Chapter 41

Su Yan is not afraid of Su Chen now. Everyone at home likes him very much. Even if Su Chen wants to beat him, I'm afraid he won't be able to beat him.

Besides, she is good at martial arts. Although Su Yan's martial arts is not high, Su Chen does not know martial arts, but Su Yan will not use martial arts to deal with Su Chen. After all, Su Chen is her father.

Qiao Feng said something to Su Yan and Huang Rong and got off the carriage. However, when Qiao Feng appeared from the carriage, everyone here was very surprised. They did not expect that Qiao Feng had contacts with the government.

"gang leader"

"Met the gang leader"

"Hello gang leader"

"Met Gang Leader Qiao".....

When the members of the Northern Beggar Clan saw Qiao Feng coming, they all saluted and shouted to Qiao Feng.

Qiao Feng also clasped his fists and thanked the people around him. When Qiao Feng came to the middle position, everyone here stopped. During the conversation, they all wanted to know whether there would really be civil strife in the Beggar Clan this time.

Under the big tree,

Zhou Zhiruo looked at the army that appeared and said in surprise,

"I didn't expect Qiao Feng to come with the army this time. Could it be that Qiao Feng knew something was going on at the Beggar Clan Conference and asked the army to support him?"

Zhao Min was very surprised now. She was very shocked when she saw these thousand cavalry. She had led troops in battle. Zhao Min knew at a glance that these black armored cavalry were something that their Yuan cavalry could not deal with.

Now Zhao Min is worried about the number of these black armored cavalry. If the Song Dynasty had tens of thousands of such cavalry, I am afraid that the Great Yuan Dynasty would not be able to conquer the Song Dynasty in a short time.

Zhao Min looked at these elite black armored cavalry and said,

"These armies are not simple. I didn't expect that the Song Dynasty would have such a powerful army."

Lin Shiyin looked at these black armored cavalry and asked doubtfully,

"Why didn't the Song Dynasty send such a powerful army in the recent war? If these armies appear, the war cannot be lost."

Lin Shiyin and his cousin had seen the battle between the Song Dynasty and the surrounding countries not long ago. In that war, the Song Dynasty was completely defeated. In the end, the war was stopped by ceding land and paying compensation. If there were tens of thousands of people like this in the previous war. With the cavalry appearing, maybe the Song Dynasty could turn defeat into victory.

Zhou Zhiruo thought about it and said,

"I don't know, maybe these are the secret armies of the Song Dynasty. The Song Dynasty may not use these troops until the moment of life and death."

Shi Feixuan and Huan Huan don't care what kind of army they are now. Now Shi Feixuan and Huan Huan are looking at each other with big eyes and small eyes. Although they also heard that there will be civil strife in the Beggar Gang this time, they will not. No matter what, they are not from the Song Dynasty. Even if there is civil strife in the Beggar Clan, it has nothing to do with them.

Huan Huan glared at Shi Feixuan and said angrily,

"Shi Feixuan, you can wake up Su Chen now. Qiao Feng is already here, and the Beggar Clan meeting will start soon."

Shi Feixuan looked at Su Chen who was still sleeping on her lap and said,

"He was still resting. Su Chen was not a Jianghu person anyway, so it didn't matter whether he saw this or not."

Wanyuan looked at Su Chen who was sleeping soundly on the little nun's lap and said hurriedly,

"you.....Then give him to me. Su Chen has been lying on you for a while now. You must be tired, so just let him rest on me."

Shi Fei Xuan refused without even thinking,

"No, if Su Chen is touched now, he will wake up."

Shi Feixuan didn't know what was going on, but she just didn't want Huan Huan to get close to Su Chen. She now felt that Su Chen was sleeping very peacefully on her lap, and Shi Feixuan didn't want Huan Huan to disturb Su Chen's sleep.

Huan Huan He stood up angrily and pointed at Shi Feixuan and said,

"You, you want to have Su Chen all to yourself, stop being delusional, Su Chen is the first to know me. Lin

Shiyin, Zhou Zhiruo, and Zhao Min who were standing next to them looked at Hanwan and Shi Feixuan who were about to start a quarrel. They looked at each other with big eyes and small eyes. At this time, they all saw that Hanwan and Shi Feixuan were in trouble. They wanted to compete for this man.

Li Xunhuan felt a little funny while drinking. He didn't want to find a woman now. Looking at Shi Feixuan and Huanwen's tense momentum, Li Xunhuan thought that Su Chen would be very pitiful in the future. These women can be They are all masters. As for Su Chen who doesn't know martial arts, I'm afraid he will be eaten to death by these women in the future.

Shi Feixuan didn't pay attention to Huan Huan. Now Shi Feixuan was very uneasy in her heart. This time she felt that her The telepathy is about to break through, and this time after she breaks through, she can reach the highest state of Cihang Sword Code, the sword heart is clear.

Shi Feixuan looked at Su Chen and smiled. She did not expect that Su Chen was sleeping on her lap. You can break through, which made Shi Feixuan think it was a bit childish, but it really happened.

Huanwan suddenly felt that Shi Feixuan's aura had changed a little, and she felt that Shi Feixuan was about to break through. She and Shi Feixuan Fei Xuan's cultivation realm is the same. They are both at the early stage of master cultivation.

But Huan Huan feels that it is not the cultivation realm that Shi Fei Xuan has broken through, but the breakthrough in her inner strength and mental skills. This makes Huan Huan now Some people didn't understand how Shi Feixuan could break through if he was good at it, until Huan Huan saw Shi Feixuan looking at Su Chen and smiling.

Huan Huan also understood that Su Chen was responsible for Shi Feixuan's breakthrough in internal skills and mental skills. It's just that how could Su Chen, a person who didn't know martial arts, affect Shi Feixuan's breakthrough?

Li Xunhuan didn't expect that Shi Feixuan would suddenly break through, which made him very curious. Shi Feixuan had never practiced here. Could it be that Was it that she had already practiced to the point where she was about to break through? Now Huanyuan couldn't bear it any longer. Not only did this master concubine Xuan rob her of a man, but now she was almost ready to break through relying on Su Chen. This made Huanyuan very angry. After killing this hateful little nun,

Huan Huan now warned Shi Fei Xuan with a cold face,

"Shi Feixuan, give me Su Chen, otherwise don't blame me for being rude to you."

Shi Fei Xuan also looked at Huan Huan and said defensively,

"Suchen is not yours, why should I give it to you?"

Shi Feixuan is also very interested in Su Chen now. She wants to observe Su Chen carefully for some time. Shi Feixuan just wants to know how Su Chen can suddenly break through his internal skills and mental skills.

"Master Feixuan, you are seeking death."

Lin Shiyin hurriedly came to Hanhan and pulled her to persuade her,

"Huanyuan, don't be like this. If you have something to say, please say it. Don't do anything. This will hurt your friendship."

"There's not much to say."

Huanwen angrily continued to threaten Shi Feixuan and said,

"Shi Feixuan, return Su Chen to me immediately"

"If you don't return it, Su Chen won't be yours."

Chapter 42

Just when Hanwen and Shi Feixuan were about to fight, Su Chen woke up, but when he found that he was actually sleeping on Shi Feixuan's lap, he was confused. He thought that he was not lying on the table. Going to rest? Why did he lie on Shi Feixuan's lap when he woke up?

But when Su Chenqi woke up, he found that Huanwan and Shi Feixuan were about to fight, so he quickly stood up. Su Chen didn't want to bring disaster to Chi Yu. If these two girls fought, he might accidentally get killed. Going in, he felt it was better to stay away from them.

At this time, Zhao Min and Zhou Zhiruo were a little curious when they looked at the young master. They found that the young master stood aside hastily after he woke up, which made Zhou Zhiruo and Zhao Min speechless.

When this guy woke up and saw that Hanwan and Shi Feixuan were about to start a fight, he didn't try to stop them, and he even stood aside to watch the fun.

Lin Shiyin came to Su Chen and pulled him, preparing to bring Su Chen back to Hanhan and Shi Feixuan.

"You bastard, your two fiancées are about to fight, why don't you stop them?"

Su Chen struggled and shouted after being pulled away by Lin Shiyin,

"Damn it, don't pull me, I don't want to die yet, they are all martial arts masters, I'm just an ordinary person, I'm going to stop this, let me go, don't you know whether men and women are intimate or not?"

Lin Shiyin's face turned red when Su Chen said that. She only pulled Su Chen out of desperation just now. She didn't expect that before she said anything, this bastard would say something about men and women not being intimate. This made Lin Shiyin feel very embarrassed now. ,

Lin Shiyin hurriedly let go of Su Chen and said angrily,

"you....You bastard, then you can't just watch the excitement from here, right?"

Su Chen looked at Lin Shiyin who was blushing, spread her hands and said helplessly,

"Lin Shiyin, what do you think I should do now? You want me to leave here? Or stand among them and be killed by them? If you use your brain, they all have the same strength. Even if they fight each other, they can't hurt anyone. You are so stupid."

"You fucking bastard, I'm going to kill you."

""I'll do it."

Lin Shiyin was so annoyed by what Su Chen said that she stepped on his foot and then punched Su Chen in the stomach. Lin Shiyin didn't want to care about Huan Huan and Shi Feixuan now. Now she was going crazy with this bastard.

Su Chen didn't expect that Lin Shiyin would actually do something to her. Now she was stepped on and punched, but Lin Shiyin still didn't let her go. Su Chen saw that Lin Shiyin wanted to After hitting himself, he quickly bent down to avoid it and hugged Lin Shiyin from behind.

Su Chen felt that his body was about to change when he hugged Lin Shiyin from behind, so he hurriedly threatened Lin Shiyin,

"Lin Shiyin, if you hit me again, I will fight back."

Lin Shiyin was going crazy now. She didn't expect that this shameless Su Chen would hug her. Lin Shiyin suddenly grabbed one of Su Chen's arms in shame and anger and threw Su Chen on his back.

"Damn it, you should still hug me, just go to hell"

"Damn it, holy shit."

Su Chen was thrown to the ground by Lin Shiyin. Su Chen didn't expect that Lin Shiyin would throw her back. Now Su Chen felt that his butt was about to be broken into eight pieces.

Huan Huan and Shi Feixuan was speechless when she saw the sudden change. Before they started fighting, Su Chen and Lin Shiyin actually started fighting first, and Su Chen, a grown man, had never hit Lin Shiyin.

This made Hanhan and Shi Fei even more embarrassed. Xuan felt embarrassed. After all, the person they were talking to here was Su Chen's fiancée. However, Hanwan and Shi Feixuan also saw that Lin Shiyin had learned some boxing and kicking skills. It was understandable that Su Chen couldn't beat Lin Shiyin.

Zhou Zhiruo and Zhao Min Ze watched the farce here with interest. It was much more interesting than Qiao Feng's place.

Originally Zhou Zhiruo and Zhao Min were leaving, after all, Qiao Feng had already arrived, and now Qiao Feng didn't know what he was talking about there. , they didn't hear very clearly here.

But after Su Chen woke up, a series of incidents made them very funny. Zhou Zhiruo and Zhao Min sat down to watch the show again without leaving.

Li Xunhuan was now covering his face. He didn't want to see Lin Shiyin and Su Chen's nonsense, and he didn't expect that his cousin was now swearing and hitting Su Chen again.

Seeing Su Chen's miserable look, Li Xunhuan didn't care about what he had just done about hugging his cousin. After all, the body will inevitably be touched in a fight. Although Su Chen went too far just now, Su Chen doesn't know martial arts after all, and Li Xunhuan doesn't want to argue with Su Chen. Lin Shiyin looked down at Su

Chen who was thrown to the ground by herself and felt arrogant. said,

"Bastard, do you still dare to call me stupid and brainless now?"

"You are not stupid, you have brains"

"That's pretty much it."

At this moment, a woman covered with a white gauze suddenly flew to Su Chen's side, pulled Su Chen up and asked with concern,

"Su Chen, what's going on with you? Are these people bullying you?"

Li Xunhuan looked at the woman covered with gauze with all his attention when she appeared. He hurriedly protected Lin Shiyin and then observed the woman.

Li Xunhuan felt that this woman was also a grand master, and she was also a master in the late stage of the grand master. , this woman is more powerful than herself, but how come this woman also knows Su Chen? What is the identity of this Su Chen?

Huan Huan and Shi Feixuan looked at each other and stared at this woman warily, although now it looks like This veiled woman seems to care about Su Chen very much, but when Su Chen is not sure whether she is an enemy, Huan Huan and Shi Feixuan will not let down their guard.

At this time, Zhou Zhiruo and Zhao Min were already dumbfounded. Now they are completely confused, how can a person who doesn't understand martial arts know so many martial arts masters, and each one is more powerful than the other female master?

"I have nothing to do, I was just joking with my friends."

Su Chen knew who this woman was when she appeared. This was Li Qiu Shui in the later stage of Grand Master. But Su Chen didn't expect that Li Qiu Shui actually knew him. She seemed to care about him very much. This might be her daughter Li Qingluo's letter. Does it have anything to do with the fact that Zhong said something about himself?

"You are such an old man, why are you kidding? You are also a person with status. You should pay attention to your appearance in the future, otherwise your subordinates will think of you in the future."

Chapter 43

Li Qiu Shui was speechless when he saw how dirty Su Chen was now. Li Qiu Shui had observed Su Chen when he was a child. At that time, after her daughter was rescued by Su Chen's mother, Li Qiu Shui was in Su Chen's house. Hidden for a while.

She also knew that her daughter liked this child very much at that time. Li Qiushui also secretly checked on Su Chen's condition at that time, but until now, she still has no way to let Su Chen practice martial arts, and she has no way to open up Su Chen's meridians.

"Um, I know, that.....that...."

Su Chen was a little embarrassed now and didn't know what to call Li Qiu Shui. Su Chen looked at Li Qiu Shui's perfect figure, and his voice was still so nice.

Su Chen thought that Li Qiu Shui, Li Qing Luo, and Wang Yu Yan looked very similar. If the three of them stood together, Su Chen was looking forward to it, but it seemed that Li Qiu Shui's face had been disfigured.

Let's take a look at Li Qiu Shui's character in the future. If she is as wild as in the TV series, Su Chen will not give Li Qiu Shui his remaining red fruits. Su Chen knew that Zhu Guo could restore Li Qiushui's appearance.

Li Qiushui looked at Su Chen's embarrassed look and smiled and said,

"Haha, you should call me Aunt Li. Don't you also call Yuyan's mother Aunt Li? Then you can call me that too."

Su Chen was speechless when he heard what Li Qiu Shui said. His daughter Su Yan called Li Qingluo Aunt Li just like him. Now Li Qingluo's mother also asked her to call her Aunt Li. Now Su Chen feels that the hierarchy in the family has been confused.

Su Chen thought about the purpose of coming this time and wanted to know if Murong Fu came this time. If Murong Fu came this time, Su Chen would be ready to kill Murong Fu and Murong Bo who did not show up.

Su Chen looked at Li Qiushui asked hurriedly,

"Okay Aunt Li, Aunt Li, is Li Yanzong here this time?"

Li Qiushui nodded to Su Chen and said,

"When I receive your letter, I will let someone watch him. You can deal with him as you like this time. If his father who was killed in the bombing comes out, I will deal with him."

Su Chen was a little happy when he heard Murong Fu came this time and said, "Well, let's deal with him later. Thank you Aunt Li this time."

Li Qiushui took out a token and handed it to Su Chen and said,

"You're welcome. Don't wander around here. This is my token. If you need anything, just ask Helian Tieshu to handle it for you. I've already told him that I'm going to find a friend."

"Okay."

Su Chen shook his head when he saw Li Qiu Shui disappearing without a trace in the blink of an eye. It was okay if he had martial arts, but his teleportation was more powerful than any light skill, but Su Chen didn't want to be exposed now. His own teleportation.

Su Chen turned around and saw Li Xunhuan and Lin Shiyin looking at him. Su Chen sat down as if nothing had happened, poured a cup of tea and started drinking.

Li Xunhuan and Shi Feixuan and the others looked at Su Chen as if nothing had happened. They were sitting there drinking tea leisurely. They wanted to beat this bastard severely.

Now they all want to know who was the powerful woman just now? That was What is the identity of a grand master, and Su Chen? Why does even the grand master seem to care about him?

Li Xunhuan sat across from Su Chen and asked Su Chen, "Brother Su, who was that grand master just now?"

Su Chen took a sip of tea and said to Li Xunhuan with a smile,

"Brother Li, that is a distant elder in the family, and it was the first time I met him."

Huanhan is a little confused when she looks at Su Chen. Su Chen's identity must be very complicated, especially since the woman just now told Su Chen to pay attention to his own identity. So what is Su Chen's identity? Huanwan wants to know now Let this bastard Su Chen tell him.

Huanwan took Su Chen's hand and looked into his eyes and asked,

"Su Chen, what is your identity? Why do you have a great master in your family?"

Su Chen took the opportunity to hug Huanhan's waist and said in a funny way,

"Huan Huan, I am your and Shi Feixuan's fiancé, what other identity do you think I have?"

"Bastard, are you going to say it?"

Hunwan blushed when Su Chen was hugging him and pinched his waist.

Su Chen felt pain in his waist when he was pinched by Huanwen, so he immediately called for help from Shifei Xuan,

"Let me tell you, you want to murder your husband! Feixuan, come and save me."

Shi Feixuan smiled and said to Su Chen, "You tell me your true identity and I will save you."

"Shi Feixuan, why did you learn so badly from Huan Huan?"

Su Chen didn't expect that Shi Feixuan would be curious about her identity now. How could this stone girl who didn't care about anything change now?

Huanwen also looked at Shi Feixuan curiously. She didn't think about this either. The little nun didn't go against herself this time.

"Haha, bastard, tell me your identity now, or I will let you taste my power."

Su Chen immediately held Hanhan's hand and tried to change the subject.

"Huanwen, we will talk about this later. An enemy of mine is going to show up later. You can help me kill him later."

After hearing what Su Chen said about the enemy, Huanyuan thought of what Su Chen said to the great master just now. Huanyuan must help this bastard Su Chen now. She doesn't want to let Su Chen know his identity before she knows it. Chen was killed.

Huanwan asked Su Chen seriously,

"Is this the Li Yanzong you mentioned just now? Who is Li Yanzong?"

Su Chen looked at Hanhan's worried look and said to her,

"Li Yanzong is Murong Fu, a descendant of the former Xianbei Dayan royal family. Murong Fu, this bastard, always wanted to restore the country."

Huanhan didn't expect that Su Chen's enemy turned out to be that Murong Fu. Huanwan looked at Su Chen and was a little curious. Su Chen was a young man with no martial arts skills. After he offended Murong Fu, he was not killed by Murong Fu? This is so surprising. Huanwan became more and more curious about Su Chen's identity.

"It turns out it's Nan Murong from the Song Dynasty. This is easy to handle, but I won't help you without any benefit."

Su Chen looked at Huanwan and said with a smile,

"Then I'll go find Shi Feixuan to help me. I think Shi Feixuan will definitely not ask for benefits from me."

Huan Huan pulled Su Chen and said hurriedly without letting go,

"You bastard, I helped you, but you have to tell me your identity in the future."

Su Chen hugged Huanwan's small waist and said speechlessly,

"I have a shitty identity. I am just an ordinary dude. I have no other identity."

"You still want to lie to me. After this Beggar Clan Conference is over, I will go to your house with you to have a look. I don't believe what you are saying now."

Chapter 44

Huanwan thought that it didn't matter if Su Chen didn't tell him his identity now. When the Beggar Clan Conference was over, she could just go back to his home with Su Chen, wouldn't she be able to know his identity by then?

At this time, Shi Feixuan and Li Xunhuan also wanted to go to Su Chen's house to have a look after things here were over. They were also very interested in Su Chen's identity, especially since this guy actually had a great master. elder.

Su Chen didn't care after hearing what Huan Huan said. It wouldn't be a big deal if they went to his home. Anyway, there would be Jing Salamander there, so he wouldn't be afraid of anything.

Now the reason why Su Chen didn't tell them his identity was because he was afraid that Hanwan and Shi Feixuan would have thoughts about him. Their sect wanted to rebel against Sui Dynasty.

Now both Hanhan's disciples and Shi Feixuan's disciples are looking for a potential stock to invest in. If Hanhan knew that he was a monarch with real power, I'm afraid that Hanhan would take notice of him. Feixuan will definitely be involved. If Huanhan knows his identity now, he may be kidnapped immediately.

Li Xunhuan looked at the cavalymen not far away and asked Su Chen,

"Su Chen, do you know those cavalry in black armor are from the army there?"

Damn it, why are the Netherworld Cavalry here? Damn it, what's going on? Who sent his army here? Su Chen didn't give an order for the Netherworld Cavalry to appear here. He just looked at Su Chen Su Chen was speechless when he saw the luxurious carriage with the Netherworld Cavalry escorting him in the middle.

Now Su Chen wanted to go over and beat Su Yan up. He didn't expect that this little girl Su Yan would also come here, but he didn't have any Did Su Yan not be allowed to leave Gusu City under the order?

How did Su Yan escape from the Xuanwu Legion that was guarding the city? It was impossible for the Xuanwu Legion to let Su Yan out of the city without a direct order. It seems that he will have to ask Su Yan in the future How did that little girl come out of Gusu City?

Zhao Min also looked at Su Chen. She also wanted to know now that these very elite cavalry belonged to the general of the Song Dynasty, so that she would also find a way to deal with that general in the future.

Others People also looked at Su Chen. After all, Su Chen was the only one here who was from the Song Dynasty. None of them were from the Song Dynasty, so naturally they didn't know about these armies.

"Su Chen, what are you thinking about?"

Huanwen saw Su Chen's eyes were in a daze and didn't know what he was thinking, so she pushed him and asked.

Su Chen touched his head awkwardly and said,

"Oh, it's nothing, these troops are from Gusu City."

Zhao Min looked at Su Chen and asked in confusion,

"Gusu City? Gusu City actually has such a powerful army, so why didn't these armies participate in the previous war? Lin

Shiyin told Zhao Min to tell her his guess,

"Chi, Zhao Min, these may be the private army of a high-ranking official, and the old man in Gusu City must be a corrupt official who is greedy for life and afraid of death. Otherwise, how could he afford to raise these armies? The Song Dynasty's army war was a failure. It won't affect this corrupt official's enjoyment of life."

Su Chen now wants to shut Lin Shiyin's mouth. This Lin Shiyin is nothing like the very gentle woman in the TV series. No matter how you look at it, Lin Shiyin now seems a little unruly and willful.

Touch.....a loud noise

"Am I a Khitan? How could I be a Khitan when I'm obviously Han? Quan Guanqing, please explain to me clearly. How could I be a Khitan when I'm obviously Han?"

At this time, a loud noise suddenly occurred in the middle of the apricot forest, followed by Qiao Feng's furious voice.

Huanwan looked at the middle of the apricot forest and asked Su Chen,

"What happened inside? Why is Qiao Feng, the leader of the Beggar Clan, angry?"

Wanyuan looked at Su Chen's expression and knew that he must know what happened there. Everyone here looked like they wanted to know what happened. Su Chen, the bastard, was the only one who drank tea calmly. Huanyuan guessed that Su Chen must know what happened to the Beggar Clan this time.

Su Chen looked at the curious Hanhan speechlessly and said,

"See what I do? I'm with you all the time how do I know."

Zhao Min also saw that Su Chen must know what happened at the Beggar Clan, and she also asked Su Chen,

"Su Chen, if you look like you knew it earlier, just tell me, right?"

Zhou Zhiruo also followed Zhao Min and asked Su Chen,

"Yes, Su Chen, we were all here just now, and we don't know what's going on inside. Just tell us what you know."

I guess, I'm not familiar with you. Why do Zhou Zhiruo and Zhao Min look like they are asking friends now?

Su Chen looked at these two women who were fighting to the death for a man and shook his head. Now they sat together and drank tea like nothing happened. If they meet Zhang Wuji in the future, let's see if they are still in the mood to sit together and drink tea.

Lin Shiyin came to Su Chen and held her little fist and threatened,

"Bastard, are you going to tell me? If you don't tell me, I'll beat you up."

Lin Shiyin has recovered now. When Li Qiu Shui came just now, he glared at Lin Shiyin, which frightened Lin Shiyin at that time.

If Li Xunhuan hadn't been next to her, Lin Shiyin felt that the look in Li Qiu Shui's eyes could kill her. Now that she saw Su Chen, she wanted to take it out on Su Chen. After all, that woman was the elder in his family.

Su Chen was speechless when he looked at Lin Shiyin. He was scared to death just now, but now that he recovered, he forgot what happened. Isn't Lin Shiyin afraid that Li Qiushui will suddenly appear again?

Su Chen reached out and pushed Lin Shiyin's head away with disgust and said,

"Go ahead and have fun, it's none of your business here."

When Lin Shiyin saw Su Chen looking at her with disgust, she clenched her fist and hit Su Chen and said,

"Bastard, who asked you to push my head? It seems that the beating you just received was not enough."

Li Xunhuan stopped Lin Shiyin and smiled and said,

"Shiyin, sit down and don't make trouble. Isn't Brother Su ready to say it now? If he doesn't tell you, it won't be too late to beat him again"

"Let me tell you, Brother Li, are you betraying your brother? We are the only two men here, and you are actually siding with women?"

Su Chen was speechless after hearing Li Xunhuan's words. This was a threat to himself. If he hadn't said anything, Li Xunhuan would not have stopped Lin Shiyin from beating him. It seems that Li Xunhuan was also very curious about what happened.

"Haha, of course my cousin will be on our side, Bastard Su, now we have Huanwan, Shi Feixuan, Zhou Zhiruo, Zhao Min, and my cousin on our side. Do you want to say it now or not? Everyone here is stronger than you. You should think carefully. Don't answer randomly, otherwise someone may die."

Chapter 45

Lin Shiyin was very excited now. They were the only one against Su Chen, and this time Huan Huan and Shi Feixuan did not object. It seemed that if Su Chen didn't say anything this time, she could beat him up again. Asshole once.

Su Chen looked at Huan Huan and Shi Feixuan and found that they were also looking at him curiously. Su Chen knew that they would not help him this time. The remaining Zhou Zhiruo and Zhao Min and Su Chen also looked at them lazily. They must be the same. Wondering.

Su Chen knew that it would be impossible not to tell them this time, so he told them roughly,

"I don't know much, I just know that this Beggar Clan Conference is because someone in the Beggar Clan has wronged Qiao Feng, and there are so many people and forces involved this time. If Qiao Feng doesn't die this time, he will be dismissed as the leader of the Beggar Clan. Because Qiao Feng is a Khitan from the Liao Kingdom. Lin

Shiyin looked at Su Chen and continued to ask,

"You mean someone in the Beggar Clan is going to rebel? And there are other forces and people involved? Is Qiao Feng actually a Khitan?"

Su Chen ignored Lin Shiyin and continued,

"There are at least four elders in the Beggar Gang who want to rebel. One of them, Quan Guanqing, is the leader. Haha, actually you don't know that this civil strife in the Beggar Gang was caused by a woman."

"Madam Ma, the wife of Ma Dayuan, the deputy leader of the Northern Beggar Clan, fell in love with Qiao Feng. However, Qiao Feng was so upright that he would not be kind to Madam Ma. But Qiao Feng didn't know that this woman was the one who wanted to destroy Qiao Feng."

"In order to take revenge on Qiao Feng, Madam Ma and her hard-working husband Quan Guanqing killed Ma Dayuan in order to frame Qiao Feng, and this Madam Ma could be stopped by her hard-working husband Quan Guanqing."

"These elders of the Beggar Clan who want to rebel are all having an affair with Madam Ma, and there is also an old shameless Elder Xu. He is about to be buried but he is still having an affair with

Madam Ma. I don't know if that old guy is still okay? Damn it, why are you hitting me, Huan Huan, and Shi Fei Xuan, please stop pinching me."

Huanwan said angrily when she saw Su Chen covering his arm,

"Can't you say something nice? You can just brush off those messy things in one go. There is no need to explain it so clearly. Also, are all the things you just said true?"

Su Chen looked at Huan Huan and Shi Feixuan and said speechlessly,

"Of course it's true. I won't lie to you. If you don't believe it, just keep reading. I believe that old guy Xu Elderjiu will appear soon. Zhao

Min looked at Su Chen and asked curiously, "Then what forces will be involved this time?"

Su Chen thought about it and now he doesn't know what forces will be involved. After all, this is a world of mixed martial arts, but Shaolin Temple will definitely get involved. Xuanci will not give up this opportunity if he doesn't want to lose his reputation.

Su Chen sees Looking at the beautiful Zhao Min, he said to her,

"I don't know. I now know that the Shaolin Temple is involved, and there is Murong Fu's father Murong Bo who faked his death. I won't talk about the remaining little shrimps.

Lin Shiyin was a little surprised and asked, "Shaolin Temple?" Isn't the Shaolin Temple a famous and upright sect? How could they get involved."

Su Chen said disgracefully when he heard Lin Shiyin say that Shaolin Temple is a famous and upright sect,

"Shit, none of those monks are good. I just can't stand those hypocritical monks who pretend to be compassionate. If I were the emperor of the Song Dynasty, there wouldn't be any temples in the Song Dynasty."

Shi Feixuan covered Su Chen's mouth and said hurriedly,

"Don't talk nonsense, you should tell me now why Shaolin Temple is involved."

Shi Feixuan didn't expect that Su Chen would have such a big opinion against monks. She was also a monk. Now she looked at Su Chen and wanted to know why he hated monks.

Su Chen looked at Shi Feixuan and took her cover away. He put his hand on his mouth and said,

"Xuanci, the abbot of Shaolin Temple, and some martial arts masters robbed and killed Qiao Feng's parents thirty years ago.....That's what happened. Now Xuanci, the leader, wants to destroy Qiao Feng. After all, Xuanci is also afraid that the scandal back then will be exposed."

Li Xunhuan and Zhou Zhiruo did not expect that the abbot of Shaolin Temple would do such a thing, which surprised them very much.

Shi Fei Xuan saw that Su Chen was very angry every time he talked about being a monk, which made Shi Fei Xuan unbearable. Just ask him when you live.

"Su Chen, why do you hate monks so much?"

Zhou Zhiruo also looked at Su Chen and listened to her explanation, otherwise Zhou Zhiruo would not let Su Chen go. After all, she is also a monk, and she would not let Su Chen slander a monk. The remaining Li Xunhuan and Huan Huan did not react. Anyway, They are not monks either, but they also want to hear Su Chen's explanation.

"I just hate monks. Monks are not engaged in production and occupy a lot of land. They are also a hiding place for fugitives. As long as you become a monk and become a monk, you can avoid being investigated by the government. Do you know how much fertile land the temples in Gusu City occupy now? ?"

"The fourth and fifth floors of land around Gusu City belong to some nearby temples. I would like to ask how your temple needs more land and what to do?"

"You also know that temples do not have to pay taxes, but each temple is more magnificent than the other. Where does the money for the temple come from?"

Su Chen thought of the temples outside Gusu City and was ready to attack them. From now on, he will not allow temples to appear in his own city and territory.

Anyone who opposes his decision will be executed or expelled by Su Chen. These Su Chen, an outsider of Buddhism, is not allowed to appear in his territory.

Su Chen looked at Zhou Zhiruo and Shi Feixuan, who were deep in thought, and said,

"Forget it, you are all quacks and you don't understand what you are saying."

Huanwan looked at Su Chen and wanted to know more about the hidden things in Jianghu, "Then you tell us that we understand, is there anything secret?"

"No more."

Huanwan hugged Su Chen's arm and shook it, thinking,

"Let me tell you one more thing. I promised to help you kill that Murong Fu. Su Chen, just tell me one thing."

Su Chen said awkwardly when he felt his arm touching the soft part of Huanhua,

"Well, do you want to know some secrets of Xuanci, the abbot of Shaolin Temple? I can tell you that if you find out about this, you may be hunted down by Xuanci. If you don't want to hear it, stay away now."

Huanwen immediately looked at the others and said, "Tell me, we are not afraid of the Shaolin Temple."

Su Chen smiled mysteriously and said to them,

"Xuanci had a son, and Xuanci was still an old man eating young grass. After he had a relationship with a woman, the woman gave birth to a son for Xuanci. You said that if Xuanci knew about this, you would still be alive. ?"

Zhou Zhiruo asked in surprise after hearing Su Chen's words.

"Su Chen, is what you said true? Who was the woman who gave birth to a son for Xuanci?"

"Of course it's true, that woman is Ye Erniang among the four evil villains."

Chapter 46

Su Chen was talking to Li Xunhuan and the others just to pass the time. He didn't want that girl Su Yan to find out about him. If that girl knew that there were so many beautiful women around him, she might challenge him again.

Zhou Zhiruo thought about it and asked Su Chen,

"Ye Erniang from the Four Evil Men? Is that Ye Erniang who specializes in killing children?"

"Yes, that's Ye Erniang."

Su Chen looked at Zhou Zhiruo and answered her.

Now Su Chen feels that Zhou Zhiruo and Zhao Min seem to be getting more and more familiar with him. Su Chen doesn't want to be familiar with these two women. Each of these two women is better than the other. Crazy, they were even more cruel than Huan Huan and Shi Feixuan.

Huan Huan looked at Su Chen and asked doubtfully,

"Su Chen, how do you know so many secret things?"

Now Huanhan feels that Su Chen is becoming more and more mysterious, which makes Huanhan a little confused about Su Chen. If Su Chen didn't know martial arts, Huanhan would be afraid that Su Chen is an old monster who always maintains a young appearance.

"What I know is that it is Mr. Yang that your Yinkui faction is looking for.....Well, I was drunk and didn't say anything."

Su Chen was saying proudly to Huan Huan, but he was a little carried away and accidentally revealed Yang Gong's treasure house. Now Su Chen wanted to die.

He knew that he was finished this time, Huan Huan Heshi Feixuan will definitely not let him go. Su Chen now hopes that Li Qiu Shui will come and take him away after seeing her friend.

Huan Huan was shocked after hearing Su Chen's words. She did not expect that Su Chen actually knew about Yang Gong's treasure house. Even this bastard knew where Yang Gong's treasure house was.

Huan Huan grabbed the clothes on Su Chen's chest and asked in surprise,

"Bastard, can you get drunk after drinking tea? How do you know about this? Do you know where that place is?"

Shi Feixuan also looked at Su Chen and felt very unbalanced. She didn't realize that Su Chen actually knew about the affairs of the Sui Dynasty. The interests involved in Yang Gong's treasury were very huge.

Moreover, other forces also had to get a large amount of it. The treasures and weapons, as well as the evil emperor's relics that the Jianghu sects also wanted to get. How did Su Chen, a man from the Song Dynasty, know about Yang Gong's treasure house?

Li Xunhuan and the others were now looking at the anxious Huanyuan curiously. They didn't know about Huanyuan either. Why did he have such a big reaction after hearing what Su Chen said? Could it be that what Su Chen said involved his disciple?

"Are you going to rebel? Do you think you can give me the identity of a Khitan from the Liao Kingdom and I will be a Khitan?"

At this time, Su Chen and the others heard Qiao Feng's roaring voice. Su Chen and Zhou Zhiruo turned their heads and looked over.

Su Chen felt that Qiao Feng had saved him this time, otherwise he might have been killed this time. This witch, Huanwan, forced her to confess. This witch, Huanwan, can do anything. Su Chen has to find a way to escape now. It's a bit dangerous to stay here. Hong Qigong took the letter and sighed at Qiao

Feng said,

"Gang Leader Qiao, this is true. This letter was left by the former gang leader Wang Jiantong. Now that Madam Ma has taken it out, we have all read it. The letter is indeed a letter written by Gang Leader Wang himself."

Hong Qigong doesn't know why things developed like this. Now that Qiao Feng has been confirmed to be a Khitan, I'm afraid he can no longer be the leader of the Beggar Clan. Hong Qigong also feels a little sorry for Qiao Feng now.

"Impossible, how could I be a Khitan?"

Qiao Feng read the letter and said a little crazy.

Qiao Feng didn't expect that he was actually a Khitan. He killed countless Khitans from the Liao Kingdom just to protect the people of the Song Dynasty, but now he is not a Khitan." Qiao Feng couldn't accept that he was from the Song Dynasty, but a Khitan.

Quan Guanqing looked at Qiao Feng and said angrily, "Qiao Feng, leave the dog-beating stick now, you are no longer our gang leader."

"That is, you, a Khitan, are not worthy of being the leader of our beggar gang."

"Hurry up and leave the dog-beating stick and leave our beggar gang."

"Khitan dog, leave the dog beating stick and leave our Beggar Clan, otherwise we will be rude to you."

"Khitan dog, get out of here quickly, we beggars don't welcome Khitan dogs."

"Hahaha, good! good! good! I will return the dog-beating stick to you. I will not be the leader of the Beggar Clan. From now on, the Beggar Clan will have nothing to do with me. Those murderers who killed my parents, I, Qiao...I, Xiao Feng, will definitely find out."

Zhao Qian and Sun Li shouted loudly when they saw Xiao Feng was about to leave,

"Stop, Joe....Xiao Feng, you not only killed your master, you also killed your adoptive parents. You are a beast inferior to a pig or a dog. We, our martial arts colleagues, will not let you go this time."

"That is, you killed your master and your adoptive parents, you are a beast and you still want to leave? You have a good idea. If you still have a conscience, you can commit suicide here to apologize."

"Xiao Feng, now you are no longer the leader of the Beggar Clan, now you should just let it go."

"Such an ambitious person should be killed.".....

At this time, some people around him began to insult Xiao Feng, which made Xiao Feng full of hatred when he looked at these people who insulted him. Now Xiao Feng also knew that someone was framing him.

This also makes Xiao Feng a little helpless. If he takes action against these little people now, I'm afraid he will really fall into the trap of those who want to frame others.

At this time, the martial arts masters and sect leaders nearby are just here to take a look. After all, this is an internal matter of the Beggar Clan. Even if they want to participate, they may not be able to participate. After all, this may break the rules of the martial arts. of.

Master Jue looked at Xiao Feng with a pity. She could see clearly that these Beggar Clan members had been preparing to deal with Xiao Feng for a long time. However, Xiao Feng was a Khitan after all, and Master Jue had no intention of interceding with Xiao Feng.

Others who wanted to help Xiao Feng also shook their heads at this time. They had no intention of helping Xiao Feng in this situation. After all, people who are not from my race must have different intentions. Who said Xiao Feng was a Khitan now.

And other countries like Dali, Jin Kingdom, Xixia and other countries are now eager for the Beggar Clan to have civil strife. After all, the Beggar Clan has always been against these countries, and Xiao Feng has killed many masters in their countries. They are now eager to have civil strife. Xiao Feng is now killed.

Dongxie Huang Yaoshi is not paying attention to Xiao Feng's affairs now. Just now he saw his daughter Huang Rong in the carriage protected by the army, which made Huang Yaoshi look very ugly.

Huang Yaoshi wanted to know if Huang Rong had been caught by the government. Huang Yaoshi didn't dare to take action casually when he saw these black armored cavalry. After all, the crossbows of these troops were a threat to him.

"Go ahead and kill Xiao Feng"

"Kill this Khitan dog"

"Let's go together, Xiao Feng is a master, we have to work together to kill him"

"kill"

Chapter 47

At this time, some Jianghu and some people from the Beggar Clan suddenly took action against Xiao Feng. At one time, hundreds of Jianghu and some people from the Beggar Clan attacked Xiao Feng with weapons.

Xiao Feng looked at the Jianghu people who were attacking him and did not kill them. Xiao Feng didn't want to arouse the Jianghu people's common anger against him yet. Xiao Feng just wounded his attackers directly to the ground.

Although Xiao Feng showed mercy to these people, these people did not show mercy to him. These Jianghu people attacked Xiao Feng desperately.

Xiao Feng also used Qinggong to avoid the person who attacked him, but Xiao Feng also knew that this was not a solution. If this continued, his Qi would be consumed very quickly.

Xiao Feng looked at these Jianghu people who were constantly besieging him and thought loudly,

"Everyone, if you don't get out of the way and let me leave, I won't show mercy to you."

"Kill, you Khitan dog, if you want to kill us, we will kill you. We are not afraid of death."

"Khitan dog, do you think you are powerful? We have hundreds of Jianghu people here. You can't leave this time."

"Stop talking nonsense and kill Xiao Feng first"

The people who besieged Xiao Feng didn't care at all about Xiao Feng's mercy on them. They seemed to have the purpose of killing Xiao Feng.

At this time, Wan Yankang, the young prince of the Kingdom of Jin, looked at the Jianghu people surrounding Xiao Feng and said to the Jianghu people he recruited next to him,

"Come on, you guys, this Xiao Feng can't leave this time, he has killed many masters of our Jin Kingdom."

"Yes, young prince."

Dozens of Jianghu people from the Jin Kingdom also joined in the siege to kill Xiao Feng.

Duan Zhengchun from the Dali side saw that the Jin Kingdom sent people to surround and kill Xiao Feng, so he said to the guard next to him,

"Commander Li, sent some people to surround and kill Xiao Feng. This Xiao Feng is a threat to us in Dali. We cannot let him leave alive."

Duan Zhengchun doesn't have his four guards around him now. He must leave some people to protect him. Now Duan Zhengchun doesn't know if the four guards have found Duan Yu.

""Yes, Your Majesty."

Commander Li immediately sent dozens of people to besiege and kill Xiao Feng.

As more and more people besieged and killed Xiao Feng, Xiao Feng also became angry, and he no longer showed mercy. Now Xiao Feng also began to Kill these Jianghu people who are surrounding him.

"Flying dragon in the sky"

"Dragon wagging its tail"

"A proud dragon has regrets"

""Dragon Captor"

As Xiao Feng started killing with full firepower, more and more of the Jianghu people who besieged him died.

Here in Shaolin Temple, Xuanci had a trace of emotion on his face when he saw Xiao Feng starting to kill people. Smiling, he knew that as long as Xiao Feng started killing people, there would be no turning back.

Even if Xiao Feng did not die this time, he would be the target of all the decent martial arts circles in the world. Xuanci now hopes that Xiao Feng will kill more people in the world, so that Only some decent people in the world would spare no effort to hunt down Xiao Feng.

In Da Qin, she just watched the fight in the field and paid no attention to Dong Jun of the Yin Yang family. She came to the Song Dynasty this time to serve as the leader of the Yin Yang family, Dong Huang. Taiyi ordered to investigate Lord Wuxiang of the Song Dynasty.

The Yinyang family received news that King Qin Yingzheng borrowed 20,000 elite cavalry from Lord Wuxiang of the Song Dynasty. Dongjun also secretly met those cavalrymen.

She felt that those cavalrymen were very special after seeing them. Elite, this time she came to the Song Dynasty and caught up with the Beggar Clan Conference. Dongjun planned to see the masters of the martial arts world of the Song Dynasty first.

But she did not expect to meet the cavalry she had seen here. Now Dongjun wanted to How can we get close to these cavalry to protect the people in the carriage?

Under the big tree, Su Chenhe looked at these Jianghu people surrounding Xiao Feng and shook his head. Su Chen thought that if no one helps Xiao Feng this time, I am afraid that Xiao Feng will really He is going to die here.

After all, it is impossible for Xiao Feng to escape from the siege of these Jianghu people. If Xiao Feng wants to escape, I am afraid that some masters hidden here will take action. Now Xiao Feng has no chance to escape here.

Master Fei Xuan looked at this upright Xiao Feng and sighed and said,

"Su Chen, Xiao Feng may die here this time. There are hundreds of Jianghu people surrounding him and killing him, and Xiao Feng seems to have been injured before."

When Su Chen saw Shi Fei Xuan staring at him, he immediately leaned on Huan Huan and said,

"Let me tell you, Shi Feixuan, you won't let me go to this Xiao Feng, right? Although I want to save him, do you think I can save him?"

Shi Feixuan looked at Su Chen and smiled and said,

"You must have a solution, right?"

"I have a fucking idea."

Shi Feixuan took Su Chen's hand and looked directly at Su Chen and said,

"Su Chen, although Xiao Feng is a Khitan, he is also a great hero. If you can save him, please save his life."

Su Chen also doesn't know why Shi Feixuan knows that she can definitely save Xiao Feng. She can save Xiao Feng now, and he doesn't know martial arts. Does he want to expose his teleportation to save Xiao Feng?

Su Chen has no such plan. , after all, teleportation is his trump card and his ability to escape. Su Chen doesn't want to be exposed here.

Su Chen looked at the martial arts masters around him and said angrily,

"I have no choice. You guys are all martial arts warriors. Why don't you save me? Zhao Min, aren't you the princess of Dayuan? Now you can use Dayuan to threaten those who besiege Xiao Feng, so that they dare not besiege Xiao Feng"

"And Zhou Zhiruo, doesn't that old nun of yours have a magic weapon called the Yitian Sword? Let your master take the Yitian Sword and kill a few people directly to suppress the Jianghu people who are surrounding Xiao Feng, so that Xiao Feng can have a chance to escape."

"And you, Shi Fei Xuan, haven't you Cihang Jingzhai always upheld justice? Why don't you uphold justice this time, Huan Huan, well, forget it, you witch."

Su Chen originally wanted to talk about Li Xun Huan, but she thought that she had promised to keep it secret for him, so she didn't tell anything about Li Xun Huan. As for Lin Shiyin, Su Chen automatically filtered her out just by looking at her.

Zhao Min heard Su Chen say that she He stared at Su Chen and said,

"Su Chen, you bastard, are you going to kill me? If I threaten these Jianghu people here, do you think I can still get out of the Song Dynasty? The people here are obviously trying to frame Xiao Feng. Those who appear now are all minions. The real mastermind has not yet appeared. I don't want to seek death. Zhou

Zhiruo also stared at Su Chen and said,

"That's right, you bastard wants to harm us. If my master rescues Xiao Feng, I'm afraid our Emei Sect's most precious treasure, the Yitian Sword, will also be snatched away here."

Shi Feixuan said to Su Chen apologetically,

"Su Chen, I can't take action now. I'm about to break through. I can't take action now."

"Damn it, you are all scared, am I not scared? I don't know how to do martial arts, so you are asking me to die."

Chapter 48

Su Chen was very angry now. The martial arts masters here didn't even bother to save Xiao Feng, so he asked himself, a person who didn't know martial arts, to rescue him. Wasn't this asking him to die?

Zhao Min smiled and said to Su Chen,

"Don't we believe that you can rescue Xiao Feng intact? I believe nothing will happen to you."

Su Chen directly pushed away Zhao Min who came to him and said,

"Shit, if something happens and it's not you, I won't go. If any of you want to die, go. Anyway, I won't die."

Lin Shiyin said to Su Chen a little unkindly,

"Being timid is timid, but you are still a man."

Lin Shiyin is still angry that Su Chen ignored her just now. This bastard just ignored all the women here, but when he came to her place, this bastard just looked at her with disgust and was ignored by him.

This made Lin Shiyin very Lin Shiyin felt that this bastard Su Chen didn't care about her at all. Lin Shiyin couldn't help but want to make trouble for this bastard Su Chen.

Su Chen came up to Lin Shiyin and said angrily to her face to face,

"Let me guess, Lin Shiyin, do you want to die? Why are you trying to get along with me? Isn't your cousin a man? Didn't he go too? Why don't you let your cousin go? Lin

Shiyin blushed when she saw that bastard Su Chen was so close to her and pushed him away and said,

"You bastard, why do I want to die? Didn't you see that my cousin keeps coughing? My cousin would have died long ago if he hadn't been sick. He was a coward like you."

Su Chen looked at Lin Shiyin and said disgracefully,

"Bah, I am too lazy to care about you, a crazy woman."

When Lin Shiyin saw that bastard Su Chen talking about her like this, she angrily rushed towards Su Chen and beat him and said,

"You bastard is looking for death"

"Damn it."

Su Chen was thrown to the ground by Lin Shiyin and was pinned down by her. At this time, Su Chen's hands happened to be pressed where they shouldn't be, which made Su Chen couldn't help but scratch them.

Su Chen now also He was a little confused. He didn't expect that his hand happened to be grabbing Lin Shiyin. This made Su Chen know that something big happened this time. This Lin Shiyin would definitely not let him go this time.

Lin Shiyin felt that Su Chen was grabbing her. That place screamed, "Ah, you are looking for death, you damn gangster, I'm going to kill you.""

Lin Shiyin didn't expect that this bastard Su Chen would scratch her in front of so many people. This made Lin Shiyin so embarrassed that she sat on Su Chen's body hard. This time Lin Shiyin would not let this pervert go..

At this time, Li Xunhuan and Shi Feixuan were speechless when they saw Lin Shiyin and Su Chen fighting again. However, when they saw that bastard Su Chen actually grabbed Lin Shiyin's chest, they all looked at it in shock.

They He didn't expect such a thing to happen, and at this moment, Li Xunhuan looked at Lin Shiyin with an ugly face as he pressed on Su Chen and beat him. Li Xunhuan clenched his fists and wanted to beat this bastard Su Chen.

Lin Shiyin was not only his cousin, but also His fiancée, Lin Shiyin, was molested by Su Chen, a bastard. Li Xunhuan knew that this might not be Su Chen's intention, but Su Chen, a bastard, did it after all. Li Xunhuan found it hard to accept seeing Lin Shiyin pressed against Su Chen's body.

"Damn it, you crazy woman, come down here, I'm going to die from you"

"Bastard, you gangster, please die."

Su Chen was frightened when he saw Lin Shiyin taking out a dagger from nowhere and said quickly,

"Let me tell you, Lin Shiyin, calm down. We don't need to use the knife. Put it down quickly. This knife is too dangerous. How can a beautiful woman like you use the knife? Throw it away, we have something to talk about."

Lin Shiyin looked at Su Chen's scared look and raised her dagger to scare her and said,

"Damn gangsters, let's die together."

At this time, Huanwen and Shi Feixuan also reacted. Huanwen immediately pulled Lin Shiyin up from Su Chen's body, and Shi Feixuan also pulled Su Chen to her side to protect her. They knew just now that Lin Shiyin was not there. They really wanted to kill Su Chen, but Shi Feixuan and Huan Huan were also afraid that Lin Shiyin really couldn't think of dying with Su Chen.

Su Chen calmed down for a while and then hurriedly pulled Shi Feixuan and Huan Huan and said, "Huh, Shi Fei Xuan, Huanwen, let's leave, it's too dangerous here."

When Lin Shiyin saw that bastard Su Chen was about to leave, she stopped him and said,

"Bastard, if you dare to leave me, my cousin will kill you."

"casual"

"you....."

Li Xunhuan now also saw that his cousin seemed to have some affection for Su Chen. He felt very uncomfortable now and wanted to vent it out.

"Brother Su, don't leave yet. You take care of my cousin here while I go rescue Xiao Feng."

Su Chen felt a little helpless after hearing Li Xunhuan's words. Su Chen was afraid that Li Xunhuan would suddenly throw a knife at him. He didn't know what Li Xunhuan was thinking now, but he was a little surprised when Su Chen turned around.

He didn't expect His own Xuanwu Legion also came, and two thousand-man troops also came. When Su Chen saw the Xuanwu Legion passing towards the middle of the apricot forest, Su Chen knew that this girl Su Yan was going to save Xiao Feng. Now Su Chen couldn't think of it anymore. Understand why this girl Su Yan came to Xingzilin with Xiao Feng? How did they meet?

Su Chen pointed to Xiao Feng and said to Li Xunhuan, "Brother Li, that.....Well, you may not need to go."

Zhou Zhiruo, Shi Feixuan and the others have not noticed the situation at Xiao Feng's place now. They are just watching Su Chen and Lin Shiyin's mischief. They did not expect that changes have taken place in the fighting arena. In the battle in the middle of Xingzi Forest, Xiao Feng is now Gradually he couldn't hold on any longer. He had killed hundreds of people here, and he was also injured in many places. But the more people Xiao Feng killed, the more people surrounded him. Now he was surrounded and killed. There are five to six hundred people, and Xiao Feng has consumed a lot of his energy now. His Eighteen Dragon Subduing Palms can consume a lot of his energy. Now he can only use the Dragon Capture Technique to deal with these people who are surrounding him.

"Xiao Feng, you can't hold on anymore, why don't you just surrender?"

"Hahaha, if you want to kill me Xiao Feng, just come. I, Xiao Feng, will stay with you until the end today."

"Come on, kill him."

Dong dong dong dong dong dong.

Just when these people in the world were preparing to surround Xiao Feng again, a burst of heavy footsteps came out. When these people in the world heard such dense footsteps, they stopped and walked toward them. Look where it came from.

Chapter 49

Next to the apricot forest, Su Yan and Huang Rong watched more and more people surrounding Xiao Feng. They were also worried about Xiao Feng. They also knew that Xiao Feng was wronged, but this time Su Yan brought cavalry. It is not suitable for cavalry fighting.

Su Yan looked at Xiao Feng who was being besieged and thought that it would be a pity if Xiao Feng died here. After all, Xiao Feng's martial arts was very strong. If Xiao Feng hadn't been injured earlier and lost too much energy this time, maybe the Jianghu people who besieged him here wouldn't be able to kill him at all. Can't hurt him.

Huang Rong saw that Xiao Feng had suffered a lot of injuries and asked Su Yan beside him,

"Su Yan, are you really not going to send your cavalry to rescue Xiao Feng?"

Huang Rong knew that Su Yan had a very good relationship with the former leader of the Northern Beggar Clan, but now Xiao Feng could no longer hold on. Su Yan was a little anxious and did not send troops to help Xiao Feng, which made Huang Rong very strange.

Su Yan After looking at the fight in the field, Xiao Feng said helplessly,

"Sister Huang, we are all cavalry here who are going to attack Xiao Feng and suffered heavy losses. We should wait until my Xuanwu Legion arrives. Anyway, Xiao Feng can still hold on for a while."

Huang Rong looked at Su Yan unexpectedly after hearing what Su Yan said. She didn't expect that Su Yan could be so calm and calm at such a young age. He didn't lose any sense of proportion because of Xiao Feng's current situation. This made Huang Rong look at Su Yan with admiration.
Huang

Rong looked at the increasing number of people surrounding Xiao Feng and sighed and said,

"Alas, I also know that the cavalry cannot be deployed in the apricot forest. This is the only way to wait for your army to arrive. Su Yan, this time you mobilized the army privately. If your father finds out, I'm afraid your butt will explode."

Su Yan waved his hand nonchalantly and said,

"Tsk, I'm not afraid of my dad? Sister Huang, are you afraid of your father? Huang

Rong smiled when she thought of her father Huang Yaoshi and said,

"Don't be afraid. My dad always says he wants to punish me, but he just scares me. My dad has never punished me once."

"That's fine, my dad won't punish me."

Su Yan pulled Huang Rong and whispered to her with a smile,

"Hehe, let me tell you, Sister Huang, every time my father provokes me, I will ask my father to compete in martial arts. My father does not know martial arts, so I defeat my father every time."

Huang Rong was shocked by Su Yan's words. She didn't expect that Su Yan would be so naughty and mischievous. He was much better than herself. Huang Rong had never competed with her father in martial arts, and she didn't dare to compete with her father. After all, her father But as a master, I am afraid that Huang Rong will be suppressed before she attacks her father.

Huang Rong nodded Su Yan's head and said,

"You are really shameless. You actually competed with someone who doesn't know how to martial arts, and that person is your father. I really don't know what to say about you."

At this time, Liu Teng came to the carriage and saluted Su Yan at the window and said,

"Report to the princess that Captain Gu Qianwu has arrived with two thousand Xuanwu Legions."

When Su Yan heard the Xuanwu Legion coming, he pulled Huang Rong out of the carriage and ordered,

"Captain Liu Teng, asked Captain Gu to bring the Xuanwu Legion over immediately. A'Zhu, you and A Bi stay in the carriage."

""Yes, princess."

After a while, Liu Teng came over with a mighty man wearing heavy black armor. When the man came to Su Yan's side, he immediately saluted and said,

"Gu Changfeng, the commander of the Xuanwu Legion, met the princess."

Su Yan looked at his direct subordinate and ordered,

"Gu Changfeng, take the Xuanwu Legion with me to rescue people."

""Yes, Princess."

Gu Changfeng waved, and the two thousand heavy armored infantrymen of the Xuanwu Legion wearing heavy black armor marched towards the fighting place in the middle of the apricot forest with heavy steps.

Dong-dong-dong-dong-dang-dang. When the Xuanwu Legion entered the fighting place with Shen Zhong's steps, the people who were besieging Xiao Feng stopped one after another. They couldn't help but retreat when they looked at this army, which was all wearing thick heavy armor.

Especially Looking at the crossbows in the hands of these troops, the body couldn't help shrinking. These are not ordinary military crossbows, but Qi-breaking crossbows specially designed to deal with Jianghu people.

If these troops use these military crossbows to kill Jianghu people, Some of the body-protecting Qi of the Jianghu people could not protect against these Qi-breaking crossbows, and these crossbows fired six times in a row, which gave them no chance to escape.

Huang Yaoshi saw that her daughter Huang Rong actually entered the hotel with a little girl There was a fight, and it seemed that they were trying to save Xiao Feng, which Huang Yaoshi couldn't understand. Huang Yaoshi knew that Huang Rong was smart, but these troops knew at a glance that they were not easy to mess with. How did Huang Rong deceive a little girl? Come to rescue Xiao Feng? And who is that beautiful and cute little girl? How come she has so many troops protecting her?

Lord Yin Yang Family looked at the little girl and a beautiful woman who appeared and couldn't understand. , just by looking at this little girl, Dongjun knew that she was the leader of these armies.

Dongjun thought that this might be the daughter of Lord Wu Xiang, and this time he might be able to use this little girl to get close to Lord Wu Xiang.

Others The sect leaders and important figures from some countries are also observing this little girl. They all want to know who this little girl is? Why did she bring so many elite troops here?"

Su Yan walked to Xiao Feng. Looking at Xiao Feng who was covered in blood next to him, he said,

"Uncle Xiao, not only has your last name changed in just a short while, but you are now much more embarrassed than before."

Xiao Feng looked at the people around him. He didn't expect that no one he knew in the past came to save him, but Su Yan, who only had a relationship with him, actually saved him twice today. This made Xiao Feng see through this. The so-called noble family,

Xiao Feng smiled and said to Su Yan,

"Haha, Su Yatou, you shouldn't have come to save me this time. If you save me this time, it will bring trouble to your father."

Su Yan patted his chest and said,

"Don't worry, I'm in charge of my family. My father can't control me. Besides, you still owe me a condition. If I don't save you, I'm afraid you won't be able to fulfill the condition you owe me."

After hearing what Su Yan said, Xiao Feng said to her with a wry smile,

"Su Yatou, maybe I really can't fulfill my promise this time. Xiao Feng is a little sorry for you this time."

Su Yan looked at Xiao Feng and said expectantly,

"It's okay, Uncle Xiao. Anyway, you are not the leader of the Beggar Clan now. Why don't you be my bodyguard commander? I don't have a bodyguard commander yet. Can Uncle Xiao do that?"

Su Yan has been plotting against Xiao Feng since he got to know him. Xiao Feng used to be the leader of the Beggars' Gang. Su Yan thought that he might be able to join the Beggars' Gang in the future, so he didn't make any requests last time.

Now Xiao Feng is no longer the leader of the Beggars' Gang. , then Su Yan will target Xiao Feng. After all, Xiao Feng is a master master, and he is not very old. If Xiao Feng is promoted to Grand Master in the future, won't he make a lot of money?

Chapter 50

Huang Rong curled her lips when she heard Su Yan's words. She didn't expect that this little girl would actually have an idea for Xiao Feng. Xiao Feng was a master like her father Huang Yaoshi. Huang Rong also wanted the protection of a master, and Xiao Feng's character is beyond words.

Su Chen was completely confused now. He heard what Su Yan just said clearly. He didn't expect that Su Yan's girl was actually trying to get Xiao Feng's idea, and she had already made Xiao Feng owe him the conditions. Su Yan would be a farmer in the future. The female Guan Zhong is also her own daughter.

Lin Shiyin looked at Su Yan and said in surprise,

"Wow, I didn't know this little girl was the daughter of an official. She is so smart at such a young age. It seems that she will be very extraordinary when she grows up."

Zhou Zhiruo also liked Su Yan very much when she looked at her.

"That's right, and she has acquired the fourth level of cultivation at a young age, and her future achievements are also immeasurable."

Huanwan directly took Su Chen's hand and said,

"I want to accept this little girl as my apprentice, Su Chen, you have to help me."

Su Chen rolled his eyes and refused,

"Huanyuan, you Yinkui sect are all ruthless and ruthless people who eat people without spitting out their bones. I think it's better to forget it."

Huanwan pulled Su Chen and said angrily,

"Damn it, as long as I'm here, nothing will happen to that little girl."

Su Chen said to Hanhan somewhat unkindly,

"Hey, something happened to your master Zhu Yuyan's daughter in the Yinkui sect. I'm afraid you can't protect yourself now. The other party has been plotting against you, so you'd better be more careful."

Su Chen knows everything about the Yinkui sect. That crazy woman Zhu Yuyan doesn't even want to take revenge on her daughter for the future of the Yinkui sect, and there's Bian Fuhua, who has been plotting against Huanwan. Zhu

Yuyan He didn't say anything after knowing it, but just scolded her casually. This showed that Zhu Yuyan didn't want anything to happen within the Yinkui sect, otherwise the strength of the Yinkui sect would be greatly reduced. Su Chen would not let his daughter go to Yinkui. faction.

Huanhan was silent after hearing Su Chen's words. She didn't expect that Su Chen even knew about the internal affairs of the Yinkui sect. This made Huanhan know that she had indeed failed to

consider this time. This little girl was obviously If she really wanted to take the young lady from the official family back to the Yin Kui Sect, she would definitely be harmed.

Shi Feixuan looked at Huan Huan and then stared at Su Chen. She also wanted to take in this little girl. Since Huan Huan didn't Yes, her master, Cihang Jingzhai, is a famous sect and is the leader of the sect in the Sui Dynasty. I believe Su Chen will help him to make this little girl worship him as his master. When

Su Chen saw his master concubine looking at him, Su Chen said speechlessly,

"What are you looking at? You can't do it either. Your disciple Cihang Jingzhai is more sinister than the Yinkui sect, and even worse than the Yinkui sect. Although the Yinkui sect is bad, they are at least bad on the surface. That's what you Cihang Jingzhai did. The bitch is setting up a memorial arch again, so don't hurt that little girl."

Shi Feixuan blushed when Su Chen said that. She didn't expect that Su Chen would say this about her disciple. But now Shi Feixuan is a little doubtful about what Su Chen said. Su Chen knows many secrets. Could it be that her disciple Is Cihang Jingzhai really as unbearable as Su Chen said?

At this time,

Xiao Feng looked at Su Yan and smiled and said,

"Su Yatou, I agree to your request, but you don't want to get involved in this matter today. If I get out of here alive, I will look for you in the future."

Su Yan became happy when Xiao Feng agreed.

"Haha, that's not possible, Uncle Xiao, since you agreed to be my guard commander, you are my subordinate. I don't want you to die here before you have been my subordinate for a day."

Su Yan looked at everyone around him. Everyone looked at her silently. Su Yan said loudly without waiting for Xiao Feng's answer,

"You all heard what Xiao Feng said just now. Now Xiao Feng is the commander of my bodyguards. I will take Xiao Feng away today. If you want to stop me, you can come forward now."

A man from the world raised his hands to Su Yan and said,

"Miss, Xiao Feng is a Khitan, and you are a lady from an official family of the Song Dynasty. You cannot save the Khitan."

Su Yan looked at the people around him and said unkindly,

"What happened to the Khitans? I think Xiao Feng, a Khitan, is stronger than you people. You people here obviously know that this is framed to frame Xiao Feng, but why don't you, the self-righteous and upright people from a famous family, help Xiao Feng speak up? Quan

Guanqing stood up and said to Su Yan,

"This lady, Xiao Feng is a sinner of our Beggar Clan, you cannot take him away."

Su Yan looked at this guy with some evil intentions and said disgracefully,

"Sigh, what you are saying now makes me feel sick. Do you think Qiao Feng is a sinner of the Beggar Clan? So let me ask you what did Xiao Feng do to become a sinner of the Beggar Clan? Quan

Guanqing said with an ugly face,

"If he killed Ma Dayuan, the deputy leader of our Beggar Clan, wouldn't he be a sinner? Xiao Feng even killed his master and his adoptive parents. Isn't this a sinner?"

Su Yan looked around and said loudly,

"Has anyone seen Xiao Feng killing these people? Now stand up and let me take a look. I also have some questions to ask."

At this time, a very coquettishly dressed woman came out and said pitifully to Su Yan,

"Kang Min, a civilian woman, has met this young lady. When Xiao Feng killed my husband, Ma Dayuan, he left his fan behind. With this evidence, Xiao Feng is the murderer."

Su Yan became curious when she looked at this pretty woman. Her father Su Chen had told her about this vicious woman.

Su Yan didn't expect to see Kang Min here. It was Kang Min and her traitors who framed Xiao Feng. Husbands.

Su Yan looked at this disgusting woman and asked,

"Are you Kang Min? Ma Dayuan's wife?"

"Yes, ma'am."

Kang Min saw Su Yan asking herself, and she answered directly without hesitation.

Su Yan laughed when she heard that this woman was indeed Kang Min. Now Su Yan was very sure that it was Kang Min and her adulterers who wanted to frame Xiao Feng. of,

"Haha, Kang Min, my father told you that you were the lover of Duan Zhengchun in Dali. After Duan Zhengchun abandoned you, you strangled your son to death and married Ma Dayuan, a beggar gang."

"And after you married Ma Dayuan, you shamelessly got together with Quan Guanqing, Bai Shijing, and the 80-year-old Elder Xu in your beggar gang. You also fell in love with Xiao Feng, but Xiao Feng was an upright man and ignored him. You, so you and your fellow fighters are going to frame Xiao Feng."

After hearing Su Yan's words, Kang Min was so frightened that he sat on the ground and asked shivering,

"you.....How did you know? No, you're talking nonsense, I don't know what you're talking about."
