

## Zongwu 491

### Chapter 491

Su Chen didn't want to stay here now. Yang Zongbao was injured by Xiao He and left. I'm afraid the Yang family's people will come and kill him soon.

Moreover, Mu Guiying's place was probably already being watched by people from Chang'an City, and Su Chen didn't want to expose his identity here.

And what Yang Zongbao said inexplicably when he arrived just now made Su Chen feel a little strange when he thought about it now.

Su Chen's angry expression when he saw Yang Zongbao was not fake. Could it be that there were really rumors that he was the pretty boy kept by Mu Guiying?

Su Chen shook his head and couldn't understand. They just arrived in Chang'an yesterday and didn't even walk around Chang'an City. Why would there be such a scandal in Chang'an City?

Su Chen thought it would be better to leave as soon as possible. As soon as Xiao He came back, Su Chen planned to take Xiao He out of Mu Guiying's house. Not only was Mu Guiying, who was at odds with him, there was also everyone in Chang'an City. At the eye-catching place,

Mu Guiying became anxious when she heard that Su Chen was leaving. If this bastard left, I'm afraid he would take Xiao He away. Xiao He was not only powerful, but she was also her deputy. If this bastard took Xiao He away, He, Mu Guiying lost her favorite helper.

Mu Guiying would not let this bastard take Xiao He away, and since this bastard was so powerful, Mu Guiying also planned to let him stay in her army.

Mu Guiying stared at Su Chen and said hurriedly, "You want to leave? No, you can't leave. You bastard is the secretary of my army, and you will be the boss of my army from now on. You can't leave.""

"Let me tell you, I am not your secretary, I was forcibly captured by you."

"Then you can be the lieutenant, so that's okay, right?"

"Mu Guiying, you have a beautiful idea. I am so free by myself. Why should I be your lieutenant and pay for your life??"

"You bastard, now that we are facing a huge enemy, why don't you help Song Dynasty deal with the invasion of those alien races as you are from the Song Dynasty? Do you still have a conscience?"

Su Chen was very speechless when he looked at Mu Guiying. Mu Guiying had worked hard to get her to stay, but could Su Chen stay? Su Chen came to see the martial arts conference and then returned to Suzhou. City, and the Song Dynasty was still his enemy. Su Chen didn't want anything to happen in Chang'an at this time. If his identity was exposed here, he might start to flee.

Su Chen looked at Mu Guiying anxiously He smiled and said,

"Haha, I'm sorry, I'm not from the Song Dynasty. No matter how dazzling you are, Mu Guiying, I can't join the army of the Song Dynasty."

"Miss, it's not good."

Just when Mu Guiying was about to say something else, Xiao He flew in from outside. When she arrived, she shouted to Mu Guiying,

"Xiao He, what happened outside?" When Mu Guiying saw Xiao He arriving in a panic, she hurriedly asked Xiao He,

"Miss you....." Xiao He saw that Mu Guiying's acupuncture points were tapped, and Su Chen was still drinking tea leisurely beside him. Xiao He guessed that Su Chen must have subdued Mu Guiying.

Xiao He knew how powerful Su Chen was last night. Although she didn't know Su Chen's specific strength, Su Chen was much stronger than her. Xiao He rolled his eyes at Su Chen and then unlocked Mu Guiying's acupuncture points.

Mu Gui After Ying's acupuncture points were opened by Xiaohe, she rubbed her sore waist and asked hurriedly, "Tell me, what is the situation outside now?"

"Miss, there are rumors everywhere in Chang'an about Miss and Mr. Su. It is said that the Miss has fallen in love with Mr. Su and even took Mr. Su away by force. It is also said that the Miss had slept with Mr. Su last night."

Xiao He was very helpless when he looked at Mu Guiying. Now Mu Guiying's reputation is already bad in Chang'an. Xiao He did not dare to tell Mu Guiying some very unpleasant words.

Xiao He also did not expect that Su Chen and her How did things become a matter between Su Chen and Mu Guiying today? This made Xiaohe look at Mu Guiying and feel very sorry for her.

If she hadn't begged Mu Guiying to take Su Chen with her, Mu Guiying would not have been Such rumors spread.

Mu Guiying was very angry when she heard Xiao He's words. She looked at Su Chen and said angrily,

"What? Am I attracted to this bastard? And even slept with him? Are all people in Chang'an blind? Why did I fall in love with this shameless bastard?"

Mu Guiying cursed and thought about why Yang Zongbao came to her house to scold her. Mu Guiying did not expect that such a thing would happen.

They just arrived in Chang'an yesterday, and such a thing was reported today. Mu Guiying is now She felt that this was a conspiracy, a conspiracy to break up with the Yang family.

Su Chen was also very speechless now. What is all this? Why did he have anything to do with Mu Guiying?

Su Chen thought of Yang Zongbao just now Seeing how he wanted to eat him, he also understood that Yang Zongbao would say that he was a pretty boy.

But he and Mu Guiying clearly had nothing to do with each other. Why did people in Chang'an city spread such rumors? This made Su Chen I can't figure it out.

Su Chen is too lazy to talk to Mu Guiying now. He can't leave Mu Guiying's house even if he thinks about it now. If he leaves Mu Guiying's house, I'm afraid his appearance will be exposed..

Some Jianghu people in Chang'an City may know him, especially Hong Qigong, the leader of the Beggar Gang. That old beggar hates him very much. Su Chen thought about it and couldn't leave Mu Guiying at this time. At this time, a guard ran into the hall and said in a panic, "Miss Qizhen, Yang Ye of the Yang family is leading some guards outside the house to see the lady."

Xiao He said anxiously when he heard what the guard said, "Miss, the Yang family must be here to seek an explanation for Yang Zongbao. What should we do?"

Mu Guiying rubbed her aching head and said helplessly,

"Damn, why are things happening one after another? That bastard Yang Zongbao has already terminated my engagement with him. This time they came for sure because you injured him."

"Miss, how about I go and apologize to the Yang family?"

Xiao He looked at Mu Guiying's helpless look. She knew that Yang Zongbao's injury was caused by her, so Xiao He thought it would be better for her to apologize to the Yang family, so that she would not harm Mu Guiying.

Mu Guiying waved her hand and refused, "You can't go. Yang Zongbao came to my house and yelled and made a fuss. It's his own fault for hurting Yang Zongbao.""

"Miss, what should we do now?"

"Come, let the people from the Yang family come in. I want to see how the Yang family will mobilize to hold the people accountable this time?"

""Yes, miss."

After Su Chen watched the guard leave, he also wanted to go back to the room to hide for a while. These things were none of his business. Su Chen thought it would be better to hide for a while, just

in case someone from the Yang family recognized him. I'm afraid Mu Guiying will also be implicated by him.

"Stop, you bastard, don't even think about leaving. This happened all because of you. Where are you going?"

Chapter 492

When Mu Guiying saw Su Chen was about to leave secretly, she hurriedly caught him. This bastard wanted to run away now.

This is not possible!

These things were all caused by this bastard. Now that the Yang family has arrived, Mu Guiying still has to rely on this bastard to tell the Yang family that she has nothing to do with this bastard.

Su Chen was very helpless when he saw Mu Guiying grabbing his arm. Why did this woman not pay attention to the difference between men and women?

Su Chen looked at Xiao He and hoped that she would convince her lady, but Xiao He stuck out her tongue at him and looked at him with a smile. Su Chen glared at Xiao He and looked at Mu Guiying's blushing face and said ,

"Let me tell you, Mu Guiying, this matter has nothing to do with me. This is a matter between you and the Yang family. I just want to go back to the room and take a rest. Please let me go."

Mu Guiying is very embarrassed and angry when she grabs Su Chen's arm. She has never been so close to a man. Mu Guiying has no choice. She can't beat this bastard Su Chen.

If she lets this bastard leave now , when people from the Yang family arrive, this bastard will definitely come out for a confrontation.

Mu Guiying doesn't want this bastard to leave her mansion secretly. If this bastard leaves secretly, she may not be able to explain it even if she opens a few more mouths. It's clear.

Mu Guiying's face turned bright red and she said to Su Chen angrily,

"Why is it none of your business? The rumors in Chang'an this time must be aimed at my relationship with the Yang family. Now there is a powerful enemy. If my relationship with the Yang family breaks down, it will be very detrimental to the defense of Chang'an City. Today's The matter must be explained clearly to the Yang family"

"This is none of my business. Mu Guiying, please let me go. I won't get involved in this nonsense between you and the Yang family."

"Bastard, you shameless bastard must stay."

"Mu Guiying, you think so well. If I stay today, wouldn't that prove that you are related to me? You silly girl, now it's all in vain for you to ask me and the Yang family to explain. The Yang family won't believe it at all now. Let me go. I don't want to be able to kill those people in the Yang family."

"Why can't you explain it clearly? We obviously have nothing to do. These things must be rumors spread intentionally by the Yuan people. They must want the Yang family to break up with me, so that the Yuan people can take the opportunity to attack Chang'an City. You just need to tell me about this matter. Just explain it clearly to the Yang family."

""Idiot"

Su Chen is helpless now. Does this silly girl think that people from the Yang family will believe her explanation now? If the Yang family comes later and sees that she is here, I am afraid that all the witnesses and physical evidence will be available, Mu Guiying I'm afraid this silly girl's explanation will be useless.

When Mu Guiying heard this bastard calling her silly girl and idiot, she couldn't help it anymore and pinched Su Chen's waist hard. ,

"You bastard, what do you want?"

Su Chen took a deep breath when Mu Guiying pinched his waist. This silly girl pinched his waist fiercely this time. Su Chen felt that his waist might really bleed this time. ,

"Damn, let go, or I'm going to do it."

At this time, when Yang Ye and his sons entered the hall, they saw Mu Guiying and Su Chen entangled. Yang Ye and his sons stared at Su Chen and Mu Gui with ugly expressions. Ying,

Yang Ye shouted angrily when he saw this, "How unbecoming is it to pull and pull in public? Mu Guiying, you really made me see it wrong."

"this? Old General Yang, you misunderstood. I am....."

When Mu Guiying heard Yang Ye's words, she hurriedly let go of Su Chen, the bastard. She didn't expect that Yang Ye and the others would come in so quickly. Mu Guiying was now so embarrassed that she didn't know how to explain to Yang Ye.

Su Chen smiled broadly after Mu Guiying let go of him. He rubbed his waist and thought that Mu Guiying might not be able to explain it clearly this time. They were entangled just now, and the Yang family These people will definitely think that they are flirting with each other together, and Mu Guiying is really finished this time.

Yang Ye stared at Mu Guiying, took out the marriage certificate from his arms, threw it on the ground and said angrily,

"Mu Guiying, you don't need to say more. I was blind and found a shameless woman like you for my grandson. This time I came here to return your Mu family's marriage certificate. From now on, our Yang family's Yang Zongbao and your The engagement ends here."

Mu Guiying looked at Yang Ye and other members of the Yang family and walked over to pick up the marriage certificate with an ugly expression. She didn't expect that the Yang family didn't even have a chance to explain to her. This made Mu Guiying very angry..

Mu Guiying looked at Yang Ye angrily and said, "Old General Yang, since you have said so, I have nothing more to say. The engagement is terminated. Now please leave Mu Mansion. I am here." You are not welcome now."

Yang Yanzhao stood up at this time and pointed a spear at Su Chen and said,

"Mu Guiying, although the engagement has been terminated, we cannot let go of this pretty face of yours. When you were still the future wife of our Yang family, we cannot just let go of the shameless things you did. This pretty face is today He must die, otherwise will our Yang family still need the face?"

【What the hell!】

【The Yang family is trying to kill him!】

【What does this have to do with him?】

【Have everyone in the Yang family lost their minds? 】

Su Chen was speechless when he saw that the Yang family wanted to attack him. The Yang family had no way to deal with Mu Guiying, so they were going to do it to him, right? The Yang family is really disgusting.

Su Chen thought about how Mu Guiying was a general of the Song Dynasty. No matter how angry the Yang family was, they would not dare to take action against Mu Guiying.

And Su Chen was just a pretty boy they thought. The Yang family wanted to use him to restore the reputation of the Yang family. The Yang family was really ruthless enough.

Su Chen thought that even if he was a pretty boy, what could a pretty boy do? The Yang family has the guts to confront Mu Guiying directly, so why take it out on a pretty boy.

When Xiao He heard what Yang Yanzhao said, she drew out her sword and shouted angrily, "Who dares to take action? If anyone dares to take action against Mr. Su, I will kill him."

Su Chen saw Xiao He draw out her long sword to protect him in front of him. Looking at him, Su Chen was a little touched. In fact, if this little girl wasn't so nymphomaniac, Xiao He would still be pretty good.

Su Chen stepped forward and hugged Xiao He to tell her not to be impulsive. Su Chen wanted to know what Mu Guiying's attitude was now.

Yang Yanzhao looked at Su Chen's little maid holding Mu Guiying in front of the public, and he said disdainfully,

"Sure enough, you are a pretty boy. You are really good as a pretty boy. Not only did you hook up with Mu Guiying, you even hooked up with her maid."

Su Chen will not tolerate these Yang family members. Originally, this had nothing to do with him, but these Yang family members not only want to kill him, but now they are trying to squeeze him out. Su Chen is not happy.

"how? You are envious, but it's a pity that you are too ugly. With your pig-like appearance, even if you want to be a pretty girl, I'm afraid no one will want you."

#### Chapter 493

Yang Yanzhao was so angry that his beard stood up when he heard Su Chen's insult. He took a spear and attacked Su Chen. Yang Yanzhao, the ignorant white-faced boy, wanted to kill him with his own hands.

When Mu Guiying heard that Yang Yanzhao wanted to kill Su Chen, she was very worried that that bastard Su Chen would kill people like the Yang family. She was very clear about the strength of the bastard Su Chen. She was sure that people like the Yang family were scumbag. He is no match for this bastard Su Chen.

Mu Guiying is now very hesitant to stop Su Chen from killing the Yang family. The guard general of Chang'an City is Yang Ye. If the Yang family is killed by Su Chen now, Chang'an City may not be saved.

But when she was hesitating, the bastard Su Chen scolded Yang Yanzhao, which made Yang Yanzhao unable to help but take action. Mu Guiying also hurriedly slapped Yang Yanzhao away and drank,

"Be presumptuous, Yang Yanzhao, this is Mu's Mansion, not your Yang family, don't do anything arrogant in my Mu's Mansion."

Yang Yanzhao laughed angrily after being repelled by Mu Guiying and said,

"Haha, Mu Guiying, are you unable to bear the thought that I want to kill your adulterer? You can't stop us, brothers, let's kill this white-faced adulterer of Mu Guiying together."

The brothers of the Yang family took out their spears and rushed forward. They were very angry and wanted to kill the pretty boy who ruined the reputation of their Yang family.

Yang Ye saw that his sons were about to kill the pretty boy. He didn't want to stop it. He had fought for the reputation of the Yang family all his life. He never thought that when he was old, the Yang family would be ruined by a pretty boy. When

Mu Guiying saw that the Yang brothers wanted to take action together, these Yang family members She was not taken seriously at all. This was her mansion after all. These Yang family members wanted to kill people in her mansion, which made Mu Guiying want to kill these ignorant people.

Mu Guiying looked at Su next to her. In the morning, this bastard was still smiling. Mu Guiying was very angry. These things were all caused by this bastard, and now she had to help this bastard wipe his ass.

If Mu Guiying wasn't afraid that this bastard would kill him She doesn't want to care about the life and death of these Yang family members.

"Come on, stop the Yang family."

"Yes, miss."

When the surrounding guards heard Mu Guiying's order, they organized a defense in front of Su Chen. These guards didn't care about the Yang family. Today, the Yang family came to break off the engagement. This was a slap in their young lady's face. They These guards were so angry that they wanted to kill these Yang family members.

Yang Yanzhao saw that Mu Guiying's guards were protecting the pretty boy, so he stared at Mu Guiying and said angrily, "Mu Guiying, are you serious about this? Is it difficult for a pretty boy to get along with our Yang family?"

"So what?"

Mu Guiying looked at the Yang family with an expressionless face. They had already broken up with each other today. Mu Guiying didn't care about offending the Yang family anymore.

"Damn it, Lao Qi, let our guards come in. If we don't kill this pretty boy this time, we won't give up today."

"Yes, seventh brother."

Boom! Boom! Boom!".....

Just when Yang Qilang was about to gather guards outside Mu's Mansion, the sound of footsteps of a large number of troops suddenly came from outside Mu's Mansion. When Yang Qilang heard the arrival of the army, he looked at the other members of the Yang family. He did not know who these troops were. Who called over?

At this time, a guard covered in blood ran in and hurriedly said to Mu Guiying,

"Miss, it's not good. Yang Zongbao led the Yang family's army into the house. Many of our guards have been injured and killed. The guards will be unable to withstand the army's attack."

Mu Guiying was very surprised after hearing what the guard said. She didn't expect that the Yang family would be so crazy. What the Yang family did was almost like rebellion. If the eunuchs under the supervision of the army knew about it, the Yang family would definitely be under the supervision of the army. The eunuchs reported to the emperor for punishment

"Yang Ye, do you want to rebel? I am a third-rank general of the imperial court, but your Yang family dares to use troops to attack my mansion. Aren't you afraid that His Majesty the Emperor will punish your Yang family?"

Yang Ye is also very surprised now. They only brought some guards this time. The army cannot be mobilized casually. Now that the Yang family's army has been mobilized, I am afraid this matter will become more and more serious. Yang Ye They were also worried that they would not be able to end it soon.

At this time, Yang Zongbao and his army had already come in. When he saw his father and grandfather, he hurried over and said loudly,

"Dad, uncles, grandpa, I have brought my army here, this time the pretty boy is dead."

Pah!

When Yang Ye saw Yang Zongbao coming over, he slapped Yang Zongbao angrily and said,

"Damn it, who told you to bring the army here? You little brat, who told you to decide to bring the army privately?"

Yang Zongbao was a little confused after being slapped. When he saw Su Chen still holding the little maid, he pointed at Su Chen angrily and said loudly,

"Grandpa, that bitch Mu Guiying is here. She will definitely not let us kill that pretty boy. If I don't bring the army, this pretty boy will definitely not be able to kill him. This time I will kill this ruined guy no matter what. The pretty boy who made our Yang family famous."

Su Chen was speechless when he saw this idiot Yang Zongbao.

How much hatred does he have!

If I had fallen in love with Mu Guiying, it would be okay, but for him,

I just touched him. He slapped Mu Guiying in the face and did nothing else. This was really an injustice to him.

Su Chen pressed his chin on Xiao He's shoulder and said helplessly,

"Xiao He, is this the future husband chosen by your young lady? He's just an idiot, huh? Your young lady is also an idiot. Idiots and idiots should be a match made in heaven."

Xiao He's face turned red and she leaned into Su Chen's arms and said shyly,

"Young Master, how can you say that to the young lady? The young lady is very smart. This Yang Zongbao was arranged by the young lady's father, and this is none of the young lady's business."

Su Chen saw Mu Guiying staring at him angrily. He didn't care that Mu Guiying heard what he just said. Although this Mu Guiying may be very powerful in marching and fighting, she is just a stupid girl with some worldly skills.

"Tsk, considering Mu Guiying's IQ, I'm afraid she didn't see that Yang Zongbao was a fool with a simple mind and well-developed limbs, and your young lady was just a stupid, white, girl."

The guards around him who are protecting him are feeling very uncomfortable. They did not expect that the young master would say this to their young lady, and the young lady is still listening.

The guards are also confused about what the young lady and this young master are. They saw that the young lady's maid and deputy general Xiao He was being held by the young master without resisting, so they guessed that the young lady must be having an affair with the young master.

Mu Guiying was so angry that she grabbed the hand of one of the guards. Long sword, she came to Su Chen and pointed the long sword at Su Chen and asked angrily,

"You fucking bastard, do you want to die? Who do you think is a silly white girl?"

Chapter 494

Mu Guiying was very angry now. This damn bastard didn't give her any face. There were so many people here, but this bastard actually called her silly white girl. Did this bastard want to die?

Forehead!

She can't seem to beat this bastard. damn it!

Mu Guiying glared at this bastard fiercely and said there was nothing she could do against him. This bastard was poisonous. Mu Guiying didn't want to deal with this bastard anymore, otherwise she would be pissed to death by this bastard.

At this time, layers of people were surrounding Mu Guiying's residence. The people of Chang'an City and the Jianghu people all knew that people from the Yang family had entered Mu Guiying's residence, and Yang Zongbao also led the army to fight in.

Everyone here knows that the Yang family and the Mu family in Chang'an have completely broken up, but they don't know if some exciting news will break out soon.

In a luxurious mansion in Chang'an, an old eunuch was listening to the news from his servant. When he heard the news the servant told him, he laughed.

"Hahaha! The Yang family is looking for death. They dare to send out troops and invade the residence of a third-rank general of the imperial court. Come, gather three thousand imperial guards. Let's go to Mu Guiying's residence. If the Yang family doesn't give an explanation this time, Don't blame Zajia"

"Yes, Your Majesty."

In the central square of Chang'an City, the Beggar Clan was setting up the venue for the martial arts conference the day after tomorrow. Hong Qigong and Wang Chongyang were sitting together drinking tea. They also heard about Mu Guiying and the pretty boy and Yang. They also knew that the family came to their door.

Wang Chongyang saw that Hong Qigong did not try to persuade the Yang family and the Mu family to conflict, and he asked in great confusion,

"Hong Qigong, don't you go and persuade General Yang Ye? If there is a conflict between General Yang Ye and General Mu Guiying, it may be even more detrimental to the defense of Chang'an in the future."

Hong Qigong is a little embarrassed now. It's not that he doesn't want to persuade General Yang Ye, but he is nothing in front of General Yang Ye.

Last time he went to General Yang Ye to talk about the martial arts conference, General Yang Ye But he ignored him.

Although General Yang Ye supported him in holding a martial arts conference in Chang'an, Hong Qigong knew that Yang Ye was very dissatisfied with him.

Hong Qigong also knew that after his previous affairs in the Apricot Forest were exposed, his reputation has plummeted. If he hadn't been a master, I'm afraid he wouldn't have been able to gain a foothold in the world in the future.

This time, Wang Chongyang brought all the disciples of the Quanzhen Sect to support him, although Wang Chongyang was He came here to escape the Dayuan army, but Wang Chongyang's reputation is much better than him.

Hong Qigong also wants to use Wang Chongyang's reputation to hold this martial arts conference properly. This may be the best time for him to restore his reputation.

"Brother Wang, we have no control over the affairs of the court. After all, we are Jianghu people. We can't do anything now even in the past. General Yang Ye should know the seriousness of the matter. We don't have to worry about them."

"Well, that's true. It's just that the pretty boy General Mu Guiying was the trigger of this incident. The Yang family will definitely not let that pretty boy go."

"Hey, just kill an insignificant pretty boy. If it weren't for that pretty boy, I'm afraid the Yang family and the Mu family would have worked together to guard Chang'an. Everything happened now because of that pretty boy. The best way is to kill him. Got that pretty boy"

"That's right. General Mu Guiying's reputation was probably ruined by this pretty boy."

In a luxurious restaurant in Chang'an,

Xue Nu and Shi Qingxuan, together with Lin Chaoying and their master and apprentice, are living here. They came two days earlier than Su Chen. In the past two days, Xue Nu and Shi Qingxuan also sent secret guards to look for Su in Chang'an City. Morning, but there is no news about Su Chen in Chang'an City. Xue Nu and Shi Qingxuan are also very depressed. They don't know where that bastard Su Chen is hiding now.

Shi Qingxuan looked out of the window boredly and asked,

"Sister Xue Nu, where do you think your husband will be hiding?"

The snow girl smiled and took a sip of tea and said,

"I don't know, but that bastard will definitely cause trouble if he comes to Chang'an. As long as something big happens in Chang'an City, it will definitely be my husband's doing."

"That's true, but what should Lin Chaoying and his disciples do? If your husband comes back, Lin Chaoying and the others will definitely not let him go easily."

"There was nothing that could be done about it. He couldn't blame his husband for what happened last time. He didn't expect that Xiao Longnu would change clothes at that time."

"hehe! My husband's love luck is really good, and Xiao Longnu is also very beautiful. She is also the third in the list of martial arts beauties in the southern continent. Maybe Xiao Longnu will become our sister in the future."

Xue Nu suddenly thought of General Mu Guiying and hurriedly said to Shi Qingxuan, "Qingxuan, do you think the matter between General Mu Guiying and that pretty boy today has anything to do with your husband?"

"Forehead! Sister Xue Nu, you said that the pretty boy who suspected General Mu Guiying was her husband?"

Shi Qingxuan was very surprised after hearing Xue Nu's words. The story about Mu Guiying and the pretty boy has gone viral in Chang'an, and just now people from the Yang family went to Mu Guiying's house. Shi Qingxuan thought about Xue Nu's words. She also suspected that the pretty boy was Su Chen.

Xue Nu thought that Su Chen was like a disaster star. He would cause big trouble wherever he went. Mu Guiying's mansion in Chang'an City was a big trouble now. Xue Nu felt that The pretty boy is Su Chen,

"I'm a little confused. We've also heard a little about Mu Guiying. According to rumors, General Mu Guiying is not a woman with a chaotic style. This matter must be a rumor. It's just the pretty boy next to her. I'm a little suspicious. It's the husband"

"How about we go over there and take a look?"

"No, we still send secret guards to check. If Lin Chaoying and the others know her husband's whereabouts, I'm afraid he will escape again."

"Well, that's fine too."

Outside Mu Guiying's house,

Lin Chaoying and Xiao Longnu also appeared here. Their master and apprentice have been looking for that bastard Su Chen since they arrived in Chang'an. Now her maid Lin Rou'er is taking care of her in the restaurant. The other maids, Lin Bing'er and Lin Chaoying, came out every day to look for Su Chen.

On the street, Xiao Longnu looked at the crowd outside Mu Guiying's house and whispered,

"Master, Su Chen hasn't arrived in Chang'an yet, right?"

Xiao Longnu really doesn't want to see Su Chen, but the master must find the Su Chen who is looking down on her. This makes Xiao Longnu unable to stop her.

Xiao Longnu blushes very much when she thinks of what happened in the carriage that day. , although she knew that Su Chen saw her body unintentionally, she was seen by Su Chen after all.

Xiao Longnu has been thinking about what Su Chen meant when he saw her body. To this day, she still can't figure out what that means.

"That bastard must have come to Chang'an, he must be hiding, this time we must find that bastard, if I find that bastard, I must kill him."

Chapter 495

Lin Chaoying hated that bastard Su Chen deeply. She just wanted that bastard to sleep more comfortably on the carriage, but after he woke up, the bastard not only moved his hands, but even kissed her, which made Lin Chaoying very upset. Angry.

Lin Chaoying thought that Su Chen, the bastard, didn't see her little apprentice Xiao Longnu changing clothes, which made Lin Chaoying even more determined to let Su Chen go.

Both their master and apprentice were bullied by that bastard. It would be impossible for Lin Chaoying not to seek revenge against that bastard.

Xiao Longnu was very surprised when she thought about the identity Lin Chaoying told Su Chen a few days ago. Xiao Longnu also didn't expect that her master's friend turned out to be the famous Wu Xiangjun.

Although Xiao Longnu didn't come out of the ancient tomb often, she knew some of the rumors in the world, and she also knew about the beauties on the ranking list of martial arts beauties.

Wu Xiangjun is basically related to all the beauties on the martial arts beauty ranking list. I am afraid that she will also have a relationship with Su Chen in the future. Xiao Longnu shook her head when she thought of this. She will definitely not have a relationship with that pervert. ,

Xiao Longnu said worriedly when she heard what her master Lin Chaoying said,

"Master, didn't you say that Wu Xiangjun Su Chen is very powerful, and all his men are masters, and even his wife and confidante are powerful beings. Can we kill Su Chen?"

"Forehead! Even if I can't kill him, I'll kill that bastard."

Lin Chaoying didn't expect Xiao Longnu to say this, but that bastard Su Chen is difficult to deal with, especially that bastard's wife. Many of them are great masters. It would be difficult for Lin Chaoying to kill Su Chen. It was even more difficult.

Xiao Longnu looked at Lin Chaoying and lowered her head. She felt that master Lin Chaoying definitely didn't want to kill that bastard Su Chen. She didn't know what master Lin Chaoying wanted to find Su Chen.

Mu Guiying's mansion.

After thousands of troops rushed into Mu Guiying's mansion, it is now very quiet. Mu Guiying and Su Chen stared at each other with big eyes and small eyes.

But the Yang family is now Riding a tiger is hard to stop. This time Yang Zongbao secretly led his troops into Mu Guiying's house. This would cause a big disaster. The Yang family was also trying to calm down the matter.

Su Chen was really impressed. Mu Guiying, this woman is stubborn. His eyes are a little sore now, but Mu Guiying is still staring at him tightly.

Su Chen really can't stand Mu Guiying anymore, so he looks at the guard next to him. said,

"Are you really tired? Bring me a chair."

"Oh, good sir." A guard next to him reacted and hurriedly brought a chair to Su Chen.

Su Chen held the soft little maid on the chair and looked at Mu Guiying. This Mu Guiying was now angry and wanted to eat Like Su Chen, Su Chen smiled and ignored her. I am afraid that today's matter will not end so simply. Now the Yang family must be afraid of mobilizing troops privately to rush into Mu Guiying's house.

But after a while If they react, they will probably kill themselves first without stopping.

Anyway, the Yang family has mobilized the army privately and rushed into Mu Guiying's house. They can't avoid this, so they might as well go first Kill yourself and solve the problems in the future.

Yang Zongbao said angrily when he saw Su Chen leisurely sitting on the chair and teasing the little maid in his arms,

"Grandpa, kill this pretty boy and I will be responsible for what happened today."

Yang Ye was shocked after hearing Yang Zongbao's words. He now understands that things have developed to this point. If he doesn't take this opportunity to kill this pretty boy, I'm afraid that the Yang family will really have no face to walk in the Song Dynasty in the future..

If he kills this pretty boy, he will be accused to the emperor in the future, and the Yang family will also say that they lost their minds in order to kill the pretty boy.

Yang Ye believes that the emperor wanted to let the Yang family continue to guard Chang'an, so this matter will definitely not happen. After all, the most they can do is punish their Yang family.

After Yang Ye figured it out, he gave Mu Guiying an ultimatum,

"Mu Guiying, hand over the pretty boy, and I will apologize to your father for this incident in the future. If you don't hand over the pretty boy, then don't blame me."

When Mu Guiying saw that the Yang family's army was about to take action, she waved her hand and said unceremoniously to Yang Ye,

"Don't think about it, Yang Ye, this is my residence, Mu Guiying, no one can kill this bastard."

After seeing Mu Guiying's gesture, the guards in Mu's Mansion immediately drew their bows and arrows and prepared to fight to the death with these troops.

Yang Zongbao was sure that Mu Guiying was still defending the pretty boy at this time, so he glared at Mu Guiying. He cursed,

"Mu Guiying, you are a despicable woman. I, Yang Zongbao, was blind before I fell in love with you, a shameless woman."

""Looking for death."

When Mu Guiying heard Yang Zongbao scolding her again, her face almost turned black with anger. She looked at Yang Zongbao and flew towards Yang Zongbao and kicked him hard.

Touch!

Ah!

""Zongbao (grandson)""

After the people of the Yang family saw Yang Zongbao being kicked out by Mu Guiying, they ran over one by one to check Yang Zongbao's injury.

Su Chen drank the tea Xiaohe fed him, He gave Mu Guiying a thumbs up. Mu Guiying was very handsome this time.

At first, Su Chen thought that Mu Guiying would continue to tolerate the Yang family's insults to her, but he did not expect that Mu Guiying would also directly Taking action, Su Chen looked very pleased with Mu Guiying now.

"Get out!"

Mu Guiying blushed when she saw Su Chen's gesture. This bastard must be humiliating her. Mu Guiying didn't believe that Su Chen would praise her.

【What the hell!】

【It's not easy for me to praise you once, but you still scold me?】

【This woman is hopeless】

【It seems that Mu Guiying has really become a poisonous woman. 】

Su Chen shook his head at Mu Guiying. For such a beautiful and beautiful woman to become a vicious tongue, I am afraid no one would want her anymore.

Forehead!

After what happened today, I'm afraid Mu Guiying's reputation has become so bad that no one will dare to want her in the future.

Who would dare to want a woman who has found a pretty boy, unless she is someone who is not afraid of being cuckolded?

But are there any people in the world who are not afraid of being cuckolded?

After Yang Ye checked Yang Zongbao's injuries, he pointed a spear at Mu Guiying and said angrily,

"Mu Guiying, you are really capable. Not only did you shamelessly find a love interest, you even injured my grandson. My grandson used to be passionately devoted to you."

"You didn't come to the family dinner last night. My grandson thought you were delayed for something. He waited for you until late at night. Is this how you treat my grandson?"

Mu Guiying looked at Yang Ye and asked doubtfully,

"Family dinner? What family dinner?"

Yang Ye didn't expect that Mu Guiying would not acknowledge the Yang family's invitation to her. This made Yang Ye's beard jump with anger.

"You are still quibbling. Don't say you haven't seen the invitation my grandson sent you yesterday.

Mu Guiying was even more confused now, "Invitation?" What invitation? I don't know anything about invitations at all."

Mu Guiying suddenly understood. The Yang family sent her an invitation yesterday, but she didn't receive it at all.

Mu Guiying turned around and looked at Su Chen. She now suspected that this bastard had hidden Yang secretly. Invitation to the family.

When Su Chen heard this, he knew something bad was going to happen. He hugged his little girl and wanted to leave secretly, otherwise he would not be able to explain clearly in a while.

"Sure enough, it's you, you bastard, you damn guy, I'm going to kill you, this scourge, today."

## Chapter 496

Mu Guiying looked at Su Chen and saw that this bastard was about to leave secretly. She understood in an instant that if she did not receive an invitation from the Yang family last night, it must be this bastard who caused trouble.

Although she didn't care about the invitation, who was this bastard to her?

Why should she keep her invitation secret?

When Mu Guiying thought of this, she became furious and wanted to kill this bastard.

"Stop this bastard." When Mu Guiying saw Su Chen sneaking away, she hurriedly ordered the guard. Now she doesn't care about this bastard Su Chen. When she takes care of these people in the Yang family, she will definitely entertain this bastard well..

After the guards hurriedly intercepted Su Chen who was about to leave, a guard commander smiled and said to Su Chen,

"Young Master, if the lady won't let you leave, you'd better not leave."

Su Chen saw the guards stopping him. He saw that there was only three steps away from the side door of the hall, and he felt very unlucky. Su Chen said to the guards with some embarrassment,

"I'm just going to take a rest. I won't leave the house."

The guards who stopped Su Chen thought what Su Chen said was a bit funny. They would not let Su Chen leave.

This very cunning young master said he would not leave. Who knows if he would leave? Maybe they just let him go. , the young master climbed over the wall and escaped from the Mu Mansion.

The guard commander made a gesture to Su Chen to invite him back and said with a smile, "Young Master, don't embarrass us. The young lady is angry now. Although the young lady is angry, the young lady will definitely not To embarrass the young master."

Su Chen was a little helpless. If he wanted to leave here, it would only take a few minutes, but he was afraid that if he teleported away directly.

Mu Guiying, a silly white girl, drew a portrait of herself and wanted him in Chang'an City. At that time, he was afraid that some people who knew his appearance would know his identity. Su Chen reluctantly took Xiao He back to the chair where he sat and sat down.

Although Mu Guiying kept saying that he wanted to kill him, Mu Guiying has no time to take care of him now. She has no time to take care of him until Mu Guiying has finished dealing with the Yang family.

Xiao He looked at Su Chen's depressed look and stood up to massage Su Chen.

"Young Master, did you really keep yesterday's invitation privately? Su

Chen looked at Xiao He's curious look and smiled and said, "I tore up that invitation. Why should I hide a bad invitation?"

"hehe! Young Master, you don't have a crush on my young lady, do you?" Xiao He was now thinking that Su Chen had torn up the invitation from the young lady. Could it be that he had fallen in love with the young lady? That's why he didn't let the young lady go to Yang's house for the banquet.

Su Chen turned around and flicked Xiao He's forehead, which made him angry. He said, "Shit, that stupid white girl is the one who fell in love with her. You little girl, don't talk nonsense or I won't take you away."

"No, sir, I just won't talk nonsense." Xiao He saw that Su Chen was a little angry and would not even take her away. Xiao He hugged Su Chen tightly and said in panic,

"Haha, is this good?"

When Mu Guiying saw that the guards had intercepted Su Chen, she was relieved. As long as this bastard didn't escape, she would find a way to deal with this bastard in the future.

Mu Guiying glared at Su Chen with a blank expression. He said to Yang Ye,

"General Yang, you'd better leave with your army. If you leave now, I won't hold you accountable for bringing the army into my house this time."

Mu Guiying has no choice now. The war between the Song Dynasty and the Yuan Dynasty is about to break out. She doesn't want the Yuan Dynasty army to attack Chang'an because of this matter. After all, Chang'an still needs people from the Yang family to guard it.

"Haha, Mu Guiying, I must kill this pretty boy today. Yesterday's invitation was not given to you by this pretty boy. Don't you care at all?"

"laugh! What do I care? Old General Yang, I just went to your Yang house last night. Do you think you can remain indifferent if you find out about this matter today? This is my mansion, Mu Guiying. You can't kill this bastard as long as I'm here."

When Yang Ye saw that Mu Guiying insisted on protecting her pretty face, he waved his hand and prepared to send troops to kill the pretty face.

"In this case, don't blame me for being rude, Yang Jiajun is ready!"

"ha!"

"Mu family guards, ready to fight"

"yes!"

""Kill for me, kill."

Following Yang Ye's order, Yang Yanzhao's brothers rushed towards Su Chen with their troops.

Mu Guiying saw that Yang Ye actually dared to kill Su Chen, a bastard, in her house. She angrily ordered to the guard,

"If you are looking for death, let me kill the Mu family guards."

Touch! Touch! Touch!".....

After Mu Li gave orders from Yang Ye and Mu Guiying, Yang Jiajun and Mu Guiying's guards began to fight. The two thousand Yang Jiajun couldn't be stopped by more than three hundred guards. After fighting for a while, Mu Guiying's The guards killed and injured hundreds of people.

Su Chen was speechless as he sat on a chair watching the fight between the Yang family and the Mu family. He now felt that the Yang family was crazy. It was not a wise choice to fight with Mu Guiying for a pretty boy. , is reputation more important than life?

Stab! Stab! Stab!.....

When some troops rushed to Su Chen, Xiao He took a long sword and killed these troops cleanly. Xiao He would not let these troops kill Su Chen. Although she knew that Su Chen was powerful, she just wanted to Protect Su Chen, she doesn't want Su Chen to get hurt at all

"Xiaohe, go catch Yang Zongbao."

Su Chen saw that Mu Guiying's bodyguards were suffering heavy casualties, and that silly white girl Mu Guiying was still unwilling to kill the Yang brothers. Su Chen shook his head. It seems that Mu Guiying is still I'm worried that killing these people from the Yang family will destabilize Chang'an.

"Good son."

When Xiao He left, dozens of people from the Yang family's army rushed towards Su Chen. Su Chen didn't pay attention when he saw these people rushing over. He took the tea and drank it leisurely.

Bah! Bah!.! Bah! Bah!

When these dozens of Yang family troops were about to kill Su Chen, one by one their necks were suddenly cut and they fell to the ground. These troops did not know how they died.

Mu Gui Ying and Yang Ye had been paying attention to Su Chen. When dozens of troops were about to rush to Su Chen to kill him, those dozens of troops were suddenly killed. This surprised Yang Ye very much.

He had been Paying attention to the pretty boy, but the pretty boy sat there motionless. How could his army be killed silently?

Yang Ye looked at Mu Guiying, and he guessed that Mu Guiying would not have a powerful master here. Protect that pretty boy, right?

Mu Guiying is also very surprised now. Although she knows that Su Chen is powerful and those troops can't kill that bastard, she didn't expect that there are people around Su Chen protecting him. Mu Guiying is I am even more confused about the identity of this bastard Su Chen.

"Silly white girl, if you don't kill me, your guards will die." .....

Chapter 497

Su Chen was sitting on a chair and saw Mu Guiying looking at him in surprise, even forgetting about the battle with Yang Yanzhao and his brothers.

Su Chen shook his head speechlessly. Fortunately, the seven brothers of the Yang family were also looking at him in surprise, otherwise Mu Guiying would have been doomed.

Mu Guiying is quite powerful, and she is more than enough to deal with Yang Yanzhao and the seven brothers by herself, but her heart is too soft now.

Mu Guiying only stopped Yang Yanzhao and the other seven brothers. She didn't use any killing moves during the battle. She was just a bit stupid.

As long as Mu Guiying catches a Yang brother and threatens the Yang family to retreat, wouldn't it be much easier?

This way her guards wouldn't have to be massacred by the Yang family army. Mu Guiying really had too much to think about.

Mu Guiying was awakened when she heard Su Chen's words. She saw that more than half of the guards of the Mu Mansion were dead or injured. Although Mu Guiying was angry, she still could not kill.

For the Song Dynasty! For Chang'an!

Mu Guiying could only think of ways to repel the Yang family. If she killed the seven Yang brothers, Chang'an City would be destroyed.

【Damn it, these Yang family people are crazy】

【What should I do?】

【Am I going to kill some of the seven Yang brothers?】

【But if you want to kill some of the seven brothers of the Yang family, I'm afraid the Yang family will become even crazier, right?】

【Since there are experts around that bastard, why don't you help my guards? That bastard really deserves to die. 】

Just when Mu Guiying was thinking sullenly about how to deal with Yang Yanzhao and his brothers, Yang Yanzhao and his seven brothers reacted and continued to kill Mu Guiying.

Yang Yanzhao and his seven brothers are only at the third or fourth level of innate cultivation. They are no match for Mu Guiying. If Mu Guiying had not kept his hand, Yang Yanzhao and his seven brothers would have been defeated and killed by Mu Guiying in an instant.

"You are seeking death!"

Mu Guiying saw that Yang Yanzhao and the others continued to attack her, and she was very angry. The guards around Mu Guiying had suffered heavy casualties. She had no intention of showing mercy to Yang Yanzhao and the others.

Mu Guiying took a long sword and quickly In a flash, he appeared next to Yang Yanzhao and the others. Before the seven brothers of the Yang family had time to react, they knocked away the weapons of the seven brothers of the Yang family one by one. The seven brothers of the Yang family were also attacked by the angry Mu Gui. Ying was kicked out one by one.

Yang Ye was very surprised when he saw Yang Yanzhao and the others defeated by Mu Guiying. He did not expect Mu Guiying to be so powerful. None of his seven sons were Mu Guiying's opponents.

Yang Ye hurriedly commanded the army to surround Mu Guiying. Now he could only hold Mu Guiying back first. As long as he killed the pretty boy, Mu Guiying would not dare to take revenge on her.

Touch!

"Young Master, Yang Zongbao has been arrested."

At this time, Xiao He came to Su Chen and threw the captured Yang Zongbao in front of Su Chen. When she came to Su Chen, she smiled and asked Su Chen for credit.

Su Chen looked at Xiao He and touched him with a smile. He touched her head and said, "Haha, yes, I will reward you well tonight."

Xiao He started to blush after listening to Su Chen's words. She wondered if she would be bullied by Su Chen again that night.

Su Chen looked at Yang Zongbao who had his acupuncture points tapped by Xiao He and shouted to Yang Ye road,

"Yang Ye, Yang Zongbao is in my hands. If you don't let your Yang family army stop, I will kill your grandson."

Yang Ye found that Yang Zongbao was caught next to Su Chen, and he yelled in panic, "Young face, how dare you, how dare you touch a hair of my grandson, I will cut you into pieces."

"Xiaohe, cut off Yang Zongbao's arm." Su Chen smiled when he heard Yang Ye's words. This old bastard dared to threaten him at this time. Su Chen planned to make Yang Ye see the reality clearly.

"Yes, sir."

When Xiao He heard Su Chen's order, she took a sword and cut off one of Yang Zongbao's arms under Yang Zongbao's horrified look.

Xiao He doesn't care about Yang Zongbao or Yang Zongbao now, as long as she is Su Chen Xiaohe would carry out the instructions without thinking.

Yang Zongbao was so painful that he was sweating when his arm was chopped off by Xiaohe. Not only did his acupoints be tapped by Xiaohe, but even his mute acupoints were tapped by Xiaoxiao. Okay, even if Yang Zongbao wanted to scold Su Chen now, he couldn't.

"my grandson"

"Zongbao!"

"nephew!"

The people of the Yang family didn't expect that Su Chen would really dare to cripple Yang Zongbao. They were shocked when they saw Yang Zongbao's arm cut off. Now that Yang Zongbao has his arm cut off, he will definitely be crippled in the future..

Su Chen continued to threaten after seeing Xiaohe chop off one of Yang Zongbao's arms, "Yang Ye, if you don't order your Yang family army to retreat, Yang Zongbao's other arm will not be saved.""

"You bastard, I swear I won't be a human until I kill you." Yang Ye pointed at Su Chen angrily. If he could kill Su Chen now, Yang Ye would definitely cut this bastard into pieces.

Su Chen looked at Yang Ye and his sons with disdain and shouted,"I'll count. If you don't retreat three times, Yang Zongbao's other arm will be cut off."

""One"

Mu Guiying was completely confused now. She didn't expect Su Chen to let Xiaohe cut off one of Yang Zongbao's arms.

Yang Zongbao was the only grandson of the Yang family. If Yang Zongbao was killed here today, I'm afraid the Yang family would be completely destroyed. She went crazy.

Mu Guiying was very angry when she saw Su Chen. This bastard really caused her a lot of trouble today.

"two"

"Retreat, the Yang family army retreats to me, I retreat to you all."When Yang Ye heard Su Chen's count of two, Xiao He was already holding his sword and was about to chop Yang Zongbao's other arm. He panicked and hurriedly shouted for Yang Jiajun to step back.

Yang Ye was scared now, that The pretty boy is really a lunatic. If he doesn't let Yang Jiajun retreat, I'm afraid this pretty boy will really chop off his grandson's other arm.

After listening to Yang Ye's order, the Yang Jiajun stopped attacking and retreated, while Mu Guiying was left Less than a hundred of the guards all retreated to Su Chen with injuries.

When Mu Guiying came to Su Chen, she stared at this bastard. Today's events were all caused by this bastard. Now this bastard has The Yang family was completely offended, and Mu Guiying was now implicated by this bastard. Mu Guiying looked at Yang Zongbao on the ground and glared at Su Chen and said,"You bastard, do you know that you chopped Yang Zongbao down?" Will his arm get into big trouble?"

Su Chen rolled his eyes at Mu Guiying and didn't want to talk to this silly girl. Although Mu Guiying didn't want to completely break with the Yang family, Mu Guiying probably wanted to guard Chang'an City with the Yang family in the future, but what does this have to do with him? Su Chen doesn't care about the Yang family or Chang'an City.

"laugh! Mu Guiying, you are really a stupid white girl. The Yang family is determined to kill me today. If I don't cut off Yang Zongbao's arm, will the Yang family let me go? You are really a woman with big breasts and no brains."

"You are shameless, you bastard."

## Chapter 498

Mu Guiying's chest was bulging with anger at Su Chen, a bastard. She didn't expect that Su Chen, a bastard, not only scolded her, but even said she was big-breasted and brainless, which made Mu Guiying blush and want to strangle her to death. This bastard.

There were dozens of her guards here, and Mu Guiying felt very uncomfortable when she saw the way the guards looked at her.

Su Chen exclaimed when he saw Mu Guiying's chest. This silly girl didn't expect that the capital was so big. Why didn't he notice it earlier?

Seeing Mu Guiying's angry look, Su Chen smiled and teased, "Mu Guiying, can you see your feet when you look down?"

【What's the meaning?】

【How could this bastard say such nonsense?】

【How could she not see her feet? 】

Mu Guiying looked at Su Chen warily and then lowered her head to look at her own feet. However, when Mu Guiying lowered her head to look at her feet, she felt embarrassed. Her face was red and she was a little at a loss.

Mu Guiying didn't expect that she really didn't see her feet. She hurriedly protected her chest and stared at the bastard Su Chen. She now understood that she was being teased by this bastard.

Su Chen saw Mu Guiying really lowering her head to look at her feet, which made Su Chen couldn't help laughing.

"Hahaha! Mu Guiying, you are really a stupid white girl"

"Shameless pervert, I will fight you."When Mu Guiying heard the bastard Su Chen laughing, she raised her fist and rushed towards the bastard. Mu Guiying knew that although she couldn't beat this bastard, she didn't want to make it easy for this bastard.

Su Chen was in Mu Guiying's When the fist was about to hit him, he grabbed Mu Guiying's hand and turned around to hold Mu Guiying in his arms.

Mu Guiying became frightened when she was held in Su Chen's arms. Unexpectedly, Su Chen, a bastard, dared to hug her, even in public. Mu Guiying blushed and now really had no shame to see anyone.

"Forehead!"

Su Chen regretted holding Mu Guiying in his arms. This Mu Guiying was a general of the Song Dynasty. Now they are in Mu Guiying's mansion. There are many people here watching them.

Su Chen hurriedly let go of Mu Guiying. Guiying said awkwardly,"You made a mistake, Mu Guiying, don't think too much about it."

"Shameless pervert, you bastard, why don't you die?"Mu Guiying started hitting Su Chen when Su Chen let her go. Mu Guiying hated this bastard now.

Su Chen didn't fight back after being beaten several times by Mu Guiying, and Mu Guiying Guiying didn't use internal energy to beat him this time. Su Chen also wanted Mu Guiying to vent her anger, so that Mu Guiying wouldn't get upset and cause trouble to him.

However, Su Chen watched Mu Guiying endlessly. After slapping him, Su Chen felt a little unhappy,"I'm here, Mu Guiying, you just need to hit him a few times. If you keep hitting me, I will fight back?"

"you....."

After hearing Su Chen's words, Mu Guiying hurriedly took a few steps back. She didn't want to be bullied by this bastard anymore. This bastard was a shameless pervert.

Boom! Boom! Boom! Boom!

""Eunuch, come."

At this moment, there was another sound of army footsteps outside, followed by a loud shout, and a large number of troops appeared in Mu's Mansion. After these troops appeared, the courtyard of Mu's Mansion was already full of people. Army.

When Mu Guiying saw these troops appearing, she knew that the Prince of Chang'an Supervisory Army was coming. This old eunuch came a little late this time. After a while, an old eunuch entered Mu's mansion under the escort of the army. , when he arrived, he saw killed corpses everywhere in Mu's mansion. The corpses here included Mu Guiying's guards and Yang Jiajun soldiers. The old eunuch frowned after looking at these corpses. He knew he was here. It's a little late. The Yang family and the Mu family have already had a fight.

"Yang Ye met Wang Eunuch"

"Mu Guiying met Wang Gonggong."

When Yang Ye and Mu Guiying saw the old eunuch arriving, they saluted him one after another.

Su Chen sat there and didn't move when he saw the old eunuch appeared. He didn't care about an old eunuch. No wonder Song Dynasty They have always been unable to defeat the foreign races around them. Every time the Song Dynasty fights, there must be a eunuch as a supervisor. It would be strange if the Song Dynasty can win the war.

After looking at Yang Ye and Mu Guiying, Wang Gonggong said sternly to Yang Ye shouted,

"Yang Ye, you are so courageous. You dare to lead troops into a third-grade general's palace of the imperial court and start killing. Are you going to rebel?"

Yang Ye was shocked when he heard what Eunuch Wang said. He knew that if the old eunuch couldn't let the old eunuch get away with it this time, I'm afraid the Yang family would be in bad luck. Yang Ye looked at Eunuch Wang and complained,

"Father-in-law, there is nothing I can do this time. Mu Guiying, a shameless woman, was hooked up by a pretty boy. This is a slap in the face of our Yang family. Our Yang family just wants to execute this pretty boy."

"But Mu Guiying kept blocking it. If we don't bring the army, we won't be able to kill this pretty boy. I hope the prince will let us Yang family make the decision."

When Eunuch Wang heard what Yang Ye said, he reprimanded loudly,

"Presumptuous, Yang Ye, even if what you said is true, don't you know that it is a capital crime to lead troops into the palace of a court official and kill him privately?"

Yang Ye hurriedly bent down to the prince and said, "Yang Ye knows his crime, prince. This time Yang Ye has caused a big disaster. Yang Ye is willing to take the blame. He just hopes that the prince will let Yang Ye be executed for the sake of Yang Ye's loyalty to the country. This pretty boy."

Although Yang Ye looks down on this dead eunuch very much, the situation is stronger than the person. Now he has to bow his head and admit his mistake to this dead eunuch, otherwise the Yang family will be in disaster. Yang Yanzhao and his seven brothers saw their father talking down to a dead eunuch. The eunuch confessed his crime, and they were helpless now. But the seven brothers clenched their fists tightly, which showed that they were very angry now. After listening to Yang Ye's words, Wang Gonggong nodded. He also wanted to give the old general a beating, otherwise he would not do it in the future. Yang Ye also knows who has the final say in Chang'an City.

Wang Gonggong also needs Yang Ye to guard Chang'an. Now that the Yuan army has arrived at the Wei River, the Chang'an war may happen at any time. Wang Gonggong still needs Yang Ye and his Yang family army at this time.

"General Mu Guiying, the whole family has also heard about the incident between you and that pretty boy. As the future wife of the Yang family, you are fooling around with a pretty boy. This is a disgrace to your Mu family. That pretty boy will be handed over to you. The Yang family will handle it. I will let the Yang family give your Mu family an explanation for what happened today."

"This is impossible and I will not agree to it." Mu Guiying refused directly when she heard the old eunuch's words.

Mu Guiying thought that although Su Chen was a shameless pervert, this bastard was not her love interest, and based on the relationship between Su Chen and Xiao He, Mu Guiying She will not hand over this bastard.

Besides, she has not yet sought revenge on this bastard. If Mu Guiying does not seek revenge on this bastard, she will be unhappy in the future. Mu Guiying will not hand over this bastard under any circumstances. of.

#### Chapter 499

On the roof of a house in Mu Guiying's house, Lin Chaoying stood here and looked at the situation in the courtyard of Mu Guiying's house. She discovered that bastard Su Chen. She did not expect that this bastard Su Chen was hiding in Mu Guiying's house. In the mansion, no wonder she never found this bastard in Chang'an City.

Lin Chaoying also felt that there was something strange in Mu Guiying's mansion. Not only did the Yang family's army arrive, but an old eunuch also led the army to Mu Guiying's mansion. After Lin Chaoying sent Xiao Longnu away, she left alone The man broke into Mu Guiying's house to see what was going on here.

But she didn't expect to see that little bastard Su Chen here. Lin Chaoying was so angry when she saw Su Chen sitting there leisurely. She was so angry that she wanted to catch the bastard immediately.

Lin Chaoying suddenly thought that the pretty boy Mu Guiying was looking for wouldn't be the bastard Su Chen, right? She thought that this bastard Su Chen would not be able to stay in peace wherever he went, and the things here must have been caused by this bastard.

Mu Guiying had no intention of appearing in front of Su Chen now. She wanted to see what this bastard Su Chen was going to do. Anyway, this bastard couldn't escape here.

The prince did not expect that Mu Guiying would object. He threatened Mu Guiying with his eyes wide open and said,

"Mu Guiying, do you dare to disobey the Za family's orders?"

Mu Guiying said sternly to the old eunuch,

"Disobeying orders? Why did I, Mu Guiying, disobey your order? This bastard is mine, why should I hand it over? Prince, do you want me to hand over my people to die?"

【What the hell!】

【When did I become yours?】

【Mu Guiying, what are you talking about? 】

Su Chen looked at Mu Guiying in surprise when he heard what she said. Is Mu Guiying really crazy? Is she admitting that she is her pretty boy? Su Chen looked ugly and wanted to beat up this silly girl. Su Chen didn't want to be a pretty boy.

When the prince saw that Mu Guiying still refused to surrender, he shouted to Mu Guiying, "Mu Guiying, are you surrendering this time or not?"

Mu Guiying felt sick looking at this dead eunuch. This time she was Mu Guiying, who would not hand over Su Chen under any circumstances, was not afraid of this dead eunuch. Today she had broken up with him, and Mu Guiying no longer talked down to this dead eunuch.

"If you don't pay, you will die as an eunuch. I, Mu Guiying, call you because the prince looks up to you. If you make me anxious, be careful that I will destroy you."

The prince is hesitant now. He knows that Mu Guiying is the apprentice of Huang Shang, the national master in the palace. This is a secret. The prince also got this news accidentally.

Huang Shang is a master above the Grand Master. , although Huang Shang has never made a move, but just because he feels those powerful auras every time he sees Huang Shang, he knows that Huang Shang is an existence that he cannot afford to offend.

Although he is a disciple of Sunflower Ancestor, Wang Eunuch Guess Sunflower Ancestor would definitely not offend Huang Shang for his sake.

The prince is now in a dilemma. He did not expect that Mu Guiying would not give him any face.

Yang Ye and his sons are very happy now. I didn't expect that Mu Guiying would seek death so much. Although Wang Gonggong was just a supervisor, he only obeyed the emperor's orders. If Wang Gonggong was determined to punish Mu Guiying, I'm afraid Mu Guiying would really be doomed this time.

Yang Ye and his sons now hope that the prince will order the capture of Mu Guiying, so that they can kill the pretty boy first, and then let the prince report to the emperor to remove Mu Guiying from his position as a general. After thinking about it, the prince decided Thinking that it would be better not to offend Mu Guiying, there was no need for him to get involved in this matter. The prince thought that all he had to do was report what happened today to the emperor. The prince looked at the pretty boy and winked at Yang Ye. , although he did not dare to punish Mu Guiying, he was also very angry at Mu Guiying's scolding words. Wang Gonggong wanted to take Yang Ye's hand and teach Mu Guiying a lesson.

"The Za family doesn't care about these things anymore. You can handle the affairs of the Yang family and the Mu family on your own. Just pretend that the Za family is not here."

Yang Ye saw that Eunuch Wang didn't care and didn't even punish Mu Guiying. This made Yang Ye very strange. But when he saw the look that Eunuch Wang gave him, he understood.

Eunuch Wang didn't want to take care of it. The thing here is, why didn't he punish Mu Guiying? Yang Ye didn't think about why? But this time with the approval of the prince, Yang Ye can also take action against the pretty boy in a big way.

Su Chen looked at Mu Guiying Ying also felt a little strange. Mu Guiying dared to scold this dead eunuch, and this dead eunuch didn't even dare to offend Mu Guiying. This made Su Chen a little curious about Mu Guiying's identity.

【Isn't Mu Guiying just a general?】

【But why does this dead eunuch seem to be a little afraid of Mu Guiying?】

【Does this silly girl still have any territory that this dead eunuch dare not offend her?】

【This Mu Guiying doesn't know any relatives of the emperor, right? 】

Su Chen shook his head and couldn't understand. Things in the world of mixed martial arts are ever-changing, and some plots are useless here.

Now that Su Chen heard what the dead eunuch said, he knew that he was killing people with a borrowed knife. The dead eunuch didn't dare to offend Mu Guiying, so he let the stupid Yang family do it.

These warriors of the Yang family are also a bunch of fools. Didn't they dare not offend Mu Guiying even when they saw the dead eunuch?

No wonder only one member of the Yang family died in the previous world. Those who couldn't recognize the form really deserved their death.

This dead eunuch was really a narrow-minded eunuch. Just because Mu Guiying scolded him, this dead eunuch was colluding with the Yang family.

Su Chen stared at Mu Guiying and wanted to know what confidence she had to let her get it. This dead eunuch didn't dare touch her.

After Yang Ye got the hint from Wang Gonggong, he said confidently to Mu Guiying,

"Mu Guiying, let my grandson go, and then let us kill this pretty boy. I will apologize to your Mu family for what happened today. Otherwise, don't blame me for not showing mercy to you."

"Yang Ye, it's this bastard who captured your grandson. If you can save your grandson, you can go. I won't stop you this time." Mu Guiying saw the bastard Su Chen staring at her, which made Mu Guiying very angry. Mu Guiying decided to cause some trouble for this bastard.

Mu Guiying now suspected that this bastard might have something to do with her. Thinking, this bastard doesn't really want to be her pretty boy, right?

Mu Guiying blushed when she thought of this. Although this bastard is a very shameless bastard, Mu Guiying is not that disgusted with this bastard.

Especially when this bastard just hugged her Mu Guiying couldn't describe what she felt when she was sleeping. She just felt her heart beating very fast. She even missed the feeling of Su Chen holding her.

## Chapter 500

Su Chen felt helpless when he heard Mu Guiying's words. Didn't he just stare at this silly girl for a while? This silly girl is too stingy.

Su Chen saw everyone in the Yang family walking towards him with eager eyes. Su Chen took Xiao He's long sword beside him and pointed it at Yang Zongbao who was standing down.

Su Chen looked at the Yang family proudly. If they didn't care about Yang Zongbao's life or death, just come over.

"You bastard, pretty boy, let my grandson go." When the Yang family saw Su Chen's actions, they blew their beards angrily and cursed,

"Let my son go"

"Pretty boy, please let our nephew go."

Yang Zongbao and other brothers of the Yang family also shouted fiercely at Su Chen,

"Are you eating farts? Since you want to kill me, don't blame me for being rude." Su Chen looked at these people from the Yang family and said with disdain.

Su Chen raised his long sword and slashed one of Yang Zongbao's legs. Yang Zongbao's left leg was chopped off by Su Chen. Chen Chen looked at Yang Zongbao and found that he had fainted from the pain.

When Yang Ye saw Su Chen chop off one of his grandson Yang Zongbao's legs again, he lost his mind and threatened Su Chen, "Damn it, I want to Slaughter your whole family, you bastard, and I want the women in your family to be tortured to death."

"Zongbao?"

"Zongbao's nephew?"

Yang Yanzhao and his brothers saw that Yang Zongbao didn't know whether he was dead or alive. They all looked at Su Chen angrily and wished they could tear this bastard into pieces.

"Kill my whole family? Are you going to torture the women in my family? Yang Ye, you made me angry." Su Chen didn't expect that Yang Ye would dare to threaten him like this. This made Su Chen completely angry. Su Chen took a long sword and chopped off Yang Zongbao's head.

"No, bastard, Yang Zongbao cannot be killed." Mu Guiying shouted hurriedly when she saw Su Chen wanted to kill Yang Zongbao.

Mu Guiying also heard the threat from the Yang family, but she didn't expect that Su Chen would be so angry that he wanted to kill Yang Zongbao. If Su Chen killed Yang Zongbao, , then things will get really big today

"No! stop"

"don't want!"

"Bastard, stop it!"

When Yang Ye and their sons saw Su Chen trying to kill Yang Zongbao, they shouted in panic to stop him.

Crack!

Yang Zongbao's head rolled to the side, and Su Chen shook off the blood on his sword. He returned the long sword to the stunned Xiao He.

Yang Ye's heart was bleeding now. Yang Zongbao was his only grandson. Among his seven sons, only Yang Yanzhao had a descendant.

The others Ever since his son was poisoned in a war, they have become inhumane. Now that his only grandson has been killed, Yang Ye has gone completely crazy. Their Yang family is about to cut off their descendants.

Yang Ye's red eyes revealed the boundless He glared at Su Chen with hatred and said, "You deserve to die. I will crush you to ashes with my own hands. Yang Jiajun, catch this pretty boy for me."

"Dad, kill this pretty boy, kill this pretty boy." The seven brothers of the Yang family also rushed towards Su Chen angrily with spears. The only hope of their Yang family was gone. In the future, the Yang family will have no descendants. No matter how high-ranking they are, what's the use of them?

"It's over, this bastard is in big trouble this time." Mu Guiying didn't expect that Su Chen would kill Yang Zongbao without hesitation. Why didn't this bastard listen to her at all? Mu Guiying looked at Su Chen and was worried and very angry. When the prince saw Su Chen He was also very surprised to kill Yang Zongbao. Yang Zongbao was the only young member of the Yang family. This time Yang Zongbao was killed, I am afraid that Chang'an City will be in chaos.

The prince looked at Mu Guiying and hoped that Mu Guiying would not participate. Among them, otherwise the defenders of Chang'an City would have killed each other before they were attacked by the Yuan army.

The prince stood up and stared at Su Chen with a smile and said,

"This pretty boy is interesting. I'm afraid the Yang family won't let it go this time. Alas! Chang'an City is in chaos now. The Jianghu people are holding a martial arts conference in Chang'an. The Yuan army is watching closely outside Chang'an City. The Yang family may have gone crazy today."

On the roof of the house in Mu Mansion, Lin Chaoying saw Su Chen killing Yang Zongbao, but she was not surprised at all. If Yang Ye had not threatened him with Su Chen's women, Su Chen would not have been able to kill Yang Zongbao. Yes, it's Yang Ye's arrogance that's to blame.

When Lin Chaoying saw Yang Jiajun charging towards Su Chen, she whispered helplessly,

"This shameless bastard, it seems I have to help this bastard once, otherwise she will definitely be killed by these thousands of troops."

After Su Chen killed Yang Zongbao, he continued to sit down. He saw the Yang family army and the seven Yang family brothers coming and didn't care.

There were still 50,000 troops in Su Chen's system space that had not been deployed. If there was an emergency this time, Without him, Su Chen would deploy his troops and directly occupy Chang'an City.

Whoosh! Whoosh! Whoosh! Whoosh!..... ah! ah! ah!.....

Just when the army was about to rush over, Mu Guiying was about to order the remaining guards to protect Su Chen. However, before she could give the order when she arrived at Su Chen's side, she saw the soldiers of the Yang Family Army falling to the ground one by one and dying..

Mu Guiying looked at the Yang Jiajun who kept dying and realized that they were all hit by hidden weapons. But who was saving the bastard Su Chen? Mu Guiying began to look around

"Yufeng needle?"

【Holy shit, Lin Chaoying is here?】

【How could that crazy woman find him so quickly?】

【Do you want to run away immediately?】

【Lin Chaoying would not let her go easily. If she escaped now, what would Mu Guiying do here? He was the cause of what happened here. If the Yang family saw that he had escaped, they would probably take it out on Mu Guiying.】

【Is it really his fault? Why doesn't this crazy bitch Lin Chaoying go to Wang Chongyang?】

【Could it be that she was here to take revenge for what happened last time? 】

Su Chen rubbed his head and couldn't decide to pay attention for a moment. Lin Chaoying appeared at the wrong time. Su Chen didn't know if Lin Chaoying would kill him directly when he appeared.

The Yang Jiajun didn't dare to charge anymore. Hundreds of people died in just a moment, and they were frightened out of their wits.

Yang Ye and his sons were also very shocked. They did not expect that in just a short moment, the Yang family army had hundreds of casualties, and they did not even see who the enemy was.

Lin Chaoying is now very satisfied with her move this time. Since she and Xiao Longnu were surrounded by the Dayuan army last time, Lin Chaoying has made thousands of Jade Bee Needles these days.

These jade bee needles were specially prepared by Lin Chaoying to deal with the army. Lin Chaoying did not want to encounter the same dilemma that left her powerless last time.

When Lin Chaoying saw Su Chen looking at her, she knew she had been discovered by this bastard. Lin Chaoying was also worried that this bastard would escape again, so she appeared in front of Su Chen in a flash.

Lin Chaoying appeared next to Su Chen and grabbed his arm and said coldly,

"You bastard, let's see if you can escape this time?"
