Chapter 40

Zhou Zhiruo was also a little curious when she looked at Shi Feixuan lying on her back. When she first looked at Shi Feixuan, she felt that Shi Feixuan was a bit like herself. Zhou Zhiruo even felt that Shi Feixuan seemed to be detached from everything and more like a monk than herself..

But now she was speechless when she saw the young master next to her who didn't know martial arts sleeping on Shi Feixuan's lap. She couldn't see Shi Feixuan clearly either.

Zhou Zhiruo pulled Lin Shiyin and asked in a low voice,

"Miss Lin, who is this young man? Why is he lying on Miss Shi's lap? And why is Huanwan next to them still staring at them? What is the relationship between the three of them?"

Lin Shiyin didn't notice Su Chen just now, but when she heard Zhou Zhiruo asked her, she turned to look at Su Chen. What she didn't expect was that that bastard Su Chen was sleeping on his fiancée.

Although they They are an unmarried couple, but there are so many martial arts people here, and many people look here from time to time, which makes Lin Shiyin feel that Su Chen has embarrassed her here.

Lin Shiyin glared at Su Chen who was sleeping. He reminded Zhou Zhiruo and Zhao Min,

"Miss Zhou, don't worry about that bastard. This bastard is not a good person. Miss Zhou, and Miss Zhao, you must not withdraw from this bastard. That bastard likes beautiful women very much. If you get familiar with this bastard, he will definitely I will pester you, look, just like this bastard is pestering Shi Feixuan now."

Zhao Min knew that Lin Shiyin was lying after listening to Lin Shiyin's words. If this young master is a lecher, why does Lin Shiyin care so much about Su Chen? Although Lin Shiyin kept calling her a bastard, Zhao Min still felt that Lin Shiyin slept with this guy. The young master was a little concerned,

Zhao Min smiled and asked Lin Shiyin beside him,

"Miss Lin, what do I think about Huanwan and Shi Feixuan trying to rob this young master?"

"I feel the same way, Miss Lin, what is going on?"

Zhou Zhiruo looked at Lin Shiyin and felt that none of what she said just now seemed to be the truth, which made Zhou Zhiruo a little confused.

Seeing that they had been interested in that bastard Su Chen, Lin Shiyin hurriedly changed the subject and said,

"that....that....You feel wrong. How could Shi Feixuan and Huan Huan fall in love with this bastard? He is not a good person. Let's not talk about him. Zhao Min, I didn't expect that you are the Princess Dayuan who came just now. Why don't you look like a Mongolian to me?"

Zhao Min saw that Lin Shiyin didn't want to talk and didn't continue to ask.

"Why don't I look like a Mongolian anymore? I'm just wearing your Han clothes now. I'm an out-and-out Mongolian from the Yuan Dynasty."

Lin Shiyin was now a little curious about why there were so many masters and gang leaders in this Beggar Clan Conference, so she pulled Zhao Min and asked,

"Well, Zhao Min, why did you come from the Yuan Dynasty to the Song Dynasty to attend this Beggar Clan Conference? And Zhiruo, will something happen at this Beggar Clan Conference?"

Zhou Zhiruo looked at Lin Shiyin with some surprise and thought, she knew that Lin Shiyin's cousin was a powerful martial arts master, but she didn't expect that they didn't know what was going to happen here.

Zhou Zhiruo asked Lin Shiyin with some doubts,

"Don't you know about this Beggar Clan Conference?"

Lin Shiyin still doesn't know why Zhou Zhiruo asked herself this.

"I don't know, we just came here for fun, what will happen at the Beggar Clan Conference?"

Zhao Min smiled and said to Lin Shiyin,

"I just got news that there may be civil strife in the Beggar Clan this time, and some people are even going to deal with the leader of the Northern Beggar Clan."

Zhao Min also discovered that when Lin Shiyin asked her and Zhou Zhiruo about the Beggar Gang, Shi Feixuan, Hanwen, and even Lin Shiyin's cousin looked at her and Zhou Zhiruo. Zhao Min knew that they really didn't know about the Beggar Gang.

Lin Shiyin lost interest in what was about to happen. She looked at Zhao Min and Zhou Zhiruo and asked,

"So, are you and Zhiruo here to watch the fun, or are you going to help the leader of the Beggar Clan?"

Zhao Min is not here to help the leader of the Beggar Clan this time. This time she just wants to see the martial arts masters of the Song Dynasty. If she sends troops to the Song Dynasty in the future, Zhao Min can also know the martial arts masters of the Song Dynasty in advance.

Zhao Min looked at Lin Shiyin and smiled. Then he said,

"I just came to take a look. I am the weakest in martial arts here. Even if I want to help the leader of the Beggar Clan, I am unable to do so. Lin

Shiyin looked at Su Chen who was sleeping in Shi Feixuan and laughed and said,

"Haha, Zhao Min, you are not the weakest in martial arts. Look, that bastard can't beat me. He is the least powerful here."

Zhao Min looked at the sleeping man and knew that he didn't know martial arts, but he didn't expect that he couldn't defeat Lin Shiyin, who also didn't know martial arts. This surprised Zhao Min.

Zhou Zhiruo just looked at Su Chen and said I didn't care anymore. Now there are more and more martial arts masters here. Zhou Zhiruo is now worried that her master will be involved in the civil strife of the Beggar Clan this time?

At this time, a cavalry suddenly appeared outside Xingzi Lin. This cavalry When they came over, the people nearby quickly got out of the way. When these outsiders saw these black-armored cavalry, they knew that this army was not easy to mess with, especially the crossbows in the hands of these black-armored cavalry.

When this The army stopped when it was about to reach the middle of the apricot forest. Su Yan did not let the army enter the middle area directly. She and Huang Rong came to see the excitement, so how could they watch the excitement after entering. In the carriage, Qiao Feng now changed into Su Chen's clothes looked at the little girl Su Yan beside him and asked,

"Girl Yan, are you really not going to go?"

Su Yan leaned on Huang Rong and looked at the lively scene outside from the window and said with a smile,

"Haha, Uncle Qiao, I came to see the fun, so I won't go there. If Uncle Qiao needs help, just tell me. I have sent someone to mobilize a thousand-man Xuanwu Legion."

Qiao Feng was a little touched after hearing Su Yan's words. He was a little worried when he looked at this little girl whom he had only met once. Su Yan might be blamed by her father for her this time.

Qiao Feng also liked this smart girl. Little girl, it seems that after this Beggar Clan meeting, she is going to Wu Xiangjun to plead for Su Yan.

Qiao Feng smiled and said to Su Yan, "Haha, little girl Yan, you are not afraid that your father will beat you if he finds out." ?"

"My dad didn't know where he was running from a long time ago, and he can't take care of me now even if he wants to. Besides, with Aunt Li here, even if my dad wants to beat me, Aunt Li will stop my dad."
