Chapter 531

Mu Wanqing was also paying attention to Su Chen just now. She was very surprised when she saw Ruan Xingzhu and Gan Baobao giving Su Chen a massage.

She did not expect that Ruan Xingzhu and Gan Baobao would give a man a massage, but A'Zhu and Zhong Ling did not stop him. This made Mu Wanqing look at A'Zhu and Zhong Ling in disbelief.

Mu Wanqing was very surprised after hearing Zhong Ling's words. When she and her mother Qin Hongmian arrived, they saw the guards guarding here. Those guards were indeed powerful, but when did Zhong Ling have a sister who was a general?

Mu Wanqing had also heard of Mu Guiying. She was the only female general in the Song Dynasty, but she had known Zhong Ling for a long time. If Zhong Ling had a sister named Mu Guiying, it was impossible for Mu Wanqing not to know about it.

Mu Wanqing looked at Zhong Ling and asked doubtfully, "Zhong Ling, is everything you said true? Why haven't I heard that you have a sister?"

"Haha, Sister Wanqing and Sister Mu Guiying are the ones I just met. She recognized me as her sister when she saw how cute I looked."

"So that's it. By the way, Zhong Ling, who is this man? Why is he wearing a mask? What is his relationship with you?" Mu Wanqing looked at Su Chen and asked Zhong Ling.

She was too embarrassed to ask her mother why she gave this man a massage. Mu Wanqing also wanted to know who this man was? How could he have such a powerful guard? What about this man? What's the relationship with them?

"Sister Wanqing, this person is a bad guy, let's ignore him." Zhong Ling didn't want to talk about this bastard Su Chen. She was very angry at Su Chen who didn't care about her.

A'Zhu smiled beside her and didn't say anything. After all, she and Mu Wanqing had never spoken. Although they were in the same class, Half-sisters, but they were not very familiar with each other. This Mu Wanqing was even too cold.

When Mu Wanqing saw that Zhong Ling was unwilling to talk more about the man, she did not ask why. Although she was curious about the man, , but this has nothing to do with her after all, and Mu Wanqing doesn't want to know who this man is.

Su Chen has no intention of caring about Mu Wanqing and Qin Hongmian now. He smiled after getting Ruan Xingzhu's consent, Although Ruan Xingzhu was threatened by her this time, Su Chen had no plans to have anything happen to Ruan Xingzhu.

Looking at the battle on the ring, Su Chen knew that his guess was right. Jin Lun Dharma King was indeed stalling for time. It seemed that The Dayuan army was preparing to launch a war.

Su Chen looked at the Black Widow sitting next to him and asked,"Black Widow, can you kill that King Jinlun?"

Black Widow was sitting here doing nothing and looking at these women. Although these women are all good-looking, they are so different from Concubine Yan, Moon God, and Murong Qiudi.

Even they can't even see Snow Nu, Shi Qingxuan and others. Even worse, Black Widow didn't think these women Su Chen would have any thoughts about them.

When Black Widow heard Su Chen's question, she looked at Jinlun Dharma King and said disdainfully,

"Master, that Jinlun Dharma King is indeed very powerful, but I am not weak to him. If I fight with him, Jinlun Dharma King is no match for me."

"My spider web love thread has been upgraded with the best materials. Although Jinlun Dharma King's external power is invulnerable through practice, my spider web love thread can easily break his external power."

"That's it, I get it, it seems you'll need to exercise soon."Su Chen nodded when he heard Black Widow's words.

Black Widow is not only powerful with her cobweb love thread, but even her own strength is also very powerful. Su Chenguang has many martial arts secrets for Black Widow. Those martial arts secrets But they are all heaven-level martial arts secrets.

"Master, I am very happy to serve you." Black Widow's eyes lit up after hearing Su Chen's words and she sat upright.

She hasn't killed in a battle for a long time. This time she fought against a Grand Master. After Black Widow was promoted to Grand Master, she also wanted to see how strong he was. how strong

"Hahaha!"

Su Chen laughed after hearing Black Widow's words. He knew that Black Widow was a very militant woman. She rarely took action since Black Widow followed her. Today Su Chen wanted Black Widow to be well. Fight once.

Ruan Xingzhu and the others were very surprised when they heard the conversation between Su Chen and Black Widow. They did not think that this coquettish woman could defeat Jinlun Dharma King. But they all knew that Jinlun Dharma King was a great master.

Could it be that this coquettish woman could defeat Jinlun Dharma King? Black Widow is also a great master?

Ruan Xingzhu and the others checked Black Widow but could not see her specific cultivation level. At this time,

Ouyang Ke was showing great courtesy to Xiao Longnu and the others, but Xiao Longnu and the others ignored Ouyang Ke. They ignored them, and even looked at Ouyang Ke with disgusted expressions.

Ouyang Ke knew that these women were difficult to deal with, but he did not lack time.

Wang Chongyang and Lin Chaoying were beaten so hard by Jinlun Dharma King that they could not lift their heads for a while. Jin Lun Dharma King killed Wang Chongyang and Lin Chaoying.

Then Xiao Longnu and the others are in his pocket.

"Huh? Damn it, why did those two women get there? There's some trouble this time."Ouyang Ke suddenly discovered that Mu Wanqing and Qin Hongmian also went to Su Chen's place. This made Ouyang Ke very angry.

Ouyang Ke looked at the only man there and walked towards Su Chen. He didn't care now. There were more people there.

Now all the people here were attracted by the battle in the ring. Ouyang Ke wanted to see why that man attracted those beautiful women.

Lin Bing'er saw Ouyang Ke moving toward Lin Meng just now. Chaoying said worriedly in the past,

"Long'er, that Ouyang Ke went towards the person the lady mentioned."

"Ouyang Ke must have fallen in love with the woman there, but who is the man the master mentioned? Sister Binger, can you guess it?"

Lin Rou'er looked at Xiao Longnu and smiled. She could guess who the man with the mask was. Lin Rou'er didn't think that the young lady's friend Su Chen would appear here.

If it weren't for those who were guarding Lin Rou'er, she would He was very familiar. I'm afraid she couldn't guess that person was Su Chen. No wonder Lin Chaoying said they could go there if they were in danger.

Lin Rou'er also knew that Xiao Longnu had been seen by that Su Chen. If Xiao Longnu knew that The man wearing the mask was Su Chen. I am afraid that Little Dragon Girl would not be able to sit here so peacefully.

Lin Rouer looked at the confused Little Dragon Girl and smiled and said to her,"Haha, Long'er, don't you? Did you find that the guards around those people looked familiar?"

When Xiao Longnu heard Lin Rou'er's words, she looked at the guards and thought about it. She suddenly thought of meeting Su Chen in Zhongnan Mountain. Su Chen's sexy guard was wearing exactly the same clothes as these guards.

Xiao Longnu looked at Su Chen, who was wearing a mask, said angrily, "Those guards? Those are the guards of that bastard Su Chen. Those guards are dressed exactly the same as Su Chen's guards. That bastard Su Chen is also here."

"I asked why the master asked us to go there. It turned out that the pervert Suchen was there, and that bastard was even wearing a mask. No wonder we didn't recognize that bastard."

Chapter 533

Ruan Xingzhu and Gan Baobao were also very surprised when they looked at Su Chen. They did not expect that Su Chen had no intention of saving Qin Hongmian, Mu Wanqing and their mother and daughter. This made them feel very surprised.

Ruan Xingzhu looked at Su Chen and felt that this big devil must threaten Qin Hongmian to massage his back. This big devil was not a good person. He had threatened her just now.

Ruan Xingzhu is now worried that Qin Hongmian, who has a bad temper, will not compromise with this big devil.

Gan Baobao looked at Qin Hongmian and sympathized with her now. This bastard must have also fallen in love with Qin Hongmian. I'm afraid they would join another person to massage this bastard's back soon.

A'Zhu smiled and said nothing. She knew that Su Chen would not fail to save Mu Wanqing and her mother. A'Zhu did not believe that Su Chen was a person who would not save Mu Wanqing and her mother.

Although they and Su Chen had a grudge against Su Chen for killing their husbands and fathers, A'Zhu believed that Su Chen didn't care about these little characters at all. Even with his words, these women would probably die without a burial place.

Qin Hongmian and Mu Wanqing looked very bad now. They didn't expect that this man had no intention of saving them. It seemed that they were in doom this time.

"Wanqing, I will stop Ouyang Ke in a moment, you must run away immediately." Qin Hongmian looked at Su Chen and took Mu Wanqing to tell her.

Qin Hongmian would not lower her face to beg this very perverted man, and she would not be as despicable as Ruan Xingzhu and Gan Baobao by massaging this man's back. , she would rather die to protect Mu Wanqing and escape from here

"No, let's go together, I won't leave alone"

"Wanqing, Ouyang Ke is at the eighth level of innate cultivation. None of us are his opponents. Now, while his uncle Ouyang Feng has not arrived, you must run away soon, otherwise I will not rest in peace even if I die."

"Mom, I won't let you stay alone. Even if I die, I won't leave my mother and run away alone."

"you.....Why don't you listen to me? Are you going to make me mad?"

Qin Hongmian looked at the stubborn Mu Wanqing angrily and had no choice. If Mu Wanqing did not leave them, he would definitely be killed or captured alive by Ouyang Ke.

Qin Hongmian thought about what would happen if Mu Wanqing was caught by Ouyang Ke In the end, she was very angry and helpless.

At this time,

Ouyang Ke came here and looked at Su Chen with a big smile and said, "Hahaha! You are very good. I won't kill you this time because you know the current situation so well."

Ouyang Ke is very arrogant now. The people here are really afraid of his uncle Ouyang Feng. They tried to intercept him aggressively just now. When Ouyang Ke was about to rush over, the guards just gave way obediently. Su Chen saw Ouyang Ke, who was so stupid, didn't want to talk to this fool. If he hadn't seen Qin Hongmian and Mu Wanqing to see if they would ask him for help this time, he would have slapped this disgusting guy to death.

"Boy with a mask, I won't embarrass you this time, but I want to take these two women away, don't you have any objections?"

Zhong Ling hurriedly came to Su Chen and said in a panic, "Big Devil, you can't let him take away Sister Mu Wanqing, mother and daughter. If you do this, we will not forgive you."

"What is your relationship with me?" Su Chen looked at Zhong Ling and asked with a smile,

"us....."

Zhong Ling was also confused. They seemed to have nothing to do with this big devil. A'Zhu came here first. Zhong Ling looked at A'Zhu. Now she wanted to know if A'Zhu had anything to do with this big devil?

"Young Master, you....."

"A'Zhu, you should know what relationship you women have with me. Do you think I will save them?"

Su Chen saw that A'Zhu wanted to plead for Mu Wanqing and their mother and daughter. Su Chen interrupted A'Zhu and asked her.

Su Chen would not easily save Duan Zhengchun's mistress and daughter. Although these women would not cause him any harm. What harm is there, but saving Duan Zhengchun's bastard mistress and daughter. Su Chen like this is also a bit unkind.

A'Zhu lowered her head after hearing Su Chen's words. She knew that Su Chen had not killed Duan Zhengchun's mistress and daughter and had already treated them. I'm particularly merciful.

Now I want Su Chen to save Duan Zhengchun's mistress and daughter. I'm afraid it won't be easy. However, A'Zhu still feels that Su Chen will not let Ouyang Feng capture Mu Wanqing and his daughter.

A'Zhu also thinks of Su Chen's character. It was very clear that she was standing aside and looking at Su Chen. At this moment, Ouyang Ke was drooling when he saw the black widow.

Ouyang Ke couldn't move his eyes away from this scantily clad, coquettish-looking woman. , this is the first time Ouyang Ke has seen such a beautiful and voluptuous woman.

Not only does this woman look beautiful and voluptuous, but her figure is bulging forward and backward, especially the waves on her chest, which makes Ouyang Ke unable to help but want to do this right now. The beautiful and charming woman treated her well.

Ouyang Ke wiped the drool that was about to drip from the corner of his mouth and said to Su Chen impatiently,

"And I want to take that woman away too. Boy, don't you have any objections?"

Black Widow sat next to Su Chen and didn't care about this little scumbag at first, but she didn't expect that this little scumbag would dare to take advantage of her.

Black Widow belongs to Su Chen, and her eyes flashed with coldness when she looked at Ouyang Ke. I need to kill this little scumbag

"Um? Ouyang Ke, are you sure you want my woman?" Su Chen asked, pulling the black widow in front of him, hugging her and kissing her. Su Chen also didn't expect that Ouyang Ke actually fell in love with the black widow, but the black widow is now very beautiful and coquettish.

And the black widow has become As a married woman, Black Widow's movements and movements are full of feminine temptations. It's not surprising that Ouyang Ke is obsessed with Black Widow. Black Widow was held by Su Chen and leaned against his arms. She was like a little Like a cat, he hoped to be loved by his master.

When Ouyang Ke saw Su Chen hugging the black widow and kissing her, his face instantly turned green.

This was the woman he fell in love with, but this bastard dared to hug and kiss her. This was shocking. Ouyang Ke wanted to kill this bastard right now.

Holding back his anger, Ouyang Ke pointed at Mu Wanqing and Qin Hongmian and said to Su Chen,

"Boy, let go of this woman. As long as you give this woman to me, I can exchange these two women for you. If you don't know what to do, don't blame me for being rude to you."

"Ouyang Ke, it seems that those two women are not yours, right? Do you think they would agree?"

"Ha ha! Do they have a choice? If they don't agree, they will die. They have no right to choose at all."

"oh? But I don't believe those two women are willing to be exchanged." Su Chen touched the black widow's long black hair and said with a smile, this Ouyang Ke is really a fool, Ouyang Ke is dead this time, the black widow is his own woman, anyone dares to hit his woman Su Chen will not let him go

"We do."

Chapter 534

Mu Wanqing and Qin Hongmian were very angry when they heard Ouyang Ke's words. They did not expect that Ouyang Ke would dare to exchange them for Su Chen's woman so openly. They did not belong to Ouyang Ke, and they had nothing to do with Ouyang Ke. relation.

Mu Wanqing and Qin Hongmian thought that Ouyang Ke was beyond their control. If Ouyang Feng arrived soon, they would not even have a chance to resist.

If their mother and daughter were kidnapped by Ouyang Ke, I'm afraid endless humiliation would be waiting for them.

Mu Wanqing looked at Su Chen and felt that they would rather stay here than be captured by Ouyang Ke, and this man with a mask probably wouldn't let Ouyang Ke take away his woman.

Mu Wanqing took a breath, looked at her mother, and said to Su Chen,

"We do."

Qin Hongmian was surprised when she heard Mu Wanqing's words and pulled her and said angrily, "What? Wanqing, do you know what you are doing?"

"Mom, believe me, we will be fine in a while." Mu Wanqing looked at Qin Hongmian and said coldly.

Qin Hongmian chose to believe her daughter when she saw Mu Wanqing like this. They definitely couldn't escape here anyway. Qin Hongmian touched Mu Wanqing's face and felt helpless. said,

"you.....Forget it, we, mother and daughter, are doomed today anyway. No matter which of these two bastards we fall into, I'm afraid we will all be worse than dead."

Qin Hongmian has no extravagant hopes of escaping now. I'm afraid they will die here this time. Even if she dies, she will not be insulted by these bastards.

Zhong Ling and the others were very surprised when they heard Mu Wanqing's words. These women did not expect that Mu Wanqing would agree directly.

What was Mu Wanqing going to do?

Was Mu Wanqing planning to trick Su Chen?

Su Chen was very speechless when he looked at Mu Wanqing.

【What's going on with Mu Wanqing?】

【Could it be that Mu Wanqing saw that he was playing tricks on Ouyang Ke?】

【I'll do it!】

【If Mu Wanqing really saw that he was playing tricks on Ouyang Ke, then did Mu Wanqing deliberately agree to this exchange?】

【Damn it, I'm going to be fucked by this Mu Wanqing this time】

【I'm afraid I won't be able to see Mu Wanqing and Qin Hongmian asking him for help this time.】

【This is really a mess. Why doesn't this stupid Ouyang Ke play his cards according to the routine?】

【Wouldn't it be better to catch all these women in one fell swoop?】

【What should I do in exchange for giving her back?】

【Could it be that Ouyang Ke is in bad health? Can you only handle one woman at a time? 】

Su Chen now feels a bit difficult to handle. Regardless of whether he agrees or not, Ouyang Ke's target is the Black Widow.

This time Mu Wanqing and Qin Hongmian were saved by the Black Widow.

Su Chen thought for a while and said to Mu Wanqing and Qin Hongmian, "Do you really agree to the exchange?"

"I really agree with the exchange." Mu Wanqing hurriedly agreed without hesitation.

Seeing that Mu Wanqing couldn't miss the opportunity, Su Chen agreed. He showed a sinister smile and said,

"Okay, but you agreed to the exchange. From now on, you will be our maids. To be my maid, you must have my name engraved on your body. You have no time to regret it now."

Qin Hongmian couldn't help shouting after hearing Su Chen's words, "What? Will we be maids from now on? Do you want to have your name engraved on it? This is impossible and we will not agree to this."

Mu Wanqing also looked at Su Chen in confusion. She did not expect that this man would do this, which made Mu Wanqing a little difficult.

Just now, Mu Wanqing just felt that Su Chen could not exchange her woman for Ouyang Well, it's just that now she is at a loss when she hears Su Chen's words.

It's okay to be a maid, but she is very unwilling to accept the engraving on her body.

"I won't force you. If you don't want to, forget it." Su Chen smiled when he saw that his goal was achieved. He held the black widow and sat here watching the show.

Ouyang Ke heard that Mu Wanqing and the others were unwilling to carve words on their bodies, which made him a little angry. He felt that Su Chen There is nothing wrong with this. He has done this before.

Maid girls are just playthings. Let alone carving them, even if they are allowed to die, they will not have the ability to resist.

"Bastards, if you don't want me to sell you to a brothel after I play with you, you'd better agree to it, otherwise you'll make me angry and you'll be worse off than dead in the future."

Qin Hongmian and Mu Wanqing turned pale after hearing Ouyang Ke's words. They held each other's hands and looked at Ouyang Ke angrily. At this moment, they would not fall into his hands even if they committed suicide.

Zhong Ling really couldn't stand this bastard Ouyang Ke anymore. This shameless bastard dared to threaten Mu Wanqing and her daughter like this.

This made Zhong Ling want to kill this bastard now, but she knew that she had no ability to kill this bastard. Zhong

Ling thought of Mu Guiying and threatened Ouyang Ke,

"Ouyang Ke, don't be arrogant here. My sister is General Mu Guiying who guards Chang'an City. If you force Mu Wanqing and the others here, I will let my sister lead the troops to kill you."

"Ha ha! General Mu Guiying is your sister? Why don't you, little girl, say that you are the princess of the Song Dynasty? You, a little girl, lied without blinking an eye. Do you think I would believe you, a little girl with no hair on all sides?"

Ouyang Ke burst out laughing after hearing Zhong Ling's words.

He had also heard of Mu Guiying, the only female general in the Song Dynasty, but no matter how he looked at it, he didn't think that this little girl was related to Mu Guiying.

How could a yellow-haired girl do it? Are they sisters to Mu Guiying?

Ouyang Ke felt that this little girl was lying to him.

When Zhong Ling saw that Ouyang Feng didn't believe her, she hurriedly said to Ouyang Ke, "You.....Mu Guiying is my sister, everyone here can prove it"

"I am still Lord Wu Xiang of the South. Do you think I should be afraid of Mu Guiying?" Ouyang Ke doesn't want to get entangled with this little girl anymore.

If he hadn't seen the little girl Black Widow, Ouyang Ke wouldn't have let her go.

But since he saw the Black Widow, he doesn't care about all the women here anymore. Ouyang Ke now only wants to get the beautiful and coquettish woman Black Widow.

Su Chen was very speechless when he heard Ouyang Ke's words. He, the real Wu Xiangjun, is here. Although Ouyang Ke is fooling Zhong Ling, this makes Su Chen very unhappy. I'm happy.

First Ouyang Ke was targeting his woman, and now he's even pretending to be his. Su Chen really has no reason to let this bastard go this time.

"you.....you.....How could you be Wu Xiangjun?"

Zhong Ling looked at Ouyang Ke as if she had seen a ghost. She knew that Ouyang Ke was not Wu Xiangjun at all.

If he was really Wu Xiangjun, I am afraid Mu Wanqing and Qin Hongmian would immediately kill Ouyang Ke.

Mu Wanqing Qing and Qin Hongmian want to avenge Duan Zhengchun. If they meet Wu Xiangjun, they will definitely kill Wu Xiangjun regardless of whether they are opponents or not.

"laugh! Then Mu Guiying cannot be your sister."Ouyang Ke sneered at Zhong Ling.

Ouyang Ke looked at Zhong Ling with disdain and then looked at Mu Wanqing and the others. This time, Mu Wanqing and his daughter had to agree whether they agreed or not. This was not the case at all. There was no room for negotiation.

Ouyang Ke must take away that beautiful and charming woman this time.

Chapter 535

Just when Ouyang Ke was about to threaten Mu Wanqing and her daughter again, Ouyang Ke suddenly discovered that Xiao Longnu and the others were also here, which made Ouyang Ke's face turn green instantly.

Ouyang Ke looked at Su Chen and felt that this man wearing a mask was poisonous. Why did all the beauties in the martial arts conference come to him?

He is very handsome, and his family is very powerful. His uncle is also a master. Why don't any of these beautiful women throw themselves at him?

Su Chen also discovered the arrival of Xiao Longnu and the other three, which made Su Chen very helpless. How could these women come to him if they didn't go to the Quanzhen Sect?

Lin Chaoying and Wang Chongyang are lovers, isn't the Ancient Tomb Sect the same family as the Quanzhen Sect?

So what are Xiao Longnu and the others doing here?

Did they see who they were?

Does Xiao Longnu want to come to him for an explanation?

Su Chen held Black Widow in his arms and pretended not to see Xiao Longnu and the others arriving. Anyway, when Xiao Longnu and the others were going to cause trouble for him, he would insist that they had the wrong person.

Ruan Xingzhu and the other girls also noticed that more and more beauties were coming here. This bastard was really poisonous.

Why do all the beauties here come here involuntarily?

Who is this bastard?

They women were now wondering about the identity of this bastard.

A'Zhu now admires Wu Xiangjun's ability to pick up girls more and more. Although she knew that Wu Xiangjun was a playboy in the past, these women came to her door for any reason, which surprised A'Zhu.

At this time, more and more people in the surrounding arena were looking at this place. Although the fighting in the ring was very fierce, Wang Chongyang and Lin Chaoying had been fighting Jinlun Dharma King for a long time, and they had not separated. Win or lose.

The Jianghu people here also lost interest. Seeing that Su Chen had more than ten top beauties here, they all looked over with gleaming eyes. At least the beauties here were better than those at Wang Chongyang and the others. Fighting is eye-catching

"Father, my sister and I will go there."

After Liu Sheng Piaoxu saw the situation at Su Chen's place, she wanted to go there.

There were so many beauties there, and she and her sister Liu Shengyue Ji were also the top beauties. Liu Shengpiaoxu wanted to go with her. Compare those beauties from the Central Plains, who is the most beautiful?

"Ha ha! Go ahead."

Yagyu Danmamoru nodded after seeing the situation there.

He was also very curious about the man sitting there wearing a mask.

Who is that man?

Why are there so many beauties around him?

Yagyu Piauxu listened. When it comes to Yagyu Danma Shou, she pulls Yagyu Yuki and goes directly.

She is not willing to wait for a moment. This time she wants to see who those Central Plains beauties are.

And the secret guards here in Su Chen They are very nervous now. They did not expect that more and more beauties will come here.

And now the people in the surrounding arena are gathering here, and their dozens of secret guards are now very nervously on guard.

They just think that these The secret guard saw two more beauties coming, and the secret guard captain waved his hand and asked the secret guards to let these two beauties in. The secret guard captain had no choice, their king was a playboy, and they had nothing to do with some The threatening beauty didn't pay much attention.

But the same can't be said for men. When some Jianghu people wanted to go over to get to know Su Chen, the secret guards intercepted them without hesitation. Some people who wanted to break into Jianghu were even intercepted by secret guards. The Wei Poqi military crossbow killed him directly.

After arriving, Yagyu Piauxu and Yagyu Yuki found something strange here. They looked at the man sitting there wearing a mask and were very curious. Who is this man? Do all the beauties come to him?

Yagyu Yuki and the others don't think that these beauties are here for Ouyang Ke, Ouyang Ke is just looking at him like a clown.

Yagyū Yukihime and Yagyū Piao-xu meet When Ouyang Ke saw them, they all looked very disgusted.

Su Chen was completely speechless now. Almost all the beauties from the martial arts conference are here. The remaining Lin Chaoying will probably come here soon. Are these beauties coming? A beauty martial arts competition?

Ruan Xingzhu and the others, as well as Xiao Longnu and the others, are looking at each other. They did not expect that there would be so many beautiful women here, and two beauties from Japan also came, which made them look at each other. He was a little curious after looking at it.

Ouyang Ke was going crazy now. He looked at the beauties here and wanted to catch them all in one fell swoop, but he still felt that one black widow was worth all the beauties here.

Ouyang Ke was obsessed with the coquettish black widow. Falling in love at first sight, although he was very attracted by the other beauties here, his primary target was the black widow.

Ouyang Ke also noticed that the people around him were looking at this place, and he didn't want to delay any longer.

Ouyang Ke looked at Mu Wanqing and Qin Hongmian threatened with a gloomy face,

"How are you two thinking about it? If you still disagree, don't blame me for being rude."

Su Chen hugged the black widow tightly when he heard Ouyang Ke's words. He didn't expect that there were so many beauties here. How could Ouyang Ke, a fool like him, identify the black widow.

Su Chen was completely speechless towards Ouyang Ke. Ouyang Ke is insisting on dragging him into the water. Su Chen just wants to watch the fun here. Ouyang Ke is forcing him to kill someone.

"We agreed to be your maids and engrave." Qin Hongmian looked at Su Chen and agreed.

Qin Hongmian also saw now that all the beautiful women who came here were attracted by this bastard.

As long as she agrees to this bastard, I'm afraid this bastard will not agree to the marriage. Ouyang Ke exchanged beauties.

Qin Hongmian now understands why her daughter agreed to the exchange just now. This time they just agreed that nothing would happen. They will not be this bastard maid or carve words on their bodies in the future.

【Holy shit!】

【Is this Qin Hongmian crazy too?】

【Does she agree to such harsh conditions? Isn't Qin Hongmian worried that her daughter will be insulted in the future?】

【Why are these crazy women more abnormal than the other? 】

Su Chen looked at the beauties around him. Some looked at him curiously, some looked at him with contempt, and some looked at him doubtfully.

Su Chen also understood why these beauties looked at him like this.

It was Xiao Longnu and the other three who looked at him with disdain.

They might have regarded him as a pervert, and Su Chen didn't care about them.

None of these women from the Ancient Tomb Sect were normal, and Su Chen didn't want to have anything to do with them.

Those who looked at him curiously were Ruan Xingzhu and Duan Zhengchun's mistresses and daughters.

They must be wondering if they will really accept Mu Wanqing and Qin Hongmian as maids?

Will they even carve words on Qin Hongmian and the others' bodies?

Chapter 536

When Su Chen looked at Yagyu Xueji and Yagyu Piao Xu, these two Japanese women made Su Chen very curious.

Su Chen didn't know them, but these two women had been checking on him since they arrived.

Su Chen felt that they came here for a purpose, but Su Chen didn't know what it was yet.

However, from their confused expressions, Su Chen knew that they must be very interested in what happened here.

He didn't say anything to the two Japanese beauties. Anyway, they would ask after a while.

Su Chen was speechless looking at Mu Wanqing and Qin Hongmian.

What should he do?

The two women now agreed to the exchange and even offered to be his maids and have their bodies inscribed.

But Su Chen would not trade her woman.

Su Chen felt that he might have been seen through by Mu Wanqing and Qin Hongmian. These two women must have guessed that he would not trade the black widow to Ouyang Ke.

In this way, they would not be threatened by Ouyang Ke, and even after they rejected Ouyang Ke, they could escape smoothly. Mu Wanqing and Qin Hongmian thought quite well.

Su Chen looked at Qin Hongmian and Mu Wanqing and said with a smile, "Qin Hongmian, since you agree, let's carve words on your bodies first."

"What? Engraving now?" Qin Hong looked at Su Chen and was confused.

Shouldn't this be exchanged first?

Why should we engrave words now?

Qin Hongmian really didn't want to engrave words on her body anymore, but why did this bastard not act according to common sense? Now Qin Hongmian is in trouble

"Of course, I wouldn't worry if it wasn't engraved with words." Su Chen looked at Qin Hongmian and touched his chin, pretending to be lewd and said,

"Boy, then hurry up and engrave." Ouyang Ke frowned when he heard Su Chen's words. However, he thought that it wouldn't take long just to carve words, so he hurriedly urged.

"Black Widow, go get my last name etched on their bodies." Su Chen patted Black Widow's butt and said to her.

Black Widow got up from Su Chen's arms and smiled and said, "Yes, Master, it should be very easy to engrave my spider web love silk."

Qin Hongmian and Mu Wanqing were very uneasy when they saw the black widow coming towards them. This time they had no choice. Originally, they were going to use Su Chenlai to have a conflict with Ouyang Ke, but this bastard actually wanted to carve words first, which left them a little at a loss.

"Mom, what should we do?" Mu Wanqing now saw that the black widow was coming. She held Qin Hongmian's hand worriedly and asked.

Mu Wanqing was very reluctant to carve words on her body, but if she didn't agree now, I'm afraid one side would already. The impatient Ouyang Ke will take action against them.

The women next to them may not help their mother and daughter. After all, Ouyang Ke is also very strong. Even his uncle Ouyang Feng may have been watching here.

Qin Hongmian She is also unwilling to carve words on her body, but for the safety and innocence of Mu Wanqing, she has to do these things,

"Don't be afraid. Isn't it just a word? As long as we can get through this crisis, we can just erase those words in the future."

Black Widow came to Qin Hongmian and Mu Wanqing and waved, and the three of them were directly surrounded by spider webs of love. Under the continuous rotation of spider webs of love, they were completely disconnected from the outside world.

Black Widow Like Qin Hongmian and the others, they seemed to be in a silver sphere. They could not see the people outside, and the people outside could not see the situation inside.

Liu Shengpiaoxu looked at a silver sphere and asked in surprise, "hiss? What method is this? We can't see what's going on inside?"

Yukihime Yagyu was very surprised when she agreed. She looked at the sphere made by Black Widow and thought, if she didn't know the use of this sphere in battle,

"I don't know. The people of the Central Plains are indeed using various methods in an endless stream. We must not underestimate the martial arts people of the Central Plains in the future."

"I know, sister."

Little Dragon Girl and the others were also shocked by Black Widow's methods. They looked at the sphere and then looked at Su Chen.

Little Dragon Girl looked at Su Chen with some confusion and thought, each of these bastard women is prettier than the last, and they are all The method is very clever, which makes her have no hope of revenge against Su Chen.

Moreover, this black widow is not only beautiful and charming, but she is also very powerful. Xiao Longnu feels that Su Chen is now like a pretty boy. , this bastard has no skills.

Ouyang Ke looked at the sphere created by Black Widow and laughed obscenely. This sphere is very convenient for him. If he wants to do something secretive in the future, he probably won't have to find a room.

Su Chen looked at the hidden sphere made by Black Widow and didn't care about it. He had experienced this before. When Su Chen found out that Ruan Xingzhu and

Gan Baobao looked at the sphere made by Black Widow in surprise and forgot to massage him. Back, Su Chen urged them,

"What are you looking at? Give me a massage now, or I'll carve words on it for you too."

After hearing what Su Chen said, Ruan Xingzhu and Gan Baobao hurriedly came back to their senses and started massaging Su Chen. They didn't want to have words carved on their bodies by this big devil.

If they were also carved with words, I'm afraid they would really do it in the future. They were too embarrassed to see anyone.

A'Zhu and Zhong Ling were very angry when they looked at Su Chen. Not only was their mother massaging this bastard, but now she was also threatened.

This made A'Zhu and Zhong Ling almost unable to help but tell their mother not to stop. Give this bastard another massage.

Zhong Ling angrily pulled A'Zhu and said, "Sister A'Zhu, let's go and bring our mother over? I really can't stand it anymore"

"No, Zhong Ling, don't. Although I am also very angry, it is best for us not to do anything now. Otherwise, if we anger Mr. Su, I am afraid not only our mother will suffer, but we will also be punished by him."

A'Zhu hurriedly pulled Zhong Ling and said worriedly.

A'Zhu knows Su Chen's identity. Although Su Chen is doing too much now, she has nothing to do.

Wu Xiangjun is very powerful. If they let her go now, If Mr. Wu Xiang cannot step down, I am afraid that Mr. Wu Xiang will take action on their mother.

"Sister A'Zhu, who is this Mr. Su?"

"Zhong Ling, don't ask. I can't tell you. If I reveal his identity, I'm afraid everyone here will die."

"hiss? Sister A'Zhu, you didn't lie to me?"

"No."

Zhong Ling looked at Su Chen with fear. She did not expect that this man with a mask was so mysterious, and even those who knew his identity would be killed.

What is the identity of this bastard? How could A'Zhu know the identity of this bastard ? ?

The surrounding people in the world were very curious when they looked at the sphere created by Black Widow. They didn't know what the sphere was for, but it seemed to be of no use. These people in the world were also interested in how the sphere was made.

There are more and more people in the arena around now, but now there are hardly many people watching the battle between Wang Chongyang, Lin Chaoying and Jinlun Dharma King. Even Zha Yadu and the trumpet monks are looking here.

Ouyang Feng, Fu Hongxue, Yagyu Danmamoru and other masters looked at the sphere with solemn expressions. They felt that the sphere was not simple.

These masters sensed those silk threads. But it is very dangerous. If these threads are transparent, I am afraid these threads can be a terrifying murder weapon.

After just a while, the sphere created by the Black Widow disappeared. The Black Widow left Qin Hongmian and Mu Wanqing and came to Su Chen. The

Black Widow hugged Su Chen's arm and said with a smile, "Master, I have already When it was done, I carved five words on their chests, [Su: Exclusive Maid] "

Chapter 538

Ouyang Ke smiled when he saw Yagyu Yukiji and Yagyu Piauxu about to fall to the ground. These Japanese women are fools.

Even though they knew that he was no match for them, Ouyang Ke still dared to come to them and cause trouble. They were completely unprepared. They deserved to be poisoned by him.

"Ouyang Feng, what do you mean by your nephew? Is your nephew going to attack my daughter?" When Yagyu Danma Shou saw Yagyu Xueji and Yagyu Piauxu shaking and about to fall to the ground, he angrily asked Ouyang Feng at the table next to him. Ouyang

Feng looked at Ouyang Ke and didn't know what he was going to do. Here After all, it was a bit far away, and Ouyang Feng and the others didn't know what happened there.

But Ouyang Feng saw that Ouyang Ke was obsessed with Liu Liusheng and Danma Shou's two daughters, which made Ouyang Feng a little happy. After all, using poison is also A kind of strength.

When Ouyang Feng heard Yagyu Danmamoru's words, he laughed and threatened him, "Haha! So what? Yagyu Danmamoru, don't be arrogant here, or you won't be able to leave here."

"you....."

Yagyu Danma Shou felt a little helpless towards Ouyang Feng. He was no match for Ouyang Feng. I'm afraid he wouldn't be able to save his two daughters this time.

But when he saw that Ouyang Ke was going to ruin his two daughters, Yagyu Danmamo was very angry.

"Yagyu Danmamoru, you'd better sit down. It's not bad that my nephew likes your daughters. Maybe we will be a family in the future. I don't want to take action against you now, and you'd better not force me to take action against you."

"Ouyang Feng, this matter is not over yet"

"Hahaha!"

Ouyang Feng smiled when he saw Yagyu Danma Shou sitting down. This Japanese man is not a good person.

Seeing that his daughter was going to be raped by his nephew, Yagyu Danma Mamoru didn't want to be killed by him. Choosing to be indifferent made Ouyang Feng look down on him very much.

Fu Hongxue looked at Yagyu Danma Shou and didn't say anything, but he was now interested in what happened there. Fu Hongxue took a sip of wine and walked over there.

When Shangguan Jinhong and Jing Wuming came back, they were very curious when they saw the situation here. Why didn't the Jianghu people here watch the battle between Wang Chongyang, Lin Chaoying and Jinlun Dharma King? Why were they all gathered in a corner? What were Shangguan Jinhong and Jing Wuming doing?

Jing Wuming was also following the departing Dayuan monks. When they arrived outside the city, they also knew that the Dayuan army was about to launch a war against Chang'an City.

They originally wanted to notify the Song army, but they did not expect that the Song army was already there. Be prepared.

Jing Wuming was also confused now. He looked at the people in the world gathered around the corner. Jing Wuming asked strangely,

"Gang leader, what happened? Why are all the people here running to the corner? Did something happen there?"

Shangguan Jinhong looked at the meaningless battle in the ring and shook his head. He now also understands that the Dayuan people here are attracting the Jianghu people here.

When the Dayuan army starts to attack the city, I am afraid that all the Jianghu people here will also be attracted. There is no way to escape.

Shangguan Jinhong did not intend to inform the Jianghu people here. Whether they live or die depends on the fate of these Jianghu people.

Shangguan Jinhong looked at the Jianghu people here gathered around the corner. He was also confused. "I don't know. Maybe something happened here that we don't know about when we left. Let's go and take a look."

"Yes, Gang Leader."

At this time,

Wang Chongyang, Lin Chaoying and King Jinlun who were fighting in the ring also discovered the following situation, which made them very depressed.

They were fighting to the death here, but the people here were all They didn't look here, but gathered in a corner nearby to watch something.

Was the fight between them really boring?

"Damn Su Chen, that bastard must have caused something there. Can't that bastard cause less trouble?"

Lin Chaoying looked at Su Chen and was very angry. She asked Xiao Longnu and the others to seek refuge with Su Chen.

But that bastard didn't know what he had caused. This made Lin Chaoying very worried about Xiao Longnu and the others. They were all comforted.

After Wang Chongyang took out the golden ring of Jinlun Dharma King with one palm, he asked Lin Chaoying, "Chaoying, do you know what happened there?"

"I don't know, you should concentrate on dealing with Jinlun Dharma King"

"Chaoying, King Jinlun is not fighting us seriously at all now. He seems to be delaying time. Do you know why?"

"Wang Chongyang, are you annoyed? Jin Lun Dharma King is here, won't you ask him now?"

Lin Chaoying is very angry now. She doesn't know what happened to that bastard Su Chen, but Wang Chongyang keeps asking her, which makes Lin Chaoying very impatient with Wang Chongyang.

Lin Chaoying is not only angry with Su Chen now Chen Chen was worried, and she was also very worried about Xiao Longnu and the others. She didn't know why she was worried about that bastard Su Chen.

Lin Chaoying discovered that she had no feelings for Wang Chongyang at all, and was even a little impatient with Wang Chongyang. This was Lin Chaoying was very surprised

【Did he really fall in love with that little bastard?】

【This is impossible, right?】

【That bastard is not only lustful, but he also has a lot of women. How could she like that shameless bastard? 】

As Lin Chaoying fought, all she could think about was that bastard Su Chen. Lin Chaoying thought she was going crazy.

Wang Chongyang was someone she had liked for decades, and Wang Chongyang only accepted her today.

But why does she keep thinking about that bastard Su Chen?

Lin Chaoying didn't believe that she would fall in love with that little bastard.

Wang Chongyang glanced at Lin Chaoying during the fight. He didn't understand why Lin Chaoying, a good man, could get angry.

Could what happened there have anything to do with Lin Chaoying's apprentice?

Was Lin Chaoying worried about her apprentice and head maid being impatient with him?

On this side,

Ouyang Ke waited until Yagyu Xueji and Yagyu Piaoxu were slumped on the ground, and then he walked towards Su Chen.

Now that he has two Japanese beauties ready, Ouyang Ke hopes that this bastard will quickly engrave words so that he can exchange the beauties.

When Ouyang Ke came to Su Chen, he saw Su Chen and Black Widow Niwai together and was very angry.

This beauty will be his from now on, but this bastard dared to mess with her.

This made Ouyang Ke very angry after seeing it. accurate,

"Boy, these two Japanese beauties are ready. They have fallen under my spell and will be powerless within an hour. Now hurry up and engrave them."

"Ha ha! Okay, Ouyang Shaoxia is indeed a man of great promise. I believe we will have a happy cooperation this time."

"Stop talking nonsense, finish carving quickly and let's exchange beauties."

When Su Chen heard Ouyang Ke's impatient look, he kissed the black widow and said,

"Black Widow, this time the bodies of these Japanese beauties are engraved with [Su: Japanese slave maid]】 "

"hehe! Don't worry, Master, I will definitely do what you ask for."The black widow got up from Su Chen and walked towards Yagyu Yukiji and Yagyu Piauxu with a smile.

This time, the black widow repeated her old trick and rearranged a silver sphere with spider webs. What happened inside was different from Qin Hongmian's. , Mu Wanqing, just the words engraved are different this time.

Chapter 540

Su Chen originally wanted Ouyang Ke to offend Lin Chaoying and Wang Chongyang, so that he would not have to let the black widow and secret guards take action, and there would be no possibility of his identity being exposed.

But Su Chen didn't expect that Xiao Longnu would come over on her own, and even Xiao Longnu would ask him if he wanted her.

Su Chen was speechless when he saw the little dragon girl arriving. These women from the Ancient Tomb Sect were really abnormal women.

Shouldn't Xiao Longnu have a cold face, an expression that shows she doesn't care about anything?

Why is Xiao Longnu looking angry now? Did she really recognize herself?

Su Chen is now afraid that Xiao Longnu will reveal his identity in a fit of anger.

"Haha, the girl is joking, I am just making an analogy, girl, don't be angry, your master Lin Chaoying is in a bad situation now, you should go and help your master"

"Do you know who my master is? I don't think I told you about my master, right? Do you know us?"

"I don't know you. I just saw the girl and Lin Chaoying sitting together. I guessed that your girl is Lin Chaoying's apprentice."

"oh? Why do I not believe you? You must know us, right? asshole"

【What the hell!】

【Xiao Longnu indeed recognized him, but how could this be possible?】

【He has not shown his face since he came here, and Black Widow and Little Dragon Girl have never seen him before. How did Little Dragon Girl recognize him?】

【He is not that Yang Guo, and Xiao Longnu has not been in contact with him for a long time. Logically speaking, Xiao Longnu should not recognize him. 】

Su Chen was a little confused now. How did this cold little beauty recognize him? This made Su Chen never think that he was exposed.

"Xiao Longnu, leave now. I don't like your cold look. You'd better leave from my eyes."

"Bastard, do you want to die?" When Xiao Longnu heard Su Chen's words, her chest heaved with anger.

She didn't expect that this bastard would say that she looked cold and why he didn't like her. This made Xiao Longnu very angry.

Lin Rou'er saw Xiaolong. The girl was so angry that she wanted to take action, so she quickly grabbed Xiao Longnu and whispered,

"Long'er, don't be angry, we can't offend him. You have to think about the young lady's current situation."

When Xiao Longnu heard Lin Rou'er's words, she hurriedly resisted the urge to kill this bastard. She knew that her master Lin Chaoying was in critical condition now.

If she really offended this bastard now, if this bastard didn't help her master later, Xiao Longnu will blame herself very much.

The martial arts people around are now very envious of Su Chen, and the Jianghu people here also understand now.

That Ouyang Ke used two beauties to exchange beauties with the man wearing a mask, But Ouyang Ke was tricked once by the man with the mask.

Then Ouyang Ke caught two more Japanese beauties to exchange, but Ouyang Ke was tricked again by the man with the mask.

Now the man with the mask wants Ouyang Ouyang Ke went to arrest Lin Chaoying's apprentice, but before Ouyang Ke could catch him, Lin Chaoying's apprentice came to his door automatically. The

Jianghu people here looked at the four maids beside Su Chen, and the two who were massaging him Beautiful women, plus Lin Chaoying's apprentices and maids, these people in the world can't wait to enjoy these beauties instead of Su Chen.

"Hey guys, who is that guy with the mask? How dare he play with Ouyang Ke like this? Aren't you afraid that Grandmaster Ouyang Feng will come to kill him?"

"I don't know, but I'm afraid this person has a very powerful background. His guards are very powerful, especially the repeating crossbows in their hands, which are rare."

"Ha ha! Ouyang Ke was embarrassed this time. He sent four beauties as gifts but did not get that charming and beautiful woman in exchange."

"Ouyang Ke is probably going crazy now. Haven't you seen that Ouyang Ke's face is now green?"

"Yes, Ouyang Ke might be tempted to take action now, but that coquettish and beautiful woman is really good. She must have a good figure, a good face, a curvy figure and a coquettish and beautiful face. This woman is the best.

It's the best. If it were me, I would trade a few beauties for it."

"Um! Um! It's just that our strength is low. Not to mention the top beauty, even the other beauties here are not as good as us."

"It is indeed more beautiful than watching the battle over there with Jinlun Dharma King. Just looking at the beauties here is a kind of enjoyment."

"Yes, the battle over Jin Lun Fa Wang's side was just a few moves. Now I feel like they are pretending to fight."

"Maybe Grand Master Jinlun Dharma King was playing tricks on Wang Chongyang and Lin Chaoying. Otherwise, given Grandmaster Jinlun Dharma King's cultivation level, he might have killed Wang Chongyang and Lin Chaoying long ago."

The Jianghu people here looked at the beauties here such as Su Chen and were talking to each other one after another.

Especially the way these Jianghu people looked at the Black Widow was like a wolf looking at a sheep. They all wanted to capture the Black Widow and take care of her.

At this time, Xiao Longnu thought about it and walked up to Su Chen. Seeing Su Chen's nervous look, she lay down and whispered a few words in Su Chen's ear. Then she backed away and sat down. Next to Su Chen.

Now Xiao Long'er felt a little happy. The nervous look of this bastard just now didn't look like a pervert.

Xiao Longnu didn't expect that Su Chen would be a little afraid of her. Could it be that this bastard had a guilty conscience?

Su Chen looked at it in a complicated way. Xiao Longnu, he didn't expect that Xiao Longnu would say those words to him, but Su Chen would not agree to Xiao Longnu, and a pair of A's was not necessary.

Besides, Lin Chaoying was Wang Chongyang's future woman, and Su Chen would not do anything that was thankless.

Although the remuneration given by Xiao Longnu was very good, he didn't have any beauties. The four maids here were pretty good-looking. Ouyang Ke was so angry that he wanted to tear this

bastard to pieces. Xiao Longnu looked at her with a pure and pure look. Ouyang Ke didn't expect that Xiao Longnu would start flirting with this bastard.

Moreover, Xiao Longnu would lie down and whisper in this bastard's ear, which made Ouyang Ke very angry.

"Boy, get your woman, Black Widow, over here. I'm no longer in the mood to delay this with you."

"Ouyang Ke, you are eating farts"

"Bastard, I'm going to kill you." Ouyang Ke took his weapon fan and attacked Su Chen angrily.

Ouyang Ke was now mad at this bastard. This bastard deceived him again and again. This made Ouyang Ke unable to bear it anymore. Anyway, if he kills this bastard, the Black Widow will still be his.

"When Xiao Longnu saw Ouyang Ke about to take action, she appeared in front of Su Chen and slapped Ouyang Ke.

Xiao Longnu had long wanted to take action against Ouyang Ke. When Ouyang Ke harassed them earlier, Xiao Longnu didn't dare to attack Ouyang Ke because she was worried about Ouyang Feng.

Now that bastard Su Chen is here, Xiao Longnu no longer worries about Ouyang Ke's uncle Ouyang Feng.

Boom!

Ouyang Ke was blown away by Xiao Longnu's palm After getting out,

Xiao Long'er is now a master. As for Ouyang Ke's innate cultivation level, Xiao Longnu doesn't care very much.

If she hadn't been worried about Ouyang Feng going crazy, Xiao Longnu could have killed Ouyang with one palm this time.

"Xiao Longnu, have you advanced to the master level?"

"It's all thanks to you, you bastard, for compensating me, otherwise I wouldn't have been able to advance to the master level so quickly."

"What compensation?"
