Chapter 421

Mrs. Ye Di was a little angry when she saw Su Chen. She wanted to take this bastard away regardless of her own face, but this bastard even mentioned the previous incident, which made Mrs. Ye Di not want to care about this bastard's life and death and leave here.

Su Chen didn't expect that Mrs. Ye Di wanted to take him to escape for his safety. This made Su Chen a little touched. Was Mrs. Ye Di who came to kill him a little cruelly deceived by him?

Su Chen looked at the angry Mrs. Ye Di and hurriedly smiled and said,

"Sao Rui, Sao Rui, Mrs. Shui Rou, don't worry about me. This Pang Ban can't kill me yet. As long as you can defeat Tianseng, Pang Ban will be scared away by you, and then my danger will be lifted."

Mrs. Ye Di was very confused after hearing Su Chen's words. What's wrong with this bastard? Why is he talking nonsense now?

Sao Rui?

What the hell?

This bastard won't be scared crazy, right?

And this bastard actually said that Pang Ban can't be killed. Him?

How is this possible?

Would a terrestrial immortal in the heavenly realm be unable to kill a scumbag of a grandmaster?

Madam Ye Di looked at Su Chen and worried whether this bastard was crazy now? How could this bastard talk nonsense?

"Su Chen, are you okay?"

When Su Chen saw Mrs. Ye Di looking at him like she was a fool, he angrily patted her on the head and said loudly,

"I have a shitty thing, don't look at me like a fool. I'm doing very well now, and I'm not crazy. I said Pang Ban can't kill me, so he can't kill me. If you want to save me, use the fastest speed. Just defeat the Heavenly Monk at such a speed"

"Damn bastard, do you want to die? How dare you pat me on the head?"

Su Chen saw Tian Seng and Pang Ban making peace and looked towards them. He knew that Tian Seng and Pang Ban were about to kill them. Su Chen hurriedly said to Mrs. Ye Di,

"Let me tell you, is now the time to talk about this? Tianseng and Pang Ban are about to make a plan to kill us."

"Damn it, don't die soon, I haven't taken revenge on you bastard yet"

"Haha, it all depends on your speed. If you kill or defeat the Heavenly Monk quickly, you can settle the score with me in the future. If you procrastinate and fail to defeat the Heavenly Monk, then you can collect the corpse for me." At this time, The Heavenly Monk flew to Su Chen and Mrs. Ye Di and said to Mrs. Ye Di,

"Madam Shuirou, this time I will teach you the magic of wedding dress."

"Haha, you might die if you learn my magic wedding skill?"

"Then let's see if Madam Shuirou has that ability,"Conquer the Devil's Palm". Seeing Madam Ye Di's arrogant appearance, Tian Monk couldn't help but attack her directly. Madam Ye Di suddenly attacked her when she saw Tian

Monk. He wanted to move, so he hurriedly slapped the Heavenly Monk with his palm.

"Snow jade flying flowers"

Boom!

After a violent storm, this place was completely destroyed by Madam Ye Di and Tian Monk. The two masters in the late human and heaven realms were very destructive. This was much worse than Madam Ye Di and Pang Pang just now. Madara's fighting power is even more powerful.

Su Chen was not far away now and thought with lingering fear, I am lucky that I saw something was wrong and left there in a hurry, otherwise he would also be affected by the battle between Madam Ye Di and Tian Monk Yu Bo.

When Pang Ban saw Su Chen suddenly appearing at the side, he chased him and glared at him and shouted, "Wu Xiangjun, you ran very fast, but you still have to die this time."

"Bah, you shameless bastard who bullies men and is afraid of women, if you dare, go find Madam Ye Di to fight."

"The power of words! No matter what you say this time, you will be dead."

Pang Ban said and attacked Su Chen. He was not worried that Su Chen would escape from his hands. How could a little scumbag in the master cultivation realm be his opponent in the heavenly realm.

Su Chen was always on guard. Pang Ban, when Pang Ban took action, he teleported and appeared behind Pang Ban. When Pang Ban wasn't paying attention, he took out the Blue Blood Illuminating Painting Sword and struck Pang Ban with his sword.

""Twelve swords" touch

""Bastard"

Pang Ban didn't expect Wu Xiangjun, a bastard, to be so fast in Qinggong. He didn't even feel the bastard's breath when he found him appearing behind him. If it weren't for his powerful perception of the Dao Heart Demon Planting Technique, he might have been killed. This little grandmaster is in trouble

"Pang Ban, you are a bit slow." After Su Chen's sneak attack was resolved by Pang Ban, he quickly teleported to the side and laughed and said,

"Seeking death, devil's hand"

"Sword Sixteen"

Cough Su Chen was knocked away by Pang Ban's palm. He didn't expect how powerful the land gods in the Heavenly Realm were. Su Chen didn't want to have a head-on confrontation with Pang Ban in the Heavenly Realm.

Pang Ban looked at the fool. The same Su Chen laughed and said,

"Haha, a little grandmaster dares to confront me head-on. Mr. Wu Xiang, you are really an idiot."

"Damn it, I'm going to let you taste the power of a master today."

Su Chen was a little angry when he saw Pang Ban, a bastard, scolding him. A beautiful woman can scold him, but a man can't. If a beautiful woman scolds him, he can get rid of the beautiful woman scolding him, but if a man scolds him, he will only die. Su Chen didn't know whether the Divine Sword and Thunder Control could hurt Pang Ban in the Heavenly Realm, but he felt unhappy if Su Chen didn't say this.

Pang Ban looked at Su Chen with disdain and said with a smile, "Wu Xiangjun, if you have the ability, just come. Otherwise, I'm afraid you won't be convinced if I kill you like this. I just want to see your desperate look in the end."

"As you wish."

Su Chen jumped into the air with the Blue Blood Illuminating Painting Sword. He looked at Pang Ban expressionlessly and pointed the Blue Blood Shining Painting Sword to the sky. This was the first time he used it after being promoted to Grandmaster. This time he wanted to use all his energy to activate the Divine Sword and Thunder True Art.

Mrs. Ye Di, who was fighting with the Tianseng, had been caring about Su Chen, and was beaten away by Pang Ban when Su Chen saw him, her heart ached a little. When she saw Pang Ban, her eyes were burning and she wanted to kill him immediately.

"Amitabha, Madam, Lord Wu Xiang is dead this time. As long as Madam is not involved in this matter, I will not embarrass Madam."

"Haha, you think I am greedy for life and afraid of death.....Su Chen, what is he going to do?"

While Mrs. Ye Di and Tian Seng were talking, they discovered that Su Chen was flying in the air and wanted to attack Pang Ban. This made Mrs. Ye Di feel nervous. When she was about to save Su Chen, she found that Tian Seng blocked her way..

The heavenly monk put his hands together and recited a Buddha's name and said,"Amitabha, madam, if you can't make it, you should stay here with me and watch the battle between Wu Xiangjun and Pang Ban.""

When Mrs. Ye Di saw Tian Monk stopping her, she slapped Tian Monk without saying a word. At this time, Mrs. Ye Di just wanted to rush to Su Chen as soon as possible to save that bastard.

The bastard also said that he didn't need to worry about him. You don't have to worry about your safety? You were just knocked out by Pang Ban after a while, and now you are still fighting Pang Ban head-on. Damn it, that bastard Su Chen doesn't know who he learned from when talking nonsense.

Boom

Tian Monk and Madam Ye Di exchanged palms and said,"Madam, you won't be able to get through, you better not waste your efforts.""

"Damn it."

Mrs. Ye Di knew that there was this old bald donkey, and she couldn't possibly save that bastard Su Chen. She looked at Su Chen and hoped that that bastard would not confront Pang Ban head-on. As long as that bastard Su Chen dealt with Pang Ban until She could just defeat Tianseng.

Madam Yedi saw that bastard Su Chen's intention was to confront Pang Ban head-on. Didn't that bastard just let her worry about something? This made her want to teach that bastard a lesson.

Chapter 422

Pang Ban was a little surprised when he saw Su Chen flying into the air with his sword raised using Qing Kung Fu. He didn't expect that a master at the master level would stay in the air, and Su Chen looked like he was about to use some big move.

Pang Ban smiled disdainfully. He didn't think that Su Chen's actions could threaten him, a terrestrial immortal in the heaven and human realm. After all, if a master wanted to praise two land immortals in the realm of heaven and human beings, that was simply not the case. Not realistic.

Su Chen began to gather energy in the air to prepare to activate the Divine Sword Controlling Thunder Art. When Su Chen began to gather energy, the sky in the area immediately darkened, and the sword in Su Chen's hand emitted a burst of thunder and lightning, and some Black thunder and lightning kept crackling next to Su Chen

"How can this be? Wu Xiangjun can actually cause thunder and lightning? What level of skill is this that can do this?" Pang Ban looked at the strange phenomenon in the sky and said to himself in stunned silence.

Pang Ban was a little scared now. When he saw these terrifying thunder and lightning, he knew that they were not to be messed with. If he was not careful, he would be struck by these thunder and lightning. If he was attacked, I'm afraid he would be seriously injured even if he didn't die.

Pang Ban looked at Su Chen in the air and wanted to knock this bastard down immediately.

"Damn it, we can't let this bastard go on like this. This bastard's martial arts secrets are quite powerful."

"The Demon's Illusion Palm"

Boom!"

"How can it be? Why is there a protective shield around this bastard?"

Pang Ban looked at Su Chen in the air, nothing happened, but his palm hit out a blue protective shield, which surprised Pang Ban.

Tianseng and Madam Yedi also looked at Pang Ban. The attack was very shocking. A terrestrial immortal in the heavenly realm did not break the zhenqi protection arranged by a grandmaster. Moreover, Su Chen's attack seemed to be very powerful. Even Pang Ban couldn't help but attack Su Chen's opponent. This may have made Pang Ban feel threatened.

Mrs. Ye Di watched Su Chen continuously gathering energy in the air, and the blue protective shield around him couldn't even be broken by the land gods in the heavenly realm. It seemed that this bastard was right. , he did have a way to deal with Pang Ban.

Madam Yedi wanted to defeat Tianseng immediately after seeing Su Chen's attack. Otherwise, Su Chen, a bastard, might be a threat. Madam Yedi thought that if Su Chen used all his power to activate In this attack, if he hadn't killed Pang Ban after launching the attack, I'm afraid he would have been slaughtered by this bastard Pang Ban.

"Haha, this bastard Wu Xiangjun didn't expect that there is such a secret method. Old monk, I'm afraid Pang Ban won't be able to kill Wu Xiangjun this time."

The heavenly monk was also very surprised when he saw Su Chen burst out with powerful attack power. He also saw Pang Ban's attack just now. Even Pang Ban couldn't break the protective shield. This Wu Xiangjun's secret method is very powerful.

"Amitabha, Mrs. Shuirou, don't say it too perfectly. Although Wu Xiangjun's attack is very powerful, it may not be so easy for a master's cultivation level to kill a land immortal in the heavenly realm."

Mrs. Ye Di also knew that Su Chen might not be able to kill Pang Ban this time, but if Su Chen could cripple the seriously injured Pang Ban, then Su Chen's crisis might be lifted. But can Su Chen cripple Pang Ban?

"Yeah? Then we'll see."

At this moment, when Pang Ban saw that his attack was ineffective, he desperately attacked the weird protective shield around Su Chen. Pang Ban now hated Su Chen, the bastard.

Pang Ban didn't expect that it would happen if he gave this bastard a chance. Such a thing, which made him want to see Su Chen's desperate look, might not be possible, and even this bastard's powerful attack might cause harm to himself.

Su Chen curled his lips when he looked at Pang Ban who kept attacking him, thinking The Sword Controlling Thunder True Jue has protective measures. If the Divine Sword Controlling Thunder True Jue does not have protective measures, then someone may interrupt it every time it is launched. This is indeed an emperor-level cultivation sword technique..Su

Chen looked at Pang Ban and read loudly when he saw that the energy gathered was almost done,

"The Nine Heavens Xuansha turned into divine thunder, and the brilliant power of heaven was used to attract it with the sword!"

Boom! Boom! Boom!

Pang Ban looked at the terrifying black thunder and lightning in the sky and felt very incredible,"What? How can this be?"

Pang Ban looked at Su Chen in the air in panic. He didn't expect that this bastard's attack had just started now. Looking at the energy gathered in the air, Pang Ban knew that he couldn't resist the attack this time. He fiercely He glared at Su Chen and wanted to run away. Pang Ban didn't dare to resist the attack of this bastard.

But at this time, Su Chen laughed evilly when he saw Pang Ban was about to run away. Can Pang Ban escape at this time? Su Chen's Divine Sword Yu Lei Zhenjue's attack this time targeted Pang Ban. Even if he wanted to escape now, it was too late.

Just when Pang Ban was about to use Qinggong to escape from here, he suddenly felt the danger. Pang Ban felt He has been locked by Su Chen in the air, and it is impossible for him to escape now.

"This is? Damn it, I was targeted by this bastard, and it's not that easy to kill me."

Pang Ban immediately used all his strength to prepare for the attack of this bastard Su Chen. This time, either he will die or Su Chen will die. Pang Ban doesn't want to die in the Central Plains like this. If he doesn't deal with Su Chen's attack with all his strength, I'm afraid he will really perish here

"The great method of cultivating demons from the heart of the Tao!"

Pang Ban directly used his most powerful technique to deal with Su Chen's attack. He wanted to see whether it was Su Chen's secret technique or his Dao Heart Demon Technique that was stronger.
Boom! Boom!

Boom!

When Su Chen When Chen quickly attacked Pang Ban with the Blue Blood Sword, the black thunder and lightning roared in the air and instantly appeared next to Pang Ban. In Pang Ban's horrified eyes, the black thunder and lightning instantly knocked Pang Ban away. While being knocked away, he was constantly attacked by black lightning.

"hiss! I guess, the attack of Divine Sword and Thunder Control is really powerful this time. This is still less than 10% of the attack. If it were 100% of the attack, Luoyang would probably be destroyed."

Su Chen was very surprised when he saw Pang Ban who was constantly being attacked by black lightning. Although he used the full version of Divine Sword and Thunder Control this time, he did not display it perfectly. Su Chen's His skills are still not good enough. If he wants to perfectly display the divine sword and thunder control, even the land gods who have reached the heavenly realm may not be able to do it. In the restaurant, Kou Zhong watched the battle between Su Chen and Pang Ban and exclaimed with weakness in his legs. He said, "Did I see it wrong? Is the Great Demon King Wu Xiangjun so powerful? How could he fly away the land gods in the heavenly realm?"

Heavenly Sword Song Que took a breath of air and said in surprise,

"Kou Zhong, you read that right. I didn't expect Lord Wu Xiang to have such a powerful secret method. This secret method is not even a match for the land gods in the heavenly realm."

Xu Ziling clenched his fists and said with some fear,

"The Great Demon King Wu Xiangjun is indeed the Great Demon King Wu Xiangjun. We will not be able to provoke this Great Demon King in the future."

This Lord Wu Xiang is too terrifying. This secret method is not like the secret method of the human world at all. Xu Ziling was frightened by Su Chen's attack. He never wanted to conflict with this big devil in the future.

Fu Junqiang looked at Su Chen's attack hurriedly pulled Fu Junyu away in shock and said, "Senior sister, this.....this.....This Lord Wu Xiang was so terrifying that even Fu Cailin would be killed instantly by his attack."

Fu Junyu was also a little frightened by Wu Xiangjun's attack. She did not expect that a dignified monarch would have such strong strength, and such a powerful attack style was something she had never heard of before.

"call! It's too scary. Wu Xiangjun didn't expect to be so powerful. After we find Senior Sister, we can also take refuge with Wu Xiangjun. After all, Senior Sister is now Wu Xiangjun's maid. I believe Wu Xiangjun will take us in."

"Well, Senior Sister, Senior Sister will help us speak when the time comes. With Lord Wu Xiang's protection in the future, we will not be helpless in Sui Dynasty."

Chapter 423

Mrs. Ye Di opened her sexy little mouth and was very surprised when she looked at Pang Ban who was beaten away by Su Chen. Although she knew that Su Chen's attack this time was very powerful, it was too powerful. I'm afraid even she would not be able to do it. Will be injured by this attack

"Haha, Heavenly Monk, even if Pang Ban is not dead this time, I am afraid he will be crippled. Your allies are not strong enough."

The heavenly monk is very frightened now. Su Chen's secret method is too powerful. He has to get this secret method no matter what. If he gets this secret method, no one in the cultivation realm of heaven and human realm will be his opponent in the future..

Tianseng looked at Mrs. Ye Di next to him and thought about how to kill her. Otherwise, he would not be able to take Su Chen away, and he would not be able to get the secret method from Su Chen. If he gets this secret method, he will not be able to take her away. It was Emperor Ye who came to take revenge on him, and he was not alone.

Less than five miles outside Luoyang City, Shi Guanyin, who was rushing towards Luoyang, suddenly felt a powerful attack. She looked towards Luoyang City and found a place in Luoyang City. thunder rolling

"Divine Sword and Thunder Control? This is the Divine Sword and Thunder Controlling Art. That bastard Su Chen is fighting with the land gods in the Heavenly Realm. Husband, wait for me."

Shi Guanyin's figure flashed and quickly left an afterimage and disappeared.

When Shi Guanyin noticed the thunder and lightning, she thought of Su Chen's attack on him last time. Moreover, she now has the four major swords in her hand, and even the Divine Sword. She has also practiced the Thunder Cultivation Art.

She has just started to use the Divine Sword Thunder Cultivation Art, and Shi Guanyin can only exert a little power now. In

Luoyang City,

Su Chen hurriedly looked at Pang Ban who was constantly being attacked by black thunder and lightning. He teleported from the air to the ground. Su Chen didn't have any Qi now. Fortunately, his teleportation could be used without using Qi. The last time he used the Divine Sword and Thunder Controlling Art against Shi Guanyin, Su Chen didn't think of using it. Teleporting. The last time he was carried down from the sky by Huan Huan, it seemed a bit embarrassing that time.

A quarter of an hour later, the black thunder and lightning in the sky also disappeared, and everyone around him looked into the distance after being continuously attacked by thunder and lightning. Pang Ban, they all wanted to know if Pang Ban was dead now.

But at this time, Pang Ban was lying in a big pit, covered in blood, and slowly stood up, but one of his arms was gone, and half of his face. His flesh and blood were also bruised by the lightning attack, and even his chest was scorched black.

"hiss! This Pangban is a bit miserable!"

Su Chen looked at Pang Ban and shook his head. This terrestrial immortal in the heavenly realm is really difficult to deal with. Such a powerful divine sword and thunder control has not been able to kill Pang Ban, but it can. Pang Ban was a little proud of him for crippling Su Chen.

Mrs. Ye Di was very happy when she saw Pang Ban. Now Pang Ban can be said to be useless, but Su Chen, a bastard, can come down from the air without any energy at all. This makes Pang Ban crippled. Mrs. Ye Di was becoming more and more confused about this bastard Su Chen.

Mrs. Ye Di looked at this bastard Su Chen and thought, this bastard didn't expect that there are so many secrets, mysterious secrets, weird light skills, and he doesn't even need to use real The ability to appear instantly with just one breath.

Tian Monk is a little uneasy now. Pang Ban has been beaten badly by that bastard Wu Xiangjun, and now Mrs. Ye Di is eyeing him. It was a mistake for him to save Pang Ban this time.

Tianseng doesn't know how to deal with Madam Ye Di now. If Madam Ye Di pursues him relentlessly, I'm afraid his and Di Ni's plan will really be ruined.

And I'm afraid Wu Xiangjun's secret method He couldn't get it either, but he couldn't let Mr. Wu Xiang go just once. Tian Seng looked at Mrs. Ye Di who was wary of him and wanted to accuse her of not paying attention to controlling Mr. Wu Xiang.

And the next moment,

Pang Ban was covered in He looked at Su Chen with bloody eyes. He was like this today because of this bastard. If he hadn't been injured by Mrs. Ye Di earlier, he wouldn't have been beaten so badly by this bastard this time.

Pang Madara limped not far from Su Chen and shouted angrily in a hoarse voice,

"Lord Wu Xiang, I will tear you into pieces"

"Pang Ban, you are neither a human nor a ghost now, can you do it?"

"Damn it, go to hell, Dao Heart Demon Planting Technique!"

Boom!

Come on!

This Pang Ban can still launch such a powerful attack after being injured like this?

Su Chen looked at Pang Ban helplessly while teleporting. Land gods in the heavenly realm are really difficult to deal with.

See Pang Ban When Su Chen, the bastard, dodged his attack again, he vomited blood and shouted angrily,

"Mr. Wu Xiang, you can't escape, just die."

Su Chen saw that Pang Ban was vomiting blood and wanted to kill him, so he took the Blue Blood Illuminating Painting Sword and kept teleporting to avoid Pang Ban's attacks.

How much does this broken-arm Pang Ban hate him? If this continues, Su Chen will Consumption can also consume Pang Ban to death.

"Pang Ban, I'm right here. If you have the ability, just come and kill me."

"Mr. Wu Xiang, you bastard, if you have the guts, stop hiding. If you have the guts, come fight me."

"Gee, am I a fool? You bastard, although you are seriously injured, you are a terrestrial immortal in the heavenly realm. I am not that stupid to fight you head-on."

"Mr. Wu Xiang, you are a coward, you bastard, come and fight me, I will kill you."

Pang Ban was attacking Su Chen everywhere like crazy, and Su Chen kept teleporting next to Pang Ban to avoid Pang Ban.

Su Chen saw Pang Ban bleeding all over and thought, why does Pang Ban have so much blood?

If this happened in modern times, he would have died of excessive blood loss, but this Pang Ban still had a clear head and wanted to kill himself. Are all people who have practiced martial arts like this?

"Su Chen, be careful!"

At this moment, Su Chen suddenly heard the shout of Mrs. Ye Di. He instantly teleported to a broken house. Su Chen turned around and saw the heavenly monk appearing where he was standing just now.

Su Chen Somewhat angry, he shouted to Mrs. Ye Di,

"Damn it, Shui Rou, not only did you, a mother-in-law, not defeat or kill the Heavenly Monk, but now you actually let the Heavenly Monk come over to kill me. Do you, a mother-in-law, want me to die?"

Shui Rou breathed a sigh of relief when she saw that Su Chen was not attacked by Tian Seng. She was also attracted by Pang Ban's crazy attack just now, and she did not expect that Tian Seng, a bastard old bald donkey, would take advantage of this moment. The sneak attack on Su Chen made Mrs. Ye Di blame herself very much.

When Mrs. Ye Di saw that the bastard Su Chen was not attacked by the sneak attack, she scolded her, and even called her a bitch, bitch?

Does she look like a bitch now?

She now looks like she is in her thirties, and she is still in her prime. Her current appearance has countless people and men pursuing her, but this bastard actually calls her mother-in-law? Does this bastard want to die? ?

Chapter 424

Mrs. Ye Di wants to strangle this bastard to death now, but now she has to stop Tianseng. Su Chen, that bastard, can only make trouble for him in the future. This Tianseng is really hateful. He dared to do it when she wasn't paying attention. Going to deal with Su Chen made Madam Ye Di very angry.

At this time, seeing that the raid was not successful, Tianseng hurriedly attacked Su Chen again. If he could not catch Su Chen this time, I am afraid that Mrs. Ye Di would rush over in time to stop him.

Su Chen had been using his mental power to check Tianseng and the crippled Pang Ban. When Tianseng was about to kill him, he hurriedly teleported to Mrs. Ye Di's side.

Su Chen doesn't dare to wander around anymore. This Heavenly Monk Su Chen doesn't dare to fight with him. The Heavenly Monk is much stronger than Pang Ban.

"Shuirou, you have to protect me this time. I don't have any anger at all now. Don't make any mistakes again."

When Mrs. Ye Di saw this bastard Su Chen suddenly appearing next to her, she angrily grabbed him and drank.

"Didn't you bastard just call me mother-in-law? Would you like to order another one now?"

Su Chen immediately took away Mrs. Ye Di's hand from holding him and said hurriedly,

"Come on, let me go. Didn't you see that Tianseng and Pang Ban were about to kill them?"

"Bastard, I'll settle the score with you later."

When Mrs. Ye Di saw Tian Seng and Pang Ban chasing after them without giving up, she pushed Su Chen away and went to kill them. When

Tian Seng saw Mrs. Ye Di trying to intercept them, Tian Seng hurriedly said to the vicious Pang Ban next to him,

"Donor Pang, I'll stop Mrs. Ye Di, and you should take down Lord Wu Xiang as soon as possible. Remember that Lord Wu Xiang will live. Pang

Ban shouted angrily at Tianseng, "Wu Xiangjun, he is dead this time. I will not let him live anymore.""

Pang Ban didn't expect that Tianseng would want to capture Lord Wu Xiang alive at this time. He would not let this bastard Wu Xiangjun continue to live. His current miserable state was caused by this bastard. He would never let these Central Plains people live again. Listen to what they say. Only by killing Wu Xiangjun can he avenge what this bastard did to him.

"Donor Pang, Lord Wu Xiang is still valuable, let him live for a while first"

"Impossible, I won't fail again this time, I must kill Mr. Wu Xiang"

"Damn, these aliens are brainless bastards."

The Heavenly Monk saw that Pang Ban was not cooperating with him at all, which made him very angry. He has not obtained Wu Xiangjun's sword technique yet. If Pang Ban kills Wu Xiangjun, I am afraid he will never be able to obtain it again. The terrifying sword technique,

Tian Seng felt that each of these alien races were arrogant and arrogant, and would lose their minds after a slight setback. It was a mistake to ask these alien races for help this time. When

Hong Tian

Monk and Mrs. Ye Di met, they started fighting separately without saying any nonsense. Madam Ye Di was very angry. This Heavenly Monk had tricked him today. If it hadn't been for Su Chen's weird Qinggong just now, I'm afraid that bastard would have been caught or killed by the Heavenly Monk now.

Pang Ban, this Seeing Su Chen's careless look, he cursed angrily, "Wu Xiangjun, you bastard, you are no longer a man if you run away. If you are a man, just fight me openly.""

"Crippled, Yan Jing'an knows whether I am a man or not, I am here, come and kill me."

Su Chen looked at Pang Ban and immediately smiled vigilantly and taunted Pang Ban.

I'm afraid this Pang Ban won't give up until I kill him, but he won't be killed by the crippled Pang Ban. Su Chen's teleportation Pang Ban can't do anything to him.

Boom

"Damn bastard, I'm going to kill you."

When Pang Ban heard Su Chen's words, he rushed towards Su Chen angrily. He didn't expect that the bastard Su Chen would disappear without knowing it. This made Pang Ban yell when he saw Su Chen again,"

Boom!" Boom! Boom! Boom! Boom! Boom!

Pang Ban didn't care so much now. After attacking Su Chen, he hurriedly attacked the surroundings randomly. He didn't believe that this bastard Su Chen could avoid him like this. Intensive attacks.

Su Chen suddenly appeared on a dilapidated wooden building. Looking at Pang Ban who lost his mind and attacked randomly, he felt that Pang Ban was crazy.

Su Chen didn't want to fight with a madman, and this madman was probably He won't be able to hold on much longer. If Pang Ban doesn't get treatment anymore, I'm afraid he will bleed to death soon.

"Huh? Another master is here."

Su Chen suddenly sensed the appearance of a powerful aura, and it was rushing here quickly, which made Su Chen nervous. Su Chen was now afraid that Di Ni from Cihang Jingzhai would appear. If Di Ni appeared at this time, I'm afraid that Mrs. Ye Di is in danger.

Su Chen hurriedly shouted to Mrs. Ye Di who was fighting Tianseng, "Shui Rou, come here quickly."

Mrs. Ye Di was fighting with Tian Monk when she heard Su Chen's cry. She didn't know why this bastard called her again at this time. Mrs. Ye Di had always been concerned about Su Chen's comfort. This bastard was not in danger now.

Then What did this bastard call me?

Did this bastard have any ideas?

Madam Ye Di attacked Tianseng with her palm and flew towards Su Chen in a hurry. She wanted to see what this bastard Su Chen called her again.

Su Chen saw Ye When Mrs. Di came to him, she hurriedly grabbed Mrs. Ye Di and said, "Shuirou, here comes another powerful master. He should arrive in less than a quarter of an hour. I suspect that Di Ni is here. Why don't we escape?"

"Dini is here too? Why didn't I feel it just now?" Mrs. Ye Di asked Su Chen with some doubts.

Mrs. Ye Di was very curious when she looked at this bastard Su Chen. How did this bastard find out that there was another powerful master? With her cultivation level in the heavenly realm They didn't realize that this bastard was really a mysterious man.

Su Chen took Mrs. Ye Di and looked at Tianseng and Pang Ban who were chasing here. If Di Ni was really here this time, then Su Chen Chen Ye could only pick up Mrs. Ye Di and teleport away.

Su Chen saw Mrs. Ye Di's confused look and immediately said, "My spiritual power is very strong. That powerful master should be a land god in the heavenly realm. I am afraid that there is only one Dini left here in the Sui Dynasty. He is a land immortal in the realm of gods. This time, Dini must have arrived too."

"Let me go first, who wants you, a bastard, to pull me away?" Mrs. Ye Di suddenly found that this bastard was still holding her hand. This made Mrs. Ye Di blush and throw away Su Chen's hand.

"Come on, aren't I going to take you to escape soon? You bitch, do you think I am willing to pull you?"

"Bastard, how dare you call me mother-in-law? Do you want to die now? You, a grandmaster, still want to take me to escape? You don't have any real energy now, how can you take me to escape? Could it be that your weird Qinggong can still take me away with you?"

Su Chen directly hugged Madam Ye Di's shoulders and said proudly, "Of course, how could I let you come here if I wasn't sure? Don't look at you as a terrestrial god in the heavenly realm. You can't compare to me in terms of escaping."

"Asshole, let me go."

Mrs. Ye Di saw that this bastard hugged her this time, which made Mrs. Ye Di feel even more uncomfortable. When she looked at Su Chen, she was so ashamed and angry that she wanted to slap this bastard away with a palm.

Su Chen looked at Ye Di. The lady wanted to struggle, so she hugged her tightly and said,

"Don't move. If I let you go, how can I take you to escape? Let's take a look at who will appear later?"

Chapter 425

Mrs. Ye Di couldn't help but stared at this bastard. She also knew that this bastard Su Chen had some special weird abilities. If a Dini from the heavenly realm came again later, Mrs. Ye Di would also fall into trouble here. Maybe Su Chen would fall into trouble later. Chen's strange ability can take her to escape from here.

Mrs. Ye Di was hugged by this bastard Su Chen, but she felt that this shameless bastard was touching her hands randomly. This made Mrs. Ye Di glare at Su Chen with shame and anger and said,

"You'd better give me some peace of mind with your hands, or I'll chop them off."

Su Chen also held the plump Mrs. Ye Di and moved her hands uncontrollably. After he was threatened by Mrs. Ye Di, Su Chen still touched Mrs. Ye Di's soft waist and said with a smile,

"Shui Rou, your waist is quite soft. Madam

Ye Di looked at Su Chen with a red face and said threateningly, "Shameless person, do you want to die?"

Su Chen was very curious when he saw the blushing Mrs. Ye Di. Although in ancient times, it was a sign of a pervert for him to hug a married man, but Mrs. Ye Di is a little abnormal now.

This time, Mrs. Ye Di didn't stop him. Even Mrs. Ye Di's face turned red. People who didn't know might have thought that Mrs. Ye Di was just a young lady.

Su Chen couldn't help but touched Mrs. Ye Di's rosy face and said with a smile, "Haha, you seem to have said this many times, Shui Rou, please don't scare me with this sentence again."

Mrs. Ye Di was very helpless as she stared at this bastard. She had no choice but to kill this shameless bastard. She couldn't bear to kill this bastard. Even if she wanted to teach her a lesson now, Mrs. Ye Di couldn't do it.

Mrs. Ye Di felt that she had changed. , or even fell, she actually liked this shameless bastard unconsciously, which made Mrs. Ye Di's throbbing heart seem to return to her youth.

Mrs. Ye Di now leaned on Su Chen's arms with some embarrassment. , she was a little afraid to look at this bastard now, and she could do nothing about Su Chen's teasing Madam Ye Di.

Suddenly, Madam Ye Di looked forward and said seriously,

"Um? Here he is, a terrestrial immortal in the heavenly and human realm."

At this time,

Tian Seng and Pang Ban stopped in a hurry when they were about to arrive at Su Chen. They also discovered the land gods who were coming to the heavenly realm. Tian Seng and Pang Ban looked at each other abnormally. Doubtful.

The Heavenly Monk thought that there are no land gods in the Heavenly Realm near Luoyang, and his junior sister Dini should be in Chang'an to discuss the rebellion with Li Clan. Who is this Land God in the Heavenly Realm? The Heavenly Monk is now Fearing that his plan with Di Ni would be discovered by other masters of the Celestial Realm,

Pang Ban asked him after being briefly treated by the Celestial Monk,

"Heavenly Monk, is Dini here?" Pang Ban is a little nervous now. How come there are so many masters of the Heavenly Realm in the Central Plains martial arts world? Today he thought he was sure of victory, but unexpected events occurred one after another. First, the power of

Madam Ye Di made him unexpected, and that bastard Wu Xiangjun actually He has the ability to teleport at any time. Pang Ban even lost one of his arms due to Wu Xiangjun's sword technique, which made Pang Ban regret coming to the Central Plains. The heavenly monk looked at the masters of the heavenly realm who were about to appear in the south. He shook his head and said,

"No, Dini didn't come to Luoyang, so it's not clear whether this terrestrial immortal in the heaven-human realm is an enemy or a friend?"

"Who could that be? Could it be your former enemy of Jing Nian Chanyuan?"

"No, we in Jing Nian Chanyuan do not have enemies in the Heaven and Human Realm. This master in the Heaven and Human Realm is either Wu Xiangjun's enemy or Wu Xiangjun's friend. We need to be more careful in a moment."

"Huh, I hope it's that bastard's enemy. If it's Mr. Wu Xiang's people who come this time, I'm afraid we'll be in trouble this time."

Pang Ban covered his broken arm and stood next to Tianseng with a gloomy expression. This time, his losses were very heavy. Pang Ban's little apprentice died here, and he was first seriously injured by Mrs. Ye Di, and then Another arm was lost to that bastard Wu Xiangjun.

Pang Ban was now covered in scars, and even half of his face was disfigured by Wu Xiangjun.

Pang Ban thought that bastard must know that he was attracted to Yan Jing'an. , so just now Wu Xiangjun ruined his appearance.

In the restaurant,

Song Que and the others felt a powerful aura coming here, and they all saw the battle between Wu Xiangjun and the two celestial beings. Stopping for the time being, I'm afraid Wu Xiangjun and the others are also waiting for the coming land gods in the heavenly realm.

"Senior sister, this time another terrestrial immortal from the heavenly realm is here. I just don't know if the person coming is a friend or an enemy of Lord Wu Xiang?"

Fu Junqiang is worried that the masters of the Heavenly Realm who are coming soon will be Wu Xiangjun's enemies. If the land gods who are coming to the Heavenly Realm are Wu Xiangjun's enemies, then I'm afraid Wu Xiangjun will be in danger, even if he is not good at martial arts. Xiangjun will fall here.

Fu Junyu said to Fu Junqiang with a worried expression on his face,

"Junior sister, we will know in a moment, but I hope that the people who come this time are Wu Xiangjun's friends. If Wu Xiangjun's enemies come this time, I am afraid that Wu Xiangjun and Mrs. Ye Di will not be the old bald donkey and Crippled Pangban's opponent"

"Um! I also hope that this person is Wu Xiangjun's friend. Senior sister, are you worried about Wu Xiangjun's safety now?"

"Yes, from now on, our senior sister and we will have to rely on Lord Wu Xiang to survive in the Central Plains. If Lord Wu Xiang is killed here, the enemies who were oppressed by Lord Wu Xiang in the Central Plains martial arts world will probably be unfavorable to us."

"Well, I hope Wu Xiangjun can survive this difficulty."

Boom. At this time, a powerful and beautiful woman came here with a terrifying aura. She looked at the people around her and discovered Su Chen. But when she saw that bastard Su Chen was holding a beautiful lady, her face turned ugly.

"Madam, I'm here."

Su Chen was very happy when he found out that it was Shi Guanyin who arrived. This time he was not afraid of Tianseng and Pang Ban. His wife Shi Guanyin was an existence at the peak of the heaven-human realm. Tianseng and Pang Ban were not injured before I am afraid that together they are no match for her.

Mrs. Ye Di is not as powerful as Shi Guanyin, but these two women are stronger than the other. If Mrs. Ye Di and Shi Guanyin conflict, I am afraid Shi Guanyin will teach Mrs. Ye Di a lesson.

Su Chen thought that two powerful women who were almost two hundred years old together were related to him, and they were still very close. This made Su Chen feel proud and worried.

Su Chen was afraid that something would happen between Shi Guanyin and Mrs. Ye Di. Conflict, after all, they are both from the Ming Dynasty. Although Shi Guanyin is low-key, Mrs. Ye Di is a very high-profile and beautiful woman. If there is something wrong between them, Su Chen may be caught in the middle and be very embarrassed.

Mrs. Ye Di listens Su Chen was very surprised when he heard what he said.

"Is she your wife?"

Mrs. Ye Di felt incredible when she saw the woman who was a master of the Heavenly Realm suddenly appeared. She never thought that there was a woman stronger than her in this world, and she was also a bastard like Su Chen.

In the Ming Dynasty, she only knew what would happen in the future. Yin Ji, a jellyfish, is very powerful. This bastard Su Chen called this beautiful woman in the heaven and human realm his wife, which made Mrs. Ye Di very nervous. Mrs. Ye Di was afraid that this bastard was teasing women again.

Su Chen hugged Ye Di Madam Di smiled and said,

"Of course, do you think my wife is very charming and beautiful? My wife is about the same age as you. You are both very beautiful and charming women. I will introduce you to you later."

"Husband, you are living a really cool life. I rushed all the way to save you without thinking that you would be playing here with a beautiful woman in your arms. You bastard, will you die if you leave a woman?"

Chapter 426

Shi Guanyin appeared in front of Su Chen and Mrs. Ye Di in a flash. When Su Chen was looking at her with a smile, Shi Guanyin pulled Su Chen over.

Shi Guanyin didn't want Su Chen to be with a land fairy from the Celestial Realm of unknown origin. If this woman from the Celestial Realm was Su Chen's enemy and deliberately approached Su Chen, then Su Chen, a bastard, would be in danger.

Although Shi Guanyin is dissatisfied with this bastard now, the safety of this bastard is still the most important thing.

When Su Chen saw Shi Guanyin suddenly appearing next to him, he separated him from Mrs. Ye Di, and pulled him quickly back a few steps. This made Su Chen look at Shi Guanyin in confusion. This Shi Guanyin didn't know how to Are you jealous when you see him hugging Mrs. Ye Di?

Su Chen was pulled to Shi Guanyin's side and looked at his somewhat red hands and said helplessly,

"Let me ask you, madam, can you be gentler."

Shi Guanyin stared at the bastard Su Chen with a smile. She was worried about this bastard just now, but this bastard actually disliked her for not being gentle,"Husband, do you think I'm not gentle?"

Su Chen saw Shi Guanyin looking like she was about to get angry, so he hurriedly hugged her and kissed her in public and said,

"Gentle, gentle, how could my wife not be gentle? Did your wife see that old bald donkey and that cripple? I'll kill them all in a moment, they're here to kill me."

I guess, Shi Guanyin is still the same Shi Guanyin.

Su Chen thought that after he took down Shi Guanyin, her temper would change, but now it seems that Shi Guanyin has not changed at all, but she is worried that she is really, this Mrs. It was still very good.

When Shi Guanyin saw this bastard kissing her in front of these people, Shi Guanyin rolled her eyes in shame. Shi Guanyin thought that she was now the wife of the shameless bastard Su Chen, and she was kissed by her husband. This is understandable, but this bastard shouldn't kiss her in public.

After hearing Su Chen's words, Shi Guanyin looked at Tianseng and Pang Ban who were not far away. Since these two people dared to kill her husband, Shi Guanyin would not let them leave alive, but the woman next to Su Chen also had to find out who she was.

Why did this woman in the late stage of the Heavenly Realm help this bastard Su Chen this time?

Is there any conspiracy in this ? ?

Shi Guanyin wanted to find out.

Shi Guanyin nodded with a red face and pointed at Mrs. Ye Di and asked warily, "Well, I will kill them in a moment. Husband, who is this woman?"

"Oh, this is Shui Rou, the former Madam Ye Di, she is one of our own, so please don't conflict with her."

Su Chen knew that Shi Guanyin was suspicious of Mrs. Ye Di, but this was understandable. Shi Guanyin was also worried that he would be deceived by Mrs. Ye Di, and was even afraid that Mrs. Ye Di would deliberately approach him to get some secrets.

Shi Guanyin I heard that this woman turned out to be Madam Ye Di. She had heard about Madam Ye Di from Jellyfish Yin Ji. Madam Ye Di was a powerful land deity in the Celestial Realm, and her man was a peak Celestial Realm like her. existence, I just heard that Mrs. Ye Di had broken up with Ye Di, and they even divorced. But why did this Mrs. Ye Di get together with her husband?

And they were hugging each other just now. Could it be Su? Did this bastard Chen separate Madam Ye Di and Ye Di?

Shi Guanyin looked at Madam Ye Di strangely and said to Su Chen,

"Haha, you bastard, don't you have a crush on Mrs. Ye Di? But as far as I know, Mrs. Ye Di has already broken up with Ye Di. I didn't know why Mrs. Ye Di broke up with Ye Di before. Now I understand. You bastard actually has an affair with Mrs. Ye Di. You Aren't you afraid that Emperor Ye will find out and come to kill you?"

What the hell!

Mrs. Ye Di actually divorced Ye Di?

How is this possible?

But what does this have to do with him?

Su Chen just met Mrs. Ye Di today. They had never met before. It was none of his business that Madam Ye Di, a mother-in-law, divorced Ye Di.

Madam Ye Di looked very ugly now. She did not expect that this woman in the heavenly realm would snatch Su Chen away as soon as she came, and that this woman in the heavenly realm would snatch Su Chen away. The woman actually knew about her past affairs, even about her separation from Ye Di.

Mrs. Ye Di frowned and guessed who this woman was?

She had never heard of such a powerful woman in the Heavenly Realm before..And that bastard Su Chen forgot about his wife when she arrived, which made Mrs. Ye Di glare at that bastard with burning eyes. Just now, the bastard was still touching her, but now the bastard is hugging him. The madam was chatting with each other, which made Madam Yedi want to catch this bastard and teach her a lesson.

Madam Yedi's expression returned to normal when Su Chen introduced her. This bastard has not forgotten him yet. This bastard has not forgotten him yet. This made the angry Madam Ye Di feel a little better.

"Shameless bastard, I will teach you a lesson in the future."

Then the next time,

Tian Seng and Pang Ban wanted to escape from here. Neither of them thought that the arriving land god in the Heaven and Human Realm was actually the wife of Wu Xiangjun, and this woman in the Heaven and Human Realm was stronger than them. Powerful, if Su Chen asks his wife to kill them

later, I am afraid that none of them can be the opponent of this terrifying woman, and Mrs. Ye Di is still there. Tian

Seng and Pang Ban are so ugly that they dare not make any move. They all felt that a terrifying aura had locked onto them. If they dared to make any move, I am afraid that Wu Xiangjun's wife would directly attack them. After hearing Su Chen's shouts, everyone in the restaurant saw Su Chen. Chen and the newly arrived Celestial Realm land nun had different expressions on their faces when they hugged each other. They didn't expect that this Celestial Realm woman turned out to be Mrs. Wu Xiangjun.

Kou Zhong looked at Wu Xiangjun holding a powerful Celestial Being. The realm master swallowed his saliva and shouted,

"Damn it, the big devil actually has a wife who is in the heavenly realm? This is going to go against the grain, and Mrs. Shui Rou, she is also a super expert in the Heavenly Realm. This big devil now has two women in the Heavenly Realm. From now on, who among them will dare to offend Lord Wu Xiang."

Xu Ziling now has nothing but fear for Wu Xiangjun. Wu Xiangjun is very powerful and powerful, and each of his women is stronger than the last.

Fan Qinghui from Cihang Jingzhai, Zhu Yuyan from Yinkui Sect, Yao Yue Lianxing from Yihua Palace, Yan Jing'an who left just now, the current Madam Shui Rou from the Heavenly Realm, and the newly arrived Lady from the Heavenly Realm. Any one of these women can destroy their Jiang Huai Army. ,

Xu Ziling patted Kou Zhong on the shoulder and said,

"Yes, Mr. Zhong, we must tell our adoptive father the situation here when we go back this time. Mr. Wu Xiang is not something we can offend. We have now seen two very terrifying women in Mr. Wu Xiang. The Demon King has other powerful women, but they have not appeared yet. Our Jianghuai Army will never be the enemy of Wu Xiangjun in the future."

"I know that I have never thought of being an enemy of Lord Wu Xiang. This great devil is the person I admire and fear the most."

Kou Zhong was very covetous of Wu Xiangjun's ability to pick up girls. The women of Wu Xiangjun were all extremely beauties, and each one was stronger and more beautiful than the last. Kou Zhong wanted to ask Wu Xiangjun for his skills in picking up girls in the future. From now on, he can also be surrounded by beauties, and Kou Zhong is a little excited just thinking about it.

But Kou Zhong thought that the territory of his Jianghuai Army was very close to Yangzhou City. If Lord Wu Xiang started to conquer the world in the future, then his Jianghuai Army would probably bear the brunt of being destroyed by Lord Wu Xiang. This made Kou Zhong very worried and frightened..

Fu Junqiang is a little excited now. She didn't expect Wu Xiangjun's wife to be so powerful. She had already admired Mrs. Yan Jing'an and Ye Di very much before, but this woman who had just arrived in the heavenly realm did not expect that she was still Wu Xiangjun. Madam,

Fu Junqiang took Fu Junyu and said happily,

"Senior Sister, if we become Wu Xiangjun's maids like Senior Sister in the future, will we also serve Wu Xiangjun's wife in the future? If we take good care of Lord Wu Xiang's wife in the future, will those powerful wives of Lord Wu Xiang teach us martial arts?"

"Yes, we will know this when we meet Senior Sister."

Fu Junyu is also a little excited now. Just now she was worried that Wu Xiangjun would be caught or killed by the crippled Pang Ban.

Now Wu Xiangjun's wife has arrived, and Wu Xiangjun's wife is still a powerful heavenly being. Land Immortal, here now Wu Xiangjun has a sure chance of victory.

At this time,

Su Chen looked at Shi Guanyin and felt very helpless. How could Shi Guanyin think that he had ruined the relationship between Madam Ye Emperor and Ye Emperor? Su Chen was It has nothing to do with this matter at all, and nothing happened between him and Mrs. Ye Di.

Eh?

Su Chen only hugged Mrs. Ye Di and touched her waist. The rest was really... Nothing happened. Su Chen didn't want Shi Guanyin to misunderstand him and Mrs. Ye Di.

When Su Chen was about to explain to Shi Guanyin, he found that Mrs. Ye Di had also come over. After Mrs. Ye Di arrived, he and Shi Guanyin Look straight at him,

"My name is Shui Rou, what about you?"

""Shi Guanyin"

Shi Guanyin didn't stop Mrs. Ye Di when she saw her arrival. When she knew that this woman was Mrs. Ye Di, she no longer had any hostility towards her.

This Mrs. Ye Di was a woman who hated evil, and she was still A woman with a bad temper and a competitive spirit. During the conversation between Jellyfish Yin Ji and her, Mrs. Ye Di seemed to have always wanted to surpass Ye Di in strength, and even practiced the wedding robe magical skill of the martial arts Zen sect.

And practicing this wedding robe The magical skill is very painful, but Mrs. Ye Di endured this pain and succeeded in practicing it. Shi Guanyin thought of Mrs. Ye Di's several times of practicing the kung fu and getting older, and he admired this determined Mrs. Ye Di.

"Shi Guanyin? How did you know about me?"

Mrs. Yedi thought about it but didn't remember who Shi Guanyin was. This somewhat mysterious Shi Guanyin was even more powerful than her. It's just that she had never heard of this powerful woman.

And this Shi Guanyin also knew her. Some things about Ye Di also made Mrs. Ye Di very confused. Not many people knew about her separation and separation from Ye Di, and those people didn't talk nonsense. So how did Shi Guanyin know about this matter?

Shi Guanyin smiled and said to Mrs. Ye Di,

"Haha, I am also from the Ming Dynasty. There should be many people in the Ming Dynasty who know about you and Emperor Ye. However, I did not expect that you would divorce Emperor Ye for

my husband. It seems that the relationship between my husband and you is extraordinary. We might be sisters in the future."

Mrs. Ye Di's face turned red when she heard Shi Guanyin's words. How could Shi Guanyin think that she and Ye Di were separated because of this bastard Su Chen?

She only met this shameless bastard today. Mrs. Ye Di and Ye Di were just because Separation due to disagreement with ideas, what does this have to do with this bastard Su Chen?

Will I become a sister with you in the future?

What the hell is this?

Shi Guanyin doesn't really think that she has fallen in love with this bastard Su Chen, right?

Mrs. Ye Di just wants to be with Shi Guanyin explained that this was impossible, but she was a little angry when she saw Su Chen watching the fun with a smile.

What did this bastard mean?

Was he laughing at her?

Or did he want her to be his wife and concubine in the future? ?

Su Chen is also a little confused now. Shi Guanyin's imagination is so rich that she actually directly told Mrs. Ye Di her guess. Isn't Shi Guanyin afraid that the grumpy Mrs. Ye Di will angrily argue with Shi? Did Guanyin fight?

Su Chen also knew at this moment that he couldn't explain, and explanation was just a cover-up. But

Su Chen knew that the more he explained at this time, the more Shi Guanyin would not believe it.

After all, Su Chen had a criminal record, and

Su Chen also knew it. I'm afraid no one believes his explanation. He is a playboy, and there are many beauties who have relationships with him. And Mrs. Ye Di is so beautiful, no one will believe that he has no thoughts about Mrs. Ye

Di. The lady glared at Su Chen fiercely and said to Shi Guanyin, "Huh, Shi Guanyin, I have nothing to do with your husband Su Chen. I think you misunderstood.""

"Doesn't matter? Shui Rou, if you don't have a relationship with my husband, can you let my husband hug you?"

"I....."Mrs. Ye Di now hates this bastard Su Chen. She has no way to explain to Shi Guanyin what happened to this bastard holding her just now.

Shi Guanyin smiled when she saw that Mrs. Ye Di couldn't explain clearly. It seemed that her guess was true. Since Mrs. Ye Di asked Su Chen to hug her, then Mrs. Ye Di would definitely accept Su Chen in the future.

Mrs. Ye Di will definitely be Su Chen's wife in the future. Otherwise, with Mrs. Ye Di's temper, anyone who teases her would have been killed by her palm.

Shi Guanyin thought that she would have to avoid Jellyfish Yinji in the future. If Mrs. Ye Di was by Su Chen's side in the future, Mrs. Ye Di would definitely protect Su Chen, a bastard, and she could safely avoid Jellyfish Yin Ji.

"Haha, Shui Rou, I have no other ideas. I am often not around my husband. In the future, my husband will have to trouble you to protect her."

"I....."

Mrs. Ye Di is very helpless now. She can't explain it clearly now. It's all because this bastard Su Chen hugged her. She is so confused now that she doesn't know what to do.

Su Chen felt very sympathetic to Mrs. Ye Di when he saw her. Su Chen also knew how to explain Mrs. Ye Di's incest now. I'm afraid she couldn't explain why she hugged her.

Su Chen was also very confused about why Madam Ye Di didn't resist when he held her.

Even when he touched Mrs. Ye Di's waist, Mrs. Ye Di just blushed and scolded him with shame and annoyance. She didn't show any intention of taking action against him. Could it be that Mrs. Ye Di was interested in him?

Chapter 428

In Luoyang City, in the hall of Dugu Mansion, after Yan Jing'an told the women here what Su Chen had told them, the women here couldn't sit still.

They didn't expect that the Heavenly Monk from Jing Nian Zen would also appear. They were all very worried about Su Chen. After all, there were two land gods in the Heavenly Realm, and next to Su Chen was Mrs. Night Emperor, a Land God in the Heavenly Realm. immortal.

Xue Nu stood up and said hurriedly, "No, we immediately mobilize the army to rescue Su Chen, otherwise something will happen to Su Chen."

Shang Xiuxun calmly said to the anxious Xue Nu, "But Su Chen didn't let the army also come from the restaurant Withdrew back, even if we send the army there now, I'm afraid we still won't be able to rescue Su Chen from the hands of the two land gods in the heavenly realm."

Xue Nu looked at the women around her and said firmly,

"But we can't care about Su Chen's life or death. Even if the army is defeated, we still have to save Su Chen."

Xue Nu finally accepted Su Chen. She couldn't just watch Su Chen die there. Even if she died, she would die with Su Chen.

"I agree, mobilize the army, and we will go to save Su Chen together. Even if we die, we will go to save Su Chen."

Shi Qingxuan also stood up and said coldly.

Although that bastard Su Chen ruined her reputation, Su Chen has entered her heart in the past few days, and Shi Qingxuan has gradually become fond of that bastard. She doesn't want Su Chen either. That bastard Chen died there.

Shang Xiufang was very conflicted now. She thought about Su Chen asking them all to leave in a hurry in the restaurant. Su Chen must have discovered that the alien was a land god in the heavenly realm. He might be for It was only through the comfort of these women that they were allowed to leave.

Shang Xiufang could no longer see Su Chen clearly. Shang Xiufang, the good-for-nothing pervert, had always had a very bad impression of him, and basically all the women here had a bad impression of him. I like that pervert very much, which Shang Xiufang couldn't figure out for a while.

Now Shang Xiufang understands a little bit. Although Su Chen is very lustful, he is very good to these women, whether it is the exotic treasure that enhances his strength or the These women care about Su Chen. It can be said that Su Chen is an absolutely good man. If that bastard was not so lustful, maybe she would also like that bastard, right?

Shang Xiufang looked at the women here and stood up and said,

"I also agree, let's go rescue that bastard together. Although Su Chen is a bastard, he is a good person after all. From the fact that he asked us to evacuate the restaurant in a hurry just now, we can see that he is thinking about our safety, and we can't ignore it. his life and death"

"Then hurry up and rescue Junshang. I will contact all the masters of Yinkui Sect now and ask them to go with the army to rescue Junshang."

Bai Qing'er can't wait for a long time. Wu Xiangjun is everything to her. She will not see Wu Xiangjun in danger without saving him. If something happens to Wu Xiangjun, I'm afraid everything will be lost for her. Bai Qing'er But she has long regarded Su Chen as her man. She will save Su Chen even if she dies this time.

"Then order the troops to dispatch immediately, otherwise something might happen to that bastard."

Song Yuhua looked at Yan Jing'an and said hurriedly, Yan Jing'an is very powerful here, and now it's up to Yan Jing'an to save Su Chen.

Su Yan sat aside and kept thinking quietly about how to save her father. , she has also heard the conversations of these women, but even if they send all these troops, they may not be able to save her father.

These troops are not her father's direct troops. If the Nether Cavalry and Xuanwu Legion are in Luoyang, then there will be There is a chance to rescue her father. But these armies are a bit of a mob. It is impossible for these armies to go and kill the land gods in the heavenly realm without fear of death.

"Youruo"

"Princess"

"Youruo, how many shadow assassins do you have? How many secret guards are there in Luoyang City? And how many troops are there in Luoyang, including the Nether Cavalry and Xuanwu Legion?"

"Princess, there are more than 400 shadow assassins and 3,000 secret guards in Luoyang. The Nether Cavalry now only has 1,000 guards of the Princess. The remaining 50,000 Nether Cavalry were taken by Shen Luoyan to attack Wagang Village. , the Xuanwu Legion did not have a garrison in Luoyang."

Su Yan frowned when she heard the words of Shadow Commander You Ruo. She didn't expect that her father's direct troops and guards were so few here. They couldn't save her father at all, and Luoyang's more than 70,000 troops were only A decoration.

Su Yan thought for a while and hurriedly stood up and said to Yan Jing'an next to him,

"Aunt Yan, can you deal with Liao Kong from Jing Nian Chanyuan?"

Yan Jing'an blushed when she heard Su Chen's daughter call her aunt. She didn't expect that Su Yan would call her aunt. Did that bastard tell his daughter about her before? Didn't that bastard even intend to let her go in the first place? Did she leave and prepare to let her be his woman?

Yan Jing'an thought about that bastard Su Chen and said to Su Yan,

"I'm afraid I can't deal with Kong, but there's nothing I can do against Kong. Our strength is between Zhongbo, and neither one can do anything against the other."

Su Yan decided to attack Jing Nian Chan after hearing what Yan Jing'an said. Only in this way can he lure the Heavenly Monk over. As long as the Heavenly Monk comes to save Jing Nian Chan, then the remaining alien will believe in the woman in the Heavenly Realm. It can be dealt with.

Su Yan clapped his hands and hurriedly ordered,

"That's good. Sister Dugufeng ordered Dugu Sheng to send troops to surround Jingnian Zen. Sister Bai asked all the masters of Yinkui sect to gather at Jingnian Zen. Youruo ordered the secret guards and a thousand Netherworld cavalry to also go to Jingnian Zen. , and also, let the deputy commander of the shadow assassins, Youxue, lead two hundred shadow assassins to protect the safety of Aunt Murong Qiudi and the others. They are all in retreat now, and no one can disturb them."

"Okay, I will immediately tell Dugu Sheng to send troops immediately." When Dugu Feng heard Su Yan's words, she knew that Su Yan was going to surround Wei and rescue Zhao. She hurriedly left the hall without saying anything to inform Dugu Sheng.

Bai Qing'er also nodded to Su Yan and left here quickly. She Although she didn't know why Su Yan wanted to attack Jingnian Zen Monastery, Su Yan was the successor identified by Su Chen, and Su Yan was very smart at a young age. Bai Qing'er also believed that Su Yan would not ignore her father. life and death

"Yes, Princess."

You Ruo disappeared into the main hall after getting Su Yan's order. After

Su Yan saw Dugu Feng and Bai Qing'er arranging the troops and experts, he looked at Yan Jing'an. This woman, Su Yan, now doesn't know if she should. It should be believed, but at this time Yan Jing'an did not leave them alone and ran away, and this time she brought her father's instructions. Su Yan knew that something must have happened between Yan Jing'an and his father.

Su Yan also discovered that Yan Jing'an was very worried about her father's safety, which made Su Yan decide to believe that Yan Jing'an would not do anything unfavorable to them, "Aunt Yan, when we get to Jingnian Temple, I will leave it to you."

"Don't worry, I will hold down that mute monk Kong. Su Yan, ask someone to bring my two apprentices over. Their strength is not weak. Let them set off with us later."

Yan Jing'an saw Su Yan's series of instructions and knew that she was going to take action against Jingnian Chanyuan, but this is also a way. If Tianseng doesn't want Jingnian Zenyuan to be destroyed, then Tianseng will definitely come to save the people in Jingnian Zenyuan. Those monks, as long as Tianseng comes back to rescue Jingnian Temple, then Su Chen's crisis may be resolved.

"Okay, aunt, come and bring Le Bingyun and Qin Mengyao over."

"Yes, Princess."

Chapter 429

Xue Nu and others were a little unbelievable when they saw Su Yan's series of arrangements. They did not expect that this little girl who was only six or seven years old would do such an unexpected thing.

If they really attack Jing Nian Zen Monastery, I believe that the Heavenly Monk will definitely come to rescue Jing Nian Zen Monastery. After all, Jing Nian Zen Monastery was founded by Heavenly Monk. He cannot just watch Jing Nian Zen Monastery be destroyed.

At this time,

Le Bingyun and Qin Mengyao were also brought here. They were very happy to see Yan Jing'an. If they could see their master this time, they would be able to save their master from here in the future.

"Qin Mengyao (Le Bingyun) met the master"

"Mengyao, Bingyun, then get ready. We will attack Jingnian Temple later. You two will follow Su Yan's orders from now on."

Qin Mengyao and Le Bingyun were stunned when they heard Yan Jing'an's words.

What's going on here?

Why are they going to attack Jingnian Chanyuan?

There can be a terrestrial immortal in the heavenly realm in Jingnian Chanyuan. It's impossible for the master not to know about it. The existence of the Heavenly Monk, but their master's expressions didn't seem like they were joking.

Just when Qin Mengyao and Le Bingyun were very confused, Su Yan said to Yan Jing'an,

"Aunt Yan, apart from the Heavenly Monk, are there any masters in the Jing Nian Temple?"

Yan Jing'an touched Su Yan, who had a tight little face, and said with a smile,

"There are four great saintly monks in the Jing Nian Monastery. Their strength is that of the late masters. No one here can defeat them alone."

"Yan'er, let us deal with the four great holy monks."

At this time, Xue Nu and Shi Qingxuan came over and said, although the four holy monks are all late-stage masters, they have seven masters, and there are also three late-stage masters. Xue Nu believes that the seven of them can do it. Kill the four holy monks.

Su Yan was very worried when he heard Xue Nu's words. Xue Nu and the others had just advanced to the master level of cultivation. They must not be familiar with the battles in the master level now, and the four holy monks were all experienced A generation of masters, Su Yan was afraid that someone among them would be killed or injured.

Su Yan took Xue Nu's hand and asked worriedly, "Aunt Xue Nu, can you deal with the four holy monks?"

Xue Nu looked at Su Yan who was worried about them and smiled and said,

"Yan'er, Bai Qing'er, Dugu Feng and I are masters in the late stage of Grandmaster, while Shang Xiufang, Shang Xiuxun, Shi Qingxuan, and Song Yuhua are all masters in the middle stage of Grandmaster. I believe that our cooperation can kill the four holy monks."

Su Yan nodded after hearing Xue Nu's words. Xue Nu and the other seven might be able to deal with the four holy monks, "Well, aunt, you should be careful. The four holy monks have been famous for many years, and their strength will definitely be difficult to deal with."

Shang Xiuxun patted Su Yan's little head and comforted,

"We know, little girl, don't worry about us, we won't fight alone, the crossbows of the secret guards and the Nether Cavalry can also help us."

At this time,

Qin Mengyao and Le Bingyun were already confused.

Just now, Wu Xiangjun's daughter called their master Yan Jing'an her aunt?

What's going on?

They didn't object when they saw Yan Jing'an, and they were even very weak. Qin Mengyao and Le Bingyun were completely confused by caring about Wu Xiangjun's daughter.

Yan Jing'an frowned after hearing what Xue Nu and the others said, but Yan Jing'an didn't believe that Xue Nu and the others could kill the four holy monks. , you must know that the four holy monks can defeat the great master Shi Zhixuan together.

Yan Jing'an thought about it and looked at Qin Mengyao and Le Bingyun next to him and said to Su Yan,

"Yan'er, ask my disciples Qin Mengyao and Le Bingyun to help Xue Nu and the others. Qin Mengyao and Le Bingyun are also masters, so that Xue Nu and the others can quickly deal with the four holy monks."

"Well, then I'll trouble my aunt."

Just when Yan Jing'an was about to explain to Qin Mengyao and the others, Le Bingyun hurriedly came to Yan Jing'an and whispered,

"Master, are you really Wu Xiangjun's woman?"

"Yes."

Yan Jing'an smiled when she saw Le Bingyun's nervous look. She knew her apprentice was caring about her, but she had been deceived by that bastard Su Chen, and it was impossible for Yan Jing'an to watch it. She refused to save Su Chen because something happened to him.

Le Bingyun couldn't believe it when Yan Jing'an admitted it personally. She originally thought that the master promised to be Wu Xiangjun's woman, but it was Wu Xiangjun, the bastard, who threatened the master with her and her senior sister.

But she didn't look like she was threatened when she saw Yan Jing'an. Even Le Bingyun could tell that master Yan Jing'an seemed to really like that shameless bastard Wu Xiangjun.

Le Bingyun couldn't figure out why. How could her master change so much in just half a month?

Le Bingyun was very puzzled and said to Yan Jing'an,

"But.....But how is this possible? Master, haven't you always looked down on men? Even if you want to find a man, you can't find this shameless bastard Wu Xiangjun. Don't you know who Master Wu Xiangjun is? Master, why do you want to be Wu Xiangjun's woman?"

Yan Jing'an felt helpless when he saw Le Bingyun's rude tone towards Su Chen. He also knew that Su Chen was a playboy. Le Bingyun and Qin Mengyao must have been threatened or molested by that bastard. Jing'an smiled and waved to Qin Mengyao next to her. She, a disciple who had been in Jingnian Zen Temple since she was a child, was still a little unfamiliar with her. Yan Jing'an also knew that Qin Mengyao had been wronged over the years, but there was nothing she could do about it. These things were arranged by Di Ni. Yan Jing'an was unable to resist Di Ni at that time.

Yan Jing'an pulled Qin Mengyao and Le Bingyun who arrived and said with a smile,

"Mengyao, Bingyun, this may be fate. Don't worry about the master. The master has not been threatened by Wu Xiangjun. I am willing. You sisters will help Xue Nu and the others kill the four holy monks this time."

Le Bing'an thought of the masters and innate disciples of Cihang Jingzhai and hurriedly said to Yan Jing'an,

"Master, I'm afraid this is impossible. Even if we kill the four holy monks together, there are still ten masters of Cihang Jingzhai in the Jing Nian Temple, and there are hundreds of disciples in the Xiantian Realm. We are going to kill Jing Nian this time. There is no way the Zen monastery will succeed."

Yan Jing'an smiled after hearing Le Bingyun's words. She knew that Le Bingyun was willing to help Xue Nu and the others, but Yan Jing'an was not worried at all about the masters and innate disciples of Cihang Jingzhai. Yan

Jing'an An knows how powerful the Shadow Assassins are. The masters of Cihang Jingzhai have no ability to resist when assassinated by the Shadow Assassins. Moreover, there are hundreds of Shadow Assassins this time, and the leader of the Shadow Assassins, You Ruo, will personally take action. ,

Yan Jing'an touched Le Bingyun's long hair and said with a smile,

"Haha, I know, but there will be other people to deal with the masters of Cihang Jingzhai. You only need to kill the four holy monks with Xue Nu and the others."

When Le Bingyun saw that the master had arranged all these things, she didn't object anymore.

"Well, my senior sister and I will help Yuki and the others kill the four holy monks."

Qin Mengyao is very confused now. The master has changed a lot, and she doesn't know the reason for this raid on Jingnian Temple. The reason why she didn't speak is because she wants to know if something happened today. You know

Jingnian There is a terrestrial immortal in the realm of heaven and man in the Zen courtyard. Everyone here should know about the existence of the heavenly monk, but why haven't they mentioned it now and who will deal with it?

Chapter 430

Near the Leap Horse Bridge,

Su Chen was speechless towards the woman Shi Guanyin. What was Shi Guanyin doing? Madam Ye Di has nothing to do with him, and even after killing Tianseng and Pang Ban, this woman may come to settle the score with him.

Su Chen was very sure that Mrs. Ye Di would not kill him, but he did not want to be taught a lesson by Mrs. Ye Di. This was about his dignity as a man.

Shi Guanyin looked at the blushing Madam Ye Di and smiled. Su Chen was also very relieved that Mrs. Ye Di would change in the future. As for whether Ye Di would come to trouble Su Chen, Shi Guanyin would threaten Ye Di. , if Ye Di is not wise, Shi Guanyin will find her friends to kill Ye Di in the future.

Shi Guanyin hugged Su Chen's arm and said with a smile, "Husband, you must treat Sister Shuirou well from now on. When I am not by your side, I have to rely on Sister Shuirou to protect you."

I'm done!

Is your sister calling now? correct? Who is bigger, Shi Guanyin or Mrs. Ye Di?

Su Chen looked at Shi Guanyin and then at Mrs. Ye Di. He found that Mrs. Ye Di should be older than Shi Guanyin. Mrs. Ye Di was a very beautiful and plump woman, while Shi Guanyin was a charlatan. Female dress.

Mrs. Ye Di rolled her eyes at Shi Guanyin. She should be older than Shi Guanyin, but Shi Guanyin actually called her sister like this. This made Mrs. Ye Di very embarrassed and angry. Did Shi Guanyin call her as a doctor?

Mrs. Ye Di thought that she had nothing to do with Su Chen, and Shi Guanyin had always believed that they had a close relationship. She even became the wife and concubine of Su Chen, a bastard.

This made Mrs. Ye Di unable to refute even if she wanted to. All this was because that bastard Su Chen hugged her.

Su Chen didn't want Shi Guanyin to continue making random guesses, "Madam, we'll talk about these things later. Have you seen that old bald donkey? You kill him first, and let Shui Rou kill the remaining alien Pang Ban." Got him"

"Well, I'm going to kill that old bald ass."

After hearing what Su Chen said, Shi Guanyin looked at Tianseng and Pang Ban. They were locked by Shi Guanyin. Shi Guanyin was afraid that these two people would disturb them when she and Su Chen were talking.

Su Chen Although he knew that it would not be difficult for Shi Guanyin to kill Tian Seng and Pang Ban, he was also worried that Shi Guanyin would let Tian Seng and the others escape carelessly.

"Madam, please don't let him escape. This old bald donkey also has a concubine, and the old bald donkey's concubine is also a terrestrial immortal in the realm of gods and humans. Don't let this old bald donkey escape carelessly. Shi

Guanyin touched Su Chen's face and said with a smile, "Haha, don't worry, the person I want to kill has never escaped.""

Su Chen hugged Shi Guanyin, kissed her and whispered in her ear, "What nonsense are you talking about? You wanted to kill me before, but I'm fine now and even killed you."

"You are shameless"

"hehe"

"Husband, I will entertain you well from now on"

"Madam, you dare to threaten me. Do you think I will be afraid of you? I hope you will not ask for mercy in the future."

"You are so shameless."

Seeing Su Chen's wretched look, Shi Guanyin blushed and rolled her eyes at him. Of course Shi Guanyin knew what Su Chen meant by what he just said. She had been keeping her virginity for decades, and this time she came to give herself to him. This bastard, Shi Guanyin thought that she didn't know when they would meet again in the future, and she didn't want to leave any regrets.

""You bitch"

Mrs. Yedi couldn't help but cursed when she saw Su Chen and Shi Guanyin flirting in front of her. She didn't know why she felt so uncomfortable when she saw Su Chen and Shi Guanyin being so intimate. She was now Think about how to teach this bastard a lesson.

Shi Guanyin and Su Chenwen stayed together for a while and then flew towards Tianseng. She also knew that she might not have much time. If she stayed here for a long time, I was afraid that the jellyfish would be poisoned. That bitch Ji will find her, and Shi Guanyin can only quickly deal with Tianseng. If she stays with Su Chen Wen for a while, she will leave here immediately.

"Shui Rou, I'll leave Pang Ban to you."

"Hey, why should I listen to you? I'm here to take revenge on you, and I'm not your thug."

Su Chen came to Mrs. Ye Di, hugged her, kissed her and said,"Good boy, don't make trouble, kill the crippled Pang Ban quickly, we have things to do later."

Su Chen kissed Mrs. Ye Di this time just to see what Mrs. Ye Di's attitude was towards him. Although he was a little strange about Mrs. Ye Di's changes, he still wanted to know if Mrs. Ye Di was really in love with him..

Every time Mrs. Ye Di said she would teach him a lesson, but every time it was ignored, and she did not object when he hugged Mrs. Ye Di, and even touched Mrs. Ye Di's waist, but she just threatened him, Su Chen thought that Mrs. Ye Di would not really fall in love with him.

Mrs. Ye Di was a little confused. She was actually kissed by this bastard. Mrs. Ye Di's face was red and she grabbed Su Chen's clothes and was so embarrassed and angry. Staring at this bastard face to face, she didn't know how to treat this bastard, but if she didn't teach this bastard a lesson, she really felt very unhappy.

Su

Chen saw that Mrs. Ye Di didn't teach him a lesson, and she was just grabbing him now. Staring at herself, Su Chen couldn't help but kiss the beautiful Mrs. Ye Di who was approaching.

Mrs. Ye Di was going crazy now. This bastard dared to kiss her, which made her Really at a loss, Mrs. Ye Di hurriedly let go of this bastard Su Chen and was about to retreat. However, just as she was about to retreat, Su Chen hugged her again.

"Haha, if you want to run away, that's not possible."

Mrs. Ye Di was hugged by Su Chen again and her face flushed and she hurriedly reminded Su Chen,

"Bastard, let me go, there are many people hiding nearby watching here."

Mrs. Ye Di is now afraid that this bastard will molest her again. She has been kissed by this bastard just now. If this bastard does those embarrassing things again this time, I am afraid she will not have the face to see anyone else in the future.

Su Chen hugged the soft-bodied Mrs. Yedi tightly and said with a smile,

"I know that people from the Demon Sect and people from Cihang Jingzhai and Jingnian Chanyuan are checking here, and there are even a lot of Jianghu people who are not afraid of death, but I don't care about these people, they can just watch if they want to. , anyway, my reputation is that I am a very lecherous person."

Mrs. Ye Di became very nervous when she saw this bastard looking at her with lustful eyes. Suddenly, Mrs. Ye Di discovered that the alien Pang Ban wanted to escape, and after the fight between Shi Guanyin and Tian Seng, this Pang Ban continued to He stepped back.

Mrs. Ye Di's eyes lit up and she hurriedly said to Su Chen,

"Su Chen, let me go quickly, otherwise if that alien Pang Ban escapes later, don't blame me."

Damn it!

This damn Pang Ban really ruined his good deeds.

If this Pang Ban had waited a little longer to escape,

Su Chen would have found out Mrs. Ye Di's bottom line clearly, and Mrs. Ye Di might also have it in the future. She will be eaten to death by him.

Su Chen let go of Mrs. Ye Di and said angrily, "Shui Rou, I'm going to brutally kill that alien Pang Ban. This bastard ruined my good deeds. Don't let me." He died easily"

"Shameless"
