl next to him. This snow girl really deserves to be a snow girl. Su Chen has always looked like this since she met the snow girl. She didn't know that the snow girl always behaves like this. With a cold face, will he become completely paralyzed in the future?

Su Chen shook his head and said with a smile to Xue Nu,

"Snow concubine, I haven't appreciated your dance yet. How about you dance the Ling Bo Fei Yan for me now? You don't want to be lazy like Xiaomeng, do you?"

Xue Nu heard Su Chen call her concubine, and her face turned red instantly. She didn't expect that Su Chen, a shameless bastard, would actually have an idea for her. She lowered her sense of presence when she came here. Xue Nu was also afraid that Su Chen would As she fulfilled her bet,

Xue Nu raised her head and looked at Su Chen and said in embarrassment,

"Mr. Wu Xiang, it's up to me to decide when to dance for you. I don't want to fulfill my bet right now. If I want to fulfill my bet in the future, I will naturally dance for you."

"I'll beat you up, what if you never want to dance your whole life?"

"Then you have to wait forever"

"Damn it."

Su Chen felt helpless looking at the snow girl who didn't care about anything. This snow girl was smarter than Xiao Meng, and she even knew how to set the time for her to dance.

Su Chen looked at the snow girl and couldn't force the snow girl. If this snow girl She was unwilling to dance, and I was afraid that no matter how much she forced her, she wouldn't be able to dance. Even if she pushed her too hard, she would definitely commit suicide.

Su Chen made a waiting gesture to Snow Girl, and held him aside. Su Yan, who was watching the excitement, walked towards the meeting hall of Pegasus Ranch.

Xue Nu was a little confused when she saw Su Chen's gestures. She couldn't understand what they meant, but Xue Nu felt that Su Chen, a shameless bastard, must be making obscene gestures.

Xue Nu stared at the bastard Su Chen in embarrassment. She had no way to teach this shameless guy now. This bastard's Qinggong was so uncanny that even Xiaomeng couldn't catch that bastard. Xue Nu would definitely not be that bastard's opponent..Su

Yan made a face at Xiaomeng and Xuenu and then skipped away with Su Chen.

Black Widow looked at Xiaomeng and Xuenu and quickly followed Su Chen away. Xiaomeng and Xuenu looked at each other. Followed.

In the meeting hall in Pegasus Ranch, the Li Clan, Song Clan, Jianghuai Army, Wagang Village and other forces were fiercely competing for the war horses in Pegasus Ranch.

Li Shimin was a little anxious now. He did not expect that Chai Shao would be killed that night. He has already left Pegasus Ranch. Chai Shao's departure is tantamount to breaking with Li Shimin. The Chai family will definitely no longer support him with money.

Without money, Li Shimin will be affected whether he trains the army or recruits talents in the future, and if Chai Shao I am afraid that he will not be able to compete with his elder brother Li Jiancheng in the future.

If he had not had to buy a war horse today, Li Shimin would have gone after Chai Shao. Li Shimin said to Shang Xiuxun anxiously,

"Master Shang Xiuxun, our Li clan needs at least 50,000 war horses, and we can add some more to the price."

As soon as Li Shimin finished speaking, Song Yuzhi of the Song Dynasty looked at Li Shimin with some disdain. Ever since Li Shimin betrayed his fiancée in order to survive on the ship last time, Song Yuzhi had looked down on Li Shimin, a hypocrite.

Song Yuzhi stood up and mocked Li Shimin, "Li Shimin, you are really a lion. There are only more than 100,000 war horses in Pegasus Ranch this time. You want at least 50,000 war horses at once. So are the remaining forces of us here just for sightseeing?"

Kou Zhong was a little weak and said to Li Shimin, "Yes, our Jianghuai Army does not agree with Li Shimin getting at least 50,000 horses."

Kou Zhong frowned when he saw Li Xiuning sitting behind Li Clan. He didn't understand why the dignified Princess Li Clan sat at the back. This was very disrespectful to her status.

"Yes, we don't agree either. Although we are small forces, we small forces also need war horses."

"Yes, we are just some small forces, and we only need thousands of war horses. You big forces can give us some war horses first."

"Yes, we also need thousands of war horses. You big forces should give some to us small forces first."

When the small forces in the hall saw someone speaking, they also joined the discussion one after another. However, they had no idea when Li Shimin looked at them with a gloomy face.

Li Shimin was very angry now. The Song Clan and Jianghuai Army were both relatively big people. Li Shimin has no way to deal with them now, but these small forces have also ordered to stop him. Aren't these small forces afraid that Li Clan will turn around and destroy them first?

Li Shimin stood up and threatened these small forces. , "You are looking for death, aren't you afraid that I will turn around and lead my troops to destroy you small forces?"

"Hey, Li Shimin, don't forget the 200,000 troops of Luoyang patron king Yang Lin. The patron king Yang Lin stationed troops in Luoyang specifically to deal with you Li clan. You Li clan dare to send troops from Jinyang. Li Shimin, guess what the patron king is. Will it directly destroy your hometown in Jinyang?"

"you....."

Li Shimin was a little helpless now. He couldn't understand that the 200,000 troops of the patron king Yang Lin did not go to destroy Wagangzhai and other rebels, but kept a close eye on the Li clan. Without the patron king Yang Lin, they Li Shimin Valve has long controlled Guanzhong.

The aristocratic families in Guanzhong all support Li Clan. Li Clan marched into Guanzhong and even captured Guanzhong without any bloodshed. But now they are all disturbed by the backer king Yang Lin.

"Xiuxun, why hasn't that bastard come yet? Doesn't he need a war horse?"

"Xiufang, don't worry, that bastard will definitely come. If he wants to dominate the world in the future, he will definitely need war horses. This time I will kill him severely."

Chapter 356

Shang Xiuxun and Shang Xiufang didn't care at all about the various forces competing for war horses in the hall. They looked at the door from time to time and waited for Su Chen to appear.

It's just that a long time has passed, and that bastard Su Chen still hasn't appeared. This makes Shang Xiuxun and Shang Xiufang a little bit unable to sit still. Both Shang Xiuxun and Shang Xiufang want to know why that bastard Su Chen hasn't appeared yet at this time. Appear.

There were two other women in the hall who were looking at the entrance of the hall from time to time. Li Xiuning from the Li Clan and Song Yuhua from the Song Clan were also surprised that Su Chen didn't show up here.

This time, all the forces in Pegasus Ranch are competing for war horses. Now that the competition for war horses among various forces has begun, why hasn't that shameless Su Chen appeared yet? Doesn't that bastard want to fight for the war horse?

Li Shimin's face is very ugly now. Other forces here are against him. This makes Li Shimin very worried that the war horse transaction may not be easy to deal with. If he fails to complete the task this time, I am afraid his father Li Yuan will not reuse him..

Li Shimin looked at the small forces around him and said helplessly,

"Farm owner Shang Xiuxun, our Li clan will add two more layers to the original price to purchase 50,000 war horses. I hope farm owner Shang Xiuxun can agree."

Song Yuzhi also spoke when he heard Li Shimin,

"Our Song clan adds three layers of money to buy 50,000 war horses."

"Our Jianghuai Army can also add three layers of money to purchase 50,000 war horses." Kou Zhong looked at Li Xiuning behind Li Clan's team and said the same.

Xu Ziling next to Kou Zhong looked at Kou Zhong speechlessly. They didn't bring much money this time. If the owner Shang Xiuxun really wanted If we trade with their Jianghuai Army, I'm afraid that their Jianghuai Army will be embarrassed this time.

"Mr. Zhong, are you crazy? This time we brought money to buy ten thousand battles." Xu Ziling pulled Kou Zhong and reminded him in a low voice.

Xu Ziling was afraid that if he didn't remind this guy who did whatever he wanted, Kou Zhong, the bastard, would talk nonsense without thinking of himself.

Kou Zhong said with a smile without caring, "Young Master Ling, I know, I'm just disgusted by that Li Shimin"

"You haven't given up on that Li Xiuning yet?" When Xu Ziling saw that Kou Zhong couldn't stand Li Shimin, he thought about Li Shimin asking Li Xiuning to marry that Chai Shao.

Kou Zhong clenched his fists and looked at Li Xiuning sitting behind him and said fiercely, "I have never given up. Li Xiuning, I will never give up. Will definitely pursue it."

Xu Ziling also saw that Kou Zhong was serious this time. As Kou Zhong is a good brother, what can he say? Xu Ziling could only support his brother, "Then you can't talk randomly. If the owner Shang Xiuxun agrees, If we meet the demands of forces like you, will you buy it or not?"

Kou Zhong patted Xu Ziling's cheek and said with a sly smile, "Hey, Master Ling, aren't you here? The owner of the farm, Shang Xiuxun, will be your wife from now on. If you really want me to buy 30,000 war horses, it will be up to you."

Xu Ziling hurriedly looked around and breathed a sigh of relief. Fortunately, other forces were arguing now and no one paid attention to them. Otherwise, if others heard what Kou Zhong said, it would probably cause trouble.

Xu Ziling looked at Kou Zhong Zhong had no choice but to explain to Kou Zhong, "Young Master Zhong, don't talk nonsense, I haven't agreed with Senior Lu Miaozi yet."

Kou Zhong doesn't believe that Xu Ziling has no feelings for Shang Xiuxun, who is as beautiful as a fairy. Anyway, the concubine has no chance to flirt with Xu Ziling. Kou Zhong believes that Xu Ziling will definitely accept Lu Miaozi's proposal.

"Sooner or later, look at how beautiful Shang Xiuxun is, and she is also the seventh most beautiful woman in the martial arts world in the Southern Continent. With such a wife, you will laugh even in your dreams."

Xu Ziling smiled silently and ignored Kou Zhong.

Xu Ziling also had a good impression of Shang Xiuxun, a heroic and heroic woman, but he still couldn't forget Shi Feixuan.

Xu Ziling also knew that he and Shi Feixuan were not together. I hope that neither Shi Feixuan's disciple nor Wu Xiangjun can be offended by him.

After thinking about it, Xu Ziling thought that maybe Shang Xiuxun was also a very good choice.

"Mr. Wu Xiang," At this time, the guard guarding the door of the meeting hall at Pegasus Ranch shouted loudly.

All the forces in the meeting hall stopped talking. They, Shang Xiuxun and Shang Xiufang all looked at At the entrance of the hall,

Su Chen pulled Su Yan and walked in with Black Widow, Xiao Meng and Xue Nu. Su Chen looked at the hall and saw that the hall was almost full of people, but that woman Shang Xiuxun was not bad, and she even gave her a They left a place in the area.

Su Chen thought that after he tore Shang Xiuxun's dress, Shang Xiuxun would definitely not give him a place this time, and might even make things difficult for him. Su Chen felt that he was looking down on him. This woman.

After Su Chen sat down, he didn't care about the other forces here who were observing him. He looked at the four women, Shang Xiuxun, Shang Xiufang, Song Yuhua and Li Xiuning.

Su Chen thought that among the four of them , However, there are fifth, seventh and eighth in the martial arts beauty rankings. Although Song Yuhua is not on the martial arts beauty rankings, she is not much worse than others. At least Song Yuhua's sister Song Yuzhi and Su Chen don't catch a cold.

Su Chen touches I touched my chin and thought: Should I bring all four of them over to chat? Anyway, I am not here to buy war horses. Now I have three top beauties here, especially after the Black Widow has been developed by myself, now She was getting more and more beautiful and attractive.

Su Chen held the black widow in one hand and held Su Yan in the other. He pretended to cough, and then he said to everyone here,"Ahem, you don't have to look at me. I just came here to watch the excitement, so you should do what you should do."

Su Yan took her father Su Chen's hand and sat next to him obediently. Just now, she saw her father secretly looking at other women here again. This time she was worried about this trouble-making father. After all, This is the place where her good sister Shang Xiuxun's war horses are traded. Su Yan doesn't want her father to ruin Shang Xiuxun's war horse trade.

"Shameless person"

Shang Xiuxun looked at Su Chen hugging the black widow who attacked her. She looked down on Su Chen, a lecherous person, a bastard who even took possession of her subordinates. Shang Xiuxun wanted to stand up and teach him a lesson. Teach this shameless bastard a lesson.

Shang Xiufang held Shang Xiuxun's hand because she was afraid that she would act impulsively and irrationally.

"Xiu Xun, don't do anything stupid. Although that bastard is holding the black widow, but look at the happy look on the black widow's face, the black widow was not forced."

Shang Xiuxun looked at the Black Widow again after listening to Shang Xiufang's words. Sure enough, the Black Widow leaned against Su Chen with a shy and happy look. This was not forced. Shang Xiuxun still said with some dissatisfaction. , "Huh, I get it, that bastard is not a good person anyway."

Shang Xiufang felt that Shang Xiuxun was a little strange today. When Lord Wu Xiang didn't come just now, Shang Xiuxun didn't care about the horse transaction at all. He was just waiting for Lord Wu Xiang to appear. But after Lord Wu Xiang appeared, Shang When Xiuxun saw Wu Xiangjun holding the beautiful black widow, Shang Xiuxun seemed to be in trouble. This made Shang Xiufang confused. Shang Xiufang was confused and asked Shang Xiuxun, "Xiuxun, You don't have any thoughts about that Mr. Wu Xiang, do you?"

"without.....without me.....I.....How could I possibly have thoughts about that bastard."

Chapter 357

Shang Xiuxun's face was a little red now. She didn't know why she was so angry just now when she saw Wu Xiangjun, a bastard, holding the black widow. Maybe she was blinded by that one.

If Shang Xiuxun could not resolve that matter smoothly, she might really become that bastard woman in the future. After all, she is a traditional woman. Besides, Wu Xiangjun's daughter Su Yan also has a good relationship with her. Shang Xiuxun Her heart is also very confused now, and she doesn't know whether to marry that bastard in the future.

Shang Xiufang was speechless looking at the blushing Shang Xiuxun. She now understood Shang Xiuxun's thoughts. Shang Xiuxun must be slowly accepting that Wu Xiangjun.

Shang Xiufang also knew that Shang Xiuxun was a very traditional woman. After her dress was torn by Wu Xiangjun last time and she was seen naked, Shang Xiuxun also knew that there might be no hope of revenge, and now she might have to slowly accept Wu Xiang. Jun.

None of the forces in the meeting hall spoke first after hearing Su Chen's words. These forces knew how powerful Wu Xiangjun was. The most powerful Xiaoguo Army in the Sui Dynasty was now all under the command of Wu Xiangjun, and Luoyang's The Dugu Clan also seems to have a secret relationship with Wu Xiangjun. There are even rumors that Wu Xiangjun is engaged to Dugu Feng of the Dugu Clan.

Even the 200,000 troops of the patron king Yang Lin have to listen to Wu Xiangjun. There are also people in the Jianghu Some forces here, including the Yinkui Sect of the Demon Sect and the righteous Cihang Jingzhai, are closely related to Lord Wu Xiang, which makes the forces here not dare to offend Lord Wu Xiang easily.

At this time, Shen Luoyan of Wagangzhai, who had been silent in the meeting hall, suddenly asked Su Chen, "Wu Xiangjun, are you really not going to participate in the horse transaction this time?"

Su Chen looked at this and asked himself The beautiful woman looked around her. From their clothes, Su Chen knew that these people were from Wagang Village. Then this woman was the beautiful military counselor Shen Luoyan.

Su Chen pretended not to know who Shen Luoyan was, so she was right. Shen Luoyan teased, "Eh? Beauty, who are you? Are you married? Do you think you and I are married? Which force do you represent?"

Shen Luoyan was so angry when she heard Su Chen's words. She didn't expect that she She just wanted to establish some relationship with this Wu Xiangjun so that she could make plans for Wagang Village in the future. Shen Luoyan did not expect that this Wu Xiangjun turned out to be a shameless person.

"you.....You are shameless."

When Xu Shiji saw Wu Xiangjun teasing his fiancée, he stood up angrily, pointed at Su Chen and cursed,

"Damn it, Mr. Wu Xiang, our Wagang Village is not for you to bully at will. If you dare to tease our military advisor again, be careful that we will not be polite to you."

"Shut up, General Xu, what are you talking about?"

Shen Luoyan never thought that Xu Shiji would dare to speak to Lord Wu Xiang like this. If Lord Wu Xiang is angered here, I am afraid that Luoyang's 200,000 troops will immediately march towards Wagang Village. The army of the patron king is not ordinary. The Sui army and the army of the patron king were all powerful troops recalled from the border.

Su Chen was a little angry when he saw that this idiot dared to speak to him like this.

Although Su Chen was often scolded, the ones who scolded him were all beautiful women. And those beauties who scolded him will all be his wives in the future. Su Chen didn't care about the beauties who scolded him at all, but men can't do that. He was not a masochist.

Su Chen turned to look at Xiaomeng and said, "Xiao Meng, kill this bastard."

Xiaomeng stared at Su Chen and wanted to say why. She is not the thug of this bastard Su Chen. Besides, is a scumbag born in the sixth level worthy of her attack? It's just that Xiaomeng thought that if she didn't do what this bastard said, I'm afraid this bastard will definitely make her unhappy in the future.

"Just this time."

Xiao Meng glared at Su Chen and then disappeared, leaving a Tai Chi figure on the spot.

Su Chen laughed when she saw Xiao Meng was willing to take action. It seems that training Xiao Meng will be smoother and smoother in the future.

Black Widow Seeing Su Chen a little confused, she didn't understand that Su Chen didn't ask her to kill the man who scolded him.

"Don't worry about you taking action in the future." Su Chen patted Black Widow's back comfortingly. He looked at the cold Xue Nu on the side and said, "This time it's Xiaomeng who takes action. Concubine Xue Nu, it's your turn next time."

Xue Nu's face turned red quickly. Now Xue Nu felt that if this bastard continued to call him like that in the future, Xue Nu was afraid that one day she would get used to it. As for whether to help Su Chen or not, she had not considered it.

Although she is now stronger than this bastard, this bastard's weird light skills are hard to guard against. If Su Chen, this bastard, is really in danger, Xue Nu will definitely come to the rescue.

All the forces in the meeting hall are now staring at Wagang Village. They have heard what the people in Wagang Village scolded Lord Wu Xiang just now. They did not expect that the people in Wagang Village had the courage to scold Lord Wu Xiang. You must know that the 200,000 troops of the patron king Yang Lin are not far from Wagang Village. Isn't Wagang Village afraid that Lord Wu Xiang will order to destroy their Wagang Village?

When the people in Wagangzhai heard that Wu Xiangjun asked a woman to kill General Xu Shiji, the dozen or so people in Wagangzhai in the meeting hall took out their weapons and were on guard.

Shen Luoyan was a little anxious. She didn't expect that Xu Shiji just scolded Wu Xiangjun once, and Wu Xiangjun actually wanted to kill someone. Now that the woman who came to kill Xu Shiji had disappeared, Shen Luoyan could only watch the surroundings carefully to prevent that The woman suddenly appears.

Shang Xiufang pushed Shang Xiuxun, who was now a little leisurely, and asked, "Xiuxun, won't you stop that bastard Wu Xiangjun? He is going to kill someone here."

Shang Xiuxun sat on a chair and drank leisurely Tea, this time she also wanted to see what kind of person Wu Xiangjun was. Although this incident was caused by Wu Xiangjun teasing Shen Luoyan, Shang Xiuxun automatically filtered it, and

Shang Xiuxun smiled. He said to Shang Xiufang, "Why should I stop it? Anyway, this has nothing to do with our Pegasus Ranch. It was the man from Wagang Village who scolded Mr. Wu Xiang. A rebel dared to scold the king of a country." Jue, aren't you looking for death?"

Shang Xiufang was speechless after hearing Shang Xiuxun's words.

This incident was obviously caused by that bastard Wu Xiangjun. Although the man from Wagang Village was very inappropriate to curse people here, but Shang Xiuxun's words were obviously biased in favor of Wu Xiangjun.

Shang Xiufang thought that Shang Xiuxun would not really give up on himself and marry Wu Xiangjun, a shameless person, right? She was a little worried about Shang Xiuxun's future.

Here in Wagang Village, Xu Shiji took out his weapon and looked around cautiously. He was a little scared now. Just now he was so angry that he scolded Wu Xiangjun. Now that Xu Shiji has woken up, he may not be able to beg for mercy. , after all, one of them is a rebel and the other is a top noble in the court.

Tear-off

Just when Xu Shiji was cautiously vigilant, a Tai Chi figure appeared silently in front of Xu Shiji. Just when Xu Shiji realized that he was about to raise a weapon and take action, he suddenly found that his body and head were separated.

When Xiaomeng appeared in front of Xu Shiji, she just drew her sword in an instant, and Xu Shiji's neck was cut open by her sword. It was very easy for Xiaomeng for a great master to kill an innate scumbag.

When another general saw that Xu Shiji had been beheaded, he immediately ordered his men in Wagangzhai to shout, "Come on, kill this white-haired woman to avenge General Xu."

Chapter 358

Under the leadership of this general, more than ten people from Wagang Village attacked Xiaomeng one after another. Xiaomeng looked at the people in Wagang Village who were besieging her with a cold face. She was looming in these Wagang Village with the Qiuli Sword. Weaving through the crowd.

After Xiaomeng stopped, the dozen or so people in Wagang Village behind her fell to the ground silently. Xiaomeng looked at only one woman left who did not attack her. She ignored this woman and just gone.

Shen Luoyan is a little scared now. If this woman came to kill him just now, Shen Luoyan would not be able to kill him with one move. This woman who came to kill Xu Shiji must be a Jianghuai master, not even an ordinary Jianghu master.

【Xiaomeng】?

Shen Luoyan suddenly thought of Xiaomeng from Taoist Tianzong who was ranked fourth on the ranking list of martial arts beauties in the Eastern Continent. Could this Xiaomeng really be Xiaomeng who was ranked fourth on the ranking list of martial arts beauties?

The more Shen Luoyan looked at her, the more she felt that maybe this Xiaomeng was, after all, very beautiful, especially her pair of beautiful long legs.

But isn't Xiaomeng not related to Wu Xiangjun?

Then why did Xiaomeng take Wu Xiangjun's orders? Shen Luoyan is getting more and more confused now.

Li Xiuning sat behind the Li clan area and watched the things happening in the hall without paying attention. She also noticed that Kou Zhong from Jianghuai Army had been secretly sizing her up, and that bastard Su Chen also looked at her once.

Kou Zhong looked at her, which made Li Xiuning a little upset, and Su Chen looked at her, which made Li Xiuning's heart beat rapidly. Li Xiuning didn't know why, so she could only hold her chest and let her Don't let your heart beat like this anymore.

Song Yuhua had always been paying attention to Su Chen. Even when Su Chen looked at her, Song Yuhua did not avoid it this time. Song Yuhua had already decided. If what Su Chen said was true, she would marry this bastard Su Chen. Nor will he marry Xie Wenlong, the young master of Duzun Castle.

The surrounding forces watched as Wu Xiangjun sent a woman to cleanly wipe out everyone in Wagang Village. Those who were destroyed were all innate masters. In Wagang Village, only Military Advisor Shen Luoyan was left in the meeting hall. , this makes the forces here even more afraid to provoke Lord Wu Xiang

"Haha, Xiaomeng, you did a good job this time, this is my reward for you."When Su Chen saw Xiao Meng coming back, he got up and hugged the returning Xiao Meng.

Su Chen kissed Xiao Meng on the forehead before Xiao Meng had time to react, and then hurriedly let go of Xiao Meng. This time Su Chen But she was trying to test Xiaomeng's bottom line again.

Xiaomeng was confused again.

She didn't expect that she would be taken advantage of by this bastard again after she came back from doing things for him. But this time Xiaomeng felt that she liked it very much. The feeling, but why did this bastard let go of him so quickly, which made Xiaomeng look at Su Chen with confusion.

Su Chen did not expect that Xiaomeng was not angry, and even looked at him in confusion. Su Chen looked at Such Xiao Meng guessed and said, "Well, there are many people here, I will make it up to you in the future."

Xiaomeng looked around after hearing Su Chen's words. There were indeed many people here. No wonder Su Chen, a shameless person, let go of her so quickly. Xiaomeng nodded to Su Chen and sat down in her seat. She regained her arrogant look.

Su Chen was relieved now. Xiaomeng, an arrogant girl, had already won more than half of the first base. The second and third bases may not be easy to win in a short time. After all, Xiaomeng is a monk. However, if he plays first base more often in the future, I believe he will also win the second and third bases.

Su Yan was very speechless when she saw that her father and Xiaomeng were also involved. All the women observed carefully. All the women here seemed to have more or less relationships with their fathers.

Su Yan looked at the women here and hoped that her father, Su Chen, would leave here quickly, otherwise the beautiful women here would be gone. Many of them would be abducted by their father.

Shang Xiuxun glared at the shameless Su Chen and said loudly,

"Now we are trading war horses. I don't want anyone to disturb this war horse trade. Otherwise, don't blame me for expelling the troublemakers."

Shang Xiuxun was also completely speechless towards Su Chen, a shameless person. This bastard has too many women, and those women are all the proud women of heaven. Shang Xiuxun couldn't understand why those women insisted on it. With this shameless person.

Shang Xiuxun has no confidence in her now. She is now afraid that if she really gets together with this bastard, will Su Chen, this bastard, abandon her just like her disgusting father abandoned her mother? Abandoned?

When Su Chen saw Shang Xiuxun staring at him and saying these words, he was obviously warning him. Su Chen smiled at this very good-looking Shang Xiuxun and said, "Don't worry, shopping mall owner, whoever dares to cause trouble here?" , I will expel him on behalf of the owner Shang Xiuxun."

"Don't worry, Mr. Wu Xiang, we are just here to buy war horses and will not cause trouble."

"Yes, we won't cause trouble"

"Don't worry, Your Majesty, we small forces will definitely obey Lord Wu Xiang's orders and will not cause any trouble here.".....

The small forces in the meeting hall all spoke up to assure Su Chen that these small forces really did not dare to offend Lord Wu Xiang. Lord Wu Xiang now wants an army, an army, a master of martial arts, and even a master of martial arts. The women all have strong backgrounds, so they will not run into Wu Xiangjun's gun.

Seeing Kou Zhong's nonchalant look, Xu Ziling shook his head and said to Su Chen, "Our Jianghuai Army will not cause trouble here."

Li Shimin looked at Su Chen and ignored him. He would not listen to Wu Xiangjun, a bastard. After receiving the order,

Li Xiuning glared at Su Chen and said when Li Shimin looked indifferent, "We, the Li family, will not cause trouble this time."

Song Yuzhi was very depressed now. This time the bastard Wu Xiangjun came and didn't even look at it. She took a look and realized that her sister Song Yuhua had been looked at by that bastard several times. Song Yuzhi felt that that bastard must like people. Her sister Song Yuhua and

Song Yuzhi saw the way Song Yuhua blushed, and she guessed what must have happened between her sister and that bastard Wu Xiangjun. After this incident, she wanted to ask her sister Song Yuhua clearly

"Owner Shang Xiuxun will not cause trouble this time."

Shang Xiuxun is very satisfied with Su Chen's statement. Now that all the forces have listened to Su Chen's words, there will definitely be no more surprises here. "Well, as long as Mr. Wu Xiang says this, let's start trading now."

While Shang Xiuxun was discussing the war horses with the forces here, Su Chen was holding Su Yan and listening to the argument below.

"Dad, that Song Yuhua is here." Su Yan suddenly saw Song Yuhua from the Song Clan coming over and said helplessly.

Su Yan is now completely speechless about her father who is a temptress. Su Yan has never seen her father molesting this woman. Then wouldn't Song Yuhua? Do you know that her father is an out-and-out shameless person?

Chapter 359

When Su Chen heard Su Yan's words, he saw that Song Yuhua had really arrived. This made Su Chen a little confused. It might not be good for Song Yuhua to come to her at this time. Isn't she worried that she would ruin her reputation?

At this moment, Song Yuhua insisted on coming despite the persuasion of her younger brothers and sisters. She did not want to return to the Song family after the war horse transaction was completed.

Song Yuhua was really afraid that her father would push her out for marriage after she returned. Now only Su Chen, a bastard, dares to take her in, and Song Yuhua can only rely on Su Chen to avoid her father's desire to marry her to Duzunbao.

Su Yan looked at her father looking worried for Song Yuhua and asked curiously,

"Dad, do you know Song Yuhua from the Song clan?"

Su Chen touched Su Yan's head and looked at the approaching Song Yuhua and said, "I know you. Song Yuhua is a good friend of mine."

Su Yan was very disdainful when she heard Su Chen's words. Does her father have any good friends with beautiful women? I'm afraid that beautiful woman will be taken over by her father and become her aunt in the future.

"Tch, friend? Do you think I believe it? Dad, you might as well say that Song Yuhua is directly your woman, then I will trust you very much."

Su Chen pinched Su Yan's little face and said threateningly, "Girl, you are a little skinny now.

Su Yan exclaimed when Su Chen pinched her face, "Ah!" Dad, let go of my face. If I don't look beautiful when I grow up, it will all be your fault."

Su Chen let go and smiled. Su Yan is becoming more and more like a little adult now. Even at such a young age, he is thinking about whether he will be beautiful in the future. Su Chen hugged Su Yan and kissed her and said,

"Haha, my Yan'er is so beautiful and cute, who dares to say she's not beautiful? I'll go take care of him."

Su Yan wiped the saliva left by Su Chen on his face and said angrily,

"Hum, Dad, you should first see what your woman is doing when she comes to you."

Su Chen also saw that Song Yuhua had arrived. Su Chen let go of Su Yan and stood up to watch Song Yuhua walk to him with a blush.

Song Yuhua came to Su Chen and said softly, "Wu Xiangjun, I Can I need you to protect me for a while?"

"Yes, of course, with our relationship, you can just let me shelter you for the rest of your life." Su Chen smiled when he saw Song Yuhua who was now gentle and elegant again.

Su Chen knew that Song Yuhua came to him to seek asylum because he was worried that Song Que would marry her. However, this little girl is not afraid of being entangled in a tiger's mouth. She is

not a gentleman. Besides, Song Yuhua has also been touched and kissed by him. From now on, Song Yuhua will not be able to take advantage of others.

"Bah, you are still so shameless." Song Yuhua glared at Su Chen with a red face after hearing what Su Chen said.

This bastard is still so shameless.

Song Yuhua doesn't know if she made the right choice this time, but no matter whether she is talking or doing anything with this bastard, Song Yuhua felt very relaxed. This was what made Song Yuhua make up his mind to seek shelter from this bastard.

Su Chen looked at the red-faced Song Yuhua and smiled, "Haha, I'm doing this for your own good. If you become homeless in the future, My home will be your home from now on. Miss Song, please sit down."

Song Yuhua was too lazy to talk to this bastard. If he kept talking to him, I'm afraid this bastard would become more and more unruly.

Song Yuhua looked at the little beauty beside Su Chen and asked,

"Is this your daughter?"

Su Yan observed this Song Yuhua and felt that this woman was as gentle as water, not a cunning and mean woman. This made Su Yan have some affection for this Song Yuhua.

"My name is Su Yan, I am my father's daughter"

"My name is Song Yuhua"

"Then I will call you Sister Song from now on." Su Yan looked at Song Yuhua and said cunningly. She wanted to see if this Song Yuhua had any ulterior relationship with his father.

"Can.....Forehead!" Song Yuhua regretted it as soon as she agreed. If she and Wu Xiangjun's daughter call themselves sisters, what will happen in the future? Song Yuhua was embarrassed and hurriedly said to Su Yan,

"Su Yan, why don't you call me Aunt Song? After all, I'm much older than you."

Su Yan looked at Song Yuhua's confused look and said with a smile, "Haha, okay [Aunt Song]"

Su Chen saw Song Yuhua and Su Yan chatting, and he ignored them. Su Chen said to the person next to him Black Widow whispered and let her go out first.

Su Chen just felt that a master at the peak of his master was checking here. Although he didn't know who this master was, Su Chen didn't want this master to come here to cause trouble. After all, Shang Xiuxun may still have an incomprehensible relationship with him in the future.

"Do you need me to catch that grand master?"

Xiaomeng saw that Su Chen had sent the Black Widow out, and she was sitting on the Black Widow's seat. Just now she also found a grand master checking here, but it was none of her business, and Xiaomeng did not warn the person checking here. As a master,

Su Chen took Xiaomeng's hand and said with a smile, "No, just have a black widow, Xiaomeng, you are becoming more and more like a woman now."

Su Chen didn't expect that Xiaomeng would offer to help this time. When he killed Xu Shiji in Wagang Village last time, Xiaomeng said he wouldn't do it again. It seems that Xiaomeng has really changed. Su Chen thought that if Beimingzi The old man didn't know what he would think when he saw Xiaomeng's current appearance.

Xiaomeng trembled when she was pulled by Su Chen. She likes this feeling more and more now. Xiaomeng's cold face was slightly flushed. She said in embarrassment, "Shameless, why didn't I look like a woman before?"

Su Chen immediately hugged Xiao Meng's small waist and looked at Xiao Meng who was now blushing and said seriously,

"Xiaomeng, you used to be like a fairy in the sky, you were as indifferent as a human being. Your face had no emotions that humans should have. You looked cold and arrogant all day long, making other people reluctant to get close to you. Now You are just a fairy who fell into the mortal world, and you will gradually have the emotions that humans should have in the future."

Xiaomeng is now a little weak, leaning on Su Chen's arms and listening to him.

Xiaomeng didn't expect that this bastard Su Chen would hug her here. Although Xiaomeng didn't care what anyone here would think of her, she didn't expect that. He felt so weak when Su Chen hugged him.

Xiao Meng felt very good leaning on Su Chen's arms. Is this the emotion that this bastard just said? Is he already in love with this bastard Su Chen?

In the meeting hall , after Song Yuhua came to Wu Xiangjun, other forces here were initially worried that the Song clan would use Wu Xiangjun's power to buy more war horses, but they observed for a while and did not see any action from Wu Xiangjun. , these forces began to fight for the war horse again.

At this time, Li Xiuning, Shang Xiuxun, Shang Xiufang, and Shen Luoyan, who had become a loner, were all paying attention to Su Chen. Even Song Yuhua's sister Song Yuzhi looked like Su Chen from time to time. here

"Dad, Shen Luoyan from Wagang Village is coming to us."

Chapter 360

Su Yan was talking to Song Yuhua. She wanted to find out from Song Yuhua how she met her father. Song Yuhua was Su Yan's rival. Su Yan just asked Song Yuhua in a tactful way, but Song Yuhua accidentally let it slip. Mouth.

Su Yan suppressed a smile when he saw Song Yuhua's face flushed because he spilled the beans. Su Yan didn't expect that Song Yuhua had met her father in Yangzhou, and she was even with her father yesterday.

Su Yan now felt that Song Yuhua was so This is a sheep in a tiger's mouth. If Song Yuhua follows her father in the future, I'm afraid she will really become another aunt of hers.

Just when Su Yan was about to comfort Song Yuhua, who was now very shy, Su Yan found that the remaining beautiful military advisor in Wagang Village, Shen Luoyan, was also walking towards them.

Su Yan looked at his father who was talking to Xiaomeng and said ,

"Dad, Shen Luoyan from Wagang Village is coming to us."

Song Yuhua rubbed Su Yan's hot face after hearing what she said. Just now Su Chen, the daughter of Su Chen, was asking questions. Song Yuhua didn't expect that she would fall into the hands of a little girl. She even told her what happened yesterday when she slipped and fell into the water. After seeing Su Yan, Song Yuhua also knew this time that this little girl should not be underestimated. This naughty little girl was as hateful as his father.

Song Yuhua exhaled and looked at Shen Luoyan who was coming here and said, "Wu Mr. Xiang, this Shen Luoyan is probably coming to you for asylum."

Su Chen asked suspiciously after hearing Song Yuhua's words, "Oh? Yuhua, Shen Luoyan is the military advisor of Wagang Village. Even if her colleagues are killed by my men, she should be fine if she goes back, right? Zhai Rang of Wagang Village should not punish Shen Luoyan."

When Song Yuhua saw that Su Chen didn't know about Wagangzhai, she said to Su Chen happily,

"Mr. Wu Xiang, you don't know the situation in Wagang Village. Now Wagang Village can be said to be divided into two. Zhai Rang and Li Mi are now incompatible with each other. I am afraid that civil strife will break out in Wagang Village soon."

"Shen Luoyan brought Li Mi's general Xu Shiji with him this time, and the remaining innate masters were all arranged by Li Mi. I heard from my sister that Li Mi wanted to monopolize the war horse they came to buy from Wagang Village this time."

"And Shen Luoyan is Zhai Rang's man. All Li Mi's men are dead this time. Do you think Li Mi will let Shen Luoyan go after she returns?"

Su Chen nodded after listening to Song Yuhua's words. Although he didn't know the extent of what happened in Wagang Village, after Wagang Village, Li Mi killed Zhai Rang and became the leader

of the village. In the world of comprehensive martial arts, Li Mi has not yet rebelled and seized power, but it should be soon.

Su Chen thought of the 200,000 border troops of Luoyang's patron king Yang Lin. Although those troops were not very good, they were more than enough to deal with Wagang Village. So why not take advantage of the situation? Should Li Mi be killed first due to the civil strife in Wagang Village?

The Li clan will definitely not be trapped in Jinyang forever. If the Li clan has been threatened by the army of the patron king, Su Chen is also afraid that the Li clan will attract the Turks to enter the country. Shanxi may be wantonly trampled by the Turks.

After thinking about it, Su Chen felt that the Li clan could not let the backing king keep an eye on them. Even if the Li clan took over Guanzhong, it would not matter to Su Chen. Anyway, the people there The aristocratic family will also have to be cleaned up in the future.

After Shen Luoyan arrived, he saluted Su Chen and said, "Shen Luoyan has met Mr. Wu Xiang, met the little princess, and met Miss Song and all the ladies."

Shen Luoyan was a little speechless when he saw the beauties around Su Chen. A monarch came out without a man, and was surrounded by peerless beauties. If you don't know about Lord Wu Xiang, you might think that he is a greedy man. A lustful person.

Su Yan looked at the calm and composed Shen Luoyan and felt that she was somewhat similar to Huang Rong. Su Yan thought that if this Shen Luoyan was as good at leading troops and fighting as Huang Rong, she wanted to win over this Shen Luoyan. Her father is currently very short of handsome men to lead the army.

"Commander Shen, what are you doing with my father? Are you coming to seek refuge with my father?"

Su Chen looked at Su Yan speechlessly.

Come on, he didn't need to say anything.

This girl Su Yan must be trying to win over this Shen Luoyan.

Su Chen looked at Su Yan and turned around and didn't care about it. With Su Saying that this smart guy is here, I believe she can handle Shen Luoyan. Su Chen felt that she should worry about other things. Anyway, Shen Luoyan will definitely not visit Wagang Village again this time.

Shen Luoyan looked at Wu Xiangjun with some extraneous thoughts. His daughter Su Yan, she didn't expect that Wu Xiangjun would let his daughter come to receive her.

Didn't Wu Xiangjun guess that she was here to rely on him this time?

Or did Wu Xiangjun think that she was not qualified enough to let him Ask yourself in person?

Su Chen looked at the puzzled look on his face and said to Shen Luoyan, "Shen Luoyan, you don't have to be doubtful. My daughter will handle the matter here. You can talk to my daughter Su Yan first. If you If you feel dissatisfied, come back to me to discuss it."

"I see."

Shen Luoyan looked at Su Yan with some surprise after hearing Su Chen's words. Can this six or seven-year-old little princess really make the decision? But now that Wu Xiangjun has said so, Shen Luoyan can only talk to this little princess first. After a while,

Su Yan was very happy to see that her father agreed to handle Shen Luoyan's matter. Now that Huang Rong is a handsome man who can command the army, if she takes down Shen Luoyan again, she will find someone for her father in the future. These two beauties and handsome men will rely on these beautiful generals to conquer cities and territories in the future.

Su Yan directly took Shen Luoyan and Song Yuhua to sit in the back and started talking. Su Yan was not interested in trading horses here.

Here at Li clan, Li Shimin He was upset because of a series of mistakes. Now other forces here are really dealing with him. Li Shimin will be opposed by other forces as long as he speaks. He is very irritable now. At this moment, Li Shimin suddenly saw Li Xiuning standing up and wanting to leave. Here, he hurriedly asked,

"Second sister, where are you going?"

Li Xiuning looked at Li Shimin, the brother who betrayed her, and said disdainfully, "Do I need to tell you where I am going? Li Shimin, you should worry about the war horse this time, otherwise you should know what kind of treatment you will get when you go back."

Li Xiuning said and walked towards Su Chen. She now understands that women have no status in a big family. No matter how hard she works, she will only be a marriage tool in the end.

Li Xiuning just saw Song Yuhua going to Wuhan. From that bastard Xiangjun, she guessed that Song Yuhua must also want to avoid the future marriage with Duzunbao. Since Song Yuhua, a weak woman, dared to resist, why couldn't she, Li Xiuning, resist?

Li Xiuning looked at that bastard Su Chen and walked quickly. Go, she wants that bastard Su Chen to help her now, otherwise she will not be able to escape the fate of being married. When

Kou Zhong saw that Li Xiuning was going to Su Chen's place, he hurriedly stood up and said to Xu Ziling worriedly,

"Why did Li Xiuning go to Wu Xiangjun's place? Master Ling, Lord Wu Xiang is a lecherous devil. Will Li Xiuning be occupied by Lord Wu Xiang if he goes?"
