Chapter 481

One day later, on the official road leading to Chang'an, Su Chen rode a horse slowly towards Chang'an. Since Su Chen escaped from Zhongnan Mountain last time, he teleported dozens of miles and then changed direction. Heading towards Chang'an, this way he would not be caught up by Lin Chaoying and the others.

Su Chen was riding on the horse and kept thinking about what he would do if he met Lin Chaoying and Xiao Longnu and their master and disciple again?

Lin Chaoying was touched and kissed by him. Although he mistakenly recognized the wrong person, Lin Chaoying would definitely not let him go if he lost his temper.

Moreover, Su Chen also saw Lin Chaoying's apprentice Xiao Longnu, which would definitely make Lin Chaoying even more angry and want to kill him.

Su Chen touched his chin and couldn't help but think,

【Although Xiao Longnu has a very good figure, she is just too small. A pair of A's is the smallest he has ever encountered. Lin Chaoying at least has a D. Lin Chaoying is much bigger than Xiao Longnu.】

【Maybe it's because Xiao Longnu is still young and her body hasn't grown yet. Maybe it will grow again in the future. 】

Da da da da!

When Su Chen was thinking about Lin Chaoying and Xiao Longnu, he suddenly heard the sound of a large number of cavalry coming. Su Chen looked behind him and frowned and thought,

【Um? Have an army? This is the territory of the Song Dynasty. Are these troops supporting the Song army in Chang'an City? 】

Su Chen looked at the rear and continued to drive towards the mainland on horseback. These Song armies had nothing to do with him. His army might have to fight against the Song army in the future.

The next time, more than 10,000 Song Dynasty cavalry appeared behind Su Chen. When these cavalry rushed over, they ignored Su Chen who was rushing on the roadside and ran past him.

After Su Chen watched these cavalry passing by, he discovered that the general in the middle was actually a woman. This made Su Chen feel strange looking at these cavalry.

【Let me guess, how come these cavalymen have a female commander? Could it be that there were no other generals in the Song Dynasty?】

【Were there female generals in the Song Dynasty? Yang family general? General Yang is stationed in Chang'an. Could this woman be a member of General Yang?】

【It seems that among the generals of the Yang family, only Yang Ye's wife and Mu Guiying are military generals. Could it be that that woman is Mu Guiying?】

【But Yang Ye and his sons are not dead yet. If this woman is Mu Guiying, does it mean that she appeared too early? 】

Su Chen is getting more and more worried and doesn't think about this anymore. The timeline in the mixed martial arts world may have become very chaotic. Just like Fan Qinghui and Yan Jingzhai, they are not on the same timeline, and they don't appear at the same time. Yet?

In the cavalry army of the Song Dynasty, a girl disguised as a man asked the beautiful woman in armor next to her,

"Madam, do you want to give the army a break? We will reach Chang'an in less than fifty miles. Our army has traveled hundreds of miles and is very tired now."

The female general looked at the tired army and nodded.

"Well, let the scouts go ahead and see if there is a tea shop. If so, take a rest."

"Yes, miss."

An hour later, under the inspection of the scouts, the cavalry army stopped on the roadside of the official road. The soldiers of these cavalry armies now dismounted and sat on the roadside to rest. The female general of the cavalry army came with some escorts. Sitting in a roadside tea shop drinking tea and resting, this female general was Mu Guiying, the only female general in the Song Dynasty.

This time the Song Dynasty learned that the Yuan Dynasty had sent 20,000 wolf cavalry, and the Song Dynasty court was also worried about Chang'an. Unable to defend it, the Song Dynasty court sent 10,000 imperial guards cavalry over.

The girl next to Mu Guiying poured her a cup of tea and said with a smile,

"Miss, you can meet your future uncle today. If your future uncle knows that you are here with the army this time, I believe he will be very happy."

Mu Guiying smiled after hearing what the little girl said. She was very satisfied with her fiancé. If the Yuan army hadn't been preparing to attack the Song Dynasty this time, I'm afraid he and she would have been married to Yang Zongbao of the Yang family.

"Xiao He, Yang Zongbao should not be in Chang'an now. Now the Yuan army is approaching step by step. Yang Zongbao should have been sent by his grandfather to the Weihe River to investigate the Yuan army."

"Haha, miss, maybe, this time the miss comes to support the Yang family, the Yang family will definitely get the news, and the future uncle may already be waiting for the miss in Chang'an."

Mu Guiying smiled and took a sip of tea. She was also worried about Yang Zongbao's safety this time. In the Yuan Dynasty, more than 200,000 troops were deployed along the Wei River, while Chang'an only had about 100,000 troops. Mu Guiying was also worried. The Yang Jiahui could not defend Chang'an City.

At this moment, Mu Guiying's little girl suddenly discovered that Su Chen had also arrived here on horseback. She looked at Su Chen's look like a playboy and said to Mu Guiying,

"Miss, look, isn't that man the young man we met on the road?"

"He's just a dandy, we don't need to pay attention to him, and the army doesn't need to drive him away. This is an official road after all, and we don't want to drive away the common people who are close to here."

"Yes, miss."

Su Chen came not far from the tea shop on the roadside and saw the troops being repaired in front of them. These troops did not display flags. Su Chen couldn't tell who the female general was.

Su Chen saw these The army did not stop him from approaching the tea shop, so he rode directly to the tea shop. Su Chen had also traveled dozens of miles. This might be the last tea shop after arriving in Chang'an. Su Chen also planned to come here. take a break

"Sir, please sit down"

"Bring me a pot of good tea"

"Good guest."

Su Chen handed the horse to the waiter at the tea shop and sat down in the tea shop. He looked at the female general on the side and waited for the tea to arrive.

Su Chen did not expect that the female general was so big-hearted, so he brought ten She dared to let a stranger approach her if she had too many guards. If he was an assassin, the female general would have died before leaving the army.

Su Chen rested here for a while and found that some Jianghu people were also appearing one after another. In the tea shop, the number of guards around the female general has increased by hundreds. The army not far away is still resting. However, if the female general is attacked here, I am afraid that the cavalry will immediately come to protect the female general. While Su Chen was looking at these Jianghu people, a Taoist nun brought a little girl to Su Chen's table and sat down. Su Chen was very confused when he saw this beautiful Taoist nun sitting next to him.

Although in the tea shop One side was occupied by the female general, but there were still a few empty tables here. So how come this female Taoist nun and a little girl were sitting next to him? Could it be that this female Taoist nun had a romantic interest? What

Su Chen didn't know was that this The female Taoist nun was Lin Chaoying's eldest disciple Li Mochou. This time she was also going to Chang'an to see the martial arts conference there.

Li Mochou did not expect to meet Wu Xiangjun in a tea shop on the roadside. He was from the Song Dynasty.

Aren't you afraid of being discovered when Wu Xiangjun appears here alone?

Moreover, there are troops from the Song Dynasty in this tea shop. Li Mochou feels that this Wu Wuxiang Jun is really talented and bold.

Li Mochou is very good at Wu Xiangjun. Xiangjun's daughter Su Yan never forgets that the clever little girl Li Mochou likes her very much.

This time when she met Wu Xiangjun, she wanted to see if she could get Su Yan to become her teacher, so she saw Su Chen later sat next to him.

Chapter 482

Li Mochou looked at Su Chen's confused look and smiled. She had seen Mr. Wu Xiang in the apricot forest before, and this Mr. Wu Xiang definitely didn't recognize her.

But why does Wu Xiangjun give her a very dangerous feeling? Wu Xiangjun's cultivation realm is clearly an innate first-level one. Why does she feel dangerous?

Li Mochou looked at Su Chen and saw that Su Chen didn't take the lead in talking to him. She ordered the little girl beside her,

"Wushuang, let the waiter at the tea shop serve you a pot of good tea"

"Yes, master."

The little girl looked at Su Chen and then went to ask the waiter at the tea shop to serve tea.

Lu Wushuang was very confused now. Why did Li Mochou sit with a man?

She knew that Li Mochou hated men very much. Could it be that Has this man offended Li Mochou before?

Lu Wushuang thought that if this handsome man offended Li Mochou, he might be dead this time.

"It's Li Mochou, the red training fairy. Li Mochou must have gone to Chang'an to participate in the martial arts conference. We don't want to offend her."

"That's right, this Fairy Chi Lian is a female devil who kills people without blinking an eye. We have to be careful."

"What are you afraid of? There are troops from the Song Dynasty here, and Li Mochou doesn't dare to kill people randomly here."

"Yes, but the young man next to Li Mochou is in trouble. He must have been targeted by the female devil Li Mochou."

"Haha, Chilian Fairy Li Mochou hates heartless men very much. This young master must have done something that made Li Mochou disgusted."

"Needless to say, this dandy must have played with women, otherwise Li Mochou wouldn't have caught his eye."

The people in the tea shop started talking when Li Mochou appeared. They are not afraid that Li Mochou will kill them in anger. After all, there are tens of thousands of Song Dynasty troops here.

Li Mochou No matter how ruthless she was, she would not dare to kill anyone here. If Li Mochou dared to take action, the army here would probably kill her.

Su Chen looked at Li Mochou with a bulging chest and thought,

【Let me guess, this Taoist nun is Li Mochou? No wonder she was so beautiful, and she was almost as good as Lin Chaoying. Su Chen thought that it would be exciting if Li Mochou went to Chang'an and met Lin Chaoying. 】

Su Chen was drinking tea and was very surprised when he heard the conversation among the people here. He did not expect that this beautiful Taoist nun turned out to be Li Mochou.

Su Chen felt that he was very destined to the women of the Ancient Tomb Sect. He had just escaped from Lin Chaoying and Xiao Longnu yesterday. Su Chen did not expect to meet Li Mochou today.

But why is Li Mochou sitting next to him?

This made Su Chen confused for a moment.

Did Li Mochou know him?

Or does Li Mochou think he is a man who always gives up? Is she going to kill herself soon?

Su Chen couldn't figure out what Li Mochou was planning to do now. He looked at Li Mochou and didn't intend to talk to her first. Su Chen wanted to see what Li Mochou was going to do to him.

Li Mochou didn't pay attention when she heard the people around her talking about her, but she was very angry when she found that bastard Wu Xiangjun kept staring at her chest.

Although she had heard that Wu Xiangjun was a romantic person, she never thought that Wu Xiangjun would be so shameless and shameless.

Li Mochou glared at Su Chen and thought angrily, [Shameless bastard, this Wu Xiangjun is really a pervert, and I should stay away from this bastard in the future. 】

Mu Guiying on the side of the tea shop also heard the conversation among the Jianghu people. She looked at Li Mochou who had just arrived and was very confused.

Why did Li Mochou get together with that dandy boy when he arrived?

Is Li Mochou going to take action against this somewhat aristocratic young master?

Xiao He, the little girl next to Mu Guiying, looked at Li Mochou and whispered, "Miss, that is the big devil Li Mochou, do we want to catch her?"

Mu Guiying shook her head and refused,

"Xiaohe, although Li Mochou is a big devil, the people she killed were all those who deserved to be killed. Besides, there is no need for us to care about the official officials who arrested Li Mochou."

Mu Guiying knew the people Li Mochou killed. Although she didn't agree with what Li Mochou did, she didn't object to Li Mochou killing those who abandoned their wives and children.

Xiao He was worried when she looked at Su Chen Said to Mu Guiying,

"But miss, Li Mochou is now targeting that young master. If we leave soon, that young master will definitely be killed by the big devil Li Mochou."

"Xiaohe, aren't you just in love with yourself? Although this young man is somewhat handsome, he is not a good person. Don't let your heart rest on him."

"Miss, how could I be tempted by him? I will always be with you from now on." Xiao He blushed and lowered her head when she heard Mu Guiying's words.

She had a fondness for the unknown young master. Although the young master looked a little lazy, Xiao He felt that he had an aura that was very attractive to her.

Xiao He has been thinking about this young master since she met him on the road. Now that she sees the big devil Li Mochou sitting next to him, Miss He is very worried about his safety.

"Haha, you will eventually get married, but this young man is not a good match for you. Don't fall in love just because he looks good."

Mu Guiying has now discovered that Xiaohe is attracted to that handsome young man, but this young man gives Mu Guiying the feeling that he is a playboy, and he must have many women.

Mu Guiying also discovered that this young man He has practiced martial arts, and his strength is at the level of cultivation at the first level of the innate world. He is not as high as Xiao He, who has the level of cultivation at the sixth level of the innate world.

"Miss, how about we take this young man with us as soon as we leave, and then let him leave on his own when we arrive in Chang'an?"

"Haha, okay, let's help him this time"

"thank you miss"

Su Chen here, when Su Chen saw Li Mochou glare at him, Su Chen knew that Li Mochou had caught him peeking at her chest.

But Su Chen didn't care. Li Mochou came here voluntarily to give him benefits. If he didn't look at it, he would be sorry for himself.

When Lu Wushuang came back, she found her master Li Mochou staring at the young master next to him with a red face. She looked at Su Chen and then Li Mochou in confusion.

Lu Wushuang now guesses that the big devil Li Mochou must know this young master, but why is the big devil Li Mochou blushing? Did something happen when she wasn't here just now?

Li Mochou saw that Wu Xiangjun didn't pay attention to her and glared at him. This made Li Mochou angrily and said to Su Chen,

"Mr. Su, is it not good for you to look at a woman like this?"

Su Chen didn't expect that Li Mochou actually knew him. This made Su Chen very surprised. He smiled and looked at the blushing Li Mochou and said,"Miss Li, aren't beautiful women something to be admired? ? I just appreciate it with no intention of blasphemy"

【You are a liar!】

【No blasphemy?】

【How can this be believed when said by a playboy? 】

Li Mochou was helpless towards this shameless Lord Wu Xiang.

This bastard was too thick-skinned. Just now, he was almost drooling when he looked at her breasts lustfully.

This bastard looks like a pervert at first glance.

If other men looked at her like this, Li Mochou would have torn him into pieces long ago.

It's just that Wu Xiangjun, the shameless bastard, has a special status, but Li Mochou doesn't dare to kill him.

Chapter 483

When Lu Wushuang saw Su Chen teasing Li Mochou, she felt that this young man was looking for death. Who was Li Mochou? She is a big demon who kills people without blinking an eye. This somewhat handsome young man is dead this time.

But when Lu Wushuang was feeling pity for this handsome young man who was about to be killed by Li Mochou, she suddenly saw Li Mochou blushing.

Li Mochou blushed?

This big devil actually blushed?

Lu Wushuang opened her mouth and felt that she had seen it wrong, but she rubbed her eyes and still saw that Li Mochou's face was very red now.

Damn it!

Could it be that Li Mochou has fallen in love with this young master?

Lu Wushuang looked at Su Chen and then at Li Mochou. She felt that her brain was a little exhausted now.

Su Chen drank tea and smiled when he saw Li Mochou's blushing and angry look. Li Mochou didn't expect to be like this. If it weren't for that Lu Zhanyuan, Li Mochou probably wouldn't have become a murderer without blinking an eye. The devil.

But why didn't Lin Chaoying capture Li Mochou and take him back to the Ancient Tomb Sect?

Has Li Mochou completely given up on Li Mochou?

Su Chen felt that Lin Chaoying was not that kind of person, and there must be something he didn't know about here.

But if Li Mochou really goes to the martial arts competition in Chang'an this time, Su Chen will be able to understand why Lin Chaoying allowed Li Mochou to commit crimes everywhere in the world.

At this time, Mu Guiying's little maid came to Su Chen's body and said to Su Chen with a bright red face,

"This young master is invited by our general."

Su Chen was very curious when he looked at this woman wearing armor. Su Chen didn't think his identity was exposed, and this woman obviously had no hostility towards him. Su Chen couldn't understand why he was sitting here so well. That female general in the army wants to see me?

"You general? What does your general want from me?"

Xiao He looked at Li Mochou next to him and said with a smile, "Young master, you will know when you go there."

Su Chen stood up and looked at this woman and nodded to Li Mochou. He also wanted to know who this female general of the Song Dynasty was? And what business did this female general have with him this time?

"Okay, I'll let you go."

After Su Chen and Xiao He left, Li Mochou breathed a sigh of relief. She was very afraid of Su Chen. If this shameless pervert wanted to do something bad to her, she probably wouldn't be able to resist.

Li Mochou Chou didn't believe that this bastard would appear here alone. There must be some masters hiding around this bastard, but she didn't find it. But what did the general of the Song Dynasty do with this bastard?

The Song Dynasty and Wu Xiangjun were enemies of life and death. This Is the shameless pervert's identity exposed?

Li Mochou is now starting to worry about Su Chen. If something happens to Su Chen here, I'm afraid she won't be able to get close to this bastard's daughter in the future.

Li Mochou looked at the female general She wanted to know why Su Chen was called over.

Lu Wushuang stared at Li Mochou's worried look and was very shocked. Now she was very sure that Li Mochou and Mr. Su must have a special relationship, and even they It might have been that kind of relationship in the past.

Lu Wushuang thought about it and decided to find out more about the relationship between Li Mochou and Mr. Su.

"Master, will something happen to that young master?"

"have no idea."Li Mochou said expressionlessly when he saw Su Chen and Xiao He approaching the female general's table.

Seeing Li Mochou's gloomy face, Lu Wushuang continued to ask, "Master, if something happens to Mr. Su, what will you do? Go and save him?"

"Lu Wushuang, you talk a bit too much. Nothing will happen to that shameless pervert. Even if something happens, he will have a way to deal with it. Just drink your tea and don't worry about these things."

"Yes, master."

Lu Wushuang shuddered when she saw Li Mochou looking angry. She was afraid that Li Mochou would take it out on her.

Although Li Mochou was usually nice to her, Lu Wushuang knew that Li Mochou could kill him at any time. After all, the Lu family was wiped out by Li Mochou, and Li Mochou might have had bad intentions in keeping her.

Su Chen and Xiao He came to Mu Guiying's table and sat down. Su Chen looked at this handsome and handsome girl. The female general smiled and asked,

"What's your surname, general?"

"Aren't you afraid of me?"

Mu Guiying was a little curious when she looked at Su Chen. The young master didn't look scared at all when he came to her. He sat down and looked at her even before she invited her. This made Mu Guiying have doubts about Su Chen's identity. Somewhat doubtful

"Thank you."

Su Chen took the tea that Xiao He poured for him and nodded to her. He took a sip and said with a smile, "Why should I be afraid of you? The general looks like a very beautiful woman. I believe the general did not come to me to harm me."

Mu Guiying was speechless when she looked at the pretty Su Chen, "My surname is Mu, you can call me General Mu."

I guess!

This woman is really Mu Guiying, but this Mu Guiying is too beautiful. She is much better than on TV.

Su Chen looked at Mu Guiying and she was only less than 20 years old. Su Chen saw the age-old appearance and beautiful face, but Mu Guiying was wearing armor so he could not know what Mu Guiying's figure was like, but Mu Guiying's tall figure would definitely not disappoint him.

"It turns out to be General Mu. I have admired him for a long time."

"you know me?"

"do not know"

"So you've heard of me?"

"Never heard of it."

Mu Guiying is completely speechless now. This dandy is a shameless person at first glance. He doesn't know her and has never heard of her. It's been a long time. Mu Guiying now has a very strong impression of Su Chen. It's not good.

Mu Guiying's maid Xiao He was very helpless when she saw Su Chen. She didn't expect Su Chen to be so out of tune.

Xiao He looked at Mu Guiying and was worried that she wouldn't save Su Chen. She was now a little afraid that not only would Su Chen not be rescued by Mu Guiying this time, but Su Chen might even offend Mu Guiying.

Mu Guiying resisted trying to drive this bastard away and said, "Sir, do you know that with you Who are the two women sitting together?"

Su Chen saw Mu Guiying frowning and knew that she was probably in a very bad mood now, but Su Chen didn't care about Mu Guiying's mood.

Su Chen didn't want to have anything to do with Mu Guiying. If Mu Guiying knew his identity, I was afraid that Mu Guiying would immediately turn against him and arrest him. Su Chen felt that it would be better to anger Mu Guiying and ask her to drive him away.

Su Chen looked at Mu Guiying with a perverted look and said ,

, "Li Mochou and her disciples, how could I not know about Red Train Fairy Li Mochou."

Mu Guiying was very disgusted when she saw the way Su Chen looked at her. If she hadn't done it for Xiaohe this time, Mu Guiying would have taught this bastard a lesson.

Mu Guiying was very uncomfortable being stared at by Su Chen, a pervert. Naturally, when she saw Su Chen looking at her with gleaming eyes, Mu Guiying wanted to dig out this bastard's eyes immediately.

Mu Guiying took a deep breath, held her fist and asked,

"You actually know that woman is Li Mochou, aren't you afraid that she will kill you?"

"Don't be afraid, the beautiful lady Li Mochou won't kill me"

"Why? Why won't Li Mochou kill you?"

"Haha, I look so handsome and Li Mochou is reluctant to kill me, and Li Mochou and I have no enmity, so how could she kill me."

Chapter 484

Mu Guiying is completely speechless for this narcissistic bastard now.

Is he handsome?

Forehead! There are some handsome guys with outstanding temperaments.

Mu Guiying compared this bastard with her fiancé Yang Zongbao. Mu Guiying felt that although this bastard was better than her fiancé, this bastard was too narcissistic and shameless. Mu Guiying still felt that his fiancé Yang Zongbao was better..

Xiao He next to her looked at Su Chen with many little stars shining in her eyes. She felt that Su Chen looked very handsome. Xiao He squinted her eyes and thought about how to make this young man fall in love with her in the future.

Su Chen drank tea and hoped that Mu Guiying would drive him away quickly. He didn't want to stay any longer. The little maid next to him looked at him with a look of infatuation, which made Su Chen feel very uncomfortable.

Although this little maid is also very pretty, Su Chen doesn't want anything to happen to her.

"suddenly! May I have your name?"Mu Guiying looked at the nymphomaniac Xiao He and held back her anger and asked Su Chen, this damn bastard,

I don't know what Xiao He is interested in this bastard, forget it, for the sake of Xiao He's future.

Mu Guiying said Guiying thinks it's better to be patient.

"Su Batian."

Pfft

"Cough cough cough....."

As soon as Mu Guiying took a sip of tea, she spat it out in shock. She coughed and stared at this bastard in surprise, thinking,

【Su Batian?】

【Oh my God!】

【What kind of bad name is this?】

【Why don't you just call this bastard Ripotian? Bah! Pooh! Pooh! How could I think of such a shameless thing. 】

Mu Guiying was so angry with this bastard. She now felt as if she had been tricked by this bastard. This bastard must have given a false name.

Su Chen looked at Mu Guiying who was shocked by the name he said and smiled. He guessed that this time Mu Guiying would angrily scold him and leave him, but Mu Guiying's little mouth looked really serious. Sexy, Su Chen couldn't help but lick his lips.

Mu Guiying didn't ask whether Su Chen's name was fake. She didn't care. Looking at this bastard, she couldn't help but touch her sword and continued to ask,

"Suba....Su Batian, are you going to attend the martial arts conference in Chang'an this time too?"

Su Chen shook his head and said shamelessly,

"If I don't participate, I'm just a weak scholar. Martial arts competitions are something only those rude people do. We, the scholars, disdain to be like those charlatans."

Kacha.

A corner of the tea table was directly crushed by Mu Guiying. Mu Guiying was now furious and stared at Su Chen thinking,

【this damn bastard】

【He clearly has an innate level of cultivation, but why do you think he is a helpless person?】

【Does this bastard think she's an idiot? 】

Mu Guiying watched this bastard tell lies without even blinking, and she felt that she must stop Xiao He from liking this bastard. She didn't want Xiao He to fall into this bastard's fire pit in the future.

At this time, Xiao He and the guards next to Mu Guiying looked at Su Chen and their mouths twitched. They had never encountered such a shameless person.

Their young lady is a person who has reached the peak of Xiantian cultivation level, and this young man looks like a person who has just been promoted to Xiantian. This young man is telling lies with his eyes open. I am afraid that their young lady will not be able to help but beat this shameless person after a while..

Xiaohe saw that Mu Guiying's face was very ugly now. She hurriedly said to Su Chen, "Master Su, you can come with us later. It's safer to be with us."

Looking at this, Su Chen probably even said A The little maid shook her head. He now wished Mu Guiying and the others to leave quickly. That beautiful lady Li Mochou was still waiting for him to tease her. Su Chen would not leave with Mu Guiying and the others.

"No, you are officers and soldiers, I am just a little scholar, I cannot drag you down."

Xiao He continued to persuade Su Chen worriedly when he saw Su Chen's refusal,

"Mr. Su, you'd better leave with us. It's still fifty miles away from Chang'an, and the road is not peaceful now. You won't be in danger if you leave with us."

【I'll do it!】

【Are you really attracted to this little beauty?】

【Didn't she see that I had been pretending to be shameless and shameless for a long time?】

【Although this little beauty looks very pretty and cute, they are enemies and may meet each other in war in the future. Su Chen does not want to get familiar with them, and he will not be able to deal with them on the battlefield in the future. 】

Su Chen shook his head and felt a headache. Why is his damn charm getting bigger and bigger? Now he is attracted by a little beauty whom he doesn't know. What a damn charm!

Mu Guiying was very speechless when she looked at Xiao He. This bastard obviously didn't want to go with them, but Xiao He, a damn girl, spotted this bastard. Mu Guiying rubbed her aching head and patted it. The table said,

"Su Batian, you must go with us. There is one less recording officer in our army. Didn't you say you are a scholar? Now you are drafted by the army."

Su Chen was confused after hearing Mu Guiying's words. He didn't expect that Mu Guiying would do this. He was a rebel. Why would he join the Song army now? If his subordinates knew about it, then Before the chaos was over,

Su Chen hurriedly refused to Mu Guiying, "No, um, I don't want to join the army. I'm just a scholar. I don't want to join the army.""

"The objection is invalid. I have the right to requisition any people and materials from the Song Dynasty. It doesn't matter if you don't join the army this time." Mu Guiying glared at Su Chen fiercely. This bastard must make him suffer in the army this time. Mu Guiying looked at Xiao He who was smiling and said helplessly,

"Xiao He, I will leave this Su Batian to you. If he escapes, I will only ask you."

"Yes, General, I will definitely take a fancy to Su Batian."

Xiao He is very happy now. She didn't expect that the young lady would come up with such a way. Xiao He couldn't help laughing when she thought that she would always be with Su Chen in the future.

【What the hell!】

【Is this trying to attract a young man?】

【What does Mu Guiying mean?】

【Did Mu Guiying do this because he wanted him to marry this Xiaohe? 】

Su Chen has absolutely no choice now. If he escapes now, he may be found by Mu Guiying, a silly woman, when he appears in Chang'an in the future. After all, Chang'an is controlled by the Yang family general. Su Chen looked at it. Mu Guiying glared at her very unkindly.

When Mu Guiying saw that this bastard dared to glare at her, she was so angry that she wanted to draw her sword and stab this shameless bastard to death. However, she thought that this bastard would work under her in the future, so Mu Guiying smiled sinisterly at Su Chen..

Chapter 485

In the tea shop, after Mu Guiying forcibly took Su Chen away, everyone in the tea shop started talking.

"Did you see it? General Mu Guiying grabbed a pretty boy and left. Could it be that General Mu Guiying fell in love with that pretty boy?"

"Damn, it must be true. That pretty boy is pretty good-looking, but is it okay for General Mu Guiying to just steal a pretty boy like this?"

"Damn it, don't you know that General Mu Guiying's fiancé is also in Chang'an, and Mu Guiying's fiancé is Yang Zongbao, the grandson of old General Yang Ye, something big is going to happen this time"

"hiss! Isn't that Yang Zongbao going to be cuckolded?"

"Will the Yang family and the Mu family turn against each other this time?"

"Let's go, let's go to Chang'an quickly. We might see something good this time."

"Haha, hell, this is a bloody love triangle. I wonder if Yang Zongbao of the Yang family would be so angry that he would vomit blood if he knew what General Mu Guiying did."

The people in the tea shop hurried away after saying this. They wanted to go to Chang'an to see the excitement. This was even more sensational than the martial arts conference held by the Beggar Clan.

Li Mochou was also very confused now. She saw Su Chen, who was not romantically involved, was dragged away by Mu Guiying's maid and left with Mu Guiying.

Li Mochou felt something was wrong. When she heard the chatter in the tea shop, Li Mochou became uneasy.

Li Mochou said to herself somewhat confused,

"What exactly is going on? Could it be that he was really attracted by that General Mu Guiying? Mu Guiying didn't look like a carefree woman, so why did Mu Guiying take Su Chen away by force?"

Lu Wushuang looked at Li Mochou's nervous and flustered look, and she knew that her guess was very correct. Li Mochou must have a close relationship with that Young Master Su.

But now that Young Master Su was forcibly taken away by General Mu Guiying, Lu Wushuang Wushuang was very happy to see Li Mochou not calm.

Lu Wushuang hoped that General Mu Guiying would not let Mr. Su go in the future. Li Mochou would definitely be in great pain in the future. Lu Wushuang really wanted to see Li Mochou. Mochou looked miserable and helpless.

Li Mochou frowned and did not understand Mu Guiying's plan. Now she could only go to Chang'an to see what Mu Guiying was going to do to Su Chen.

"Wushuang, let's go to Chang'an quickly"

"Yes, master"

-

Song Dynasty, Chang'an

In the afternoon, Mu Guiying's army also came to Chang'an City. After Mu Guiying arranged the army, she took her guards and maids to her mansion. Su Chen sat on the horse and came from behind. After hugging Xiaohe, he and Mu Guiying went to her house.

Su Chen is also very helpless now. Xiao He even refused to let him ride alone on the road, saying that he was afraid of him running away. When Su Chen heard that Xiao He wanted to hold him and ride the horse, Su Chen became uneasy.

He asked a little maid to hold him and ride a horse, but Su Chen would not let her do this even if she was killed. In the end, it was Su Chen who held Xiao He and rode a horse with the army to Chang'an.

Xiaohe was very happy now. She was hugged by the person she liked and rode the horse, smiling all the way. This was her happiest day.

Although Mr. Su doesn't like her yet, Xiao He believes that Mr. Su will like her if they are together often in the future.

In Mu Guiying's house,

Mu Guiying looked at the helpless Su Chen and rolled her eyes. This bastard was flirting with Xiao He all the way. Did he think he didn't notice?

What's so good about a lecher? Xiaohe is really blind to fall in love with this bastard

"Young Master, drink tea."

Xiao He hurriedly made a cup of tea for Su Chen after Su Chen sat down.

Mu Guiying looked at Xiao He busy around Su Chen and said angrily,

"Xiaohe, you are my maid, not this bastard but the maid"

"Miss, please wait a moment, I will make tea for you right away."

Xiao He smiled and patted her head when she saw Mu Guiying was angry. She had forgotten about Mu Guiying just now, but the two of them were like sisters. Xiao He believed that Mu Guiying would not get angry with her because of this matter. Mu Guiying felt very helpless when she looked at Xiao He. This Xiao He now has a lover and has forgotten her.

"Forget it, no more drinking, Xiaohe, let's go wash up and change out of the armor."

"Okay, miss," Xiao He looked at the armor she was wearing and nodded quickly. She smiled at Su Chen who was drinking tea and said, "Mr. Su, please take a rest here first. Don't run around, I'll prepare a bath for you later"

"knew."

After Su Chen answered Xiao He, he glared at Mu Guiying and leaned on the chair to rest.

He was very uncomfortable along the way, and there was no way he could take advantage of holding a little beauty.

Xiao He, a little beauty, was Wearing thick armor, Su Chen's skin was almost torn by the friction of Xiao He's armor along the way.

"Bastard, it will be easy for you in the future."

Before Mu Guiying left, she saw Su Chen dared to glare at her, which made her glare angrily at Su Chen and said fiercely.

Su Chen had been looking at this mansion after Mu Guiying and the others left, but why didn't it seem like there was nothing here? Has anyone lived there?

Isn't Mu Guiying's husband in Chang'an?

Why didn't that Yang Zongbao of the Yang family general see anyone?

Why was his wife not here today when she came from the Yang family general?

She didn't go to the city gate to greet Mu Guiying, either. This made Su Chen feel a little strange

【Could it be that all the Yang family generals were confronting the Yuan army at the Weihe River?】

【But this isn't right either?】

【Is it possible that there are no generals left behind in Chang'an City?】

【Then why didn't anyone from the Yang family generals or Yang Zongbao show up? 】

Su Chen thought about it and felt that something was very wrong about this matter. Didn't Mu Guiying marry Yang Zongbao? But Su Chen heard the chatter of the guards on the road. Wasn't the uncle the guards were talking about Yang Zongbao?

Su Chen also remembered that Xiao He said that she was as handsome as her uncle Yang Zongbao. Doesn't this mean that Mu Guiying was married to Yang Zongbao?

At this time, a guard came in and saluted Su Chen and said, "I have met the young master, and the Yang Mansion has sent an invitation."

This guard did not dare to offend Su Chen. They, the guards, had seen how powerful Su Chen was along the way. The young lady was speechless by this young man, but she did not take the young man to task.

The young lady's maid has always been by the young master's side. The young lady is the maid Xiao He, but she is an innate master of the sixth level. If she knows that these guards are disrespectful to Young Master Su, I am afraid that they will not get good results.

When Su Chen heard the guard's words, he wanted to confirm his guess, "Yang Mansion? Is it Mu Guiying's husband's family?"

"Forehead! Yes, sir."

This guard was originally said to be the future in-laws, but after thinking about it, he did not tell Su Mu Guiying and Yang Zongbao that they were not married yet.

"That's it. Put down the invitation. I'll hand it to Mu Guiying later. You can go down."

"Yes, sir."

Su Chen took the invitation, smiled sinisterly, and tore it up.

【Mu Guiying, Mu Guiying, don't blame me. Who asked you to bring me to Chang'an by force? If I don't take revenge, I'll be really sorry for myself.】

【Haha, if you don't go to the Yang Mansion this time, I'm afraid Yang Zongbao's family will have a very big opinion on you, and your hard days will come in the future.】

【This is what you get for messing with me. I hope you will be scolded directly next time you go to Yang Mansion, haha.....】

Chapter 486

At night, in a courtyard in Chang'an City.

In this dark courtyard, a room suddenly lit up, and then several figures appeared in the room.

A man with white hair and red clothes said coldly and arrogantly to the others in the room,

"Xie Xiaofeng, Chu Liuxiang, Duan Yu, how many people have you contacted during this period who are willing to deal with Wu Xiangjun?"

Chu Liuxiang, who had only one arm next to him, felt very helpless after taking a sip of wine. His former mistress, Mrs. Ye Di, had already gone to kill Wu Xiangjun, but there was no news of Wu Xiangjun being killed for such a long time. Chu Liuxiang also I don't know why Mrs. Ye Di hasn't killed Wu Xiangjun now.

Chu Liuxiang thought that his master Ye Di didn't know where he was now. If his master was here, his master would definitely avenge him for his broken arm. Moreover, Su Rongrong and Chu Liuxiang would also let them come back to him.

Chu Liuxiang looked at the others and said to Bai Yifei,

"Bai Yifei, there are not many people who want to deal with Wu Xiangjun. I contacted some people and most of them I am interested, but now I have only convinced the Ming Cult leader Zhang Wuji, the thief Xiao Shiyilang, and Xiao Yuer from the Valley of the Wicked."

"I haven't made much progress here. I just convinced Song Qingshu of the Wudang Sect, Linghu Chong of the Huashan Sect, and Xiaoyao Hou." Xie Xiaofeng looked at Bai Yifei and Chu Liuxiang and said casually.

This time Xie Xiaofeng used a lot of favors to convince these people. He hated that bastard Wu Xiangjun to the core. Murong Qiudi was a woman he liked very much. Every time Xie Xiaofeng thought about Murong Qiudi having sex with that bastard Wu Xiangjun, he felt extremely angry.

"I have only contacted Xu Zhu, the sweeping monk of Shaolin Temple, and An Shigeng of Ming Dynasty."

Duan Yu was very embarrassed when he saw these powerful people above the Grand Master level. He was only in a small innate cultivation realm. He didn't have much confidence in being either a Grand Master or a Grand Master here. However,

Duan Yu wanted to save his father and restore the country. , he could only do his best to do things for these people.

Bai Yifei looked at Chu Liuxiang and the others and shook his head. The most powerful people they gathered were only great masters, but there were many women among Wu Xiangjun. He is a great master, and these people used to deliver food.

Bai Yifei looked at Chu Liuxiang and the others with a cold face and said,

"These people are far from enough. They can't kill Wu Xiangjun. You must know that Wu Xiangjun's women are not easy to mess with. I'm afraid these people will be killed by Wu Xiangjun's women before they get to Wu Xiangjun."

"Not long ago, I received news that Zhu Yuyan, Cihang Jingzhai Fan Qinghui, and Yan Jing'an of the Yinkui sect, Wu Xiangjun's confidants, are all now great masters, as well as Yao Yue and Lian Xing from Yihua Palace, who are also great masters."

"Among Wu Xiangjun's four wives, Jingbao, Yanfei, and Murong Qiudi are all great masters. Only Changsun Wuchuan is not a great master. Wu Xiangjun's aunt Li Qiushui is also a great master."

"We know these great masters. We still don't know if that bastard Wu Xiangjun has other women or confidantees of other great masters."

"This does not count Su Chen's remaining confidante who are masters. There are also quite a few women who are in the realm of master cultivation."

Chu Liuxiang and the others took a breath of air when they heard what Bai Yifei said. They didn't expect that shameless bastard Wu Xiangjun to have so many great masters.

Moreover, these great masters were either the confidante of that bastard or his wife and family. This made them all feel very powerless.

Among them, only Bai Yifei was a Grandmaster. The rest of them were Grandmasters and innate cultivation realms. Among the people they invited, there were only a few Grandmasters. How could this happen? Being able to kill that bastard Wu Xiangjun.

Chu Liuxiang and the others are now very envious of that bastard Wu Xiangjun. Why do these proud women of heaven love that shameless person Wu Xiangjun. Wu Xiangjun is a complete gangster and bastard, but those days The proud girls actually like that gangster pervert.

And those proud girls haven't gotten jealous of each other yet, which they can't understand.

After they were silent for a while, Duan Yu broke the calm and said The dialogue is not what they said,

"Should we help Beggar Clan Hong Qigong in this martial arts competition?"

Xie Xiaofeng shook his head and said resolutely, "No, we are not powerful yet. If we come forward to help Hong Qigong now, we may be discovered by Wu Xiangjun's people."

Chu Liuxiang nodded and said gloomily,

"Well, we can't help him this time. In this war between the Song Dynasty and the Yuan Dynasty, the Song Dynasty is definitely not the opponent of the Dayuan Dynasty. Hong Qigong cares too much about his reputation. We can't expose ourselves by helping Hong Qigong.."

Chu Liuxiang also disapproved of helping Hong Qigong. Although Hong Qigong was one of them, Hong Qigong had already gained a bad reputation because of what happened in the apricot forest. In this war, the Song Dynasty obviously lost to the Yuan Dynasty, but Hong Qigong In order to restore his reputation, Qi Gong held a martial arts conference despite their objections. He did so with a certain death-defying rhythm.

Bai Yifei nodded and agreed not to help Hong Qi Gong. Although Hong Qi Gong was a master, he This private decision made him very unhappy, and Bai Yifei didn't want to expose them when they were not fully prepared.

Chu Liuxiang thought of the person Bai Yifei contacted and asked hurriedly,

"Bai Yifei, how is the person you contacted? Is he willing to take action? Bai

Yifei looked at the night outside and said with a smile, "That person agreed, but he has to destroy the other six countries before he is willing to help us with all his strength. Now he can only give us some financial help and a group of innate cultivators." For the master of realm."

Xie Xiaofeng didn't expect Bai Yifei to really persuade that person. If that person could help them, I believe it wouldn't take long to destroy Lord Wu Xiang.

"Huh, that's not bad. If that person can destroy the other six countries as soon as possible, I believe it shouldn't be too difficult to destroy Lord Wu Xiang's force with his power."

Chu Liuxiang took a sip of wine and stood up and said, "Okay, since we don't intend to help Hong Qigong of the Beggar Clan, let's break up. We should each recruit powerful masters and some powerful sects."

When Chu Liuxiang heard that they all agreed, he felt that he should leave here as soon as possible. The Beggar Clan's martial arts conference will start in three days. There will be a lot of martial arts people here by then, and he is also worried that their whereabouts will be exposed. Come out.

Bai Yifei and the others nodded and left. Here they were really worried about exposing their whereabouts. If they were accidentally discovered by Wu Xiangjun's people, I'm afraid some of them would be hunted down...

Chapter 487

Morning, Chang'an.

Chang'an City is now full of gossip. After the news about General Mu Guiying finding a pretty boy was spread by those Jianghu people, the people of Chang'an and Jianghu were talking about it.

Everyone in Chang'an City knows that Mu Guiying is the future wife of Yang Zongbao of the Yang family. This time it was revealed that Mu Guiying found a gigolo. People in Chang'an want to know how the Yang family will deal with it. They are all waiting Watching the excitement.

In the Yang Mansion in Chang'an, the people of the Yang family are very angry now. They did not expect that Mu Guiying would do such an immoral thing. Everyone in the Yang family is now talking in the hall about what Mu Guiying did..

The seventh man, Yang Yansi, had a hot temper and said to Yang Liulang, Yang Yanzhao, "Sixth brother, Mu Guiying is not worthy of being a member of our Yang family. I will not agree to his marriage to Zongbao this time. Zongbao must terminate the engagement with Mu Guiying."

Sanlang Yang Xun frowned and said angrily,

"The sixth brother and the third brother also disagree with this marriage. Mu Guiying has gone too far. Our Yang family cannot have this shameless woman."

"Yes, this Mu Guiying seems to be a dignified and sensible woman, but I didn't expect that she would do such a thing"

"I asked why Mu Guiying didn't come to the family dinner last night. It turned out that she was fooling around with that pretty boy."

"She looks down on our Yang family. We can't let it go this time. We must express this tone, otherwise our Yang family will not be able to hold our heads high in the Song Dynasty in the future."

"Did we not go to the city gate to greet Mu Guiying yesterday? Is that why she does this?"

"Impossible, brother, didn't you hear the people on the street say that? That woman Mu Guiying took that pretty boy with her on the way to Chang'an. Mu Guiying is a slut."

While several brothers of the Yang family were denounced Mu Guiying, Yang Ye, who was sitting in the main seat, was also very angry.

When he and Mu Guiying's father discussed the proposal of marriage, he clearly looked at Mu Guiying's face. How could Mu Guiying, a capable and well-informed woman, do such immoral things?

When Mu Guiying arrived in Chang'an yesterday, it was not that the Yang family was unwilling to receive her at the city gate, but that Yang Ye was worried about the people in Chang'an. The eunuchs were gossiping about the emperor.

The Yang family and the Mu family were originally generals in charge of the army. If the emperor got too close to the Yang family and Mu, he might worry that they would rebel. After all, Lord Wu Xiang had learned from past mistakes.

Bump! Bump!

Yang! Ye thought for a moment that this might be a conspiracy of the Dayuan people. He saw his sons making noises with indignation, and Yang Ye patted the table and said loudly,

"Stop arguing, I will investigate this matter clearly, and you should not jump to random conclusions about these rumors. This may be the Dayuan people deliberately trying to sow discord between us and the Mu family."

At this time, Yang Liulang suddenly realized that Yang Zongbao was not here, so he hurriedly asked,

"Where is Zongbao? Have any of you seen Zongbao?"

"No, I haven't seen that boy today"

"I didn't see him either"

"Isn't Zongbao still up?"

"Sixth brother, Zongbao won't go to settle the score with that shameless woman, right?"

The Yang brothers looked around and replied one after another. They were so angry just now that they didn't notice whether Yang Zongbao came or not. When

Yang Liulang heard what his brothers said, he worriedly said to Yang Ye, "Bad Zongbao must have gone to find Mu Guiying. Dad, should we send someone to bring Zongbao back? Yang

Ye waved his hand and said helplessly,

"If Zongbao goes to find Mu Guiying, we can't stop him now. Liulang, please send someone to Mu Guiying's mansion to find out the news."

"Yes, dad"

In Mu Guiying's house,

Su Chen was speechless when he saw Xiao He sleeping next to him. Su Chen still couldn't help but eat the little maid.

Last night, the maid bathed him, prepared meals for him, and even warmed his bed when he went to sleep. This made Su Chen really unable to resist eating her.

When Su Chen got up, he went to the hall of Mu Mansion and rubbed his dizzy head. He didn't drink much wine yesterday, so now he felt very uncomfortable.

"Sir, have some tea." When a maid saw Su Chen sitting in the hall, she hurriedly brought Su Chen a cup of tea.

"Where are you ladies?"

"Young Master, the lady is practicing martial arts in the backyard."

"oh"

"Mu Guiying, come out here. Mu Guiying, come out here."

At this moment, a man's shouting suddenly came from the yard. When Su Chen heard it, he felt strange. Mu Guiying was also a third-grade general. How could someone come to her house? Where's the trouble?

"Who is yelling?"

At this time, Xiao He also hurriedly came to the hall. When she saw Su Chen sitting here, she breathed a sigh of relief. Xiao He thought that Su Chen left quietly. She just woke up and disappeared. Su Chen frightened her.

"Young Master, Yang Zongbao is here."

Su Chen saw Xiao He also getting up and asked with concern, "Xiao He, why don't you get more rest."

They worked hard for most of the night before resting last night. This is because Su Chen couldn't bear to torment Xiao He, otherwise Xiao He would definitely not get up today.

"I'm worried that the young master will leave, so....."

Su Chen hugged and touched Xiao He's hair and smiled and said,

"Haha, how could I leave? There is food and drink here. I will not leave. If I leave, I will take you with me."

Xiao He was very happy after hearing Su Chen's words. The wine the lady collected last night was indeed useful. If Su Chen hadn't been a little drunk yesterday, she would definitely not have received Su Chen's care today.

"Mu Guiying, come out here. If you don't make things clear today, we will have fun."

Yang Zongbao in the yard was still beating and shouting, but Mu Guiying's guards had stopped Yang Zongbao.

Yang Zongbao came to Mu's mansion early in the morning and shouted, which made these guards very angry. It's very difficult to do.

This Yang Zongbao is their young lady's fiancé, and the guards like them don't dare to use force.

Su Chen is a little worried now, why is this Yang Zongbao back at this time? Could it be that someone from the Yang family informed him? Didn't Mu Guiying go to the Yang family for a banquet yesterday? Did Yang Zongbao come back from the Weihe River even at night?

Su Chen was worried that yesterday's invitation would be exposed. He didn't expect that the Yang family would be so depressed. After telling Mu Guiying's husband, Grandmaster Yang rushed back early in the morning to investigate.

"Young Master, let me go see what happened to Yang Zongbao?"

"Don't worry about him wherever he goes. This is a matter between you ladies and your husband. Don't interfere."

Chapter 488

Su Chen grabbed Xiaohe girl and didn't want her to go there. Now Yang Zongbao came to Mu Guiying to accuse him, but Su Chen wanted this girl to take him away from here.

If Mu Guiying later knew that he tore up the invitation sent by the Yang family yesterday, I am afraid Mu Guiying would kill him in anger.

Xiaohe was pulled by Su Chen and looked into the yard and said angrily,

"Young Master, this Yang Zongbao is too lawless. He dares to come here and make a fuss even though he is not the uncle of our Mu family. If the young lady marries him in the future, I am afraid he will become even more lawless."

Su Chen was very surprised after hearing Xiao He's words. He hurriedly pulled Xiao He tightly and asked hurriedly,

"What? What did you say? Your young lady Mu Guiying hasn't married Yang Zongbao of the Yang family yet?"

Xiao He felt a little pain when she saw Su Chen holding her hand tightly. She didn't know why Su Chen reacted so much when she heard that Mu Guiying was not married. Xiao He looked at Su Chen's surprised look and said He said,

"Yes, the lady is also engaged to Yang Zongbao. They were supposed to get married last month, but the wedding was postponed due to the invasion of the Yuan army."

【What the hell!】

【Why didn't Mu Guiying and Yang Zongbao get married?】

【Isn't this wrong?】

【When the guard yesterday gave him the invitation, he said that Yang Zongbao was his uncle, and didn't Xiao He also say that Yang Zongbao was his uncle's uncle?】

【Now Mu Guiying and Yang Zongbao are just engaged, so what he did yesterday may cause misunderstandings among the Yang family, right?】

【It's over now. I won't cause Yang Zongbao and Mu Guiying to break up because I tore up the Yang family's invitation yesterday, right? 】

Su Chen thought about it and felt that he should leave this place of right and wrong as soon as possible. This time, it was also his fault for not asking Mu Guiying and Xiaohe. Now that things are like this, I am afraid that Mu Guiying will have something to say when he comes. Not sure.

Su Chen pulled Xiao He and walked towards the door. He didn't want to stay here for a moment.

"Xiao He, let's go shopping on the streets of Chang'an City. Let your lady handle this by herself."

"Well, I listen to the young master."

Xiao He thought about it and felt that what Su Chen said was right. After all, Yang Zongbao is Mu Guiying's fiancé, and she, a maid, cannot interfere with their future couple's affairs.

Just when Su Chen and Xiao He were about to leave the hall, A young man wearing armor and with an upright face broke into the hall holding a long gun, and the surrounding guards followed closely and surrounded the man. When the man saw Su Chen, he took Chang Zhuan pointed at Su Chen angrily and shouted,

"It's you? Are you that pretty boy?"

Su Chen was momentarily confused when he saw Yang Zongbao barging in.

【What kind of pretty boy?】

【This bastard is calling him a pretty boy?】

【Damn it, do you look like a pretty boy? 】

Xiao He saw that Yang Zongbao was disrespectful to Su Chen, and she scolded Yang Zongbao unceremoniously like a little hen protecting her calf,

"General Yang, this is a guest of our Mu family. You'd better not act recklessly in our Mu family."

"guest? Hahaha! A good guest? What a guest." Yang Zongbao laughed angrily when he saw Su Chen and Xiao He standing hand in hand in front of him.

Yang Zongbao was now very convinced that Mu Guiying was having an affair with this pretty boy. At first, he thought it was the gangsters outside. Rumors spread by people.

Now that he saw this pretty boy getting close to Xiao He, he knew that those were not rumors, but the truth.

You must know that Xiao He is Mu Guiying's personal maid and Mu Guiying's deputy general. Mu Guiying married him after he asked, and this beautiful and lovely Xiao He would also be his concubine.

Yang Zongbao now saw that Xiao He not only had a close relationship with this pretty boy, but even dared to reprimand him, which made Yang Zongbao His face was almost black with anger.

Xiaohe couldn't figure it out when he saw Yang Zongbao laughing crazily at them.

"General Yang, what do you mean?"

"What's the meaning? Where is Mu Guiying? Where is your lady? Call your lady out and you will know what it means."

Xiao He looked at Yang Zongbao's angry look and didn't want him to see Mu Guiying. This Yang Zongbao must have come with bad intentions. She didn't want Mu Guiying to be angry with this Yang Zongbao.

"General Yang, my lady is not feeling well. You'd better come back tomorrow."

"uncomfortable? I think she doesn't dare to see me. Does Mu Guiying feel guilty after the immoral things she did were exposed?"

"Insolent, Yang Zongbao, if you dare to slander our lady again, don't blame me for being rude."

"You're welcome? come! The general is here, why are you so rude?" Yang Zongbao pointed at Xiao He with a long gun and shouted angrily. Then Yang Zongbao looked at Su Chen and trembled with anger and stared at him. He angrily looked down on Su Chen and said,

"Pretty boy, you can do it. Not only did you charm that shameless woman Mu Guiying, you even charmed Mu Guiying's little maid. You have the most powerful pretty boy in history."

【What the hell! What is this bastard talking about?】

【Why did I confuse Mu Guiying?】

【Mu Guiying has nothing to do with him. Did Yang Zongbao take the wrong medicine today? 】

Su Chen originally thought that Yang Zongbao came here because of yesterday's invitation, but now it seems that it is not because of yesterday's invitation. Su Chen can't figure out what is the reason why Yang Zongbao hates him so much?

""Looking for death."

Xiao He heard that Yang Zongbao not only scolded Mu Guiying, but now even more fiercely scolded Su Chen. Su Chen would be her man in the future, and she and Mu Guiying were sisters. Now Yang Zongbao not only insulted Mu Guiying , and even scolded Su Chen, Xiao He couldn't help but attack Yang Zongbao directly.

Xiao He pushed Su Chen behind her and rushed towards Yang Zongbao. When Yang Zongbao saw Xiao He was about to take action, he hurriedly She waved her long grab to attack Xiao He.

Just when Yang Zongbao was about to attack her, Xiao He jumped sideways and quickly avoided Yang Zongbao's attack. When Xiao He came to Yang Zongbao, he stretched out his palm and slapped her. On Yang Zongbao's chest.

Touch!

Ahem!

Xiaohe slapped Yang Zongbao out of the hall. She was very disdainful when she saw Yang Zongbao lying on the ground and vomiting blood. A scumbag in the acquired world still wanted to fight her. Xiaohe If it weren't for Mu Guiying's sake, Yang Zongbao would definitely be crippled by her.

Xiaohe looked at Yang Zongbao who hadn't gotten up yet and ordered the surrounding guards expressionlessly,

"A little scumbag who dares to come to Mu Mansion to show his power. Catch Yang Zongbao and hand him over to the lady later."

""Yes."

At this moment,

Mu Guiying came over from outside. She was very surprised when she saw Yang Zongbao fell to the ground and vomited blood. Mu Guiying did not think about why her future husband-in-law would be injured in her house. Falling to the ground?

When the guards saw Mu Guiying arriving, they all stopped. They still had to obey Mu Guiying's orders this time.

Mu Guiying looked around and asked in confusion,"What happened?" Already? Why don't you help General Yang up quickly?"

"Mu Guiying, I don't need you to pretend to be a good person, you shameless woman. Today, I, Yang Zongbao, will cancel our engagement with you. From now on, you are you and I am me. Our Yang family cannot afford a slut like you."

Chapter 489

When Yang Zongbao saw Mu Guiying arriving, he glared at her angrily. This beautiful woman, Yang Zongbao, was very excited when he first got engaged to her.

You must know that there are many young talents in the imperial capital who admire Mu Guiying very much. In the end, it was his grandfather who arranged the marriage for him.

But what Yang Zongbao didn't expect was that Mu Guiying would secretly keep a pretty boy, which made Yang Zongbao feel like his head was green.

He himself hasn't got everything from Mu Guiying, but the pretty boy is hugging her in Mu's house. Yang Zongbao now wants to kill this watery slut.

Mu Guiying's face was very ugly now. She did not expect that Yang Zongbao would scold her like this when he came to her house today.

Slut?

When did she become a slut?

This Yang Zongbao wanted to break off the engagement with her, which made Mu Guiying even more confused.

Although Mu Guiying didn't know why Yang Zongbao scolded her like this, she would not be angry with Yang Zongbao.

Mu Guiying looked at Yang Zongbao with a gloomy and angry face and asked angrily, "What are you talking about? Yang Zongbao, what do you mean? Why am I a slut?"

"You are still covering up, Mu Guiying, I have finally seen who you are. It was exposed that you were looking for a pretty boy. Now everyone in Chang'an knows about you and this pretty boy. You are really shameless."

"What? Am I looking for a pretty boy? I asked this bastard to be my sweetheart?"

Mu Guiying didn't expect that Yang Zongbao would say that she was looking for a pretty boy. She is a young girl now.

What kind of sweetheart was she looking for?

And she also found Su Batian, a bastard, as a sweetheart?

Mu Guiying thought Yang Zongbao was crazy, she was It is impossible and impossible for anyone to find this bastard to be a pretty boy.

Bah!

What kind of pretty boy am I looking for?

Mu Guiying felt that something was wrong with her.

She thought of Yang Zongbao saying that now everyone in Chang'an knew that she had found a pretty boy, and she was still looking for one. It was this bastard, and Mu Guiying felt that there must be a conspiracy in this matter.

Su Chen was also drunk now, and after doing it for a long time, it turned out that Yang Zongbao suspected that Mu Guiying had found him as a love interest.

Su Chen originally didn't want to care about this mess. He thought that as long as yesterday's invitation was not discovered, Su Chen would not care about Mu Guiying and Yang Zongbao's bloody affair.

But when Mu Guiying showed contempt and disgust towards him, Su Chen was very unhappy.

"Mu Guiying, what do you mean? Am I bad?"

"Do you know if it's almost the same?"

"I know shit"

"You are a piece of shit."

Su Chen stared at this hateful woman and wanted to teach her a lesson.

Su Chen didn't expect Mu Guiying's mouth to be so vicious. He didn't provoke this woman today, but Su Chen looked at Mu Guiying. She wanted to eat him, and

Su Chen couldn't understand why Mu Guiying had such a bad temper today.

"Come on, Mu Guiying, did I steal your rice? Or did I steal your money?"

"You bastard stole someone."

Mu Guiying blushed as she said to Su Chen. She was also mad at Yang Zongbao and Su Chen.

She knew everything about Su Chen and Xiao He last night. She even went over to take a peek. What Su Chen and Xiao He did.

Mu Guiying didn't expect that she would say such things in a hurry.

Su Chen was stunned when he heard Mu Guiying's kindness. He didn't expect that the female general would go there last night. Peeping, he was also drunk yesterday and Su Chen didn't notice anyone outside the room. Su Chen looked at Mu Guiying who was starting to turn red and gave a thumbs up and said,

"Forehead! You're awesome, you're a voyeur."

Mu Guiying's face turned red and she wanted to kill this bastard.

Peeping Tom?

Are she a peeping tom?

Mu Guiying was worried about Xiao He before she went to check whether this bastard knew how to use words.

"Go away, you are the peeping tom, I am just worried that you, a bastard, will bully Xiao He."

Xiao He is also blushing and lowering her head. She did not expect that Miss Mu Guiying would peek at them last night. Now Mu Guiying must have seen and heard what happened last night, which makes Xiao He ashamed. He couldn't raise his head.

Yang Zongbao saw that Mu Guiying and this pretty boy dared to flirt in front of him, and Mu Guiying's blushing face must be what they did last night.

Yang Zongbao glared with anger on his face Looking at Mu Guiying and Su Chen, he said,

"You two bastards, you will not have a good death in the future, I will not let you go."

Yang Zongbao staggered away angrily as he spoke.

He felt disgusted when he saw the couple.

He must kill the pretty boy, and Mu Guiying must be raped and sunk in the river. This way Only then can he relieve the hatred in his heart

"What exactly is going on? Which of you knows?"Mu Guiying asked confusedly as she sat on the chair after Yang Zongbao left.

Mu Guiying didn't know what Yang Zongbao meant now, and Yang Zongbao didn't look jealous. There must be something wrong with it. There is a problem.

When Su Chen saw Mu Guiying staring at him with an unkind expression, he stood in front of Mu Guiying and said angrily,

"What do you see me doing? I just woke up and met your fiancé"

"Oh, no, you have been divorced, you are your ex-fiancé"

"Your ex-fiancé kept scolding me for being your pretty boy when he saw me. I was scolded for no reason and I still want to know the reason."

Mu Guiying stared at Su Chen tremblingly and wanted to shut up this bastard.

What this bastard said was too unpleasant. He said everything about his fiancé and ex-fiancé.

He even mentioned the matter of Yang Zongbao's termination of the engagement just now. It was said that she was divorced. She was divorced without getting married. Did this bastard intend to make her angry to death?

Mu Guiying rolled her eyes at Su Chen and said to Xiao He,

"Xiaohe, go to the street and see what happened. Why is there news about me and this bastard in Chang'an City?"

"Okay, miss."

Su Chen looked at Mu Guiying who seemed to be fine and was very puzzled.

This woman's heart is big enough.

Shouldn't she be heartbroken when Mu Guiying's engagement was terminated?

Why doesn't she seem to be not at all? Looks like you care

"Mu Guiying, something is wrong with you now?"

"You bastard, if you have something to say, say it quickly and fart it quickly."

"Let me guess, why are you, a woman, talking more and more rudely? This is not like the Mu Guiying I met yesterday."

"Bah, if I had been gentle when talking to this bastard like you, I would have been pissed to death."

Su Chen looked at Mu Guiying who had a venomous tongue and thought that she deserved to be divorced. Marrying a woman who was not gentle at all would also lead to suffering. Su Chen looked at Mu Guiying who had a dignified and beautiful face and a shady talk and asked,

"Mu Guiying, your engagement has been terminated by Yang Zongbao, or you have been divorced by Yang Zongbao. Aren't you sad?"

Chapter 490

Outside Mu Guiying's mansion, when Yang Zongbao staggered out of Mu Guiying's mansion, the Yang family guards who were guarding here hurriedly helped Yang Zongbao leave.

There were many people outside Mu Guiying's house waiting to watch the show. After they saw Yang Zongbao of the Yang family injured and leaving Mu's house, they started talking excitedly.

"Damn, something big is going to happen this time. Yang Zongbao, the only grandson of the Yang family, was injured and left Mu Guiying's house. I wonder if the Yang family will fall out with the Mu family this time?"

"hiss! You say that Mu Guiying dared to hurt Yang Zongbao just for a pretty boy. Is that pretty boy really stronger than Yang Zongbao, who became a fifth-rank general at a young age?"

"Shit, that pretty boy must be very handsome. Yang Zongbao may not be as handsome as that pretty boy."

"Well, that makes sense"

"Mu Guiying is a young lady from the Mu family who is famous all over the imperial capital. She is a proud girl with both beauty and ability. I never understand how she could ruin her reputation for a pretty boy?"

"That's right, this is something I can't understand either."

"Everyone, is it possible that Mu Guiying is dissatisfied with the engagement arranged for her by her family? Mu Guiying may be dissatisfied with Yang Zongbao. She deliberately tarnished her reputation in order to terminate the engagement."

"Maybe, anyway, there is going to be a lot of fun today. If Yang Zongbao returns injured, the Yang family will definitely not give up."

While these people were talking about each other, Xiao He also came out of Mu's Mansion. She saw so many people gathered outside Mu's Mansion, and she left quietly without saying anything, but she stood upright on the road. The ears wanted to know what these people were talking about. Mu Guiying in Mu Mansion fell silent after hearing what Su Chen asked her. She was also very curious now why she was not sad after Yang Zongbao broke off their engagement with her? This made her feel sad. She couldn't understand either.

When she was in Kaifeng Imperial Capital, she thought of Yang Zongbao every day, but today after seeing Yang Zongbao, she felt very calm, even as if she were seeing a familiar stranger.

Mu Guiying She didn't think she had changed her mind. Although Mu Guiying was not romantically involved when they made the engagement, she also knew that among the nobles of the Song Dynasty, only Yang Zongbao and Yue Yun were decent.

Mu Guiying also gradually She accepted Yang Zongbao as her fiancé. Although they had not met in the past, she still often thought about Yang Zongbao, but this time Mu Guiying didn't know why she didn't feel anything after seeing Yang Zongbao.

Mu Guiying saw Su She was very angry when she looked at herself while drinking tea in the morning. This bastard asked her if he wanted to see her joke? Did this bastard want to see her weak side?

"You bastard, are you laughing at me for being annulled? Or you bastard, you want to see me cry"

"No, I'm just curious, just curious"

"Go away, I am a female general, do you think I will be sad?"

"Mu Guiying, this is no longer interesting. If you act like this, you will become a bastard and get out. You will definitely not be able to get married in the future."

"I just can't get married, and I won't marry a bastard like you."

Mu Guiying said angrily to Su Chen and was stunned. She didn't expect that she would say such things to Su Chen. Mu Guiying patted her head and felt that this bastard was poisonous. She would stay away from this bastard in the future. After hearing Mu Guiying's words, Su Chen stood up and sat down far away from her. He didn't want to interact with Mu Guiying, the venomous tongue. Although Mu Guiying was very handsome and beautiful, this woman was too venomous. ,

Su Chen sat aside and nodded and said,

"Thank you, I really don't dare to marry you"

"Shameless, I won't give you a home even if I die"

"Each other, even if I put a knife to my neck, I will not marry a woman with a vicious tongue like you."

"You are the poisonous woman, you are a shameless bastard, I will kill you." Mu Guiying really couldn't stand this bastard anymore. The bastard just stayed away from her. Mu Guiying was very angry. She stood up and rushed towards Su Chen with fists.

What the hell!

This crazy woman is completely crazy. When

Su Chen saw Mu Guiying attacking him, he teleported and appeared behind Mu Guiying. He quickly touched Mu Guiying's acupuncture points.

Su Chen smiled when he saw Mu Guiying's acupoints being tapped by him. He smiled, this Mu Guiying is just a little scumbag in the innate realm.

It would only take Su Chen a matter of minutes to deal with her.

Mu Guiying was stunned when Su Chen tapped her acupoints. She is at the peak of innate realm. , but she was treated by this bastard without any resistance.

This made Mu Guiying look at Su Chen in surprise and asked,

"you.....Are you not at an innate level of cultivation? who are you?"

Su Chen pretended to be a scoundrel and touched Mu Guiying's smooth face and said,

"Hahaha! who I am? I am the famous flower-picking thief Su Batian, and the beautiful woman Mu Guiying. Today I am going to enjoy this beautiful woman like you.

Mu Guiying looked at Su Chen's scoundrel look with disdain. She didn't believe that this bastard was a flower-picking thief. Besides, was Su Batian among the flower-picking thieves?

But when the bastard Su Chen touched her face, Mu Guiying became completely angry. She glared at Su Chen and shouted angrily,

"You damn bastard, how dare you treat me so lightly? You are dead, I will definitely catch you and cut you into pieces.

Su Chen sat down, took a sip of tea, smiled and said,"Can you do it?" You are just a little scumbag with an innate realm, I can crush you to death with one hand"

"who are you?"

Mu Guiying now also knows that this bastard Su Chen is not simple. She has always felt that something is wrong with this bastard ever since she saw him. In the tea shop, this bastard did not seem to be afraid of the murderous Li Mochou.

And this The bastard acted like a master after he came to her house, which made her even more suspicious of this bastard. However, this bastard kept messing around to make her angry, which made Mu Guiying not investigate and take precautions against this bastard.

Mu Guiying looked at The temperament of this bastard didn't look like an ordinary person. She guessed that Su Chen was either a noble or a master of the Jianghu sect. When

Su Chen saw that Mu Guiying didn't believe him, he also knew that he had failed as a flower-picking thief. This woman She is not a good-for-nothing person. It seems that Mu Guiying is indeed a famous female general in the army.

Su Chen will not tell Mu Guiying her true identity. He looked into Mu Guiying's eyes and said word by word.

"Pick....flower...big...Thief, Su Batian is me."

Mu Guiying now wants to strangle this bastard to death. This bastard refuses to tell the truth despite his time. This makes Mu Guiying stare at this bastard with burning eyes and shout,

"Go away, you bastard, are you going to tell me?"

"Hahaha! Does it matter who I am? You and I also met by chance. Today I will leave here, and we will never meet again in the future. Mu Guiying, don't miss me in the future."
