### Chapter 561

Lin Bing'er was very surprised when she saw Su Chen. This Lord Wu Xiang is really cautious. There are countless people who protect him. This Lord Wu Xiang is also a bastard who is greedy for life and afraid of death..

When Qin Hongmian and the other six girls saw this, they looked at this bastard dumbfounded.

They said they were just a woman in black, but why did more than ten women in black appear?

How could this bastard have so many powerful female assassins?

"This bastard actually has so many women protecting him." Qin Hongmian was very angry as he stared at Su Chen.

No wonder this bastard didn't care at all. But who is this bastard?

Why does he have those powerful guards protecting him?

Now there are these assassin women. Protect this bastard?

"Isn't he the prince of a country?" Zhong Ling looked at Su Chen and said with shining eyes.

Mu Wanqing shook her head and said to Zhong Ling, "Impossible, how can a prince be so lustful and have no grace at all?"

"Maybe his family background is very powerful, and these guards are sent by his family to protect him. Ruan Xingzhu looked at Su Chen and said very complicatedly.

She served this big devil before these women. Ruan Xingzhu thought that she would give this big devil a massage and beat his back. I'm afraid there would be no chance in the future.

This big devil's family background is so good, in the future There is definitely no need for an older woman like her to serve him.

Ruan Xingzhu now knows why this big devil is alienating them.

"It is possible, no wonder this bastard is not even afraid of Pang Ban, the national master of the Great Yuan Celestial Realm. Maybe he also has land gods of the Celestial Realm in his family."

Gan Baobao looked at Su Chen with some dizziness.

When Gan Baobao thought that this bastard's family had land gods in the heavenly realm, she felt that they were not the same people at all.

This bastard's status was too high. People like them She was not worthy of having anything to do with him at all.

After hearing what these women said, A'Zhu shook her head in amusement. I'm afraid she knew Wu Xiangjun's identity.

But now she is also very complicated about Wu Xiangjun Su Chen. Zhu escaped from Wu Xiangjun's mansion.

Even if Wu Xiangjun didn't pursue her escape, I'm afraid she wouldn't be able to return to Wu Xiangjun's mansion in the future, and she would never see the little princess and Abi again. Here we are.

A'Zhu looked at Su Chen with great disappointment and lowered his head.

Zha Yadu was scared now. He didn't expect that his men would be massacred without even a chance to resist.

He looked at Su Chen and asked tremblingly. road,

"What are you? Why are there so many powerful people protecting you?"

Jinlun Dharma King and Wang Chongyang are also very uneasy now. They originally thought that there was only a woman in black hiding beside Su Chen to protect him.

But this time, more than ten women in black appeared. So many women were hiding here. , they didn't even notice it.

Even after the female assassins disappeared, they couldn't find any trace of the assassins in black.

Su Chen smiled after hearing Zha Yadu's words. He looked at Qin Hongmian and the others behind him and shook his head. He shook his head.

Su Chen didn't think about what happened to Qin Hongmian and the others. Anyway, they would be separated soon. If these women want to avenge Duan Zhengchun in the future, then they have no need to live.

This time Su Chen Without testing whether they would join the Dayuan people at this time, Su Chen would not accept them as maids.

Su Chen said to the trembling Zha Yadu,

"Little scumbag, your men are just as scumbag as you, are you scared now?"

"Stop trembling. When I am going to execute you later, I will let you die without pain, just like your trumpet monks who died without consciousness."

"As for my identity, you are not qualified to know it yet."

Zha Yadu is very scared now that he is hiding behind Jinlun Dharma King. He is now worried that this pretty boy will let his female assassins in black come to assassinate him.

Zha Yadu regrets coming to Chang'an City. If he had stayed in Da In Yuan Dajun, this bastard will definitely not be able to kill him.

"Your Excellency, we have no intention of being your enemy. The young prince has been offended a lot this time. I hope you can spare the young prince's life for the sake of the Seventh Prince of Dayuan." Jinlun Dharma King saluted to Su Chen and said,

Jinlun Dharma King knew that if this young master wanted to kill Zha Yadu, he and Wang Chongyang would not be able to protect Zha Yadu.

Those elusive assassins made Jinlun Dharma King unable to do anything.

If The young prince was killed here, and I am afraid he will not survive.

For the sake of his life, Zha Yadu cannot be killed by this young master.

"Ha ha! Jinlun Dharma King, do you think I will let this idiot Zha Yadu go?"

"Young Master, are you really desperate to kill the young prince Zaya Du? You should know that if the young prince Zha Yadu is killed here, I am afraid that no matter where you hide, you will be hunted down by the masters of the Dayuan Imperial Prefecture."

"cut! I'm not even afraid of Pang Ban, but will I be afraid of those little soldiers and generals in the Imperial Prefecture?"

Jinlun Dharma King saw that Su Chen insisted on killing Zayadu.

He suddenly grabbed Zayadu and stamped his feet and flew away outside the square.

Jinlun Dharma King could not let Zayadu die in this place. Here.

Originally, he wanted to catch this pretty boy, but he knew that it was very difficult to catch this pretty boy.

There were no powerful masters protecting this pretty boy, and Jin Lun Dharma King did not dare to risk catching this pretty boy. Pretty boy.

Su Chen saw Jinlun Dharma King suddenly running away with Zha Yadu. This was something Su Chen didn't expect.

Su Chen patted the black widow's butt and said,

"Want to escape? Black Widow, it's up to you."

"Don't worry, Master, they can't escape." The black widow twisted her perfect figure and disappeared next to Su Chen.

Wang Chongyang was now embarrassed here. He did not expect that the powerful Jinlun Dharma King escaped with Zha Yadu.

Wang Chongyang now looked at Su Chen. He regrets it very much.

If he had known that this bastard had such a powerful guard, he would not have pretended to defect to Dayuan.

Now he is telling this pretty boy that he pretended to defect to Dayuan. Not only does this stupid boy not believe it, I am afraid that here None of the other women believed in him.

And he didn't expect that the charming woman that this bastard had been holding was also a great master.

This bastard had hidden it too deeply. Now he knew that he was dead this time.

Su Chen looked at Wang Chongyang next to him and said expressionlessly,

"Wang Chongyang, I am here now, don't you hate me to the core? He even hesitated to join Dayuan in order to kill me and Lin Chaoying. You can do it now, otherwise you won't have a chance in a while."..

Chapter 562

Su Chen would not let Wang Chongyang go this time. Even if Wang Chongyang did not join Dayuan, Su Chen would not let him live anymore.

This Wang Chongyang hated him to the core. If he didn't kill him this time, I'm afraid those anti-Soviet alliances would also draw him in to fight against them.

Su Chen will not leave this scourge behind.

"Die!"

Wang Chongyang also knew that this bastard would not let him go, so he took a long sword and suddenly stabbed Su Chen. Anyway, he might not be able to escape this time. If he died, he would drag this bastard with him.

"careful!"

"Big devil, be careful"

"Get out of the way"

""Master, be careful!"

Gan Baobao and the others shouted hurriedly when they saw Wang Chongyang suddenly charging towards Su Chen.

Su Chen waved his hand when he saw Wang Chongyang suddenly taking action. He did not let the shadow assassin Youruo and the others take action. , he wanted to kill this Wang Chongyang with his own hands.

Just when Wang Chongyang was about to kill Su Chen with a sword, Su Chen suddenly disappeared on the chair. Wang Chongyang struck the chair with his sword and hurriedly searched for Su Chen. , he didn't expect that bastard Su Chen would suddenly disappear.

Bang!

Just when Wang Chongyang was carefully looking for Su Chen, Su Chen suddenly appeared in front of Wang Chongyang, and kicked Wang Chongyang away before Wang Chongyang could react. Chongyang,

Su Chen used all his strength to kick Wang Chongyang. Wang Chongyang would have been seriously injured if he hadn't kicked him to death this time.

Su Chen kicked Wang Chongyang away and sat on another chair again. He saw By the time Shangguan Jinhong and others were chasing Quanzhen Sect disciples, they had already arrived.

Su Chen wanted to see if Wang Chongyang would be angry after seeing his disciples and only those Quanzhen Sect disciples die. He immediately burped.

Wang Chongyang was kicked by Su Chen and flew backwards for dozens of meters before he stopped. He vomited blood and looked at the collapsed right chest on his chest when Su Chen kicked him.

He stood up with difficulty. Wang Chongyang felt that he All the ribs on his right chest were broken, and even some internal organs were damaged.

He didn't expect this bastard to be so powerful. This bastard was just a bastard who pretended to be a pig and ate the tiger.

He actually had the strength of a grandmaster and had been hiding it. The bastard is simply not a human being.

When Qin Hongmian and the others saw Su Chen kicking Wang Chongyang away, they felt that the reminder they just gave was too much. They also forgot that this bastard was a powerful master. This made Qin Hongmian and the others look at each other. Very embarrassing

""Master (Master)" At this time, Ma Yu took some of the defeated soldiers of the Quanzhen Sect and fled to Wang Chongyang. When they saw Wang Chongyang's miserable state, they screamed in surprise.

Wang Chongyang saw the miserable Ma Yu The others knew that they had been defeated by Shangguan Jinhong and the others. Without the help of Jinlun Dharma King, Wang Chongyang knew that they would fail.

But now that Jinlun Dharma King has escaped, I am afraid that the Quanzhen Sect will also be exterminated this time.

Wang Chongyang is now a little agitated. I hate Jinlun Dharma King. If Jinlun Dharma King had destroyed Shangguan Jinhong and the others first, I am afraid that his Quanzhen Sect would not have died and only a few dozen people would be left.

Wang Chongyang looked at Ma Yu and Sun Buer and said, "Where are Tan Chuduan, Hao Datong, and Liu Chuxuan? Why are you two alone? Ma

Yu, who was covered in blood, looked at Wang Chongyang and said angrily, "Master, junior brother, they are all dead. Only these dozens of people are left in our Quanzhen sect. The others are all dead."

"Fuji, where are Qiu Chuji and Wang Chuyi? Aren't they recuperating in the ring?"

Sun Buer's torn clothes revealed her snow-white skin. Although she was over forty, her skin was still very smooth and delicate.

Sun Buer covered her injured arm and said sadly,

"Master, they were also killed. It was Li Mochou and Xiao Longnu from the Ancient Tomb Sect who killed Senior Brother Qiu Chuji and Senior Brother Wang Chuyi."

"Damn it, Ancient Tomb Sect, Lin Chaoying, I, Wang Chongyang, will never let you go even if I'm a ghost."

Wang Chongyang didn't expect that only two of his seven apprentices were left. This made Wang Chongyang look angrily at the arriving Li Mochou and Xiao Longnu. He now wanted to kill them before the pretty boy came.

Just before Wang Chongyang When he was about to kill Lin Chaoying's disciples Li Mochou and Xiao Longnu, he found that Fu Hongxue and Shangguan Jinhong had also arrived. Wang Chongyang knew that he could not kill Li Mochou and Xiao Longnu now.

The rest of the Quanzhen Sect The disciples are now looking at the Jianghu people surrounding them with great fear.

There are only more than fifty people left, and all of them are injured. If these Jianghu people attack them, I am afraid that the remaining members of the Quanzhen Sect will be destroyed. The disciples will also be slaughtered completely.

Zhao Zhijing, a third-generation disciple of the Quanzhen Sect, whispered to Yin Zhiping beside him, "Junior brother, we are going to die this time, how about we surrender?" Maybe we can survive this way?"

Yin Zhiping was very surprised when he heard Zhao Zhijing's words. Now the Quanzhen Sect is at a critical moment of life and death. Zhao Zhijing, the third generation disciple of the Quanzhen Sect, actually wants to betray the Quanzhen Sect and surrender to survive.

"Senior Brother Zhao, are you going to betray the Quanzhen Sect? Betray Master? Betray the master?"

"Junior Brother Yin, are you going to die here?"

"Even if I die, I will not surrender and survive."

"oh? Where is that little dragon girl? Don't think that I don't know that when you were in Zhongnan Mountain, you secretly went to the back mountain to peek at the Little Dragon Girl of the Ancient Tomb Sect. Junior Brother Yin, if you die, the Little Dragon Girl won't be yours."

"you.....Are you following me?"

"Junior Brother Yin, make a decision quickly, otherwise we will really be dead in a moment."

Yin Zhiping looked very ugly when he heard Zhao Zhijing's words. He didn't want to die either. He looked at Xiao Longnu next to him with a look of obsession.

But now they are surrounded by these powerful masters and Jianghu people. If he really dies, Here, Yin Zhiping really can no longer get Xiao Longnu, and now he is also very entangled.

Li Mochou and Xiao Longnu looked at the defeated soldiers of the Quanzhen Sect and did not rush to take action, while Fu Hongxue, Shangguan Jinhong and the others also They didn't look like they wanted to take action.

They all knew that the Quanzhen Sect was trapped and struggling, and they could no longer escape.

At this time,

Lin Chaoying also arrived with the secret guards, and those who took refuge at the entrance of the square Most of the Jianghu people in Dayuan had been killed by Lin Chaoying and his secret guards. The remaining Jianghu people took advantage of the chaos and fled the square.

Lin Chaoying did not pay attention to the escaped Jianghu traitors.

Lin Chaoying looked at Wang Chongyang miserable He looked in disbelief and said,"Wang Chongyang, I didn't expect that you would be here today.""

"Lin Chaoying, what happened to me today is all because of you. If you hadn't had an affair with that bastard and I couldn't kill you, would I have pretended to join Dayuan?"

"Originally, I wanted Jinlun Dharma King to kill you, but I didn't expect that bastard Jinlun Dharma King had so many powerful masters. That bastard Jinlun Dharma King actually ran away without a fight."

"Ha ha!"

"Women are a disaster, there is nothing wrong with that"

"I didn't expect that I, Wang Chongyang, would live an upright life, but in the end I would end up with a ruined reputation, and even my Quanzhen Sect would be destroyed."

"I hate it so much!"

"Lin Chaoying, I hate you and that bastard so much. You two adulterers and adulterers will definitely die a miserable death in the future."

Chapter 563

Wang Chongyang looked at Lin Chaoying angrily and wanted to kill her, but not only did he have a broken arm now, he was even kicked seriously by that bastard. No matter how angry Wang Chongyang was now, he couldn't kill this free-spirited Lin Chaoying.

He looked at the remaining Quanzhen sect disciples and was filled with despair. The Quanzhen sect founded by Wang Chongyang would also be destroyed today.

His disciples and grandchildren will also be slaughtered today. Wang Chongyang is really sorry for his disciples and grandchildren.

All of this was due to Lin Chaoying, a prostitute. If it weren't for herself, she wouldn't have ended up like this.

If the relationship between this slut and that bastard hadn't been unclear, Wang Chongyang wouldn't have betrayed his long-standing faith and joined a foreign race for Lin Chaoying.

However, he saw that none of the disciples of the Quanzhen Sect rolled to the ground and begged for mercy, and not even a disciple escaped secretly.

This made Wang Chongyang feel that his disciples of the Quanzhen Sect were all well-known and righteous gentlemen. Having these disciples and grandchildren also made Wang Chongyang feel that he would not live in this life anymore.

When Lin Chaoying heard Wang Chongyang's words, she was trembling with anger. She didn't expect that at this time, Wang Chongyang would still frame her like this.

Did she want Wang Chongyang to betray the Central Plains of the Song Dynasty?

Was she trying to get Wang Chongyang to join a foreign race?

She has nothing to do with that bastard Su Chen, but Wang Chongyang always thinks that she has an affair with that bastard.

Can he blame himself for this?

Wang Chongyang wanted to kill her and that bastard for his own sake, and ended up with such a miserable end.

Did he blame her?

Lin Chaoying thought that her relationship with Wang Chongyang was just a matter of likes and dislikes. She had always liked Wang Chongyang, but Wang Chongyang had been avoiding her feelings for him for decades, and had never even wanted to accept her.

And now that that bastard Su Chen appeared, Wang Chongyang saw that he was defending that bastard Su Chen and thought he had an affair with that bastard?

This made Wang Chongyang want to kill them in anger. Is this what that bastard Su Chen said: "Even if I don't want a woman, no one else can get involved with it"?

Lin Chaoying looked at Wang Chongyang and felt that his life was full of failures. He had repeatedly failed in his decades of resistance to the Jin Kingdom, and the Jin Kingdom was defeated by Dayuan.

Wang Chongyang was even more powerless against the more powerful Dayuan, and even his Quanzhen Sect was burned down by Dayuan.

Now he has taken refuge with King Jinlun of Dayuan. Ever since Wang Chongyang took refuge in Dayuan, Lin Chaoying knew that Wang Chongyang's end would be very miserable.

That bastard Su Chen has a woman who is a princess in Dayuan, and the princess's status in Dayuan is still very high.

Lin Chaoying saw Dayuan's wolf cavalry obeying Su Chen's orders in Zhongnan Mountain. She knew that Dayuan's army was not a threat at all in front of Su Chen, and that Dayuan's army could even be used by Su Chen, a bastard.

But Wang Chongyang didn't know that he was facing that powerful bastard Wu Xiangjun, who could even command the Yuan army.

Wang Chongyang's conflict with Wu Xiangjun was destined to be tragic.

Lin Chaoying didn't want to add insult to injury when Wang Chongyang was about to die. This time Wang Chongyang could be said to be dead. There was no way that bastard Su Chen would let go of Wang Chongyang who wanted to kill him.

Lin Chaoying also did not refute Wang Chongyang's insults to her for the sake of past feelings, and she had completely let go of her past feelings for Wang Chongyang.

Lin Chaoying thought that she might as well let Wang Chongyang die in such confusion.

At this time,

Su Chen came over with Lin Rou'er and Lin Bing'er in his arms. He was not happy when he heard Wang Chongyang's heartbreaking insults to Lin Chaoying. This Wang Chongyang was simply unreasonable, and Lin Chaoying was When the woman heard Wang Chongyang insulting her like this, she didn't even refute him.

This made Su Chen a little confused about Lin Chaoying?

Is this Lin Chaoying still obsessed with Wang Chongyang?

Su Chen still doesn't understand what Lin Chaoying is thinking, but he doesn't want to care about it now.

If Lin Chaoying still misses Wang Chongyang, he might even let Wang Chongyang go this time.

Su Chen would completely cut off relations with this woman. He was determined to kill Wang Chongyang, even if Lin Chaoying begged him, it would be useless.

Su Chen glanced at Lin Chaoying and then looked at the miserable Wang Chongyang and laughed,

"Are women a nuisance? Wang Chongyang, why don't you say you are narrow-minded? Lin Chaoying has been in love with you for decades and you have never had a heartbeat. You only wanted to keep Lin Chaoying when Lin Chaoying fell in love with someone else. What kind of logic is this?"

Lin Rou'er and Lin Bing'er are now being held tightly by Su Chen. They were very scared when being held by this bastard.

Lin Rou'er and Lin Bing'er did not expect that this bastard would directly carry them here. , they looked at Lin Chaoying and hoped that the lady could save them from this bastard's clutches.

"Shameless bastards, let Sister Rou'er and Sister Bing'er go."When Xiao Longnu saw Su Chen holding Lin Rou'er and Lin Bing'er, she came to Su Chen angrily and pushed Su Chen away. She pulled Lin Rou'er and Lin Bing'er and hurried away from this shameless bastard. When Chen saw Xiao Longnu taking Lin Rou'er and Lin Bing'er away in an aggressive manner, he touched his nose and felt a little embarrassed. The reason why Su Chen came here with Lin Rou'er and Lin Bing'er in his arms was because he felt that there were no women Accompanying him, he seemed to feel that he lacked some strength. After all, these people always considered him to be a pretty boy.

Lin Chaoying glared at that bastard when she saw Xiao Longnu taking her maid away from Su Chen. This bastard Su Chen is simply a pervert.

She just left her two maids next to Su Chen, but this bastard actually attacked her maids as well.

This made Lin Chaoying feel that she could not let this bastard approach alone in the future. Her apprentice and maid.

Wang Chongyang looked at Su Chen and was filled with hatred. He did not answer Su Chen. Wang Chongyang now just wants to know whose hands he lost to. Who is this bastard?

"who are you? Don't you want your identity revealed yet?"

Fu Hongxue and Shangguan Jinhong also looked at Su Chen after hearing Wang Chongyang's words. They also wanted to know who this person was. They were all very interested in the identity of this masked man.

Especially Fu Hongxue, he thought He still doesn't know who this bastard is. How will he tell his mother about this in the future? He looked at Su Chen and really hoped that this bastard could reveal his identity.

"Hahaha! who I am? I won't tell you, you should just die in peace." Su Chen laughed and said to Wang Chongyang.

He also saw that everyone here wanted to know his identity, but can his identity be exposed here?

If his identity is exposed here, I am afraid it will cause more trouble. Big trouble, Su Chen didn't want to cause some unnecessary trouble at this time.

## Chapter 564

When Wang Chongyang saw this, this bastard still refused to reveal his identity. He looked at Su Chen angrily and shouted,

"You damn bastard, you are a shameless bastard who hides his head and shows his tail"

"Crossbow preparation." Su Chen saw Wang Chongyang insulting him and ordered the secret guard next to him.

Su Chen will not tolerate this Wang Chongyang. He has wanted to kill Wang Chongyang since he came here. No one can stop him from killing him this time. Wang Chongyang.

When the secret guards heard Su Chen's order, they all pointed their crossbows at Wang Chongyang. As long as Lord Wu Xiang gave the order, they would shoot Wang Chongyang without hesitation.

"Protect the headmaster, protect your master quickly!" Ma Yu and Sun Buer hurriedly stood in front of Wang Chongyang and shouted to the disciples of the Quanzhen Sect.

The disciples of the Quanzhen Sect also looked at the secret guards warily in front of Wang Chongyang. Although they were all very scared, But they thought that there was nothing they could do now.

If Wang Chongyang died, then all of them, the disciples of the Quanzhen Sect, would probably be massacred.

"I surrender, I surrender, I have no intention of betraying the Song Dynasty or taking refuge with foreigners. This is what the leader Wang Chongyang ordered us to do."

At this time, Zhao Zhijing saw that they, the disciples of the Quanzhen Sect, would be shot and killed. He couldn't bear it anymore. He didn't care whether Yin Zhiping would surrender with him. Zhao Zhijing went straight towards them in order to survive. Su Chen knelt down and begged,

"Zhao Zhijing, do you dare to betray the Quanzhen Sect and surrender and survive?" When Ma Yu saw Zhao Zhijing rolling to the ground and begging for mercy, he was so angry that he took a long sword and went towards Zhao Zhijing to kill him.

"Shoot the old man." Su Chen did not expect that the disciples of the Quanzhen Sect would surrender, and the person who surrendered turned out to be Zhao Zhijing. When he saw Ma Yu wanted to kill Zhao Zhijing, Su Chen ordered the secret guards.

Whoosh! Whoosh! Whoosh! Whoosh!.....

Ma Yu did not expect that he would be blocked when dealing with the traitors. When he saw the crossbows that shot him, he hurriedly blocked and avoided them.

But he underestimated the power of these Qi-breaking crossbows.

Given Ma Yu's innate cultivation level, he simply couldn't avoid being shot by the Qi-Breaking Crossbow. The continuous shooting of dozens of secret guards made it impossible for Ma Yu to dodge even if he wanted to.

In just an instant,

Ma Yu was shot and turned into a hedgehog. He lay on the ground vomiting blood and stared at Zhao Zhijing not far away in front of him, then died angrily.

"Ma Yu!"

"Senior brother!"

"Uncle!"

In just a short moment, after Ma Yu was shot, Wang Chongyang and Sun Buer screamed in grief.

Sun Buer came to Ma Yu and saw that he was covered with crossbow arrows, and she He knelt down next to Ma Yu sadly and cried.

When Zhao Zhijing saw that Ma Yu who wanted to kill him was shot dead, he hurriedly knelt down and kowtowed to Su Chen to thank,

"Thank you for your help, sir."

"Your name is Zhao Zhijing?"

"Yes, sir, my name is Zhao Zhijing"

"Zhao Zhijing, are there any disciples of the Quanzhen Sect who want to surrender?" Su Chen looked at this villain and wanted to see if the remaining Quanzhen Sect disciples would surrender?

He also wanted to know if the Quanzhen Sect disciples would betray Wang Chongyang when they were desperate?

Su Chen did the same. Want to know if the remaining Quanzhen Sect disciples betrayed Wang Chongyang, would Wang Chongyang be mad?

Zhao Zhijing nodded hurriedly after hearing Su Chen's words. He knew that the Quanzhen Sect's disciples were very He is afraid of death, but if he behaves well in front of this adult, he may be able to be put to good use by this adult in the future.

"Yes, sir, I am willing to recruit the remaining Quanzhen disciples for you."

"You go, my guards will protect you"

""Yes, sir."

Zhao Zhijing was very happy after hearing Su Chen's words. With the protection of these secret guards, Zhao Zhijing didn't have to worry that Wang Chongyang and Sun Buer would dare to attack him. He could also convince Quanzhen openly. Teach the remaining disciples

"Zhao Zhijing!"

Wang Chongyang was very angry when he heard the conversation between Su Chen and Zhao Zhijing. He did not expect that there would be a traitor among the Quanzhen Cult disciples, and he was also the first disciple of the third generation of disciples.

Wang Chongyang was somewhat sad for his deceased disciple Wang Chuyi. He I didn't expect that Wang Chuyi's disciple would be the first to betray the Quanzhen Sect and betray him.

"I'm going to kill you traitor"

"No, stop."

Wang Chongyang saw that Sun Buer was going to kill Zhao Zhijing, and he immediately stopped him.

But Wang Chongyang saw that bastard Su Chen's guards were guarding the place with crossbows. If Sun Buer went to kill Zhao Zhijing, I'm afraid Sun Buer would also be shot dead by those guards.

Wang Chongyang didn't want his only remaining disciple to die before him.

"master?"

Sun Buer looked at Wang Chongyang and was very puzzled.

By this time, their Quanzhen sect had already passed away. She didn't know what Master Wang Chongyang wanted to do to stop her.

Wang Chongyang said to Sun Buer Shaking his head, he also wanted to see if there were any Quanzhen Sect disciples who were greedy for life and afraid of death? Will his Quanzhen Sect disciples betray him at the critical moment of life and death?

"What the hell are you going to do, you bastard? Lin Chaoying came to Su Chen and asked in confusion,

"It's just for fun, anyway, Jinlun Dharma King has not been captured by the Black Widow, so he is still idle."

Lin Chaoying didn't expect that Su Chen was actually passing the time with a Quanzhen disciple. This made her very speechless when she looked at Su Chen.

"You really are a shameless bastard"

"Lin Chaoying, your little disciple Xiao Longnu is liked by a disciple of the Quanzhen Sect. Do you want to know who it is? That disciple of the Quanzhen Sect has been following your little apprentice for a long time."

"What? How can this be? You didn't lie to me?"

"Tsk, what's the benefit of me lying to you?"

"who is it? I'm gonna kill that bastard"

"You'll know it soon. I don't know it now either, but Zhao Zhijing should know it."

Su Chen said to Lin Chaoying and looked at the little dragon girl next to him. Now the little dragon girl looked very ashamed and angry. Su Chen knew that she had heard what he just said to Lin Chaoying.

Su Chen looked around There were less than 200 Da Song Jianghu people left and they said loudly,

"You Jianghu people, please leave. It is best for you all to help Mu Guiying defend Chang'an City, otherwise you should know that after Chang'an City is broken, you will also be killed."

"Thank you for saving your life, young master. We will help General Mu Guiying defend Chang'an City."

One of these Jianghu people, who was in the innate realm, saluted and thanked Su Chen and left with less than two hundred Jianghu people. They also knew that their help was no longer needed here. I'm afraid the remaining Quanzhen Sect disciples Everyone will die here

"Master, please sit down."

Yuyuki Yuki and Yagyu Piauxu brought the tables and chairs and placed them next to Su Chen and said to him.

Su Chen saw that Yagyu Yuki and Yagyu Piauxu were very sensible and smiled and sat down. There was a maid waiting on them. Yes,

Su Chen didn't pay attention to the people around him. He took the tea handed to him by Liu Shengpiaoxu and drank it slowly.

"shameless bastard!"

Lin Chaoying was very dissatisfied when she saw Su Chen's leisurely look. Doesn't this bastard have any manners of a man?

Didn't he see that he was still standing next to him?

"Lin Chaoying, don't scold me all the time. My maid can only serve me. It's not like you don't have a maid."

"Miss, please sit down too."

Chapter 565

Lin Rou'er and Lin Bing'er were very embarrassed now. They did not think of bringing a table or chair for Lin Chaoying to rest at this time. After all, they were about to launch an attack on the Quanzhen Sect at any time.

They saw that Su Chen's maid had brought tables and chairs for him, and even tea was ready. Lin Rou'er and Lin Bing'er also hurriedly brought chairs for Lin Chaoying to sit down and rest. They didn't want Lin Chaoying to lose. Give it to this bastard.

After Lin Chaoying sat down, she looked at Su Chen with evil eyes. This hateful bastard really didn't understand how to show mercy to women and had no sense of manliness at all.

"Ha ha! Lin Chaoying, these two maids of yours need training. Do you want me to train them for you?"

"No need, I feel very good about my maid, and it is impossible for my maid to leave it to you, a pervert."

"as long as you are happy."

At this time, Zhao Zhijing also came to the remaining disciples of the Quanzhen Sect. He looked at the Quanzhen Sect disciples who looked at him unkindly and smiled disdainfully.

These disciples looked down on him very much now, but after a while Which young master will definitely surrender like him?

Zhao Zhijing looked directly at Yin Zhiping and said loudly,

"Senior Brother Yin, have you forgotten our conversation just now? Now that the Quanzhen Sect is finished, and the Quanzhen Sect was led by Wang Chongyang to seek refuge with the foreign race of the Yuan Dynasty, will you be charged with seeking refuge with the alien race in the future?"

Yin Zhiping was looking at Zhao Zhijing with some hesitation. He thought of Xiao Longnu and felt that he should not die like this, but he was not willing to betray the Quanzhen Sect and his master Wang Chongyang.

But he felt a little confused when he heard Zhao Zhijing's words. Shaken, what Zhao Zhijing said was right. It was very wrong for the master to seek refuge with the foreign race of the Great Yuan Dynasty. If he still persists in his stubbornness at this time, I am afraid that even if he dies in the future, he will be infamous as a lackey of the alien race.

"Senior Brother Yin, that person is right here. You don't care about her, right? If you die like this, have you ever thought that that person would be like this in the future?"

Yin Zhiping was very uneasy when he saw Zhao Zhijing. He was now afraid that Zhao Zhijing would say that he liked Xiao Longnu.

And Zhao Zhijing was right. If he died, Xiao Longnu would definitely fall in love with other men in the future.

Yin Zhiping Zhiping felt very painful when he thought about Xiao Longnu becoming another man's woman.

"Zhao Zhijing, I surrender to that young master." Yin Zhiping looked at Wang Chongyang and Sun Buer, then walked towards Zhao Zhijing and said in a low voice.

When Zhao Zhijing saw Yin Zhiping surrendering, he patted him on the shoulder and said with a smile,

"Okay, senior brother, if you behave better in the future, that young man will think highly of you, and that woman might even look at you differently, and you might actually be together in the future."

"I know."

Yin Zhiping glanced at Xiao Longnu secretly and nodded. He knew that there was no turning back.

But when he thought of the cold and beautiful Xiao Longnu, he felt that what he did for Xiao Longnu was worth it.

Everything else was all The disciples of the Zhen Religion were shaken when they saw that Yin Zhiping had also betrayed the Quanzhen Religion. None of them, disciples of the Quanzhen

Religion, wanted to die, especially if they died bearing the infamy of being a lackey of a foreign race.

"I surrender too"

"I left the Quanzhen Religion"

"I don't want to die bearing the name of a foreign lackey, I surrender."

"I don't want to betray the Song Dynasty, I surrender."

After Yin Zhiping surrendered, the remaining dozens of Quanzhen Cult disciples also surrendered to Zhao Zhijing.

Whether these disciples were greedy for life or afraid of death or were really lost, they all betrayed Wang at this time. Double Ninth Festival.

Wang Chongyang and Sun Buer watched as each Quanzhen sect disciple betrayed them. This shocked Wang Chongyang and Sun Buer. Not a single disciple of the dignified Quanzhen sect was willing to stay.

"Damn traitors, I'm going to kill you traitors."Sun Buer looked at the Quanzhen disciples who had betrayed Wang Chongyang one by one, and she angrily took the long sword and wanted to kill them.

Wang Chongyang pulled Sun Buer expressionlessly and said with a low expression,"Fu Er, forget it, everyone has his own ambitions. This may be my retribution for joining a foreign race."

"Master, you were pretending to join a foreign race earlier."Sun Bu'er angrily looked at the surrendered disciples and was extremely angry.

She knew that the reason why Wang Chongyang defected to the foreign race was to kill Lin Chaoying and that bastard, but these ordinary disciples didn't know that Wang Chongyang was pretending to defect. Alien.

Wang Chongyang comforted Sun Buer and then told her,

"But these disciples don't know, Fuji, please surrender too. I don't want you to die with me. You are my only remaining disciple. I don't want the Quanzhen Sect to be destroyed like this. Do you understand?"

After hearing Wang Chongyang's words, Sun Buer hurriedly shook his head and said, "No, master, my brothers and sisters are all dead. There is no way I can live in an ignoble way."

"Fuji, you are not living an ignoble existence, you are the hope of the Quanzhen Sect in the future. If you die, the Quanzhen Sect will really have no chance to make a comeback. Do you want to watch the Quanzhen Sect founded by your master collapse like this?"

"master! I don't want to see you all die and I'm still alive"

"If you want to avenge us, you must endure the humiliation and bear the burden. You must also find out the true identity of that bastard for the master. The master will not rest in peace this time. It is up to you to tell the master the identity of this bastard in the future."

Wang Chongyang really wants to know the identity of that bastard, but he knows that even if he is killed, I am afraid that the bastard will not reveal his identity.

Wang Chongyang does not want to be executed by someone he does not know, and now he can only Sun Buer told him to burn paper money for him later.

Sun Buer looked at Wang Chongyang's pleading eyes and nodded. She knew what Wang Chongyang meant. He just wanted her to live alone in this world, which was very difficult for her. Cruel.

Su Chen saw that Zhao Zhijing had really surrendered the remaining disciples of the Quanzhen Sect. This made Su Chen look at Wang Chongyang with sympathy.

All the disciples of the Quanzhen Sect had surrendered, and now only Wang Chongyang and Wang Chongyang were left. His two female disciples were alone.

Su Chen didn't want to wait any longer.

It would be better for Wang Chongyang to die early, but Jinlun Dharma King and Zha Yadu would follow him soon. Zhao Zhijing came to Su Chen and said Su Chen saluted and said, "Sir, I have surrendered all the remaining disciples of the Quanzhen Sect."

"Zhao Zhijing, you have done well and I will reward you." Su Chen looked at Zhao Zhijing and nodded.

Su Chen didn't want to keep these Quanzhen sect disciples. This time they would be dead whether they surrendered or not.

Su Chen also let Zhao Zhijing do it just to disgust Wang Chongyang. If you do this, after Wang Chongyang is killed, all the Quanzhen Cult disciples will be executed.

Su Chen will not keep these traitors who are of no use to him.

Lin Chaoying at this time He stood up and asked Zhao Zhijing, "Zhao Zhijing, who in your Quanzhen sect has been following and spying on my disciple Xiao Longnu?"

Chapter 566

Lin Chaoying has not forgotten what Su Chen said. A disciple of the Quanzhen Sect is plotting against her apprentice. Lin Chaoying wants to find him and kill him. She does not want her apprentice to be plotted by Quanzhen Sect disciples in the future..

Su Chen shook his head after hearing Lin Chaoying's words. He did not expect that Lin Chaoying really wanted to find the person who was plotting against Xiao Longnu.

Su Chen is now worried that Yin Zhiping has no serious thoughts about Xiao Longnu in the mixed martial arts world, and may not even have met Xiao Longnu. After all, he just talked nonsense about Lin Chaoying.

"I'm going to kill Wang Chongyang. You can ask slowly here." Su Chen needs to leave here quickly. Otherwise, if Lin Chaoying finds out that he is lying to her, this crazy woman from the Tomb Sect will go crazy again.

Su Chen didn't wait for Lin Chaoying to answer him, and he hurriedly took Liu Shengxue with him. Ji and Liu Shengpiaoxu walked towards Wang Chongyang.

After Su Chen left with Liu Shengxue and Ji sisters,

Zhao Zhijing was a little at a loss. He would count on Yin Zhiping to help him gain a foothold in Su Chen's influence in the future.

If Yin Zhiping is executed by Lin Chaoying at this time, I'm afraid he will lose a helper.

But if he doesn't tell Yin Zhiping, I'm afraid he will be dead.

Lin Chaoying has a close relationship with that young master, and Lin Chaoying may even be the one The young master's private lover,

Zhao Zhijing, was even more afraid to offend Lin Chaoying.

When Lin Chaoying saw Su Chen leaving in a hurry to deal with Wang Chongyang, she had no intention of stopping her. Lin Chaoying didn't have any feelings for Wang Chongyang now. Wang Chongyang was She didn't care whether she was alive or dead.

Lin Chaoying now hated the Quanzhen Cult disciple who had an idea for Xiao Longnu. She looked at Zhao Zhijing and threatened, "Zhao Zhijing, why don't you tell me who he is? Do you want to die?"

Zhao Zhijing said hurriedly when he heard Lin Chaoying's threat,

"Lin Nvxia, this is Yin Zhiping, this is Yin Zhiping. Yin Zhiping often goes to the back mountain to watch your apprentice Xiao Longnu practice martial arts. He has feelings of admiration for Xiao Longnu, but he only admires Xiao Longnu very much. He really loves others. do nothing"

"Damn it, go and bring Yin Zhiping to me." When Lin Chaoying heard Zhao Zhijing's words, he ordered Zhao Zhijing aggressively.

Zhao Zhijing was frightened by Lin Chaoying's momentum and was sweating profusely, "Yes, yes, I will bring it over."

Zhao Zhijing hurriedly turned around and ran towards the surrendered disciples of the Quanzhen Sect. He was now afraid that the angry Lin Chaoying would kill him.

As for what would happen to Yin Zhiping, Zhao Zhijing could only let Yin Zhiping wish for himself..Su

Chen came to Wang Chongyang and looked at the miserable Wang Chongyang and said expressionlessly

"Wang Chongyang, give you a chance, commit suicide."

Wang Chongyang didn't show any timidity when he saw Su Chen arriving. He knew that Su Chen came here just to kill him. Even if Wang Chongyang resisted, it would be useless.

"Hahaha! It is not impossible for me, Wang Chongyang, to commit suicide. As long as you let me, your only disciple, go, I, Wang Chongyang, will commit suicide immediately in front of you."

"Um? Sun Buer?" Su Chen looked at Sun Bu'er who was having his acupoints tapped next to him and felt a little strange.

Why did Wang Chongyang tap Sun Bu'er's acupuncture points?

Now that he listened to Wang Chongyang's words,

Su Chen knew that Wang Chongyang wanted to give him this. The only remaining apprentice has a way to survive

"Yes, I have only one apprentice left, and she is still my only female apprentice. She will not pose any threat to you in the future. I hope you can let her live."

"Okay, you can commit suicide."

Su Chen would not agree to Wang Chongyang, but after Wang Chongyang committed suicide, it would be easy for him to kill the innate Sun Buer. When

Wang Chongyang saw that this bastard agreed so decisively, he did not believe what this bastard said, "I don't believe you. , you must swear not to harm my apprentice, I will commit suicide immediately"

"Wang Chongyang, it would be easy for me to kill you. Even if you don't commit suicide, I can kill you and then Sun Buer."

Wang Chongyang seemed to have known that Su Chen would say this. He sat on a broken chair and smiled and said,

"I can tell you a piece of news. Regarding the smuggling of treasures from the Jin Kingdom, you should also know that the Jin Kingdom has been defeated by Dayuan. The Jin Kingdom may be destroyed in a few years."

"Wanyan Honglie, the sixth prince of the Jin Kingdom, was destined to hide the gold and silver treasures that the Jin Kingdom had plundered over the past hundred years, waiting for the Jin Kingdom to rise again in the future."

"Only I know where the treasures are hidden. As long as you leave my disciple alive, I can tell you where the treasures are."

Su Chen looked at Wang Chongyang and laughed and said, "Haha! Since you said it was Wanyan Honglie, the sixth prince of the Jin Kingdom, who transported those treasures, wouldn't I go and question Wanyan Honglie?"

Su Chen was dubious about Wang Chongyang's words. Although the Jin Kingdom might do this, why would Wang Chongyang know about such a secret thing?

Besides, since it was the Sixth Prince of the Jin Kingdom who buried the treasure, he would go directly to the Sixth Prince of the Jin Kingdom. Isn't that okay?

Wang Chongyang laughed and vomited blood and said, "Haha! You can't tell by asking. Although Wanyan Honglie was the one who transported the treasure, Wanyan Honglie didn't know where the treasure was buried later."

"Even Wanyan Honglie didn't know about the traps inside. If Pindao hadn't always been against Jin Guo, I wouldn't have discovered these things."

"How can I believe that what you say is true?"

"I can give you the treasure map. This is the map I got by robbing the Jin Kingdom envoy. Although it is only half of it, I know where the mountain where the treasure is buried is. You need to find the rest by yourself."

Su Chen looked at the map Wang Chongyang handed him and saw that it was indeed only half of the map. However, this map was the layout of an internal agency's trap. Su Chen looked at the map and knew that it was true. It belongs to the

Kingdom of Jin. Su Chen was also very curious. There were a lot of treasures plundered over a hundred years. Su Chen also coveted this treasure. Su

Chen put away the treasure and said to Wang Chongyang,

"I promise you, as long as Sun Buer doesn't take action against me in the future, I will not kill her in the future, nor will I send my men to kill her. If I violate what I said, I will be struck by lightning and killed.

After Wang Chongyang heard Su Chen's words, he looked at Su Chen and said, "Okay!" I believe what you say. Sun Buer knows what kind of mountain that mountain is. I have already told her this. I hope you will be true to your word."

Then Wang Chongyang took his long sword and looked at the tearful Sun Buer and laughed and said, "Hahaha! I, Wang Chongyang, am sorry for my disciples and for these dead disciples of the Quanzhen Sect. Today I will go to the underworld with you."

Wang Chongyang said, he took the sword and cut his neck directly.

Stab!

As the blood from Wang Chongyang's neck spurted out,

Wang Chongyang fell heavily to the ground.

His eyes were wide open and he could not close his eyes.

Chapter 567

When Su Chen saw Wang Chongyang committing suicide, he looked at his body expressionlessly. This Wang Chongyang was also seeking his own death. If he hadn't offended him, Wang Chongyang would not have died.

If Wang Chongyang did not want to kill him, Su Chen would not have wanted to kill Wang Chongyang. He could only blame Wang Chongyang for wrongly blaming his relationship with Lin Chaoying.

"Yagyu Yukiji, go and unlock Sun Fuji's acupuncture points."

"Yes, Master."

Yagyu Yukiji came to Sun Buer and untied her acupuncture points.

"master!"

After Sun Buer's acupuncture points were unlocked, she ran to Wang Chongyang, knelt down and cried.

Su Chen felt a little embarrassed when he saw the tattered clothes Sun Buer was wearing. Sun Buer's body was exposed. A lot.

Although her private parts were not exposed, Sun Buer's smooth and delicate skin was exposed a lot.

"I kill you!" Sun Buer cried for a while and then picked up Wang Chongyang's sword and struck Su Chen.

Bang!

Yagyu Xueji and Yagyu Piaoxu were always on guard against Sun Buer, when Sun Buer was about to take action.

Yagyu Yuki kicked Sun Fuji away with one kick.

If Yagyu Yuki hadn't just heard the conversation between Su Chen and Wang Chongyang and knew that Sun Fuji was still useful, I'm afraid Sun Fuji would have been a corpse by now.

"Get her here." Su Chen was a little speechless when he saw Sun Fuji who was kicked away.

This Sun Fuji is too good. He is also innate in the realm of cultivation. Sun Fuji is much worse than Yagyu Yuki's sisters.

But Yagyu Yuki Any one of the sisters can torture and kill Sun Buer

"Yes, master."

Yagyu Yukiji and Yagyu Piaoxu came to Sun Buer. They looked at Sun Buer who was vomiting blood, and each of them grabbed her arm and brought her to Su Chen.

Su Chen was stunned when he saw Sun Buer's appearance. His eyes widened.

Sun Buer was now even more exposed than before. The rising and falling of his chest made Su Chen unable to take his eyes away.

Su Chen did not expect that Sun Buer, an old Taoist nun, had such a big resource.

"Damn you pervert, even if I die, I will curse you to have a bad death."

Sun Buer almost fainted when she saw the way Su Chen looked at her. She didn't expect that her torn dress would make this bastard have bad thoughts about her. After hearing Sun Buer's words, Su Chen hurriedly straightened up. road,

"Sun Fuji, tell me what mountain that is? I can let you go. After all, I promised Wang Chongyang to let you go."

"Don't even think about it. I won't tell you even if I die. You, a bastard, will never get the treasure of the Kingdom of Jin."

"I'll do it! Sun Buer, have you forgotten the instructions Wang Chongyang gave you?"

Sun Buer looked at Su Chen and laughed crazily.

"Ha ha! My master is dead, my brothers and sisters are also dead, what's the use of living alone?"

"You bastard, my master didn't know who you were until his death. This time I will let you taste the pain of only having a treasure map but not knowing the place."

"Master, senior brothers, junior fellow apprentices, wait for me, I'm coming to find you."

When Su Chen saw that Sun Bu'er was about to commit suicide, he immediately clicked on Sun Bu'er's acupuncture points. Even in her mouth, Su Chen hurriedly tore off the corners of his clothes and stuffed them into Sun Bu'er.

Su Chen But I was worried that Sun Buer would bite his tongue and commit suicide.

Wuwuwuwu!

Sun Buer had his acupoints tapped, and with a piece of cloth stuffed in his mouth, he stared at Su Chen as if he wanted to eat Su Chen.

【Damn it!】

【Is this Sun Buer so stubborn?】

【How should she tell that mountain now?】

【His!】

【This Sun Fuji seems not to be afraid of anything?】

【What weaknesses does she have for someone who is not even afraid of death? 】

Su Chen has a headache.

How is Sun Buer going to deal with her?

"No, don't kill me. I didn't have any evil intentions towards Xiao Longnu?"

At this time,

Su Chen suddenly heard a voice begging for mercy.

Su Chen turned around and looked at Lin Chaoying. He saw Lin Chaoying stepping on the body of a Quanzhen disciple with an angry look that was very strange.

【I'll do it!】

【Couldn't that be Yin Zhiping?】

【Could it be that in the mixed martial arts world, Yin Zhiping is also plotting against Xiao Longnu?】

"Take this Sun Bu'er with you, let's go over and have a look." Su Chen said to Yagyu Yuki and Yagyu Piauxu and walked towards Lin Chaoying.

Yagy Yuki and Yagy Piaoxu looked at Sun Buer's appearance and found a cloak from the side to wrap Sun Buer with them. He followed her and walked over.

At this time,

Yin Zhiping, who was under Lin Chaoying's feet, begged, "Nvxia Lin, I have no evil intentions against Xiao Longnu, please believe me.

Lin Chaoying looked at the little Taoist priest and said angrily, "No?" Then why are you peeking at my apprentice in the back mountain? Say, why?"

"I just encountered it, really I encountered it accidentally." Yin Zhiping is now scared and anxious.

He did not expect that he would be caught peeking at Xiao Longnu. He does not believe that Zhao Zhijing betrayed him.

But this matter is very secretive. How did Lin Chaoying find out? This made Yin Zhiping wonder. I don't understand.

The surrounding Quanzhen disciples who surrendered now understand why Lin Chaoying wants to deal with Yin Zhiping. They didn't expect that Yin Zhiping would actually be in love with Lin Chaoying's disciple. I'm afraid

Yin Zhiping will be killed this time. , they Quanzhen Cult disciples know that Lin Chaoying loves and protects her disciples very much, and Li Mochou is a living example. Xiao

Longnu is currently staring at Yin Zhiping in shame and anger.

She did not expect that she has been being treated by this The lewd Taoist priest kept peeping secretly, which made Xiao Longnu very regretful for her carelessness, and also made her hate the lewd Taoist priest very much.

Li Mochou looked at Yin Zhiping angrily and said,

"Master, kill this stinky Taoist priest. This bastard dares to take advantage of my little junior sister. Killing him will be easy.

Lin Chaoying looked at Yin Zhiping and reached out to slap him to death,"Little Taoist priest, you are asking for your own death. Remember not to do anything like a pervert again in your next life."

"No, I just like Xiao Longnu. What's my crime in liking her?"When Yin Zhiping saw Lin Chaoying trying to beat him to death, he shouted in horror,

"Damn it, go to hell!"

When Lin Chaoying heard Yin Zhiping admitting that he had a crush on Xiao Longnu, she was so angry that she slapped her down with a palm.

Touch!

Yin Zhiping didn't even scream and was slapped to death by Lin Chaoying. His body was Her bones were smashed to pieces by the angry Lin Chaoying, which shows how much Lin Chaoying hates people who want to kill her apprentice. When

Su Chen arrived, he saw Lin Chaoying killing Yin Zhiping. He looked at Lin Chaoying and was very speechless.

【What does Lin Chaoying mean?】

【Could it be that he was worried that he might also have an idea against Xiao Longnu?】

【Although Xiao Longnu is very cold and beautiful,】

【But don't do it to A! 】

Chapter 568

Lin Chaoying looked at Su Chen to warn this bastard, but she was worried that this bastard would try to trick her apprentice. This bastard was not only shameless but also very lustful.

If this bastard really wanted to take advantage of her apprentice, I'm afraid Lin Chaoying wouldn't be able to do anything about him.

This bastard's identity and strength are beyond her ability to deal with him.

Lin Chaoying can only warn this bastard now.

"Um? You actually showed pity for her and didn't kill Sun Bu'er?" Lin Chaoying said to Su Chen mockingly when she saw Su Chen's maid came back with Sun Buer.

Lin Chaoying also didn't expect that Su Chen didn't bring back Sun Buer, the Seventh Son of Quanzhen. She looked at the man wrapped in a cloak. Sun Bu'er despised Su Chen very much.

Although this Sun Bu'er had some beauty, she was a Taoist priest, and this bastard even wanted to be a monk.

Su Chen saw Lin Chaoying's contemptuous eyes and explained angrily. ,

"Let me guess, Lin Chaoying, what's that look in your eyes? Wang Chongyang told me a piece of news before she died, Sun Bu'er, so she was let go. The look in your eyes makes me want to beat you up."

"laugh! A color embryo is a color embryo. Do you think I will believe your explanation?"

"Damn it, am I going to lie? Damn it, I'm going to explain it to you, I'm really dizzy."

Su Chen patted his forehead and looked at Lin Chaoying speechlessly before sitting down. This Lin Chaoying now made him feel a little nervous, as if his wife was interrogating him.

"What exactly is going on?"

Lin Chaoying smiled when she saw Su Chen's depressed look.

When she saw that Sun Buer was not only having his acupoints tapped, but also stuffing clothes into her mouth, Lin Chaoying felt that he had wrongly blamed this bastard just now..Su

Chen looked at Sun Buer and said helplessly to Lin Chaoying,

"When Wang Chongyang was dying, he gave me a half-treasure map of the Jin Kingdom on the condition that Sun Buer be let go, and only Sun Buer knew about the mountain where the treasure was hidden."

"It's just that this Sun Buer is too stubborn. When she saw that Wang Chongyang and the other Seven Quanzhen Sons were dead, she wanted to commit suicide. I had no choice but to do this."

"Isn't what you said all nonsense? Her brothers and master are dead, can he live alone?"

"I'll beat you up, so you think it's impossible for Sun Fujian to tell me about the mountain where the treasure is hidden?"

"It's not impossible. As long as you let Sun Buer vent his anger, maybe Sun Buer will tell you."

"Damn it, Lin Chaoying, you don't want me to be beaten by Sun Buer, do you?" Su Chen looked at Lin Chaoying and said angrily,"

This Lin Chaoying is too bad.

What the hell is this idea?"

Su Chen was worried that if he did what Lin Chaoying said, Sun Buer might not beat him to death. Will stop.

Lin Chaoying looked at Su Chen and smiled and said,

"hehe! I don't believe you will let those surrendered disciples of Quanzhen Sect go, and Sun Buer will definitely hate these betrayed disciples very much. Do you understand?"

This bastard actually thought of asking Sun Buer to beat him?

This was a bit beyond Lin Chaoying's expectation, but this bastard is really funny. He would come up with such a bad idea. This guy is simply stupid and doesn't Do you know how he commanded his subordinates before?

Su Chen's eyes lit up after hearing Lin Chaoying's words. After thinking about it, he realized that what Lin Chaoying said was right. This method was indeed feasible. Su Chen had not thought of these truths. The disciples could still make use of the waste, but Su Chen shook his head when he thought about how Sun Buer hated him. If he told Sun Buer this, I'm afraid Sun Buer still wouldn't agree.

Su Chen looked at Lin Chaoying and said she said,

"This is a good idea. Please help Lin Nuxia communicate with Sun Buer. As long as she tells me about the mountain where the treasure is hidden, she will let her dispose of these surrendered Quanzhen disciples as she pleases."

"So what's in it for me?"

"Let me tell you, are you taking advantage of the situation?"

"Whatever you say, give me another little red fruit, and I will help you with this matter"

"Don't even think about it!"

"Then you can convince Sun Buer yourself."

Lin Chaoying still wants to get a red fruit for her eldest disciple Li Mochou. Xiao Longnu is now at the master's level of cultivation, but Li Mochou is still at the late stage of Xiantian's cultivation.

Although that red fruit is not suitable for Cultivation levels below the master level are the most effective, but Li Mochou is on the verge of breaking through to the master level.

Lin Chaoying believes that if Li Mochou also eats this red fruit, she will advance to the master level like Xiao Longnu.

Xiao Longnu and Li Mochou laughed while watching the conversation between Su Chen and Lin Chaoying.

Li Mochou also knew that Xiao Longnu was promoted to master after eating the Heaven and Earth Spirit Fruit, and now her master wanted to beg for another Heaven and Earth Spirit Fruit for Su Chen.

Needless to say, this was begged for her, which made Li Mochou very grateful to her master Lin Chaoying.

Su Chen was very confused when he saw Lin Chaoying. Zhu Guo didn't have many left. This Lin Chaoying He's like a devil now.

If Zhu Guo doesn't give this to the hateful Lin Chaoying this time, I'm afraid Lin Chaoying won't help him convince Sun Buer even if he watches the show.

"Here you go, but you have to convince Sun Buer." Su Chen took out a red fruit from the system space and said reluctantly.

For the treasure that the Jin Kingdom had plundered for hundreds of years, Su Chen could only pay one red fruit. He hoped that the treasure of the Jin Kingdom would not let him down.

"hehe! Don't worry, I will convince Sun Buer. Lin Chaoying took the Zhu Guo from Su Chen and said with a smile.

Su Chen glanced at Lin Chaoying and ignored her.

Lin Chaoying gave the Zhu Guo to Li Mochou and walked towards Sun Buer. She still had a way to convince her.

Lin Chaoying knew Sun Buer's temper.

Sun Buer, who had a hot temper, only needed to let her vent. Those traitors of the Quanzhen Sect could let Sun Buer vent..

Su Chen watched Lin Chaoying persuade Sun Buer. He leaned on his chair and thought about how to help Mu Guiying defend Chang'an City.

He didn't dare to deploy the army, otherwise everyone here would know that he was Mr. Wu Xiang.

If you don't deploy the army, you can only rely on Zhao Min's wolf cavalry.

But will those wolf cavalry obey your orders and attack their Dayuan army?

Su Chen feels that this matter is a bit difficult to handle.

"Why are you still staying here? There is no danger here now. You can all leave." Su Chen suddenly found that Qin Hongmian and the other women were still coming to him. He looked at Qin Hongmian and the others and said,

"leave? Has the danger in Chang'an City been lifted? Ruan Xingzhu looked at Su Chen and asked hurriedly,

"No, Chang'an City is still safe now. The Yuan army will not be able to break through Chang'an City within at least two to three days. Gan

Baobao held Zhong Ling and asked worriedly, "Will Chang'an City be breached in three days?"

"Maybe, it depends on whether Mu Guiying can hold Chang'an City."

Chapter 569

Su Chen did not believe that Mu Guiying could hold Chang'an City. After all, the Yuan army had more than 200,000 soldiers this time. Although he asked the secret guards to help Mu Guiying kill the nobles and wealthy businessmen who wanted to surrender.

But Mu Guiying's army is still too small, and her army is also weak. Mu Guiying's army is good if it does not flee when encountering Dayuan's army.

Qin Hongmian looked at Su Chen and said with a very ugly face, "Since Chang'an City is still very dangerous and we can't escape from Chang'an City, where do you want us women to go?"

"I'm not your nanny. It's none of my business where you go." Su Chen closed his eyes and didn't want to talk to these Duan Zhengchun's mistresses. Now he still has a lot of things to do, and he doesn't have time to chat with these women.

"asshole!"

Qin Hongmian was very helpless when he looked at Su Chen. It seems that this bastard doesn't want to care about these women anymore, but Chang'an City can't escape now. If Chang'an City is broken, then won't these women still need it? Are you suffering?

Zhong Ling looked at Qin Hongmian and the others who were all depressed. She looked at Su Chen and was very angry. This bastard was so powerful that he wanted to abandon them.

Bah!

He wanted to abandon women like them.

Zhong Ling hated this bastard very much.

But she suddenly remembered that Mu Guiying was the general of Chang'an City, so

Zhong Ling pushed Gan Baobao who was holding her and said,

"Mom, don't pay attention to this bad guy. Let's go find my sister Mu Guiying. She will definitely not ignore us."

Gan Baobao nodded hurriedly after hearing Zhong Ling's kind words and said, "Yes, General Mu Guiying is the general guarding the city of Chang'an. She will definitely have a way to protect us."

Others also nodded happily. I am afraid that only Mu Guiying is safer in Chang'an City now. Even if Chang'an City is broken, they also believe that Mu Guiying can lead them to escape from Chang'an City.

"Let's get out of here and find General Mu Guiying. We don't need this bastard to protect us anymore." Qin Hongmian glared at Su Chen and said to the others.

Qin Hongmian had a very big complaint against Su Chen. This bastard didn't care whether they lived or died after carving words on their bodies.

She decided to do it after a while. Go back and erase those words and let this damn bastard go to hell.

The others looked at each other and walked towards the entrance. They didn't want to stay in the square where there were corpses. A'Zhu was leaving. When he came here, he saluted Su Chen.

Su Chen shook his head when he saw Qin Hongmian and the others leaving.

It seemed that he would meet them again in the future. These Duan Zhengchun's mistresses wanted to seek revenge from him, but now they couldn't. Like what?

She has become the nanny of these women.

Now that they are all looking for Mu Guiying, is it still the same as not leaving?

Mu Guiying is her future woman, and she will definitely return to Mu Guiying's house soon. Here, we will still meet these women.

Su Chen shook his head and stopped thinking about this.

Why hasn't Black Widow captured Jinlun Dharma King and Zha Yadu yet?

Did Black Widow encounter an accident in arresting Jinlun Dharma King?

Su Chen is not worried about whether the Black Widow will be the opponent of King Jinlun. You must know that the Black Widow's cobweb love thread is very powerful. As long as the Black Widow's spider web love thread is there, I am afraid that even two great masters will not be able to do anything to the Black Widow.

Su Chen saw Fu Hongxue, Shangguan Jinhong and Jing Wuming came over and nodded to them and said,

"You can't leave Chang'an City now. Why don't you come with me to the General's Mansion to stay first?"

Shangguan Jinhong looked at Su Chen and shook his head. He didn't want to live with this bastard.

Shangguan Jinhong didn't want to be drunk by this bastard.

After all, he was also the leader of a gang.

Didn't Shangguan Jinhong have no face? Yet?

"No need, we are staying at the Chengdong Inn. Can you tell us anything?"

"Oh well!"

Su Chen didn't say anything when he saw Shangguan Jinhong's refusal. He just looked at Fu Hongxue and said to him,

"Fu Hongxue, what about you?"

Fu Hongxue twitched the corner of her mouth and said to Su Chen, "I live in Changfu Inn. If you need anything, you can come to me there."

Fu Hongxue will not be with this bastard even more. As long as he sees this bastard, he will think of this bastard and her mother together. He doesn't want to have an elder for no reason, and this elder may not even be older than him.

"Well, see you later." Su Chen looked at them and nodded.

Su Chen didn't want to let go of these three powerful helpers. Although they didn't want to live in Mu Guiying's house, they still had to use them. This time The war in Chang'an City still needs their help.

After Shangguan Jinhong and the other three left, the only surrendered disciples of the Quanzhen Sect who are not his are the only ones left here, but I'm afraid they won't survive long. As long as Lin Chaoying convinces Sun After all, these people have no need to live anymore.

"By the way, Yagyu Yukihiime, where is your father Yagyu Danmamoru?" Su Chen suddenly thought of the Japanese master Yagyu Danmamoru who was in the realm of master cultivation and asked doubtfully.

Yagyu Yuki bowed to Su Chen and said, "Master, when the Quanzhen Sect was fighting those Jianghu people, he had secretly left"

"Escaped? Forget it, I originally wanted to use your father to fight against the masters in Dayuan's army, but I didn't expect that he escaped early in the morning."

"Master, he is a coward, and he is no longer our father."

"Yes, we did not have a father who was greedy for life and afraid of death."

Yuyuki Yukihiime and Yagyu Piaoxu are full of disgust for Yagyu Danmamoru. Yagyu Danmamoru, who is greedy for life and afraid of death, is no longer worthy of being their father.

Yagyu Danmamoru can abandon their sisters once, but I am afraid they will be in danger in the future. They will give up on their sisters again.

The sisters Yagyu Yukihiime know Yagyu Danmamoru very well, and they will not have any illusions about Yagyu Danmamoru.

"No, Master, don't kill us. We don't want to betray the Quanzhen Sect. Please, Master, please let us go this time."

"You traitors all deserve to die."

Su Chen heard the sounds of fighting and begging for mercy and looked towards the surrendered disciples of the Quanzhen Sect. When he saw Sun Buer holding a long sword and slaughtering the disciples of the Quanzhen Sect, he knew that Lin Chaoying had persuaded Sun Bu Er.

The disciples of the Quanzhen Sect are now surrounded by secret guards. As long as anyone dares to escape, the secret guards will shoot them without hesitation.

Now, if the disciples of the Quanzhen Sect are not killed by Sun Buer, Otherwise, they would be dead anyway if they didn't escape and be shot by the secret guards.

When Zhao Zhijing saw Sun Buer frantically massacring the disciples of the Quanzhen Sect, he was frightened and shouted to Su Chen for help, " Young Master, help me. I have taken refuge in you. Please help me."

Su Chen shook his head and didn't care about Zhao Zhijing's life or death. Even if Sun Buer didn't kill these Quanzhen sect people, Su Chen would order the secret guards to shoot them. These Quanzhen sect disciples who are greedy for life and fear death. Chen didn't dare to use them.

Chapter 570

In Mu Guiying's house,

Su Chen stayed here after returning from the Wulin Conference Square. Black Widow has not returned yet, which makes Su Chen think something happened to Black Widow.

It's just that he didn't send anyone to find the Black Widow. Considering the level of cultivation of the Black Widow Grandmaster, she might really be in trouble if she didn't come back at this time.

Su Chen also couldn't figure out who was going to save Jinlun Dharma King and Zha Yadu? If he had known this would be the case, Su Chen would have directly executed Jinlun Dharma King and Zha Yadu.

This is really a rebellion that dies from talking too much!

He will have to remember this lesson in the future.

Su Chen shook his head and stopped thinking about the Black Widow. Anyway, with the Black Widow's strength, nothing would happen to her.

Su Chen looked at Sun Buer, who was sitting silently beside him, and asked her,

"Sun Buer, you have been silent for a long time. Can you tell me where the treasure is in that mountain?"

"I'm in a bad mood right now and don't want to talk about it." Sun Buer was very shocked when he looked at Su Chen. He didn't expect that this bastard took off his mask and turned out to be Lord Wu Xiang. This was something Sun Buer never expected. Lord

Wu Xiang is now extremely powerful. If not for the Great Song Dynasty, Facing the threat of many foreign races, I am afraid that Wu Xiangjun's army has already gone south to destroy the Song Dynasty.

But if this bastard does not wander around in his territory, how can he come to Chang'an City of the Song Dynasty?

Could it be that this bastard and Lin Chaoying are really getting along? ?

But Lin Chaoying is obviously a virgin, and there is no way they can do those things that make peace.

Sun Buer looked at Su Chen now and was very puzzled. Why did this bastard appear in Chang'an City?

Su Chen heard Sun Buer was very angry when he said this, "What the hell, Sun Buer, you promised Lin Chaoying to tell me that the Jin National Treasure was on that mountain, are you going to break your promise?" Sun

Buer looked at Su Chen and smiled disdainfully, "I promised Lin Chaoying to tell you, but I didn't say when to tell you. I will tell you when I tell you."

"I'll do it! Sun Buer, if you don't tell me for a year or two, will I have to wait for you for another year or two?"

Su Chen understood now. No wonder Lin Chaoying and her apprentice didn't come to live in Mu Guiying's house. It turned out that Lin Chaoying, a stinky woman, only persuaded Sun Buer half of the time. Lin Chaoying was afraid that she would cause trouble for her, so she didn't dare. Come here.

Su Chen felt itchy with hatred when he thought of Lin Chaoying's Zhu Guo who cheated him.

"Maybe I won't tell you for ten or eight years." Sun Bu'er saw Su Chen's furious look and touched her injured arm and said casually.

She is in a very good mood now.

Although Sun Bu'er is not the opponent of this bastard, he can make this bastard angry to death the most. Okay,

Su Chen looked at Sun Buer's arrogant look and said threateningly, "It's my fault, do you want to die?"

"ha! Come and kill me! Do you think I'm afraid of death?" Sun Buer stood up directly and came to Su Chen and said disdainfully.

Su Chen saw that Sun Buer didn't care that the tattered clothes she was wearing were exposed in front of him. He looked at Sun Buer and felt a little embarrassed.

【Holy shit!】

【Why is this old Taoist nun so clueless?】

【What am I looking at? Still not watching?】

【His! This is a bit torturous!】

"Shameless pervert!"

Sun Buer saw Su Chen looking at her evasively. She thought that she was still wearing a damaged dress. Sun Buer hurriedly covered up her dress and then glared at Su Chen and cursed in shame and anger. Su

Chen looked at Sun Bu'er was speechless. This Sun Bu'er was too self-indulgent. What kind of woman wouldn't fall in love with an old Taoist nun like her?

But for the sake of the location of the golden treasure, he could only endure this old Taoist nun.

Woo! Woo! Woo! Woo!

At this moment, the sound of horns came from outside Chang'an City. When Su Chen heard it, he knew that the Dayuan army was going to attack Chang'an City. It seemed that the war was about to begin.

"Did the Yuan army attack Chang'an City?" Sun Buer also heard the horn sound of Dayuan's army. She looked at Su Chen and asked doubtfully,

"Why should I tell you? I'm in a bad mood now, you'd better ignore me"

"you....."

Sun Buer was so angry that he couldn't speak when he saw Su Chen's domineering look. This damn bastard had better be killed by Dayuan's army this time.

At this time, a secret guard came in and saluted Su Chen, saying,

"Master, secret message from the secret guard."

Su Chen took the secret message from the secret guard and read it, but he frowned when he saw it.

Su Chen also didn't think that Dayuan had sent an additional 100,000 troops this time. It seems that this time Dayuan We are really going to take Chang'an City in one fell swoop.

"This time we are really in big trouble."

Su Chen put away the secret letter and knew that it would be impossible for Mu Guiying to hold Chang'an City this time. He had no way to help Mu Guiying now unless he deployed troops, but this was impossible.

"Immediately inform Mu Guiying and tell her that the Yuan army has sent an additional 100,000 troops to Chang'an."

"Yes, master."

Sun Buer was surprised when he heard Su Chen ordered the secret guards, and said,

"What? The Yuan army actually sent another 100,000 troops to Chang'an. What should we do? Chang'an City definitely cannot be defended this time."

Su Chen ignored Sun Bu'er. He now had to think carefully about how to persuade Mu Guiying to leave with him.

Su Chen didn't want Mu Guiying to foolishly die fighting for the Song Dynasty, but he had to convince Mu Gui who was loyal to the country. It might not be easy for Ying to abandon the city and escape.

Do we have to knock Mu Guiying unconscious and take her away?

If so, I'm afraid Mu Guiying will hate him to death in the future.

Su Chen has a headache and doesn't know what to do. Women are trouble. Ah!

Su Chen now knows about women's troubles.

It's useless just to know, he still has to wipe the butt of this disobedient woman.

Su Chen stood up and took Yagyu Yukiji and Yagyu Piauxu beside them to ask for help. Go take a look at the city wall. He also wants to see what kind of troops the Dayuan army has sent this time.

Sun Buer saw Su Chen leaving and wanted to follow him, but she was stopped by the secret guards before she left the hall. Got off.

Sun Buer's face turned dark with anger when he looked at the secret guards who stopped her.

Sun Buer didn't expect that this bastard would imprison her, "Wu Xiangjun, you bastard, why do you want to imprison me?" Damn it, get your guards to let me out."

Su Chen turned around and said disdainfully after hearing Sun Buer's words,

"You are eating shit. Now that you know my identity, do you think I will let you go out and tell others?"

Sun Buer didn't mind when she heard Su Chen's dirty words. She now wants to know when the Dayuan army will attack. She is worried that the people of Chang'an City will be massacred after Chang'an City is broken.

"Bastard, I won't tell you, I just went to the city wall to see those Dayuan troops"

"Sun Fuji, do you think I am a fool?" Su Chen will not believe this Sun Buer who wants to kill her. Now that Sun Buer knows his identity, Su Chen can only control her.

Otherwise, if Sun Buer, who hates him to the core, exposes his identity, I'm afraid he's going to start fleeing too.

"Inglorious bastard, what I said this time is true. I didn't think of exposing your identity now."
