Chapter 471

Lin Chaoying couldn't help but blush as she said to Xiao Longnu and the others. That bastard Su Chen was very unscrupulous, and he was also a slut. Lin Chaoying was often teased by this bastard when he was in Sui Dynasty.

Lin Chaoying suddenly thought that that bastard Su Chen came to Zhongnan Mountain to find her, right?

Lin Chaoying was a little nervous.

This bastard Su Chen wouldn't want to pay attention to her, would he?

Xiao Longnu and Lin Rou'er didn't notice Lin Chaoying's blush at this time. They both looked at the black-clothed guards who appeared and wanted to know who their master's (Miss) friend was.

At this time,

Su Chen also appeared in front of everyone holding Xue Nu and Shi Qingxuan. After Su Chen and Xue Nu arrived, the secret guards vigilantly arranged defenses around Su Chen.

After Su Chen arrived, he took a look at the situation here. He saw that the Dayuan army here was surrounding four beautiful beauties.

Lin Chaoying was also surrounded by these Dayuan troops, but one of them was unconscious and the other two were injured. It seemed that their situation was very bad.

Su Chen also discovered that there was no girl beside Lin Chaoying, the little dragon girl. The little dragon girl was indeed very beautiful, even comparable to Xue Nu and the others.

Fortunately, Xiao Longnu was not the Xiaolongbao in his mind. If Xiaolongnu was the Xiaolongbao, Su Chen would have turned around and left. He didn't want the Xiaolongnu in his mind to be polluted by Xiaolongbao..

Su Chen did not expect that Lin Chaoying's Tomb Sect would have two beauties besides Xiao Longnu. Su Chen thought about it and felt that the remaining two people should be Lin Chaoying's maids.

Lin Chaoying saw that bastard Su Chen arriving and was sizing up her and Xiao Longnu. Lin Chaoying couldn't help but roll her eyes. This bastard was still as lecherous as ever. How come this bastard didn't change at all for a long time.

Lin Chaoying was speechless when she saw Su Chen holding two beautiful beauties in his arms. This bastard always brings beautiful beauties with him wherever he goes. Isn't this bastard afraid of something happening?

Xiao Longnu and Lin Rou'er were stunned when they saw Su Chen holding two beauties. This man didn't look like a good person.

How could their master (miss) know such a playboy?

Moreover, this guy seemed to have evil intentions when looking at them.

Xiao Longnu and Lin Rou'er turned to look at Lin Chaoying. They wanted to make sure whether this person was Lin Chaoying's friend.

Lin Chaoying saw Xiao Longnu and Lin Rou'er looking at her in confusion, and she knew why.

The bastard Su Chen's behavior must have been misunderstood by Xiao Longnu and Lin Rou'er.

Lin Chaoying didn't say anything to Xiao Longnu and the others now, but just nodded to Xiao Longnu and the others.

Huo Dou was stunned now. He did not expect that two more beautiful and peerless beauties would come. He drooled when he looked at the cold Snow Nu and Shi Qingxuan who did not eat fireworks. He stared at Xue Nu without blinking, and Shi Qingxuan.

The captain of the guard next to Huo Du saw Huo Du's appearance and pushed him hastily. Huo Du reacted immediately after being pushed by the guard.

Huo Dou hurriedly wiped the saliva from the corner of his mouth, looked at Xue Nu and Shi Qingxuan, and laughed.

"Hahaha! Immortal God is really treating me well this time. I didn't expect that two more peerless beauties will come here. Let go of those two beauties, kid, or I will kill you."

Su Chen smiled when he looked at the leader of the Dayuan army. The leader of the Dayuan army looked like a pervert at first glance. He had fallen in love with his wife Xue Nu and Shi Qingxuan.

Su Chen thought he wanted to have a good time. The leader of the Yuan army,

"oh? You want me to let go of my wife? Who are you?"

Huo Dou looked at Su Chen and said loudly with his nostrils pointing to the sky.

"your wife? It won't be the case in the future. Boy, I am Huo Du, the young prince of Dayuan. If you don't obediently hand over your two women, I will order you to be killed."

Su Chen didn't expect that this person was Huo Du. It seems that in the world of mixed martial arts, some plots have not changed, but this time Huo Du was not attracted by Xiao Longnu's solicitation.

"Huodu? Just rely on your troops?"

Huo Dou said threateningly when he saw this ignorant boy, "Boy, these are the most elite wolf cavalry in our Great Yuan Dynasty. Your guards are not enough for me, the wolf cavalry. If you don't want to die, hand over those wolf cavalry." Two beauties."

Huo Dou doesn't want to wait anymore. This time he has gained a big harvest. He will take over six beautiful beauties. Huo Dou can't help but capture them and go back to enjoy them.

Su Chen After hearing what Huo Du said, he looked at the wolf cavalry around him. Su Chen had heard Zhao Min talk about these wolf cavalry. The wolf cavalry was trained by Zhao Min. One

hundred thousand wolf cavalry can be said to be in the hands of Zhao Min. Su Chen did not expect to encounter Zhao Min's army here.

Su Chen took out Zhao Min's identity token from the system space and laughed.

"Hahaha! I have heard of the wolf cavalry, but it seems that the wolf cavalry is the army directly under Princess Zhao Min. When did these wolf cavalry become yours?"

Huo Dou's expression was very unnatural when he heard Zhao Min's expression. These wolf cavalry of his were borrowed from the wolf cavalry general.

Zhao Min's status in Dayuan is not comparable to that of a branch of the royal family. He is in Princess Zhao Min has nothing in her eyes.

"Humph, you don't have to worry about this. Boy, do you want to make friends with your two women?"

Lin Chaoying no longer worried about their safety after Su Chen appeared. After treating Lin Bing'er, she sat on the grass and looked at Su Chen. She wanted to see what this bastard was going to do.

Lin Chaoying thought of this But at the junction of the Yuan Dynasty and the Song Dynasty, Su Chen had no power here. Even if his identity was exposed, the Song Dynasty would probably catch him at all costs.

Lin Chaoying wanted to see how this bastard would deal with this place. Thousands of Yuan troops, but the two beautiful beauties beside this bastard turned out to be at the level of Grandmaster, which surprised Lin Chaoying.

Xiao Longnu and Lin Rou'er saw that the master (Miss) was not worried at all now. Dayuan's army, they also slowly relaxed.

Xiao Longnu and Lin Rou'er came to Lin Chaoying and sat down to heal their wounds. Xiao Longnu and Lin Rou'er looked at Su Chen while healing, and they also wanted to She knew how that lustful man would save them.

Su Chen hugged Xue Nu and Shi Qingxuan, kissed them each, and said with a smile,

"Haha, little Prince Huodu, you want to steal my wife, do you think the wolf cavalry will obey your orders?"

Xue Nu and Shi Qingxuan blushed when they saw this bastard Su Chen kissing them regardless of the occasion.

Although they did the most ridiculous things with this bastard, it was a secret matter in the boudoir after all. But this bastard was doing it in public. After kissing them, Xue Nu and Shi Qingxuan still felt very uncomfortable.

"Nonsense, if you don't obey my orders, will you obey your orders?"

"Maybe!"

Chapter 472

Huo Dou felt that this pretty boy might be a fool. How could Dayuan's wolf cavalry listen to this pretty boy's orders if they didn't obey his orders?

He felt that talking to this pretty boy was a waste of time. If he hadn't been afraid that a fight would accidentally injure the two beautiful women, Huo Dou would have ordered the wolf cavalry to shoot the pretty boy and his bodyguards.

Huo Dou said to Su Chen fiercely,

"Boy, I don't want to waste time with you anymore. Do you want to have sex with your two women or not?"

"Don't pay"

"Damn it, aren't you afraid that I'll kill you?"

"You can't kill me."

When Huo Dou saw that this pretty boy was not only making love with his woman, but also constantly teasing those two beauties, Huo Dou was so anxious that he wanted to snatch those two beauties away and ravage them himself.

"You little pretty boy, I can't help but kill you now." After Huo Dou threatened Su Chen, he pretended to be a noble young master and said to Xue Nu and Shi Qingxuan,

"Two beauties, I am the young prince of Dayuan. You'd better come to my place. This pretty boy is dead today. If you don't want to lose his beauty, then get rid of this pretty boy and come here."

Su Chen looked at Huo Dou pretending to be serious and said disdainfully,

"Tsk ts, no matter how much you pretend to be like this, you don't look like a noble man. Now you look like a toad."

"hehe!"

Xue Nu and Shi Qingxuan laughed after hearing Su Chen's words. They didn't expect that the bastard Su Chen would humiliate the young prince of Dayuan like this, but they were not afraid of the young prince of Huodu either. Xue Nu and Shi Qingxuan knew about the secret guards. Strength, although there are more than three thousand wolf cavalry here, if these wolf cavalry face Su Chen's secret guards, they have no chance of winning.

Besides, the wolf cavalry here do not dare to take action against Su Chen, as long as Su Chen, a bastard, can take it Given Zhao Min's identity token, I'm afraid there's no telling who the wolf cavalry here will listen to.

Lin Chaoying and Xiao Longnu also smiled. They didn't expect Su Chen to humiliate the young prince like this, but The current situation doesn't look like a fight is about to break out, but it looks like two dudes are vying for supremacy.

Huo Dou's face is now green with anger. This ignorant boy is a lawless bastard, and he is here. The wolf cavalry is here, but this bastard is not afraid at all.

Not only does this pretty boy dare to humiliate himself, he even makes love to his two beauties here. This is really unbearable for him. Huo Dou also wants to The beautiful woman was in his arms.

Su Chen couldn't help but want to take action when he saw Huo Du. He thought of Lin Chaoying. He wanted Lin Chaoying to use his promise this time, otherwise this time might be in vain. Helping Lin Chaoying, the royal sister,

Su Chen would not make friends with Lin Chaoying in vain, unless Lin Chaoying could give him some benefits. Su Chen looked at Lin Chaoying's bear mouth evilly and couldn't help but look at it a few more times. Chen felt that among his women, only Mrs. Ye Di could compare with Lin Chaoying. Lin Chaoying didn't know what she ate to grow so big. Could eating honey have such an effect?

Su Chen shook his head and stopped thinking about it. He waved his hand to Lin Chaoying who was resting on one side and said loudly,

"Lin Chaoying, Miss Lin, look here, Miss Lin, if I help you this time, will my promise be canceled out?"

Lin Chaoying didn't expect that this bastard Su Chen would still miss his promise at this time, which made Lin Chaoying angry and helpless.

Lin Chaoying knew the identity of this bastard Su Chen, and Su Chen's promise was not something Lin Chaoying would Use it easily.

This time Su Chen ran into her and was in danger. I'm afraid he couldn't help even if he didn't want to help.

Lin Chaoying showed a beautiful smile and said to Su Chen,

"You bastard wants to be beautiful, I have no intention of using that promise."

Su Chen now feels that Lin Chaoying is too smart. If he doesn't show up in advance this time, he might be able to get Lin Chaoying to make that promise. Now that Lin Chaoying looks confident, Su Chen knows that Lin Chaoying may not be able to use it this time. Su Chen had no choice but to ask again, "Ms. Lin, don't you need me to save you?"

Lin Chaoying is not worried that Su Chen will leave and not save them now. That pervert Huo Dou has already fallen in love with Su Chen's wife. Even if Su Chen wants to leave Huo Dou, there is no way he will be allowed to leave. This bastard made a miscalculation this time. Yes,

"Haha, you bastard, you should protect your woman. Huo Du will not let the meat in his mouth escape. You can't leave this time. You bastard, you should take care of that toad first."

Xiao Longnu and Lin Rou'er looked at Lin Chaoying as if they had seen a ghost. They didn't expect that their master (Miss) could actually say dirty words. Lin Chaoying's bastard words made them very surprised.

Xiao Longnu and Lin Rou'er They looked at each other and thought that this was still their master (miss)? Although their master (miss) sometimes had a bad temper, she would not be such a bastard and scold others like this.

Huo Dou was mad now, he He didn't expect that this pretty boy actually knew that very mature and charming beauty, and they were actually flirting with each other in front of him.

This made Huo Du so angry that his face turned red and he wanted to kill this pretty boy, no! He wanted to torture him to death. This pretty boy.

Huo Dou glared at Su Chen fiercely and ordered the wolf cavalry,

"Wolf Cavalry, catch this pretty boy and those two beauties, and kill all the other guards."

"Archers, prepare."

After the wolf cavalry received Huo Du's order, the two captains began to prepare to shoot these powerful guards. They felt that these guards were very powerful.

"Qi-breaking crossbow, ready."

Su Chen's secret guards saw that the wolf cavalry was about to attack. Su Wu, the deputy commander of the secret guards, immediately ordered the secret guards.

"I'll do it!"

Su Chen saw that the wolf cavalry was about to fight with his secret guards, and he thought:

"We can't start a fight. If his secret guards kill these thousands of wolf cavalry, I'm afraid Zhao Min will come to settle the score with him in the future. Su Chen doesn't want Zhao Min, who is as witty as a monster, to hate him in the future."

Su Chen immediately shouted loudly,

"stop! stop! I have passed my master and stopped. Su Wu, take my token to find the general of the Wolf Cavalry."

"Yes, master."

Under Su Chen's shouting, the secret guards did not take the lead in attacking, and the captain of the wolf cavalry did not know what was going on, and they did not order to start attacking.

Lin Chaoying was very speechless when he saw this bastard Su Chen, A fight was about to start, but this bastard didn't know what he was going to do.

Lin Chaoying didn't expect that after Su Chen called a halt, it was understandable that his secret guards didn't attack, but why didn't those wolf cavalry attack?

This is a bit unjustifiable.

Huo Dou is really going crazy now. He has always felt something is wrong when he met this pretty boy today. This pretty boy is really poisonous. He was very angry with this pretty boy today.

Huo Dou looked at it with a gloomy face. The two commanders leading the wolf cavalry looked unkind. They must have deliberately embarrassed him because he had killed a commander just now. Otherwise, why didn't the wolf cavalry attack?...

Chapter 473

The back mountain of Zhongnan Mountain was very quiet at this moment. The battle that was supposed to happen didn't happen despite Su Chen's shouts. Everyone here was looking at Su Chen, some looked at him in confusion, and some looked at him helplessly. Some of them looked at him with hatred.

At this time, the deputy commander of the secret guard took the token from Su Chen and walked towards the commander of the wolf cavalry. He was not afraid that the wolf cavalry here would suddenly shoot him.

The two captains of the wolf cavalry were also very speechless now. They just wanted to give young prince Huodu a warning. After all, they were the wolf cavalry, the most powerful army in Dayuan.

And that idiot young prince of Huodu dared to execute the commander of the wolf cavalry privately, which made the remaining two commanders of the wolf cavalry very dissatisfied with him.

Although the wolf cavalry could not kill Huo Du for committing crimes, they did not mind giving Huo Du a small warning, otherwise the two captains were afraid that the young prince Huo Dou would deal with the wolf cavalry in an intensified manner.

The two captains of the Wolf Cavalry did not expect that it would turn out like this. They originally wanted to postpone the attack after the pretty boy said to stop, but the quiet scene here made them not sure whether they should continue to order the attack.

As for Young Prince Huo Dou, his face was gloomy and he did not continue to order the attack. They could only wait awkwardly for Huo Dou's next attack order.

The two captains of the wolf cavalry also saw a guard coming over from the pretty boy. They didn't pay attention at all when a guard came over. They also wanted to do something with the guard captain before the battle started.

At this time, Su Wu, the deputy commander of the secret guard, had already arrived in front of the wolf cavalry. He looked at the two wolf cavalry captains and asked,

"Which of you is the commander of the wolf cavalry here?"

A captain of the Wolf Cavalry replied after hearing Su Wu's words,

"Both of us are wolf cavalry commanders. The wolf cavalry here are all under our command. People from the Central Plains, are you not afraid that we will kill you when you come in front of us?"

"Look at this before you say anything harsh." Su Wu didn't talk nonsense to these wolf cavalry commanders. He took the token and threw it to one of the wolf cavalry commanders.

"This is? The princess's identity token, hiss!" The two captains were stunned when they saw the token.

They didn't expect that the pretty boy actually had the identity token of Princess Zhao Min. No wonder he wasn't afraid when he came here, and was even very arrogant when facing Huo Du. The two wolf cavalymen The captains looked at each other in surprise and then saluted Su Wu, stroking his chest and saying,

"The wolf cavalry commander Mulsa (Akulun) has seen the adults"

"My master has a close relationship with Princess Zhao Min. You will obey my master's orders soon, otherwise you should understand the consequences."

"The Wolf Cavalry is Princess Zhao Min's most loyal army, and we will definitely obey your master's orders."

Su Wu nodded to them and took back the token. Mulsa and Akulun hurriedly waved their hands towards the wolf cavalry after Su Wu returned. The wolf cavalry put away their hands after receiving the orders from the two captains. He took out weapons and bows and arrows.

After Huo Dou saw one of the guards of Xiao Bai Lian talking to the two captains of the wolf cavalry, the wolf cavalry actually put away their weapons. This made Huo Dou completely explode.

"Akulun, Mursa, what are you doing? I ordered you to kill those guards and catch that pretty boy, didn't you hear? Are you going to rebel?"

Commander Mulsa looked at Huo Dou expressionlessly and said,

"Young Prince Huodu, from now on the wolf cavalry will no longer be under your command."

"Damn it, if you don't come under my command, do you really want to listen to that pretty boy? Don't forget the order of General Sangmu of the Wolf Cavalry."Huo Du looked at the two captains of the wolf cavalry and yelled angrily.

Su Chen smiled and mocked Huo Du after seeing the performance of the wolf cavalry.

"Haha, Toad, your wolf cavalry is mine now. I said the wolf cavalry would not listen to you, so believe it now."

Huo Dou found that the wolf cavalry was not paying attention to his orders at all. He knew that something was wrong with the wolf cavalry. Huo Dou did not expect that the wolf cavalry would really listen to this pretty boy's orders. He looked at Su Chen and asked in surprise,

"who are you?"

"I am your uncle."Su Chen didn't want to play with this idiot Huo Du anymore. He ordered Su Wu, the deputy commander of the secret guards,"Su Wu, kill Huo Du's guards and capture Huo Du alive."

"Yes, master."

After Su Wu received Su Chen's order, he led hundreds of secret guards to rush towards Huo Dou's hundreds of guards.

Su Chen did not watch the secret guards kill Huo Dou's guards. He was the strongest of the secret guards. It was very clear that Huo Du's guards could not pose any threat to the secret guards.

He hugged Xue Nu and Shi Qingxuan and smiled helplessly and said,"Let's go see Lin Chaoying. We miscalculated this time and didn't let them go." Lin Chaoying took advantage of my promise."

Xue Nu looked at Lin Chaoying and said warily,"Haha, husband, you don't have any thoughts about that Lin Chaoying, do you?"

Xue Nu is now afraid that this bastard Su Chen will harm Lin Chaoying again. There are enough women in the family now, and Su Chen still has so many confidantes. She doesn't want this bastard to harm other women again.

Su Chen After hearing Xue Nu's words, Su Chen shook his head.

He knew that Lin Chaoying liked Wang Chongyang very much. In the Sui Dynasty, Wang Chongyang and Lin Chaoying were together. They may be lovers now.

Lin Chaoying, a beautiful woman, is really A flower was stuck on the cow dung.

Su Chen suddenly thought, why didn't Wang Chongyang come to rescue Lin Chaoying this time?

And why didn't the Quanzhen Sect take Lin Chaoying's Tomb Sect with them when they fled Zhongnan Mountain?

This made Su Chen Chen was a little confused.

Su Chen patted Xue Nu's back and said,

"No, Snow Girl, Lin Chaoying has someone he likes. Wang Chongyang from the Quanzhen Sect may be Lin Chaoying's lover. Don't say this for a while, otherwise Lin Chaoying may fall out with us."

"That's it, I get it."

When Su Chen came to Lin Chaoying and the others, Lin Chaoying and Xiao Longnu were very confused. They didn't expect Dayuan's wolf cavalry to betray the young prince.

Now Su Chen's guards were slaughtering Huo Du The guards of the Great Yuan Dynasty did not help Huo Du, which made them all feel incredible.

Lin Chaoying felt uneasy when she looked at Su Chen. This bastard Su Chen was very powerful in the Great Sui Dynasty. She did not expect that in the Great Sui Dynasty, The Yuan and Song Dynasty could actually command the Yuan army here. How did this bastard do it?

When Su Chen brought Xue Nu and Shi Qingxuan to Lin Chaoying's side, Su Chen smiled at the surprised Lin Chaoying and said,

"Beauty Lin, Sui Yibie didn't expect that we would meet again. Did you miss me? Lin

Chaoying's face turned red when she heard Su Chen's words and she rolled her eyes at him and said, "I miss you, why did you, a bastard, come to Zhongnan Mountain?" This place is close to the Song Dynasty, aren't you afraid of exposing your identity?"

"Haha, no one here knows me. Miss Lin, you are not going to report me, are you? If you report me, I will be very sad"

"Bah, you really can't spit out ivory from a dog's mouth,"

Chapter 474

Lin Chaoying was completely speechless towards this bastard now. This bastard Su Chen always spoke without restraint. She was now afraid that her apprentice Xiao Longnu and maid Lin Rou'er would misunderstand her relationship with this bastard.

In fact, what Lin Chaoying didn't know was that Xiao Longnu and Lin Rou'er next to her were already dizzy.

When Su Chen arrived and talked to their master (Miss), they felt that something was very wrong, and the way their Master (Miss) was blushing now made them feel a little dizzy.

Su Chen was a little embarrassed now. He was just joking with Lin Chaoying, but he didn't expect Lin Chaoying to blush, and she didn't reprimand him. Lin Chaoying seemed to be having an affair when talking to him.

Xue Nu and Shi Qingxuan looked at each other and pinched Su Chen's waist together. This bastard kept saying that Lin Chaoying already had someone he liked, and it was Wang Chongyang of the

Quanzhen Sect, but they didn't feel like it when they looked at it now. No matter how you look at it, Su Chen and Lin Chaoying look like a young couple flirting.

Su Chen took a breath when Xue Nu and Shi Qingxuan pinched his waist. He also knew that Xue Nu and Shi Qingxuan were jealous of Xue Nu and Shi Qingxuan when he teased Lin Chaoying just now.

Su Chen quickly changed the subject and said, "By the way, Beauty Lin, why didn't you leave with the Quanzhen Sect when they fled Zhongnan Mountain? Why didn't Wang Chongyang come to save you?"

Lin Chaoying heard Su Chen mention Wang Chongyang. He said very angrily,

"Don't mention that bastard, I have nothing to do with Wang Chongyang anymore. Today's incident was also caused by Wang Chongyang. Wang Chongyang fled with the Quanzhen Sect people without notifying us, otherwise we would not and would not be attacked by these Yuan troops. Stop it.

Su Chen was surprised when he heard what Lin Chaoying said, "What?" Did you have a falling out with Wang Chongyang?"

Su Chen felt that something was wrong. Why did Lin Chaoying break up with Wang Chongyang?

In this mixed martial arts world, Wang Chongyang did not die. Lin Chaoying went to Sui Dynasty with Wang Chongyang a few months ago.

The relationship between them at that time It was fine, but why did they break up after not seeing each other for several months?

"Why are you so surprised, you bastard? What does it have to do with you that Wang Chongyang and I broke up?" Lin Chaoying looked at Su Chen in shock and was very speechless.

What does this bastard mean? Why is he so surprised when he breaks up with Wang Chongyang?

Bah!

This bastard doesn't want to hit her, right?

Lin Chaoying blushed and stared. She took one look at Su Chen and didn't want to talk to this bastard. She didn't want to have anything to do with this pervert. She knew that Su Chen had many women, and Lin Chaoying would not be emotional towards this bastard.

"Am I not curious?"

Su Chen looked at Lin Chaoying and wanted to see something, but Lin Chaoying looked angry now, and he didn't see anything from Lin Chaoying's blushing face.

Lin Chaoying was not angry and said to Su Chen,

"You are so curious, you don't need to be curious about my affairs. What are you doing in Zhongnan Mountain this time?"

Su Chen is completely speechless to Lin Chaoying now. Why is this beautiful lady Lin Chaoying so bad-tempered now? She often swears now. This is not what a beautiful lady should say.

Su Chen sees the little dragon girl and the little maid next to her from time to time. Looking at him, Su Chen smiled and said to Lin Chaoying,

"Nothing, just coming to Zhongnan Mountain to take a look at this beautiful lady like you. By the way, they are your apprentices?"

Lin Chaoying pulled Xiao Longnu and said to Su Chen warily, "This is my apprentice Xiao Longnu. Next to me is my maid Lin Rou'er. The unconscious one is also my maid Lin Bing'er. Don't hit them, you bastard." Pay attention or I won't let you go."

I guess!

Does Lin Chaoying think of him as a pervert?

How can I attract the attention of Xiao Longnu and the others?

If you want to beat me, you have to attract the attention of a beautiful woman like you.

Su Chen thought about it and said to Lin Chaoying depressedly , "Beauty Lin, you think that Huo Dou and I are the same person. I am a gentleman. I will not do things like robbing civilian girls."

"gentleman? No gentleman can get along with you, you are just a shameless bastard"

"Let me tell you, Lin Chaoying, if you say that to me again, I will not be polite to you. No matter what, I am also a top noble. If you get angry, I will arrest you and teach you a lesson."

"Hey, come and catch him!"

What the hell,

Su Chen was just joking. Lin Chaoying's apprentice Xiao Longnu and maid Lin Rou'er pointed at him nervously with long swords. This made Su Chen feel that there was no normal person in the Tomb Sect.

Forget it!

If you can't offend me, why can't you hide?

Su Chen doesn't want to visit Lin Chaoying's ancient tomb anymore.

He shouldn't come to Zhongnan Mountain this time.

He saved Lin Chaoying this time and she hasn't said thank you yet. This beautiful woman kept criticizing him.

Su Chen felt that he was just looking for abuse this time.

"Lin Chaoying, I have to leave. I was going to visit your ancient tomb sect, but judging from your appearance, you won't welcome me there, so I won't disturb you.

At this time, all of Huo Dou's guards were also killed. Huo Dou was also dragged over by the secret guards with several military crossbow arrows in his body.

"Master, Huo Dou has captured you."

Su Chen looked at Lin Chaoying and the others and stepped on Huo Du's head and asked,

"Huo Dou, have you ever thought about today?"

"who are you?"

Huo Du endured the pain in his body and stared at Su Chen. He now wanted to know who this pretty boy was?

How could he, a Central Plains man, order the wolf cavalry of Dayuan?

This made Huo Du very confused.

Su Chen was I don't have any good impressions of this supporting character, and the Dayuan people are not good people anyway, eh! Except for Zhao Min. Su Chen smiled and pulled out Su Wu's long sword and said to Huo Du,

"Haha, Huo Dou, I won't tell you who I am. It's better for you to die with doubts."

At this time, Mulsa, the commander of the wolf cavalry, came to Su Chen and saluted,

"Sir, this Huo Du is the young prince of Dayuan, and the Jinlun Dharma King of Dayuan is his master. Sir, please think twice about killing him."

Su Chen saw the commander of the Great Yuanlang Cavalry arriving and said disdainfully, "A little prince is nothing, and that Jinlun Dharma King, isn't he a great master? You thought I would be afraid of him."

Su Chen took out Pang Ban's identity token from the system space and threw it towards the commander. "Look at this, can I kill him?"

"The villain talks too much, please forgive me."

Mursa was so frightened that he knelt down after seeing the identity token of Great Yuan Imperial Master Pang Ban. He did not expect that this young noble master not only had the identity token of Princess Zhao Min, but also had the identity token of Great Yuan Heavenly Realm Imperial Master. Pang Ban also has his identity token.

No wonder this noble young master is so arrogant. With the identity token of Princess Zhao Min and the national master's identity token, this noble young master can walk around in Dayuan and no one dares to offend him.

"If you go back and give this imperial master's token to that girl Zhao Min, just say it was given to her by a very handsome man."

Su Chen thought that Pang Ban's identity token in his hand was of no use. If Zhao Min had Pang Ban's identity token, she would definitely guess the purpose of giving her the token. Su Chen believed that with Zhao Min's Ingenuity will definitely conquer all the strong men in the Imperial Preceptor's Mansion.

"Yes, sir, I will definitely hand it over to Princess Zhao Min myself."

Chapter 475

Huo Dou was completely scared now. Originally, he thought that this pretty boy wouldn't dare to kill him, but now he heard that Su Chen had the identity token of National Master Pang Ban in his hand, which frightened Huo Dou.

The National Preceptor Pang Ban in the Heavenly Realm is someone who looks up to. Now that this pretty boy has the identity token of the National Preceptor, if he wants to kill him, no one will dare to say anything.

"This young man I....."

""Dry tongue" stabbed!

When Su Chen saw Huo Dou begging for mercy, he slit his throat with a sword. He didn't want to hear Huo Dou babble again, and now he was in a bad mood.

And At this time,

Lin Chaoying felt very sad when she heard that Su Chen was leaving, and even he was not going to visit her ancient tomb sect.

Lin Chaoying did not expect that Su Chen was so petty, and she was also shocked. After a few words from this bastard, this bastard became angry and wanted to leave.

This made Lin Chaoying feel that she could not let this bastard leave just like that. After all, this bastard had just saved her and Xiao Longnu and the others.

Lin Chaoying did not want this bastard to call her ungrateful in the future..

Xiao Longnu can't see through her master's friend now. This perverted guy looks like a ruffian for a while, and then he looks like a noble son. This makes her feel that this master's friend changes his face too quickly.

Xiao Longnu still hasn't figured out what kind of person this master's friend is.

After Su Chen killed Huo Du, he gave the order to the commander of the wolf cavalry ,

"The wolf cavalry can retreat, and the Yuan army of the Zhongnan Mountain Ancient Tomb Sect must not be in trouble in the future."

"Yes, my lord."

The captain of the wolf cavalry immediately saluted Su Chen and said, he did not dare to disobey Mulsa's order to Su Chen this time. This matter was very important. He wanted to hand over the token given to him by this noble young master as soon as possible. To Princess Zhao Min.

County Zhao Min mainly obtained the identity token of the national preceptor Pang Ban. I am afraid that Princess Zhao Min will control all the armies of Dayuan.

Princess Zhao Min is afraid that in Dayuan from now on, she will be inferior to one person and superior to ten thousand people.

Su Chen said : The captain of the wolf cavalry nodded and said to the secret guard commander,"Su Wu, let's go down the mountain and rush towards Chang'an.""

"Yes, master."

When Shi Qingxuan saw that Su Chen had finished arranging things, she took his hand and asked,

"Husband, are you really not going to the Tomb Sect this time? I think Lin Chaoying didn't let you go. Why don't you go to the ancient tomb again?"

Shi Qingxuan just observed that Lin Chaoying's face was a bit ugly when Su Chen said he didn't want to go to the Tomb Sect, which made Shi Qingxuan wary of Lin Chaoying.

Although Shi Qingxuan knew that the relationship between Su Chen and Lin Chaoying was that of ordinary friends. Relationship, but she felt that Lin Chaoying might have some interest in Su Chen.

Xue Nu also looked at Su Chen a little strangely, didn't this bastard always like to hang around in front of beautiful beauties? Why didn't he go to the Tomb Sect this time?

I know that there are four beauties in the Tomb Sect, including one big one and one small one.

Does Su Chen not want to provoke the beauties this time?

Or is he not interested in these two peerless beauties?

Su Chen shook his head and said to Shi Qingxuan , "The women in the Tomb Sect are not normal, so we'd better not go to avoid causing any unpleasantness."

Su Chen will not let Lin Chaoying ridicule him again. Although Lin Chaoying is very plump and beautiful, his woman is not a beauty.

He will still interact with Lin Chaoying in the future, but this time Su Chen doesn't want to be with her Lin Chaoying has had too much contact.

He needs to think carefully about why Lin Chaoying broke up with Wang Chongyang?

Lin Chaoying has been chasing Wang Chongyang for decades, and now they have a falling out. He doesn't know whether it is true or not, but Su Chen knows Lin Chaoying's temper.

Things that Lin Chaoying believes in will not be changed at will. Maybe Lin Chaoying and Wang Chongyang will get back together in a few days. If Su Chen entangles Lin Chaoying now, it will be very embarrassing.

Su Chen feels It's better not to get involved at this time.

Lin Chaoying was originally hesitant to invite this bastard to sit in their ancient tomb. Although the bastard said that he didn't want to go to their ancient tomb, Lin Chaoying felt that this bastard said it on purpose. Su This bastard Chen just wanted her to invite him personally.

Just when Lin Chaoying was about to invite Su Chen, she didn't expect that this bastard would say that the women in their Tomb Sect were not normal. This made Lin Chaoying very angry.

"Bastard, are you saying that no one is a normal woman?"

Little Dragon Girl also looked at Su Chen with evil eyes. This man is such a bastard. How could he talk about the women of the Ancient Tomb Sect like this?

Although it is a bit shocking for them to live in the Ancient Tomb, they are not crazy. They But they are all normal women. Xiao Longnu held the long sword and wanted to stab this bastard angrily.

"Hey, is living in a tomb what a normal woman should do? Do you still need me to tell you whether you are normal or not?"

When Lin Chaoying heard Su Chen's words, her chest bulged with anger, she pointed at Su Chen and cursed,

"you.....You are shameless."

Damn it, this beautiful Lin is really not normal today!

But that place is so big, isn't it!

If Lin Chaoying gets angry anymore, I don't know if her clothes will be torn.

Su Chen touched her nose and felt It's better to leave here as soon as possible. He doesn't want to argue with Lin Chaoying.

When arguing with a woman, he will definitely lose. He doesn't want to argue with Lin Chaoying when he must lose.

"Snow Girl, Qingxuan, let's leave. Today we will see the scenery in Zhongnan Mountain and then we will go to Chang'an."Su Chen pulled Xue Nu and Shi Qingxuan and said caringly.

Su Chen was about to leave here as he spoke. He looked at the angry Lin Chaoying and waved his hand towards her, then turned around and pulled Xue Nu and Shi Qingxuan to leave.

Here. The Great Yuanlang Cavalry has withdrawn, and the secret guards have also begun to guard Su Chen around and respond to emergencies at any time.

"Su Chen, stop here."

When Lin Chaoying saw that Su Chen was about to leave, she stopped Su Chen who came from Qinggong. She didn't know why she stopped Su Chen, but she was very angry when she saw that this bastard was leaving.

In Lin Chaoying When they stopped Su Chen, the secret guards pointed at Lin Chaoying with their Qi-breaking crossbows. If Lin Chaoying had any intention, they would shoot Lin Chaoying without hesitation.

"master"

""Miss"

Xiao Longnu and Lin Rou'er screamed in worry when they saw the actions of the black-clothed guards next to them. They were afraid that the guards next to them would shoot their master (Miss). These guards were more powerful than the Great Yuanlang Cavalry just now. Be strong.

Su Chen was very speechless when he saw Lin Chaoying who was blocking him. He waved his hand and asked the secret guard to put away his weapon.

"Beauty Lin, what's the matter with you?"

Lin Chaoying regretted stopping Su Chen. She had no reason to stop Su Chen, but she felt very uncomfortable when this bastard wanted to leave. After all, this bastard had saved them just now, and Lin Chaoying felt very uncomfortable letting Su Chen leave like this. I couldn't help him.

When Lin Chaoying heard Su Chen ask her, she hurriedly said, "I.....Let's go with you. It will definitely not be safe if we stay in Zhongnan Mountain. I also plan to go to Chang'an to see the martial arts conference.

Su Chen looked at Lin Chaoying and asked doubtfully, "You want to go to Chang'an with me?" you sure?"

"Damn it, what's that expression on your face? Why can't I go to Chang'an with you?"

Chapter 476

Su Chen was very surprised when he heard that Lin Chaoying wanted to go to Chang'an with him. This Lin Chaoying must have taken the wrong medicine. Zhongnan Mountain is now safe.

With his orders, the Dayuan army would definitely not dare to embarrass Lin Chaoying's Ancient Tomb Sect anymore, but why would this beautiful Lin Chaoying go to Chang'an?

Is she really afraid that the Yuan army will come again to deal with her Tomb Sect?

Su Chen touched his chin and felt that Lin Chaoying was going to find Wang Chongyang. After all, Wang Chongyang took people from the Quanzhen Sect to Chang'an to attend the martial arts conference, so Lin Chaoying must be going to find her lover.

What a mess, why did Miss Lin identify that inflexible bastard Wang Chongyang?

Su Chen looked at Lin Chaoying and felt that this girl was really stupid, but it was none of his business.

Su Chen couldn't cope with the current woman. Although Su Chen liked the beautiful Lin Lin, this woman was very stubborn. It was impossible for Su Chen to get her now. He didn't want to break his head to realize the reality.

Besides, Lin Chaoying is not a woman who wanders around, otherwise she would have been waiting for that idiot Wang Chongyang for decades.

Su Chen shook his head and felt that Lin Chaoying's encounter with Wang Chongyang was destined to be fruitless. Maybe this beauty will really follow Wang Chongyang in the future.

Lin Chaoying was very angry when she saw the way Su Chen looked at her.

What did this bastard mean?

Why is he looking at me like he's a fool?

Damn it, did this bastard think she was going to pester this bastard?

Lin Chaoying was so angry that he wanted to strangle this bastard to death.

Seeing Lin Chaoying's increasingly angry expression, Su Chen coughed hastily, "Ahem, Miss Lin, if you want to go to Chang'an with us, just come with us. I have no objection."

"snort!"

When Lin Chaoying saw that Su Chen agreed, he glared at this bastard and asked Xiao Longnu and the others to go down the mountain together.

I'll join in!

Why is Lin Chaoying so proud?

Have I eaten your rice?

Su Chen shook his head and helplessly joined Xue Nu and Shi Qingxuan. Walking towards their carriage, he would not wait for Lin Chaoying and the others.

"Damn bastard, he left before we could wait. Long'er, you hold Rou'er, I'll take Bing'er and follow that bastard quickly."

Lin Chaoying didn't expect that bastard Su Chen left without sending anyone to help them. This made Lin Chaoying very angry. She hurriedly ordered Xiao Longnu and quickly chased Su Chen with Lin Bing'er in her arms.

Xiaolong The girl supported Lin Rou'er and looked at each other very speechlessly. They felt abandoned by the master (Miss). Xiao Longnu and Lin Rou'er were both seriously injured. How could they keep up with the master (Miss)'s speed?

-

At the foot of Zhongnan Mountain,

Wang Chongyang and his Quanzhen Sect disciples have escaped from Zhongnan Mountain, and they are now rushing towards Chang'an.

Wang Chongyang felt very uneasy now. He also remembered that when the Quanzhen Sect fled Zhongnan Mountain, they forgot to notify Lin Chaoying of the Ancient Tomb Sect.

However, Wang Chongyang thought that Lin Chaoying had nothing to do with him anymore. He even asked Lin Chaoying to help fight against the Yuan army, but Lin Chaoying refused without even meeting him.

When Wang Chongyang thought of this, he looked at Zhongnan Mountain and sighed. He lowered his head and left Zhongnan Mountain with the disciples of the Quanzhen Sect.

/-

Chang'an City is now heavily guarded. The Yang family generals of the Song Dynasty have now managed Chang'an City like an iron barrel. There are now 200,000 Yuan troops in the Weihe River fifty miles away from Chang'an City. Those Yuan troops can be there at any time. They may launch a war against Chang'an, but the Yang family generals do not dare to be careless at this time.

At the General's Mansion in Chang'an, Yang Ye frowned as he looked at the map. Now the situation in Chang'an was becoming more and more unfavorable to the Song Dynasty. The Yuan Dynasty actually sent an additional 20,000 wolf cavalry this time.

Yang Ye is very clear about the terrifying power of these wolf cavalry, but fortunately this time it is a battle to defend the city. If he encounters the wolf cavalry in the wild, he may not be the opponent of the wolf cavalry even if he has several times the strength.

In the hall, several young generals stood beside Yang Ye. They saw that Yang Ye had been frowning after learning that Dayuan had sent two more wolf cavalry. One of the young generals asked,

"Dad, are we really unable to defeat these wolf cavalry? Yang

Ye looked at his eldest son Yang Tai and said with a smile,

"Dalang, the wolf cavalry is very powerful. In the battle between Dayuan and Dayin, the wolf cavalry repeatedly performed extraordinary feats. The wolf cavalry is also the most powerful cavalry in Dayuan. Although there are 20,000 wolf cavalry coming this time, we will not be able to be careless"

"Dad, which one is more powerful, Dayuan's Wolf Cavalry or Wu Xiangjun's Netherworld Cavalry Legion?"

"The Nether Cavalry Legion is powerful." Yang Ye's face turned very ugly when he thought of the scene of the Netherworld Cavalry Legion fighting against the Dali army.

Yang Ye is now worried about Lord Wu Xiang's army going south. If Lord Wu Xiang's 600,000 troops go south, I am afraid that the Song Dynasty will be destroyed in an instant. Collapse.

Wu Xiangjun's army has occupied the south, and even Dali has been destroyed. Yang Ye knows that Wu Xiangjun's army will go south to attack the Song Dynasty at any time.

But the Song Dynasty is now surrounded by enemies, including the Yuan, Jin, Liao, Xixia, these foreign tribes are now eyeing the Song Dynasty. These foreign tribes want to take advantage of the fact that Lord Wu Xiang has not gone south to take a bite of the flesh of the Song Dynasty.

Yang Ye looked at his sons and told them,

"Da Lang, and you little bastards, let me tell you that you must be careful when encountering Wu Xiangjun's Netherworld Cavalry Legion in the future. With the Song Dynasty's army, no army can be the opponent of the Netherworld Cavalry Legion, that is, the Great Yuan's. When the Wolf Cavalry encounters the Netherworld Cavalry Legion, they will be massacred instantly."

"we know."

Yang Tai and his seven brothers nodded hurriedly when they heard Yang Ye's words. They also heard that Wu Xiangjun's army was very powerful.

Wu Xiangjun's two armies were both very powerful. The cavalry and the Netherworld Cavalry Legion, the Xuanwu Legion of infantry, these two legions are not something that the Song army can defeat.

"Liu Lang, try your best to help the Jianghu people hold a martial arts conference in Chang'an. We also need the help of those Jianghu people if we want to defend Chang'an."

"Yes, Dad."

On Zhongnan Mountain, in Su Chen's carriage, Su Chen was very speechless when he saw Lin Chaoying and the four people sitting in his carriage.

This carriage was not very big to begin with, but now seven people were seated in it, including There was a corpse lying on the carriage. The carriage was a little crowded now.

Su Chen was next to Shi Qingxuan on one side and Lin Chaoying on the other. He was leaning on Shi Qingxuan's body and didn't want to talk to Lin Chaoying.

"Su Chen, go outside, it's too crowded here."

Lin Chaoying's face is very red now. People are bumping into each other in the carriage. Besides, this is a mountain road. When the carriage is bumpy, Lin Chaoying cannot avoid physical contact with this bastard Su Chen. Even

Su Chen's arms are intentional. He accidentally touched her chest, which made Lin Chaoying very uncomfortable.

"Come on, Miss Lin, this is my carriage, why should I go out?"

Su Chen doesn't want to go out now. He is leaning on Shi Qingxuan's body, and beautiful Lin also gives her benefits from time to time, so he is reluctant to go out.

Chapter 477

Lin Chaoying saw that Su Chen, a bastard, refused to leave, and now he was even more aggressive in taking advantage of her. This made Lin Chaoying blush and dare not show up. She was worried that Xiao Longnu and the others would know that she was being taken advantage of by Su Chen, a bastard.

After Xiao Longnu and Lin Rou'er checked Lin Bing'er's injury, Xiao Longnu said hurriedly, "Master, Sister Bing'er is in very bad condition now. We need to treat her wound as soon as possible."

Lin Chaoying looked at Lin Bing'er. Bing'er was also very worried. Lin Bing'er had lost too much blood now. If she didn't treat her wounds, she might not be able to wake up.

Lin Chaoying looked at Lin Bing'er and said helplessly, "Long'er, I know Bing's injury is serious, but we don't have medicine here now, and there is no doctor here. We can only go to Chang'an to find a doctor to treat her wound."

Su Chen looked at the condition of Lin Chaoying's maid and was very speechless. , this little beauty was obviously seriously injured and lost too much blood.

Although Lin Chaoying gave her healing medicine, if the trauma was not treated, the little beauty would die soon.

Su Chen didn't want anyone to die in his carriage, and the person who died was a little beauty, so Su Chen used He kicked Lin Chaoying and said,

"Stupid woman, they say women have big breasts and no brains. It seems that they are right. Your little maid would have died if she had not been treated long ago. You don't have any medicine, but I do."

Lin Chaoying didn't expect that this bastard Su Chen would kick her in the chest with his stinky feet. This made Lin Chaoying want to stab this bastard to death with a sword.

When she heard that this bastard Su Chen had healing medicine, she couldn't help but be cruel. Su Chen slapped her hard and said,

"You bastard, why didn't you tell me earlier that you had the medicine?"

Su Chen was very embarrassed now. He just wanted to remind Lin Chaoying, but he forgot that the carriage was very crowded now. After his foot touched Lin Chaoying's mouth, Su Chen was worried that Lin Chaoying would go crazy.

Su Chen couldn't help but He glanced at Lin Chaoying's Xiongkou and thought, "Big, really big, and very soft."

Su Chen felt relieved when he saw that Lin Chaoying just slapped him and didn't use his inner strength.

"Snow Girl, give Miss Lin the healing medicine. This big-breasted and brainless woman is blaming us at this time, as if we caused her maid to be injured."

Xue Nu sat across from Su Chen and smiled. She took out some medicine from a small box in the carriage and said,

"Haha, husband, please stop talking, Miss Lin. There are medicines here for healing, both internal and external injuries. There are also bandages next to them. Once you have applied the medicine, you can use the bandages to your maid to wrap up the wounds."

"Thank you."

Lin Chaoying took the medicine handed to her by Xue Nu and glared at Su Chen, who was leaning against Shi Qingxuan's body. She would not let go of what happened just now. Lin Chaoying would not let it go when no one was around. Bastard.

Xiao Longnu took the medicine for treating trauma from Lin Chaoying's hand and looked at Su Chen. She lay next to Lin Chaoying's ear and whispered,

"Master, please let your friend go out first. We have to take off Sister Bing'er's dress before we can apply the medicine. I'm afraid it won't be good if he is here. Lin

Chaoying kicked Su Chen again and shouted, "Su Chen, did you hear that? Why don't you go out?"

Lin Chaoying knew that Su Chen heard what Xiao Longnu said. This bastard is a pervert. He will definitely take advantage of this bastard. Lin Chaoying doesn't want this bastard Su Chen to see all her maids.

"Got it, Miss Lin."

Su Chen looked at Lin Chaoying and Xiao Longnu and got up and got out of the carriage.

After Su Chen came out, he sat in front of the carriage and looked at the scenery along the way. The world of mixed martial arts is much better than the modern world. Zhongnan Mountain is full of centuries-old trees. There are trees above, and the environment is not polluted. Looking at the surrounding scenery, Su Chen is in a very good mood.

"Your Majesty, a secret message has come from Gusu City." At this time, Su Wu, deputy commander of the secret guard, handed a secret letter to Su Chen and said.

Su Chen took the letter and thought, "A secret letter from Gusu City? Did something happen in Gusu City? But with Jing Salamander, Li Qiushui, and Concubine Yan around, nothing should happen."

Su Chen was very speechless when he opened the letter and read it. Su Chen didn't expect that Tianshan's child elder would actually find Li Qiu Shui and find him in Wu Xiangjun's house.

Isn't this like throwing himself into a trap?

Now Li Qiu Shui alone can take over Tianshan. Child Elder, let alone Jing Salamander and Concubine Yan.

"Li Qiushui actually reconciled with Tianshan Child Elder, which is a bit strange. Didn't Tianshan Child Elder take revenge for Wu Yazhi? Li Qiu Shui actually wanted Zhu Guo to save the Tianshan Child Elder?"

After reading the letter, Su Chen felt that Li Qiushui had really given up. Originally, she and the Tianshan Child Elder had no hatred. One of them was disfigured and the other became obsessed with practicing martial arts for the sake of a man. The fellow senior sisters of Xiaoyao Sect are really miserable.

There is also Li Qiushui's sister Li Canghai. This woman has not appeared yet, and she doesn't know if she is dead. However, Su Chen thinks that Li Canghai may not be dead, but he just doesn't know where he is hiding to practice martial arts.

And Xiaoyaozi should not be dead either. A terrestrial god in the heavenly realm will not die easily, and that old bastard can do it too. He watched the Xiaoyao sect fall apart and kill each other without taking care of it. It seems that Xiaoyaozi is not a good person either.

Su Chen started from the system The space took out two jade boxes. Both jade boxes contained a red fruit. Su Chen gave an extra red fruit because he was worried that if he needed the red fruit urgently in the future and couldn't catch up, he would give this red fruit to Li Qiu Shui for emergencies. need,

"Su Wu, send secret guards to hand these two jade boxes to the old lady immediately."

"Yes, Your Majesty."

Su Chen went to Wu Yazi when he saw Su Wu leaving. He doesn't know what's going on now.

Li Qiu Shui will definitely not go to Wu Yazi. The relationship between them has been broken up for a long time. Even if Li Qiu Shui doesn't kill Wu Yazi, Okay.

It's even more impossible for Li Qingluo to find Wu Yazi. She hates Wu Yazi so much. If it weren't for Wu Yazi, Li Qingluo wouldn't have been deceived by Duan Zhengchun and even ended up marrying a sick man.

Wang Yuyan hasn't appeared yet. Guan, it is impossible for her to go to Wu Yazi.

Wu Yazi is probably the only one who will look for him now, but will Tianshan Child Elder go to Wu Yazi?

But Wu Yazi, who is paralyzed, is now a general. The old man is dead. After he went to find Wu Yazi, the young lady from Tianshan wanted to find Wu Yazi. I don't know what he thought when he saw Wu Yazi's current appearance.

Tsk! Tsk! Tsk!

If the young lady from Tianshan really went to find Wu Yazi. , maybe Wu Yazi will be cured in the future.

But if Li Canghai appears again after Wu Yazi is cured, will the senior sisters fight again?

Su Chen laughed when he thought about the scene of them competing for men in the future. stand up

"What are you thinking about, smiling so treacherously."When Lin Chaoying came out, she saw Su Chen smiling sinisterly. She sat next to Su Chen and asked uneasily.

Lin Chaoying was worried about what this bastard had planned for her and Xiao Longnu. The bastard just harassed her, Lin Chaoying Chaoying will not forget it.

Su Chen did not expect that Lin Chaoying would come out and sit next to him, "Uh! Nothing, I just smiled casually. Is your little maid okay?"

"Bing'er's injury has stabilized, and she will wake up in a while. Su Chen, what are you doing in Song Dynasty this time?"

"Passing by, I just passed by Gusu City, the Great Song Dynasty"

"Bah, do you think I will believe what you say? You bastard is a disaster. Wherever you appear, something will happen."

Chapter 478

Lin Chaoying didn't believe what Su Chen said now. This bastard would definitely cause trouble when he appeared here, and might even cause a war between the Song Dynasty and the Yuan Dynasty. Lin Chaoying knew how much of a bastard Su Chen was.

On the quiet path of Zhongnan Mountain,

Su Chen leaned on the carriage of the carriage and ignored Lin Chaoying. When Su Chen thought about the message from the Black Widow, he thought of this martial arts competition and did not know whether the bloody Hou Bai Yifei would appear.

Su Chen got the information that the bloody Hou Bai Yifei and Chu Liuxiang had already joined forces. Even Hong Qigong from the Beggar Clan and Duan Yu, the escaped prince of Dali, might have joined forces with them. Xie Xiaofeng might have joined forces with them during the Black Widow's investigation.

The goal of these people's alliance is definitely themselves. Although Su Chen sent Black Widow and some shadow assassins to investigate the matter, the specific number of people they have joined forces with Black Widow has not yet been investigated.

However, the people he had offended before would definitely get together. Su Chen didn't care at all. As long as these people dared to show up, Su Chen could catch them all in one fell swoop.

Su Chen closed his eyes and thought about these things before falling asleep unconsciously, and his body slowly leaned towards Lin Chaoying beside him.

Lin Chaoying originally wanted to give this bastard Su Chen a hard time when he ignored her, but when he saw Su Chen frowning after closing his eyes, he knew that he might have something to worry about.

Lin Chaoying looked at Su Chen and didn't want to take action against him. When she thought about Su Chen's identity, she knew that this bastard must be very tired. This bastard's power is getting bigger and bigger now. This bastard Su Chen must have many things that he needs to think about. and decisiveness

"This bastard, did he do this on purpose?" Lin Chaoying thought angrily when she saw this bastard Su Chen leaning against her body.

Lin Chaoying looked at the surrounding secret guards with a red face. She gritted her teeth and wanted to push this bastard away, but she Su Chen seemed to have really fallen asleep, and he was still frowning while sleeping. This made Lin Chaoying forget to push Su Chen away for a moment.

Lin Chaoying looked at Su Chen and did not push away Su Chen who was leaning on her shoulder. , she thought that it would be nice if the bastard Su Chen wasn't so perverted, but this bastard was just a pervert. Lin Chaoying felt the hot breath from Su Chen's breath on her face and straightened Su Chen's head, but she didn't think that Su Chen Will fall directly into her arms.

Lin Chaoying stared at Su Chen who fell on her lap and gritted his teeth and wanted to strangle this bastard to death, but she stretched out her hand and took it back.

Lin Chaoying lowered her head and looked at the person lying on her lap. Su Chen, who was sleeping on her lap, whispered,

"Bastard, this time I will repay you for saving our Tomb Sect today."

-

Gusu City

In the back garden of Wu Xiangjun's Mansion in Gusu City.

A beautiful woman with a plump and concave body in a white dress and a very delicate girl of seven or eight years old were sitting in the pavilion drinking tea.

These two people are Li Qiushui of the Xiaoyao Sect and Wu Xingyun, the Tianshan Child Elder. Although they have reconciled now, they still don't deal with each other. Even when they are drinking tea here, they are still quarreling with each other.

Li Qiushui drank tea and looked at Tianshan Child Elder Wu Xingyun with a smile. Tianshan Child Elder Wu Xingyun came to assassinate her this time, but he fell into a trap. Tianshan Child Elder was caught before he saw her. If Li Qiushui hadn't been in time When he arrived, I was afraid that Tianshan Child Elder would be executed before she could see him.

Li Qiushui rolled his eyes when he saw Wu Xingyun, the Tianshan child's grandmother, who was still glaring at her while drinking tea, and said,

"Senior Sister, please stop staring at me. You should understand my temper. I said I will cure you and I will cure you. Senior Sister, just wait here for a few days. I have already written to Su Chen, after he sees my letter, he will send Zhu Guo to the secret guard."

Wu Xingyun is very displeased when he looks at Li Qiu Shui. The Li Qiu Shui who was disfigured by her has not only recovered his appearance, but is now even more beautiful than before. She is very envious of Li Qiu Shui's mature body and charm. Wu Xingyun looks at it. Looking at my small body makes me extremely depressed.

Tianshan child grandmother Wu Xingyun said to Li Qiushui in a hoarse voice,

"Li Qiushui, I'm not your senior sister. Don't call me that in the future. I can't bear the old lady in Wu Xiangjun's mansion calling me that. I hope the Zhu Guo you mentioned can cure me. As long as it can Cure my obsession, and wipe out all our grudges from now on"

"Haha, senior sister, are you envious of me? Also, Zhu Guo will definitely be cured, you can rest assured of this."

Wu Xingyun, the child elder in Tianshan, was very angry when she heard Li Qiu Shui's laughter. This Li Qiu Shui has been showing off her status in Wu Xiangjun's mansion every day these days.

Although Li Qiu Shui's status in Wu Xiangjun's mansion is very high, even Some military matters also require her nod.

Although Wu Xingyun is really envious of Li Qiu Shui's current life, Wu Xingyun will not respond to his envy for this shameless Li Qiu Shui.

"I envy you? My Piaomiao Peak of Tianshan Mountain has thousands of people from the Nine Heavens and Ten Divisions. What can I envy you for?"

"Haha, there are tens of thousands of well-equipped troops in one of my counties."

"Li Qiushui, those are not your army, don't make a mistake"

"Why not? All of Su Chen's troops and subordinates are my senior sisters. Don't forget that I am the old lady in Wu Xiangjun's mansion. Wu

Xingyun glared at Li Qiushui fiercely and said angrily,"Shameless, Mr. Wu Xiang has been unlucky for eight lifetimes to have you as an elder.""

Wu Xingyun, the child elder of Tianshan Mountain, is very angry now. This shameless Li Qiu Shui is too bullying. Li Qiu Shui used all the power of Lord Wu Xiang to anger her, which made her feel very uncomfortable.

Wu Xingyun has understood Wu Xiangjun these days. The basic situation of Xiangjun, now Wu Xiangjun Su Chen not only conquered the southern part of the Song Dynasty and Dali, Wu Xiangjun deployed more than 600,000 elite troops in the southern part of the Song Dynasty, but also had hundreds of thousands of troops in the Sui Dynasty. They are fighting.

All this has nothing to do with Li Qiu Shui, but who calls this shameless Li Qiu Shui the elder of Wu Xiangjun Su Chen.

Li Qiu Shui is now using all the power of Wu Xiang Jun to attack her, Wu Xingyun is really She couldn't bear it. Now she couldn't compare to this shameless Li Qiu Shui.

"hehe....."

Li Qiu Shui laughed when he saw Wu Xingyun, whose face was red with anger. She was completely relaxed now. If Wu Xingyun's obsession could be cured again, Li Qiu Shui would have no regrets in his heart.

After all, the senior sister Wu Xingyun had taken good care of her when she was a child. If it weren't for that scumbag Wu Yazi, the senior sisters would not have turned against each other. Now that the senior sisters can reconcile, Li Qiushui is still very happy.

Chapter 479

Wu Xingyun, the child grandmother of Tianshan, sat on a chair looking at Li Qiu Shui with some dejection. After observing her for the past few days, she discovered that Li Qiu Shui had really changed.

This reminded her of the time they spent together. Now Li Qiu Shui seemed to have returned to when she was young. The very lively and lovely Li Qiu Shui at that time was now back.

Wu Xingyun really envied Li Qiu Shui now. There were her family here and the descendants she cared about.

But what about her?

Although her Piaomiao Peak is powerful, those people are controlled by her life and death talisman, and their subordinates are not willing to be loyal to her. If possible, Wu Xingyun's subordinates will betray her at any time.

Wu Xingyun is also a little tired now. She used to want to take revenge on Li Qiu Shui, but now that they have reconciled, Wu Xingyun doesn't know what to do in the future.

She looked at Li Qiushui blankly, wondering why she had changed so much.

Li Qiushui looked at Wu Xingyun's depressed look and changed the subject.

"Senior sister, I have already told you about Wu Yazi beating the drum stone. As for what you will do in the future, I don't want to ask any more questions. I will have nothing to do with Wu Yazi from now on."

"Haha, if Wu Yazi is beating the drum stone, let him keep beating the drum stone. I didn't expect that Wu Yazi actually likes his junior sister Li Canghai." Wu Xingyun smiled helplessly after hearing Li Qiushui's words.

Wu Xingyun also didn't expect that Wu Yazi would be a ruthless and unjust person. If Wu Yazi liked his junior sister Li Canghai, he could pursue her, but that bastard actually After Li Canghai rejected him, he approached Li Qiu Shui.

Li Qiu Shui, a silly woman, actually thought that Wu Yazi liked her. It can be said that Wu Yazi was responsible for what happened next.

Wu Xingyun looked at Li Qiu Shui and felt that they It's the same destiny,"Haha! You are also a poor person who was used as a substitute by that bastard Wu Yazi."

Li Qiushui rolled his eyes at Wu Xingyun and said unceremoniously,"Aren't you just as stupid as to like Wu Yazi?"

"Haha, that's right. By the way, is there any news about your sister Li Canghai?"

"No, it has been decades, and there is no news about her at all. I don't know whether she is alive or dead now."

"Don't worry. Junior sister Li Canghai has received the master's true message. She is the most powerful among our senior sisters. Nothing will happen to her."

"Hope nothing happens to her."

At this time, the guard commander from Wu Xiangjun's mansion came to the garden and saluted Li Qiu Shui, saying,

"Informing the old lady, the secret guards of the Sui Dynasty brought the letter and a jade box that the king handed over to the old lady."

Li Qiushui looked at the jade box and letter in the guard commander's hand and said doubtfully,

"oh? Sent from Sui Dynasty? This should be the item that Su Chen prepared to send when he came back. I don't know what the little bastard sent this time."

After Li Qiu Shui took the jade box and letter from the guard commander, he asked the guard commander to go down. After the guard commander left, Li Qiu Shui opened the letter and read it, but she became excited just reading it.

Li Qiu Shui Qiu Shui did not expect that Su Chen would get the Beauty Pill. Moreover, this Beauty Pill can not only restore a woman to her most beautiful age, but also keep her appearance unchanged for thousands of years.

This Beauty Pill is a divine thing!

She can also do it in the future. There is no need to use martial arts all the time to maintain her beautiful appearance. Even if her martial arts cultivation is abolished, her beautiful appearance will not grow old.

"What are you excited about? Did something happen to your descendant?"Wu Xingyun asked hurriedly when he saw Li Qiu Shui trembling all over.

Li Qiu Shui was now incoherent and happily said to Wu Xingyun,"No.....without me.....I'm happy, hehehe! Wu

Xingyun looked at Li Qiushui with some confusion. What on earth made her tremble with joy,"What makes you so happy?"

"Senior sister, you will understand after reading this letter."Li Qiu Shui looked at Wu Xingyun and thought that if Wu Xingyun saw the letter Su Chen wrote to her, she would be even more envious of him.

Wu Xingyun took the letter from Li Qiu Shui and read it, but she opened her mouth after a while. Xiaozui was shocked. Wu Xingyun did not expect that Wu Xiangjun would get such a divine object. This is the treasure that women dream of.

Wu Xingyun saw the letter and said that he had sent two beauty pills. These were given to Li by Wu Xiangjun. Qiu Shui and her daughter Li Qingluo prepared it.

Wu Xingyun looked at the jade box on the table and became very jealous. She also very much hoped to get a beauty pill. After all, she was very old.

Wu Xingyun looked at Li Qiu Shui with great envy. He said, "Li Qiushui, you are really lucky. You have a junior like Wu Xiangjun here. You will really live a very happy life in the future."

Li Qiu Shui was very happy when she saw Wu Xingyun envying her. But she suddenly thought that the senior sister Wu Xingyun was older than her, and if the senior sister recovered, she would definitely not want her appearance to grow old.

Li Qiu Shui Qiu Shui looked at the jade box and decided to give one of the Beauty Pills to the senior sister. Her daughter Li Qingluo is now at the golden age. It is okay for Li Qingluo to take the Beauty Pill in the future.

Li Qiu Shui did not believe that Su Chen got ten pills. Maybe the little bastard has hidden a lot of Beauty Pills. After all, his wives haven't taken the Beauty Pills yet.

Li Qiushui took Wu Xingyun's hand and said seriously,

"Senior Sister, there are two Beauty Pills here. I will give you one Beauty Pill to you, Senior Sister, as compensation for my harm to Senior Sister."

Wu Xingyun hurriedly declined after hearing Li Qiu Shui's words, "No, Li Qiu Shui, as long as you can heal my body, this is your compensation. This Beauty Pill was given to you and your daughter by Wu Xiangjun. Can't have it."

Wu Xingyun didn't expect that Li Qiu Shui would give her a Beauty Pill, but she couldn't accept it. These two Beauty Pills were given by Li Qiu Shui's descendants to honor Li Qiu Shui and his mother. Although Wu Xingyun wanted it very much. The Beauty-Resisting Pill, but she couldn't ask for it.

Li Qiushui smiled and said to Wu Xingyun,

"Senior sister, Qingluo doesn't need the Beauty Pill now, but that little bastard Su Chen can get ten Beauty Pills, maybe he can get more Beauty Pills."

"Moreover, his wives don't have the Beauty Pills. Su Chen will definitely prepare the Beauty Pills for his wives. Qingluo can just ask Su Chen for them in the future."

"Senior sister, just accept it. Although Su Chen is my junior, he is also your junior. After all, you are my senior sister. If Su Chen knows about it in the future, he will also agree with my approach."

Wu Xingyun felt that it made sense after hearing what Li Qiu Shui said. She was Li Qiu Shui's senior sister no matter what, and Wu Xiangjun Su Chen was Li Qiu Shui's descendant. So wasn't she also Wu Xiang Jun's elder?

Chapter 480

Wu Xingyun thought about it and nodded in agreement to Li Qiu Shui. This time, she took advantage of the junior whom she had never met. Wu Xingyun could only do some flattering things to Wu Xiangjun in the future. She would not take advantage of the junior. The benefits are not repaid.

Li Qiu Shui was very happy when Wu Xingyun nodded in agreement. If the eldest sister Wu Xingyun takes the Beauty Pill after she recovers, I am afraid that the eldest sister's appearance will be even more beautiful, and may even surpass her. After all, the eldest sister was very beautiful when she was young. very beautiful

At the foot of Zhongnan Mountain,

Su Chen's carriage also descended from Zhongnan Mountain. The Dayuan troops patrolling here saluted from a distance when they saw Su Chen's two carriages. They did not dare to disturb the noble man in the carriage.

At this time,

Su Chen also woke up. He also squinted for a while, but when Su Chen woke up, he suddenly felt as if he was resting on a pair of thighs.

Su Chen vaguely thought that this must be Xue Nu or Shi Qingxuan. When they saw him sleeping here, they used their legs as pillows for him to rest on.

Without opening his eyes, Su Chen hugged this woman, who he didn't know was Xue Nu and Shi Qingxuan. He wanted to thank his woman this time. Su Chen hugged this woman and wanted to know who she was.

I'll do it!

Something's wrong?

I'm going!

Is there something wrong with this woman's figure?

Why is this woman so plump?

The bulges of this woman are very obvious. This figure is not like that of Xue Nu and Shi Qingxuan. After all, Su Chen is very familiar with the figures of Xue Nu and Shi Qingxuan.

Holy shit!

It's going to end!

Is this woman Lin Chaoying?

It must be.

Only Lin Chaoying here has such a big and good figure.

Su Chen shuddered and didn't know what to do. His hand slowly let go of Lin Chaoying.

Su Chen's only thought now was to run. If he stayed here for a while longer, he might be killed by the time Lin Chaoying reacted.

Slowly,

Su Chen opened his eyes.

He saw Lin Chaoying looking at him with a red face.

Su Chen quickly teleported and disappeared on Lin Chaoying. He saw that Lin Chaoying was about to draw his sword just now.

Lin Chaoying originally wanted to get out when she saw that bastard Su Chen was about to wake up. She had given this bastard enough face by letting him lie on her lap to rest. This could be regarded as his reward for saving them.

It's just that Lin Chaoying didn't expect that this bastard Su Chen would actually attack her and even kiss her. Lin Chaoying was stunned when she was kissed by this bastard Su Chen. The innocence she had maintained for decades was ruined by this bastard. Already?

This made Lin Chaoying very complicated for a while.

Lin Chaoying also reacted when Su Chen slowly let go of her. She angrily took her long sword and wanted to kill the bastard.

But as soon as she took her long sword, the bastard Su Chen disappeared, which made Lin Chaoying confused again.

Lin Chaoying quickly looked around. The secret guard here felt the murderous intention on Lin Chaoying's body and moved a distance away from the carriage.

Just now they, the secret guards, saw everything Wu Xiangjun did. This woman will also be the mistress of these secret guards in the future. The secret guards do not dare to offend this angry woman now.

In the carriage,

Su Chen suddenly appeared here. But Su Chen was stunned when he appeared here. He didn't expect that Xiao Longnu was actually changing clothes at this time. Su Chen almost shed tears when he saw Xiao Longnu's perfect figure. nosebleed

"A pair of Aces"

"Ahhhh! Asshole, get out"

"Husband, turn around quickly"

"Husband, why did you come in suddenly without saying a word?"

""The thief"

Xiao Longnu and Xue Nu did not expect that Su Chen would appear in the carriage like this. The door of the carriage was guarded by Lin Chaoying's maid Lin Rou'er. They were afraid that Su Chen would happen while Xiao Longnu was changing her dress. Enter.

Xiao Longnu was very sad now. She just wanted to change the dress with blood on her body, but this bastard suddenly appeared in the carriage, and she was immediately seen by this bastard.

Su Chen also He didn't expect this to be the case. He thought that the yelling and scolding of Xiao Longnu and the others would definitely attract Lin Chaoying over.

Su Chen hurriedly took out Zhao Min's identity token from the system space and gave it to Xue Nu.

"Hey, Xue Nu, Qingxuan, I'll go to Chang'an first. You can follow me slowly. I've given you Zhao Min's token. Be careful on the way. I'm leaving."

Su Chen said and hurriedly teleported away. This place is too dangerous. If he doesn't leave, I'm afraid he will die without a burial place.

Xue Nu and Shi Qingxuan watched Su Chen leave in a hurry. They were also very helpless. What happened just now Things happened so suddenly, from Su Chen's sudden departure to the time of drinking tea.

Xue Nu and Shi Qingxuan did not expect that things would be so coincidental. This time, Su Chen, the bastard, was going to cause a romantic debt again.

Now that bastard Escaped, but Xue Nu and Shi Qingxuan had to deal with the aftermath of that bastard, who called them Su Chen's wives?

"What's wrong? What's wrong!"

At this time, Lin Chaoying entered the carriage with a sword. After she came in, she saw the disheveled little dragon girl crying sadly and asked hurriedly.

Lin Chaoying's maid Lin Rou'er angrily said to Lin Chaoying immediately,

"Miss, your friend suddenly appeared in the carriage just now, while Long Er was changing his clothes....."

"Damn bastard, I'm going to kill him." Lin Chaoying cursed angrily after hearing Lin Rou'er's words.

Lin Chaoying didn't expect that Su Chen, a shameless bastard, had just insulted her and exposed her apprentice. This made Lin Chaoying want to cut Su Chen into pieces. Ten thousand segments

"Lin Nvxia, I can't blame Su Chen for this. He didn't expect such a thing to happen."

"Yes, Lin Nuxia, this is all a misunderstanding. Su Chen doesn't know what's going on in the carriage. We'll let Su Chen give your apprentice an explanation."

Xue Nu and Shi Qingxuan saw Lin Chaoying's murderous look and hurriedly tried to persuade them. Now Xue Nu and Shi Qingxuan feel very tired.

No wonder the women at home told them not to let Su Chen go around when they and Su Chen came to Dayuan. Causing trouble, now they finally understand Su Chen's ability to cause trouble.

Lin Chaoying is very reluctant to catch that bastard now, but she knows that the bastard's ability to escape is very powerful. Even if she chases him now, she probably won't be able to catch him. Su Chen, that shameless bastard,

Lin Chaoying hugged Xiao Longnu and said with an evil look on her face,

"Needless to say, I know very clearly what kind of person that shameless bastard Su Chen is. Su Chen can't escape. If I find him, that bastard will be dead."
