

Zongwu 501

Chapter 501

Lin Chaoying was a little proud of catching Su Chen. She was unhappy when she saw Su Chen's constipated look. What did this damn bastard mean? Did he have such a damn expression when he saw her coming?

Lin Chaoying stared at Su Chen fiercely and wanted to strangle this bastard to death. She had just helped this shameless pervert, but this bastard not only did not express gratitude, but also looked like he was eating shit. This made Lin Chaoying very unhappy now..

Mu Guiying was very surprised when she saw the extremely beautiful lady who appeared. Not only was this beautiful lady very beautiful, but she was also a master in the realm of master cultivation. However, she seemed to have a grudge against the bastard Su Chen.

She was a bit confused when this beautiful lady helped Su Chen just now. Mu Guiying now also wants to know what the relationship between this bastard Su Chen and this beautiful lady is.

The people of the Yang family and Wang Gonggong were very puzzled when they saw a grandmaster helping the pretty boy. They didn't expect that a pretty grandmaster would come to save him.

Who is this pretty boy? They are all suspicious now.

Su Chen was helpless now. After he found Lin Chaoying, this crazy woman hurriedly appeared next to him, and now she caught him even more.

Su Chen knew that women are petty, didn't he just touch and kiss her accidentally? This Lin Chaoying is too vindictive.

Su Chen saw Lin Chaoying suddenly changed his face again, and he hurriedly said to Lin Chaoying,

"Lin Nuxia, how did you know I was here? What happened last time was my fault. I did it unconsciously just after I woke up. I also regarded you as my wife. Can I apologize to you here?"

"Is it difficult to find you bastard? Inglorious bastard, if you apologize, can I pretend that nothing happened? You think so." After hearing Su Chen's words, Lin Chaoying glared at him and blushed and cursed.

This bastard actually wanted to apologize and just did what the bastard did to her last time. How is this possible?

Lin Chaoying was ruined by this bastard. Innocent, although she will not really kill this bastard, she still has to teach this bastard a lesson.

Besides, her apprentice Xiao Longnu has also been despised by this bastard. In the future, her apprentice may become this bastard's woman. It's impossible for Lin Chaoying to kill this bastard

"So what do you want to do? You want me to marry you?"

Su Chen also had nothing to do with Lin Chaoying. Lin Chaoying was always thinking about Wang Chongyang. Although Su Chen did what he did to Lin Chaoying, Lin Chaoying would not like him. Su Chen couldn't think of it at the moment. How to deal with this Lin Chaoying?

"Are you dreaming? Shameless person, even if I never get married, I will never fall in love with you, you bastard."

Su Chen knew that Lin Chaoying would say this. It seemed that Lin Chaoying really loved that idiot Wang Chongyang. After thinking about it, Su Chen took out a jade box from the system space and handed it to Lin Chaoying and said,

"I understand, I understand, your true love is Wang Chongyang, can this Zhu Guo be considered as compensation for you? A red fruit can advance a person from the Xiantian realm to the master realm. This is my compensation for you."

Lin Chaoying was very angry when she heard Su Chen saying that Wang Chongyang was her true love, but she was very surprised when she saw the red fruits in the jade box that Su Chen gave her. She did n't expect that Su Chen would have Heaven and Earth Spirit Fruit, this spirit fruit is very beneficial to her apprentice Xiao Longnu.

Lin Chaoying was very embarrassed when she took the jade box Su Chen gave her. She knew that as long as she accepted this fruit, she would probably end up with Su Chen in the future. The relationship is over. Su Chen may become strangers to her in the future. Lin Chaoying is also very confused now about whether to accept the red fruit.

Su Chen gave Lin Chaoying the red fruit and didn't look at her again. But Su Chen I believe that Lin Chaoying will not refuse this red fruit. Although he wasted a red fruit on Lin Chaoying, Su Chen doesn't care if he wastes a red fruit as long as Lin Chaoying doesn't mention the last incident again. Su

Chen After looking at the Yang family, he said to Mu Guiying and Xiao He,

"Mu Guiying, you don't need to get involved in the affairs of the Yang family and me. Xiao He, go to your lady's place. I have to deal with the Yang family myself."

When Mu Guiying saw that Su Chen was still unwilling to give up, and Su Chen looked like it was impossible for him to escape without killing other members of the Yang family, Mu Guiying warned Su Chen,

"Su Batian, you are looking for death. Although you have a master master by your side, the Yang family has two thousand troops here, and the Yang family can mobilize tens of thousands of troops at any time. You should not kill Yang Zongbao this time. Su

Chen Chang stood up from the chair and said expressionlessly, "You don't need to take care of my affairs. The Yang family is dead today. No one can threaten me with the women of my family."

Su Chen will not let the Yang family go this time. Although they may be national heroes, it has nothing to do with Su Chen. After Yang Ye threatened him, Su Chen sentenced the Yang family to death. The men of the Yang family He would not let anyone go.

Su Chen shouted to Yang Ye expressionlessly,

"Yang Ye, don't you want to kill me? Now I will give you a chance. Neither Mu Guiying nor this woman will take action. If you have any ability, just use it. Otherwise, when I kill you later, don't say that I didn't give you a chance."

Yang Ye and his sons looked at Su Chen with a sullen expression. Although they didn't know what other tricks this pretty boy had, they were relieved that Mu Guiying and the grandmaster woman didn't take action now.

"Yang Jiajun, kill this pretty boy for me." Yang Ye saw murderous intent in Su Chen's eyes. He knew that this pretty boy was already murderous. Even if they didn't kill this pretty boy now, I'm afraid this pretty boy wouldn't let it go.

""Kill!"

After the Yang Jiajun heard Yang Ye's order, the Yang Jiajun, who numbered less than 2,000, rushed towards Su Chen and killed him with a loud scream.

Lin Chaoying was very confused now. Su Chen had broken off the relationship with her, and then they might They were no longer strangers. She looked at the jade box in her hand and wanted to throw it away, but now it was too late. When

Mu Guiying saw Yang Jiajun coming to kill Su Chen because of this bastard, she was also very confused whether to take action or not. Help this bastard.

It's just that Mu Guiying feels helpless when he thinks about Chang'an City. Chang'an City still needs guards from the Yang family, and Mu Guiying can't let the people of Chang'an City live in ruins because of this bastard.

"Sir, let me help you."

Xiao He saw that Su Chen was in danger. Without thinking, she came to Su Chen with a long sword. She was Su Chen's woman, and Xiao He would not let him face danger alone.

"Hahaha!" Okay."

Su Chen laughed when he saw this Xiao He who was obsessed with him. This Xiao He was quite good and did not abandon him just because he was in danger. This made Su Chen very happy. Su Chen hugged him When Xiao He next to him saw Yang Jiajun coming to kill him, he suddenly shouted,

"Youruo"

"Master," a masked woman in black suddenly saluted next to Su Chen,

"kill!"

Chapter 502

Su Chen is now going to use his shadow assassins. Although the Yang family army has a large number of people, the Yang family army is scum in front of the shadow assassins who are all innate cultivation realm. Su Chen can destroy less than two thousand of them with just the shadow assassins. Yang's army

"Yes, master."

Youruo disappeared after returning to Su Chen. She knew from Su Chen's tone that Su Chen was very angry now. Youruo is Su Chen's assassin, and Su Chen's anger is her anger. Youruo Will perfectly execute the master's orders.

Mu Guiying was very shocked when she saw the sudden appearance of a masked woman in black. She didn't even realize how this powerful woman appeared.

Mu Guiying didn't expect Su Chen to be around There are still people protecting him, and this masked woman in black is called Master Su Chen.

So what is the identity of this bastard Su Chen?

Why are there powerful women protecting him?

Lin Chaoying was also very worried when he saw the shadow assassin appearing. She was so surprised that she had never seen this masked woman in black. How many subordinates did this bastard Su Chen hide?

Stabbed! Stabbed! Stabbed.....

Just when the Yang family's army rushed over, the shadow assassins were dispatched. Masked women in black suddenly appeared next to these Yang's family's army. Before the Yang's family's army could react, the Yang's soldiers had their throats cut one by one and died.

The short blade of the Shadow Assassin was like a sickle of death, harvesting the lives of the Yang family soldiers. The Yang family soldiers fell to the ground and died without even letting out a scream.

Yang Ye was very surprised when he saw hundreds of masked women in black suddenly appearing and massacring his troops. He watched those powerful masked women in black massacre thousands of his soldiers in just a moment. Yang Ye now Somewhat frightened.

Yang Ye hurriedly came to the side of Wang Gonggong and saluted,

"Eunuch Wang, I need the help of the imperial guards, otherwise my Yang family army will be slaughtered."

Eunuch Wang is also very surprised now. He didn't expect this pretty boy to have such powerful subordinates. Eunuch Wang was a little confused when he heard Yang Ye's request.

He knew that Yang Ye couldn't die now. If Yang Ye was killed, I am afraid that the city of Chang'an cannot be defended. If Chang'an cannot be defended, the prince will return to Kaifeng, the imperial capital. I am afraid that the emperor will not forgive him easily.

But he saw that the men of this pretty boy are all powerful killers. The father-in-law was also worried that if he offended this pretty boy, he might also be resented by this pretty boy, and he might even be assassinated by these killers in the future.

Yang Ye became a little anxious when he saw that Eunuch Wang was unwilling to help him. Although he can mobilize the army to surround and kill this pretty boy, it will take time.

These masked women in black are professional killers. I am afraid that he and his sons will be massacred by these assassins before he mobilizes the army..

Yang Ye made up his mind a little hastily and said, "Eunuch Wang, if you help our Yang family today, our Yang family will obey my father-in-law's orders in the future."

When Eunuch Wang heard Yang Ye's words, his eyes lit up. If the Yang family surrendered to him in the future, his status would be different in the future.

Now that the Song Dynasty is full of wars, Yang Ye is another general with military power. If he With the army, even if the Song Dynasty failed in foreign wars, he could still use the army to protect himself.

"Yang Ye, remember what you said. If you dare to go back on your word, I will kill you and the Yang family."

"Yang Ye knew that as long as his father-in-law killed this pretty boy this time, the Yang family would sincerely rely on his father-in-law."

Eunuch Wang was very satisfied with Yang Ye's words. He nodded and ordered to a general beside him,

"Um! General Wang ordered the Imperial Guards to kill the assassins in black."

"Yes, father-in-law."

After General Wang heard the order from the prince, he drew out his sword and said loudly, "Guards, follow me and kill these assassins in black."

"kill! kill! kill!"

"Rush over!"

Su Chen also saw that the old eunuch intervened, but he didn't care. Even if there were three thousand imperial guards, the shadow assassins under Youruo were not something that these low-strength troops could destroy. No matter how many more came, They are just ants.

When Youruo and the other Shadow Assassins saw the arrival of another three thousand troops, they suddenly disappeared one by one. After the Imperial Guards joined the battle, the Shadow Assassins

also began unlimited assassinations. They will not fight these armies head-on. They are assassins, not warriors.

Stab! Stab! Stab!.....

Shadow assassins will disappear after killing some soldiers. In the army, they are the kings of darkness. Shadow assassins will take the lives of these troops anytime and anywhere.

Mu Guiying saw the shadow assassins constantly harvesting the lives of the troops, and she said in shock,

"What a powerful assassin? How on earth did this bastard train such a powerful assassin?"

Lin Chaoying looked at Su Chen when she saw the shadow assassin's killing. She now had nothing to say to Su Chen. Originally, she came to save this bastard once, but it seems that she wasted no time and spared Mr. Wu Xiang. Thanks to Mr. Wu Xiang.

But Lin Chaoying feels empty now. Today, her relationship with Su Chen has been completely severed. Lin Chaoying regrets this visit.

"Archers, shoot these black assassins for me." General Wang saw that his army had suffered heavy casualties after joining the battle. He angrily ordered the archers of the army to shoot these damn assassins in black.

"General, we can't shoot these assassins. They are all hidden in our army, and their hiding ability is very powerful. Our archers can't find them at all."

"Damn it, are you just going to watch my army being slaughtered like this?"

General Wang was also very helpless when he heard what his deputy general said. Their dignified Imperial Guards of the Song Dynasty were killed by these assassins to the point where they could not be found in the southeast, northwest and northwest.

Now that the Imperial Guards have suffered heavy casualties, I am afraid that they will fight against the Yang Family Army in a short time. They were all slaughtered as well.

General Wang now hates the prince very much. These matters were not related to their imperial guards. It was just that in order to gain the loyalty of the Yang family, the prince asked their guards to come and die.

Right there At this time, at the gate of Mu Guiying's mansion, hundreds of black-clothed guards rushed in. After they arrived, they began to attack the Song Dynasty army in front of them. The crossbows of the black-clothed guards kept shooting at the Song Dynasty troops at the gate. Army.

Whoosh! Whoosh! Whoosh! Whoosh!..... ah! ah! ah!

Yang Ye and Wang Gonggong saw hundreds more black-clothed guards coming, and these black-clothed guards slaughtered their soldiers when they came in. This made them know that these black-clothed guards and black-clothed assassins should be together.

After these black-clothed guards cleared away the soldiers at the gate of Mu Mansion, two very beautiful women came in under the protection of the black-clothed guards.

Chapter 503

Su Chen was confused when he saw Xue Nu and Shi Qingxuan arriving at the gate with their secret guards. How did Xue Nu and Shi Qingxuan know that he was here? Could it be that Lin Chaoying told Xue Nu and Shi Qingxuan that he was here?

However, it didn't matter that Xue Nu and Shi Qingxuan arrived. With the help of three hundred secret guards, the Yang family and the prince would not be able to escape this time, and Su Chen would not go after the Yang family any longer.

Lin Chaoying looked at Su Chen when she saw Xue Nu and Shi Qingxuan arriving. As expected, this bastard woman was passionately devoted to this bastard, and they still found this bastard.

Lin Chaoying glanced at Su Chen and left here. There was no point in her staying here. Maybe she wouldn't leave after a while, and that bastard Su Chen would ask her to leave. Lin Chaoying didn't want to stay here and be punished. Get rid of that bastard.

Mu Guiying is completely confused now. What is the identity of this bastard Su Chen? Why does he have such powerful subordinates?

Now two more powerful and beautiful beauties came. When Mu Guiying saw these two beauties, she knew that they were both masters. They were much stronger than her.

Mu Guiying turned around and glared at Su Chen. She wanted this bastard to tell him his identity now, but Mu Guiying found that the bastard actually smiled when he saw the two beauties arriving. This shameless pervert would not be with these two The beauties are a couple, right?

Mu Guiying thought that if these two beautiful beauties were the wives of this bastard, then they would have been blind enough to find such a shameless bastard as their husband.

At the gate, Xue Nu and Shi Qingxuan saw Su Chen when they arrived. Shi Qingxuan saw Su Chen looking at them blankly and said with a smile,

"hehe! Sister Xue Nu, my husband is indeed here. It seems you are right. Wherever my husband goes, there will be no peace."

Xue Nu was very helpless when she looked at Su Chen. She rushed over immediately after hearing the secret guard's report, but this bastard caused a big problem this time.

Su Chen is now in the territory of the Song Dynasty. If This bastard's identity has been exposed. I'm afraid the Song Dynasty will arrest him at all costs. Even the powerful people in the Heavenly Realm of the Song Dynasty will come out to capture this bastard.

"This bastard is a disaster. If he doesn't cause something, I'm afraid he won't be Su Chen."

"Haha, sister Xue Nu, don't worry. My husband may have had no choice but to do this this time. In the past, my husband was passively provoked. This time, I'm afraid it's also his helplessness."

"Forget it, let's ask my husband what happened here later. Su Wu ordered the secret guards to help the shadow assassins shoot those Song troops."

"Yes, ma'am."

Yang Ye and Wang Gonggong are now a little scared. There are not many of their troops left, and they are afraid that they will be killed soon. Their retreat is also blocked by these black-clothed guards. They It is impossible to charge directly when you see the crossbows of the black-clothed guards.

Yang Ye looked back at his sons and ordered,"Da Lang, you and San Lang are good at Qinggong. You rush out and bring the army over, otherwise we They will all die here today"

"Yes, Dad."

Yang Dalang, Yang Tai, Yang Sanlang, and Yang Xun nodded when they heard Yang Ye's words. They looked at each other and headed towards the wall to escape.

Xue Nu found that someone was about to escape, and she looked at the two innate people. The little scumbag in the realm shook his head and ordered,

"Prepare the crossbow and shoot them for me."

Whoosh! Whoosh! Whoosh! Whoosh!".....

Just when Yang Tai and Yang Xun had started to use Qinggong before they could jump over the wall, they were shot dead by the Qi-Breaking Crossbow and turned into a hornet's nest. bump! bump!

"Dalang! Saburo!"

"Big Brother, Third Brother (Third Brother)"

When the bodies of Yang Tai and Yang Xun fell, Yang Ye and his remaining sons looked at the dead Yang Dalang and Yang Sanlang with red eyes. They did not think of Yang Tai and Yang Xun died carelessly.

At this time, after the Yang family army was wiped out, the Imperial Guard was about to be wiped out as well. The remaining Imperial Guard, General Wang, saw that his army had been completely wiped out.

He rushed towards Su Chen with a sword in anger. He wanted to kill the culprit, but his throat was cut by a shadow assassin before he could run a few steps.

After the Imperial Guards were wiped out, in the courtyard of the Mu Mansion It was very quiet now. Even the people in the Yang family who were crying just now were looking at Su Chen in horror.

Mu Guiying was looking at Su Chen in disbelief. She didn't expect that an army of almost five thousand people could move so quickly. They were slaughtered.

This was an army of five thousand! It wasn't just five thousand chickens. They slaughtered nearly five thousand troops in less than half an hour. Are all Su Chen's men demons?

Mu Guiying's guards are now looking at Su Chen was very scared. This man who was always smiling had such powerful subordinates. They were all very lucky not to offend this young master.

Su Chen looked at the remaining Yang family father and son and the dead eunuch, and he walked towards them. In the past, now he had to accept them completely. Su Chen would not let go of these enemies who wanted to kill him. When

Su Chen came to them, he looked at them and asked with a smile, "Yang Ye, are you going to Kill me? Aren't you going to torture my woman? Now that I'm here, why don't you take action?"

"I kill you." When Yang Yanzhao saw Su Chen coming, he shot at Su Chen with a long spear with red eyes.

Poof!

Before Yang Yanzhao could reach Su Chen, Youruo suddenly appeared and slit his throat. Yang Yanzhao stared at him and fell to the ground

"Rokuro"

""Sixth Brother (Sixth Brother)"

When Yang Ye and his sons saw that Yang Yanzhao had also been killed, they all cried out in grief.

When Wang Gonggong saw Su Chen looking at him, he hurriedly asked Mu Guiying for help. road,

"General Mu Guiying, please save me. I don't want to die. General Mu Guiying, come and save me.

Mu Gui asked beside Su Chen who came in a hurry, "Su Batian, can you let this old eunuch go?"

Mu Guiying is helpless now. Su Chen insists on killing the Yang family. But if Su Chen kills everyone in the Yang family, then the old eunuch cannot die.

Otherwise, the Yang family's army will know about Yang Ye and the others. After his death, the Yang family's troops will definitely mutiny. Mu Guiying still hopes that this old eunuch can stabilize the Yang family's troops.

"Okay."

Su Chen looked at the greedy old eunuch and nodded to Mu Guiying. He knew Mu Guiying's plan. It didn't matter whether the old eunuch died or not. Su Chen had given Mu Guiying this time. To save face, otherwise this old eunuch would have to die.

"Thank you."

Mu Guiying didn't expect Su Chen to agree so much. He didn't put any conditions to her at all, which made Mu Guiying look at Su Chen with some inexplicable feelings. When the prince heard that he didn't need to die, he immediately He collapsed on the ground. The prince was frightened by Su Chen.

"You Ruo, kill them." Su Chen looked at Yang Ye and his remaining sons and looked at him with hatred. Su Chen was too lazy to kill these little scum himself.

Stabbed! Stabbed! Stabbed!.....

Youruo got Su Chen's order and appeared beside Yang Ye and the others. When Yang Ye and the others were about to resist, she cut the throats of Yang Ye and his sons one by one with her short blade.

All the men of the Yang family died here this time.

Chapter 504

When Su Chen saw that everyone in the Yang family was dead, he walked towards Xue Nu and Shi Qingxuan. He couldn't stay with Mu Guiying any longer.

Although this incident had some impact on Mu Guiying, Su Chen's failure to kill the dead eunuch in the end was an explanation to Mu Guiying.

With that dead eunuch around, Mu Guiying should not be punished by the Emperor of the Song Dynasty.

When Mu Guiying saw Su Chen was about to leave, she hurriedly stopped Su Chen and said,

"Su Batian, you can't leave now. Everyone in the Yang family has been killed by you. If this is reported to the defenders of Chang'an City, you may be surrounded and killed by those troops."

"Although I know you don't care about the troops surrounding you, Chang'an City cannot be in chaos again. You stay in my house for a few more days. When the prince and I stabilize the defenders of Chang'an City, it will not be too late for you to leave.."

Su Chen was very speechless when he looked at Mu Guiying. What does this have to do with him? What can the defenders of Chang'an City do to him if he leaves? If the defenders of Chang'an City want to die, Su Chen can help them. loyalty,

"I....."

Mu Guiying interrupted Su Chen before he could speak and continued,

"I know that you are powerful and your men are also very powerful, but just think about the people of Chang'an City. If you conflict with the defenders of Chang'an City again, I am afraid that I really won't be able to defend Chang'an City."

"You should have heard of the brutality of the Dayuan army. If Chang'an City was captured by the Dayuan army, I'm afraid all the people in Chang'an City would be massacred by the Dayuan army. By then, Chang'an City would be in ruins."

"These are all caused by you. Su Batian, can you bear to see the people of Chang'an City being brutally massacred by those aliens?"

【What the hell!】

【Mu Guiying, what does this mean?】

【I'm just leaving, and I'm not going to cause trouble to the defenders of Chang'an City. It's none of his business whether Chang'an City will be defended in the future.】

【Besides, he is the number one enemy of the Song Dynasty. It would be a good thing if he doesn't add insult to injury at this time. Mu Guiying can just ask the dead eunuch to say that the Yang family members were assassinated by Dayuan assassins, right? 】

Su Chen was speechless when he saw Mu Guiying's worried look. How come this silly girl didn't use any brains? She was able to become a general and she didn't know how she led troops to fight.

At this time, Xue Nu and Shi Qingxuan came to Su Chen. They also heard what Mu Guiying said. Xue Nu and Shi Qingxuan felt that what Mu Guiying said made sense.

They also don't want the destruction of Chang'an city to be related to Su Chen, as this may have a great impact on Su Chen's reputation.

Xue Nu took Su Chen's hand and smiled and said, "Husband, let's stay. For the sake of the people of Chang'an City, we will stay here for a few days.""

"Yes, we have to stay in Chang'an for a few days anyway, and it will be quieter to live in General Mu Guiying's mansion." Shi Qingxuan looked at Mu Guiying and glanced at Su Chen.

Shi Qingxuan now suspected that there must be something wrong with Su Chen's eagerness to leave. She and Xue Nu had heard that Mu Guiying was looking for a pretty boy. It seems that this pretty boy is Su Chen. What a bastard.

Shi Qingxuan wanted to know if Su Chen and Mu Guiying were having sex.

"Okay, let's just stay here for a few days." Su Chen looked at Xue Nu and Shi Qingxuan and felt very helpless. It seems that this place of right and wrong cannot be left this time.

Su Chen looked at the prince and shouted to him, "Damn eunuch, the Yang family was destroyed by the Dayuan assassins. , you should know what to say, right?"

When Eunuch Wang heard Su Chen's words, he nodded hastily and agreed, "I know, I know. Don't worry, sir. I will help General Mu Guiying appease the defenders of Chang'an City."

"This is best." Su Chen was quite satisfied with this dead eunuch's answer. This dead eunuch was also greedy for life and afraid of death. However,

Su Chen was still a little worried about this dead eunuch. After thinking about it, he shouted to his side,

"Youruo, send a few shadow assassins to follow this dead eunuch. If he fails to appease the defenders of Chang'an City or has any evil intentions, kill him."

"Yes, master."

After hearing Su Chen's words, Mu Guiying felt that his arrangement was very good. If the Yang family was assassinated by Dayuan assassins, then the defenders of Chang'an City would definitely fight against the Dayuan army with righteous indignation. In this way, Chang'an City There will be no turmoil.

The prince is very panicked now. If he can't pacify the Yang family's army this time, I'm afraid his head will really be in danger. These assassins who come and go without a trace will be killed. It was very easy to kill him.

The prince wanted to calm down the defenders of Chang'an City immediately. The prince who wanted to stir up trouble didn't mind killing them, but he was very worried about his life.

Afterwards, Mu Guiying left with Xiao He and Wang Gonggong who had left unlovingly. They wanted to integrate the defenders of Chang'an City, while the remaining guards in Mu's mansion were cleaning up the large number of corpses in the mansion..

The common people and people outside Mu Guiying's house saw Mu Guiying and Wang Gonggong coming out of the house and headed towards the military camp. However, they did not see the head of the Yang family leaving Mu's house. The shouts in Mu's house Everyone here heard the sound of killing, but they saw Mu Guiying and Eunuch Wang leaving, but did not see the Yang family father and son leaving, so these people were a little confused.

"Everyone, what's going on? Where are the Yang family members? Why didn't anyone show up? Even the troops they brought didn't come out? Could something happen to them?"

"It's possible that the old eunuch brought three thousand imperial guards. Maybe the old eunuch captured the Yang family and the army. After all, Yang Ye and the others have committed a serious crime."

"impossible? Now that the Yuan army is watching outside, the old eunuch won't arrest everyone in the Yang family at this time, right? If the old eunuch captures the Yang family and his son, can Chang'an City still be defended?"

"That's right, alas! We don't know any of this now, we just don't know if that pretty boy was killed."

"Judging from Mu Guiying's appearance, the pretty boy must not have been killed, otherwise Mu Guiying would definitely be heartbroken."

"Alas, this incident was all caused by that pretty boy. Without that pretty boy, we in Chang'an City wouldn't be as panicked as we are now."

The people and people outside Mu Guiying's Mansion were talking one after another, but they didn't leave. Everyone here wanted to know what happened to the Yang family and his son, and whether the pretty boy was dead.

Mu Guiying's Mansion Here.

Su Chen, Xue Nu, and Shi Qingxuan told Xue Nu and Shi Qingxuan what happened after he left. Even those things that misrepresented him as a pretty boy were also told to Xue Nu and Shi Qingxuan.

"Husband, you better not move around casually from now on." Xue Nu was very speechless after hearing Su Chen's words.

Xue Nu did not expect that Su Chen would get into such trouble just by taking a break while drinking tea on the roadside. Li Mochou and Mu Guiying had nothing to do to make trouble. Knowing Su Chen's helplessness,

Shi Qingxuan looked at the depressed Su Chen and smiled and said,

"hehe! Husband, just stay at home obediently from now on. You are a broom star now. You will get into trouble wherever you go. Don't go out by the way in the future."

"Qingxuan, do you want me to teach you a lesson?" Su Chen hugged her and smiled maliciously after hearing Shi Qingxuan's joke.

Shi Qingxuan was scared when she saw Su Chen's malicious smile. She couldn't deal with this bastard, so Shi Qingxuan hurriedly said to Su Chen coquettishly said,

"Husband, no, I just won't say it."

Su Chen touched Shi Qingxuan's long hair, stood up, hugged her and said with a smile, "Haha, but you already said it."

"Husband, what are you going to do? Put me down quickly"

"Do you think that's possible?"

"Sister Xue Nu, save me."

Chapter 505

The day passed like this.

Mu Guiying and Wang Gonggong took preliminary control of the army yesterday night. With Mu Guiying's persuasion and Wang Gonggong's killing, the Yang family army was initially controlled by Mu Guiying.

The next morning, more and more Jianghu people came to Chang'an City. Tomorrow is the martial arts conference. These Jianghu sects came for the position of the martial arts leader of the Great Song Dynasty. Some powerful Jianghu sects wanted to compete for this martial arts leader.

In a restaurant, there are now more than ten trumpet monks sitting here. They look at the people of the Song Dynasty below the restaurant with some disdain.

A young nobleman saw that the people in the Song Dynasty had some acquired and innate cultivation levels, so he said to a middle-aged trumpet monk with great disdain,

"Dharma King, these people of the Great Song Dynasty are simply vulnerable. Dharma King will definitely win the martial arts conference tomorrow. The middle-aged trumpet monk smiled and said to the noble young master, "Haha, little prince, don't say that. The Central Plains people are also very powerful. We can't underestimate the Central Plains people.""

One of these two people is King Jinlun, the great master of the Great Yuan Dynasty, and the other is Zha Yadu, the son of the seventh prince of the Yuan Dynasty. They came to Chang'an City this time to destroy the martial arts conference of the Great Song Dynasty.

Zha Yadu He smiled and looked at Jinlun Dharma King. This time he must destroy the Song Dynasty's martial arts conference. Zha Yadu liked Princess Zhao Min very much, but Zhao Min always looked down on him.

Zha Yadu decided to do something to let Princess Zhao Min. Zhao Min knew that he was not a playboy. As long as he destroyed the Song Dynasty's martial arts competition tomorrow, Zha Yadu would make Zhao Min look at him with admiration, so that he could catch Zhao Min in the future.

"The Dharma King was polite. With the level of cultivation of the Dharma King, none of the people from the Song Dynasty here would be the Dharma King's opponent."

Jinlun Dharma King looked helpless when he saw Zha Yadu. He originally didn't want to bring this young prince to Chang'an of the Song Dynasty, but the Seventh Prince was kind to him. This time, the Seventh Prince asked him personally, and Jinlun Dharma King didn't want to bring him to Song Dynasty. So I can reject the Seventh Prince.

It's just that this little prince is a little arrogant. Jin Lun Dharma King doesn't want this little prince to ruin his action this time, but he can't just treat this little prince coldly. After all, this little prince is now in his twenties. The commander-in-chief of thousands of armies.

Jinlun Dharma King looked at Zha Yadu and felt that this young prince had a good father and had reached the sky in one step. If he had not had a good father, Zha Yadu would have been a piece of shit.

"Young prince, I know you are eager to do something. This Great Song Martial Arts Conference is an opportunity for you. If you want Princess Zhao Min to look at you differently, you can't be anxious. The Great Song Martial Arts Conference is not that simple. , we must ensure nothing goes wrong."

Zha Yadu has to rely on King Jinlun this time. If he not only destroys the martial arts conference this time, but even Chang'an City is captured by his army, then he has made a great contribution. When the time comes, his father will go to Ruyang Zhao Min is going to propose to the king, and Zhao Min will definitely be his wife in the future.

Zhayadu laughed as he thought about it, "Don't worry, His Holiness, this time everything will be your priority, and I won't interfere too much.""

"Well, that's good"

In a mansion in Chang'an, many Jianghu people have gathered here. They are all Jianghu people who came to participate in this martial arts conference. Hong Qigong specially entertained some powerful Jianghu sects and individuals in this mansion.

In the hall, while many martial arts sects and masters were talking to each other, an energetic old man said disdainfully to Hong Qigong who was sitting in the first place,

"Hong Qigong, you are already a lost dog. You'd better not participate in this martial arts competition."

Guo Jing, who was standing next to Hong Qigong, shouted angrily when he heard the old man's words,

"Presumptuous, my master is the host of this martial arts conference, and he is also the leader of the Beggar Clan. Why can't my master participate?"

"Little baby, you have to pay a price for talking to me like this." When the old man saw that Hong Qigong's apprentice dared to shout at him, he sullenly slapped the boy with a slap on his face.

"Qiu Qianren, stop!"

When Hong Qigong saw Qiu Qianren attacking his disciple Guo Jing, he hurriedly pulled Guo Jing behind him to face Qiu Qianren's attack.

Boom!

Hong Qigong was knocked back ten steps by Qiu Qianren's palm. He did not expect Qiu Qianren's attack. With such great strength, Hong Qigong endured the blood boiling in his chest and looked at Qiu Qianren in surprise. This Qiu Qianren was already at the peak of the cultivation level of a grandmaster.

Qiu Qianren knocked Hong Qigong away with a palm and laughed and said,

"Ha ha! Hong Qigong, with your strength, you still want to compete for the leader of the martial arts alliance? You'd better continue to be your chief beggar."

At this time, Wang Chongyang, who was sitting next to him, saw Hong Qigong's defeat, so he stood up and said to Qiu Qianren with a cold face,

"Master Qiu, Hong Qigong is the organizer of this martial arts conference no matter what, are you going too far?"

Qiu Qianren was a little wary when he saw Wang Chongyang standing up. He didn't dare to be arrogant to this Wang Chongyang, and Wang Chongyang's strength was something he couldn't deal with.

But he wasn't afraid of Wang Chongyang either. This Wang Chongyang was a pedantic Man, Qiu Qianren was not worried that Wang Chongyang would attack him for no reason.

When Qiu Qianren saw Wang Chongyang speaking for Hong Qigong, he smiled and said sarcastically to Wang Chongyang,

"Wang Chongyang of the Quanzhen Sect, I know you. You are very powerful and you are already half a great master. But on the way to Chang'an City, I heard that your Quanzhen Sect was burned down by Dayuan. You Don't you feel ashamed to still be sitting here?"

The people here started talking after hearing Qiu Qianren's words, and even some powerful people laughed disdainfully.

Wang Chongyang glared at Qiu Qianren with an ugly face. If he hadn't taken care of the overall situation and couldn't take action against Qiu Qianren, he would definitely Teach this Qiu Qianren a good lesson.

The Quanzhen Sect disciples around Wang Chongyang stared at Qiu Qianren with raised eyebrows. They now hope that Master Wang Chongyang can teach this Qiu Qianren a lesson for insulting their Quanzhen Sect.

Wang Chongyang glared at Qiu Qianren and warned him. said,

"Qiu Qianren from the Iron Palm Gang, it's not your turn to make irresponsible remarks about the matters of my Quanzhen Sect. You'd better sit here and wait for the start of the martial arts conference tomorrow, otherwise don't blame me for being rude."

"Hahaha! Qiu

Qianren laughed and looked at Hong Qigong. This time Wang Chongyang could be said to stand up for Hong Qigong. Hong Qigong, a hypocrite, did not expect to have a relationship with Wang Chongyang.

Qiu Qianren did not say anything else. Hong Qigong cannot be the leader of the martial arts alliance this time, but Qiu Qianren will treat Hong Qigong well tomorrow.

Hong Qigong's face is very ugly now. The martial arts people who came this time have told too many people that there are some powerful people who he does not know at all. Yes, but he didn't have the strength to defeat some of the people Hong Qigong knew.

Hong Qigong felt very helpless when he looked at the strong men he was familiar with.

【Damn, this bastard Qiu Qianren is not easy to deal with. There are also Shangguan Jinhong from the Money Gang, Ouyang Feng from the Western Regions, Fu Hongxue with a disabled foot, and others. These powerful people are all obstacles for him to compete for the leadership of the martial arts alliance. 】

Chapter 506

In the hall, although Hong Qigong looked very ugly because of Qiu Qianren, he still pretended to be nonchalant. He must win the leader of the martial arts alliance tomorrow. When Hong Qigong looked at Wang Chongyang, he felt that Wang Chongyang would be needed tomorrow. Chongyang's help.

Hong Qigong knew that Wang Chongyang had no interest in the martial arts leader, and Wang Chongyang was Hong Qigong's biggest supporter.

Hong Qigong looked at Lin Chaoying sitting in a corner again. This Lin Chaoying and Hong Qigong also wanted to win her help.

Lin Chaoying is a master at the peak of her master's level. Even if her strength truly explodes, even Qiu Qianren may not be able to match her.

Fortunately, Lin Chaoying and Wang Chongyang have a close relationship, and they may even be lovers in private. Hong Qigong is also confident in getting Lin Chaoying's help.

Hong Qigong wanted to ask Wang Chongyang to introduce Lin Chaoying to him in the evening, so that he would have two powerful helpers tomorrow.

Thinking about it, with the help of Wang Chongyang and Lin Chaoying, he can easily win tomorrow's martial arts leader battle.

In a position in the hall, Jing Wuming frowned and wondered why Shangguan Jinhong came to participate in this martial arts conference. Now the Song Dynasty was surrounded by enemies, and Chang'an was preparing to fight the Yuan army in this martial arts conference.

Jing Wuming didn't believe that these Jianghu people could stop the Dayuan army. He was a little worried and said to Shangguan Jinhong sitting next to him,

"Gang leader, this martial arts leader is a hot potato. Why do you want to compete for the martial arts leader?"

Shangguan Jinhong touched his beard and said with a sly smile,

"Wu Ming, this martial arts conference is just for fame. As for fighting against the Great Yuan army, how is this possible? Look, no matter who becomes the leader of the martial arts alliance, he will not fight against the Great Yuan army."

Jing Wuming now understands that these Jianghu people are also here to show off. Anyway, as soon as the Dayuan army starts to attack, I am afraid that these Jianghu people will be the first to escape.

"So that's it, I thought these Jianghu people were all heroes serving the country and the people?"

Shangguan Jinhong looked at Jing Wuming and shook his head. In addition to being very loyal, his subordinate also had a strong sense of chivalry. He still needs to be tempered in the future.

People in the world are greedy and greedy. People, in the world of life and death, a chivalrous heart can only get you killed.

Shangguan Jinhong said to Jing Wuming sincerely,

"If a person does not serve himself, he will be punished by heaven and earth. Who among the Jianghu people here will sacrifice his life to fight against the Yuan army? They are just here to make a name for themselves and then they will disperse."

"I see."

And Lin Chaoying is sitting in the corner here. Xiao Longnu is now a master of Grandmaster. After taking Zhu Guo last night, with the help of Lin Chaoying, Xiao Longnu successfully broke through to the Grandmaster realm, and she also broke through to the middle stage of Grandmaster. The level of cultivation.

Xiao Longnu did not find Su Chen after looking at the people around her. She was obsessed with taking revenge on the bastard who looked down on her. Although the bastard gave her a red fruit as compensation, Xiao Longnu still wanted to Take revenge on that bastard,

"Master, why didn't your friend Mr. Su show up?"

After hearing Xiao Longnu's words, Lin Chaoying knew that she still had not given up seeking revenge on Su Chen, but was Su Chen something that Xiao Longnu could deal with?

Yesterday she had cleared up with that bastard, and they might become strangers in the future. Lin Chaoying Not wanting Xiao Longnu to have anything to do with that bastard again,

Lin Chaoying thought of that bastard and touched Xiao Longnu's long hair and said helplessly,

"Long Er, don't seek revenge from that bastard in the future. Didn't he compensate with a Heaven and Earth Spirit Fruit? Besides, with your strength, you are no match for that bastard."

"Master, is this really the case?"

"Well, forget it, anyway, that bastard Su Chen won't talk nonsense about that matter, so don't take it to heart, just pretend that it didn't happen."

Xiao Longnu fell silent after listening to Lin Chaoying's words. Can she really forget that Su Chen looked at her?

Xiao Longnu felt that she would never forget it, and what the bastard said when he looked at her. She still doesn't understand what a pair of A's means.

Just when Hong Qigong was entertaining these Jianghu people, Mu Guiying's house was filled with laughter.

Su Chen has been very comfortable this day, here Not only did Xue Nu and Shi Qingxuan accompany him, but Xiao He's little maid also massaged him from time to time and allowed him to tease him.

Su Chen ate the grapes Xiao He fed him, then hugged her and asked lazily, "Xiao He, your family Why is the lady still busy? Didn't she conquer all those armies?"

"Master, the young lady is now going to break up the Yang family army and reorganize it into an army. This way, even if the Yang family army wants to mutiny in the future, it will be impossible."

Xiao He is now leaning on Su Chen's arms with a flushed face. This young man has been teasing her. Xiao He is unable to stand up even if she wants to.

Xiao He also knows how many wives Su Chen has, but she doesn't care. , Xiao He knows that her beauty is not as good as Su Chen's wives, and she will only be Su Chen's concubine in the future.

But she doesn't care about these, as long as she can be with Su Chen, Xiao He doesn't care about anything.

"Well, your lady is not an idiot. She even knew how to break up the Yang family army."

"Young Master, the young lady is very smart. Please don't speak ill of the young lady in the future, otherwise you will start to quarrel again."

"Haha, that silly girl can't quarrel with me."

At this time,

Mu Guiying had just returned from the military camp and heard Su Chen calling her a stupid girl again. Mu Guiying was very angry.

She had not rested since yesterday, and this bastard not only ate Mu Guiying was very angry as she drank fine wine and delicacies, and held a beautiful woman in her house.

Mu Guiying came to Su Chen and glared at him and cursed indignantly,

"You bastard, you eat and drink from me, and you tease my maid, and now you are talking bad about me behind my back, you bastard, do you want to die?"

Su Chen looked at Mu Guiying's angry look and smiled and said,

"Mu Guiying, now I am your pretty boy. If I don't eat your stuff and keep yours, am I still a pretty boy? I'm saying that Xiaohe is my woman. It's not like you don't know. You should just go ahead and do whatever you want. Don't affect my mood here."

"Bah, you bastard is not my sweetheart. I will not ask you, a shameless bastard, to be my sweetheart." Mu Guiying blushed a little when she thought about what she said to this bastard's wife when they were having dinner last night.

Mu Guiying originally wanted this bastard's wife to think that their husband had cheated on her, so this bastard The wives will definitely teach this bastard a lesson.

But the bastard's wives didn't react at all, and even hoped that the bastard would continue to be her sweetheart. This made Mu Guiying a little shocked.

"Ah! Women just don't mean what they say"

"Bastard, I'll fight you."

Chapter 507

Mu Guiying couldn't stand this bastard anymore. She casually said last night that she wanted this bastard's wife to teach him a lesson.

But this bastard actually took it seriously.

This damn bastard even said that he was greedy for his body.

Damn!

Why doesn't this bastard die?

Mu Guiying hit Su Chen. Even if she wanted to die with this bastard today, she would beat this bastard. Mu Guiying knew that her reputation was already bad now, and it was all because of this bastard.

At this time,

Su Chen let go of Xiao He and wanted to stand up and move around. However, they did not expect that Mu Guiying would rush towards him madly. Su Chen was knocked down by Mu Guiying before he could stand up. The chair he was sitting on also fell backwards.

Mu Guiying originally wanted to beat this bastard, but she didn't expect that Su Chen would stand up. When she hit Su Chen, she couldn't hold back her body and bumped into Su Chen's body. bump!

When Su Chen and Mu Guiying fell towards the back, Mu Guiying fell on Su Chen's body and was stunned. At this time, Mu Guiying fell on Su Chen's body and kissed Su Chen.

Mu Guiying stared at Su Chen and didn't know what to do. Not only did Su Chen's back hurt from being thrown, but Mu Guiying, a silly girl, actually bit him, which made Su Chen very painful..

When Xiao He saw this, she covered her mouth and almost screamed. She didn't expect that the young lady would do this.

Xiao He couldn't help but imagine that if the young lady also became Su Chen's wife in the future, wouldn't she and the young lady not have to separate?

"Ah, bastard, I'll bite you to death." Mu Guiying suddenly felt something was wrong, so she screamed and bit down hard.

"Holy shit!"

Su Chen hurriedly pushed Mu Guiying away and found that his mouth was bleeding and his lips were bitten. Su Chen covered his mouth and stared at Mu Guiying, not knowing what to say.

Su Chen was a little playful. Fortunately, he struck faster, otherwise Mu Guiying, a silly girl, might have bitten off a piece of his flesh.

When Mu Guiying stood up, she saw that Su Chen's mouth was bleeding. Although she blamed herself for biting too hard, but when she thought about what just happened, her face turned red and she cursed,

"Deserve it"

【What the hell!】

【Mu Guiying, just wait for me. Today's affairs are not over yet.】

【I thought, this really hurts. Did this silly girl bite his lip?】

【Damn you silly girl, I will definitely bite you back. 】

Su Chen covered his mouth and stared at Mu Guiying, thinking about how to teach this silly girl a lesson in the future.

"Young Master, please show me if there is anything wrong with your mouth." Xiao He saw that Su Chen's mouth was bleeding. She hurriedly took a handkerchief to Su Chen to cover the blood. She was very worried about what might happen to Su Chen's mouth being bitten by Mu Guiying.

Su Chen let go and let Xiao He check. For a moment, he was also very worried that his lips would be touched by Mu GuiHe was bitten with a scar, and he was disfigured like this.

"Huh, it's nothing serious, sir. There's just a tooth mark on the outside of your lip, but the bleeding part is on the inside. I'll give you some medicine and it'll be fine." Xiao He looked at Su Chen's wounds and said with a smile.

Xiao He couldn't help but laugh now. Su Chen's lips were bitten by Mu Guiying and there were some teeth marks. These teeth marks looked very funny to her. It's ridiculous. Su Chen may not be able to see anyone in the next few days. When

Mu Guiying saw Su Chen's appearance, she blushed and turned away. She didn't expect that she would be so crazy just now. This time she was so embarrassed. If this bastard talks nonsense outside, her reputation will really be irreparable.

Su Chen was relieved when he heard that his wound was not serious, but Mu Guiying would not forgive her easily. Su Chen pointed at Mu Guiying and said threateningly,

"Mu Guiying, I will definitely repay this hatred. Just wait, I will definitely get it back. Mu

Guiying glared at Su Chen and said threateningly, "How dare you, you bastard, if you dare to do this, it won't be your mouth that gets broken next time. Be careful with your tongue.""

【What the hell!】

【Why is this silly girl so tough?】

【Is this what a woman who has never been married said? 】

After Su Chen thought about it, he really didn't dare to bite this silly girl. If this silly girl really wanted to destroy his tongue at all costs, Su Chen would probably want to die.

Su Chen glared at Mu Guiying and left with Xiao He. He asked Xiao He to give him some medicine as soon as possible.

When Mu Guiying saw this bastard Su Chen leave, she patted her chest and sat down. She was so nervous just now. If she didn't want this bastard Su Chen to see her like this, I'm afraid she would have been at a loss at that time.

【Damn it, how could I do that?】

【Now that bastard will definitely think that she is an indecent woman, right?】

【Bah, it's all because of that bastard. If he hadn't been angry with himself, nothing like this would have happened today. 】

Mu Guiying thought for a moment and wiped her mouth, but she didn't expect that there was blood on her mouth. vomit!

【Is this that bastard's blood?】

【It disgusts me to death】

【Damn it, why is that bastard's blood in my mouth? 】

Mu Guiying hurriedly drank the tea and started gargling her mouth. She didn't want that bastard's blood to remain in her mouth.

The next morning, a huge competition arena had been set up in the central square of Chang'an City. In front of the arena, dozens of tables and chairs were placed. Some fruits and refreshments were neatly placed on the tables, and on the chairs Many people from the world have already sat down.

Some Jianghu people are still rushing over one after another. They don't dare to sit on the tables and chairs in the middle yet. These Jianghus know that those positions are not where they should sit. Those positions must belong to a powerful sect and strength. Only strong people can sit on it.

Su Chen and Mu Guiying came to a seat and sat down, but neither of them paid attention to the other. Su Chen was also wearing a black mask at this time. He was a bit shameful now. It was all Mu Gui's fault. Ying, this silly girl.

Su Chen did not bring Xue Nu and Shi Qingxuan with him this time. They are currently practicing the four major sword techniques, although they have not yet reached the beginning.

But they had listened to Su Chen's explanation, and now that they had found the feeling of practicing, they no longer wanted to attend today's martial arts conference.

Mu Guiying blushed when she saw Su Chen wearing a mask and didn't dare to look at him. Whenever she saw Su Chen like this, she would think of the crazy things she did yesterday.

And along the way, she also heard the conversations between the people of Chang'an City and some Jianghu people. Mu Guiying's story of keeping the pretty boy was confirmed. No matter how she explained it now, no one would believe it.

Mu Guiying sometimes felt that Su Chen was pretty good, but when she thought about how many wives this bastard had, she gave up those inappropriate thoughts. She would not be this bastard's concubine.

Chapter 508

Su Chen sat here and looked around. He didn't know any of the Jianghu people here. None of the powerful masters had appeared yet. Su Chen also found that the Jianghu people around him were observing him. He knew that these idle people were watching him. The Jianghu people must know who this pretty boy is.

【Huh? Why is A'Zhu here?】

【Shouldn't she be in Suzhou City?】

【And who are the women around her?】

【Are those women Duan Zhengchun's mistress and daughters?】

【But why would A'Zhu be with them?】

【Does A'Zhu know her life experience? 】

Su Chen suddenly found A'Zhu not far away and felt strange. He looked at the women around A'Zhu and couldn't help but think that A'Zhu knew her life experience?

A'Zhu wouldn't be found by these women to seek revenge. After all, Duan Zhengchun was executed by Huang Rong.

"Shameless pervert!"

When Mu Guiying noticed that Su Chen was looking at several women not far away, she glared at Su Chen and said angrily, this bastard is a pervert, and his eyes will go straight whenever he sees a beautiful woman. Damn bastard, Mu Guiying now regretted bringing this shameless bastard to the martial arts conference.

Mu Guiying thought that all the people here were looking at them, but this bastard was still looking at other women, which made Mu Guiying feel Very embarrassing

【I gather】

【Is this Mu Guiying coming or that one coming?】

【Why are you so grumpy today?】

【He didn't provoke her at all today】

【This silly girl is really moody. 】

Su Chen rolled his eyes when he heard Mu Guiying scolding him, but he didn't want to talk to this silly girl.

Su Chen was also a little afraid of this silly girl. If he angered this silly girl here, I'm afraid Mu Guiying would attack him no matter where. Su Chen didn't want his lip to be injured again.

When Mu Guiying saw that this bastard Su Chen rolled his eyes at her and ignored her, she said to Su Chen angrily,

"Su Batian, if you look at other women randomly again, get out of here."

Su Chen turned to look at Mu Guiying and said nonchalantly,

"What do I think other women have to do with you?"

Mu Guiying knows this shameless bastard very well. This bastard is a shameless pervert. If she doesn't teach this bastard a lesson, I'm afraid he won't listen to her.

"You shameless bastard, you are now my pretty boy, you look at other women just to embarrass me, now you just sit here honestly, I don't allow you to look at other women anymore"

"laugh! What happened to the pretty boy? The pretty boy has no human rights." Su Chen was also completely speechless about this Mu Guiying.

Su Chen was a fake pretty boy. Mu Guiying was too lenient. It was as if he was really the pretty boy kept by Mu Guiying.

This silly girl Could it be that she fell in love with him?

Su Chen shuddered at the thought and rubbed his arms. He had a shadow of this silly girl. Su Chen would not forget how his lip was broken.

Mu Guiying should He likes whoever he likes. Su Chen will not let this silly girl fall in love with him. This girl is too fierce. Su Chen doesn't want to suffer in the future.

Mu Guiying stretched out her hand angrily and threatened, "You have no human rights. Bastard Su, don't force me to take action against you."

"You are awesome, you are awesome."

Su Chen saw that the people around him were looking at the excitement, so he leaned on his chair to rest helplessly. He would not let these people treat him like a monkey here.

Mu Guiying, a silly girl, didn't even look at what was going on here. place.

Su Chen has completely lost his temper with Mu Guiying.

Mu Guiying narrowed his mouth and smiled when he saw that Su Chen was honest now. This bastard can't speak to soft-spoken people, otherwise he will be worn out. Even this bastard won't listen.

On the other side of the square,

A'Zhu was sitting with several beautiful women, but A'Zhu was sitting here with a somewhat distracted look, while the other beautiful women were discussing for a while. Things about the martial arts conference

"Sister A'Zhu, what are you thinking about?" A little beauty in white next to A'Zhu saw that A'Zhu had not spoken, so she shook A'Zhu's arm and asked in a low voice,

"Zhong Ling, I didn't think about anything, I'm just not used to this place." A'Zhu touched Zhong Ling's head and said with a smile.

Zhong Ling looked at A'Zhu's unhappy look and asked doubtfully, "Sister A'Zhu, you still want to go back to Gusu City, right?"

"Well, I want to go back." A'Zhu nodded to Zhong Ling. She wanted to go back to Wu Xiangjun's mansion in Gusu City. Although she was with her mother here, she was not happy at all.

Zhong Ling was worried and said to A'Zhu,

"But Wu Xiangjun killed Duan Zhengchun. If you go back, I'm afraid he won't let you go. Sister A'Zhu, you are Duan Zhengchun's daughter after all, and Wu Xiangjun is your father-killing enemy."

"Zhong Ling, do you recognize Duan Zhengchun as your father?"

A'Zhu doesn't believe that people in Wu Xiangjun's mansion will kill her. After all, A'Zhu is the personal maid of the young princess. Although her status in Wu Xiangjun's mansion is not high, her status is not low, and A'Zhu Nor would she recognize the father she had never met.

Although Wu Xiangjun's men killed Duan Zhengchun, it was a war, and there were immortals in war. Besides, A'zhu Ke never admitted that Duan Zhengchun was his father. , she doesn't need a scumbag as her father.

"No, my father is Zhong Wanchou, not Duan Zhengchun."

Zhong Ling also shook her head hastily. Although his father Zhong Wanchou is also dead, she only has Zhong Wanchou as a father in her heart. She doesn't even know who Duan Zhengchun is. She will not recognize someone she has never met as her father.

"I don't recognize Duan Zhengchun as my father. He abandoned us back then, and I won't recognize that scumbag as my father."

"But? My mother and your mother both want to avenge Duan Zhengchun, and we have no choice now."

"revenge? This is just a fantasy. There are several great masters in Wu Xiangjun's mansion, and there are countless masters. Huang Rong has already let us go. I don't want to go to Wu Xiangjun to take revenge."

A'Zhu thought that when she knew Ruan Xingzhu was her mother, A'Zhu went to beg Huang Rong to let her mother go. Huang Rong also let her mother and other Duan Zhengchun women go without saying a word.

A'Zhu would not repay kindness with revenge and assassinate her. Wu Xiangjun, she would not let her mother and these people go to Wu Xiangjun's mansion to die again.

Next to her, Mu Wanqing's mother Qin Hongmian heard what A'Zhu and Zhong Ling said angrily and said, "A'Zhu, what did you say?" What are the words? Duan Zhengchun is your father after all. Don't you want to avenge your biological father?"

A'Zhu was very angry when he heard Qin Hongmian's words. It was Qin Hongmian who had been clamoring to avenge Duan Zhengchun.

A'Zhu couldn't understand that a woman who had been abandoned by Duan Zhengchun still wanted to avenge the dead Duan Zhengchun. To take revenge, doesn't she need any face?

A'Zhu also said to Qin Hongmian unceremoniously,

"I have no father, and I don't need a father. Qin Hongmian, if you want to seek revenge from Mr. Wu Xiang, you can do it yourself. I will not let my mother go with you to assassinate Mr. Wu Xiang."

Chapter 509

Qin Hongmian did not expect that a junior would dare to speak to her like this, which made her very angry. Qin Hongmian looked at A'Zhu and wanted to teach her a lesson, but she thought that A'Zhu was even stronger than her. Qin Hongmian There is nothing that can be done about A'Zhu.

Qin Hongmian glared at A'Zhu and said to Ruan Xingzhu next to her, "Ruan Xingzhu, aren't you going to teach your daughter a lesson?"

"I....."

Ruan Xingzhu looked at Qin Hongmian and didn't know what to say. She would not teach her daughter a lesson.

Ruan Xingzhu didn't want to avenge Duan Zhengchun, she just wanted to live a good life with A'Zhu in the future.

A'Zhu grabbed Ruan Xingzhu next to him and said,

"Mother, don't pay attention to her. When this martial arts competition is over, we will return to Xiaojing Lake."

"Um! OK"

Qin Hongmian was very angry when he saw this. None of these women would avenge Duan Zhengchun. A'Zhu and Ruan Xingzhu were like this, as were Gan Baobao and Zhong Ling.

Qin Hongmian felt that none of them really loved Duan Zhengchun. Now she is the only one who is dedicated to avenging Duan Zhengchun. After this martial arts competition, she will be separated from these women.

Qin Hongmian was very angry when she saw them.

Mu Wanqing looked at A'Zhu and the others and lowered her head. She also didn't want to avenge Duan Zhengchun, but her mother was bent on avenging Duan Zhengchun, and she had no choice.

Sometimes Mu Wanqing couldn't understand why Duan Zhengchun had clearly abandoned their mother and daughter, but why did her mother still insist on clinging to him? They were looking for Duan Zhengchun desperately, and even wanted to avenge him after Duan Zhengchun died.

The six women next to this table, each with their own special characteristics, also attracted the people here. The people here saw these beautiful women. and the pretty little beauties, all looking at them with gleaming eyes. If it weren't for the low strength of the Jianghu people here, I'm afraid there would be many Jianghu people who would take their chances. At this time,

A'Zhu suddenly discovered that not far away There are dozens of secret guards here. Those secret guards wearing black clothes are very familiar to A'Zhu, but why do these secret guards appear here?

A'Zhu looked at the people protected by the secret guards and was very confused.

Who are those men and women?

Why is that man wearing a mask?

Why are the secret guards protecting them?

A'Zhu looked at the two men and women and stood up. She wanted to find out who those two people were? Yes. The secret guards protect them, and A'Zhu feels that their identity is very extraordinary.

"A'Zhu, where are you going? Ruan Xingzhu asked suspiciously when she saw A'Zhu standing up.

When A'Zhu saw her mother Ruan Xingzhu asked her, she said casually, "Mom, I saw a familiar person. I want to go over and see if he is mine." friend"

"Then I'll go with you. I'm not worried about you being alone."

Ruan Xingzhu looked at the two people A'zhu was talking about and then stood up. She was a little uncomfortable here now. Ruan Xingzhu thought about leaving here with A'zhu.

""Well."

A'Zhu pulled Ruan Xingzhu and walked towards Su Chen. A'Zhu was also worried that her mother would stay here. A'Zhu was worried that if she left here, Qin Hongmian might beguile her mother to Duan again. Zhengchun took revenge. When

Zhong Ling saw A'Zhu and the others leaving, she wanted to leave with them. However, she thought that if A'Zhu went to see her friends, it would not be good for her. Zhong Ling could only look at A'Zhu and Ruan Xingzhu as they left.

Qin Hong Mian looked at A'Zhu and her daughter leaving with disdain. She did not expect A'Zhu and Zhong Ling to avenge Duan Zhengchun now. From now on, she and her daughter Mu Wanqing would rely on her and her daughter Mu Wanqing to avenge Duan Zhengchun.

Su Chen was bored now. He was leaning on a chair and basking in the sun. The martial arts tournament was going to start at almost noon. They were a little early this time.

Su Chen looked at the clock and it would take another hour for the martial arts tournament to start. He would close his eyes now. I want to sleep for a while.

Mu Guiying is also very helpless now. This time they arrived a little early, and their arrival was not notified to the Beggar Clan. Otherwise, with Mu Guiying's identity, they would definitely have to be in the middle. In those positions.

Mu Guiying also wanted to keep a low profile this time because of the pretty girl. Now she is very bored sitting here.

Moreover, the bastard next to her did not talk to her, which made Mu Guiying I felt that she was not attractive anymore.

At this time, Su Chen, who was brought by A'Zhu and Ruan Xingzhu, was intercepted by the secret guards. After being intercepted by these secret guards, A'Zhu did something to these secret guards. made a gesture.

When the secret guards saw A'Zhu's gesture, they looked at her in confusion. They did not expect that this woman knew the communication gestures of their secret guards.

"Who is the girl? Why do you know the communication gestures of our secret guards?"One of the captains of the secret guards asked A'Zhu about offering his hand.

A'Zhu also said to these secret guards, "A'Zhu, the maid of the little princess of Wu Xiangjun's Mansion in Gusu City, has seen you all."

"The princess's maid? Why are you here? What are you doing here again?"The captain of the secret guard asked A'Zhu with some vigilance.

These secret guards are protecting Lord Wu Xiang, and now that Lord Wu Xiang is hiding his identity, the secret guards will not let the maid of this little princess get close to Lord Wu Xiang. , and she may even reveal Wu Xiangjun's identity.

Ruan Xingzhu is very surprised now. She did not expect that A'Zhu would take her to find Wu Xiangjun's men. Are these all Wu Xiangjun's men? It's just that these Wu Xiangjun Xiangjun's men are quite powerful.

Ruan Xingzhu looked at the two men and women sitting in the seats and was a little surprised. She didn't know who the person she was about to see would be. Ruan Xingzhu was now worried about her and A'Zhu's life safety.

A'Zhu was very confused when he saw the cautious appearance of these secret guards. Although this place was in the Song Dynasty, the secret guards did not need to be so cautious. Could it be that they were protecting an important person?

"Don't worry, everyone, I just met you here and just came to say hello, I have no other intentions."

The captain of the secret guard looked at A'Zhu and Ruan Xingzhu, waved his hands to them and said, "Please leave, this is not the place you should be, and you must forget to have seen us."

A'Zhu was a little surprised. How could these secret guards be so cautious? Who are the men and women? Why were these secret guards so cautious?

Then,

Mu Guiying and Su Chen also discovered A'Zhu and Ruan Xingzhu arrived just after they were stopped by the secret guard.

Mu Guiying looked at the bastard Su Chen. She now guessed whether this bastard knew these two beautiful women?

Su Chen lay on the chair and did not care about these things. Regarding A'Zhu's arrival, Su Chen also knew that the secret guards around him were discovered by A'Zhu, but Su Chen did not want to see them when A'Zhu came to see him this time. Su Chen was firstly afraid that A'Zhu would expose his identity, and secondly, Su Chen was afraid that A'Zhu would reveal his identity. After all, he was the one who ordered Duan Zhengchun to be executed, and at this time A'Zhu left Wu Xiangjun's mansion to be with Duan Zhengchun's woman and daughter.

Su Chen didn't need to think about it to know that A'Zhu already knew that Duan Zhengchun was her father. Zhu has left his Wuxiangjun mansion, and Su Chen will no longer have any trust in A'Zhu.

"Let them come."

Mu Guiying looked at A'Zhu and Ruan Xingzhu and wanted to know what they had to do with this bastard?

Mu Guiying knew that the bastard had been watching them just now, so she guessed that these two beautiful women would not be related to this bastard. Is that that kind of relationship?

【What the hell!】

【Mu Guiying, what does this mean?】

【Why would she let A'Zhu and Ruan Xingzhu come over?】

【What is this silly girl planning to do? 】

Chapter 510

Su Chen sat up when she heard Mu Guiying asked A'Zhu and Ruan Xingzhu to come over. Su Chen stared at Mu Guiying and wanted to know what she was going to do when she asked A'Zhu and Ruan Xingzhu to come. Now he can't figure out what Mu Guiying is thinking in her heart.

"What are you looking at?"

When Mu Guiying found Su Chen staring at her, she was unhappy and stared at the bastard. Mu Guiying now felt that her guess just now was very correct.

The bastard sat up hurriedly when he heard that she asked the two women to arrive. , Mu Guiying knew why this bastard stopped lying dead.

Su Chen looked at Mu Guiying's arrogant look and didn't want to talk to her. Just thinking of her asking A'Zhu and the others to come over, Su Chen couldn't help but ask,

"Why did you ask them to come over?"

Mu Guiying stared at Su Chen disdainfully and said, "What does this have to do with you?" If I like, let them come over. You bastard wouldn't have done anything bad to them, right?"

When Su Chen heard Mu Guiying's words, he pointed at Mu Guiying angrily and said, "What the hell are you talking about, you silly girl? How could I possibly do anything to them?"

Su Chen was speechless now. This Mu Guiying originally thought that he had such a relationship with A'Zhu and the others, which was really unfair to him.

A'Zhu used to be her daughter's maid. Although he had that idea before, he is He didn't take any action.

But he didn't even know A'Zhu's mother, Ruan Xingzhu. They had a farcical relationship.

"oh? Then why are you so nervous?"

"Am I nervous?"

"Aren't you nervous?"

"I'm not nervous, not nervous, didn't you hear?"

"Ah!"

Su Chen has nothing to do with this silly girl with a vicious tongue. This silly girl is completely shameless now. Su Chen can't beat or scold her.

Su Chen decided to stay away from this silly girl in the future. He doesn't want to do it anymore. Let this silly girl listen.

Mu Guiying laughed when she saw Su Chen's speechless look, but she suddenly realized that the two women had not been let go by Su Chen's guards, and her face became very ugly.

When Mu Guiying saw that this bastard's guard didn't obey his orders, she angrily grabbed Su Chen's arm and threatened,

"You bastard, tell your guards to let them over."

Su Chen waved his hands helplessly to the secret guards. He thought that A'Zhu and the others were already here anyway, and Mu Guiying, a silly girl, seemed unwilling to let them come over.

Su Chen could only let A'Zhu. They came over, but she still hoped that A'Zhu would be smarter and not expose his identity.

When the secret guards saw Su Chen's gesture, they got out of the way. The secret guard captain whispered to A'Zhu as he backed away. said,

"Go over there and don't say anything you shouldn't."

A'Zhu nodded calmly when she heard the words of the secret guard captain. She also knew that this was the Chang'an City of the Song Dynasty, but she would not expose the arrival of Wu Xiangjun's men.

Mu Guiying saw A'Zhu and Ruan Xingzhu has been sizing them up since he arrived. The younger one is wearing a light pink dress. Her slender body makes her figure even more concave and convex. Her gentle and elegant face makes her look very beautiful. As for the older woman

, But Mu Guiying felt a little ashamed when she looked at it. This woman in a green dress had a great figure. The dress she wore tied her waist tightly, which made her figure even more proud. , Mu Guiying thought that this woman must not be able to see her feet.

"What did you come to see us for?"When Mu Guiying saw Su Chen lying down again, she glared at Su Chen fiercely and asked A'Zhu and the others.

A'Zhu saw Mu Guiying staring at Su Chen, and she didn't know what they were. relationship, A'Zhu can only figure out their identities first,

"Madam, I just think the man next to you is like a friend of mine. I just came to make sure. I hope you will forgive me for the inconvenience this has caused."

Mu Guiying is a little angry now. What does this woman look like? Does she look like this bastard's wife?"Madam? You're mistaken, I'm not married yet, I'm not this bastard's wife. A'Zhu apologized to Mu Guiying with some embarrassment,"I'm sorry, I didn't mean it. My name is A'Zhu, and this is my mother Ruan Xingzhu.""

Mu Guiying did not expect that they were mother and daughter, which made her idea a little wrong. Mu Guiying felt that her idea just now was a bit dirty.

Mu Guiying was also very embarrassed and said to them,"It doesn't matter. Yeah, I'm Mu Guiying, that bastard is Su Batian, come over and sit down."

"Thanks!"After A'Zhu pulled the nervous Ruan Xingzhu to sit down, she stood up in surprise and asked,"Mu Guiying? Are you Mu Guiying, the female general of the Song Dynasty?"

"Yeah, you know me too?"

Mu Guiying is a little uncomfortable now. She guesses that A'Zhu must also know about her keeping a pretty boy.

Mu Guiying knows that her reputation is very bad now, and some shameless and lustful women are here. Scolding her.

Mu Guiying looked at Su Chen lying next to him and hated him very much. All these scoldings of hers were caused by this bastard.

A'Zhu was very confused now. Mu Guiying was a female general of the Song Dynasty. That secret How could Wei protect her?

And who is Su Batian next to Mu Guiying?

These secret guards are obviously following Su Batian's orders,

Su Batian?

Su Chen?

Could this Su Batian be Wu Xiang? Jun Suchen, right?

A'Zhu's legs are a little weak now. If this Su Batian is Wu Xiang Jun Su Chen, will she be in trouble this time?

A'Zhu is the maid of the little princess Su Yan after all. Is she there? After receiving the order from the little princess, she escaped from Wu Xiangjun's mansion privately. Now A'Zhu didn't know how Wu Xiang Jun would treat her.

A'Zhu secretly glanced at Su Chen and guessed that Mu Guiying must not know that Su Ba Tian is Wu Xiangjun Su Chen, and now A'Zhu can only pretend not to know Su Chen's identity.

"How could I not have heard of the famous female general of the Song Dynasty, but I never thought that General Mu Guiying was so beautiful."

Mu Guiying was a little confused and asked A'Zhu, "Haha! A'Zhu, haven't you heard the rumors about me in Chang'an City?"

A'Zhu and Ruan Xingzhu looked at each other and then looked at Mu Guiying strangely. A'Zhu and the others rushed here when they arrived in Chang'an. They had not heard any rumors.

A'Zhu asked Mu Guiying very puzzledly. , "What rumors? My mother and I just arrived in Chang'an City today. We haven't heard any rumors?"

Mu Guiying nodded when she heard A'Zhu's words and said, "Did you just arrive in Chang'an today? No wonder you don't know about me."

Mu Guiying now understands why A'Zhu and the others did not despise her after hearing her name. However, Mu Guiying has no intention of telling A'Zhu and her daughter about her keeping the pretty boy. Anyway, they will definitely hear this later. Gossip

"This General Mu Guiying kept a pretty boy, and was even divorced by her fiancé. The General Mu Guiying you call is a shameless woman."

"Su Batian, do you want to die?"
