### Chapter 591

In front of the commander's flag of the Dayuan army, Zha Yadu was very happy when he saw that the Chang'an city wall was hit by catapults and even had a corner collapsed.

As long as Chang'an City can be captured, that bastard will be dead, and Mu Guiying and the charming black widow will be hers.

He will not even let go of any of the beautiful women he saw at the martial arts conference. Those women will become his female slaves and will be abused by him for the rest of their lives.

Zha Yadu was now excited to see how he would catch that bastard.

"Ha ha! This time that bastard is dead. I ordered the catapults to continue attacking. It would be best if I could knock down the Chang'an city wall. I want to capture that damn bastard alive."

Jinlun Dharma King smiled and said to Zha Yadu,

"Young prince, I'm afraid I don't have that many stones, but these are enough. Now I can capture Chang'an City even if I send an army."

Jinlun Dharma King saw that the Chang'an city wall had been almost destroyed, and the huge stones stored by their army were about to be used up.

But this was enough. If the ladder had not been destroyed yesterday, the Chang'an city would have been conquered today.

Zha. Yadu smiled and ordered the messenger next to him,

"I know, the messenger ordered the armies from the other three city gates to attack Chang'an City. I want Mu Guiying to ignore everything and see how many troops she has to stop our Dayuan from attacking Chang'an City."

"Yes, General."

On the Chang'an city wall,

Su Chen was speechless as he looked at the city wall that was constantly being smashed. How many boulders had these Great Yuan troops prepared? It had been almost an hour, so why did they keep smashing the boulders?

"well! How boring!"

"Damn it, you bastard, damn it, I'm laying down those boulders for you here, and you're still making sarcastic remarks?" Jellyfish Yinji's face turned dark when she heard Su Chen complain.

This bastard is a shameless bastard. She is here to help this shameless bastard knock down the attacking boulders, but this bastard still thinks it's boring here?

Didn't he see next to him ? Does the Song Dynasty army look scared when they are hit by huge rocks?

Jellyfish Yinji wants to leave here now and ignore this damn bastard.

"Jellyfish Yin Ji, you are not just helping me. Don't forget that you are here too. I am just taking advantage of you."

"Shameless!"

"Damn it, why am I shameless? Do you have the guts not to knock down these boulders?"

"You are so despicable."

Jellyfish Yinji was about to stop attacking when she saw Dayuan's catapult. This bastard actually asked her to stop destroying these boulders now. This bastard is really abominable.

Su Chen glanced at Jellyfish Yinji and ignored her. He Standing up and looking at the Dayuan army under the city wall, he guessed that the Dayuan army would attack soon. I am afraid that other city gates have already begun to attack the city.

Mu Guiying is really in trouble this time. There are only more than 50,000 troops here. Others The army at the city gate is probably even less pitiful. Maybe if this city gate is defended, the other city gates will be breached.

At this time, a messenger ran over and saluted Mu Guiying and reported, "Report, General, the others The city gate was attacked by Dayuan troops, and the generals guarding the other three gates asked the general to send troops to support the other gates."

When Mu Guiying heard what the messenger said, she looked at Su Chen next to her. She knew that this bastard was right again yesterday. The Yuan army did attack the four city gates at the same time, but she had no troops to send now.

East City Gate But the city gate where Dayuan is mainly attacking has more than 100,000 Dayuan troops here, and the other city gates only have 20,000 Dayuan troops attacking the city.

If the troops here go to support other city gates, I am afraid that the defense here at the East Gate will be There was a loophole, and Mu Guiying was so anxious now that she had no choice.

Su Chen looked at Mu Guiying's helpless look and reminded her,

"Mu Guiying asked Shangguan Jinhong and others to take some Jianghu people to guard other city gates. There were not many Dayuan troops there. With Shangguan Jinhong, Fu Hongxue, and Jing Wuming present, the other city gates would not be breached."

This silly girl is stupid enough. This time Dayuan obviously asked Mu Guiying to send some troops from here to support other city gates. I'm afraid this is the real purpose of Dayuan's army to break through Chang'an City.

Mu Guiying heard Su Chen hurriedly ran to Shangguan Jinhong and the gangsters. Now she could rely on Su Chen's advice, hoping that Shangguan Jinhong and the others could guard the other three city gates.

Su Chen looked at Mu Guiying's fussy look. She felt that she was in trouble this time. If she had not brought these soft-legged shrimps this time, I am afraid Mu Guiying would not have been forced to do this.

This is really a tiger leading a group of sheep and a group of wolves fighting, Mu Guiying Guiying probably has thousands of ways but can't find a way to do it.

Wuwuwuwuwu!

"kill! kill! kill!"

At this time, the Dayuan army also began to attack the city. The Dayuan troops under the east city gate held up their shields and rushed towards the city wall. The

Song army on the wall was instantly a little messy. If it weren't for the secret guards guarding the city. They were afraid that a large part of the Song army would escape in an instant.

Jellyfish Yinji drank tea leisurely and looked at the frightened look of the Song army and said with a smile,

"hehe! This is really interesting. These troops are obviously frightened. You bastard may not be able to help your woman defend Chang'an City."

Su Chen also looked helplessly at these soft-footed shrimp troops. He really didn't know how the Song Dynasty recruited the army. These troops were obviously not real soldiers. I'm afraid they hadn't even been trained.

Su Chen also expressed his concern for the Song Dynasty court. He was completely speechless. No wonder the Song Dynasty court was always defeated in every battle. Such an army might not even be as good as his city guards.

Su Chen appeared on a tower in a flash. He looked at the cowering big man below with an expressionless face. Song Junjun said loudly with his inner strength,

"Attention all soldiers of the Great Song Dynasty, I am now your new commander-in-chief. Now you better forget your fear. Otherwise, if you are not killed by the Great Yuan army, I will also execute you."

"Now all the archers come forward to wait for my orders, and the remaining Song army is ready to fight at any time"

"This time all of you must kill at least three Dayuan soldiers for me. If you do not kill three Dayuan soldiers during the attack of the Dayuan army, I will order the guards to execute you."

"I do what I say. You have all seen the soldiers I ordered to be executed just now. You'd better not take any chances. I'm trying to scare you. I'm a ruthless butcher. I will never be merciless in killing people."

"Do all the soldiers understand? answer me?"

"bright.....white"

"listen.....Understood"

"clear"

"I....clear" .....

The soldiers on the wall of the Great Song Dynasty were filled with fear when they looked at Su Chen. When they heard Su Chen's words, they hurriedly replied in a low voice.

The guards in black just slaughtered the soldiers who disobeyed the orders without mercy. They don't want to be executed by these powerful black-clad guards.

Chapter 592

When Su Chen heard the answer from the Song Dynasty army, his eyes darkened.

Is this his answer?

Damn it, these troops are simply hopeless.

The answers of these Song troops were more feminine than women, and their voices were so low that the people next to them might not be able to hear them.

If he hadn't practiced martial arts, I'm afraid he wouldn't have heard the answers from these bastard soldiers.

Su Chen looked at these Song Dynasty troops and rubbed his head. He thought, are these troops all fake soldiers?

"Hahaha!"

Jellyfish Yinji couldn't help laughing when she saw Su Chen's look. He didn't expect this bastard to threaten these Song armies like this, but these armies are really hopeless.

Jellyfish Yinji has never She had never been so happy before, but this time she was really overjoyed by Su Chen's performance.

Mu Guiying was helpless when she saw the performance of these troops. The Song Dynasty was really hopeless. Mu Guiying was now a little discouraged. It's cold. I

'm afraid that apart from the 10,000 cavalry she brought, the army here in Chang'an City is probably only 12,000 or 20,000 Yang's army, which is pretty good. The remaining army is probably a makeshift army of several hundred people.

Ruan Xingzhu and the others looked at Su Chen the same way They wanted to laugh, but they were all in the army. If they laughed, they would be discovered by that bastard Su Chen. They didn't want that bastard Su Chen to notice them. When

Su Chen heard Jellyfish Yinji's laughter, she was furious After glaring at her, this perverted woman knew how to laugh at herself. When she cried in the future,

Su Chen looked at these Song soldiers and cursed loudly,

"Is it the woman who cares about him? Or did your General Mu Guiying not give you enough to eat?"

"Even women have louder voices than you."

"Are you still considered a man?"

"His!"

"The Great Yuan army will attack soon. If you still act like women, I won't need my guards to kill you. You will also be killed by the Great Yuan army."

"The Dayuan army is going to massacre Chang'an City this time. You also know how the aliens massacre the city. I don't care if there are any of your relatives in Chang'an City. If Chang'an City is breached this time, none of us will survive."

"The women in Chang'an City will be humiliated to death by foreigners. I don't know if your mothers, wives, daughters, or even other female relatives are among them."

"But their fate is now in your hands. If you still look timid, those women who were humiliated to death by the aliens will not forgive you."

The eyes of the Song soldiers in Chang'an City turned red when they heard Su Chen's words. These Song soldiers are all from Chang'an City. If what Su Chen said is true, I am afraid that the women in their family will be worse than dead..

The current Song army is holding the weapons in their hands tightly. They all know that this man is right.

If they cannot defend Chang'an City, I am afraid that after Chang'an City is broken, hundreds of thousands of people and more than 100,000 people will be killed. The women who were insulted to death, I'm afraid they really won't rest in peace after death.

"Can we hold Chang'an City?" A Song soldier raised his weapon and asked loudly to Su Chen on the tower,

"If you follow my orders, you will definitely be able to defend Chang'an City."

Another Song soldier slapped his chest and questioned Su Chen,

"Why should we believe what you say? You are just a pretty boy of General Mu Guiying. Even the Song Dynasty court is not sending reinforcements to rescue Chang'an City. Why should we believe what you, a pretty boy, say?"

"That is, you are just a pretty boy, why should we believe you?"

"You are just a pretty boy who relies on women. Will you fight alongside us?"

"That is, why should we believe a pretty boy who relies on women?"

【What the hell!】

【How do these soldiers know that he is a pretty boy?】

【Damn it, can I really not get rid of the title of pretty boy in the future? 】

Su Chen looked at these soldiers of the Song Dynasty with a dark face and wanted to kill them.

【Are these damn bastards laughing at him?】

【What happened to the pretty boy?】

【Did the pretty boy eat your rice?】

【Or is it causing harm to the women in your family?】

"Hahaha....."

Jellyfish Yinji was crying with laughter now. She never thought that such a thing would happen in a war.

Is this still a dangerous and bloody battlefield?

Isn't this bastard here to be funny?

A morale-boosting speech was turned into a hilarious scene by this bastard. This was unprecedented and unprecedented.

Mu Guiying lowered her head and her shoulders were shaking. She couldn't help but want to laugh now. What is this bastard doing? How could morale boosting be done like this by this bastard?

Mu Guiying owed something to this bastard. After all, it was because of her that Su Chen was misunderstood as a pretty boy. But at this time, no one would believe her if she tried to clear the name of this bastard Su Chen.

"Mom, I can't help but want to laugh." Zhong Ling blushed so much that she couldn't help but want to laugh. She covered her mouth and looked at Su Chen, feeling uncomfortable.

Gan Baobao also lowered his head and shook his shoulders, holding back his laughter and said, "Hold it, I want to laugh too. But we can't laugh."

A'Zhu and Ruan Xingzhu were already squatting on the ground. They couldn't help laughing. A'Zhu and Ruan Xingzhu covered their mouths with tears streaming down their cheeks. If they weren't worried that Su Chen would find them, I'm afraid A'Zhu and Ruan Xingzhu would Ruan Xingzhu burst out laughing.

Su Chen was very speechless when he looked at Jellyfish Yin Ji, as well as women like Mu Guiying, Ruan Xingzhu, etc. He could see that these women wanted to laugh, and Su Chen was too lazy to pay attention to them.

Su Chen looked at the Song army on the city wall and said expressionlessly,

"You damn bastards, what's wrong with me being a pretty boy? Can't the pretty boy come to fight the war?"

"Now the Yuan army is about to attack. Did I escape?"

"You bastards who have enough to eat and nothing to do, prepare for war now. If anyone retreats in fear later, don't blame me for being ruthless."

"The archers are all ready, and the rolling wood and kerosene are also ready. Follow my orders and start attacking. If anyone fails to obey my orders, the guards will kill you. Do you understand?"

""Understood."

The soldiers of the Song Dynasty army answered Su Chen neatly and loudly this time. They also understood that this time they would die if they did not obey the order of this pretty boy.

If they were afraid of fighting and lost Chang'an City, I am afraid that their families and even the people of Chang'an City would be killed. The people will be massacred and humiliated to death.

They will all die anyway, and the Song army here is also ready to fight, so there may be a glimmer of hope.

Su Chen nodded to the Song soldiers here this time. He looked at the Yuan army. They are about to rush over.

The Dayuan army is preparing to attack the city with more than ten attacks this time. It seems that Zha Yadu wants to break through Chang'an City in one fell swoop.

Su Chen took out his Blue Blood Illuminating Danqing Sword, pointed it at the sky and ordered loudly, "Bows and arrows Hands ready, for the pretty girl....Pooh! , for the Song Dynasty, for the city of Chang'an, let go of arrows!"

"For the pretty boy, kill!"

"For the pretty boy, kill!"

"For the pretty boy, kill!"

## Chapter 594

Su Chen was very speechless when he looked at the Song army here. He helped them win a war, but these bastards did not cheer for him but looked at him with such expressions. This made Su Chen look at these The assholes are so angry

"Hahaha! Pretty boy, you are really famous now." Jellyfish Yin Ji appeared on the tower and looked at Su Chen with a smile and said,

Jellyfish Yin Ji was very happy this time. A war can make her feel very happy. This is the happiest time for her in decades.

She is now I am becoming more and more interested in this bastard Su Chen

"Go away, you perverted woman, don't bother me. I'm in a very bad mood right now."

"Bastard, I'm in a very good mood this time, so I won't argue with you. If you dared to say this in the past, you will....."

"He's dead, I know that. So, Lord Jellyfish Yinji, you have nothing to do here anymore. Can you leave?"

"Why should I leave? I like staying here in Chang'an City and I will not leave now."

Su Chen didn't expect Jellyfish Yinji to say this. This hateful perverted woman is really a nasty woman.

Su Chen doesn't want this perverted woman to stay here, otherwise some of his secrets will be discovered by this woman, and even Shi Guanyin The relationship with him will be exposed one day.

The threat of this perverted woman is too great. I must send this perverted woman away no matter what.

"Jellyfish Yinji, if you don't leave, go and capture Jinlun Dharma King and Zha Yadu. This is what you owe me."

Jellyfish Yinji glared at Su Chen and refused directly, "Don't think about it, I don't owe you anything at all? Jin Lun Dharma King and that Zha Ya Du were not rescued by me. They escaped on their own."

Jellyfish Yinji will not catch Jinlun Dharma King and Zha Yadu at this time. She wants this bastard to beg her. Only in this way can she blackmail this bastard to tell her the whereabouts of Shi Guanyin.

Su Chen looked at Jellyfish Yinji with disdain He said contemptuously, "I'll do it! Jellyfish Yin Ji, do you still want to face me? Black Widow and Golden Wheel Master would have escaped if you had not stopped them? You are such a thick-skinned woman."

"Go to hell!"

Jellyfish Yin Ji couldn't stand this bastard anymore. This bastard was not afraid of her at all. This made Jellyfish Yin Ji kick the bastard away in anger.

"What the hell!"

Su Chen hurriedly teleported back to the military tent after being kicked. He rubbed his butt and looked angrily at the abominable Jellyfish Yin Ji.

He had never been kicked in the butt before. Su Chen glared fiercely. He glared at Jellyfish Yinji, but there was no way he could take revenge on that perverted woman.

Jellyfish Yinji was too powerful, and even if he wanted to regain his face, he would be powerless. The

Song army on the city wall saw a powerful woman taking Su Chen Jie flew away, and they all looked at each other with great interest.

They, the army soldiers, didn't know what was going on. They just knew that a powerful woman seemed to have a bad relationship with General Mu Guiying's pretty boy.

But this was also It has nothing to do with them. Soldiers like them will not miss it if there is excitement. Some soldiers even secretly speculated that this powerful woman might be competing with General Mu Guiying for this pretty boy.

Su Chen saw that the soldiers of the Song Dynasty were all around. Watching the excitement made him very unhappy and yelled at these bastards,

"What are you doing standing there in a daze? If you bastards don't hurry up and replenish the ordnance and repair the city wall, the Yuan army may attack soon. Do you want to wait to die? The generals and soldiers all go to work quickly, don't let me watch here anymore."

When the soldiers heard Su Chen's order, they hurriedly went to work. They didn't want to be killed by this pretty boy for no reason. This moody pretty boy was like a devil.

"Husband, thank you!"

When Mu Guiying came back, she hugged Su Chen and thanked her.

Without Su Chen's help today, Chang'an City would have been captured by the Yuan army.

Mu Guiying now feels that she is not worthy of being a general at all. In this war, She had no way to direct the battle.

This made Mu Guiying very discouraged.

Mu Guiying was now even more suspicious of the identity of this bastard. It was obvious at a glance that he often gave orders. The identity of this bastard He is definitely not an ordinary person.

Who is this bastard?

What is his identity?

Mu Guiying thought for a while and did not ask this bastard. She knew that when it was time for her to know, this bastard would definitely tell her.

Su Chen hugged Then Mu Guiying kissed her in public and said,

"You're welcome. The Dayuan army will definitely not attack today. The Dayuan army will not attack if they don't figure out a way to restrain the archers. You can let the army take advantage of this time to compensate for the ordnance and repair the city wall."

Su Chen looked at Mu Guiying who was in a low mood and couldn't comfort her. This war may have made Mu Guiying very disappointed.

But there is no way. Mu Guiying is a woman after all, and women are always very soft-hearted..If

Mu Guiying had killed the Song Dynasty army as a warning from the beginning, I am afraid that the Song Dynasty army would not have been in a messy situation. Even after Mu Guiying gave the order, no army could obey her order.

"I know."

Mu Guiying nodded and hurriedly arranged for the soldiers. She must cheer up now. Su Chen has helped her mobilize the momentum of the army. Now the army is completely obedient to his orders.

Mu Guiying wants to Taking advantage of this moment, she asked the soldiers to execute some of her military deployments.

After Mu Guiying left, Su Chen sat on a chair and patted his forehead, feeling very helpless.

"Helpless, this time it was so damn bad that he actually helped the enemy defend the city."

Xueji Yagyu looked at the depressed Su Chen. She came to Su Chen's back to massage him and said with a smile,"Master, just think of it as helping the people of Chang'an City to defend the city. After all, the master is also from the Central Plains."

Su Chen enjoyed the massage given to him by Yagyu Yuki, then looked at the soldiers around him and shook his head and said,

"I know that if I wasn't worried that the people of the Central Plains in Chang'an City would be massacred by aliens, I wouldn't show up like this."

"well!"

"The court of the Song Dynasty really left me speechless. Having such a court for the people of the Song Dynasty really made them miserable."

Just after Su Chen's siege ended, other city gates also ended their siege.

With the help of Shangguan Jinhong and his three masters, the other three city gates were not breached by the Dayuan army.

The Yuan army's siege was a complete failure.

On the north wall,

Lin Chaoying took her apprentices and maids to help the Song army defend the city wall. Fu Hongxue next to her was very curious when she looked at Lin Chaoying. If this woman didn't go to Su Chen, why would she come to the North City Wall to help the Song Dynasty defend the city wall?

At this time, a messenger came to the North City Gate guard general Xiao He and reported,

"General, the war at the East City Gate has ended long ago, and the East City Gate has not been breached. There is a pretty boy there who has become the new commander-in-chief of the Chang'an City Guards. Under the leadership of the pretty boy, the East City Gate was defeated without suffering huge casualties. Killed more than 20,000 Yuan soldiers."

When Xiao He heard the pretty boy, she knew that the pretty boy was her man. Xiao He was a little surprised and said to herself, "It's Young Master Su. He actually became the new commander-in-chief of the Song Dynasty's army? Is this incredible?"

"That bastard Su Chen actually became the new commander-in-chief of Chang'an City's army? How can this be? Is that bastard Wu Xiangjun? How could he help the Song Dynasty defend Chang'an City?"

Chapter 595

Lin Chaoying looked at the messenger in surprise. She didn't expect that bastard Su Chen to become the commander-in-chief of the Chang'an City Army of the Song Dynasty.

Is that bastard going to defy heaven?

One of the greatest enemies of the Song Dynasty actually became the commander-in-chief of the Chang'an City garrison of the Song Dynasty?

Isn't that bastard trying to seize the opportunity to seize Chang'an City?

Xiao Longnu and Li Mochou were speechless when they heard Lin Chaoying muttering to themselves.

They also knew Su Chen's identity.

How could that shameless bastard still serve the country and the people?

This was something they never expected.

However, they thought that Su Chen's identity was the same as that of their master Lin Chaoying. That bastard must have some conspiracy.

Xiao Longnu knew something about that bastard Su Chen. How could a shameless pervert help the Song army defend Chang'an City? That bastard must have something up his sleeve

"Master, should we go to the East City Wall to take a look?" Little Dragon Girl looked at Lin Chaoying and asked in a low voice.

Xiao Dragon Girl knew that Lin Chaoying deceived Su Chen in the martial arts conference square. Her master cheated Su Chen out of a red fruit without convincing Sun Buer.

Little Dragon Girl did the same. She wanted to know what happened at the east city wall, but she was worried that Lin Chaoying would not agree.

Lin Chaoying refused to Xiao Longnu without even thinking, "No, we can't go there and throw ourselves into a trap. If that bastard is really me, If we deceive him, he will definitely not let us go. Do you want to be caught and ravaged by that bastard?"

"this.....Then we won't go there." Little Dragon Girl was also scared after hearing Lin Chaoying's words. That bastard was shameless and perverted. She didn't want to be caught and bullied by that bastard.

Li Mochou and Lin Bing'er laughed when they looked at Xiao Longnu's appearance. I know that this is the master (miss) who is deceiving Xiao Longnu.

Although her master deceived that bastard Su Chen, Su Chen will definitely not treat them like Lin Chaoying said.

Oh!

That bastard Su Chen has no choice but to make trouble. Their master, at most they would be caught by that bastard and threaten their master.

Fu Hongxue was wiping his black knife and looking at Lin Chaoying and the others who were whispering. He was not interested in these things, but that bastard Su Chen became the defender of Chang'an City. The commander was a little surprised.

Who was that bastard?

How could he become the commander-in-chief of the Chang'an City army in less than a day?

Fu Hongxue felt that he must ask his mother everything about this bastard when he returned home. , it's just that her mother may have had a conflict with this bastard.

He didn't know if his mother would admit her relationship with this bastard. He hoped that his mother could tell him about finding a bastard. The

Dayuan army never attacked Chang'an again today. City, but this also made Chang'an City very angry.

Whether it was Su Chen, Mu Guiying, or the soldiers of Chang'an City, they all knew that it was impossible for the Dayuan army to give up attacking Chang'an City. I am afraid that the Yuan army will attack Chang'an City again.

After all, the hundreds of thousands of Yuan troops outside Chang'an City have not withdrawn, and those aliens will definitely not give up until they break through Chang'an City.

At night, in Mu Guiying's mansion,

Su Chen sat Looking at the starry sky after the rain on the roof of the house, he also missed the people at home in Gusu City.

Concubine Yan was pregnant and was about to give birth in a few months, but Su Chen had to rush back before Concubine Yan gave birth. As for Jing Salamander, he hasn't seen her for a long time. Has Changsun Wuchu advanced to the master level?

I don't know if my cousin Wang Yuyan has come out of seclusion now? She has been in seclusion for several months, and I don't know how strong she will be after she comes out of seclusion. How strong is it?

Li Qingluo and Li Qiushui don't know what they are doing now? They are probably busy managing Wu Xiangjun's mansion and the occupied territory. With their two elders managing it at home, Su Chen can be said to be wandering outside. Nothing will happen.

Mu Guiying appeared next to Su Chen and smiled at Su Chen and said, "Asshole, can Qin Hongmian and Mu Wanqing be released? Ruan Xingzhu and the others asked me to intercede for them."

"No, they will be released later, but now is not the time." Su Chen shook his head and refused.

Qin Hongmian and Mu Wanqing knew his identity. They couldn't be released before he left Chang'an City. Su Chen didn't want everyone here to know about him. Identity.

Mu Guiying glared at Su Chen and asked angrily, "You bastard, don't you want to let them go when you get tired of playing with them?"

Su Chen was very speechless after hearing Mu Guiying's words.

What is he talking about?

When did he play with Qin Hongmian and the others?

Su Chen held Mu Guiying in his arms and said in a bad way, "Why are you tired of playing? ? Are you a woman with such unhealthy thoughts? I have no interest in them, nor do I have any thoughts about them."

"hehe! I don't understand you bastard? You are a shameless pervert. Didn't you play Qin Hongmian in the fortress of Chang'an City Wall?"

"Forehead! Played, but....."

"Admit it, you're just a pervert. Although I don't mind you playing with women, I don't want you to force women from good families. Qin Hongmian and Mu Wanqing should let them go. Don't embarrass them anymore. After all, Ruan Xingzhu and the others are here today. Help us kill the enemy."

Su Chen was completely speechless. In the fortress on the wall of Chang'an, he just tickled Qin Hongmian and taught Qin Hongmian a lesson. He did not expect that Mu Guiying would misunderstand that he had fucked Qin Hongmian at that time. This was a joke. Is it the same as that one?

Even if Su Chen explains to Mu Guiying now, she might not believe it. But why is Mu Guiying not jealous and doesn't mind him finding a woman?

Has the war put too much pressure on Mu Guiying?

Mu Guiying Ying was focused on guarding Chang'an City, and she didn't care about finding women at will.

Su Chen saw Mu Guiying staring at him, and he said helplessly, "Let them go after the war. This will help." Bar?"

"Well, you can, but you are not allowed to harm them again." When Mu Guiying saw that Su Chen relented, she smiled and warned Su Chen,

"Let me guess, I have never harmed them, bah! I've never been interested in them"

"Hahaha!"

Mu Guiying laughed when she saw Su Chen's hurried excuse.

She looked at Su Chen and touched his face. Today's events made Mu Guiying understand a little about this bastard. This bastard not only has countless The powerful bodyguard is even capable of commanding the war.

She is very curious about the identity of this bastard, but she has no intention of asking now.

Mu Guiying now has some doubts that Qin Hongmian and her daughter discovered Su Chen's identity. The two of them were imprisoned by Su Chen.

She thought that this bastard had been wearing a mask since he went to the martial arts conference square, and he did not take off his mask in front of these women. Mu Guiying became suspicious. Ruan Xingzhu and the others must know this bastard.

This bastard probably didn't want Ruan Xingzhu and the others to discover his identity, so he kept wearing the mask without taking it off.

Although Mu Guiying could ask Ruan Xingzhu and the others if they knew a powerful noble? But she She didn't intend to ask.

Su Chen might have some reason for hiding his identity. She didn't want those women to find out about this bastard. After all, Su Chen would be her man in the future.

## Chapter 596

Su Chen was speechless looking at Mu Guiying who was laughing. He could tell that Mu Guiying might be suspicious of his identity.

But now he still doesn't want to tell her his identity. He will tell her after this war is over, but at that time he doesn't know whether Mu Guiying will be willing to leave with him.

"It's time to eat. Do you want to go? Mu Guiying asked with a smile as she got up from Su Chen's arms.

Su Chen looked around and said to Mu Guiying, "I'm not going. I want to think about life here."

Su Chen felt that Jellyfish Yinji was nearby, but he didn't find her specific location. He didn't know what Jellyfish Yinji was going to do, so Su Chen could only let Mu Guiying leave first.

"Okay, I will bring the food to your room in a moment." Mu Guiying nodded to Su Chen.

She knew that it would be inconvenient for Su Chen to eat with Ruan Xingzhu and the others while wearing a mask. She wanted to thank Ruan Xingzhu and the others for their help today, although she wanted to stay with them for a while longer. Su Chen, but it's impossible for her to miss this banquet.

"Fine! It's best if you take a shower and come to my room together. We can eat together and do other meaningful things."

"If you dream, you are a shameless pervert."

Mu Guiying glared at Su Chen in shame and jumped off the roof. She was really helpless with that bastard.

But she was also going to accompany that bastard tonight. She didn't want Black Widow and Liu Shengxue to Sister Ji, stop pestering that bastard

"Come out, do you want to watch the stars with me all the time?" Su Chen lay on the roof of the house and looked at the night after Mu Guiying left. But after a while, Su Chen didn't see Jellyfish Yinji appear. He casually said to the people around him,

Jellyfish Yinji suddenly appeared next to Su Chen. She looked at him in confusion and asked, "You actually discovered me? It seems you have a lot of secrets, Mr. Wu Xiang!"

"Your body fragrance gives you away." Su Chen started talking nonsense to Jellyfish Yinji.

He didn't know whether Jellyfish Yinji had body fragrance, but the fragrance on Jellyfish Yinji's body was very nice, but Su Chen didn't know whether it was body fragrance. confirmed

"Shameless pervert!" Jellyfish Yinji's face turned red instantly under her veil. She didn't expect that her body fragrance exposed her.

This made her even more speechless towards Su Chen, the shameless bastard. This bastard was nothing but a prostitute. super playboy

【I'll do it!】

【Is that faint fragrance really the body fragrance of Jellyfish Yinji?】

【Damn it, I just found a reason and didn't expect that the fragrance on Jellyfish Yinji's body was really body fragrance?】

【Japan and Europe! How could such a best of the best woman be a woman who likes women? This is such a waste of resources. Su

Chen looked at Jellyfish Yin Ji and shook his head. Although Jellyfish Yin Ji with a water snake's waist could not see her face, with her perfect figure, Jellyfish Yin Ji could not be an ugly woman.

It's just a pity that with such a perfect figure, she turned out to be a lesbian who likes women. Su Chen shook his head and asked, looking at the jellyfish Yin Ji's protruding figure.

"Are you secretly looking at me? I know you're not interested in men, but you peeking at me like this will make me think too much."

"Shameless, I'm not secretly watching you, I came to you this time for something."

"explain?"

"You're such a bastard. Do you have any treasure with spiritual energy?"

Su Chen felt a sudden thought when he heard Jellyfish Yinji.

How could Jellyfish Yinji know that he had the spirit stone?

Could it be that he took out the spirit stone and was discovered by Jellyfish Yinji today?

Su Chen wants to leave here now. He He didn't want Jellyfish Yinji to know that he had a spiritual stone,"A spiritual treasure? I don't understand what you are talking about? If nothing happens, I will leave"

"Stop, are you feeling guilty?"When Jellyfish Yinji saw Su Chen standing up to leave, she hurriedly stopped him and said,

"I'm so guilty,"

"Let me see that treasure of yours?"

"hey-hey! My big baby will not be looked at casually."Su Chen saw that Jellyfish Yinji was blocking him and not letting him leave. He patted his chest with a smile and looked at Jellyfish Yinji and said.

Jellyfish Yinji looked at Su Chen's lustful look and frowned and asked, "Um? big baby? Is it a big baby with spiritual energy?"

Su Chen doesn't know whether he should continue teasing Jellyfish Yinji now. If Jellyfish Yinji finds out that he is seeking death, she may really kill him. But now he has to commit suicide, otherwise this perverted woman will definitely I won't let myself go,

"Ahem! I don't know if it has any spiritual energy, but that big baby contains tens of trillions of interesting substances."

"Take it out and let me take a look. If this treasure of yours is useful to me, I will help you capture Jinlun Dharma King and Zha Yadu tomorrow."

Su Chen now said with a guilty conscience, "Ahem, I actually lied to you. I don't have any big treasures at all, so you don't need to waste your time on me."

"Take it out quickly or I'll kill you?" Jellyfish Yinji grabbed the clothes on Su Chen's chest and said fiercely.

Jellyfish Yinji didn't believe that she sensed it wrong today. She was very familiar with those auras, not to mention that there was still very pure aura in this bastard's room.

This bastard Either he didn't know the existence of spiritual energy, or he was pretending to be stupid on purpose.

"I'll do it! Do you really want to see it?"

"Yes, I really want to see it."

Su Chen was helpless when he looked at Jellyfish Yinji. He didn't dare to reveal the spiritual stone. But if he continues to tease Jellyfish Yinji now, I'm afraid he is really seeking death.

Su Chen thought when he looked at Jellyfish Yinji. I want to say, "Then let's make an agreement first. You are not allowed to be angry after seeing it, you are not allowed to kill me, and you are not allowed to kill anyone around me. You have to swear."

Jellyfish Yinji looked at Su Chen angrily and agreed, "You....Okay, I swear, after I read it, no matter whether it is the item I am looking for or not, I will not be angry, nor will I kill you or anyone around you."

Jellyfish Yinji doesn't know why this bastard did this to herself?

Is he afraid that she will kill him if she gets that treasure?

She is not a murderer.

If she can get that spiritual energy treasure, not only will she not kill him This bastard, and he would repay this bastard, how could she kill him, this bastard?

"Come to my room, I hope you will do what you say." Su Chen took a deep look at Jellyfish Yinji and nodded, saying,

"Okay, don't worry, I, Jellyfish Yinji, always keep my word."

"Hope so!"

Chapter 597

In Su Chen's room, not long after Su Chen and Jellyfish Yinji entered, Su Chen was kicked out.

Su Chen picked up his pants and appeared on a tall building in Chang'an City in an instant. He didn't dare to appear in front of Jellyfish Yinji now. Jellyfish Yinji might have really wanted to kill him just now.

Su Chen put on his trousers and looked at Mu Guiying's mansion, "I guess, I just can't believe what a woman said. What promise did you make to him just now that he won't kill himself? This is all bullshit. The current jellyfish Yin Ji is too Terrible"

"You run, are you able to run?" Jellyfish Yinji suddenly appeared in front of Su Chen and said angrily.

Jellyfish Yinji's face was now red with shame and anger, and she wanted to kill this bastard who teased her. This time she was so angry with this bastard.

This shameless bastard is simply not Man, he, a bastard, dares to let her look at that thing of a man. Jellyfish Yinji is now afraid that she will get needle eyes in the future.

Su Chen looked at Jellyfish Yinji in surprise and asked in shock, "Holy crap, how could you find it?"

This place is some distance from Mu Guiying's mansion, and he appeared here instantly, but why did Jellyfish Yinji arrive here so quickly? How did she find out that he was here?

"Go to hell, you bastard!"

Jellyfish Yinji didn't answer the bastard. She was so angry that she slapped Su Chen directly.

"I'll do it!"

Su Chen disappeared instantly when she saw Jellyfish Yinji take action, boom!

The tower was smashed to pieces by Jellyfish Yinji with one palm strike.

When she saw Su Chen suddenly disappear again, she hurriedly sensed the location of the bastard. This time She won't let that bastard go. To hell with all the promises she made to that bastard before.

"You can't get away with it, bastard."

Jellyfish Yinji sensed that bastard appeared outside Chang'an City and disappeared in a flash.

"Damn it, the half-step golden elixir realm jellyfish Yin Ji is too powerful, how did she find herself?"

Su Chen looked towards Chang'an City when he appeared outside Chang'an City. This time he didn't dare to be careless. Su Chen's mental strength was always paying attention to the surroundings this time. He didn't want Jellyfish Yinji to suddenly appear and kill him.

"Damn it, why did that perverted woman find herself again?"

Su Chen found out that Jellyfish Yin Ji was about to appear, so he teleported away in a hurry.

"Damn it, you bastard can't escape." Jellyfish Yinji appeared at Su Chen's place and found that he had escaped again. She was angry and hurriedly sensed the location of the bastard again.

In the commander-in-chief's tent of Dayuan, King Jinlun and Zha Yadu were discussing whether they could do it tomorrow. Attacking Chang'an City.

This afternoon the soldiers of the army made tens of thousands of giant shields, and even hundreds of long ladders.

Although the long ladders are not as useful as siege ladders, they can't make them now. The siege ladder and the long ladder were only made by capturing the craftsmen of the Song Dynasty around them.

Zha Yadu took a sip of wine and said angrily,

"The King of France must attack Chang'an City tomorrow. I really can't stand that pretty boy. In today's war, that pretty boy is commanding the Song Dynasty army. I'm afraid that pretty boy is not an ordinary person."

Jinlun Dharma King nodded. He is also very doubtful about the identity of the pretty boy. Now it seems that the pretty boy cannot be the pretty boy raised by Mu Guiying. His identity may not be that simple.

"I didn't expect that pretty boy to turn around and become the commander-in-chief of the Song Dynasty's army. Little prince, that pretty boy couldn't be a prince of the Song Dynasty, right? Otherwise, why did he keep wearing the mask and not take it off?"

"Impossible. How could the Song Dynasty have a prince who commanded the army?"

"The young prince deliberately concealed his identity because he might be a prince. I am afraid that he was also worried that other princes would be jealous of him, so he deliberately concealed his identity. This may be because he must master the army before he can inherit the throne of the Song Dynasty."

"Um? It is possible." Zha Yadu thought about it and felt that King Jinlun's deduction was good. That bastard might really be a prince of the Song Dynasty. At this time, a person suddenly appeared in the Yuan army tent. King Jinlun felt it and immediately took Zha Yadu away. Duhu stayed behind his body and looked at the person who came.

"who?"

"Why! Don't be afraid, old friend." Su Chen appeared at Jinlun Dharma King and Zha Yadu and waved to them and sat down.

He was forced by Jellyfish Yinji and had no choice.

Although Su Chen could escape far away, if he escaped I am afraid that Mu Guiying, Xue Nu, Shi Qingxuan, and even the sisters Black Widow and Yagyu Yuki will be killed by the angry Jellyfish Yinji.

Su Chen is also going to kill with a borrowed knife this time. As long as the Jellyfish Yinji appears here, Su Chen can It caused a battle between Dayuan's army and Jellyfish Yinji, so that he could watch the fire from the other side.

When Zayadu found out it was Su Chen, he laughed and said, "It's you, bastard, you bastard, you threw yourself into a trap and died, hahaha! Let's see how you escape this time. Come on, catch this bastard."

"Yes, General." Dozens of soldiers immediately came in from outside the commander-in-chief's tent and surrounded Su Chen.

Zha Yadu was very happy when he saw it was Su Chen. This time, this bastard had a road to heaven and he didn't want to take it, so he came to his big In the Yuan army camp, isn't this a trap?

Jinlun Dharma King looked at Su Chen and felt that he was very extraordinary. He didn't even notice this bastard when he appeared just now, but how could he think that this bastard was an innate fifth-level person? The realm of cultivation, this puzzled him.

Su Chen sat on the sofa and drank wine and said to Zayadu, "Zayadu, we are all old friends. Why bother to fight each other as soon as we meet? Come on, Let's have a glass of wine first."

Zha Yadu waved his hand and did not let the soldiers catch this bastard. He wanted to know what this bastard was going to do when he came to his place late at night.

"Who is an old friend of you bastard? What are you doing here this time?"

"Zha Ya Du, how about we unite? what do you think?" Su Chen knew that he couldn't wait too long, otherwise the perverted woman Jellyfish Yinji would come and kill him at any time.

He planned to confuse this idiot first, and when Jellyfish Yinji arrived, he would let this idiot fight to the death with Jellyfish Yinji.

When Zayadu heard that Su Chen wanted to unite, he looked at Jinlun Dharma King next to him. They had just guessed the identity of this bastard. This bastard came to join them. Zayadu knew what they had just guessed. is right,

"joint? You bastard is indeed a prince of the Song Dynasty. Do you want us, the Yuan Dynasty, to support your ascension to the throne?"

【Prince of Song Dynasty? What the hell is this?】

【When did you become the prince of Song Dynasty?】

【Just looking at the idiot Zha Yadu and Jinlun Dharma King, he seemed to be some kind of prince of the Song Dynasty. 】

Su Chen looked at the idiot Zayadu and asked, "Zayadu, how do you know that I am the prince of the Song Dynasty?"

Zayadu said to Su Chen with a stinking look on his face,

"You don't need to know this. We know exactly what you bastard are going to do. It's not impossible for us Dayuan to support you. It just depends on what you can give? His Royal Highness the Prince of Song Dynasty"

【Isn't my purpose just to use Zaya Du to deal with the jellyfish Yin Ji?】

【Why does this idiot seem to have misunderstood something?】

【Why did he become the prince of the Song Dynasty in the blink of an eye? It seems like you are begging this idiot this time? 】

Chapter 598

Su Chen was now very curious about how Zha Yadu and King Jinlun thought he was the prince of the Song Dynasty. Why did they think he was the prince of the Song Dynasty for no reason?

And it seems like they still want to make a deal with themselves?

This makes Su Chen confused now.

"what do you want?"Su Chen can only follow what Zayadu said now. Anyway, he now has to avoid the pursuit of Jellyfish Yinji. This may allow Zayadu's army to fight against Jellyfish Yinji.

Zayadu saw Su Chen The look on his face showed that he would accept his conditions. He smiled sarcastically and said to Su Chen,

"Hahaha! Prince of the Song Dynasty, you should know what I want. If you want us, the Yuan Dynasty, to help you ascend to the throne of the Song Dynasty, it is impossible without paying the price."

"Just make your request."Su Chen also understood now. Zha Yadu wanted to treat himself as a prince of the Song Dynasty to ask him for help, but he was not a prince of the Song Dynasty. Su Chen decided to play with this idiot.

Zha Yadu looked at Su Chen said directly,

"Give me your coquettish black widow and Mu Guiying. As for the beautiful women in Chang'an City, they must all be mine. You must also let me conquer Chang'an City."

"So what can I get?" Su Chen didn't expect that this idiot was really a pervert, and he was still thinking about women at this time.

"You can get the full help of our Dayuan, and we can even send out the army to help you get the throne." Zayadu pointed at the Dayuan army outside and said proudly.

Su Chen drank a glass of wine and looked at Zayadu with disdain. He now also knows that Zayadu is not a fool. How can he make such an illusory promise? You will believe it,

Su Chen said to Zha Yadu a little funny,

"Send out the army? You won't directly destroy the Song Dynasty, right? I won't get anything by then."

Jin Lun Dharma King said directly to Su Chen from the side, "No, the Great Yuan will not destroy the Song Dynasty. You, the Great Song Dynasty, have two land gods in the heavenly realm. Although we, the Great Yuan Dynasty, can occupy some lands of the Song Dynasty, But it can't destroy the Song Dynasty."

Jinlun Dharma King also wanted Zha Yadu to cooperate with this Song Dynasty prince, so that they could not only successfully occupy Chang'an City, but also use this Song Dynasty prince to control the Song Dynasty in the future.

Su Chen also understood why Dayuan There was no large-scale attack on the Song Dynasty. It turned out to be because of the old eunuch Kuihua and Huang Shang.

Su Chen didn't want to delay it anymore. Jellyfish Yinji might have discovered him soon. Let Zha Yadu bleed first this time. I hope Don't let him be mad to death for a while,

"make a deal! But you have to help me kill a powerful enemy first"

"oh? Will you have enemies in the Song Dynasty?"Zha Yadu looked at Su Chen in surprise. He didn't expect that this bastard would have enemies. This made Zha Yadu very surprised.

Su Chen pretended to be very frustrated and said,

"Of course, although I did not reveal my face this time, some of my brothers still discovered me. Now there is a powerful woman who has been following me and may even have been ordered to kill me. I think she should have been sent by my brothers. of"

"woman? Or a strong woman? What level of cultivation is she at?"

"I don't know, I haven't played against her before, but she should be a master of a grand master."

"Haha, don't worry, I'll deal with that Grandmaster's woman for you later."

"Okay, as long as you can kill the Grand Master, Chang'an City will be yours tomorrow, and Black Widow and Mu Guiying will also be sent to your tent."

"It's a deal"

"It's a deal"

"Dharma King, lead the army to find the great master. If she is beautiful, capture her. If she is an ugly woman, kill her."

"Yes, little prince."

Jinlun Dharma King looked at Su Chen and felt that something was wrong. However, it seems that there is no problem at all now. As long as he catches or kills the woman, all the truth will be revealed. Jinlun Dharma King does not think so much anymore.

Su Chen was a little surprised when he saw that idiots like Zha Yadu and Jinlun Dharma King believed in him. But it was none of his business. He was very willing to see these idiots seeking death.

"By the way, which prince of the Song Dynasty are you?"Zha Yadu now sat next to Su Chen with confidence and asked,

"The sixth prince of the Song Dynasty, Zhao Xuan."

How could Su Chen know about the Prince of the Song Dynasty?

He didn't know anything about the Prince of the Song Dynasty. Now he can only talk nonsense to this idiot Zayadu.

Zayadu drank a glass of wine and He asked in confusion,"How come I haven't heard about the Sixth Prince of the Song Dynasty?"

"Only by keeping a low profile can you live the longest. I think you should understand how cruel the royal struggle for the throne is."

"Also, the princes of our Dayuan Dynasty are fighting to the death, and the final victory may only be achieved by keeping a low profile."

Su Chen looked at this idiot and felt that this time Ziyadu would not be killed by the jellyfish Yin Ji. He might be able to use this idiot in the future. No wonder that girl Zhao Min doesn't like this idiot.

"There is an enemy attack! There is an enemy attack!"

At this time, the soldiers outside Commander-in-Chief Yuan's tent shouted. Su Chen and Zha Yadu looked at each other after hearing this.

Su Chen knew that this was the perverted woman Jellyfish Yin Ji who came for her.

That The perverted woman doesn't know how she can always find him?

It seems that if Jellyfish Yinji is not comforted this time, I'm afraid he will really die in the hands of this perverted woman.

Su Chen smiled at Zha Yadu and said , "It seems that the powerful woman has come, Zha Yadu, now it depends on your Dayuan army." "

"Don't worry, there are more than 200,000 Dayuan troops here. There is only one woman who can't escape once she comes. No matter how powerful she is, I have to let her go this time.No return"

"Then let's go out and see how your Dayuan army captures this woman."

"good!"

At this time,

"Damn it, that bastard is hiding here. Is he going to use Dayuan's army to escape?" Jellyfish Yinji knew that she was being used by that bastard when she appeared in the Dayuan camp.

She did not expect that bastard Su Chen would hide in the Dayuan camp. That bastard was really looking for death. He was not afraid that the Dayuan people would kill him first. ?

"Catch this female assassin, catch this female assassin quickly."

The surrounding Dayuan troops discovered the jellyfish Yinji appearing in the camp and began to attack her.

"court death!"

Boom!

Jellyfish Yinji was shocked when she saw these alien reptiles dared to attack her, and a powerful momentum burst out from Jellyfish Yinji's body.

These Dayuan soldiers who rushed over were instantly killed by Jellyfish Yinji. Shocked to death, the Dayuan army behind was so frightened that they did not dare to charge forward again.

"Archers prepare!"

After Jinlun Dharma King came over with the masters from the army, he hurriedly ordered when he saw thousands of Dayuan soldiers dead and injured on the ground.

He knew that this woman was indeed a powerful woman as Su Chen said, and she might even be stronger than him. The strength is even stronger. The Central Plains is indeed a land of outstanding spirits and great masters. There are also endless great masters.

Chapter 599

When Su Chen and Zha Yadu came out of the commander's tent, they happened to see Jellyfish Yinji surrounded by tens of thousands of Dayuan troops.

Moreover, the troops from Dayuan Camp were coming in a steady stream. The entire Dayuan Camp was filled with the shouts of Dayuan troops, and the surrounding area of the camp was brightly lit by torches.

When Zha Yadu saw the besieged woman, he smiled arrogantly and said,

"Zhao Xuan, how are you? Our Dayuan army is elite, right?"

"It only took a quarter of an hour for this woman to sneak into my Dayuan military camp, and my Dayuan army not only discovered her, but even surrounded her."

"Yes, it is much more elite than the Song Dynasty army." Su Chen looked at the Dayuan army and nodded. These armies are very good, but they are only good.

If the Dayuan army fights his army, Su Chen's army will let these foreign armies know what is real. Killing army.

At this moment,

Jinlun Dharma King looked at the female assassin very cautiously. After the assassin looked at the young prince Zha Yadu, Jinlun Dharma King hurriedly ordered to the army,

"Shoot the arrow!"

Swish swish swish swish.....

In an instant, thousands of bows and arrows shot towards the jellyfish Yin Ji like locusts.

"court death!"

As soon as Jellyfish Yinji discovered that bastard Su Chen, she saw these Dayuan troops shooting arrows at her. This made Jellyfish Yinji even more angry. She stretched out her palm and transformed into countless ruthless threads like the black widow's spider web. of water.....

After Jellyfish Yinji slapped the merciless water in her hand, countless merciless water flew towards Dayuan's army like bows and arrows in an instant.

Even the bows and arrows shot at Jellyfish Yinji were directly destroyed by these ruthless water, and the tens of thousands of troops around them were instantly penetrated and killed one by one by Jellyfish Yinji's ruthless water.

In just an instant, each of the thirty thousand or so soldiers who besieged Jellyfish Yinji seemed to be petrified. Some were holding their bows and arrows, some were holding up their shields to defend themselves, and some even drew their swords to charge. , but these Dayuan soldiers are all dead. thump! thump! thump!

After a while, as a Dayuan soldier fell to the ground, the Dayuan soldiers here fell to the ground one after another like a chain reaction.

"this.....Isn't this possible that a great master can do? Are you a terrestrial god in the heavenly realm?" Jinlun Dharma King looked at Jellyfish Yinji in fear and exclaimed.

He did not expect that Jellyfish Yinji could destroy about 30,000 Dayuan troops with one palm.

This is probably difficult for even land gods in the heavenly realm to do.

Those What are water lines?

Why does this woman hit countless water lines with one palm?

"What's going on? Why is this woman so powerful?" Zha Yadu sat slumped on the ground and looked at Jellyfish Yinji with great fear. He did not expect that tens of thousands of troops would be killed by this terrifying woman at once. When

Su Chen saw Jellyfish Yinji, he killed several of them with one palm. He was very shocked when he saw tens of thousands of Dayuan troops.

Although he knew that Jellyfish Yinji was very powerful, was it possible for people to do this? He destroyed tens of thousands of troops at once. This probably belongs to the world of cultivation. Means?

"Damn it, Jellyfish Yin Ji is indeed a perverted woman, now it's over."

Jellyfish Yinji looked at the approaching Dayuan army with disdain. After the arrival of the more than 100,000 Dayuan troops, they did not dare to rush over. The more than 100,000 Dayuan troops just looked at Jellyfish Yinji from a distance in horror. Standing around at a loss,

Jellyfish Yinji waved her sleeves and shouted to these Dayuan troops, "You clowns, get out of here, or I'll kill you all."

Brush!

When the more than 100,000 Dayuan troops heard Jellyfish Yinji's words, they all hurriedly retreated. But when they saw the dead Dayuan soldiers just now, this woman was not something they could kill.

Su Chen Seeing Jellyfish Yinji looking at him, he hurriedly pulled Zayadu up and said loudly, "Zayadu, quickly order the army to attack, otherwise we will all die here."

Su Chen then looked at Jinlun Dharma King and yelled, "Jinlun Dharma King, aren't you a great master? Damn it, go ahead and kill this perverted woman."

Zha Yadu reacted and ordered hurriedly and tremblingly,

"right! right! right! All the troops follow me, kill this woman quickly. Jin Lun Dharma King will bring our Dayuan warriors to kill this perverted woman for me."

"Didn't you eat? shouted orders to the troops." Su Chen saw Zayadu trembling and slapped him.

When Zayadu saw the jellyfish Yinji, he fearfully said to Su Chen, "I.....I can't tell you, how about you give the order?"

"Let the guards call you, idiot!"

Zha Yadu doesn't dare to give this order now. When he gave the order just now, the perverted woman glanced at him. If he gave the order again, I'm afraid the perverted woman would kill him directly.

Zha Yadu hurriedly got out of his arms. He took out a golden token and gave it to Su Chen and said in a panic,

"If I can't do it, you should give the order. I'm afraid that perverted woman will kill me. This is the golden order of the Great Yuan Commander. It can order all the troops here. I will leave it to you now. All the guards here will also return now. You direct, you give orders."

After Zha Yadu said to Su Chen, he ran away to his commander's tent. He didn't dare to face that perverted woman. She had frightened him just now.

It's all because of that bastard. If he wasn't that bastard, he wouldn't be able to provoke such a powerful and perverted woman.

Let that bastard die instead of him this time.

Su Chen saw Zha Yadu rolling away and he looked at the golden order in the water. The card is very speechless,

【What the hell!】

【Why did he become the commander-in-chief of the Yuan army in the blink of an eye?】

【Is it really okay for that coward Zayadu to do this? 】

Su Chen looked at the surrounding Dayuan troops who were all looking at him. He also knew that what Zha Yadu said just now was deliberately meant to be heard by all the troops here.

That coward must have told Jellyfish Yinji.

His voice was so low when he gave the order just now, but he said it very loudly when he was given the token to command the army here and fight to the death with the jellyfish Yin Ji.

Zaya Du is really afraid that Jellyfish Yinji will kill him first. Is he asking himself to be his scapegoat?

Jellyfish Yinji looked at Su Chen and was very speechless.

How could this bastard become the commander-in-chief of Dayuan's army in the blink of an eye?

This bastard didn't look like he was caught by the Dayuan people. He even slapped the commander of the Dayuan army.

This made Jellyfish Yinji stunned.

Why did this bastard get together with the Dayuan army in just a short while? The relationship with the commander-in-chief is so good?

The commander-in-chief of the Dayuan Army did not even complain or get angry when he was beaten, and even handed the commander-in-chief token of the Dayuan Army to this bastard.

Chapter 600

Jinlun Dharma King was very anxious when he saw the command token in Su Chen's hand. He did not expect that the death-phobic Zha Yadu actually gave the command token to the prince of the Song Dynasty.

This man was the prince of the Song Dynasty. How could Zha Yadu hand over the army of the Yuan Dynasty to this prince of the Song Dynasty?

He is here too!

Why didn't Zayadu give him the commander's token?

King Jinlun felt a sour taste when he looked at the token in Su Chen's hand.

"All the troops obeyed the order, and all the archers stepped forward to prepare!" Su Chen saw Jellyfish Yin Ji walking towards him step by step. He hurriedly used his inner strength to shout loudly and ordered,

Brush! Brush! Brush!

The soldiers of the Dayuan Army began to take action after hearing Su Chen's order. Team by team The archers stood up from the army, drew their bows and arrows, and prepared to shoot the jellyfish Yin Ji.

"Um? You bastard want to kill me?" Jellyfish Yinji looked very ugly when she saw Su Chen ordered the army to shoot her.

Jellyfish Yinji didn't expect that this bastard would take action against her after taking control of Dayuan's army. This made Jellyfish Yinji... Looking at Su Chen, he felt very unhappy.

When Su Chen saw Jellyfish Yinji asking him with an unkind expression, he coughed in embarrassment and said,

"Ahem! How can it be? I'm just trying to see if the army here will obey my orders? Jellyfish Yinji, it's too late today, you'd better go back and rest."

"Do you think I will go back?"

"I think you will"

"Can the Yuan army here stop me? It would be very easy for me to kill them all." Jellyfish Yinji didn't care at all about the Dayuan army here. She walked towards Su Chen step by step.

When Su Chen saw that it was Jellyfish Yinji who looked arrogant, she smiled and said,

"Hahaha! You are very powerful, but if you kill so many soldiers, I am afraid you will have inner demons in your practice in the future, which is definitely not a good thing for powerful masters like you."

Su Chen heard Shi Guanyin say that land gods in the heavenly realm generally don't interfere with too many secular matters.

Even if there is a war, the land gods in the heavenly realm are fighting against powerful masters of hostile forces. The land gods in the heavenly realm Immortals rarely kill ordinary troops.

Su Chen thought this might be because they were worried that killing too many people would have an impact on their future cultivation.

"hehe! Do you have too much imagination? What I practice is the water-attribute [Tianshui Divine Skill]. Do you think water-attribute skills can make people go crazy?"

【My day!】

【Jellyfish Yin Ji's skills have other attributes?】

【What's going on?】

【Why didn't Shi Guanyin say anything about the skills having attributes?】

【Doesn't she know that too? 】

Su Chen has nothing to do with Jellyfish Yinji now. He originally thought that Jellyfish Yinji would not massacre the soldiers here anymore.

But I didn't expect that Jellyfish Yinji didn't care about massacring the soldiers here. Even if these troops dared to stop her, maybe she would really massacre all the Dayuan soldiers here.

Although Su Chen thought it was a good thing that the Great Yuan army here was massacred by Jellyfish Yinji, this did not allow him to bear the massacre of the Great Yuan army. He did not want to let these hundreds of thousands of Da Yuan soldiers suffer because of his order. The Yuan army was massacred by Jellyfish Yinji.

Su Chen has nothing to do with Jellyfish Yinji now, and he can't keep running away. If Jellyfish Yinji goes to find trouble with his woman, it will be a disaster.

Su Chen knew that he was going to be in trouble this time, so he had to bow his head to Jellyfish Yinji, a perverted woman.

Su Chen thought about it and bowed to Jellyfish Yinji and said,

"Well, Lord Jellyfish Yinji, you see there is no need for us to fight you to death like this. How about we sit down and drink tea and chat?"

The hundreds of thousands of Dayuan troops here were dumbfounded when they saw Su Chen bending down to salute this terrifying woman.

Just now, they were so aggressive that they were preparing to shoot this powerful and terrifying woman. How could they just attack her in such a short time? This powerful and terrifying woman chose to admit defeat?

But this also made the soldiers breathe a sigh of relief. They also did not want to face this powerful and terrifying woman.

This woman was a big terror. She killed about 30,000 people with one palm. The soldiers here did not want to be killed by this powerful and terrifying woman with one palm.

Jellyfish Yinji looked around at the Dayuan army who was about to shoot her and attack her and said with a smile, "This is what you said. Want to have a cup of tea and chat?"

Su Chen saw that Jellyfish Yinji didn't seem to be planning to kill him, so he hurriedly yelled at the surrounding Dayuan troops,

"Damn it, what the hell, you all put away your bows and arrows quickly, do you all want to die? This is our distinguished guest."

Are all the soldiers in Dayuan's army feeling confused now? Their current commander is too shameless. This wasn't the order he gave just now. Why are all the responsibilities now passed on to them soldiers?

In the army, everyone After withdrawing their bows and arrows and canceling their war readiness, the hundreds of thousands of troops did not retreat. After all, they would not have been able to retreat to their respective camps without Su Chen's order.

Jin Lun Dharma King looked at Su Chen's worried look and said speechlessly,

"The subordinates understand."

Su Chen is not paying attention to the great master Jinlun Dharma King. Now that Jellyfish Yinji has arrived, he is very worried that this perverted woman will suddenly take action. Su Chen is fully prepared to guard against Jellyfish Yinji.

"Aren't you going to run away this time, you bastard?" Jellyfish Yinji walked up to Su Chen and stared at him and said,

"You shameless bastard, I won't let you go if you insult me rightly. Once I figure out what to do with you, I will kill you without mercy."

"Ahem! Isn't that the baby you insist on seeing? Then you can't just wish for me?"
