Chapter 541

Su Chen was very helpless when he saw Xiao Longnu coming to save him. Although he was very moved by what Xiao Longnu said to him just now, he was not someone who couldn't move when he saw a beautiful woman.

Now Xiao Longnu doing this will make him very embarrassed. His men here can't beat Ouyang Ke. This Xiao Longnu seems to be determined to save Lin Chaoying by herself this time.

Su Chen saw Xiao Longnu knocking Ouyang Ke away with one palm, and he discovered that Xiao Longnu had advanced to the master level, which surprised Su Chen very much.

The talent of this little dragon girl is so good, she has been promoted from the innate realm to the master in just a few days.

Could it be that the martial arts talent of the little dragon girl has been strengthened in the world of mixed martial arts?

But he was very confused when he heard what Xiao Longnu said. When did he compensate Xiao Longnu?

What did he compensate Xiao Longnu for?

Why didn't Su Chen remember to compensate Xiao Longnu?

Xiao Longnu rolled her eyes at Su Chen when he didn't admit it. She was embarrassed to mention this kind of thing. After all, this bastard gave her the spiritual fruit as compensation after seeing all of her, but she couldn't tell him.

When Xiao Longnu saw Ouyang Ke lying on the ground, she looked at her in horror. She did not beat the pervert again.

She didn't show mercy just now. This pervert is already useless now. If Ouyang Ke doesn't cultivate for a year and a half, he may not be able to recover his body.

Sisters Yangyu Xueji and Qin Hongmian were very surprised when they saw Xiao Longnu. Ouyang Ke was innately at the seventh or eighth level of cultivation, but Xiao Longnu couldn't do this in his hands.

They didn't expect that Xiao Longnu was so powerful.

When Ouyang Feng in the distance saw Ouyang Ke being beaten away, he hurriedly flew here using Qinggong. Ouyang Ke was worried that the people there would kill his son.

After Xiao Longnu returned to her chair and sat down, Lin Rou'er whispered to Xiao Longnu, "Long'er, did you just tell this bastard that we all promised?"

"Having said that, this bastard still seems unwilling to take action." Xiao Longnu was a little discouraged after hearing Lin Rou'er's words.

Xiao Longnu didn't expect that this bastard Su Chen would look like a ghost after hearing her promise. Although they were also deceiving this bastard Su Chen, this bastard was too ungrateful..

Lin Rou'er said in surprise after hearing Xiao Longnu's words,

"This is impossible. How could a pervert like him disagree?"

"The three of us are very beautiful, especially you, Long Er. A cold beauty like you is the favorite of those men. There is no way that this bastard Su Chen will not be attracted to you."

Lin Rou'er didn't expect that Su Chen was still unwilling to take action. The three of them had previously discussed using the three of them to pretend to be Su Chen's women so that this bastard could save Lin Chaoying.

Lin Rou'er didn't expect that bastard Su Chen Unexpectedly, she was not fooled.

Xiao Longnu patted Lin Rou'er with a flushed face and said softly, "Sister Rou, how could you say that to me?"

"hehe! Long'er, you are still shy."

When Lin Bing'er saw Xiao Longnu and Lin Rou'er starting to mess around again, she rubbed her head and said,

"Okay, don't make trouble now. Although we are deceiving this bastard Su Chen, we must also pretend to be more realistic. Otherwise, if he sees through it, this bastard may not really save the young lady."

"we know."

Su Chen saw that Ouyang Feng was about to arrive. He waved his hand to the secret guards and told them not to stop Ouyang Feng's arrival.

Su Chen, the Jianghu people here, looked at them and didn't care about them. As long as the Jianghu people here If they don't break into his place, Su Chen doesn't care if they are here to see these beauties.

"Kerr, are you okay?" Ouyang Feng came to Ouyang Ke and hurriedly checked his body.

When Ouyang Ke saw Ouyang Feng arriving, he pointed angrily at Su Chen and shouted, "Uncle, kill that bastard, kill that bastard."

"Okay, okay, uncle will kill him in a moment. You can take a rest here."

Ouyang Feng breathed a sigh of relief after checking Ouyang Ke. Ouyang Ke's injuries were not life-threatening.

However, several of his ribs were broken. I'm afraid Ouyang Ke will have to recuperate for a year and a half.

He fed Ouyang Ke. He took a pill and looked at Su Chen.

Su Chen was very speechless when he saw Ouyang Feng looking at him with a fierce look.

He was not the one who injured Ouyang Ke.

That Ouyang Ke was so cruel to him?

Even Xiao Longnu beat him Are you going to stop taking revenge for hurting him?

"Master, do you want me to kill this Ouyang Feng?" Black Widow was very unhappy when she saw Ouyang Feng looking at Su Chen fiercely. She leaned into Su Chen's arms and said with a charming smile. After hearing Black Widow's words, Ruan Xingzhu and the others looked at Ouyang Feng a little pitifully. This Black Widow But with the existence that can kill Jinlun Dharma King, Ouyang Feng may be unlucky this time

"No need for now, we will check the situation later." Su Chen hugged Black Widow's soft body and shook his head.

Su Chen insisted on killing Ouyang Ke this time, and Ouyang Feng also wanted to get rid of him. He would not leave any trouble.

It's just that he wanted to see if he If you tell Ouyang Ke that he is Ouyang Feng's son, what will Ouyang Feng's expression be like?

"Boy, are you going to kill yourself or let me do it?" Ouyang Feng looked at Su Chen with his Spirit Snake Sword and threatened.

Ouyang Feng looked at Su Chen and others very strangely. They knew that he was coming, but why didn't they look afraid and nervous?

Ouyang Feng But after checking the cultivation realms of the people here, the highest here, Xiao Longnv, who is also Lin Chaoying's disciple, is the master's junior cultivation realm, and the others are all at an innate realm. It's just the man with the mask and the one he is holding. The charming woman Ouyang Feng did not notice their cultivation level.

Ouyang Feng guessed that they must have practiced some kind of hidden cultivation method, but looking at their young age, Ouyang Feng also felt that their cultivation level was definitely not high enough. Will be stronger than him.

Su Chen held the black widow and looked at sisters Yagyu Yuki and Qin Hongmian and smiled and said,

"I don't want to die yet. I just took in four beautiful maids here. I haven't enjoyed them yet. It's impossible to die."

When Ouyang Feng saw that Su Chen was unwilling to commit suicide, he laughed sinisterly, "Haha! Then you are unwilling to commit suicide? It seems that you want me to take action personally."

"Ouyang Feng, how does your sister-in-law feel?"

"What? you....."

Ouyang Feng panicked when he heard Su Chen's words. He didn't expect that the masked man knew about his scandal.

Ouyang Feng knew that if his scandal was revealed by this bastard this time, he would probably lose his face in the world.

Ouyang Feng looked at Su Chen and was ready to kill this bastard first.

Xiao Longnu and all the beauties here looked at Ouyang Feng and were very curious.

What did Su Chen mean by these words?

Why was Ouyang Feng so panicked after hearing this?

Moreover, Ouyang Feng looked like he wanted to kill Su Chen to silence him.

As for beautiful women such as Ruan Xingzhu, Gan Baobao, and Qin Hongmian, they could guess what Su Chen meant. After all, they were not simple little women.

Ruan Xingzhu and the others looked at Ouyang Feng and did not expect that Ouyang Feng had committed adultery with his sister-in-law.

Then whose son was Ouyang Ke?

Is he the son of eldest brother Ouyang Feng?

Or Ouyang Feng's own son?.....

Chapter 542

Su Chen smiled when he saw Ouyang Feng's panicked look. Ouyang Feng's sister-in-law was so beautiful that Ouyang Feng, a man who only cared about cultivation, couldn't help but fall in love with her.

It seemed that Ouyang Feng's sister-in-law was also a top beauty, but she died a little early. Su Chen was a little regretful that he never had the opportunity to meet her.

Su Chen asked Black Widow to get up and walked towards Ouyang Feng. This time he wanted to kill Ouyang Feng with his own hands. Su Chen hadn't had a good fight for a long time.

This Ouyang Feng was at the same master level as him. Su Chen wanted to see if he could kill Ouyang Feng without using the four sword techniques.

Su Chen took out Yao Yue's Blue Blood Illuminating Painting Sword from the system space and said to Ouyang Feng,

"Ouyang Feng, Ouyang Ke is your son, right? But it's a pity that both your father and son will die here today."

"Who are you?"

Ouyang Feng has now sensed Su Chen's level of cultivation. This person is actually a master. Although his level of cultivation is not as high as his own, Ouyang Feng is very wary when he looks like he wants to kill him.

Xiao Longnu and the others, as well as Yagyu Yukiji, and other women all looked like they had seen a ghost. They had never thought that Su Chen was actually a master. This made them beauties find it incredible.

Xiao Longnu now stood up and looked at Su in shock. Chen said, "Sister Rou, Sister Bing, this bastard is actually a master, and his aura is even stronger than mine. Isn't this bastard hiding too deeply?"

Lin Rou'er and Lin Bing'er were also very surprised by Su Chen. This Wu Xiangjun, who often looked lewd, turned out to be a master. I'm afraid even their young lady Lin Chaoying didn't know this.

Lin Rou'er thought for a while. He said to Xiao Longnu,

"Long Er, he is Wu Xiangjun after all. It may not be that we didn't discover his martial arts skills, but this bastard's woman and his subordinates are very powerful. Wu Xiangjun may not have a chance to take action."

"call! It seems that I misunderstood him before. This bastard is not a pretty boy at all."

Yuyuki Yukiji and Yagyu Piaoxu looked at Su Chen with admiration. They didn't expect that this bastard was at the same level of cultivation as their father Yagyu Danmamoru. This made them feel that they had been carved by this bastard this time. It's embarrassing.

Yagyu Yuki and the Japanese people admire the strong very much. From now on, they will be this bastard's maid, and their sisters will do their best.

Among the people around, Fu Hongxue stared at Su Chen after seeing her Su Chen looked at it, but he felt that Su Chen was threatening him.

"Interesting, this person is very powerful"

"Ha ha! This time Ouyang Feng was dead."Yagyu Danma Shou laughed when he saw Su Chen's cultivation level.

"Gang leader, this person is very dangerous and I am no match for him."Jing Wuming is a little discouraged now.

He is no match for any of the masters here, which makes him feel very useless.

Shangguan Jinhong looked at Su Chen and held his double ring tightly. This person gave him The threat is too great. Shangguan Jinhong is not sure that he can defeat this person.

"Wu Ming, this person is also a very big threat to us. If I fight with him, if the martial arts secrets he practices are not powerful, I can beat him, but if he practices the heaven-level secrets, I am afraid that I am not him. opponent."

Su Chen is full of momentum now. He will not let down his guard against any enemy.

Su Chen does not imagine that like those villains, he did not use all his strength to kill the protagonist at the beginning. When the protagonist grows up, the villain will be tragic.

"Kill your person"

"Then you must also have this ability, the spirit snake method!"

Ouyang Feng knows that this battle is inevitable. After this bastard told his scandal, this bastard and the women here who heard these words will die. Ouyang Feng does not want this matter to be spread.

""Sword Seven"

After Su Chen teleported to avoid Ouyang Feng's attack, he instantly appeared behind Ouyang Feng and used the Holy Spirit Sword Technique to kill Ouyang Feng.

Touch!

"The spirit snake uses the method and the poisonous tongue spits out the letter!"

"Twelve of Swords"

Boom!"

"The spirit snake uses magic, and the strange python turns over!"

"Fifteen of Swords"

Boom! Boom! Boom!

The battle between Su Chen and Ouyang Feng became more and more intense, and the Jianghu people in this area were forced to keep retreating.

Stab!

After several fights, Ouyang Feng Unable to guard against Su Chen's elusive Qing Kung Fu, he was pierced by Su Chen's arm without paying attention.

Ouyang Feng saw a big gash on his arm and shouted angrily,"Boy, don't hide if you have the guts." Come and hide"

"laugh! Even if I don't hide, you will be dead this time."

"Seeking death, toad skill."

Ouyang Feng threw away his spiritual snake pole and squatted on the ground. He bent his hands at shoulder level and made a gurgling sound, just like a toad doing sumo wrestling.

"Let me guess, is this Toad Kung Fu? He looks really ugly like this."

Su Chen was very speechless when he saw Ouyang Feng's appearance. He looked at Ouyang Feng lying on the ground and thought Ouyang Feng was kowtowing to him to admit his mistake?

"go to hell."

Ouyang Feng kicked the ground with his feet and rushed towards Su Chen quickly.

"Sword Eighteen"

Boom!

"Sword Nineteen"

"Twelve swords"

""Sword Twenty-One."

After the few sword moves after Su Chen's "Sword Nineteen", he seems to have become cruel and ruthless. These sword moves now give people a feeling of ruthlessness.

Ouyang Feng is now being used by Su Chen. He was stunned. There were more and more injuries on his body. Moreover, this kid had become very crazy now. Ouyang Feng couldn't dodge his ruthless sword moves.

"Sword Twenty-Two"

Boom!

After Su Chen used Sword Twenty-Two, his aura was so overwhelming that the tables and chairs around him fell to the ground, and the people around him kept retreating in panic.

Women like Xiao Longnu and others. Looking at Su Chen, she was very panicked. Su Chen seemed to be a different person now. He now looked like a ruthless and ruthless person.

Xiao Longnu and the others felt that this bastard should still look lewd. , this bastard looks so scary right now.

Su Chen raised his sword with a blank expression and appeared in front of Ouyang Feng instantly. Under Ouyang Feng's horrified eyes, he pierced Ouyang Feng's heart with one strike.

"you....Can....let go....Son?"After Ouyang Feng was pierced through the heart by Su Chen's sword, he fell to the ground and asked Su Chen.

Su Chen looked at Ouyang Feng and pulled out the Blue Blood Sword from his body and said ruthlessly,

"Cut the grass without eradicating its roots, but it will grow again when the spring breeze blows. Besides, after you die, will your enemies let Ouyang Ke go? I can at least let him die painlessly"

"many....Thanks"

Chapter 543

When Su Chen saw Ouyang Feng's death, he put away the Blue Blood Sword. This time he actually killed a master of the same level, and he could also use his full strength, Sword Twenty-Three of the [Holy Spirit Sword Technique] He didn't use it

【The twenty-three swords of "Holy Spirit Sword Technique" are the "Perfect Sword", also called the "Sword of Hell". The twenty-three swords are the twenty-three swords of heaven and earth, the twenty-three swords of sentient heaven and earth, and the six-destroying swords. twenty-three.

Su Chen felt that if he used Sword Twenty-Three, he might even kill the Grand Master. However, if he used Sword Twenty-Three, he might not be able to bear it. Su Chen didn't want to end up like the Sword Master Dugu Jian. Death

"uncle? How could uncle die? This is impossible?"When Ouyang Ke saw Ouyang Feng being killed by Su Chen, he looked at Ouyang Feng's body and screamed in disbelief.

Su Chen looked at Ouyang Ke and shook his head. This Ouyang Ke is really a waste. , if it weren't for Ouyang Feng's protection, I'm afraid Ouyang Ke would have died countless times.

Su Chen felt that killing Ouyang Ke would dirty his hands, so he looked at the Black Widow and ordered,

"Black Widow, give Ouyang Ke a ride"

"Yes, master."

Black Widow heard Su Chen's words and walked towards Ouyang Ke. This Ouyang Ke had always wanted to get her. Black Widow had long wanted to kill Ouyang Ke who was trying to catch her attention.

Ouyang Ke saw Black Widow coming to kill him. He was very panicked. Now that his uncle has been killed, I am afraid no one can protect him in the future.

Ouyang Ke looked at the charming and beautiful Black Widow and begged her for mercy, "Black Widow, you want to kill me? I really like you, please don't kill me, okay?"

"Tsk ts! Ouyang Ke, you are dead from the moment you want to get me. I only belong to my master, and it will not change even if I die. It is better for you to go on the road with your father Ouyang Feng, so that you are not alone on the road.."

The black widow looked at the disgusted Ouyang Ke and waved her hand, and a colorless spider web flashed directly from Ouyang Ke's neck. Ouyang Ke's frightened head suddenly separated from his body. Ouyang Ke opened his eyes and refused to close his eyes. He looked like he was probably thinking why the Black Widow said that Ouyang Feng would be his father.

When Su Chen returned to his seat, he found that the place was already in a mess. Su Chen looked at Ruan Xingzhu and the others who were far away. They waved.

Su Chen still wanted to rest here and would clean up the place after Ruan Xingzhu and the others arrived. When

Ruan Xingzhu and the others saw Su Chen waving to them, she and Gan Baobao hurried over.

They were now very concerned about this big man. The Demon King was very scared.

Su Chen's fighting expression before was very scary. I'm afraid they will never forget what happened today.

"Clean up this place." Su Chen ordered when he saw Ruan Xingzhu and Gan Baobao coming over.

""Yes."

Gan Baobao and Ruan Xingzhu immediately packed up after hearing Su Chen's words.

At this moment, the people around him looked at Su Chen and were very shocked. Su Chen killed Ouyang Feng, who was at the master level, without any damage. People like them were very surprised by Su Chen's strength.

Fu Hongxue and Shangguan Jinhong looked at Su Chen with great fear. They were no match for this man with a mask. If they had fought with this man just now, I'm afraid they wouldn't be able to compete with him. Will be killed.

Yagyu Yukiji and Yagyu Piauxu looked at each other and walked towards Su Chen. Now they have the word "i" carved on their chests, and they will also belong to this powerful man in the future.

Yagyu Yuki Ji and Yagyu Piauxu also saw Yagyu Danmamoru next to them. However, Yagyu Danmamoru didn't come to save them before. Now I'm afraid he is even more afraid to ask Su Chen for their sisters.

Yagyu Yuki Ji and Yagyu Piauxu also Without talking to Yagyu Danmamoru, they will never have anything to do with Yagyu Danmamoru in the future. From now on, they can only belong to Su Chen.

"Mother, do we still want to run away?"

Mu Wanqing is a little scared now. She was very scared when she saw Su Chen's battle just now.

Su Chen's ruthless expression is still fresh in Mu Wanqing's memory.

Mu Wanqing is now worried about her and her mother. If Qin Hongmian escapes secretly, she might be caught by that bastard, and their mother and daughter will be tortured to the point of death.

Qin Hongmian is also very frightened now. She doesn't want to see Su Chen's appearance just now.

Qin Hongmian She pulled Mu Wanqing, who was very frightened, and comforted her,

"No, we can't escape now. Ruan Xingzhu and Gan Baobao are also here. That bastard is very powerful and he has many men. We can't escape now. Wanqing, let's go there first and we can make plans later."

"OK, all right."

Qin Hongmian sighed and pulled Mu Wanqing towards Su Chen. She also found that the women just passed by. Fortunately, she did not escape with Mu Wanqing, otherwise they would definitely be caught.

Qin Hongmian felt very helpless when she thought of the words on her and Mu Wanqing's chests. She had no hope of escaping in the future.

Are they destined to be this bastard's maid?

When Ruan Xingzhu and Gan Baobao took this place After cleaning up, Liu Sheng Xueji and Liu Sheng Piaoxu put the fruits and tea on the table without knowing where they got them.

Su Chen looked at Liu Shengxue Ji and Liu Sheng Piaoxu and sat down to continue enjoying Ruan Xingzhu and Gan Baobao. massage

"Master, please have tea."Yuyuki Yuki made Su Chen a cup of tea and handed it to Su Chen.

Su Chen didn't find it strange that Yagyu Yuki and Yagyu Piaoxu recognized themselves as masters so quickly.

Japanese people are bullies and afraid of strong people. , as long as you are stronger than them, they will be very obedient to you.

Su Chen took the tea, raised his mask, took a sip and said, "Well, that's good, Yagyu Yukiji, you and your sister will serve me well from now on."

"Yes, master." Liu Shengxueji and Liu Sheng Piaoxu saluted hurriedly after hearing Su Chen's words.

At this time, a secret guard came to Su Chen and saluted, "Master, Shangguan Jinhong and Fu Hongxue are here to see you."

"Shangguan Jinhong? Fu Hongxue? Why do they want to see me? Forget it, let them come."

Su Chen was a little surprised when he heard the secret guard's report. Why did they come to find him? Shangguan Jinhong was scared away by him during the Sui Dynasty.

But who is Fu Hongxue?

How could he be from the Song Dynasty?

"It's the master."

Su Chen felt a little strange when he saw all the women here coming back.

Why didn't these women leave secretly while he was fighting?

Aren't they afraid that he would do something to them?

Su Chen looked at the pale Qin Hongmian and Mu Wanqing asked, "Qin Hongmian, Mu Wanqing, why didn't you leave?"

"We dare not leave."

When Qin Hongmian saw this bastard asking them, she guessed that this bastard must be testing them. Fortunately, they didn't leave secretly just now.

This bastard must have arranged for his men to guard their mother and daughter. If they had wanted to leave secretly just now, I'm afraid they would still be there. If you don't leave this square, you'll be caught.

Chapter 544

On the wall of Chang'an City, the Song Dynasty's army was on guard nervously. The Song Dynasty army had received news that the Yuan Dynasty army would attack Chang'an City today.

The Song army here is very uneasy. They know how powerful the Yuan army is, and they don't know whether they can defend Chang'an City this time.

A partial general looked at the heroic Mu Guiying on the city wall and asked respectfully,

"General, all the troops have been deployed, but will the Yuan army really attack Chang'an City today?"

Mu Guiying stood on the city wall in military uniform and looked into the distance and said seriously,

"General Li, the Dayuan army will attack today. Let the sergeants be ready. Whether Chang'an City can be defended this time depends on us."

"If we cannot defend Chang'an City, hundreds of thousands of people in Chang'an City will be massacred by the Yuan army. We absolutely cannot let the Yuan army break through Chang'an City."

"Yes, general."

Mu Guiying looked at the Song sergeants around her with cold eyes and was a little worried. The morale of the Song army here is not high. The

Yuan army has put too much pressure on the army here. They are invincible in every attack and invincible in battle. The invincible Yuan army had deeply frightened the Song army.

【Su Batian, I hope what you said is right】

【It's just that this time Chang'an City may be in danger.】

【Bastard Su, I'm afraid I'm going to die for my country this time. I hope we can be together again in the next life. 】

At this time, a deputy general came up and saluted Mu Guiying and said, "General, the scouts are here to report. Thousands of Yuan troops were found twenty miles outside Chang'an City chasing two women.""

"The Dayuan army is chasing two women?"

Mu Guiying was very surprised after hearing this. Why are the Dayuan army chasing two women? However, the Dayuan army appeared outside Chang'an City. I am afraid this is a signal for the Dayuan army to attack Chang'an City.

Mu Guiying looked towards The secret guards protecting her ordered, "Su Wu, lead the secret guards to rescue those two women.""

"Yes, ma'am."

At this moment, two women outside Chang'an City were running towards Chang'an City quickly. An older beautiful beauty pulled a younger beautiful girl and quickly used her Qinggong to dodge the bows and arrows shot at them.

These two people are Su Chen met Li Mochou and Lu Wushuang on the road. When they first arrived in Chang'an City,

Li Mochou discovered that her master Lin Chaoying was also in Chang'an City. This surprised Li Mochou. She did not expect that Lin Chaoying, who never left the ancient tomb easily, would also come to participate in the martial arts conference.

After Li Mochou found out about Lin Chaoying, she took Lu Wushuang and left Chang'an City in a hurry. She also did not attend the martial arts conference. Li Mochou had no face to see Lin Chaoying. Chaoying's.

But they didn't expect that Chang'an City had been surrounded by the Yuan army, and Li Mochou and Lu Wushuang could have escaped.

But Li Mochou thought that Lin Chaoying and Wu Xiangjun were still in Chang'an City, so she pulled Lu Wushuang returned to Chang'an City.

She wanted to quickly inform Lin Chaoying and Wu Xiangjun that Chang'an City had been surrounded by the Yuan army. Li Mochou did not want her masters Lin Chaoying and Wu Xiangjun to have trouble in Chang'an City. Lu

Wushuang Wushuang saw that two arrows had been shot into Li Mochou's body. Li Mochou's body was now dripping with blood.

Lu Wushuang saw that Li Mochou did not abandon her even though she was injured, and even saved her several times. This made Lu Wushuang Wushuang felt very complicated when she looked at Li Mochou.

Although Li Mochou was the enemy who killed her whole family, she was very kind to her. Lu Wushuang knew that she had to avenge her parents, but she didn't want to treat Li Mochou now. Mochou took action.

Lu Wushuang looked at Li Mochou who was sweating with confusion. She wanted to let go of Li Mochou's hand holding her.

Thousands of Great Yuan cavalry behind them were still chasing them. , although Li Mochou killed some of the Dayuan cavalry, these Dayuan cavalry kept chasing her. If Li Mochou had been carrying her, they might not be able to escape.

"Master, let's go. You can't escape the pursuit of these Dayuan troops if you take me with you."

"Wushuang, shut up."When Li Mochou saw Lu Wushuang, she was about to let go of her hand, so she quickly tightened Lu Wushuang's hand and shouted at her.

Lu Wushuang saw that Li Mochou still wanted to save her at this time, which made her feel moved and helpless at the same time. , if Li Mochou treats her like this in the future, Lu Wushuang doesn't know whether he will seek revenge on Li Mochou in the future.

Lu Wushuang looked at Li Mochou and said doubtfully, "Li Mochou, you know that I am here. There are people around you who want revenge, why do you still want to save me?"

"Shut up, you have to call me master."

Li Mochou looked at Lu Wushuang and said angrily, how could Li Mochou not know what Lu Wushuang was thinking?

She originally left Lu Wushuang to torture her, but Li Mochou was abandoned by Lu Zhanyuan's cruelty, but Li Mochou. She was filled with sorrow and hatred.

But after spending some time with Li Mochou, she couldn't let go of this little girl. She even fell in love with this little girl more and more.

Lu Wushuang rolled her eyes and ignored Li Mochou. Mochou, she also knew that Li Mochou would not abandon her at this time.

Lu Wushuang thought about it and let it go. If they were killed by the Dayuan army behind them later, she would not have to worry about whether to kill Li Mochou or not. She was worried, she and Li Mochou would die here together anyway.

Li Mochou felt very helpless when she looked at the Yuan cavalry chasing behind her. Her energy was about to be exhausted now, if she couldn't. At this time, she took Lu Wushuang and fled to Chang'an City. They were probably doomed.

Whoosh! Whoosh! Whoosh! Whoosh!

Just when Li Mochou was about to lose her hold, she suddenly found hundreds of men in black suddenly appearing in front of them. These men in black rode horses and shot at the Dayuan army behind them.

"Qi-breaking crossbow? How come these men in black have Wu Xiangjun's Qi-breaking crossbow? Could it be that these men in black are Lord Wu Xiang's men?"

Li Mochou was very surprised when she saw these black-clothed men shooting at the Dayuan troops with their

Qi-breaking crossbows. Only Wu Xiangjun's army and men could have these Qi-breaking crossbows. Could it be that Wu Xiangjun had them?" That bastard came to save them?

"Master, are these Wu Xiangjun's men?"

Lu Wushuang relaxed when she saw the men in black who came to rescue them. She didn't expect that these hundreds of men in black were so powerful. Just a series of shootings, and the Yuan army suffered heavy casualties.

But Lu Wushuang heard Li Mochou was very surprised by what he said.

These people are the subordinates of Lord Wu Xiang from the south?

But isn't Lord Wu Xiang a hostile force to the Song Dynasty?

How could Lord Wu Xiang's men show up here to kill these Yuan troops?

Li Mochou Chou also stopped with Lu Wushuang. While checking her wounds, she said to Lu Wushuang,

"Um! Wushuang, it's good that you know this. Mr. Wu Xiang is also in Chang'an City. The young man we met in the tea shop earlier is Mr. Wu Xiang. Don't talk nonsense."

Lu Wushuang looked at Li Mochou in surprise. She did not expect that her master Li Mochou actually knew Wu Xiangjun. Lu Wushuang was very shocked when she thought of the way Li Mochou and Wu Xiangjun looked at each other in the tea shop. Lu Wushuang was very shocked.

Looking at Li Mochou, she thought in confusion,

【Could it be that Li Mochou and Wu Xiangjun are lovers?】

【Otherwise, why didn't Li Mochou kill Wu Xiangjun in anger when Wu Xiangjun teased Li Mochou in that tea shop?】

【Oh my God! Li Mochou actually had an affair with Wu Xiangjun? No wonder Wu Xiangjun's guards came to rescue Li Mochou】

【Then wouldn't Li Mochou be Wu Xiangjun's woman from now on? Even after Lord Wu Xiang establishes his country in the future, Li Mochou may become Lord Wu Xiang's concubine. 】

Chapter 545

Lu Wushuang was so surprised when she thought about Li Mochou and Wu Xiangjun that she didn't know what to say. She thought Li Mochou was too awesome.

Li Mochou actually made Wu Xiangjun defeated under her pomegranate skirt, which made Lu Wushuang admire Li Mochou very much.

Li Mochou was very confused when she saw Lu Wushuang's excited look. This was just the bastard Wu Xiangjun's men who came to save them. What was Lu Wushuang so excited about?

Li Mochou didn't know what Lu Wushuang was thinking now. If she knew what Lu Wushuang was thinking now, I'm afraid she would teach Lu Wushuang a lesson.

Li Mochou had nothing to do with Wu Xiangjun, that pervert. Wu Xiangjun's daughter was very interested, but Li Mochou wanted Wu Xiangjun's daughter Su Yan to be her apprentice.

In just a moment, the secret guards killed more than two thousand Dayuan cavalry. After the secret guards killed these Dayuan cavalry, Su Wu came towards Li Mochou and the others.

"Is Mr. Wu Xiang still in Chang'an City now?"

After Li Mochou saw these guards killing the Dayuan army, a man who looked like a guard commander came over. Li Mochou hurriedly asked him.

Su Wu, the secret guard commander, was stunned after hearing what Li Mochou said.

How does this beautiful woman know that the king is in Chang'an City?

Is this woman also the king's confidante?

Su Wu does not dare to offend this beautiful woman now. If she knows that the king is in Chang'an City, I am afraid that she will also be their secret guard in the future. Mistress.

Su Wu hurriedly saluted Li Mochou and said,

"Report to Madam, Your Majesty is still in Chang'an City"

"quick! Take us to see Su Chen quickly. I have something urgent to tell him."

When Li Mochou saw that the guard commander was so respectful to her and even called her madam, she didn't think much about it.

Now Dayuan's attack on Chang'an City is a big deal. This matter must be told to that perverted bastard as soon as possible.

Lu Watching the conversation between the guard and Li Mochou, Wushuang was even more sure of her guess. Li Mochou was indeed having an affair with Mr. Wu Xiang.

Otherwise, the guard wouldn't be called Mrs. Li Mochou, but Li Mochou heard the guard's name Her wife wasn't angry either.

Lu Wushuang felt that Li Mochou had hidden too much. She, her disciple, didn't know anything about Li Mochou and Wu Xiangjun.

"Yes, ma'am."

After hearing Li Mochou's words, Su Wu didn't know what important matter she had, but he didn't dare to delay the lady's instructions.

Su Wu immediately asked someone to lead two horses for Li Mochou and the others to ride on, and then led them towards the court. Running towards Chang'an City.

Chang'an City, martial arts conference.

Su Chen is now speechless to Qin Hongmian, Mu Wanqing and the others.

Qin Hongmian and the others dare not escape?

This is a bit ridiculous.

Although Su Chen let the black widow stay They had words engraved on their bodies, but he only taught them some lessons, and even frightened them, who knew that they were Duan Zhengchun's mistress and daughter.

Su Chen never thought about what he would do to them.

Qin Hongmian hugged Mu Wanqing was very worried about what this bastard would do to them, but she looked at Su Chen for a while and found that this bastard didn't pay attention to their mother and daughter. This bastard was actually looking at Xiao Longnu and the others.

This made Qin Hongmian temporarily confused. She breathed a sigh of relief, but she felt that mother and daughter seemed to be dispensable people, and they seemed to have no sense of existence here.

Ruan Xingzhu and Gan Baobao were massaging this bastard, while Yagyu Yuki and Yagyu Yuki who agreed to be maids with them Liu Shengpiaoxu was cutting tea and peeling fruits for this bastard, and they seemed to have been forgotten.

Xiao Longnu and the others felt guilty when they saw Su Chen looking at them. After all, they had deceived Su Chen just now.

They did not expect that This bastard is actually so powerful. What if this bastard really saves Lin Chaoying.

If they regret not becoming this bastard's maids, I'm afraid they will be forcibly taken away by this bastard.

Xiao Longnu and the others now have some feelings for Su Chen. Fear, they also felt that the suggestion just now was asking for trouble.

Su Chen was a little strange when he saw Xiao Longnu and the others looking uncomfortable. He also looked at why Xiao Longnu and the others were still here?

Lin Chaoying's situation is very serious now. No, Su Chen discovered that Lin Chaoying had been injured, and Jin Lun Dharma King might be serious about it.

Why did Xiao Longnu and the others come to him if they didn't help their master (Miss)?

Su Chen would not save Lin Chaoying, Xiao Long. Even if they lied to each other, it was impossible for him to save Lin Chaoying.

There were hundreds of Quanzhen disciples of Wang Chongyang here. Xiao Longnu would not let Quanzhen disciples save Lin Chaoying and Wang Chongyang.

They would let them. If you go to save Lin Chaoying yourself, is he being taken advantage of?

Or should you treat him as a lickster?

"Shangguan Jinhong met the young master"

"Jing Wuming met the young master"

"Fu Hongxue has met the young master."

At this time, Shangguan Jinhong, Jing Wuming and Fu Hongxue arrived and said to Su Chen, cupping their fists and cupping their hands.

"I'm Su Batian, I've met you all."

Su Chen clasped his fists and cupped his hands when he saw Shangguan Jinhong and the others arriving.

After Su Chen asked Shangguan Jinhong and the others to sit down, Shangguan Jinhong hurriedly told Su Chen the news he had discovered,

"Mr. Su, we are here to tell you that the Dayuan army has surrounded Chang'an City. This time the Dayuan army will not only break through Chang'an City, but even the Dayuan army will kill all of us Jianghu people."

"I know that King Jinlun is here to hold back the Jianghu people here. Otherwise, with the strength of King Jinlun, Wang Chongyang and Lin Chaoying would have been defeated long ago."

Shangguan Jinhong didn't expect that Su Chen knew about Dayuan's conspiracy, but he didn't understand why Mr. Su would stay so peacefully since he knew it already.

"Mr. Su, since you knew Dayuan's conspiracy in advance, why didn't you leave Chang'an City?"

"Chang'an City cannot be broken"

"Mr. Su has so much confidence in the guards of Chang'an City?"

"Of course."

Shangguan Jinhong is speechless now. The Yuan army has more than 200,000 elite troops, while the Song Dynasty Chang'an city only has 60,000 to 70,000 troops, and the remaining old, weak, sick and disabled troops are just cannon fodder.

Shangguan Jinhong is not He believed that the Song Dynasty would be the opponent of the Yuan army with its 60,000 to 70,000 troops. After all, regardless of the number of troops and the elite level of the army, the Song army was completely suppressed by the Yuan army. Su Chen saw Shangguan Jin Hong thinking deeply.

He looked at Fu Hongxue, who was leaning forward.

This Fu Hongxue would be called the undefeated sword god in the future, but now he was only at the level of a master, and he was still far away from becoming the undefeated sword god.

Su Chen Thinking that Fu Hongxue was not the son of Hua Baifeng and Bai Baiyu. This Fu Hongxue was also a tragic figure. He lived his whole life to find Ma Kongqun to avenge Bai Baiyu.

Su Chen thought of Fu Hongxue's adoptive mother Hua Baifeng and asked with a smile, "Fu Hongxue, your mother Is Hua Baifeng okay?"

"Do you know my mother?"

Chapter 546

Fu Hongxue looked at Su Chen in surprise. He didn't expect that this person actually knew her mother.

Who was this man with the mask?

What is his relationship with his mother?

Fu Hongxue now has a lot of questions in her heart. Su Chen

"I know your mother, but your mother may not know me anymore." Su Chen looked at Fu Hongxue and smiled.

How could Hua Baifeng know him?

Su Chen also met Hua Baifeng on the TV, but is this Hua Baifeng the white-haired Hua Baifeng?

Su Chen wants to find out now. After all, the white-haired Hua Baifeng is very beautiful.

Fu Hongxue stared at Su Chen very unkindly.

Is this person trying to ruin his mother's reputation?

Or is he really a good person? What happened to his mother?

It's just this mask How could a man be so young and have a relationship with his mother?

Fu Hongxue held his knife and threatened Su Chen, "Who are you?" I've never heard of my mother knowing our friends? And my mother's maid didn't say that her mother had any friends?"

"Your mother's maid? Is it Sanniang Shen?" Su Chen no longer paid attention to Fu Hongxue's threat. He was very surprised when he heard about Hua Baifeng's maid Shen Sanniang. When

Su Chen heard Fu Hongxue talking about Shen Sanniang, he touched his chin and was very confused.

Is there no Shen Sanniang in the mixed martial arts world? Are you going to work as an undercover agent next to Ma Kongqun of Wanma Hall?

Su Chen deplored what happened to Shen Sanniang in the original work. Shen Sanniang was probably the most tragic woman among the prodigal sons in the border town.

Shen Sanniang dedicated ten years of her youth to the man she hated.

【The sky is in panic, the earth is in panic, people are like jade, jade is fragrant, Sanniang is sinking in the hall of thousands of horses. 】

This is the saddest description of Shen Sanniang, the prodigal son of the border town.

Shen Sanniang is like a flower. She missed the flowering period, missed her life, and made a mistake in her life. Shen Sanniang's life is a mistake! wrong! wrong!

"Do you even know Shen Sanniang?" Fu Hongxue is very uneasy now.

If he had just said his mother's name, Fu Hongxue would have thought that this person got the information from the older generation.

But no one else can know the name Shen Sanniang. Is this bastard really related to her mother?

"Is Shen Sanniang still with your mother now?"

Su Chen now wants to know if Shen Sanniang went to Wanmatang to work as an undercover agent. That poor woman had better not go to Wanmatang to work as an undercover agent, otherwise her life will be ruined in the mixed martial arts world.

Fu Hongxue looked at Su Chen It's very complicated. Is this bastard also related to Shen Sanniang?

No wonder Shen Sanniang has never left her mother, and has never even gone out to contact any men.

Fu Hongxue glared at Su Chen and said unkindly, "Shen Sanniang has been accompanying your mother. , never left"

"Hahaha! That's good, that's good."

Su Chen laughed after hearing this. The world of mixed martial arts has indeed changed. Shen Sanniang may not be as tragic in the world of mixed martial arts as she was in the world of prodigal sons in the border town. The girls around Su

Chen now looked at Su Chen Chen's eyes were very strange. They didn't expect that this bastard would have a relationship with Fu Hongxue's mother.

Even judging from the things Su Chen said, I'm afraid that this bastard's relationship with Fu Hongxue's mother was not good at all. Simple.

The women here look at Su Chen with great contempt. Fu Hongxue is about the same age as this bastard.

But this bastard actually hooked up with Fu Hongxue's mother.

Is this bastard going to be Fu Hongxue's father?

Shangguan Jinhong and Jing Wu Ming now looked at Su Chen in shock. These things were a bit exciting. They had even forgotten that the Dayuan army was going to attack Chang'an City.

Shangguan Jinhong and Jing Wuming were very sympathetic to Fu Hongxue. His mother seemed to be related to this person in the past. People matter, Fu Hongxue's dead father now has some green hair. When

Fu Hongxue saw Su Chen laughing, his face turned very ugly. Fu Hongxue looked at Su Chen with a gloomy face and thought,

【Damn it, this bastard really has a relationship with his mother, and even Shen Sanniang has a relationship with this bastard】

【Who is this bastard?】

【The name Su Batian must be fake】

【And there are so many beautiful beauties around this bastard. He must be a lecher. Could it be that this bastard also deceived his mother and Shen Sanniang before? 】

Su Chen felt very pitiful for Fu Hongxue when he looked at Fu Hongxue. Fu Hongxue was transferred as Hua Baifeng's son since he was a child. He spent his whole life avenging Bai Tianyu who was not his father.

But in the end, when he was about to kill Ma Kongqun, he was stopped by Bai Tianyu's biological son Ye Kai.

When did Ye Kai's sentence of retribution come true!

Fu Hongxue's more than ten years of hard work were in vain.

The woman died in order to take revenge, and he even lost everything. In the end, he left with scars all over his body.

Su Chen felt that Fu Hongxue was just like Xiao Li Feidao and Li Xunhuan, both suffered the same tragedy.

"Fu Hongxue, there is something I want to tell you, but don't get excited after hearing it."

Fu Hongxue became nervous when she heard Su Chen's words. He was now afraid that this bastard would tell him about his relationship with his mother. Now Fu Hongxue was very worried about whether to listen to what this bastard said.

"call! You say it"

"You are not Hua Baifeng's son." Su Chen thought about it and decided to tell Fu Hongxue his life experience. Su Chen didn't want Fu Hongxue to continue to be miserable in the mixed martial arts world.

"What? Am I not my mother's son? How can this be? You lied to me, right?"

Fu Hongxue was very surprised after hearing what Su Chen said. He didn't expect this bastard to tell such news. Fu Hongxue looked at Su Chen and asked hurriedly.

Su Chen looked at Fu Hongxue and said to him,

"You were abandoned when you were a child. Bai Tianyu's wife was jealous that Hua Baifeng had given birth to a son for Bai Tianyu, so she secretly replaced you with Hua Baifeng's son. As for your specific life experience, I don't know, and you don't have to worry about Bai Tianyu. Revenge is not your responsibility"

"So who is my mother's biological son?" Fu Hongxue began to believe what Su Chen said. This bastard knew these things so clearly, and he also had a complicated relationship with her mother. It was impossible for this bastard to lie to him.

"Leaves open!"

"Ye Kai?"

"Yes, his name is Ye Kai, but I don't like this Ye Kai very much. He looks like a gentleman and is stupid. I'm afraid he won't avenge his father. He might let Ma Kongqun go by saying "Revenge is over"."

Su Chen couldn't stand Ye Kai very much. Fu Hongxue lost everything just to avenge his father.

But in the end, when Fu Hongxue was about to kill Ma Kongqun, Ye Kai rescued Ma Kongqun. This is ironic enough.

"This is impossible, right?"

Su Chen did not answer Fu Hongxue's question about Ye Kai. He looked at Fu Hongxue and reminded him, "Fu Hongxue, Cuinong is a good girl. Although her background is not good, she loves you very much. You must treat her well in the future. treat her"

"As for revenge for Bai Tianyu, it is not your responsibility. Revenge for Bai Tianyu is Ye Kai's business."

"Regardless of whether Ye Kai will take revenge in the future, you should not get involved, otherwise you may lose a lot, such as Cuinong."

Chapter 547

Fu Hongxue was speechless after hearing Su Chen's words. This bastard actually knew about Cuinong. Could it be that he had been sending people to follow him and his mother?

But Fu Hongxue was very happy when she thought of Cuinong. He left without saying goodbye last time. This time he will go to Cuinong. He will also redeem Cuinong in the future, but he doesn't have thousands of taels of silver.

Su Chen looked for help from the secret guard, and he asked the secret guard to bring some money. Although there was a lot of money in Su Chen's system space, there were many people here, and it was impossible for him to grow up in the system space at this time. Take out money.

Su Chen knew that Fu Hongxue had no money, so he had to rob Cuinong by force. However, with Fu Hongxue's temper, it was impossible for him to rob Cuinong openly.

"Fu Hongxue, there are one thousand taels of gold here, I think you should know what to do."

Fu Hongxue saw that Su Chen asked his men to deliver a package, and there was one thousand taels of gold in it, which made Fu Hongxue a little embarrassed to accept it.

"Too much, I only need a thousand taels of silver."

Su Chen waved his hand to Fu Hongxue and said with a smile, "Don't you guys need money to live in the future? Take it, I don't lack the money either"

"Thank you, I will go back and tell my mother these things."

Fu Hongxue is not being pretentious. He is relaxed now. He will no longer run around to avenge Bai Tianyu. As for whether Ye Kai will avenge Bai Tianyu or not, that is none of his business.

Fu Hongxue even I also want to know about the relationship between Su Chen and his mother, but there are too many people here, and it is also an scandal.

Fu Hongxue also doesn't want people here to know about this bastard and his mother. Anyway, if this bastard and her Fu Hongxue would also know their relationship when her mother met.

At this moment, hundreds of men in black on horseback came to the square of the martial arts conference. When these people arrived, the men in black rushed to the ring.

When people in the arena saw these people galloping on the square of the martial arts conference, they all looked over curiously.

Li Mochou hurried to the ring with her secret guards. She looked at the people who were talking to Jinlun Dharma King. Lin Chaoying, who was fighting, hurriedly shouted,

"Master, the Dayuan army is about to attack Chang'an City. Please leave here with us as soon as possible."

"What? Did the Yuan army attack Chang'an City?" Lin Chaoying was very surprised when she heard Li Mochou's words. With one strike of her sword, she knocked away the golden wheel of King Jinlun and flew down the ring to Li Mochou. When

Li Mochou saw Lin Chaoying coming, she hurriedly grabbed her Lin Chaoying's arm said,

"Yes, Master, Chang'an City is very unsafe now. More than 200,000 Yuan troops have surrounded Chang'an City. Let's quickly make peace with Mu Guiying, so that we can have a chance to escape from Chang'an City."

Lin Chaoying understood after listening to Li Mochou's words. No wonder Jinlun Dharma King has not used all his strength against her and Wang Chongyang. He wants to hold back the martial arts people here. I'm afraid

Jinlun Dharma King's target is not only Chang'an City, but also Chang'an City. The Jianghu people here were also the targets of the Dayuan army this time.

Lin Chaoying looked at Li Mochou's bloody look and knew that she came to inform her this time. She must have encountered an obstruction from the Dayuan army.

Lin Chaoying gave Li Mochou After taking a healing potion, he said angrily,

"Damn it, this King Jinlun originally wanted to hold back the Jianghu people here. Was he planning to catch all the Jianghu people in the Song Dynasty as well?"

At this time, Wang Chongyang also came over and hurriedly said to Lin Chaoying, "Chaoying, we leave Chang'an City immediately. With more than 200,000 Dayuan troops, Chang'an City will definitely not be able to defend this time."

Lin Chaoying looked at Wang Chongyang and was very confused.

Wang Chongyang was coming to help guard Chang'an City this time, but the war was about to start, but Wang Chongyang was leaving at this time.

This made Lin Chaoying look at Wang Chongyang. Chongyang felt very incredible

"Wang Chongyang, aren't you here to help the Chang'an City defenders guard Chang'an City this time? Why are you leaving at this time?"

Wang Chongyang looked a little embarrassed and hurriedly explained to Lin Chaoying,

"Chaoying, if we had elected the leader of the martial arts alliance before, maybe we could defend Chang'an with the Chang'an City defenders, but this time the martial arts conference did not elect the leader of the martial arts alliance, and even the Jinlun Dharma King of Dayuan is still in Chang'an City, I am afraid that Chang'an City will really be defended this time. Can't stand it anymore."

Lin Chaoying looked at Wang Chongyang and ignored him. Now that Chang'an City has been surrounded by the Yuan army, it is probably impossible for Wang Chongyang to escape.

Lin Chaoying suddenly saw the man Li Mochou brought. The secret guards were a little surprised. These secret guards were Su Chen's guards.

How could Li Mochou take these secret guards?

Especially the secret guard leader Su Wu, whom Lin Chaoying knew.

Then, some people in the world heard this. The Dayuan army is about to attack Chang'an City. It has even surrounded Chang'an City. People here are also discussing how to escape Chang'an City.

"what to do? Chang'an City has been surrounded by the Dayuan army. Will the Dayuan army want to kill all of us Jianghu people this time?"

"This is for sure. These Dayuan troops have now surrounded Chang'an City. I'm afraid we won't be able to escape even if we escape."

"You're still escaping, we'll be fighting against the Yuan army in a moment"

"No wonder Jinlun Dharma King has never captured Wang Chongyang and Lin Chaoying. It turns out that he is attracting the Jianghu people here. The Dayuan army surrounded Chang'an City probably because they were afraid that we would get the news and leave Chang'an City. This time we Jianghu people here I'm afraid it's more serious than bad."

"Damn it, I don't want to die here"

"what to do? Are we just waiting to die here?"

When King Jinlun saw the Jianghu people here, he also knew that their Dayuan army was going to attack Chang'an City, but his goal was achieved.

Even the Jianghu masters here did not leave. Although Hong Qigong ran away, A bereaved dog, Jinlun Dharma King didn't care about Hong Qigong's escape.

Jinlun Dharma King looked at Zha Yadu and nodded. From now on, we will see how Zha Yadu attacks Chang'an City. Jinlun Dharma King also doesn't know who Zha Yadu is. How to arrange the army to attack Chang'an City?

When Zayadu saw Jinlun Dharma King nodding to him, he also knew that it was his turn to take the lead. Zayadu had long wanted to be in the limelight, but he was afraid that it would ruin this plan, so he He had been trying not to show off here.

Zha Yadu led dozens of trumpet monk masters and went up to the ring and loudly said to the people of the Great Song Dynasty here,

"Hahaha! People from the Central Plains, I am Zha Yadu, the young prince of Dayuan. As long as you surrender to our Dayuan, I can spare your life, otherwise you will all be executed."

The Jianghu people here became quiet after hearing Zha Yadu's words. They didn't expect that a young prince from Dayuan would appear here and now want to recruit and surrender their Jianghu people. This made them Jianghu people not sure what to do. Done

"Master, Mr. Wu Xiang is also here. Shall we go over to find him?"Li Mochou didn't pay attention to what Zha Yadu said. She pulled Lin Chaoying and whispered in her ear.

"How do you know that bastard?"

Chapter 548

Lin Chaoying looked at Li Mochou who was injured for notifying her, and she felt a little distressed. Although Li Mochou was expelled from the Tomb Sect by her, Li Mochou was after all the disciple she raised.

Lin Chaoying had cared about her apprentice very much over the years. Now that she heard Li Mochou talking about Su Chen, Lin Chaoying was worried that her apprentice would be ruined by that bastard Su Chen.

Li Mochou didn't know why her master Lin Chaoying had such a big reaction when she heard about Wu Xiangjun. She looked at Lin Chaoying's nervous look and said hurriedly,

"Master, I have nothing to do with Mr. Wu Xiang, I just met him a few times.

Lin Chaoying stared into Li Mochou's eyes and asked again, "Really?" You didn't lie to me?"

"No, how dare I deceive the master."

Li Mochou was a little flustered.

She now thought: Master Lin Chaoying and Wu Xiangjun have some conflicts and hatred.

If Lin Chaoying and Wu Xiangjun have enmity, I'm afraid her master will suffer. Li Mochou But I know how powerful Lord Wu Xiang is

"There is no best, stay away from that bastard in the future, he is not a good person.

Lin Chaoying breathed a sigh of relief when she heard Li Mochou's words.

Two of her Tomb sect were bullied by that bastard. She herself was touched and kissed by that bastard, and Xiao Longnu was also seen naked by that bastard. , Lin Chaoying didn't want Li Mochou to be related to that bastard,

"Yes, master"

"Come on, come with me to find that bastard."

Lin Chaoying pulled Li Mochou and walked towards Su Chen. After seeing the secret guards, they also followed.

Here,

Su Chen was very confused when he saw that Li Mochou came with his secret guards. , wasn't his secret guard given to Mu Guiying? How could he come with Li Mochou?

And Li Mochou was not afraid of Lin Chaoying and came to report to her. Didn't Lin Chaoying really drive Li Mochou out of ancient times? Tomb sect?

When Lin Chaoying arrived with Li Mochou and the secret guards, Xiao Longnu and the others hurriedly met with Lin Chaoying and the others. The secret guard leader Su Wu came to Su Chen with the secret guards and saluted. ,

"Owner"

"Su Wu, didn't I ask you to take orders from Mu Guiying? Why are you and Li Mochou here?"

When Su Wu heard Su Chen questioning him in a bad tone, he hurriedly knelt down and explained to Su Chen,

"Master, the rebel forces in Chang'an City have been cleared. We also received orders from Madam Mu Guiying to rescue Madam Li Mochou outside Chang'an City."

【What the hell!】

【What is Mrs. Li Mochou?】

【What the hell】

【Li Mochou has a fart relationship with him】

【These secret guards will teach them a lesson in the future. How come they think they have something to do with a beautiful woman when they meet her? 】

Su Chen looked at the secret guard commander and felt very helpless.

Is his reputation so bad that even his guards now think he is a pervert?

Su Chen glared at Su Wu and said to him, "Su Wu, take your men and get back here. If Mu Guiying makes any mistake, you should know what the consequences will be.""

"Yes, master."

Su Wu hurriedly rode away with the secret guards after hearing Su Chen's order. He didn't dare to be an eyesore here. Su Wu just heard Li Mochou calling Master Lin Chaoying. This time Wu Xiangjun might We are in trouble.

Lin Chaoying brought Li Mochou and Xiao Longnu to Su Chen and said to him,

"What are you going to do, you bastard?"

"What does this have to do with you?" When Su Chen heard Lin Chaoying ask him angrily, he didn't want to talk to these crazy women from the Tomb Sect.

Lin Chaoying looked at the many beauties around Su Chen and was very speechless. This bastard was still enjoying the massage given to him by the beauties. , would this bastard risk his life for a beautiful woman?

"Bastard, the Yuan army is about to attack Chang'an City. Do you want to stay here and wait to die?"

"Let me tell you, Lin Chaoying, whether I die or not doesn't matter to you, right? Are you taking too much care?"

The women here and Shangguan Jinhong were very speechless when they looked at Su Chen and Lin Chaoying. They also guessed that the relationship between Su Chen and Lin Chaoying must be unusual.

Fu Hongxue thought of his mother when he saw Lin Chaoying. Now he was even more sure that the relationship between this bastard and his mother must be the same as that of Lin Chaoying. This bastard was a lustful person, and he even hooked up with Lin Chaoying. At this time, Wang Chongyang took hundreds of Quanzhen sect members with him. The disciple also came over. When Wang Chongyang heard what Su Chen said to Lin Chaoying, he was very unhappy and said,

"Boy, Chaoying is also worried about the Jianghu people here. Don't be ignorant of appreciation."

"Who are you? Old man!" When Su Chen saw Wang Chongyang arriving, he lectured him, which made Su Chen very unhappy.

When Wang Chongyang saw that this man didn't recognize him, he said to Su Chen with great dignity,

"I, Quanzhen Jiao Wang Chongyang."

Su Chen looked at Wang Chongyang with some disdain and laughed,

"Oh, it turns out to be the bereaved dog. I heard that your Quanzhen Sect was burned by the Yuan army, so you brought your disciples and grandchildren to Chang'an City to escape the pursuit of the Yuan army. I think you should not be called Wang Chongyang in the future. Just call Wang Paopao"

"hehe! The master said it well." The black widow laughed when she heard Su Chen's words.

She leaned in Su Chen's arms and looked at Wang Chongyang unkindly. The black widow heard some murderous intent from Su Chen's tone. She was ready to hear Su Chen's words now. After giving the order, these Quanzhen Sect members were killed.

"Wang Chongyang, you have nothing to do here, please go away." Lin Chaoying had a conflict with Su Chen when she saw Wang Chongyang arriving, which made her very angry. Lin Chaoying was also afraid that Su Chen and Wang Chongyang would fight.

Shangguan Jinhong, Fu Hongxue, Jing Wuming and others looked at Wang Chongyang and said I feel that his head is green now.

Especially Lin Chaoying's tone towards Su Chen and Wang Chongyang. Although Lin Chaoying was not polite to Su Chen, she and Su Chen seemed to be angry.

And Lin Chaoying was so mean to Wang Chongyang. You're not polite at all. This clearly shows that Lin Chaoying cares about Su Suchen and doesn't care about Wang Chongyang's feelings at all.

Fu Hongxue now completely believes that Su Chen and his mother are indeed related. This bastard may have also had an affair with his mother. What an unpleasant thing.

Fu Hongxue was very speechless when she looked at Su Chen.

Do you want to call this bastard his father when you see him again?

Fu Hongxue's face became very ugly when she thought of this.

Ruan Xingzhu and other women looked at Lin Chaoying very curiously, and they didn't think that Lin Chaoying, a master, also knows this bastard.

This bastard knows too many beauties, right? And it seems that the relationship between Lin Chaoying and this bastard is not simple.

Li Mochou is a little confused now.

This is her master Lin Chaoying. Chaoying?

Li Mochou knew that her master had always liked Wang Chongyang, but now it seemed that her master liked Wu Xiangjun even more?

Li Mochou felt that what happened today was a bit unacceptable to her.

Her master had liked Wang Chongyang for decades. Why has it changed now?

Could it be that Wang Chongyang hurt her master?

And why did Wu Xiangjun know her master Lin Chaoying? How did this pervert know her master?

Li Mochou shook her head and felt dizzy. It hurts very much, but she doesn't want Wu Xiangjun to have a relationship with her master, otherwise how will she accept Wu Xiangjun's daughter as her apprentice in the future?

Li Mochou doesn't want her apprentice to not receive it, but to have an additional little ancestor.

Chapter 549

Wang Chongyang looked at Lin Chaoying with a very ugly face. He was helping Lin Chaoying just now, but Lin Chaoying said this to him and even asked him to leave.

Wang Chongyang couldn't understand why Lin Chaoying did this.

"Chaoying, this kid was disrespectful to you just now. Can't I help you teach him a lesson?"

Wang Chongyang's disciples heard Lin Chaoying speak rudely to their master, which made Wang Chongyang's disciples very angry.

Wang Chongyang's disciples didn't like Lin Chaoying, a woman who often lived in ancient tombs. Will the women here be normal?

These disciples don't want their master to marry a psychopath to the Quanzhen Sect.

Although Lin Chaoying is very powerful, she has a very bad temper. They don't want to be in Quanzhen in the future. With one more person to discipline them,

Wang Chongyang's disciples also opened their mouths to question Lin Chaoying.

"Senior Lin, you will be the master wife of our disciples from now on. Our master also wants to prevent you from venting your anger. You are so able to speak to my master like this."

"Yes, Senior Lin, the master will marry you in the future. We are a family after all, but it is unreasonable for you to refute our master's face for outsiders."

"Master, it seems that Lin Qian looks down on our Quanzhen Sect. You should consider getting married to Senior Lin."

"Even if you dare to speak to our master like this for an outsider, you don't know how it will harm our Quanzhen Sect in the future."

"Lin Chaoying, our master has promised to marry you, but you have gone too far this time. Are you looking down on our Quanzhen Sect?"

Lin Chaoying's face turned red with anger when she heard what Wang Chongyang's disciples said. She never thought that Wang Chongyang's disciples would say this to her. Lin Chaoying, Wang Chongyang's useless disciples, now wanted to slap them to death.

Li Mochou looked at When Wang Chongyang's disciples accused her master, she angrily pointed the Buddha dust at Qiu Chuji and the others and shouted, "Shut up, all of you, or I will kill you all.""

When Qiu Chuji heard that Li Mochou dared to threaten them, he shouted expressionlessly, "Witch, you kill innocent people indiscriminately. We didn't kill you because you were doing harm to the people because we were looking at Senior Lin's face. Don't be so ungrateful"

"court death! Ice Soul Silver Needle."

Li Mochou couldn't even stand these disgusting Taoist priests, so she attacked Qiu Chuji with his Ice Soul Silver Needle.

Ding ding ding ding!

Ah!

Qiu Chuji saw Li Mochou attacking him with a hidden weapon, and he hurriedly He took the long sword and quickly knocked away Li Mochou's hidden weapon. However, Li Mochou had too many ice and silver needles, and Qiu Chuji was accidentally hit by these ice and silver needles.

""Senior Brother (Junior Brother)""

When other Wang Chongyang disciples saw Qiu Chuji injured, they all stepped in to help Qiu Chuji fly away these hidden weapons of Li Mochou.

When Li Mochou saw several more Wang Chongyang's disciples standing up, she shot towards them. She attacked with her palm, this time she wanted to teach her master a lesson for these disrespectful Taoist priests.

Wang Chongyang frowned when he saw his disciples blaming Lin Chaoying for him, and he wanted to stop him. The disciples accused Lin Chaoying.

But Wang Chongyang thought that Lin Chaoying had prevented him from stepping down, so he allowed his disciples to accuse Lin Chaoying.

Wang Chongyang did not expect that Li Mochou would dare to hurt his disciple for her master. , This made Wang Chongyang a little angry.

When Wang Chongyang saw Li Mochou fighting with several of his disciples, he looked at Lin Chaoying next to him with a sullen expression.

Lin Chaoying had been looking at the Quanzhen Cult with an expressionless face. A clown, she now feels that she was really blind and fell in love with Wang Chongyang before.

This time when she saw Wang Chongyang's disciples dare to talk to her like this, it seems that Wang Chongyang really never cared about it again. She,

Lin Chaoying, did not stop Li Mochou from taking action. She even hoped that Li Mochou could kill several of Wang Chongyang's disciples.

Xiao Longnu and the others were very happy when they saw Li Mochou teaching Wang Chongyang's disciples a lesson. , they couldn't help but want to teach these hateful old men a lesson just now.

When Su Chen saw Wang Chongyang's four disciples fighting Li Mochou, he shook his head and smiled.

These weak men were all Are the Seven True Sons here to make fun of themselves?

Four old men surrounded and killed Li Mochou, but Li Mochou actually got the upper hand.

It seems that these disciples of Wang Chongyang are really in vain.

Su Chen leaned on the chair and said disdainfully , "laugh! The disciples of the Quanzhen Sect are not that good either. They are all so old that they are not as good as a young woman. Shangguan Jinhong looked at Li Mochou and several Quanzhen disciples who were fighting and laughed,

"Mr. Su, none of the Quanzhen Seven Sons are at the peak innate cultivation realm, but Li Mochou is at the innate peak cultivation realm. Wang Chongyang's disciples will be in bad luck this time."

"Yes, Li Mochou was very ruthless this time, and these disciples of the Quanzhen Sect may be in trouble this time."Fu Hongxue looked at the fighting people expressionlessly and said,

""Heart-Destroying Palm"

Li Mochou was able to fight the Quanzhen Sect with one against four with ease. When she found the opportunity, she flew towards Wang Chuyi and slapped her on the chest.

Boom!

Ah!

Quanzhen Seven Sons Wang Chuyi slapped Li Mochou and flew him away. He fell to the ground and vomited blood with a look of shame on his face.

Wang Chuyi did not expect that the four senior brothers were no match for Li Mochou, not even himself. He was also seriously injured by Li Mochou

"Senior brother (junior brother), how are you?"

"He's not dead yet, but he can't fight anymore."

Wang Chongyang felt that he couldn't do this anymore. His disciples were embarrassed enough today. If this Li Mochou were to injure several of his disciples again, I'm afraid the Quanzhen Sect would really lose face.

"That's enough, stop it."

The people of the Quanzhen Sect hurriedly stopped when they heard Wang Chongyang's order. When Li Mochou saw the angry Wang Chongyang, he looked at the Quanzhen Seventh Son with disdain and retreated to Lin Chaoying.

Wang Chongyang looked at Lin Chaoying and said He said to Lin Chaoying with a sullen face, "Chaoying, you, a disciple who was expelled from the school, is ruthless and has done many unreasonable things. This time I will destroy her martial arts skills."

"Wang Chongyang, my disciple Li Mochou, even if she is a murderous demon, you don't need to control her." Lin Chaoying is now completely disappointed with Wang Chongyang, and she has given up on Wang Chongyang.

Lin Chaoying looked at the Quanzhen Seventh Son and Wang Chongyang and thought, this is really a disciple of any kind of master.

Lin Chaoying Thinking of her infatuated entanglement with Wang Chongyang in the past, she shook her head.

When Wang Chongyang founded the Quanzhen Sect in Zhongnan Mountain, she also founded the Ancient Tomb Sect in Zhongnan Mountain in order not to be separated from Wang Chongyang.

Thinking about it now, Lin Chaoying felt that She used to be very ridiculous and ignorant

"Chaoying....."

"Wang Chongyang, you should call me by my full name from now on. From now on, we will have nothing to do with each other."

Chapter 550

Lin Chaoying didn't want to be entangled with Wang Chongyang anymore. She felt that what she had been pursuing for decades was ridiculous. This was really a mirror, everything was just her beautiful fantasy.

Wang Chongyang looked at Lin Chaoying in surprise. He did not expect that Lin Chaoying would end their relationship like this.

Lin Chaoying had been waiting for him to accept her for decades. Why did Lin Chaoying just give up this time?

Wang Chongyang thought that he had accepted Lin Chaoying not long ago, but Lin Chaoying had changed in such a short time?

Could it be that what his apprentice said this time was too unpleasant?

Lin Chaoying felt very embarrassed?

Wang Chongyang felt that what his disciples said just now had hurt Lin Chaoying. He walked towards Lin Chaoying and said, "Chaoying, we just decided to be together. Don't be so impulsive. I will take care of those disciples I just made." them"

"Forget it, Wang Chongyang, we will go our separate ways from now on. From now on, we will be strangers."

"Chaoying, have you really decided like this?"

"Yes"

"Hope you don't regret it."

When Wang Chongyang looked at Lin Chaoying, he waved his sleeves angrily and looked at Su Chen. He felt that this bastard was responsible for this incident.

Although he was not a womanizer, Lin Chaoying's break with him made him He was very angry.

Wang Chongyang didn't want a woman who liked him to fall into the arms of someone else.

【I'll do it!】

【Did Lin Chaoying really break up with Wang Chongyang?】

【Why did they break up so quickly?】

【Sure enough, there is no normal person in the Tomb Sect. 】

Su Chen curled his lips when he saw the breakup between Lin Chaoying and Wang Chongyang and thought, why did Lin Chaoying suddenly become enlightened?

Did she find that Wang Chongyang was not a good place to end up?

Wang Chongyang came to Su Chen and glared at him. He was very angry now. Since the masked man had provoked him just now, Wang Chongyang planned to take it out on him.

"Boy, just now you seemed to look down on Pindao very much."

"It's not that I look down on you, but I've never taken you seriously. Wang Chongyang, you're not coming to vent your anger on me just after being divorced by Lin Chaoying, right?" Su Chen was very disdainful when he saw Wang Chongyang arriving in a menacing manner.

It seemed that Wang Chongyang was coming to take out his anger on him, but he might have found the wrong person this time. If Wang Chongyang dared to attack him, Su Chen would Destroyed everyone in the Quanzhen Sect

"You bastard, you're looking for death."

Wang Chongyang became so angry when he heard Su Chen's words.

What did this bastard say?

He was divorced by Lin Chaoying?

He had only accepted Lin Chaoying before. How could Lin Chaoying use the word divorce to break up with him?

"Wang Chongyang, stop it."

Lin Chaoying was very angry when she heard what Su Chen said, but when she saw Wang Chongyang was about to take action against Su Chen, Lin Chaoying flew directly to her side to stop Wang Chongyang from taking action against Su Chen.

Wang Chongyang saw Lin Chaoying protecting Su Chen. He couldn't help but think that when he reprimanded this bastard just now, Lin Chaoying seemed to have been helping this bastard.

Moreover, after this bastard was unreasonable to Lin Chaoying, Lin Chaoying did not teach this bastard a lesson.

Wang Chongyang looked at the dozen or so people around this bastard. She is a beautiful woman. When he thought of Lin Chaoying's love for this bastard, Wang Chongyang guessed that Lin Chaoying would fall in love with this shameless pervert, right?

Wang Chongyang laughed and mocked Lin Chaoying,

"Ha ha! I understand. No wonder I thought you were weird when I saw you this time. It turns out you were taken over by this kid."

Lin Chaoying was shocked when she heard Wang Chongyang's words. She didn't expect Wang Chongyang to say this, but her heart was beating suddenly when she heard Wang Chongyang said these words.

Lin Chaoying hurriedly calmed down her emotions and said to Wang Chongyang. Chongyang warned, "Wang Chongyang, please stop spouting nonsense here. This bastard and I are innocent. It's not what you think. If you dare to talk nonsense here again, don't blame me for being rude to you."

"You yourself know whether you are innocent or not, Lin Chaoying, I really misjudged you before."

"you....." Lin Chaoying's face was full of shame and anger, and she didn't know how to refute Wang Chongyang.

She was closely related to that bastard Su Chen. That bastard did such a thing to her, but Lin Chaoying, who was not good at lying, didn't know how to continue..

Su Chen was very speechless when he saw Lin Chaoying's appearance. Doesn't Lin Chaoying's lack of refutation just admit that she has an ambiguous relationship with him? This silly girl is really very stupid.

Su Chen saw that the people around him looked at him very strangely. He also knew that these people had misunderstood him.

Lin Chaoying had nothing to do with him, eh!

Except for what he did to Lin Chaoying last time when he admitted the wrong person.

Ruan Xingzhu and the other women here, as well as Shangguan Jinhong and others, are now convinced of the relationship between Su Chen and Lin Chaoying. This time, I am afraid that even if Su Chen refuses to admit it, no one here will believe it.

When Wang Chongyang saw Lin Chaoying blushing and speechless, he knew that his guess just now was right.

Wang Chongyang knew that Lin Chaoying would never lie. When he saw Lin Chaoying's appearance, he was very worried. Angry.

Lin Chaoying, whom he had never touched before, actually had a relationship with this bastard, which made Wang Chongyang heartbroken and very angry.

Wang Chongyang did not expect that Lin Chaoying, who had always been pure and self-respecting, would do such immoral things. When he looked at Lin Chaoying, he felt that this woman was now very disgusting.

"Lin Chaoying, you are just a flirtatious woman. You have been pursuing me for decades. I thought you were a well-educated, courteous and pure woman."

"I never thought you would get together with a junior. Fortunately we broke up this time, otherwise I would have lost all my face by you."

"I'm afraid you have already done those disgusting things between you, right? Don't deny it, Lin Chaoying, I know you very well. You have never been good at lying. Do you dare to admit that you are still a pure and pure woman now?"

Lin Chaoying looked at Wang Chongyang with her face flushed and trembling. She didn't expect Wang Chongyang to be so shameless. She really didn't do those things with that bastard Su Chen.

But she was touched and kissed by Su Chen after all. Lin Chaoying Thinking that she is still a pure and pure woman now?

Lin Chaoying doesn't know how to answer Wang Chongyang now. People around her are looking at her, and Lin Chaoying is really panicked now.

Su Chen saw Lin Chaoying Chaoying sighed. This Lin Chaoying couldn't tell lies. She probably didn't lie to him when she said she was separated from Wang Chongyang in Zhongnan Mountain.

Su Chen looked at Lin Chaoying who was a little overwhelmed. He felt that Lin Chaoying was very stupid. She couldn't tell lies. She didn't know how she grew up so big.

Su Chen stood up and hugged Lin Chaoying in front of him.

"Wang Chongyang, what you said is correct, but what does this mean? Do you regret not accepting such a beautiful Lin Chaoying before?"

"Are you jealous now that you see Lin Chaoying throwing himself into my arms?"

"But to be honest, Lin Chaoying is one of the women with the best figure I have ever seen."

"It's just that you missed this stunning beauty who is top notch in both figure and appearance."
