

Zongwu 361

Chapter 361

Kou Zhong is extremely nervous now. Li Xiuning is the woman he will marry in the future. If Li Xiuning and Wu Xiangjun get involved at this time, I am afraid it will be difficult for him, Kou Zhong, to get Li Xiuning in the future.

Kou Zhong now prays to Lord Wu Xiang not to fall in love with Li Xiuning, otherwise he will definitely go crazy.

Seeing Kou Zhong's anxious look, Xu Ziling comforted him, "Mr. Zhong, don't be too worried. Mr. Wu Xiang has beaten Li Xiuning before. He will definitely not like Li Xiuning."

After Kou Zhong sat down, he kept looking at her. Li Xiuning, he now hopes that Li Xiuning can turn around and go back. Kou Zhong doesn't want Li Xiuning to have a relationship with Wu Xiangjun again.

Most of the beauties on the ranking list of martial arts beauties in the southern continent have been taken over by Wu Xiangjun. Kou Zhong now He is afraid that Lord Wu Xiang will kill all the beauties on the ranking list of martial arts beauties in the Southern Continent.

If this happens, even if he relies on the Jianghuai Army, it will be impossible for Kou Zhong to defeat Lord Wu Xiang. He is even afraid that he will not even be able to see Lord Wu Xiang, and he will be His men and army were defeated.

Kou Zhong was a little annoyed and said to Xu Ziling,

"I know that Li Xiuning was beaten by Wu Xiangjun before, but after all, Li Xiuning is a beautiful beauty, and that Wu Xiangjun is a pervert. I am afraid that Wu Xiangjun will really take over Li Xiuning this time."

"After all, Li Xiuning is also a beauty on the ranking list of martial arts beauties."

"Well, Mr. Ling, the owner of the arena, Shang Xiuxun, is also a beauty on the ranking list of martial arts beauties. You should also be careful that Wu Xiangjun takes Shang Xiuxun too. After all, Shang Xiuxun will be your future wife in the future."

After Xu Ziling heard what Kou Zhong said, he looked around and saw Shang Xiuxun who was discussing with other forces. Xu Ziling felt that it was impossible for the owner Shang Xiuxun to be deceived by Wu Xiangjun. After all, the owner Shang Xiuxun was from Pegasus Ranch. Lord, she is also a very smart and independent woman.

Xu Ziling can only continue to comfort Kou Zhong and said, "Mr. Wu Xiang is not like that kind of person. Mr. Zhong, please stop worrying about things."

Kou Zhong shook his head at Xu Ziling and said sarcastically, "You are standing and talking, it doesn't hurt your back. It is Li Xiuning who is going this time. If it is Shang Xiuxun who is going later, let me see if you are in a hurry."

Xu Ziling smiled and ignored Kou Zhong. He was just watching this bastard to prevent him from causing trouble again, so that Kou Zhong would not cause trouble for their adoptive father Du Fuwei. At this time, Li Shimin's face turned dark and he looked at the people leaving. Li Xiuning, he knew that not only had he offended Chai Shao this time, but now even his second sister Li Xiuning, who had always supported him, would no longer support him. Li Shimin felt that even if he completed the task assigned to him by his father this time, he would not be able to support him in the future. Without the money of the Chai family and the support of his second sister Li Xiuning, he would definitely have a hard time in the future.

Su Chen originally wanted to take the opportunity to communicate more with Xiao Meng at this time, but before he could develop a relationship with Xiao Meng, he saw Xiao Meng pointing out. While saying,

"Su Chen, here comes another beautiful woman. It seems that your luck with women is really good."

Su Chen was speechless as he held Xiaomeng and looked at Li Xiuning who was coming over. Why did this woman, the only woman he had beaten, come to find him? Is Li Xiuning a masochist?

"Xiaomeng, I have beaten this woman before, and she is the only woman I have ever beaten. This time she comes here and I don't know what to do?"

"Have you ever hit a woman? And this woman is a very beautiful woman, and you are willing to fight her?"

Xiao Meng looked at Su Chen in surprise. She didn't expect that Su Chen would beat such a beautiful girl. This was a bit unfair to Su Chen, a playboy!

Su Chen also didn't expect to win in mixed martial arts. In this world, Li Xiuning is not willing to sacrifice everything for the great cause of their Li family. At least from yesterday's situation, Li Xiuning is still good.

Su Chen also said to Xiaomeng with some embarrassment, "Uh! I had some misunderstandings about her before. We were enemies at that time, so I beat her without thinking too much. Now that I think about it, I was a little impulsive."

"Then I'll go and sit in the back with the snow girl, and you can talk to that woman."

When Xiaomeng saw Li Xiuning who was about to arrive, she got up and walked behind Su Chen. Xiaomeng had forgotten about Xue Nu just now. She left Xue Nu behind alone and now it's a little embarrassing to think about it.

Xue Nu has been busy these days. Accompanying her, but she actually forgot the Snow Girl for the bastard Su Chen. The Snow Girl will definitely blame her sister at this time.

Su Chen looked back and looked at the Snow Girl who still looked indifferent and shook his head. This Snow Girl is really It was cold and silent, sitting alone in the back. If you didn't pay attention, you would have really forgotten this peerless beauty. At this time, Li Xiuning also came to Su Chen, and Su Chen pointed to Xiaomeng's position next to him. said,

"Hey, why is Miss Li here? Do you miss me? Please sit down"

"Mr. Wu Xiang, you should know why I came here this time, right?" Li Xiuning asked as she sat down and looked coldly at Su Chen next to her.

Li Xiuning thought a lot on the way here. She knew that this bastard couldn't stand her. Li Xiuning was afraid that this bastard who had beaten her would not help her.

Li Xiuning There is no other way. Among the forces here, I am afraid that no one is willing to take her in. After all, taking her in would mean completely offending the Li family.

Su Chen was confused after hearing what Li Xiuning said. What does he know when Li Xiuning comes? How could Su Chen know about Li Xiuning? What are you doing to come to him? This Li Xiuning won't play guessing games for him anymore, right?

"Wait, Miss Li, how could I know what you are going to do when you come here? You'd better tell me clearly what you're doing here."

When Li Xiuning saw that this bastard was still deliberately pretending, she endured the anger in her chest and said to Su Chen, "Phew! Mr. Wu Xiang, I will do whatever Miss Song Yuhua comes to do."

Su Chen looked at Li Xiuning in surprise. This Li Xiuning was becoming more and more difficult for Su Chen to see through. Li Xiuning actually opposed the marriage arranged for her by her family, and now she even went to her enemies for help.

Song Yuhua will do it. What?

Song Yuhua came to him to seek asylum. She came to him for help because she didn't want a family marriage. Due to the relationship between Su Chen and Song Yuhua, he would definitely help Song Yuhua, but Li Xiuning also came to him today to seek shelter for her. Su Chen was now considered a beauty shelter. So?

Why are all the beauties coming to him?

Don't they know that they also like beauties?

Or do they think that they are just a good person?

Li Xiuning saw Su Chen staring at her and thinking about something and asked anxiously, "Wu Xiangjun, do you agree to give me a sentence?"

Li Xiuning doesn't care whether Su Chen agrees or not, she is ready. Even if Su Chen doesn't agree to help her, Li Xiuning will let Song Yuhua take her away. As long as she is with Song Yuhua, I believe that this bastard Su Chen will definitely He won't drive him away.

Su Chen looked at Li Xiuning who was a little anxious and coughed and said deliberately,

"cough! Li Xiuning, Song Yuhua came to be my concubine. Do you also want to be my concubine?"

"Shameless, you are a shameless bastard."

Chapter 362

Li Xiuning was furious now. She didn't expect this bastard to say this. Li Xiuning guessed what Song Yuhua was looking for to find this bastard Su Chen.

But this bastard actually said that Song Yuhua would be his concubine? is it possible?

Would a dignified lady from the Song Dynasty make this bastard a concubine?

Li Xiuning stared at Su Chen and felt that this bastard must be sending her away on purpose. What this bastard said about being a concubine must be just in front of her. This shameless person has always disliked her, and he definitely didn't intend to help this time. she

"Hey, Li Xiuning, that's what Song Yuhua said. If you don't agree, you can leave. I will definitely not force you to stay."

Su Chen wanted to see if Li Xiuning would leave directly under his pressure. He was now a little worried that Li Xiuning came to approach him deliberately this time. Su Chen had to be careful with women from these big families, otherwise there would be problems in the future. Trouble,

Li Xiuning looked at Su Chen and rolled her eyes and said,"Wu Xiangjun, did Song Yuhua really agree to be your concubine? Su

Chen pretended to be indifferent and pointed at Song Yuhua, Shen Luoyan, and Su Yan who were talking behind him, and said,"Of course, Song Yuhua is with my daughter in the back. If you don't believe it, you can ask.""

Li Xiuning looked at Song Yuhua behind and wanted to ask. She didn't believe a word of what this bastard said. But when Li Xiuning was about to get up to ask, she found that the bastard Su Chen was actually laughing at her.

This made Li Xiuning instantly feel Sorry, what does this bastard mean?

Ask yourself why Song Yuhua, this bastard, is laughing at you?

"Wu Xiangjun, what did you mean just now? Why are you laughing at me?"

Su Chen started talking nonsense to Li Xiuning. He pointed at the snow girl behind him and said with a smile,

"Li Xiuning, you have to queue up to be my concubine. Look at this white-haired one. She is my number one concubine. Song Yuhua can only be ranked second, and Shen Luoyan can be ranked third. If you want to be mine too I'm afraid the list of concubines will continue. The fourth is Shang Xiuxun, the fifth is Shang Xiufang, and you can only be the sixth."

Su Chen said and looked at Xue Nu, Song Yuhua, Shang Xiuxun, Shang Xiufang, Shen Luoyan and Li Xiuning. Would these peerless beauties be punished by God if they were taken as concubines?

Su Chen didn't dare to think about it when he thought of this. It's a bit scary to think like this. Even if he is not punished by God in the future, I am afraid that the pursuers and admirers of these peerless beauties will scold him to death.

Li Xiuning's chest was filled with anger after hearing Su Chen's words. Song Yuhua and Shen Luoyan Let's not talk about the two of them. Shang Xiuxun is the owner of Pegasus Ranch. How could she marry this shameless person as a concubine? It is even more impossible for Shang Xiufang to marry a bastard like Su Chen.

Li Xiuning clenched her fists and said He said angrily,"Shameless, even if Song Yuhua and Shen Luoyan agree to be your concubines, Shang Xiuxun and Shang Xiufang will definitely not be your concubines. You bastard, you still rank me last?"

Su Chen saw that Li Xiuning didn't believe it, and he didn't care. Originally, these were all nonsense from him. He said these to hurt Li Xiuning's arrogance.

Su Chen suddenly felt that Shang Xiuxun and Shang Xiufang were paying attention to him from time to time. Su Chen looked at Li Xiuning and smiled slyly and said,

"Li Xiuning, do you want to make a bet?"

"What bet?"

Li Xiuning looked at this bastard with some surprise. She didn't know why this bastard wanted to make a bet. Did this bastard have any conspiracy?

When Su Chen saw Li Xiuning taking the bait, he smiled and said, "What if Monk Shang Xiuxun Xiufang is here too. Please agree to be my sixth concubine."

"What if Shang Xiuxun and Shang Xiufang didn't come?"

"Then I will unconditionally promise you one condition"

"I agreed, but there must be a time limit. We can't wait for them to finish trading the war horses."

"quarter of an hour"

"A quarter of an hour? Wu Xiangjun, are you kidding?"

"No, a quarter of an hour from now, if Shang Xiuxun and Shang Xiufang don't come to calculate your victory, if they come within this quarter of an hour, Li Liu, this name will follow you for the rest of your life."

"Bastard, I agreed, but I don't believe that Shang Xiuxun and Shang Xiufang will be free to come now."

Li Xiuning looked at Su Chen with a blushing face and agreed directly. She was angry at the arrogance of this bastard.

Shang Xiuxun was currently dealing with the war horses at Pegasus Ranch. Even if she gave Shang Xiuxun an hour, she would be afraid There was no time, but this bastard actually said he would be here in a quarter of an hour. This made Li Xiuning glare at this bastard and decided to bet with him.

Su Chen laughed when he saw Li Xiuning agreed.

Although Su Chen didn't know that Shang Xiuxun and Shang Xiufang would It won't arrive in a quarter of an hour, but even if Shang Xiuxun and Shang Xiufang don't come, the worst they can do is protect Li Xiuning.

If Shang Xiuxun and Shang Xiufang, who have been observing here just now, arrive in a quarter of an hour, then we will see from now on Will Li Xiuning fulfill the bet?

After all, there are many women who have deceived him, especially Zhao Ji, the mother of King Qin Yingzheng. Su Chen still feels a little distressed when he thinks of the three million gold. At this time,

Shang Xiuxun is indeed She no longer wanted to host the war horse trade. When she saw more and more beauties around Su Chen, she felt more and more unhappy. Why did that bastard who took advantage of her provoke women so much?

And why did the beauties here have to go to that shameless man ? Disciple?

Shang Xiuxun saw that Su Chen and Li Xiuning were still chattering, and she couldn't help but said to Shang Zhen next to her,"Uncle Shang Zhen, you will handle the remaining war horse transactions, and I will take a rest.""

"Owner, how is this possible? I can't do this on behalf of the owner."

Shang Zhen looked at Shang Xiuxun in surprise. This is a major event at Pegasus Ranch. How could the owner be absent? This is a transaction worth tens of millions of dollars. Shang Zhen couldn't understand why Shang Xiuxun, the owner of the ranch, was so important. Why was she absent?

Shang Xiuxun also knew that it was a major event at Pegasus Ranch, but Shang Xiuxun couldn't control it. Her own happiness in the future was the key. Although she had not decided to marry that bastard, except for that bastard, I'm afraid She also looked down on other people. Besides, her innocence had been ruined by that bastard, and she had no shame in marrying anyone else.

Shang Xiuxun exhaled heavily and said resolutely, "Huh, Uncle Shang Zhen, now Just listen to me. Anyway, the approximate price has been agreed upon. Li Clan's war horse price will be increased by 20%, and you can take care of the rest."

"this? Alas, it's the owner." Shang Zhen looked at Shang Xiuxun and had no choice. He could only obey Shang Xiuxun's order.

Shang Zhen also saw that Shang Xiuxun was a little absent-minded now. He looked at Shang Xiuxun with concern and began to talk to those forces. Negotiations began.

When Su Chen saw Shang Xiuxun and Shang Zhen changing places, he smiled and said to Li Xiuning, "Concubine Li Liu, it seems you are going to lose."

Chapter 363

Li Xiuning glanced at the bastard Su Chen and ignored him. She was also very worried that Shang Xiuxun would really come over. Li Xiuning stared at Shang Xiuxun who was talking to Shang Xiufang, and she was also very panicked.

Su Chen looked at the nervous Li Xiuning and smiled, picked up the tea on the table and started drinking it. Now he also wanted to see if Shang Xiuxun would come over, and whether the woman whose dress he had torn to pieces would come over this time. Will you seek revenge on him?

Shang Xiufang was a little surprised when she heard Shang Xiuxun's words. She didn't expect that Shang Xiuxun would go to Wu Xiangjun regardless of the matter of Pegasus Ranch. Now it was a major transaction in Pegasus Ranch. Shang Xiuxun was being manipulated by Wu Xiangjun. Is that bastard out of his mind?

Shang Xiufang pulled Shang Xiuxun, who wanted to leave now, and asked hurriedly, "Xiuxun, do you really want to go to that bastard?"

Shang Xiuxun looked at Su Chen angrily and said to Shang Xiufang, "Well, I've decided, this bastard is too good at flirting with women. I have to watch this bastard from now on, otherwise this bastard will find many women in the future."

"Forehead! Xiuxun, you are thinking too much. You have nothing to do with that bastard. Besides, although that bastard Wu Xiangjun has provoked a lot of women, he only has a few wives. This is ten times more than those who move. Nobles with several wives, concubines or even dozens of wives and concubines are much better."

Shang Xiufang felt a little ashamed after hearing Shang Xiuxun's words.

Shang Xiufang also understood now that Shang Xiuxun has now regarded that bastard Wu Xiangjun as her future husband. This time Shang Xiuxun must have seen those women After they all went to Wu Xiangjun's place, she was a little worried about what that bastard Wu Xiangjun would do to those women again.

Shang Xiuxun looked at Shang Xiufang and asked in a low voice,

"Xiufang, will you go with me?"

"I'm not going, I don't want to see that bastard." Shang Xiufang remembers what happened yesterday when that bastard forced her to hug her. She feels blushing just thinking about it now.

"Okay, I'll go there first"

"Well."

Shang Xiuxun waved to Shang Xiufang and walked towards Su Chen. She didn't care what other people thought of her now. Anyway, she would go to Luoyang with this bastard in the future, and the news would definitely spread by then.

At this time, Kou Zhong, who had been paying attention to Li Xiuning, suddenly discovered that Shang Xiuxun, the owner of Pegasus Ranch, had also gone to Wu Xiangjun's place. He hurriedly pulled Xu Ziling and said,

"Holy shit, Master Ling, look, your future wife Shang Xiuxun has also gone to Wu Xiangjun's place."

Xu Ziling turned around and found that Shang Xiuxun had really gone to Wu Xiangjun's place. This made Xu Ziling's expression change a little. Although Xu Ziling and Shang Xiuxun were not related now, Shang Xiuxun's father wanted to Xun was betrothed to him.

Xu Ziling also had a crush on this beautiful and talented man. The heroic Shang Xiuxun had a good impression, but he still couldn't forget his master's concubine Xuan, and now Shang Xiuxun also went to Wu Xiangjun's place, which also made Xu Ziling a little unhappy.

When Kou Zhong saw that Xu Ziling was gone and looked like he didn't care about anything, he was a little ready to say,

"Master Ling, should we go over and make it clear to Shang Xiuxun? She is your future wife after all?"

Xu Ziling looked at Su Chen and felt helpless. They couldn't afford to offend Mr. Wu Xiang, and their adoptive father couldn't afford to offend them either. If they dare to offend Mr. Wu Xiang now, I'm afraid that Mr. Wu Xiang's Xiaoguo Army in Yangzhou City He would dispatch the Jianghuai Army to destroy them.

Xu Ziling patted Kou Zhong on the shoulder, shook his head and said,

"If you want to die, go ahead."

Kou Zhong's face turned dark after hearing Xu Ziling's words. Of course he knew that Lord Wu Xiang should not be provoked. Here, any beauty of Lord Wu Xiang could destroy them all. But Kou Zhong looked at Lord Wu Xiang and Li Xiuning chattering. The conversation was very unpleasant, and Kou Zhong still said unwillingly, "But if we don't go, Li Xiuning and Shang Xiuxun will definitely be occupied by that lecherous evil spirit Wu Xiangjun."

"Kou Zhong, we are weak now. Even if Lord Wu Xiang occupies Li Xiuning and Shang Xiuxun, what can you do? What can I do?"

"I....."

"You can't do anything. As long as you are slightly hostile to Wu Xiangjun, do you believe that Wu Xiangjun will not take action at all, and you will be killed by his men?"

"I know, Master Ling, you have changed a lot now."

"Um! I now understand that without strength, nothing can be achieved. If I were a master of the Grand Master now, I believe that even Cihang Jingzhai would not object to my pursuit of Shi Feixuan. If we are stronger than Wu Xiangjun now, I believe It is impossible for Shang Xiuxun to go to Wu Xiangjun"

"Yes, as long as our power and strength are strong, we don't have to care about anything anymore. If I want to pursue Li Xiuning, I'm afraid Li Clan will agree."

At this moment, Kou Zhong and Xu Ziling have also undergone some changes. They are no longer hanging around like before. From now on, they will not only strengthen their martial arts, but also develop the Jianghuai Army. Only in this way can they get everything they want. Su

Chen looked at Shang Xiuxun who was about to arrive and said with a smile, "Tsk tsk, Li Liu's concubine, what do you say now?"

Li Xiuning saw this bastard calling her Li Liu's concubine again. This made Li Xiuning want to strangle this bastard in shame and anger. "Bastard, can you stop calling me like that? I haven't lost yet. Wu Xiangjun and Shang Xiufang didn't come."

"Haha, once one comes, can the remaining one be far behind?"

"That's why he hasn't come yet"

"Just be tough and wait until Shang Xiufang comes over. What else will you say?"

Li Xiuning clenched her fists and looked at Shang Xiufang. Now Shang Xiuxun has arrived. Li Xiuning has put all her hopes on Shang Xiufang.

She now hopes that Shang Xiufang will never come. If she wants to come, I have to wait a while before coming back, as long as I pass. In a quarter of an hour, Shang Xiufang can come over anytime and anywhere.

Su Chen was a little worried when he saw Shang Xiuxun coming in a fierce manner. This Shang Xiuxun wouldn't come to him for revenge now. There were many people here now, so Shang Xiuxun wasn't afraid that her clothes would be exposed. Has the matter come to light?

At this time, Shang Xiuxun came to Su Chen aggressively and glared at Su Chen and said,

"Su Chen, you bastard, will you die if you don't find a woman?"

Damn it, what does this Shang Xiuxun mean?

Is Shang Xiuxun his wife?

Or is Shang Xiuxun his family member?

He has been sitting here without moving. Song Yuhua and the others came here on their own, what about themselves? Will you die if you don't find a woman?

Su Chen looked at Shang Xiuxun, whose face was slightly red, speechlessly. He couldn't figure out what was wrong with this girl. Did the war horse just sell for a cheap price?

Is Shang Xiuxun here to take it out on him?

"Shang Xiuxun, why are you so crazy? Did you see me looking for a woman? I'm sitting here without moving, so don't talk nonsense."

Chapter 364

Shang Xiuxun saw that this bastard was still quibbling at this time. If this bastard Su Chen hadn't been here, would Song Yuhua and the others have come here? Damn it, how could I meet such a jerk.

Shang Xiuxun glared at Su Chen and then turned to look at Li Xiuning. Last time, this Li Xiuning teamed up with the four major bandits to attack her Pegasus Ranch. If Su Yan hadn't happened to be here at that time, her Pegasus Ranch would have been destroyed by this My former friend was robbed.

Shang Xiuxun looked at Li Xiuning with some unkindness and said, "Li Xiuning, you can go back to your Li family."

Li Xiuning felt a little embarrassed when she heard Shang Xiuxun's words. She knew that Shang Xiuxun was still blaming her last time with the four. The big bandits attacked her Pegasus Ranch.

Li Xiuning looked at Shang Xiuxun and said with a smile, "Haha, Xiuxun, I shouldn't be under your control at Wu Xiangjun's place, right?"

Shang Xiuxun glared at Li Xiuning, his former friend, and said angrily, "The whole Pegasus The ranch belongs to me. It's a good thing that I didn't drive you away at the beginning."

Li Xiuning didn't care about Shang Xiuxun's attitude. She leaned next to Su Chen and said with a smile, "Why should I leave? I am Wu Xiang now. Jun's [concubine], do you think she is Wu, Xiang, or Jun?"

Li Xiuning has nothing to do with Shang Xiuxun now. If she didn't attack Pegasus Ranch last time, I'm afraid that after taking Pegasus Ranch, Shang Xiu Xun will also live a life worse than death.

It was in order to protect Shang Xiuxun that Li Xiuning got the mission to attack Pegasus Ranch from Li Clan, and now it was right for Shang Xiuxun to be cruel to her.

Li Xiuning could only helplessly say that she was the concubine of this bastard Su Chen. Only in this way could Shang Xiuxun not target her.

"What? Concubine? Did you become this bastard's concubine? When did this happen? I do not know how?" Shang Xiuxun looked at Li Xiuning in surprise.

Li Xiuning is the eldest lady of the Li family. How could she be the concubine of a bastard like Su Chen?

Shang Xiuxun looked at Li Xiuning and suspected that she had deceived him, but Why did Li Xiuning want to ruin her reputation by saying this?

Now Li Xiuning is also breaking the jar, "Why do you want you to know that I am Wu Xiangjun's concubine? Shang Xiuxun, are you taking too much care? Shang

Xiuxun glared at Su Chen who was watching the excitement and shouted to Li Xiuning, "Shut up, Li Xiuning, I am the wife of this bastard, why don't you think I can know?"

Damn it, why am I being frightened one after another today?

When did Shang Xiuxun become his wife?

Did this little girl take the wrong medicine today?

Su Chen originally listened to Shang Xiuxun and Li Xiuning's explosive confrontation, but now what? The fire burned his body.

Su Chen looked at Li Xiuning and Shang Xiuxun. One said he was his concubine and the other said he was his wife. Su Chen looked at the suddenly extra concubine. The lady was a little speechless.

Li Xiuning, this little girl, refused to let herself call her concubine just now. Now, she directly told Shang Xiuxun that she was her concubine. What did this little girl want to do?

And Shang Xiuxun even said that she was his wife.

Let me guess, does he not know whether Shang Xiuxun is his wife?

This girl whose dress was torn by herself doesn't plan to fall in love with him, does she?

But it feels good to be fucked by both a stunning beauty and a super rich woman.

At this time, Song Yuhua, Shen Luoyan and others returned to Su Chen with Su Yan. They were also attracted by the quarrel here.

Xiaomeng and Xuenu were watching behind Su Chen with great interest. They didn't expect that this bastard Su Chen would do such a thing in just such a short time. Although these were not caused by Su Chen, this bastard Su Chen couldn't escape either. Open a relationship.

Su Yan saw Li Xiuning and Shang Xiuxun hostile to each other and said to Su Chen speechlessly, "Dad, how come you found two more aunts for me in just a short while? Are you going too fast?" Su

Chen Chen touched Su Yan's head and hurriedly explained, "Girl, what are you talking about? I have nothing to do with these two women."

"Su Chen, we have nothing to do with each other. Didn't you tear my dress? Haven't you seen me out of my sight?"

When Shang Xiuxun heard Su Chen's words, she immediately shook out what Su Chen had done to her. She didn't care that there were other people here. Anyway, they were all women here, and Shang Xiuxun had nothing to be ashamed of. Right.

As Shang Xiuxun said these words, the women around Su Chen all looked at Su Chen with disdain. They didn't expect that this bastard Su Chen actually tore Shang Xiuxun's dress and looked at it. To expose her was simply what an animal would do.

Su Yan also looked like he had seen a ghost. She did not expect that her father would tear Shang Xiuxun's dress and even see Shang Xiuxun naked. Su Yan Thinking of how Shang Xiuxun aggressively sought revenge on her father yesterday, it turned out to be because of this incident.

"Dad, did you really tear Sister Shang's dress and see all of her?"

Shang Xiuxun was blushing when these women looked at her and lowered her head. She regretted saying those words just now. Now she was embarrassed.

Su Chen was a little surprised when he looked at Shang Xiuxun. He didn't expect that Shang Xiuxun would reveal this incident. This girl seemed to be too lazy to fall in love with him.

Su Chen was speechless when he saw Shang Xiuxun who was now shy.

"Ahem, that was an accident. Really, that woman Shang Xiufang was there at that time. If you don't believe it, you can ask Shang Xiufang."

"Don't ask me, I don't know why Wu Xiangjun tore Shang Xiuxun's clothes at that time. Don't believe this bastard either." Shang Xiufang didn't know when it was coming. She hugged Shang Xiuxun and stared at Su Chen and said angrily.

Li Xiuning was stunned when she saw Shang Xiufang.

Has the quarter hour arrived now?

This girl Shang Xiufang is When did you come?

Li Xiuning is lying now.

Song Yuhua, Shen Luoyan and the other women looked at Su Chen again. They didn't know who to believe now. Su Chen and Shang Xiufang each said something now, but they broke up with Shang. The matter of Xiuxun's clothes and seeing Shang Xiuxun is true.

Now why did Su Chen tear Shang Xiuxun's clothes?

Did Su Chen want to do something to Shang Xiuxun at that time?

Su Chen saw Looking at this hateful star Shang Xiufang made her teeth itch. This star who had disliked her since the inn was still going against her. Su Chen felt that the last time she had been taught a lesson was a little too gentle.

Su Chen glared at Shang Xiu who was gloating about his misfortune. Fang threatened, "Shang Xiufang, it seems your butt no longer hurts."

Shang Xiufang dared to say those shameful words in front of everyone without Su Chen. This made Shang Xiufang look at the others, her face turned red, she pointed at Su Chen and cursed loudly,

"shameless"

"each other."

Chapter 365

Su Chen did not back down and angrily criticized Shang Xiufang, a female star. Who stipulated that only beautiful women could lie? Beautiful women were not popular around him, and what he just said was also true.

Song Yuhua looked at the embarrassed Shang Xiufang and asked hurriedly, "Shang Xiufang, were you spanked by this bastard?"

"I....."

Shang Xiufang is about to cry now. She never thought that Su Chen, a bastard, would talk about yesterday's incident in front of so many people. Now she looks at the girls and they all want to know if it is true. Shang Xiufang is anxious. I don't know what to say.

Su Chen saw that Shang Xiufang was still thinking about how to explain, and he said without mercy,

"Explanation is a cover-up, Shang Xiufang, you are a public figure. If you are exposed for lying, your admirer will be extremely disappointed."

"Shameless person, I will fight you."

Shang Xiufang shouted in shame and anger and rushed towards Su Chen. This bastard is so inhuman. She is a woman after all, but this bastard recognized her and knew how to bully her. This made Shang Xiufang no longer able to I couldn't help it anymore. When

Su Chen saw Shang Xiufang stretching out her long nails like a crazy woman and rushing toward her, Su Chen said in fear,

"Damn it, stop this crazy woman."

Li Xiuning and Shang Xiuxun didn't intercept them, and even Xiaomeng and Xuenu didn't intercept Shang Xiufang.

Su Yan looked at her small body and immediately hid aside. She didn't care about these messy things. Su Yan is completely speechless about her father now.

Her father only came to Pegasus Ranch for a day or two, but in just one or two days, he captured all the beautiful women in Pegasus Ranch.

Oh, there's more A Song Yuzhi, Su Yan now also admires her father's method of dealing with women.

When Su Chen was about to pounce on Shang Xiufang, he quickly grabbed Shang Xiufang's hands, but Shang Xiufang did not stop. Su Chen was surprised Next, Shang Xiufang hit Su Chen hard with her forehead.

Damn it. Su Chen covered his nose and squatted on the ground. This time he was punished by this fierce woman.

Shang Xiufang looked at Su Chen. The bastard squatted on the ground with his nose covered, and she hurriedly touched her forehead. Shang Xiufang and that bastard Su Chen were both injured this time, and she felt that her forehead was also very painful.

Li Xiuning and the other girls looked at Monk Su Chen Xiufang was a little speechless. They looked at one squatting on the ground and rubbing his forehead. It looked like a child playing.

"Dad, are you okay?" Su Yan came to Su Chen and pushed him worriedly and asked,

"Do you think your father is okay?"

Su Chen raised his head and looked at Su Yan with blood coming from his nose and asked,

"Yeah, it's bleeding. Dad, cover it with your hands."

Su Yan didn't think about it. Shang Xiufang actually bumped her father's nose and it bled. She quickly took out her handkerchief and handed it to Su Chen and said,

"bleeding? Su Chen, let me stop your bleeding."

Xiaomeng heard that Su Chen's nose was bleeding. She hurriedly came over and tapped Su Chen's body a few times. Xiaomeng did not expect that Su Chen, who was at the peak of his innate nature, would have his nose broken by a woman. Xiaomeng looked at it. Su Chen was speechless. Xiaomeng even suspected that Su Chen's innate peak cultivation level was fake.

Shang Xiuxun looked at Su Chen who had a nosebleed. She couldn't squeeze in to see this bastard now, so Shang Xiuxun hurriedly came. Shang Xiufang asked beside him,

"Xiufang, are you okay?"

Shang Xiufang said to Shang Xiuxun with tears in her eyes, "Xiuxun, my forehead hurts, is it the stone in that bastard's nose? I suspect my forehead is going to be disfigured."

Shang Xiuxun looked at Shang Xiufang's forehead and smiled and said,

"It's okay, it's just a little red. You're so awesome. Look, you hit that bastard Su Chen's nose and made him bleed."

"That bastard deserved it."

Shang Xiufang is also a little embarrassed now. She didn't expect to break Wu Xiangjun's nose, and the other women here don't know if they will suspect that she is a shrew.

Li Xiuning, Shen Luoyan, and Xue Nu looked at all this with great excitement. They were helpless. They couldn't help now, and they didn't want to help. None of this had anything to do with them. It was just that the movement here had attracted the attention of those forces.

Li Shimin looked at Su Chen and wanted to leave. He also has to rush back as soon as possible to repair the relationship with Chai Shao. He is not interested in other things here at all now. This time he spent an extra 20% of his money to buy 50,000 war horses. Li Shimin doesn't know if his father will do it after he returns. He would scold him.

Li Shimin hurriedly asked Shang Zhen, "Deacon Shang Zhen, we have already paid 50,000 war horses. When can we take away the war horses?"

"Mr. Li can be taken away at any time"

"Okay, I'll arrange for someone to take away the horses right away. Deacon Shang Zhen, I'll take my leave first." When Li Shimin heard Shang Zhen's words, he hurriedly left with his men.

"Good journey."

Shang Zhen smiled when he saw that the enemy was gone. This time Pegasus Ranch was going to make a lot of money.

Later, Gao Zhong and Xu Ziling also bought 10,000 war horses and left. They looked at Su Chen here. The fight with Shang Xiuxun and Li Xiuning was so annoying that they might as well take the war horses back to the territory of the Jianghuai Army.

Song Yuzhi and Song Shidao of the Song clan also bought 50,000 war horses and left under the leadership of the old people of the Song family. , Song Yuhua and the others can no longer control it. With Wu Xiangjun here, they dare not provoke Wu Xiangjun.

Song Yuzhi looked at her sister Song Yuhua and sighed and left. She also knew that if her sister Song Yuhua left with them, she might be in trouble in the future. Their father would arrange a marriage with Duzunbao. It might be a good choice for her sister to stay. At least Song Yuhua's safety would not have to worry about her.

As each force left, the meeting hall became deserted. Just before Su When Chen Chen was covering his nose with a handkerchief to clean it, an old man with a somewhat shrunk breath came back with Xu Ziling and Kou Zhong. When

Su Chen looked at the old man, he felt that this old man was the one who had been secretly observing here before. , an old man who was a master master could come and go freely in Pegasus Ranch, which made Su Chen think that this old man should be Shang Xiuxun's father, Lu Miaozi. The black widow also walked in at this time, and she saw Su Chen's face The blood hurriedly came over and asked,

"Master, what's wrong with you?"

Su Chen was a little embarrassed. He couldn't tell the Black Widow that his nose was broken by a woman, right?

"I'm fine, I just got my nose broken by a wild cat"

"Shameless"

Shang Xiufang glared at Su Chen and cursed angrily when she heard the bastard Su Chen called her a wild cat.

When Shang Xiuxun saw Lu Miaozi appear, she trembled and shouted, "What are you doing here? You are not welcome at Pegasus Ranch. You'd better go back to your back mountain, otherwise don't blame me for asking someone to drive you back."

Chapter 366

In Sui Dynasty, on an official road leading to Pegasus Ranch, a luxurious carriage was driving slowly on the official road. A beautiful woman driving the carriage listened to the sounds inside the carriage from time to time.

At this time, a man's voice suddenly came from the carriage, "Black Widow, find a tea shop, let's take a rest later."

Inside this luxurious carriage were Su Chen, Xiaomeng and the others who came from the Eastern Continent. Man, Su Chen kept teasing Xiao Meng and Xue Nu along the way, and even the black widow driving the carriage was not spared.

Su Chen was even too bored. In ancient times, traveling was too slow.

"Yes, master."

Black Widow said to the carriage with some helplessness.

In the past few days, as long as she entered the carriage to rest, Black Widow was often teased by Su Chen. It was even common for her to be hugged by Su Chen. This made Black Widow I don't know how to face Su Chen, my new master.

"Xiaomeng, are you convinced now?" Su Chen looked at Xiaomeng, looking a bit arrogant.

Two days ago, Su Chen made a bet with Xiaomeng to learn to be with the light and the dust. Su Chen said that he could learn to be with the light and the dust in three days, but Xiaomeng didn't believe it. They also made a bet.

If Su Chen lost, he would give Xiaomeng an innate red fruit. If Xiaomeng lost, he would kiss Su Chen. At that time, Xue Nu actually wanted to participate in the bet, but Su Chen didn't. Without thinking too much, I asked Xue Nu to join the bet, and Xue Nu's bet was to dance for Su Chen.

Su Chen was sure to win this time, and he had already mastered Heguang Tongchen. This time Xiaomeng He Xue Nu came to his door to bully him.

In less than three days, Su Chen showed what he had learned about He Guang Tong Chen. This time Xiao Meng and Xue Nu had to fulfill their bet.

Xiao Meng was blushing now and wanted to refuse the debt. ,

Xiao Meng did not expect that this bastard Su Chen could practice He Guang Tong Chen so quickly. It took her almost half a month to practice the He Guang Tong Chen mental method. Could it be that this bastard's talent was even stronger than her own? Really?

Seeing Su Chen's arrogance, Xiao Meng pushed this bastard away.

"Go away, I don't want to talk to you now, you bastard is a shameless person. Su

Chen looked at Xiaomeng's blushing face and laughed and said, "Haha, this is because I am very talented. If I want to learn your Tianzong's techniques, I can learn them in two or three days.""

Xiao Meng turned her head and ignored this bastard. Now she has to think of a way to avoid fulfilling the bet. This shameless man will definitely let her kiss him, but how can this be done?

Xiao Meng is devoted to the truth, she is You can't do these things that ordinary people do.

Su Chen ignored Xiaomeng. He knew that Xiaomeng would definitely not fulfill the bet, but he would not let Xiaomeng go. When no one was around, Su Chen would definitely let Xiaomeng go. Meng fulfilled the bet, and

Su Chen looked at Xue Nu who was also participating in the bet. Although Su Chen didn't know why Xue Nu wanted to participate in this bet, Xue Nu also lost after all.

Su Chen looked at Xue Nu's perfect figure and smiled. said,

"Snow Girl, you also lost. You promised to dance for me, but you can't keep your word."

Xue Nu is also very confused now. The reason why she participated in this bet is because she doesn't believe that Su Chen can learn a top martial arts technique in three days.

Xue Nu is also very interested in Su Chen's Zhu Guo, but Xue Nu is After listening to Xiao Meng's talk about the efficacy of the innate red fruit, if she gets the red fruit, maybe she can advance to the realm of master cultivation, but now she has lost the bet, and

Xue Nu doesn't want to dance for this shameless bastard, she Now I want to know if Xiaomeng will fulfill the bet.

When Su Chen saw Xiaomeng turned away from him and Xue Nu lowered her head and ignored him, Su Chen threatened Xiao Meng and Xue Nu and said,

"Hey, don't pretend to be dead one by one to fool us. When you get to my territory, you must fulfill your bet for me."

""Shameless"

, Xiaomeng, a tsundere girl, is still so arrogant after losing a bet. This is because she doesn't take herself seriously.

Su Chen pulled Xiaomeng over and kissed her directly. He didn't care about Xue Nu. Whether she's here or not, Su Chen can't wait until there's no one around before asking Xiaomeng to fulfill her bet. If this arrogant girl doesn't give her some clues, she still doesn't know who's in charge here now.

Xue Nu saw Su Chen's kiss Xiaomeng was confused, and she looked at Su Chen and Xiaomeng with her mouth open in surprise. Xuenu did not expect that this bastard would do such a thing in the carriage in broad daylight, which made Xuenu turn around with a red face. Head.

Xiaomeng was very confused now. She looked at Su Chen who was approaching, and saw that this bastard dared to treat her like this. When Xiaomeng reacted, she wanted to stab this shameless bastard to death with her Qiuli Sword.

Where is the sword? Where is my Qiuli sword?

Xiaomeng was about to take her sword when Su Chen hugged her and kissed her, but she touched the side and did not touch her Qiuli sword. This made Xiaomeng guess her The sword was also taken away by this bastard.

Su Chen kissed Xiao Meng for a while and then let her go. This Xiao Meng was indeed a genius girl, but her mouth was a little sweet.

Su Chen looked at Xiao Meng looking for her sword. Xiaomeng smiled, but Xiaomeng's Qiuli Sword was taken into the system space by her. It would be strange for Xiaomeng to find her Qiuli Sword in the carriage. Xiaomeng's face was red, she grabbed Su Chen and asked angrily road,

"Bastard, where is my Qiuli sword?"

"I hid"

"give me back"

"Xiaomeng, do you think it's possible? I want you to kill me"

"Shameless, can't I kill you without a sword?"

Su Chen saw Xiaomeng's palms glowing and hurriedly grabbed her and said,

"Let me join in. Xiaomeng, please calm down. I just want my bet back and admit defeat. You have to understand this."

"Go to hell."

Boom, my God, this arrogant girl Xiaomeng really went crazy this time.

Su Chen was frightened when he saw the carriage that had a big hole made by Xiaomeng's palm. If she hadn't reacted quickly, I'm afraid he would have been beaten by Xiaomeng. Hit the injured directly

"Master, what's wrong?"

Black Widow looked helpless at the broken carriage. Her master must have angered Xiao Meng and Xue Nu this time, otherwise it would be impossible to break the carriage this time.

Su Chen hugged Black Widow when he appeared next to her. She said hurriedly, "Xiaomeng is crazy, let's leave quickly"

"Walk? You bastard can't leave today."

Xiao Meng looked at Su Chen angrily, who had now fled to the Black Widow. She would never let this shameless person go this time.

Boom. When Su Chen saw Xiao Meng attacking, she hugged the Black Widow and disappeared instantly. Chen didn't dare to be careless this time. Now was the time when Xiaomeng was angry. Who knew if Xiaomeng would show off when attacking him.

Boom! Boom! Boom!

"Suchen, you shameless bastard, come out here."

When Xiao Meng saw Su Chen disappearing with the Black Widow, she angrily attacked the surroundings a few times and cursed loudly.

Xue Nu looked helpless at the disfigured carriage. This time Xiao Meng destroyed the carriage, and Su That bastard Chen ran away with Black Widow without caring about her. This made Xue Nu not know what to do now. Xue Nu looked at Xiao Meng who was still angry and asked, "Xiao Meng, that shameless person has already run away. what should we do?"

"That bastard can't run away. His daughter is still in that Pegasus Ranch. Let's go to Pegasus Ranch to catch that shameless bastard."

Chapter 367

Kou Zhong knew something was wrong when he saw Wu Xiangjun's men in black appear. When he heard Shang Xiuxun ordering the men in black, Kou Zhong was so frightened that he immediately retreated to Xu Ziling and Lu Miaozi. Kou Zhong knew With the power of the Qi-Breaking Crossbow, if he didn't retreat, he might be shot into a hornet's nest in a short while.

Lu Miaozi looked at the little girl next to Shang Xiuxun and frowned. This little girl came during the last Pegasus Ranch crisis. It was this little girl who saved the last Pegasus Ranch crisis.

Moreover, the 10,000 heavily armored black cavalry in Pegasus Ranch are also this little girl's army. Lu Miaozi didn't know who this little girl was at the time, but now it seems that the relationship between this little girl and Shang Xiuxun is very good.

Lu Miaozi looked at Su Yan and said directly,

"Little girl, who are you? This is our family matter, you'd better not let your guards get involved."

Su Yan didn't expect that this old guy would talk to her. This made Su Yan look around and was speechless. She was a child, why were people here looking for her?

Su Yan looked at her father lying leisurely. The black widow waited on the chair and shook her head. Her father would definitely not take action easily this time, and she could only help Shang Xiuxun this time.

Su Yan smiled at the old man Lu Miaozi and asked, "Housework? Haha, is Kou Zhong your family member? Is Xu Ziling a member of your family?"

"Xu Ziling is my future son-in-law, and Kou Zhong is Xu Ziling's brother. Aren't we family members?"

"What's your surname?"

"My surname is Lu"

"Hey, you also know that your surname is Lu. You don't know the surname of the owner of Pegasus Ranch, right? You'd better not embarrass yourself here by relying on your old skills."

Lu Miaozi was touched by what Su Yan said. When he left Shang Xiuxun's mother, Shang Qingya, he did not expect to return to Pegasus Ranch. When he returned from injury, Shang Qingya had already passed away.

And Shang Xiuxun was already a sensible child, and Shang Xiuxun was named after her mother. This made Lu Miaozi unable to change it after she found out.

Lu Miaozi stared at Su Yan and shouted loudly, "You are so impudent, little girl. If you dare to talk nonsense, I will teach you a lesson on behalf of your family."

Su Chen's eyes flashed coldly when he heard Lu Miaozi's words. This Lu Miaozi is really looking for death. If Lu Miaozi dares to do anything to his daughter this time, Su Chen will not care what Shang Xiuxun thinks. He will definitely kill this person. The old man was a scumbag, Lu Miaozi.

Shang Xiuxun stared at Lu Miaozi, who was trying to die, with no intention of stopping him. She knew that she had to explain the matter to Lu Miaozi today. She would not admit this disgusting old man that he was her father. , a woman who abandoned a woman who loved her for another woman, this Lu Miaozi is not worthy of being her father.

Su Yan looked at Lu Miaozi in surprise, is there something abnormal about this old man? He has dozens of secret guards here. , there are still 10,000 heavy armored cavalry in the Pegasus Ranch, and her father Su Chen is also here, not to mention her father's powerful women. This old man looks like he is the boss of heaven and his second child. Could it be that this old man is so reckless? Is Miaozi a haha?

Su Yan was also rude and threatened Lu Miaozi,"Haha? Are you going to teach me a lesson on behalf of my family? Let me tell you, old man, I have never been taught a lesson at home. If you want to die, I don't mind giving you a ride."

"Then you are a little girl who needs discipline. Today I will let you know to be more careful next time you speak."Lu Miaozi said and walked towards Su Yan. This time he must teach this lawless little girl a lesson, otherwise this little girl will continue to cause trouble.

Su Yan laughed when she saw that Lu Miaozi was about to attack her. Xiaoxiao shouted to Su Chen next to him,

"Dad, do you just want to see your precious daughter being taught a lesson by this old man?"

Su Chen looked at Su Yan and shook his head. This little girl had to ask him for something that she could solve on her own, but Lu Miaozi couldn't stand it.

In the TV series, this old guy had to ask him temporarily. Xu Ziling caught Zhu Yuyan in front of his grave, which showed that the old man had never forgotten Zhu Yuyan. Maybe Shang Xiuxun's mother was just an unintentional victim of his.

Su Chen stood up and walked to Su Yan and said to Lu Miaozi disdainfully,"Lu Miaozi, you are an old guy who wants to cause mischief before you die. Do you want me to ask Zhu Yuyan to give you a ride?"

Lu Miaozi was a little surprised when she looked at the young man who came over. Only people in the previous life knew about him and Zhu Yuyan, and only three or four people knew about it. So how did this young man know about him and Zhu Yuyan?

Lu Miaozi With a confused look on his face, he asked Su Chen,"Who are you? How do you know about Zhu Yuyan and me? Su

Chen looked at the surprised Lu Miaozi and said mockingly,"Hey, Zhu Yuyan is my wife. I don't know what you said you did?"

Su Chen also wants to be very angry with this old man. Zhu Yuyan will be his woman in the future. Su Chen doesn't want this old bastard to worry about Zhu Yuyan. After hearing what Su Chen said, Lu Miaozi said with anger,

"impossible? How could Zhu Yuyan find such a young man? And he's just a person with Xiantian realm cultivation. Su

Chen looked at the angry Lu Miaozi and continued to stimulate him, "Haha, Lu Miaozi, don't you believe it?" Then you can ask Xu Ziling and Kou Zhong around you. They should know about my relationship with Zhu Yuyan, the Yin Queen of the Yinkui Sect."

Lu Miaozi hurriedly turned around and looked at Xu Ziling and Kou Zhong. He now wanted to know whether what this bastard just said was true. Is Zhu Yuyan the wife of this bastard?

Kou Zhong and Xu Ziling are also very bitter now. Wu The story of Xiang Jun and the Yin Kui sect's Yin Queen Zhu Yuyan has basically spread in the martial arts world of the Great Sui Dynasty. Neither of them thought that the woman Lu Miaozi has been thinking about turned out to be the Yin Kui sect's Yin Queen Zhu Yuyan. Isn't Lu Miaozi doing this? Are you looking for death?

When Xu Ziling saw Lu Miaozi looking at him, he knew that it was impossible not to say anything now. Xu Ziling was a little embarrassed and said to Lu Miaozi,

"Senior Lu, what Wu Xiangjun said just now is true."

"real? Is this actually true? Haha, I have been waiting all my life and failed the woman who likes me, but in the end I didn't expect that it would all be in vain."

Lu Miaozi laughed madly.

Lu Miaozi looked at Su Chen angrily. How could this bastard get the beautiful Zhu Yuyan? At this time, Lu Miaozi also had murderous intention towards Su Chen. He wanted to kill her. After marrying Zhu Yuyan's husband, he wouldn't live long anyway. Lu Miaozi wanted to make Zhu Yuyan regret it before she died.

"You want to kill me?"

Su Chen also felt Lu Miaozi's murderous intention towards him. It's reasonable for an old man who was about to go crazy to take revenge on Zhu Yuyan. He wanted to kill himself, but this would probably disappoint the old bastard Lu Miaozi.

"You must die."

Chapter 368

Black Widow felt Lu Miaozi's murderous intention next to Su Chen, and she stood directly in front of Su Chen. This old man with a shrunken aura wanted to kill Su Chen, and she could kill him at any time.

Black Widow will not let this old man hurt Su Chen, not even a little bit. Just now, Su Chen's nose was injured. She blamed herself for not protecting him by her master's side. This time, she would rather get hurt by Su Chen's side. Su Chen will not be injured.

Xiao Meng and Xue Nu also appeared next to Su Chen. They would not just watch Su Chen get hurt. Just now, that bastard Su Chen brought it upon himself, but this time they clearly felt the intention to kill.

Shang Xiuxun also came to Su Chen, but there was no room for her beside Su Chen, a bastard. She could only stand next to Su Yan. Shang Xiuxun did not expect that Lu Miaozi had murderous intentions. This made her Look even uglier

"Protect the king and the princess."

Dozens of secret guards in the meeting hall also quickly formed a human wall in front of Su Chen. Each of them pointed at Lu Miaozi with a broken air crossbow. As long as Lu Miaozi dared to come forward again, the broken guards in the hands of the secret guards would The Qi Army Crossbow will directly start shooting him.

Li Xiuning, Song Yuhua, Shen Luoyan and others also came to Su Chen. When they saw Lu Miaozi showing murderous intent to kill Su Chen, they hurried over worriedly. Although their martial arts were not good, they They couldn't just watch Su Chen being assassinated by this powerful old man. After all, they would need that bastard Su Chen to protect them in the future. Shang Xiufang was speechless when she saw that she was left standing alone.

What on earth is this? What's the matter?

An old man wants to kill Su Chen, that bastard. Why are these women so anxious?

What's so good about that bastard?

Can all these proud women be nervous about that bastard?

Shang Xiufang looked around and walked over to her. She didn't want to do anything special. Even if she went there, she wouldn't save that bastard Su Chen. Besides, she was no match for that powerful old man.

Su Chen felt helpless when he saw all the women here coming to protect him. Just because a man was about to die. The old man Su Chen could kill him by himself, but Su Chen was still very happy. Su Chen felt that it would be better for him to be a pretty boy in the future. Anyway, his women were stronger than him, so even if something happened, it would not be his turn to take action.

Su Chen held Xiaomeng and Xuenu in one hand and said to Lu Miaozi with a smile, "Lu Miaozi, do you still want to kill me now? Can you kill me?"

Lu Miaozi stood not far away from Su Chen and looked at the women next to that bastard with an ugly face. He didn't expect that these women were related to this bastard.

Especially the first three women who arrived, he probably couldn't deal with any of them. If he hadn't been injured before, he might have been able to defeat one or two of them, but now he was probably no match for any of them. At this time

,

Kou Zhong was about to scold his mother. Is this old man crazy?

He actually revealed his murderous intention towards Lord Wu Xiang. Who is Lord Xiang?

Lord Wu Xiang can be a big devil. Just one of Lord Wu Xiang's wives can destroy them, let alone Lord Wu Xiang's confidante and army.

Kou Zhong feels that they are so He made a big mistake when he came back this time. He just hoped that Wu Xiangjun would not implicate their adoptive father Du Fuwei this time.

Kou Zhong hurriedly stepped forward and grabbed Lu Miaozi and said quickly, "Senior Lu Miaozi, you have to calm down, Wu Xiang You cannot provoke him. Mr. Wu Xiang and several of his wives are great masters. You must not provoke Mr. Wu Xiang."

"Senior Lu, please don't do anything, we can't afford to offend Mr. Wu Xiang."

Xu Ziling also reacted at this time. Just now, she had been thinking about why Lu Miaozi and Shang Xiuxun turned against each other, but he did not expect that Lu Miaozi wanted to kill Wu Xiangjun in just such a moment, which made Xu Ziling break into a cold sweat.

Lu Taeko was also frightened after hearing what Kou Zhong said.

What kind of Wu Xiangjun actually has the wife of a great master?

Or even several of them?

What happened to this world?

He has lived in seclusion here for more than ten years, and all the powerful women outside like him. Got a younger pretty face?

"Master, do you want to kill this old man?" Black Widow asked Su Chen when she saw that Lu Miaozi didn't come back.

"Shang Xiuxun, do you care if I kill Lu Miaozi?"

Su Chen looked at Shang Xiuxun behind him and asked, even if this Lu Miaozi doesn't die this time, Su Chen won't let him live for a long time. Anyone who has the intention to kill him will die. Su Chen doesn't care whether he is a good person or not. Bad guy.

Shang Xiuxun is also very conflicted now. Although she wants Lu Miaozi to die, when it comes to making a decision, Shang Xiuxun still can't bear it. After all, that bastard is her biological father.

Su Chen looked at Shang Xiu Xun was confused and knew that it was difficult for her to make this decision. Su Chen looked at Lu Miaozi and said that he would not live long. If his martial arts were disabled, it would depend on God's will whether Lu Miaozi could survive for five days.

"I understand, Black Widow, ruined Lu Miaozi's martial arts"

"Yes, master."

After the black widow heard Su Chen's order, her ruthless threads instantly appeared around Lu Miaozi. The network array of ruthless threads that gleamed with cold light made the surrounding temperature feel a little cold.

Lu Miaozi felt a little cold. Miaozi, Xu Ziling, and Kou Zhong felt the threat around them. Kou Zhong was about to take his Jing Zhongyue to be on guard, but as soon as he raised his hand, he found that his hand was scratched by something. Kou Zhong stopped in a hurry, otherwise His hand might be cut off by that thing.

Kou Zhong hurriedly said to Lu Miaozi and Xu Ziling, "Don't move. There are things around us. Look at my hand."

Lu Miaozi saw Kou Zhong's bleeding hand and said hurriedly, "Hiss!" This is colorless silk, don't touch it."

Black Widow looked at Lu Miaozi and the three of them standing there motionless and said mockingly,

"Even if you have some knowledge, so what if you know it? Do you dare to chop my ruthless hair with a knife? If the master hadn't asked me to only abolish your martial arts, you would have been killed by my ruthless network array just now so many times."

As Black Widow spoke, she shook her little hand, and a ruthless thread accurately penetrated Lu Miaozi's dantian. The ruthless thread directly shattered Lu Miaozi's dantian under the control of the black widow. From beginning to end, Lu Miaozi did not dare to resist. Lu Miaozi did not dare to resist. Taeko trembled all over as he watched the Black Widow cripple his martial arts. He knew that there would be no more Lu Miaozi in the world after this time. Lu Miaozi, who had been living quietly for so many years, never expected that his life would end like this.

Su Chen saw the Black Widow cripple his martial arts. After seeing Lu Miaozi, he said to Shang Xiuxun next to him, "Shang Xiuxun, Lu Miaozi can live for up to six or seven days. You can deal with him as you like."

"I understand, thank you. Shang

Xiuxun nodded to Su Chen and told Shang Zhen, "Shang Zhen, take him back to the back mountain and let him end his life there."

"Yes, the owner."

Shang Xiuxun watched the guards of Pegasus Ranch carry Lu Miaozi away without any thought of acknowledging him. This man who failed his mother will repent next to her mother's grave in the future. After Lu Miaozi's death, he can only be buried in the back mountain. , he does not deserve to be buried with his mother

"Kou Zhong, Xu Ziling, it's time to talk about your affairs. You are so brave, you dare to join forces with that Lu Miaozi to attack me."

Chapter 369

Su Chen looked at Kou Zhong and Xu Ziling and wanted to blackmail Du Fuwei again. Anyway, Kou Zhong and Xu Ziling also hit his gun this time. He would be sorry if he didn't blackmail them.

Kou Zhong and Xu Ziling were shocked when they heard Su Chen's words. If Lord Wu Xiang was angry with them because of Lu Miaozi's incident, then Kou Zhong and Xu Ziling would be unjustly accused.

Kou Zhong looked at Wu Xiang who was about to get angry. Jun said hurriedly, "Wu Xiangjun, we didn't take action against you, how could we take action against you?"

Su Chen let go of Xiao Meng and Xue Nu and came to the side of Gao Zhong and Xu Ziling. After Yangzhou City was taken away by him, he didn't expect that he would encounter other opportunities. He was indeed a natural protagonist.

Su Chen also wanted to kill these two gangsters at first, but Kou Zhong and Xu Ziling were not the protagonists he hated, and these two people were not bad in nature, and they were not the kind of unscrupulous protagonists, so

Su Chen did not kill them immediately. Kou Zhong and Xu Ziling, as long as they don't provoke him in the future, Su Chen will not take action against them.

Su Chen smiled and said to the somewhat nervous Kou Zhong

"Didn't you take action against me? Didn't you have a great time playing just now? Pegasus Ranch is mine from now on. Shang Xiuxun is my future wife. Do you think you offended me just now?"

Kou Zhong looked at Wu Xiangjun speechlessly. This bastard doesn't even blink when he lies now. When did Shang Xiuxun become Wu Xiangjun's wife? Wu Xiangjun should have only known Shang Xiuxun for two days. Does this devil really want to take Shang Xiuxun as his concubine?

"Forehead! I don't know. I just taught the Pegasus Ranch guards a lesson. I didn't kill anyone either."

"Gao Zhong, you and Xu Ziling go back and tell Du Fuwei that I will see half a million silver delivered to Yangzhou City within a month, otherwise the Xiaoguo Army from Yangzhou City will be dispatched to destroy the Jianghuai Army."

Xu Ziling looked at the blushing Shang Xiuxun behind him and knew that what Wu Xiangjun said was definitely not true. If Shang Xiuxun was Wu Xiangjun's wife, Shang Xiuxun would have announced it long ago. After all, Pegasus Ranch relies on After joining Mr. Wu Xiang, I am afraid that no force would dare to take the idea of Pegasus Ranch.

Now Xu Ziling can only hope that Mr. Wu Xiang can put the matter to rest, "Jun Wu Xiang, can't we just let it go this time? Su

Chen looked at Xu Ziling and said angrily, "Xu Ziling, don't bargain with me, otherwise five hundred thousand taels of silver will turn into one million taels of silver."

Su Chen disliked Xu Ziling very much. Su Chen didn't like Xu Ziling who always pretended to be serious. Compared with Kou Zhong's frankness, Su Chen still felt that Kou Zhong suited him. Kou

Zhong directly pulled Xu Ziling who was still saying something and said He said hurriedly,"We know that five hundred thousand silver will be sent to Yangzhou City within a month."

"You can leave now"

"Farewell."

Su Chen saw that Kou Zhong and Xu Ziling had left. This time, things in Pegasus Ranch were over. Su Yan, the girl, should leave with him now.

Su Chen was going to take out Mr. Yang's treasure house in Luoyang and return to his aunt. Su City, he still has many things to deal with there, and it's time for the Song Dynasty to be destroyed.

"Su Yan, order your secret guards and troops to prepare. We will leave Pegasus Ranch tomorrow to hunt for treasure in Luoyang."

"Okay, dad."

When Su Yan heard that he was going to Luoyang to hunt for treasures, his eyes gleamed and he nodded hurriedly.

Su Chen looked at the girls and then went back to the room. There were too many women here. He didn't want to attract firepower here and wait for them. After they were separated, Su Chen could take care of these women one by one. Fan Qinghui and Shi Feixuan were fleeing quickly towards Luoyang in the suburbs of Chang'an. Moreover, Fan Qinghui was already deeply injured at this time. Shi Feixuan was supporting Fan Qinghui. Use Qinggong to take Fan Qinghui to escape.

Under a big tree, Shi Feixuan let Fan Qinghui rest against the tree. She found some water and fed Fan Qinghui and asked,

"Master, your injury is not serious, right?"

Fan Qinghui drank some water and asked hurriedly,"I'm fine. I just have an internal injury and need to rest for a few days. Fei Xuan, has the news been sent out??"

"Don't worry, master, I have already sent a message to Murong Qiudi, but all my secret guards are dead this time."

Shi Feixuan felt a little sad when she thought about the secret guards who protected her and her master from escaping this time. Those dozens of secret guards had been following her for a long time. She didn't expect that they would be killed by Cihang Jingzhai's people this time.

Fan Qinghui is still a little scared when she thinks about it now. She was only injured by Di Ni. If Di Ni tried to kill her, I am afraid that Fan Qinghui would be killed on the spot even if he had ten lives.

Fan Qinghui also did not expect that Di Ni would be indiscriminate. He ordered her to support Li Clan. She just said a few good words for that bastard Su Chen, but Di Ni actually deprived her of her identity as the nunnery master. They even sent people from Cihang Jingzhai to surround and kill her and Shi Fei Xuan, if not for With the presence of Shi Feixuan's secret guards, I am afraid that both their master and apprentice would have died in Chang'an City long ago.

Fan Qinghui endured the pain and coughed a few times before saying,

"Ahem, Concubine, don't be sad. Those secret guards were originally meant to protect you. I didn't expect this incident in Cihang Jingzhai. My master Dini actually faked his death and is now in contact with the Li clan. On"

"Let that bastard Su Chen know about this matter as soon as possible. My master Dini is a land god in the realm of heaven and man. If that bastard is caught by my master Dini, he will be in trouble."

"Well, let's go, master, it's not safe here after all."

""Okay"

Luoyang, Dugu Mansion

Murong Qiudi has also received the flying pigeon letter from Shi Feixuan. She did not expect that such a change would happen to Cihang Jingzhai. Now Fan Qinghui is seriously injured, although Shi Feixuan is not injured. Fan Qinghui is seriously injured. The situation of Qinghui and the others seemed to be very critical. After all, Chang'an was their base camp of Cihang Jingzhai, and Di Ni was still a land god in the heaven-human realm.

After Murong Qiudi gave the secret letter to Zhu Yuyan, she asked anxiously,

"Sect Master Zhu, what do you think of this matter?"

Zhu Yuyan also has a serious face now. The change in Cihang Jingzhai is indeed the unexpected reappearance of the Di Ni in the heaven and human realm. What is the Di Ni going to do? Where is the monk that day when the Di Ni appears?

The heavenly monk in Jing Nian Temple must also be there. He will not die. Zhu Yuyan is now a little worried about that bastard Su Chen. They are two land gods in the human realm. Zhu Yuyan's scalp feels numb just thinking about it.

Zhu Yuyan calmly thought about it and said to Murong Qiudi,

"What happened to Cihang Jingzhai was indeed unexpected. Now we not only have to be prepared for Dini's sudden attack, but we also need to be prepared for Jing Nian Monastery. Dini is not dead, and the monk is definitely not dead that day. I'm afraid we will have to face the two of them in the future. A terrestrial god in the heaven-human realm"

"We need to inform Su Chen as soon as possible about the situation of Fan Qinghui and Shi Feixuan. He is now at Pegasus Ranch. If Su Chen can hurry up to rescue Fan Qinghui and Shi Feixuan, he should be able to catch up. After all, we are a bit far away from here. Time I'm afraid I won't be able to catch up"

"I understand that I will let the secret guard inform that bastard."

Chapter 370

At Pegasus Ranch, Su Chen returned to the room and was thinking about returning to Luoyang tomorrow. Luoyang is now considered his own territory. The Dugu Clan has surrendered to him. Although Wang Shichong, the atom of the Ming Dynasty Zunjiao, did not cause trouble for him, Wang Shichong We must also eliminate any hidden dangers that Luoyang cannot leave behind.

"Youruo"

"Master," a dark figure appeared silently next to Su Chen and saluted him.

Su Chen looked at his shadow assassin leader and ordered, "Send some shadow assassins to assassinate Wang Shichong in Luoyang, and some of Wang Shichong's accomplices as well. All dealt with"

"Yes, master."

Su Chen kept banging on the table when he saw Youruo disappearing. He wanted to think about whether to start a war in the Sui Dynasty. Su Chen now has no shortage of troops and supplies. He even has two territories, and he still has five Ten thousand troops have not been deployed in the system space

"Someone coming"

"Your Majesty"

"Call Shen Luoyan over"

"Yes, Your Majesty."

In the meeting hall, since Su Chen left, none of the women here have left. They also didn't expect that bastard Su Chen to run away without saying a word. They women still have many things to ask that bastard.

Xue Nu sat down She was still uneasy around Xiao Meng. When that bastard Su Chen hugged her and Xiao Meng just now, Xue Nu wanted to push that bastard away, but Xue Nu didn't know why she didn't have the courage to push that bastard away in the end.

Xue Nu touched her Touching her hot face, she felt that she should give that bastard Su Chen some face, not wanting him to make a fool of himself at that time, but her heart couldn't calm down.

Shang Xiufang was still thinking about that bastard saying that he would spank her in public. Even though she broke Su Chen's nose, it was not enough to dispel her anger.

Shang Xiufang slapped the table and said angrily,

"That bastard Wu Xiangjun must have been afraid that we would question him again, so he left in a hurry. Xiuxun, should we go find that bastard? Shang

Xiuxun's face turned red as he comforted Shang Xiufang and said,"Xiufang, forget it, you can't fight that bastard.""

Shang Xiuxun was shocked by what Su Chen said to Kou Zhong. That bastard said that he was her wife without her permission. Even Pegasus Ranch will be his from now on.

Shang Xiu Xun Xun planned to marry that bastard Su Chen, but she still had to think about it. Now that the bastard said those words in public, other forces would soon know about it.

Shang Xiuxun didn't know whether she would marry her in the future. After marrying that bastard, Shang Xiuxun's mind is now filled with Su Chen, and she doesn't bother to care about Shang Xiufang's affairs.

Shang Xiufang knew when Shang Xiuxun's face turned red that she was asking this good friend in vain," you.....Forget it, looking at your distracted look, I know that you are now being harmed by that bastard Wu Xiangjun."

Shang Xiuxun smiled and said nothing. Now she wanted to say what to say when she met that bastard Su Chen again. Shang Xiuxun was now a little afraid of meeting that bastard Su Chen.

Li Xiuning, Shen Luoyan, Song Yuhua and the others were sitting Drinking tea together, they are now regarded as Wu Xiangjun's people. After all, Wu Xiangjun's daughter Su Yan has agreed to let them go to Luoyang together and promised to protect them, which made them chat casually with nothing to do.

Su Yan looked at The women in the room shook their heads and said,"None of these women are good, and I don't know how dad provoked them."

Black Widow stood next to Su Yan and smiled and said,"Princess, these women can handle them, so don't worry."

"I'm not worried? It's strange that I'm not worried. My careless father has caused so much trouble for me this time. I've been a hostage twice in the past few days. Alas! Dad is also very good at provoking women."

Black Widow looked at the helpless Su Yan and shook her head. If Su Yan knew what happened in the Eastern Continent, I'm afraid she would be even more uneasy.

The women in the Eastern Continent are each stronger than the other, and each one is more difficult to deal with. , Black Widow thought of the Marquis Bai Ruobing, the Purple Girl of Zilanxuan, the Moon God of the Yin Yang Family, etc. She looked at Su Yan with sympathy. If Su Yan meets these women in the future, I am afraid Su Yan will have even more headaches.

At this time, a secret guard came in and saluted Su Yan, then said to Shen Luoyan who was talking,

"Miss Shen Luoyan, your Majesty, please come over."

"Mr. Wu Xiang wants to see me?"

Shen Luoyan looked at the secret guard strangely.

Shen Luoyan couldn't understand why Lord Wu Xiang summoned her at this time. After thinking about it, Shen Luoyan decided to go and have a look. Lord Wu Xiang would not do anything to a weak woman like her. Something extraordinary happened?

"Yes, Miss Shen Luoyan, please come with me."

After the secret guard took Shen Luoyan away, the other women in the room were all thinking about what Su Chen was doing with Shen Luoyan. Shen Luoyan was not the most beautiful among these women. That bastard must have something else to do with Shen Luoyan this time. It's just that they can't guess what it is now. They can only wait for Shen Luoyan to come back before asking her.

Nearly an hour later, Shen Luoyan came back in high spirits. After she arrived, she said to Li Xiuning ,

"Li Xiuning, Mr. Wu Xiang asked you to come over too. Li

Xiuning looked at Shen Luoyan who seemed to be a different person and asked doubtfully, "You want me to come too?" Shen Luoyan, what did Wu Xiangjun ask you to do?"

"You'll know when you go there."

Shen Luoyan is a little excited now. She didn't expect that bastard Wu Xiangjun to believe in her so much. The 50,000 Netherworld Cavalry Army was handed over to her, and the 200,000 Sui Army of Luoyang's patron king Yang Lin was also under her command. With such a powerful army, Wagang Village can be easily obtained.

Shen Luoyan will definitely solve Wagang Village perfectly, and even occupy all the places between Luoyang and Yangzhou. Wu Xiangjun's strategy of first south and then north will be perfected by Shen Luoyan. The execution was completed.

Li Xiuning looked at Shen Luoyan and stood up and walked outside. She saw a sense of belonging from Shen Luoyan's expression and the confidence in Shen Luoyan's eyes, which made Li Xiuning even more curious about Wu Xiang. What did that bastard Jun do to Shen Luoyan to make the beautiful military counselor of Wagang Village have such an expression?

Not long after Li Xiuning left, a secret guard ran in panting and saluted Su Yan,

"To the princess, an urgent message from Luoyang"

""Bring it here."

Su Yan took the secret message brought by the secret guard and read it. Su Yan frowned as she read it. She didn't expect that something unexpected happened in Cihang Jingzhai, and there were even two people in the heavenly realm. Land gods may be enemies in the future

"Black Widow, call my father over quickly"

"Yes, Princess"
