

## Zongwu 401

### Chapter 401

Xue Nu and the others quickly came to Su Yan. Fortunately, nothing happened to Su Yan this time, otherwise Su Chen would have gone crazy. It seems that none of the aliens who came to Luoyang this time can stay. Anyway, the place has been surrounded by the army. None of these aliens It's impossible for them to leave alive

"Aunt Snow, you are here."

When Su Yan saw Xue Nu and Shang Xiuxun arriving, he hurriedly ran over and hugged Xue Nu. When Mrs. Ye Di wasn't paying attention, Su Yan nodded at Xue Nu. She didn't know if Xue Nu understood what she meant. , but she could only inform Xue Nu in this way. Mrs. Ye Di was very powerful, and Su Yan was also afraid that her little moves would be discovered by Mrs. Ye Di. Xue Nu was a little happy hugging Su Yan, and she still liked this smart little girl. The only person who was with her was that Xue Nu suddenly noticed that Su Yan had touched her body and winked at him with another intention. Xue Nu immediately became alert.

Xue Nu pretended that nothing had happened. Su Yan said, "You girl, don't do it next time. Now that you have left the house, Luoyang City is in great chaos. If something happens to you, I'm afraid your father will go crazy."

Su Yan saw Xue Nu nodding her head inadvertently, and she knew that Xue Nu had already understood what she wanted to express. Su Yan also didn't expect that Xue Nu was so smart. It seemed that none of her father's women were mediocre.

"I know, auntie, I won't leave the house next time"

"This is best."

Su Yan said, introducing Mrs. Ye Di next to Xue Nu,

"By the way, aunt, this woman is also my father's woman, but I don't know her name yet."

Xue Nu was alerted when she looked at Mrs. Ye Di. This woman must not be simple. Otherwise, that girl Su Yan would not secretly tell her to be careful about this woman. Moreover, Xue Nu has not seen through this woman's strength, which means that this woman's strength must be Very powerful,

Xue Nu said coldly to Mrs. Ye Di, "I am Xue Nu, wife of Wu Xiangjun Su Chen, I don't know who you are, madam?"

Mrs. Ye Di was speechless looking at these beautiful women. That bastard Wu Xiangjun is indeed a pervert. Each of these women is very beautiful, and they are all masters. But why do these women look like Wasn't it forced by Lord Wu Xiang?

"You can call me Shuirou"

"Madam Shuirou, I don't know when you and my husband met."

"Met not long ago"

"not long ago?"

"how? Do you want to investigate me?"

The snow girl hurriedly explained to this unknown woman,

"You misunderstood. I just want to know when my husband found a beautiful woman like you again. You also know who our husband is. If I don't ask clearly when you and your husband met, I'm afraid the ranking of women in my family will be wrong in the future. of."

Damn it, does that bastard really have that many women?

What kind of ranking is he still doing at home now?

What is he doing? Does that bastard Wu Xiangjun think he is the emperor?

Ugh! He seems to be no different from the emperor now, even Mr. Wu Xiang is more powerful than some emperors.

Mrs. Ye Di couldn't help it. If she had known she had directly said that she was here to kill that bastard Mr. Wu Xiang, now she seems to be the woman secretly hiding outside Mr. Wu Xiang..

Shang Xiuxun and Shang Xiufang looked at Xue Nu with some doubts. That bastard Su Chen didn't have these rules, but Xue Nu seemed to be trying to trick this woman.

Shang Xiuxun and Shang Xiufang also understood now that the origin of this was somewhat unknown. There must be something wrong with the woman, otherwise Xue Nu, a woman who doesn't like to talk, would not be able to talk so much today. They also began to be wary of this woman of unknown origin.

Mrs. Ye Di looked at these women and said," It's been more than a month since I met Mr. Wu Xiang."

"Well, I get it."

Xue Nu knew that this woman was lying. Su Chen was in the Eastern Continent more than a month ago. It was impossible for Su Chen to know this woman. Xue Nu had been following Su Chen at that time. How could she not know whether this woman had appeared before

Shang. Xiuxun and Shang Xiufang also knew that this woman was lying. More than a month ago, they heard from Su Yan that her father was in the Eastern Continent, and that Xue Nu came from the Eastern Continent with Su Chen. Even Xue Nu did not know this woman. That means there must be something wrong with this woman.

While Xue Nu and Mrs. Ye Di were talking to each other, Song Yuhua had already rescued Song Yuzhi. Song Yuhua felt helpless when he saw that Song Yuzhi, Kou Zhong, and Xu Ziling were all injured and fell to the ground. They These people are all people in the innate realm. How can they be the opponents of a person who is in the later stage of master cultivation?

"Sister, you rest for a while, I'll kill that alien. Song

Yuzhi said to Song Yuhua weakly,"Sister, you are no match for that foreign race, so you better not go.""

Song Yuzhi knows that her sister Song Yuhua is also in the Xiantian realm. Isn't she looking for death? Song Yuzhi doesn't want anything to happen to her. Song Yuhua looked at the alien and said firmly, "No, this alien must die. With Bai Qing'er here to help me, we can definitely kill that alien."

Song Yuhua is not doing it all for her sister Song Yuzhi. These aliens want to assassinate Su Chen's daughter Su Yan. Song Yuhua will be Su Yan's aunt in the future. This time she wants to kill this alien for Su Yan and her sister.

"Qing'er, let's go kill this alien."

"Okay."

Fang Yeyu was a little nervous now. He didn't expect that things would turn out like this. The Turks were suddenly killed one by one, and the Turks' great master was also surrounded and killed. Fang Yeyu looked at the injured Turkic master. The Grandmaster knew that he might not be able to hold on for much longer.

And the two beautiful women who came just now were both Grandmasters. Even the woman in white clothes was stronger than him. Fang Yeyu knew that he was going to fall this time. If his master doesn't save him, I'm afraid he will be killed by these two women.

Song Yuhua and Bai Qing'er didn't talk nonsense. They each took their weapons and started to kill Fang Yeyu. Fang Yeyu watched these two people kill him. When he came over, he hurriedly killed him. Although he was not the opponent of these two men and women, he did not want his master to discover his weakness, otherwise his master would definitely ignore his life and death.

"Am I dazzled? Why is my sister a master?"

Song Yuzhi was originally worried about her sister Song Yuhua, but she was confused when she saw Song Yuhua fighting the alien.

Her sister is a mid-level master. How is this possible?

Half a month ago, her sister was not as strong as her. So powerful, why is he now a master?

Kou Zhong looked at Song Yuhua and Bai Qing'er who were fighting with the alien race and said,

"You are not dazzled, your sister is a mid-level master, and the woman in white is a master at the peak of the master level. This time the alien is dead."

## Chapter 402

Song Yuzhi felt a little incredible after hearing Kou Zhong's words. In just over half a month, his sister Song Yuhua actually became a master in the middle stage of the Grand Master. This frightened Song Yuzhi.

Song Yuzhi looked at her sister Song Yuhua who was fighting with the alien, and she thought that it might be the Wu Xiangjun who helped her sister advance to the Grandmaster level, but how did that bastard help her sister advance to the Grandmaster level?

This is not just about being able to advance to the cultivation realm of the Grandmaster Realm. That bastard Wu Xiangjun must have some kind of rare treasure, so should I also let Mr. Wu Xiang help her advance to the cultivation realm of the Grandmaster Realm? ?

The next time, in a Zen room in Jing Nian Zen Temple, masters from Jing Nian Zen Institute and Cihang Jing Zhai stood respectfully in the Zen room and looked at an elderly monk sitting on a futon.

The Heavenly Monk listened to the monk's report below and also learned about what happened at the Yuanma Bridge in Luoyang. There was no expression on his old face, but the twitching of his long eyebrows let other people in the room see that he might be thinking Not peaceful.

The monk thought for a while and then said in his old voice,

"We, Jing Nian Chanyuan and Cihang Jingzhai, don't care about what is going on at the Yuan Ma Bridge. Now that Qin Mengyao and Le Bingyun have entered the Dugu Mansion, I believe they will soon confuse Lord Wu Xiang and evacuate the troops at the Yuan Ma Bridge. We The target is Yang Gong's treasury at Yuanma Bridge. The evil emperor's relics inside must be obtained this time no matter what."

"Yes, ancestor"

"Yes, Holy Monk."

The people in Jingnian Chanyuan and Cihang Jingzhai all bowed to the Heavenly Monk. The

Heavenly Monk looked at Liao Chen standing in front of him and ordered him,

"Liao Chen, your mission on this trip to Yang Gong's treasury is very arduous. Those people from the Demon Sect will definitely not let us get the evil emperor's relics easily. The evil king Shi Zhixuan has also come to Luoyang. This time you and the four great monks must bring the evil emperor's relics to Luoyang. Wang Shizhixuan was removed."

Liao Chen nodded after listening to the words of Tian Monk. He has been practicing closed-mouthed meditation for decades. He also knows about the evil king Shi Zhixuan, but he has never fought against the evil king Shi Zhixuan.

Although the four great saint monks of Jing Nian Zen Temple pursue They have killed the evil king Shi Zhixuan, but the four great monks have never been able to kill Shi Zhixuan. Liao Chen also knows that he alone may not be able to kill Shi Zhixuan. This time he and the four great holy monks will deal with Shi Zhixuan. The evil king Shi Zhixuan must be the one this time. There is no escape.

The people of Cihang Jingzhai are a little embarrassed now. Among the hundreds of people they came to Luoyang this time, there are no powerful masters. The most powerful among them is also the cultivation level of a master. If they want to deal with the evil king Shi Zhixuan, they must be Delivering food, these female nuns in Cihang Jingzhai feel a little unable to hold their heads up.

In the secret prison of Dugu Mansion,

Su Chen and Shi Qingxuan were talking to Yan Jingnian. This time Su Chen just wanted to see what Yan Jing'an was doing. He didn't know whether her two apprentices would tell some of Di Ni's secrets after they arrived.

Su Chen looked at Yan Jing'an with a gloomy face. He also knew that Yan Jing'an must be very angry now. Her two apprentices were Di Ni arranged to serve as a tiger. How could this not make her angry?

Su Chen didn't care whether Yan Jing'an was angry or not.

"Nun Yan, now you know the situation and your disciple has come to me as you thought. Now is it time for you to tell me some more secrets of Cihangjing Zaidini?"

Yan Jing'an glared at Su Chen, the bastard. Didn't this bastard see that she was very angry now?

Although Yan Jing'an guessed that Di Ni would send her apprentice Qin Mengyao to confuse Wu Xiangjun, the bastard, she didn't expect that. Ni actually sent two of her apprentices here, and even gave them strong aphrodisiacs to control Wu Xiangjun. This was really waiting for the tiger with one's body.

Yan Jing'an exhaled heavily and angrily said to this bastard Su Chen said,

"Huh, Cihang Jingzhai has some relationship with Dayuan's [Magician Palace]. If nothing else happens this time, Pang Ban from Dayuan [Magician Palace] may come to help Cihang Jingzhai."

"Pangban? Yan Jing'an, do you know Pang Ban?"

Su Chen looked at Yan Jing'an when he heard Yan Jing'an talking about Pang Ban.

In the original work, Pang Ban fell in love with the nun Yan Jing'an. The woman Yan Jing'an also made Pang Ban live in seclusion for decades, and even Yan Jing'an also sent her apprentice Le Bingyun to Pang Ban. This nun Yan was a bit poisonous. Su Chen now wanted to know if this nun Yan was related to Pang Ban.

""I don't know."

Yan Jing'an didn't know why Wu Xiangjun, the bastard, asked this, but she felt a little angry when she saw the way Wu Xiangjun looked at her. What did this bastard look like? He looked at her like she was a vicious woman.

Su Chentian was relieved when he didn't recognize Pang Ban when he arrived at Yan Jing'an. Now that Yan Jing'an doesn't know Pang Ban, there will be no more incidents between Yan Jing'an and Pang Ban in the future, and neither will Le Bingyun. She sacrificed herself to help Pang Ban practice [The Dao Heart Demon Planting Technique]

"It's okay if you don't know her, Nun Yan, what is Pang Ban's current level of cultivation?"

Yan Jing'an looked at Su Chen with some doubts.

What's wrong with not knowing him?

Does Pang Ban have anything to do with him?

Why would this bastard say this when he heard that he didn't know Pang Ban?

Yan Jing'an looked at Su Chen I can't understand either.

"Land gods in heaven and human realm"

"Damn it, Pang Ban is a land immortal in the heavenly realm, so how can you be a great master?"

Su Chen was very surprised when he heard Yan Jing'an's words. Pang Ban is now a land god in the heavenly realm, which is a bit confusing.

In the original work, Pang Ban's cultivation level is not much higher than Yan Jing'an's. Now they But it was a big difference, so why did the world become so swollen?

When Yan Jing'an saw that Su Chen, a bastard, despised her cultivation level, she angrily shouted to Su Chen,

"What happened to my great master? I am much stronger than your sweetheart Fan Qinghui. You think my cultivation level is low. In my eyes, Fan Qinghui's cultivation level is just a scumbag."

What the hell, when did I dislike Yan Jing'an's cultivation level?

What kind of messy things are thinking in Yan Jing'an's head?

Su Chen was speechless when he looked at Yan Jing'an. Now he has many enemies. A terrestrial god in the heavenly realm, Pang Ban must be eliminated. Su Chen, an enemy even more moody than Shi Zhixuan, doesn't want to keep him.

By the way, Zhao Min should have a way to deal with this Pang Ban, no matter what Zhao Min's father is the Grand Marshal of Dayuan's troops. No matter how awesome Pang Ban is, he can't offend the Grand Marshal of Dayuan's troops. Zhao Min's father should also have powerful masters in his hands. That red eyebrow should be Zhao Min's father's. The super masters invited.

Su Chen thought about it and rejected the idea. Now that water from far away cannot quench the thirst for nearness, there is definitely not enough time. Besides, it is still uncertain whether Zhao Min can use her father's masters.

At this moment, a secret guard hurried over and saluted Su Chen, "I would like to report to you, Your Majesty, the princess was attacked at the Yuanma Bridge Restaurant."

Su Chen stood up in surprise when he heard the secret guard's report and asked hurriedly, "What? Su Yan was attacked?"

"Your Majesty, the princess was assassinated by Turks in the Yuanmaqiao restaurant. Mrs. Xue Nu has led people to the rescue. The troops from Yuanmaqiao have also surrounded the restaurant."

"Order the city guards to send another 50,000 troops there, and send all the siege crossbows and all the archers."

"Yes, Your Majesty."

## Chapter 403

Su Chen wanted to go to the restaurant to rescue Su Yan immediately, but he thought that Xue Nu had already brought people there, so nothing would happen to Su Yan. Su Chen sat down and thought about why the Turks were so bold this time. Luoyang dared to attack his daughter.

Shi Qingxuan looked at Su Chen frowning and thinking about things and comforted her,

"Su Chen, don't worry, Xue Nu and the others have passed by. I believe nothing will happen to that girl Su Yan."

"Qingxuan, this matter will not be that simple. The Turks dared to attack Su Yan blatantly in Luoyang, which shows that they must have someone to rely on. Nun Yan, are the Turks also the helpers invited by Cihang Jingzhai?"

"I don't know, I've never heard of a connection between Dini and Turks"

"Isn't it your Cihang Jingzhai? That is the Li clan. The people of the Li clan have foreign ancestry. Jinyang is close to the Turks, so the Turks must have been invited by the Li clan this time."

Yan Jing'an didn't believe what Su Chen said. Although Li Clan has the blood of a foreign race, they are all real Central Plains people now. If they unite with foreign races, I'm afraid they won't be able to gain a foothold in the Central Plains. Li Clan should be She didn't dare to destroy the Great Wall.

Looking at Su Chen's expressionless expression, Yan Jing'an didn't dare to argue with him. Now she is a prisoner. If she accidentally offends this bastard, I'm afraid she won't have an easy time in the future.

Su Chen looked at Yan Jing'an from the stage. This nun Yan was a great master. Su Chen didn't have any masters of the great master at the moment. Murong Qiudi and Zhu Yuyan were not out of seclusion yet. Those Turks let Su Chen thought of Martial Lord Bixuan. If Martial Lord Bixuan arrived this time, his men might not be the opponents of Martial Lord Bixuan.

Su Chen looked at Nun Yan and wanted Nun Yan to help him this time, but if Yan Nun If Jing'an helped him this time, then Cihang Jingzhai would know that nun Yan had betrayed Cihang Jingzhai, which made Su Chen a little hesitant now.

Yan Jing'an saw that Su Chen had been looking at her, and she was a little nervous. This bastard Su Chen is a pervert. If this bastard hits her, Yan Jing'an will not let this bastard succeed even if he dies.

"Why are you looking at me like that, you bastard? Don't catch my attention you bastard."

Su Chen was speechless when he saw that Yan Jing'an was afraid of being violated.

What's going on with him?

Is he so sexually hungry?

But something happened to his daughter now. What will he do to Yan Jing'an at this time? Do those things?

Su Chen looked at Yan Jing'an and felt that this nun Yan was indeed a little abnormal.

Su Chen didn't think about these messy things anymore. He hurriedly said to Yan Jing'an,

"Yan Jing'an, I need your help this time. The Turks may be the Martial Lord Bi Xuan this time. My men may not be able to deal with that Martial Lord Bi Xuan. Now you, a great master, have a place to use."

Yan Jing'an immediately shook her head and refused. She can't show her face now, otherwise the people from Cihang Jingzhai will find her, and I'm afraid she will die without a burial place.

"No, if I take action, the people from Cihang Jingzhai will definitely find out. If Di Ni finds out that I have betrayed her, she may personally kill me."

Su Chen came to Yan Jing'an and said flatteringly, "Don't worry, that place has been surrounded by my army now, and I have no intention of leaving the people there alive. Besides, you can also disguise yourself. This will definitely not happen. Someone discovers your true identity."

Yan Jing'an was speechless when he saw Wu Xiangjun's sudden change of attitude. This bastard didn't look like a nobleman at all. Yan Jing'an felt that Wu Xiangjun might not expose her by arranging it like this, but to help this bastard Yan Jing like this An was not feeling well. She had been detained by this bastard for many days.

"Ha, why should I help you now? I am your prisoner, Mr. Wu Xiang, have you made a mistake?"

Su Chen saw that Yan Jing'an wanted benefits, but he didn't have anything to promise Yan Jing'an now. Su Chen didn't want to wait any longer. He didn't know what was going on in the restaurant, so Su Chen wanted to get it done right away. Yan Jing'an went to the restaurant to rescue Su Yan.

Su Chen looked at Yan Jing'an's triumphant look and said threateningly,

"Nun Yan, if you don't help me this time, the people in Cihang Jingzhai will know that you have taken refuge with me, and you probably don't want to see what will happen to your two beautiful apprentices."

Yan Jing'an didn't expect that this bastard not only didn't promise her anything, but now he even threatened her, which made her very angry, "Shameless, bastard, are you a pervert or not a human being? Have you ever treated an ally like this?"

"ally? If you are an ally, you should help me now. If you don't help me, will you still be an ally?"

"You shameless bastard."

Yan Jing'an has no choice now. This bastard is a shameless person. If he really doesn't agree to this bastard, I'm afraid Su Chen, a shameless person, will really do those shameless things to her and her apprentices.

"Shi Qingxuan, unlock Yan Jing'an's sealed acupuncture points, and we immediately rush to the restaurant."

""Okay"

Donghai

Shi Guanyin has been here for more than a month. She kept running back and forth in the East Continent in order not to cause trouble for Su Chen. That pervert Jellyfish Yinji never gave up chasing her.

Shi Guanyin just misses Su now. Chen didn't dare to go to him. She was just afraid that the pervert Sanmu Yinji would discover her relationship with Su Chen. If her relationship with Su Chen was discovered by Jellyfish Yinji, Su Chen would be in danger, and even Jellyfish Yinji would be in danger. Ji will threaten her with Su Chen

"Alas, I have been here for more than a month. I believe that pervert has left Sui Dynasty. Fortunately, I left the Eastern Continent early this time, otherwise my relationship with that bastard will definitely be discovered by the pervert Jellyfish Yinji."

Shi Guanyin looked at the place where he lived and planned to leave. This avoidance also made Shi Guanyin wonder what is going on outside. Has that bastard come back from the Eastern Continent? Shi Guanyin is going to go out to see what Su Chen is doing now. Have you returned to Sui Dynasty?

Whoosh! Whoosh! Whoosh!

"Um?"

Shi Guanyin suddenly discovered that some black-clothed assassins appeared in front of her, and she didn't notice these assassins before they appeared, which made Shi Guanyin a little confused. After these black-clothed assassins appeared, they saluted Shi Guanyin and said, "Shadow Youlan, the captain of the first assassin team, met Madam."

Shi Guanyin heard the words of these shadow assassins and asked speculatively, "Shadow assassins? Are you Su Chen's subordinates?"

"Yes, ma'am, the master ordered us to find the ma'am"

"That bastard Su Chen still has some conscience. Where is your master now?"

"Back to madam, the master is now in Luoyang during the Sui Dynasty, and the master is in trouble this time. The master asked his wife to go back and kill a few people."

Shi Guanyin felt nervous when she heard that Su Chen was in trouble. Shi Guanyin was also a little speechless. That bastard seemed to get into trouble wherever he went. She had heard about what happened in the Eastern Continent. Why was he still causing trouble everywhere when he returned to the Southern Continent?

"oh? Why is that bastard in trouble again? Who wants to trouble your master this time?"

"Madam, this time there are two land gods in the heaven and human realm who want to be enemies with the master. The master knows that he is no match for the land gods in the heaven and human realm, so he ordered us to look for madam."

Shi Guanyin couldn't sit still when she heard that it was a terrestrial immortal from the heavenly realm who wanted to trouble Su Chen. Shi Guanyin was also afraid that something would happen to Su Chen if she went late, but she would not allow anything to happen to Su Chen. This time Shi Guanyin But it takes a few land gods from the Heaven-Slaying Realm to establish their power, otherwise if there are land gods from the Heaven-Human Realm who go against Su Chen in the future, she is afraid that she will not have time to rescue Su Chen.

"A terrestrial immortal in the heavenly realm? Your master is really looking for death. Let's go to Luoyang in the Sui Dynasty immediately. I want to see who dares to be my husband's enemy."

Chapter 404

Luoyang City, in the Yuemaqiao Restaurant.

The joint attacks of Song Yuhua and Bai Qing'er caused Fang Yeyu to be continuously injured. Now Fang Yeyu felt very miserable. He was never the opponent of the woman in white, and the addition of the woman from the Song family made it even more difficult for him to resist. Now, he hopes that Master Pang Ban will save him.

Touch, tear.

Fang Yeyu was accidentally knocked away by Bai Qing'er's palm. Song Yuhua also took this opportunity to stab Fang Yeyu in the shoulder. Fang Yeyu fell to the ground. There was some reluctance on the ground.

Master Pang Ban was right next to him, right? The master was like an outsider who didn't care about his life and death. This made Fang Yeyu feel a little resentful of Pang Ban, a moody master.

"Alien, you are dead this time"

"Kill him."

Song Yuhua and Bai Qing'er said that they were about to give this alien race the final blow. They would not give this alien race a chance to breathe. These alien races are all worthy of death. They dared to assassinate the princess blatantly in Luoyang. This is Can't be forgiven.

Boom

"What"

"Sister Song, retreat quickly."

Just when Song Yuhua and Bai Qing'er were about to kill Fang Yeyu, who had no resistance, a powerful aura suddenly burst out. Song Yuhua and Bai Qing'er felt that it was very difficult for them to breathe. Bai Qing'er Er knew that a powerful enemy had taken action, so she pulled Song Yuhua, who was still a little confused, and hurriedly retreated.

Fang Yeyu saw that his master Pang Banzhong had taken action. He also knew that he had saved his life this time, but he still felt sorry for Pang Ban in his heart. Some were dissatisfied. If Pang Ban had taken action earlier, he would not have been so seriously injured.

The next time, Lu Xiaofeng and the others were also forced to retreat by this powerful momentum. Lu Xiaofeng and the others also knew that a master had taken action. This time they I'm afraid the combined Shadow Assassins won't be able to kill this Martial Lord Bi Xuan.

""Retreat."

Lu Xiaofeng looked at Martial Master Bixuan and said to Ximen Chuixue and the others.

Martial Master Bixuan was also a little confused.

Was he rescued?

He just thought he was dead this time, but those elusive assassins made him He had suffered enough. If it weren't for the existence of those assassins, the four masters wouldn't have been able to make him in such a mess.

Martial Master Bixuan looked at the Dayuan man sitting in the seat and didn't know why he wanted to save him. Himself, is this person also trying to deal with Lord Wu Xiang?

Song Que and Fu Cailin were also shocked by this powerful momentum. They are Grand Masters, and this powerful momentum is much stronger than the Grand Master.

"A terrestrial immortal in the heavenly realm?"

"The Heavenly Realm actually appeared here?"

Song Que and Fu Cailin were very surprised when they saw the aliens at a table in the restaurant. They didn't expect that the alien who had been silent here turned out to be a terrestrial immortal in the heavenly realm. The

Jianghu people who had not left the restaurant were also attracted by this The powerful aura was shocked. They kept retreating in fear when they saw the alien. Some people even headed towards the stairs to escape from this place of right and wrong. Xue

Nu and the others also looked at the sudden change. Xue Nu saw Song Yuhua and Bai Qing. Er and the others came back safely, and Lu Xiaofeng and the others breathed a sigh of relief as they also retreated. Fortunately, the alien only used his momentum to push them back. If the alien had taken action, Song Yuhua, Lu Xiaofeng and the others would have been seriously injured even if they did not die.

Mrs. Ye Di sat on the chair and drank tea without caring. Although the alien was a master of the Celestial Realm, it was very easy for her to kill this alien. A land god in the middle stage of the Celestial Realm was not her opponent.

"cough! cough! cough! Thank you Master for saving your life."Fang Yeyu dragged his seriously injured body to Pang Ban and said coughing up blood.

Pang Ban looked at Fang Yeyu who was covered in scars and said expressionlessly,"You disappoint me so much. The two of you just advanced. Even a woman at the master level can't win. You really disgrace me."

"Disciple is ashamed."

Fang Yeyu felt bitter in his heart, two women who have just been promoted to Grandmaster?

These are the existences of a middle-stage Grandmaster and a Peak Grandmaster. Although he can see that these two women are not able to control their attacks, maybe this is because they It's because he doesn't fight often, but this old immortal actually said that he had just been promoted to Grandmaster, which made Fang Yeyu dare not refute Pang Ban.

Pang Ban looked at the miserable Fang Yeyu and didn't explain anything to him, a fool He wouldn't let him say anything more. Pang Ban stood up and looked at Mrs. Ye Di.

Pang Ban knew that this woman was also a master of the heaven and human realm, and he couldn't tell what realm of heaven and human realm this woman was. But it doesn't matter. No one can stop the person he wants to kill.

When the snow girl and the others saw the powerful alien standing up and even looking towards them, they knew that the alien might be going to take action this time. The snow girl and the others also They became alert.

Boom! Boom! Boom! Boom!

At this moment, a burst of footsteps came from downstairs. People in the restaurant all looked towards the stairs. They all wanted to know who was rushing at this time. came over.

After a while, more than ten secret guards came to the restaurant, and these arriving secret guards did not leave the stairs. They were guarding the stairs as if waiting for someone to come.

"It's a secret guard. Could it be my father here?" Su Yan exclaimed when he saw the secret guard arriving.

"Su Chen should be coming." Xue Nu looked at the secret guard and breathed a sigh of relief. She was afraid that something would happen to Su Yan before Su Chen arrived. Now that nothing happened to Su Yan, and Su Chen has also arrived, let Su Chen deal with that terrifying alien.

"Phew, this bastard Su Chen is finally here."

Lu Xiaofeng took a deep breath after hearing what Su Yan and Xue Nu said. He, Sikong Zhaixing, Ximen Chuixue and that Dugu Feng were injured a lot. Now that powerful alien is about to take action. At this time, Su Chen That bastard came at just the right time.

Madam Ye Di's eyes lit up when she heard that Su Chen had arrived. Madam Ye Di looked at Pang Ban and smiled. Maybe this time Wu Xiangjun would die without her doing anything. Here, it is very easy for a terrestrial immortal in the heavenly realm to kill Wu Xiangjun. Mrs. Ye Di just wanted to watch the show for a while.

At this time,

Su Chen brought Shi Qingxuan and Yan Jing'an who looked unloving After going to the restaurant, when Su Chen came here, he took a look at the situation here. At this time, there was no fighting in the restaurant. Su Yan and Xue Nu were not in trouble. This made Su Chen look at the calm restaurant with some doubts.

Shouldn't there be a fight to the death here?

Why do people here seem to be waiting for his arrival?

Do everyone here know that he is coming at this time?

""Dad"

Su Yan ran to him and hugged Su Chen when he saw Su Chen. Now that Su Yan saw Su Chen, she was no longer afraid of the powerful alien. The aura of the alien just now scared her.

"Yan'er, it's good that nothing happened to you."

Chapter 405

Su Chen carried Su Yan and came to Xue Nu and others. Su Chen was a little confused when he saw Xue Nu and Lu Xiaofeng's nervous expressions.

Isn't it calm now?

Nothing happened to them. Could it be that the Turks haven't been dealt with by them?

Su Chen looked at the Turkic corpses on the ground and then looked at the remaining foreigners in the restaurant.

Su Chen looked at the foreigners in the restaurant and found a Turkic man with scars all over his body. Su Chen looked at this Turkic man and knew that he was a great master. Then he was the Martial Master Bixuan.

Su Chen smiled and said to him Yan Jing'an said with an unhappy face,

"Yan Jing'an, have you seen that Turk? He is already injured. Go and kill him now."

Yan Jing'an looked at Su Chen and said angrily,

"You are such a bastard, I will help you this time, don't expect me to help you in the future."

Seeing that Yan Jing'an was still so angry, Su Chen pushed her and urged,

"I know, I understand, hurry up and deal with that Martial Lord Bi Xuan"

"Let me go, you bastard, don't touch me, I will leave on my own." When Yan Jing'an saw this bastard Su Chen touching her, she hurriedly threw Su Chen away and hurried forward. She didn't want Su Chen, a pervert, to touch her.

Su Chen pretended to wave his hand in embarrassment. This Yan Jing'an still needs discipline, but this time he is a little bit unable to step down. There are hundreds of people here watching him. Su Chen decides to lock Yan Jing'an up in the future to extinguish her arrogance.

Mrs. Ye Di looks at it Seeing the pervert Wu Xiangjun, he was a little angry. The woman just now must have been forced by Wu Xiangjun, but that woman was a great master. How could a great master be forced by a bastard like Wu Xiangjun? Could it be that Wu Xiangjun controlled him

?

Has her family been harmed?

Su Yan looked at the women around him with some embarrassment. She did not expect that her father would bring such a woman here, and she seemed to be forced by his father. Su Yan was now afraid that Xue Nu and the others would do something to her father. I have an opinion.

Xue Nu smiled when she saw Su Yan's expression. Women like them knew Yan Jing'an. She also knew that Su Chen must have threatened Yan Jing'an to help this time. She, Shang Xiuxun and the others were not They would care about this. After all, Yan Jing'an is their enemy.

Lu Xiaofeng and the others looked at Su Chen and shook their heads. Couldn't this bastard see the situation here?

There is a more terrifying existence here than the Grand Master. It's not that Lu Xiaofeng and the others didn't tell Su Chen, but the atmosphere at this time was a bit strange, and they didn't know whether to remind Su Chen to be careful.

Martial Master Bixuan was very nervous when he saw a woman from a great master coming over. It can be seen from the aura of this woman that he is no match. Moreover, he is injured at this time. Martial Lord Bixuan looks at the woman walking towards him step by step and is about to escape from here.

Martial Lord Bixuan flies over. He was about to escape from here when he reached the window, but he stopped in a hurry when he came to the window.

Damn it!

Why are there so many troops outside the restaurant?

Wu Zun Bixuan looked at the troops layer by layer outside the restaurant He was a little confused. There were at least 60,000 to 70,000 troops outside, and most of them were archers. There were even many siege crossbows pointed at the restaurant.

Su Chen saw that Wu Zun Bixuan was about to escape. He said with a look of disdain,

"Idiot, this is Luoyang. You don't even know where you are and you dare to assassinate my daughter?"

"Dad, are we surrounded by troops outside?" Su Yan asked Su Chen doubtfully when he heard Su Chen's words in Su Chen's arms.

Su Chen touched Su Yan's little head and said with a smile, "Of course, 70,000 troops are deployed outside the restaurant and even in the whole city. I have sent all the archers here, and I have also brought siege crossbows. If this idiot escapes, he will be shot into a hornet's nest."

Yan Jing'an also looked at Wu Zun Bixuan speechlessly. When she came, she knew that there were tens of thousands of troops outside surrounding the restaurant. If Yan Jing'an jumped down, he would definitely die without a burial. Jing'an looked at Wu Zun Bixuan's confused look at the window and asked with a smile, "Wu Zun Bixuan, aren't you going to escape? I won't stop you, you can escape"

"Damn it, I'll kill you."

Wuzun Bixuan was very angry when he looked at Yan Jing'an. This woman must know the existence of the army outside. Is this woman asking him to go down and seek death? Then he will kill this woman even if he dies.

""Sword Lord of Heaven and Earth"

Yan Jing'an saw Wu Zun Bixuan coming to attack, so she pulled out her sword and killed him.

""Yan Yang Qigong"

Wu Zun Bixuan clenched his fist and emitted a white light and attacked Yan Jing'an with his fist.

Boom! Cough! Cough!

"Sword Spirit World"

"The heart of the sword is clear"

"Jing""Shou""Xu""Wu"

Yan Jing'an stabbed Wu Zun Bixuan with her sword and gave him no chance to resist. She kept using Cihang Sword Code's unique moves to attack Wu Zun Bixuan.

Yan Jing'an Now she regards Martial Master Bixuan as Su Chen's bastard. The grievances she suffered from Su Chen are about to explode now. The blame is on Martial Master Bixuan for bumping into her hand.

Martial Master Bixuan is in Yan Jing An kept retreating under the strong attacks, and the scars on his body were getting more and more. He didn't expect this woman to be so vicious, and she would frequently use killing moves.

Su Chen's eyes widened when he saw Yan Jing'an bullying Wu Zun Bixuan. He twitched, "Hard, too cruel, Yan'er, never imitate this crazy woman in the future.""

"Dad, I see this woman is torturing and killing Wu Zun Bi Xuan. Why does it seem like she is taking revenge on you? Will this woman think that Wu Zun Bixuan is you torturing him?"

Su Yan looked at Yan Jing'an in a funny way and said to Su Chen with a smile.

Su Yan just saw Yan Jing'an looking at her father when he was fighting Wu Zun Bixuan, and that look was a bit poisonous.! It seemed like she wanted to eat her father, so Su Yan suspected that Yan Jing'an was taking out his anger on Wu Zun Bixuan again, or maybe Yan Jing'an was taking revenge on Wu Zun Bixuan as her father.

Su Chen touched it After touching his chin and thinking about it, he felt that what Su Yan said made sense, "Uh! With this possibility, it seems that it would be better for this woman to be locked up in the future."

At this time,

Pang Ban was about to kill Wu Xiangjun when he saw him coming, but when he saw Yan Jing'an, he was stunned. The appearance of this woman made Pang Ban's heart beat violently. Some, he was looking at Yan Jing'an in confusion now.

Fang Yeyu was initially afraid that Pang Ban would impulsively kill Wu Xiangjun here. If Pang Ban killed Wu Xiangjun here, then Princess Zhao Min would definitely kill Pang Ban and everyone in their Magic Palace at all costs. Princess Zhao Min has Li Chimei, the celestial realm immortal, and Basitu, the quasi-celestial realm master, the Grand Master and the Grand Master. There are many masters, and you must know that the monks in the Western Regions all support Princess Zhao Min.

Fang Yeyu is now confused when he sees Pang Ban in a daze. His master has always been moody, and no one can stop what he decides, but now his master Instead of killing Wu Xiangjun when he saw him, he looked at a woman in a daze, which made Fang Yeyu confused.

## Chapter 406

At this time, Yan Jing'an was almost done venting. Seeing that Martial Master Bixuan could no longer hold on, she decided to quickly deal with Martial Master Bixuan, so that she could also complete the mission of that bastard Su Chen. She had better leave here quickly. She didn't want Cihang Jingzhai's people to find out that she was here helping this bastard Su Chen.

Yan Jing'an shook off the blood on his sword and shouted to Martial Master Bixuan, "Martial Master Bixuan, since you are also a great master, you should commit suicide."

Martial Master Bixuan coughed up blood while smiling. , "Hahaha, cough, cough, you want me to commit suicide? Stop dreaming, Fu Cailin, why don't you come over and save me? Are you going to betray the covenant?"

"Um? Caerin, the great master of Qijian in Goryeo?" Yan Jing'an didn't expect that Fu Cailin from Goryeo was here. She turned around and looked at the foreigners. She wanted to see if Fu Cailin from Goryeo was really here.

Fu Cailin wanted to kill Wu Zun Bixuan after hearing what he said. After defeating the Martial Lord Bi Xuan, he is now being restrained by the Heavenly Sword Song Que, and the arrival of this female grand master makes Fu Cailin even more frightened. If the Heavenly Sword Song Que and this woman deal with him later, Fu Cailin will have no chance to resist. He will be killed. He can't escape now even if he wants to. There are troops surrounding this place outside. Fu Cailin is also very helpless now. Song

Que, the Heavenly Sword, is a little happy now. He looked at Fu Cailin with an ugly face and thought that this is really Things have turned, and now he wants to stop Fu Cailin from saving

Martial Lord Bixuan, but why does this female Grand Master use the Cihang Sword Code of Cihang Jingzhai? Could it be that this Grand Master is from Cihang Jingzhai?

This is not right. Cihang Jingzhai does not have a great master. Fan Qinghui, the master of Cihang Jingzhai, is a master master. So who is this woman who knows Cihang Sword Canon?

Yan Jing'an looked at this The remaining aliens are a little strange. The man who looks like Fu Cailin is now being restrained by a great master of the Central Plains, and one of the other two aliens is seriously injured. Why is the other looking at him like a fool?

And his eyes are better than That bastard Su Chen was even more hateful, but Yan Jing'an, a foreigner, didn't even notice his level of cultivation, which made Yan Jing'an a little wary of him.

Su Chen looked at Fu Cailin after hearing what Martial Master Bi Xuan said. Su Chen was still wondering why the Heavenly Saber Song Que was confronting a foreign race. Now it seemed that the Heavenly Saber Song Que was helping him. Fu Cailin should have joined forces with the Martial Lord Bi Xuan. So was Li Clan involved?

The other two aliens, Su Chen, were also a little curious. They must have participated in the assassination of Su Yan, otherwise one of the aliens would not have been injured. But why was that alien who couldn't tell the level of cultivation so stupid?

He looked at Yan Jing Why did An look like she fell in love at first sight? Although Nun Yan is very beautiful, you must know that Nun Yan is now dressed as a nun. This alien will not have any special hobbies.

Lu Xiaofeng saw Su Chen looking at the alien and came to him He whispered in front of him,"Su Chen, that alien is a master of the heavenly realm."

"What? A master in the heavenly realm?"

Su Chen was stunned when he heard this. He didn't expect that stupid foreigner was actually a terrestrial immortal in the heavenly realm. Why did he have so many terrestrial immortals in the heavenly realm? During this time, Ci The Dini from Hangjingzhai and the Celestial Monk from Jingnian Chanyuan are both land gods in the Heavenly Realm. Pang Ban from Dayuan is also a land fairy in the Heavenly Realm, and this alien race is also a land fairy in the Heavenly Realm. This made Su Chen a little confused.

Su Yan listened to Lu Xiaofeng's words in Su Chen's arms and quietly told Su Chen, "Dad, there is also this woman next to her. She is also very powerful. She also said she is your woman. You have to be careful."

I guess!

Why is there someone pretending to be his own woman?

And she is also a powerful woman?

Su Yan also asked him to be careful about this woman? That means there is something wrong with this woman, a big problem, otherwise Su Yan would not be like this Remind him.

Su Chen looked at the beautiful lady sitting next to him and was very confused. He could not see the level of cultivation of this beautiful lady.

Moreover, such a beautiful woman pretended to be his own woman here. What is she going to do?

Does this woman have a grudge against herself?

Su Chen thought for a moment that there seemed to be no women among his enemies, and it was impossible for such a powerful woman to offend her, right ?

Chu Liuxiang?

Ye Di?

Mrs. Ye Di?

Isn't this woman Mrs. Ye Di?

Oh my god!

If this beautiful lady is Mrs. Ye Di, then she is also a terrestrial fairy in the heavenly realm.

Su Chen is a little dizzy now. He really saw ghosts today. , things are really difficult to handle this time. There is no terrestrial immortal in the heavenly realm here, Bai Ruobing and Donghuang Taiyi have not come yet, and there is no news about Shi Guanyin's wife. This time things are really difficult. Done.

Su Chen decided to let Su Yan and Xue Nu leave here first, otherwise they would be killed by the alien and Mrs. Ye Di. Mrs.

Ye Di smiled when she saw Su Chen looking at her. She still underestimated Su. Su Yan, Chen's daughter, was here. She didn't expect that Su Yan's girl had suspected her identity early on. This girl was really a clever girl, but now it was too late. Su Chen would not be able to leave again this time.

Su Chen saw He looked at Xue Nu next to him and said,"Xue Nu, you take Su Yan back first."

"Husband....."

"Don't say much, nothing will happen to me, you should know what I'm capable of."

Su Chen saw that Xue Nu didn't want to leave, so he stopped her. This time, we can't let these women stay. It's too dangerous here. Su Chen didn't want his women to get into trouble here. Xue Nu knew it when she saw Su Chen's look. He was worried about them. Xue Nu looked at Su Yan and nodded. This place is definitely very dangerous now, and it is also very dangerous for Su Yan to stay here.

Xue Nu took Su Yan from Su Chen and said to Su Chen," We will wait for your return at the house"

"Well, I will definitely go back after I finish taking care of things here."

"Dad, be careful"

"Be good, nothing will happen to dad."

Shang Xiuxun and the others looked at Su Chen and knew that they could not help much if they stayed here. There is now an alien terrestrial immortal here. Although they were also worried about Su Chen, they would be afraid if they stayed here. It will also drag down Su Chen.

Su Chen looked at Lu Xiaofeng next to him and said, "Lu Xiaofeng, protect them and leave. They will stay in the house today and don't go back to the inn."

Lu Xiaofeng was a little unbelievable after hearing Su Chen's words. There is a foreign terrestrial immortal here.

What does Su Chen mean?

Does he have to face that terrestrial immortal in the heavenly realm alone?

This is what Su Chen, a bastard, looks down upon. Is he Lu Xiaofeng?

Is he Lu Xiaofeng a person who is greedy for life and afraid of death?

When Su Chen saw Lu Xiaofeng's look, he knew that Lu Xiaofeng could not leave, but there are two land gods in the heaven and human realm. Lu Xiaofeng and the others stayed here just to deliver food. Su Chen I don't want anything like his friends to get into trouble here.

"Lu Xiaofeng, I will take care of it here. I'm afraid Su Yan and the others will be in danger on the road. I don't mean to look down on you."

"Huh, Su Chen, don't worry, with the three of us here, nothing will happen to Su Yan, but you have to be careful."

"Haha, don't worry, I'm very afraid of death. I'll treat you to a drink later."

Chapter 407

Su Chen saw that Xue Nu and the others were protected by the secret guards and left here. Lu Xiaofeng and the others also nodded to Su Chen and left. Su Chen breathed a sigh of relief when he saw them all leaving.

At this time, when

Yan Jing'an saw this, she knew that the situation here was a bit complicated. She didn't want to care about the things here and just wanted to leave. However, when she looked back at Su Chen, she found that all of Su Chen's women were gone. , which made Yan Jing'an even more angry.

Yan Jing'an glared at Su Chen and came to him angrily and asked, "Su Chen, what do you mean, you bastard? Where are your women? Why didn't they ask me to leave when they left?"

Su Chen saw Yan Jing'an's anger. He rushed over and questioned him. He had forgotten Yan Jing'an just now, and Xue Nu and the others didn't know why they didn't call her when they left. It's just that Yan Jing'an's current attitude is too bad, and

Su Chen didn't either. He said angrily,

"Hey, did you kill Martial Master Bixuan? We have agreed that you will kill Martial Lord Bixuan this time. Do you think it is possible that Martial Lord Bixuan wants to leave without killing him?"

"You are shameless"

"Yan Jing'an, why am I so shameless?"

""You bastard"

, what the hell!

This Yan Jing'an really needs discipline.

Oh, forget it, it's probably not safe for Yan Jing'an to stay here. It's better for her to leave here.

Su Chen thought about it and decided that she should let Yan Jing'an An should leave. Yan Jing'an was helpful to her, and she didn't do anything to regret him. Su Chen didn't want Yan Jing'an to stay and wait for death.

"Okay, you can leave. The secret guard will take you back to Dugu Mansion first. Be careful not to be exposed on the way."

Yan Jing'an looked at Su Chen and was very confused.

Why is this bastard so easy to talk to?

Does he have any conspiracy?

Yan Jing'an doesn't dare to leave now. She is afraid that this bastard will threaten her again after she leaves. Yan Jing'an should be careful with this bastard Su Chen now. She won't fall for this bastard again.

"I don't want to leave now."

Su Chen felt a little helpless when he looked at Yan Jing'an. Why is this crazy woman so crazy?

There are two enemies in the realm of heaven and humanity here. He kindly asked her to leave. Why doesn't this woman know the heart of a good person?

Su Chen pulled Yan. Jing'an walked towards the stairs.

"Damn it, get out of here quickly, this is not the place you should be."

Yan Jing'an is now very sure that this bastard must have some conspiracy. She will not be fooled by this bastard. This bastard has threatened her several times. Yan Jing'an doesn't want this bastard to threaten her again in the future.

Yan Jing'an gets rid of Su Chen said angrily,

"What do you mean, let me go, you bastard? Shouldn't I, a great master, stay here? Then can you, a bastard at the master level, stay here?"

I guess, can't this woman see the danger here?

Su Chen has already asked his women and daughters to leave here. Wouldn't this woman use her brain to think that if it was safe here, would he let them all leave?

Su Chen looked at Yan Jing'an who looked like he would never leave and said angrily,

"Phew, go and kill Martial Lord Bixuan."

Yan Jing'an saw that this bastard relented and refused to let her leave, so he smiled and said, "Okay, I will kill the Martial Lord Bixuan who has no ability to resist with one strike of my sword."

Su Chen looked at the giggling Yan Jing'an speechlessly. She is really a stupid girl. I don't know how Yan Jing'an played around with Pang Ban and the others in the original work.

Su Chen left Yan Jing'an to kill Wu Respecting Bixuan, he sat in front of Mrs. Ye Di and asked,

"Madam, it's just the two of us now. Now tell me who you are?"

"You seem to have guessed who I am. Who do you think I am?"

Mrs. Ye Di watched this bastard arrange for all those women to leave. She guessed that this bastard must have guessed who she was, and he didn't stop those women from leaving.

And the remaining woman seemed a little bit Silly, this bastard obviously wanted her to leave this dangerous place, but the woman seemed worried and refused to leave. Su Chen's behavior made Mrs. Ye Di feel that he was not hopeless.

""Mrs. Ye Di."

Su Chen didn't want to get lost in the speculation with this Mrs. Ye Di. There was also a foreign terrestrial immortal in the heavenly realm next to him. He wanted to test first whether it was possible to dispel Madam Ye Di's hostility towards him.

Ye Di Madam Di didn't expect that this bastard would guess who she was right away, which made Madam Ye Di even more suspicious that this bastard must be trying to get her attention again, and

that this bastard might even have his own portrait. Madam Ye Di couldn't bear to kill this bastard. I asked impulsively,

"oh? Why do you guess that I am Mrs. Ye Di?"

Su Chen looked at Mrs. Ye Di's murderous intent and started drinking the tea on the table. He was not worried that Mrs. Ye Di would kill him now. This Mrs. Ye Di was a little conceited, even a little arrogant.

Ye Di The madam should feel that she is meat on the knife board and she can do whatever she wants, but what she didn't expect was that she couldn't stop Madam Ye Di if she wanted to leave.

"It seems that although I have many enemies, those enemies of mine do not have a background in the heaven and human realm. However, Chu Liuxiang is different. His master is Ye Di, and Mrs. Ye Di is also a land fairy in the heaven and human realm. I think the person who came to approach me pretending to be my wife should be Mrs. Ye Di."

"But I'm a little curious. Since my wife is a terrestrial immortal in the heavenly realm, why do you still pretend to be my wife? With your strength, it would be easy to break into my house and kill me. Madam, can you tell me?"

Mrs. Ye Di nodded to Su Chen's guesses, but she blushed a little when Su Chen told her about pretending to be this bastard lady. This may be the shame of her life. Mrs. Ye Di now regrets pretending to be this bastard lady.

"Bah, who is pretending to be your wife? These are your daughter's guesses. I have never admitted that I pretended to be your wife."

"Really?"

"What do you mean you bastard? Do you think I can pretend to be your wife with my strength?"

"Will"

Boom!"

"Bastard, do you want to die?"

Mrs. Ye Di is now very suspicious that this bastard is teasing her, but she has no evidence.

Su Chen suddenly felt uncomfortable breathing, and some tables and chairs around him and Mrs. Ye Di were directly destroyed by Mrs. Ye Di's explosive momentum. ,

Su Chen saw Madam Ye Di angry and hurriedly poured her a cup of tea and said with a smile,

"Calm down, calm down, madam, anger makes you old."

Mrs. Ye Di is a little confused now. She is angry and wants to kill this bastard, but this bastard is not afraid and even pours herself tea with a smile. This makes Mrs. Ye Di confused.

"Wu Xiangjun, what do you mean, you bastard?"

Su Chen has no choice now. He can only say nice things to Mrs. Ye Di. It would be best if he could even trick Mrs. Ye Di into dealing with that alien race.

"Madam is so beautiful. I believe she is a very kind-hearted person. I don't believe she would kill me, a very kind-hearted person."

"Are you kind? Are you a liar?"

Chapter 408

Mrs. Ye Di was very speechless when she looked at Su Chen. A monarch with hundreds of thousands of troops under his command would actually say that he was a kind person?

Can you rebel in the Song Dynasty if you are kind?

Being kind can lead to hundreds of thousands of soldiers fighting in the Sui Dynasty?

Being kind can basically win over all the beauties on the martial arts beauty ranking list?

Mrs. Ye Di wanted to kill this shameless bastard immediately when she saw Su Chen. She had seen all kinds of people, but she had never seen such a shameless person. This bastard was a shameless person with a face thicker than the city wall. Mrs. Ye Di doesn't want to talk to this bastard anymore.

"Ahem, madam....."

"Shut up, don't call me Madam, you can call me Madam Shuirou."

Mrs. Ye Di felt a little unnatural when she saw this bastard calling her "Madam". Why did this bastard call her "Mrs." different from other people's names? Mrs. Ye Di felt that Su Chen, a shameless person, called her "Mrs.", it feels like she is the woman of this bastard, Mrs. Ye Di feels that this bastard is teasing her.

Damn it!

Why is this Mrs. Ye Di also a lunatic?

What is the difference between calling her Mrs. Shuirou and calling her Madam?

Mrs. Ye Di's name is Shui Rou?

Su Chen really doesn't know, but the name is good, but it doesn't match Mrs. Ye Di's.

When hearing the name Shui Rou, people will think that this woman must be a gentle and elegant woman. But Mrs. Ye Di is nothing like gentleness.

Mrs. Ye Di is a woman who hates evil and has a bad temper. Su Chen shook his head and thought about how to deal with this Mrs. Ye Di.

At this time,

Martial Lord Bixuan was in fear. Yan Jing'an's throat was cut open with a sword in front of his eyes. The great Turkic master died in Luoyang City. If the Turkic people knew that their great master was killed in the Sui Dynasty, I wonder if it would cause a national war.

Yan Jing An felt a little relaxed after killing Wu Zun Bi Xuan. This time she had completed the explanation given by the bastard Su Chen. In the future, that bastard would no longer be able to threaten her. She would leave Luoyang after she saw Qin Mengyao and Le Bingyun.

Here This is not a place for them to continue to stay. Although Di Ni will not know the situation here now, the secret will eventually be exposed one day. She does not believe that a shameless person like Su Chen can deal with Di Ni and Tian Ren in the heaven-human realm. Monk.

Just when Yan Jing'an was about to return to Su Chen, Yan Jing'an suddenly found that the stupid alien stopped her. This made Yan Jing'an wary and looked at this powerful alien with a long sword. Pang Ban watched Yan Jing'an kill Wu Zun Bixuan and was about to walk towards Wu Xiang Jun. He hurriedly stepped in front of Yan Jing'an.

Pang Ban's heart beat faster when he saw the beautiful Yan Jing'an. Said to Yan Jing'an,

"This girl, I am from Dayuan, can we be friends?"

"girl?"I can't."

Yan Jing'an was speechless looking at this stupid Pang Ban.

She is already dozens of years old, and this alien still calls her a girl?

Is there something wrong with this idiot's brain?

Yan Jing'an has no time to talk to her now. This foreign fool, she also wanted to talk to that bastard Su Chen about going back to see her apprentice.

Pang Ban didn't expect that Yan Jing'an would refuse so directly, "Uh! Girl, I really want to make friends with you, and I also want to get to know girls."

Oh my God?

This alien is not interested in her, is he?

Yan Jing'an looked at Pang Ban and took a few steps back.

Yan Jing'an didn't expect that he would be attracted by an alien even though he was dozens of years old. Although she still looks very young and beautiful now, she doesn't want to be liked by a foreigner.

Yan Jing'an is very angry now. Yan Jing'an is attracted by that bastard Su Chen and doesn't want to be liked by this idiot foreigner. Go up.

Madam Ye Di looked at Su Chen and didn't know what she was thinking. She also found that the alien master of the heavenly realm stopped Su Chen's woman, which made her feel like there was something good to watch.

Madam Ye Di was somewhat interested in Su Chen. Chen reminded,

"Wu Xiangjun, your woman seems to have been intercepted. Aren't you going to rescue her?"

"Um?"

Su Chen turned around and saw that Yan Jing'an was stopped by the land god from the alien celestial realm. Su Chen immediately got up and walked towards Yan Jing'an. Nothing can happen to Yan Jing'an here.

Although he said to Yan Jing'an couldn't stand what he did in the original novel, but this is the world of mixed martial arts. After all, Yan Jing'an hasn't done those inhumane things, and she hasn't given her apprentice Le Bingyun to Pang Ban.

Su Chen walked to Yan Jing'an. The person next to Jing'an pretended not to know that this alien was a master of the Heavenly Realm.

"Yan Jing'an, what's going on?"

Yan Jing'an didn't expect that the bastard Su Chen would come to rescue her, which made Yan Jing'an feel a little better about the bastard Su Chen, but this alien looked stronger than her. The bastard Su Chen came here. But it was a bit dangerous, and Yan Jing'an didn't want Su Chen to conflict with this alien.

"Nothing happened. This foreigner wanted to get to know me, but I refused."

Su Chen looked at this master of the Heavenly Realm and asked with a smile, "Can you tell me your name?"

When Pang Ban saw Wu Xiangjun arriving, he wanted to kill him immediately, but this woman named Yan Jing'an was here, and Pang Ban didn't want his violent side to be seen by Yan Jing'an. He fell in love with this Yan Jing'an at first sight. , Pang Ban didn't know what was going on, but he was attracted to Yan Jing'an as soon as he saw it. This was something that had never happened before.

""Pang Ban"

Damn it, this middle-aged alien is Pang Ban?

The magician Pang Ban who cultivates Taoism and develops inner demons?

This Pang Ban is an inherently evil, profound, and moody person. Su Chen looked at this dangerous person Pang Ban felt like a mother in his heart.

Earlier Yan Jing'an also said that Cihang Jingzhai invited Pang Ban from Dayuan. Su Chen didn't expect to meet Pang Ban here. This Pang Ban came with bad intentions this time. Maybe he will take action against him, but why hasn't he taken action even when he was in front of Pang Ban?

Su Chen looked at Pang Ban and then at Yan Jing'an and realized something. It seems that Pang Ban is still the same as in the original drama They also fell in love with Yan Jing'an. It stands to reason that Pang Ban is the imperial master of Dayuan. He doesn't want any woman, but why did he fall in love with Yan Jing'an at first sight?

Yan Jing'an also felt dizzy after hearing Pang Ban's name. Yan Jing'an An felt that she was doomed this time. Pang Ban was a helper invited by Cihang Jingzhai. She wanted Pang Ban to go back and tell Cihang Jingzhai's people that she had helped Su Chen. I was afraid that she would be hunted down by Cihang Jingzhai immediately..

Yan Jing'an hurriedly leaned on Su Chen. She was now very worried that Pang Ban would suddenly take action against her and Su Chen. Yan Jing'an now understood why Su Chen, the bastard, asked her to leave just now. Yan Jing'an also knew that she had just I wrongly blamed this bastard Su Chen.

"cough! Yan Jing'an, don't be nervous, and don't get so close to me."

Su Chen was very helpless now. When Yan Jing'an approached him, Su Chen saw Pang Ban's face change.

Su Chen felt that Pang Ban must have misunderstood his relationship with Yan Jing'an.

Su Chen could now I don't want to offend Pang Ban, a terrestrial god in the heaven and human realm.

Chapter 409

Yan Jing'an was very angry when he heard Su Chen's words. This damn bastard, has he forgotten what he said to him before?

This Pang Ban is a terrestrial immortal in the heavenly realm, and Yan Jing'an is here to protect this bastard. He is even afraid that if this bastard accidentally offends this Pang Ban, then they will be dead.

Su Chen saw that Yan Jing'an was still close to him, and Su Chen had nothing to do. However, since Pang Ban was an enemy, Su Chen also knew that a battle would be inevitable in a while, so he didn't care about Yan Jing'an anymore.

Su Chen looked at Mrs. Ye Di and said to Pang Ban with a smile,

"Pang Ban, you are the national preceptor of the Great Yuan Dynasty. I wonder what is going on in the Great Sui Dynasty this time?"

"Wu Xiangjun, are you investigating me? Pang Ban stared at Su Chen expressionlessly. Pang Ban was holding back his anger and said coldly to Su Chen.

Seeing Pang Ban about to explode, Su Chen coughed and said, "Ahem, no, I just Do you think Princess Zhao Min doesn't know about the imperial master's visit to Sui Dynasty this time?"

"Mr. Wu Xiang, I know about your relationship with Zhao Min, but as a Great Yuan Imperial Master, do I need to tell Princess Zhao Min when I go there?"

"Yeah? That means Zhao Min didn't know that you came to the Sui Dynasty this time. I guess you came to the Sui Dynasty also for Yang Gong's treasury. That means that the imperial master was interested in Yang Gong's treasury. Even this time, he did not inform the Emperor of the Yuan Dynasty and went to the Great Sui Dynasty privately. Sui's"

"Mr. Wu Xiang, you don't have to beat around the bush and talk nonsense. Emperor Yuan won't ask me what I'm going to do there. These threats are of no use to me"

"oh? Pang Ban, you must have been invited by Cihang Jingzhai or Jingnian Chanyuan when you came to Sui Dynasty this time. You must know that Cihang Jingzhai and Jingnian Chanyuan are my enemies. You should not come to Sui Dynasty this time. I know that when you come to Sui, you may not be able to leave Da Sui."

Yan Jing'an wants to strangle this bastard Su Chen to death. She comes to him because she is afraid that this bastard will talk nonsense. This bastard knows that this alien is the magician Pang Ban, but this bastard Su Chen still dares to threaten Pang Ban. , which made Yan Jing'an think that this bastard must be crazy, and she would die here because of this bastard.

Pang Ban didn't expect that Wu Xiangjun would dare to threaten him. He was a land god in the heaven and human realm. Mr. Wu Xiang's subordinates here are all innate realm guards. What ability does Mr. Wu Xiang have to keep him? Or is this Mr. Wu Xiang just a nobleman who doesn't know the heights of heaven and earth?

Pang Ban doesn't want to talk nonsense with this Mr. Wu Xiang anymore. He could take that Yan Jing'an away by force in a while, but he must kill Wu Xiangjun this time.

Pang Ban laughed and said to Su Chen,

"Hahaha, Mr. Wu Xiang, you are indeed smart. If I want to kill you this time, can your men stop me?"

Su Chen pointed at Mrs. Ye Di and said to Pang Ban, "Pang Ban, you are not the only land god in the heaven and human realm here. You are sure that you can kill me under the protection of another land god in the heaven and human realm. ?"

Su Chen looked at Pang Ban and smiled. Su Chen now hoped that Pang Ban would not be angry with Madam Ye Di, or even offend Madam Ye Di, so that he could kill Pang Ban with Madam Ye Di.

"Um? That woman is indeed a terrestrial immortal in the heavenly realm, but she is no match for me. The person I want to kill has never escaped."

Pang Ban didn't look at Mrs. Ye Di. He knew that woman was a land fairy in the Heavenly Realm, but so what?

Although a woman is a master in the Heavenly Realm, Pang Ban didn't care about this woman. He The Dao Heart Demon Planting Technique is the nemesis of women.

If this woman fights with him regardless of life and death, Pang Ban doesn't mind catching that woman and planting demon seeds in her. A beautiful land fairy in the Heavenly Realm is controlled by him. This is also This made Pang Ban a little excited.

Yan Jing'an was confused again now. The woman who just talked to Su Chen was also a land fairy in the heavenly realm? This was something Yan Jing'an never thought of, but Su Chen seemed to be with that woman. The conversation was a bit unpleasant. Will that woman help this bastard deal with Pang Ban?

When Su Chen saw that Pang Ban didn't care about Madam Ye Di, he continued to say seductively, "Pang Ban, you don't think that you have the magic of cultivating demons in the Taoist heart." You can do whatever you want, right? Madam Shui Rou is a powerful master of the Heavenly Realm. Your Dao Heart Demon Planting Technique is of no use to her."

"Whether it works or not will only be known after you try it. Mr. Wu Xiang, are you going to commit suicide now or should I give you a ride?"

Su Chen is also highly concentrated now. This Pang Ban is a land immortal in the heavenly realm. If he is not careful, he may die without knowing how.

Su Chen hugged Yan Jing'an beside him in his arms, Su Chen wanted to completely anger Pang Ban. Only by making Pang Ban crazy and have no time to think, could he drag Mrs. Ye Di into the water?

"what you do?"

Yan Jing'an was very upset when Su Chen hugged her suddenly. This bastard didn't deal with Pang Ban properly, but even teased her at this time, which made Yan Jing'an very angry. Pang

Ban was furious when he saw Su Chen hugging Yan Jing'an. His face turned green. He didn't expect that Wu Xiangjun would dare to hug the woman he fell in love with. Pang

Ban threatened Su Chen with full force and said,

"You bastard, let go of Yan Jing'an."

At this time, Fang Yeyu was completely confused. He had been confused ever since Pang Ban stopped Yan Jing'an. Fang Yeyu didn't expect that his master would be in love with a nun. This made Fang Ye Emperor no matter what. I can't understand it at all.

You must know that in the Magician's Palace, his master has many demonic women. Although those women are not as charming as this nun, those women are also rare beauties. Now Pang Ban actually behaved inappropriately towards a nun, which made Fang Yeyu very surprised when he looked at Pang Ban.

Su Chen hugged Yan Jing'an in front and said to Pang Ban with a big smile, "Haha, Pang Ban, you like Yan Jing'an?"

"You bastard, let go of Yan Jing'an." When Pang Ban saw that bastard Wu Xiangjun used Yan Jing'an to block his attack, he wanted to peel off this bastard's skin.

"I just won't let you go, what can you do to me?" Su Chen looked at the angry Pang Ban and lowered his head to kiss Yan Jing'an. Pang Ban hadn't completely lost his mind yet. Su Chen couldn't care less just to be safe.

Yan Jing'an stared. Seeing this bastard Su Chen kissing her, she was blinded.

Has she been tainted by this bastard?

Has her innocence been ruined by this bastard?

Yan Jing'an's mind is in chaos now. Su Chen said just now that Pang Ban likes her. What did he say? Jing'an somewhat believed that Yan Jing'an saw lust in the way Pang Ban looked at her, but!

What does this bastard mean?

Pang Ban likes herself and makes this bastard jealous?

Has this bastard always liked herself?

Yan Jing'an thought With these things in mind, she forgot to stop Su Chen from violating her.

"Mr. Wu Xiang, you are seeking death."

Chapter 410

When Pang Ban saw Su Chen talking to Jing'an, he suddenly appeared behind Su Chen and struck the bastard with one palm before Su Chen could react.

Just when Pang Ban was about to attack Su Chen, Su Chen and Yan Jing'an suddenly disappeared in front of him, which surprised Pang Ban. Pang Ban was already fast enough, but Su Chen and Yan Jing'an He didn't notice at all how it disappeared in front of him.

Su Chen kept observing Pang Ban with his mental power. When Pang Ban quickly appeared behind him, he hugged Yan Jing'an and teleported to Mrs. Yedi's side.

Su Chen looked at the confused Pang Ban. smiled

"Pang Ban, your speed is still a bit slow. Now I am here with Madam Shuirou. You should know better and leave immediately, otherwise you will not be able to leave after a while."

"Looking for death?"

When Pang Ban saw Su Chen appearing next to the female heavenly realm, he angrily attacked Madam Ye Di. He didn't care whether Madam Ye Di was Su Chen's person or not. Pang Ban wanted to kill Wu Xiang. Jun, anyone who dares to stop him will die.

Mrs. Ye Di knew Su Chen's plan when she saw him coming to her. She also heard the conversation between the bastard Su Chen and Pang Ban just now, although she felt very sorry for Pang Ban. She was unhappy, but she didn't want to be taken advantage of by this bastard.

Madam Ye Di originally wanted to catch Su Chen and let Pang Ban kill him, but she was a little confused by Su Chen's sudden arrival. She didn't feel anything just now. There was a slight fluctuation in her true energy, but? This bastard appeared beside her silently, which made Mrs. Ye Di unable to figure it out.

Seeing that Mrs. Ye Di was still in a daze, Su Chen pushed her and hurriedly Said,"What are you thinking? That Pang Ban is coming towards you, hurry up and stop that Pang Ban."

Mrs. Ye Di was pushed awake by Su Chen and found that Pang Ban was attacking her. This made Mrs. Ye Di very angry. Originally, she wanted to capture Su Chen and give it to Pang Ban, but this alien actually wanted to kill her as well. This made Mrs. Ye Di, who had a bad temper, couldn't help but kill this arrogant alien.

Mrs. Ye Di glared at Su Chen and threatened,"Damn it, you bastard, wait for me, I'll After I deal with that Pang Ban, I'll come back to you to settle the score."

"Allah, Allah, madam, feel free to kill that Pangban, I am here to cheer you on."

Come on?

What the hell?

What is this bastard talking about?

Madam Ye Di was a little confused after hearing Su Chen's words.

Madam Ye Di shook her head and stopped thinking about it. She gathered her strength and headed towards Pang Banyu who was about to kill him. The palm hit.

Bang!

Boom.

After Pang Ban and Mrs. Ye Di fought, the restaurant started to shake. Su Chen looked at the restaurant nervously and was a little worried that the restaurant would not be able to withstand these two masters of the Heavenly Realm. Fight.

Su Chen looked at the secret guard next to him and immediately ordered, "The secret guard listened to the order and immediately exited the restaurant and ordered the army to retreat two miles."

"Yes, Your Majesty."

At this time, Yan Jing'an had also recovered. She stared at Su Chen with a red face and asked,

"Why did you kiss me just now, you bastard?"

Su Chen was a little speechless when he heard Yan Jing'an's words. It's been a while. Why did this silly girl react? Su Chen looked at Pang Ban and Mrs. Ye Di who were fighting and said with a smile,

"Kiss me just because you want to, what's the point?"

"Bastard, you insulted my innocence, I won't let you go."

Yan Jing'an saw that this bastard didn't care and wanted to teach this bastard a lesson. Her innocence was ruined by this, but this bastard didn't show any signs or even give her an explanation. This made Yan Jing'an He also burst out angrily.

"I'll join in, don't make trouble. Didn't you see that there's a big war going on now?"

Su Chen saw Yan Jing'an was about to take action against him, so he hugged her hurriedly and tightly. Why didn't this woman have any sense of crisis? Now Pang Ban and Mrs. Ye Di are fighting. This is a battle that affects their life and death. If Ye Di The Emperor's wife was defeated by Pang Ban, and I'm afraid they would also be chased by the angry Pang Ban.

Yan Jing'an was hugged again by Su Chen and she didn't struggle. She looked at Su Chen and asked Su Chen directly,

"You bastard, do you like me?"

"I like you?"

Su Chen was a little confused.

This Yan Jing'an actually thought that he liked her?

How is this possible?

Although the nun Yan Jing'an is very beautiful, and the charm she exudes is also very attractive, this is a bit silly. He had not met Yan Jing'an a few times, and even when he talked to Yan Jing'an, he threatened her.

But?

Why does this Yan Jing'an think that she likes her?

When Yan Jing'an saw that Su Chen refused to admit that he liked her, she He pinched Su Chen's waist angrily and said,

"You bastard, don't deny it. The way Pang Pan looked at me just now, you knew he was attracted to me, but you bastard hugged me and kissed me when he saw Pang Pan falling in love with me. Were you jealous just now?"

I'm so jealous of him!

Isn't this Yan Jing'an too imaginative?

Yan Jing'an thought that he also liked her just because Pang Ban liked her. How is this possible?

He was just now When stimulating Pang Ban so that he would lose his mind and start a war with Mrs. Ye Di, how could Yan Jing'an think that he would fall in love with her? Su Chen touched his chin and thought narcissistically, this Yan Jing'an would not be right He meant it, otherwise how could she have thought of this.

Boom! Boom! Boom!

As the battle between Mrs. Ye Di and Pang Ban became more and more intense, this restaurant was in tatters due to persecution. Fortunately, this restaurant was big enough, otherwise This restaurant has been beaten to collapse long ago, but I am afraid this restaurant will not last long. When

Su Chen saw Pang Ban's apprentice, he wanted to kill him. Now Pang Ban can't catch up with his disciple. If Su Chen doesn't take advantage of this He felt a little sorry for himself when he killed this peckish apprentice.

Su Chen grabbed Yan Jing'an's hand that was pinching his waist, touched her angry face, and said comfortingly, "Nun Yan, we will discuss our matters later. You go and kill that Fu Cailin with Heavenly Sword Song Que, and I'll kill that Pang Ban's disciple."

Yan Jing'an lowered her head in shame when Su Chen touched her face. She doesn't know what happened to her now. This bastard teased her like this. Yan Jing'an should be angry and kill this bastard, but why is there something in her heart? Her butt throbbed.

When Madam Ye Di was fighting with Pang Ban, she suddenly found out that bastard Su Chen and Yan Jing'an were having sex with each other. This made her very angry. She was just being used by this bastard. Madam Ye Di was also very angry with this Pang Ban. Ban, okay? I'm fighting to the

death here, and that bastard is still teasing women. This makes Mrs. Ye Di wish she could leave Pang Ban and kill that bastard Su Chen first.

"Ah, Mr. Wu Xiang, you are hell seeking death." Pang Ban also discovered the situation between Wu Xiangjun and Yan Jing'an. He couldn't help but screamed when he saw the woman he fell in love with at first sight being teased by Wu Xiangjun.

"Come on, it scares me to death. This Pang Ban seems to like you very much, Nun Yan, how about we stimulate that Pang Ban again?"

"Irritating acne scars? Bastard, you are not allowed to kiss me again."
