Chapter 431

When Mrs. Yedi heard the dirty words Su Chen said, she flushed and hurried away from him. She didn't dare to get close to this bastard Su Chen anymore. Mrs. Yedi had no way to deal with this bastard now. This bastard Now that he can't be beaten or killed, Mrs. Ye Di can only stay away from this bastard.

Su Chen smiled when he saw Mrs. Ye Di running away. This Mrs. Ye Di was becoming more and more interesting. Su Chen also understood now that this Mrs. Ye Di was in love with him. Otherwise, with Mrs. Ye Di's fiery temper, she would definitely be angry with him. He takes action.

Su Chen didn't expect that Mrs. Ye Di would fall in love with him in less than a day. Was he really so charming?

Su Chen shook his head as he watched Mrs. Ye Di attack Pang Ban. Pang Ban was dead this time. Mrs. Ye Di was angry this time. She would definitely take it out on Pang Ban. I'm afraid Pang Ban would die this time. He will also be tortured to death by Mrs. Ye Di.

Just when Shi Guanyin and Mrs. Ye Di were facing Tianseng and Pang Ban respectively in Su Chen's place, people from Dugu Mansion in Luoyang City were coming and going to prepare to attack Jingnian Temple, while the city guards in Luoyang City had already begun to attack Jingnian Temple. Nianchanyuan was dispatched.

After Xue Nu saw that everyone was ready, she saw that Su Yan was also going to go with them with Broken Blade. This shocked Xue Nu. Something could not happen to Su Yan now. Although they had all deployed this time, Xue Nu They are also afraid that something will happen. If something happens to Su Yan again, then these women really don't know how they will explain to him when Su Chen comes.

"Let's set off, this time we must destroy the Jing Nian Temple."Xue Nu said to the girls and grabbed Su Yan who wanted to vent his anger with them."Yan'er, you stay. This time the opponent is very powerful. We can't let you take risks."

Yan Jing'an also came over and touched the serious Su Yan and said with a smile,"Yes, Yan'er, just wait for our news at the house."

"Little girl, just stay, we are enough. You are still so young, so just stay at home and wait for our good news."

Shang Xiuxun looked at Su Yan holding the broken blade and rolled his eyes at her. She didn't expect that this little girl was going to go there too. Although Su Yan is now an innate little master, the enemies of Jing Nian Chanyuan are very powerful. This little girl was just delivering food. Shang Xiuxun didn't want this weird little girl to take risks. The other women also tried to persuade Su Yan. They women would not let Su Yan pass. Su Yan was now But Su Chen's only child, if something happened to Su Chen, then Su Yan would inherit everything from Su Chen. They would not let Su Yan go to that very dangerous place.

Su Yan kept his face expressionless. , she knew that these father's women would definitely not let her go, but this time she had to go.If this attack on Jing Nian Chan Monastery fails, her father will really die. Su Yan will not give up this only hope.

Su Yan said to the girls next to him with a serious face,

"I must go, and don't stop me. Now I am the supreme commander of my father's forces. The army, secret guards, and shadow assassins all must obey my orders now. You are my father's women and confidante. , I can't order you, but please don't stop me this time."

Xue Nu looked at the stubborn Su Yan and shook her head and said,"Oh, Yan'er, you can go, but you can't go up and fight."

"Auntie, I am a commander, I will not fight."Su Yan had a smile on his face when he heard Xue Nu promised her to go over. As long as she was allowed to go over, she would be able to act according to the situation.

Yan Jing'an shook her head when she saw this. She also knew that she could not dissuade Su Yan. Jing'an stood up and said to everyone,

"Okay, since Yan'er is going there, let's set off quickly. The army should have surrounded Jing Nian Temple now."

""Let's go"

Su Yan immediately stood up and said loudly, and then she quickly left here at the lead. She was now afraid that some of the women here would stop her. Just now she had been pretending to be resolute.

The women here Seeing Su Yan hurriedly leaving, they all found it very funny. It turned out that this weird little girl had been pretending just now. They were all deceived by Su Yan just now. The

Jing Nian Temple has been surrounded by the army. The common people looked at the army holding bows and arrows at Jing Nian Chan Monastery, which let them civilians know that something big was about to happen.

In Jing Nian Chan Monastery, Monk Liao Kong and the Four Great Saints looked at the nuns in Cihang Jing Zhai We just want to know why the army surrounded this place. The monks of Jing Nian Chan Temple have not left the temple these days.

Today, some people were sent to Yuanma Bridge to check the situation, so why did the army surround this place?

Could it be these Cihang Did the nuns in Jingzhai do something behind their backs?

An older nun looked at the monks in Jingnian Temple and suspected that they had attracted the army. She hurriedly said to these old monks,

"Masters, we don't know why the army surrounded this place. No one from Cihang Jingzhai offended the army in Luoyang."

The holy monk Jiaxiang looked at the people around him and gave him a Buddha name and said,

"Amitabha, now the army has not attacked our meditation monastery. It may be that the real people behind the scenes have not arrived yet. We cannot mess up our position. We must prepare now. These troops must be coming with bad intentions."

The Emperor's Heart Holy Monk stood up and said to the other people here, "Well, let our monks get ready."

"We at Cihang Jingzhai will also help you meditate in the Zen Monastery." Master Jing'an of Cihang Jingzhai also hurriedly said to these holy monks that they, Cihang Jingzhai, are now in a weak position. Yan Jing'an's current situation is unknown. She, Cihang Jingzhai, does not have a great master to lead them. , the people of Cihang Jingzhai can only count on Master Liao Kong from Jingnian Zen Temple to help them with the Evil Emperor's relics from Yang Gong's treasury.

"Thank you, Mrs. Jing'an."

At this time,

Kong Kong, who was sitting on the futon, suddenly stood up. He frowned and nodded to the people here before venting his anger first. The four holy monks also hurriedly vented their anger. They knew that Abbot Kong must have discovered something.

The masters of Cihang Jingzhai looked at each other and followed them out. They also discovered that something was wrong with these old monks. The nuns of Cihang Jingzhai also wanted to know what was happening outside. The next time, Su Yan and the others also arrived outside the Jing Nian Monastery. Su Yan rode a little white horse and looked at the surrounding troops with an expressionless face. Xue Nu and the others also followed Su Yan closely. They were worried that Su Yan was here. There will be danger.

A thousand Nether Cavalry and secret guards around Su Yan looked around nervously. They were afraid that assassins would come to assassinate the little princess at this time.

"Luoyang city guard general Dugu Sheng met with the princess."

When Dugu Sheng saw Su Yan coming, he hurriedly knelt down in front of her and said,"

Dugu Sheng now knows that the little princess is now their leader, and all of Wu Xiangjun's troops in the Sui Dynasty will unconditionally obey the little princess. , the little princess is now Wu Xiangjun's designated successor.

""See you, Princess."

At this time, the 70,000 troops in Jing Nian Zen Temple also knelt down on one knee and saluted,

"Get up, everyone"

"Princess Xie"

"Dugu Sheng, ordered the archers of the army to start attacking. I want to let the monks in Jing Nian Temple taste the power of the army's bows and arrows first."

"Yes, Princess."

Chapter 432

After receiving Su Yan's order, Dugu Sheng waved his hand and saw 20,000 soldiers with quivers on their backs and bows and arrows appearing around the Jing Nian Monastery, and dozens of siege crossbows began to be loaded with angry arrows.

"Target Meditation Zen Temple, let go!"

Swish, swish, swish.

At Dugu Sheng's order, he first stopped the rain of arrows and shot towards Jingnian Chanyuan. Although the door of Jingnian Chanyuan is now closed, these bows and arrows flew in the air for a while before shooting towards Jingnian Chanyuan. Entering.

Seeing Su Yan commanding the army to attack Jing Nian Zen Monastery, Xue Nu asked doubtfully, "Yan'er, is such an attack effective?"

The other women also looked at Su Yan. They were also confused by Su Yan's order. The monks from Jing Nian Zen Temple have not yet appeared. The current archer attack is probably in vain. After all, the monks from Jing Nian Zen Temple have not appeared yet. The monks are still in the building inside the temple

"Don't worry, the low-cultivation monks in Jing Nian Monastery will definitely suffer heavy losses this time. Jing Nian Monastery has been surrounded for some time, and those monks must be concentrated in the square of Jing Nian Monastery now, preparing to fight our army. They didn't expect how quickly we would attack this time, and they didn't even attack from the gate."

"I see, you are still smart, little girl"

"Well, Su Yan's attack was unexpected this time. It was impossible for those monks with low cultivation level to avoid so many arrow attacks."

"Haha, it's best to shoot and kill some powerful monks, so that we can save some trouble when we attack later."

"Yes, it seems that Yan'er's visit was not in vain this time."

"Yan'er was still smart, but the army could only shoot a few rounds, and those monks would definitely hide in the temple buildings."

Shang Xiuxun and the others looked at Su Yan and praised her one after another. This Su Yan is too evil. She didn't start the attack from the gate before she shot him with bows and arrows. I'm afraid the monks in Jing Nian Monastery are still waiting for the army. The generals went to negotiate with them.

At this time, thousands of monks from Jingnian Temple in the square of Jingnian Temple were holding weapons and staring at the gate. They, the monks, were all preparing for the army's attack.

"what sound?"

"I don't know, it sounds like the sound of bows and arrows"

"No, look at the sky, a bow and arrow are coming, hide away."

Swish , swish, ah,
ah, ah, ah, ah, ah, ah, ah, ah, when the monks in Jing Nian Zen Temple found that they were shot by
bows and arrows in the air, they wanted to avoid it. It was already night. Although the martial arts
of these monks were very powerful, even if some of these arrows were shot away by them or
Dodge.

Tens of thousands of troops are shooting at the monks here. Even if they dodge some bows and arrows, more bows and arrows continue to shoot at them. For a time, the monks in Jing Nian

Temple suffered heavy losses. If it weren't for powerful The monks here are those with low cultivation. I am afraid that the casualties among the monks here will be even more serious.

When the four holy monks saw the tragedy in Square D of Jing Nian Monastery, they were so angry that they kept shattering bows and arrows with their powerful skills. They are now I wish I could get angry and kill those troops

"Quickly save people."

Seeing the situation here, the nuns from Cihang Jingzhai also rushed to save the monks in the square. They also did not want Jingnian Chanyuan to suffer heavy losses. If Jingnian Chanyuan suffered heavy losses, then they might be alone in the future. Fighting hard.

Boom. At this moment, the gate of Jing Nian Temple was blasted open, and a large number of troops rushed in. These archers who rushed in drew their bows and shot the monks in the square.

"Prajna Palm"

"four elephants buddha palm"

"Arhat Boxing"

""No Elephant Finger"

Boom boom boom boom the four great saints continued to smash and shoot the bows and arrows, but this time the density of the bows and arrows was very high, and the siege crossbows also shot down the weapon monks in the square. Now there are thousands of them in the square. There are less than 300 monks left.

""Kill" the powerful monks from Jingnian Temple and the nuns from Cihang Jingzhai looked at the incoming archers and swung their swords to kill them.

After these powerful masters killed the incoming archers, the city guard's archers They were massacred by these monks and nuns in an instant and fled everywhere. If there were no powerful experts to help, I am afraid that the monks and nuns of Jing Nian Chanyuan would have slaughtered the invading army archers in a short time. Woo!

Woo! Woo! Woo army The sound of the retreat horn came, and the archers of the city guards also hurriedly retreated to the gate.

Women like Yan Jing'an also brought the masters of the Yinkui sect, the Nether Cavalry, and the secret guards into the Jingnian Temple. Seeing that thousands of city guard archers were killed and injured in just a short while, they frowned and looked at the dozens of powerful monks and nuns in the square, while those monks with low cultivation levels were now hiding in the temple. The archers shot and killed.

The secret guards and the Nether Cavalry quickly set up an attack formation at the gate of Jing Nian Zen Monastery. However, Xue Nu and the others did not take action in time to kill these monks after they arrived. They also wanted to know Jing Nian. How many masters are there in the Zen monastery?

The holy monk Jiaxiang looked at the invading army and those women and drank to the leading snow girl,

"Who are you? Why do you want to shoot the monks in our meditation monastery!"

Xue Nu looked at the remaining three hundred monks and hundreds of nuns from Cihang Jingzhai and shouted loudly,

"Jingnian Chanyuan attempted to rebel, and Wu Xiangjun ordered the annihilation of Jingnian Chanyuan."

The Emperor's Heart Holy Monk looked at the hundreds of dead monks in the square and said angrily,

"Nonsense, we are all outsiders, how can we rebel? Mr. Wu Xiang has no right to destroy our Jing Nian Temple."

"It is not up to you monks to decide whether you have power or not. Put down your weapons and surrender now, otherwise we will kill you without mercy."

"kill!"

Jingnian Chanyuan saw that these women came with an army, and they were not kind, and they were immortal. Jingnian Chanyuan would not give up. This made the monks in Jingnian Chanyuan and the nuns in Cihang Jingzhai very angry.

And this At that time, a master from Cihang Jingzhai suddenly spotted Yan Jing'an behind those women, which made her shout in disbelief,

"Master Yan'an? Why are you hanging out with people from the government?"

Yan Jing'an saw that someone from Cihang Jingzhai had discovered her, and she had no need to hide. Anyway, these nuns from Cihang Jingzhai would also find her when the war started. Yan Jing'an just wanted to give it a try. Will these Cihang Jingzhai masters join her in resisting Di Ni?

Yan Jing'an stepped forward and looked at the hundreds of Cihang Jingzhai people and said expressionlessly,

"Jingxiao, I am now a member of Lord Wu Xiang. You all know what kind of place Cihang Jingzhai is. You also know that Di Ni is cruel and unbearable. Now Lord Wu Xiang wants to eradicate Cihang Jingzhai and Jingnian Chanyuan. This time first Take Jing Nian Chanyuan for treatment. If you dare to resist Di Ni, come to me. If you want to go against us, then I will kill you without hesitation."

The nuns at Cihang Jingzhai were in disbelief when they looked at Yan Jing'an and her two apprentices. They didn't expect that Yan Jing'an, the master of the temple, would betray Cihang Jingzhai. Is n't she afraid? Will Di Ni kill them in anger?

You must know that Di Ni is a land god in the realm of gods and humans. It would be extremely easy for Di Ni to clean up the house.

Chapter 433

The nuns at Cihang Jingzhai are now talking to each other one after another. They women all know the cruelty of Di Ni, which makes some nuns feel moved when they hear Yan Jing'an's words.

They, the nuns at Cihang Jingzhai, know that Di Ni is moody and will kill their disciples at every turn. There are thousands of disciples like them and now there are less than 400 of them left.

Some of them were killed by Di Ni who was in a bad mood. They nuns have always lived in fear of Di Ni. They thought that even if they died in battle in the future, they might be killed by the moody Di Ni.

Tear!

At this time, some nuns from Cihang Jingzhai were about to take refuge in Yan Jing'an. When a middle-aged nun at the master level saw this, he killed a nun who was about to take refuge in Yan Jing'an with one sword.

She looked at the people around her. The nuns at Cihang Jingzhai drank it,

"Whoever dares to betray Cihang Jingzhai and ancestor Dini will suffer this."

When the nuns at Cihang Jingzhai saw this, they took a few steps back in horror. The nuns who were born in the realm of cultivation were no match for the dozen or so nuns in the master realm. They were also afraid of being massacred by the master nuns. Kill.

Xue Nu looked at the master nuns from Cihang Jingzhai and said to Yan Jing'an,

"Yan Jing'an, I'll leave that monk to you. Let's deal with the four holy monks. Let's take action now."

Yan Jing'an looked at the nuns in Cihang Jingzhai and sighed and said,

"Alas, if those nuns in the innate realm of Cihang Jingzhai surrender, don't kill them. They are also pitiful women."

"I will notify the Dark Guards and Shadow Assassins."

"Sisters, it's our turn"

""Attack"

Xue Nu and the others looked at each other and started to kill the four holy monks, while the secret guards and the Netherworld Cavalry took the air-breaking crossbows and started to attack the master nun of Cihang Jingzhai.

Yan Jing'an saw it. Standing in the middle, Liao Kong came to him with a light skill. She had to deal with this Liao Kong wholeheartedly, otherwise she might fall into the hands of Liao Kong, who practiced closed-mouth meditation.

Yan Jing'an looked at Kong and smiled. He said, "Liao Kong, we have never decided the winner in our previous fights. This time it is a battle of life and death. Today it is either you or me who will die."

Liao Kong looked at Yan Jing'an and clasped his hands without saying a word. He did not expect that Yan Jing'an would betray Di Ni. Yan Jing'an was the nunnery master of this generation of Cihang Jingzhai trained by Di Ni. How could Liao Kong not say a word? She couldn't figure out why Yan Jing'an betrayed Di Ni.

When Yan Jing'an knew that Kong would not answer her, she drew her sword and attacked Kong.

"Sword Lord Heaven and Earth" boom

"Sword God Wu-I"

Touch! Touch! Touch!

"Jing"Shou""Xu""Wu"

Yan Jing'an and Liao Kong started attacking each other without saying anything. One of them attacked and the other defended. With Yan Jing'an's performance, Cihang Jiandian continued to attack each other. Kong forced back, and Liao Kong just continued to break Yan Jing'an's attacks with both hands. Others around him were forced by their fighting to hurriedly stay away from them. Next to them,

Yuki Onna and the others also fought against the four holy monks. Yuki Onna and Bai Qing'er and Dugu Feng faced off against a holy monk respectively, while the other women used all their

strength to kill the remaining Holy Monk of the Emperor's Heart. They wanted to kill the Holy Monk of the Emperor's Heart quickly when Xue Nu and the others could not hold on. Next to Maqiao,

Su Chen watched the battle between Shi Guanyin and Tian Seng in boredom. Tian Seng was injured by Shi Guanyin in less than three moves.

Shi Guanyin was not polite to Tian Seng at all. This man dared to rob and kill Su. She would not let Chen Chen's old monk leave alive this time.

Su Chen was surprised when he saw Shi Guanyin being kicked away with one kick, and said,"I guess, Shi Guanyin is too fierce, but I like it.""

And Mrs. Ye Di is here torturing Pang Ban alive. Pang Ban, who was already disabled, had no ability to resist in the hands of Mrs. Ye Di. Mrs. Ye Di just beat Pang Ban back and forth with one palm after another. , Pang Ban, who was originally covered in blood, now looks as miserable as a bloody man.

"Cruel, too cruel."

Su Chen's mouth twitched when he saw Mrs. Ye Di pouring all her anger against him on Pang Ban. This Mrs. Ye Di is indeed a bad-tempered woman, but she is really good to him. Mrs. Ye Di is He had never been treated like this before, and even when he was the most angry, he even threatened himself. Su Chen now also fell in love with this duplicitous woman.

Su Chen suddenly found that the Heavenly Sword Song Que and the others in the restaurant had come here. Su Chen looked at these people seeking death speechlessly. There were four strong men in the Heavenly Realm fighting here. Aren't they afraid of being affected?

Su Chen smiled when he looked at Fu Junyu and Fu Junqiang who came to him. asked,

"Little beauties, why haven't you left here yet? Aren't you afraid of danger?"

Fu Junyu smiled when she came to Su Chen. The sisters also saw that the old monk and the alien Pang Ban had been beaten by Su Chen's wives and were unable to fight back. I'm afraid it won't take long for those two heavenly beings to fight back. The enemies in the border will be killed. They have something to ask Wu Xiangjun this time.

Fu Junyu and Fu Junqiang saluted Su Chen and said,

"Isn't Mr. Wu Xiang here? How could anything happen to us with you here?"

Su Chen looked at these two young and beautiful foreign beauties and said with a smile, "I am a useless person now. Didn't you find that I don't have any anger at all now? I can't protect you now"

"Your Majesty, you can't protect us, but your wife can!"

Su Chen was very curious when he looked at Fu Junyu and Fu Junqiang. These two beauties must have something to do when they come to him this time, and the fact that they didn't show up at all made Su Chen confused. Su Chen just told them that Fu Junzhuo He did not promise them anything about his whereabouts.

Su Chen said to Fu Junqiang and the others in confusion,

"What do you want from me?"

Fu Junqiang said to Su Chen with some expectation,

"Your Majesty, can our senior sisters also be your maids?"

Su Chen looked at Fu Junqiang and the others with some confusion.

Why do these two beauties want to be his maids?

Su Chen has several maids now. He is always running around outside. It doesn't matter whether Su Chen has maids or not. But it would be nice to have two very eye-catching beauties.

When Su Chen saw the expectant looks in Fu Junqiang and Fu Junyu's eyes, he wanted to tease them.

"Are you going to be my maid? Haha, I already have several personal maids, I don't need any maids now."

Fu Junqiang immediately said to Su Chen with a pitiful look,

"Your Majesty, isn't our senior sister Fu Junzhuo your maid now? We can do that too. Senior sister and I have no place to go now. Can you take us in?"

"Do you know what it takes to be my maid?"

"Aren't you serving tea and water to serve you in your daily life?"

"Haha, you also have to warm the bed, and even become my concubine in the future. Are you willing to do this?"

"What? How can this be?"

Chapter 434

Su Chen deliberately wanted to see if Fu Junqiang and Fu Junyu would still be his maids after knowing that he was paying attention to them?

He has not yet captured any of Su Chen's maids, including Zi Yun from the Song Dynasty, Wei Zhenzhen and Fu Junzhuo from the Sui Dynasty. Su Chen has not taken action against them, as well as Su Yan's maids A Zhu and A Zhu. Bi, he doesn't have time to take down these two beauties.

Seeing Fu Junqiang's surprised look, Su Chen smiled and said, "What? You don't want to?"

"us.....Have our senior sisters done all this?" Fu Junqiang was very worried when she thought of their senior sister. This Wu Xiangjun is a pervert. I'm afraid the innocence of the senior sister is no longer around Wu Xiangjun.

Su Chen shook his head at Fu Junqiang.

Fu Junzhuo's imperial sister Su Chen is still He didn't get her, but Fu Junzhuo probably wouldn't object to Su Chen doing those things to her. When he goes to Yangzhou in the future, he can find Fu Junzhuo to enjoy the tenderness of the foreign beauty.

"Not yet, I don't have time for your senior sister to do this yet, but if I return to Yangzhou, your senior sister will warm my bed."

"Your Majesty, can my senior sister and I just be your maids? You see, we are still young, so don't let our sisters and brothers do those things."

"Do you think that's possible? You three sisters are all very beautiful, and you two must not forget that your dead master gave you to me. I can treat you how I want in the future."

Fu Junyu has been silent. After listening to Su Chen's words, she knew that they had no ability to regret it. Although Wu Xiangjun was very lustful, he was really good. They had been watching what happened today. Wu Xiangjun was She also knows who he is, and Wu Xiangjun is really good to his women.

When he encounters danger, the first thing Wu Xiangjun thinks of is to arrange for his women to leave, even in the face of powerful enemies He did not abandon his woman and run away alone, which made Fu Junyu have a very good impression of Wu Xiangjun. Fu Junyu looked at Su Chen shyly and whispered, "Your Majesty, we agree."

"Senior sister?"

Fu Junqiang exclaimed in surprise when she heard Fu Junyu's words.

She didn't expect that her senior sister Fu Junyu would agree to be this bastard's concubine, but how could this work?

Fu Junqiang would be very dissatisfied when she thought about being this bastard's concubine in the future. If she becomes his wife That's more or less the same, being a concubine is impossible.

Fu Junyu grabbed Fu Junqiang with a red face and said comfortingly,

"Jun Qiang, please stop talking. Your Majesty is right. Ever since Fu Cailin gave us to Wu Xiangjun, we have become her people. We cannot forget this."

When Fu Junqiang heard Fu Junyu mention that bastard master, she also thought that they were already Wu Xiangjun's people, and they couldn't object to whatever Wu Xiangjun did to them in the future.

Fu Junqiang looked at the smiling people next to her and glared angrily. stared at him

"I see."

Su Chen didn't expect that Fu Junyu would agree, and her reasons for persuading Fu Junqiang were also very sufficient. Seeing Fu Junyu blushing, Su Chen felt that this Fu Junyu was smarter than this little beauty Fu Junqiang.

Fu Junyu and the others are now helpless, Gao Li They can't go back, and wars are everywhere in the Sui Dynasty. If Fu Junyu and Fu Junqiang don't want to be caught by the Jianghu people in the Central Plains, they must find a strong backer.

And Su Chen is now the most powerful in the Sui Dynasty. Fu Junyu and the others wanted to be his women for the nurturing grace of their master, or they wanted to find a backer. Su Chen was the best candidate.

Su Chen directly hugged Fu Junyu's slim waist and lifted her chin and said , "Little beauty, have you really thought about it?"

"I.....I.....I've thought about it"

"what you do? Let go of my senior sister."

After Fu Junyu's shy answer, Fu Junqiang angrily grabbed Su Chen's arm to rescue her senior sister from the arms of this bastard. This bastard is really lawless. They just agreed to be his concubines. , this bastard couldn't wait to do those embarrassing things to her senior sister, which made Fu Junqiang very angry.

Su Chen hugged Fu Junyu and looked at Fu Junqiang like a little tiger and shook his head. This Fu Junqiang is really a little tiger girl, Will resisting herself now be good for her in the future? If Su Chen was really a bad person, I am afraid that Fu Junqiang would be executed on the spot right now.

Su Chen let go of Fu Junyu under Fu Junqiang's pull, but he let go After opening Fu Junyu, he hugged Fu Junqiang and started to kiss her. This little tiger, Su Chen, had to teach her a lesson first, otherwise she might become lawless in the future.

Fu Junyu was dumbfounded as she watched Su Chen kissing her junior sister Fu Junqiang. She did not expect that Wu Xiangjun actually She knew how to kiss her junior sister, but why didn't Wu Xiangjun kiss her? Could it be that she wasn't as cute as her junior sister?

Fu Junqiang stared blankly at Wu Xiangjun who kissed him. She didn't expect that Wu Xiangjun would Kiss him, how could this bastard kiss her? Isn't this wrong? If Wu Xiangjun wants to kiss, he must kiss her senior sister.

Su Chen let go of Fu Junqiang, smiled, touched her red face and said, "Little tiger girl, from now on Be good, otherwise it won't be as simple as kissing you next time"

"you.....you.....You are shameless.

Snapped!

When Su Chen heard Fu Junqiang scolding him, he reached out and slapped his butt. This little tiger seemed to need more training in the future, but with Fu Junqiang as a little tiger girl in the future, Su Chen would not have nothing to do.

When Fu Junqiang saw that Wu Xiangjun, a bastard, dared to slap her butt, she angrily threw herself at Su Chen's body and started slapping her randomly.

I guess this little tiger is really tough!

Su Chen just slapped his butt. Not only did this little tiger girl not avoid him shyly like other women, but now she was angry and wanted to retaliate against him.

Su Chen didn't have such a good figure as this little tiger girl. She was as big as she should be and as perky as she should be. Su Chen couldn't help but pinch Fu Junqiang's big part. Well, it's pure natural. It's not fake.

"Ah, I'm going to kill you."

Fu Junqiang is going crazy now. This bastard dares to bully her at this time. Fu Junqiang immediately grabbed Su Chen's neck and wanted to kill this bastard.

"Jun Qiang, come down quickly, what are you doing?"Fu Junyu didn't expect that Fu Junqiang would dare to jump on Wu Xiangjun's body and pinch his neck. This made Fu Junyu hurriedly pull Fu Junqiang off Su Chen's body.

"Senior sister, let me go. Today I will die with this bastard."

"Fu Junqiang, please be honest with me."

Fu Junyu pulled Fu Junqiang down and controlled her himself. This Fu Junqiang is becoming more and more lawless now. Fu Junqiang will be Wu Xiangjun's concubine in the future, and being kissed now is nothing. Fu Junyu doesn't know why Fu Junqiang is so angry.

"cough! cough! Fu Junqiang, now I am announcing that I am divorcing you. I don't want such a tough concubine."

Chapter 435

Su Chen was very speechless after touching his neck. Why is this little tiger girl so tough? However, this little tiger girl is not without sense. She has no strength to pinch her own neck, and with Fu Junqiang's level of cultivation, she wants to pinch herself. If Su Chen's neck was twisted casually, wouldn't Su Chen become stiff?

Su Chen looked at the little Huniu and smiled. This little Huniu was not mindless. Although Fu Junqiang was very angry, the little Huniu still did not dare to hurt him.

"Shameless, you are a shameless bastard."

Fu Junqiang glared at Su Chen and said angrily.

She has no way to deal with this shameless bastard. In the future, the three sisters will have to rely on this bastard, and they will definitely be this bastard's concubines in the future. Although Fu Junqiang is very unwilling to do so. , but she had no choice.

When Su Chen came to Fu Junqiang and Fu Junyu, he hugged them again and said with a smile,

"Thank you for the compliment. Many people call me that, but the women who call me that eventually become my wife. No man can survive."

"You are so shameless."

This time Fu Junqiang was held by Su Chen and she didn't struggle. She just looked at the blushing senior sister Fu Junyu and shook her head. This senior sister of hers is too gentle, and she will definitely suffer from this bastard woman in the future. These bastard women are each stronger and smarter than the last.

Su Chen kissed Fu Junqiang and Fu Junyu each and said with a smile,

"Haha, whatever you say, if I am shameless, you will be embarrassed too. You must remember that you senior sisters are my concubines."

Fu Junqiang and Fu Junyu had different expressions after being kissed by Su Chen. Fu Junqiang wiped the area where she had been kissed by Su Chen and stared at him, while Fu Junyu lowered her head and blushed, not daring to look at Su Chen. Touch.

"You bastard, you can do it. Shi Guanyin and I are going to fight the enemy, but you feel uncomfortable hugging each other here."

At this time,

Mrs. Ye Di threw Pang Ban next to Su Chen and glared angrily at the bastard. Mrs. Ye Di was originally going to kill Pang Ban, but when she was about to kill Pang Ban, she discovered that Su Chen was a bastard. They were teasing two foreign beauties, which made Madam Ye Di angrily click on Pang Ban's acupuncture point and throw it towards Su Chen. Su Chen was very speechless

when he looked at the bloody Pang Ban next to him. This Pang Ban would not kill him. Does he still keep it for the New Year?

"Let me know, Shui Rou, why did you bring this Pang Ban if you didn't kill him? These two are my future concubines. Don't scare them casually."

"Concubine?"

"Uh-huh."

Mrs. Ye Di didn't care when she heard that these two foreign beauties were the concubines of this bastard. With the title of this bastard Su Chen, it was normal for him to have more than ten concubines.

Mrs. Ye Di felt that the concubines There will be no threat to her in the future, but she couldn't stand it when she saw Su Chen's stinky fart.

"You humph, kill this Pang Ban yourself, I am too lazy to kill this loser now."

Su Chen looked at Mrs. Ye Di who seemed jealous, then patted Fu Junqiang's butt and said,

"Fu Junqiang, go kill this Pang Ban. This is a land immortal in the heaven and human realm. This time you are going to kill a land immortal in the heaven and human realm. Are you excited?"

When Fu Junqiang saw that this bastard was slapping her butt, she stared at Su Chen and said angrily,

"Inglourious Basterds, what am I excited about? Now he's just a chicken that stays, what's there to be excited about."

Su Chen ignored the little tiger girl and looked at Pang Ban, who was glaring at him viciously. Now Pang Ban's acupuncture points were tapped by Madam Ye Di, and his dumb acupuncture points were also tapped.

Su Chen came to Pang Ban and looked Looking at the miserable Pang Ban, he said,

"Pang Ban, you said that you, a national master of Dayuan, did not stay well in Dayuan and insisted on coming against me. Now you are going to die. Do you regret it very much?"

"Moreover, Yan Jing'an will be my woman from now on, and I will treat Yan Jing'an well in the future. You can die in peace, hahaha."

Pang Ban glared at Su Chen angrily. At this moment, he wished he had the strength to kill this bastard. He didn't expect that bastard Wu Xiangjun would have a woman who is a terrestrial immortal in the Heavenly Realm. He really gave in this time.

Pang Ban felt very painful when he thought about Yan Jing'an. He finally met a woman he liked in his life, but this woman was actually taken over by Wu Xiangjun, a bastard. This made Pang Ban want to tear this bastard Wu Xiangjun alive. Peel.

Pang Ban is powerless now. He is a majestic Yuan Dynasty master in the heaven and human realm. He did not expect to die in the Sui Dynasty this time.

"You are such a shameless bastard."

When Mrs. Ye Di saw that Su Chen was still angry at Pang Ban, she looked down on him very much. She had completely destroyed Pang Ban, and her miserable appearance was also her fault. Mrs. Ye Di now wanted to Su Chen, the bastard, quickly killed this annoying guy.

Su Chen ignored Mrs. Ye Di and said to Fu Junqiang, "Fu Junqiang, please give Pang Ban a ride."

"Shameless,"

Fu Junqiang glared at Su Chen and drew out her long sword, slicing Pang Ban's neck with one blow. She didn't like this Pang Ban at all, not to mention that the crippled Pang Ban was completely crippled now, but she was right He didn't care at all about killing this Celestial Realm Pang Ban.

Su Chen looked at some Pang Ban who was still staring at death and shook his head. How could a powerful Celestial Realm land immortal die? It seems that the Celestial Realm land gods are not invincible. Yes, after this incident, he will practice martial arts well. Even if it is for a long life, Su

Chen will practice well. When Su Chen came to Mrs. Ye Di, he touched her hair and said, "Shui Rou, Go and help Shi Guanyin. I want to end today's affairs earlier."

"Well, I get it."

Mrs. Ye Di looked at Su Chen and flew towards Shi Guanyin and Tian Seng. She had just seen that Shi Guanyin had injured Tian Seng, and even now Shi Guanyin was still fighting on top of Tian Seng.

Su Chen saw After taking a look at the situation here, he said to Fu Junqiang and the others, "Fu Junqiang, Fu Junqiang, take my token and go to Dugu Mansion, tell the women at home not to worry, just say that things here will be over soon."

Fu Junqiang hurriedly took Su Chen's token, looked at it, and said with a smile, "Okay, we will notify your women."

Fu Junqiang took Su Chen's token and kept looking at it in her hand. She had no intention of returning the token to this bastard. From now on, she will be this bastard's concubine, and this will be regarded as the order given to her by this bastard. A token of love.

Fu Junyu nodded shyly to Su Chen and hurriedly pulled Fu Junqiang away. She knew what Fu Junqiang was paying attention to. Fu Junyu also wanted a token, but she was not as bold as Fu Junqiang.

I joined in, This little tiger girl won't not return his token in the future, right?

This is not possible, his token is very useful. In the future, let's give each of her and Fu Junyu a blue bird jade pendant. In the secret room of

Dugu Mansion ,

Murong Qiudi and Zhu Yuyan have now completed absorbing the spiritual power of the Suihou Pearl, and these women have also been promoted to the Grand Master.

Among these women, Zhu Yuyan has been directly promoted to the late stage of the Grand Master, and Murong Qiudi has also been promoted to the Grand Master. In the late stage of Grand Master,

Fan Qinghui advanced to the middle stage of Grand Master, while Shi Feixuan and Huan Huan also advanced to the early stage of Grand Master.

Murong Qiudi stretched her perfect figure and said,

"Let's go out. We've been closed for a long time this time. We don't know what's going on outside now. We don't know if something happened to that bastard Su Chen."

Chapter 436

Zhu Yuyan and the others nodded after listening to Murong Qiudi's words. They also knew that there was an undercurrent surging in Luoyang City. Cihang Jingzhai and Jingnian Chanyuan would definitely take action at this time, and Yang Gong's treasure house could not be delayed any longer..

When Murong Qiudi and others came out of seclusion, they found hundreds of women wearing night clothes around them, and each of these women in night clothes knelt down on one knee towards Murong Qiudi.

A woman in black saluted Murong Qiudi and said, "Deputy Commander of the Shadow Assassins, Youxue has met Mrs."

"Shadow Assassin? I know you, why are you here? Aren't you protecting my husband?"

Youxue hurriedly told Murong Qiudi about the danger Su Chen encountered in the restaurant and Su Yan's plan, "Tell Madam, something happened to the master now. The restaurant next to Yuanma Bridge....."

"What? How could such a thing happen? A terrestrial immortal in the heavenly realm? Two more appeared?"

Murong Qiudi did not expect that such a thing would happen when they were in seclusion. She was also very worried about Su Chen, but she also knew about Su Chen's ability. As long as Su Chen wanted to escape, I am afraid that even the land gods in the heavenly realm would not be able to stop him. He, Murong Qiudi wants to be that bastard right now

"Let's go and rescue Su Chen."

Zhu Yuyan hurriedly took Huanwan to sue Su Chen. She didn't want anything to happen to Su Chen. Although she couldn't deal with the land gods in the heavenly realm, she would die with Su Chen even if she died. The same goes for Fan Qinghui. She was very worried. That bastard Su Chen had stolen her heart. If Su Chen was killed, Fan Qinghui might go crazy.

"Well, we can't wait any longer now, it's important to save Su Chen."

Hanwan and Shi Feixuan were also very anxious. They originally wanted to show off to Su Chen that they were great masters, but they didn't expect such a thing to happen. They were also anxious to save Su Chen immediately.

Murong Qiudi thought about it and hurriedly stopped Zhu Yuyan and the others and said,

"Wait, now we probably can't save your husband even in the past. You should know your husband's teleportation ability. As long as your husband wants to escape, even the land gods in the heaven and human realm can't do anything to him."

"There is also the female celestial realm master who is helping my husband. We don't have to worry about your husband. We have to rescue Su Yan now. The strength of those women is a bit low."

"I'm afraid those women won't be a match for the powerful enemies of Jing Nian Chan Yuan and Cihang Jing Zhai, and I'm afraid the troops in Jing Nian Chan Yuan won't be able to deploy. Let's go rescue Su Yan and those women first."

Zhu Yuyan thought about it and felt that they could not help much in the past. She also knew about Su Chen's ability. Since nothing would happen to Su Chen, they might as well rush to rescue Su Yan.

Zhu Yuyan nodded and agreed with Murong Qiu Ogi's suggestion, "It makes sense, then go to Jing Nian Zen Temple. Today we will destroy Jing Nian Zen Temple."

Although Fan Qinghui is still worried about Su Chen, she also knows about Su Chen's weird abilities and knows that nothing will happen to Su Chen. "Huh, I hope nothing happens to that bastard. Then we'll set off to Jingmian Chanyuan."

Shi Feixuan and Huanwen also breathed a sigh of relief. They had forgotten Su Chen's ability just now, and now they are not as worried as before.

At this moment, a shadow assassin suddenly appeared in front of Murong Qiudi. said in front of him,

"Madam Qi, there are two foreign women outside looking for Madam with your token."

"let them come"

""Yes, madam,"

Zhu Yuyan said with some confusion,"Two foreign women came over with Su Chen's token. Did something happen at the Leaping Horse Bridge? Fan

Qinghui frowned and thought for a while before saying,

"Probably not? Su Chen should be fine now, otherwise he wouldn't have given his token to two foreign women and asked them to come to us."

Huanhan looked at Zhu Yuyan and said hurriedly,"Master, could it be that Su Chen asked them to deliver a message to us?"

"It's possible."

Murong Qiudi looked at Zhu Yuyan and the others and nodded.

"Then let's wait and see what these two foreign women do when they come to us?"

"Okay."

After a while, Murong Qiudi and the others saw two foreign beauties being brought over by the shadow assassins. When Murong Qiudi and the others saw these two foreign beauties, their faces became a little ugly. They all guessed that these two foreign beauties must be related to The relationship with that bastard will not be simple.

Fu Junqiang and Fu Junyu were very shocked when they saw the five powerful women in front of them. They had never seen these five powerful women in the restaurant. How many women did that bastard Su Chen have?

Fu Junyu But they felt that the terrifying aura exuded by these five powerful women was exactly the same as that of Fu Cailin. These women were all great masters. How could that bastard Wu Xiangjun have so many great master wives? This made Fu Junqiang, Fu Junyu and the others It's impossible to guess.

Fu Junyu and Fu Junqiang bowed to Murong Qiudi and the others and said,

"Ladies and gentlemen, Wu Xiangjun is fine now. He told you not to worry. One of the two enemies of the land immortal in the heaven and human realm has been killed, and the remaining land immortal in the heaven and human realm will probably be killed soon."

Murong Qiudi and the others were very surprised when they heard Sister Fu Junqiang's words. They were the top masters in the mainland.

How did Su Chen and the female celestial realm master kill a terrestrial immortal in the celestial realm?

Murong Qiu and the others felt This seemed like a dream.

Murong Qiudi hurriedly asked Fu Junqiang and the others,"A land immortal in the heavenly realm was killed?" Will the rest be killed as well? What happened?"

After hearing what Murong Qiudi said, Fu Junqiang hurriedly told Murong Qiudi and the others what happened in the restaurant. Fu Junqiang even told them some details clearly. After hearing what Fu Junqiang said, Murong

Qiudi He frowned and said,

"Mrs. Night Emperor? This Mrs. Ye Emperor should be the woman of Emperor Ye of the Ming Dynasty, but how could the woman of Emperor Ye of the Ming Dynasty help her husband? We all know that Shi Guanyin is the husband's woman. Shi Guanyin, who didn't think about it, rushed over in time."

"Phew, it's good that nothing happened to that bastard Su Chen. With Shi Guanyin here, we don't have to worry about that bastard's safety. I'm afraid Su Chen will have to explain to us the matter of Mrs. Ye Di later. Fan

Qinghui said hurriedly to Murong Qiudi and the others, "Well, let's go rescue Su Yan quickly. I'm worried about the safety of that girl Su Yan."

Fan Qinghui was relieved when she heard that Shi Guanyin had arrived. Shi Guanyin was a very powerful master of the Heavenly Realm. If Bai Ruobing also arrived at this time, then they would not have to worry about the safety of that bastard Su Chen.

"Let's go, today we will destroy Jing Nian Chan Monastery first."

Murong Qiudi is also worried about Su Yan's safety. Now that the crisis at Su Chen's place has been resolved, they can rest assured to rescue Su Yan and the others.

Whoosh! Whoosh! Whoosh! Whoosh! Whoosh!

As Murong Qiudi finished speaking, Murong Qiudi and the others quickly disappeared in front of Fu Junqiang and Fu Junyu, and the surrounding shadow assassins also disappeared in front of them one by one.

"Senior sister? How many powerful women does that bastard Wu Xiangjun have? These women are all great masters. What will we do in the future?"

"I don't know, we will know this later, but why did they say they were going to rescue Su Yan? Isn't Su Yan the little girl who appeared in the restaurant? She seems to be Wu Xiangjun's daughter. Did something happen to Wu Xiangjun's daughter?"

Chapter 437

Fu Junyu and Fu Junqiang started talking to each other speculatively when they saw Murong Qiudi and the others disappearing quickly. They didn't know what happened to Wu Xiangjun's daughter Su Yan.

Murong Qiudi and the others were going to the Jing Nian Zen Monastery to rescue Su Yan, and they could only wait here for news about Murong Qiudi and the others. After all, Fu Junqiang and Fu Junyu were only at an innate level of cultivation, and they would not be able to help much even if they went.

In the Jing Nian Zen Monastery, the place is now full of swords and swords. Yan Jing'an and Liao Kong are fighting in the middle of the square of the Jing Nian Zen Monastery. The Snow Maidens and the others are also entangled and fighting with the Four Saints, and the dark guards and the Netherworld Cavalry are fighting. Attacking the ordinary monks in Jingnian Temple, the Luoyang City Guards also shot and killed the monks in Jingnian Temple not far away, and the shadow assassins continued to assassinate the nuns in Cihang Jingzhai.

Shi Qingxuan saw Xue Nu and the others struggling to hold down the other three holy monks and said anxiously,

"We need to deal with Monk Di Xin quickly, otherwise Yuki Onna and the others will be in danger."

"Qin Mengyao, Le Bingyun, you are the strongest among us, and you are the main attacker. We will look for opportunities to kill Emperor Xin Bald Donkey."

Shang Xiuxun frowned and felt a little helpless. Monk Emperor Xin of Jing Nian Temple was indeed very powerful. The six of them dealt with Emperor Xin Bald Donkey together for so long without killing him. This made Shang Xiuxun very anxious..

Xue Nu and the other three may not be able to hold on for long. If Xue Nu and the others fail and the four holy monks unite to form a formation, then none of these women may survive.

Qin Mengyao is also a little anxious now. She doesn't want to come and fight this time. Jing Nian Chanyuan was right, but she had to listen to Yan Jing'an's orders, and there was also a terrestrial immortal and heavenly monk in the heavenly and human realm.

These women were really crazy.

Qin Mengyao looked at the battle with Kong Zhuang Yan Jing'an couldn't figure out how their master could become that bastard woman Wu Xiangjun.

After hearing Shang Xiuxun's words, Qin Mengyao nodded and said to Le Bingyun,

"We know, Bingyun, our main attack"

"Okay, senior sister."

Le Bingyun didn't think so much. She didn't have any objections to the attack on Jingnian Zen Monastery this time. As long as it was something ordered by Master Yan Jing'an, she would do her best to complete it.

However, the relationship between Master and Wu Xiangjun made it difficult for her to do so. She couldn't figure it out no matter what. The master was not threatened now. Could it be that the master was really in love with that pervert Wu Xiangjun? When

Emperor Xin saw these women attacking him desperately, he also started to fight twelve times. Monk Emperor Xin had enough energy to fight against these powerful women. Monk Emperor Xin just hoped that other brothers could quickly deal with those women to help him.

Pfft, cough, cough. At this time, Monk Wisdom had defeated Dugu Feng step by step, and Dugufeng was also seriously injured. Although Dugufeng practiced with the wise monk, The realm is the same, but after all, she has just advanced to the late master level.

At this time, the wisdom monk's weapon Zen staff also shattered Dugu Feng's long sword. Dugu Feng was accidentally knocked away by the wisdom monk using his Zen staff.

Later, Monk Zhizhi did not go after Dugu Feng, but went to help Monk Jiaxiang and Monk Yanhua, while Xue Nu and Bai Qing'er also fell to the ground after being injured by them.

At the gate of Jing Nian Zen Monastery, Su Yan saw that Dugu Feng, Xue Nu, and Bai Qing'er failed to contain the other three monks. Su Yan quickly ordered the Netherworld Cavalry and the Luoyang City Guards to rescue Xue Nu and the other three.

"Archers, shoot the three monks with their broken crossbows."

Swish, swish, swish.

When Jiaxiang saw the archers shooting at them, he knew that it would not be easy to kill the three women. And Emperor Xin was now surrounded by six or seven women. They also had to rescue them quickly.

Jiaxiang used his inner strength to shatter the bow and arrow he shot and said to Yan Hua and others next to him,

"Yan Hua, Wisdom, let's go and make peace with the emperor's heart first"

"good"

"Save Emperor Xin first, and we will join forces to kill these women later."

Su Yan looked at the three monks who were going to rescue Monk Emperor Xin and knew that they were going to fail this time. Su Yan looked at Monk Emperor Xin who was about to be killed and was very unwilling. If Xue Nu and the others continued to pester If you live with the other three monks for a quarter of an hour, you can probably kill one of the four holy monks.

Su Yan clenched his fist and looked at the shadow assassin next to him who was fighting Cihang Jingzhai. The battle here was also in a stalemate. Now, four of the ten masters of Cihang Jingzhai have been assassinated, and the remaining six masters and nuns are carefully preventing the assassinations of the shadow assassins back to back. The four charms of the Yinkui sect and the people of the Yinkui sect are They were confronting the ordinary nuns from Cihang Jingzhai. After all, these ordinary nuns did not participate in the fight. The Yinkui faction also listened to Su Yan's order and just kept an eye on them. After seeing this situation, Su Yan hurriedly ordered,

"Come on, blow the trumpet and retreat"

"Yes, Princess."

Woouoooooo

Shang Xiuxun and the others are fighting Monk Di Xin here. Now Di Xin can't hold on any longer. As long as they attack Di Xin for a while longer, they will kill Di Xin.

But at this moment,

The army's horn sounded. Shang Xiuxun turned around and found that Xue Nu and the others had failed. Fortunately, they were saved.

Shang Xiuxun hurriedly shouted to Qin Mengyao and Le Bingyun who were in front,

"Qin Mengyao, Le Bingyun, we retreat."

Qin Mengyao and Le Bingyunda hurriedly retreated from the battle with Emperor Xin after hearing Shang Xiuxun's words. When they looked at Xue Nu who was retreating under the protection of the army, they knew that Xue Nu and the others had failed to contain the other three monks.

Yan

Jing'an and Liokong each slapped each other and separated. Yan Jing'an also knew something was wrong when she heard the sound of the horn. She hurriedly withdrew without continuing to entangle with Monk Liokong.

Su Yan looked at it. When they saw the rescued Yuki-onna, they hurriedly supported her and asked,

"Auntie, are you okay?"

Xue Nu wiped the blood from the corner of her mouth and said unwillingly, "It's okay, it's just that the injury was a bit serious, but the outside operation failed this time."

Bai Qing'er covered her injured shoulder and said angrily,

"cough! cough! These bald donkeys are too powerful. We, the newly promoted masters, are no match for them. We were careless this time."

"Yes, these old masters are not something we can deal with now, and our combat experience is not as good as theirs."

Dugu Feng sat on the side with blood on her chest and said helplessly.

She was very seriously injured this time. The wise monk's Zen staff hit her chest hard. If she hadn't been wearing the inner armor of the Dugu family, I'm afraid she would have died. Fallen.

Shi Qingxuan and Yan Jing'an also retreated to the gate, while the Nether Cavalry and the Dark Guard re-arranged defenses in front of Su Yan and the others, and the Shadow Assassins also stopped assassinating the remaining six master nuns of Cihang Jingzhai.

"What do we do now?"

Song Yuhua asked helplessly as he looked at the women around him.

Yan Jing'an was very angry now. If he didn't take down the Jing Nian Temple this time, he might not be able to attract the Heavenly Monk. The Heavenly Monk wouldn't be able to attract him. I was afraid that something would happen to Su Chen.

Yan Jing'an looked at Xue Nu and the others and said seriously,

"Let all the troops rush over, and we will join them. No matter how high the price is, we will take down Jing Nian Monastery."

Shang Xiuxun looked at the square of Jingnian Temple, shook his head and said,

"But the place here is too small. The square of Jing Nian Zen Monastery can only accommodate two to three thousand people at most. Even if an ordinary army rushes over, it will probably be useless."

"Then three thousand troops and three thousand troops will rush over and kill the monks here at the expense of human lives. We have no time now. If we delay it any longer, I'm afraid Su Chen will be in real danger."

Chapter 438

Yan Jing'an didn't want to wait any longer. Su Chen was in a very critical situation now. It had been more than an hour since she left Su Chen's place. Yan Jing'an also knew that she couldn't delay any longer, in case Mrs. Ye Di really If Su Chen can't be protected, then Su Chen will be really in danger.

Yan Jing'an also knew that asking the army to die would probably not work, but this was also the last resort. Even if all these women died in battle, they might not be able to take down Jing Nian Monastery. Liao Kong and the four holy monks were very powerful. These women have already failed once, and Yan Jing'an and the others don't have much time left.

Shang Xiufang was dumbfounded when she heard Yan Jing'an's words and hurriedly objected, "No, this is asking those ordinary troops to die. We can't do this."

Shang Xiufang did not expect that this woman would be so vicious, although Shang Xiufang knew that she saved Su Chen is eager, but Yan Jing'an can't do this at the cost of human lives.

The square of Jingnian Chanyuan is so small that the army can't move in. It's too vicious to rely on the lives of the army to consume the monks in Jingnian Chanyuan. , Shang Xiufang will not let such a thing happen.

Shi Qingxuan also shook his head and objected, "I don't agree either. Doing this may cause a mutiny in the army."

Bai Qing'er stood up and said to Yan Jing'an and Xue Nu, "I agree, as long as the Heavenly Monk can be removed from the leap No matter how many troops we attract from Maqiao, it's worth it."

Bai Qing'er doesn't care how many troops will die this time, as long as she can kill Lord Wu Xiang, Bai Qing'er doesn't care even if the army here dies, she only wants Lord Wu Xiang If they can come back safely, they will not hesitate even if all the people here die.

The other women who didn't express their opinions didn't know whether to support or oppose. Although they were eager to save Su Chen, they couldn't bear to sacrifice the army to save Su Chen. But if they didn't do this, I'm afraid Su Chen would really die at Yuanma Bridge. will be killed by the heavenly monk.

Xue Nu thought for a while and objected, "Huh, we can't do that. If we do this, I'm afraid he will blame us if we rescue Su Chen."

Su Yan listened to the conversation between Yan Jing'an and the others and looked at Jing Nian Chanyuan. Those monks and nuns.

There were less than 200 monks and more than 100 nuns left in the square of Jingnian Zen Monastery. With these more than 300 masters, Su Yan, who had an army of 70,000, was helpless.

If this were on the battlefield, these troops would have wiped them out long ago, but now they are in Jing Nian Chanyuan. The place here is too small. The army cannot display military formations here. If the number of troops is small, they will die.

Only archers are of some use here. Su Yan cannot use human lives to consume the monks and nuns in Jing Nian Monastery, and she has no cruelty in her heart.

On the other side of the square of Jing Nian Zen Monastery,

Liao Kong and the four holy monks, along with the warrior monks and Cihang Jing Zhai's people, were vigilantly observing the women and troops on the opposite side.

This time, Jing Nian Zen Monastery also suffered heavy losses. If the people here The army came here regardless of life and death, and I'm afraid everyone here will die here.

Monk Yan Hua looked at the injured monks and asked worriedly, "Di Xin, do you think those women will attack again?"

Monk Di Xin looked at his injured left arm and affirmed,

"Yes, maybe they will let the army take the lead in a while to consume our internal strength. These women wanted to kill us one by one from the beginning. They failed last time. I am afraid they will send out the army soon."

"The people who went to notify the ancestors didn't know whether the notice had arrived. If the ancestors were there, these army ancestors wouldn't care."

"Get ready, those women will take action again soon. This time we must kill a few of them to make them retreat."

While the four holy monks were talking, the master of Cihang Jingzhai had already killed several nuns. This time, more than a hundred nuns in the innate realm of Cihang Jingzhai did not take action. This made the master's nuns start Killing the chicken to scare the monkey.

At this moment,

Liao Kong suddenly became nervous. He felt that five powerful masters were coming. He didn't know whether these people who were coming were enemies or friends.

Liao Kong waved his hand hurriedly. After stopping the four holy monks who were talking, the four holy monks saw the expression of Master Kong and knew that another master was coming. They hurriedly ordered the people of Jingnian Zen Temple and Cihang Jingzhai to prepare.

Yan Jing'an also Sensing the auras of the five great masters, she said to the Snow Maidens and the others with a serious expression,

"There are powerful masters coming, you should be careful."

Xue Nu and the others hurriedly became vigilant after hearing Yan Jing'an's reminder. They did not expect that their attack on Jing Nian Monastery would be so unsuccessful this time, and they did not know this time. Those who came were from that force. When Su Chen saw Madam Ye Di joining the battle between Shi Guanyin and Tian Monk at Yuan Ma Bridge

, Tian Monk had no ability to resist. Su Chen saw that Tian Monk kept trying to escape but was intercepted by Shi Guanyin. When they came down, the Heavenly Monk was already a trapped beast still fighting. Madam Ye Di and Shi Guanyin joined forces and the Heavenly Monk could not escape no matter what.

Su Chen looked at the continuously injured Heavenly Monk and thought, "The Heavenly Monk is finished, how about we destroy him today?" What about Jing Nian Zen Monastery? But if Jing Nian Zen Monastery is destroyed, I am afraid that no one in Yang Gong's treasure house can stop the Demon Sect. Do you want me to send people to kill those Demon Sect masters again?"

Su Chen thought about it and decided to kill the heavenly monk and then discuss it with the girls. This matter is not a big deal.

Su Chen now has two masters in the heavenly realm, whether it is the Demon Sect or Cihang Jingzhai. and Jingnian Chanyuan, they are all lambs to be slaughtered, and it is easy to destroy them.

When Su Chen was watching Mrs. Ye Di and Shi Guanyin torture the heavenly monk, Song Que, the heavenly sword, brought Gao Zhong and Xu Ziling to him Next to him,

Heavenly Sword Song Que came to Su Chen and said with a complicated expression,

"Mr. Wu Xiang, we are about to go back, but my daughters Song Yuhua and Song Yuzhi hope that you can let me take them away."

Su Chen smiled when he heard what Song Que said. Song Yuhua can't be taken away by Song Que. She will be his woman from now on. If Song Que takes Song Yuhua away for marriage, Su Chen will be afraid and can't help but destroy her. Song Que.

But Song Que can let Song Yuzhi take that little pepper away, but he doesn't like Song Yuzhi.

"Haha, Lord Song, you can take Song Yuzhi away, but Song Yuhua cannot be taken away. Song Yuhua is my woman now, so I ask Lord Song to make it happen."

Song Que stared at Su Chen and wanted to beat this bastard. Although he had guessed that this bastard would not be able to help but want her daughter, he did not expect that this bastard would shamelessly say so.

But then he didn't count. Is he the father-in-law of this bastard?

This bastard doesn't seem to want to call him Yue Fei?

Could it be that he let Wu Xiangjun know about his plan to marry Song Yuhua and Duzunbao again?

Song Que thought about it and shook his head,

Wu Xiang Jun, this bastard, will be considered his son-in-law from now on, and Wu Xiangjun's hundreds of thousands of troops have already begun to fight. The

Luoyang army has begun to destroy Wagang Village, and the Yangzhou army may also be dispatched.

Du Du from the Jianghuai Army Isn't Fuwei in danger?

Kou Zhong and Xu Ziling will probably be Su Chen's enemies in the future. Unless Du Fuwei of the Jianghuai Army can surrender to Lord Wu Xiang, Song Que wonders if Song Yuzhi still wants her to marry Kou Zhong

? Que shook his head and stopped thinking about these things for the time being. Now he wanted Wu Xiangjun to give his daughter a title.

"Mr. Wu Xiang, I don't have to ask about the matter between you and my eldest daughter, but should you marry my daughter openly? What you are doing now is very inappropriate."

Chapter 439

Su Chen shook his head.

Heavenly Sword Song Que was just afraid that he would not give Song Yuhua a status.

How could this be possible?

Su Chen had never thought about it this way, but now that the Song Dynasty and the Sui Dynasty were at war, he was also planning to marry all his women in style after unifying the Southern Continent.

"Lord Song, don't worry, I will marry your daughter Song Yuhua, but not now. When I unify the Southern Continent, I will give Song Yuhua a title."

Song Que was very surprised after hearing Su Chen's words. Although he knew that Lord Wu Xiang had begun to use troops in the Sui Dynasty, he did not expect that Lord Wu Xiang had such a big appetite. You must know that in the Southern Continent, apart from the Song Dynasty and the Sui Dynasty, In addition, there are many foreign countries. From ancient times to the present, no country can unify the Southern Continent. Why does Lord Wu Xiang have such courage to unify the Southern Continent? Song

Que said to Su Chen with a dark face when he thought of this,

"Mr. Wu Xiang, if you fail to unify the Southern Continent in more than ten years, will you not marry my daughter in more than ten years? If this is the case, I will not let my daughter follow you without any reason."

Su Chen heard what Song Que meant. He was probably afraid that he was playing tricks on his daughter and had no intention of marrying Song Yuhua.

Su Chen smiled and said,

"Within three years, I will definitely conquer the Southern Continent, and I will marry your daughter within three years."

Song Que nodded when he heard Su Chen's promise. Three years is not long. If Lord Wu Xiang can really conquer the Southern Continent within three years, his daughter will be a concubine of the empire. In this way, the Song family will also be considered a relative of the emperor.

Song Que wanted to declare now that the Song clan would fully support Lord Wu Xiang in the future, but when he looked at Kou Zhong and Xu Ziling who looked ugly next to him, Song Que wanted to give up on his plan to tell Lord Wu Xiang today.

After all, Kou Zhong and Xu Ziling wanted them to be a local force in the Sui Dynasty. Although Song Que was very optimistic about Kou Zhong, Kou Zhong was not the leader of the Jianghuai Army. If Kou Zhong was the leader of the Jianghuai Army, Song Que might support Kou Zhong..

Although Lord Wu Xiang is very powerful, he is too carefree. Song Que feels that something will happen to Lord Wu Xiang in the future.

Each of his women is more powerful than the other, and conflicts may break out in the future. If Lord Wu Xiang cannot be comforted, Those women of his.

Even if he conquered the Southern Continent, I'm afraid his empire would be torn apart by his powerful women.

Song Que shook his head when he thought of this.

Song Que felt that he was thinking too much about the future. Who knows how things will change. Now his daughter is the woman of this bastard. This is an unchangeable fact. Song Que can only fully support this bastard. Song Que doesn't care what

Kou Zhong and Xu Ziling think now. , even his youngest daughter Song Yuzhi didn't intend to let her leave with him. Anyway, this bastard already wanted one of his daughters. If

Wu Xiangjun, this bastard, fell in love with her little daughter, he probably wouldn't let her go. Song Que felt that it was better to let nature take its course.

Song Que looked at the bastard Su Chen and said seriously, "Wu Xiangjun, please remember your words. The Lingnan Song clan will fully support you in the future. This time I will No more participating."

Kou Zhong and Xu Ziling are very uneasy now. Lord Wu Xiang will begin to unify the southern continent today, and Lord Wu Xiang of the Sui Dynasty has already dispatched troops to start the campaign.

Then aren't their Jianghuai Army also among Lord Wu Xiang's attack targets? Now that the Song Dynasty has also turned to Lord Wu Xiang, isn't Lord Wu Xiang's power even more powerful?

Gao Zhong and Xu Ziling wanted to leave immediately. They quickly told their adoptive father Du Fuwei the news and asked him to take precautions. Yangzhou City Wu Xiangjun's army.

Su Chen was a little surprised after hearing Song Que's words. He did not expect that Song Que would support him. Su Chen thought that the Song clan had begun to support Kou Zhong and Xu Ziling. It seems that Song Que thought that Kou Zhong and Xu Ziling have not yet taken control of the Jianghuai Army, and he has not married Song Yuzhi and Kou Zhong.

Su Chen did not expect that he could gain a powerful force by marrying a wife. The dowry was quite large.

"Thank you Lord Song"

"Kou Zhong and I left. If you have anything to do in the future, you can send someone to inform me. I will prepare the Song clan's troops and supplies for you in the future."

After Song Que finished speaking, he nodded to Su Chen and left with Kou Zhong and Xu Ziling.

Su Chen looked at Song Que leaving and felt that he had forgotten Song Yuzhi.

Didn't Song Que just take his little daughter Song Yuzhi with him? Are you leaving?

Why are you leaving now without mentioning his daughter Song Yuzhi?

Su Chen thought about it and ignored it. Anyway, it doesn't matter that Little Pepper is here. His women are smarter and more powerful than each other. Song Yuzhi is here too. Can't turn the world upside down.

At this time,

Madam Ye Di and Shi Guanyin also killed the Celestial Monk. Su Chen breathed a sigh of relief when he saw Shi Guanyin blowing up the Celestial Monk's head with one palm. Today they killed two Celestial Beings. This is something Su Chen never dared to think about.

After Shi Guanyin and Mrs. Ye Di returned to Su Chen, Shi Guanyin hugged Su Chen's arm and said with a smile,

"Husband, the Heavenly Monk was also killed. There is nothing going on here anymore. Let's leave."

Shi Guanyin's time is running out. If she wants to hand herself over to this bastard as soon as possible, she must leave Sui Dynasty immediately. Otherwise, if the pervert Jellyfish Yinji discovers her traces, I'm afraid she won't be able to leave, and she may even be killed. Su Chen brings danger

"Okay, let's go back to Dugu Mansion first."

Su Chen hugged Shi Guanyin and kissed him. Thanks to Shi Guanyin coming here today, otherwise Tianseng, Pang Ban, he and Madam Yedi would have been really difficult to deal with, and they would even give up Luoyang and run away.

""Shameless"

Mrs. Ye Di was in a very bad mood when she saw Su Chen kissing Shi Guanyin. Didn't this bastard see that she also contributed? Mrs. Ye Di now feels that she is a redundant person here. Bang

Su

Chen He slapped Mrs. Ye Di on the buttocks. He looked at Mrs. Ye Di whose face turned red immediately and said threateningly,

"Shui Rou, if you scold me again, be careful I will execute you on the spot."

Mrs. Ye Di didn't expect that this shameless bastard would dare to spank her, which made Mrs. Ye Di angrily and wanted to beat this bastard.

"You shameless bastard, how dare you hit me? Su

Chen hugged Mrs. Ye Di and said with a smile, "Haha, why don't I dare to hit you?"

"Let me go, you bastard, you're dead this time." Mrs. Ye Di said as she was about to struggle out of this bastard's arms. However, Mrs. Ye Di did not use her internal strength. She was also worried that her strength would hurt this bastard.

Su Chen held Mrs. Ye Di tightly but would not let go. Come on, he has to completely tame this grumpy Mrs. Ye Di this time, otherwise she may lose her temper at every turn in the future.

Chapter 450

Su Chen looked at Mrs. Ye Di who was leaning in his arms with a blushing face and smiled at her. Su Chen didn't expect that Mrs. Ye Di was really passionate about him, which made Su Chen feel a little incredible.

"Shuirou, will you stay here from now on?"

Stay?

This bastard asked her to stay?

Mrs. Ye Di leaned in Su Chen's arms and was very happy when Su Chen asked her to stay. This bastard now knows how good she is to him.

Mrs. Ye Di thought this bastard before Will you understand her feelings for him? Now it seems that this bastard has figured it out.

Mrs. Ye Di smiled and nodded. This time, Mrs. Ye Di felt that she had found happiness. She hoped that this bastard would not let her leave sadly in the future.

Ye Di. Madam Emperor also felt that she was getting into trouble this time by coming to settle accounts with this bastard Su Chen. The person she was going to kill actually fell in love with this bastard.

Madam Ye Di looked at Su Chen with bright eyes and smiled. Said, "You are so shameless. I haven't agreed to stay."

"Haha, do you think you can still run? My lady Shuirou."

Su Chen smiled when he saw Mrs. Ye Di who was still trying to quibble. This Mrs. Ye Di has already fallen in love with him, and now she is so stubborn that she doesn't want to admit it. However, this kind of Mrs. Ye Di is also very cute.

"I....."

Mrs. Ye Di originally wanted to refute this bastard, but she really fell in love with this bastard. Mrs. Ye Di's face turned red and she was very helpless towards this bastard.

Su Chen interrupted Mrs. Ye Di without letting her finish her words and said,

"What are you? From now on, you must listen to my words and obey your husband when you get married. You are not allowed to refute my words from now on."

"Don't even think about it, you bastard."

Mrs. Ye Di couldn't bear what this bastard said, and what did this bastard say to her about getting married and obeying her husband?

Did he think she was one of those ordinary women?

She was a majestic land deity in the heavenly realm, but she just stared at her in anger. Su Chen wanted to object, but when she saw the tender look on Su Chen's face as he looked at her, Mrs. Ye Di's angry look disappeared instantly.

Shi Guanyin looked at Su Chen and Mrs. Ye Di speechlessly. Two shameless people are flirting with each other here. You must know that there are some sneaky people around who are checking this place.

Shi Guanyin shook her head and used her momentum to intimidate the people hiding around. If they don't leave here, she will not do anything. Kill them without hesitation

"Let's go, we can't stay here anymore, or we will die"

"Get out, get out of here quickly"

"Get out of here, get out of here, we have been warned, if we don't leave, those two land gods will kill us.".....

The men and horses of various forces hiding around them all came out of their hiding places and fled here quickly. They knew the power of the two women in the Heavenly Realm next to Wu Xiangjun. If they didn't know what to do, they would stay to check. None of them will be spared and will be killed.

Just when Su Chen was kissing Mrs. Ye Di, the system suddenly prompted Su Chen,

"Ding, one month is up, does the host want to receive this month's gift pack?"

I guess one month has arrived so soon?

This gift package came at the wrong time. Didn't the system see that he is busy now?

Su Chen thought that he was lucky that he let the system remind him, otherwise he would definitely forget to receive this month's gift package. gift pack

"receive"

"Ding, congratulations to the host for getting a gift package. Will the host open the gift package?"

"Open the gift bag"

"Ding, congratulations to the host for getting: Huangdi Neijing (immortal), World Passage (remnant), one Tianxin Pill, ten red fruits, three hundred shadow assassins, one hundred thousand elite troops, and five years of weapons, equipment, and food supplies for the one hundred thousand troops.."

Holy crap!

This time it's a big explosion!

The Yellow Emperor's Internal Classic is an immortal-level kung fu, and it's also a kung fu in the mythical world. This kung fu is very powerful. Do you want to learn from Emperor Xuanyuan?

Su Chen thought about it. Forget it, this technique is so awesome that Su Chen is afraid that his kidneys will not be able to bear it, and Su Chen cannot imitate Emperor Xuanyuan. Su Chen is very systematic and will definitely unleash powerful elixirs and spiritual powers in the future. Sure enough, it would not be too difficult for him to become an immortal.

He did not check the remaining items now. Now that the beautiful Madam Ye Di was still in his arms, he did not bother to check those items now.

Su Chen lowered his head Looking at the shy Mrs. Ye Di, she thought that Mrs. Ye Di was really her lucky star. From now on, she would thank Mrs. Ye Di. Mrs.

Ye Di felt a little shy when she saw the way Su Chen looked at her, but she She was also very happy. She didn't expect that Su Chen would like her so much. It seemed that her charm was the same as before. Mrs. Ye Di leaned in Su Chen's arms and smiled happily.

Su Chen let go of Mrs. Ye Di and hugged Shi Guanyin. He smiled and said, "Haha, madam, you are really my lucky star."

Shi Guanyin was very confused when she was hugged by Su Chen. Just now she and Mrs. Ye Di killed Tianseng and they didn't see this bastard happy. But at this time, he thought of something. How could he be happy?

"Husband, why are you so happy?"

Mrs. Ye Di looked up at Su Chen with her face flushed. She also felt that this bastard was in a very good mood now, but she didn't know if Su Chen's happiness had anything to do with her.

Su Chen smiled and hugged her. Zhu Shi Guanyin and Mrs. Ye Di each kissed each other and said, "Haha, madam, of course I am happy to get another beautiful and glamorous wife, and Mrs. Shui Rou is a lucky star."

Shi Guanyin was very speechless when she saw Su Chen's happy look. This bastard is a bastard. She doesn't know why this bastard is so popular with women. There seems to be no beautiful woman that this bastard can't deal with.

"You are so shameless."

Mrs. Yedi was a little embarrassed by what Su Chen said, and this bastard didn't know how to restrain herself. Although she had decided to be with this bastard, she was not his woman after all.

And this bastard said that she was What kind of lucky star?

What the hell is this?

Is she some kind of lucky star?

Madam Ye Di doesn't think she is very lucky, oh!

No, maybe it's her luck to meet this bastard Su Chen.

Madam Ye Di looks a little happy Looking at Su Chen, she hoped that Su Chen would treat her well in the future and not let her be disappointed and sad in the future.

Su Chen looked at the items in the system space and wanted to go back and check.

What is that world passage?

Is it a tunnel ? Is it a passage to another world?

And why is the world passage incomplete?

Is the world passage an incomplete passage? Su Chen needs to go back and find out about these.

Su Chen hugged Mrs. Ye Di and Shi Guanyin and smiled, He will not tell Mrs. Ye Di and Shi Guanyin about his systematic affairs. These are his secrets and he will not reveal them to anyone.

"Let's get out of here. Yuki-onna and the others should be very worried about us."

"Well, it's time to go back."
