Chapter 551

Su Chen hugged Lin Chaoying and felt very relieved when he saw Wang Chongyang's angry look. Wang Chongyang, who had always pretended to be aloof, was very regretful now, right?

Seeing Lin Chaoying, who had always liked him, being held by him, he must be in a very uncomfortable mood now.

When Wang Chongyang angrily insulted Lin Chaoying just now, he might have thought that Lin Chaoying had betrayed him, and Wang Chongyang even felt that Lin Chaoying was no longer pure.

Lin Chaoying was very embarrassed and annoyed when Su Chen hugged her. This bastard actually hugged her in public.

Although this bastard was helping her, didn't this bastard solidify the relationship between them?

Lin Chaoying heard these shameful words from this bastard again, which made Lin Chaoying feel a little embarrassed, but she thought that this bastard really liked her figure?

Is my figure really that good?

"You two adulterers and whores." Wang Chongyang clenched his fists and stared at Su Chen and Lin Chaoying and said angrily.

Su Chen looked at Wang Chongyang and kissed Lin Chaoying and said with a smile, "Haha! Wang Chongyang, you are already old, why are you still so childish? What kind of adulterers and whores are we? Is Lin Chaoying married? Or am I married?"

Lin Chaoying now wants to strangle this bastard to death. This bastard should actually kiss her.

When Lin Chaoying saw Li Mochou and Xiao Longnu looking at her dumbfounded, she lowered her head in shame and anger.

Lin Chaoying felt that she would never do it again in the future. She had no face to see her apprentice and maid.

Lin Chaoying felt this bastard hugging her tightly and thought helplessly:

【This shameless bastard!】

【She was killed by this bastard this time】

【This bastard talks so casually, why doesn't he have a wife? This bastard has quite a few wives. 】

Li Mochou and Xiao Longnu were stunned when they saw Su Chen hugging their master and kissing them. They didn't expect that Lin Chaoying and Su Chen had such a relationship.

Just now they saw Su Chen hugging Lin Chaoying. Li Mochou and the others were surprised to think that Su Chen and Lin Chaoying were putting on a show.

But now that Lin Chaoying and Su Chen were kissing, it couldn't be a show, right?

Wang Chongyang really couldn't stand this bastard anymore. He was so angry that he slapped the two adulterers and adulterers.

"Wang Chongyang, you are seeking death!"

Lin Chaoying saw Wang Chongyang attacking. She hurriedly came out of Su Chen's arms and faced Wang Chongyang.

Boom! Boom! Boom! Boom!

Lin Chaoying and Wang Chongyang were fighting directly in the air. They were not what they were now. They were lovers, and now Lin Chaoying and Wang Chongyang had a real fight.

When Su Chen saw Lin Chaoying fighting with Wang Chongyang to protect him, he touched his nose with some displeasure. Su Chen felt that his reputation as a pretty boy I'm afraid it can't be erased.

The Quanzhen Sect's seven disciples saw their master fighting with Lin Chaoying. They looked at this very arrogant pretty boy and wanted to kill him. This pretty boy just insulted their master.

Quanzhen Sect The five people who were not injured in Qizi came over one after another with long swords to kill him.

They had not come here before to see Su Chen kill Ouyang Feng.

Otherwise, they would have borrowed their courage, and I am afraid they would not dare to come. Kill Su Chen.

Su Chen smiled when he saw that these Quanzhen sect people wanted to kill him. These people really came to kill him, but this was okay.

Wang Chongyang wanted to kill him just now, so these Quanzhen sect disciples He won't let any of them go.

"Huh?"

When Su Chen was about to kill the disciples of the Quanzhen Sect, his mental power suddenly sensed a powerful aura and attacked Lin Chaoying and Wang Chongyang.

Su Chen immediately teleported to Lin Chaoying and held her while talking. He came back instantly.

Just after Su Chen took Lin Chaoying away, two golden wheels attacked. When Wang Chongyang saw Lin Chaoying being taken away by Su Chen and was about to chase him, he pulled!

A golden wheel suddenly hit Wu Wu. Wang Chongyang was on guard. Although Wang Chongyang tried his best to avoid it, one of his arms was still cut off by a golden wheel.

Wang Chongyang hugged his broken arm in pain and screamed.

"ah! ah! My arms!"

"master"

"When the disciples and grandsons of the Quanzhen Sect saw Wang Chongyang's broken arm, they all screamed in surprise.

They, the disciples of the Quanzhen Sect, did not expect such a change. When they looked at the Golden Wheel Dharma King in the sky, they were very shocked. , is this the true strength of King Jinlun?

Zha Yadu came here with dozens of trumpet monks and laughed and said,"Haha! There are so many beauties here, but after a while you will all belong to me."

Zha Ya was very happy when he saw the more than ten stunning beauties in the Ancient Tomb Sect. There are mature beauties, cool beauties, gentle beauties, and young beauties. Moreover, all of them not only have curvy figures, but also They are all very beautiful

"Young prince, business matters are important."Jinlun Dharma King appeared next to Zha Yadu and reminded him.

Jinlun Dharma King was very disappointed when he saw that no one in Wang Chongyang and Lin Chaoying was killed.

Just now he attacked Wang Chongyang and Lin Chaoying with all his strength. , although Lin Chaoying was rescued, Wang Chongyang only disabled one of his arms.

This made Jinlun Dharma King very dissatisfied with his sneak attack.

Zha Yadu looked at the women here at Su Chen and felt evil He said with a smile,

"The Dharma King I know, all you people in the Central Plains, please listen. If you surrender to us, Dayuan, you will be spared. Do you see these people behind me? They have all surrendered to our Dayuan."

Su Chen was a little surprised as he held Lin Chaoying and looked at Zayadu and the Jianghu people.

In just a short time,

Zayadu actually conquered more than half of the Jianghu people in the Song Dynasty. It seems that the Jianghu people here are greedy for life and afraid of death. There are quite a few

"Please let me go."

Lin Chaoying was very moved when she saw that this bastard saved her again.

If Su Chen hadn't appeared in time to take her away, I'm afraid she would have died the same as Wang Chongyang.

Lin Chaoying felt that the bastard was holding her hand dishonestly, which made Lin Chaoying blush and try to break away from the bastard's arms.

Su Chen did not let go of Lin Chaoying. She smiled at the blushing Lin Chaoying and said, "Let go." What to put? You will be my woman from now on, can't I hold you now?"

"roll! I'm not your bastard's woman."

Lin Chaoying looked at this shameless bastard angrily and was very speechless.

This bastard is a guy who speaks out loud. Although she has feelings for this bastard now, there are even a lot of women in this bastard.

Lin Chaoying wants to Think quietly, will she mind this bastard's other women in the future?

"Duplicitous woman"

"You are shameless."

Zha Yadu looked at the beauties here and then looked at Wang Chongyang who was injured and had his arm broken.

"Wang Chongyang, you Quanzhen Sect will surrender or not."

Wang Chongyang's arm first stopped bleeding under the bandage of his disciple. He looked angrily at Jinlun Dharma King who sneaked up on him and said to Zha Yadu,

"Pindao will not surrender to your alien race, and our Quanzhen Religion will not surrender to your alien race either."

Chapter 552

The Chang'an City Martial Arts Conference Square is now divided into four forces. King Jinlun and Zha Yadu, who brought their surrendered Central Plains Jianghu people, are the largest force. There are at least a thousand of them here.

There are still six to seven hundred Jianghu people who have not taken refuge in Dayuan. They are now huddled in a corner of the square to guard against Jin Lun Dharma King and his companions.

Wang Chongyang's Quanzhen Sect is a separate force. Hundreds of people from the Quanzhen Sect are now nervously confronting Jinlun Dharma King's people. The battle between them is about to break out.

Only Su Chen had the smallest number of people in the martial arts conference square. There were only dozens of them. Apart from his secret guards, there were only a dozen women like Ruan Xingzhu and Shangguan Jinhong and the others.

Su Chen saw that King Jinlun and Zha Yadu were now going to take action against the Quanzhen Sect, which he was very happy to see.

Su Chen doesn't like any of the Taoist priests from the Quanzhen Sect. It would be best if the Quanzhen Sect can fight King Jinlun and the others to death together.

Su Chen knew that the Taoist priests of the Quanzhen Sect in the original work were all crooked people. Even the Yin Zhiping who defiled Xiao Longnu, Su Chen hated him very much, but Su Chen didn't bother to kill him yet..

When Zha Yadu heard Wang Chongyang's awe-inspiring words, he looked at the restless disciples of the Quanzhen Sect and said to him with disdain,

"Wang Chongyang, don't toast me and eat as a penalty. If I order the slaughter of these low-strength disciples of your Quanzhen sect, I'm afraid your Quanzhen sect will be wiped out today."

Wang Chongyang looked at the Quanzhen Sect disciples behind him and felt very helpless. This time, his Quanzhen Sect might really be destroyed.

Although Wang Chongyang didn't want these disciples to die here with him, but It is impossible for him to take refuge in Dayuan, and his Quanzhen Sect cannot take refuge in Dayuan either.

"Even if our Quanzhen sect is wiped out today, there is no way I can take refuge with you Dayuan people."

Zha Yadu looked at the people of the Quanzhen Sect with an ugly face. He did not expect that Wang Chongyang had already had one of his arms cut off, but he still refused to surrender to their Dayuan.

Although there were many Jianghu people who joined their Dayuan this time, they They are all small sects, and none of them are powerful.

If Zayadu wants to impress Zhao Min, he must conquer some powerful Jianghu people.

Zayadu waved his hand behind him and said ruthlessly He shouted loudly,"Wang Chongyang, then I will fulfill your chivalry. Today your Quanzhen Sect is going to be expelled from the world. Come on, first destroy these Quanzhen Sect people.""

"Quanzhen teaches preparations for war!"

Wang Chongyang saw that the Jianghu people who had taken refuge in Dayuan were about to take action against them. He took a long sword and ordered the Quanzhen Sect disciples behind him.

"Yes, Master (Master)"

"Bu Tiansha Big Dipper array."

The Quanzhen Seventh Son led the Quanzhen Sect and hundreds of disciples to quickly set up the Tiansha Big Dipper Formation. After the Quanzhen Sect disciples arranged the Tiansha Big Dipper Formation, the Quanzhen Sect suddenly became weird. The disciples of Zhenjiao were divided into seven directions and formed a formation to fight against the enemy. Tianshu, Tianxuan, Tianji, Tianxuan, Yuheng, Kaiyang, Yaoguang, the formation arranged with seven stars instantly burst out a powerful wave. The momentum is coercive.

And the Jianghu people in the Central Plains who have taken refuge in Zha Yadu no longer dare to attack the Quanzhen Religion rashly. They are just greedy for life and fear of death, so they take refuge in Dayuan. The formation arranged by the Quanzhen Religion is very terrifying at first glance. These people who are greedy for life and afraid of death will not risk their lives rashly.

King Jinlun was very surprised when he saw this formation of the Quanzhen Sect. The aura emitted by this formation was the same as that of a top master. I'm afraid Even ordinary masters will die or not live if they go in.

"What a Heavenly Evil Big Dipper Formation, Quanzhen Sect, I actually underestimate you."

Zha Yadu looked at the Jianghu people who did not dare to attack and said to Jinlun Dharma King, "Dharma King, why don't you go and break the Big Dipper Formation of the Quanzhen Sect? I'm afraid these people who are greedy for life and afraid of death will not risk their lives."

"Ha ha! This formation is good, I will break it." Jinlun Dharma King laughed and said without caring.

Although this Heavenly Evil Big Dipper Formation is very powerful, it is not a threat to him, a great master. It is very simple for Jinlun Dharma King to break this formation..

Su Chen couldn't help but nodded as he looked at the Heavenly Evil Big Dipper Formation arranged by hundreds of Quanzhen Sect disciples. Although this formation was somewhat powerful, it was just too impractical. This formation was not as good as his army's battle formation..

The Tiansha Big Dipper Formation is only used to deal with powerful enemies. If one or two masters enter, they may have a narrow escape, but if they want to use it to deal with many Jianghu people or the army, they may not be able to do it.

After all, the Tiansha Big Dipper Formation focuses on Cooperate, but if the number of enemies is too large, I am afraid that their seven stars and seven directions will fight independently, making the formation completely unable to function as it should.

Su Chen let go of Lin Chaoying, sat down and said to Yagyu Yukiji and the others, "Yagyu Xue Ji, pour me some tea. You guys should all sit down too. Now is the time for us to watch the fun."

"Yes, master."

Yagyu Yukiji hurriedly started cutting tea for Su Chen, while Lin Chaoying waved to Li Mochou and Xiao Longnu with a red face and sat next to Su Chen.

Li Mochou and Xiao Longnu looked at each other. After taking a look, they came and sat down behind Lin Chaoying. Although they had many things to ask Lin Chaoying, this was not the place for them to talk.

A'Zhu and Zhong Ling also sat down behind Su Chen. Liu Sheng Mother and daughter Piaoxu and Qin Hongmian sat with A'Zhu and the others. Ruan Xingzhu and Gan Baobao did not dare to sit down, so they walked to Su Chen and started massaging this big devil again.

"Fu Hongxue, can you break this evil Big Dipper array if you go in?" Su Chen took a sip of tea and asked Fu Hongxue next to him.

Fu Hongxue touched his black knife and said bluntly,

"Yes, although this formation is powerful, the disciples of the Quanzhen Sect are too weak. The disciples of the Quanzhen Sect have not exerted the power of this formation at all. It is very easy for me to break this formation."

Shangguan Jinhong looked at the Quanzhen Sect's formation and nodded and said, "Yeah! However, this formation is still good. Even if an expert in the early stage of Grand Master enters it, he will probably never return."

Shangguan Jinhong didn't pay any attention to this evil Big Dipper formation. It was very easy for him to break this formation.

He looked at the disciples of the Quanzhen Sect and shook his head. Most of the disciples of the Quanzhen Sect were from the five acquired zodiacs. With the level of cultivation around Zhongtian, this formation was wasted in their hands.

When Su Chen saw that Jinlun Dharma King was about to take action, he laughed and hugged Lin Chaoying and Black Widow on both sides and said, "Haha! I'm afraid the Quanzhen Sect is really going to be doomed this time, but it saves me the trouble of destroying them."

"Get off my asshole."

Chapter 553

When Lin Chaoying saw this bastard hugging her again, she felt very uncomfortable. This bastard was going too far now.

Lin Chaoying felt that she could not let this bastard act like this again, otherwise she would probably be raped in a short time. The bastard ate it.

Snapped!

A sound.

Lin Chaoying was stunned. She didn't expect that this bastard would dare to hit her, and this was the same place where he hit her. Lin Chaoying's face quickly turned red and she wanted to attack this bastard in shame and anger.

Su Chen spanked Lin Chaoying and saw that she was about to get angry, "Lin Chaoying, if you dare to attack me, I will go even further.""

"Bastard, how dare you!"

"How about you give it a try?"

"Inglorious bastard, I.....I'll let you go this time, you'd better not go too far."

Lin Chaoying really doesn't dare to take action against this bastard. This bastard is just a shameless pervert.

If she takes action against this bastard, I'm afraid this shameless bastard will bully her even more.

Lin Chaoying doesn't dare to let this bastard here. Let's do something to her again.

The women here saw Su Chen taming Lin Chaoying obediently. They all looked at Lin Chaoying and felt incredible.

A master at the peak of the master was taken by Su Chen like this?

So how can people like them with scumbag skills escape the hands of this bastard?

Fu Hongxue twitched her lips and turned her head to look at Jinlun Dharma King and the Quanzhen Sect who were about to start a fight. He didn't want to see this bastard teasing beautiful women here.

Fu Hongxue looked When this bastard taught the beautiful woman next to him such a lesson in public, he was very worried that his mother would also be taught such a lesson by this bastard.

Thinking of this, he held his black knife and wanted to chop this bastard, but he He can only think about it,

Su Chen will not take action no matter what, and besides, this bastard is even more powerful than him.

Fu Hongxue now also knows that this bastard has an unusual relationship with his mother. If this bastard has something to say, He and Fu Hongxue will also obey this bastard's order.

Shangguan Jinhong and Jing Wuming act as if nothing has happened. They see the Quanzhen Sect and King Jinlun about to start fighting, and they don't want to care about this lustful person. Su Chen saw that

Lin Chaoying was honest, so he hugged Lin Chaoying's soft body and enjoyed the massage given by Ruan Xingzhu and Gan Baobao.

The next time,

Wang Chongyang stood in the center of the Quanzhen Sect and saw the Golden Wheel The Dharma King was about to take action in person, and he was also very nervous.

Wang Chongyang knew that the Quanzhen Sect's Big Dipper Formation had no effect on the Jinlun Dharma King. It seemed that the Quanzhen Sect was really going to be destroyed this time.

"Damn it, you bitches."

Wang Chongyang suddenly found that the pretty boy was actually holding Lin Chaoying and a charming woman, and was leisurely watching them Quanzhen Sect about to fight King Jinlun. This made Wang Chongyang very angry.

Wang Chongyang Looking at Lin Chaoying, I was very heartbroken. The woman who had always liked him left him like this.

Even Lin Chaoying did not hesitate to commit to a pretty boy who was much younger than her, and this pretty boy was not only Lin Chaoying. , this made Wang Chongyang so angry that he almost went crazy.

Wang Chongyang looked at Lin Chaoying and wanted to kill them, but he knew that he was destined to die in this battle with Jinlun Dharma King.

He regretted not killing them with all his strength just now. Those two bitches, now that he has lost his arm, are no match for Lin Chaoying.

Now Jinlun Dharma King is coming to kill him. He has no chance to see the two bitches die.

Wang Chongyang looked at the pair of dogs When men and women were together, I hated them very much. He looked at Jinlun Dharma King and suddenly thought of a way to kill the couple.

Wang Chongyang thought that he could pretend to join Jinlun Dharma King, as long as Jinlun Dharma King killed the couple. , Wang Chongyang can regret at any time

"King Jinlun, if you want our Quanzhen Sect to join you in the Great Yuan Dynasty, it's not impossible. But if you kill these people, I can bring the Quanzhen Sect to join you in the Great Yuan War."

"oh? Wang Chongyang, you didn't lie to me?"Jinlun Dharma King looked at Wang Chongyang in surprise.

Just now he saw the fight between Wang Chongyang and Lin Chaoying. Jinlun Dharma King knew that something must have happened between them.

Now he looks like Wang Chongyang hates those people very much. Man,

Jinlun Dharma King also somewhat believed what Wang Chongyang said.

"No, as long as you kill those people, I will definitely do what I say."Wang Chongyang looked at Jinlun Dharma King expressionlessly and nodded.

After hearing Wang Chongyang's words, Zha Yadu hurriedly came to Jinlun Dharma King and said,

"Dharma King, just kill those people. Wang Chongyang and his Quanzhen Sect can't escape anyway. But you can't kill those beauties, but you can kill the men as you like."

When Zayadu saw the beauties around Su Chen, he wanted to catch them very much. He had been waiting for these beauties for a long time. If he hadn't been for a big event, Zayadu would have sent people to catch these beauties.

Now Wang Chongyang mentioned This condition is very suitable for Zha Yadu. As long as Jinlun Dharma King kills those men, aren't the remaining beauties in his pocket?

Jinlun Dharma King looked at Su Chen and said to Zha Yadu said,

"Little Prince, I now suspect that Wang Chongyang is using us to kill those people. Among those people are four or five masters. Although we will kill those people soon, we cannot just be used by Wang Chongyang."

"So what do we do?"

"Let Wang Chongyang kill those Jianghu people in the Central Plains who have not taken refuge with us. In this way, regardless of whether Wang Chongyang is using us or not, we can also know whether Wang Chongyang has sincerely surrendered to us, Dayuan."

"Okay, Dharma King's method is good, let's do it like this."

Jinlun Dharma King and Zha Yadu discussed it and said to Wang Chongyang,

"Wang Chongyang, as long as you and your Quanzhen Sect kill those Jianghu people in the Central Plains who have not taken refuge in our Dayuan, I can make your Quanzhen Sect join us in fighting the Great Yuan. Even Lin Chaoying, I can help you capture her. For your disposal."

Wang Chongyang was confused after hearing what Jinlun Dharma King said. He looked at the people in the corner who had not taken refuge in Dayuan and felt very helpless. If he wanted to kill Lin Chaoying and Su Chen, he could only rely on Jinlun Dharma King. , otherwise he wouldn't be able to kill that couple of bitches after they broke their arms.

"master?"

Hao Datong and the others were very worried when they saw Wang Chongyang's silence. They don't know what decision Wang Chongyang will make now, but they don't want the Quanzhen Sect to be destroyed like this.

Wang Chongyang looked at him with red eyes. Lin Chaoying and Su Chen, in order to kill them this time, he couldn't control this couple so much. Anyway, after the couple died, he would also be killed by Jin Lun Dharma King.

"Ma Yu, ordered Quanzhen disciples to kill those Jianghu people"

"master? Do we really want to take refuge in Dayuan?"

"Don't worry so much, just follow my orders"

"Yes, master."

Chapter 554

As the disciples of the Quanzhen Sect were killing hundreds of Jianghu people in the corner, this made the Jianghu people in the Chang'an City Square feel very incredible.

They didn't even think that the Quanzhen Sect had also taken refuge in Dayuan. Now He even took action against the Jianghu people from the Central Plains.

"Damn it, the Quanzhen Sect has also taken refuge in Dayuan, and now it has become the lackey of the Dayuan people."

"Everyone is ready to break out in a moment. As long as we go to the Song Dynasty army, maybe we can survive, otherwise we will all die here."

"Ha ha! Just die, it's just a pity that I didn't kill those Dayuan people, so I died in the hands of these traitors."

"We are all prepared. We have more people than the Quanzhen Sect. After a while, we will be divided into three teams to break out. As long as one of our teams can break out, we will tell the Song army about the situation here. These traitors in the province will cooperate with the inside and outside to catch the Song army off guard."

"OK, just do it."

These Jianghu people of the Great Song Dynasty in the corner are very angry now. They looked at the Quanzhen Sect charging towards them and talked with each other with hatred.

The Quanzhen Sect is a famous and decent sect of the Great Song Dynasty. These Jianghu people who did not join the Great Yuan Dynasty I never thought that Wang Chongyang's Quanzhen Church would take refuge in Dayuan, and now it would even come to kill those Jianghu people who did not take refuge in Dayuan.

Yagyu Danma Shou is very depressed now. He only came here to participate in the martial arts conference of the Song Dynasty. , he did not expect that not only did he lose his two daughters this time, but now he was even involved in this war. It is impossible for Yagyu Danmamoru to seek refuge with Jinlun Dharma King now, and his two women are now here and there. For the powerful pretty boy, Jinlun Dharma King probably wouldn't believe his surrender.

Yagyu Danmamoru could only escape from here by blending in with these Jianghu people for a while. As for what he would do in the future, Yagyu Danmamoru hadn't thought of it yet.

A person in the Jianghu realm stood on a table and said loudly to the Jianghu people here,

"The Quanzhen Sect has betrayed the Song Dynasty, and also betrayed us Central Plains people. Either we will die today or those people from the Quanzhen Sect will die. If you don't want to die, follow your respective teams and fight out to tell the Song Dynasty army what's going on here."

"Kill, let's kill"

"Those bastards from the Quanzhen Sect, let's kill them"

"I'll stay and kill these traitors. You can go and notify the Song Dynasty's army."

"I'll stay too. We people in the Song Dynasty are not like those wimps. Those traitors should all die."

"It's a pity that we can't kill those aliens this time. These traitors who are greedy for life and afraid of death should all die."

The Jianghu people here quickly prepared to fight against the Quanzhen Sect. Now they also know that this war is in danger for them. The exit of the square is surrounded by almost a thousand Jianghu traitors. They are just trying to escape. Even if the Quanzhen Sect is chasing them, it will probably be difficult to break out.

"kill"

""Kill"

When hundreds of Quanzhen Sect collided with hundreds of Jianghu people who had not taken refuge in Dayuan, the killing began.

The Quanzhen Sect and these Jianghu people were also at odds with each other, but the Quanzhen Sect's Xiao Qixing The formation makes it difficult to deal with the Jianghu people here. As soon as they came into contact, the Jianghu people here were killed and injured.

Ma Yu and the other seven disciples of the Quanzhen Sect are now jealous. They are also fighting to preserve the Quanzhen Sect. Regardless of everything,

Ma Yu and the other five masters of the innate realm are invincible here. Except for Mamoru Yagyu, who is paddling in the river, no one in the rivers and lakes here is their opponent.

Su Chen is also looking at it in confusion. The Quanzhen Sect was at war with the Jianghu people who had not taken refuge in Dayuan. He did not expect that Wang Chongyang would also defect to Dayuan. This was simply incredible.

Lin Chaoying took pictures angrily when he saw the Quanzhen Sect and the Jianghu people in the Central Plains were at war. shouted at the table,

"Bastard, Wang Chongyang actually betrayed the Central Plains Wulin, and he was so greedy for life that he joined a foreign race."

Jing Wuming looked at Wang Chongyang who was standing next to Jinlun Dharma King and said in surprise, "Yes, I didn't expect that Wang Chongyang, who has been resisting foreigners, is also a hypocrite."

"He is just greedy for life and afraid of death. If his life is threatened, he will ignore any righteousness."Shangguan Jinhong looked at Wang Chongyang and felt very calm.

He had also encountered the same situation as Wang Chongyang. He had met Wu Xiangjun in the Sui Dynasty. Fortunately, he did not take action that time, otherwise he would have been killed long ago. killed

"Aren't you going to help those Jianghu people who didn't surrender to Dayuan?"Lin Chaoying found that Su Chen had no intention of taking action against the Quanzhen Sect and the Jianghu people. This made Lin Chaoying look at Su Chen with a bad heart.

Is this bastard a stone-hearted person?

Although these Jianghu people from the Yuan and Song Dynasties are not The subordinates of this bastard Su Chen, but this is a battle related to the nation. The foreign tribes of the Yuan Dynasty have always wanted to enslave the people of the Song Dynasty in the Central Plains. Can't this bastard Su Chen help the Jianghu people here for the sake of the nation?

Su Chen sees Xiang Jinlun Dharma King and Wang Chongyang noticed that the way they looked at this place was wrong. Su Chen didn't want to care about the things here, but when he saw the looks of Jinlun Dharma King and Wang Chongyang, he guessed that they might want to do something to him after a while. Take action.

Su Chen thought for a moment and then began to give instructions to the people here,

"Fu Hongxue, Shangguan Jinhong, Jing Wuming, Liu Shengxueji, Liu Shengpiaoxu, Xiao Longnu, Li Mochou, you all go and kill those people from the Quanzhen Sect."

"Lin Chaoying, take the secret guards to kill the traitors at the exit of the square."

Su Chen looked at these people and ordered one by one.

But when he saw Qin Hongmian and Duan Zhengchun's mistresses and daughters, he shook his head.

These are weak chickens.

Even if he sends them, they will probably be sent away. After hearing Su Chen's order, Fu Hongxue took his black knife and walked towards the place where the Quanzhen Sect and Jianghu people were fighting.

He was a little afraid of this bastard now. If he didn't listen to this bastard's order, I'm afraid he would It will be very difficult in the future.

This is his feeling, and he is also worried about the relationship between this bastard and his mother.

Yagyu Yukiji and Yagyu Piao Xu directly used Qinggong to fly towards the Quanzhen Sect. They were worried about Su Chen's orders were very obedient.

Xiao Longnu and Li Mochou looked at Lin Chaoying. After Lin Chaoying nodded to them, they also quickly left here.

Li Mochou and Xiao Longnu had long been disgusted with Quan The Zhen Sect, this time just killed these Quanzhen Sects to retaliate for the insult to their master by the Quanzhen Seven Sons just now.

Shangguan Jinhong and Jing Wuming looked at Su Chen speechlessly. They did not expect that this bastard would order them, but just now When this bastard was giving orders, they felt that this bastard had the aura of a superior person, as if the orders given by this bastard were taken for granted and they must obey them.

"Come on, let's go help."Shangguan Jinhong took a deep look at Su Chen and said to Jing Wuming.

Shangguan Jinhong now feels that this pretty face wearing a mask is very extraordinary. The aura of a superior person on this person's body is much stronger than him, even this The person's noble aura was only exposed a little bit.

He was very interested in this pretty face wearing a mask. This person was very powerful in terms of strength and ability to pick up girls. Shangguan Jinhong wanted to make friends with him.

Lin Chaoying glanced at Su Chen and smiled. This bastard was not that unbearable. At least he was not the kind of superior who sacrificed his conscience for ambition.

Lin Chaoying felt that she had not misjudged this bastard this time.

"You're laughing your ass off, why don't you hurry up and set off with the secret guards." Su Chen saw Lin Chaoying sitting here and giggling, so he touched her face and said to her,

""Asshole"

Lin Chaoying glared at this bastard, waved to the secret guards next to her, and set off towards the entrance of the square.

She didn't expect this bastard to speak so rudely, but she didn't have time to talk to this bastard now. She would wait until this matter was over. Finally, Lin Chaoying will let this bastard know how powerful she is

"The arrogant girl will keep you in check from now on." Su Chen saw Lin Chaoying staring at him and left. He decided to tame this arrogant Lin Chaoying in the future.

"Mr. Su, should we also go and help?" A'Zhu saw that all the powerful women here had gone to help those Jianghu people, and they women were too embarrassed to sit here.

Su Chen looked at A'Zhu and flicked her forehead and said, "You guys are the only ones who can help me. These scumbag women are just delivering food when they go there. If you are not afraid of death, go ahead."

"We just want to help. It's really irritating for you to say that." Zhong Ling looked at Su Chen and said unhappily,

"laugh! Little scumbag, have you seen those broken arms and bodies? This is war, not just playing house, nor is it an ordinary vendetta. Are you really prepared to kill the enemy?"

"I.....I....."

Zhong Ling was a little scared. She saw blood flying everywhere, broken arms and limbs everywhere, and even some people's intestines leaked out.

She turned pale with fear when she saw this, and her whole body was shaking constantly.

"Ling'er, don't be afraid, it's fine as long as we don't go there." When Baobao Gan saw Zhong Ling trembling all over, he went over to hug her and comforted her.

"mother"

"Little scumbag, you'd better hide in your mother's arms for comfort."

Su Chen smiled when he looked at Zhong Ling. This Zhong Ling may have never encountered such a thing in his life.

War is not a fight between two people. In more than a thousand battles, anything can happen. , any cruel thing can happen.

This is still a war between Jianghu people. If there is a war between tens of thousands or even hundreds of thousands of troops, even the powerful Jianghu people will probably be killed in an instant.

"you....."

Zhong Ling looked at Su Chen angrily and didn't know how to refute him. This bastard was too bullying. If she couldn't beat this bastard, Zhong Ling would have taught this bastard a lesson.

"Ha ha! And you little scumbags, as long as you serve me well from now on, you won't need to do some fighting and killing things."

Mu Wanqing couldn't bear to see this bastard bullying Zhong Ling. She looked at Su Chen and said with a cold face, "To put it nicely, weren't Yagyu Yukiji and those women sent out by you?"

"Mu Wanqing, can you compare with Yagyu Yuki and the others? Although you are both maids, Liu Shengxue can kill all the women here alone. Do you believe it?"

Su Chen looked at Mu Wanqing, Qin Hongmian, Zhong Ling, A'Zhu, Gan Baobao, and Ruan Xingzhu and said disdainfully to them.

Although these women have innate realms of cultivation, they are all hothouses. In the vase, even Qin Hongmian, a ruthless woman, may not be able to defeat Yagyu Shengxue in one blow.

Yagyu Shengxue Ji and Yagyu Piaoxu have grown up after countless life and death battles. They have been guarded by Yagyu Danma since they were young. Trained as assassins, they may have killed more people than these women combined.

In terms of killing skills, these women are no match for Yagyu Yukihome and Yagyu Yukihome. Yagyu Yukihome and Yagyu Piaoxu may kill one with one sword. The enemy, Qin Hongmian and the others may not be able to kill even one of them with ten swords.

"Master, Jinlun Dharma King and Wang Chongyang are here." Black Widow shook Su Chen's arm when she saw Jinlun Dharma King and the others coming over.

Su Chen saw Jinlun Dharma King and Wang Chongyang and the others coming over. Even Zha Yadu followed them with dozens of trumpet monks. When they arrived,

Su Chen felt that his previous guess was right. Wang Chongyang was determined to kill him and Lin Chaoying.

Wang Chongyang would rather join Dayuan than kill him and Lin Chaoying.

How serious is this bastard? Cruel him and Lin Chaoying,

"I understand, King Jinlun came here to kill me. This may be Wang Chongyang's condition for joining Dayuan."

Su Chen said to the black widow and looked at Qin Hongmian and the other women.

Zaya Du came here because of the beauties here. The pervert will not let go of the beauties here.

Su Chen smiled and said to Qin Hong Cotton and the others said,

"Qin Hongmian, you women should be careful now. This time Zayadu is going to catch you beautiful beauties. I won't be able to care about you anymore."

Qin Hongmian's eyes darkened when he heard Su Chen's words.

This bastard didn't protect these women anymore?

Didn't this mean that these women would be captured by that big Yuan pervert?

Qin Hongmian thought of her and her daughter Mu Wan When Qing came here, she was first threatened by Ouyang Ke and became this bastard's maid. She even had this bastard woman carve words on those embarrassing places, and now this bastard actually asked these women to ask for more after encountering danger. Fu died on its own,

Qin Hongmian angrily asked Su Chen loudly,

"You bastard, we are your maids, if you don't protect us maids, are you still a man?"

Su Chen looked at Qin Hongmian's aggressive look and said disdainfully, "Tsk! Maid? Qin Hongmian, do you have a maid there? Would a maid dare to speak to her master like this?"

Su Chen also wanted to know whether Duan Zhengchun's mistresses and daughters were worth his efforts to save them.

It's very dangerous here now.

The great master's Jinlun Dharma King, the grandmaster Wang Chongyang, and even the little master Zha Yadu Arriving with dozens of innate realm trumpets,

Su Chen wanted to see if these women would surrender directly to the Dayuan people in desperate situations?

This could be regarded as Su Chen's test for these women, as long as they could pass him Su Chen doesn't mind letting them be his maids.

"I, I, I have been working as a maid." Ruan Xingzhu said hurriedly behind Su Chen while massaging.

Su Chen looked at Ruan Xingzhu, the little rabbit, touched her face and said with a smile, "You are not bad, but I seem to have heard you call me the devil?"

"That wasn't intentional, I just blurted it out." Ruan Xingzhu was a little confused when Su Chen touched her face.

Her face turned red quickly and she quickly shrank her head. She was afraid that this big devil would treat her like Lin Chaoying.

Jinlun Dharma King and Wang Chongyang were going to When they walked to Su Chen's place in the capital, they saw that the pretty boy was still in the mood to tease women, which made them think that the pretty boy was a pervert who would not care whether he lived or died for a beautiful woman.

Chapter 556

When Wang Chongyang and Jinlun Dharma King Su Chen came here, they found that some people here were going to save those Jianghu people who had not taken refuge in Dayuan.

However, Wang Chongyang and Jinlun Dharma King did not pay attention to them. They all knew the one here. The pretty boy is the leader of those people. As long as he catches the pretty boy, those people won't have anything to worry about.

When Wang Chongyang saw Lin Chaoying leading dozens of people to the exit of the square, he thought Lin Chaoying was going to escape. Wang Chongyang was just about to tell King Jinlun to catch Lin Chaoying first.

Jin Lun Dharma King smiled and said to the anxious Wang Chongyang,

"Wang Chongyang, Lin Chaoying cannot escape. The Jianghu people who have taken refuge in our Dayuan are guarding the exit of the square. Lin Chaoying and dozens of people cannot escape. Even if she escapes here, she will not be able to escape. Chang'an City, don't worry."

Wang Chongyang felt a little uneasy after hearing the words of Jinlun Dharma King. He said worriedly to the confident Jinlun Dharma King,

"Jinlun Dharma King, you must know that Lin Chaoying is at the level of a master. Those people in the world can't stop her at all. Moreover, Lin Chaoying and her guards are very powerful. Are you sure that Lin Chaoying won't escape?"

Wang Chongyang didn't want that flirtatious woman Lin Chaoying to escape. He was very curious when he saw Lin Chaoying leading those powerful guards.

These guards looked very powerful and elite, and each of them was at an innate level of cultivation.

He even Thinking that these guards looked like an army,

Wang Chongyang was now very curious about the identity of Lin Chaoying's mistress. How could that pretty boy with a mask have such powerful guards?

King Jinlun looked at Wang Chongyang and smiled. Laugh, he now also knows why Wang Chongyang and Lin Chaoying had a fight just now.

It turned out that it was this pretty boy who pried Wang Chongyang's woman.

King Jinlun looked at Wang Chongyang and thought it was funny. A great master, Lin Chaoying, would be raped by a pretty boy. Pry away, and in front of the great master Wang Chongyang, Jinlun Dharma King was a little curious about this pretty boy.

"Don't worry, I will definitely capture Lin Chaoying alive and hand it over to you. Now let's meet this lustful pretty boy."

Wang Chongyang has no choice now. Now he is pretending to seek refuge with Jinlun Dharma King. He has no way to disobey Jinlun Dharma King's order.

Wang Chongyang can only hope that Jinlun Dharma King will not let Lin Chaoying go.

When Jinlun Dharma King When they arrived with Wang Chongyang, Zha Yadu and others, they saw this pretty face wearing a mask holding a scantily clad, coquettish-faced, and curvy beautiful woman in one hand, and touching the face of a glamorous woman with the other hand. The pretty boy was like a dandy teasing a decent woman.

Jin Lun Dharma King and the others were dumbfounded as they watched the pretty boy teasing the beautiful woman.

They never expected that the pretty boy didn't care about the arrival of these people, nor did he run away in fear. , not even paying attention to these people.

"Ruan Xingzhu, if you are hiding from me, I really won't care about you and A'Zhu." Su Chen saw that Ruan Xingzhu wouldn't let him touch her face, and Ruan Xingzhu kept moving back, which made Su Chen a little unhappy. Ruan Xingzhu didn't dare to move after hearing Su Chen's words. She was really afraid of this bastard Su Chen. Regardless of her and A'Zhu, if she keeps avoiding this bastard Su Chen, I'm afraid she really won't care about the life and death of her daughter A'Zhu.

Su Chen laughed when he saw Ruan Xingzhu looking like he wanted to refuse but didn't dare to. Seeing Ruan Xingzhu's helpless look, he thought,

【It turns out that you are teasing beautiful women like this!】

【No wonder those playboys in ancient times liked to tease women from good families.】

【This feeling is really good. 】

Ruan Xingzhu was so embarrassed that she didn't know what to do now.

This big devil insisted on touching her face, but could a man touch a woman's face at will?

Ruan Xingzhu looked at Gan Baobao and Qin Hongmian. She also hoped that they would come to help her, but Gan Baobao and Qin Hongmian seemed not to see them.

Qin Hongmian and Gan Baobao were unable to do anything when they saw Ruan Xingzhu's request for help. They want this bastard to save them in a moment.

This bastard doesn't want to save them in the first place. If he disobeys this bastard again at this time, I'm afraid he really won't save them.

Qin Hongmian pulled Mu Wanqing, and Gan Baobao held Zhong Ling. They were a little afraid to look at Ruan Xingzhu. They thought that this bastard here would not do anything to Ruan Xingzhu. At most, he would just tease Ruan Xingzhu, and let Ruan Xingzhu suffer some injustice..

Ruan Xingzhu said very nervously when this big devil touched her face,"You.....Don't do this, I'm not that kind of person"

"oh? So what kind of person are you?"When Su Chen was teasing Ruan Xingzhu, he also found that Jin Lun Dharma King and Wang Chongyang had arrived, but he had no time to talk to them now.

If Jin Lun Dharma King and Wang Chongyang dared to disturb him at this time, Su Chen didn't mind letting Black Widow and Shadow The assassin leader You Ruo gave them a ride

"Young Master, you are a pervert."

A'Zhu couldn't stand it anymore. She stepped forward and pulled her mother Ruan Xingzhu away from Su Chen.

If her mother continued to stay with this bastard, I'm afraid Ruan Xingzhu would be bullied to death by this bastard.

"Ha ha!"

Su Chen hugged the black widow and kissed her and laughed. This kind of teasing a good woman feels really good, but he can't tease such beauties often in the future. After all, he is a monarch and will be a king in the future.

When Zayadu first arrived, he looked at the beauties here one by one without blinking, but he found that none of the beauties here cared about the arrival of them.

Each of these beauties looked at the masked one here. Boy, this made Zha Yadu angry.

Zha Yadu walked to the front and shouted at Su Chen unkindly, "Boy, you are quite arrogant, didn't you see us coming?"

Su Chen looked back at Zha Yadu and asked impatiently, "Who are you?" Don't you see I'm busy?"

Su Chen also felt strange. After Jin Lun Dharma King and the others arrived, they did not take action directly. Instead, they watched here. Do they also have to learn how to molest beautiful women?

Zha Yadu was very angry when he heard Su Chen's words. , is this bastard an idiot?

Didn't he see the situation here?

Zha Yadu pointed at Su Chen and threatened,

"Boy, I am Zha Yadu, the son of the Eighth Prince of Dayuan. If you surrender to me obediently and dedicate these beauties to me, I can spare your life. Otherwise, I will make your life worse than death."

"Little Zhazha, are you dreaming?" Su Chen said with disdain after hearing Zha Yadu's words.

Su Chen did not expect that this is Zha Yadu. This young prince has more power than the young prince in Huodu.

Zha Yadu is the authentic Yuan royal family. , and he is also a very powerful young prince.

This Zayadu seems to be a fanatical pursuer of that girl Zhao Min. If this Zayadu knew about Zhao Min and him, I am afraid Zayadu would be pissed to death.

"Bastard, my name is Zha Yadu, not Xiao Zhazha."

"Got it, little scumbag"

Chapter 557

Zha Yadu is going crazy now. This bastard must be deliberately humiliating him. He wants to kill this bastard right now, but this bastard is holding the most beautiful and sexiest woman here in his arms. He doesn't want to get hurt for a while. This charming and beautiful girl.

Zha Yadu suppressed his anger and threatened Su Chen, "Boy, are you kidding me? If you dare to call me little scumbag again, do you believe I will kill you now?"

"Do not believe"

"Damn it, are you a fool?"

"There was a" snap!" sound from the palm of the hand.

Zayadu was suddenly slapped away by a woman in black who appeared in an instant, and then the woman in black disappeared without a trace.

Ah!

Zayadu disappeared from the scene after being slapped. When he got up from the ground, he found that his face was swollen from being slapped and several teeth were knocked out. He screamed in pain.

Jinlun Dharma King and Wang Chongyang had solemn expressions now, but they didn't look like that just now. They discovered how the woman in black appeared.

Even after the woman in black disappeared, they did not discover how she disappeared. Now they did not realize where the woman in black was hiding.

However, Jinlun Dharma King and Wang Chongyang knew that the woman in black had not left, and was probably hiding around to protect the pretty boy.

Jinlun Dharma King and Wang Chongyang looked at each other and then looked at the pretty boy. If this pretty boy could have such a powerful guard protecting him, then The identity of this pretty boy is definitely not simple.

King Jinlun and Wang Chongyang are now a little scared of this pretty boy.

Qin Hongmian and the others saw that there was a powerful woman protecting Su Chen beside him, which made them look at Su Chen was very angry.

This bastard had surprised them by having a black widow who could kill King Jinlun. Now there was a powerful woman hiding around to protect this bastard, but this bastard didn't even want to protect them. plan.

This made Qin Hongmian and the others feel angry and relieved when they saw Su Chen. As long as they pestered this bastard for a while, they did not believe that this bastard would not care whether they lived or died.

"Who are you?"Jinlun Dharma King saw some trumpet monks going to rescue Zha Yadu, so he looked at Su Chen and asked cautiously.

Su Chen saw Jinlun Dharma King's cautious look and made up random words,"Jinlun Dharma King, Why do you want to know my identity? Even your great master of the Great Yuan Dynasty, Pang Ban, dare not speak to me like this. Are you tired of living?"

When Jin Lun Dharma King heard Su Chen's lies, he felt that this bastard must be lying or even trying to scare them.

"Ha ha! Our Grand Master of the Great Yuan Dynasty is a terrestrial immortal in the heaven-human realm. You, a lawless boy, dare to insult the Grand Master. Don't you want to live?"

Su Chen looked at Jinlun Dharma King as if he were a fool.

【What's so great about land gods in the realm of gods and humans?】

【This young master has three wives who are in the Heavenly Realm. Whether it is Bai Ruobing, the Marquis, Lady Shui Rou of Ye Di, or even Shi Guanyin, they are all very powerful masters in the Heavenly Realm.】

【Great Yuan Imperial Master Pang Ban was killed by Shi Guanyin. Are these gentlemen proud?】

"Jinlun Dharma King, I am sitting here, do you dare to kill me?"

Jinlun Dharma King really doesn't dare to kill this pretty boy with unknown origins.

This pretty boy always wears a mask. He must be a young man from a powerful force.

If he accidentally provokes a powerful force, I'm afraid it's the Great Yuan Kingdom. It was impossible for Shi Pang Ban to protect him.

Wang Chongyang was filled with hatred when he looked at Su Chen.

But he didn't dare to act rashly now. He didn't have the ability to deal with the elusive woman in black just now.

Now he is missing even more. With one arm, Wang Chongyang's strength is much worse than before.

"Kill this bastard, Dharmaraja, kill this bastard for me." Zha Yadu was brought back by some loudspeakers and looked at Su Chen and shouted.

"Little scumbag, even if your throat is broken by screaming, this Jinlun Dharma King will not dare to take action, otherwise you come and kill me."

Jinlun Dharma King said to Zha Yadu in a secret language, "Little prince, this person may be a powerful young master. It is better for us not to provoke him. It is better not to provoke him. When we find out his identity in the future, we will not make any plans." Late

"What! This bastard has a shitty identity. Kill him now. I will catch these beauties of his and torture them. Who said these beauties are the women of this bastard?"

"Little prince!"

"Jin Lun Dharma King, you are not going to take action, are you?" Zha Yadu stared at Jinlun Dharma King and threatened, although this Jinlun Dharma King is a great master, if Jinlun Dharma King does not obey his orders this time,

Zha Yadu will definitely ask his father to get rid of this Jinlun Dharma King. It's not like Dayuan didn't have other great masters.

"Little prince, alas! I will obey your orders." Jinlun Dharma King looked at Zayadu with great helplessness.

Jinlun Dharma King saw murderous intent in Zayadu's eyes. If he didn't obey Zayadu's order this time, I'm afraid he would be his if he returned to Dayuan. It's time for death.

The Eighth Prince only has Zha Yadu's son. If Zha Yadu asks the Eighth Prince to kill him, I'm afraid the Eighth Prince will really let other great masters kill him.

Zha Yadu relented after hearing Jinlun Dharma King's confession. , he covered one side of his face and said to Su Chen,

"Boy, now I give you another chance to hand over these beauties to me, especially the beauty in your arms, she is not something you can get your hands on."

Zayadu has never forgotten the beauties here. As long as he can get these beauties intact, this bastard will be killed by him.

Zayadu looked around and didn't find the man in black who just hit him. There, but now that he is beside Jinlun Dharma King, the man in black will definitely not dare to attack him in front of Jinlun Dharma King this time.

Su Chen pointed at Qin Hongmian and the others smiled and said to Zha Yadu, "Little scum. Scum, can you try taking these beauties away? Maybe when they see that you are the young prince of Dayuan, these beauties will be attracted to your power."

"Huh? You little pretty face makes perfect sense."

【What the hell!】

【Now that I'm wearing a mask, why am I still a pretty guy?】

【Could it be that the title of this pretty boy is determined by him?】

【And is this little scumbag an idiot? I was obviously playing tricks on him, didn't he hear it?】

【No wonder that girl Zhao Min doesn't like this little scumbag. This little scumbag really has a pig's brain. 】

Su Chen shook his head when he saw Zayadu attacking like an idiot.

Now he also wanted to see how Zayadu would seduce Qin Hongmian and the others, and whether Qin Hongmian and Duan Zhengchun's mistresses and daughters would I will go away with this Zayadu.

Su Chen knew that Qin Hongmian, Gan Baobao, and Ruan Xingzhu were attracted by Duan Zhengchun's identity and appearance at first.

Now, there is a young prince of Dayuan, Zha Yadu, who is more noble than Duan Zhengchun and has a fairly average appearance.

Su Chen wanted to see what they would choose this time.

Chapter 558

Qin Hongmian and the others stared at Su Chen when they heard Su Chen's words. They didn't expect that this bastard would treat them like this. Are they the kind of women who cling to the powerful?

When Qin Hongmian and the others saw the lewd Zha Yadu looking at them, Qin Hongmian and the other six hurriedly came behind Su Chen to avoid the lecherous Zha Yadu. They did not want to be raped by that lecherous Zha Yadu. Take a fancy or grab.

Lin Rou'er and Lin Bing'er also hurriedly came behind Su Chen. They were also afraid that Zha Yadu, a pervert, would abduct them.

Now that the young lady and Xiao Longnu are away, they can only rely on Su Chen, who has a close relationship with Sister Qin, for help.

Zha Yadu originally wanted to pretend to be a gentleman to persuade these beauties, but before he opened his mouth, he found that these beauties were hiding behind this pretty boy, which made Zha Yadu's face turn black with anger.

Zha Yadu pointed at Su Chen and angrily said to Qin Hongmian and the others,

"You beauties still want this pretty boy to protect you? Let me tell you, this pretty boy is in trouble today."

"If you behave well and become my woman from now on, I can let you be my woman, and I can even satisfy you with wealth, wealth, clothing and food in the future."

"Otherwise, when I catch you, you women will only be my female slaves from now on, and you will suffer all kinds of torture and abuse from me."

Qin Hongmian, Gan Baobao, and Ruan Xingzhu were all very disdainful when they heard Zha Yadu's words. Did the young prince of Dayuan treat them as ignorant women who didn't know anything?

They had been deceived by Duan Zhengchun before, although that it is they who have devoted their feelings to Duan Zhengchun, but this young prince is obviously coveting their beauty.

If these women agree to this young prince Zaya Du, I am afraid that Zaya Du will get tired of playing with them in the future, and they will not be rewarded by him in the future. Their subordinates will be tortured to death.

But they know that the aliens treat women very casually, and Qin Hongmian and the others will not be so stupid as to join the aliens.

Even if they are caught by claws and teeth, they will commit suicide. Qin Hongmian and the others would not be caught and humiliated to death by these aliens.

Su Chen was very speechless when he saw Qin Hongmian and the others hiding behind him.

How could he test these women when they were hiding behind him?

Could it be that they were watching With the Black Widow and You Ruo here, do Qin Hongmian and the others know that these Dayuan people are destined to die here?

Su Chen shook his head when he thought of this.

He also made some miscalculations. It seems that Qin Hongmian and the others still all Smart.

Su Chen also exposed Black Widow and Shadow Assassin You Ruo too early.

Jinlun Dharma King and Wang Chongyang were very helpless when they saw Zaya Du. Didn't this young prince see that these women were not attracted to them at all? Him?

Even the women looked at Zayadu with disgusted expressions. The young prince Zayadu was still waiting for those beautiful beauties to join him. This is simply stupid.

However, Jinlun Dharma King and Wang Chongyang did not remind this idiot. They did not want Zayadu to know that they were watching his joke.

Zayadu waited for a while and saw that none of these women agreed to him, and these women were still looking behind this pretty boy. This pretty boy, this made Zayadu feel insulted. He, a dignified young prince of Yuan Dynasty, was ignored by these women?

Zayadu's face turned black with anger.

Su Chen looked at Zayadu's current expression. When he started to look ugly, he started to laugh. Zha Yadu must be extremely angry in his heart right now.

"Little scumbag, it seems that your status is still not good enough. If you were the prince of Dayuan, I'm afraid these women would be rushing to throw themselves at you even if you didn't tell them."

After Qin Hongmian heard what Su Chen said, Qin Hongmian, who was already very angry, felt her chest bulge with anger from Su Chen. She stood behind Su Chen and angrily shouted at this bastard,

"Shameless bastard, he is the Emperor of the Yuan Dynasty, and we will not throw ourselves into his arms. You bastard, just stop being disgusting here."

Su Chen turned around and saw Qin Hongmian's face turned red and scolding him. He stretched out his hand and pulled Qin Hongmian to his side and held her in his arms.

"Qin Hongmian, do you, little pepper, deserve a beating? Don't forget your identity. Do you want me to say those words on your chest?"

"don't want."

Qin Hongmian is panicking now. She doesn't want others to know the words on her chest. If Ruan Xingzhu and the others know the words on her and Mu Wanqing's chests, I'm afraid they will really have no face to see others.

Su Chen touching Qin Hongmian's smooth little face, she smiled and said, "Qin Hongmian, you also have times when you are scared. I thought you, a little pepper, were not afraid of heaven or earth."

Qin Hongmian didn't dare to resist when Su Chen touched her face. This bastard has now caught her. If she dares to resist, I'm afraid this bastard will really say those words.

Qin Hongmian is just for her daughter. Mu Wanqing also had to endure this bastard's teasing.

Ruan Xingzhu and the others all bowed their heads when they saw Qin Hongmian's experience. I'm afraid they will all encounter these things in the future. This hateful devil is a shameless bastard.

But Ruan Xingzhu and the others They also found that this bastard was just trying to scare them. The most he did was touch their faces, and he didn't do any other obscene things.

They even felt that this bastard seemed to be a little resistant to them, and he didn't like them being there. It was like being next to him.

This made Ruan Xingzhu and the others a little confused.

Qin Hongmian felt very unnatural being held by this bastard and sitting on his lap, but she suddenly discovered that this bastard seemed to treat the Black Widow differently than he did her..

The Black Widow is now being held by this bastard as if she wants to blend into his body, and this bastard is constantly stroking the Black Widow.

But even though she is being held by this bastard, he won't let her get up, and he doesn't do anything to her. Something deviant.

Uh!

Touching her face doesn't count.

Qin Hongmian can't understand this bastard now. Could it be that this bastard's lust is just an act?

Zha Yadu is sore now.

This pretty boy actually hugged him again A beautiful woman, and now this pretty girl is holding two beautiful beauties on one side and the other on the right.

And these two beautiful beauties are still sitting on this bastard's lap. This makes Zha Yadu envious and wants to replace this pretty girl.

Zha Ya Du looked at Su Chen teasing the beautiful woman and shouted to Su Chen, "Young pretty boy, send them over here yourself, or I will order my men to do it."

Chapter 559

In the Chang'an City Martial Arts Conference Square, the Quanzhen Sect's disciples were fighting with those Jianghu people who had not taken refuge in Dayuan. Although the Quanzhen Sect's disciples were not very good, the Quanzhen Sect's disciples were even worse.

When the Quanzhen Sect used the Small Seven Stars Formation to fight against these Jianghu people, although the Quanzhen Sect's disciples also suffered some casualties, the Jianghu people here suffered heavy casualties. Five of the Quanzhen Seven Disciples alone killed one or two. People from hundreds of rivers and lakes.

Of the six to seven hundred Jianghu people, less than three hundred people have been killed. The Jianghu people here are all very desperate.

At this time,

Yagyū Yūkihime and Yagyū Piao-xu arrived. After their sisters arrived, they began to massacre the disciples of the Quanzhen Sect. Yagyū Yūkihime and Yagyū Piao-xu were both innate masters.

None of these disciples of the Quanzhen Sect were their opponents, and even the Little Seven Star Formation was like paper in front of them. In just a moment, the two sisters Yagyū Yūki killed dozens of disciples of the Quanzhen Sect.

Tan Chuduan of the Quanzhen Seventh Son saw Liu Shengxueji and his sisters massacring their Quanzhen sect disciples, so he went to kill Liu Shengxueji and the others. Tan Chuduan did not want their Quanzhen sect disciples to suffer heavy casualties. bump!

Tear!

Just when Tan Chuduan was about to kill Liu Shengxueji and the others, a black knife stopped him. Before Tan Chuduan could react, he was cut in half by the man with the black knife.

Tan Chuduan of the Quanzhen Seventh Son died completely after screaming. He didn't even find out who killed him until his death.

Fu Hongxue killed Tan Chuduan with an expressionless expression, then killed the Quanzhen Sect disciples near him one by one.

As a master, Fu Hongxue would have had no trouble killing these scumbags, if that bastard hadn't ordered him to kill these scumbags.

Fu Hongxue was too lazy to take action against these scumbags of the Quanzhen Sect.

Later,

Xiao Longnu and Li Mochou also arrived here. After they arrived, they also began to massacre the Quanzhen Sect disciples here.

They did not hold back on these Quanzhen Sect members. Li Mochou and Xiao Longnu wanted to kill them all.

Shangguan Jinhong and Jing Wuming walked straight forward after arriving. Not a single Quanzhen Sect disciple they encountered while passing by could leave alive.

The Jianghu people here saw some powerful masters coming to help them. This made them Jianghu people breathe a sigh of relief. At least they would not be killed by these Quanzhen Sects now.

"Damn it, it's Fu Hongxue and Shangguan Jinhong who are here. They are in trouble this time. We are no match for them at all."

After Ma Yu discovered Fu Hongxue and Shangguan Jinhong, he hurriedly summoned the remaining seven Quanzhen disciples. He knew that Fu Hongxue and Shangguan Jinhong were both at the level of masters. Even if they were put together, they couldn't be the same as Fu Hongxue and Shangguan Jinhong. opponent,

"Hao Datong, order us Quanzhen Sect disciples to retreat from our master. We are no match for Fu Hongxue and Shangguan Jinhong."

"Senior brother, now our disciples are entangled and fighting with the Jianghu people here. It is not easy to retreat at all."

"Then retreat while fighting, otherwise we will all be killed by Fu Hongxue and the others. Where is Tan Chuduan? Why didn't you see him?"

"Okay, I understand. I didn't see Senior Brother Tan. I'm afraid he was killing these Jianghu people elsewhere."

"Okay, then quickly inform our Quanzhen Sect disciples"

"Yes, senior brother."

When Lin Chaoying led the secret guards to the entrance, these Jianghu people who had taken refuge in Dayuan rushed towards Lin Chaoying and dozens of secret guards to kill them.

These Jianghu people had obtained the power of Jinlun Dharma King. Order, if they don't want to die, none of the Jianghu people in the square can be released.

"court death!"

Lin Chaoying saw that these scum dared to attack her. A silver needle suddenly appeared in Lin Chaoying's hand. She looked at the traitors and threw the silver needle in her hand at them.

Swish, swish, swish!

Ahhhh. Ah!

Hundreds of Jianghu people who were about to rush over were killed by Lin Chaoying's Jade Bee Needles in an instant, which made these Jianghu traitors tremble with fear.

Lin Chaoying had prepared a lot of Jade Bee Needles, and Lin Chaoying, the Jianghu person here, is She can kill them without the Jade Bee Needle. These Jianghu people are not an army, and they don't have archers to deal with her.

"Secret guards, kill these traitors."

"yes ma'am"

"The crossbow is ready, let go!"

Whoosh! Whoosh! Whoosh! Whoosh!

Dozens of secret guards started shooting at these traitors with broken air crossbows in their hands. The six consecutive rounds of broken air crossbows were even unable to stop these Jianghu traitors. Live.

In just a moment, almost two hundred of the traitors here were shot dead by the secret guards. The secret guards put away their Qi-breaking crossbows and drew their sabers and charged towards these traitors.

Lin Chaoying originally heard the shouts of these secret guards. Her wife was in a daze. She didn't expect these secret guards to call her like this, but Lin Chaoying didn't care that these secret guards called her this.

That bastard Su Chen might not let her go easily. Lin Chaoying felt that she would not let her go easily in the future. Maybe she was going to be eaten by that bastard.

Lin Chaoying shook her head and stopped thinking about these messy things. She had to deal with these traitors first. Lin Chaoying also charged towards these traitors with a long sword..

As for Su Chen, when Zha Yadu threatened Su Chen again, Su Chen also found that Qin Hongmian was sitting peacefully on his lap and really didn't resist. Su Chen didn't pay attention to Zha Yadu's threat.

He directly Pushing Qin Hongmian away, she looked at this ruthless woman

【Is this Qin Hongmian sick?】

【Would Qin Hongmian be so honest after threatening her?】

【Although Qin Hongmian didn't dare to resist him, wasn't Qin Hongmian too abnormal now?】

【At least this ruthless woman would stare at him or tense up to prevent herself from taking advantage of her.】

【But this Qin Hongmian's body was so soft that she wanted to lean into his arms】

【His!】

【Why has this woman become so strange! 】

After Qin Hongmian was pushed away by Su Chen, she saw this bastard looking at her in confusion. This made Qin Hongmian blush and didn't know what to do.

She wanted to try this bastard just now, but she didn't expect that as soon as she leaned into this bastard's arms, he would push her away.

Qin Hongmian now also understands that this bastard has no intention of doing anything to these women. Everything he did just now was pretending to be a pervert.

But Qin Hongmian was very puzzled when she thought about the words carved on her body. Since this bastard didn't want to do anything to these women, why did he carve those words on her and her daughter Mu Wanqing's bodies?

When Zha Yadu saw Su Chen pushing away a beautiful woman, he laughed. This pretty boy was indeed greedy for life and afraid of death. It seemed that this pretty boy would have all these beauties come to him in a while.

Chapter 560

Qin Hongmian looked at Su Chen and then came behind Su Chen with a smile. She looked at Ruan Xingzhu and the others and nodded.

Qin Hongmian knew that Ruan Xingzhu and Gan Baobao must have discovered the abnormality of this bastard. He risked his life to help Ruan Xingzhu and Gan Baobao.

"Mom, are you okay?" When Mu Wanqing saw Qin Hongmian coming back, she was worried and hurriedly took her hand.

Qin Hongmian was in a very good mood now. She held Mu Wanqing in her arms and said with a smile, "No, Wanqing. This bastard pervert is just pretending, so don't be afraid anymore."

"What? Is this bastard in disguise? But the words that were engraved on us were carved by this bastard, so how could he be in disguise?" Mu Wanqing was very surprised after hearing Qin Hongmian's words.

How could that bastard be disguising?

His bastard's appearance is exactly the same as Zaya Du's. That bastard is definitely not pretending.

Mu Wanqing thought of that bastard. She was very angry when she insulted them.

Qin Hongmian thought at first that the words were carved by this bastard for the Black Widow, but now that she thought about what Su Chen wanted to carve for them, she realized that it was not the case. As I thought,

"Wanqing, do you still remember what this bastard said before when he said he wanted to carve words for us?"

"I now suspect that the Black Widow made the decision privately. That bastard Su Chen didn't even know what the Black Widow was doing in the first place."

Mu Wanqing heard what her mother Qin Hongmian said, and she also remembered what Su Chen said when she was about to engrave them.

But she didn't understand why this bastard pretended to be like this. Did that bastard have something to hide? Is it the purpose?

Mu Wanqing asked confused, "It is such a thing, but why does this bastard do this?"

Qin Hongmian was very confused when she looked at Su Chen's background. She couldn't figure out what this bastard was going to do, and what his identity was? This made Qin Hongmian look at Su Chen very complicatedly.

"I don't know, but this bastard is not a good person. I will figure these things out later. Now let's see how this bastard deals with Dayuan's young prince Zayadu."

Ruan Xingzhu and Gan Baobao were relieved when they saw Qin Hongmian nodding to them. They also saw Qin Hongmian leaning into Su Chen's arms just now, and they also discovered that Qin Hongmian had just approached Su Chen, a bastard. In his arms, she was pushed away by this bastard.

This confirmed their suspicion that this bastard was indeed very resistant to them.

Although Ruan Xingzhu and Gan Baobao were assured that this bastard would not do those lewd things to them, It's just that they can't figure out why this bastard resists them like this?

They are also very beautiful. Could it be that this bastard looks down on them because they have had men before?

Then why does this bastard treat A'Zhu, Zhong Ling, and Mu Wan Why didn't Qing and the others do anything?

Ruan Xingzhu and Gan Baobao also looked at this bastard with the same complicated expressions as Qin Hongmian.

Zha Yadu was thinking about something after seeing Su Chen push away the beautiful woman, and that beautiful woman The woman also walked behind the pretty girl and chatted with other beauties while smiling, which made Zaya Du look a little confused.

"Boy, why don't you let all these women come over to me?"

"Idiot, don't bother me." Su Chen lazily ignored this pig-brained Zayadu. He couldn't figure out why Qin Hongmian did that.

Su Chen suddenly thought that he wanted to use Zayadu to test Duan Zhengchun's mistresses and daughters?

But is this a test for them now?

Su Chen shook his head and thought in great depression,

【His!】

【Aren't you going to test Qin Hongmian and the others?】

【Why does it look like Qin Hongmian is testing him now?】

【These women themselves can't figure them out. 】

When Zayadu heard Su Chen scolding him, he angrily ordered the dozens of trumpet monks under him,

"Bastard, you all come here, kill this bastard, don't hurt those beauties."

It's not that Zayadu didn't want Jinlun Dharma King to kill this bastard, it's just that the elusive man in black didn't show up. Zayadu was very worried that she would suddenly appear and kill him.

Jinlun Dharma King was by his side to protect him. Zha Yadu is very relieved. Besides, his forty-five innate realm trumpet monks can kill this pretty boy.

Zha Yadu doesn't believe that this bastard can deal with his subordinates.

"Yes, little prince."

Dozens of trumpet monks took their weapons and rushed toward Su Chen in an aggressive manner.
Qin

Hongmian and the others saw that the Dayuan people were coming to kill, but this bastard was still holding the black widow and thinking about something. , which made Qin Hongmian hurriedly remind,

"Be careful, bastard, the Dayuan people are coming to kill you."

"Shut up"

"Damn it, this damn bastard better be killed by the Dayuan people."Qin Hongmian didn't expect that she was kind enough to remind this bastard, but this bastard actually scolded her without understanding a good heart.

This made Qin Hongmian wish that this bastard would be hacked to death by those trumpet monks.

Ruan Xingzhu, Gan Baobao and the others were all Very speechless, this bastard is hopeless, he is a shameless bastard.

Lin Rou'er and Lin Bing'er came to Su Chen at this time, holding long swords and preparing to protect this bastard.

Although this bastard is powerful , but now his absent-minded look makes Lin Rou'er and Lin Bing'er very worried.

After all, this bastard has an unusual relationship with their lady. Their lady was hugged and kissed by this bastard. This bastard will definitely be their lady's husband in the future..

Lin Rouer and the others would not see this bastard die here like this.

Just when dozens of trumpet monks were about to kill them, many women in black suddenly appeared in the crowd of trumpet monks. After these women in black appeared, He quickly slit the throats of these trumpet monks one by one.

Tear! Tear! Tear!.....

In just a moment, these dozens of trumpet monks were unprepared and had their throats slit one by one by the women in black who suddenly appeared. These trumpet monks had no room for resistance until their death.

Lin Rou'er looked at the killed trumpet monk and rubbed her eyes and asked Lin Bing'er,

"hiss! Sister, did I read that correctly? These trumpet monks died like this?"

"You read that right, this bastard actually has so many powerful beings under his command, no wonder he let the lady take away his guards."

Lin Bing'er also found it very unbelievable. These trumpet monks were all at the same level of cultivation as them. But even in this way, these trumpet monks were killed silently.

This made Lin Bing'er frightened.
