Chapter 37

Su Chen stood up and wanted to run, but before he could run, he was pulled down by Huan Huan and Shi Fei Xuan. Su Chen looked at Shi Fei Xuan with a frosty face and Han Huan with a smile on his head. Sweating.

Shi Feixuan's hand was already touching her Se Kong sword on the table. She was also hesitant to kill Su Chen who had ruined her innocence.

Although Su Chen didn't know martial arts, Master Feixuan felt a little happy being with him. She didn't have to think about practicing and completing her master's tasks every day, and Su Chen's words were also very interesting.

Su Chen was not afraid of her and Huan Huan because they were martial arts people, and even taught her and Huan Huan a lesson from time to time. Shi Feixuan looked at Su Chen and sighed without doing anything to Su Chen.

Huanhan looked at Su Chen's smiling face, but Huanhan was also very uneasy in her heart. She also wanted to kill this bastard, but she couldn't help but think about everything she and Su Chen had done together this day. I have the heart to kill.

Now that she and Shi Feixuan have been kissed by this bastard, Huan Huan still doesn't want to kill this bastard Su Chen. Huan Huan is also preventing Shi Feixuan from attacking Su Chen, but she saw that Shi Feixuan just touched her. There was no movement in the Se Kong Sword, which made Hanhan look at Shi Feixuan with curiosity.

She didn't understand what happened to this little nun today. Could it be that this little nun fell in love with this bastard Su Chen? This is not okay. Although Su Chen is a bit of a bastard, he knows Su Chen first, so he cannot let this little nun snatch Su Chen away.

Li Xunhuan looked at Shi Feixuan and Huan Huan and didn't know what their relationship was with Su Chen. Just now Shi Feixuan and Huan Huan both had murderous intent.

If it weren't for the expressions on Shi Feixuan and Huan Huan's faces, Li Xunhuan would have thought that he had felt wrong just now. Of course, if Shi Feixuan and Huan Huan really wanted to attack Su Chen, Li Xunhuan would also stop them.

Li Xunhuan looked at Su Chen who was sitting upright on the chair and said,

"Brother Su, as long as there is tea here, there is no need to buy anything to eat."

"Oh, ah, okay."

Su Chen didn't dare to look at Shi Feixuan and Huan Huan now. Now he was paying attention to Shi Feixuan and Huan Huan with all his mental strength. If Shi Feixuan and Huan Huan wanted to kill him, , Su Chen could only use teleportation to escape. He would not stay here to wait for death.

Lin Shiyin was a little confused now about the relationship between this bastard Su Chen and Shi Feixuan and Huan Huan. Su Chen kissed Shi Feixuan just now When they were talking to each other, Lin Shiyin clearly felt that something was wrong in the atmosphere.

Moreover, something was obviously wrong with Shi Feixuan and Huan Huan now, as if they wanted to win over Su Chen, but what good was this stinky man like Su Chen?

Lin Shiyin looked at Shi Fei Xuan and Huanwen asked curiously,

"Shi Feixuan, Huan Huan, I am Lin Shiyin, what is your relationship with the bad guy Su Chen? Why do I feel like you are not a couple?"

Huanwan looked at Su Chen's nervous look and smiled and said,

"Haha, we are Su Chen's fiancée."

Lin Shiyin looked at Shi Fei Xuan and Huan Huan and said,

"How can you be the fiancée of this bastard? You are also a gangster. This bastard Su Chen does not know martial arts. You should not be his fiancée. This bad guy Su Chen is not a good person at first glance."

Shi Feixuan is now lowering her head to prevent people here from seeing her face. Now her face is red and she wants to kill the little witch Huan Huan. What she said is not good, why does she say that they are Su Chen's fiancée.

Huan Huan Somewhat playfully, she pulled Su Chen and said bitterly to Lin Shiyin,

"We don't want to be his fiancée, but this bastard has been refusing to break off the engagement. We can't threaten him with a sword to his neck. Lin

Shiyin looked at Su Chen and asked angrily,

"Su Chen, why don't you break off the engagement with them? Now, please break off your engagement with Huanwan and Shi Feixuan."

"I....."

Su Chen originally wanted to say that he had an engagement with Shi Feixuan and Huan Huan, but when he suddenly saw Shi Feixuan and Huan Huan staring at him, Su Chen was a little confused.

He doesn't know now that Shi Feixuan and Huan Huan are glaring at him and want him to terminate this fake engagement? Or should we not break off this fake engagement?

"What are you?"

Lin Shiyin saw that Su Chen only said one word and stopped. This made Lin Shiyin continue to ask.

Su Chen didn't dare to talk nonsense now. Now he could only blur this matter out of the way.

"Nothing, nothing"

"Hello, I am Zhou Zhiruo from the Emei Sect. Can I sit here?"

"Hello, I am Zhao Min from Mongolia."

At this time, two beauties suddenly came to Su Chen and Li Xunhuan. They introduced themselves one after another.

At this time, everyone in Xingzi Lin They were all looking at this place, which made Su Chen and Li Xunhuan feel a little uncomfortable.

Su Chen wanted to come here in a low-key manner to see the Beggar Clan Conference. He just wanted to look here like a passerby and was going to find Li Xunhuan. Qiu Shui, it's just that now everyone here in Xingzilin has basically noticed this place, so it's still low-key.

Li Xunhuan was originally here for fun this time, and he didn't want people to notice him, but now I'm afraid some martial arts people here have recognized him. He looked at Su Chen and wanted to leave here immediately.

But he found that Su Chen was also looking at him. Li Xunhuan also understood that Su Chen was also leaving. Li Xunhuan didn't want to leave at this time. He just wanted to see Who is Su Chen? Why did he want to leave when people here looked at him?

Lin Shiyin was very happy when she saw two more beautiful women coming. She didn't expect so many beautiful women to come this time. Attend the beggars' meeting

"Hello, I'm Lin Shiyin, this is Hanwan, Shi Feixuan, and my cousin, please sit down too."

Lin Shiyin introduced Li Xunhuan and the others to Zhou Zhiruo and Zhao Min, but she deliberately left out

Su Chen. Lin Shiyin deliberately did not introduce Su Chen. She was very angry when she saw Su Chen now. Now she She wanted Su Chen to leave here immediately, so that he, a lustful person, would not have any undue thoughts about the beautiful woman who had just arrived.

But suddenly Lin Shiyin thought that she was also a beautiful woman. Why didn't Su Chen, a bastard, have other thoughts about herself? Moreover, Su Chen seemed to hate herself very much, which made Lin Shiyin feel bad instantly.

Now that Su Chen saw that Li Xunhuan ignored him, he lay on the table in frustration. Now Su Chen would definitely not be able to leave alone. , Shi Feixuan and Huanyuan will definitely not let him leave.

Su Chen can only reduce his sense of existence now. If Lin Shiyin doesn't introduce him, he would rather Lin Shiyin doesn't introduce him. It would be better if Zhou Zhiruo and Zhao Min put him Treat them as dispensable passers-by.

At this time, Shi Feixuan and Huanwan looked at Lin Shiyin and frowned, but they thought that Su Chen, that bastard, has always been out of tune, so Lin Shiyin was right not to introduce him.

"Thanks"

"Thank you"
