### Chapter 451

Mrs. Ye Di was very helpless when she saw that this bastard Su Chen was still doing tricks on her. This time she wanted to go back to see this bastard's daughter and those women.

Mrs. Ye Di was also a little nervous.

This was no different than when she didn't care about Su Yan in the restaurant. Now that she was Su Yan's aunt, that quirky little girl would definitely laugh at her this time.

Su Chen hugged Mrs. Ye Di and Shi Guanyin and disappeared near the Prancing Horse Bridge in an instant. Although this time it was a bit thrilling, he managed to kill two powerful enemies.

Now only the old nun from Cihang Jingzhai is left, and that cruel old nun cannot stay.

Su Chen's woman killed her senior brother, if that old nun came to assassinate his women and daughters. I'm afraid that his women may die. Su Chen will not allow such a thing to happen.

In the Jing Nian Zen Monastery, Yan Jing'an and the others and the monks from the Kong Jing Nian Zen Monastery are all waiting for the powerful ones who are coming. They all want to know whether the coming ones are enemies or helpers.

At this time, Su Yan also stared at the direction of those powerful people who were coming. She was also worried that these people who were coming would be the helpers of Jing Nian Zen Temple.

When Su Yan saw a woman appearing in the sky above Jing Nian Zen Temple At that moment, Su Yan exclaimed in surprise,

"Aunt? Aunt Murong Qiudi, I am here."

Xue Nu and the others also discovered Murong Qiudi. They breathed a sigh of relief after seeing Murong Qiudi. But when Zhu Yuyan and the others also rushed over from behind,

Xue Nu and the others were stunned and didn't know what to say. They didn't expect Zhu Yuyan and the others are about to arrive at the Grand Master, and they look more powerful than the other.

At this time,

Liao Kong and the four holy monks of the Jing Nian Zen Monastery are very uneasy, five of them!

Five great masters have come at once,

Kong Kong, these monks saw that Zhu Yuyan of the Yinkui Sect turned out to be a master in the late stage of Grand Master, and Fan Qinghui of Cihang Jingzhai was about to reach the middle stage of Grand Master, and the saintly concubine Xuan of Cihang Jingzhai was also in the early stage of Grand Master. Masters, this made these monks in Jingnian Temple very confused.

Liao Kong and the four holy monks knew the cultivation realm of Zhu Yuyan and Fan Qinghui. More than half a month ago, they were all at the master's cultivation realm. , but now they are all great masters, and their cultivation realms are stronger than the other, which makes them wonder if Fan Qinghui and Zhu Yuyan have eaten some heavenly material and earthly treasure.

Murong Qiudi fell from the sky and hurriedly came to Su Yan's side Concerned,"Yan'er, nothing happened to you. Su

Yan looked at Murong Qiudi and the others who had come out of seclusion and said happily,"Auntie, I have nothing to do. It's just that these monks are a bit difficult to deal with. But with your arrival this time, auntie, these monks won't be anything to worry about.""

Murong Qiudi touched Su Yan's head and looked at the monks at Jing Nian Temple. Fortunately, they arrived in time this time. Xue Nu, Dugu Feng, Bai Qing'er and the others here were seriously injured. If they had been later, After leaving seclusion, I am afraid that women like Xue Nu and others will die.

Murong Qiudi clenched his fists and said to Su Yan, Xue Nu and the others,

"Leave these monks to us, and there is no danger at your father's place. Your Aunt Shi Guanyin is with your father. The heavenly monk may have been killed by your Aunt Shi Guanyin."

"Is there nothing going on with dad? Aunt Shi Guanyin is also here, haha, I feel relieved now."

Su Yan was relieved when he heard that Shi Guanyin had arrived to save his father. She had heard from her mother that Shi Guanyin was a super master at the peak of the Heavenly Realm. Su Yan knew that with Shi Guanyin here, that Heavenly Monk was definitely dead..

His father's women all care about his father very much. Anyone who wants to deal with his father will probably be slaughtered mercilessly by these women.

Some of them, the Snow Girl, don't know Shi Guanyin, so they are very confused about who Shi Guanyin is? But Su Yan Since she is called aunt, I'm afraid that Shi Guanyin is also Su Chen's woman, and I'm afraid she's also a powerful super master of the Heavenly Realm.

Murong Qiudi didn't say much here. Anyway, Jing Nian Zen Monastery is going to be destroyed, so this I took advantage of this opportunity to destroy them. Anyway, the heavenly monk in the heavenly and human realm could not come back.

"Zhu Yuyan, let's go kill Kong, Fan Qinghui, you and Yan Jingnian go kill the four holy monks, Shi Feixuan and Huan Huan go deal with the nuns from Cihang Jingzhai."

"good"

"Can"

"We understand."

Murong Qiudi and the others assigned their targets and flew towards their opponents one by one.

Liao Kong saw the Grand Master rushing towards them and hurriedly responded. The monks here now hope that the Heavenly Monk can come out to save them. , otherwise they would not be able to deal with the six great masters.

When Su Yan saw Murong Qiudi and the others were dispatched, he waved his hand and gave an order loudly,

"Nether Cavalry, Dark Guard, and Shadow Assassin, you guys are coming too. Kill all those ordinary monks. Cihang Jingzhai's Xiantian Realm nun surrenders to avoid death."

""Yes, Princess."

Shi Qingxuan looked at the surrounding situation and said to Xue Nu and the others, "Xue Nu, you heal here while we go to help Shi Feixuan and the others."

""Okay."

Xue Nu looked at the remaining nuns in the innate realm and nodded. Those nuns were no match for Shi Qingxuan and the others. This time, maybe Shi Qingxuan wanted to threaten those nuns to surrender.

Murong Qiudi, Zhu Yuyan and the others came to Kong. Afterwards, Zhu Yuyan looked at the hypocritical Monk Liao Kong and said,

"Liao Kong, why don't you speak now? If you don't speak again, I'm afraid you won't have a chance to speak again."

Liao Kong looked at Zhu Yuyan and Murong Qiudi and made a Buddha's name with his hands without speaking. He has been practicing closed-mouth Zen for decades. He could not speak in Dacheng without practicing closed-mouth Zen.

Now the two great masters are in the later stage. The women united to surround him, and Liao Kong also knew that he was probably doomed.

"Heavenly Demon Dafa"

""Tian Shuang Xue Yue"

Zhu Yuyan looked at Kong without saying a word and nodded to Murong Qiudi. They immediately attacked Kong without mercy.

Zhu Yuyan directly used her Heavenly Demon technique. She was against these famous families. Zhengzheng looked down on her very much. This time she had the chance to kill Kong, but she was very ruthless and directly used her most powerful attack.

Murong Qiudi also used her unique swordsmanship, although Su Chen gave her She has not mastered the four emperor-level sword skills yet, but the swordsmanship she originally practiced is also very powerful.

When Liao Kong saw Zhu Yuyan and that powerful woman attacking, he also hurriedly avoided Murong Qiudi's attack. Zhu Yuyan faced Zhu Yuyan with one palm.

Boom

Zhu Yuyan and Kong took a few steps back after hitting Kong with a bang, and Liao Kong was also hit by Zhu Yuyan and took a few steps back. It can be said that they are about the same.

Zhu Yuyan accumulated After decades of skill and using the spiritual power of Suihou Pearl to break through to the Grand Master, her cultivation base is very solid.

"Liao Kong, you think I am still at the level of a master. Let's see how I kill you this time."

Chapter 452

Liao Kong looked at Zhu Yuyan in disbelief. He originally thought that he would quickly injure Zhu Yuyan and then treat Murong Qiudi with all his strength, but he did not expect that Zhu Yuyan was so powerful.

Why is Zhu Yuyan, who has just been promoted not long ago, so powerful?

This made Sora completely unable to think of anything.

""One day, frost has fallen." Just when Kong was looking at Zhu Yuyan in disbelief, Murong Qiudi appeared in the air with a leap. The long sword in her hand directly emitted a white light, and a powerful sword energy was directed towards Kong. Quickly attack.

Cough!

Cough!

Liao Kong watched as his palms were injured by Murong Qiudi's sword energy, and his hands were now cold and cold, as if they could be frozen at any time. of

"The magic of heavenly demons, the magical underworld."

After

Zhu Yuyan saw that Kong was injured, she hit Kong with another palm. Liao Kong could not hide now. Murong Qiudi was staring at him in the air. Zhu Yuyan in front of him used a powerful F attack again. Attacked him.

Liao Kong could only attack Zhu Yuyan without being injured. But this time Liao Kong was directly knocked away by Zhu Yuyan's palm.

""Second Day: Winter."

A colder sword energy came out from Murong Qiudi's sword and attacked Kong. Murong Qiudi didn't care about any unfairness. This time, all the monks in the Jing Nian Temple will die.

"Heavenly Demon Dafa, Heavenly Demon Slash"

Boom! Boom!

Under the attacks of Murong Qiudi and Zhu Yuyan, Liao Kong had no ability to resist at all. He was either injured by Zhu Yuyan or Murong Qiudi's sword energy. Liao Kong Vomiting blood, I hope that the Heavenly Monk will come over to rescue Jing Nian Chan Monastery, otherwise Jing Nian Chan Monastery will be over. However,

Fan Qinghui and Yan Jingnian were very relaxed when dealing with the four holy monks. When they met, Fan Qinghui and Yan Jingnian each killed one of them.

The remaining Emperor Xin and Yan Hua looked at Yan Jingnian and Fan Qinghui in horror. The two of them were reliable allies of Jingnian Zen Academy in the past, but now they raised their eyebrows. He came with a long sword to slaughter them.

After Yan Jingnian killed one of the four holy monks, he saw that Fan Qinghui had just killed one of the four holy monks.

Yan Jingnian smiled at him. Fan Qinghui laughed and said,

"Senior Sister Fan Qinghui, you are one step behind me."

Fan Qinghui now hates that bastard Su Chen. She didn't expect that bastard Su Chen would also take down Yan Jingnian. That bastard is a shameless pervert who can't walk away from a beautiful woman.

"Huh, you're just a little faster than me, what's there to be proud of?"

"Even if I am faster, I am still faster than you, senior sister, you are destined to lose to me, haha."

Fan Qinghui smiled after hearing Yan Jingnian's words and said,

"Yan Jingnian, I am your senior sister in Cihang Jingzhai, and I am also your sister in Su Chen's house. You are destined to be one level shorter than me."

"you....."

Yan Jingnian has nothing to say now. Who told her that she entered Cihang Jingzhai later than Fan Qinghui? And with that bastard Su Chen, Fan Qinghui was one step ahead of her and got close to Su Chen.

Yan Jingnian was also very helpless. Couldn't she be one step ahead of Fan Qinghui?

Why is it always one step behind Fan Qinghui?

No, I have a way to surpass Fan Qinghui, kid!

I had Su Chen's child earlier than Fan Qinghui.

Yan Jingnian's eyes lit up as she thought about it. This was probably the only way she could get one step ahead of Fan Qinghui.

Yan Jingnian's face became redder and redder as she thought about it. She was very worried thinking about what that bastard Su Chen would do to her in the future. But she heard that it would be a bit painful.

Fan Qinghui looked at Yan Jingnian who suddenly turned red and was very confused. Why did Yan Jingnian look so shy if he didn't continue to kill Emperor Xin and Monk Yanhua?

No, this damn guy isn't going to have skin-to-skin contact with that bastard, is he?

They can't be so fast, can they?

Fan Qinghui is also very worried now. Yan Jingnian, a junior sister, has been against her since she appeared. They will definitely be Su Chen's bastard woman in the future. If Yan Jingnian had a physical relationship with Su Chen earlier than her, Then this damn woman will definitely laugh at herself.

Fan Qinghui looked a little ugly and said to Yan Jingnian, "Don't be in a daze, deal with the remaining monks Emperor Xin and Yanhua first."

Yan Jingnian didn't know what Fan Qinghui thought of to make her unhappy, but this made her unhappy. Yan Jingnian became happy.

"Haha, senior sister, are you unhappy?"

"Yan Jingnian, don't be proud. I met Su Chen first. From now on, you have to call me sister."

"oh! Senior sister, Su Chen seems to have only one child now. Do you think that if I have Su Chen's child in the future, will you change your name to sister?"

Fan Qinghui shouted nervously, "Shameless, did you say these words as a woman?"

Fan Qinghui is now afraid that Yan Jingnian really has the child of that bastard Su Chen. That bastard just can't control his crotch. If Yan Jingnian really has the child of that bastard Su Chen, Yan Jing Nian's status in Su Chen's family is higher than hers

"Haha, what's the point? Anyway, we are talking in secret words, and no one else can hear it. Senior sister, are you worried that my status will be higher than yours in the future?"

"Bored, hurry up and deal with Monk Di Xin and Monk Yan Hua."

Fan Qinghui no longer wants to argue with Yan Jingnian. She decided to go to Su Chen immediately after this incident. But she is a bastard. She doesn't want to lose to Yan Jingnian, a junior sister who is against her. At this time, in After slaughtering the masters of Cihang Jingzhai, Le Bingyun looked at Yan Jingnian and Fan Qinghui with great confusion and asked Qin Mengyao,

"Senior sister, what do you think Master and Fan Qinghui are talking about in secret? Why is the master blushing and Fan Qinghui looking a little angry?"

Qin Mengyao looked at Yan Jingnian and Fan Qinghui and felt very helpless. It seems that their relationship is a bit messy now. The master and Fan Qinghui will both be Su Chen's women in the future. Then will they be called Su Chen Wu Xiangjun in the future?

Or Su. Master Chen?

Su Chen is about the same age as them.

Qin Mengyao felt very headache when thinking about this.

"I don't know. These are things of their older generation. You'd better not be too curious, otherwise I'm afraid the master will punish you."

"Haha, I'm just curious, senior sister, Shi Feixuan seems to have a close relationship with Wu Xiangjun, what do you think about this?"

"Junior Sister Bingyun, should you integrate these junior sisters from Cihang Jingzhai now? Can you please stop being curious about everything?"

"Oh, I understand, I will comfort the junior sisters right now."

In Dugu Mansion,

Su Chen frowned when he heard what Fu Junqiang and Fu Junyu said. He didn't think that women like Su Yan, Xue Nu, and the like would actually attack Jing Nian Monastery.

But fortunately, Murong Qiudi and the others were there, and Murong Qiudi and the others were here, so Su Chen was not particularly worried.

Su Chen thought of the report from the guards of Dugu Mansion just now and asked Fu Junyu,

"What happened to Lu Xiaofeng and the others' injuries? How come they were all poisoned?"

"I don't know about this. It seems that Mrs. You Chuhong of the Dugu Clan was plotted on the way back. Their wounds were poisoned when they encountered some poisonous powder. Now Lianxing Gongzhu and Mrs. You Chuhong They are being detoxified."

Chapter 453

Su Chen wondered who the person who poisoned Lu Xiaofeng and the others was?

Are they the enemies of Lu Xiaofeng and the others?

Or his enemy?

Su Chen knew too little about these, and the person who poisoned them only spread the poison powder on their way back. If the person who poisoned the poison stayed there, the Shadow Assassin would definitely discover the existence of the person who poisoned it. Poisonous people are very careful.

Su Chen worriedly said to Shi Guanyin and Mrs. Ye Di beside him, "Madam, let's go to Jing Nian Zen. I'm worried about something happening there."

"Okay, I also want to meet that little girl Su Yan."

Shi Guanyin nodded to Su Chen and said.

Shi Guanyin knew that Su Chen was worried about the safety of Su Yan and his women.

Shi Guanyin also wanted to meet Su Chen's daughter Su Yan, she had heard that the quirky little girl was very smart, and Shi Guanyin was also very curious about Su Yan.

Before Madam Ye Di could say anything, Su Chen hugged her and Shi Guanyin disappeared again, which made her Mrs. Ye Di was very angry. She didn't agree to go there, but this bastard took her to the Jing Nian Temple without waiting for her answer.

Fu Junqiang pouted when she saw Su Chen, Shi Guanyin and Mrs. Ye Di disappeared again. Said to Fu Junyu,

"Senior sister, are we being ignored by Wu Xiangjun now? Why didn't she take us to Jing Nian Zen Monastery?"

Fu Junyu said to Fu Junqiang unceremoniously,

"what are you going to do? Even if you are a little scumbag in the innate realm, you will die."

"Damn it, Shi Guanyin and Mrs. Ye Di are super masters in the heavenly realm. How could anything happen to me with them here?"

"Okay, stop messing around. Wu Xiangjun and the others are going to rescue Su Yan and his women. If we go there, we will drag them down. You just stay here and wait for Wu Xiangjun and the others to come back."

"Oh, got it."

Fu Junyu looked at the honest Fu Junqiang and looked in the direction of Jingnian Chanyuan. She also wanted to go with Su Chen and the others, but her strength was low. Now even if she and her junior sister go to Jingnian Chanyuan, I'm afraid they will cause trouble to Su Chen.

It seems that among Su Chen's women, their senior sisters are the only ones with low cultivation level. Fu Junyu feels very helpless. It seems that he will have to practice hard in the future. Su Chen

,

Shi Guanyin, and Mrs. Ye Di appeared in Jingnian Zen Monastery. They watched the battle in the square from a building.

The square was full of corpses of monks from the Jing Nian Temple. There were not many monks left in the square. Only three powerful monks were still resisting.

Su Chen saw Murong Qiudi and Zhu Yuyan had beaten Liao Kong to the point of being unable to fight back, and Liao Kong was injured all over his body. He looked bloody and might not be able to hold on for long.

Fan Qinghui, Yan Jingnian and the others happened to be there when Su Chen arrived. After killing Monk Di Xin and Monk Yan Hua, Su Chen shook his head when he saw Fan Qinghui and Yan Jingnian staring at each other.

"Madam, it seems that it doesn't matter whether we come or not, Murong Qiudi and the others are already going to destroy the Jing Nian Monastery."

Shi Guanyin saw that nothing happened here. She looked at the little girl Su Yan who was protected by the army, and decided to meet her again in the future. Shi Guanyin planned to give herself to Su Chen while these women were here. This bastard.

Shi Guanyin said to Su Chen with a slightly red face,

"Husband, since we don't need rescue here, you and I go to a place and I have something to tell you."

Su Chen looked at Shi Guanyin strangely. Something was wrong with Shi Guanyin now. Why did she seem soft when speaking, and why was her face red? This was not the Shi Guanyin he knew.

"Okay, Shui Rou, you go to Yan'er to protect her, while Shi Guanyin and I go out."

Mrs. Yedi looked at Su Chen and Shi Guanyin and nodded. She also felt that Shi Guanyin was a little strange just now. Why did Shi Guanyin look so shy?

Did that bastard Su Chen secretly do something to Shi Guanyin ? ?

Mrs. Ye Di glared at Su Chen fiercely. This bastard is a pervert. He must have done something to Shi Guanyin just now.

Mrs. Ye Di said to the bastard Su Chen without being angry, "I understand. , Nothing will happen to Su Yan's girl as long as I am here."

Su Chen looked at the nervous Madam Ye Di and kissed her sexy red lips. This Madam Ye Di will make her look good tonight. If she doesn't completely deal with Madam Ye Di, who knows what this beautiful woman will do in the future? What happened?

When Su Chen let go of Mrs. Ye Di, Mrs. Ye Di stared at this bastard Su Chen with a red face. Now this bastard bullied her at every turn, which made Mrs. Ye Di angry and expectant at the same time. , Mrs. Ye Di now loves and hates Su Chen like a little girl,

"You shameless bastard"

"Shui Rou, I will make you look good tonight, let's go first." Su Chen looked at the angry Mrs. Ye Di and touched her red face. Then she hugged Shi Guanyin and disappeared.

What does this bastard mean?

What is he going to do at night?

Damn it, he won't do it at night. Are you going to sleep with me?

Madam Ye Di is very uneasy now. Although she already regards Su Chen as her man, is it too soon?

They have only known each other for less than a day. Madam Ye Di thought with some sadness If Su Chen came to find her tonight, she didn't know whether she should let that bastard into her room.

Mrs. Ye Di shook her head and didn't think about it now. She was going to adapt to changes at night. She might not be able to control that bastard.

If that The bastard must enter her room, and Mrs. Ye Di can't stop her. Mrs. Ye

Di shook her head and didn't want to think about these troublesome things. Anyway, she had decided to be that bastard's woman, and Mrs. Ye Di also knew that sooner or later something like this would happen. One day, she looked at the battle in the square and flew towards Su Yan.

In a secret room in Dugu Mansion in Luoyang,

Su Chen appeared with Shi Guanyin in her arms. This was where Murong Qiudi and the others were in retreat. Shi Guanyin asked Su Chen to take her to a secret place, and Su Chen thought of this. Su Chen hugged Shi Guanyin and sat on the couch resting in the secret room and asked doubtfully, "Madam, you want to tell me What?"

Shi Guanyin leaned in Su Chen's arms and whispered to Su Chen,

"Husband, I am leaving tonight. Don't ask me why I am leaving. I just have an enemy who is not an enemy. She is very powerful and I am not her opponent. I am afraid that staying will harm you."

Su Chen looked at Shi Guanyin's helpless look, and he guessed that the enemy who was not an enemy must be the homosexual Jellyfish Yinji. Why did that perverted woman Jellyfish Yinji fall in love with Shi Guanyin?

There are thousands of women in this world. , why is Jellyfish Yinji chasing after Shi Guanyin?

This makes Su Chen confused.

"I understand, but from now on you have to send me a message every once in a while, otherwise I will worry about you"

"Well, I will send you my whereabouts every once in a while." Shi Guanyin stood up from Su Chen's arms as she spoke. She looked at Su Chen with a blushing face and slowly untied her clothes and said shyly,

"Husband, I don't know when I will see you again in the future.....I want to give myself to you right now."

## Chapter 454

After Mrs. Yedi of Jingnian Zen Temple appeared from the air, Yan Jingnian and Fan Qinghui looked nervously at the sudden appearance of a powerful woman, while the secret guards and Netherworld Cavalry also nervously guarded Su Yan, who had an unknown origin. The woman made the women and the army here nervous.

Yan Jingnian breathed a sigh of relief when she saw it was Mrs. Ye Di. She saw the surrounding troops, secret guards, and ghost cavalry all trying to attack Mrs. Ye Di.

Yan Jingnian hurriedly stopped her and said loudly,

"Don't make a move, this is Lord Wu Xiang's wife."

Yan Jingnian knows who this Mrs. Ye Di is. She had an ambiguous relationship with that bastard Su Chen in the restaurant, and Mrs. Ye Di is still a powerful master of the Heavenly Realm. Mrs. Ye Di's appearance here is probably from the restaurant. The enemy had been destroyed.

When Mrs. Ye Di appeared next to Su Yan, she saw the secret guards and the Netherworld Cavalry saluting her.

Mrs. Ye Di waved her hands to these elite guards and troops and smiled and said to Su Yan,

"Little girl, don't look at me with a puzzled expression. Your father is fine. He is going to do something with that woman Shi Guanyin and will be back in the evening."

Su Yan can't understand now. This Mrs. Ye Di was definitely not his father's woman before, but now it seems that the feeling Mrs. Ye Di gives her is different from that in the restaurant. How can

Mrs. Ye Di face herself very much now? Of course, Su Yan felt that she was like his elder.

Su Yan still wanted to confirm the relationship between Mrs. Ye Di and her father.

"Aunt Shuirou, are you really my aunt?"

Mrs. Ye Di is a little speechless now. How should she answer this weird little girl?

Should she tell her that she is confirming her relationship with her father today?

Mrs. Ye Di looked at Su Yan and waited for her answer. She said very embarrassedly,

"You can ask your father about this tonight."

"oh! I see."

Su Yan smiled when he looked at Mrs. Ye Di's appearance. She was now very sure that Mrs. Ye Di's relationship with her father was very close.

Su Yan did not expect that in a short period of time, her father could handle a person in the Heavenly Realm. Woman, Su Yan didn't know whether to praise her father or scold her father as a romantic bastard.

At this time,

Yan Jingnian and Fan Qinghui also killed Kong Kong. Yan Jingnian saw Yan Jingnian smiled as Yan Jingnian opened his eyes and stared blankly.

She knew that Kong might have been waiting for the Heavenly Monk to come and save them from Jing Nian Zen Temple, but since the arrival of Madam Ye Di, Yan Jing Nian knew that the Heavenly Monk had also been Killed.

With the death of Liao Kong, all the masters in Jingnian Chanyuan were killed. When Su Yan saw this, he ordered the army to start searching the entire Jingnian Chanyuan. All the monks inside were to be executed. And in Jingnian Chanyuan, The money also had to be collected and taken away.

When Yan Jingnian saw the army starting to clean up the Jingnian Temple, he wanted to go back and see that bastard Su Chen immediately.

"Okay, Jing Nian Monastery has been destroyed, let's meet with the government first, and let the army slowly clean up here."

"Well, let's go back. Su Chen might have returned home."

"Let's go, let's go back quickly"

"That bastard Su Chen doesn't know what he's doing now, and he doesn't care about such a big thing here. Is he with that woman again?"

"Isn't Su Chen with Shi Guanyin? With Shi Guanyin here, it is impossible for him to provoke other women"

"Forget it, we'll find out when we get back. What are we doing here guessing?"

"Yes, go back quickly."

The girls in Jingnian Chanyuan successfully destroyed Jingnian Chanyuan. They all talked about what that bastard Su Chen was doing. Although they knew that nothing happened to Su Chen, they still wanted to know if the bastard was injured or even She also speculated whether that bastard was fooling around with other women again.

As night fell

, the lights in Dugu Mansion were brightly lit. Mrs. Ye Di and the others were waiting for the arrival of Su Chen and Shi Guanyin in the hall. They had destroyed the Jing Nian Zen Monastery. Several

hours have passed, but Su Chen and Shi Guanyin still haven't arrived, which makes these women a little bit unable to sit still.

If they hadn't known that Shi Guanyin, who was in the heavenly realm, was by Su Chen's side, they might have launched another army. Go find that bastard.

Shang Xiuxun had difficulty breathing after she was responsible for cleaning the Jingnian Temple. She did not expect that the Jingnian Temple was so rich. These monks had sucked the blood of many ordinary people.

Shang Xiuxun looked at the record of Jingnian. The Zen Yuan was happy with this harvest and said to the women around him,

"Don't worry, everyone. With Sister Shi Guanyin and Su Chen together, I believe nothing will happen to them. Let's take a look at the harvest this time. I didn't expect Jing Nian Chanyuan to be so rich, with a total of 26 million silver, and With more than five million yuan in gold and many other precious treasures, this Jing Nian Temple is as rich as any country."

The girls were all very surprised when they heard Shang Xiuxun's words. They didn't expect how much property there would be in a small Jing Nian Zen Monastery. It was richer than a small country. This made the women here have a lot of money. The monk's change of attitude was very bad.

Shang Xiufang also didn't expect how much money a small meditation monastery would have. She said angrily to everyone here,

"There is no good thing about monks. This time we got rid of harm for the people."

Hanwan sat on the chair and shook her smooth little feet and said disdainfully, "No, Jing Nian Chanyuan is still a famous and upright sect. A famous and upright sect is more like a demon sect than ours."

"It cannot be said that the monks in some temples are quite good." Shi Feixuan looked at her nemesis and retorted.

Although the money seized in Jing Nian Chan Monastery was unbelievable to her, she believed that not all temples were the same as Jing Nian Chan Monastery.

"Master nun, you are no longer a nun. Those monks are not good people. By the way, will you still be a nun in the future?" Huanwan looked at Shi Feixuan and asked with a smile.

But she knew that this old rival would probably never be a nun again, and that bastard Su Chen would probably not let her master become a nun again.

Huanwan thought. From now on, she and Shi Feixuan will serve that bastard Su Chen. This will definitely be very fun.

"It's none of your business."

Shi Feixuan blushed a little and glared at the witch Huan Huan.

What kind of nun will Shi Feixuan be in the future?

She will marry that bastard Su Chen in the future, and Shi Feixuan has no plans to be a nun anymore.

Huan Huan Shi Feixuan, who was standing next to him, whispered to Shi Feixuan,

"Haha, if a nun doesn't become a nun, she will have to return to secular life and get married. Master nun, do you want us to cooperate in dealing with that bastard Su Chen in the future?"

"You have to know that that bastard Su Chen is very powerful. Didn't you see that this woman Murong Qiudi can't stand Su Chen?"

"Every time Su Chen and Murong Qiudi are together, Murong Qiudi will take a day off. Do you think we can bear that bastard alone?"

""It's boring."

After listening to Huan Huan's words, Shi Feixuan glanced at her with a blushing face and lowered her head. This witch is really a witch, she actually dared to say anything.

But Su Chen is really a bit powerful, If she were alone, she might not be able to fight that bastard.

Chapter 455

The hall of Dugu Mansion was very quiet now, but they all heard the conversation between Huan Huan and Shi Feixuan. These women did not expect that Huan Huan would say such shameful words, but they all felt that what Huan Huan said was very right..

At this time,

Murong Qiudi stared at Hanhan with a red face. She did not expect that the private matter with Su Chen would be exposed by this little witch.

Although she couldn't bear that bastard Su Chen, it was still private, but Huanwan, a little witch, actually used her as a metaphor.

This made Murong Qiudi wish he could stop Huanhua's mouth right now.

Huanwan and Shi Feixuan also noticed that all the women in the hall were looking at them. At this time, they also knew that the conversation just now was heard by the women here. Shi Feixuan was shy and lowered his head, not daring to see anyone. , and Huanwen was embarrassed and hurriedly explained,

"Forehead! I was teasing Shi Feixuan just now, don't take it seriously."

Murong Qiudi wants to teach Huanhua a lesson now.

She thought of you teasing Shi Feixuan, why did she involve herself?

And why did you notice her and Su Chen's private affairs?

This little witch must have secretly observed her more than once Those embarrassing things she did with Su Chen.

Shang Xiuxun is also very worried now that she can't bear that bastard. With Murong Qiudi's previous master training, she is no match for Su Chen.

Can she do it on her own?

"Xiufang, shall we unite in the future?"

"Union for what?"

Shang Xiufang was very speechless after hearing Shang Xiuxun's words.

Can we unite on this kind of thing?

Shang Xiufang felt that Shang Xiuxun was making a fuss out of a molehill, so she could only pretend that she didn't know anything.

Shang Xiuxun looked at it and pretended to be calculating. Shang Xiuxun couldn't help but want to beat up her good friend. Shang Xiuxun didn't believe that that bastard Su Chen wouldn't take action against Shang Xiufang. It would probably be very simple for Shang Xiufang to be taken down by that bastard Su Chen.

Now Shang Xiufang pretends to be everything. It's not clear that Shang Xiuxun doesn't intend to join forces with her. Anyway, there are many women here, and it doesn't matter who Shang Xiuxun looks for.

"Forget it, when you ask me for help in the future, I will find Shi Qingxuan to join forces."

Shang Xiufang saw Shang Xiuxun talking and walked towards Shi Qingxuan, which made her a little panicked. Shang Xiuxunfang saw all the women here gathered together in twos and threes and talking in secret words, and she guessed that these women might join forces to deal with them. Su Chen.

This fashionable Xiufang saw Hanwan and Shi Feixuan talking in secret words together, Yan Jingnian and Fan Qinghui talking in secret words together, Bai Qing'er and Dugu Feng, Xue Nu and Song Yuhua, Murong Qiudi and Zhu Yuyan, Qin Mengyao and Le Bingyun, Fu Junyu and Fu Junqiang, Mrs. Ye Di and Lian Xing, and Shang

Xiufang were a little panicked when they saw this. Shang Xiufang's affection for Su Chen continued to increase, and that bastard kept teasing her. , and she was even hugged by that bastard Su Chen.

Although Shang Xiufang accepted that bastard in her heart, they have not expressed their feelings after all, and there are many women here like her. Now they are all uniting, just in case If no one really joins forces with her in the future, then she is finished.

Shang Xiufang is very scared when she thinks about dealing with Su Chen alone in the future. If that bastard Su Chen comes to her room at night, Shang Xiufang thinks about it She felt terrified.

She looked at the women around her and hurriedly ran towards Shang Xiuxun and Shi Qingxuan. Shang Xiufang didn't want to face Su Chen alone.

Le Bingyun looked at the women around him and whispered to Qin Mengyao beside him. asked,

"Senior sister, do we want to join forces?"

"Union for what? Don't think about those messy things, we are just watching a show, you know? What happens here is none of our business."

Qin Mengyao knocked Le Bingyun on the head with a red face.

Qin Mengyao was very helpless now.

What is going on? Are these women crazy?

They want to join forces to deal with a man?

Qin Mengyao really wants to I don't understand.

Le Bingyun touched the head that was knocked by Qin Mengyao and pouted and said,

"Senior sister, do we really not unite? Mr. Wu Xiang may not let us leave, and the master is here, so we can't leave him, but Mr. Wu Xiang is a pervert. If he has thoughts about us in the future, what should we do?"

Qin Mengyao looked at Le Bingyun and was very confused. Why did she feel that something was wrong with Le Bingyun today, especially because he was overly concerned about Wu Xiangjun.

When they went to attack Jingnian Chanyuan, Qin Mengyao felt that Le Bingyun was a little active. And now Le Bingyun actually wants to join forces with her to deal with Wu Xiangjun's ability.

This makes Qin Mengyao very worried that Le Bingyun has fallen in love with that bastard.

"Junior Sister Bingyun, you won't fall in love with Wu Xiangjun, right?"

When Le Bingyun heard Qin Mengyao's words, he hurriedly waved his hands and said, "No, how is it possible? I don't like that shameless bastard."

Le Bingyun was frightened by Qin Mengyao's guess. She didn't expect that Qin Mengyao would guess that she liked Su Chen. Le Bingyun also continued to get to know Su Chen in the past ten days, and gradually developed a liking for that bastard. She didn't know if she liked it.

Qin Mengyao shook her head and stopped asking Le Bingyun. She felt that her guess was right, but it was none of her business, as long as Le Bingyun didn't regret it in the future.

Qin Mengyao Seeing the women talking in secret languages in twos and threes, she was very speechless. These women were all the proud women of heaven. How could they all fall in love with that shameless bastard? In the secret room of Dugu Mansion, Su Chen looked exhausted Shi Guanyin felt very distressed. This time Su Chen practiced the Yellow Emperor's Internal Classic. He was already very powerful, and after he practiced the Yellow Emperor's Internal Classic, he became even stronger.

But this Yellow Emperor's Internal Classic is really a fairy-level skill. Fa, now his internal strength has increased a lot. As long as he practices for a while, Su Chen feels that he can break through to the middle stage of master.

Su Chen touched the unconscious Shi Guanyin and touched her wet hair. Wiping the sweat from her head, Su Chen wiped the sweat from Shitou Guanyin's head and thought of the items in the system space.

Su Chen communicated with the system by leaning on the soft pedal. He had not yet carefully considered the items he got today. Seen

"System, what is this world passage (remnant)?"

"Ding, world passage (disabled): It is a world more powerful than the martial arts world. It may be a mythical world, or a fantasy world. Only by gathering together five world passages (remaining) can a passage to a big world be opened perfectly"

"Let me guess, both the mythical and magical worlds are included? System, the mythical world is that mythical world? The magical world is that magical world again? Will all the TV series, movies, anime and novels I have watched appear?"

"Ding, this is random, and the system doesn't know it, but the world that appears next time is also a world that the host knows, such as TV sets, movies, animations, novels, these may all appear."

Su Chen also understands now. This is to let him climb up world by world. Will there eventually be Journey to the West and the world of gods, or the fantasy world of Dou Po and Douluo?

Su Chen shook his head and didn't want to That's all. It may take him many years to completely conquer this martial arts world alone, and the world passage (remnant) may not be that easy to collect.

"System, Tianxindan Introduction 1"

Chapter 456

Su Chen was very curious when he looked at the golden Tianxin Pill in the system space. At first glance, this Tianxin Pill was several levels higher than Zhu Guo.

When Su Chen took out the Tianxin Pill from the system space, a fragrance immediately spread out in the secret room. Su Chen felt very comfortable when he smelled this fragrance, and his

cultivation was so strong that he had smelled the fragrance of the Tianxin Pill. Then it continued to strengthen.

Boom

Damn it, has this broken through to the middle stage of Grandmaster?

Su Chen hurriedly put the Tianxin Pill into a jade box. Now he didn't dare to take out the Tianxin Pill anymore. This Tianxin Pill was a treasure. Su Chen felt that if he ate this Tianxin Pill, he would probably be killed immediately. Exploded to death

"System, please introduce this Tianxin Pill?"

"Ding, Tianxin Pill: an eighth-grade spiritual pill from the fantasy world. It contains huge spiritual power and can help warriors break through to the next realm of cultivation without side effects. Note: Low-level warriors will explode and die if they take it."

Damn it. Fortunately,

I didn't swallow it just now, otherwise I would have died.

Su Chen felt a little frightened. He almost couldn't hold back the smell of Tianxin Pill just now. This system is really deceptive. No warning in advance

"System, in the world of martial arts, at what level of cultivation can one take Tianxin Pill?"

"Ding, you can take it if you are at the peak cultivation level of the Heavenly Realm. There is no spiritual energy in this world of martial arts. To break through to the next cultivation realm, the Heavenly Realm must have spiritual energy. Only the Heavenly Realm can turn the vitality in the body into spiritual power. Only warriors can advance to the next level of cultivation"

"The cultivation realm at the peak of the Heavenly Realm? Isn't that Shiguanyin that can be taken? Is this prepared for Shi Guanyin?"

Su Chen was very speechless when he looked at Shi Guanyin lying next to him. After working on it for a long time, this Tianxin Pill was prepared for his wife, but this is his wife after all. After she becomes stronger, she no longer has to worry about the Jellyfish Yin Ji. gay

"System, what is the realm of cultivation behind the realm of heaven and man in the martial arts world?"

"Ding, the golden elixir realm behind the heavenly realm.

Su Chen touched his chin and thought, "Golden elixir realm?" Isn't this the cultivation system of the monk world? Will he really become an immortal in the future?"

Forget it, this is all for the future anyway. He is still far away from the realm of heaven and humanity now.

Su Chen looked at Shi Guanyin who was sleeping soundly and smiled. This time Shi Guanyin doesn't have to leave. With Tianxin Dan, if Jellyfish Yinji dares to attract Shi Guanyin's attention again, I believe Shi Guanyin will teach Jellyfish Yinji how to behave.

Su Chen looked at other items in the system space. Three hundred Shadow Assassins are not bad, and one hundred thousand designated elites The army can also do it, and there are five years of weapons, equipment and food and grass.

This is a good thing. From now on, these can be kept here in the Sui Dynasty. I hope Shen Luoyan and Li Xiuning can defeat the Sui Dynasty as soon as possible.

Should I build a country? ?

In the future, we have to fight everywhere without a resounding name. What should the country be called?

Su Chen doesn't know how to name it. He thought about it for a long time and couldn't think of a name. It's really troublesome.

I'd better leave these things to you. Those women of his

"Um? Husband."At this time, Shi Guanyin beside Su Chen woke up. When she saw Su Chen next to her, she shouted with a red face.

Shi Guanyin did not expect that her peak strength in the Heavenly Realm could not defeat Su Chen. This This made Shi Guanyin very uncomfortable. This bastard Su Chen was too merciless.

When Su Chen saw Shi Guanyin waking up, he smiled and said to the beautiful Shi Guanyin,"Madam, you are awake, how do you feel now?" ?"

"You are so shameless."

Shi Guanyin stretched out his palm and patted Su Chen. This bastard had the nerve to ask her how she was doing, but he had no clue in his heart. Shi Guanyin was completely speechless for this bastard.

Shi Guanyin didn't think of this either. The bastard is so powerful, but this bastard didn't listen to her request at all. Shi Guanyin wanted to strangle this bastard to death when he thought of this.

Su Chen knew that Shi Guanyin had misunderstood, and he wanted Shi Guanyin to feel her cultivation realm. Su Chen thought Let's see if the Huangdi Neiijing he just practiced has any effect on Shi Guanyin.

"Let me guess, ma'am, I'm asking if your level of cultivation has increased."

"The realm of cultivation? Huh? My Yuan Power seems to have increased a lot. Husband, what is going on?"

"Haha, madam, I used the Yellow Emperor's Internal Classic just now. Didn't you see that I am now at the middle stage of master cultivation?"

When Shi Guanyin heard Su Chen's words, he hurriedly persuaded Su Chen,

"Huang Di Nei Jing? You bastard, how can you use that evil technique? Don't use the Huangdi Neiijing in the future, it will be bad for your health in the future."

Su Chen was speechless.

Shitou Guanyin can really misunderstand this.

He used the immortal-level technique Huangdi Neijing, not the messy Huangdi Neijing in the world. This technique is more powerful than the four emperor-level sword techniques. ,

Su Chen took out the Huangdi Neijing from the system space and handed it to Shi Guanyin and said, "Madam, I use the immortal-level Huangdi Neijing, not those evil Huangdi Neijing with random names."

"Immortal-level skills? Isn't the Yellow Emperor's Internal Classic a legendary exercise? This is real?"

Shi Guanyin took the Huangdi Neijing and looked at it and was very shocked. She did not expect that this legendary skill actually existed.

Su Chen took out the box of Tianxin Pill from the system space and said to Shi Guanyin,

"Of course it's true. Doesn't the increase in your Yuan Power and my Qi explain everything?"

"By the way, madam, I have a spiritual power pill here. After you take it, you can break through to the golden elixir realm. In the future, you no longer have to be afraid of the jellyfish Yinji's metamorphosis."

Shi Guanyin was so frightened by Su Chen that she stood up. She was very shocked when she looked at the jade box that Su Chen handed her.

"What? Husband, how do you know that the next level of cultivation is the golden elixir level? And where did you get this elixir?"

Shi Guanyin felt a little strange when she saw Su Chen looking at him with his mouth open.

Why was this bastard looking at her like this?

He even forgot to answer the question he asked him.

Ah!

Shi Guanyin quickly returned to the soft bed and covered it with the silk quilt. Covering herself, Shi Guanyin stared at the bastard Su Chen with a red face.

No wonder this bastard kept looking at her. Shi Guanyin felt a little funny when she thought about Su Chen's demented look just now. This bastard was nothing short of a pervert.

Su Chen Looking at Shi Guanyin's appearance, he smiled. It was not like he had never seen this before. Su Chen picked up the jade box that had fallen on the pillow and handed it to Shi Guanyin again, smiling and saying,

"Well, this is the information I got from a secret realm, and this is also the Tianxin Pill I got. This is a spiritual pill with no side effects. The spiritual power in it can convert your vitality into spiritual power, so that you can break through. We have arrived at the Golden Core Realm."

Chapter 457

Shi Guanyin looked at Su Chen and felt that he was very mysterious now. Not only did this bastard know the realm of cultivation behind the Heavenly Realm, he even had the elixir that could break through to the Golden Core Realm, and she also knew about the pervert Jellyfish Yinji?

This made Shi Guanyin stare at Su Chen and want to ask clearly, but she thought that Su Chen was her husband after all.

Moreover, he was very kind to her, even giving her the priceless Tianxin Pill, which moved Shi Guanyin very much.

Shi Guanyin didn't plan to ask Su Chen anymore. Anyway, he was her husband, and Su Chen would definitely not harm her.

Shi Guanyin leaned into Su Chen's arms and said with a low expression,

"Husband, I still have to leave. I have appeared in Luoyang. If the pervert Jellyfish Yinji comes to Luoyang, she will definitely find me. I can't cause you trouble, but I will definitely come back to you in half a year at most."

"Madam, what is the strength of Jellyfish Yinji?"

""Half-step to the golden elixir realm"

I guess,

Jellyfish Yinji is going against the will of heaven.

In a world without spiritual energy, Jellyfish Yinji can still break through to the half-step to the golden elixir realm.

This Jellyfish Yinji is truly a peerless person. Woman, eh!

She is a psychopath!

Su Chen thought that Shi Guanyin was at the peak of the heavenly realm. I was afraid that if she fought with Jellyfish Yin Ji, she would be caught by Jellyfish Yin Ji within a few moves.

Su Chen was a little funny. He looked at Shi Guanyin and asked,"No wonder you have been avoiding Jellyfish Yin Ji, but why does that perverted homosexual keep chasing you? You don't really have an affair with Jellyfish Yinji, do you?"

"Bastard, how could I do that with Jellyfish Yin Ji? That woman is a little sick. I don't know why she keeps looking for me. I have been annoyed to death by her for decades."

Shi Guanyin slapped Su Chen on the back several times with shame and anger on his face.

Doesn't Su Chen, a bastard, know whether he is innocent?

This bastard must have done it on purpose.

Shi Guanyin was also helpless towards Jellyfish Yinji, If Jellyfish Yinji doesn't force herself to do those disgusting things with her, maybe they can really become good sisters

"Madam, are you leaving now?"

"Well, I can't stay here for a long time. If Jellyfish Yinji comes over, I'm afraid it will really hurt you. Jellyfish Yinji is also a moody person. She does whatever she wants. You must be careful if you meet her in the future."

Su Chen knew that Shi Guanyin did not want to bring danger to him, and he was also very moved by this woman Shi Guanyin.

Su Chen took out three red fruits from the system space and handed them to Shi Guanyin and said,

"Madam, I give you these three Zhu Guo. Not only can the Zhu Guo elevate an innate master to the master level, but it is also a holy medicine for healing. You should be more careful in the future."

"Husband, I don't need these. You should leave your confidante to improve their strength."

"I still have some, these are for your life. If you don't accept them, I won't worry about you leaving."

"Thank you, husband."

Shi Guanyin accepted the Zhu Guo that Su Chen gave her and kissed him. She also knew that Su Chen was concerned about her safety. If she didn't accept it, I'm afraid this bastard would do some embarrassing things to her again. Come on, Shi Guanyin has finally seen through this bastard.

"Thank you. We are husband and wife. But if you really want to thank me, just do one thing for me."

"whats the matter? I will definitely help you do it."

Su Chen smiled, hugged Shi Guanyin and whispered in her ear,

"You rest, you are not only shameless, but also a dead gangster"

"Haha."

Half an hour later, when Su Chen and Shi Guanyin came out of the secret room, Shi Guanyin's face was red and she pinched Su Chen's waist and didn't want to let go.

This bastard is so inhuman, and he doesn't do those embarrassing things. Knowing where this bastard learned it from, Shi Guanyin still feels very disgusted.

Su Chen looked at Shi Guanyin proudly and laughed. Shi Guanyin is so cute now. Although Shi Guanyin rejected him just now, it's just Su Chen. Chen just said a few good words before Shi Guanyin agreed with a blushing face.

Although Su Chen felt a little pain in his waist from being pinched by Shi Guanyin, Su Chen did not dare to resist Shi Guanyin now. Su Chen planned to let Shi Guanyin vent your anger

"Husband, I am leaving. I will definitely come back in half a year."

"Well, you have to be careful, I'll wait for you to come back."

Shi Guanyin gave Su Chen a tender look and then disappeared in front of Su Chen. She appeared not far away and looked at Su Chen. She found that Su Chen was also looking at the direction where she appeared and said silently with tears in her eyes,

"Husband, wait for me, I will come back to you as soon as possible."

Su Chen has very strong mental power. He felt Shi Guanyin secretly looking at him not far away, and she even shed tears.

Su Chen felt very uncomfortable when he saw this. After he sensed what Shi Guanyin said, Then he opened his mouth and said, "I know, I will wait for you to come home safely."

When Shi Guanyin heard Su Chen's words, she smiled and disappeared into the night. She was afraid that if she didn't leave, she would really be reluctant to leave Su Chen.

After Su Chen felt that Shi Guanyin had left, he sighed and said, "Oh, come on. I go in a hurry and I hope I won't encounter such uncomfortable things again in the future. I still need to be strong."

Su Chen looked at the sky and saw that it was already late at night. Except for the patrolling troops, everyone else in Dugu Mansion had also rested. Su Chen looked at the rooms around Dugu Mansion and was in a dilemma.

He didn't know where to go now. That room was resting. Today, Murong Qiudi and the others were out of quarantine. He didn't know which of them lived in that room. Su Chen was not willing to use his mental strength to check which of them lived in that room.

"How about just entering a room?"

Su Chen walked around outside and thought for a while, then decided to enter a random room. Anyway, there was no one around now and he would not be discovered by anyone. Su Chen decided to be a flower picker.

Just when Su Chen was about to get something. When he entered the room closest to him, Madam Ye Di stood beside him at some point. When

Su Chen found Mrs. Ye Di suddenly appearing, he hurriedly asked with a guilty conscience,

"Let me know, when did you come here?"

Mrs. Ye Di is very angry now. This bastard wants to enter a room at random. The only people here are Murong Qiudi and Xue Nu. Lianxing is her woman, and the rest are not considered as this bastard's women.

What happened this evening already made Madam Ye Di feel very ridiculous. Those women would actually want to unite to deal with this bastard in the future.

And Su Chen's woman Lian Xing actually wanted to unite with her. Madam Ye Di didn't want to agree to Lian Xing, but when she Seeing women in the hall joining forces in twos and threes.

Madam Ye Di was also afraid that Su Chen was really strong, so she could only join forces with Lian Xing in embarrassment.

When Madam Ye Di came to Su Chen, she pinched the bastard's waist. He asked angrily,

"You are such a shameless bastard. Are you going to be a flower picker?"

Su Chen endured the pain and hugged Mrs. Ye Di and said hurriedly,

"Ahem, how is that possible? I have a family now. Besides, my wife is so beautiful. How could I become a flower picker?"

"Go away, I'm not your wife yet"

"Haha, that's it after tonight."

Chapter 458

The next morning, Su Chen walked out of a room in Dugu Mansion triumphantly. He took good care of Mrs. Ye Di last night. I am afraid that Mrs. Ye Di will not come out of the room today.

His skill has increased a lot. I believe it won't be long before Su Chen can advance to the late stage of Grand Master. The Immortal Level Huangdi Neiijing is indeed extraordinary.

When Su Chen came to a yard, he found Su Yan practicing sword skills. Su Chen rubbed his eyes and thought he had seen it wrong.

Su Chen knew that if Su Yan didn't sleep until almost noon, she wouldn't wake up. What a ghost this time, Su Yan was actually practicing martial arts early in the morning. At this time, Su Yan also found Su Chen standing aside in a daze.

When she saw Su Chen, she ran to Su Chen, threw herself into his arms and shouted,

"Dad, when did you come back last night? Why didn't you call me?"

Su Chen caught Su Yan and smiled and said,

"Yan'er, I was afraid of waking you up so I didn't wake you up. Why did you get up so early today? Don't you always like to sleep in?"

Su Yan blushed when Su Chen said that. She used to like to sleep in, but from today on she will practice martial arts. Su Yan doesn't want what happened yesterday to happen again. Su Yan said with a serious face

,

"I won't sleep in anymore. I want to practice martial arts well so that I can save you when dad is in danger."

Su Chen touched Su Yan's hair and laughed. Su Yan liked this girl so much.

Su Chen knew that Su Yan didn't just talk nonsense this time, and Su Yan would definitely practice martial arts very seriously in the future..

But this is not what Su Chen wants to see. Su Yan is only six years old now. Su Chen hopes that Su Yan can spend her childhood well.

"Haha, your father and I are very powerful, and there is no one in this world who wants to catch your father. You can do whatever you want now, but don't practice so hard in the future."

Su Yan lay in Su Chen's arms and said with disbelief,

"Bragging, have you never been caught by Sister Huan before? Have you ever been caught by Aunt Shi Guanyin? If Aunt Shuirou and Aunt Shi Guanyin hadn't come to save you this time, I'm afraid you would have died in the restaurant yesterday."

I guess, why is this little girl so sharp-tongued today? Who provoked her again so early in the morning?

Su Chen looked at Su Yan and shook his head helplessly. This girl is getting more and more difficult to control now. She must be Feeling that he was causing trouble everywhere again.

Su Chen hugged Su Yan, pinched her angry little face and said with a smile,

"Come on, let's go to the hall to see if anyone else is up. Today we are going to take out the gold and silver treasures and weapons and equipment from Mr. Yang's treasury."

"Really? Are you going to look for Yang Gong's treasure house today?"

"certainly"

"Yeah, if it's a treasure hunt."

Su Yan hugged Chen Chen's head, kissed him and screamed.

Su Chen smiled when he saw Su Yan's excitement. Su Yan has been holding back these days. This treasure hunt also made Su Yan She relaxed and hoped that this little girl would not cause trouble in Yang Gong's treasure house.

When Su Chen and Su Yan came to the hall, Murong Qiudi and the others were actually here, and Lu Xiaofeng and the others also arrived. He looked at Lu Xiaofeng and the others. They were in good spirits and knew that their poison had been completely detoxified.

After some words with the girls, Su Chen came to Lu Xiaofeng and said, "Lu Xiaoji, do you know who the person who plotted against you yesterday was?"

Lu Xiaofeng touched his sexy mustache and said cautiously,

"I don't know. We didn't offend anyone at all in the Sui Dynasty. I suspect that the people who poisoned us were from the Ming Dynasty. They definitely didn't want Sikong Zhaixing and I to return to the Ming Dynasty."

Su Chen looked at the nosy Lu Xiaofeng with some pain. Lu Xiaofeng is just like Conan. He will encounter cases wherever he goes. This time he must have taken another case, otherwise the poisoning this time would not just be... For several of them,

"Ming dynasty? Have you accepted any cases again?"

"Well, a Plum Blossom Thief appeared in the Ming Dynasty. The blind man has already checked his hands. Sikong Zhaixing and I will definitely intervene. Su Chen, you are not suspected of being poisoned by someone who is the Plum Blossom Thief, right?"

Su Chen doesn't care about Lu Xiaofeng's messy things. The Plum Blossom Robbery case is not a big case. With Lu Xiaofeng's ability, this case will not be difficult for them.

"How do I know? I don't have time to worry about this now. Sikong Zhaixing will go to Yang Gong's treasure house today. The Jing Nian Temple has been destroyed. I believe that those people from the Demon Sect will not dare to show up to rob the treasures in Yang Gong's treasure house. If they If they show up, I won't mind destroying them."

When Sikong Zhaixing heard that Su Chen was going to Yang Gong's treasure house today, he excitedly said to Su Chen,

"Understood, I can't wait to see the mechanisms in Yang Gong's treasure house."

"Then prepare to go there. I asked Dugu Sheng to send 30,000 troops to the army. Zhu Yuyan and Fan Qinghui, the other great masters, will also go over to help. This time I have to rely on you."

"Haha, no problem, there is no mechanism in this world that I can't break."

Su Chen nodded to Sikong Zhaixing and the others and set off. Zhu Yuyan and the others followed with the secret guards and Netherworld Cavalry.

They mainly wanted to deal with those demon sects who did not know whether to live or die. If those demon sect masters wanted to To fight for the evil emperor's relic, they didn't mind killing all the masters of the magic sect.

After Lu Xiaofeng and Zhu Yuyan left, Yan Jingnian stood next to Su Chen and discovered why Mrs. Ye Di didn't show up today. Today, everyone Here, Mrs. Ye Di is a land goddess in the heavenly realm. It is impossible for her to not get up at this time.

Yan Jingnian said to Su Chen very doubtfully,

"Aunt? Where's Shuirou? Why didn't she show up today?"

Su Chen felt a little embarrassed when he heard Yan Jingnian's words. Mrs. Ye Di couldn't even get up today, but he couldTo be able to tell these women left behind about this,

"Forehead! She's still resting, so you don't need to worry about her."Su Chen hurriedly said to Yan Jingnian, and then he changed the subject and said to Su Yan, who was snickering in his arms,"Su Yan, I will ask your Aunt Lianxing to take you to Mr. Yang's treasure house later. Come in." Yang Gongbaoku doesn't want to cause trouble everywhere, you know?"

Su Yan looked at her father, Su Chen, speechlessly. She didn't expect that her father would say this to her. Su Yan had never caused any trouble, but his father, Su Chen, was different. His father would cause trouble whenever he went out.

Su Yan guessed that his father must have deliberately used her to distract the topic this time. Mrs. Ye Di's failure to show up this time must have been her father's fault. Su Yan thought about it but did not expose her father.

"Got it, Dad, I'm not a firebrand like you."

"You little girl."

Yan Jingnian looked at Su Chen and guessed that this bastard must be lying to her. Last night, this bastard Su Chen must have rested in Mrs. Ye Di's room. Then Mrs. Ye Di might not get up today.

Yan Jingnian thought If Mrs. Ye Di's cultivation level was not Su Chen's opponent, then women like them who were in the master cultivation realm were definitely no match for that bastard. Yan Jing'an thought that the alliance last night seemed very necessary.

The city guards of Luoyang at Prancing Horse Bridge have blocked this place again, and this time a secret exit at Pingma Bridge has also been opened. The surrounding troops have surrounded the place, and huge pairs of cards have been erected here. , the archers were also alerting the surroundings with their bows and arrows drawn.

When Lu Xiaofeng and the others arrived, the troops here immediately made way for them to enter. Zhu Yuyan and the others followed Lu Xiaofeng and the others into Yan Jingnian's secret room.

Inside Yang Gong's treasure house, Lu Xiaofeng looked at the troublesome traps and worriedly said to Sikong Zhaixing,

"Sikong, are you sure? Sikong

Zhaixing waved his hand to Lu Xiaofeng and said nonchalantly, "These are all trivial matters. The real mechanism is still behind. I'll deal with these mechanisms first."

"Just blow it, if you capsize in the gutter this time, I won't save you"

"Lu Xiaoji, I'm not as good as you at solving crimes, but you're not as good at traps."

"Sikong, isn't your best skill at disguise?"

"Haha, I'm very good at both the disguise technique and the trap technique. It's not like you don't know this."

"I know shit, I just know you're a powerful thief"

"I guess I won't steal anymore. I'm very rich now. This time Mr. Wu Xiang promised to give us some of the treasures in Yang Gong's treasury. From now on, I will be a rich man."

Ximen Chuixue saw Lu Xiaofeng and Sikong Zhaixing chattering here, he frowned and said coldly,

"You guys hurry up and break the trap, don't waste time here."

Sikong Zhaixing smiled awkwardly and said to the cold Ximen Chuixue,

"Got it, haven't I already started to break the trap? Ximen Chuixue, you should talk more in the future and don't have a cold face every day."

"Get to work quickly."

Lu Xiaofeng looked around and hurriedly urged. It's very gloomy here now. Lu Xiaofeng doesn't like this narrow place.

In Yang Gong's treasure house, Sikong Zhaixing broke many traps along the way, but there are too many traps in this narrow passage. , Sikong Zhaixing was almost shot dead by some secret mechanisms several times, which made Sikong Zhaixing concentrate on breaking down the mechanisms seriously.

Zhu Yuyan and Fan Qinghui were also observing this place along the way, and they were unable to help Lu Xiaofeng now. Being busy, Zhu Yuyan and the others could only stay here to be wary of the masters of the magic sect who were about to appear.

Seeing that there was nothing going on now, Fan Qinghui said to Zhu Yuyan next to him,

"Zhu Yuyan, don't you think it's strange that you didn't see Shui Rou this morning?"

Fan Qinghui was very confused this morning. Mrs. Ye Di, Shui Rou, didn't show up in the morning. She wondered if that bastard Su Chen went to see Mrs. Ye Di last night.

Zhu Yuyan said to Fan Qinghui with some anger on her face, "It's a little strange, but what does it matter? Shui Rou didn't show up. I also suspected that that bastard Su Chen was in her room last night, but shouldn't we have been prepared for this yesterday?"

"I just didn't expect Shuirou to run in front of us. That bastard Su Chen is a shameless bastard."

Zhu Yuyan thought that she had known that bastard Su Chen for a long time, but that bastard never expressed his feelings to her.

Although Zhu Yuyan she knew that Su Chen liked her, but Su Chen never expressed it to her. Now Mrs. Ye Di was taken over by that bastard. This made Zhu Yuyan very angry at that bastard Su Chen.

Fan Qinghui was also very angry now. Feeling helpless, that bastard Su Chen did not look for her or Zhu Yuyan when he came back last night. Instead, he went to find Mrs. Ye Di whom he had just met yesterday. This made Fan Qinghui very angry.

"Well, that bastard Suchen is indeed a shameless person." bump!.....boom! cough! cough! cough!

Sikong Zhaixing came out of the ruins and cursed with lingering fear, "What the hell, Lu Miaozi is too insidious. He even built a secret mechanism on the mechanism. If I hadn't been able to dodge quickly, I might have had to do it." Planted here."

Lu Xiaofeng was also a little scared. Those poisonous arrows would seal their throats when they saw blood. If they were accidentally shot, they would probably be poisoned to death instantly.

"Sikong, I told you to be more careful. If you, bastard, touch your body again, I won't go crazy with you."

"I know, I know, I will be careful to break the trap." The masters of the Demon

Sect outside the Prancing Horse Bridge gathered here. When they saw the entrance to Yang Gong's treasury guarded by the army, they couldn't do anything. Originally, they, the masters of the Demon Sect, were about to leave, but they came back to see it unwillingly. Look.

Anlong looked at the entrance to Yang Gong's treasure house and shook his head. The masters of the Demon Sect all saw yesterday's battle here. Two land gods from the heavenly realm fell here, and one of them was Jing Nian. The founder of the Zen monastery is the Celestial Monk.

Moreover, the Jingnian Zen monastery was also eradicated by Wu Xiangjun. There are two women in the heavenly realm around Wu Xiangjun. Now it has been spread. Whoever wants to deal with Wu Xiangjun in the future will probably have to think about it. I miss the two women in the heavenly realm next to Wu Xiangjun,

"Let's go. The treasures in Yang Gong's treasury and the Evil Emperor's relics belong to Lord Wu Xiang this time. If we don't want to die, we'd better leave. Zuo

Youxian said with lingering fear when he thought about the battle between the four heavenly realms here yesterday.

"We can't deal with the women around Wu Xiangjun. Even if those two women in the heavenly realm don't come, we can't deal with Zhu Yuyan and Fan Qinghui. Now Zhu Yuyan and Fan Qinghui are great masters, and we just can't deal with them. I'm afraid I'm no match for Zhu Yuyan and Fan Qinghui. I won't be participating in Yang Gong's treasure house this time."

Although You Niaojian must get the evil emperor's relics, he will not die like a fool. Those women of Lord Wu Xiang are too powerful. There are two masters in the heaven and human realm, as well as the ones from Mie Jing Nian Zen Temple yesterday. Women, six great masters, and there are almost ten masters with the same cultivation level as them. This makes You Niaojian feel horrible just thinking about it.

"Forget it, we can't snatch the Evil Emperor's relic at all. If we don't want to die, let's leave as soon as possible."

"Withdraw, we won't fight for the Evil Emperor's relics this time."

Demon Commander Zhao Deyan looked at the surrounding Demon Sect masters, frowned and thought for a while, then said helplessly.

They are probably no match for the master women like Wu Xiangjun, let alone those big masters like Zhu Yuyan and Fan Qinghui. Grandmaster, and the two terrestrial immortals in the female heavenly realm made them feel even more powerless. The remaining masters of the Demon Sect also knew that the matter was beyond control. If they did not want to die this time, they could only give up the fight for the Evil Emperor's relics.

Zhao Deyan and the others After looking at Yang Gong's treasure house, he left this place of right and wrong.

In Dugu Mansion, Su Chen was now very embarrassed. After the affairs of Mrs. Ye Di were guessed by these women.

These women either despised her or looked at her with resentful eyes. Looking at him, Su Chen couldn't do anything about these women now.

Su Chen looked at these women and decided to divide them. If they were always here, I'm afraid his life would be very difficult.

"Lian Xing, you and Yan Jingnian should take Su Yan there together. By this time, Sikong Zhaixing should be about to break the trap in Yang Gong's treasure house."

## Chapter 460

Bai Ruobing and Donghuang Taiyi looked at each other and were very surprised. How did that bastard Su Chen kill two land gods in the heavenly realm?

Could it be that Su Chen asked that terrestrial immortal from the Heavenly Realm to help him again?

But even if Su Chen found a terrestrial immortal from the celestial realm, it would be impossible to kill two terrestrial immortals from the celestial realm?

Moreover, the terrestrial gods in the Celestial Realm are not a big deal. Su Chen probably doesn't have the ability to find two terrestrial gods in the Celestial Realm.

Bai Ruobing was confused and hurriedly asked the shadow assassin Youlan, "Have the two land gods in the heavenly realm really been killed? Who helped Su Chen?"

"Back to Madam, it was Madam Shi Guanyin and a woman named Madam Ye Di who helped the master kill the two land gods in the Heavenly Realm.

Bai Ruobing frowned after hearing Youlan's words and said, "Shi Guanyin?" I know Shi Guanyin, she is Su Chen's wife, but who is Mrs. Ye Di? Could it be that Mrs. Ye Di is also a terrestrial immortal in the heaven-human realm?"

Bai Ruobing finally understood this time. That bastard Su Chen not only notified her to come to rescue him urgently, but also notified that woman Shi Guanyin.

Bai Ruobing also knew that Shi Guanyin was a terrestrial immortal in the heavenly realm. Shi Guanyin's incident with Su Chen also told her, but she didn't expect Shi Guanyin to arrive earlier than her.

But Bai Ruobing, the wife of Ye Di, didn't know. Since Mrs. Ye Di and Shi Guanyin killed the two land gods in the heavenly realm, I'm afraid that that Mrs. Ye Di is also a land goddess in the heaven-human realm.

"Madam, Madam Ye Di is also a terrestrial immortal in the heaven-human realm."

"Oh, what is the relationship between Mrs. Ye Di and your master?" Bai Ruobing now suspects that Mrs. Ye Di must be related to that bastard Su Chen, otherwise how could Mrs. Ye Di help that bastard.

Shadow Assassin Youlan did not expect Bai Ruobing to ask her like this. She didn't know how to answer Bai Ruobing for a moment, but She still hurriedly replied to Bai Ruobing,

""I don't know,"

Bai Ruobing stared at Youlan and asked suspiciously, "Do you really not know?"

Youlan bit her lip under the black veil and felt helpless. She shouldn't talk about the master's affairs casually, and Bai Ruobing is the master's wife. If she deceives Mrs. Bai Ruobing, I'm afraid she will be punished by Mrs. Bai Ruobing in the future.

Youlan Lan thought about it and decided to continue to protect her master.

"Madam, my subordinate is not in Luoyang. These things were also told to me by the Shadow Assassin's secret letter. I really don't know what is going on in Luoyang."

Bai Ruobing looked at Youlan and stopped questioning her. She knew that Su Chen's men, whether they were secret guards or shadow assassins, were very loyal to that bastard Su Chen. Even if they died, they would never betray Su Chen. She No matter how hard you press, Youlan won't tell her the truth.

Donghuang Taiyi has been staring at the shadow assassin Youlan. Youlan's sudden appearance just now made her very surprised. How could this assassin who only has the realm of master cultivation avoid it? Her perception suddenly appeared in front of her?

This made Donghuang Taiyi puzzled.

Donghuang Taiyi suddenly thought that this shadow assassin had not practiced a special skill, right?

Only by practicing a special skill could he bring her breath Completely hidden so that she and Bai Ruobing could not discover her existence at all.

Donghuang Taiyi said to Bai Ruobing in a hoarse voice, "Bai Ruobing, unexpectedly that bastard Su Chen is fine. Should we go back to the Eastern Continent to continue checking that person?" Secret land? I'm afraid that old guy Bei Mingzi won't be able to find out that place alone."

"Don't worry, I want to know who is going to attack my husband." Bai Ruobing shook her head and refused. She didn't rush to help Su Chen this time, which made her feel very uncomfortable. If she just goes back without doing anything, I'm afraid she won't have the face to see that bastard again in the future. ,

Bai Ruobing thought for a while and asked the shadow assassin Youruo, "Youruo, do you know who your master's enemy is this time?"

"Madam, I know this. This time the master's enemies are the Great Yuan's Imperial Master Pang Ban and the Heavenly Monk of the Jing Nian Zen Monastery. Both of them have been killed by Mrs. Shi Guanyin and Mrs. Ye Di."

"The Jingnian Temple was also destroyed by Zhu Yuyan, Fan Qinghui and their wives. Now the only enemy of the master is the Dini from Cihang Jingzhai, and the Dini from Cihang Jingzhai is also a land immortal in the heaven-human realm."

When Bai Ruobing heard Youruo mention that there was another person in the Heavenly Realm who was Su Chen's enemy, and it was also the Heavenly Human Realm of Cihang Jingzhai, she said with great confusion,

"Cihang Jingzhai's dini? Aren't Fan Qinghui and Shi Feixuan also the masters and saints of Cihang Jingzhai? Could it be that Di Ni wanted to deal with her husband because of Fan Qinghui and Shi Feixuan?"

Bai Ruobing didn't expect that bastard Su Chen to have an enemy in the Celestial Realm. This bastard just came back from the Eastern Continent and provoked three Celestial Realm land gods within a month. It's a miracle that he wasn't killed.

Bai Ruobing I also learned about Shi Feixuan and Fan Qinghui from the secret guards, but one of them is the master of Cihang Jingzhai and the other is the saint of Cihang Jingzhai, and the Heavenly Realm of Cihang Jingzhai wants to take action against Su Chen , I

'm afraid it's because that bastard Su Chen abducted Fan Qinghui and Shi Fei Di Ni from Hang Jing Zhai, this is also compensation for her not helping Su Chen this time.

"Madam, Fan Qinghui and Shi Feixuan have been expelled from Cihang Jingzhai."

"Oh, I understand. Can you find the specific location of Dini?"

"Madam, Cihang Jingzhai's Di Ni is now in Chang'an, and Cihang Jingzhai has decided to support the Li clan in their quest for world hegemony."

"laugh! It turns out that I want to compete with my husband for dominance in the Sui Dynasty! Youlan, send a message to your master that Donghuang Taiyi and I went to kill Cihang Jingzhai as compensation for being late this time."

Bai Ruobing now also understands why Cihang Jingzhai's Di Ni is going against Su Chen. She guesses that Cihang Jingzhai must have united with the Li clan in the Sui Dynasty.

And her husband can be said to be from the Sui Dynasty. The most powerful force, this time the two land gods in the heavenly realm are going to assassinate Su Chen, and they are probably also going to help the Li clan to fight for world hegemony.

"Yes, ma'am."

Youlan disappeared into the teahouse after getting Bai Ruobing's order.

At this time,

Donghuang Taiyi, who had been observing Youlan, saw her disappear instantly, and she hurriedly checked the surrounding area, but how did she sense Youlan? Even the aura did not notice her presence, which made Donghuang Taiyi very interested in the shadow assassin.

Bai Ruobing saw Donghuang Taiyi looking at the place where the shadow assassin disappeared and shook her head. She knew that Donghuang Taiyi The Shadow Assassin was interested in the invisibility technique."Donghuang Taiyi, let's go to Chang'an. We will destroy Cihang Jingzhai's Dini and then return to the Eastern Continent.""

"Okay, I know I can't persuade you. If you don't help that bastard Su Chen a little this time, I'm afraid you won't leave the Southern Continent easily. Let's go back quickly. We can even kill Dini in an instant if we work together. We can't let that old guy Bei Mingzi get into trouble in that secret place."

"Don't worry, Bei Mingzi is powerful, and those giant beasts can't hurt the old guy Bei Mingzi."
