

## Zongwu 36

### Chapter 36

Zhao Min suddenly noticed that the people next to her were looking at them intentionally or unintentionally. Zhao Min raised her head and looked up. At this time, she found that there were three stunning beauties under a big tree, and these three beauties seemed to have their masters.

Even a young master actually hugged two stunning beauties, which made Zhao Min very curious. You must know that if such beautiful beauties are not protected by anyone, I am afraid that some martial arts scum here will take them away. Zhao Min looked at That young man wanted to know his identity.

Zhao Min stood up and said to the guards, "You guys wait for me here, I'll go and take a look."

Ada looked at the many martial arts warriors around and said worriedly,

"Princess, there are too many martial arts masters here, we'd better go with you."

Zhao Min shook his head and said, "No, I'm right next to you. If anything happens, you can get there as soon as possible."

"Yes, Princess, please be careful, Princess, and call us if anything happens."

Zhao Min waved his hand and walked directly to the big tree.

Su Chen also let go of Hanwen and Shi Feixuan at this time. Su Chen even spent a piece of gold to let the people next to him buy some tables and chairs. There was even tea.

Su Chen looked at the items he had bought with gold and shook his head. Sure enough, he was a rich man everywhere.

Lin Shiyin sat down and gave Su Chen a rare compliment.

"You did a good job this time. You are still a rich man without thinking. I, a beautiful woman, will give you a face and sit down."

"Tsk, do I use you to give me face? My two wives are no worse than you."

Shi Feixuan blushed immediately after hearing Su Chen's words. She didn't expect that Su Chen secretly held her hand. This made Shi Feixuan not sure whether she should let go of Su Chen.

Huan Huan looked. As Su Chen pulled Shi Feixuan, she reached out and took Su Chen's other hand. Now Huan Huan was very angry. She didn't expect that this bastard Su Chen would pull Shi Feixuan, but the little nun didn't pull her. Huanwan wanted to beat this bastard immediately.

When Su Chen saw Huanwan pulling him, he smiled and squeezed Huanwan's little hand. Su Chen was used to pulling Shi Feixuan just now. Jingyu used to sit on his left hand. Yes, Su Chen would hold her hand whenever Jing Salamander sat next to him. Just now, Su Chen was used to treating Shi Feixuan as Jing Salamander.

But without thinking, Shi Feixuan, this little girl, didn't object to him pulling her. This made Su Chen feel a little unbelievable. After all, when watching the TV series, Master Fei Xuan was a stone girl. Apart from completing the tasks assigned by her master, she had no relationship between men and women at all.

And the little witch Huan Huan saw herself pull. She must be jealous of Shi Fei Xuan now, otherwise she wouldn't pull her out even if she were beaten to death. This may be because the little demon girl wants to compete with Shi Fei Xuan in everything. If she doesn't give it to her this time, it will be an advantage for herself. If she has an advantage, she won't take advantage of it. Bai Buzhan.

When Lin Shiyin saw that this bastard Su Chen didn't know what to do, she felt angry and cursed, her chest bulging.

"Bastard, you are a ungrateful bastard."

Su Chen stared at Lin Shiyin's chest and then coughed and said,

"Cough, beautiful fool, if you scold me again, be careful my wives will be rude to you."

Lin Shiyin stood up, pointed at Su Chen and said angrily, "You.....If you were a man, come and fight me."

"Come on, good men don't fight with women."

Su Chen sat motionless and said to Lin Shiyin.

Su Chen didn't know if he could beat Lin Shiyin now. If he didn't have to teleport, he might really not be able to beat Lin Shiyin.

He has never learned martial arts, and he doesn't even know some boxing and kicking skills. This Lin Shiyin has learned some boxing and kicking skills. Although Lin Shiyin can't beat those martial arts people, it shouldn't be difficult to deal with herself.

Lin Shiyin said to Su Chen with contempt. ,

"Being timid is just timid, and there is no point in talking about being so noble."

Li Xunhuan was completely stunned by Lin Shiyin now. He didn't expect that Lin Shiyin had completely let go of herself now. She didn't even know where the gentle and virtuous she had been before, and now she was like another person.

Li Xunhuan pulled. Lin Shiyin scolded her and said,

"Shiyin, please speak more civilly. What's wrong with you today? You seem to be a different person. If I hadn't been next to you, I would have thought you were a fake Lin Shiyin. Lin

Shiyin was angrily pulled by Li Xunhuan to sit down and said

"Cousin, this Su Chen is so abominable. If I don't teach him a lesson, I might be so angry that I can't sleep at night."

Su Chen looked at Lin Shiyin who was helpless and continued to be angry with her,

"If you can't sleep, you can count the stars. If you keep counting, you will definitely fall asleep."

As soon as Huanwan took a sip of tea, she choked after listening to Su Chen's words.

"Pfft, cough, cough, Su Chen, you bastard, stop talking now."

Shi Feixuan also looked at Su Chen in a funny way. Shi Feixuan also didn't expect why Su Chen and Li Xunhuan's cousin were so uncooperative. They would start fighting each other whenever they talked.

Li Xunhuan looked at Su Chen and Lin Shiyin. Ignoring them, he took out his own wine and started drinking.

Li Xunhuan looked at the two women next to Su Chen and asked, "Brother Su, haven't you introduced these two siblings to me yet?"

Su Chen didn't react at first. He only reacted when Huan Huan pinched him. Su Chen immediately hugged Shi Fei Xuan and Huan Huan and introduced to Li Xun Huan,

"Um? Oh, this is my wife Shi Feixuan, and this is also my wife Huanwen. Now they want to make money on who is the eldest wife and who is the second wife, so they are a little uncomfortable with it. Brother Li, don't be offended."

When Li Xunhuan heard that they were Master Feixuan and Huanyuan, he knew that they were Master Feixuan from Cihang Jingzhai and Huanyuan from the Yinkui sect. Li Xunhuan knew that both of them were masters. He just didn't expect them. It turned out to be the saintly concubine Xuan of the Cihang Jingzhai sect of the Great Sui Dynasty and the demon girl Hanwen of the evil Yinkui sect. This made Li Xunhuan admire Su Chen very much. He did not expect that Su Chen could actually win down the saint and the demon girl together. Now.

Li Xunhuan doesn't know if Su Chen knows the identities of Shi Feixuan and Huan Huan. If Su Chen fails Shi Feixuan and Huan Huan in the future, I'm afraid Su Chen will know how to die.

Li Xunhuan looked at Su Chen and smiled. He smiled and reminded,

"Brother Su, you must treat your wives well in the future and never let them down."

Su Chen hugged Shi Fei Xuan and Huan Huan and kissed each other and said,

"My wife, of course I have to treat them well. Damn it, I'll buy you some delicious food."

Su Chen is a little carried away now. After he kissed Shi Feixuan and Huan Huan, he thought that they are not his wives. Su Chen is sweating now.

After thinking about it, Su Chen felt that he couldn't stay here anymore. Leave quickly, otherwise he will either be chopped by Shi Feixuan with his sword, or he will be torn alive by Huan Huan.
