Chapter 461

Luoyang, Dugu Mansion.

After Su Chen came back from Yang Gong's treasury, he deployed 100,000 troops from the 150,000 troops in the system space. Su Chen had to hand over these troops to Shen Luoyan and Li Xiuning. An all-out battle had begun here in Sui Dynasty, and Su Chen also I don't want to have insufficient troops in the Sui Dynasty.

In the hall of Dugu Mansion,

Su Chen looked at the women and was about to assign tasks to them. His women and confidante Su Chen didn't want them to be idle and have nothing to do.

Su Chen himself is very lazy, so he should let his women and confidante help him with things here in Sui Dynasty.

In the hall, Murong Qiudi, Lianxing, Yan Jing'an, Zhu Yuyan, Fan Qinghui, and Mrs. Yedi looked at Su Chen suspiciously when he was called over.

They didn't know what Su Chen was going to do when he called them over without resting after he came back.

Su Chen said to Murong Qiudi and Yan Jingzhai

"Qiudi, you and Yan Jing'an take some people to Yangzhou. I have arranged for you 30,000 Xuanwu Legion and 20,000 Nether Cavalry Legion. With these troops, you can let Li Xiuning lead the war in the southern part of the Sui Dynasty."

Su Chen thought that there were 70,000 Xiaoguo troops in Yangzhou, and together with the Netherworld Cavalry Corps led by Li Xiuning, there were almost 100,000 troops.

This time, Li Xiuning will support another 50,000 troops. I believe that with Li Xiuning's ability, he can conquer the Southern Sui Dynasty. Come down.

Murong Qiudi guessed that Su Chen would have to return to the Song Dynasty soon due to this arrangement, and the war should start here in the Sui Dynasty. Otherwise, what is the use of raising so many troops. Although

Murong Qiudi was reluctant to part with Su Chen. Leave, but as long as they defeat Da Sui, she will stay with Su Chen for a long time in the future.

"Husband, are we going to launch an all-out war this time?"

Su Chen nodded to Murong Qiudi and said,

"Well, we don't have to worry about anything now. After we defeat the Sui Dynasty and the Song Dynasty, I will prepare to found a country, and then I will unify the Southern Continent."

Zhu Yuyan and the others heard that Su Chen was going to start fighting for hegemony, which made them very happy. Happy, with Su Chen's current power, it is easy to conquer the Sui Dynasty.

But when they heard that Su Chen wanted to found a country, they felt a little unnatural.

The real wives of this bastard Su Chen were Concubine Yan and Jing Salamander.

These women will also be in the future. I don't know how this bastard Su Chen will arrange them.

Su Chen looked at Zhu Yuyan and Fan Qinghui again and said,

"Zhu Yuyan, you and Fan Qinghui will stay in Luoyang with some people. Shen Luoyan is currently leading an army of 200,000 to attack Wagang Village. I will also leave you with 30,000 Xuanwu Legion and 20,000 Nether Cavalry Legion. Wagang Village has been sunk. After Luoyan is captured, the northern part of the Sui Dynasty will also be captured. You should be more careful with Li Clan."

"We know, but how do we women distribute it?"Zhu Yuyan had a headache thinking about Shang Xiufang's women.

Zhu Yuyan and the others couldn't directly order those women to stay in Luoyang or go to Yangzhou.

Among these women, they were either Su Chen's women or his confidante. In the future, they might all be sisters, Zhu Yuyan They also don't want Shang Xiufang and other women to think that they are a higher level

"It depends on their wishes. Whoever wants to go to Yangzhou can go to Yangzhou, and whoever wants to stay in Luoyang can stay in Luoyang."

"All right"

"Lianxing, have you also received the news from the secret guard?"Su Chen asked Lian Xing next to him with concern.

Su Chen didn't expect that Yao Yue from Yihua Palace would still confront Yan Nantian.

If the secret guard beside Yao Yue hadn't spread the news, Su Chen wouldn't have been able to I know what happened to Yao Yue.

But this time Su Chen will not watch anything happen to Yao Yue.

"I know, husband, I will go back to Daming tomorrow to help my sister."

Lianxing looked at Su Chen tenderly. She didn't want to leave Su Chen now, but she didn't want Yao Yue to face the matter at Yihua Palace alone. Lian Xing could only endure the longing and go back to help Yao Yue.

Su Chen rubbed his head and said helplessly,

"I understand that Yao Yue wants to help her, but Yao Yue is a bit competitive. If the secret guard hadn't sent news about this, I'm afraid Yao Yue wouldn't have told us."

Su Chen is also aware of Yao Yue's stubborn temper. I'm afraid no one can change her decision. Su Chen also thinks that Yao Yue is an arrogant girl. There is nothing she can do. When Su

Chen came to Mrs. Ye Ye, she hugged her and said ,

"Shui Rou, you and Lian Xing are going together this time. I'm not worried about Yao Yue."

Mrs. Ye Di was with him just yesterday. Su Chen originally didn't want Mrs. Ye Di and Lian Xing to go back, but Yao Yue's power in the Ming Dynasty is weak.

Yao Yue has no reliable allies in the Ming Dynasty. If Ye Di, who is in the heavenly realm, Madam comes over, Su Chen will also feel relieved

"Well, I will go back to Daming with Lianxing to help Yaoyue."

Mrs. Ye Di tenderly nodded to Su Chen and agreed.

She also knew that this bastard Su Chen cared very much about her woman. Although she had to be separated from this bastard for a while this time.

But in order for Su Chen to feel at ease, she Or decided to follow Su Chen's arrangements?

"This is best. After the matter at Yaoyue's place is resolved, you can go to Gusu City in the Great Song Dynasty to find me."

"OK"

Yan Jing'an looked at Su Chen and stroked her hair and said worriedly,

"Su Chen, have you forgotten Cihang Jingzhai's Di Ni? She is not dead yet. This time we killed her senior brother Tian Seng. I am afraid that Di Ni will desperately want to avenge Tian Monk. After Shui Rou leaves, I am afraid that no one here will be Di Ni's opponent."

Fan Qinghui also felt that it was not the right time for Mrs. Ye Di to leave this time.

"Yes, Di Ni is about the same strength as the Heavenly Monk. If Di Ni desperately comes to seek revenge, we will have no one to deal with her here."

Fan Qinghui is also very worried that Di Ni will come to take revenge. Now this bastard Su Chen is going to send out Madam Ye Di, the only master of the heaven and human realm. If

Di Ni comes to take revenge, I am afraid that these women will die in Di Ni's hands..Su

Chen looked at the two beautiful women in Cihang Jingzhai and smiled and said,

"Don't worry, Bai Ruobing and Donghuang Taiyi will be here soon. Even if Di Ni knows that Tian Monk was killed, Di Ni will not dare to come to avenge Tian Monk until she understands what's going on here."

Yan Jingzhai nodded after hearing Su Chen's words.

Yan Jingnian thought that if two more land gods from the heavenly realm came, she hoped to completely kill the cruel nun from Di Ni.

"Well, once Bai Ruobing and Dong Huangtai arrive, let them completely solve the cancer of Di Ni, otherwise keeping her will be a disaster."

"This is for sure, Di Ni can't stay. When Bai Ruobing and Donghuang Tai come over, let them make atonement for their sins, but they are a little slow in coming."

Fan Qinghui came to Su Chen and patted Su Chen on the shoulder and said,

"After all, Su Chen, Bai Ruobing, Donghuang Taiyi and the others are far away. If they could have arrived earlier, they would definitely not have delayed. Don't blame Bai Ruobing and the others."

"I know, I just say it."

Although Su Chen said this to Fan Qinghui, he would not let Bai Ruobing go.

When they were in Daqin in the Eastern Continent, Bai Ruobing secretly ran away with Donghuang Taiyi and Bei Mingzi. Bai Ruobing did not tell him what she was going to do.

Su Chen felt that Marquise Bai Ruobing needed to be dealt with. This time Bai Ruobing came over and he wanted to teach her a lesson. At the very least, Bai Ruobing would not be able to get out of bed for a few days.

Chapter 462

Su Chen made arrangements with Murong Qiudi and the others and went out. He also wanted to comfort Shi Qingxuan. Shi Zhixuan's death this time might make Shi Qingxuan very sad.

There was nothing that could be done about it. Who knew that Shi Zhixuan would go to Pegasus Ranch and find Lu Miaozi? If Shi Zhixuan had not touched the Evil Emperor's relic, Su Chen would not have killed him.

In the hall of Dugu Mansion,

Murong Qiudi and the others saw Su Chen leaving with a headache and guessed that he was going to find Shi Qingxuan. They could not help Su Chen this time. After all, the death of Shi Qingxuan's father was indirectly related to Su Chen. relationship, they could only hope that Shi Qingxuan would not resent Su Chen.

When Zhu Yuyan saw Su Chen leaving, she gave the Zhuyan Pill to Fan Qinghui and the others and said,

"Let's take the Zhuyan Pill first, and then call everyone here tomorrow to tell them about Su Chen's arrangements."

Yan Jing'an took the Zhu Yuyan pill from Zhu Yuyan and said with a smile,

"Well, if Su Chen goes to appease Shi Qingxuan, we can't help. We should take Zhuyan Danhou as soon as possible and go about our own things."

Everyone else nodded.

Zhu Yuyan gave Lianxing two pills here. Lianxing knew that there was one from her sister Yaoyue. She smelled the fragrance of the Zhuyan Pill and hurriedly put the Zhuyan Pill in it. In a jade bottle.

Mrs. Ye Di smiled when she looked at the Zhu Yan Dan in her hand. She also heard Zhu Yuyan and the others talk about the efficacy of this Zhu Yan Dan.

Madam Ye Di was also looking forward to this Zhu Yan Dan. Here is the She is very old. Although her appearance has not changed due to age, Mrs. Ye Di still hopes that she can return to her most beautiful and beautiful period.

After Fan Qinghui and Yan Jing'an got the Zhuyan Pill, they met Murong Qiudi and the others left after talking. They were looking forward to the Beauty Pill the most.

Cihang Jingzhai didn't have any techniques that could make it easy for them not to age. Although they haven't aged yet, it was because of their strength. It is powerful and slows down aging. This time they have the Beauty Pill, and they can't wait to take it immediately.

Murong Qiudi looked at the Beauty Pill in their hands with envy, but she didn't blame Su Chen for not sharing it. She Zhu Yan Dan, after all, she is still very young now, and Zhu Yuyan and the others are not young. Murong Qiudi also believes that Su Chen will find Zhu Yan Dan for her in the future.

A beautiful hill outside Luoyang City Above, a woman in white stood in front of a newly built tomb. She didn't know what she was thinking, but the tears on her face made her look very sad.

After a while, the woman started to blow the jade Xiao in her hand..

A melodious and sad Xiao sound came out. Under this sad Xiao sound, the woman looked very helpless and sad. This woman was Shi Zhixuan's daughter Shi Qingxuan. After she learned that Shi Zhixuan was dead, Shi Qingxuan had no response. If anyone says another word, she will bury Shi Zhixuan here and never return to Dugu Mansion.

Shi Qingxuan doesn't know how to face Su Chen in the future. After all, Shi Zhixuan died because of Su Chen.

And she resents Shi Zhixuan because of her mother's affairs, but Shi Zhixuan But her father, and Shi Qingxuan, Shi Zhixuan's protection for her for many years, made Shi Qingxuan not sure how to face that bastard Su Chen in the future.

But at this time, Su Chen suddenly appeared behind Shi Qingxuan, and he looked in front of him The sad Shi Qingxuan did not come forward to disturb her.

Su Chen looked at Shi Zhixuan's grave with emotion. Shi Zhixuan's ambition was too great. If Shi Zhixuan's schizophrenia was cured, he would definitely be Su Chen's enemy, and Zhu Yuyan and Shi Zhixuan's Hatred cannot be resolved.

Although Su Chen wanted to abolish Shi Zhixuan's martial arts cultivation, the accident in Yang Gong's treasure house forced him to kill Shi Zhixuan. However, Shi Zhixuan's death may be his relief.

But Su Chen I couldn't understand why Shi Qingxuan didn't bury Shi Zhixuan and Bi Xiuxin together?

Could it be that Shi Qingxuan still didn't forgive Shi Zhixuan for killing her mother?

When Xiao stopped, Su Chen stepped forward and hugged Shi Qingxuan and said comfortingly,

"Qingxuan, don't be sad. I don't want to see Shi Zhixuan die, but Shi Zhixuan's unexpected death may be his relief."

Shi Qingxuan looked at Su Chen who arrived and ignored him. This bastard did not keep his promise. He promised to only destroy Shi Zhixuan's cultivation, but this time he only brought Shi Zhixuan's body. This made Shi Qingxuan feel a little jealous of this bastard. Angry.

Shi Qingxuan also heard what Fan Qinghui and the others said about the accident that happened in Yang Gong's treasure house. She also knew that she couldn't blame Su Chen, but she just didn't want to talk to this bastard.

Su Chen saw that Shi Qingxuan ignored him, but Shi Qingxuan didn't stop him either. He hugged her, which made Su Chen feel that Shi Qingxuan was just angry with him, but not resentful that Shi Zhixuan died because of him.

Su Chen touched Shi Qingxuan's hair and asked gently,

"Qingxuan, why did you bury Shi Zhixuan here in Luoyang this time? Shouldn't Shi Zhixuan be buried with your mother? Haven't you forgiven Shi Zhixuan yet?"

Shi Qingxuan still ignored Su Chen after hearing Su Chen's words. It wasn't that she didn't want to bury Shi Zhixuan and her mother together, but that Shi Zhixuan couldn't be buried with her mother. After all, Shi Qingxuan's mother was not buried. How could she be buried with Shi Zhixuan?

In Youlin Xiaozhu. That tomb was just a tomb, and her mother was not buried there.

The body of Shi Qingxuan's mother is now kept in an ice coffin in a secret place.

After Shi Zhixuan's schizophrenia, he always wanted to resurrect her mother Bi Xiuxin , Shi Zhixuan placed Bi Xiuxin's body in an extremely cold ice coffin to wait for Bi Xiuxin to be resurrected in the future. When

Su Chen saw that Shi Qingxuan still ignored him, he did not ask Shi Qingxuan any more, and Su Chen stood holding Shi Qingxuan in his arms. They were silent in front of Shi Zhixuan's grave.

Su Chen and Shi Qingxuan just stood in front of Shi Zhixuan's grave. The sky slowly got dark. Except for the chirping of birds and insects on the hill, it was very quiet here now.

"Su Chen, you broke your promise."

At this time,

Shi Qingxuan's voice reached Su Chen's ears, but Su Chen didn't answer him. Su Chen didn't know what to say to Shi Qingxuan. He just hugged Shi Qingxuan tightly and looked at the night sky. When

Shi Qingxuan saw Su Chen didn't answer her, which made Shi Qingxuan couldn't help but scream,

"Why don't you answer, you bastard? Are you feeling guilty? Still feel sorry for me?"

Su Chen relaxed when he saw that Shi Qingxuan was losing his temper. It would be terrible if Shi Qingxuan remained silent. Now Shi Qingxuan wants to vent her dissatisfaction, so Su Chen lets her vent. Only Shi Qingxuan can express all the anger in her heart. Only by venting it out could Su Chen be able to comfort Shi Qingxuan.

"You're talking, why don't you answer me?"

Shi Qingxuan twisted her body and slapped Su Chen on the chest. She asked Su Chen with a cry while beating Su Chen.

Su Chen reached out and wiped the tears on Shi Qingxuan's face and smiled.

He felt Shi Qingxuan is now helpless and sad. In the future, Shi Qingxuan will be alone, and Su Chen is her only support. Shi Qingxuan wants Su Chen to give her an explanation so that she can forgive Shi Zhixuan's death. I won't resent Su Chen.

Chapter 463

On the hill at night,

Su Chen had been standing here holding the sad Shi Qingxuan, and now Shi Qingxuan also fell asleep slowly and sadly in his arms.

Su Chen never answered Shi Qingxuan's words here. It's not that he didn't want to answer Shi Qingxuan, nor did he want to comfort her. Although Shi Zhixuan's death was not his fault, after all, Shi Zhixuan died under his sword.

If Su Chen really explains to Shi Qingxuan that he does not blame him this time, I am afraid that Shi Qingxuan will forgive him this time, and the relationship between Shi Qingxuan and him will not be the same as usual in the future. Su Chen can only respond to Shi Qingxuan with silence now..

Su Chen looked at Shi Qingxuan's haggard look and touched her face and whispered,

"It's not that I don't answer you. Shi Zhixuan committed suicide with my sword after all. Although all this was an accident caused by the Evil Emperor's relic, he died under my sword after all."

"Even if Shi Zhixuan doesn't die this time, I'm afraid he will go completely crazy. Death is also a kind of relief for Shi Zhixuan."

"Qingxuan, I hope you don't resent me."

At this moment,

Shadow Assassin Commander Youruo suddenly appeared next to Su Chen. After she appeared, she looked at Shi Qingxuan sleeping in Su Chen's arms and whispered,

"met the owner"

"You Ruo, what happened?"

"Master, Mrs. Bai Ruobing and Donghuang Taiyi have already appeared in Sui Dynasty. Now they are heading towards Chang'an. Mrs. Bai Ruobing asked the shadow assassin Youlan to inform the master that Mrs. Bai Ruobing and Donghuang Taiyi went to Luoyang to kill Cihang Jingzhai's Dini. This is right. Compensation for their late arrival this time"

"Did they go to Chang'an to kill Cihang Jingzhai's Di Ni? But this is okay. They were originally asked to kill Di Ni. This time they have this awareness. It's good. Youruo ordered Chang'an's secret guards to fully cooperate with Bai Ruobing and Donghuang Taiyi."

"Yes, master."

Su Chen thought about it after Youruo left. He had nothing to do with him here in the Sui Dynasty. Su Chen had been away from the Song Dynasty for some time. This time he planned to return to the Song Dynasty in a few days. After all, it was his home.

Su Chen hugged Shi Qingxuan and disappeared on the hill.

After Su Chen left, there was only a lonely tomb on the hill. After the death of the evil king of the Demon Sect, there was only a pile of loess. The following days Here,

Su Chen has been accompanying Shi Qingxuan. He was also worried that Shi Qingxuan would leave without saying goodbye or that she could not think about getting sick. In Dugu Mansion, Lianxing and Mrs. Yedi were the first to leave. After all, the situation at Yao Yue's place was unclear, and they were also worried about Yao Yue. Yue's comfort left first.

Murong Qiudi and Yan Jing'an also left Luoyang with Qin Mengyao, Le Bingyun, Song Yuhua, Shang Xiufang, Shang Xiuxun, Fu Junyu and Fu Junqiang under the escort of 50,000 troops.

A war is about to begin in Yangzhou, and Murong Qiudi and Yan Jingzhai are also going to take charge of things in Yangzhou. The remaining people are going to help Zhu Yuyan, Fan Qinghui and the others in Luoyang. Lu Xiaofeng,

Sikong Zhaixing, Ximen Chuixue and the others are also going to. When they left, Su Chen gave them a million taels of gold, which made Sikong Zhaixing extremely happy. On this day,

Su Chen was playing chess with Shi Qingxuan and Xue Nu, and the shadow assassin Youruo brought them I received good news that Di Ni from Cihang Jingzhai was killed by Bai Ruobing and Donghuang Taiyi.

Xue Nu poured a cup of tea for Su Chen and said with a smile,

"Husband, the Di Ni of Cihang Jingzhai has been killed. Are we going to leave the Sui Dynasty too?"

Su Chen took a sip of Cha and said with a smile,

"Well, it's time to leave. Concubine Yan is almost four months pregnant, and I don't want to be away from Concubine Yan when she gives birth."

Xue Nu looked at Shi Qingxuan in Su Chen's arms and smiled and asked, "Who are you going to take back to the Song Dynasty this time?"

Shi Qingxuan, who was in Su Chen's arms, nervously grabbed Su Chen's hand when she heard Xue Nu's words. She was worried that Su Chen wouldn't take her with him this time.

She and Su Chen had never been separated in the past few days, even They sleep together. Shi Qingxuan has become accustomed to being with Su Chen. Now she is very reluctant to be separated from Su Chen.

Su Chen looked at Shi Qingxuan's nervous look and kissed her.

"Just you and Shi Qingxuan, the others still have things to do in Da Sui, so there must be someone here in Da Sui to help Zhu Yuyan and the four of them."

Shi Qingxuan smiled after hearing Su Chen's words. Shi Qingxuan also knew that she had been dominating Su Chen these days. Although she was still a little concerned about Shi Zhixuan's death, she was no longer angry with this bastard. But this bastard She actually secretly did those embarrassing things with Mrs. Ye Di, Murong Qiudi and others while she was resting, which made her very ashamed and angry. She was a peerless beauty and that bastard was motionless next to her. Shi Qingxuan even doubted her. This bastard doesn't like her anymore.

Shi Qingxuan only found out yesterday that Su Chen was worried about her health. Shi Qingxuan has been a little haggard these days because of Shi Zhixuan's death. Su Chen was worried about her health and didn't move her.

Xue Nu looked at the chessboard After he landed a white seed, he asked,

"Where is Yan'er? Aren't you going to take her back to Song Dynasty?"

Su Chen felt very helpless when he thought that Su Yan was now in Shen Luoyan's army.

"That girl is going crazy now. Even if I ask her to come back now, I'm afraid she won't be obedient. Forget it, let her stay in Sui."

"Haha, Su Yan is very smart, so don't worry about her"

"I know this. With Xiaomeng by her side, I don't worry about her safety."

As he spoke, Su Chen took out a jade bottle from the system space and shouted to the side,

"Youruo"

""Master,"

Youruo suddenly appeared next to Su Chen and saluted,

"Send this beauty pill to Bai Ruobing"

"Yes, Master."

Snow Girl was a little curious as to why Su Chen sent the Beauty Pill to Bai Ruobing. Now that Bai Ruobing and Donghuang Taiyi have killed Di Ni from Cihang Jingzhai, they should be coming to Luoyang soon. Su Chen's doing this is not unnecessary. ?

Xue Nu thought for a while and asked Su Chen,

"Husband, won't Sister Bai come to Luoyang to see you?"

Su Chen shook his head and said to Xue Nu,

"She didn't dare to come. That woman who made her own decisions was afraid that I would punish her. Moreover, she, Donghuang Taiyi, and Bei Mingzi were probably going to do something else. This time, I called her over before she had even finished what they wanted to do. , Bai Ruobing and Donghuang Taiyi should rush back as soon as possible."

Xue Nu smiled and didn't say anything. She also knew about Bai Ruobing's sudden disappearance in Da Qin. Su Chen was very dissatisfied with Bai Ruobing's silent departure. Xue Nu thought that when Bai Ruobing came back in the future, she might be killed by Su Chen. This bastard bullied him severely.

Three days later in the morning, after Su Chen came out of Zhu Yuyan's room feeling refreshed, he took the prepared Xue Nu, Shi Qingxuan, and Fan Qinghui, said goodbye, got on the carriage and left.

In Zhu Yuyan's room, Zhu Yuyan put on a coat and shed tears watching Su Chen leave. This time she got Su Chen's love as she wished, but the time was too short, and she also knew that Su Chen still had many things to do..Zhu

Yuyan did not let Su Chen stay with her for a while. She was already satisfied now, and they would have a lot of time to get together in the future. Zhu Yuyan didn't care much about this separation, she just couldn't bear to see Su Chen this time. Leave.

Chapter 464

Half a month later, a luxurious carriage was heading towards the Song Dynasty. The carriage was surrounded by two hundred guards who were vigilantly guarding the carriage. On this official road, the common people and people in the world were far away when they saw this luxurious carriage. Avoiding it from a distance, they saw that the guards around the two carriages were not simple people.

In the carriage,

Su Chen, Xue Nu, and Shi Qingxuan looked at the pedestrians on the road in boredom. Su Chen did not take the sea route this time. Su Chen was also worried about the current sea ships. Last time he went to the Sui Ship, something almost happened. He could I don't want to get into trouble in the sea by boat.

Xue Nu held the map in her hand, looked at it, and said to Su Chen with a smile,

"Husband, we are approaching the territory of Dayuan. Why don't you go and meet your confidante, Princess Zhao Min?"

Shi Qingxuan leaned in Su Chen's arms and said with a smile,

"Yes, your confidante Zhao Min is very powerful now. She has conquered some counties on the border between the Song Dynasty and the Ming Dynasty. Now Zhao Min is a famous female commander-in-chief."

After more than ten days of Su Chen's guidance, Shi Qingxuan has recovered from her sadness. Now Shi Qingxuan is much more lively than before, and she also cares more about Su Chen. Shi Qingxuan doesn't want to leave Su Chen for a while. Next to Chen Chen.

Su Chen leaned on the soft couch of the carriage and hugged Shi Qingxuan's soft body and said with a smile,

"Now is not the time to look for Zhao Min. Besides, Zhao Min is not in Dayuan. Even if we go to Dayuan to look for Zhao Min, we can't find him."

Su Chen heard the secret guard's report. Now Zhao Min is in the Ming Dynasty. Su Chen feels that Zhao Min should deal with the anti-Yuan people who occupied the counties of Daming. These should be those in the story of Heaven and Dragon Slaying. The plot has not started yet.

Xue Nu is a little confused when she thinks about the news she heard in the teahouse at noon today. She is also very curious about how the Jianghu people of the Song Dynasty will fight against the Dayuan Dynasty. You must know that the Song Dynasty has always been interested in the Dayuan Dynasty. cede territory and pay compensation.

However, the Jianghu people in the Song Dynasty have been resisting the Yuan Dynasty. This makes Xue Nu feel that these Jianghu people in the Song Dynasty will definitely not do anything. After all, without the help of the army, it is difficult for the Jianghu people to fight against the Yuan army..

After Xue Nu fed Su Chen a grape, she asked expectantly,

"In two days we will go to Zhongnan Mountain. I heard that the Quanzhen Sect and the Beggar Clan there are planning to join forces to fight against the Yuan Dynasty. Husband, do we want to go and take a look?"

Su Chen also wanted to see how the Jianghu people of the Song Dynasty would fight against the Yuan army, but his identity was special. Su Chen occupied the south of the Song Dynasty. If his identity was exposed in the Song Dynasty, the Song Dynasty would not hesitate at all costs. The price is to catch him.

Su Chen touched Xue Nu's white hair and nodded, saying,

"Let's go and have a look. It's a road trip anyway, but we can't reveal our identity, otherwise the Jianghus of the Song Dynasty and the Song Dynasty court will not let us pass through the Song Dynasty easily."

"Haha, we know, but Zhongnan Mountain is now at the junction of the Great Song Dynasty and the Great Yuan Dynasty. The Great Song Dynasty will be detrimental to the husband, but the Great Yuan Dynasty will not embarrass the husband, right?"

"Not necessarily. If the army here is arranged by Zhao Min, then we will be fine. However, if other Dayuan generals are in Zhongnan Mountain, I am afraid they will also be disadvantageous to us. If we can do it without exposing our identity, we should not expose it."

"we know."

Zhongnan Mountain

In the Quanzhen Sect, Wang Chongyang feels very helpless now. He has been resisting the invasion of the Song Dynasty by the Jin Kingdom all his life, but now the Jin Kingdom has been defeated by the Yuan Dynasty. The area north of Zhongnan Mountain has been ceded to the Jin Kingdom. After the Great Yuan Dynasty, now the Great Yuan Dynasty has arrived and is about to start a war with the Great Song Dynasty in Chang'an. Zhongnan

Mountain is very close to Chang'an, and the Beggar Gang is also frequently contacting Jianghu people to resist the Great Yuan invasion in Chang'an. Wang Chongyang is now The battle with Dayuan is about to begin.

Wang Chongyang is now invited by Hong Qigong, the leader of the Beggar Clan, to hold a martial arts conference to discuss fighting against Dayuan's invasion. He is going to the martial arts conference in Chang'an, but I'm afraid this time The martial arts people of Dayuan will definitely make trouble.

Wang Chongyang shook his head when he thought of Hong Qigong. After Hong Qigong's Southern Beggar Clan was wiped out by Wu Xiangjun's men, Hong Qigong took the remaining disciples of the Southern Beggar Clan with him. Fleeced to the north of the Song Dynasty.

After the merger of the Southern Beggar Clan and the Northern Beggar Clan of Hong Qigong in the northern Song Dynasty, Hong Qigong took the position of the new leader of the Beggar Clan because he was a master. This time Hong Qigong Qi Gong might be trying to revive the Beggar Clan.

At this moment, a middle-aged man ran into Wang Chongyang's room and shouted loudly,

"The master was in trouble, and an army from Dayuan appeared in Zhongnan Mountain."

Wang Chongyang stood up quickly after hearing this and asked,

"Chuji, how many Dayuan troops have come to Zhongnan Mountain?"

"Master, there are more than 3,000 yuan of troops. They may arrive at Zhongnan Mountain in less than an hour."

"Chu Ji, immediately sound the alarm for our Quanzhen Sect and let the disciples of the Quanzhen Sect get ready to fight. These Yuan troops must be coming with bad intentions."

"Yes, master."

After Qiu Chuji left, Wang Chongyang hurriedly flew towards the back mountain of Zhongnan Mountain. He wanted to tell Lin Chaoying of the Ancient Tomb Sect about the appearance of the Dayuan army in Zhongnan Mountain. If Lin Chaoying could come to help his Quanzhen If you teach, then these sudden Yuan troops are nothing to worry about.

Wang Chongyang came to the entrance of the ancient tomb of the Ancient Tomb Sect and shouted loudly to the ancient tomb, "Master Lin, Wang Chongyang is here to visit, I also asked Master Lin to come out and talk about it."

Wang Chongyang waited outside for a while but did not see any response from the ancient tomb. He is now a little anxious.

Although he has failed Lin Chaoying of the ancient tomb sect, this time the matter is urgent, and he does not want to comply now. He made an agreement with Lin Chaoying.

When Wang Chongyang was about to break into the ancient tomb, a pleasant sound came from the ancient tomb,

"Wang Chongyang, there is nothing left to say between us. You can leave."

When Wang Chongyang saw Lin Chaoying responded, he hurriedly said loudly to Lin Chaoying,

"Leader Lin, there is a Great Yuan army in Zhongnan Mountain. This time the Great Yuan army must have come with bad intentions. I would like to invite Head Lin to fight against these Great Yuan armies together."

An indifferent voice came from the ancient tomb again, a cold voice that seemed to be mocking Wang Chongyang came from the ancient tomb,

"This has nothing to do with our Ancient Tomb Sect. We, the Ancient Tomb Sect, don't care about worldly affairs. Aren't you bent on fighting against the Kingdom of Jin and Dayuan? This time, the arrival of Dayuan's army is not just as you wish. You can use your power to massacre those Yuan soldiers."

Wang Chongyang felt very uncomfortable when he heard Lin Chaoying's ridicule. Although he and Lin Chaoying broke up, they had a good impression of each other before, and even had a romantic relationship at one time. It's just that he hurt him again and again for the sake of national justice. Lin Chaoying, they did not get together in the end.

Not only did Lin Chaoying not see each other now, even when he came to ask Lin Chaoying for help, Lin Chaoying ignored him.

This made Wang Chongyang look very ugly.

Chapter 465

Wang Chongyang knew that Lin Chaoying still refused to forgive him. He looked at the entrance of the ancient tomb and turned around to leave. She knew Lin Chaoying's temper. As long as Lin Chaoying decided on something, no one could convince her.

This time the Quanzhen Sect had to face the attack of Dayuan's army alone, but he hoped that the people from the Beggar Clan could get the news to support his Quanzhen Sect, otherwise the more than 500 disciples of the Quanzhen Sect would have suffered heavy casualties.

After Wang Chongyang left, a thin and beautiful woman appeared at the entrance of the ancient tomb. She sighed when she saw Wang Chongyang leaving, and then she turned around and entered the ancient tomb again.

In the Quanzhen Sect, the Quanzhen Sect has now been mobilized, and their disciples also know that the Dayuan army is coming. With panic on their faces, these disciples are holding weapons and preparing to challenge the Dayuan army.

Disciples like them have also heard about the forced wedding of the Dayuan army. The Jin Kingdom defeated the Song Dynasty and obtained a large area of land in the north of Zhongnan Mountain. The Dayuan army also defeated the Jin Kingdom, and these lands were seized by the Dayuan Dynasty.

And their Quanzhen Sect can't even deal with the Jin Kingdom's army, and they are even more unable to resist Dayuan's army. Maybe the Quanzhen Sect will really be destroyed this time. The Quanzhen Sect disciples here are now very frightened..

In the Quanzhen Sect's main hall, Qiu Chuji, Hao Datong and the other seven Quanzhen disciples all stood respectfully beside Wang Chongyang. Wang Chongyang sat on the main seat and thought about how to face the attack of the Dayuan army.

Qiu Chuji looked at Wang Chongyang who was thinking about something and asked worriedly,

"Master, the five hundred and thirty-five disciples of Quanzhen Sect are ready to fight. Can we defeat Dayuan's three thousand army this time?"

Wang Chongyang sat on the chair, shook his head and said helplessly,

"The winning rate is not high. Dayuan's army is well-equipped, and their archers are also a fatal threat to our Quanzhen Sect disciples."

"Even if we are strong in martial arts, we may still be powerless against the army. Unless you are masters like me, then we can still defeat the three thousand Great Yuan army."

Ma Yuzou frowned and felt that it was not worthwhile for the master to go head-to-head with the Dayuan army this time. If they failed this time, I am afraid that the Quanzhen sect would really lose its vitality and even lose its reputation completely in the martial arts world. This is not what he The results I want to see,

"Master, how about we abandon the Quanzhen Sect? As long as we are in the Quanzhen Sect, we cannot confront the Dayuan army head-on now, otherwise our Quanzhen Sect disciples will definitely be annihilated."

Wang Chongyang did not expect that his eldest disciple Ma Yu would say such a thing. Wouldn't this give up the Quanzhen Sect to the Dayuan people?

This made Wang Chongyang very unwilling to do this. He was the master of the Quanzhen Sect. The sect he created, and the Quanzhen Sect became a powerful sect in the Song Dynasty under his decades of management.

Now he is asked to abandon the Quanzhen Sect and take his disciples away from Zhongnan Mountain.

This will not immediately ruin the reputation of the Quanzhen Sect. ?

Wang Chongyang glared at Ma Yu and shouted loudly,

"Ma Yu, do you want us to take our disciples and leave Zhongnan Mountain? Do you want us to give up Quanzhen Religion?"

Qiu Chuji and the others also looked at their senior brother with confusion. Qiu Chuji and the others did not expect that senior brother would say such things. Their master Wang Chongyang has always been anti-gold and anti-yuan. They disciples all knew it well, but today senior brother Ma Yu's words made them all feel incredible.

Ma Yu hurriedly knelt down when he saw the angry Wang Chongyang. Ma Yu knew that Wang Chongyang would be angry when he said these words, but he did not expect that his master Wang Chongyang would be so angry.

Ma Yu can only He could tell his master Wang Chongyang his thoughts immediately, otherwise he was afraid that his master Wang Chongyang would be so angry that he would kill him directly.

Ma Yu knelt on the ground and hurriedly said to Wang Chongyang,

"Master, isn't Hong Qigong going to hold a martial arts conference in Chang'an now? Our Quanzhen Sect has now been targeted by the Yuan army. If we suffer heavy losses here, I am afraid there is no need to participate in the martial arts conference in Chang'an."

"I think it would be better if we take all the disciples of the Quanzhen Sect and leave the Quanzhen Sect. In this way, our Quanzhen Sect can not only avoid the attack and killing of the Dayuan army, but also we can directly take all the disciples to Chang'an to participate in the martial arts conference. This Isn't it the best of both worlds?"

Qiu Chuji felt that it was very correct after listening to Ma Yu's words. As long as their disciples of the Quanzhen Sect are still there, the Quanzhen Sect will not perish. Besides, they also went to Chang'an to participate in the martial arts conference, and their Quanzhen Sect did not escape from the battle.

Qiu Chuji thought of this He also knelt down and said to Wang Chongyang,

"Master, Senior Brother is right. We are leaving Mount Zhongnan for the time being. As long as our Quanzhen Sect disciples are here, we can still establish the Quanzhen Sect in Zhongnan Mountain in the future. For the sake of the Quanzhen Sect disciples, Master, please think twice."

"Master, please think again!"

The remaining Wang Chuyi and others also knelt down and begged.

Wang Chongyang also felt that Ma Yu's words were reasonable. As long as their Quanzhen Sect disciples were not killed or injured, they could still establish the Quanzhen Sect in the future. They just asked him to Wang Chongyang was very helpless to escape the Quanzhen Sect from Zhongnan Mountain like this.

Wang Chongyang thought for a while, looked at these disciples, sighed and said, "Get up, Ma Yu, and arrange for the disciples to escape from the Zhongnan Mountain." Nanshan"

"Yes, master."

At this moment, at the foot of Zhongnan Mountain, more than 3,000 Yuan troops were riding towards Zhongnan Mountain on war horses. These heavily armed troops were rushing towards the people at the foot of Zhongnan Mountain. The people of Song Dynasty were rushing towards the

Yuan army. Below, you can see civilians being trampled and hacked to death by war horses and sabers at any time.

In the middle of the Dayuan army, an innate guard smiled and flattered a young man in gorgeous clothes,

"Little Prince, the Quanzhen Sect can't escape this time. We are bringing Dayuan's most elite wolf cavalry this time. We will definitely kill all the disciples of the Quanzhen Sect. When the time comes, the Little Prince will definitely be reused by the prince.."

The young prince laughed very arrogantly and said,

"Hahaha! This time is when I, Huo Du, have made great achievements, and my master Jinlun Dharma King is also here. The martial arts conference of the Great Song Dynasty is going to be held in Chang'an. My master will let these people from the Central Plains know that our martial arts people from the Great Yuan Dynasty are no worse than them."

"I would like to congratulate the young prince on this achievement."

"Haha, order the army to stop killing these people in the Central Plains and speed up the march towards the Quanzhen Sect."

"Yes, little prince."

In the back mountain of Zhongnan Mountain, the Ancient Tomb Sect.

In the ancient tomb, in a dark stone room, a thin and beautiful woman was practicing martial arts on a cold ice bed. The terrifying cold air on the ice bed made the stone room almost freeze. , and this woman didn't feel the cold at all. She was wearing a thin dress and didn't seem to care about the cold ice bed.

At this moment, a delicate woman wearing a white dress ran in and shouted,

"Miss, it's not good, the people from the Quanzhen Sect have all fled from the back mountain."

"oh? Wang Chongyang actually fled without fighting? He even had the heart to give up the Quanzhen Sect?" This is not in line with his usual style. Could it be that there are so many Yuan troops coming to attack the Quanzhen Sect this time? Did Wang Chongyang escape in advance when he knew he was outnumbered?"

Chapter 466

Lin Chaoying opened her eyes from Hanyu bed and was very confused.

What did she hear?

Wang Chongyang ran away?

He actually led the disciples of the Quanzhen Sect to escape from the Chongyang Palace of the Quanzhen Sect?

This made Lin Chaoying feel a little incredible. Wang Chongyang had always been determined to resist the Jin Kingdom, and now he was resisting the Yuan Dynasty here in Zhongnan Mountain.

How could Wang Chongyang escape when he invaded the Quanzhen Sect of Zhongnan Mountain in the Yuan Dynasty?

This made Lin Chaoying begin to despise Wang Chongyang.

Lin Chaoying shook her head and asked her maid Lin Bing'er, "Bing'er, did Wang Chongyang really escape with all the disciples of the Quanzhen

Sect?" Lin Bing'er came to Lin Chaoying and saluted,

"Miss, it's true. I was collecting honey in the back mountain just now and saw with my own eyes that Wang Chongyang and the disciples of the Quanzhen Sect left the back mountain in a panic."

When Lin Chaoying heard Lin Bing'er's reaffirmation, she guessed that the Yuan army coming this time must be very powerful. Even Wang Chongyang couldn't deal with the Yuan army coming this time. It seems that their ancient tomb sect has to avoid it too.

Lin Chaoying suddenly thought that her little apprentice Xiao Longnv [Here Li Mochou and Xiao Longnv are Lin Chaoying's apprentices] and her maid Lin Rou were still practicing bird catching skills outside the ancient tomb.

Lin Chaoying hurriedly said to Lin Bing'er,

"Well, I understand, Bing'er, tell Rou'er and Xiao Longnu to return to the ancient tomb quickly. Now that Dayuan's army has come to Zhongnan Mountain, don't let them practice outside."

""Yes, Miss."

Lin Chaoying got off the Hanyu bed after Lin Bing'er left. Now she is not practicing martial arts. This time Dayuan's army arrives. If they find that no one from the Quanzhen Sect is found, they will definitely search the mountain. Yes, Lin Chaoying was also afraid that the Ancient Tomb Sect would be discovered by Dayuan's army.

At the foot of Zhongnan Mountain, a luxurious carriage came here accompanied by two hundred guards.

In the carriage were Su Chen, Xue Nu, Shi Qingxuan and the others. They hurried all the way and finally arrived at Zhongnan Mountain within two days, but they did not expect that the martial arts conference that the Beggar Clan and the Quanzhen Sect were going to hold would be in Chang'an.

At this time, the Dayuan patrol army at the foot of Zhongnan Mountain discovered Su Chen's carriage and two Hundreds of guards, when more than 500 Yuan troops surrounded the carriage, a secret guard captain next to the carriage took out a token and threw it to a leading Dayuan general.

The Dayuan general caught the token, looked at it, and hurriedly said Kneel down while driving the carriage

"Huerman has met the adults"

"Get up. My master is going to visit Zhongnan Mountain. You can go about your business."

"Yes, sir."

After the Dayuan general Huerman handed the token to the guard commander with both hands, he hurriedly left here with his troops.

In the carriage, Shi Qingxuan saw the Dayuan troops patrolling here. Zhao Min laughed at his token performance,

"Haha, husband, this token of yours is really useful. It seems that Princess Zhao Min is very attentive to you."

"Yes, we were all thanks to Princess Zhao Min's token along the way, otherwise it would have been much more troublesome for us to get here."

Xue Nu also smiled slightly beside her.

Xue Nu didn't expect that Su Chen would have Princess Zhao Min's token. In the past, it was only said that Princess Zhao Min and Su Chen had an ambiguous relationship.

But she didn't expect that Princess Zhao Min would really treat Su Chen, a bastard. She was so emotional, otherwise Princess Zhao Min would not have given her identity token to this bastard Su Chen.

Su Chen held Shi Qingxuan and Xue Nu in his arms, kissed each of them and said with a smile,

"It's nothing. Even without Zhao Min's token, I can still make these Dayuan troops unable to do anything to us. Don't forget that we killed the Great Yuan Imperial Master Pang Ban."

"We have blocked the news of Pang Ban's death, and I have also obtained Pang Ban's identity token. With Pang Ban's token, I believe that these Dayuan troops will not dare to take action against us."

After Xue Nu and Shi Qingxuan heard what Su Chen said, they felt that Su Chen wouldn't cause trouble again this time, right?

Xue Nu and the others looked at Su Chen nervously now. They must keep an eye on this bastard, and this time they must be careful. Don't let any accidents happen on the way.

When Xue Nu and Shi Qingxuan were going back to the Song Dynasty with Su Chen, Zhu Yuyan and the others told them that they were optimistic about this bastard Su Chen. They all knew that Su Chen was a little uneasy. If this bastard Su Chen continued to mess around I'm afraid their hearts won't be able to bear it.

Xue Nu grabbed Su Chen's hand and said nervously, "Husband, we won't do anything this time. We just take a look at Zhongnan Mountain and we will quickly go to Gusu City. Don't mess with it." Something happened."

Shi Qingxuan also hugged Su Chen's arm tightly and said worriedly, "Yeah, if I had known if I hadn't come to Zhongnan Mountain, nothing would happen here in Zhongnan Mountain now. Why don't we go directly to Chang'an to watch the martial arts conference? Go back to Gusu City?"

Su Chen was very speechless when he looked at Xue Nu and Shi Qingxuan.

He knew that Xue Nu and Shi Qingxuan were afraid that he would cause trouble again, but was he the one who messed up things?

The things Su Chen encountered in the past were all out of his own control, and so was he. Is the victim okay?

Su Chen patted Xue Nu and Shi Qingxuan on their backs and asked them to relax and said,

"I know, but now that we have arrived at Zhongnan Mountain, we are going to meet a friend of mine. Lin Chaoying from the Ancient Tomb Sect and I have a good relationship. Let's go and meet the Ancient Tomb Sect and see if they really live in the Ancient Tomb. inside?"

Su Chen is very much looking forward to meeting the three-no girl Xiao Longnu. Xiao Longnu is very popular in martial arts dramas.

Su Chen also wants to see if Xiao Longnu looks cold in the world of mixed martial arts..Xue

Nu's cold look has been melted by Su Chen.

Su Chen touched his chin and thought that if Xiao Long Nu was very beautiful, should he also melt the cold Little Dragon Nu?

Xue Nu and Shi Qingxuan didn't know either. Is what Su Chen said true? It's just that when they think of the name Lin Chaoying, they guess that this person may be a woman, and she must be a beautiful woman.

No woman this bastard knows is ugly. They were also very helpless and nodded to Su Chen and agreed to go to the Tomb Sect.

In a small valley on Zhongnan Mountain, a beautiful beauty in a white dress was flying around in the air, and she was still holding a There were several sparrows, and under a big tree, there was a beautiful woman in green dress standing there looking at her.

The woman in green dress looked at the beautiful woman in white dress who successfully caught five sparrows, and she smiled. stand up,

"Long Er finally succeeded this time, and she also perfected her bird catching skills."

This beautiful woman named Long Er grabbed five sparrows and came to the woman in green clothes and said with a smile,

"Sister Rou, I succeeded."

One of these two people is Lin Chaoying's maid Lin Rou and the other is Lin Chaoying's young apprentice Xiao Longnu. They have been practicing martial arts in this valley. They don't know that Zhongnan Mountain has been invaded by Dayuan's army.

Lin Rou He wiped Xiao Longnu's sweat and said softly,"Well, Long'er, you have mastered the bird catching skill, and you can practice other martial arts in the future."

Xiao Longnu clenched her fists and said excitedly,

"Haha, I should be as strong as my senior sister now, but I don't know how my senior sister is doing now?"

"Long Er, Li Mochou has been expelled from the school by the young lady. Besides, Li Mochou is already an innate master, so nothing will happen to her."

"Well, I just miss my senior sister a little bit."

Chapter 467

On Zhongnan Mountain, when the Dayuan army led by Huo Du showed up at the Quanzhen Sect, they found that the Quanzhen Sect had been deserted. This made Huo Dou very angry. He did not lead the army this time because he was afraid of the Quanzhen Sect. When the Quanzhen sect discovers the arrival of the army, people from the Quanzhen sect will flee.

Huo Dou didn't expect that he would bring more than 3,000 wolf cavalry with him this time, and he would be so frightened that the Quanzhen Sect would flee without a fight.

Huo Dou was so angry that he smashed the stone table next to him and ordered loudly,

"Hormu, order the wolf cavalry to be divided into small groups to search for the Quanzhen sect members on Zhongnan Mountain. They should not have escaped far."

"Yes, little prince"

"Come on, burn down the Quanzhen Sect for me. Even if these damn Quanzhen Sect escape, they can't let these buildings of the Quanzhen Sect remain."

"Yes, little prince."

At the back of Zhongnan Mountain,

Lin Rou and Xiao Longnu, who were talking, suddenly discovered that there was a fire in the direction of the Quanzhen Sect. They all looked at each other in surprise.

Xiaolong and Lin Rou knew that there were hundreds of disciples in the Quanzhen Sect, but They saw how the fire in the Quanzhen Sect was getting bigger and bigger, as if no one was putting out the fire at all.

Xiao Longnu looked at the fire in the Quanzhen Sect and said doubtfully,

"Sister Rou, has something happened to the Quanzhen Sect? Why is the fire in Quanzhen Sect getting bigger and bigger?"

"Something must have happened. Let's go back to the ancient tomb and tell the lady." Lin Rou looked at the direction of the Quanzhen Sect, then hurriedly pulled Xiao Longnu and used Qing Gong to fly towards the ancient tomb.

"Lin Rou, Long Er!"

Just when Lin Rou and Xiao Longnu were on their way back to the ancient tomb, they suddenly heard someone calling them,

"Sister Bing'er, (Sister Bing)" When Lin Rou and Xiao Longnu found out that it was Lin Bing'er, they hurriedly came to her side.

Lin Bing'er grabbed Lin Rou and Xiao Longnu said anxiously,

"I was about to go find you, but Dayuan's army came to Zhongnan Mountain, and the Quanzhen Sect people have already fled. Miss is worried about your safety, and asked me to tell you to go back to the ancient tomb to take shelter."

Lin Bing'er is very anxious now. She didn't expect Dayuan's army to arrive so soon. Now that the Quanzhen Sect has been burned by Dayuan's army, Dayuan's army will definitely search the mountain. If they don't return to ancient times quickly, The tomb may be discovered by the Yuan army.

"We know, Sister Bing'er, let's go back to the ancient tomb quickly"

"Well, Sister Bing'er, let's go back quickly. This place is very close to the Quanzhen Sect. If those Dayuan troops come over, we will be discovered."

Lin Rou and Xiao Longnu are also worried about being discovered by the Great Yuan army. Although they are powerful, they may not be enough to face the army. They will not let the Great Yuan army discover them, otherwise the Great Yuan army will definitely not let the three of them go. a beautiful beauty

""Let's go."

Lin Bing'er took Lin Rou and Xiao Longnu and led them to fly to the ancient tomb on the back hill using Qinggong.

Along the way, Lin Bing'er led Lin Rou and Xiao Longnu back towards the ancient tomb while looking around. Now I am worried that those Dayuan troops have arrived at the back mountain.

Whoosh! Whoosh! Whoosh!

"Be careful, there are archers."

At this moment, Lin Bing'er suddenly discovered that an archer was shooting at them. She hurriedly led Lin Rou and the little dragon girl down from the air and hid under a big tree.

"Quick, send a signal and tell the young prince that we have found three beautiful women, and they are also Jianghu people."

"Yes, centurion" tweeted.....A red signal exploded in the air, and at this time, an army of 100 Dayuan had surrounded Xiao Longnu and the three of them.

When Lin Bing'er saw these Dayuan troops sending out signal flares, she anxiously said to Lin Rou and Xiao Longnu,

"Hurry, kill them, or we won't be able to leave when their reinforcements arrive."

"Okay, Sister Rou"

"Yes, Sister Rou."

Lin Bing'er pulled out her long sword and went towards these Dayuan troops. There were only a hundred people in them. The three of them could easily kill these Dayuan troops.

Lin Rou and Xiao Longnu also pulled out their long swords. Jianjiu also attacked these Dayuan troops. They also knew that if they did not kill all these Dayuan troops, they might not be able to leave. Moreover, even if they escaped from these Dayuan troops, I am afraid that the location of the ancient tomb would be destroyed by these Dayuan troops. The Yuan army discovered later.

Lin Bing'er and the others rushed into the Yuan army and began to massacre these Yuan soldiers. Under the slaughter of three innate masters, these Yuan soldiers had no way to resist. After a while, the Yuan army here Dozens of people were slaughtered.

The centurion of the Yuan army saw his men being slaughtered by these three beautiful women and immediately ordered angrily,

"Archers, archers, shoot them for me."

Swish swish swish

"Watch out for archers!"

Lin Bing'er saw Dayuan's troops starting to fire arrows. She hurriedly stood in front of Lin Rou and Xiao Longnu and used her long sword to knock down the arrows that were shot at her.

Lin Bing'er saw dozens of Dayuan's troops under her command. He hurriedly said to Lin Rou, "Lin Rou, kill them with the jade bee needle.""

"Okay, Sister Bing."

Whoosh! Whoosh! Whoosh!

Ah! Ah! Ah!"

"Kill them, our reinforcements will be here soon."

When Centurion Dayuan saw the archers being killed by hidden weapons, he took the scimitar and led the remaining troops to kill them. Their wolf cavalry would not desert, and they would not retreat even if they died.

Lin Bing'er They also had to deal with these Dayuan troops as soon as possible, otherwise they would definitely be surrounded in a while, but these Dayuan troops rushed to kill them without fear of death, which made them a little uncomfortable for a while.

Lin Bing'er, Lin Rou, and Xiao Longnu This is their first time to kill people. Although they don't feel uncomfortable now, it can be seen from their pale faces that they feel very uncomfortable now.

Woo! Woo! Woo!

Just when Lin Bing'er and the others are about to finish killing everyone here During the Dayuan army, the sound of army horns suddenly sounded all around, and the sound of horse hooves around them was getting closer and closer. When the centurion of Dayuan heard the sound of the horns, he laughed wildly and said, "Haha, women of the Central Plains, our Reinforcements have arrived and you cannot escape."

Tear

Lin Bing'er killed the centurion with one sword and carefully looked around. The sound of horse hooves was getting closer and closer, and they were also surrounded. Lin Bing'er had to take Lin Rou and Xiao Longnu away safely. It was impossible.

After Lin Rou killed the last Dayuan Yuanjun, she asked worriedly, "Sister Bing, are we surrounded?"

Lin Bing'er nodded to Lin Rou with a serious face. It will definitely not be easy for them to escape now. The archers of Dayuan's army are a big trouble. Lin Bing'er looked at the pale little dragon girl. He touched her long hair to comfort her.

Lin Bing'er looked at Lin Rou and said firmly,

"Yes, Rou'er, nothing can happen to Long'er. She is the young lady's only apprentice. We will cover Long'er and leave here later."

Chapter 468

Xiao Longnu was looking around nervously, with a hint of panic on her beautiful face. She had killed someone today, and she had killed many people. Xiao Longnu knew that it was only a matter of time before she killed someone, but now she felt it was still very uncomfortable, and she even felt nauseous and wanted to vomit it up.

Xiao Longnu was beside Lin Bing'er and suddenly heard that Lin Bing'er and Lin Rou'er were going to cover her departure, which made Xiao Longnu a little at a loss.

Now the sound of horse hooves here is getting closer and closer, and they are still killing people from all around. If the Great Yuan army arrives soon, Lin Bing'er and Lin Rou'er will definitely be doomed if they stay.

Xiao Longnu held the long sword and hurriedly said to Lin Bing'er,

"Sister Binger, I will not leave alone, nor can I let you escape for me and be killed by these Yuan troops."

"Long'er, now is not the time to talk about this. You will escape from the south soon. Rou'er and I will fight and hold back those Yuan troops for you."

"No, we have to leave together. I won't escape alone."

"Long'er, why are you disobedient? If you stay here, we will be killed by Dayuan's army in a while. You are the young lady's only apprentice now. Nothing can happen to you."

"I won't leave, I can't leave Sister Bing'er and Sister Rou'er here to die."

"Long'er....."

Ta-ta-ta-ta!

At this time, some Dayuan troops had appeared around, and more and more of these Dayuan troops appeared. Groups of Dayuan hundreds of troops came up from all around. When these Dayuan

troops came here, they immediately pulled out Bows and arrows were ready to shoot the three beautiful women they found.

Lin Bing'er panicked when she saw the Dayuan army that had arrived. There were already thousands of people in these Dayuan troops, and more Dayuan troops were coming over. Lin Bing'er saw that the Dayuan army was about to release arrows. , she pulled Xiao Longnu behind her and became very desperate.

"It's over, we can't get out. We didn't expect so many Dayuan troops to come."

Lin Rou'er held a long sword to guard Xiao Longnu and said decisively, "Sister Bing'er, we fight these Dayuan troops, and we won't be able to escape anyway.

Xiao Longnu also looked at the fierce Dayuan army with a long sword. She now knew that they could not escape. Xiao Longnu just hoped that her master Lin Chaoying could come to save them.

"Anyone who dares to kill our Dayuan army will die, let go of the arrows!"

Whoosh! Whoosh! Whoosh!".....

Following the order of a Dayuan captain, the Dayuan troops here took bows and arrows and shot Xiao Longnu and the others. clang! clang! clang!.....

"Rou'er, be careful!"

Poof! Poof!"

"(Sister Bing'er) Sister Bing'er!"

When the Dayuan army started shooting arrows to kill Xiao Longnu and the others, although Xiao Longnu and the others knocked down many bows and arrows with their long swords, thousands of troops here shot them together. When Lin Bing'er protected Xiao Longnu She was still hit by two arrows.

Lin Bing'er endured the pain and looked at the bow and arrow in her abdomen and hurriedly pulled it out. She strangled her wound with a piece of white silk and continued to shoot away the arrows.

Poof! Poof! Poof!

As more and more troops came from Dayuan's army, Lin Rouer and Xiao Longnu were also shot by bows and arrows. Lin Rouer's thighs and Xiao Longnu's shoulders were now covered in blood.

"Stop it, stop it all."

Just when Xiao Longnu and the others were about to lose their hold, a loud roar ordered the Dayuan army here to stop shooting Xiao Longnu and the others. At this time, Huo Du also came here with his guards. He saw Xiao Long The three women's eyes were wide-eyed. Huo Dou didn't expect that there would be three such beautiful women here, and the woman in the white dress was a peerless beauty. When

Huo Dou saw that Xiao Long Nu and the others were injured, he was right Seeing the Dayuan army here angrily insulting them,

"Bastards, who told you to shoot these beauties? Yes! Who allowed you to start the attack without our order?"

Captain Dayuan angrily saluted Huo Dou and said, "Little Prince, these three women are from the Jianghu. They have already killed one of my hundred-man squad. These Central Plains women deserve to die."

Stab!

Just when the commander was talking to Huo Dou, Huo Dou suddenly pulled out the scimitar of the guard beside him and slashed the commander's head with a sharp knife.

Huo Dou looked at the surrounding Yuan army in disbelief. He said loudly with his eyes, "I am now the commander of your Wolf Cavalry. You cannot object to anything I say here. Anyone who disobeys my orders will suffer this.""

The Great Yuan army all looked at Huo Du and lowered their heads. The Great Yuan army has a clear hierarchy. Although they are the most elite wolf cavalry in the Great Yuan Dynasty, Huo Du is not only a noble of the Great Yuan Dynasty, but also the temporary commander of their wolf cavalry. Although these wolf cavalry were dissatisfied with Huo Du, they did not dare to resist or question Huo Du.

Huo Du looked at the expressions of Dayuan's army and nodded with satisfaction. He then looked at the three injured Xiao Longnu and leaked out He smiled evilly, this time he wanted to capture these three beautiful beauties alive.

Huo Dou felt that his luck was still very good. Although he did not destroy the Quanzhen Sect this time, he was able to meet these three beautiful beauties. He still felt that the trip was worthwhile.

Huo Dou looked at the little dragon girl who was protected by Lin Rou'er and Lin Bing'er with bright eyes. He couldn't take his eyes away when he saw the little dragon girl.

Huo Dou looked at the clear and bright little dragon girl. Pupils, curved willow eyebrows, long eyelashes trembling slightly, fair and flawless skin showing a faint pink, thin lips as delicate as rose petals.

Especially Xiao Longnu's tall and uneven figure, delicate and With his cold face, Huo Dou couldn't help but want to catch Xiao Longnu and ravage him immediately. Huo Dou wiped the saliva that was about to come out of him and smiled evilly and said,

"Beautiful beauties, surrender now and I won't kill you. Lin

Bing'er covered her abdomen and shouted angrily,"Don't even think about it, we will not surrender to you Dayuan people even if we die.""

Lin Bing'er saw Huo Dou's evil smile just now. If they were caught by this evil man, they would probably be worse than death in the future, or even be ravaged to death by this evil bastard. The three of them must not fall into this trap. In the hands of evil people.

Huo Dou looked at Xiao Longnu and the others arrogantly and said with a laugh,

"Hahaha! You are unable to fly now. This place has been surrounded by my army. Do you think you can escape?"

"Moreover, the three of you are injured now. If I don't give the order to kill you, you will bleed to death in a while. It's better to surrender to me. I will take good care of you in the future."

Little Dragon Girl looked at the surrounding Dayuan troops and the little prince who kept looking at her with lewd eyes. Little Dragon Girl felt very uncomfortable. She took a long sword and wanted to blind the eyes of the little Prince of Dayuan..

Chapter 469

Huo Dou is not in a hurry to let the army capture Xiao Longnu and the others. Now that they are all injured, Huo Dou will wait until they have no ability to resist before capturing them alive. If he goes to capture Xiao Longnu and the others now, Huo Dou will be worried about this. If a woman from the Central Plains commits suicide, then the gain outweighs the loss.

"Sister Bing'er (Sister Bing'er)?"

Just when Xiao Longnu and the others were wondering why the Dayuan army didn't kill them immediately, Lin Bing'er suddenly fell to the ground.

When Xiao Longnu and Lin Rou'er saw Lin Bing'er falling to the ground, they hurriedly helped her up. But Lin Bing'er had already passed out.

Xiao Longnu and Lin Rou'er saw that Lin Bing'er's abdomen was dripping with blood, and Lin Bing'er's face was very pale. Xiao Longnu and the others knew that Lin Bing'er was bleeding too much and was in a coma..

Xiao Longnu looked at Lin Bing'er who was covered in blood and was very worried. If Lin Bing'er was not treated, she might really die of excessive blood loss.

Xiao Longnu looked at Lin Rou'er beside her again. The situation is not very good now. Lin Rou'er's thighs are dripping with blood now. I'm afraid she won't be able to hold on for long.

Lin Rou'er used her long sword as a crutch and stood up, taking Xiao Longnu's hand and saying,

"Long'er, if I can't hold on anymore, kill Sister Bing and I. We can't fall into the hands of the Dayuan people, otherwise our lives will be worse than death in the future."

Xiao Longnu nodded hurriedly and supported Lin Rou'er and said,

"Well, I know, if we can't hold on, I will kill myself with you."

Huo Dou laughed when he saw that a beautiful girl was already unconscious. As long as he waited for a while, the other two people would lose too much blood and fall into a coma.

By then, he would be able to get two beautiful girls without any effort. and a peerless beauty, which makes Huo Du feel very good now.

The Dayuan army is also surrounding Xiao Longnu and the others, but they are full of killing intent when they look at Xiao Longnu. If it weren't for Huo Du's order, they would These Dayuan wolf cavalry will not hesitate to kill Xiao Longnu and them to avenge those dead Dayuan troops.

A Dayuan thousand captain asked angrily to another thousand captain,

"Mulsa, are we just here watching the young prince avenge those three beauties instead of his dead brothers? Also, the young prince has killed Tarkul, we must tell the general when we go back."

Commander Mulsa looked at Huo Du and said with an ugly expression,

"Akulun, the young prince is our commander-in-chief now. We must obey his orders here, but when we go back, we will report the things here to the general. One of our three commanders has died now. It is best for us now. Don't anger the young prince"

"I see."

Touch! Touch!".....

"Enemy attack, there is enemy attack."

At this time, many Dayuan soldiers were suddenly killed in the rear of the Dayuan army. Each of the dead Dayuan soldiers had a thin silver needle stuck in their throat.

When the Dayuan army all looked at the killed Dayuan soldiers , When Yuan soldiers were fighting, a white figure flew over from the air, but wherever she passed, those Yuan soldiers who wanted to intercept her were killed by some thin silver needles.

"master?"

When Xiao Longnu heard the movement, she was very aware that the familiar white figure was her master Lin Chaoying. She supported Lin Rou'er and said happily,"The master is here, sister Rou'er, the master is here."

Lin Rou'er shook her head when she saw Lin Chaoying appearing. Now Lin Bing'er is unconscious, she and Xiao Longnu are also injured, and the archers of the Dayuan army are not so easy to deal with.

Lin Chaoying and her master's cultivation level can Fight out from the siege of these armies, but it may be impossible to save the three of them.

"Miss shouldn't come. There are too many troops here. I'm afraid Miss won't be able to save us if she comes now."

Xiao Longnu nodded after listening to Lin Rou'er's words. The thousands of Yuan troops here all have bows and arrows. If these Da Yuan troops shoot master Lin Chaoying, her master Lin Chaoying may also be injured.

Xiao Longnu sees After looking at Lin Chaoying who was killing them, he hurriedly said,

"Then let the master stop saving us and let him avenge us after he leaves."

Lin Rou'er endured the pain on her thighs and shook her head. She knew that Lin Chaoying would not be able to leave them and escape.

Lin Rou'er knew Lin Chaoying very well. I am afraid that Lin Chaoying would die here this time, and she would not Maybe abandon Xiao Longnu and her two maids,

"I'm afraid the young lady won't escape alone. We may have to implicate the young lady this time."

"Stop it all and let that woman come over."

Huo Dou saw another beautiful woman coming, and he hurriedly ordered the Dayuan army to get out of the way. Huo Dou thought that as long as this beauty came in, he would not let this beauty leave the army.

Lin Chaoying was surrounded by these Dayuan troops. After the army moved out of the way, she flew to Xiao Longnu and the others. Lin Chaoying frowned when she looked at the unconscious Lin Bing'er and the injured Xiao Longnu and Lin Rou'er.

Xiao Longnu saw Lin Chaoying appearing in front of her. The person next to me hurriedly said, "Master, please leave quickly. There are archers in the Dayuan army here. You can't save us. Master can avenge us and save us in the future."

Lin Rou'er also hurriedly persuaded, "Miss, please leave. Don't lose your life for us. We are not worthy of your doing this."

"Shut up, how could I leave you alone? One of you is my apprentice, and the other two are my personal maids. There is no way I can leave you alone. Lin Chaoying said angrily after checking the injuries of Xiao Longnu and the other three.

Lin Chaoying now also knew that it would be very difficult for her to rescue Xiao Longnu and the others. If the Yuan army did not have archers, she could kill all these Da Yuan soldiers. The Yuan army, but the Yuan army here now has archers.

Lin Chaoying doesn't know if these Yuan armies will have military formations. If these Yuan armies have military formations, I'm afraid she will be unable to withstand them.

Huo Dukan Seeing Lin Chaoying's beautiful face, she burst out laughing, "Haha, God has been so kind to me. I didn't expect that another peerless beauty would come to me."

Huo Du didn't expect that there would be so many peerless beauties in Zhongnan Mountain, so he couldn't help but love these beauties now.

Although the peerless beauty who just arrived is a little older, she is full of energy. The seductive charm is very attractive, especially the bulging part of this beauty's chest. Huo Dou almost had nosebleeds when he saw it. The guard beside Huo Dou whispered to him, "Little prince, this peerless beauty is a Grandmasters, we have to be careful."

Huo Du is at an innate level of cultivation, and he also knows that this peerless beauty is a master. Huo Dou looked at the peerless beauty talking to those women, and he revealed an evil look and said,

"I know what the use of the masters is here. Here is the most elite wolf cavalry in our Yuan Dynasty. The bows and arrows of the wolf cavalry alone can make this peerless beauty unable to parry."

"But if this peerless beauty escapes, I'm afraid the wolf cavalry won't be able to catch her. I have to find a way to make this peerless beauty surrender and not let her escape."

The guard next to him smiled after hearing Huo Du's words and said, "Little prince, this grandmaster beauty must be closely related to those three beauties. We can use those three beauties to blackmail this grandmaster beauty."

"Hahaha! Yes, you are right. With these three beauties here, I believe it will be very easy to win over this grandmaster beauty."

Chapter 470

On Zhongnan Mountain,

Su Chen and Xue Nu also arrived. They also saw the fire of the Quanzhen Sect. Su Chen and the others also saw the signal just now, and the secret guards also checked the situation of the Quanzhen Sect.

Su Chen and Xue Nu also knew that the Quanzhen Sect's people had escaped, and that the Yuan army would also return without success this time.

Shi Qingxuan stood next to Su Chen and looked at the direction where the signal was sent and asked, "Husband, did the signal just now mean that the Yuan army discovered people from the Quanzhen Sect?"

"It should be right, that is the back mountain of Zhongnan Mountain, and the people of the Quanzhen Sect should have escaped from the back mountain." Xue Nu looked at the direction of the signal and nodded.

Xue Nu guessed that since the Dayuan army began to search Zhongnan Mountain, if the people of the Quanzhen Sect wanted to escape, they could only escape from the back mountain of Zhongnan Mountain. Otherwise, the people of the Quanzhen Sect would be There is no way to escape. There are Dayuan troops fortified at the foot of Zhongnan Mountain.

Su Chen frowned when he looked at the back of Zhongnan Mountain. He knew that the Ancient Tomb Sect was at the back of Zhongnan Mountain. If the Great Yuan here The army discovered Lin Chaoying and the others, and I am afraid that these Yuan troops will not let Lin Chaoying and the others go.

The Ancient Tomb Sect has two beauties, Lin Chaoying and Xiao Longnu, who are peerless beauties. Those Da Yuan troops will definitely see them He would not let them go.

Su Chen looked at the place where the Dayuan army sent the signal and decided to go and have a look. If something happened to Lin Chaoying and the others, Su Chen could rescue them. It just so happened that Su Chen still owed Lin Chaoying a promise. This time, Miss Lin should use that promise, right?

"Wouldn't it be clear if we go to the back mountain and take a look?"

Su Chen smiled, hugged Xue Nu and Shi Qingxuan, and said to the deputy commander of the secret guard,

"Lin Wu, ask the secret guards to leave some people to guard the carriage, and the others will go to the back mountain with us."

"Yes, Jun....Owner."

Xue Nu and Shi Qingxuan looked at each other without saying anything. After all, there are no Jianghu people here, and they are not worried about what Su Chen will do this time.

At the back of Zhongnan Mountain,

Lin Chaoying gave Xiao Longnu and the others a simple treatment. Looking at the surrounding Dayuan troops, Lin Chaoying now understood why these Dayuan troops did not attack them at this time.

Lin Chaoying saw that the young prince of Dayuan just looked at them and wanted to eat them, so she guessed The young prince must have wanted to capture them alive, and then he would imprison and ravage them.

Although Lin Chaoying was very angry now, she had no choice. The surrounding Dayuan troops were already pointing at them with bows and arrows. If Lin Chaoying dared If they make any move, I'm afraid these archers will shoot them dead.

When Huo Du saw Lin Chaoying stood up to check the surrounding situation, he smiled and said to Lin Chaoying,

"Big beauty, you are surrounded now. If you surrender, I will not hurt you. If you dare to resist, I will kill the three little beauties behind you first. Lin

Chaoying looked at Huo Du with disdain and said coldly,

"Do you think that's possible? If we are caught by you, you think I won't know what will happen to us. You'd better stop daydreaming."

The more Huo Dou looked at Lin Chaoying, the more interesting she became. This beautiful woman with a plump figure and a cool temperament is a rare thing. This time he met this beautiful woman and he would not let him run away.

"Hahaha! Beautiful girl, what confidence do you have to dare to talk to me like this now? oh! You are a master, you can escape, but those three little beauties cannot escape. Big beauty, you are not going to watch these three little beauties disappear, right?"

Little Dragon Girl took the long sword and said to Lin Chaoying pleadingly,

"Master, please leave quickly, we will not fall into their hands even if we die. Lin

Rou'er looked at Lin Bing'er who was lying on the ground and saluted Lin Chaoying, "Miss, you run away. If you don't leave, we will never forgive ourselves even if we die."

Lin Rou'er said, dragging her injured thigh to Lin Bing'er and hugging her. Lin Rou'er touched Lin Bing'er's face and prepared to die here with Lin Bing'er. She looked at it She was preparing to kill Lin Bing'er with her long sword and then commit suicide.

Lin Chaoying saw Lin Rou'er about to kill Lin Bing'er, she hurriedly came to Lin Rou'er and grabbed her long sword and said angrily. ,

"Rou'er, what are you going to do? I'm not dead yet. Just be honest with me and I will definitely find a way to take you out of here. Lin

Rou'er hugged Lin Bing'er and cried to Lin Chaoying, "Miss, we don't want to implicate you. If we don't die, you won't escape from here. Miss, please help us."

Lin Chaoying is now very helpless and angry. She now resents Wang Chongyang very much. If Wang Chongyang had not been resisting Dayuan, these Dayuan troops would not have come to Zhongnan Mountain. But that bastard Wang Chongyang escaped without notifying them. This This made Lin Chaoying hate Wang Chongyang even more.

Lin Chaoying wiped the tears on Lin Rou'er's face and said comfortingly,

"No, no, I will definitely find a way to take you away. You are not allowed to die until I die."

Huo Dou saw that those little beauties were about to commit suicide. He was also very nervous. If those three beautiful beauties committed suicide, I'm afraid he might not get any beauties.

Huo Dou looked at Lin Chaoying and felt that he should get rid of this one first. The big beauty can handle it. If he doesn't let him, I'm afraid he won't even get a single beauty.

"Big beauties, you can only surrender. I will not make things difficult for you. I can even let the three little beauties leave."

Lin Chaoying didn't believe a word of Huo Du's words. This pervert like Su Chen knew at a glance that he was talking nonsense. If they all surrendered, I'm afraid Huo Du would catch them all and not even a single one of them. If you let them go, they will even be humiliated to death in the future.

Xiao Longnu glared at Huo Du with a cold face and said to Lin Chaoying,

"Master, don't believe what Dayuan says. He doesn't have any good intentions in his eyes. If we surrender, he will definitely not let us go."

"I know I won't be fooled." Lin Chaoying touched Xiao Longnu's long hair and nodded.

Huo Dou told Lin Chaoying that he was not in a hurry to rush them. He knew that the three little beauties were seriously injured. He only had to wait here for the three little beauties. The beauty's injuries worsened, and she even became unconscious for a while, then he could continue to threaten the beautiful woman.

Time passed slowly like this, and Lin Chaoying and the others couldn't escape as they watched the surrounding troops on guard.

And the Dayuan army here did not have Huo Du's orders can only continue to surround the four beautiful women.

"who?"

At this time,

Dayuan's army suddenly appeared and some more people came. After Dayuan's army discovered these people, they immediately became vigilant. There were quite a few people who appeared this time. They, the wolf cavalry, did not dare to be careless.

Huo Du and Lin Chaoying also discovered that there were more than a hundred guards in black costumes. After these guards appeared, they organized a defense in front of them. Moreover, the equipment of these guards was also very sophisticated. Each of them also had a Armed with a military crossbow.

Lin Chaoying looked very familiar when she saw the black-clothed guards who appeared. She felt that she had seen these black-clothed guards there before.

Suddenly, Lin Chaoying thought of that bastard Wu Xiangjun. Wu Xiangjun's guards were all With such a dress, even those military crossbows were not ordinary military crossbows, but Qi-breaking military crossbows specially designed to deal with Jianghu people.

Lin Chaoying looked at the black-clothed guards who kept appearing and smiled relaxedly at Xiao Longnu and Lin Rou'er. Then he said,

"Long'er, Rou'er, we are saved, a friend of mine is here."

When Xiao Longnu saw her master Lin Chaoying smiling, she was very confused. Xiao Longnu knew that her master didn't have many friends, but she was very strange when she saw her master relaxed.

Xiao Longnu looked at her master's relaxed look. He asked curiously,"Master, which friend of yours is here? Can he save us?"

"That person is also a shameless bastard, but although he is a shameless bastard, he is not bad. Don't worry, as long as that shameless bastard comes, we will be safe."
