### Chapter 381

Chang'an, Zhongnan Mountain, in the main hall of Cihang Jingzhai on Emperor Peak, an old nun who looked like he was fifty or sixty years old was standing in the main hall, looking at the disciples of Cihang Jingzhai below, frowning, Yan Jing'an had already There was no news back all day, which made her think something was wrong.

A beautiful woman in the main hall looked at the impatient Di Ni and said hurriedly, "Master, my master may be delayed by something, so we have to wait."

This woman is Yan Jing'an's eldest disciple Le Bingyun, she was very afraid of this moody master. If Le Bingyun hadn't been worried about his master venting his anger on Master Yan Jing'an, she wouldn't have dared to speak like this to Di Ni at this time.

After listening to Le Bingyun's words, Di Ni angrily smashed a bronze tripod next to him. Di Ni is now very sure that Yan Jing'an has not made any move in the past few days. Otherwise, with the two masters Fan Qinghui and Shi Feixuan He is not Yan Jing'an's opponent at all.

Dini glared at Le Bingyun and said angrily,

"Something delayed? I think she didn't try her best to capture Fan Qinghui and Shi Feixuan. How many days has it been since a great master brought more than a dozen masters and hundreds of innate realm masters? She still didn't kill or capture Master and Disciple Fan Qinghui. Is she, the great master, just a decoration?"

Le Bingyun was frightened and immediately knelt down when Di Ni glared at her.

"Master's atonement"

"Forget it, send someone immediately to check if Yan Jing'an and the others have caught or killed Master Fan Qinghui?"

""Yes, Master."

After seeing Le Bingyun go out, Dini waved her hands to make all the disciples here retreat. Dini sat on the chair in the main hall with a cold face.

This time she and her senior brother Tian Seng reunited. The purpose of Jianghu is to support one side to seize the world of the Sui Dynasty during the civil strife of the Sui Dynasty. Only in this way can she and her senior brother use the luck of the country to break through their previous cultivation realm.

By then, they will definitely be able to step into a new cultivation realm. Realm, and may even ascend to a higher level of the world. This time she cannot let anyone destroy the layout she and Tianseng have laid for decades. If Fan Qinghui dares to disobey herself, then she must die. The next day,

Luoyang

, Dugu Mansion.

Su Chen walked out of a room refreshed. Yesterday, he had a good time playing with Xiaomeng's beautiful legs. From now on, Xiaomeng's beautiful legs will be his own, but he didn't go to capture Lianxing last night. It's a pity

"Master, Lu Xiaofeng and the others are waiting for you in the hall." Black Widow hurriedly came to Su Chen when she saw Su Chen coming out.

Lu Xiaofeng came over early in the morning, which Su Chen didn't expect. This made Su Chen feel that Lu Xiaofeng and the others must have been doing nothing in the past few months. He must have done nothing in the past few months. Either picking up girls or having fun

"Lu Xiaofeng and the others are here so early? They have some leisure time. Let's go over and meet them."

"Yes, master."

In the hall of Dugu clan,

Lu Xiaofeng, Ximen Chuixue, Sikong Zhaixing and others were drinking tea and waiting for Su Chen's arrival. Originally, Lu Xiaofeng, Sikong Zhaixing and the others had to leave long ago, but that bastard Su Chen said about the Luoyang treasure. If they needed Sikong Zhaixing's help, they could only wait for that bastard to come back in Luoyang of the Sui Dynasty.

Sikong Zhaixing looked at Lu Xiaofeng walking around and had no choice. The bastard had dragged him and Ximen Chuixue here early in the morning. That bastard Suchen has so many women, can they see anyone if they come so early?

"Lu Xiaoji, there is no need for us to come so early. That bastard Su Chen must still be sleeping with his woman in his arms. Even if we come, we won't be able to see that bastard."

Lu Xiaofeng felt helpless sitting next to Sikong Zhaixing.

If Yang Gong's treasure house hadn't been so attractive, he would have left long ago, and he didn't dare to leave early.

That bastard Su Chen asked them to wait for him here. If he had left early, I'm afraid that bastard still doesn't know how to tease him in the future. He doesn't dare to offend Su Chen's women.

Lu Xiaofeng took a sip of tea and sighed and said,

"Old thief, I know this bastard Su Chen hasn't gotten up yet, but we have been staying in Sui Dynasty for several months. After helping this bastard Su Chen this time, we will return to Daming as soon as possible. Something happened in Daming as well."

"Are you talking about the Plum Blossom Thief?"

"Well, the matter of the Plum Blossom Thief can't be delayed. The blind man has urged me several times. If I hadn't waited for this bastard Su Chen, I would have left long ago."

"Hey, why don't you leave? Su Chen needs my help to open Yang Gong's treasure house. It's useless for you to leave it behind."

"Old thief, it makes no sense for you to say this. We are friends. Can I leave you here and go on your own?"

"Haha, Lu Xiaoji, you are still such a thief, why didn't you say that you also wanted to see Yang Gong's treasure house?"

"Damn, it's boring. Old thief, you are getting better and better at attacking people now. Ximen Chuixue is better."

Ximen Chuixue looked at Lu Xiaofeng and Sikong Zhaixing next to him and ignored them. Ximen Chuixue closed his eyes and ran his skills.

He was speechless when he saw the new black widow today, Su Chen's woman. Each one is stronger than the other, and the black widow feels very dangerous to him. If Ximen Chuixue doesn't want to be forced by that bastard Su Chen to call him big brother, he must have women who can defeat that bastard.

But his goal is a bit difficult to achieve. , after all, that bastard woman not only had masters, but also several great masters. Thinking of this, Ximen Chuixue felt a little confused. He thought that he might not have a chance to stand up in the future.

"Hello everyone."

Su Chen came in with Black Widow and greeted Lu Xiaofeng and the others.

When Lu Xiaofeng saw Su Chen coming, she jumped up and said to him, "Damn it, Mr. Wu Xiang, you are finally back. I've waited so long for you that all your flowers have withered."

Su Chen rolled his eyes at Lu Xiaofeng's exaggerated look. He knew exactly what this bastard had done in the past few months. Just now he asked the secret guard Lu Xiaofeng about what happened in Luoyang. The Dugu family's money was stolen by this I don't know how many bastards have been defeated.

Su Chen sat next to Ximen Chuixue and nodded to him before mocking Lu Xiaofeng, "Lu Xiaoji, you are still so shameless. How come I heard that you have lived a happy life these past few months?" Taste, eating, drinking, whoring, gambling, everything seems to be with you? Lu

Xiaofeng looked a little embarrassed and immediately retorted, "False accusations, how could such a good man do those things? Someone must be jealous of me and spread these rumors.""

"Come on, I'm too lazy to take care of your affairs. Sikong Zhaixing will open Yang Gong's treasure house in a while, and I'll be relying on you then."

Su Chen didn't want to say anything to this bastard Lu Xiaofeng. He just wanted to wait for Fan Qinghui and Zhu Yuyan to open Yang Gong's treasury. As for Jing Nian Chanyuan, Su Chen is not their opponent yet, and Su Chen is not We can only wait for Shi Guanyin, Bai Ruobing, and Donghuang Taiyi to come over before destroying the Jing Nian Temple.

"Wu Xiangjun, don't worry, breaking agencies is my strong point, but how are you going to deal with the changes in Cihang Jingzhai now?"

## Chapter 382

Sikong Zhaixing and the others also got the news and learned about the changes in Cihang Jingzhai. They also did not expect that there were land gods in the heaven and human realm in Cihang Jingzhai, and Fan Qinghui was unwilling to go against Su Chen and was chased by Cihang Jingzhai. Kill, if it weren't for their lack of strength, Sikong Zhaixing and the others would have rescued Fan Qinghui and his disciples.

Su Chen waved his hand to Sikong Zhaixing and said,

"You don't have to worry about this. I already have countermeasures for Cihang Jingzhai and Jingnian Chanyuan. When my people arrive, it will be time to destroy Cihang Jingzhai and Jingnian Chanyuan."

Sikong Zhaixing nodded when he saw that Su Chen had made an arrangement, "Just make arrangements, just let me know when you want to open Mr. Yang's treasure house."

"it is necessary."

When Lu Xiaofeng saw Su Chen and Sikong Zhaixing finish talking, he asked Su Chen curiously,

"Wu Xiangjun, where is the woman in the Heavenly Realm who captured you that day? Shi Guanyin, how could she give you to you unscathed?"

"Want to know?"

""I think,"

Su Chen smiled and said to Lu Xiaofeng,"I have captured Shi Guanyin, and she will be my woman from now on.""

Su Chen looked at the curious Lu Xiaofeng and told him directly. Anyway, Shi Guanyin would arrive soon. Su Chen knew that he couldn't hide it, and he had no intention of hiding it. He had never owned Su Chen's own woman. To hide it,

Lu Xiaofeng looked at Su Chen, a bastard, with some surprise. He did not expect that Su Chen actually captured Shi Guanyin. This was a bit unbelievable.

"Damn it, you bastard is really invincible. You can even take down the land gods in the heavenly realm. I'm afraid there's no woman in this world that you can't take down."

Sikong Zhaixing and Ximen Chuixue, who closed their eyes, also looked at Su Chen in shock. A terrestrial immortal in the heavenly realm was captured by this bastard? A hundred-year-old woman was conquered by this bastard? How did this bastard do it? ?

Ximen Chuixue is a little desperate now. How can he defeat a land god in the heavenly realm?

Ximen Chuixue can't even defeat the powerful masters in the late stage. He just thinks about the great master. Heaven He didn't dare to think about being a terrestrial god in the human realm.

When Ximen Chuixue thought that he would always call Su Chen brother, he looked very ugly. Will he have to live in the shadow of this bastard Su Chen in the future?

Su Chen is a little bit He smiled at Lu Xiaofeng proudly and said,"That's right, you don't even know who I am."

Lu Xiaofeng was a little speechless when she saw Su Chen, a bastard, being defeated. However, this bastard is invincible against women.

Shi Guanyin is a super master who has been famous for decades. Such a woman and this bastard can take down all those who will become famous in the future. Beauties who have been there for decades may also suffer from this bastard.

Lu Xiaofeng and Sikong Zhaixing are now a little jealous of this bastard.

Among the women they know now, like Zhu Yuyan, Fan Qinghui, Yao Yue, and Lian Xing, these women are among the few. The peerless beauties of ten years ago, and their charm is unmatched by anyone now.

And women like Shi Guanyin are even more rare. There were countless young talents who pursued Shi Guanyin back then, but Shi Guanyin Guanyin Ning didn't fall in love with one, and Shi Guanyin probably didn't expect that she would meet a man much younger than her and win her over.

"Let's go, I'm angry when I see you, this bastard."

Lu Xiaofeng doesn't want to stay and look at this bastard anymore. It's a bit disgusting for him to think of all the proud women of heaven throwing themselves into the arms of this bastard. Lu Xiaofeng now wants to go to Baihua Tower to have a good time.

"We are at Fugui Inn. If you need anything, you can go to us there."

Sikong Zhaixing waved to Su Chen and left with Lu Xiaofeng. He didn't want to see Su Chen, a bastard, envying him here, so it was better not to see him.

Ximen Chuixue stood up and looked at Su Chen and held back. He humbly said to Su Chen, "Big.....Brother, I'm leaving too. If you have anything to do in the future, call me."

"Okay, second brother."

Su Chen smiled as he looked at Lu Xiaofeng and the others who were leaving. Lu Xiaofeng and the others could be said to be his only male friends in this mixed martial arts world.

Su Chen thought that basically all the people he knew were women. He was also very helpless. There were only a few men in the world that Su Chen liked. The men in the world were either hypocrites or bad-tempered. It was a good thing that Su Chen didn't kill them. In the following days

, Fan Qinghui and the others are still absorbing the Suihou Pearl, and the girls like Xue Nu have not come out yet. It seems that it will take them a few more days to completely absorb and break through their current cultivation realm.

Su Chen, Xiaomeng, Lian Xing and the others started walking around Luoyang City every day, Lian Xing and Su Chen also took her down the next night. Now Su Chen is living an exciting life with her arms around her.

In Dugu Clan,

You Chuhong watched The family members of the Dugu Clan kneeling in the room felt a little helpless. After Wu Xiangjun lived in their Dugu Clan these days, these Dugu Clan people became a little lawless. Today, all these Dugu Clan's dandies were arrested by Wu Xiangjun's secret guards. They were sent to You Chuhong.

A man from the Dugu Clan knelt on the ground and cried to the cold-faced You Chuhong,

"Grandma, does this Lord Wu Xiang look down on our Dugu Clan? We also molested some women, and the secret guards beat us up and even threatened to imprison us if we did it again. Grandma, you have to make the decision for us."

You Chuhong hit the ground hard with her crutches and scolded sternly, "Shut up, you are all bastards who fail to achieve anything and are prone to failure. Is it okay for you idiots to say this to Mr. Wu Xiang?"

You Chuhong knows what her granddaughter is doing now. I'm afraid her granddaughter Dugufeng will advance to the master level in a few days. She can feel the breakthrough aura outside the secret room, and there are many people making breakthroughs together..

This makes You Chuhong feel happy and worried at the same time. She knows very well who Mr. Wu Xiang is. She also knows that Dugu Feng will probably be taken over by Mr. Wu Xiang. He is the only promising person in the Dugu Clan. I'm afraid they, the Dugu Clan, won't be able to stay.

But that's fine. Dugu Feng is with Lord Wu Xiang. Although their Dugu Clan will decline in the future, with Dugu Feng here, nothing will happen to their Dugu Clan. After all, Lord Wu Xiang From now on, he will be the sole ruler of the Southern Continent.

A member of the Dugu Clan said angrily to You Chuhong,

"Grandma, our Dugu Clan has taken refuge with Lord Wu Xiang, and he teaches us a lesson without looking at your face. Don't you care?"

You Chuhong hated the fact that iron cannot become steel, so she shouted to her grandson,

"Tube? Just because of you guys, I can offend Mr. Wu Xiang? Do you know how Wang Shichong died? Do you also want to be assassinated by Wu Xiangjun's shadow assassin?"

"us....."

These people in the Dugu clan were frightened. They knew that Wang Shichong and all his confidants were assassinated overnight. They also knew in the mansion that the assassins of Wang Shichong were the shadow assassins under Wu Xiangjun. Now they heard that You As for Chu Hong, they were also very afraid that Lord Wu Xiang would kill them.

You Chuhong looked at these weak and incompetent grandchildren and said angrily,

"From now on, if you do anything wrong in Luoyang City, even if Lord Wu Xiang doesn't punish you, I will punish you. Now get out and let me think about it for a month. You are not allowed to come out of the room within this month."

"Yes, grandma."

Chapter 383

Luoyang, in a Zen room of Jing Nian Zen Monastery

, a very beautiful woman with a graceful figure was studying martial arts. After looking at the martial arts secrets of Jing Nian Zen Monastery for a while, she sighed. This beautiful woman stood

up and walked When I went to the window and looked at the scene of Jing Nian Zen Temple, I felt a little helpless.

"Alas, she has lived here for almost ten years, and she doesn't know when her master and master will let her return to Cihang Jingzhai. Maybe it's best not to go back forever."

This beautiful woman is Qin Mengyao, Yan Jing'an's second apprentice. She has been arranged by Di Ni to study martial arts in Jing Nian Temple since she was a child. Although Qin Mengyao is unwilling to stay here, she dare not not listen to her master's words..

In the secret Buddhist temple of Cihang Jingzhai, Qin Mengyao saw the fate of many female disciples who did not obey the orders of the Di Ni. Those female disciples who did not obey the orders were executed mercilessly after being tortured by the Di Ni. Those female disciples who were executed Disciple Qin Mengyao has seen too much

"Donor Qin, your junior sister Le Bingyun wants to see you?" At this time, a young monk came outside Qin Mengyao's room and said.

Qin Mengyao thought about it with some doubts and then said with a smile, "Junior sister? Le Bingyun? Haha, I didn't expect that more than ten years later, the master has accepted another disciple. Please bring her here."

"Yes, benefactor."

Qin Mengyao didn't expect that Yan Jing'an would accept another disciple, and why did Le Bingyun come at this time? Could it be that both the master and master had revealed themselves? Are they no longer hiding?

"Le Bingyun, I met my senior sister."

When Le Bingyun came in, she saw a quiet beauty sitting in the meditation room. She knew that this was the senior sister Qin Mengyao whom she had never seen before. Yan Jing'an had praised her more than once. This time Le Bingyun saw Qin Mengyao. It is indeed a little different.

Qin Mengyao looked at this junior sister whom she met for the first time and asked doubtfully,

"Junior Sister Bingyun, why did you come to Jing Nian Zen Monastery this time? Could it be that Master and Master are no longer hiding?"

Le Bingyun also felt a little fond of this gentle senior sister, but when she thought of Master Dini's order, she felt a little worried for Qin Mengyao.

"Senior Sister, Master and Master have regained control of Cihang Jingzhai, and we disciples no longer need to hide."

"To regain control of Cihang Jingzhai? What about Master Fanqinghui Zhai?"

Qin Mengyao looked at Le Bingyun in surprise. She knew that Fan Qinghui had been working hard for the development of Cihang Jingzhai these years. Now that Master Dini has regained control of Cihang Jingzhai, Fan Qinghui may not have a hard time..

Le Bingyun couldn't bear to tell Qin Mengyao Master Zu Di Ni's order, but she knew that she had no way to hide this matter. If she dared to conceal Di Ni's order, I'm afraid she would also die without a burial.

Le Bingyun Yun said to Qin Mengyao helplessly,

"This is what I came here for. Fan Qinghui refused to obey his master's orders and defected. The master disappeared when he led a group of Cihang Jingzhai's disciples to arrest Fan Qinghui. The master suspected that the master was being raped by Wu Xiang. Jun's men were caught. This time, the master ordered the senior sister to break into Wu Xiangjun's side."

"The master is missing? Do you want me to break into Wu Xiangjun's side? Is this asking me to serve as a tiger?"

Qin Mengyao stood up in surprise and asked hurriedly.

Qin Mengyao knew that Wu Xiangjun was a complete pervert. She was investigating the whereabouts of her master Yan Jing'an beside him. I was afraid that her innocence would also be destroyed by Wu Xiangjun. In the hands of Qin Mengyao, this made Qin Mengyao unable to accept it for a while.

Le Bingyun looked at the surprised Qin Mengyao and said unbearably, "Sister, if.....If you don't want to, I can ask Master. Qin

Mengyao turned pale and shook her head in refusal.

"Haha, junior sister, do you think it's possible? Master, I know better than you. Anyone who dares to oppose her orders will probably die. Are you waiting for a tiger with your body? This is asking me to sell my body."

Qin Mengyao is now completely disappointed with her master, Di Ni. In order to achieve some goals, Di Ni doesn't care about the life and death of their disciples.

Qin Mengyao even feels that Cihang Jingzhai is not a famous and decent sect at all. With Di Ni here, Ci Hang Jing Zhai is even more disgusting than the Demon Sect. It is impossible for Qin Mengyao to resist Di Ni now, and her master Yan Jing'an also needs to be saved. If it weren't for Yan Jing'an, I'm afraid she would have starved to death in the wilderness. Qin Mengyao wouldn't Maybe she didn't care about Yan Jing'an's life or death.

Looking at the sad Qin Mengyao, Le Bingyun didn't know how to comfort this senior sister whom she met for the first time. These things were not something she, a young disciple, could make the decision about. Le Bingyun even thought about the future If she encounters such a thing, will the master let her wait for the tiger?

In the dungeon of the Dugu Clan,

Yan Jing'an and dozens of Cihang Jingzhai's disciples were imprisoned here. Yan Jing'an is now She is just an ordinary woman whose cultivation has been sealed. Yan Jing'an has not found anyone coming to interrogate her these days, which makes Yan Jing'an confused.

"Your Majesty, the people from Cihang Jingzhai are all locked up here."

"Well, you go down"

"Yes, Your Majesty."

Just when Yan Jing'an was thinking about things, she heard someone coming, and it was the man of Fan Qinghui's woman and the controller of Luoyang City, Wu Xiangjun Su Chen. Yan Jing'an was afraid of this now. The lustful Wu Xiangjun would do some obscene things to her.

Su Chen took Xiaomeng and Black Widow to Yan Jing'an's prison and looked at the new owner of Cihang Jingzhai. Yan Jing'an's complexion now Not bad, still so beautiful, it seems that Yan Jing'an doesn't seem to be in jail.

"Yan Jing'an, you should know the purpose of my visit this time, right?"

Yan Jing'an was speechless looking at the two beauties next to Wu Xiangjun. This Wu Xiangjun is really a lustful bastard. He seems to take beauties with him wherever he goes, but with these two beauties here, at least she should After looking at Xiaomeng and Black Widow, Yan Jing'an said disdainfully to Su Chen, "Hey, Mr. Wu Xiang, how do I know what your purpose is? Seeing Yan Jing'an's sneer at Su Chen, Black

Widow shouted angrily, "How dare you, a prisoner in prison, not be polite when you see your master, but you still dare to despise your master like this? Do you want to die?" Yan Jing'an didn't care at all about the black widow's threat to her,

Haha, then just kill me.""

Su Chen looked at Yan Jing'an and knew that the whole Yan Jing'an seemed a little difficult to deal with, but this would be interesting. Su Chen had never tried interrogating a peerless beauty. Do you want to be satisfied with Yan Jing'an? What about the top ten tortures of Qing Dynasty?

Su Chen grabbed the angry black widow, touched her chin and said to Yan Jing'an, "Yan Jing'an, aren't you afraid of death?"

"Do you believe me when I say I'm not afraid of death?"

"I don't believe it. No one is afraid of death. If you want to die, why don't you commit suicide?"

Su Chen looked at Yan Jing'an's spotless clothes and guessed that she must not want to die, otherwise she would not pay so much attention to her appearance, and Yan Jing'an and Su Chen knew it very well.

Yan Jing'an is a master of playing tricks on people's hearts in the world of clouds and rain. People like the magician Pang Ban, the cloud-turning sword wave, the poison doctor Lie Zhenbei and others are in love with her. This woman is much more awesome than Fan Qinghui, but Now she is still a little tender

"Why should I commit suicide?"

Yan Jing'an looked at Su Chen funny. This Wu Xiangjun seemed to know him very well, but this was impossible. Yan Jing'an also met this bastard for the first time in Youlin Xiaozhu. It was impossible for him to understand him. Yes.

Su Chen was speechless for this Yan Jing'an. After all, Yan Jing'an still didn't want to die.

"Yan Jing'an, aren't you still afraid of death?"

"Mr. Wu Xiang, you seem to have gone off topic? It seems that you have been wondering whether I should commit suicide or not and it has nothing to do with you."

"That's right, Yan Jing'an, now tell me how many masters Di Ni has secretly trained?"

"Do you think I can say it?"

Su Chen looked at the still charming Yan Jing'an and said threateningly,

"You will, Yan Jing'an, you should still be in perfect condition now, right? There are at least several thousand troops guarding this cell outside, and you, the female disciples of Cihang Jingzhai, don't seem to have any men. You said that if I let the army come to patronize you, the female disciples of Cihang Jingzhai, I believe that among them There may be some marriages."

Xiaomeng frowned when she heard Su Chen threatening Yan Jing'an like this. However, after thinking about what Su Chen had done before, she knew that Su Chen was trying to scare Yan Jing'an. Xiaomeng didn't believe that Su Chen would do this. Treat women.

Xiaomeng would rather believe that Su Chen would have thoughts about Yan Jing'an than that Su Chen would let the army insult these Cihang Jingzhai women. Xiaomeng looked at Yan Jing'an and worried that Su Chen, a bastard, would not really Do you have any thoughts about this Yan Jing'an?

Yan Jing'an was very angry after hearing what Su Chen said. This shameless bastard is indeed a vile person. If this bastard really asked the army to insult the female disciples of Cihang Jingzhai, She was afraid that the female disciples of Cihang Jingzhai would be so angry that they would commit suicide one after another.

"You are shameless, how could you do this?"

Su Chen smiled when he saw Yan Jing'an's unusual expression. He believed that Yan Jing'an would not see his army coming to insult their female disciples of Cihang Jingzhai.

Su Chen also wanted to scare Yan Jing'an, But now it seems that the effect is good. Su Chen didn't expect that Yan Jing'an would believe what he said just by saying this. Su Chen touched his chin and wondered why Yan Jing'an believed in his words so much? Could it be that he was the one who believed it? A complete bad guy?

Su Chen put aside this idea and continued to say to Yan Jing'an,

"Why can't I do this? My soldiers don't have wives, so I'm preparing some benefits for them. It is a waste of resources for you female disciples of Cihang Jingzhai to become nuns. It is better to return to secular life and get married."

Yan Jing'an came to the cell angrily and wanted to grab Su Chen, but Yan Jing'an's hands were shorter, and she didn't have any strength now. Yan Jing'an didn't catch Su Chen and pointed at Su Chen angrily. shouted loudly,

"Shameless, you are a shameless bastard."

Su Chen saw Yan Jing'an trying to catch him, so he smiled and slapped her hand away and said,

"Whatever you say, you can tell the female disciples of Cihang Jingzhai that if she does not want to be insulted by my army, they can commit suicide, and I can provide them with some weapons, Yan Jing'an, do you say it now or not?"

"Huh, I said."

Yan Jing'an wiped her hand that was touched by Su Chen and said fiercely to Su Chen.

Yan Jing'an has no choice. These female disciples of Cihang Jingzhai are also some hard-working people, and Her master, Dini, was also very cruel to these female disciples. He beat and scolded them at every turn, and even killed people at will when he was in a bad mood. Thousands of female disciples who were trained in secret ended up with more than 200 people under his command. This shows how cruel Dini is. How cruel. When

Su Chen saw that Yan Jing'an agreed, he was worried that she would make up something and tell him that Yan Jing'an that Su Chen was thinking of had two disciples, and both of her disciples seemed to be beautiful women.

Su Chen continued to threaten Yan Jing'an,

"Haha, that's right, Yan Jing'an, it's best that you don't tell me false news about your apprentice Le Bingyun and Qin Mengyao who are in Jingnian Temple. I know their whereabouts. If you dare to talk nonsense, I will believe you. A disciple would be worse off than dead"

"You are a devil."

Yan Jing'an looked at Wu Xiangjun with great fear. She didn't expect that her two apprentices, this bastard, also knew, and even the bastard Qin Mengyao, who had been in Jingnian Chanyuan since childhood, also knew that Yan Jing'an could not understand this bastard. How did she know about her disciple?

Le Bingyun may have accidentally revealed it to other Cihang Jingzhai disciples, but Qin Mengyao only knew about it, including herself and Master Dini. Could it be that there was this bastard in Jing Nian Monastery? ?

"Hey, stop talking nonsense and tell me everything you know now"

"Di Ni has secretly trained twenty-two master masters in these tens of miles. Your men have killed three master masters and captured nine master masters. There are still ten master masters in Cihang Jingli Zhai, and the great master will be I am alone, the rest are some innate masters, there are more than a hundred disciples of Cihang Jingzhai who are in the innate cultivation realm."

"hiss! How could that old nun in Dini cultivate so many masters in decades?"

Su Chen didn't expect that the old nun actually trained more than twenty master masters. How were these master masters Di Ni trained? But what about master masters? Fan Qinghui's decades of cultivation is a master master. Di Ni is still a master. You really have some skills.

Seeing Su Chen's shocked look, Yan Jing'an continued,

"I don't know, but the master masters of Cihang Jingzhai will not be able to advance at all in the future. They were all promoted by a kind of drug, and they will not live to be fifty years old."

Yan Jing'an can't care so much now. If the secret she told today is known to Di Ni, she will definitely be killed. Yan Jing'an knows Di Ni too well. She now hopes that this bastard can defeat Di Ni. , otherwise the bastard Su Chen and she would be killed by Di Ni.

Yan Jing'an thought about it and warned Su Chen,

"Wu Xiangjun, the Celestial Monk of Jing Nian Zen Monastery is also a master of the Celestial Realm. You will face two land gods of the Celestial Realm in the future, and the Di Ni and the Celestial Monk reappear this time to use Li Clan to achieve some goals. As for what the purpose is, I don't know."

Su Chen saw that Yan Jing'an only told him the secret of Di Ni, and even reminded him kindly. This made Su Chen look at Yan Jing'an and be confused. Just now Yan Jing'an refused to say anything, but after she opened her mouth, she He also asked all the questions he didn't ask, which made Su Chen feel strange when he looked at Yan Jing'an.

"I understand, there are people who can deal with Di Ni and Tian Monk. Yan Jing'an, why are you kind enough to remind me this time?"

"I tell you that if these secrets are known to Di Ni, she will definitely not let me go. I am reminding you for the sake of my own life and death. If you can't deal with Di Ni and the Celestial Monk, then I will also be killed by Di Ni. Ni killed."

## Chapter 385

Su Chen did not expect that Yan Jing'an would have such a reason, but after thinking about the pursuit of Fan Qinghui and Shi Feixuan, he also believed Yan Jing'an's words. If Di Ni could send people to hunt down her apprentice Fan Qinghui, then Yan Jing'an may also be killed if he reveals some of Di Ni's secrets. It seems that Di Ni is also an old nun who has no relatives.

Su Chen looked at Yan Jing'an and didn't completely believe her words. This woman would be a master at playing with people's hearts in the future. If he completely believed in Yan Jing'an, he might not even know how he died in the future.

Su Chen nodded to Yan Jing'an and said,

"Yan Jing'an, I will verify your words. If what you say is true, I can let you out. But if you deceive me, I believe you will not see what I will do to you. Yan

Jing'an said to Su Chen nonchalantly, "Whatever you want, anyway, we are in the same boat now. If you die, I won't survive.""

Yan Jing'an has no hope for this bastard Su Chen. Di Ni and Tian Monk are land gods in the realm of gods and humans. The strongest person around this bastard may be the cultivation realm of the Grand Master. She has no hope for this bastard. What hope?

Yan Jing'an thought that she and these arrested Cihang Jingzhai disciples had not reported the news to Di Ni for several days. Now Di Ni must know that something happened to them. Although Di Ni doesn't want to show up openly now, she will definitely Find a way to kill this bastard Wu Xiangjun.

Su Chen did not talk to Yan Jing'an anymore. He knew that Yan Jing'an might not know everything about Di Ni. Now it seems that the appearance of Di Ni and Tian Monk will lead to other When the Celestial Realm appears, the Di Ni and the Celestial Monk will definitely not show up before completing their plans. They are probably also afraid that other Celestial Realms will appear and disrupt their plans.

Su Chen looked at Yan Jing'an and brought Xiaomeng and Black Widow have gone out. It is better for Yan Jing'an to be kept here. Unless Di Ni and Tian Seng come to rescue people, Cihang Jingzhai and the other people in Jingnian Chanyuan will not be able to rescue Yan Jing'an and Ci. Disciples of Hangjingzhai

"Husband, is what Yan Jing'an told the truth?" Xiaomeng couldn't help but ask when she saw Su Chen lowering his head and thinking about things.

Although Xiaomeng knew that the enemies this time were two land gods from the heavenly realm, she was very surprised why Cihang Jingzhai's Dini didn't appeared to save these disciples of Cihang Jingzhai, and the Jingnian Temple is in Luoyang. The monk did not show up to kill them that day.

Su Chen pulled Xiao Meng and smiled and said, "What Yan Jing'an said should be true." Yes, but that woman can't completely believe it. We will know whether what she said is true later. Black

Widow was also very confused and asked Su Chen, "Master, why didn't the Dini and the Heavenly Monk show up to kill us?"

Su Chen now also understands why Di Ni and Tian Monk have not appeared to kill them these days. In front of the world of the Sui Dynasty that Li Clan did not seize, Di Ni and Tian Monk will definitely not appear in the world.

Su Chen smiled and said Said to Black Widow and Xiao Meng,

"Haha, Dini and Celestial Monk are probably afraid that their reappearance will make other Celestial Realm masters suspicious or even investigate them. Dini and Celestial Monk's plan is a bit shocking, and they will definitely be exposed before they complete their plan.. After hearing what Su

Chen said, Xiaomeng said to him doubtfully, "Husband, does that mean that Di Ni and Tian Monk won't show up to deal with us now?"

"Well, Di Ni and Tian Monk will not deal with us personally now, but they will definitely send people to deal with us, but as long as Di Ni and Tian Monk don't appear, no matter how many people they send, it will be useless"

"Phew, as long as it's not the earthly nuns and heavenly monks who come from the heaven-human realm, we really don't have to worry."

"Don't worry, Bai Ruobing and Donghuang Taiyi from the Heavenly Realm should arrive in a few days. I don't know where Shi Guanyin's wife went. The Shadow Assassin hasn't found that woman yet."

Su Chen is also a little helpless now. Bai Ruobing knows what she, Donghuang Taiyi and Bei Mingzi went out to investigate, but Shi Guanyin didn't say what she was going to do before she left. He didn't even know where she went. Look. When I see that woman after I come here, I have to teach her a lesson.

Xiao Meng thought it was funny when Su Chen told her about Shi Guanyin. A master of the Heavenly Realm who wanted to deal with this bastard was actually defeated by this bastard. This The bastard is really not that strong. Shi Guanyin may have to deal with something when he leaves. Seeing Su Chen's depressed look, Xiaomeng smiled and said, "Haha, then you, bastard, must have done something to Shi Guanyin, otherwise How could she leave without saying goodbye."

I didn't really do anything, eh! Su Chen only kissed Shi Guanyin, but he really didn't do anything else.

Wouldn't that woman be afraid that he wanted her and run away on purpose?

Su Chen thought about it and Shaking his head, Shi Guanyin was already his wife, and it was impossible for her to run away without wanting to sleep with him.

Then why did Shi Guanyin leave him?

Damn it, Shi Guanyin wouldn't have a relationship with that homosexual, right?

Su Chen suddenly Thinking of the Jellyfish Yin Ji in the Shenshui Palace in the original work, Jellyfish Yin Ji is a homosexual, and Shi Guanyin was possessed by Jellyfish Yin Ji in the original work, and Jellyfish Yin Ji is much more powerful than

Shi Guanyin. Su Chen now suspects Jellyfish Yin Ji Ji's strength must be above the Heavenly Realm. He doesn't know what realm is above the Heavenly Realm, but Shi Guanyin's strength is

already at the late stage of the Heavenly Realm. Even she is not the opponent of Jellyfish Yinji, then Jellyfish Yinji is either at the peak of the Celestial Realm or is higher than the Celestial Realm.

Su Chen is now a little worried about Shi Guanyin. If that woman is caught by Jellyfish Yinji, I'm afraid he really won't be able to deal with Jellyfish Yinji. , Shenshui Palace is very mysterious, and the strength of Jellyfish Yin Ji is not something he can deal with now.

Just when Su Chen was thinking about Shi Guanyin, in Luokou not far from Luoyang City.

Shen Luoyan had already integrated The army of the patron king, Shen Luoyan, is now commanding 200,000 Sui border troops and 50,000 Netherworld cavalry troops to march towards Wagang Village. This time she is going to take Wagang Village in one fell swoop. With her ability to defeat

Wagang Village Understand that Shen Luoyan is very confident in destroying Wagang Village. This is the first time she has worked for Wu Xiangjun. Wu Xiangjun trusts her so much, and Shen Luoyan will not let Wu Xiangjun disappoint her. At this time, A messenger came to the commander's tent and saluted Shen Luoyan and said,"General Qi, the front army has approached Liyang and has been in contact with Shan Xiongxin's troops in Wagang Village."

Shen Luoyan didn't expect that in less than half a month, Li Mi would arrange his generals to Liyang. It seems that Li Mi couldn't wait to fall out with Zhai Rang, but this was also his opportunity.

Shen Luoyan thought about it and smiled. Then he ordered,"Shan Xiongxin? Haha, Li Yang only had less than 30,000 Wagangzhai troops. He ordered former army general Han Qinhu to lead 50,000 Sui border troops to destroy Shan Xiongxin."

"Yes, General."

Chapter 386

One day later, Shen Luoyan led the army to Liyang. After Shen Luoyan arrived, Han Qinhu of the Sui Dynasty had captured Shan Xiongxin of Wagang Village alive, and the 30,000 troops of Wagang Village also surrendered without mercy.

In Liyang City Lord's Mansion, Shen Luoyan looked at the generals in the main hall. These were famous generals of the Sui Dynasty's border army. Shen Luoyan sighed when he saw them standing

aside respectfully. Without Wu Xiangjun, these famous Sui Dynasty generals The general would definitely not be so respectful and obedient to a woman like her.

Shen Luoyan looked at Han Qinhu and Shan Xiongxin who was tied up and said,

"General Han, you have made great achievements this time. I will ask Mr. Wu Xiang for your merit when I get back."

Han Qinhu saluted Shen Luoyan and said,

"Thank you General, this is what I should do."

Han Qinhu doesn't dare to be disrespectful to this beautiful Shen Luoyan. He and the generals here have now taken refuge with Lord Wu Xiang, and this Shen Luoyan is so beautiful. He is very suspicious of Lord Wu Xiang and this Shen Luoyan has an unusual relationship. If he offends Shen Luoyan, his life will definitely be difficult in the future.

Shan Xiongxin was very shocked when he saw Shen Luoyan. He did not expect that Shen Luoyan was the commander-in-chief of the Sui army this time. He However, after learning about the Sui army that entered Wagang Village this time and the more than 200,000 Sui frontier troops attacking Wagang Village, I am afraid that Wagang Village will be in danger this time.

Shan Xiongxin looked at Shen Luoyan and asked doubtfully. He said, "Shen Luoyan, I didn't expect that you would defect to Sui Dynasty?"

Shen Luoyan looked at Shan Xiongxin and wanted to conquer him. Shan Xiongxin still has some abilities, and he is also a good person. He is also a tiger general when he leads the army.

"Shan Xiongxin, what happened to me taking refuge in the Sui Dynasty? Could it be that I bought a war horse at Pegasus Ranch and was killed by Li Mi when I went back?"

"this....."

"Shan Xiongxin, you should understand the overt and covert fighting between Li Mi and Zhai Rang. Wagang Village will definitely fall apart due to the fight between the two of them. Besides, I have not taken refuge in the Sui Dynasty. Mr. Wu Xiang, you should know that I am now Mr. Wu

Xiang's. My subordinates, all the generals and troops here belong to Lord Wu Xiang, now you understand."

Wu Xiangjun? The controller of Yangzhou and Luoyang?

How could he have so many troops?

These troops are the Sui frontier armies. How did Wu Xiangjun get the allegiance of these troops?

Shan Xiongxin is very uneasy now. He He also knew how powerful Wu Xiangjun was. The 780,000 Xiaoguo Army in Yangzhou City was the most powerful army in the Sui Dynasty, and those troops belonged to Wu Xiangjun, but! The 200,000 troops of the patron king of Luoyang were also Wu Xiangjun. Yes, this was something Shan Xiongxin never thought of.

Shen Luoyan looked at Shan Xiongxin's surprised look and said to him,

"Shan Xiongxin, Mr. Wu Xiang is now at the right time to employ people, and I know your abilities very well. You can consider it for a few days. If you really don't agree to surrender to Mr. Wu Xiang, I will fulfill your loyalty and take Shan Xiongxin with you."

"Yes, General"

"Pei Yuanqing came to protect his son, Han Qinhu"

""

Shen Luoyan thought about the layout of Wagang Village and then ordered in the main hall,

"Pei Yuanqing, you lead an army of 50,000 to attack Wagangzhai from Huaxian County to protect the children. You will lead an army of 50,000 to garrison in Luoshui. You cannot let the army of Wagangzhai break out from Luoshui and Han captures the tiger. You lead an army of 50,000 from Liyang to attack Wagang Village. I will lead the Chinese army to attack Wagang Village head-on. In this attack on Wagang Village, we must destroy the rebels in Wagang Village. I hope all the generals will work together to destroy Wagang Village."

"Yes, General."

Just when Shen Luoyan was deploying his army to attack Wagang Village, Xue Nu and the others from the Dugu Mansion in Luoyang City also came out of the secret room.

Xue Nu, Shang Xiuxun and the others were now promoted. When they reached the Grandmaster realm, they were all very happy when they came to the hall. In a few days, they broke through from the Xiantian realm to the Grandmaster realm, which made them all unbelievable.

Shang Xiufang felt that her current strength was very strong, and she thought If she fights that bastard Su Chen again in the future, that bastard will definitely be beaten to the ground by her and beg for mercy.

Shang Xiufang smiled when she thought of this and said,

"Haha, I am a master now, and that bastard Su Chen will no longer be my opponent."

Shang Xiuxun looked at the somewhat proud Shang Xiufang and struck,

"You are overthinking, Xiufang, even if you are a master, you are no match for that bastard."

Shang Xiuxun heard from Xue Nu about the strength of that bastard Su Chen. Su Chen was able to defeat the master master Black Widow with his innate strength. It can be seen that that bastard Su Chen has been hiding his strength.

Shang Xiufang couldn't help hearing what Shang Xiuxun said. He shook his head in belief and said,

"Impossible, that bastard is just a Xiantian realm cultivation level, he will definitely not be my opponent in the future"

"Xiufang, Black Widow, you should know that she is very powerful, but she is not yet a match for that bastard Su Chen. Can you defeat that terrifying woman, Black Widow, now?"

"this....."

Su Yan was very confused when he looked at Shang Xiufang. Shang Xiuxun was against her father because her father saw all her body. Then why was Shang Xiufang always against her father?

Su Yan was very curious and asked Shang Xiufang, "Shang Xiufang, my father is kind enough to let you improve your strength. Why do you always want to defeat my father? Did my father also do something to you?"

Shang Xiufang was asked by Su Yan. She didn't know how to answer. Should she tell this little girl that her father spanked her? She didn't want others to know about her spanking. The bastard Su Chen vaguely talked about her butt before, which already made everyone present suspicious.

Shang Xiuxun looked at Shang Xiufang strangely. She had witnessed Shang Xiufang being spanked by Su Chen. Now that Su Yan asked this question, she probably wouldn't say anything about beating Shang Xiufang to death.

Xue Nu, Shi Qingxuan, and Dugu Feng also looked at Shang Xiufang curiously. They also wanted to know what happened to Shang Xiufang, who had been making noisy troubles for Su Chen.

Shang Xiufang felt a little flustered when she saw that everyone was paying attention to her.

"No, I just can't stand that bastard of your father. He is so shameless and such a bastard."

"Well, my dad is a bit shameless and a bastard, but I really want you all to like my dad. Do you all like bastards and shameless people?"

Su Yan looked at these beautiful women with some amusement.

Half of them like her father. Bai Qing'er and Shang Xiuxun will probably be her father's women in the future, and Xue Nu, his father's concubine. Although she always looked cold, Su Yan saw that Xue Nu would sometimes peek at her father secretly.

Shi Qingxuan, who was cold and didn't care about anything, also had something to do with her father. There were even rumors that Shi Qingxuan had a father. Su Yan would not believe this was true even if he beat her to death. As for Shang Xiufang, Su Yan felt that she would also be conquered by her father in the future. This woman who had been clamoring for revenge might be completely trapped by him in the future. Su Yan doesn't know about the remaining Dugu Feng in his

father's hands. This tall woman, Su Yan, is not familiar with her, but since her father also asked her to use He's Bi to improve her strength, I'm afraid she and her father are also what is the relationship

"You are all here. It seems that your strength has improved very well."

## Chapter 387

When Su Chen came back with Xiaomeng and Black Widow, he found that Su Yan and the others had come out of the secret room, and all of them except Su Yan had been promoted to masters. This made Su Chen look at it and nodded.

These women It is very good that their strength has been improved so much. Even if they fight Cihang Jingzhai and Jingnian Chanyuan in the future, they will have the strength to protect themselves.

When Su Yan saw Su Chen coming back, he ran to Su Chen and held his hand and asked,

"Dad, where have you been? We have been out for a while."

Su Chen knew what this smart guy meant. She was afraid of him and left without saying goodbye. There was also the matter of Mr. Yang's treasure house. Su Yan was also worried that she would leave him alone.

Su Chen picked up Su Yan and laughed. Then he said, "Haha, I went to Luoyang Street to take a look, Yan'er, don't be anxious. When your aunt Murong Qiudi and others are promoted, we will open the Yang Gong's treasure house."

Su Yan stuck out her tongue when she heard Su Chen's words. She didn't expect that her father could guess her thoughts, which made Su Yan feel a little embarrassed.

Su Yan blushed and said to Su Chen,

"Well, I understand, Dad, don't leave me when the time comes, or I will ignore you in the future."

Su Chen looked at the shy Su Yan, touched her head and said with a smile, "Don't worry, I will definitely take you to hunt for treasure this time."

"That's pretty much it."

Su Yan felt relieved when she heard Su Chen's affirmative answer. She was just afraid that Su Chen would not take her with him because he was worried about her young age. Although Su Chen had promised her before, Su Yan was also worried that Su Chen would go back on his word.

After Su Chen comforted Su Yan, he looked at the evasive Shang Xiufang in a funny way and said,

"Shang Xiufang, I just heard outside that you want to teach me a lesson? How about we give it a try?"

Su Chen heard what Shang Xiufang wanted to teach him. Now it seems that Shang Xiufang has changed his mind. However, Su Chen is not going to let Shang Xiufang go. If he can spank Shang Xiufang again, Su Chen is very much looking forward to it. The moment came.

Shang Xiufang didn't expect that this bastard would still come to her. He even overheard what she just said. Shang Xiufang would not fight this bastard without overestimating her abilities now.

She listened to Shang Xiuxun's words. She knew that she was no match for this bastard Su Chen. If she faced this bastard again, this bastard Su Chen would definitely take advantage of her deliberately. Shang

Xiufang glared at Su Chen and said angrily, "Shameless, I won't fight with you." Asshole competition"

"Are you afraid?" Su Chen saw that Shang Xiufang was unwilling to compete with him, so he deliberately provoked Shang Xiufang and said,

Shang Xiufang would not be fooled by this bastard. How could Shang Xiufang not hear what Su Chen, a bastard, deliberately provoked her to say, "I'm afraid you? I just don't want to have anything to do with you asshole."

I guess, this Shang Xiufang seems to really want to treat her. She is afraid because she is afraid, and she speaks so confidently. Who gave Shang Xiufang the courage, Liang Jingru?

Huh?

Shang Xiufang is also a great dancer. What would it be like if Shang Xiufang and Xue Nu dance together for him?

There are also Shi Qingxuan and Nong Yu, one is a jade flute master, the other is a guqin master, plus his own twelve dancers, Su Chen's heart beats fiercely when he thinks of this, this The scene must be very tempting

"Husband....."

At this time, Lian Xing also came back. She saw so many people in the hall, and she didn't know whether to tell her about going to the Prancing Horse Bridge. The place Su Chen asked her to check today was very important.

"Lian Xing, has the location of Yang Gong's treasure house been determined?" Su Chen knew Lianxing's worries, but they are all our own people here. Even if they are not our own people, Su Chen will make them our own people in the future.

Seeing that Su Chen didn't care about the people here, Lianxing asked her, and she also understood that these women It should be trustworthy,"It's confirmed. It's exactly what you said, but I'm afraid it's a little difficult to get in. I looked at the traps there and it's hard to break them.""

Su Chen laughed when he heard Lian Xing's words. Su Chen was previously afraid that Yang Gong's treasure house was not in Luoyang. You must know that in the original work, Yang Gong's treasure house was in Chang'an, but Su Chen saw that Jing Nian Temple was in Luoyang, and it was also With He's Bi, he felt that the Sima Bridge in Chang'an should be different from the Prancing Horse Bridge in Luoyang, and Yang Gong's treasury should not be in Chang'an. You must know that Chang'an was the capital of the Sui Dynasty, and that old guy Yang Su was impossible. Bury the treasure in Chang'an,

"Haha, it's okay. As long as we have determined the location of Mr. Yang's treasure house, we have a master thief here. His mechanism skills are very powerful. The mechanisms in Mr. Yang's treasure house cannot be difficult for him."

"Well, just make arrangements."

Su Chen wanted to do something when he thought about Yang Gong's treasure house. There should be a lot of Jianghu people in Luoyang City now, and it is very strange that Cihang Jingzhai and Jingnian Chanyuan have not moved these days. Su Chen is worried about Cihangjing What kind of conspiracy does Zhai and Jingnian Temple have?

Su Chen thought about it and said to Dugufeng next to him, "Dugufeng, ask your grandma to deploy 20,000 troops at Yuanma Bridge in the past two days. Just say that Yang was found at Yuanma Bridge." Gong Baoku, it's best to let everyone in the world know the news."

Dugu Feng didn't expect Lord Wu Xiang to announce the location of Duke Yang's treasure house, but this made Dugu Feng a little confused, "Your Majesty, wouldn't it be very difficult for us to obtain Duke Yang's treasure house?"

Shang Xiuxun and the others also looked at Su Chen and couldn't understand. Since they know the location of Yang Gong's treasure house, they can move the treasures from Yang Gong's treasure house without anyone noticing, but why does this bastard want to make it public? They Looking at Su Chen, he was also waiting for this bastard's answer.

Looking at the expressions of the girls, Su Chen knew what they were worried about. Su Chen also wanted to get Mr. Yang's treasury. After all, his family now has a big business and he is spending money everywhere. place, but Su Chen had no choice but to do this in order to disrupt the conspiracy of Cihang Jingzhai and Jingnian Chanyuan against him. Otherwise, Cihang Jingzhai and Jingnian Chanyuan would not know what conspiracy they would play against him. ,

Su Chen smiled and said to Dugu Feng,

"Dugufeng, is this Luoyang? There are now more than 100,000 city guards in Luoyang City, and the gold, silver, treasures and weapons in Yang Gong's treasury can be transported out by just those Jianghu people?"

"And are those of us theatergoers? This time I also want to involve the people from Cihang Jingzhai and Jingnian Chanyuan. Otherwise, the people from Cihang Jingzhai and Jingnian Chanyuan have been hiding in secret and plotting in secret, and we cannot always be on guard against these enemies."

Bai Qing'er was a little worried after hearing Su Chen's words. If the other sects of the Demon Sect knew the location of Mr. Yang's treasure house, the other sects of the Demon Sect would definitely be desperate to fight for the Evil Emperor's relics. Bai Qing'er Now she was only thinking about Su Chen, and she would not see any accidents happening to Su Chen.

After thinking about it, Bai Qing'er stood up and hurriedly said to Su Chen,

"Your Majesty, we must also be wary of the people from the Demon Sect. If the news about Yang Gong's treasure house spreads, the people from the Demon Sect will definitely come to fight for the evil emperor's relics in Yang Gong's treasure house."

Chapter 388

Su Chen smiled after listening to Bai Qing'er's words. This Bai Qing'er has become a little different now. This woman is not like in the original book who goes around hooking up with concubines and trying to compete with Huan Huan. Now she should have put everything together. All her hopes are placed on herself. She should be looking down on the Yinkui sect now.

"Bai Qing'er, don't worry about the Demon Sect. This time, let the Demon Sect fight to the death with Jing Nian Chanyuan and Cihang Jingzhai. We can finish it in the end. Also, order the people of the Yin Kui Sect to hide. Please also inform Yun Yuzhen, who is from the Jukun Gang, she is also one of our own."

"Yes, Your Majesty."

Bai Qing'er was relieved when she saw that Su Chen had made arrangements, but what kind of ghost is Yunyu from the Jukun Gang? Is a small gang worthy of Mr. Wu Xiang's concern? Or is that Yunyu really a great beauty?

"Your Majesty, I will inform my grandma to arrange this matter now."

When Dugu Feng saw that Su Chen had made arrangements, she hurriedly went out to inform her grandma. This matter was very important. If Yang Gong's treasure house was obtained by those Jianghu people because of their Dugu family, I'm afraid she would not have the face to see Wu Xiang again in the future. Jun.

In the following days, the news about the discovery of Yang Gong's treasure house spread more and more in the Jianghu, and Luoyang City is now full of Jianghu people from all over the world, and even Jianghu people from other countries have arrived.

A person in Luoyang City In the inn, almost all the masters of the two sects of the Demon Sect and the Six Paths gathered here. Here are the eight masters of the Demon Sect, You Niaojuan from the

[Shengji Sect], Tianjun Xi Ying from the [Mie Qing Sect], and Tianjun Xi Ying from the [Tianlian Sect]. An Long, Zuo Youxian of [True Preacher], and Zhao Deyan, the Demon Commander of [Demon Xiang Sect].

An Long saw that everyone sitting here was silent, so he smiled and broke the deadlock and said,

"We gather this time just for the Evil Emperor's relics of our holy sect. I hope you will work together to seize the Evil Emperor's relics this time."

"Well, this time Cihang Jingzhai and Jingnian Chanyuan will definitely not allow us to successfully obtain the Evil Emperor's relics. It seems that our Holy Sect is going to go to war with Cihang Jingzhai and Jingnian Chanyuan this time."

"Yes, those noble and upright people will definitely not let us get the Evil Emperor's relics. I'm afraid we are going to go on a killing spree this time."

"What are you afraid of? Even if we don't kill those decent people, they won't let us go. We brought a large team of people here. This time we can't let the evil emperor's relics get to those bitches from Cihang Jingzhai.".....

The masters of the Demon Sect also started talking under An Long's guidance. They were determined to obtain the Evil Emperor's relics. The Evil Emperor's relics were treasures that could increase their strength. Their Holy Sect knew the Evil Emperor's relics very well. The essence of the Evil Emperor's relics is fatally attractive to masters like them.

Zuo Youxian looked at the Yin Queen Zhu Yuyan and the Huajian Sect's Yang Xuyan who had not arrived and said mockingly,

"The Yinkui Sect and the Huajian Sect may have to part ways with us this time, but we are missing two powerful masters."

Tianjun Xiying looked at the people present and said,

"Zhu Yuyan is now tied to a big shot. She is now Wu Xiangjun's woman. I'm afraid she won't be with us, the Holy Sect, in the future. Yang Xuyan is dead, and Shi Zhixuan is so crazy that I don't know if he will. Appear."

Xi Ying is also very familiar with Zhu Yuyan's current situation. Zhu Yuyan is now in Luoyang City, and she lives in the Dugu Clan's mansion. Now Yuanma Bridge is controlled by the Luoyang City Guards. If Zhu Yuyan is willing to cooperate with them, Yang It should be very easy to get the evil emperor's relics in the public treasury.

Anlong's eyes rolled after listening to Tianjun Xiying's words. He also heard about giving them to Zhu Yuyan and Wu Xiangjun. Anlong didn't believe that Zhu Yuyan would like one. For a young man so much younger than her, Anlong guessed that Zhu Yuyan might be taking advantage of Wu Xiangjun, or even try to sideline Wu Xiangjun in the future.

"Yes, I'm a little envious of Zhu Yuyan now. I didn't expect that Zhu Yuyan could charm Lord Wu Xiang even at such an old age. You must know that Lord Wu Xiang's power was the most powerful in the Sui Dynasty, and he might be able to ascend to the ninth level in the future. On the throne of the Five Supreme Beings, Zhu Yuyan will probably be either the queen or the imperial concubine in the future."

You Niaojuan also nodded and said,

"Well, with Zhu Yuyan's methods, it may not be difficult to become the queen in the future. Wu Xiangjun may be deceived by Zhu Yuyan and can only be a puppet in the future."

The devil commander Zhao Deyan looked at these people and went off topic. Looking at these people, he felt that these people were not people who did big things. He said loudly to Anlong and the others,

"Okay, this is not the time for us to talk about this. Zhu Yuyan, let's ignore her for now. Let's talk about Yang Gong's treasure house. You must know that the people from Cihang Jingzhai have also come to Luoyang and are now in Jingnian Temple."

The others stopped talking after hearing the words of Demon Commander Zhao Deyan. They also felt that they were a little off topic. Now the Evil Emperor's relics in Duke Yang's treasury are of vital importance, and they can no longer take it lightly.

In Dugu Mansion,

Su Chen These past few days have been very lively. He released his twelve dancers a few days ago. Su Chen has now advanced to the master level. This is because he was promoted to the master level after watching the performance of the twelve dancers.

These days, Su Chen has been watching the performances of his dancers every day. This makes the women in Dugu Mansion look at Su Chen with great disdain. They all feel that this bastard Su Chen has completely fallen. This morning,

Su

Chen Chen came out of Xiaomeng's room just in time to see Xue Nu coming out of her room. Su Chen was a little confused when he saw Xue Nu's uncomfortable look. He had not teased Xue Nu in the past few days, and he had not even spoken a few words. Sentence.

Why did this snow girl see that she looked like a ghost? Could it be that she had been watching the dancers perform these days and made these people misunderstand too much? When the snow girl saw this bastard, she blushed and wanted to leave here immediately. This bastard is so She heard clearly what was going on in Xiaomeng's room for a few days, and Xue Nu lived next to Xiao Meng's room.

Looking at this bastard Su Chen, Xue Nu thought, why is this bastard so energetic? During the day, he and those people The dancer was fooling around, either in Lianxing's room or Xiaomeng's room at night. Her room was right in the middle of Xiaomeng's and Lianxing's rooms. Xue Nu had not had a peaceful sleep these days.

Su Chen looked at the blushing Xue Nu. Wanting to tease him, "Snow Girl concubine, you have to sleep with me tonight.""

"Shameless, I am not your concubine."

Xue Nu was not afraid when she heard what this bastard said. This bastard also had a habit of talking. After getting to know this bastard for so long, Yuki Onna unknowingly had some different feelings about this bastard.

"oh? Snow girl, do you want to become my wife? Then you have to take good care of me tonight. If I am happy, I might promote you to the status of madam."

Chapter 389

Su Chen looked at Xue Nu and walked to her and hugged her directly. Su Chen felt that Xue Nu had changed a lot these days. In the past, Xue Nu ignored him, and even every time Su Chen talked to her, she always acted like it doesn't matter.

Xue Nu was stunned when this bastard Su Chen hugged her. She didn't expect that this bastard Su Chen would hug her, but why she didn't want to leave his arms when she was hugged by this bastard.

Su Chen looked at the Snow Girl who was hugged by him with some doubts. This Snow Girl was a little strange today. Why didn't she yell at him this time, or even struggle? Could it be that the Snow Girl was playing some conspiracy? Or is the snow girl sick?

"Snow girl, are you sick?"

When Xue Nu saw this bastard Su Chen touching her head and saying that she was sick, she angrily knocked off this bastard's hand and shouted,

"You're just sick, you really are a shameless bastard."

The snow girl is very angry now. This damn bastard, she just feels that his embrace is a little warm, and if she doesn't die in the future, she will definitely be this bastard's woman. She also gradually likes this bastard, but this bastard actually said I am sick

"Are you really not sick?"

Su Chen looked at Xue Nu in confusion. Why was this Xue Nu so unusual that Su Chen couldn't see clearly today?

Xue Nu didn't want to see this bastard now. She tried to push the bastard away while cursing at Su Chen,

"Get away from me, I don't want to see you bastard now."

Su Chen now understands that Xue Nu has accepted him, and he has not noticed it like a fool. During this time, he has cared less about Xue Nu. Su Chen hugged Xue Nu tightly and kissed her.

Xue Nu stared at Watching this bastard kissing her, she didn't expect that this bastard would kiss her right here. She leaned into Su Chen's arms and slowly closed her eyes. At this moment, Xue Nu didn't think so much anymore.

Just like Xiao Meng said. , it was fate that they met Su Chen, and it was also destined by God. They could not change the things that were arranged by fate. They were destined to be married. Today, Xue Nu believed it this time.

Su Chen kissed her for a while and then said goodbye. He saw With her face flushed and her eyes closed, the snow girl smiled and said,

"Haha, tonight I want to watch your Lingbo Feiyan, Snow Girl, you are mine and you will be mine in the future. You will be my woman in this life and the next life."

Xue Nu leaned in Su Chen's arms and ignored this bastard. Tonight, Xue Nu was worried about what Su Chen, this bastard, would do to her. You must know that Xiaomeng and Lianxing's room is next door to her room. If the matter between her and this bastard was revealed to them, I know, I'm afraid she won't have the face to see them in the future.

Su Chen hugged Xue Nu and sat in the pavilion next to her. Looking at the fish swimming in the small pond, Su Chen touched Xue Nu's With her beautiful hair, she thought, when did the snow girl start falling in love with him? He didn't notice it at all.

Su Chen felt that he cared a little less about his woman, just like a frightened salamander. The time he spent with her was getting shorter and shorter. There were also Changsun Wuchu, Murong Qiudi, Zinu, Mingzhu, and Moon God.

He cared less about others, even the pregnant Concubine Yan. It seemed that he would no longer be able to run around in the future. After this incident, Su Chen wanted to spend some time with his woman.

Just when Su Chen and Xue Nu were enjoying this moment, Black Widow suddenly came over and said to Su Chen,

"Master, all the masters of the Demon Sect have come to Luoyang City."

"oh? The people from Momen and Cihang Jingzhai arrived today. It seems that the matter of Yang Gong's treasure house is very attractive to them. Black Widow, let the city guards evacuate Yuanma Bridge tomorrow."

"Yes, master."

Black Widow looked at Xue Nu in Su Chen's arms and smiled mysteriously. Xue Nu, a cold woman, did not expect her master to capture her so quickly. Black Widow also thought that her master would capture Shang Xiuxun's woman first. Snow

Girl saw the black widow looking at her with a shy look. She was hurt badly by this bastard this time. When the black widow saw herself in Su Chen's arms this time, she would definitely tell Su Chen's other women, maybe today The other women in Su Chen would all know about her relationship with this bastard.

Xue Nu said to Su Chen with some embarrassment,

"Su Chen, why did you transfer the city guards away from Yuanma Bridge again?"

Su Chen hugged Xue Nu and said with a smile,

"Snow Girl, you don't understand. If the City Guards had been at the Leaping Ma Bridge, the masters of the Demon Sect and the people from Cihang Jingzhai and Jingnian Chanyuan would not have fought, and they would not have dared to attack the City Guards. After all, there were two Wan's city guards are here"

"Then you are not afraid that the Demon Sect or Cihang Jingzhai will take away the Evil Emperor's relic?"

"Haha, the Evil Emperor's relics are not taken away so easily. Let's watch a good show tomorrow. Alas, Murong Qiudi and Zhu Yuyan are not out of seclusion yet. Otherwise, they would have wiped out the Demon Sect and Cihang in one fell swoop this time. A good opportunity for those in Jing Zhai and Jing Nian Zen monasteries"

"We have an army and can't we kill all those people in one fell swoop?"

"It's difficult. Without the Grand Master, if those Grand Masters want to escape, I'm afraid you and the army won't be able to stop them. After all, this is Luoyang City and not the battlefield. If we were on the battlefield, none of them would be able to escape."

Su Chen also made some miscalculations now. She didn't expect that Murong Qiudi and the others had not absorbed the spiritual power in the Suihou Pearl for almost half a month. Now people from the Demon Sect and Cihang Jingzhai have come to Luoyang City. If Su Chen had been blocking the Leaping Horse Bridge, and he was afraid that both the Demon Sect and Cihang Jingzhai would take action against him, which would cause trouble. Just when

Su Chen regretted that he could not catch all the Demon Sect and Cihang Jingzhai this time,

Dugu Feng and Shi Qingxuan came together. Dugu Feng was a little confused when she saw Su Chen holding Xue Nu. She did not expect that this cold woman would be captured by Wu Xiangjun, which made Dugu Feng very curious. You know She also talked with this Snow Girl, who would not talk if she could. Dugu Feng also talked to the Snow Girl a few times and then never looked for her again.

Dugu Feng shook her head and stopped thinking about these things. She and Shi Qingxuan When Su Chen came, he saluted and said,

"Your Majesty, I discovered that the Evil King Shi Zhixuan also appeared in Luoyang City."

Shi Qingxuan looked at the snow girl in Su Chen's arms and didn't care. No matter how many women this bastard had, it had nothing to do with her anyway. This time she came to see this bastard because of Shi Zhixuan's arrival.

Shi Qingxuan was also afraid that Shi Zhixuan would come here. Something would happen, but she knew some of Su Chen's plans. If Shi Zhixuan also went to Yang Gong's treasure house, I'm afraid Shi Zhixuan would confront the masters of Cihang Jingzhai and Jingnian Chanyuan. Liao Kong and the four holy monks of Jingnian Chanyuan could not Shi Zhixuan is not something that can be dealt with.

Su Chen was speechless when he heard Dugu Feng's words. Su Chen didn't care about Shi Zhixuan's life or death, but now that Shi Qingxuan is here, Shi Qingxuan will always be with him in

the future. If he doesn't express his feelings, I'm afraid Shi Qingxuan will Those who are angry will leave themselves.

Su Chen thought for a while and said to Shi Qingxuan,

"Shi Zhixuan is here too? Shi Qingxuan, go find Shi Zhixuan immediately. Yang Gong's treasure house is in great danger this time. If Shi Zhixuan goes there, he may not be able to come out alive."

Shi Qingxuan shook her head at Su Chen and said with a sigh,

"I've met Shi Zhixuan, but she didn't listen to me. I found that Shi Zhixuan was determined to get the Evil Emperor's relics from Yang Gong's treasury this time. He ignored my words. If I said too much, I'm afraid he would attack me directly."

"Let me guess, is the Evil Emperor's relic more important than you? Or is Shi Zhixuan getting sick again?"

Chapter 390

Su Chen also knew that Shi Zhixuan wanted to obtain the Evil Emperor's relics. The Evil Emperor's relics might cure his schizophrenia and even allow him to advance to the realm of celestial beings. Su Chen didn't want Shi Zhixuan to recover. If Shi Zhixuan recovered, In the future, he will definitely be his enemy.

Shi Qingxuan looked at Su Chen and asked expectantly, "Su Chen, is there any way you can prevent Shi Zhixuan from fighting for the evil emperor's relics?"

Su Chen shook his head and said to Shi Qingxuan, "Shi Qingxuan, you should know Shi Zhixuan's temper. Now He must be suffering from schizophrenia. You should not have too much contact with Shi Zhixuan. Now he is probably someone who has no relatives."

"Is there really nothing you can do?"

"No"

"If you lied to me, you must have a way, right?"

"Alas, Shi Qingxuan, I have a way to stop Shi Zhixuan, but Zhu Yuyan and the others are not out of seclusion now. If Zhu Yuyan and Fan Qinghui are out of seclusion, I can let them take action to catch Shi Zhixuan, but now you also know the situation, we here No one is a match for Shi Zhixuan. We simply can't defeat that great master Shi Zhixuan."

"Is there no other way?"

"No."

Su Chen felt a little helpless when he saw Shi Qingxuan's anxious look. He still had a way to stop Shi Zhixuan, but he didn't want to do that. If Shi Zhixuan really got the evil emperor's relic and advanced to the land of heaven, I'm afraid he would be the first to do so. He will not let himself go. Su Chen will not save a general's enemy. He has to think about his men and his women.

Shi Qingxuan felt a little depressed when she heard Su Chen's words. She also knew what was going on here. Women are now masters, and they are no match for Shi Zhixuan. Shi Zhixuan is now ill again, and Shi Qingxuan has no way to stop Shi Zhixuan.

Su Chen let go of Xue Nu and came to Shi Qingxuan to comfort him, "Shi Qingxuan, don't worry too much, maybe Nothing will happen to Shi Zhixuan, after all, he is a great master."

Shi Qingxuan glared at the bastard Su Chen and said sternly,

"Do you think I will believe you? Will the people from Cihang Jingzhai and Jingnian Chanyuan let Shi Zhixuan go? Moreover, Liao Kong of Jing Nian Zen Monastery is a great master, and with the joint attack of the four holy monks, can Shi Zhixuan come out of Yang Gong's treasure house alive?"

"Um."

Su Chen looked at Shi Qingxuan who was about to get angry and didn't know how to answer. He couldn't tell Shi Qingxuan that he was just comforting her.

When Shi Qingxuan saw that Su Chen didn't answer her, she grabbed Su Chen's clothes and shouted loudly,

"Say it, you bastard, why don't you say it?"

What else can I say?

How can this Shi Qingxuan be so talkative now?

Shi Zhixuan will definitely be dead as long as he enters Yang Gong's treasure house. Su Chen doesn't need Shi Qingxuan to tell him that he knows it, but this Shi Qingxuan is going crazy now. This made Su Chen know that she still had feelings for Shi Zhixuan. After all, Shi Zhixuan was still his father.

Xue Nu and Dugu Feng looked at Shi Qingxuan helplessly. They didn't know how to comfort Shi Qingxuan. Shi Qingxuan's father Shi Zhixuan had schizophrenia. They all knew that they could not stop Shi Zhixuan with their own strength, and they could only feel sorry for Shi Qingxuan.

At this time, on the streets of Luoyang City,

Qin Mengyao and Le Bingyun were coming towards Dugu Mansion together. This time they were They were all prepared to serve as tigers. Originally, Qin Mengyao was the only one who wanted to complete this task. However, since Yang Gong's treasure house was discovered,

Le Bingyun also received an order from Di Ni, asking her and Qin Mengyao to carry out the order together. So Qin Mengyao He and Le Bingyun came to Su Chen with the medicine that Di Ni had given them.

Le Bingyun thought about the medicine that Di Ni had asked someone to bring them and asked in confusion,"Sister, what is the medicine that Master gave us?" medicine? Why do we have to eat it together when we meet Mr. Wu Xiang?"

"I don't know. Anyway, that medicine is definitely not a good thing."

Qin Mengyao shook her head. She didn't know what kind of medicine it was. Qin Mengyao thought that she and her junior sister Le Bingyun were going to serve the tiger with one's body, and also tempted Wu Xiangjun to evacuate the troops at the Leaping Horse Bridge. She guessed that The medicine must be an aphrodisiac.

"So do we want to eat?"

Le Bingyun is now worried that this medicine may be some kind of poison, or even a medicine that will kill Wu Xiangjun," Le Bingyun said worriedly.

Qin Mengyao shook her head and said to Le Bingyun seriously," It depends on the situation at that time, junior sister, don't eat without my permission"

"I know, senior sister."Le Bingyun nodded hurriedly when she saw Qin Mengyao's serious expression. She knew that senior sister Qin Mengyao would not harm her, and Le Bingyun also believed in this gentle and calm senior sister.

When Qin Mengyao and Le Bingyun came outside Dugu Mansion, they They looked at each other and walked up. They didn't know how they would be treated by Lord Wu Xiang this time, or whether they would even be humiliated to death by Lord Wu Xiang? But they had no choice. If they didn't go, they would die, and they wouldn't not save them. their master

"Stop, this is Wu Xiangjun's temporary residence, no one is allowed to approach it without permission."

Qin Mengyao and Le Bingyun were surrounded by the secret guards guarding the place as soon as they approached Dugu Mansion. These are Su Chen's secret guards. They are not polite to beauties like Qin Mengyao and Le Bingyun.

Qin Mengyao watched these training The well-trained guards were very surprised. Each of these guards pointed their crossbows at them. If they did not listen to these guards and stop, they would probably shoot them mercilessly.

"We are disciples of Cihang Jingzhai. We are here to see Lord Wu Xiang this time. Please inform us."

"Cihang Jingzhai? Just wait, I'll go and inform you."

When a captain of the secret guard heard Qin Mengyao's words, he looked at them and said,

"Thank you."

In Dugu Mansion, Su Chen looked at Shi Qingxuan and still refused to let him go, so he winked at Xue Nu and Dugu Feng, but! Su Chen found out that after he asked Xue Nu and Dugu Feng for help, Xue Nu and Dugu Feng didn't even know they were there. Ignore him, which makes Su Chen speechless. These two women are going to die without saving him.

Xue Nu and Dugu looked at each other and laughed. It's not that they don't want to save Su Chen, but they are afraid that even if they pass, It was of no use. Shi Qingxuan was helpless now, so they thought it would be better to let Shi Qingxuan vent her anger on the bastard Su Chen.

Shi Qingxuan grabbed Su Chen and found that the bastard's eyes kept blinking. She looked at Xue Nu He and Dugu Feng drank to Su Chen,

"What are you looking at, you bastard?"

I guess, what the hell,

Shi Qingxuan is taking advantage of her now?

Why is she not scolding or yelling at herself?

Has he become her punching bag?

Su Chen thought that Shi Qingxuan would lose her father soon, and he She didn't want to argue with this crazy woman, so she just considered it as compensation for what she had done to Shi Qingxuan before.

Shi Qingxuan came up to Su Chen and said angrily to him,"You bastard, why don't you speak? Are you mute?"

Su Chen rolled his eyes and ignored this crazy woman. This woman is going crazy now. If he talks to her now, I'm afraid Shi Qingxuan will make things difficult for him. Su Chen is not so stupid to answer Shi Qingxuan, this crazy woman. At this time,

Dugu The captain of the secret guard guarding the gate of the mansion lowered his head immediately when he came in. He had just seen Mr. Wu Xiang and a beautiful woman having sex with each other. This was not something he dared to see. The captain of the secret guard lowered his head and looked at Su Morning ritual,

"I would like to inform you that there are two women from Cihang Jingzhai outside who want to see you."
