Chapter 391

When Su Chen heard what the secret guard said, he knew that Yan Jing'an's two apprentices were here. It seemed that the interrogation of Yan Jing'an yesterday was not in vain. Yan Jing'an was indeed the person who knew Di Ni best. This time Le

Bingyun and Qin Mengyao She actually came to find him, which made Su Chen a little confused. Yan Jing'an only said that her two disciples would definitely come to find her, but Nun Yan didn't say the reason, which made Su Chen confused for a while. It was impossible to guess what Qin Mengyao and Le Bingyun were looking for him this time, and Di Ni knew that he would be a powerful opponent of the Li clan in the future, so why did she let Le Bingyun and Qin Mengyao look for him? Could it be that the old nun had some conspiracy against him?

Le Bingyun and Qin Mengyao are much more sinister than Shi Fei Xuan. Su Chen even thought that in the original work, Le Bingyun and Qin Mengyao both lost their virginity, but they were able to stay in Cihang Jingzhai after losing their virginity, and even He was still able to succeed as the master of the house, but Shi Qingxuan's mother Bi Xiuxin was hunted down after she lost her virginity to Shi Zhixuan, which is somewhat unreasonable.

Su Chen looked at her and still grabbed her and wouldn't let go. Shi Qingxuan was a little helpless. With the arrival of Le Bingyun and Qin Mengyao this time, Su Chen also wanted to know how Cihang Jingzhai planned to fight for Yang Gong's treasure house.

"let them come"

"Yes, Your Majesty."

Su Chen looked at Shi Qingxuan who was still glaring at him after the secret guard captain left and said, "Shi Qingxuan, now I have important things to do, can you let me go?"

"Don't even think about it, unless you figure out a way to save Shi Zhixuan, I will keep holding on to you."

"Let me guess, Shi Qingxuan, I said that I have no way to save Shi Zhixuan. It has nothing to do with me that Shi Zhixuan wants to die. If I dare to stop him, I'm afraid he will kill me first."

"You bastard is so shameless that you will definitely find a way to get the best of both worlds."

What the hell!

What's the best of both worlds?

Even if I had a way, I wouldn't save Shi Zhixuan, his future enemy. It would be fine if Shi Zhixuan had been schizophrenic. But once Shi Zhixuan returns to normal, wouldn't he have to fight to the death with himself? ?Su Chen would not be foolish enough to save Shi Zhixuan

"It's up to you, I have no other choice anyway."

Shi Qingxuan looked at Su Chen and knew that she was a bit pushy now, but Shi Zhixuan was her father after all, and Shi Zhixuan would protect her when she was sick in the past. In the past ten years, if it weren't for Shi Zhixuan has been secretly protecting her, and I'm afraid she would have been killed long ago.

Shi Qingxuan sometimes even wanted to forgive Shi Zhixuan for forcing her mother to death, but she could not let go of her mother's death. Now Shi Zhixuan is fighting again for the evil emperor's relics in Yang Gong's treasury. Schizophrenia.

And this time the schizophrenia is much more serious than before. Even she was too frightened by Shi Zhixuan's eyes to persuade him too much. Now Shi Qingxuan can only rely on Su Chen, a bastard, to help her.

And at this time , Le Bingyun and Qin Mengyao arrived here under the supervision of a group of secret guards. When

Qin Mengyao and Le Bingyun came to this garden, they saw a man and three women in the garden, and one of the women was still flirting with the man. , which made them all know that the man was Wu Xiangjun.

This Wu Xiangjun was indeed a lustful devil. He was teasing women early in the morning. Le Bingyun and Qin Mengyao were even more worried about how they would be humiliated by this lustful devil. Qin

Mengyao and Le Bingyun looked at each other and saluted Su Chen,"Qin Mengyao (Le Bingyun), a disciple of Cihang Jingzhai, has met Lord Wu Xiang."

Su Chen looked at Le Bingyun and Qin Mengyao and felt that they were the peerless beauties in Fan Yun Fu Yu. They were indeed very beautiful, but they were the most poisonous women in Cihang Jingzhai.

Especially Le Bingyun. , in the world of clouds and rain, this woman married Feng Xinglie for Pang Ban, and then abandoned him mercilessly when Feng Xinglie lost all his martial arts skills, but this woman is also the most miserable woman in the world of clouds and rain, forget it , Why are you thinking so much? None of this has happened in the mixed martial arts world anyway.

Su Chen was thinking about Qin Mengyao and Le Bingyun when he suddenly felt a pain in his waist. He lowered his head and saw Shi Qingxuan pinching him out angrily. waist,

"hiss! Let me tell you, Shi Qingxuan, what are you doing? My waist is about to bleed when you pinch it"

""Shameless person"

Shi Qingxuan felt resentful when she saw this bastard who kept looking at Cihang Jingzhai and the two women. This bastard was still as lecherous as ever, a bastard who couldn't walk when he saw a beautiful woman.

Su Chen didn't bother to pay attention to this Crazy woman, he looked at Qin Mengyao and Le Bingyun and said with a cold face,

"Qin Mengyao? Le Bingyun? What do you want to see me for this time?"

Qin Mengyao and Le Bingyun felt a little uneasy when they looked at Wu Xiangjun, who had been staring at them. The way this lustful man looked at them made Qin Mengyao and Le Bingyun feel strange, as if Wu Xiangjun had known them before, and they also She couldn't tell why Wu Xiangjun looked at them like this.

After Qin Mengyao heard Wu Xiangjun's question, she hurriedly said to Su Chen, "Wu Xiangjun, this time we are here for our master. I hope Wu Xiangjun is here." Mr. Xiang can let our master go."

Su Chen looked a little funny when he looked at Qin Mengyao. Yan Jing'an was his prisoner, and that nun Yan Jing'an was obviously going to go against Di Ni. Even if Su Chen let Yan Jing'an go now, that nun Yan would definitely not dare to leave. Here,

Su Chen looked at the calm Qin Mengyao and wanted to tease her, "Who is your master? I only have Fan Qinghui and Shi Feixuan here, but there are no other people from Cihang Jingzhai. Are you looking in the wrong place?"

Qin Mengyao saw that Wu Xiangjun did not admit that her master was here, and she also understood that the master would not be let go so easily after being caught by this perverted demon. Qin Mengyao now wanted to know if everything was well with their master? Has their master been captured by this Wu Xiang? Has Jun Xiang been insulted?

Qin Mengyao tried her best not to show her angry expression. Saving her master this time was the most important thing. She didn't care about completing Master Dini's mission. Anyway, she has now entered Wu Xiangjun's house. What happened here It was impossible for Di Ni to know anything. Qin Mengyao just wanted to buy time, so that she and Le Bingyun might not need to lose their virginity to Mr. Wu Xiang, and might be able to rescue their master.

"Mr. Wu Xiang, this time my junior sister Le Bingyun and I learned that our master is here after receiving reliable information. Please also ask Mr. Wu Xiang to let us meet our master."

"Le Bingyun is your junior sister?"

""Yes." Let me guess, how did Le Bingyun become a junior sister in this world? Shouldn't she be Qin Mengyao's senior sister? Su Chen looked at Le Bingyun and Qin Mengyao, and he couldn't tell who was older or younger among them.

Snow Girl Dugu Feng and the others looked at the two women from Cihang Jingzhai, and they felt that Cihang Jingzhai might use these two beautiful women to seduce the bastard Su Chen. Now the whole world knows that Wu Xiangjun is a womanizer, and Cihang Jingzhai obviously knew that this bastard Su Chen was a lecher, and he even sent two beautiful female disciples here. If there wasn't something fishy involved, they wouldn't believe it.

Qin Mengyao looked at Su Chen and felt a little strange. Why was Le Bingyun his junior sister? Why did Wu Xiangjun look like that when he knew Le Bingyun was his junior sister? Qin Mengyao looked back at Le Bingyun and couldn't figure out why.

Su Chen looked at Qin Mengyao and said with a smile,

"Qin Mengyao, even if your master Yan Jing'an is here with me, why should I let her go? You, Cihang Jingzhai, have now publicly supported the Li clan to fight for the world. This is obviously an attempt to go against me. Since we are enemies in the future, it is even more impossible for me to let Yan Jing'an go."

When Qin Mengyao saw Wu Xiangjun say this, she knew that Wu Xiangjun was going to put forward conditions. Qin Mengyao and Le Bingyun had no intention of going back this time. If they went back without completing Di Ni's mission, they would definitely be punished by Di Ni. Ni did not hesitate to execute them, or let them seduce some powerful people to be used by Cihang Jingzhai.

Qin Mengyao exhaled heavily and stood up and said to Su Chen, "Hey, Mr. Wu Xiang, what conditions can you offer? If we can promise you, we will definitely promise you, and even our senior sisters can also be Wu Xiangjun's concubines."

Damn it, I have to wait for the tiger with my body.

Cihang Jingzhai was really generous this time. He actually sent two peerless beauties to seduce him.

Su Chen suddenly thought that something was wrong with this matter.

Is it my fault? He turned out to be a serious problem for Cihang Jingzhai. The old nun from Cihang Jingzhai wanted Qin Mengyao and Le Bingyun to control her.

"Shameless."

Shi Qingxuan was very angry when she heard what Qin Mengyao said. How could Cihang Jingzhai, a well-known and upright person, do such a thing? What is the difference between this and the Demon Sect?

Xue Nu and Dugu Feng did not expect this Cihang. The women in Jingzhai would say something like this. They looked at Su Chen and waited for his answer.

They also had no hope for this bastard Su Chen. This bastard was just a pervert. These two women from Cihang Jingzhai But she is very beautiful, and this bastard must be very moved now.

Le Bingyun lowers her head and dare not look at these people. She did not expect that senior sister Qin Mengyao would be so direct. If Wu Xiangjun agrees, I'm afraid it's impossible for them to regret it even if they want to.

"Wu Xiangjun, you....Agree?"Qin Mengyao saw that Su Chen kept looking at her without answering, so she endured her embarrassment and asked Su Chen.

Su Chen laughed when she looked at Qin Mengyao. Although this was a beauty who came to her door automatically, Su Chen did not dare to Accepting it casually, these two women are not a good person.

Although they are still young and will not do those unscrupulous things, they can't say for sure in the future, but it is a bit reluctant to let them leave Su Chen like this, no matter what. Both of them are stunning beauties, and letting them leave like this when they arrive at his place is not in line with his title of a pervert.

"Haha, why don't you agree to such a good thing, but this is not enough, Qin Mengyao, Cihang Jingzhai, who came to compete for Yang Gong's treasure house this time? And who will Jingnian Chanyuan send to fight for Yang Gong's treasure house?"

When Shi Qingxuan saw that this bastard actually agreed, she was so angry that she wanted to pinch this bastard's waist again. However, as soon as she stretched out her hand to pinch this bastard, she found that her hand was grabbed by this bastard, which made Shi Qingxuan couldn't help but kick him. Damn this bastard.

Su Chen has been guarding against the now a little crazy Shi Qingxuan. He knew that as long as he agreed to what Qin Mengyao said, this Shi Qingxuan would definitely take action against him. Su Chen grabbed Shi Qingxuan's hand that was about to pinch his waist and smiled. Fortunately, I had foresight.

Damn it, is this woman really crazy?

When Su Chen saw Shi Qingxuan was about to kick her private parts, he hurriedly held Shi Qingxuan in his arms and controlled her.

Su Chen held Shi Qingxuan and was right next to her ear. He whispered, "Don't make trouble, I'm lying to them."

Shi Qingxuan struggled when being hugged by this bastard Su Chen. She heard Su Chen's words and understood that this bastard just promised that Qin Mengyao on purpose. However, since this bastard was lying to that Qin Mengyao, why didn't he let go of his embrace? ?

"let me go"

"Shi Qingxuan, it's better for you to stay in my arms. You are a dangerous person now, and I don't want to be kicked to death by you."

"Shameless, I won't do anything anymore, let me go"

"Don't even think about it, I don't believe what women say, especially what you, a beautiful and beautiful lady say,"

""Bastard"

Shi Qingxuan had nothing to do with this bastard. Anyway, it wasn't the first time she was hugged by this bastard. Shi Qingxuan glared at Su Chen and stopped struggling. Now she wanted to see how this bastard was going to deceive Cihang Jingzhai. These two disciples.

Qin Mengyao did not expect that Su Chen still had such conditions. She looked at Wu Xiangjun and his woman fooling around and thought about it and said,

"Mr. Wu Xiang, I can tell you these conditions, but you must agree to one condition."

""Tell me about it."

Su Chen didn't expect that Qin Mengyao would really agree to his conditions. What happened to these disciples of Cihang Jingzhai?

Why don't they seem to be very loyal to Cihang Jingzhai? Qin Mengyao and the others are their masters. In this way, the same is true for Qin Mengyao and Le Bingyun. Are the Di Ni from Cihang Jingzhai oppressing them too much? Or are Qin Mengyao and the others afraid of Di Ni's cruel methods and betraying Cihang Jingzhai?

Qin Mengyao thinks of Di Ni's mission. He said directly, "You must evacuate the troops at the Prancing Horse Bridge."

Although Qin Mengyao no longer wants to complete Di Ni's mission, if they do nothing at all in Wu Xiangjun's mansion, Di Ni may still send people over, and they may even be executed by Di Ni before they can rescue their master.

After thinking about it, Qin Mengyao could only complete Di Ni's first mission first, so that Di Ni would not suspect them of betraying Cihang Jingzhai. In the future, as long as they rescued their master Yan Jing'an, they could escape to other countries and hide. Anyway, Di Ni's plan has reached a critical stage now, and she definitely does not have time to deal with the three masters and apprentices.

Su Chen did not expect that Qin Mengyao would make such a request. Su Chen was also a little lucky. He was the one who asked the troops at the Leaping Horse Bridge to evacuate tomorrow. If the troops from Yuanma Qiao evacuate today, I am afraid Qin Mengyao and the others will make other demands. Xue Nu, Dugu Feng, and Shi Qingxuan all looked at Qin Mengyao and sympathized with her. If this woman came tomorrow, she would not have to mention this condition at all. Su That bastard Chen Chen will evacuate the army there. This time, Qin Mengyao will be deceived by that bastard Su Chen into taking her in.

Qin Mengyao was a little anxious waiting for Su Chen's answer. She also knew that Wu Xiangjun might not agree with her condition. She would agree, but she had no choice. If Wu Xiangjun's army stayed at the Yuanma Bridge, Cihang Jingzhai's disciples would not be able to get close to it.

If Cihang Jingzhai attacked those troops, the gain would outweigh the losses. Luoyang City. However, there are more than 100,000 city guards, and Lord Wu Xiang still has hundreds of thousands of troops near Luoyang. These are not things that Jianghu people like them can deal with.

Su Chen looked at Qin Mengyao with some fun, and now Qin Mengyao was like a A helpless little wild cat, Su Chen didn't know whether Qin Mengyao was just pretending or real. He smiled and said to Qin Mengyao,

"Evacuate the troops at Prancing Horse Bridge? Do you think you and your junior sister Le Bingyun are more valuable than the treasures in Mr. Yang's treasure house?"

Chapter 393

Qin Mengyao was completely speechless after hearing Su Chen's words. How could they and their fellow apprentices be compared to Duke Yang's treasure house, which contained countless gold and silver treasures, weapons and equipment, and even the evil emperor's relic, the most precious treasure of the Demon Sect. Among them, just one Evil Emperor relic is more valuable than their sisters. Qin Mengyao now knows how to answer Wu Xiangjun.

Le Bingyun looked up at Qin Mengyao and wanted to say something, but she thought about their situation and did not say anything. But if they cannot convince Wu Xiangjun now, the plan they discussed on the road may not be implemented. Before their plan is implemented, everything will be lost.

Le Bingyun thought for a while and then walked up to Su Chen and took out the medicine sent by Di Ni from his arms and handed it to Su Chen and said,

"Mr. Wu Xiang, this is the medicine sent to us by Master Dini. Master Dini ordered us to secretly let you take this medicine with us. Senior sister and I don't know what kind of medicine this is, but it is definitely not good. What good medicine could it be, and are we sincere enough now?"

Su Chen looked at the three pills in his hand and said in surprise,

"Um? The medicine that Dini sent to you? Do you want you to take it with me? Isn't this an aphrodisiac?"

Le Bingyun blushed and shook her head hurriedly after hearing Su Chen's words. She didn't know what kind of medicine it was. Now, in order to make Su Chen trust them, Le Bingyun could only take out these medicines to obtain them. Wu Xiangjun's trust,

"I don't know, we have never seen such a drug"

"System, what kind of medicine is this?"

"Ding, the second medicine is Red Flower. Red Flower is refined from the spiritual flower Red Orioles. This medicine is a very strong aphrodisiac. Men and women who take this medicine will have incomprehensible emotions. Even after having sex, taking this medicine Men and women who take medicine will be inseparable from each other, and their trust in each other will increase day by day."

Holy crap, it's really an aphrodisiac, but the medicinal properties of this aphrodisiac are a bit powerful. Cihang Jingzhai is really not a good bird, the spirit flower oriole flower?

Is there any secret place in Cihang Jingzhai?

Spirit flowers are not in this world. Has it become extinct?

There is no aura in this world, so how did Cihang Jingzhai get the Red Oriole Flower?

Su Chen thought that if Cihang Jingzhai wanted to have an ancient secret realm, then it would be understandable why Di Ni could do so in just a short period of time. He was able to cultivate so many masters in his time, but is there a secret realm in this world?

Su Chen put away the three red flowers and said to Le Bingyun and Qin Mengyao with a smile,

"Haha, this is an extremely strong aphrodisiac. If you take it with me, you can think about the consequences."

After hearing what Su Chen said, Xue Nu reminded him, "Su Chen, it seems that Cihang Jingzhai has already started to deal with you. You should be careful in the future and don't fall into the hands of women in the future."

"Yes, Your Majesty, we will strengthen our security in the future, and you should not leave the house easily. If Cihang Jingzhai's plan fails this time, they will definitely find ways to deal with you."

Dugu Feng also hurriedly tried to persuade Su Chen. Their Dugu Clan has now taken refuge with Lord Wu Xiang. If something happens to Lord Wu Xiang, I'm afraid their Dugu Clan will not be easy either.

And Dugu Feng doesn't want anything to happen to this bastard Su Chen. Her grandmother But she said that she would marry Wu Xiangjun in the future, and Su Chen would be her husband in the future.

Dugu Feng also had a crush on Su Chen, otherwise her grandma ordered her to marry this bastard. She didn't want it, and her grandma It's impossible to force her

"Suchen, you.....You should be more careful in the future."

Shi Qingxuan is also a little worried about this bastard. This time Cihang Jingzhai used aphrodisiacs, but next time Cihang Jingzhai may use poison.

Shi Qingxuan also doesn't want anything to happen to this bastard. Although this shameless guy is a bit lustful, he has no force after all. Any woman.

Shi Qingxuan also knew that the women in Dugu Mansion all had feelings for this bastard. Although these had nothing to do with her, Shi Qingxuan was even a little angry that this bastard broke her peaceful life, but she and this bastard these days Doing it right also made Shi Qingxuan's life much more interesting than before.

Seeing Xue Nu and the others' worried faces, Su Chen smiled and said, "I know, you don't have to worry, I'm not someone who can easily be plotted to death."

Qin Mengyao watched Le Bingyun take out those drugs and give them to Wu Xiangjun, and Wu Xiangjun actually knew what these drugs were. It seems that this Wu Xiangjun has also used a lot of aphrodisiacs to poison other women, otherwise he wouldn't Maybe they recognized these as strong aphrodisiacs at a glance.

When Qin Mengyao saw that Su Chen had not replied to them, she couldn't help but said to Su Chen,

"Mr. Wu Xiang, although we are not as important as Mr. Yang's treasure house, we are at least at the level of a master. From now on, our fellow apprentices and sisters will work for Mr. Wu Xiang. I hope Mr. Wu Xiang can agree to our conditions."

Su Chen hugged Shi Qingxuan and looked at the anxious Qin Mengyao and said,

"I agree. Your sincerity is enough. The troops from Yuan Maqiao will evacuate tomorrow. I hope you will remember your promise just now. Now tell me who Cihang Jingzhai and Jingnian Chanyuan will send to fight for Yang Gong's treasure house."

Qin Mengyao saw that Su Chen agreed and would even evacuate the troops at Yuanma Bridge tomorrow. This made Qin Mengyao a little happy. This was a step closer to their goal of rescuing Yan Jing'an.

Qin Mengyao did not hide it from Su Chen. She directly He told Su Chen all the news about Cihang Jingzhai and Jingnian Temple,

"More than a hundred people came to Cihang Jingzhai this time. There were ten masters and masters, but there was no great master. The Jingnian Zen Academy may have hosted the team led by Grandmaster Kongda, the four great saints and hundreds of innate realms. Monks will also be dispatched, and there will also be some foreign aid. As for those foreign aids, we don't know, but the great master Ning Daoqi will definitely participate."

Su Chen felt a little helpless after listening to Qin Mengyao's words. Cihang Jingzhai is really as strong as the clouds. Ten master masters and hundreds of Xiantian realm female disciples are not bad at Jingnian Zen Temple. But it is a bit bad to be empty. To deal with it, there are four great holy monks. The combination of these four people can defeat the great master Shi Zhixuan. Their strength cannot be underestimated.

As for the foreign aid, Su Chen is not worried. The foreign aid is just a bit useless, and they are all interested in it. They run faster than anyone else. If there is danger, the first ones to run away will probably be those foreign aids.

"Qin Mengyao, you and Le Bingyun will be mine from now on. Don't let me see you in contact with other men in the future. You can't see your master now. I still can't believe what you say. Don't even think about going down now. If there is I will inform you of the matter, Dugufeng, and have someone arrange a place for them."

"we know."

Qin Mengyao and Le Bingyun blushed when they heard Su Chen's words. They did not expect how directly Wu Xiangjun would order them.

Qin Mengyao and the others thought that they could stay here, and they also knew that Wu Xiangjun would not be able to see them. Just believe them. As long as they stay, they will have the opportunity to find out where Master Yan Jing'an is being held.

"Yes, Your Majesty,"

Dugu Feng replied immediately after hearing Su Chen's words.

Dugu Feng did not expect that Lord Wu Xiang would arrange Qin Mengyao and the others like this, but she smiled when she thought of Yan Jing'an in the prison. Yan Jing'an wanted to If she submits to Lord Wu Xiang, then her two disciples' efforts to save Yan Jing'an may be in vain in the end.

Chapter 394

After Qin Mengyao and the others were led by Dugu Feng, Su Chen thought about the matter of Leaping Ma Bridge tomorrow. If the army is evacuated tomorrow, the Demon Sect, Cihang Jingzhai, Jingnian Chanyuan, and even those in the Jianghu will definitely After opening Yang Gong's treasury, Su Chen also had to prepare to kill those who entered Yang Gong's treasury.

Su Chen thought for a while and decided to let Lu Xiaofeng and the others sneak in first, so that he could know every move inside, so that nothing would happen again when he wanted to destroy Cihang Jingzhai and Jingnian Chanyuan.

"Snow Girl, arrange for someone to inform Lu Xiaofeng and the others about what will happen tomorrow, and ask Lu Xiaofeng and the others to sneak in, but ask them not to care about anything inside."

Xue Nu was a little confused after hearing Su Chen's words. Xue Nu thought that when she entered Yang Gong's treasure house, it would be very chaotic. Is it possible that Su Chen wouldn't let Lu Xiaofeng and the others get involved?

"Don't let Lu Xiaofeng and the others interfere? Wouldn't this be bad? Lu Xiaofeng and the other three are also masters. If they enter Yang Gong's treasure house, they will definitely fight with those Jiang. Even if people don't want to get involved in a conflict, it might be difficult for them."

Su Chen didn't care at all about Xue Nu's worries. Lu Xiaofeng is a good person. As long as Lu Xiaofeng gets his information, he will definitely find a way to hide it among those Jianghu people.

"Haha, don't worry, Lu Xiaofeng is a very clever person, he will know what to do when he hears my instructions."

"Well, then I'll ask the secret guard to inform Lu Xiaofeng and the others."

Seeing that Xue Nu believed in Lu Xiaofeng so much, she couldn't say anything else. Xue Nu told Su Chen and hurriedly walked out of the garden.

Shi Qingxuan saw that everyone here had left, and Su Chen, the bastard, still held her in his arms. Open, this made Shi Qingxuan shout to Su Chen with some shame and anger,

"You bastard, why don't you let me go now?"

"Why should I let go? Isn't this great? You are the mother of my future children. Isn't it right for me to hold you?"

"Shameless, you shameless person, let me go quickly, or I will be rude to you."

I guess, Su Chen forgot that Shi Qingxuan is now a master master.

This Shi Qingxuan is now a master master. Although he is also a master master, it is a bit troublesome to control Shi Qingxuan. However, this Shi Qingxuan did not use internal force to break free, which made Su Chen a little bit. Confused.

Su Chen hurriedly hugged Shi Qingxuan tightly and said with a smile, "Shi Qingxuan, are you a little strange today? Why didn't you struggle out of my arms? Have you fallen in love with me too?"

Shi Qingxuan blushed a little when this bastard said it. She just didn't want this bastard to be embarrassed in front of the two women from Cihang Jingzhai. Shi Qingxuan didn't expect this bastard to be so narcissistic.

"Phew, would I like your Shameless? You bastard is overthinking."

Su Chen saw Shi Qingxuan blushing and let her go. Shi Qingxuan seemed to have accepted her fate now. Maybe it was his father's affairs that made her want to find someone to rely on. Su Chen was a little happy with Shi Qingxuan's change.

Su Chen held on. Shi Qingxuan said with a smile,

"Haha, okay, let's go to the prison to meet Yan Jing'an together. We still need to let Yan Jing'an know that her two apprentices are coming. I hope Yan Jing'an will tell us some news when she hears her apprentices arrive."

Shi Qingxuan looked at this bastard and decided to go with him. Shi Qingxuan has nothing to do now. She can't take care of her father Shi Zhixuan's affairs now. Shi Qingxuan can only save Shi Zhixuan tomorrow when she has a chance.

Luoyang City, a graceful and beautiful woman came to Luoyang. She looked at the Jianghu people coming and going everywhere in Luoyang City, and she was a little confused. What happened in Luoyang City? Why are there so many Jianghu people here?

This beautiful woman was Mrs. Ye Di who came from the Ming Dynasty. She also found out that Wu Xiangjun was now in Luoyang during the Sui Dynasty, so she rushed over without stopping.

That Mrs. Wu Xiangjun who wanted to take her as his wife and concubine, Mrs. Ye Di, has been spending these days I also have some understanding. What Chu Liuxiang may have said may be true. The lustful Mrs. Wu Xiangjun Yedi has a very bad feeling towards him now. Among the peerless beauties on this generation's ranking list of martial arts beauties, except for the Great Khanate The beauties there, the peerless beauties from other countries, and that lecherous man Wu Xiangjun have basically taken over them.

Mrs. Ye Di now somewhat believes that Wu Xiangjun wants to dominate the beauties in the martial arts rankings of the previous generation. This time she But she would not let go of this lustful Mr. Wu Xiang.

When Mrs. Ye Di came to a restaurant, she heard people talking about Yang Gong's treasure house everywhere in the restaurant. This made Mrs. Ye Di a little curious, what is Yang Gong's treasure house?

A Burying treasures of gold, silver and jewels?

Did all these Jianghu people come to Luoyang for Yang Gong's treasure house?

At this time, the Jianghu people in the restaurant began to talk about Yang Gong's treasure house.

"Have you heard about it? This time, even masters from the Demon Sect have come to Yang Gong's treasure house. I'm afraid there will be a war between the Demon Sect and Cihang Jingzhai this time."

"Well, my people also discovered the appearance of magic sect masters. Demon Commander Zhao Deyan, An Long, Tianjun Xi Ying, these magic sect masters have all appeared in Luoyang City."

"Hundreds of people from Cihang Jingzhai came this time, and they are all in the Jingnian Temple now. We may only be able to watch the show this time."

"Haha, it's hard to say. Now the Yuanma Bridge is surrounded by Wu Xiangjun's army. Neither the Demon Sect nor Cihang Jingzhai and Jingnian Chanyuan can enter the Yuanma Bridge."

"That's right. With Lord Wu Xiang's army here, both the Demon Sect and Cihang Jingzhai will probably fail this time."

"Well, Lord Wu Xiang's power is very powerful. If Lord Wu Xiang doesn't lift the blockade of the Leaping Horse Bridge, then whether it's the Demon Sect, Cihang Jingzhai or even those of us who are in the Jianghu world, our visit this time may be in vain."

"No, there are countless gold, silver, weapons, and equipment in Duke Yang's treasury. Even the legendary evil emperor's relics are in Duke Yang's treasury. Lord Wu Xiang will definitely not let go of those gold and silver treasures and weapons in Duke Yang's treasure house. Weapons and equipment, and the evil emperor's relic, the Demon Sect's most precious treasure, may also fall into the hands of Lord Wu Xiang."

Mrs. Yedi became interested in listening to the conversation of these Jianghu people. If Wu Xiangjun wanted to get Yang Gong's treasure house, she decided to kill Wu Xiangjun when he wanted to get Yang Gong's treasure house. In this way It would definitely make Mr. Wu Xiang first proud and then die in fear.

Madam Ye Di also found that the people here were secretly looking at her from time to time. Madam Ye Di didn't pay attention to it. She was often looked at like this along the way, and so was she. Killed many people who wanted to attract her attention.

At this time, a pale and thin young man also came to the restaurant. When he came up, he found the beautiful Mrs. Ye Di. He looked at her with gleaming eyes. The beautiful Mrs. Ye Di hurriedly came over and said,

"Madam, I am Dugu Ming from Dugu Clan. I wonder if Madam can give me a drink?"

"Get away"

"What? Do you know who I am? How dare you speak to me like this."

Chapter 395

Mrs. Ye Di looked at this overindulgent Dugu Ming with disdain on her face. This Dugu Ming from Dugu's family was so bold that he wanted to tease her. If Mrs. Ye Di hadn't been afraid that that bastard Wu Xiangjun knew she was coming, she would kill him. , now Mrs. Ye Di will chop this Dugu Ming with one palm.

Mrs. Ye Di drank the tea and threatened Dugu Ming,"Who you are is none of my business. Get out of my sight now, or you will die."

Dugu Ming didn't care at all about Mrs. Ye Di's threat, but Luoyang The territory of their Dugu Clan, this beautiful beauty Dugu Ming would not let go. No one in Luoyang City dared to disobey their Dugu Clan, so

Dugu Ming smiled and said to Mrs. Ye Di,

"Beauty, you may not know who I am? I am the young master of the Dugu Clan in Luoyang City. Does Mr. Wu Xiang know? We, the Dugu Clan, have taken refuge with Lord Wu Xiang. Have you seen the army on the Yuanma Bridge outside? As long as I give the order, the army there will arrest you."

"Mr. Wu Xiang? Are you a subordinate of Lord Wu Xiang?"

"Yes, the beautiful lady must be scared. Wu Xiangjun has many masters under his command. Although you are a Jianghu person, it is best not to go against our official family, otherwise you will not be able to bear the consequences. How about it? Do you want to have a drink with me now?"

Boom. After knowing that Dugu Ming was Wu Xiangjun's subordinate, Mrs. Ye Di exploded with momentum and flew Dugu Ming directly away.

Mrs. Ye Di looked at Dugu Ming who was blown away by her momentum and looked ugly. It really means that the master will have his subordinates. Wu Xiangjun is a lustful person, and his subordinates are not much better. It seems that Wu Xiangjun is very desperate this time. The world in the restaurant People didn't expect this beautiful woman to be so powerful. Just now, they, the people in the world, felt the threat of death. They looked at the beautiful woman and quickly lowered their heads. They didn't want to offend her by seeking death. This powerful and beautiful woman.

In a corner of the restaurant, two men who were obviously of different races were sitting on chairs and watching what just happened. One of the young foreign men looked at an expressionless middle-aged man next to him. asked,

"Master, this beautiful woman is so powerful. It seems that the Central Plains is really a crouching tiger, hidden dragon. Is there anything wrong with us coming to the Central Plains to help Cihang Jingzhai this time?"

This middle-aged man's eyes lit up when he looked at Mrs. Ye Di. He is very interested in martial arts masters. This beautiful lady looks like a land goddess in the heavenly realm. He wants to compete with this beautiful woman. one time,

"Ye Yu, don't provoke that woman, she is a super master in the heaven and human realm."

These two people are Pang Ban, the master of the Magic Palace, and his apprentice Fang Yeyu, who came from Dayuan. They were also invited by Cihang Jingzhai to help Cihang Jingzhai seize Yang Gong's treasure house.

"What? Master, is she a master in the heaven-human realm?"

Fang Yeyu looked at his master Pang Ban with some surprise. You must know that his master Pang Ban is a land fairy in the heaven and human realm. Now that his master said that this beautiful woman is a land fairy in the heaven and human realm, then this must be The beautiful woman is a super expert in the heaven-human realm.

Pang Ban looked at Mrs. Ye Di and said to Ye Yu with a blank face,

"Yes, the Zhongyuan Wulin is much stronger than our Dayuan Wulin. This time the Di Ni from Cihang Jingzhai and the Celestial Monk from Jing Nian Temple invited us over. It seems that they knew that the fight for Yang Gong's treasure house would not go well this time. , If your master Meng Chixing hadn't said before that he wanted to help Cihang Jingzhai once, I would not have helped those two hidden nuns and celestial monks."

Pang Ban felt very bad about the Dini from Cihang Jingzhai. Although he didn't know what the Dini and the Celestial Monk were planning, the two majestic land gods in the heaven and human realm were hiding their heads and did not dare to show up. This made Pang Ban look down on Di Ni and Tian Monk very much.

Fang Yeyu looked at the martial arts people around him and thought for a while and said to Pang Ban, "Master, do we really want to help Cihang Jingzhai this time? Otherwise, we can just watch these Central Plains martial arts fight each other. Pang

Ban said to Fang Yeyu with a gloomy expression, "No, this time we are repaying the favor of your master Meng Chixing. We must do our best to help Cihang Jingzhai this time. We Dayuan people will not be like these Central Plains people." People are cunning."

Fang Yeyu saw that Master Pang Ban still wanted to help Cihang Jingzhai, and he was a little worried. Cihang Jingzhai's enemies this time were the Demon Sect and Wu Xiangjun, but Demon Sect Fang Yeyu didn't care whether they lived or died, but Wu Xiangjun He is in a bit of a dilemma with this person.

Wu Xiangjun has an ambiguous relationship with their Princess Zhao Min of Dayuan. If they conflict with Wu Xiangjun this time, or even kill Wu Xiangjun, I am afraid that Princess Zhao Min will not let them go in the Magic Palace..

Princess Zhao Min has red eyebrows and super masters like Ba Si Tu. If their Magician Palace offends Princess Zhao Min, they may cause an unnecessary war.

Fang Yeyu reminded Pang Ban very worriedly,

"Master Ke Wu Xiangjun and Princess Zhao Min have a close relationship. If we want us to deal with Wu Xiangjun, Princess Zhao Min will be disadvantageous to us."

An anger flashed in Pang Ban's eyes and disappeared quickly. He understood that if he really took action against Lord Wu Xiang, I'm afraid that the wise and near-demon Princess Zhao Min would really take action against their Magician Palace.

Pang Ban looked at Fang Ban Ye Yu was a little helpless. He hoped that Fang Yeyu could win Zhao Min's heart. However, after Fang Yeyu came into contact with Zhao Min a few times, he was teased by Zhao Min and almost collapsed. This also made Pang Ban stop hugging Ye Yu. What hope?

Pang Ban's face turned a little gloomy and he said to Fang Yeyu,

"I know, I never thought that the woman of our Great Yuan Marshal would fall in love with a Central Plains man. We really cannot deal with Mr. Wu Xiang, otherwise it will cause civil strife in our Great Yuan. Although I don't care about Li Chimei and the others, it is not necessary. The fight can be avoided or it is better to avoid it."

Fang Yeyu was frightened when he saw the change in Pang Ban's face. He knew that his master had murderous intentions. Although Master Pang Ban said that he did not intend to deal with Wu Xiangjun, he knew Master Pang Ban very well.

His master Pang Ban Maybe he will kill Wu Xiangjun tonight. Princess Zhao Min has decided not to marry a Central Plains person, and his master cannot let Princess Zhao Min marry someone who is not Dayuan.

At this time, Dugu Ming was killed by him After being rescued, the guard shouted loudly to Mrs. Ye Di,

"You're dead. I'm going to torture you after I catch you. Someone, tell the city guards to catch this woman."

The guards around Dugu Ming were a little embarrassed and said to Dugu Ming, "Master, now the city guards will not obey our orders. The city guards have been controlled by the king's secret guards. Now our Dugu family only has the old lady and The lady can order the city guards"

"You bastard, then call all the guards of our Dugu family. I will give up until I catch this woman."

"Yes, Master."

Mrs. Ye Di looked at the ant-like Dugu Ming and didn't care. She looked at the two aliens in the restaurant with serious expressions. The middle-aged man among the two aliens gave her a feeling of threat. Just now That middle-aged man had revealed his murderous intent, otherwise Mrs. Ye Di would not have discovered that there was a land immortal in the heavenly realm in this restaurant.

"Lu Xiaoji, what are you eating today?"

"What else can I eat? The wine in this restaurant is good. We have already eaten all the dishes, so let's just eat some casually this time."

Chapter 396

Lu Xiaofeng, Sikong Zhaixing, Ximen Chuixue and others also came to this restaurant. When they went upstairs, they found that something was wrong here. They looked at the people here and found that they were looking at the beautiful woman near the window from time to time. Madam,

Lu Xiaofeng and the others were frightened when they saw this beautiful lady. This beautiful lady gave them a very threatening feeling.

Lu Xiaofeng and the others also discovered people from the Dugu family not far away from this beautiful lady. They were not interested in these people from the Dugu family either. It seemed that these dandy boys had offended this beautiful lady. Lu Xiaofeng and the others would not care about the Dugu family. People live and die.

Lu Xiaofeng and the others found a place to sit down and shouted,

"Waiter, let's have some good food and wine."

"OK, guest"

"Lu Xiaoji, that beautiful lady is a master. I'm afraid we are no match for her."

"I know that this woman must be a master at the Grand Master level, but this has nothing to do with us. We are just here to eat and drink today."

"Well, but, Lu Ji, this woman is so beautiful. Do you think that bastard Su Chen would take action if he saw this beautiful lady?"

When Lu Xiaofeng heard what Sikong Zhaixing said, he looked at the beautiful lady. He thought that if that shameless guy Su Chen saw this beautiful lady, he would definitely have a relationship with her. That lecher would definitely not let such a beauty go. A beautiful woman.

Lu Xiaofeng looked at Sikong Zhaixing and said speechlessly, "Master Thief, what you said is all nonsense. If that shameless guy Su Chen sees this beautiful lady, he will definitely try to get close to him, but he can't deal with that bastard. A woman who cannot survive. Ximen

Chuixue twitched his mouth after hearing what Sikong Zhaixing and Lu Xiaofeng said. Based on his understanding of Su Chen, I'm afraid it's impossible for this beautiful woman to escape from Su Chen's grasp. That bastard is really something he can't deal with. woman.

Sikong Zhaixing nodded. He also knew that Su Chen had unusual methods for dealing with women. Sikong Zhaixing looked at the beautiful lady who didn't care about this place and looked at her, and reminded,

"That's true, but this woman is a bit powerful. I felt very threatened when I came in."

"Hey, no matter how powerful this beautiful woman is, is she as powerful as Shi Guanyin? That bastard Su Chen could even get hold of Shi Guanyin, a terrestrial immortal in the realm of heaven and human beings. This beautiful lady was not something Su Chen could easily capture."

Lu Xiaofeng smiled with some disdain. Although this beautiful lady must be very powerful, Lu Xiaofeng doesn't believe that she will be a terrestrial immortal in the heavenly realm. That bastard Su Chen can even take down Shi Guanyin who wants to deal with him. , if this beautiful lady meets Su Chen, she will definitely be easily taken down by that bastard

"Well, that's true."

At this time, someone came up from downstairs. There were a lot of people this time. A middle-aged handsome man and about ten people came up from downstairs to have a look and then stood aside. When they saw it, They also have some strength, and each of them has a level of cultivation above innate.

"Um? Heavenly Sword Song Que also arrived."

Lu Xiaofeng looked at the person who arrived and found that it was Song Que, the Heavenly Saber from Lingnan. It seemed that Yang Gong's treasure house was also very attractive to other forces in the Sui Dynasty.

Sikong Zhaixing looked at Heavenly Saber Song Que and smiled. Said,"That's for sure. There are countless gold and silver treasures and weapons and equipment in Duke Yang's treasury. I'm afraid all the forces of the Sui Dynasty will come to Luoyang this time.""

"Wu Xiangjun is playing a big game this time. What is the purpose of that bastard exposing Yang Gong's treasure house this time?"

Although Lu Xiaofeng is extremely smart, he still doesn't understand why that bastard Su Chen would spread the news about Mr. Yang's treasure house. Wouldn't it be very difficult for that bastard to get the treasures in Mr. Yang's treasure house?

Sikong Zhaixing discovered that there are some more Someone came up from downstairs,"Huh?" Someone is coming again, and it looks like this restaurant will become a gathering place for these forces and people in the world."

Lu Xiaofeng took the newly served wine and drank it and said,

"After all, this place is close to the Prancing Horse Bridge, and they can observe the situation at the Prancing Horse Bridge here. There will be so many people coming to this restaurant, I am afraid they are all here to observe the situation at the Prancing Horse Bridge."

Ximen Chuixue looked at the people arriving and said in a rare voice, "These people are not from the Central Plains, and they are not from the same country."

"Well, it's the Koreans and the Turks." Sikong Zhaixing looked at these people and said to Lu Xiaofeng and the others,

"Now the situation is getting more and more chaotic."

After some of the people who just went upstairs also sat down separately, on one seat, an old man and two beautiful women sat together. As soon as they sat down, a beautiful woman next to them said to the old man,

"Master, don't we look for senior sister first?"

The old man said sternly to the young woman,

"Jun Yu, your senior sister is dead. It's not like you don't know about this. Yang Gong's treasure house is very important this time. If these Central Plains people get the gold and silver treasures and weapons and equipment in Yang Gong's treasure house, then we, Goryeo, will probably A catastrophe will be imminent. We cannot let these Central Plains people get the gold and silver treasures and weapons and equipment in Yang Gong's treasury this time."

A young woman next to her hurriedly grabbed the woman next to her and said, "Senior sister, we should listen to the master. We will avenge her in the future."

These three people are Master Yijian Fu Cailin and his two apprentices Fu Junyu and Fu Junqiang who came from Goryeo. They also hurried over from Goryeo after receiving the news that Yang Gong's treasure house was discovered.

"I see."

Fu Junyu doesn't believe that senior sister Fu Junzhuo will die in the Central Plains. It's just that the master believes that senior sister is dead and won't even let her go to Yangzhou to investigate her senior sister's affairs. This makes Fu Junyu confused.

Fu Cailin ignored him. This time he cooperated with the Turkic warrior Bixuan to destroy Yang Gong's treasure house. If the Central Plains people get Yang Gong's treasure house, they, Goryeo and the Turks will probably not have an easy time in the future, and they will not be able to see the Central Plains people again. Become stronger.

In a corner of the restaurant, Song Que, the Heavenly Sword, looked at the arrival of Goryeo Fu Cailin and Turkic Martial Lord Bixuan and said with a serious face,

"Fu Cailin, a coward, did not expect that he would dare to come to the Central Plains this time. However, he came with the Turkic warrior Bixuan and saw that they seemed to have reached some agreement. Kou

Zhong next to Song Que said worriedly,

"Old man, is there something wrong with our coming this time? This is Lord Wu Xiang's territory. If we offend Lord Wu Xiang, I'm afraid Lord Wu Xiang won't let us go."

Kou Zhong and Xu Ziling also met Heavenly Sword Song Que accidentally. After talking to Heavenly Sword Song Que, Heavenly Sword Song Que also looked at Kou Zhong and Xu Ziling with some special eyes. This time when they came to Luoyang City, Song Que also invited Kou Zhong and Xu Ziling arrived together.

Moreover, Song Que deliberately brought Song Yuzhi and Kou Zhong together after knowing that Kou Zhong and Xu Ziling were marshals of the Jianghuai Army. Song Que was very optimistic about Kou Zhong and even gave advice on Kou Zhong's sword skills.

Song Que touched After touching his beard, he looked at the aliens coldly and said,

"It's okay. I'm afraid Lord Wu Xiang can't take care of us now. Luoyang City is now a mixed bag, and there are quite a few foreigners coming. In addition, the Demon Sect and Cihang Jingzhai have also arrived. Lord Wu Xiang's main enemy should be It's the Demon Sect, Cihang Jingzhai, and those foreign races. Lord Wu Xiang won't mind our arrival."

Song Yuzhi looked around boredly. The reason why she came to Luoyang this time was not for the Yang Gong treasure house. She just wanted to meet her sister Song Yuhua. Song Yuzhi didn't know how her sister Song Yuhua was living these days. , have you ever been bullied by that bastard Wu Xiangjun?

Kou Zhong breathed a sigh of relief after hearing Song Que's words. Wu Xiang had just blackmailed their adoptive father for some money not long ago. Kou Zhong didn't want to face that big devil again.

Kou Zhong let out a heavy breath and said, "That's good. Wu Xiangjun's Yangzhou City is very close to the territory of our Jianghuai Army. I'm just afraid that offending Lord Wu Xiang this time will bring trouble to my adoptive father."

Xu Ziling also nodded. He didn't want to come this time either. Luoyang, there are Shi Feixuan and Shang Xiuxun in Luoyang city. These two women are the women he likes. He has never given up on Shi Feixuan, and Shang Xiuxun has been with him since Pegasus Ranch. He feels a little guilty for Lu Miaozi. If it weren't for him, Lu Miaozi wouldn't have his martial arts disabled by Wu Xiangjun. Even now, he doesn't know whether Lu Miaozi is alive or dead.

Mrs. Ye Di was very curious when she saw the Jianghu people coming here. The mere treasure house of Yang Gong not only attracted the land gods from the heaven and human realm, but also a lot of great masters and master masters here.

What's so special about Mr. Yang's treasure house?

Are there any other treasures in Mr. Yang's treasury?

At this time, dozens of guards suddenly came to the restaurant. The arrival of these guards made Dugu Ming, who was recovering from his injuries, happy.

When Dugu Ming saw the guards from Dugu Mansion arriving, he came to Madam Ye Di and drank with great dignity.

"Beautiful lady, now that my people have arrived, please serve me well if you are sensible. Maybe I will take you as my concubine in the future."

"Seeking death."

Mrs. Ye Di saw that this ignorant person wanted to take her as a concubine. This made Mrs. Ye Di so angry that she wanted to kill this ignorant person immediately.

The masters in the restaurant were speechless when they heard Dugu Ming's words. This Mrs. Meiyang is a super master at first glance, but Dugu Ming is just an acquired cultivation level, and his guards are also just some small fish. It seems that this child of the Dugu family who does not know life or death may die here this time. Sikong

Zhaixing pushed Lu Xiaofeng in a funny way and said, "Lu Xiaojie, aren't you going to save this Dugu Ming?"

Lu Xiaofeng said without being angry, "Help, this dude deserves to die. If Wu Xiangjun finds out, he will definitely execute him directly. We don't need to worry about this dude who is harming the people."

Lu Xiaofeng is very dissatisfied with the young men of the Dugu family. If the Dugu clan hadn't taken refuge with Wu Xiangjun, Lu Xiaofeng would have killed the young men of the Dugu clan long ago. When

Dugu Ming saw Mrs. Ye Di, she wanted to take action. He was so frightened that he hurried to the back and ordered,

"Get this woman for me, remember not to hurt my beautiful woman"

"Yes, young master."

Just when these guards were about to take action against Mrs. Ye Di, some more people came to the restaurant. Dugufeng and Su Yan originally went to the inn to find Lu Xiaofeng and the others this time, but they did not meet Lu Xiaofeng in the inn.

They He came to the restaurant where Lu Xiaofeng often came to look for them. However, Dugu Feng did not expect to meet Dugu Ming here, and this bastard actually robbed a girl here. This made Dugu Feng very angry.

Dugu Feng looked at the guards of the Dugu family. He shouted hurriedly when he wanted to attack that woman,

"Stop it, stop it all."

The guards of the Dugu family stopped in a hurry when they saw Dugu Feng arriving. They knew that Dugu Feng was now second only to the old lady in the Dugu family, and that Dugu Feng and Wu Xiangjun had an ambiguous relationship. They, the guards, did not dare to offend. Dugu Feng.

Madam Ye Di originally wanted to kill these people, but she stopped the guards after Dugu Feng arrived. She also wanted to see what this beautiful woman would do.

"Dugu Ming, you are so brave. Have you forgotten Lord Wu Xiang's order? Do you want to die?"

Dugu Ming was a little dumbfounded when he saw Dugu Feng arriving. He knew that Dugu Feng hated him very much for doing these things of robbing civilian girls, and Lord Wu Xiang taught them a lesson last time. If Lord Wu Xiang knew about it this time, I'm afraid he will still shed his skin even if he doesn't die.

"Forehead! Sister, didn't I drink too much? Just let me go this time."

Dugu Feng saw that there were so many Jianghu people here and ordered the guards of the Dugu family,

"Take Dugu Ming back to me and imprison him. I will take care of you later."

"Yes, miss."

After the guards of the Dugu family took Dugu Ming away, Dugu Feng looked at the beauty who was about to be robbed by Dugu Ming. Dugu Feng was very curious when she looked at this woman.

Dugu Feng was not looking at Mrs. Ye Di. She was beautiful, but Mrs. Ye Di felt very threatening to her. Although this beautiful woman did not reveal any murderous intent, Dugu Feng still felt that this woman was very dangerous.

"Madam, I'm very sorry for what happened just now. I will teach Dugu Ming a lesson after he goes back. I hope Madam doesn't mind."

"Haha, do you think I'll mind?"

Mrs. Ye Di will not just let go of Dugu Ming, the person who insulted her. None of those who want to get her or even speak rudely to her can survive, and this Dugu Ming is no exception.

Su Yan looked aside for a while and then He came over and said with a smile,

"I don't think you'll mind. This big sister and that Dugu Ming will never appear again in the future. This is my guarantee to you."

Mrs. Ye Di was a little confused when she looked at this little girl who was six or seven years old. This little girl is a little master in the Xiantian realm at such a young age. This made Mrs. Ye Di very curious.

"Little girl, who are you?"

Su Yan looked at this beautiful lady and rolled his eyes and said, "My name is Su Yan, and my words are very effective. If Dugu Ming says he won't show up in the future, he won't show up."

Su Yan was very curious when he looked at this beautiful lady. This woman is so beautiful. Su Yan now has some doubts about whether this beautiful lady is related to his father. This can't be blamed on Su Yan. Every beautiful woman Su Yan met was related to her father. Su Yan had to doubt this beautiful lady.

"Su Yan? What is the relationship between Su Chen and you?"

Mrs. Ye Di suddenly thought that Mr. Wu Xiang's name was Su Chen, and this little girl's name was Su Yan. Could this little girl be related to Mr. Wu Xiang Su Chen?

Su Yan said when he heard this beautiful lady speak. Her father, Su Yan, had a real expression on his face. It seemed that this beautiful lady was either her father's confidante or one of her father's women.

Su Yan looked at Mrs. Ye Di and smiled and said, "I She's Su Chen's daughter. Auntie, let's just forget about it this time. That Dugu Ming will let Sister Dugu Feng deal with him when he gets back."

"What aunt?"

Mrs. Ye Di was a little confused.

Why did Su Chen's daughter call her aunt?

She has never even met Wu Xiangjun Su Chen. This girl definitely doesn't know her, but! Why did this girl call her aunt? Aunt? Mrs. Ye Di couldn't figure it out when she looked at Su Yan.

"Auntie, don't be embarrassed, I'm afraid my father doesn't know you are coming to Luoyang City, right? He has been busy these days and may not have known about your arrival. You will go with me to find my father soon. I believe my father will be very happy to see my aunt's arrival."

Chapter 398

Su Yan looked at Mrs. Ye Di's confused look and knew that she had frightened her by calling her aunt, but Su Yan didn't care about that. It was obvious at a glance that this aunt was a powerful woman. If this time Yang Gongbaoku can get the help of this powerful woman, and maybe his father can successfully kill those people in Cihang Jingzhai and Jingnian Chanyuan.

Mrs. Ye Di was very speechless after hearing Su Yan's words. This little girl misunderstood her. She was coming to kill her father, and this little girl actually misunderstood that she was her father's woman? This made Mrs. Ye Di feel helpless looking at this little girl.

""Princess, be careful."

Just when Su Yan was talking to Mrs. Ye Di, the aliens in the restaurant suddenly attacked Su Yan. The secret guards noticed the abnormality and hurriedly protected Su Yan. When these aliens were about to attack, The secret guards also fired their crossbows.

"Protect the princess, quickly protect the princess."

The secret guards guarded Su Yan at all levels, and some even hurriedly sent a distress signal into the air. Chaos instantly broke out in the restaurant, and some low-strength Jianghu people hurriedly left here, but they still stayed here. There are many powerful forces and Jianghu people.

When Dugu Feng saw that those who attacked Su Yan just now were some Turks, she said angrily,

"Turks? You are so brave that you dare to attack the princess in Luoyang City? Martial

Lord Bixuan looked at Dugu Feng and the others and said indifferently,

"This is a matter of peace. We Turks have always been at war with your Sui Dynasty. This time we finally met Wu Xiangjun's daughter. How could we miss such a good opportunity."

Bi Xuan is a great master. Among Dugufeng and the others, only Dugufeng is a master. If he catches Wu Xiangjun's daughter this time, then Wu Xiangjun will be strangely obedient.

"You are seeking death."

Dugu Feng looked at the more than ten Turks and said angrily. Although Bi Xuan is a master of the Grand Master, this is Luoyang City. As long as she persists for a while, an army will come to protect Su Yan.

Bi Xuan looked angry. Dugu Feng waved his hand and said, "Haha, do you people from the Central Plains just engage in verbal disputes? This time we have captured the little princess."

""Ready the military crossbow, fire!"

[illegible]

, swish!" There are many masters, and the number of secret guards this time is a bit small. It is impossible to kill these powerful masters. When Lu Xiaofeng and the others saw that Su Yan was in danger, they used Qinggong to come to Su Yan one by one. They would not look at Su Yan. If something happens to Yan Yatou here, otherwise they will not have the face to see that bastard Su Chen in the future. Lu Xiaofeng looked at Su Yan who was calm and composed and said with appreciation, "Girl Su Yan, you shouldn't have appeared here this time." Su Yan looked at Lu Xiaofeng and the others and smiled slyly and said,

"Uncle Lu, Uncle Sikong, and the second uncle, aren't I and Sister Dugufeng coming to see you? If you weren't in the inn, I wouldn't be here."

Lu Xiaofeng looked at this smart guy and said helplessly, "You girl wants to come out to play and you say it so confidently. If your father finds out, I'm afraid he will beat you."

Sikong Zhaixing saw Lu Xiaofeng chattering endlessly and said hurriedly, "Lu Xiaoji, stop talking nonsense and kill these Turks first."

"Okay, girl Su Yan, don't act rashly, just stay here."

As Lu Xiaofeng said, he and Sikong Zhaixing went to kill the Turks. Ximen Chuixue did not move. He looked at Su Yan and shook his head. He also liked this little girl very much, even her Piaoxue sword skills. He also passed it on to Su Yan.

This girl is a martial arts prodigy. In less than half a month, Su Yan has been able to master Piao Xue's sword skills, which surprised Ximen Chuixue very much.

"Second uncle, you also go and help Uncle Lu and the others. My aunt is here and nothing will happen to me."

"Well, then be careful."

Ximen Chuixue looked at Mrs. Ye Di and said to Su Yan.

Ximen Chuixue didn't know whether this woman was Su Chen's wife, but Su Yan said so. I'm afraid this beautiful lady is Su Chen's woman. Ximen Chuixue He also knew that the leader of the Turks

was a great master. Lu Xiaofeng and the others were definitely no match. He went towards the Turks without saying anything.

Madam Ye Di was speechless when she heard what Su Yan said. What was she saying? It's time to protect this girl. Madam Ye Di is here to kill her father. Why did she suddenly become a bodyguard? She still has to protect the daughter of the person she must kill. Martial

Lord Bi Xuan looked at the three people who suddenly appeared. As a master, he knew that if he delayed any longer, the Central Plains people here might take action. Martial Lord Bixuan didn't want to wait any longer. When he saw Lu Xiaofeng and the others, he suddenly attacked them.

Boom

Cough cough cough

"Thief, are you okay?"

"He's not dead yet, he's a great master, let's take action together." Sikong Zhaixing was hit by Martial Lord Bixuan and vomited blood. After he fell to the ground, he stood up and said hurriedly,

Lu Xiaofeng, Ximen Chuixue and Sikong Zhaixing looked at them and went to kill Martial Lord Bixuan. This great master and them If they don't unite, I'm afraid they won't be an opponent. Even if they unite, they won't be able to match this grand master. They can only hold on until that bastard Wu Xiangjun arrives.

"Go and catch that little princess, I will deal with these three people"

""Yes, Your Majesty."

Martial Lord Bixuan and his subordinates rushed towards the secret guards one after another. They were all peak innate beings. Although there were dozens of secret guards, the restaurant was cramped after all, and they did not Being able to swarm up and surround and kill these Turks.

As the secret guards continued to be killed, these Turks continued to approach Su Yan. Others in the restaurant saw that Wu Xiangjun's daughter was about to be caught by these Turks. They They also wanted to save the little princess.

If they saved the little princess, then Wu Xiangjun would definitely repay them, but they also saw that the leader of the Turks was a great master. I am afraid they were all giving food to them, which made this place The Jianghu people were also hesitant.

At this time, Song Yuzhi saw that the Turks were about to kill that bastard Su Chen's daughter, and she hurriedly said to her father,

"Dad, why don't we save that little princess?"

Tiandao Song Que looked at Fu Cailin of Goryeo and his face was very gloomy. He knew that as long as he took action, Fu Cailin would definitely stop him, otherwise he would have taken action long ago.

"Save, these Turks deserve to die. They dare to be so rampant in our Central Plains. Martial Lord Bixuan is seeking death."

After Heavenly Sword Song Que stood up, Fu Cailin from Goryeo also stood up and said to Song Que,

"Heavenly Sword Song Que, you should rest here for a while. I'm afraid you can't get involved in things here."

When Song Que saw Fu Cailin stopping him, he knew that his guess was right. This Fu Cailin has indeed joined forces with the martial master Bixuan. Now that Fu Cailin is blocking him, I am afraid that the little princess is really in trouble this time.

"Fu Cailin, are you a coward looking for death?"

"Haha, Song Que, I admit that I am not your opponent, but I can still hold you back. As long as Martial Lord Bixuan can catch the little princess, you may not be able to save the little princess."

Chapter 399

Fu Cailin is a little scared of Heavenly Saber Song Que. This Heavenly Saber Song Que is a ruthless person. If he offends Heavenly Saber Song Que to death, I am afraid that Heavenly Saber

Song Que will continue to hunt him down in the future. If he hadn't been this time Joining forces with the Martial Lord Bixuan, he did not dare to intercept the Heavenly Sword Song Que.

Fu Junyu and Fu Junqiang were a little surprised when they heard the conversation between their master and Heavenly Sword Song Que. The master they always thought was invincible was not the opponent of Heavenly Sword Song Que, and since they came to the Central Plains, there are more powerful masters here than Goryeo. There are many more, and even the masters they encounter now are stronger than them.

Fu Junyu thought about the past when his master asked his senior sisters to assassinate the Sui Emperor. Could there be so many masters and senior sisters in the Central Plains able to complete the task? Master is asking senior sister Fu Junzhuo to come to the Central Plains to die.

Fu Junyu is now a little suspicious of her master Fu Cailin. His master has always said that Goryeo is the most powerful country, and he is also the most powerful existence among the grand masters. However, the grand master Ning Daoqi from the Central Plains has not yet appeared, and her master has not even been able to do it for a day. Even Dao Song Que couldn't beat him, which made Fu Junyu look at Fu Cailin and distrust him.

"Kou Zhong, you go and help the little princess"

""Yes."

Just when Kou Zhong and the others were going to help Su Yan, Pang Ban's apprentice Fang Yeyu stopped Kou Zhong and the others. Fang Yeyu had no choice. This was what his master ordered, and he had to stop these people from going. The person who saved Wu Xiangjun's daughter.

Fang Yeyu knew that his master was planning to kill Wu Xiangjun. If the Turks could capture Wu Xiangjun's daughter this time and even kill Wu Xiangjun in the future, this is what Fang Yeyu wanted. As you can see, at least Princess Zhao Min will not blame them for killing Wu Xiangjun in the future, and there will be no civil strife in Dayuan.

"who are you?"

Kou Zhong and Xu Ziling asked cautiously when they looked at the foreigner who stopped them.

Fang Yeyu looked at these people in the Xiantian realm and said without interest, "You are not my opponent. It's best to go back and don't force me to take action.."

Kou Zhong looked at the alien who intercepted them and said to Xu Ziling, "Master Ling, this alien seems to be very powerful. I'm afraid we are no match for him."

"He is very powerful, he may be a master, we can't save the little princess." Xu Ziling looked at Fang Yeyu with a long sword and said seriously.

Xu Ziling felt that this alien posed a great threat to him, and they might even be killed by this alien if they were not careful. Xu Ziling looked at the Turks who kept saying Xiang Xiang was very helpless. Although he wanted to save the little princess very much, they were now powerless. When

Song Yuzhi heard the words of Kou Zhong and Xu Ziling, he said with disdain, "If you are afraid of death, just say so, people of the Song clan You have to go to me. No matter what happens this time, I have to save the little princess."

Song Yuzhi also knows that this alien race is very powerful, but she will not just watch that bastard Su Chen's daughter being kidnapped by the Turks. Although Song Yuzhi can't stand that bastard Su Chen, Song Yuzhi hates these aliens very much, even if They were no match for this alien race, and it was impossible for Song Yuzhi not to rescue Su Chen's daughter.

"Yes, miss."

Song Yuzhi led the masters of the Song Clan to kill Fang Yeyu. Fang Yeyu smiled disdainfully at the people who came to kill him, then stretched out his hand to kill these Central Plains people.

Boom boom boom boom bump bump bump just... As soon as they met, the masters of the Song Clan were punched out by Fang Yeyu. Kou Zhong and Xu Ziling saw this situation and rushed towards Fang Yeyu regardless of life and death.

Song Yuzhi watched as the masters of the Song Clan were beaten one by one by this The alien flew away, and she also attacked with a long sword. Although her strength was low, as the lady of the Song clan, she could not just watch her men be killed by this alien.

And Su Speaking here,

Su Yan frowned when she saw the heavy casualties of the secret guards here. She did not expect that these Turks were so powerful, and this place was not suitable for the secret guards to raid. Su Yan did not want her secret guards to be like this. The casualties continued, but her rescue guards and troops had not arrived yet, and Su Yan could only look at these Turks angrily.

Mrs. Ye Di was curious when she saw Su Yan's angry expression. Not only was this little girl not afraid of the people here, A murder scene, and there is no plan to escape. If this girl escapes now, it is impossible for the Turks here to catch up with her. After all, this girl's guards are quite powerful, and they even risk life and death to intercept the Turks who are stronger than them. People.

Mrs. Ye Di just wants to see what else this girl can rely on. Does this girl have to wait for her father, that bastard Wu Xiangjun, to save her? But the current situation may not be able to wait for her father to save her..

Tear! Tear! Tear!

At this moment, more than ten Turkic masters suddenly had their throats cut and died one by one. These Turkic masters did not know how they died. Just when these more than ten Turkic masters died Finally, women in black night clothes appeared in front of Su Yan. After these women in black night clothes saw that Su Yan was safe and sound, a leading masked woman saluted Su Yan.

"The deputy commander of the Shadow Assassins, Youxue, met the princess"

"Met the princess"

"Youxue, is my father here?"

Su Yan knew about her father's shadow assassins. She was very greedy for these shadow assassins, but her father just fooled her. Su Yan knew that she would not get these shadow assassins easily. This time she saw These shadow assassins were so powerful that Su Yan decided to ask her father to give her some shadow assassins even if they stalked her after she returned.

Youxue bowed to Su Yan and replied,

"Report to the princess, your Majesty still doesn't know what happened here, but Mrs. Xue Nu and the others have already arrived."

Mrs. Ye Di was very shocked when she saw these more than twenty masked women in black. She didn't feel how these female assassins appeared. Moreover, when these assassins assassinated the Turkic masters, Mrs. Ye Di had been observing, but no matter how she observed, she could not find the assassination tracks of these shadow assassins.

When Su Yan heard Youxue's words, he saw that Ximen Chuixue and the others could no longer hold on anymore, so Su Yan hurriedly ordered Youxue,

"You guys go help my second uncle and they killed that Turk"

"Yes, princess, the first team will stay to protect the princess, and the second team will follow me to assassinate the Turk."

"Yes, Commander."

The shadow assassins disappeared one by one after receiving the order. The first team had hidden beside Su Yan to protect her, and the second team had gone with You Xue to assassinate the Turkic man.

Mrs. Ye Di looked around and found nothing. Madam Ye Di was very surprised when she discovered the shadow assassins hiding around her. With her cultivation level in the Heavenly Realm, she couldn't even feel how the shadow assassins were hiding. So these shadow assassins can be said to be very powerful assassins. ,

"Little girl, these assassins of yours are pretty good"

"It's not mine, but I won't be able to tell for sure from now on."

Chapter 400

Su Yan looked at Mrs. Ye Di and smiled. She didn't expect that Mrs. Ye Di didn't know the existence of the Shadow Assassin. Su Yan now had some doubts about Mrs. Ye Di's identity. It was impossible for her father's woman and confidante not to know about it. With the existence of these shadow assassins, does this beautiful woman really have nothing to do with her father?

Su Yan was now a little wary of this beautiful lady. She had not thought about it just now. Su Yan now thought that when the secret guards suffered heavy casualties, this beautiful lady did not help. What if this beautiful lady was her father's woman? , she would definitely not watch these secret guards being killed.

Su Yan knew that this beautiful lady was a powerful woman. It would not be difficult for her to kill those Turks, but!

She was just watching everything that happened without being moved. Su Yan wanted to leave this beautiful lady now, but she didn't dare to stay with this beautiful lady who didn't know whether she was an enemy or a friend.

Mrs. Yedi suddenly noticed something was wrong with the way the little girl looked at her. It seemed that the little girl was wary of her. Even the heartbeat of the little girl was a little strange. This little girl had never been like this when faced with the killings of the Turks just now. Why is there such an abnormality at this time?

"Little girl, you seem a little afraid of me?"

Su Yan was a little shocked after hearing Madam Ye Di's words. She didn't expect this glamorous lady to be so sensitive. She just became wary of this glamorous lady and was discovered by her.

"How can it be? Aunt, how could I be afraid when I am very safe now? You are my aunt, how could I be afraid of you?"

"oh? Then why is your heart beating so fast? You were calm and composed in the face of life and death just now, why are you looking at me now as if you want to stay away from me?"

"Haha, is that woman who is not my father coming? I'm afraid they'll be jealous when they see you and I together, but they all like me very much"

"Is it really?"

"Really, more real than real gold"

"Why do I not believe what you say now?"

"Auntie, how could I lie to you at such a young age? Are you overthinking?"

"maybe."

Mrs. Ye Di thought about it and felt that she was a little sensitive. Although this little girl who was only six or seven years old was a little smart, she would not think that she was going to kill her father this time.

Su Yan saw Mrs. Ye Di. Su Yan breathed a sigh of relief without asking her any more questions. Su Yan wanted to find a way to leave this dangerous woman. This time she threw herself into a trap and came to this woman. She was seeking death this time.

At this time, Wu Zun Bixuan also found that all his men were killed, which made him a little unbelievable. His men were trained by him. Each of them was a very powerful murder weapon, but they were all wiped out in such a short time..

Just when Wu Zun Bixuan was wondering about the deaths of his men, he suddenly felt a sense of danger. Wu Zun Bixuan hurriedly wanted to retreat back, but he was still too late. Before he was about to retreat, At that moment, a broken blade directly cut his shoulder. If he hadn't retreated quickly, his throat would have been cut.

"who?"

After Martial Lord Bixuan's arm was scratched, he found that the black-clothed assassin who had just been assassinated disappeared instantly. This made Martial Lord Bixuan a little hard to believe. He didn't feel the hidden assassin at all.

"A clear finger"

"Piaoxue sword"

"A flying phoenix"

"Holy shit, look at my empty hands."

Lu Xiaofeng and Dugu Feng used their famous stunts one after another when they saw Wu Zun Bixuan being assassinated and injured. They all knew that the assassin should be Wu Xiangjun's person, and now that the threat of Su Yan's girl has been removed, they are now You can now fight this Turk with peace of mind.

"Yanyang Dafa"

Wu Zun Bixuan saw that these people who did not care about life and death dared to take action against him, he became angry and wanted to kill these four people who did not know about life and death. Wu Zun Bixuan attacked these people with an angry punch..

Tear! Tear! Tear!

Just after Martial Lord Bixuan defeated Lu Xiaofeng and the others with one punch, the shadow assassins suddenly took this opportunity to assassinate Martial Lord Bixuan, although Martial Lord Bixuan had been on guard. He was looking at the assassin, but this time there were three shadow assassins assassinating Martial Lord Bixuan from different directions at the same time.

Martial Lord Bixuan looked at his arms and thighs scratched by these assassins with broken blades, and he wanted to kill them angrily. Damn assassins, it's just that these damn assassins disappeared after the assassination. No matter how he sensed them, he didn't find those assassins hiding there.

Lu Xiaofeng and the others looked at each other and began to attract the attention of Martial Lord Bi Xuan. They wanted to fight for those assassins. The opportunity to assassinate Wu Zun Bi Xuan. These assassins were so elusive that even they did not find out where these assassins were hiding. The

Heavenly Sword Song Que was originally confronting Fu Cailin, but he suddenly found that all the Turks were being killed by some assassins who suddenly appeared. He died of assassination, and Martial Lord Bixuan had no way to deal with those assassins. Even Martial Lord Bixuan was assassinated and injured by those assassins.

Heavenly Sword Song Que looked at Fu Cailin whose expression changed drastically and said with a smile,"Fu Cailin, look You will be disappointed this time. Wu Xiangjun's people have already arrived. I'm afraid you will be doomed this time, hahaha."

Fu Cailin said disdainfully after hearing the words of Song Que, the Heavenly Sword,"If I leave, Wu Xiangjun No one can keep me."

Fu Cailin doesn't believe that he can't escape from here with his great master's cultivation level. Although these Wu Xiangjun's people have some strength, it is still impossible to keep him.

Tiandao Song Que looked at Fu Cailin and smiled Said,"Oh, really? Are you sure you can leave? You must know that this is Luoyang. I am afraid that tens of thousands of troops have been surrounded outside this restaurant. Fu Cailin, are you sure you can escape from the siege of tens of thousands of troops?"

Fu Cailin was shocked when he heard this. He had forgotten Wu Xiangjun's army just now. This place is very close to the Prancing Horse Bridge. There are 20,000 troops at the Pumping Horse Bridge. Those troops must have been surrounded at this time. This restaurant.

Fu Cailin doesn't have the confidence to escape from being surrounded by tens of thousands of troops. Not only are there troops here, but there are also masters and masters here. If he is entangled by the masters and masters here, I'm afraid he will really fall. Here.

Fu Junyu and Fu Junqiang were a little frightened after hearing the words of Song Que, the Heavenly Sword. They thought that they were surrounded by tens of thousands of troops outside. With the innate cultivation of her and her junior sister Fu Junqiang, they would not be able to escape.

At this moment, Shang Xiuxun , Shang Xiufang, Bai Qing'er, Song Yuhua, Xue Nu and others also came upstairs with the secret guards. Their arrival dazzled the people in the restaurant. The arrival of these beautiful beauties made these people in the restaurant dazzled. I've seen what beauty is like in the clouds

"Sister"

Song Yuhua saw Song Yuzhi was injured and hurriedly flew over to save her sister.

When Xue Nu saw the situation here, she hurriedly said,"Bai Qing'er, you go help Song Yuhua, Shang Xiuxun, Shang Xiufang and I go to protect Su Yan. That girl"

"Okay, Sister Yuki."
