### Chapter 51

Bai Shijing and Quan Guanqing, who were next to them, looked at each other in surprise. They didn't expect that Kang Min's poisonous women were related to so many people. This made them scared now. Now the matter is about to be exposed. If Xiao Feng is framed, If things are revealed, they will definitely die here.

Duan Zhengchun looked at Su Yan with a dark face. Now he wanted to kill this hateful little girl. The looks in Duan Zhengchun's eyes made him restless.

Su Yan looked at the frightened Kang Min and said unkindly,

"You know whether I am talking nonsense, and everyone here now knows that the information my father received cannot be wrong."

When Hong Qigong appeared and looked at Quan Guanqing and Bai Shijing, he shouted angrily and asked,

"Bai Shijing, Quan Guanqing, are you related to this poisonous woman? If you don't recruit them from the ground up now, come and arrest Elder Xu."

"Yes, Gang Leader Hong"

"I said, I said, you, you vicious woman, seduced me. I didn't mean to frame Xiao Feng. It was Kang Min's attention. It was all her idea."

"I also said that these were all arranged by Kang Min, which I didn't want to do either. She was the one who threatened me to fight over our affairs if I didn't do it....."

Quan Guanqing and Bai Shijing were so frightened that they immediately said everything. Now they just didn't want to admit it and had no choice. The poisonous woman Kang Min had been frightened. After all, there were other adulterers of Kang Min here, but there was one I personally admitted it, but I'm afraid no one would believe it even if they didn't admit it.

"Come, take them all down and deal with them according to gang rules."

Hong Qigong immediately asked the Beggars Clan to take these people down. Hong Qigong didn't want them to continue to embarrass the Beggars Clan here.

Su Yan looked at the old man who stood up and felt a little unkind. Huang Rong told My leader of the Southern Beggar Clan stood up this time and probably wanted to incorporate the Northern Beggar Clan. After all, the Northern Beggar Clan has no leader now, and even several elders will be executed in a while. Now that he has stepped forward, he can justifiably incorporate the Northern Beggar Clan. help

"Can Xiao Feng leave with me now? Is there anyone else stopping me from taking Xiao Feng away?"

"Amitabha, little benefactor, Xiao Feng killed my Xuan Ku in Shaolin Temple, please little benefactor call Xiao Feng to our Shaolin Temple"

"Old monk, who are you?"

"Lao Na is the abbot Xuanci of Shaolin Temple."

"Are you Xuanci?"

When Su Yan said such words, everyone in the apricot forest looked at Xuanci. They all wanted to know what earth-shattering news this young lady was going to break this time.

Even the head of the sect here wanted to know. They all looked at Xuan Ci curiously. They also wanted to know what exciting news this little girl was going to break this time.

Su Chen had already covered his face. He didn't expect that what he told Su Yan in boredom would now be revealed. Su Yan broke out.

Su Chen was now afraid that the women around him would know about his relationship with Su Yan. After all, he had just told them about Xuan Ci. If Su Yan told them the same thing as him, he might really be punished. These women doubted their relationship with Su Yan.

Xuanci was a little confused now. Now he didn't know whether he should talk to this little girl. Now Xuanci regretted standing up to stop this little girl from taking Xiao Feng away.

When Su Yan saw that Xuan Ci didn't answer for a long time, he continued to ask,

"Why don't you reply? Are you Xuanci, the abbot of Shaolin Temple? Xuanci now had a grimace on his face and replied helplessly, "I am the abbot of Shaolin Temple, Xuanci."

Su Yan laughed and said to Xiao Feng,

"Haha, Xiao Feng, aren't you looking for your enemy? This Xuanci was the leading brother back then."

Xiao Feng was a little excited now and asked hurriedly,

"Su Yatou, are you telling the truth?"

Su Yan said seriously to Xiao Feng,

"Of course, I remember all the secrets my father told me. This Xuanci was the leading brother back then."

When the monks in Shaolin Temple heard Su Yan insulting their abbot, they all questioned Su Yan.

"You are talking nonsense. Our abbot is an upright man. How could he be the one who takes the lead?"

"You're talking nonsense. Our abbot is highly respected, how could he be the one who takes the lead?"

"Yes, our abbot cannot be the one taking the lead."

"Little donor, you can't talk nonsense. How can our abbot be the big brother who takes the lead?" .....

Su Yan frowned as she looked at the monks who were voicing grievances for their abbot. These monks were so shameless. No wonder her father wanted to demolish all the temples in Gusu City.

Xuanci looked at Su Yan's frown and thought that the little girl might not remember the incident clearly. He immediately said to Su Yan,

"Little benefactor, I am not a big brother who takes the lead. Little benefactor, you may be mistaken."

"Impossible, and you are not an honest and selfless person? Isn't that a highly respected person? As a monk, you actually found a woman outside. Don't think I don't know. My father also told me about you."

"My father said that none of you monks are good, you are not engaged in production, you don't have to pay taxes, and you occupy a large area of land, and it is a place for filth and evil. Your Shaolin Temple should be glad that you are not under my father's rule, otherwise your Shaolin Temple will also be banned"

"What, the abbot of Shaolin Temple has a woman outside? is this real?"

"There is no mistake. This lady should not lie."

"I never thought that the abbot of Shaolin Temple would be such a person"

"Yes, who is the woman from Xuanci in Shaolin Temple? What kind of woman would make Shaolin Temple abbot Xuanci fall in love with her?" .....

The people in the arena started talking after hearing Su Yan's words. They felt that their efforts were not in vain this time. The news was so explosive, and now they wanted to know what other news this young lady would reveal.

Xuanci's face changed after listening to Su Yan's words. He didn't expect that this little girl actually knew about what happened between him and Ye Erniang. Xuanci knew that he was going to fall into trouble this time.

"Abbot? Is what this little donor said true?"

"Abbot, what are you talking about? Is what this little donor said true?"

"Abbot, if this little benefactor slanders you, our Shaolin Temple will not let her go.".....

Now the monks in Shaolin Temple are anxiously asking Abbot Xuanci. In fact, they monks know that this matter is true by looking at Abbot Xuanci's expression, but they want to hear it from Abbot Xuanci's own words.

"Suchen, you bastard, tell us what is your relationship with that little girl? If you dare to lie to us again today, we will give you a taste of real torture."

## Chapter 52

Now Huanwan was very angry. When she heard what the little girl said was exactly the same as what Su Chen said just now, she guessed that Su Chen, the bastard, must have something to do with the little girl.

Even this little girl is Su Chen's daughter, but Su Chen, this bastard, pretends not to recognize this little girl. Huan Huan wants to strangle this bastard to death now.

Shi Feixuan and Zhou Zhiruo were also staring at Su Chen. Now they were very sure that Su Chen knew the little girl inside. Otherwise, why would the secrets Su Chen told them just now be so familiar to the little girl?

Su Chen wanted to leave now. What Su Yan said just now sold him completely. If he didn't leave now, he might not be able to leave in a while. When

Su Chen saw Huan Huan and the others looking at him angrily, he said awkwardly,

"I have something else to do, please take your time and chat."

Huanwen was so angry that she threw herself on Su Chen, strangled Su Chen's neck, and said loudly,

"You want to run away. If you don't explain clearly this time, we will torture you to death."

Su Chen didn't expect that Huan Huan would fall on him. Now Su Chen felt some softness on his back pressing on his back, but before he could enjoy it, Huan Huan strangled his neck.

Su Chen patted Huan Huan. Butt said hurriedly,

"Damn it, Huan Huan, let me go quickly, are you going to strangle me to death?"

When Huanwen saw that this bastard dared to slap her butt, she pinched Su Chen's neck with shame and anger and asked,

"Tell me quickly, what is your relationship with that little girl inside?"

Huanhan didn't expect that this bastard Su Chen would spank her ass. This made Huanhan want to strangle this bastard to death. She didn't even dare to look at the surrounding concubines flirting with them.

Su Chen must have spanked her just now. Did they see it? Huan Huan was lying on Su Chen's back in shame, squeezing his neck and not daring to raise his head.

Su Chen couldn't get rid of Huan Huan even if he wanted to. Su Chen looked at the concubine next to him and was making fun of them. He looked at himself and reminded Huanhua,

"Ahem, let me join in. Huanyuan, can you be more ladylike? It doesn't matter if you lie on top of me. Come down quickly."

Hanwan didn't come down and continued to pinch Su Chen's neck and threatened,

"Tell us quickly what is your relationship with that little girl?"

Su Chen also knows that it is impossible not to tell them this time. Now he just hopes that after telling them later, they will not have any wrong thoughts about him. He will not help any of them. These are all They are some terrifying women, and each one is more cruel than the last.

"Let go, I said, that is my daughter."

Huanwan let go of Su Chen and turned him around and asked in surprise,

"Is that little girl your daughter? Are you an official?"

Su Chen touched his neck and said angrily,

"Well, I am an official."

Shi Feixuan and the others also looked at Su Chen in shock. They did not expect that Su Chen was an official of the Song Dynasty. At first, they thought that Su Chen was a child of a noble family.

Now they looked at Su Chen and were very surprised to think What kind of official would Su Chen be? You have to know that her daughter is leading an elite army now. Could it be that Su Chen is a general? But this bastard doesn't know martial arts.

Li Xunhuan was a little surprised when he looked at Su Chen. Li Xunhuan was a top talent. Although he did not become an official, Su Chen became an official at a young age, and he had such an elite army.

This made Li Xunhuan suspect that Su Chen might have inherited the title from his father, otherwise Su Chen would not have had this title at such a young age. Elite army.

At this time, the monks in the middle of the apricot forest were asking Fang Xuanci of the Shaolin Temple. Now they basically believed what the young lady said, but they still wanted the abbot to deny it, otherwise the Shaolin Temple would lose face.

Xuanci Ci will not admit it now. There are thousands of Jianghu people here. If he admits it now, it will probably spread throughout the Jianghu within a few days. He cannot afford to lose this person, and Shaolin Temple cannot be defeated by him. It ruined the reputation.

Xuanci thought for a while and said to Su Yan,

"Amitabha, little benefactor, are you talking nonsense about me having a woman? I don't have a woman, so don't slander me. This will bring trouble to your family."

Su Yan didn't expect that the old monk would deny it, which made Su Yan feel even more abominable to these monks.

"Old monk, are you sure you don't have a woman? But if I tell that woman's name, you will be even more embarrassed. You monks are really just robbers."

Xuanci looked at Su Yan and wanted to kill this little girl with one palm. Xuanci knew that he might be kept waiting any longer. If this little girl revealed the existence of Ye Erniang now, he would really be ruined..Xuanci was now afraid that this little girl would reveal some of her secrets, so Xuanci hurriedly ordered,

"Little benefactor, you have slandered me again and again. I want to capture you first and then discuss it with your father. Shaolin Temple monks, please capture this little benefactor for us."

"Yes, Abbot."

Xiao Feng immediately stood in front of Su Yan and said loudly, glaring at the enemy who killed his parents,

"Xuanci, I didn't expect you to be a despicable and shameless villain. Now you are not only the murderer of my parents, but you also took action against a little girl. Do you want to kill someone and silence her? Xuanci said to Xiao Feng without changing his expression,

"Amitabha, I just want to teach this little benefactor who speaks so freely. I don't want to hurt her."

"Do you think I will believe you?"

Su Yan didn't expect that this old monk from Shaolin Temple would arrest her, which made Su Yan very angry. She pointed at Xuanci and threatened angrily,

"Old monk, you got so angry that you didn't catch me. I'm right here. Do you dare to catch me? You have to know that I am an official lady. If you dare to arrest me, you will rebel. Do you, the Shaolin Temple, want to be removed from the Song Dynasty?"

Xuanci said to Su Yan very shamelessly,

"Amitabha, our Shaolin Temple is a famous and upright sect in the Song Dynasty. I believe that even if you are an official lady, you have no right to accuse our Shaolin Temple of rebellion."

At this time, the other sect leaders here looked at Xuanci very shamelessly. They did not expect that the abbot of Shaolin Temple was so shameless.

"Xuanci, you know whether you have a woman or not. You cannot touch this little girl."

Master Jue brought her disciples to the field and said coldly to Xuanci.

Master Jue also likes this little girl very much. This little girl is very smart at such a young age, and she is still at the fourth level of cultivation the day after tomorrow, this is what makes Mijie want to accept her as a disciple

"I won't let you touch this little girl."

## Chapter 53

Huang Yaoshi defended Su Yan when he came out. He felt relieved ever since he saw Huang Rong going out with the little girl. Now that Huang Rong is with the little girl, it means that Huang Rong has deceived the little girl.

But when Huang Yaoshi saw this little girl, he also liked it very much. This little girl reminded him of Huang Rong when she was a child. Now Huang Yaoshi wants to accept this little girl as his apprentice.

When Huang Rong saw Huang Yaoshi appearing, she shouted happily,

"Dad, why are you here?"

Huang Yaoshi looked at Huang Rong and said speechlessly,

"I've always been here, but you've never known my existence. Huang

Rong said a little embarrassedly,

"Um, Dad, are there many people here? I can't see you being excusable."

Su Yan said with a smile when he saw Huang Rong calling an old man his father,

"Sister Huang, this is your father, why are you so old? Your father is not as good-looking as my father. Huang

Rong knocked on Su Yan's head and said,

"Little girl, don't say that to my father, or I will teach you a lesson. Dad, you have to help Su Yan later. These monks are not good people."

Huang Yaoshi looked at Xiao Su Yan and asked with a smile,

"I know, Su Yan, right? Do you have a master?"

Su Yan looked at Huang Rong's father and knew what he was going to do.

"No, my mother taught me all my martial arts."

Huang Yaoshi said seductively when he heard that Su Yan had no master.

"So do you want to find a master? I am the innate master, do you want to become your master?"

Master Jue heard Huang Yaoshi's words nearby and couldn't help but said hurriedly,

"Island Master Huang, how can a man accept a female disciple? Su Yan, why don't you accept me as your disciple? I am the head of the Emei Sect."

Huang Yaoshi didn't expect Master Jue to accept Xiao Su Yan as his disciple, so he immediately said to Master Jue,

"Master Jue, it's not good for you to do this. After all, I was the one who brought it up first. Su Yan and my daughter are friends. It's just the right time for them to become senior sisters by becoming my teacher."

Huang Rong and Su Yan were speechless when they saw Huang Yaoshi and Master Mijie trying to recruit Su Yan as their disciples. Now the monks next to them were looking at them covetously, and these two people were actually trying to recruit disciples.

Xuanci looked at Master Mijie. He and Dongxiehuan Yaoshi were a little anxious when they came out to disrupt the situation. Now he can't wait any longer. If someone disrupts the situation again, Xuanci may not be able to control the situation.

"Little benefactor, are you going to capture me without any help, or should I capture you myself?"

Su Yan said mockingly when he saw that the old monk was still not letting him go.

"Old monk, haven't you seen that there are so many troops around me? Are you sure you can capture me? Xuanci looked at the people around him and threatened Su Yan,

"No matter how large the army is, it will probably not be as large as the martial arts people here. As long as our Shaolin Temple calls on the martial arts comrades here, we believe that the martial arts comrades here will take action against these troops."

When Su Yan saw that the gangsters next to him who had just besieged Xiao Feng actually wanted to deal with him, Su Yan also threatened,

"Old monk, it seems that you are rebelling. When I get back, I will ask my father to lead the army to destroy your Shaolin Temple. Xuanci looked at the people around him and said,

"Don't blame me for not being captured without restraint. My martial arts comrades, this time I hope you can help our Shaolin Temple catch this little benefactor who deceives the public with his lies. I will definitely repay you in the future."

"Okay, let's help Abbot Xuanci catch this little demon girl"

"Yes, this little witch is deceiving everyone with her lies. We can't let him escape."

"Little demon girl, hurry up and capture her, otherwise don't blame us for being rude."

"Go up and help Abbot Xuanci catch this little witch".....

There were some quacks and monks from the Shaolin Temple around who had gone before. They were all ready to catch Su Yan, so that they could gain the favor of the Shaolin Temple. In the future, Abbot Xuanci might let them learn some Shaolin martial arts.

At this time, more than three hundred Jianghu people and Shaolin Temple monks were ready to capture Su Yan, and the five to six hundred Jianghu people who had previously besieged Xiao Feng also surrounded him.

Master Jiejie and Huang Yaoshi were immediately on guard. Although there were many people on their side, there were also many Jianghu people surrounding them. This time they could only try their best to protect the little girl Su Yan.

"Captain Gu Qianfu"

"Here, Princess"

"Get ready to fight. This time, no one from the Jianghu who attacks me will be spared."

"Yes, Princess."

After Gu Changfeng heard Princess Su Yan's order, he immediately ordered to the Xuanwu Legion,

"The Xuanwu Legion listened to the order, battle formation: Royal."

The soldiers of the Xuanwu Legion immediately began to move after hearing the order. Huge shields were erected on the outside. Behind these shield soldiers were soldiers holding long spears and swords hanging on their waists. Soldiers.

Behind their bodies were soldiers holding crossbows. Su Yan in the middle was even more protected by soldiers with giant shields. Now Su Yan couldn't see what was going on outside even if he wanted to.

The people watching the excitement around are now staying away from the battle that is about to take place. This is the people of the world versus the imperial court. Now the people of the surrounding areas are also stunned by the audacity of the Shaolin Temple.

They did not expect that the Shaolin Temple would dare to gather the people of the world to fight against the imperial court. The army took action, and it seemed that something was going to happen in the Shaolin Temple in the future.

At a table in the middle of the apricot forest, a beautiful woman asked a middle-aged man,

"Second uncle, aren't we going to help that little girl?"

The middle-aged man looked at the upcoming battle and shook his head and said,

"Yuzhi, after all, we are from the Sui Dynasty. We don't care about these matters in the Song Dynasty. This time, let's wait and see."

"Okay, uncle."

At this time, those who surrounded and killed Xiao Feng took the lead,

"Come on, kill these imperial troops. These troops are all helping the tyrants to abuse the scum. Xiao Feng must die this time."

"The military crossbow is ready," Swish

, swish, swish, swish, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah

, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, these five or six hundred Jianghu people have died at least more than 200 people, but these Jianghu people obviously will not give up, they He continued to dodge the rain of arrows and rushed forward. The warrior monks from the Shaolin Temple and the Jianghu people who helped the Shaolin Temple also rushed over. They wanted to follow the people who wanted to kill Xiao Feng to catch the little girl.

"Military crossbows, cross freely to shoot these Jianghu people."

Swish, swish, swish, swish.

At this time, the military crossbows were shooting at these Jianghu people from all directions. These Jianghu people managed to dodge one or two crossbow arrows, but the rain of arrows was too dense. At this time, the Jianghu people had not yet rushed in. Almost half of the Xuanwu Legion was dead and wounded in front of them.

Gu Changfeng looked at the Jianghu people who were getting closer and closer and said unkindly,

"You are really looking for death, prepare your spear, and vote."

Chapter 54

Gu Changfeng looked at the Jianghu people who were about to rush over and smiled cruelly. This time he could see the mutton skewers again. Although these Jianghu people were not wrong in their skills, they did not understand the terror of the army after all.

Swish, swish, swish, swish

, following Gu Changfeng's order, long spears were quickly thrown out by the soldiers. Those Jianghu people who were rushing towards the army had not had time to react before hundreds of

long spears penetrated them. Some of the spears even hit them. Just a few people connected together

"Ah ah ah, save me, save....."

"Ah, my legs, devil, these armies are devil"

"I won't fight, come and save me, come and save me"

"Ahem, withdraw these troops quickly. We can't deal with them.".....

As the spears continued to be thrown, the casualties of these Jianghu people became more heavy, and they were even more cruel now. Seeing how many people were strung together, and some even had their intestines leaking out, some of the Jianghu people watching this battle around them I couldn't help it and started to vomit.

"Don't panic, we are about to rush to their side. The crossbows and spears of these troops are no threat to us. Now is our chance to avenge our fellow martial artists."

When Gu Changfeng heard what the Jianghu people said, he sneered and shouted,

"What an idiot. The Xuanwu Legion is not as simple as you think."

""Xuanwu Legion, shield formation, rise""

Dong dong dong dong"

Xuanwu Legion soldiers holding giant shields suddenly began to form square formations. The square formations were surrounded by giant shields, and even the top was a giant shield. Now the Xuanwu Legion was like a huge Like a turtle.

When these Jianghu people came to the Xuanwu Legion, they were stunned when they saw several huge battle formations. They raised their knives and slashed the turtle formation several times, but they did not cause any damage to these giant shields..

When they were about to continue attacking these shield formations, the soldiers inside the turtle formation used military crossbows to kill the Jianghu people outside the shield formation one by one.

Now the remaining Jianghu people were very scared. They did not expect that these troops would actually There were so many broken hands, and now there were less than two hundred people left who gathered together and dared not continue to attack these turtle formations. However, they did not attack the turtle formations, but the military crossbows in the turtle formations kept shooting at them.

Lin Shiyin didn't know when she took Su Chen's hand and asked fearfully,

"Su.....Su Chen, your troops are so powerful. How did you train them?"

Huan Huan looked at these troops and said to Su Chen with shining eyes,

"Yes, Su Chen, your army is the most powerful one I have ever seen. Su Chen, how many are your armies?"

Zhao Min looked at the Xuanwu Legion with a serious expression. She did not expect that Su Chen had such a powerful army. Now she also wanted to know how many such troops Su Chen had.

If Su Chen had tens of thousands of such troops, I'm afraid they would be too big. Yuan's army would not be a match for these armies, and even Dayuan's army would probably be completely annihilated when encountering such an army.

Seeing that it was Su Chen, Zhao Min asked tentatively,

"Yes, these armies and the cavalry behind them are very powerful, but I don't know how many these armies are?"

Zhou Zhiruo and Shi Feixuan were also surprised that Su Chen had such an army. They looked at Su Chen now who was in low spirits. He didn't look like a general leading an army in battle. Su Chen now looked like a playboy waiting to die..Li

Xunhuan had already arrived at this time. The Xuanwu Legion was hiding next to it. Just now, Su Chen asked Li Xunhuan to protect his daughter. He was also a little surprised when he saw the battle of the Xuanwu Legion. If there were 10,000 such troops, they would probably be the Grand Master. He also wanted to suffer in the hands of these armies.

Su Chen was also worried that there might be Grand Masters and Grand Masters hiding here. Although Xiao Feng, Huang Yaoshi and Master Mijie were there, Su Chen was still a little worried.

So he quietly When Li Xunhuan asked him to protect Su Yan, Su Chen didn't expect that Li Xunhuan agreed without saying anything, which made some of the excuses Su Chen prepared useless.

Su Chen also heard what these women said, but Su Chen ignored them. Among them, Lin Shiyin was just a little stupid and had no thoughts. The rest were definitely trying to get information about his army. Su Chen didn't want to tell them about his own army. At this moment, in the formation of the Xuanwu Legion , protected by the Xuanwu Legion, although Su Yan could not see what was going on outside, she heard the shouts of killing outside gradually weakening, and she knew that most of the Jianghu people had been killed.

Su Yan pulled a hand beside him. Huang Rong asked,

"Sister Huang, have the rivers and lakes outside been destroyed?"

Huang Rong is also very depressed now,

"How do I know? I can't see it. Your troops have protected us so well that I couldn't even find a single crack."

Su Yan looked at Huang Rong strangely and laughed.

"Haha, it turns out that Sister Huang is not very tall. Alas, if A'Zhu and A Bi were here, I would ask them to pick me up and take a look. After hearing what Su Yan said, Huang

Rong clenched her fists and threatened, saying,

"Su Yatou, do you want to be beaten? You actually dislike me for being short?"

Su Yan quickly waved his hand and said,

"Well, I don't mind that you are short. It doesn't matter to me whether you are tall or not, as long as the person you marry doesn't care when you get married."

The Jue Shitai, Huang Yaoshi, and Qiao Xiaofeng who were standing next to them all shook their heads when they saw the two girls who were still making trouble. They are not relaxing now. Now these attackers are ordinary people in the world, and those who are powerful in the world. No one has moved out yet. They are now guarding against the martial arts masters who have not appeared.

But after a while, thousands of Jianghu people outside were killed by the Xuanwu Legion. Now the Xuanwu Legion has also rearranged its military formations.

Su Yan and Huang Rong also saw the situation outside. They looked at the terrifying corpse in front of them, but they just frowned and showed no reaction.

This made Huang Yaoshi and Master Mijie who were observing Su Yan very worried. Hi, they didn't expect that the young Su Yan was not afraid or vomiting at these corpses, which made them even more determined to accept Su Yan as their disciple.

Xuanci watched as thousands of Jianghu people were wiped out by these armies in a short time. It fell, which surprised Xuanci. Now that Xuanci had no men, he decided to catch the little girl himself.

"Amitabha, little benefactor, our Shaolin Temple monks and these Jianghu people were brutally killed by the army you ordered. You were so cruel at a young age. This time I will personally take you back to the Shaolin Temple to make you repent."

Xiao Feng looked at the shameless Xuanci and said angrily,

"Xuanci, you can't take Su Yatou away with me. Come on, I will kill you with my own hands this time."

"Then I will teach Xiao Feng your Eighteen Dragon Subduing Palms this time."

"Die, the flying dragon is in the sky!"

While Xiao Feng and Xuan Ci were fighting, suddenly an old man quickly ran towards Su Yan, and the soldiers of the Xuanwu Legion who were protecting Su Yan suddenly fell to the ground one by one. At this time, Medicine Master Dongxie Huang Suddenly appeared next to the old man and blocked the old man who wanted to arrest Su Yan.

"Xidu Ouyang Feng, I didn't expect you to come too."

Chapter 55

Huang Yaoshi looked at Xidu Ouyang Feng who was stopped by him and felt strange. This Xidu Ouyang Feng should have nothing to do with Su Yan. Why would he attack Su Yan? Could it be that Xidu Ouyang Feng had joined some force?

When Xidu Ouyang Feng saw Huang Yaoshi stopping him, he frowned and said,

"Brother Huang, please get out of my way this time. The young prince of the Kingdom of Jin wants this little girl. I hope you can sell me a favor."

Huang Yaoshi said to Xidu Ouyang Feng in disbelief,

"Impossible, Brother Ouyang, you would do things for the Kingdom of Jin without thinking. This is not in line with your usual style."

Huang Yaoshi knew that Xidu Ouyang Feng was arrogant and arrogant, and it was impossible for him to seek refuge with any force. Huang Yaoshi did not believe that Xidu Ouyang Feng would seek refuge with the young prince of the Jin Kingdom.

Xidu smiled at Huang Yaoshi and said,

"Haha, Brother Huang still understands me. My nephew Ouyang Ke is working under the young prince of the Kingdom of Jin. This time I have to take action."

Ouyang Feng also didn't want to listen to Yan Kang's order. He just thought of his son Ouyang Ke asking him to protect the young prince of the Jin Kingdom. Ouyang Feng also loved his only son very much, so he agreed without thinking..

Su Yan came to Huang Yaoshi and looked at this bad old man and asked,

"Are you Xidu Ouyang Feng? Ouyang Feng, I know some of your secrets. They are secrets about you and your nephew Ouyang Ke. Do you want to hear them?"

"What are you talking nonsense about?"

Xidu Ouyang Feng's heart trembled after hearing Su Yan's words. He had never thought that this girl knew about such a secret thing. This made Xidu Ouyang Feng feel a little at a loss.

Ouyang Feng was now afraid that this little girl would really He knew that Ouyang Ke was not his nephew but his son. If this little girl really told this secret, I am afraid that Ouyang Feng would be shameless in the world from now on.

Su Yan knew it when he looked at Xidu Ouyang Feng's expression The things his father told him are all true. It seems that he will tell him more about martial arts in the future.

Su Yan smiled maliciously at Xidu Ouyang Feng,

"Haha, Ouyang Feng, if you don't want me to reveal your secret, detoxify my soldiers now, otherwise you know what I will say."

Xidu Ouyang Feng looked at this cunning little girl and then at Huang Yaoshi who was protecting the girl next to him, and immediately gave up.

"Little girl, you....You win, but I hope you won't tell anyone about this in the future."

Su Yan looked at Xidu and rolled his eyes and said,

"Don't worry, as long as you detoxify my soldiers and promise me one more thing, no one in the world will know about it."

Xidu Ouyang Feng looked at this little girl angrily and said,

"Do you still dare to impose conditions on me?"

Just when Su Yan and Huang Yaoshi were negotiating terms with Xidu Ouyang Feng, suddenly another martial arts master appeared next to the army. After this female Taoist nun appeared, she was about to attack Su Yan, but she was killed by Master Mijie halfway. Stopped.

Huang Yaoshi protected Su Yan and looked at the Taoist nun who appeared. However, Huang Yaoshi did not expect that this Li Mochou would also appear here. Huang Yaoshi couldn't figure out why this ruthless Li Mochou wanted to do this. Arrest Su Yan?

Master Jue looked at Li Mochou who appeared and shouted at her,

"It turns out to be Li Mochou, the Scarlet Lian Fairy. Li Mochou, an innate cultivation realm, you dare to appear here. Why did you come to arrest Su Yatou?"

Li Mochou looked at Master Mijie and pointed at Su Yan and said with a smile,

"Haha, there is no reason, I have fallen in love with this little girl, and she will be my apprentice from now on."

Li Mochou also came to Xingzi Forest a long time ago. This time she did not expect that a weird little girl would appear. This little girl is not only smart, but also has the fourth level of cultivation at such a young age. It can be seen that her What a talent for cultivation.

Li Mochou also had the idea of accepting this little girl as his disciple.

Seeing another person coming to snatch his disciple, Master Jue said angrily,

"You should rest. You devil, you better not have any wishful thinking. I will not let you take Su Yatou away. Minjun, please protect Su Yatou."

"Yes, master."

Ding Minjun and her senior sisters immediately surrounded Su Yan. They also knew that this little girl was a treasure now and there could be no accidents.

Ding Minjun guessed that the identity of this girl would definitely not be simple, not to mention The master plans to accept her as his apprentice. Although Ding Minjun is dissatisfied with Zhou Zhiruo, she dare not be dissatisfied with this girl.

This girl can command the army to massacre the Jianghu people here at such a young age, which shows that this girl will also be a ruthless person in the future.

Su Yan is weird He looked at Chilian Fairy Li Mochou and said to her,

"Scarlet Lian Fairy Li Mochou, do you also want to accept me as your disciple? You wait for a while. I will finish negotiating the terms with Xidu Ouyang Feng, and your matter will wait for a while."

Li Mochou looked at the little girl Su Yan and said with a smile,

"Little girl, why should I listen to you? I can take you away now."

Su Yan looked at Li Mochou and said threateningly,

"Li Mochou, you won't let me tell anyone about Lu Zhanyuan."

Li Mochou looked at Su Yan in surprise and said,

"you.....You, little girl, know a lot. I have long forgotten about Lu Zhanyuan, that heartless man. You can't threaten me this time."

Su Yan smiled slyly and said,

"Really? I heard that you have always wanted to get the Jade Girl's Heart Sutra from the Ancient Tomb Sect, but you have never had the chance to get it. Li Mochou, what if I can help you get the Jade Girl's Heart Sutra?"

Li Mochou now wants to take this clever little girl as her apprentice more and more. Even her father Li Mochou wants to meet her now.

"Little girl, you know a lot. I really want to meet your father in the future. Forget it, I will give you a face this time."

Su Yan smiled and said to Li Mochou,

"Thanks, I will tell you some of the more secretive things about the Tomb Sect in the future."

"Haha, then I'll wait for you to tell me."

Li Mochou smiled and left after listening to Su Yan's words. This smart little girl will not give up. However, there are many masters here now. She will definitely not be able to compare with those masters. Li Mochou Chou could only wait for the opportunity to come back to this little girl in the future.

Huang Yaoshi and Mijie Shitai who were standing next to them looked at Su Yan and took care of the Western Poison Ouyang Feng and Chilian Fairy Li Mochou who appeared in a few words. This made They were all in disbelief.

Su Yan looked at Xidu Ouyang Feng next to him and asked,

"Xidu Ouyang Feng, do you want to agree to one of my conditions now?"

Ouyang Feng looked at this cunning little girl helplessly and said, "What are the conditions? You mention it."

Su Yan touched his chin, thought for a while and said,

"I know that you are a master, and you will definitely not go back on what you promised. As long as you promise to take action for me once, I will rot in my stomach about that matter, and I will also tell my father about it."

"I agreed"

"Now let's detoxify these soldiers of mine."

At this time,

Wan Yankang saw that Ouyang Feng not only failed to arrest the little girl, but now also helped those troops detoxify,

Wan Yankang and his guards shouted angrily,

"Ouyang Feng, why don't you catch this little girl? She must be an important figure in the Song Dynasty, otherwise she would not have such an elite army. But you promised Ouyang Ke to protect me this time"

"I'm protecting you well this time, but why should I obey your orders? From now on, I will no longer protect you, and my nephew will no longer do anything for you."

Chapter 56

Ouyang Feng looked at Wan Yankang and felt a little unkind. His majestic Xiantian Grandmaster did not want to protect this young prince of Jin Kingdom. If it were not for his son Ouyang Ke, Ouyang Feng would not care about this young prince of Jin Kingdom at all.

When Wanyankang saw that Ouyang Feng actually said he would not be his bodyguard, Wanyankang pointed at Ouyang Feng angrily and shouted,

"you....How dare you speak to me like this?"

Ouyang Feng saw that the young prince of the Jin Kingdom dared to point at him, so he smashed a big stone next to Wan Yankang with one palm and threatened,

"Bang!"

"Get lost or die."

Wanyankang saw Ouyang Feng smashing a boulder to pieces at a great distance. He was so frightened that he immediately ran away with his guards. Now Wanyankang was really afraid of this sinister-looking Ouyang. Feng killed himself.

At this time, Xiao Feng also beat Xuanci until he vomited blood and kept retreating. Now Xiao Feng beat him harder and harder. He wanted to kill this despicable and shameless abbot of Shaolin Temple to avenge his parents.

Xuanci retreated. When he came down, he took the opportunity to say to the heads of various sects and some high-level officials of the forces nearby,

"Dear heads and benefactors, please help me to take down this Xiao Feng and that little benefactor. If you help me to take down these two sinners today, I am willing to let those who help me go to the Shaolin Scripture Pavilion to watch for a day."

The other leaders nearby started talking after hearing Xuanci's words. They were all attracted by the martial arts secrets in the Sutra Pavilion of Shaolin Temple. After a while

, Yue Buqun of the Huashan Sect stood up and said,

"Abbot Xuanci and Xiao Feng killed their adoptive parents, and this little witch even killed countless fellow martial artists. This time Yue Buqun helped Abbot Xuanci take down these two scum."

Yue Buqun's wife Ning Zhongze and his disciples were very surprised to see Yue Buqun come forward. They did not expect that their master would help that shameless man indiscriminately just to see the martial arts secrets of Shaolin Temple. The abbot of Shaolin Temple, this made them confused when they looked at Yue Buqun.

Ning Zhong was a little angry and asked Yue Buqun,

"Brother, why are you doing this? You knew clearly that Xiao Feng was wronged and that the little girl had never done anything. Did you do something against your conscience just to see the martial arts secrets in Shaolin Temple?"

Yue Buqun's expression changed and he said expressionlessly,

"Junior sister, I have my own plans for this matter, so don't say any more."

Ning Zhongze looked at Yue Buqun and walked aside. She would not take action against Xiao Feng, nor would she catch the little girl. Now Ning Zhongze is extremely disappointed with Yue Buqun. At this time, Dali Duan Zhengchun also stood up. He still remembered that the little girl had fought about his affair just now. This time he wanted to catch the little girl.

"Duan Zhengchun of Dali is willing to help Abbot Xuanci win down these two scum."

"The Wudang Sect is also willing to help Abbot Xuanci."

Song Qingshu suddenly shouted.

He had seen Zhou Zhiruo and the others there were several beautiful beauties. He wanted to go there just now, but was stopped by his father. This time he wanted to show off his power so that those beauties could see him. Look,

Song Yuanqiao didn't think about it and his son suddenly stood up. It was too late for Song Yuanqiao to stop him. Now he just wanted to call Song Qingshu back.

The Wudang Sect has nothing to do with the Shaolin Temple, not to mention that these things are obviously framed to frame Xiao Feng. He will not let Song Qingshu ruin the reputation of the Wudang Sect.

"Qingshu, what are you doing? Come back soon."

Song Qingshu looked back at Zhou Zhiruo and the others and said loudly to Song Yuanqiao,

"Dad, didn't you see how Xiao Feng and that little girl's soldiers killed those martial arts comrades just now? This time I will take revenge on those martial arts comrades"

"You bastard."

Song Yuanqiao saw that Song Qingshu didn't listen to him and walked to the side of the martial arts people. This made Song Yuanqiao very angry, but it was impossible for him to pull Song Qingshu back now. Now Song Yuanqiao was a little helpless.

"We, the Jianghu people, are also willing to help Abbot Xuanci"

"I am also willing to help Abbot Xuanci" .....

In just a moment, dozens of martial arts masters stood up. They all wanted the martial arts secrets from the Sutra Pavilion of Shaolin Temple. They didn't care who was right or wrong.

Hong Qigong also stood up and said to Xiao Feng,

"Xiao Feng, you also know that you killed your master and your adoptive parents. This time our Beggar Gang will also capture yours. If you feel that you have been wronged, our Beggar Gang can help you find out about this matter."

Xiao Feng saw more and more martial arts masters coming forward, which made Xiao Feng see through these so-called decent people from famous families. These are some hypocritical people.

Xiao Feng looked at these so-called decent people from famous families and said angrily,

"Okay, okay, you are indeed a decent family. In the past, I, Xiao Feng, was blind and thought you were all chivalrous people. If you want to capture me and Su Yatou, just go ahead."

"This time I, Xiao Feng, will go on a killing spree. Although killing you shameless people will dirty my hands, it will make me feel happy. At least there will be less hypocrites like you in the world."

At this time, more than twenty people suddenly came to the apricot forest. These people came to the middle of the apricot forest and said,

"Haha, we also helped Abbot Xuanci. We all couldn't stand Xiao Feng's style, and there was that little girl. This time we wanted to catch that little girl."

When Xiao Feng discovered the people who suddenly arrived, he felt that these people were not simple, and Xiao Feng also felt that these people were very familiar with the people who assassinated him before.

Xiao Feng looked at these and asked cautiously,

"Who are you? Two grandmasters, and the rest are all masters with cultivation levels above the sixth level of the innate world. I, Xiao Feng, do not remember to offend you."

These leaders pointed at Xiao Feng and said indignantly,

"We are just some people in the world. Xiao Feng, you killed your master and your adoptive parents. We righteous people will not let you go this time."

Xiao Feng looked at these without saying anything. He knew that no matter how much he explained, these people would still deal with him. This time they would not give up until they killed him.

Xiao Feng turned around and faced Huang Yaoshi and Miejie Shi. He cupped his hands and said,

"Island Master Huang, Master Miejie, I hope you can protect this little girl Su Yan this time, I am the one who got her involved this time,"

Huang Yaoshi nodded to Xiao Feng and said,

"Xiao Feng, Su Yatou, just leave it to us. Nothing will happen to her as long as we are here."

Master Miejie looked at Su Yan and said with a smile,

"Xiao Feng, Su Yan is my future apprentice. Although I am not a master master, I have the Yitian Sword. Even an ordinary master can't do anything to me. I will protect Su Yan's girl."

At this time, there were already six grandmasters standing beside Xuanci, dozens of innate masters, and almost a thousand other acquired martial arts people. Xuanci looked at the five masters and masters beside him and said Somewhat proud.

And now Xiao Feng and Yao Master Dongxiehuan are the masters of Xiao Feng. Master Jue is only an innate ninth-level cultivation realm, but those two thousand black-armored troops are a little troublesome. Xuanci has not thought of how to deal with those black-armored troops now. army.

Xuanci thought for a while and said to Xiao Feng, "Xiao Feng, if you don't fight now, I can let that little benefactor go.

" She doesn't know when her secret will be revealed, and his parents Xuanci will assassinate him if they find out.

Huang Rong heard Xuan Ci's words and saw Xiao Feng was a little moved. Huang Rong hurriedly reminded,

"You stinky monk who pretends to be compassionate, you just want to deal with us one by one, we won't fall for your trick, Xiao Feng, Su Yan knows about Xuan Ci, he will definitely not let Su Yan go, you don't want to Be fooled."

Xiao Feng was a little lucky to hear Huang Rong's words. If he really managed to capture him, I'm afraid Xuan Ci, a despicable and shameless person, would definitely not let Su Yan go.

"Well, Miss Huang is right, Xuanci, if you want to take action, do it, we will not make it easy for you even if we die."

Xuanci did not expect that his plan would be discovered by Huang Yaoshi's daughter.

"Then don't blame us for being rude. King Zhennan, you are proficient in military formations. You will command the innate masters and the martial arts people here to deal with those black-armored troops, while the five of us deal with Xiao Feng and the others. Duan

Zhengchun said with some enthusiasm, "Okay, leave those black-armored troops to us.""

As Duan Zhengchun spoke, he called on those innate and acquired warriors to prepare to organize an attack on the black-armored troops.

Xuanci smiled and said to Hong Qigong, the leader of the Southern Beggar Clan,

"Hong Beggar Gang, I will leave this Medicine Master Dongxiehuang to you."

Hong Qigong looked at Xiao Feng and agreed.

"Well, the old beggar also wants to compete with old Dongxie."

Hong Qigong directly used Qinggong to come to Dongxie Huang Yaoshi.

Hong Qigong said to Huang Yaoshi with a kind face,

"Brother Huang, I hope you can quit this time."

Huang Yaoshi looked at the once upright Hong Qigong and said unkindly,

"Hey, Hong Qigong, we have nothing to do with each other from now on. People like you are not worthy of being my friend, Medicine Master Dongxiehuang."

Hong Qigong said to Huang Yaoshi with an ugly face,

"Brother Huang, Xiao Feng killed his foster parents, shouldn't the old beggar take him down?"

Huang Yaoshi has now seen through this Hong Qigong.

"Haha, Hong Qigong, do you think everyone here is stupid? Do you think we can't guess what you're going to do this time? You just want Xiao Feng to die, and then you can naturally merge the Northern and Southern Beggar Clan."

"Your idea is good, but you have forgotten the hearts of the people. Although the Northern Beggar Clan has lost its leader and several elders, their remaining elders will not agree to merge the Northern and Southern Beggar Clan, and the members of the Northern Beggar Clan will not let the Southern Beggar Clan Help to swallow it."

Hong Qigong looked at the people around him a little unnaturally and said,

"This has nothing to do with you. Whether it's the Southern Beggar Clan or the Northern Beggar Clan, it's our Beggar Clan's business."

"Let's do it."

Huang Yaoshi was too lazy to say anything to Hong Qigong and directly attacked Hong Qigong with his jade flute.

"The dragon swung its tail."

Boom. Hong Qigong and Dongxiehuang Yaoshi were fighting here. Xiao Feng looked at Xuanci and wanted to kill him himself. However, the remaining three masters were not something that Master Mijie could handle.

Su Yan is now protected by an army, but there are thousands of Jianghu people nearby who are also ready to make a move. It is impossible for these black-armored troops to help Master Dao Jue.

"Xiao Feng, you are the only Grandmaster left. We have four Grandmasters including me. Those black-armored armies will be held back by thousands of Jianghu people in a while. Do you think you still have a chance to win? ?"

Su Yan said loudly to Xuanci under the heavy protection of Xuanwu Legion,

"Old monk, if you dare to arrest me and deal with Uncle Xiao today, my father will not let you go. Xuanci smiled and said to Su Yan,

"Little benefactor, I will catch you soon. I'm afraid your father won't be able to do anything to us gangsters."

"Yeah! Old bald donkey, do you really think there's nothing I can do against you charlatans?"

At this time, Su Chen came in from a distance with Shi Fei Xuan and Huan Huan. As soon as he came over, he heard Xuan Ci's words, which made Su Chen's face immediately turn cold.

Su Yan was a little confused. Looking at Su Chen who had appeared, she did not expect that her father would also appear here. However, thinking that she secretly came to Xingzilin this time and caused so much trouble, she hurriedly asked with a guilty conscience,

"father? Why are you here?"

When Gu Changfeng saw Su Chen appeared, he immediately knelt down on one knee and said,

"Gu Changfeng, the commander of the Xuanwu Legion, comes to see you, Your Majesty."

"See your Majesty."

Two thousand soldiers of the Xuanwu Army immediately knelt on one knee and shouted.

Hanwen, Shi Feixuan, Lin Shiyin, Zhou Zhiruo, Zhao Min and others around Su Chen were a little dizzy when they saw these black-armored troops calling Su Chen. Huh.

They didn't expect that Su Chen was actually a monarch second only to the king, and a monarch who held the real power of the army. This was a bit unimaginable for Shi Fei Xuan and the others. After all, why was Su Chen so careless? He didn't even look like a high-ranking noble.

Li Xunhuan was very shocked when he looked at Su Chen from behind. Although he guessed that Su Chen's identity was not simple, he didn't expect that Su Chen would be a monarch with an army. Besides, Su Chen Still so young, I don't know how successful Su Chen will be in the future.

At this time, the people around Xingzilin sawAfter the young man came to Apricot Grove, they heard what the black-armored troops saluted him. The people here did not expect that this young man was actually a monarch, and he was also a monarch who held the real power of the army. Lord.

These people in the world know that old monk Xuanci has caused trouble this time. Abbot Xuanci has provoked a monarch in the Song Dynasty who has an army. I am afraid that the Shaolin Temple in the Song Dynasty will be destroyed this time.

Xuanci said to Su Chen with some trembling,

"you.....Are you the father of this little benefactor? Are you still a monarch?"

Chapter 58

When Xuanci saw what these black-armored troops called Su Chen, he knew that he was in big trouble this time. If he couldn't handle the matter well this time, not only would he be ruined, but the Shaolin Temple of the Song Dynasty would also be destroyed by him. in hand.

Su Chen waved his hand to the Xuanwu Legion and told them to get up, then said in a very Xuanqing manner,

"Xuanci, although I know that your monk is very shameless, I didn't expect you to be even more shameless. You are indeed the old monk who deceived a little girl. Xuanci said to Su Chen unnaturally after calling him a Buddhist name,

"I don't know what your Majesty is talking about."

Su Chen looked at Xuan Ci and laughed. Su Chen had seen through this and was still shameless. This time when he went back, Su Chen was going to start destroying Buddhas within his Gusu city. He would not let anyone in his territory If any temple appears again.

Su Chen smiled for a while and shouted to Helian Tieshu from the Xixia Yipin Hall next to him,

"Helian Tieshu, call out the four evil men under your command."

Helian Tieshu immediately saluted Su Chen and replied,

"Yes, Your Majesty, Duan Yanqing, you four evil men, come out."

Helian Tieshu knew Su Chen's identity, and he had met Su Chen as a child with Wang Taifei. Helian Tieshu now felt that Su Chen might take over the Xixia Kingdom.

Because Wang Taifei handed over all the tokens to control the Xixia army. Gave it to Su Chen. You must know that the Xixia army only recognizes the princess and the token. Helian Tieshu will not offend Su Chen. He will work in Su Chen's hands in the future. It is too late for him to curry favor with Su Chen.

Shi Feixuan and Huan Huan They were completely speechless when they looked at Su Chen. Who is this bastard Su Chen now? Why did a Xixia general obey his orders? Moreover, seeing how the Xixia general wanted to curry favor with Su Chen, they made Concubine Xuan and the others endure it. She couldn't help but look at Su Chen, who was now a little indifferent.

Su Yan smiled indifferently when she saw that Su Chen ignored her. She was not worried that Su Chen would punish her. Now Su Yan looked at the few people around Su Chen. The beauties were a little hostile.

Su Yan pointed to the beauties around Su Chen and said to Huang Rong,

"Sister Huang, have you seen that my father is a bad person? I didn't expect that in less than a day, my father would hook up with several women, and each of these women was more beautiful than the last. Huang

Rong knocked Su Yan's head speechlessly and said,

"What does this have to do with me? I don't mind how many women your father has. He has nothing to do with me anyway. Su Yan, why does that Xixia general obey your father's orders?"

Huang Rong is also very uneasy now. She didn't expect that bastard Su Chen is so popular. Those women are more beautiful than each other, and their martial arts are probably good.

Huang Rong saw two women giving her She felt very threatened, so she felt like her father, Huang Yaoshi, sometimes made her feel.

Su Yan shook her head and said,

"I don't know, my dad didn't tell me this."

At this time, the four evil men came out from behind Helian Tieshu. They were very curious to see General Helian's respectful attitude towards Su Chen. Now they didn't know what the king of the Song Dynasty wanted to do with them.

After Duan Yanqing and the others came out, they saluted Su Chen and said,

"Duan Yanqing (Ye Erniang, South China Sea Crocodile God, Yun Zhonghe), one of the four evil villains, has met your Lord."

Su Chen looked at the four evil men and said to Ye Erniang, "Ye Erniang, you should know why I asked you to come out, right?"

"I don't know, I don't know anything."

When Ye Erniang heard Su Chen ask her, she panicked and immediately denied it.

Just now, the king asked the four evil men to come out. Ye Erniang knew that the matter between herself and Xuanci had been known to the king. Yes.

Su Chen looked at Ye Erniang and drank to her,

"Ye Erniang, how did Xuanci old bald donkey trick you into losing your virginity to him, turning a young girl into a wicked Ye Erniang, and now you still want to defend this shameless person?"

"What? Is Ye Erniang the woman of the abbot of Shaolin Temple? Abbot Xuanci is really a beast."

"How can this be? Ye Erniang of the Four Evil Men is actually Xuanci's woman? Xuanci is several dozen years older than Ye Erniang. Xuanci is really shameless."

"You can't go wrong by seeing Ye Erniang's guilty look."

"Unexpectedly, this old bald donkey actually deceived a young girl, and now turned the former young girl into Ye Erniang, one of the four evil villains."

"This Abbot Xuanci is really a scum with a human face and a beast heart." .....

The people around him looked at Xuan Ci and insulted him one after another. They knew from Ye Erniang's expression that what the Lord said was right. This made some of the righteous people around him despise Xuanci.

"Xuanci, don't you have anything to say? Xuanci looked at Ye Erniang and said expressionlessly,

"I don't know Ye Erniang from the four evil men. Your Majesty, you don't need to throw dirty water on me here."

Su Chen had known that Xuanci would not admit it so easily.

"Haha, he is indeed a shameless old bald donkey. Ye Erniang, do you want to find your and Xuanci's son?"

After hearing this, Erniang Ye hurriedly knelt down in front of Su Chen and said excitedly,

"Jun.....Your Majesty, do you know where my son is? Please tell me, sir"

"Of course, your son is living well now. You should still remember the warnings behind him, right?"

"Remember, remember,"

"Then tell me about what happened between you and Xuanci"

""Unbridled"

Just when Ye Erniang was hesitating to say it, Xuanci suddenly made a move towards Ye Erniang, but he was stopped by Huanwen as soon as he made the move. Huanwen and Shifei Xuan had been

guarding against Xuanci. After all, Su Chen Ke had already told them what happened between Xuanci and Ye Erniang.

Huanwan knocked Xuanci away with a palm and said to her,

"Old bald donkey, do you want to kill people and silence them now? You can't kill this Ye Erniang as long as I'm here."

Xuanci looked at Hanhan in disbelief and asked,

"Who are you? Why is he the cultivation level of an innate master at such a young age?"

Xuanci did not expect that a girl with less than twenty followers would be a master, which surprised Xuanci.

Huan looked at Xuanci and said angrily,

"You don't need to know who I am. You didn't expect that you, an old bald donkey, is really a ruthless person. You are willing to kill your own woman. Do you want to kill someone and silence me now? Huanwan turned around and said to Shi Feixuan, "Shi Feixuan, you can handle this yourself. I'm afraid of getting my hands dirty if I kill him.""

Su Chen looked at Huan Huan's appearance and knew that Huan Huan should be evenly matched with Xuan Ci. Huan Huan might not be able to kill Xuan Ci.

Su Chen murmured quietly next to Shi Feixuan,

"Afraid of getting your hands dirty? There's no way she can kill this old bald ass"

"Su Chen, do you want to die?"

Chapter 59

Huanhan was very angry now. She didn't expect that this bastard Su Chen would try to undermine her at this time, which made Huanhan unable to bite this bastard to death.

Su Chen didn't expect that the little demon girl Huan Huan would still hear what she said so quietly. Su Chen took a breath and said hurriedly when Huan Huan pinched her waist,

"Fake, Huanhua, are you going to strangle me to death?"

Huanwan pinched Su Chen's waist for a while and then let go of him and asked doubtfully,

"Fake? What's the meaning?"

Su Chen touched his forehead and said speechlessly,

"Well, it doesn't mean anything. Now stand aside, Feixuan, and you can clean up the house of Xuanci."

Shi Feixuan is now waiting for Su Chen's words. This Xuanci is so shameless and shameless. Shi Feixuan has long resisted the urge to kill him. Now her inner strength and mental skills have also broken through. This This is the first time that this shameless monk can try his newfound knowledge of the sword's heart.

"This shameless monk left it to me."

Su Chen touched Shi Feixuan's face and said with concern, "Well, I'll be relieved if you take action, but you have to be more careful."

Shi Feixuan blushed and nodded, then took Se Kongjian and walked towards Xuanci. Seeing that this bastard Su Chen actually touched Shi Feixuan's face again, Huan Huan was so angry that she wanted to step on Su Chen hard. With a kick, Su Chen immediately ducked over and hugged Huan Huan, looking at her.

"Don't make trouble, I have other things to do now."

Huanwan glared at Su Chen and didn't step on him again. Huanwan leaned in Su Chen's arms and looked at Shi Feixuan who was leaving. Although Su Chen touched Shi Feixuan's face, Su Chen was holding her now. Huanwan still felt that she had defeated Shi Feixuan this time.

When Shi Feixuan came in front of Xuanci, she directly reported her master's name.

"During the Sui Dynasty, Concubine Xuan, Cihang Jingzhai, helped clean up the Buddhist sect this time."

Xuanci asked in shock as he looked at his concubine Xuanjiu,

"What? Are you Shi Feixuan, the contemporary successor of Cihang Jingzhai? We both belong to Buddhism. Why do you want to help that gentleman?"

Xuanci knows about Cihang Jingzhai's situation. Now that the contemporary successor of Cihang Jingzhai is here, he wants to kill himself. Xuanci has no ability to stop the master's concubine Xuan. After all, Cihang Jingzhai is a heaven-level martial arts scholar. The Flying Sword Code was not something that a master like him could handle.

Master Fei Xuan now had a cold face, drew the Sky Sword, pointed at Xuanci and said,

"You are not worthy to be a disciple of Buddhism. This time I will personally kill you, a hypocritical person with hypocritical benevolence and righteousness, so that I can clean up the door for Buddhism."

Shi Feixuan said and attacked Xuanci. Xuanci also quickly used Qinggong to dodge. However, Shi Feixuan used Qing Gong to turn around in the air and stab Xuanci in the arm with a sword. Xuanci did not expect that Shi Feixuan would be injured with just one move.

Su Chen watched Shi Feixuan and Xuanci fight. He stopped looking at it. This Xuanci was the abbot of the Shaolin Temple with mediocre martial arts. It shouldn't be difficult to kill Xuanci with his master's concubine Xuan Xuan and her clear mind.

Xiao Feng looked at the woman next to Su Chen who wanted to kill Xuanci. He He also wanted to kill the murderer who killed his parents, but when he heard that this woman turned out to be the contemporary descendant of Cihang Jingzhai, Xiao Feng also knew that this descendant of Cihang Jingzhai might not leave Xuan Ci this time. Kill yourself.

Su Chen looked at Ye Erniang's heartbroken look and shook his head. Now there is no need for Ye Erniang to say anything. Everyone here understands it.

"Ye Erniang, please retreat first. After what happens here, I will tell you the whereabouts of your son."

"Thank you, Your Majesty. Thank you, Your Majesty."

After Ye Erniang thanked Su Chen, she returned to the four evil men.

Seeing Ye Erniang go back, Su Chen looked at the two men in black among the remaining three masters and said,

"You must be Murong Bo's people, right? I didn't expect that old guy Murong Bo would recruit so many martial arts masters after he faked his death. The reason you killed Xiao Feng was to control the beggar gang."

One of these masters asked Su Chen in horror, "You.....How come you know everything?"

"I know a lot more."

Su Chen looked around and shouted loudly,

"Murong Bo, how long will you continue to hide?"

Su Chen saw that Murong Bo didn't appear even after he called out, so he ordered to Helian Tieshu,

"Helian Tieshu, bring Li Yanzong over"

""Yes, Your Majesty."

After a while, two people from Xixia Yipin Hall came to Su Chen's side. Su Chen looked at the unconscious Li Yanzong and took his knife from the hand of a person from Xixia Yipin Hall next to him. Pointing at Li Yanzong's neck

"Murong Bo, you must also know who this Li Yanzong is, right? If you don't want your Murong family to have no descendants from now on, come out quickly, otherwise Murong Fu will have his head chopped off by me."

At this time, a man in gray clothes quickly came to a place not far from Su Chen using Qinggong from a big tree.

"Wu Xiangjun, how do you know I'm not dead?"

Su Chen breathed a sigh of relief when he saw Murong Bo appear. If this old bastard had been hiding in the dark and never came out, Su Chen would probably continue to be assassinated in the future. Now that Murong Bo appears, it is impossible to let him go. he left alive

"Murong Bo, do you think you can deceive me with your tricks? When you deceived Xuanci and others to rob and kill Xiao Feng's parents, you did not cause a war between the Song Dynasty and the Liao Kingdom."

"You were afraid that things would be exposed, so you faked your death. You must have done a lot of killing and smuggling in recent years, right? And the several assassinations I suffered were also done by you, right?"

Murong Bo looked at Su Chen and nodded and said with a smile,

"Haha, I didn't expect that you knew what happened thirty years ago. Yes, what you just said is correct. Thirty years ago, I was the one who gave the false news to Xuanci and those people. I just didn't expect that killing a nobleman from Liao Kingdom didn't happen. cause war"

"Later I found out that the Song Dynasty spent money to settle the situation. At that time, I was worried that Xuanci and the others would fake their own deaths if they found out that I was deliberately passing on false news. I also arranged for you to be assassinated several times. But so what, I am a great master. Do you think you can leave here alive?"

Su Chen is also a little nervous now. Why hasn't Li Qiu Shui come yet? Could it be that she has been held back by something? Fortunately, Su Chen was prepared, otherwise she would definitely be killed by Li Qiu Shui this time.

Su Chen saw Murong Bo looked arrogant and smiled and said,

"Haha, Murong Bo, is the Grand Master amazing?"

Murong Bo pointed at the people around Su Chen and said,

"Grandmaster is nothing special, but it shouldn't be difficult to kill you guys."

Su Chen said with a mysterious smile,

"That's not necessarily the case. Since I dare to come out of Gusu City, that means I have the means to deal with you."

"Oh, I didn't remember that your wife came this time too"

"My wife is not here this time, but the person who wants to kill you is already here."

## Chapter 60

Murong Bo knew that Su Chen's wife was a great master. Murong Bo wanted to kill Wu Xiangjun himself before, but when he was about to sneak into Wu Xiangjun's house, Murong Bo was stopped by a woman.

He did not expect that there would be a Grand Master in Wu Xiangjun's house. Although that woman was in the early stage of a Grand Master, that woman's sword made Murong Bo frightened. That sword that emitted pink sword energy, Murong Bo did not want to encounter again..

Although Murong Bo did not succeed in the assassination that time, he also learned who the woman was. Murong Bo also did not expect that Wu Xiangjun, who did not know martial arts, had a wife of a great master. This made Murong Bo admire Wu Xiangjun a little. Su Chen.

This time when Su Chen appeared here, he asked someone to check whether Mrs. Su Chen was here. After learning that Su Chen's wife was still in Gusu City, Murong Bo felt relieved. At least this time he wanted to kill Su Chen. , Su Chen's wife will not appear to save him.

Murong Bo looked at Su Chen and asked with some interest,

"Oh, Mr. Wu Xiang, do you have any backup plans this time? It's not that there aren't people who want to kill me, it's just that the people who wanted to kill me were killed by me before they could kill me. It seems like you didn't bring a master with you this time, right?"

Su Chen looked at this old bastard Murong Bo and said with a smile,

"Old bastard, I didn't bring any experts here this time, but the person who wants to kill you this time is not mine, but his desire to kill you is stronger than anyone else."

Su Chen just hopes that Xiao Feng's father is here, otherwise he will have to run away this time. That bitch Li Qiushui is unreliable. Now that Murong Bo has appeared, that bitch doesn't know where to go to meet her friend. It hasn't appeared until now.

This time, he was seriously injured by Li Qiu Shui. Su Chen didn't know whether Li Xun Huan would help him this time. After all, the first person Li Xun Huan had to protect now was his cousin Lin Shiyin.

Su Chen's side Hanhan and Zhou Zhiruo saw another grand master appear, which made Huan and the others speechless when they looked at Su Chen. The person Su Chen knew was either a grand master or a grand master.

And this grand master was obviously an enemy. This was Huanwen and the others are now a little worried about Su Chen. After all, this is a great master, and they cannot deal with it.

Moreover, this great master just mentioned Su Chen's wife. Could it be that Su Chen, this bastard's wife, is also a powerful martial artist? ?

Lin Shiyin didn't worry at all when she looked at this Grand Master named Murong Bo. She knew that her cousin was also a Grand Master, but this Grand Master could not threaten her. If this Grand Master dared to attack her, I'm afraid her cousin Li Xun Huan would directly kill him. A flying knife.

Lin Shiyin felt a little strange when she saw that Su Chen was not worried at all. She was not afraid because she knew that her cousin Li Xunhuan would save her. So why was Su Chen not afraid? Could it be that Su Chen's Aunt Li was also Are you protecting him here?

Murong Bo watched Su Chen moving the knife around Murong Fu's neck, and he was worried that Su Chen, a martial arts master who didn't know martial arts, would accidentally cut Murong Fu's throat.

"Mr. Wu Xiang, should you let my son go now? If your hand shakes, I'm afraid my son will die."

Su Chen smiled and made gestures on Murong Bo's neck and said,

"That's not okay, this is a hostage. Do you understand the hostage? I don't know martial arts. If I let Murong Fu go and you suddenly attack me, wouldn't I die in your hands?"

"How are you going to let my son go?"

"Well, actually I want to let go of your good-for-nothing son, but you have also seen that there are many people who have to deal with my daughter this time. I want you to help me deal with some of them."

"Haha, Mr. Wu Xiang, do you think I will help you?"

Ah ah ah.

Su Chen looked at Murong Bo and cut off one of Murong Fu's arms with a knife. Murong Fu also woke up from the pain.

"Mr. Wu Xiang, you are seeking death."

Seeing Murong Bo angrily wanting to kill him, Su Chen put a knife on Murong Fu's neck and threatened,

"Don't move, I will slit Murong Fu's throat. Murong Bo, your son's loss of an arm will not affect the inheritance of the family line. Don't be nervous. What is your choice now?"

Huanwen and the others were also on guard nervously. They did not expect that Su Chen would cut off one of Murong Fu's arms directly, which made them all look at Su Chen strangely.

When Murong Fu woke up, he heard the grabbing. The conversation between my own person and the gray-robed masked man opposite was a bit confusing.

"Mr. Wu Xiang? Murong Bo?"

Su Chen patted Murong Fu's face and said with a smile,

"Murong Fu, you still don't know who the masked man is across from you, right? Murong Bo, you'd better take off your mask and let your son take a good look at you, otherwise I'm afraid he will die with his eyes open."

Murong Fu asked doubtfully as he held his bleeding broken arm in pain.

"father? Isn't my father dead?"

Murong Bo took off his scarf and said to Murong Fu with concern,

"Fu'er, I'm not dead, don't worry, I will rescue you in a moment. Mr. Wu Xiang, please tell me your conditions."

Murong Fu was confused when he looked at Murong Bo. He didn't expect that his father was still alive, but how could he fall into the hands of Lord Wu Xiang now? This bastard Lord Wu Xiang even chopped off one of his arms.

Su Chen looked at the remaining master and said to Murong Bo,

"My conditions are very simple. Do you see that grandmaster over there? If you kill Murong Fu, I will let him go."

"You have to keep your word, otherwise I will make your death ugly."

Murong Bo looked at the uneasy grandmaster standing next to him and didn't care at all. As long as Wu Xiangjun, a bastard, doesn't let him kill his men, it's fine.

Murong Bo ordered the two grandmasters under him, "Go. kill that old man"

"Yes, Lord."

The remaining old master now regretted standing up. He did not expect that things would turn out like this. I am afraid he would not be able to leave alive this time.

He looked at the two masters who had attacked him. He hurriedly ran away, otherwise he would really die here. Now he just hoped that the great master named Murong Bo would not take action against him.

""Blended Finger"

Whoosh!

As soon as the old master tried to escape with Qinggong, Murong Bo used his blended finger to knock him out of the air. At this time, two of Murong Bo's men also rushed to attack. This old master.

Huang Rong saw that bastard Su Chen asking Murong Bo to kill the irrelevant old master, and she admired Su Chen's approach. If Su Chen asked Murong Bo to kill his own men, it might be counterproductive,

Huang Rong took a picture He patted Su Yan on the head and said,

"Su Yan, your father is a cunning fox just like you."

"What fox? My dad and I are just smart."
