Chapter 411

Su Chen shook his head when he heard Pang Ban's angry shouting. He didn't know that Pang Ban had set his sights on Yan Jing'an. What kind of bad luck did Yan Jing'an have that Pang Ban, a foreigner, would like him.

Su Chen looked at Yan Jing'an and was very speechless. Why is this nun Yan so nervous now? This is not like the unscrupulous Yan Jing'an in the original work. The Yan Jing'an who played Pang Ban around is not like this. Narcissistic woman.

Yan Jing'an was a little confused when she heard Su Chen's words. Why did Su Chen, a bastard, keep looking at her if he wanted to stimulate Pang Ban? But Yan Jing'an's face turned red instantly. She thought about how this bastard wanted to stimulate Pang Ban. , this bastard must be frivolous about himself to stimulate Pang Ban, this damn shameless person.

Pang Ban is now attacking Mrs. Ye Di like crazy. He is going to fight off this powerful woman and kill the bastard who teased Yan Jing, but this woman's cultivation realm is stronger than him, and his Dao Heart Demon Dafa couldn't be implanted in this woman's body, which made Pang Ban anxious and angry. boom! boom! boom! boom!

Mrs. Ye Di was also angry at this time. That bastard Su Chen was free and easy there, but she was here to intercept the enemy for that bastard. Now Mrs. Ye Di also used Pang Ban as Su Chen to vent her anger. Mrs. Ye Di's wedding dress magical skill He was naturally restrained against the purple energy that Pang Ban unleashed.

Mrs. Ye Di also heard that bastard Su Chen talk about Pang Ban's Taoist Heart Demon Technique. She had always been on guard against Pang Ban's martial arts. Mrs. Yedi saw that her Wedding Dress Magic had restrained Pang Ban's Taoist Heart. After planting the magic, she felt relieved and began to attack Pang Ban with all her strength. This time she must kill this ungrateful bastard.

"Damn it, Mrs. Ye Di is angry, Nun Yan, we don't need to provoke Pang Ban this time."

Su Chen's eyelids jumped when he saw Mrs. Ye Di attacking Pang Ban like crazy.

Women are tigers!

Women are tigers!

Never offend women in the future, especially powerful women.

Su Chen thought of Mrs. Ye Di's visit this time. He was very helpless when he was in trouble. It seemed that after Mrs. Ye Di solved Pang Ban, Su Chen would have to find a way to stabilize Mrs. Ye Di, otherwise he would be in trouble.

Yan Jing'an was surprised when he saw Mrs. Ye Di's outburst. asked, "This woman is so powerful, who is she? Why will it help you!"

"enemy"

"enemy? Are you kidding me?"

"Do I look like I'm joking?"

"Really the enemy?"

"Well, it's true."

When Yan Jing'an got Su Chen's confirmation, she looked at Mrs. Ye Di in surprise. She never thought that this woman in the Heavenly Realm was also Su Chen's enemy. But since this woman in the Heavenly Realm was Su Chen's enemy, Then why does she want to help this bastard Su Chen?

Has this woman been molested by this bastard Su Chen before?

This time she also comes to seek revenge?

Isn't that right?

She actually comes to seek revenge from Su Chen, so why? Is she going to help Su Chen again?

Does this powerful woman still have feelings for the bastard Su Chen?

Yan Jing'an looked at Su Chen and asked angrily, "What is your relationship with that woman?"

"Hey, we have nothing to do with each other. I don't even know this woman....., let me guess, that's not right, why should I explain to you? You are not my woman."

Su Chen was originally going to explain to Yan Jing'an, but he suddenly thought why he wanted to explain to Yan Jing'an? He was also confused by this nun Yan

"Shameless?

Why is he shameless again?

Su Chen looked at Yan Jing'an and patted her shoulder and pointed at Fu Cailin. Su Chen couldn't let Yan Jing'an idle. This woman would have random thoughts if she was idle. It's better to let her get busy.

Looking at Su Chen's expression, Yan Jing'an said angrily, "Asshole, I'm not your thug. Su

Chen hugged Yan Jing'an and smiled and said, "Nun Yan, you must help me this time. This is also helping you. If you let Fu Cailin out, I'm afraid he will report you to Cihang Jingzhai. You Are you sure you don't want to go?"

"Damn it, you shameless bastard really got me into trouble."

Yan Jing'an glared at Su Chen, this bastard, but there was nothing he could do. She was eaten to death by this bastard now, but what Yan Jing'an said was also angry. Even if Su Chen didn't tell her, she wouldn't be able to keep these aliens.

When Su Chen heard Yan Jing'an's words, she knew that she was willing to kill Fu Cailin. Su Chen was also a little confused about this Yan Jing'an. This woman's attitude just now was not so firm. Did Yan Jing'an not intend to let this go from the beginning? The foreign race left?

Su Chen shook his head and didn't think about it so much. Anyway, as long as Yan Jing'an went to kill Fu Cailin, Su Chen looked at Yan Jing'an who was exuding charm, kissed her, let her go and said, "Which of us will do it?" Who is it? If you help me, you are helping yourself. We are just grasshoppers on the same rope now."

"Shameless person."

Yan Jing'an watched this bastard kiss her again. She scolded Su Chen and left in a hurry. She didn't dare to stay with that bastard Su Chen. Yan Jing'an touched Su Chen after he left her side. He touched her hot face.

Yan Jing'an felt that she was crazy. How could she have a crush on this bastard Su Chen? Moreover, she didn't beat up the bastard when Su Chen teased her. The more Yan Jing'an thought about it, the more she felt that she must have been molested by Su Chen. Confused.

After Yan Jing'an left, Su Chen took out the Blue Blood Sword and teleported to Fang Yeyu's side. Before Fang Yeyu had time to react, he put the sword on his neck.

Su Chen looked at the nervous Fang Yeyu and said with a nervous smile, "Little pretty face, your good day has come."

Fang Yeyu is very nervous now. He did not expect that Wu Xiangjun would suddenly appear next to him and control him directly. Fang Yeyu was afraid that Wu Xiangjun would cut his neck with a sword.

"Wu.....Wu Xiangjun.....I didn't want it.....I don't want to deal with you. These are all things my master Pang Ban did privately. These things have nothing to do with me."

"Haha, are you begging for mercy? You are the royal family of the Great Yuan Dynasty, Fang Yeyu, you have embarrassed the Royal Family of the Great Yuan Dynasty."

"I am just a side branch of the Dayuan Royal Family. I am just a dispensable person. Mr. Wu Xiang, I know that you have a close relationship with Princess Zhao Min. Please let me go for Princess Zhao Min's sake."

Su Chen shook his head when he saw Fang Yeyu, who was known as the Little Magician. This Fang Yeyu was not a good person, and he fell in love with Qin Mengyao at first sight. This little magician was just like her master, and he liked her no matter what. Falling in love with Cihang Jingzhai's woman?

Uh!

Su Chen thought that he also fell in love with Cihang Jingzhai's woman. Su Chen touched his chin and thought that Cihang Jingzhai's women were indeed not simple. Fan Qinghui, Bi Xiuxin, Shifei Xuanyan Jing'an, Qin Mengyao, Le Bingyun, these women are all peerless beauties, and they are not simple people. Each one of them confuses the lucky protagonists and either retires or gives up the fight for hegemony.

"Pretty boy, your life or death depends on your master." Su Chen patted Fang Yeyu's face and looked at Pang Ban, who was fighting with Mrs. Ye Di.

Su Chen looked at Pang Ban who was forced back by Mrs. Ye Di and shouted,

"Pang Ban, look at this apprentice of yours. Now I count to three. If you don't surrender, I will kill this apprentice of yours."

Chapter 412

Fang Yeyu looked at Pang Ban with a pale face when he heard Wu Xiangjun shouting to his master Pang Ban. Fang Yeyu knew this time that he was going to die, and his master Pang Ban would definitely not care about his life or death.

At this time,

Pang Ban was trying his best to resist Mrs. Ye Di's crazy attack. He now regretted provoking this terrifying woman. Pang Ban did not expect that this woman was so powerful, and his Tao Heart Demonic Technique was also crazy about this woman. There is nothing the woman can do about it.

He also heard Su Chen's screams, but he was not calling for Fang Yeyu's life or death at all. He had no time to save Fang Yeyu now. Pang Ban knew that as long as he had the slightest flaw, this terrifying woman would definitely take advantage of it. kill him

""Nosy bastard"

Mrs. Ye Di muttered when she heard Su Chen threatening Pang Ban while attacking Pang Ban.

Mrs. Ye Di felt that Su Chen, that bastard, didn't believe that she could kill Pang Ban, a foreigner. She had the upper hand now. As long as this alien Pang Ban does not escape, Madam Ye Di can kill him soon.

But Madam Ye Di Su Chen felt very good helping her like this. Although that bastard was of low strength, he did not run away after she fought with Pang Ban. He even tried to find a way to help her. This made Mrs. Ye Di less angry at being used by Su Chen. A lot.

When Su Chen saw that Pang Ban didn't look at him or answer his words, Su Chen knew that Fang Yeyu, his disciple, was dispensable to him.

Su Chen looked at the frightened Fang Yeyu and smiled and said, "Little magician, it seems that your master doesn't care about you."

Fang Yeyu hurriedly knelt on the ground. Fang Yeyu also understood that he was being treated by his master. Pang Ban gave up. If he couldn't persuade Wu Xiangjun to let him go, he would definitely die here this time.

"Mr. Wu Xiang, my master is a moody person. He will definitely not care about my life or death. Mr. Wu Xiang, please let me go. I will never appear in the Central Plains again."

"Tsk, that's a pretty idea"

"What I said is true. I can take refuge in you, and I can also take refuge in Princess Zhao Min. I will help you and Princess Zhao Min in the future, and I beg Mr. Wu Xiang to spare my life."

Su Chen shook his head when he looked at Fang Yeyu who was greedy for life and fearful of death. This Fang Yeyu can't be kept. Even if a person who is evil and fearful of life and death surrenders to him, he will bite him back in the future. Su Chen can't. It would leave such trouble.

Su Chen did not care about Fang Yeyu, a man who was greedy for life and afraid of death. He looked at the injured Pang Ban and shouted loudly,

"Pang Ban, I started counting, one."

Pang Ban looked at his injured chest after hearing Su Chen's words. He was very angry now. He couldn't beat this woman in the heavenly realm, but that bastard Wu Xiangjun Still harassing him.

He definitely doesn't care about Fang Yeyu's life or death. Pang Ban is now bent on killing Wu Xiangjun and taking away Yan Jing'an, but this crazy woman in the Heavenly Realm has made all Pang Ban's ideas go to waste.

"two"

"Mr. Wu Xiang, I will cut you into pieces soon." After Pang Ban repelled Madam Ye Di's attack, he hurriedly turned to look at Su Chen and shouted angrily,

Boom! Boom! Boom!

Ah!

Just when Pang Ban shouted at Su Chen, Madam Ye Di suddenly Appearing next to Pang Ban, she struck Pang Ban with three palms in a row while he was yelling at Su Chen. Pang Ban was immediately kicked out of the restaurant by Mrs. Ye Di.

Mrs. Ye Di looked at The big hole in the restaurant glared at Su Chen and continued to chase Pang Ban.

Su Chen was very surprised when he saw Pang Ban being kicked out of the restaurant by Mrs. Ye Di. Su Chen also saw the battle just now. Madam Ye Di is not the opponent at all, but Madam Ye Di is probably not going to kill Pang Ban for a while. The land gods in the heavenly realm are not so easy to kill.

Su Chen thought of the threat he had just made to Pang Ban. When Pang Ban scolded him angrily, Madam Ye Di unexpectedly kicked Pang Ban out.

"Damn it, Mrs. Ye Di actually knows how to use tricks. Was she forced back by Pang Ban just now? Then he unexpectedly attacked and killed Pang Ban."

Su Chen was very speechless when he saw Mrs. Ye Di glaring at him before chasing Pang Ban. Mrs. Ye Di still misses him. It seems that she will take some measures against Mrs. Ye Di in the future.

Su Chen lowered his head and looked After looking at Fang Yeyu, he cut his throat with a sword. This Fang Yeyu was useless. Staying in this scourge would only harm him. Fang Yeyu would be better off dead. Fang Yeyu did not expect Mr. Wu Xiang He actually killed him. He held his throat and stared at Su Chen before falling to the ground.

Su Chen shook off the blood on the Bi Xue Zhao Dan Qing sword and looked at Yan Jing'an. He had already dealt with Fang Yeyu. , as there was no movement at Jing'an, Su Chen wanted to know what Yan Jing'an was doing.

Back in time, when Yan Jing'an came to Fu Cailin and Tiandao Song Que,

Yan Jing'an came to Fu Cailin with a sword. , Fu Cailin hurriedly threw away the sword in his hand. Fu Cailin knew that he would not be able to escape this time no matter what.

He was no match for Song Que, the heavenly sword here, and this woman named Yan Jing'an, and there were several others outside. Tens of thousands of troops were surrounding this restaurant, and the fight between the two land gods in the heaven and human realm just now frightened Fu Cailin.

Fu Cailin did not expect that Wu Xiangjun also had a land god in the heaven and human realm under his command, and she was also a beautiful woman. Could it be that Is that woman also Wu Xiangjun's woman?

Fu Cailin thought that Wu Xiangjun was very lustful, so he looked at the frightened Fu Junyu and Fu Junqiang next to him. His two apprentices were also very beautiful. Fu Cailin thought that if he used his two A beautiful apprentice comes in exchange for him leaving safely. I believe that lecherous man will definitely agree.

"Um? Do you want to surrender?"

Yan Jing'an didn't expect that when she arrived here, Fu Cailin, the master of swordsmanship in Goryeo, actually lost his weapon. This made Yan Jing'an guess that Fu Cailin must have known that he was not his opponent and planned to surrender. Song Que, the

Heavenly Sword Seeing Fu Cailin throw away his weapon, he looked down on Fu Cailin who was greedy for life and afraid of death. Fu Cailin had not dared to step into the Central Plains for decades because he was afraid that Ning Daoqi would take action against him. This time he and Martial Master Bi Xuan teamed up to think that no one in the Central Plains could deal with him. It's just that his thoughts were too good. This time he will definitely fall in Luoyang City. Song Que, the Heavenly Sword, does not believe that Lord Wu Xiang will let this Fu Cailin leave.

Fu Junyu and Fu Junqiang looked very ugly when they saw their master throw away his weapon. , they did not expect that the master would surrender without fighting, which was really embarrassing for them.

Fu Cailin was very helpless when he heard Yan Jing'an's words. If he could fight out, he would not surrender in such a shameful way, but Even Song Que, the Heavenly Sword, is no match for him. Yan Jing'an's cultivation level is also stronger than him. Fu Cailin will be killed even if he resists. Fu Cailin hasn't lived enough, and he doesn't want to die here.

"I am no match for you and Song Que, the Heavenly Sword. This time I only came to the Central Plains because of my alliance with the Martial Lord Bixuan, and I have never taken action against you Central Plains people. Master Yan, I hope you can let me leave the Central Plains."

"According to your own cultivation level, Mr. Wu Xiang will decide whether you leave or not."

Yan Jing'an doesn't care why Fu Cailin surrendered. As long as Fu Cailin surrenders and is captured, his life and death will be in her hands. Whether he kills or imprisons him in the future, this will be decided after she discusses it with that bastard Su Chen. ,

Chapter 413

Fu Cailin was in a dilemma when he heard Yan Jing'an's words. If he surrendered, he might not even have a chance to resist if the nun tried to kill him. Fu Cailin hesitated now.

"Master, we cannot surrender, otherwise we will be slaughtered by these Central Plains people."

"Yes, master, if we fight these people, we will probably die."

Fu Junyu and Fu Junqiang pulled out their long swords and looked at Yan Jing'an and Heavenly Sword Song Que fiercely. They would not surrender and be captured. If their master wanted to surrender and capture them, they would immediately attack these Central Plains people. In this way, their master would not surrender either. Maybe they will surrender to these Central Plains people again.

Yan Jing'an looked at Fu Cailin's two apprentices and didn't care at all. She could kill these two little scumbags at any time if she wanted to. Yan Jing'an can't do it now without taking action. Go ahead, if Fu Cailin, who is greedy for life and afraid of death, can surrender, then why should she bother to fight Fu Cailin?

"Fu Cailin, my patience is limited. If you don't surrender, then you are going to die."

Tiandao Song Que looked at the situation here and threatened Fu Cailin,"Haha, Fu Cailin, if you want to die, I can help you."

Fu Cailin's face is very ugly now. He knows what his two apprentices mean. These two apprentices want him to rather die in battle than to surrender. But Fu Cailin has not lived enough. He is in Goryeo. The high-ranking grandmaster has always been loved by the people of Goryeo. He doesn't want to die in the Central Plains.

Fu Cailin looked at Fu Junyu and Fu Junqiang and suddenly clicked on their acupuncture points. His two beautiful apprentices are his life-saving straw. , Fu Cailin wanted to use them in exchange for his freedom, but he did not allow Fu Junyu and Fu Junqiang to mess around here.

After Fu Cailin controlled Fu Junyu and Fu Junqiang, he proclaimed his own way of cultivation,

"I surrender"

"Master, why are you doing this?"

"Master, how can you surrender to these Central Plains people?"

Fu Junyu and Fu Junqiang saw that their master Fu Cailin controlled them, and they looked at Fu Cailin angrily. They did not expect that Fu Cailin would control them first and then declare himself to the realm of cultivation.

"Shut up, everyone. I have the final say on what happens here. Don't talk nonsense here anymore."

Heavenly Sword Song Que looked at Fu Cailin's self-proclaimed cultivation level, and he said with disdain,

"Fu Cailin, you are indeed a talent"

"A talent who is greedy for life and afraid of death." At this time, Su Chen also appeared here. When he saw the situation here, he knew what was going on. When

Fu Cailin saw Su Chen suddenly appearing here, he hurriedly said, "Mr. Wu Xiang, I have surrendered. I hope You can let me go back to Goryeo, and I will never appear in the Central Plains again."

"Do you think that's possible?" Su Chen came to Yan Jing'an, hugging her soft body and looking at the whimsical Fu Cailin with a smile.

Why did Fu Cailin think that he could let him go?

He would not let go of any of the aliens who came to Luoyang this time. , he will also conquer Goryeo in the future. If the aliens there do not surrender, they will be wiped out by him. If they are not my race, they must have different intentions. Su Chen will not be polite to those aliens.

Yan Jing'an was hugged by Su Chen, a bastard She rolled her eyes. Wouldn't this damn bastard feel uncomfortable if he didn't take advantage of her?

Yan Jing'an didn't struggle out of Su Chen's arms. She also knew that this bastard would not let her go. After Madara, the foreigner, fell in love with her, Su Chen's jealous expression made her know that this bastard was interested in her and even had a crush on her.

Yan Jing'an also had some unclear feelings towards this bastard Su Chen, although she hated this bastard very much. , but she would think of this bastard every time these days, and even when this

bastard kissed her, she would feel very sweet, which made Yan Jing'an feel a little incredible. Song Que, the Heavenly Sword, looked at Su Chen hugging Yan Jing'an. The corner of Jing'an's mouth twitched. This Yan Jing'an was obviously much older than Wu Xiangjun, but Yan Jing'an looked as if she was Wu Xiangjun's woman. This made Song Que, the Heavenly Sword, very speechless when he looked at Wu Xiangjun. , this Mr. Wu Xiang is really a lecher.

Fu Cailin saw Su Chen hugging Yan Jing'an as soon as he came here, and his eyes lit up. Fu Cailin felt that his decision just now was very correct. This Mr. Wu Xiang is a lecher. Fu Cailin looked at Fu Junyu and Fu Junqiang and said to Su Chen with a smile, "Wu Xiangjun, look, my two apprentices are very beautiful. As long as Wu Xiangjun can let me go, I can let them go." I will serve you from now on"

"master?"

Fu Junyu looked at her master in shock when she heard Fu Cailin's words. She didn't expect that her master would give her and his junior sister to this lecherous Wu Xiangjun in order to survive.

Fu Junqiang stared at Fu Cailin and said heartbrokenly, "Master, you How can this be done? Do you want us to be humiliated by this Central Plains man in the future?"

"It will be your blessing to serve Mr. Wu Xiang in the future. I have trained you for more than ten years, can't you think about your master?"

"It turns out that we have always been the master's tools."

Fu Junyu was very disappointed when she looked at Fu Cailin. She knew that if Fu Cailin said this this time, they would definitely be given to the lustful Mr. Wu Xiang by Fu Cailin. This is why Fu Cailin wanted them to repay Fu Cailin's kindness in raising them.

Fu Junyu looked at Fu Junqiang and stopped her from continuing to say anything. This time she finally saw the true face of her master. Their master Cailin was a villain, and he was also a villain who was greedy for life and afraid of death.

"I killed this Fu Cailin."

Yan Jing'an was very angry when she heard that Fu Cailin was going to give his two apprentices to Su Chen. She didn't know why she was so angry that Fu Cailin was going to give Su Chen two

beauties. It's just that she felt that Su Chen, a bastard, couldn't There are more beauties. There are enough women around this bastard.

Su Chen looked at the angry Yan Jing'an and hugged her without letting go. This Yan Jing'an was very weird today. Su Chen didn't know that Yan Jing'an was so weird. He was preparing to do something, but he felt that Yan Jing'an didn't seem to have any precautions against him. He didn't even want to have a few more women. Could it be that Yan Jing'an was jealous?

Su Chen shook his head and lay on Yan Jing'an's side. Jing'an whispered in her ear, "Don't worry, Fu Cailin will definitely kill you after a while. Yan

Jing'an glared at Su Chen and grabbed his waist and asked, "You bastard, you are not attracted to these two apprentices of Fu Cailin, are you?"

Su Chen took a breath when Yan Jing'an pinched her waist. Why does Yan Jing'an pinch her waist so often? Do women like pinching their waists very much?

Su Chen said hurriedly as he endured Yan Jing'an pinching his waist. , "How can it be? They are not as beautiful as my Yan Jing'an, how could I fall in love with them?"

"Who is yours? Don't be so pretentious you bastard."

Yan Jing'an didn't expect this bastard to say this. She leaned against Su Chen's arms with a red face and was a little afraid to see people. She was dozens of years old and never thought that she would be looked at by someone so much younger than her. on, which made her both ashamed and proud of her charm.

Chapter 414

Tian Dao Song Que looked at Wu Xiangjun and was very speechless. Now they are talking about Fu Cailin, but this Wu Xiangjun didn't care about the things here and fell in love with the great master Yan Jing'an. This Mr. Wu Xiang is indeed a lustful person.

Song Que suddenly thought of her daughter Song Yuhua. Just now he saw that his daughter Song Yuhua was already a master, which made him a little incredible.

His eldest daughter's cultivation level was not as high as that of his younger daughter Song Yuzhi. In just half a month, his eldest daughter Song Yuhua turned out to be a master. This made Song Que look at Wu Xiangjun thought about how he did it.

Moreover, Wu Xiangjun is so lustful, so will his eldest daughter also bring trouble to Song Yuhua after staying with Wu Xiangjun for half a month?

Song Que then thought about whether he was now Wu Xiangjun, the father-in-law who had harmed his daughter?

Song Que's face turned ugly when he thought about it. His youngest daughter was taken away by his eldest daughter. What if Wu Xiangjun, a lecherous person, also harmed his youngest daughter?

Song Que wanted his youngest daughter Song Yuzhi to marry Kou Zhong, eh?

Where are Kou Zhong and Xu Ziling?

Song Que suddenly remembered that he had forgotten Kou Zhong and Xu Ziling just now. He hurriedly looked aside and saw that Song Que had brought Kou Zhong and Xu Ziling this time. If something happened to them here, I am afraid Du Fu of the Jianghuai Army If Wei Ke doesn't let it go like this, I'm afraid the Jianghuai Army will have a war with the Song Clan.

At this time,

Gao Zhong and Xu Ziling would be hiding in a corner of the restaurant with bruises all over their bodies. There were many Jianghu people hiding here. They were all frightened by the battle between Pang Ban and Mrs. Ye Di. Between Pang Ban and Mrs. Ye Di, When Mrs. Ye Di started fighting, it was impossible for the Jianghu people like them to escape from here. They were also afraid of being accidentally injured by the battle between Pang Ban and Mrs. Ye Di.

Xu Ziling sat on the floor and looked at Kou Zhong and whispered,"Mr. Zhong, now the two land gods in the human and celestial realm have left the restaurant. Should we leave here quickly?"

Kou Zhong lay on the floor and covered his head. He coughed in his chest and said,

"cough! Mr. Ling, if we don't want to die, we can stay here honestly. You must know that the outside of the restaurant is surrounded by the army of the Great Demon King Wu Xiangjun, and the two land gods in the human and heaven realm are fighting outside. If we go out now, I'm afraid Either he was accidentally killed by Wu Xiangjun's army or by the two land gods in the heavenly realm. We'd better wait and see here."

Xu Ziling watched as the remaining alien race in Dayuan was killed by Wu Xiangjun, and the alien race in Goryeo was also controlled. The only alien race in the heavenly realm that was beaten out was left in this restaurant, and that The aliens in the Heavenly Realm are no match for Wu Xiangjun's woman. It's only a matter of time before the aliens lose.

Xu Ziling now understands why Kou Zhong keeps calling Wu Xiangjun the Great Demon King.

"That's right. Now that the aliens here have been controlled by the Great Demon King Wu Xiangjun, the aliens in the Heavenly Realm will probably be defeated or killed by that vicious woman. The power of the Great Demon King Wu Xiangjun is too powerful."

Kou Zhong sat up and saw Su Chen hugging a woman who was full of charm and exuding mature charm and said directly,

"Nonsense, if Wu Xiangjun wasn't powerful, would he be the Great Demon King? Each of Wu Xiangjun's women is more beautiful than the last, and this time it was an eye-opener for me."

Kou Zhong saw other women from Lord Wu Xiang this time besides the women he saw in Yangzhou last time. He was far away from him last time in Yangzhou, and he didn't practice martial arts at that time. He didn't practice martial arts at that time either. He couldn't see the faces of those women clearly, but this time he could see them clearly in the restaurant.

Kou Zhong was very envious of Wu Xiangjun's women, Xue Nu's coldness, Bai Qing'er's charm, Shi Qingxuan's elegance, Shang Xiu Xun's valiant and heroic appearance, Shang Xiufang's elegance, Song Yuhua's gentleness, and Yan Jing'an's outstanding grace. These women are more beautiful than the other.

Outside the restaurant, since Pang Ban was beaten out by Madam Ye Di, he He was a little confused. He didn't expect that he would be beaten out of the restaurant by that crazy woman, and he was even injured. Pang Ban's anger had completely exploded now, and he would not forgive the crazy woman who beat him out.

Boom. At this time, Mrs. Yedi also chased out. When she saw Pang Ban with an ugly face, she slapped him with a palm without saying anything. She didn't care whether Pang Ban was her enemy now. This time, although it was that bastard Su Chen. To create an opportunity for her to hurt Pang Ban, Mrs. Ye Di also wanted to let that bastard know that she could deal with this alien without help.

"Damn it, you are looking for death."

Pang Ban looked at Mrs. Ye Di who was chasing after her and gathered his strength to attack her desperately. He wanted to kill this crazy woman.

Mrs. Ye Di smiled when she saw Pang Ban attacking. She ducked and avoided his attack. Before Pang Ban could retract his attack, Madam Ye Di used her wedding robe magical power to slap Pang Ban with her palm. All the trees and houses around were struck by Madam Ye

Di.

This attack shook the city to its knees, and countless houses were destroyed.

Fortunately, the people here have been arranged by the army to get out, otherwise the people here will definitely suffer heavy casualties.

The army near the Leaping Horse Bridge looked at Pang Ban and Mrs. Ye Di kept retreating during the fight. Their ordinary troops were no match for these powerful masters.

Here at Luoyang City Guards, a city guard general looked at Pang Ban and Mrs. Ye Di fighting and swallowed his saliva and asked road,

"General, shall we attack?"

Dugu Sheng of the Dugu Clan cursed angrily when he heard the general's words,

"Damn this attack, do you know that is Wu Xiangjun's enemy? If we attack wrongly, then we will all be executed by Wu Xiangjun. He ordered the army that anyone who wants to escape from Yuanma Bridge is the enemy, and the army's archers and siege crossbows should be ready."

Dugu Sheng has no choice now. Although they have many troops here, the strength of these two people is too strong. It may not be easy for these troops to leave Wu Xiangjun's enemies behind, but one of the powerful masters is Wu Xiang. Jun's people, he (she) should help them intercept Wu Xiangjun's enemies

"Yes, general."

Outside Luoyang City,

Shi Guanyin frowned when she felt the strong fighting atmosphere in Luoyang City. She threw away the shadow assassins and rushed to Luoyang non-stop, but she felt a little confused when she felt the fighting in Luoyang City.

Luoyang There are obviously two celestial-level land gods fighting in the city. There is no celestial-level land god beside Su Chen, so who is helping Su Chen? Does that bastard Su Chen have other helpers from other celestial-level land gods?

Shi Guanyin thought for a moment and disappeared. She didn't care whether there was Su Chen among the two land gods fighting against each other. She wanted to rush to Su Chen immediately to see that bastard. Did something happen?

"Su Chen, you bastard, please don't let anything happen to you."

Chapter 415

In the Jing Nian Zen Monastery, the Heavenly Monk stood up when he felt the fighting in Luoyang City. He did not expect that there would be two land gods in the heaven and human realm in Luoyang City. One land god in the heaven and human realm he knew was the Pang of Dayuan. Madara, but who is the other land immortal in the heaven and human realm?

Why are you fighting with Pang Ban?

Could it be that the terrestrial immortal in the heaven-human realm is a member of Lord Wu Xiang?

Is he (she) here to save Wu Xiangjun?

Tian Monk disappeared in Jing Nian Temple in a flash. Nothing could happen to Pang Ban now. He was a helper hired by his junior sister Di Ni as a favor.

Tianseng now wants to know if Pang Ban is the opponent of the land immortal in the heaven and human realm. If Pang Ban is not his opponent, the monk will not care whether he is exposed or not. He will join forces with Pang Ban to kill the land immortal in the heaven and human realm.

In the restaurant,

Su Chen looked at the three masters and apprentices, Fu Cailin and Fu Junqiang. He did not expect that Fu Cailin would be so shameless in exchange for his apprentice's life, but how could this be possible?

Su Chen would not let this Fu Cailin go. Fu Cailin was dead this time, but when he looked at the Heavenly Saber Song Que, he wanted to hand Fu Cailin over to him to kill him. After all, the Heavenly Saber Song Que hated foreigners very much, and he believed in the Heavenly Saber Song Que. I am very happy to kill this foreign grand master.

Su Chen smiled and said to Fu Cailin, "Fu Cailin, I will accept your two apprentices, and I will not kill you."

"Thank you, Mr. Wu Xiang. Thank you, Mr. Wu Xiang. My two apprentices will be yours from now on."

Fu Cailin was relieved when he heard that Mr. Wu Xiang was willing to let him go. This time he saved his life with two beautiful apprentices. It seems that he will accept some beautiful female apprentices in the future, so that he will be in danger in the future. His female apprentice can be used to save his life again.

Fu Junyu and Fu Junqiang lowered their heads when they looked at Fu Cailin. They have nothing to do with Fu Cailin now. This time they are helping Fu Cailin in order to repay Fu Cailin's kindness in raising him.

Fu Junyu and Fu Junqiang are also preparing to They committed suicide after Fu Cailin left. They would not be humiliated by Wu Xiangjun, a Central Plains man. Tiandao

Song Que was very unbelievable when he heard that Su Chen wanted to let Fu Cailin go. Tiandao Song Que knew Wu Xiangjun, Wu Lord Xiang will not let people of foreign races go.

So did he really let Fu Cailin go for two beautiful beauties this time?

Song Que's face was very ugly now. He did not expect that Lord Wu Xiang would let him go for beauty. A powerful enemy of this nation.

Yan Jing'an said angrily when he heard Su Chen's words,

"Su Chen, you bastard doesn't keep his word, why do you want to let Goryeo go? You bastard said you didn't like those two Korean beauties. If you do this, you will make me look down on you."

Su Chen hugged Yan Jing'an and whispered, "Well, although I promised to let Fu Cailin go, isn't there still Song Que here? Song Que is not mine. If he wants to kill Fu Cailin, it is none of my business."

Although Su Chen was talking to Yan Jing'an in a low voice, his voice was heard by everyone here. Su Chen said this deliberately. He was reminding Song Que that he could kill Fu Cailin now. Jing'an looked at Su Chen and felt that he was too shameless, but Fu Cailin was dead in this way. As for whether Fu Cailin's apprentice would avenge Fu Cailin? This has nothing to do with Jing'an, these two innate little scumbags It's impossible to cause anything.

Tiandao Song Que's eyes lit up after hearing Su Chen's words. He didn't expect that Wu Xiangjun would ask him to deal with Fu Cailin in Goryeo. This was something he couldn't wait to do. Tiandao Song Que hated the foreign race very much, and he was very happy to be able to kill a foreign grandmaster.

After hearing Su Chen's words, Fu Cailin hurriedly shouted, "No, Mr. Wu Xiang, you promised not to kill me, you can't speak." Doesn't count"

"Hey, do I want to kill you? Are my men trying to kill you?"

"Mr. Wu Xiang, please don't let Song Que, the heavenly sword, kill me. I have given you my two beautiful apprentices. Please save me, Mr. Wu Xiang."

"Fu Junzhuo is also your apprentice, right? Fu Junzhuo is my maid now, and if Fu Junzhuo were here, I would probably kill you immediately. I think you should know why Fu Junzhuo wanted to kill you."

"Fu Junzhuo is not dead?"

"Haha, she spread the news about Fu Junzhuo's death herself. Fu Cailin, you'd better die in the hands of Heavenly Sword Song Que."

Su Chen looked at Fu Cailin and didn't plan to say anything else. A dying man, Su Chen, didn't want to talk to him. He hugged Yan Jing'an and was about to leave. Fu Junyu and Fu Junqiang, Su Chen didn't talk to them either. From now on, It's better to send them to Yangzhou and hand them over to Fu Junzhuo, and let Fu Junzhuo deal with them.

At this time,

Song Que, the Heavenly Sword, took Fu Cailin with a knife. Fu Cailin looked at Song Que, the Heavenly Sword, and killed him without hesitation. He just wanted to He couldn't scream anymore. After Fu Cailin fell to the ground and died, Song Que, the Heavenly Sword, shook off the blood on the knife in his hand and stopped looking at the dead Fu Cailin.

Fu Junyu and Fu Junqiang saw their master Fu Cailin dead and they didn't have any regrets. They were dissatisfied, and they would not take revenge on Fu Cailin who betrayed them. When Fu Cailin controlled them and handed them over to Wu Xiangjun, Fu Cailin had nothing to do with them. At this time, Fu Junyu saw that Su Chen ignored them When she was about to leave, she hurriedly shouted to Su Chen,

"Wu Xiangjun, is our senior sister really not dead? Su

Chen said to them without looking back, "No, Fu Junzhuo is in Yangzhou now. After the matters here are dealt with, I will send someone to take you to Yangzhou to meet your senior sister Fu Junzhuo."

Fu Junyu and Fu Junqiang were a little happy when they heard Wu Xiangjun's words. Although they were betrayed by their master, Wu Xiangjun didn't seem to do anything to them, and their senior sister was not dead either. This made them want to go to Yangzhou to find them immediately. Senior Sister Fu Junzhuo

"Senior sister? It seems that Mr. Wu Xiang has not solved our acupuncture points?"

"Forehead! Mr. Wu Xiang may have forgotten."

While Fu Junqiang and Fu Junyu were talking, a woman in black suddenly appeared next to them. This woman in black untied their acupuncture points without saying a word, and then suddenly disappeared.

Fu Junyu and Fu Junqiang looked at the sudden appearance. The women in black suddenly disappeared again and looked at each other. They knew that the woman in black was the shadow assassin who had just appeared. These shadow assassins were subordinates of Lord Wu Xiang. This time the assassin in black might be Lord Wu Xiang who ordered her to come. Unlock their acupuncture points.

When Su Chen and Yan Jing'an came outside the restaurant, they saw Pang Ban and Mrs. Ye Di still fighting madly, and the place where they fought had become ruins. It could be seen that the land gods in the heaven and human realm were destroyed by the battle. How powerful the force is.

At this time, Dugu Sheng, who was observing here, saw Wu Xiangjun coming out of the restaurant and hurriedly led the army to Su Chen and saluted,

"Dugu Sheng met Wu Xiangjun"

"See Wu Xiangjun."

Su Chen looked at these city guards and nodded and said, "Get up, Dugu Sheng, and order the army to interfere with that man. That woman is one of ours, don't accidentally hurt her."

"Yes, Your Majesty."

Chapter 416

Yan Jing'an was shocked when she saw the battle between Pang Ban and Mrs. Ye Di. Although she was a great master, if she fought against a land immortal from the Celestial Realm, I'm afraid she wouldn't be a match for him. The strength of the land gods is too powerful

"Su Chen, will that woman take action against you soon?"

"Probably so."

Su Chen is not sure whether Mrs. Ye Di will still trouble him after killing Pang Ban, but in Su Chen's opinion, Mrs. Ye Di will definitely not let him go so easily. Su Chen also believes that Ye Di will not let him go so easily. Madam Di probably won't kill him again, maybe Madam Ye Di will teach him a lesson.

Yan Jing'an hurriedly said after hearing Su Chen's uncertain answer, "Then why not let her and Pang Ban die together? Don't let the military help that woman."

Yan Jing'an didn't know why she was so nervous after hearing that Mrs. Ye Di would take action against Su Chen. She tightly grabbed Su Chen's clothes and nervously wanted Su Chen to change the order.

Su Chen looked at The nervous Yan Jing'an hugged her and laughed. Su Chen didn't expect that Yan Jing'an would care about him. Now Su Chen was very sure that Yan Jing'an had feelings for him. Su Chen also didn't expect that it would be done without knowing it. Looking at Yan Jing'an, it seemed that he was going to catch all the beauties in Cihang Jingzhai.

Su Chen touched Yan Jing'an's nervous face and said with a smile,

"Haha, Yan Jing'an, Mrs. Ye Di is our helper now, and Mrs. Ye Di has a hot temper. I have a way to deal with Mrs. Ye Di, you can rest assured about this"

"Can you handle a terrestrial immortal in the heavenly realm? Why don't I believe you?"

Yan Jing'an doesn't believe that Su Chen can handle a terrestrial immortal in the heavenly realm. Mrs. Ye Di doesn't seem to have feelings for this bastard. If she didn't have a good impression of Su Chen, how could she do it with her great master's cultivation level? Being threatened by this bastard, and even helping him do those things.

Yan Jing'an suddenly thought that this bastard was a pervert.

Could this bastard be attracted by the beauty of Madam Ye Di?

Thinking of this, Yan Jing'an hurriedly told Su Chen asked,

"Su Chen, don't you have a crush on Mrs. Ye Di? This woman is actually called Mrs. Ye Di, so she must have been married before. The man who marries this woman in the Heaven and Human Realm will definitely be a land god in the Heaven and Human Realm. You'd better not seek death."

Damn it!

How could he fall in love with Mrs. Ye Di?

Is Mrs. Ye Di someone he can provoke?

Mrs. Ye Di is a powerful woman with a bad temper and jealousy, and she is also a man who hates playing with women, and even Mrs. Ye Di is still a competitive person.

Su Chen thought that if he really got rid of Mrs. Ye Di, his disaster might be coming. In the future, he might be looked down upon by Mrs. Ye Di, even those of his His confidante would also be threatened by Mrs. Ye Di to leave him. Su Chen did not want to seek death by looking at Mrs. Ye Di.

Su Chen looked at the beautiful Mrs. Ye Di, shook his head and said to Yan Jing'an,

"Don't talk nonsense. How could I fall in love with this woman? Mrs. Ye Di is a narrow-minded woman. I will not give up a forest for a flower."

""Shameless"

I said, it seems that Yan Jing'an still needs to be trained. Who said this about her future man?

Su Chen touched his chin and thought about how to train Yan Jing'an in the future. This nun is not a father now. Ah.

Uh?

Su Chen found that Yan Jing'an was still dressed as a nun, so he touched his chin and thought, could this be considered a uniform temptation?

Boom

""Amitabha"

At this moment, an old monk suddenly appeared next to Pang Ban and Madam Ye Di, and when the monk saw that Pang Ban was at a disadvantage and was injured, he directly attacked Madam Ye Di. Mrs. Ye Di saw An old monk appeared, and the old monk attacked her without saying anything, which made Mrs. Ye Di hastily attack the old monk with one palm.

Boom boom boom

Mrs. Ye Di didn't expect that this old monk was also a A terrestrial immortal in the Heavenly Realm, and his cultivation realm is the same as hers in the late Heavenly Realm. This surprised Mrs. Ye Di. The Heavenly Monk did not expect that this woman would be related to his cultivation realm. The same realm, which made him feel that things were a bit difficult to handle. If this woman was in the early stage of the Celestial Realm, then he and Pang Ban could kill her together, but this woman was in the late stage of the Celestial Realm. Realm, even if he joins forces with Pang Ban, I'm afraid he won't be able to kill her.

After fighting with Madam Ye Di for a while, Tian Monk dodged and retreated behind. He looked at Pang Ban, who was seriously injured, then joined his hands and attacked Madam Ye Di. said,

"Amitabha, when will this female benefactor retaliate? How about this time the grudge between the female benefactor and Pangban benefactor ends here?"

Mrs. Ye Di was very angry when she saw this old monk. She could have killed him completely after attacking Pang Ban for a while, but this troubled old monk happened to disrupt the situation. This made Mrs. Ye Di very angry.

"Old monk, your thoughts are a bit wild. Pang Ban must die this time, and no one can stop me from killing him."

At this time,

Su Chen and Yan Jing'an also saw the old monk suddenly appeared. When Yan Jing'an saw the old monk, she hurriedly grabbed Su Chen's hand and wanted to take him away. She knew who this old monk was. If Su Chen continues to stay here, I'm afraid he will be killed by the Heavenly Monk.

Yan Jing'an pulled Su Chen and said nervously, "Let's go quickly, that's the Heavenly Monk from Jingnian Zen Monastery.""

"Heavenly monk? Is that old monk a heavenly monk?"

Su Chen didn't expect that the Heavenly Monk would appear, which made him a little confused as to why the Heavenly Monk would appear at this time. Isn't he afraid that the plan of the Heavenly Monk and the Di Ni would be exposed? But now that the Heavenly Monk has appeared, the Night Emperor Madam could not be the opponent of Pang Ban and Tian Seng.

Su Chen did not leave with Yan Jing'an. After all, Madam Ye Di helped him this time, and it was impossible for him to leave Madam Ye Di to face two heavenly beings alone. A land god,

Su Chen waved his hand to Yan Jing'an and shouted to Mrs. Ye Di in the distance,

"Madam Shuirou, come here quickly."

Madam Ye Di was about to take action against the old monk immediately, but before she could take action, she heard the scream of that bastard Su Chen. After hearing Su Chen's yell, Madam Ye Di felt a little bit in her heart. She was so happy that she didn't expect that bastard Su Chen to care about her comfort at this time.

Mrs. Ye Di looked at the old monk and disappeared next to Tian Monk. She reappeared and came to Su Chen's side.

Mrs. Ye Di looked at Su Chen nodded and said, "You bastard is not bad, you didn't see another terrestrial immortal from the heavenly realm coming and escaped alone."

Su Chen was a little surprised when he saw that Mrs. Ye Di was not injured at all. This Mrs. Ye Di is too powerful. Now Pang Ban is covered in blood, but Mrs. Ye Di is not injured. Su Chen thinks that if Tian Monk is this If the time doesn't come, I'm afraid Pang Ban will be killed by Mrs. Ye Di in a short time.

"Madam, you underestimate me too much. This time, Madam helped me kill the alien Pangban. How could I abandon Madam and run away?"

"abandon? What are you talking about, you bastard? If you keep talking nonsense, I will leave now and ignore what is going on here."

Chapter 417

When Mrs. Yedi heard Su Chen's words, she glared at Su Chen angrily. What did this bastard say? abandon?

What the hell is this?

This bastard said that he was her man. Mrs. Ye Di wanted to silence this bastard now. This bastard was becoming more and more lawless.

Su Chen touched his forehead and was very speechless. He just said the wrong thing in an emergency situation, but why did Mrs. Ye Di react so much?

"Forehead! Slip of the tongue, slip of the tongue, Madam Shuirou, now the Heavenly Monk from Jing Nian Chanyuan is here, how about we retreat first?"

Mrs. Ye Di grabbed Su Chen and said angrily, "You want me to escape with you?" This is impossible? I have never escaped in my life and I will not escape this time."

Mrs. Ye Di was very angry when she saw this bastard asking her to retreat. How could she escape? This bastard obviously wanted to run away when he saw that the enemy was strong, and he even said he wanted to retreat in such a lofty manner. Mrs. Ye Di would not run away. Although this heavenly monk The level of cultivation is the same as hers, but it is not so easy for him to kill herself.

There is also the heavenly monk in Jingnian Zen Temple. She has heard of this heavenly monk before, but didn't this heavenly monk fall again?

Why ? Come out again at this time?

Could it be that the Heavenly Monk from Jingnian Chanyuan is faking his death?

The Heavenly Monk is not dead, so his junior sister Di Ni should not be dead either. How did Su Chen, the bastard, offend Jingnian Chanyuan and Cihangjing? Is this bastard tired of living with these two behemoths?

Su Chen hurriedly pulled away Mrs. Ye Di's hand that was holding his clothes. Mrs. Ye Di's temper was indeed very irritable, but now there are two people in the heavenly realm. The master is here. If something happens to Mrs. Ye Di here, I'm afraid he will have to flee Luoyang with his women and daughter.

Su Chen doesn't want Mrs. Ye Di to do something stupid now. He must take this his only amulet. Stay calm,

"Let me tell you, Mrs. Shuirou, there are two land gods in the heavenly realm here. Are you sure you can beat them?"

"Fight even if you can't beat them. It won't be easy for them to kill me. I won't run away." Mrs. Ye Di didn't look at the bastard Su Chen. She looked at Tianseng who was talking to Pang Ban and said harshly.

Su Chen looked at this brainless Madam Ye Di and took her hand to leave. Su Chen Chen could only take Madam Ye Di away as soon as possible. But he saw Pang Ban staring at him fiercely. If Madam Ye Di was entangled by the heavenly monk later, that bastard Pang Ban would definitely come to kill him first. ,

"Shui Rou, why are you so stubborn? We can deal with them one by one in the future, there is no need to fight with them now."

Mrs. Ye Di saw that this bastard dared to force her to leave. She looked at this bastard holding her hand and threw it away in shame, saying,

"Let me go. I won't run away. If you want to leave, you bastard, I won't leave no matter what. I want to see how the two of them kill me."

What the hell!

Why is this Mrs. Ye Di so stubborn?

Do you want him and Mrs. Ye Di to die here together?

Su Chen felt very helpless when he saw Mrs. Ye Di. There was nothing he could do if Mrs. Ye Di left him. Su Chen couldn't defeat Madam Ye Di by forcefully taking away Madam Ye Di, and at least Madam Ye Di didn't agree.

Su Chen turned around and said to Yan Jing'an who had been staring at Madam Ye Di, "Yan Jing'an, do it right now." Go back to Dugu Mansion. If you see a red signal, immediately ask everyone in the manor to evacuate Luoyang."

"Won't you leave? There are two terrestrial gods in the heavenly realm here. Don't die here."

Yan Jing'an was a little anxious when he looked at Su Chen.

Yan Jing'an didn't understand why Su Chen, a bastard, wanted to care about Madam Ye Di. Madam Ye Di might also be an enemy in the future, so let her stop these two celestial beings here. Isn't it good for the gods?

They can also leave Luoyang at this time, but why does this bastard keep discouraging Mrs. Ye Di? Couldn't this bastard just lied to him? Couldn't this bastard Su Chen really like him? Is this the beautiful Mrs. Ye Di?

Su Chen was speechless after hearing Yan Jing'an's words. He could leave here at any time. Even if Pang Ban and Tian Seng were land gods in the heavenly realm, they couldn't keep him. Su Chen was very confident in his teleportation.

Su Chen flicked Yan Jing'an's forehead and said to her,

"I guess, what do you want to do to death? Am I that easy to die? Don't worry, I won't die like this"

"Do you really want to stay?"

"I have to stay. That Pang Ban hates me now. He may not let me leave like this."

"Then be careful, I'll be waiting for you to come back in Dugu Mansion"

"No, pay attention to the sky. When you see the red signal, you have to leave Luoyang City. This is not a joke. My daughter, you and Snow Girl must be brought to Yangzhou safely."

"Phew, I got it."

Yan Jing'an saw that Su Chen couldn't stop this bastard. She also knew that Su Chen was worried about the safety of his daughter and those women. Yan Jing'an thought about it and agreed. She couldn't help even if she stayed here. It might even drag Su Chen down. She touched Su Chen's face and nodded and left here.

After watching Yan Jing'an leave with Qinggong, Su Chen looked at Pang Ban. He was now afraid of Pang Ban. The pervert didn't let Yan Jing'an leave either, but Su Chen saw Pang Ban watching Yan Jing'an leave without stopping him, which made Su Chen breathe a sigh of relief.

At this time,

Tian Monk frowned tightly when he looked at Pang Ban. , he did not expect that Pang Ban was bent on killing Wu Xiangjun now. There was a land fairy in the heavenly realm next to Wuxiangjun, and that woman in the heavenly realm was at the same level of cultivation as him. If that woman did n't care about life and death. Fight him, I'm afraid that even if he and Pang Ban unite to kill that woman, they will be seriously injured. Tian Monk doesn't want to have a life and death battle with that woman in the heaven and human realm, otherwise his and Di Ni's plan may be ruined. ,

Tianseng looked at the angry Pang Ban and confirmed this time, "Donor Pang, are you really going to kill Lord Wu Xiang now?"

Pang Ban was very angry when he thought about the relationship between Su Chen and Yan Jing'an. If he didn't kill Su Chen, he would definitely not get Yan Jing'an in the future.

Pang Ban finally met a woman he was attracted to, but he could He didn't want to give up from now on. If he gave up killing that bastard Wu Xiangjun this time, that bastard didn't know what to do with Yan Jing'an.

Thinking of this, Pang Ban couldn't help but kill Wu Xiangjun immediately.

"I will not give up until I kill Mr. Wu Xiang. Heavenly Monk, all you have to do this time is intercept that crazy woman. I will personally kill Mr. Wu Xiang."

The monk was very helpless when he saw Pang Ban's resolute attitude, but this time Pang Ban just asked him to intercept the woman in the heaven and human realm. After thinking about it, the monk agreed, as long as he didn't want to kill the woman in the heaven and human realm. Tianseng felt that he could help Pang Ban this time. After all, he and Di Ni would still use Pang Ban in the future.

"Amitabha, Donor Pang, since you have made up your mind, I will help Donor Pang this time. That woman in the realm of gods and humans, I will intercept you."

Chapter 418

Pang Ban nodded expressionlessly when he heard that Tian Monk was willing to help. At this time, Pang Ban suddenly found that Yan Jing'an had left, but he didn't care. Yan Jing'an was at the level of a great master, waiting for him to solve it. He told Wu Xiangjun that he would find her and take her back to Dayuan.

Mrs. Ye Di watched Su Chen arrange for Yan Jing'an to leave and nodded involuntarily. She did not expect that Su Chen was still thinking about the comfort of his women at this very dangerous time. This made Mrs. Ye Di feel sorry for her. This bastard has undergone some changes.

Mrs. Ye Di smiled when she saw Su Chen looking like he wanted to face the enemy with her, and said,

"You bastard is not too bad for those women of yours, and you are not a hopeless person."

Su Chen watched Pang Ban and Tian Seng slowly walking towards here. Su Chen patted his chest and said, "Of course, Mrs. Shui Rou, you will find that I am an honest, reliable and very good person in the future. man."

Mrs. Ye Di also noticed that Tian Seng and Pang Ban were coming. She didn't pay attention to their approach at all, but she was a little worried when she looked at Su Chen. If Tian Seng intercepted her, Su Chen, a bastard, might be killed by Pang Ban. Kill, this bastard Su Chen is the person he wants to kill. Madam Ye Di will not allow others to kill her.

Madam Ye Di is very surprised to see that Su Chen is not afraid. This bastard obviously saw Tian Seng and Pang Pang. Madara came over, but he was still so calm. Does this bastard think that with the army here, he can stop the land gods in the Celestial Realm?

Mrs. Ye Di looked down upon this bastard and said with disdain when she saw that this bastard was still talking nonsense at this time,

"honest and reliable? just you? I think you are a very cunning person. I will not just let you take advantage of me. Even if you escape this time, I will not let you go, you bastard."

Su Chen didn't expect that Mrs. Ye Di could still think of him using her at this time. He looked at Mrs. Ye Di and guessed that this might be Mrs. Ye Di's casual talk. Now Mrs. Ye Di has no intention of killing him. ,

"Forehead! Don't worry, Mrs. Shuirou, as long as I escape this disaster, I will let you handle it from now on. No matter how you want to deal with me, I will never resist."

"Bah, can you resist in my hands?"

Mrs. Ye Di felt very awkward when she heard Su Chen's words. This bastard seemed to be forcing him something. Mrs. Ye Di rolled her eyes at Su Chen and ignored this bastard. She wanted to think about it. How are you going to protect this bastard?

Su Chen turned around and ordered Dugu Sheng next to him, "Dugu Sheng, order the troops to evacuate here, return to Dugu Mansion immediately to set up defenses, and follow the orders of my daughter Su Yan from now on."

"Yes, Your Majesty."

Dugu Sheng didn't think too much after hearing Su Chen's order. He immediately ordered the army to quickly evacuate here.

"Youruo"

"Owner"

"Youruo, take all the shadow assassins and protect my daughter Su Yan from now on."

"Master, we can buy time for the master to leave here. Please leave here immediately."

"Youruo, you don't need to say more. You and Youxue must protect my daughter Su Yan from now on. This is my order."

"Yes, master"

"Go ahead, you can't interfere with what's going on here."

Youruo saluted Su Chen and then disappeared. She knew that she could not disobey Su Chen's orders. The enemies here, such as the shadow assassins, could not be dealt with. This made Youruo feel a little sad. She did not know whether Su Chen could resolve this crisis, Youruo now hopes that the Shadow Assassin can find Mrs. Shi Guanyin, and that Mrs. Shibai Ruobing and Donghuang Taiyi can arrive in time.

Mrs. Ye Di looked at the leaving army and the Shadow Assassin and looked at Su Chen, this The bastard has now evacuated his men and troops from here. It seems that this bastard is going to wait here to die.

In the restaurant next to the Prancing Horse Bridge, some people like Song Que and Kou Zhong, who are the Heavenly Blades, are watching from the window. The army, they don't know why the good Lord Wu Xiang asked the army to evacuate here?

And who is that old monk?

That old monk is also a land immortal in the heaven and human realm, and this old monk is actually related to that alien land. The gods are in the same group, which is something that even Heavenly Sword Song Que and the others could not imagine.

Kou Zhong swallowed when he saw Pang Ban, Heavenly Monk and Wu Xiangjun confronting each other upstairs. These are two lands in the realm of heaven and human beings. Immortal, and Lord Wu Xiang is surrounded by a terrestrial immortal in the celestial realm. This time, the great devil Lord Wu Xiang may be in trouble.

"Senior Song, that old monk and that alien are in the same group, so aren't Wu Xiangjun and that woman going to suffer?"

Heavenly Sword Song Que held his weapon tightly and was very helpless. The land gods in the heaven and human realm are not something he can deal with. I'm afraid he will be killed by the land gods in the heaven and human realm if they meet him. die,

"Yes, I didn't expect that the monk from the Central Plains turned out to be a traitor and wanted to deal with Lord Wu Xiang for a foreigner. It seems that Lord Wu Xiang's situation is not good."

"Two land gods in the heavenly realm, it seems that Wu Xiangjun is going to fall into trouble this time." Xu Ziling looked at the remaining Lord Wu Xiang and the woman in the Heavenly Realm and shook his head. He didn't believe that Lord Wu Xiang and the woman in the Heavenly Realm could escape from the two land gods in the Heavenly Realm. On the other side Fu Junqiang looked at Wu Xiangjun not far away and said to Fu Junyu worriedly, "Sister, Wu Xiangjun is in trouble this time."

Fu Junyu was leaning on the window sill and was very confused when he saw that Wu Xiangjun didn't want to escape at all. The situation here was no longer something Wu Xiangjun could handle, but why didn't Wu Xiangjun escape? If

Wu Xiangjun ordered the army to cover him. Escape, the two land gods in the heavenly realm would probably not be able to stop Wu Xiangjun under the impact of tens of thousands of troops.

Fu Junyu thought about it and said to Fu Junqiang,

"Yes, we can't get involved in these things. You see, Lord Wu Xiang has already asked his troops to evacuate here. This shows that Lord Wu Xiang does not want his army to suffer heavy casualties here, and the land gods in the heavenly realm may. It is not something that ordinary armies can deal with."

At this time, Pang Ban and Tianseng also came to Su Chen and Mrs. Ye Di. Pang Ban looked at the leaving army and said with a smile,

"Mr. Wu Xiang, are you ready to die this time?"

Su Chen looked at Pang Ban's arrogant look and mocked,

"Waiting to die? Haha, how could that beautiful nun Yan Jing'an die before I marry her? Pang Ban, Yan Jing'an is my woman, you'd better not pay attention to her, let's see how lustful you, a terrestrial immortal in the realm of heaven and humanity, can do without thinking. , Old monk, aren't you also a lustful ghost?"

Su Chen said deliberately as he looked at Pang Ban and Tian Seng. He doesn't care so much now. Anyway, Tian Seng and Pang Ban are definitely going to kill him this time. Su Chen probably won't even beg Pang Ban for mercy. Let him go.

Will Su Chen beg for mercy?

This is definitely not the case. Anyway, the fight will begin soon, so Su Chen should humiliate Pang Ban and Tianseng first.

Pang Ban stared at Su Chen with an expressionless face and became fierce. He said, "Wu Xiangjun, Yan Jing'an will be my woman in the future. After killing you this time, I will take Yan Jing'an back to Dayuan. You should die here peacefully."

"Hey, Pang Ban, don't have such wishful thinking. Yan Jing'an is already my woman, but you're a step too late."

"Damn it, I'm going to kill you."

Chapter 419

When Pang Ban heard Su Chen's words, he was so angry that he wanted to kill him. However, just as he was about to take action, he was stopped by Tian Seng next to him. Pang Ban looked at Tian Seng and wanted him to give him an explanation.

Pang Ban didn't expect that the Heavenly Monk would stop him. He and the Heavenly Monk had clearly discussed it just now. Would the Heavenly Monk want to go back on his word? Pang Ban stared at Tianseng and thought that the people from the Central Plains were unreliable.

Seeing Pang Ban's angry look, Tian Monk hurriedly said,

"Amitabha, Donor Pang, don't be deliberately angered by Wu Xiangjun. I'll talk to the female donor first. If the female donor can avoid participating in this matter, then we only need to deal with Wu Xiangjun alone."

Pang Ban felt that Tian Monk was just whimsical. That bastard woman Wu Xiangjun was very powerful. The women who appeared in the restaurant earlier were all masters at the master level. Even the apprentices he had trained for many years were not from those women. Opponent, and this woman in the Heavenly Realm has always been by Su Chen's side. This woman is obviously protecting Wu Xiangjun.

Pang Ban thought that Tianseng's thinking was too simple, and smiled and said to Tianseng,

"Haha, Heavenly Monk, do you think this is possible? This woman must be Wu Xiangjun's woman. She will not watch Wu Xiangjun be killed by us. You are wasting your efforts."

Mrs. Ye Di and Su Chen had different reactions when they heard Pang Ban's words. Mrs. Ye Di glared at Pang Ban with a red face. If Tianseng hadn't been here, she would have killed this bastard with one palm.

Mrs. Ye Di didn't. Everyone who thought of this suspected that she was Wu Xiangjun, a bastard woman. Those people in the restaurant had doubted her earlier when they looked at her expression, and now that Pang Ban had spoken out about it, Mrs.

Ye Di was sure of those people. They all thought she was Wu Xiangjun's woman, which made Mrs. Ye Di want to kill those people who thought so wildly.

Su Chen smiled when he heard Pang Ban's words. This Pang Ban seemed to have lost his mind. Now I'm afraid anyone If a woman is with him, Pang Ban will probably think that she is his woman.

Su Chen does not dare to regard Mrs. Ye Di as his woman. You must know that Mrs. Ye Di's man is a very powerful Ye Di, and Su Chen does not want to provoke her again. A powerful terrestrial god in the heavenly realm.

Madam Ye Di suddenly found that Su Chen next to her was laughing. This made Madam Ye Di look at Su Chen and asked in shame and anger, "What are you laughing at, you bastard?" Are you very proud now that they think I am your woman?"

What the hell!

Is this Mrs. Ye Di crazy?

Is he laughing because Mrs. Ye Di is his woman?

Mrs. Ye Di doesn't even think about whether she dares to regard her as his woman?

Su Chen looked at The embarrassed Madam Ye Di did not dare to offend her at this time. Now Madam Ye Di was his life-saving straw. If Madam Ye Di came and ignored this matter, Su Chen would cry.

"Why do not you speak? You bastard, you're not thinking about those dirty things, are you?"

What the heck, who dares to marry a woman with a bad temper and a competitive spirit like you?

And your man is a powerful terrestrial god in the Heavenly Realm. Anyone who takes your attention will be seeking death.

Su Chen Somewhat helpless, he didn't know what to say to Mrs. Ye Di. If he said that these Mrs. Ye Di were not his women, I am afraid that Mrs. Ye Di would think that he was talking nonsense. After all, this time Mrs. Ye Di came to trouble him just because of hearsay. He wanted to take Mrs. Ye Di as his wife and concubine, but if he said that what Pang Ban said was right, then Mrs. Ye Di would probably kill him with one palm. Su Chen didn't know how to answer Mrs. Ye Di now. He could only use this Silence came to deal with Mrs. Ye Di.

When Mrs. Ye Di saw that this bastard was silent and refused to answer her, she guessed that this bastard Su Chen must be trying to catch her attention, and this bastard kept teasing her, which made Ye Di Mrs. Di was very sure that this bastard had nothing to say now.

Mrs. Ye Di wanted to leave this bastard immediately with shame and anger on her face, but when she saw that Pang Ban and Tian Seng were going to deal with this bastard, she was a little undecided whether to do it or not. Get out of here.

At this time, the Heavenly Monk didn't pay attention to Madam Ye Di and Lord Wu Xiang beside him. He looked at Madam Ye Di and then said to Pang Ban in a secret language,

"Donor Pang, this woman is not Wu Xiangjun's woman. Now I have some guesses about her identity. This woman has a good background. We can do it without offending her."

When Pang Ban saw the Heavenly Monk transmitting messages to him in a secret language, he became a little curious about the identity of Madam Ye Di. Even the Heavenly Monk was a little concerned about the identity of Madam Ye Di, so Pang Ban also transmitted the message in a secret language,

"oh? Who is this woman?"

"The wife of Emperor Ye of Ming Dynasty, Mrs. Emperor Ye of Ming Dynasty."

Tian Monk looked at Pang Ban and told him his guess. This was also Tian Monk's guess. He just found out from Madam Ye Di's martial arts that this woman practiced the [Marriage Clothes Divine Art] of the Zen Buddhism. The only master of the divine art of wedding dress is Ye Di's wife, Ye Di's wife

"hiss! You can't be mistaken, can you? Why is the wife of Emperor Ye, who exists at the pinnacle of the Heavenly Realm, with Lord Wu Xiang? You must know that Lord Wu Xiang is a lustful person. Mrs. Ye Di will not have that kind of relationship with Lord Wu Xiang behind Emperor Ye's back, right?"

Pang Ban looked at Mrs. Ye Di in shock. He knew that Emperor Ye of the Ming Dynasty was a super master at the limit of heaven and human realm. Even now, whether Emperor Ye has broken through to another realm of cultivation, Pang Ban also There was no guessing.

Pang Ban's master Meng Chixing was also defeated by Emperor Ye and died of serious injuries. Dayuan and Daming had been in conflict because of this matter.

Pang Ban looked at Madam Ye Emperor and Wu Xiangjun I feel that this woman is not Mrs. Ye Di. If she is Mrs. Ye Di, how come she is so close to Wu Xiangjun? Even the relationship between them may not be simple.

"Amitabha, I don't know, but Mrs. Night Emperor probably has nothing to do with Lord Wu Xiang. This time, maybe the donor fought with Mrs. Night Emperor without asking clearly, right?"

"Um? At that time, I just saw Wu Xiangjun and Mrs. Ye Di together and attacked her. Did I unintentionally offend Mrs. Ye Di?"

"Donor Pang, I will talk to Madam Ye Di later. If Madam Ye Di refuses to leave, it will not be too late for us to become enemies."

"Okay, then let this bastard Wu Xiangjun live for a while longer."

Now that I think about it, Pang Ban feels that he may have been misled by that bastard Wu Xiangjun. Mrs. Ye Di has been sitting there with no intention of taking action. She only took action against him after she was angry.

Pang Ban thought of this He felt that that bastard Wu Xiangjun was too insidious. That bastard Wu Xiangjun wanted him to unknowingly offend Madam Ye Di. After taking a few steps, the Heavenly Monk clasped his hands and said to Madam Ye Di, "Old Heavenly Monk, see you Mrs. Night Emperor"

"Heavenly Monk, you actually know me? My name is Shui Rou now, you can call me Mrs. Shui Rou. What are you doing here this time?"

Chapter 420

Mrs. Ye Di didn't expect that Tian Seng would come and talk to her. After thinking about it, she guessed Tian Seng's intention. Tian Seng wanted her not to get involved in their dispute with Wu Xiangjun, a bastard, but how could this be possible? ?

Even though she wanted to kill this bastard Wu Xiangjun, eh! No, she is someone who needs to be taught a lesson. There is no way she would let Tianseng and Pang Ban kill this bastard.

Madam Ye Di didn't know why she wanted to protect this bastard, but judging from the experience just now, Wu Xiangjun, this bastard, was not a selfish person who didn't care about the life and death of his subordinates and his women. This made Madam Ye Di hate Su Chen. Great changes have taken place.

When Tian Monk heard Mrs. Ye Di's words, he knew that his guess was correct. He did not expect that this was really Mrs. Ye Di. This made Tian Monk look at Mrs. Ye Di and wondered whether he should offend her. But Mrs. Ye

Di She is no longer called Mrs. Ye Di, but now she is called Mrs. Shui Rou?

How is this going?

Could it be that Mrs. Ye Di really had an affair with this Lord Wu Xiang?

This is a big deal! If Emperor Ye knew about Madam Ye, Lord Wu Xiang would probably be dead without them taking action.

But is this true?

Tianseng looked at Wu Xiangjun and Mrs. Ye Di now and didn't find out whether there was that kind of relationship between them.

Could it be that he is too old to see these emotions?

Or did Mrs. Ye Di and Wu Xiangjun deliberately hide their relationship?

Su Chen suddenly noticed that something was wrong with the way the Heavenly Monk looked at him and Madam Yedi. Why was this Heavenly Monk looking at him and Madam Yedi?

I asked, what is the expression of this old monk?

Wouldn't he also suspect that he was related to Mrs. Ye Di?

Damn it, is my reputation really that bad?

Why would he be misunderstood if he was with a beautiful woman?

Is my love luck so strong?

What is exuberant is that if any beautiful woman is with him, even if there is no relationship, will she be misunderstood? Does it matter?

Mrs. Ye Di also noticed the scrutinizing gaze of the Heavenly Monk. When she saw the Heavenly Monk's gaze, she clenched her fists and wanted to kill this unruly old monk. A monk had six impurities and was now thinking about the messy things in the world of mortals. , is she related to this bastard Wu Xiangjun?

Mrs. Ye Di thought that since she arrived, she and Wu Xiangjun had not spoken much, or even had physical contact, but how could these bastards think that she had some ulterior relationship with Wu Xiangjun, this bastard? This made Ye Di Madam Di couldn't figure it out.

The Heavenly Monk thought for a while and said to Madam Ye Di,

"Amitabha, Madam Shui Rou, this time I came here just to ask Madam not to interfere with today's affairs. Lord Wu Xiang is acting against the will and harming the people. If Lord Wu Xiang is not removed, I am afraid that the people of the Sui Dynasty will suffer from Lord Wu Xiang in the future. cruel oppression"

"Um? Is Mr. Wu Xiang going against the grain? Harm the people? How come I don't know about this? Old monk, you are not making this up just to kill Mr. Wu Xiang, are you?"Mrs. Ye Di felt a little funny when she looked at Tian Seng. Did Tian Seng really treat her as a novice who didn't know anything?

Mrs. Ye Di looked at this place after arriving in Luoyang. Although Luoyang city was under martial law, But the people here were not affected at all, and in that restaurant, Mrs. Ye Di also saw the peace and prosperity here. Whether the people in Luoyang City were tortured and oppressed by Lord Wu Xiang was not Mrs. Ye Di's business. Things, Wu Xiangjun is at least the leader of a force, and the Great Sui Dynasty is now full of wars, and wars are everywhere. If Wu Xiangjun doesn't

want to destroy the Great Wall, he can't do those cruel things, and the Night Emperor knows Su Chen , that bastard can't be a cruel person.

Su Chen's face is now green. This serious old monk who talks nonsense is much more shameless than him. This heavenly monk actually talks about anything that is perverse and harms the people. , did you do this? Su Chen looked at Tianseng and wanted to kill this hypocritical old monk.

Su Chen thought that he could not do anything now. If Shi Guanyin, Bai Ruobing, Donghuang Taiyi and others arrived, Su Chen would definitely Let them kill the bastard Tian Seng, and the Jing Nian Temple will also be destroyed. Buddhism will not be allowed to exist on his territory in the future.

Seeing that Madam Ye Di was unmoved, Tian Monk was ready to try to convince Ye Di again. Madam Emperor, if Madam Ye Di still wants to protect Lord Wu Xiang, the monk can only restrain Madam Ye Emperor that day, so that Pang Ban can quickly kill Lord Wu Xiang.

"Amitabha, madam, if Mr. Wu Xiang is not a cruel person, why do we, such famous and upright sects as Jingnian Chanyuan and Cihang Jingzhai, go against Mr. Wu Xiang? Lord Wu Xiang is a person more cruel than the Demon Sect. If such a person were a ruler, he would be cruel to the people. I hope Madam will think clearly."

Mrs. Ye Di also saw that the Heavenly Monk was just an ultimatum to her, but Madam Ye Di would not be intimidated by the Heavenly Monk.

"Hey, what does this have to do with me? Old monk, don't waste your efforts here. I know what kind of person Mr. Wu Xiang is. With me here, you can't possibly take action against Mr. Wu Xiang."

"Can Madam really not stay out of it?"The Heavenly Monk threatened Mrs. Ye Di again with bright eyes,

""No,"

Mrs. Ye Di refused directly without any panic. She was ready to take action against Tian Seng at any time. However, when she thought of Pang Ban, who had been staring at Su Chen next to her, she was very worried for this bastard Su Chen. If she was restrained by Tian Seng, Stay, then she won't be able to take care of this bastard Su Chen, and it will all depend on Su Chen to deal with Pang Ban.

Mrs. Ye Di patted Su Chen on the shoulder and smiled at him and said,"Wu Xiangjun, in a moment Tianseng will definitely restrain me, and Pang Ban will definitely come to kill you. Do you have any last words to tell me now? Su

Chen rolled his eyes at Madam Ye Di and said,"Yes, but I will tell my last words to my woman and daughter in person, so I won't bother Madam Shuirou.""

Su Chen also saw that Mrs. Ye Di was a little worried about his safety, which made Su Chen very fond of Mrs. Ye Di. Ahem! It was a good impression, not any emotion. This may have misunderstood Mrs. Ye Di. Mrs. Ye Di listened. Su Chen was a bit dumbfounded. She was joking with this bastard just now, but this bastard couldn't see the formality at all.

Mrs. Ye Di said to Su Chen seriously,

"Pang Ban is a land immortal in the heavenly realm. Although he has been injured by me now, it is probably not difficult for him to kill you. How about I take you away later? If I take you to escape, they won't be able to catch up with us."

Su Chen was very confused when he looked at Mrs. Ye Di. She refused to let her leave just now, and now she wants to take him to escape. This is not in line with Mrs. Ye Di's consistent position. Is Mrs. Ye Di worried about him?

Su Chen ? Chen thought about it and said to Mrs. Ye Di,

"Huh? Madam Shuirou, didn't you just say you wouldn't escape? Why have you changed your mind now?"

"Bastard, didn't I do this for you? If I don't take you to escape, I'm afraid you will be killed by Pang Ban in a while. You are really a bastard who doesn't know a good heart."
