Chapter 511

Su Chen was lying on the side listening to Mu Guiying and A'Zhu. Today was a little funny. Su Chen knew that when Mu Guiying heard that A'Zhu and Ruan Xingzhu were mother and daughter, she would know that he had nothing to do with them. It was just when Su Chen heard that After Mu Guiying didn't tell A'Zhu about her keeping the pretty boy, she couldn't help but tell her.

Su Chen regretted saying it. He knew that Mu Guiying would definitely cause trouble for him after hearing what he said. But now that he had said it, Su Chen hurriedly sat up and became defensive about Mu Guiying. He didn't want to be Mu Guiying bit him again.

Mu Guiying's chest was heaving with anger now. She looked at Su Chen and wanted to strangle this bastard to death, but there were too many people here, which made her embarrassed to do it.

Mu Guiying stared at Su Chen and said angrily to him,

"You bastard, wait, I won't let you go, you bastard, stay in bed and don't get up again."

"Let me guess, Mu Guiying, you don't hate it so much, do you?"

Su Chen shuddered after hearing Mu Guiying's words. He knew that Mu Guiying was completely angry now. Su Chen did not expect that Mu Guiying would beat him to death and make him lie in bed for half a year.

A'Zhu and Ruan Xingzhu were confused now. When they heard Su Chen's words, they looked at Mu Guiying. They didn't know whether what Su Chen said was true or not, but when they saw Mu Guiying's furious look, they guessed that it must be true..

A'Zhu held her mouth and thought this was very incredible. Mu Guiying was a third-rank general in the Song Dynasty.

How could she keep a pretty boy? She was even divorced by her husband's family?

This made A'Zhu look at the angry Mu Guiying. She felt that all this had subverted her traditional concepts.

When Mu Guiying saw the expressions of A'Zhu and her daughter, she looked at Su Chen angrily and gritted her teeth and said,

"It's okay if I don't be cruel to you bastard. You bastard will definitely die from now on."

"You are good, you are great, why wouldn't I hide if I was afraid of you?" Su Chen decided to leave Chang'an City after this martial arts competition. He couldn't afford to offend Mu Guiying, so couldn't he afford to hide away?

"Bastard, if you dare to run away, I will....." Mu Guiying felt embarrassed as she said this. She had nothing to do with this bastard.

She didn't even ask about this bastard's hidden identity now. If Su Chen escaped in the future, she really wouldn't be able to find this bastard.

Mu Guiying was at a loss when she looked at Su Chen. She didn't know what she would do if Su Chen left her in the future.

This bastard has integrated into her life these days. Mu Guiying and Su Chen are noisy every day and don't think it's a big deal.

But she thought that if this bastard left in the future, Mu Guiying still didn't want him to leave.

"say what? Why don't you continue talking?"

Su Chen looked at Mu Guiying in a funny way. It would be strange if Mu Guiying could find him after he left.

Mu Guiying may also think that she has nothing to do with him. Even after he leaves Mu Guiying in the future, she may not be able to find him. Regarding herself, Mu Guiying should have thought of this now.

Mu Guiying asked Su Chen in a depressed mood, "Su Batian, are you leaving after the martial arts conference?"

"Of course, otherwise would I stay and be bitten by you?" Su Chen didn't notice Mu Guiying's current depressed mood. He lay down again, closed his eyes, touched his lips, and answered casually.

"you.....Not leaving....May I?" Mu Guiying looked at Su Chen and stammered in a low voice.

Mu Guiying didn't want Su Chen to leave. She felt that she had fallen in love with this bastard. If there was no such bastard by her side in the future, Mu Guiying felt She might go crazy.

But how can she make this bastard stay?

Mu Guiying can't think of a way for the time being. She knows that it's impossible to use force. This bastard's men are too powerful.

Mu Guiying is not sure that she can use force. The bastard Su Chen was left alone.

Su Chen shuddered when he heard Mu Guiying's words. He sat up again and looked at Mu Guiying who was now squirming. He felt that he was dazzled.

【Something's wrong?】

【Why does this silly girl have this expression?】

【Could it be that this silly girl knew she couldn't keep him and relied on a honey trap to keep him?】

【But Mu Guiying, this silly girl, is still really beautiful when she is gentle.】

【hiss!】

【I am also crazy!】

【Mu Guiying is a tiger girl, she must have a conspiracy to do this, and she cannot be deceived by her beauty trap. 】

Su Chen looked at Mu Guiying who was lowering her head and touched her forehead and said, "Mu Guiying, you don't have a fever, do you?"

"Get away"

"call! That's right, this is the Mu Guiying I know. I was shocked just now"

"Shut up you shameless bastard, don't talk now, I don't want to hear your voice now"

"I gather, I....." When Su Chen was about to confront Mu Guiying, he suddenly noticed that Mu Guiying was in tears with his head lowered.

This made Su Chen confused. Why did Mu Guiying cry after he just said a few words?

Su Chen didn't know what to do now. He didn't know why Mu Guiying shed tears. He had never seen Mu Guiying shed tears no matter how much he said before. Could it be that Mu Guiying was pretending this time? ?

"General Mu, are you okay?"

A'Zhu also noticed Mu Guiying who was crying. After looking at Wu Xiangjun, he felt that Mu Guiying fell in love with Wu Xiangjun, but Wu Xiangjun didn't seem to know it yet. A'Zhu took out her handkerchief and handed it to her. Mu Guiying.

Ruan Xingzhu now looked at Mu Guiying with interest, and then at the man with the mask. She felt that these two people were much more interesting now.

But when she found that A'Zhu was secretly watching this Ruan Xingzhu was not happy after seeing a man wearing a mask.

She would not let A'Zhu have anything to do with this shameless bastard. This bastard had now made General Mu Guiying cry. Ruan Xingzhu didn't want her daughter to be affected by this. The shameless guy said he was crying

"I'm fine, thank you!"

A'Zhu looked at Mu Guiying and wanted to help her. If Mu Guiying becomes Wu Xiangjun's woman in the future, she may still need Mu Guiying's help, otherwise she may never be able to return to Wu Xiangjun's house.

Ah Zhu Zhu glanced at Su Chen secretly and said to Mu Guiying, "General Mu, I think the man next to you hasn't realized that you like him yet. Maybe it's because you quarrel often and he hasn't understood your feelings yet."

"General Mu will find time to talk to him later. With such a beautiful woman like General Mu, I believe he will like you very much."

"real?"

Mu Guiying was a little moved when she heard A'Zhu's message. Mu Guiying thought that since meeting this bastard, they had never had a good conversation. They were either quarreling or fighting each other.

Mu Guiying decided after thinking of this After the martial arts competition, she told Su Chen that she didn't care how many women this bastard had now. Besides, Xue Nu and Shi Qingxuan were more beautiful than her, and even much stronger than her. The two of them could accept each other's existence. , Mu Guiying has no reason to care about the existence of Xue Nu and Shi Qingxuan.

A'Zhu sees that Mu Guiying is a top beauty in both figure and appearance. A'Zhu also believes that if Wu Xiangjun knows that Mu Guiying likes him, Wu Xiangjun will Mu Guiying will definitely not be rejected.

"Um! Doesn't General Mu Guiying believe in your own figure and appearance?"

"It seems so? This bastard has always been very fond of beautiful women." Mu Guiying had an idea when she thought of Su Chen's appearance. This bastard will not escape from his grasp.

Chapter 512

Su Chen saw what A'Zhu and Mu Guiying said and Mu Guiying recovered. This made Su Chen very curious, but he looked at Mu Guiying and didn't know how to ask. Mu Guiying today It made him a little confused.

Su Chen saw that A'Zhu and Mu Guiying were still talking in secret words and stopped paying attention to them. He looked at Ruan Xingzhu, who looked like a little rabbit next to him, and thought that A'Zhu knew her now.

But what about the somewhat vicious Ah Zi?

Didn't Ruan Xingzhu find her other daughter Azi?

Su Chen looked at Ruan Xingzhu and wanted to tease this submissive woman.

"Pour me a cup of tea"

"I....Can I get you some tea?"

Ruan Xingzhu was a little confused. She didn't expect this shameless guy to ask her to pour him tea.

Ruan Xingzhu thought that she was not her maid, so why did this bastard ask her to pour him tea?

"Not you or who? Get me some tea quickly." Su Chen used his master's aura and said to Ruan Xingzhu in a deep voice,

"good! good!"

Ruan Xingzhu suddenly felt difficulty breathing. She looked at Su Chen in horror and was very scared.

Ruan Xingzhu only had the third level of innate cultivation. She felt the pressure of Su Chen's momentum and trembled all over.

Ruan Xingzhu looked at Su Chen. Chen was scared and hurriedly poured him a cup of tea. She was a little afraid of this bastard now.

This bastard acted like a demon just now. If she hadn't poured tea for him just now, he might have eaten her.

Su Su Chen picked up the tea and was about to drink it, but he forgot that he was wearing a mask. Now Su Chen was a little embarrassed. When he brought the tea to his mouth, he couldn't drink it.

【What the hell!】

【This is embarrassing】

【It's all because of that silly girl Mu Guiying who bit his lip. 】

Su Chen hurriedly put down the teacup and shouted to Ruan Xingzhu in embarrassment, "How did you pour the tea? How can I drink the tea when it's so hot?"

Ruan Xingzhu originally wanted to watch a show when she saw Su Chen drinking tea with a mask on, but she didn't expect this. Bastards can be so shameless.

This bastard obviously couldn't drink tea, and now he was here to accuse her unjustly.

This made Ruan Xingzhu couldn't help but want to beat this bastard, but when she thought of the bastard's momentum just now, she lowered her head like an ostrich.

A'Zhu also discovered that Wu Xiangjun asked her mother to pour him tea, but she didn't care about it. A'Zhu believed that Wu Xiangjun would not harm her mother.

Even if her mother and Wu Xiangjun could talk to each other, it would only be good for her mother and not bad in the future.

Mu Guiying just glanced at Su Chen and ignored the bastard. She also didn't believe that Su Chen wouldn't attack a beautiful woman with such a big daughter.

Mu Guiying now hopes that A'Zhu can teach her how to keep a man's heart.

Su Chen felt amused when he saw Ruan Xingzhu's appearance. Among Duan Zhengchun's mistresses, Ruan Xingzhu seemed to be a novice. Ruan Xingzhu was already so old and even had two daughters, but why did she still act like a little girl?

"May I have your name?"

"Ruan...."Ruan Xingzhu"

Ruan Xingzhu lowered his head and replied to Su Chen anxiously. She was very afraid of this bastard devil now. Ruan Xingzhu now hoped that A'Zhu would come over and save her.

"Ruan Xingzhu, come here and give me a pat on the back."

"hammer.....Backbeat?"

Ruan Xingzhu is completely confused now.

Does this big devil really regard her as a maid?

Ruan Xingzhu raised his head and looked at A'Zhu. Ruan Xingzhu thought why A'Zhu didn't come to save her. She was about to be bullied to death by this big devil. Got it

"Um?"

"I'll beat you, I'll beat you on the back."

When Ruan Xingzhu saw that Su Chen was about to get angry again, she hurriedly walked behind Su Chen and massaged his back.

Ruan Xingzhu was massaging and patting Su Chen's back while cursing the bastard in her heart.

A'Zhu next to her couldn't sit down now. Come on, Mu Guiying originally pestered her to tell her how to keep a man, or even please him.

How could A'Zhu know? She is still a young girl, but A'Zhu doesn't understand these things..

When A'Zhu casually told Mu Guiying about the treatment of Wu Xiang Jun by the ladies in Wu Xiang Jun's house, she discovered that her mother was actually massaging Wu Xiang Jun's back.

A'Zhu's mouth twitched. Liao Tong hurriedly stood up and came behind Wu Xiangjun to replace her mother.

Su Chen was enjoying the massage given to her by Ruan Xingzhu. He found that A'Zhu did not open his eyes after arriving and said,

"A'Zhu, you go and continue talking with Mu Guiying, and your mother will massage your back here."

A'Zhu was very hesitant after hearing Su Chen's words. She didn't know whether to leave now.

A'Zhu felt very uncomfortable when she saw her mother's expression asking for help, but she did not dare to disobey Wu Xiangjun's order.

"Master, how about I massage your back? My mother is clumsy and she doesn't know how to do this."

"A'Zhu, didn't you hear what I said?"

"Arjuna, I understand."

A'Zhu bit her lip and nodded to her mother. She can't save her mother now.

A'Zhu just hopes that Wu Xiangjun will just let her mother massage his back, otherwise A'Zhu really doesn't know what to do. It's done.

Seeing A'Zhu's expression, Ruan Xingzhu knew that they couldn't offend this person, so she had no choice but to give this big devil a massage and a back slap.

Mu Guiying couldn't stand it anymore, even though this bastard didn't do anything too much. But this bastard made her feel very embarrassed by doing this.

Mu Guiying stood up angrily and drank to Su Chen,

"Su Batian, do you want to die? Do you, a bastard, just want to bully a decent woman in public?"

Su Chen was very worried when he saw Mu Guiying reverting to the look of a tiger girl. This Mu Guiying is really a changeable woman. There is nothing wrong with women being fickle, but what she is looking for is Ruan Xingzhu, not Mu Guiying. , Mu Guiying was too ignorant.

Su Chen said to Mu Guiying angrily,

"Mu Guiying, did your eye see me bullying women from good families? Mu

Guiying looked at Su Chen's dissatisfaction and said angrily, "You bastard, are you still saying that?" Didn't you force A'Zhu's mother to massage her back and give you, this bastard? You bastard is a pervert"

【I'll do it!】

【What I want is to let Ruan Xingzhu massage his back. Why is this so perverted?】

【This Mu Guiying is not someone like him, why is she meddling in such nosy matters?】

【This silly girl is really nosy. 】

Su Chen saw A'Zhu standing aside uneasily, and Mu Guiying staring at him with an angry face. Su Chen looked at them and smiled and said,

"This is an exchange of equal value. She massages my back and I tell her where the other daughter is."

"Big Demon King, do you know where my other daughter is?"

"Young Master, do you know the whereabouts of my sister?"

Ruan Xingzhu and A'Zhu asked excitedly after hearing Su Chen's words. They have been looking for another daughter (sister) for a long time, but they have never found another daughter (sister), not even any news.

This time When they heard that Su Chen knew the whereabouts of their other daughter (sister), Ruan Xingzhu and A'Zhu were very much looking forward to Su Chen telling them the whereabouts of their daughter (sister).

Chapter 513

Su Chen knew that if he told the news about Ruan Xingzhu's other daughter Azi, Ruan Xingzhu and A'zhu would definitely be excited, and they would willingly massage his back.

After Ruan Xingzhu and A'Zhu excitedly asked about A'Zi's news, Su Chen's face darkened. Did Su Chen not expect that Ruan Xingzhu would call him the Big Demon King?

Su Chen looked at the excited Ruan Xingzhu and thought:

【What the hell?】

【Why does this little rabbit Ruan Xingzhu call him the big devil?】

【Did he scare this little rabbit just now?】

【Ruan Xingzhu wouldn't be so timid, right? 】

Su Chen touched his chin and felt that this Ruan Xingzhu was a submissive woman. She should have been frightened by his momentum just now.

But A'Zhu should have guessed his identity, otherwise she wouldn't have been stopped by him when she wanted to replace her mother just now.

Su Chen looked at A'Zhu and knew that she would not reveal his identity.

"Ruan Xingzhu, please continue massaging my back. As soon as I feel happy, I will tell you where your other daughter is."

"Okay, okay, I'll massage your back right now."

After hearing Su Chen's words, Ruan Xingzhu hurriedly came behind Su Chen and continued to massage her back. This time she wasn't unhappy at all.

As long as this big devil could tell her where the whereabouts of the other daughter, she would have no problem even if she massaged the devil's back for a year.

A'Zhu also smiled when she saw this. She knew that since Wu Xiangjun revealed the news about her sister, A'Zhu would guess about her sister. Wu Xiangjun must know his whereabouts.

Maybe Wu Xiangjun wanted to exchange news about her sister by asking her mother to massage his back. Otherwise, Wu Xiangjun might tell them for no reason, which would make them feel that they can't repay the job. kindness

"Shameless."

After Mu Guiying saw the expressions of Ruan Xingzhu and A'Zhu, she was very disdainful of Su Chen. Su Chen was obviously bullying Ruan Xingzhu and A'Zhu.

But she didn't want to care about this bastard now. Mu Guiying still wanted to know how to keep this bastard Su Chen in the future.

Mu Guiying didn't care about Su Chen and Ruan Xingzhu's affairs. As long as this bastard didn't do those lewd things, Mu Guiying didn't care if this bastard did these things.

Su Chen was enjoying Ruan Xingzhu's massage while looking at Mu Guiying who seemed to be in a dilemma. This silly girl was really mentally disturbed now. Su Chen didn't know what Mu Guiying was thinking about and was so embarrassed.

At this moment,

Hong Qigong from the Beggar Clan walked out of the mansion with a group of people. After these people arrived, they sat in the middle one after another. After a while, several tables in the middle were filled with people.

Su Chen looked up. Looking at these people, he found that he didn't know many of them. Among them, Su Chen only knew Hong Qigong, Ouyang Feng, Shangguan Jinhong, and by the way, that woman Lin Chaoying and Xiao Longnu.

Su Chen saw Lin. There was an older man sitting next to Chaoying, and he guessed that he might be Wang Chongyang of the Quanzhen Sect. After all, that man was wearing a Taoist uniform, and the seven people behind him should be the Seventh Son of the Quanzhen Sect.

Su Chen looked at Meiyan Lin Chaoying and the old Wang Chongyang curled their lips and thought,

【Sure enough, Lin Chaoying found Wang Chongyang】

【This is really a flower stuck in cow dung】

【I don't know what good things Wang Chongyang has, but Lin Chaoying has identified Wang Chongyang as a beautiful flower.】

【Is this really a damn dog? 】

Su Chen looked at it and then stopped. He leaned on Ruan Xingzhu and enjoyed the massage given by Ruan Xingzhu.

Su Chen suddenly thought of why Li Mochou wasn't here? Could it be that because Lin Chaoying was there, Li Mochou didn't dare to show up?

Ruan Xingzhu was massaging Su Chen with a flushed face. She did not expect that this big devil would lean on her.

This made Ruan Xingzhu a little overwhelmed. But in order to find her little daughter, Ruan Xingzhu did not dare to push away this big devil.

When Mu Guiying saw those martial arts masters appearing, she stood up, looked at the martial arts masters, and said to Su Chen with a smile,

"Bastard Su, the martial arts conference is about to begin. Who do you think will become the leader of the martial arts alliance this time?"

Su Chen said to Mu Guiying without being angry, "What does this have to do with you?" Are you a charlatan or not? You'd better stop worrying about this mess."

Su Chen saw Mu Guiying's happy face and didn't want to talk to her.

He was not happy when Mu Guiying was happy.

Su Chen was still very resentful towards Mu Guiying. Who told this silly girl to bite his lip?.

Mu Guiying was a little angry when she heard Su Chen's words. Couldn't this bastard live without being angry?

Phew!

You can't be angry, this bastard is a shameless person.

Mu Guiying endured the anger towards Su Chen and said, "Why don't I care? If they elect the leader of the martial arts alliance, they will help me guard Chang'an City. This is related to the stability of Chang'an City. How can I not care?"

Su Chen didn't expect Mu Guiying to think like this. Mu Guiying is really a novice. Will these Jianghu people help her defend Chang'an?

Some of the Jianghu people here may help Mu Guiying defend Chang'an City, but those powerful people The Jianghu people here will not help Mu Guiying to defend Chang'an City. I'm afraid that after the martial arts conference, the Jianghu people here may go to the ninth level and expect these selfish Jianghu people to guard Chang'an. Mu Guiying might as well commit suicide.

Su Chen rolled his eyes at Mu Guiying and mocked,

"laugh! You are really a novice, Mu Guiying. Even after the Jianghu people here elect the leader of the martial arts alliance, they will not help you defend Chang'an City. You'd better not act like crazy here.

Mu Guiying said to Su Chen very doubtfully, "How is that possible?" The leader of the Beggar Clan, Hong Qigong, made it clear that the purpose of convening this martial arts conference was to help the imperial court guard Chang'an City. Su

Chen did not answer Mu Guiying. He looked at A'Zhu and asked, "A'Zhu, do you think these Jianghu people will help the imperial court guard Chang'an City?"

A'Zhu lowered his head and thought for a moment before saying to Su Chen and Mu Guiying,

"No, these Jianghu people are here just for fame. If the Yuan army starts to attack Chang'an, most of these Jianghu people will definitely escape, and even those who stay may not help the court to guard Chang'an City."

Su Chen looked at this silly girl and shook his head, "Mu Guiying, did you hear that? Don't regard these Jianghu people as the saviors of Chang'an City."

Mu Guiying was a little confused now.

Aren't these Jianghu people here to guard Chang'an City?

Then why did they hold a martial arts conference here under the pretense of guarding Chang'an City?

Mu Guiying couldn't understand and asked, "Why? Why didn't the Jianghu people help the imperial court guard Chang'an City?"

A'Zhu now sympathizes with Mu Guiying. Mu Guiying may have thought that after these Jianghu people come to guard Chang'an City, their army may have much less pressure.

If Mu Guiying knew that these Jianghu people would not guard Chang'an City at all, I wonder if Mu Guiying will angrily stop this martial arts competition?

A'Zhu looked at Mu Guiying's confused look and explained, "General Mu Guiying, people in the Jianghu are unprofitable, just like Ouyang Feng, he is just an evil person, do you think he will guard Chang'an City?"

"There is also Hong Qigong, the leader of the Beggar Clan. This person held the martial arts conference this time just to restore his reputation. After all, in the Apricot Grove, Hong Qigong's reputation has been ruined."

"Although he is now the leader of the Beggar Clan, there are still many disciples of the Northern Beggar Clan who do not recognize him as the leader of the Beggar Clan. Civil strife may break out in the Beggar Clan at any time. He is not holding a martial arts conference to defend Chang'an City."

Chapter 514

Mu Guiying also understood now that Hong Qigong, the leader of the Beggar Clan, wanted to hold this martial arts conference with the help of Dayuan's attack on Chang'an City, just to restore his reputation.

As long as Hong Qigong restores his reputation, there will be no civil strife in the Beggar Clan in the future. As for helping the imperial court to guard Chang'an City, that is just a joke.

Mu Guiying smiled when she looked at Hong Qigong, the leader of the Beggar Clan. She finally understood why Su Chen, the bastard, said she was a noob. She was an idiot.

Mu Guiying smiled self-deprecatingly and said,

"I understand, but I didn't expect that these so-called charlatans are people who are greedy for life and afraid of death. I have finally seen through the so-called charlatans."

Su Chen looked at Mu Guiying and reminded her after thinking about it,

"You are not stupid. Chang'an City cannot be defended by the Song Dynasty. There are more than 200,000 Yuan troops gathered at the Weihe River, and there are only more than 100,000 people in Chang'an City of the Song Dynasty."

"However, these more than 100,000 troops are all old, weak, sick and disabled. It is extremely difficult for these troops to defend Chang'an City."

"The Jianghu people here also see clearly that Chang'an City cannot be defended, and they will not make fearless sacrifices."

Su Chen also didn't want Mu Guiying to die in this war. He also reminded Mu Guiying that after all, Mu Guiying had a good relationship with him. Su Chen also didn't want a pretty beauty to die in this war..

Mu Guiying said with firm eyes, "We must defend even if we can't defend. I have integrated 60,000 elite troops. With these troops here, and our Song Dynasty is the one defending the city, I don't believe in defending." Don't live in Chang'an City"

"Just be happy"

"What do you mean you bastard?"

"It doesn't mean anything, I just wish you success in guarding Chang'an City."

A'Zhu saw that Mu Guiying didn't hear Su Chen's reminder, so she said to Mu Guiying,

"General Mu Guiying, Chang'an City cannot be defended by relying on city walls. There must be rebels in Chang'an City. As long as the war starts, Chang'an City will definitely be opened by those who seek refuge in Dayuan."

Mu Guiying was very surprised after hearing A'Zhu's words. If there are really rebels in Chang'an City, I'm afraid she really won't be able to defend Chang'an City.

"How can it be? How could there be rebels in Chang'an City?"

A'Zhu shook her head when she saw Mu Guiying's surprised look. Although General Mu Guiying was very powerful in leading the war, she still didn't see through some people's hearts. Some officials and even some wealthy businessmen in Chang'an City, if they don't want to die, I'm afraid they have secretly contacted the people of Dayuan. As long as the war starts, these people will definitely rebel.

Aju stopped the shocked Mu Guiying and explained,

"General Mu Guiying, are there not enough rebels in previous wars? Now that the Yuan Dynasty has strong soldiers and horses, some people in Chang'an City can't see a way out. Isn't it natural for them to surrender to the Yuan Dynasty?"

Mu Guiying now knows what to do. Although she has no confidence in this war, she can't escape. The people here still need her. Mu Guiying will not let those foreigners come to massacre their Central Plains people.

Mu Guiying took a deep breath and said fiercely, "Huh, then I have to be prepared. As soon as those traitors show up, I will kill them all."

Su Chen felt helpless leaning on Ruan Xingzhu. Although he also wanted to help Mu Guiying defend Chang'an, if his identity was exposed, I am afraid that the Song Dynasty would kill him at all costs.

According to the secret guard's information, There may be land gods in the heaven and human realm in the Song Dynasty court. Huang Shang, who created the Nine Yin Manual, may be a land god in the heaven and human realm.

After all, Huang Shang is over a hundred years old, and Su Chen is not the same. We don't know if he is still alive, but if he is still alive, Su Chen and his women will be in danger this time.

There is an old eunuch in the Song Dynasty Palace. Although the secret guards did not find out who the old eunuch is, But what he practiced was the Sunflower Book.

When Su Chen heard about this martial arts, he knew that the old eunuch must be very powerful, but he didn't know what the relationship between the Ming Dynasty's Dongfang Bubai and this old eunuch was?

Such a thing existed in the Song Dynasty Two powerful masters, which is why Su Chen didn't let Huang Rong attack the Song Dynasty in the north.

Su Chen was just worried about Huang Shang who didn't know whether he was dead or not, and the old eunuch who didn't know his specific strength. Otherwise, Su Chen would have ordered Huang Rong to lead the army. The army attacked the Song Dynasty in the north.

Mu Guiying looked at Mu Guiying and said expectantly,"Su Batian, you are going to help me this time, and all your men will be under my command.""

"You're eating shit."

Su Chen refused without thinking.

Mu Guiying grabbed Su Chen's hand and said angrily,"Asshole, will you die if you don't make me angry? Those of your men must be handed over to my command, and you cannot refuse."

【I'll do it!】

【How could Mu Guiying be sure that he would hand over the secret guard to her?】

【Isn't this beautiful lady a little whimsical?】

【Knowing clearly that something cannot be done, this idiot's behavior is also an act of seeking death. 】

Su Chen thought for a while and ignored Mu Guiying. He would not let his hundreds of secret guards die facing hundreds of thousands of troops.

A'Zhu looked at Mu Guiying and felt a little funny. Wu Xiangjun was the number one enemy of the Song Dynasty. Mu Guiying actually asked Wu Xiangjun's men to help the Song Dynasty resist the Yuan Dynasty, and even helped the Song Dynasty when it was inevitable to lose. Wu Xiangjun It would be strange if Mr. Xiang agreed.

Seeing Su Chen's silence, Mu Guiying smiled and said, "You have decided that your guard commander will be the one named Su Wu. When the martial arts conference is over, I will go find your guard commander."

Su Chen turned over. He just rolled his eyes and didn't bother to pay attention to this silly girl Mu Guiying. Chang'an City would definitely not be able to be defended without reinforcements. Although Su Chen didn't want the people of Chang'an City to be massacred by the Song and Yuan Dynasties, he had no choice now.

Su Chen guessed that the Song Dynasty might not have any reinforcements now. The Song Dynasty was now facing threats from the Yuan Dynasty, Jin Kingdom, Liao Kingdom, and Xixia.

This is not counting the threat from his army. Su Chen's army is not sent to the front line now, otherwise the Song Dynasty would have collapsed long ago.

Su Chen thought about the crisis facing the Song Dynasty and said to Mu Guiying, "Mu Guiying, didn't the Song Dynasty ask the Ming Dynasty in the Western Continent for help?"

Mu Guiying heard Su Chen's words and said to him directly,

"Yes, envoys from the Song Dynasty have already gone to the Ming Dynasty. They even sent envoys to Lord Wu Xiang in the south. However, the road to the Ming Dynasty is quite far, so there has been no reply yet."

"Although Wu Xiangjun did not launch another war against the Song Dynasty, he did not agree to send troops to help the Song Dynasty."

"Wu Xiangjun only promised not to launch a war against the Song Dynasty during the war between the Song Dynasty and the foreign races, and Wu Xiangjun also supported the Song Dynasty with a batch of weapons and food."

Su Chen didn't expect that his people would support the Song Dynasty, and even gave the Song Dynasty a batch of weapons and food. Su Chen thought about it, and I'm afraid he would do the same thing if he were in Gusu City.

If the Song Dynasty was attacked by those aliens If he attacks and destroys the country, I am afraid that the people of the Song Dynasty will really lose their lives. This is not what Su Chen wants to see.

Su Chen thought that if he wanted to destroy the Song Dynasty, he could only destroy the Song Dynasty with his army, not other foreign races..

Chapter 515

A'Zhu looked at Su Chen after listening to Mu Guiying's words. She didn't know these things. A'Zhu thought that Su Chen might not want the aliens to harm the people of the Central Plains, so he didn't send troops to the Song Dynasty, and even helped the Song Dynasty resist the aliens..

This made A'Zhu feel an inexplicable emotion in his heart when he looked at Su Chen.

Ruan Xingzhu was very uncomfortable now. Su Chen was leaning against her body and she was at a loss what to do. However, A'Zhu didn't stop Su Chen from doing this even after seeing it, which made Ruan Xingzhu feel hopeless. clang! clang! clang!

At this time, on the ring in the middle of the square, a young man rang the big bell. The people sitting there stopped talking to each other. They all knew that the martial arts conference was about to begin.

At this time, Hong Qigong turned over and came to the ring. He clasped his fists and said loudly to the people around him,

"Everyone, the old beggar is Hong Qigong, the leader of the Beggar Clan and the organizer of this martial arts conference. You must all know that the Dayuan army has deployed more than 200,000 troops on the Weihe River outside Chang'an City."

"Now the city of Chang'an is in great crisis. We are all citizens of the Song Dynasty. It is said that everyone is responsible for the rise and fall of the country. Although we are from Jianghu, we are from the Central Plains and from China after all."

"Those alien races want to invade our land and persecute our brothers and sisters. We are all people with martial arts and strength. Now is the time for us to fight for the Song Dynasty and our nation."

"However, as the so-called snake cannot move without a head, and the bird cannot fly without wings, we people in the world must also elect a person to lead us. This martial arts conference is to elect a martial arts leader to lead everyone to fight against Dayuan."

"As long as you think you are strong enough, you can participate in the competition for the martial arts leader. Of course, you can also choose your own martial arts leader. As long as the sects and individuals here agree, then he will be our martial arts leader."

As Hong Qigong said, he saw that the people in the martial arts world below started to discuss one after another. Hong Qigong did not continue to talk. He wanted these people in the Jianghu to digest what he just said.

Hong Qigong now has a deep understanding of this martial arts world. The leader of the alliance is bound to win. Wang Chongyang of the Quanzhen Sect has expressed his support for him last night.

As for Lin Chaoying and Wang Chongyang of the Tomb Sect, they have also vowed to persuade Lin Chaoying to support him.

Hong Qigong is as powerful as the two of them. With the help of experts, he feels very at ease now.

"What a hypocritical old beggar." Mu Guiying was very disdainful when she saw Hong Qigong's high-spirited look. She felt very disgusted when she saw Hong Qigong.

"Can a beggar still be called a beggar if he is not hypocritical?" Su Chen couldn't help but retorted after hearing Mu Guiying's words, if beggars were not hypocritical and shameless, could they beg for food?

Su Chen felt that beggars in the world of mixed martial arts could no longer be regarded as beggars, and these beggars should belong to Underworld.

Will these skilled beggars still beg for food?

Where do these beggars' money come from?

Su Chen has no interest in looking at the beggar gang. These beggars are also vampires who exploit ordinary people. Su Chen's army is Nearly one million dollars of money was found from the Southern Beggar Gang.

How could a beggar gang have so much money?

Is it robbing the rich and giving to the poor? Or is it coercion and inducement to ask for protection money?

I am afraid only the beggar gang themselves can know these things, right?

"mix....."Egg"

Mu Guiying stared at Su Chen and wanted to strangle this bastard to death. Why is this bastard always going against her?

Mu Guiying no longer wants to be against this bastard, but why is this bastard so annoying? He won't quarrel with her for a while. Will he die?

"Hahaha!"

A'Zhu couldn't help but laugh when he saw Su Chen and Mu Guiying. A'Zhu understood now.

Su Chen and Mu Guiying are a pair of happy enemies. Although they hate each other, But they also gradually developed feelings while fighting each other.

Hong Qigong felt that he was almost done, so he clapped his hands and said loudly,

"Everyone, please be quiet. Let me talk about the rules. In fact, the rules are very simple. As long as you can win three games in a row, you can take a break and advance to the next round."

"In the next round, you have to win three games in a row to advance to compete for the final martial arts leader."

"Use martial arts to make friends, that's it. Now the martial arts conference has officially begun, and those who are willing to compete for the leadership of the martial arts alliance can enter the ring."

As soon as Hong Qigong finished speaking, a tough man came to the ring with a big knife.

"I'm from Jingzhou Changhu Gang, Yang Desheng, is there any hero in the world who dares to compete with me?"

"Yuebei Changqianmen, Hu Fengdong, please enlighten me." A man holding a spear turned over to the ring and said to the victor just now,

"Be careful, watch the knife,"

"You should also be careful and watch the gun."

Bang! Bump! Bump!

Just when the battle started on the ring, there was a table in the middle of the front under the ring.

Lin Chaoying was listening impatiently to Wang Chongyang's chattering. From the moment she sat down, this Wang Chongyang was like She kept saying good things for Hong Qigong.

Lin Chaoying knew when she heard that Wang Chongyang wanted her to help Hong Qigong win the position of martial arts leader. Lin Chaoying was not interested in this. She even came here to know about Su Will that bastard Chen show up?

It's just that Lin Chaoying didn't expect that Wang Chongyang would be so shameless as to sit with her. Lin Chaoying had no feelings for Wang Chongyang anymore, and he even hated this Wang Chongyang.

Back then, the Dayuan Army When they attacked the Quanzhen Sect, Wang Chongyang actually escaped without notifying them of the Ancient Tomb Sect. If that bastard Su Chen hadn't appeared in time, I'm afraid all the members of their Ancient Tomb Sect would have been killed.

Lin Chaoying really couldn't stand this. Wang Chongyang, Lin Chaoying never thought Wang Chongyang could be so annoying before.

This time Lin Chaoying really couldn't stand Wang Chongyang's coy look, so he asked her to help Hong Qigong and said it openly.

Wang Chongyang was beating around the bush like this. If he keeps saying good things about Hong Qigong, other people who don't know the situation will think that Wang Chongyang is trying to match match with Lin Chaoying?

Lin Chaoying directly interrupted the chattering Wang Chongyang and said expressionlessly,

"Wang Chongyang, you can leave. I'm just here to see this martial arts competition. I won't take action."

Wang Chongyang felt a little unnatural after hearing Lin Chaoying's words. He had promised Hong Qigong that Lin Chaoying would help him, but now his skin is almost worn out. Lin Chaoying has not expressed his position.

Now it is difficult to express his position. However, Lin Chaoying actually refused and even chased him away from her. This made Wang Chongyang look a little ugly.

"Chaoying, you are very powerful. Hong Qigong has no choice this time. If Hong Qigong does not become the leader of the martial arts conference, I am afraid that others will not do their best to guard Chang'an City. You just care about the people of Chang'an City. Just help Hong Qigong this time.".....

Chapter 516

Lin Chaoying frowned and looked at Wang Chongyang with some boredom. No matter what Wang Chongyang said now, it was useless.

The Ancient Tomb Sect is isolated from the world and does not like fighting. Lin Chaoying will not help Hong Qigong fight for the leader of the martial arts alliance.

If the Yuan army had not appeared in Zhongnan Mountain this time, and that bastard Su Chen had also come to Chang'an City, Lin Chaoying would not have brought Xiao Longnu and her maids to Chang'an City.

【Huh?】

【Mu Guiying? Mu Guiying is here too】

【The man next to him must be that bastard Su Chen】

【Damn, that bastard is a shameless pervert. 】

Lin Chaoying suddenly noticed Mu Guiying and hurriedly looked next to Mu Guiying. When she saw a man wearing a mask sitting there leisurely, and there was even a beautiful woman massaging his back, this made her Lin Chaoying looked very angry.

Xiao Longnu saw Lin Chaoying's expression suddenly turned very bad. She looked at Wang Chongyang next to her and asked in a low voice,

"Master, what's wrong with you?"

"Nothing, just a little bad mood." Lin Chaoying calmed down her angry mood and smiled and said,

Mu Guiying didn't want Xiao Longnu to know that the bastard was coming, otherwise Xiao Longnu would be deceived by his sweet words when she saw the bastard.

Lin Chaoying knew it. That bastard Su Chen was very good at treating women, and she didn't want Xiao Longnu to be deceived by that bastard Su Chen.

Wang Chongyang felt very shameless now. Several of his apprentices were looking at him and Lin Chaoying. But since the relationship between Lin Chaoying and him broke out, Lin Chaoying seemed to have changed.

In the past, Lin Chaoying was very obedient to him. Why has Lin Chaoying become so stubborn now?

Is it because he hurt Lin Chaoying before ? Is Chaoying too deep?

Wang Chongyang was a little moved when he looked at the beautiful Lin Chaoying. Why didn't he find that Lin Chaoying was so beautiful before?

Is it because he had always been determined to resist the Jin Kingdom and ignored Lin Chaoying beside him?

Wang Chongyang While Chongyang was drinking tea, he was thinking about whether to get back together with Lin Chaoying?

Lin Chaoying was at the pinnacle of a master, but besides herself, she was the most powerful being here.

Wang Chongyang and his Quanzhen Sect were also The Yuan army set fire to it again. It would probably take a lot of money to re-establish the Quanzhen Sect in the future, and their Quanzhen Sect did not have the money to take the capital with them when they fled this time.

Wang Chongyang thought that there were a lot of things in Lin Chaoying's ancient tomb. If he and Lin Chaoying get back together in the future, he will quickly re-establish the Quanzhen Sect.

Even if he and Lin Chaoying are in the Quanzhen Sect in the future, his Quanzhen Sect will definitely be the top sect in the Song Dynasty. Wang

Chongyang thought about it and smiled at Lin Chaoying and said,"Chaoying, please help me this time. I promised Hong Qigong that you would help, so please help Hong Qi because of our past friendship." This time."

Lin Chaoying didn't expect that Wang Chongyang would promise Hong Qigong in order to let her help Hong Qigong.

But what does this have to do with her?

Lin Chaoying doesn't care whether Hong Qigong can get the leader of the martial arts conference.

"Past friendship? Forget it, Wang Chongyang, I was blind before I fell in love with you. You are even more hateful than that bastard. Please leave. I don't want to see you now and I don't want to see you in the future."

Wang Chongyang hurriedly stood up and bowed to Lin Chaoying to admit his mistake and said,

"Chaoying, I was sorry for you in the past, but I will make up for my mistakes in the future. Just give me a chance, right?"

Lin Chaoying is in a daze now. She didn't expect that Wang Chongyang would admit her mistake and even accept her now.

This made Lin Chaoying a little confused what to do.

Past experiences kept passing by her eyes. Lin Chaoying had always hoped that Wang Chongyang would accept her, but what she waited for was rejection again and again. But what Wang Chongyang said today made Lin Chaoying a little overwhelmed.

Lin Chaoying looked at Wang Chongyang with a complicated heart. After many years of waiting, she could only accept her. Only at this time can she realize it, but can she still accept Wang Chongyang?

Lin Chaoying lowered her head in silence. She doesn't know whether she should reject Wang Chongyang now. Although she hates Wang Chongyang very much, she likes Wang Chongyang after all. It had been Chongyang for decades, and Wang Chongyang's confession at this time caught Lin Chaoying off guard.

Xiao Longnu and the other seven disciples of the Quanzhen Sect did not make a sound. They all wanted to know if Lin Chaoying would still be with Wang Chongyang. What if? This time Lin Chaoying agreed, so Lin Chaoying and Wang Chongyang were together in the true sense.

In the arena, there have been several batches of people from the arena. These people who are in the arena now are all small scum. It is impossible for real masters to enter the arena now. They also want to give these juniors in the arena some opportunities to perform.

Hong Qigong smiled and sat on a chair watching the competition on the ring. He was not in a hurry now. Next to him were Qiu Qianchi, Ouyang Feng, Shangguan Jinhong, Fu Hongxue, Jiumozhi from Tubo, and Yagyu Sheng from Japan. None of them, such as Dan Ma Shou, could be the opponents of Wang Chongyang and Lin Chaoying.

He already holds the position of the leader of the martial arts alliance, and no one can take the position of the leader of the martial arts alliance from him.

Hong Qigong thought that if he became the leader of the martial arts conference, the Beggar Clan would definitely stabilize, and even the Beggar Clan disciples who opposed him would support him again.

Guo Jing, who was next to Hong Qigong, was very angry now. He felt very uncomfortable when he saw the foreigner next to him sitting here.

These people are aliens!

Guo Jing still hasn't figured out why his master Hong Qigong let them stay here? Even today, they agreed to participate in the competition for the leadership of the martial arts conference?

Guo Jing couldn't bear it now and asked Hong Qigong,

"Master, Jiumozhi from Tubo and Yagyu Danmamoru from Japan are not from the Central Plains. Why would you agree to let them participate in the martial arts competition of the Central Plains?"

Hong Qigong patted Guo Jing on the shoulder and it was a bit funny. His apprentice was too ignorant and his mind was not that bright.

However, Hong Qigong was still very optimistic about Guo Jing. Diligence can make up for his weakness. As long as Guo Jing practices his martial arts well in the future.

Hong Qigong I believe that Guo Jing's future achievements will be very high, and he may even surpass his master in the future.

"Jing'er, we Central Plains people are a country of benevolence and righteousness. Jiumozhi of Tubo and Yagyu Danmashou of Japan are not hostile to us in the Song Dynasty. We cannot reject them in this competition for the leader of the martial arts alliance."

"But don't worry, in this martial arts conference, they are just joining in the fun. We Central Plains people have many masters. Even if they participated in the martial arts conference, they were just going through the motions."

"Jing'er, you need to know that the leader of the martial arts conference can only be us Central Plains people. They can't take over the leader of this martial arts conference."

"Leader Wang Chongyang of the Quanzhen Sect can destroy them all by himself, but Jiumozhi of Tubo and Yagyu Danmashou of Japan cannot make a difference."

Chapter 517

After hearing Hong Qigong's words, Guo Jing still couldn't agree. After all, this was a martial arts competition for the Central Plains people, but he was very dissatisfied that these foreign races were allowed to participate.

But Hong Qigong was his master after all, and Guo Jing didn't want to say anything that would offend his master, so he sat down and watched the competition on the ring gloomily.

And Su Chen had another uninvited guest. Two beautiful women came to Su Chen and his friends. When they arrived, they were very surprised to see Ruan Xingzhu massaging Su Chen's back.

They didn't expect that Ruan Xingzhu would massage a man's back, and he didn't seem to be threatened. This made them feel a little incredible when they looked at Ruan Xingzhu.

Ruan Xingzhu was massaging Su Chen, but when she found out that Zhong Ling and Gan Baobao had arrived, Ruan Xingzhu turned red and felt at a loss.

Ruan Xingzhu was giving a massage to a young man, and she was afraid that Zhong Ling and Baby Gan would think she was a shameless woman.

Ruan Xingzhu's face turned red and she felt uncomfortable, so she hurriedly asked Zhong Ling and the others, "Zhong Ling, Baby Gan, you guys Why are you here?"

Su Chen opened his eyes when he heard Ruan Xingzhu's words. He was about to fall asleep after being massaged by Ruan Xingzhu.

Su Chen didn't expect Ruan Xingzhu to have massage skills. Before Mu Guiying bothered Su Chen, Su Chen enjoyed Ruan Xingzhu's massage.

But when Su Chen heard Ruan Xingzhu talking about the arrival of Zhong Ling and Gan Baobao, he looked at Zhong Ling and Gan Baobao.

Zhong Ling was dressed in a snow-white dress, and her body was already very perfect at a young age. She had a round face, two small dimples at the corners of her mouth, and big bright eyes that looked very intelligent.

Zhong Ling is indeed a beautiful girl.

But Baby Gan made Su Chen unable to take his eyes away. This Baby Gan had a delicate face, and her brows vaguely resembled Zhong Ling's, but her chest was too majestic.

Su Chen thought that Ruan Xingzhu was like this, so he guessed that Duan Zhengchun wouldn't find a mistress that old, right?

Su Chen looked at his secret guards. Why didn't his secret guards intercept Zhong Ling and Gan Baobao when they arrived?

When Su Chen looked at the secret guards, the captain of the secret guards pointed at A'Zhu and Ruan Xingzhu.

The secret guards actually wanted to stop Zhong Ling and Gan Baobao, but they said they were with A'Zhu and Ruan Xingzhu. The secret guards saw Su Chen resting, so they couldn't disturb Su Chen.

Besides, these two women are only at the same level of cultivation, and the secret guards don't think they are assassins.

Su Chen was speechless and continued to lie down. Zhong Ling and Gan Baobao could come as soon as they came. They were just minor characters anyway. Su Chen was not worried that Zhong Ling and Gan Baobao would come to assassinate him. After all, they did not know his identity.

"Zhong Ling, why are you and your mother here?" A'Zhu was talking to Mu Guiying, but when she heard her mother Ruan Xingzhu's words, she looked over. A'Zhu did not expect that Zhong Ling and her mother came over.

Zhong Ling took A'Zhu's hand and said awkwardly,

"Sister A'Zhu, we feel very uncomfortable there. We are not disturbing you here, are we?"

"No, please sit down quickly." A'Zhu smiled and hurriedly asked Zhong Ling and Gan Baobao to sit next to her.

A'Zhu also liked Zhong Ling very much. This little Zhong Ling was a pistachio. With her, she would not worry about anything.

"Thank you, Sister A'Zhu." After Zhong Ling and Gan Baobao sat down, Zhong Ling thanked A'Zhu with a smile.

Zhong Ling felt much more comfortable here. Just now, Zhong Ling was very aggrieved at Qin Hongmian's place. Qin Hongmian kept a cold face there, as if they owed Qin Hongmian a lot of debt.

But Zhong Ling thought that after their arrival, sister Mu Wanqing might suffer. Zhong Ling felt that it was not worth it for Mu Wanqing. With such a stubborn mother, Mu Wanqing Halal is very unfortunate

"Zhong Ling, Aunt Gan, let us introduce to you. This is General Mu Guiying of the Song Dynasty. Next to him is General Mu Guiying's friend Su Batian."

"General Mu Guiying, just Zhong Ling and her mother Gan Baobao, may want to disturb General Mu this time."

A'Zhu introduced Zhong Ling and the others after they sat down. A'Zhu was also very grateful to Zhong Ling and the others for coming, otherwise she would really not be able to deal with Mu Guiying.

Mu Guiying made her a person with no relationship history. The woman gave her advice, but A'Zhu racked her brains and couldn't think of a way. Now she was afraid of being alone with Mu Guiying. Now

A'Zhu is complaining about Wu Xiangjun, Wu Xiangjun is not good at dealing with women. Very powerful, but why didn't he see that General Mu Guiying liked him? This was something A'Zhu couldn't understand.

"It's okay, the little girl is quite cute." Mu Guiying smiled when she looked at the very agile Zhong Ling.

Mu Guiying liked this little girl very much. If she had such a sister, I'm afraid she wouldn't have anything to worry about.

Mu Guiying Looking at Zhong Ling, she wanted to recognize her as her sister, so that if that bastard Su Chen made her angry in the future, with Zhong Ling by her side, she would not fight with Su Chen out of anger.

Zhong Ling did not expect that Mu Guiying was still a general. She looked at Mu Guiying with great admiration.

"Wow! The beautiful sister is actually a general? My sister is so awesome."

Gan Baobao also looked at Mu Guiying with some surprise. She had heard of Mu Guiying. Mu Guiying was the only female general in the Song Dynasty and a third-rank female general. She thought that Mu Guiying would appear here. They came to guard Chang'an City.

Gan Baobao ignored the conversation between Zhong Ling and Mu Guiying. She kept glancing at Ruan Xingzhu. She still couldn't figure out why Ruan Xingzhu massaged and beat the back of the man wearing a mask? Could it be that Ruan Xingzhu Do you know this man?

But even if you know her, you can't be so close to that man?

After all, men and women are not intimate, and Ruan Xingzhu may lose his integrity by doing this.

Mu Guiying touched Zhong Ling's head and said with a smile, "Little girl, You will be my sister from now on. If anyone bullies you in the future, just tell me and I will take it out on you."

"Really? elder sister!"

Zhong Ling didn't expect that Mu Guiying would recognize her as her sister. This was pie in the sky. Mu Guiying was a general. She would have a general's sister in the future, which made Zhong Ling very happy.

Mu Guiying was a general. When Ying saw the happy Zhong Ling, she touched her head and said with a smile, "Of course it's true, how could I deceive you?"

"laugh! I almost have no time to take care of myself, but you still have the thought to recognize your sister, Mu Guiying, I have to say that you have a really big heart." Su Chen said with disdain when he heard Mu Guiying's words.

Su Chen thought that Chang'an City has become too much for Mu Guiying. Now she doesn't want to think about how to defend Chang'an City?

Mu Guiying actually wants to recognize a child. As a younger sister, Su Chen had to say that Mu Guiying was a bit arrogant.

"Damn it, you bastard, do you really want to die?"

Chapter 518

Mu Guiying really couldn't stand the bastard Su Chen now. Wouldn't she be happy if this bastard stopped attacking her for a while?

She spared this bastard last time, but she wouldn't forgive him this time.

Mu Guiying walked over to Su Chen and watched this bastard being massaged by Ruan Xingzhu very leisurely. She immediately grabbed Su Chen's neck and said harshly,

"Will you die if you don't make me angry, you bastard? Since you want to die, I will make it happen, you bastard."

"Damn it, Mu Guiying, cough cough cough! Stop it, are you going to strangle me to death?"

Su Chen opened his eyes and was very surprised when he saw Mu Guiying strangling his neck.

Is this Mu Guiying crazy?

Mu Guiying doesn't really want to strangle herself to death, right?

Su Chen smelled the secretion on Mu Guiying's body. Xiang Xiang hurriedly pushed this silly girl away.

When Mu Guiying saw Su Chen trying to push her away, she hurriedly pushed Ruan Xingzhu away and came to behind Su Chen and continued to pinch Su Chen's neck and said angrily,

"I will be very happy if you die, bastard, just die."

Ruan Xingzhu was very speechless. After she was knocked away by Mu Guiying, she stayed away from them. Ruan Xingzhu would not participate in what happened between them. Ruan Xingzhu just massaged this big devil for a while, and now her hands are a little sore. , now she can take a rest.

"Sister A'Zhu, will they be okay?"

Zhong Ling shrank when she saw Mu Guiying pinching Su Chen's neck. She didn't expect Mu Guiying to be so tough.

But who is that man?

Why is he wearing a mask?

Sister Mu Guiying is talking to this man again What is the relationship between men?

And why did A'Zhu's mother give this man a massage?

Zhong Ling didn't know this, and Zhong Ling was embarrassed to ask A'Zhu. After all, this was related to A'Zhu's mother's reputation, and Zhong Ling could only keep feeling bored in her heart. Thinking about it.

A'Zhu was also very speechless towards Su Chen and Mu Guiying. Can't the two of them live in peace for a while?

Just now she finally managed to persuade Mu Guiying, but just for a while, Wu Xiangjun He is seeking death again.

A'Zhu shook his head and smiled and said to Zhong Ling,

"It's nothing, it's just a joke between them. You see Mr. Su is still able to speak. This is obviously because General Mu Guiying did not strangle Mr. Su's neck."

Su Chen had nothing to do with Mu Guiying, but even though Mu Guiying said she wanted to strangle herself, she didn't use too much force.

At least Su Chen could still breathe a little. Su Chen looked at Mu Guiying who said something wrong. He reached out and grabbed Mu Guiying's leg and threatened,

"Mu Guiying, let go, let go quickly, or I will be rude to you."

"Die! asshole."

When Mu Guiying saw this bastard grabbing her legs, she started to use force in shame and anger. This bastard is too bullying. Can this bastard grab a woman's leg?

Although Mu Guiying felt attached to this bastard, she still This bastard was teasing her in public. Mu Guiying was very shameless.

"I'll do it! Mu Guiying, I can't breathe." Su Chen felt that Mu Guiying was exerting force again this time, and this time he was a little out of breath.

Su Chen thought that this silly girl wouldn't be serious this time, right?

Mu Guiying blushed and continued to pinch Su Chen, feeling ashamed and angry Said, "You bastard, can you die if you are gasping for air?"

Mu Guiying feels very strange now. This bastard grabbed her leg, which made her tremble all over. Moreover, she now has a fever all over her body. It feels like there are tens of thousands of ants crawling on her body. It makes her She felt uncomfortable all over.

Boom! Boom!

"Ha ha! Are all the martial arts people in the Central Plains vulnerable? Hong Qigong, this martial arts conference you held is not good either? You, an old beggar, are just a bad old man."

At this time, something happened on the ring. A trumpet monk appeared on the ring. He punched the martial artists off the ring one by one.

Su Chen saw what happened on the ring. He shouted in his heart, he had escaped death this time. With this change, Mu Guiying should let him go, right?

Su Chen hurriedly said to Mu Guiying,

"Damn it, there's going to be a big fight, Mu Guiying, let me go"

"Bastard, I will let you go this time and deal with you later."

Mu Guiying also wanted to know what these Dayuan people were doing here? She glared at the bastard and let him go, but she didn't think that the bastard would take the opportunity to touch her.

This made Mu Guiying look nervously. Looking at A'Zhu and the others, she found that A'Zhu and the others were attracted by the changes in the ring. They did not notice that the bastard Su Chen touched her, which made Mu Guiying breathe a sigh of relief.

Su Chen grabbed Mu Guiying who was about to leave. He smiled and said in her ear, "Haha! Mu Guiying, it turns out you have fallen in love with me"

"roll!"

Mu Guiying scolded Su Chen and turned away with a blushing face. She then returned to her seat.

But her heart could no longer be calm. She didn't want to see what happened in the ring now. Mu Guiying lay on the table and felt ashamed to see others.

Su Chen did not provoke Mu Guiying any more. He looked at the shy Mu Guiying and then looked towards the ring.

Su Chen also wanted to know who the great master who appeared this time was. Who?

This Dayuan man must have come with bad intentions.

Gan Baobao and Ruan Xingzhu saw that Su Chen touched Mu Guiying just now, but they hid it well, and Mu Guiying did not realize that she had been seen.

Ruan Xingzhu and Gan Baobao both thought that this man was a pervert. He even dared to tease General Mu Guiying. This pervert was desperate for his life.

Hong Qigong turned over and came to the ring and looked at the trumpet monk who came to cause trouble. asked loudly,

"Who are you?"

Jinlun Dharma King smiled when he saw the old beggar Hong Qigong arriving. He was very disdainful of Hong Qigong, who was only in the late-stage cultivation realm of a master.

"Dayuan, Jinlun Dharma King."

Although Hong Qigong guessed that this foreign race was a Dayuan people, he didn't expect that these Dayuan people would appear in Chang'an openly. Isn't he afraid that the Jianghu people here would keep him?

Hong Qigong faced Jinlun Dharma King. He threatened, "Dayuan people? When you come to Chang'an City, aren't you afraid of dying here?"

Jinlun Dharma King looked at the people around him and laughed. None of the people in the Song Dynasty here are great masters. Jinlun Dharma King doesn't care about these small fish and shrimps.

Jinlun Dharma King looked at the big people around him. The people from Songjiang Lake said loudly,

"Ha ha! I just came to meet a martial arts master from the Song Dynasty. Don't you, the martial arts community of the Song Dynasty, welcome my arrival? Or are you, the Song Dynasty Wulin, afraid of me?"

Hong Qigong had a sullen face after hearing the words of King Jinlun. This King Jinlun is a great master. If he comes to participate in the martial arts conference, I am afraid that no one here will be his opponent.

Will he let this Great Yuan master by then? Will King Jinlun be the leader of the martial arts alliance of the Song Dynasty?

Hong Qigong said to King Jinlun unceremoniously,

"King Jinlun, this is our Song Dynasty martial arts conference. We do not welcome you, the Yuan people, to come. You'd better leave."

"Hong Qigong, the people next to you don't seem to be from the Song Dynasty. They can participate in the martial arts conference. Why can't I participate in the martial arts conference? Do you beggars look down on us, the Great Yuan Dynasty?"

Hong Qigong's face changed when he heard Jinlun Dharma King's words. He now regretted letting Jiumozhi from Tibet and Yagyu Danmamoru from Japan stay. Originally, he wanted to make good friends with Jiumozhi and Yagyu Danmamoru, but he didn't. Thinking that he made a wrong choice this time

"The young monk Tubo Jiumozhi met the Dharma King." When Jiumozhi of Tubo saw Jinlun Dharma King and found him and Yagyu Danmamoru of Japan, he hurriedly walked to Jinlun Dharma King and saluted.

Jiumozhi knew that Tubo was ready to surrender to the Yuan Dynasty, so he just A master master, the Jianghu people of Dayuan are relatively powerful. The national master Pang Ban is a land god in the heavenly realm, and Princess Zhao Min has a half-step master in the heavenly realm. This Jinlun Dharma King can He is also a great master.

Jiumozhi is self-aware, but he does not dare to offend the Golden Wheel Dharma King of Dayuan at this time.

"Japanese Yagyu Danma Shou met the Dharma King."

Yagyu Danmamo also bowed to Jinlun Dharma King. He respects the strong. This Jinlun Dharma King is a great master. Yagyu Danmamo must respect him as he deserves.

Jinlun Dharma King Seeing that Jiumozhi and Yagyu Danmamoru were so aware of current affairs, he did not try to embarrass them. After all, these two were masters, and he might use these two powerful thugs in the future.

King Jinlun laughed. Laughing, Jiumozhi and Yagyu Danmamoru said,

"Ha ha! Okay, Jiumozhi and Yagyu Danmamoru, you are very good. I am very happy. If you need my help with anything in the future, feel free to come to Dayuan to see me."

"Thank you Dharmaraja. Jiumozhi and Yagyu Danmamoru smiled and thanked Jinlun Dharma King.

They did not expect Jinlun Dharma King to be so easy to talk to. You must know that the Great Yuan Dynasty now has strong soldiers and horses. The Great Yuan Dynasty is not only attacking the surrounding small countries, but also the Song Dynasty and the Ming Dynasty. The Yuan army also occupied many lands in these two big countries.

Jiumozhi and Yagyu Danmamo thought that maybe it would be better for them to join the Yuan in the future. After all, the Song Dynasty is probably going to be over, and although the Ming Dynasty is powerful, the Ming Dynasty will not Accept the surrender of these foreign races

"It turns out to be Jinlun Dharma King! However, this Jinlun Dharma King is actually at the level of a grand master. If he reaches the tenth level of the Dragon Elephant Prajna Kung Fu, he may be the most powerful among the grand masters."

When Su Chen heard what was said on the stage, he never thought that the trumpet monk of the Grand Master was Jin Lun Dharma King.

It seems that although some plots are messed up, there are still many familiar places, but this Jin Lun Dharma King is too powerful in mixed martial arts. Right?

Wang Chongyang is still at the level of a master, and this Jinlun Dharma King is a great master. I am afraid that no one in the world of the Song Dynasty can be the opponent of this Jinlun Dharma King this time.

Ruan Xingzhu next to him heard this The big devil said to herself that she was very surprised. She did not expect that this perverted big devil actually knew who this old monk was.

Ruan Xingzhu thought that this big devil also knew where her other daughter was, which made Ruan Xingzhu guess that this big devil with a mask Who is it? Why does he know so many things?

Ruan Xingzhu thought for a while and asked Su Chen, "Master Su, is this trumpet monk really very powerful?

"Of course, this old bald donkey is very powerful, and no one in the world here can be his opponent." Su Chen looked at the charming Ruan Xingzhu and told her with a smile.

After all, Ruan Xingzhu massaged his back. Although Su Chen forced Ruan Xingzhu to do so, Su Chen also planned to tell Ruan Xingzhu about Ah Zi. Su Chen would not take advantage of a mistress

"Bastard Su, do you think Hong Qigong is going to suffer this time?" Mu Guiying raised her head from the table and asked doubtfully.

Mu Guiying did not expect that this old bald donkey turned out to be a great master, and Su Chen spoke so highly of him.

Mu Guiying looked at Jinlun Dharma King, this Jinlun Dharma King may also be her enemy in the future.

Su Chen looked at Hong Qigong in the distance and gloated,

"Well, Hong Qigong will definitely not feel good this time. This is also a cocoon he has made. If he does not let Jiumozhi from Tubo and Yagyu Danma from Japan stay, I am afraid that Jinlun Dharma King of Dayuan will have no reason to stay and participate in martial arts. General Assembly."

Mu Guiying is very dissatisfied with Hong Qigong using the guard Chang'an City to hold a martial arts conference. Now Hong Qigong is trapped in a cocoon. Mu Guiying also really wants to see Hong Qigong defeated.

Mu Guiying smiled and looked at it. Xiang Hong Qigong said disdainfully, "Haha, Hong Qigong deserves this. Who makes this old beggar uneasy and kind-hearted? Let's see how he deals with the Jinlun Dharma King of Dayuan."

Gan Baobao looked at Ruan Xingzhu in confusion and then at Mu Guiying. She was a little confused now about the relationship between these people. Why was

Ruan Xingzhu so polite to a pervert?

And General Mu Guiying was obviously being raped. This pervert teased her, but why wasn't she angry at all?

Baby Gan felt that her brain was a little out of control.

Seeing that Su Chen was in a good mood, Ruan Xingzhu wanted to take the opportunity to ask about the news about her little daughter.

"Mr. Su, can you tell me the news about my little daughter?"

Su Chen didn't expect that Ruan Xingzhu wanted to know the news about A'Zi now, but how could this be possible? Su Chen also wanted to enjoy Ruan Xingzhu's massage. He would not tell Ruan Xingzhu about A'Zi's whereabouts right now.

"Today is not over yet, as long as you serve me well today, I will tell you the news about Azi"

"Azi?"

Ruan Xingzhu looked at Su Chen strangely when he heard the name. She didn't understand that she was just asking for news about her daughter. How could Su Chen say such a name?

"Ah Zi is the name of your other daughter. It would be cruel not to give it to her. Ah Zi is not as gentle and kind as Ah Zhu. You have to be prepared for this."

Ruan Xingzhu heard that Azi was the name of her other daughter. She couldn't help it anymore and grabbed Su Chen's arm and begged,

"My other woman's name is Azi? big....Mr. Su, just tell me where Ah Zi is, and I will definitely serve you well today."

Mu Guiying frowned when she saw Ruan Xingzhu grabbing Su Chen's arm. She didn't want Ruan Xingzhu to have anything to do with Su Chen.

Although Ruan Xingzhu was older, this woman still had charm, and her mature body was very attractive. Powerful.

Mu Guiying was afraid that this bastard Su Chen would have other thoughts about Ruan Xingzhu.

Mu Guiying pouted and pulled Ruan Xingzhu away from Su Chen and said to Su Chen,

"Bastard Su, just tell Ruan Xingzhu that what you did is really abominable."

【I gather】

【What a nosy, silly girl】

【I can't enjoy Ruan Xingzhu's massage now.】

【I didn't expect Mu Guiying's jealous look to be a bit cute. 】

Su Chen was speechless when he watched Mu Guiying pull Ruan Xingzhu away. Mu Guiying was so jealous before she became her woman.

Su Chen thought that if Mu Guiying found out about his other women, even if Mu Guiying would be jealous, she probably wouldn't know who to be jealous of.

Chapter 520

Su Chen looked at Mu Guiying and said to Ruan Xingzhu, "Ruan Xingzhu, your daughter Azi is now in the Xingxiu sect. She is Ding Chunqiu's disciple, but why didn't Ding Chunqiu, the pretender, come to the martial arts conference this time? I didn't expect that"

"Xingxiu Sect? Ah Zi is actually in the evil sect. No, I have to rescue Ah Zi as soon as possible. Ding Chunqiu is a murderous devil, so Ah Zi will be in danger there."

Ruan Xingzhu became restless when she knew Ah Zi was in the Xingxiu Sect. Now she was worried that something might happen to Ah Zi. She had heard of Ding Chunqiu, an evil demon who used poison. Ah Zi must have had a very bad life if she stayed with Ding Chunqiu. Not easy,

Su Chen smiled disdainfully when he saw Ruan Xingzhu going to save Ah Zi, "Tsk! With your three-legged cat skills, you can even deliver food when you go, but Ding Chunqiu is not someone you can match."

At this time, A'Zhu who was listening directly knelt down in front of Su Chen and begged,

"Mr. Su, please save my sister. From now on, I will repay you even if I am a cow or a horse."

"A'Zhu, your life doesn't seem to belong to you, right? When you escaped privately this time, weren't you afraid of being caught and killed?"

Su Chen looked at A'Zhu in a funny way. If this A'Zhu could lead Ruan Xingzhu and the others to escape from Gusu City, I'm afraid someone deliberately let them go. Otherwise, would it have been so easy for A'Zhu and the others to escape from Gusu City?

As for that ? Su Chen didn't want to care about who let A'Zhu go. Anyway, if his daughter Su Yan knew that A'Zhu had escaped, Su Yan would find the person who let A'Zhu go.

"I.....I....."A'Zhu was now pale and didn't know what to say.

A'Zhu knew that if the little princess knew that she had escaped, she would probably be executed directly by the little princess.

Although the little princess is young, she is very independent and even more vicious than some adults.

"Big brother, are you trying to scare Sister A'Zhu?"Zhong Ling couldn't stand it anymore. She pulled A'Zhu and looked at Su Chen with lively eyes.

Zhong Ling wanted to pull up A'Zhu, who was kneeling, but she couldn't. She looked at A'Zhu kneeling upright. This masked man seems a little angry in front of him

"Do you think I'm scaring Arjuna?"

"I think it is, let A'Zhu get up quickly, big brother, some people in the world are watching us here."

"It's not like I asked A'Zhu to kneel down. If she wants to, just kneel down."

"you.....Big brother, why don't you show pity to the beauty? Sister A'Zhu is so gentle and beautiful, can't you show your manliness?"

Ruan Xingzhu did not expect that A'Zhu would kneel down to this big devil, and this big devil was unwilling to help even when A'Zhu knelt down for him. This made Ruan Xingzhu, who was never angry, couldn't help but glare at Su Chen.

"A'Zhu, get up quickly, the big devil, help us, we will find a way to save your sister in the future, you don't have to kneel to this big devil."

A'Zhu knelt on the ground and shook his head at Ruan Xingzhu and said helplessly, "Mom, please leave me alone. Only Mr. Su can save my sister this time."

A'Zhu is very uneasy now. She is not only kneeling to Su Chen to save A'Zi this time, A'Zhu is kneeling to Su Chen for the sake of their whole family.

A'Zhu knows that if she cannot let Su Chen this time Forgive her for escaping from Wu Xiangjun's mansion secretly. I'm afraid that all three of them, mother and daughter, may be caught, and may even implicate Huang Rong who let them leave.

Zhong Ling came to Mu Guiying and shook her arm and begged, "Sister Mu Guiying, please let this big brother help Sister A'Zhu get up."

Mu Guiying is very confused now. This A'Zhu must know this bastard Su Chen. Mu Guiying has been a little curious since A'Zhu showed respect to Su Chen when he arrived. Now she is very sure that A'Zhu knows Su Chen.

It's just this Who is the bastard?

Where did A'Zhu escape from?

Seeing that A'Zhu was very frightened, the place where A'Zhu escaped must not be simple.

Mu Guiying touched the anxious Zhong Ling and said to Su Chen, "Bastard Su, let A'Zhu get up first. If you have anything to do, we'll talk about it later when we go back home."

"It's not like I asked her to kneel down. It's none of my business if she doesn't get up. Mu

Guiying grabbed Su Chen's arm and pinched it hard and asked, "Can't you tell A'Zhu to get up?" Are you going to piss me off, you bastard?"

Su Chen couldn't help but take a breath when Mu Guiying pinched him and said, "Hiss! I'm leaning in, let go quickly, Mu Guiying, don't push yourself too hard, why are you so quick to attack now?"

"Let A'Zhu get up quickly"

"Damn it, A'Zhu, get up quickly"

"Yes, sir."

A'Zhu stood up after listening to Su Chen's words. She is now very grateful to Mu Guiying. If Mu Guiying can help her return to Wu Xiangjun's mansion in the future, A'Zhu will do everything possible and repay Mu Gui. Ying's.

After A'Zhu got up, Mu Guiying looked at Su Chen triumphantly and let go of her. Mu Guiying felt that Su Chen still cared about her.

Although she did things out of line, she wouldn't do this to this bastard. , I'm afraid he will keep pretending to be stupid here.

Mu Guiying is now very curious about Su Chen's identity.

Su Chen did not look at Mu Guiying, he looked at A'Zhu and the others and then looked at the ring.

Su Chen thought that Hong Qigong was in a dilemma now. He should be standing on the ring in embarrassment and didn't know what to do. At this time,

Hong Qigong was very helpless. Now he didn't care whether he agreed to Jinlun Dharma King or not. His reputation will be disgraced.

The martial arts conference here was held to fight against Dayuan. Now that King Jinlun has arrived and wants to participate, Hong Qigong has no reason to refuse now. After all, he agreed to the participation of two other foreigners in the martial arts conference.

One of the two beauties pretending to be pretty next to Yagyu Danmamoru asked Yagyu Danmamoru,

"Father, do you think this Beggar Clan leader would allow King Jinlun to participate in the martial arts competition of the Song Dynasty?"

Yagyu Danma Shou stroked his beard and said with a smile, "Xue Ji, it's not up to Hong Qigong now whether he agrees or not. Hong Qigong may have lost his reputation this time."

"Father, is there no one more powerful than Jin Lun Dharma King in the Song Dynasty? Isn't it said that the martial arts world in the Central Plains is full of outstanding talents?" Another smaller beauty also asked Yagyu Danmamomo.

This little beauty looks down on the Central Plains martial arts. There are only a few people here who are stronger than his father. Even after she came to the Song Dynasty, she has not seen a Central Plains person who is a great master, which made her very disappointed in the martial arts of the Song Dynasty. Yagyu Danma Shou said to his two daughters with a serious expression,

"Xue Ji, and Piaoxu, you must know that the Central Plains Wulin is the real Crouching Tiger, Hidden Dragon, and no truly powerful Jianghu people have appeared here. Don't underestimate the Central Plains Wulin, otherwise you will not know how you died."

Yagyu Danma Shou knows how powerful the Central Plains martial arts is, and those powerful Jianghu talents who remain hidden from the world are the real strong men.

Just like the wife of Lord Wu Xiang he saw in Dali, that lady is very powerful, Yagyu Sheng Danma Mamoru couldn't even catch any of the woman's moves.

Yagyu Yukihiime and Yagyu Piaoxu were very surprised after hearing their father's words. They didn't expect Yagyu Danmamoru to be so cautious about the Central Plains martial arts.

Here Although the Jianghu people of the Great Song Dynasty are also very powerful, they are not that powerful. But are there really people in the Central Plains Wulin who are more powerful than the powerful Jianghu people here?..
