Chapter 641

On an official road leading to the central capital of the Kingdom of Jin, a luxurious carriage was heading towards the central capital under the protection of dozens of guards.

In these two carriages were Su Chen and Black Widow, who were setting off from Chang'an City. , it has been more than half a month since they came out of Chang'an City.

Immediately, Su Chen rested on Black Widow's thigh and thought about the scene of leaving Chang'an City. Now that Su Chen thinks about it, he still really doesn't want to leave Chang'an City. The tenderness between Mu Guiying, Xue Nu, and Shi Qingxuan makes him really not want to leave them.

It's just that he can't spend much time outside. Su Chen has to return to Gusu City before Concubine Yan gives birth to a child, and this time he has to come and take away the golden treasure.

Now that his army is growing, the amount of money he will need in the future will be astronomical. If he doesn't have money, I'm afraid he won't even be able to support the army.

"Master, are you still thinking about what happened in Chang'an City?" Black Widow massaged Su Chen and asked Su Chen with a smile.

Su Chen opened his eyes and touched the black widow's charming little face and said,

"Yes, I left a little hastily this time. I have been thinking about Mu Guiying and the others every day these past few days. It will probably be several months before I see them again. Now that I think about it, I really can't bear to leave them."

Black Widow was enjoying Su Chen touching her face.

She thought about Su Chen going to Lin Chaoying when she left Chang'an City. Black Widow saw something interesting at that time.

Black Widow was weird. He smiled and asked Su Chen, "Master, where is Lin Chaoying? Do you miss her?"

"Why do you, a witch, ask this?" Su Chen looked at the Black Widow and was very confused. He didn't expect that the Black Widow would ask him about Lin Chaoying.

Su Chen thought that the crazy woman Lin Chaoying might kill him at all costs when he saw him in the future. After all, he would leave again. When I was there, I did what I always wanted to do to Lin Chaoying.

"hehe! Master, I saw you stuffing something into Chaolin and Chaoli. That should be Zhu Guo, right?"

"I'll do it! Black Widow, you actually learned how to peek. You witch, I seem to have taught you a little lightly these days!"

"host....Man, I wasn't peeping, I just saw it accidentally."

"Do you think I would believe it? Witch, I will take you in tonight"

"Hahaha! Master, aren't you afraid that Sun Buer and Widow Chai will anger you again?"

"We are just two prisoners, would I be afraid of them?"

"Really?"

Black Widow thought about how Sun Bu'er and Chai Widow were annoying Su Chen these days.

Sun Bu'er and Chai Widow kept taunting Su Chen along the way, especially at night when she and Su Chen were together. , Sun Buer and Chai Widow looked down upon Su Chen's actions.

Now Sun Buer and Chai Widow are still riding outside and following the carriage. This is Su Chen's punishment for them. Today they have treated Su Chen Chen was anxious.

Black Widow couldn't help but smile when she thought of this.

"You witch, are your skin itchy? Do you want me to loosen it for you again?" Su Chen rolled his eyes at the black widow and threatened her. This black widow is becoming more and more evil now, and now she dares to laugh at herself,

"Cough cough cough! host.....Man, I was wrong. I won't dare to do that again. Just spare me this time. I won't laugh at my master in the future." Black Widow hurriedly begged for mercy after hearing Su Chen's words.

She is a little afraid of Su Chen now. She really doesn't dare to serve Su Chen these days. She is the only female subordinate here. She is now very interested in Su Chen. A little scared

"I'll do it! Are you begging for mercy? Or are you tempting me?" Su Chen was very speechless when he looked at Black Widow's alluring look.

Black Widow is becoming more and more seductive. Her every movement and silence are becoming more and more alluring. I'm afraid Black Widow will have to wear it in the future. You can go out only if you wear a cloak, otherwise the black widow may cause riots when she appears on the street. The black widow looked at Su Chen aggrievedly and then lowered her head and smiled secretly, but she really didn't dare to seduce her master now. Otherwise, he will be the one to suffer. At this time, the secret guard outside reported to Su Chen outside the carriage,

"Sir, there is a tea shop in front of you. Do you want to take a rest?"

"Take a break!"

"Yes, Master!"

In the tea shop on the official road, there were already about ten people here drinking tea and resting. However, after these people saw a luxurious carriage coming under the protection of dozens of guards, some of them were timid and fearful. People hurriedly paid and left in a hurry.

"Dad, there may be a nobleman in this carriage. Do we want to leave?" A beautiful woman in green clothes worriedly said to an old man next to her when she saw the approaching carriage.

The old man looked at the approaching luxury carriage and shook his head. He knew what his daughter was worried about. After all, her daughter Mu Nianci She was very beautiful. Mu Nianci was probably worried that the upcoming nobleman would fall in love with her beauty and cause unnecessary trouble.

The old man comforted Mu Nianci and said with a smile,

"Nianci, don't worry, this place is very close to Zhongdu. Even the nobles don't dare to make trouble for no reason near Zhongdu in Jin Kingdom. We have just arrived here, so let's take a rest here."

"Oh well!"

When Mu Nianci saw her father Yang Tiexin insisting, she didn't say anything else. This time she and her father Yang Tiexin came to Zhongdu to look for someone. She didn't know that she would be able to find the person her father was looking for this time.

And Zhongdu is a golden person. The capital of the Kingdom of Jin, they Central Plains people must be very careful in the capital of the Kingdom of Jin, otherwise they may cause fatal disasters if they are not careful.

At this time,

Su Chen's carriage also arrived here, and the carriage stopped. After that, the secret guards immediately stood guard around the tea shop, and they checked everyone in the tea shop one by one.

After the carriage stopped,

Sun Buer rode to the carriage and cursed angrily,

"You bastard, if you kick us out of the carriage again, be careful that I don't tell you where that place is."

Su Chen got off the carriage and said to Sun Buer disdainfully,

"Hey, Taoist Master Sun, you've said this eight times if not ten times, wouldn't you threaten me with something else?"

"hehe! Daozhang Sun, you can't threaten my master. You'd better not bring trouble to yourself." Black Widow followed Su Chen down and said to Sun Buer with a sweet smile,

"Witch!"

Sun Buer was very angry when he saw the black widow.

Not only was this black widow very revealing, she was even full of temptation. At first glance, this witch was a bad woman who brought disaster to the country and the people.

Although Sun Buer is like Su Chen, The bastard has a grudge, but she doesn't want the shameless bastard Su Chen to be seduced by this witch.

"hehe! I am originally the master's witch, and it's not like you don't know that, Mr. Sun."

Chapter 642

Black Widow looked at Sun Buer with great disdain. This Sun Buer looked down on herself very much and spoke ill of herself all the way. This also made Black Widow and Sun Buer fight with each other at every turn.

Su Chen ignored Black Widow and Sun Buer. The two of them were like one being a decent person and the other being a villain. They might not be born to deal with each other. Is this what the so-called Taoist priest wants to subjugate demons?

Su Chen came to the tea shop, looked at the people around him, and sat down. Widow Chai, who had never spoken, sat aside.

Su Chen didn't say anything when he saw it. Anyway, there were other widows in Chang'an City as hostages. Su Chen believed that Widow Chai didn't dare to reveal his identity.

"Master, please have tea."

At this time, the secret guards brought tea from the tea shop owner. They inspected the tea before bringing it to them.

"Huh? Didn't you expect that there was a beautiful woman here?" Su Chen was drinking tea when he noticed the woman in green clothes not far away.

This woman in green clothes here was like a lily that emerged from the mud but was not stained. Her delicate face looked very gentle, but the gap between her eyebrows There seems to be a touch of sadness in the room

"Color embryo!"

Princess Chee was very angry when she found Su Chen looking at the woman in green next to her. This bastard is a pervert and will harm beautiful women wherever he goes.

She looked at the beautiful woman next to her and was worried that this bastard would get lustful again. Harm this woman.

When Su Chen heard what Princess Chai said, he threatened, "Widow Chai, watch your words. If you make me anxious, you will have to sleep with me at night."

"Shameless pervert!"

Princess Cheshire didn't expect this bastard to say such words here, which made her feel very embarrassed. She was much older than this shameless bastard at first glance, and what would happen to the people here if this bastard said such words? Think?

Princess Che's face is red and she wants to strangle this shameless bastard.

"Hahaha!"

Su Chen laughed when he saw Widow Chai's look.

Widow Chai is becoming more and more interesting now. Although he hasn't done anything extraordinary to Widow Chai these days, he hasn't made Widow Chai easy either. Widow Chai is responsible for serving tea and water.

If she doesn't do it, she will threaten her with the other widows. No matter how much Widow Chai hates herself, she still has to serve her obediently.

"Master, is there anything funny?" Black Widow and Sun Buer arrived one after another and sat next to Su Chen and asked in confusion.

Sun Buer looked at Princess Che and then towards Su Chen. She guessed that this bastard must have teased Princess Che again..Sun

Buer had great sympathy for Princess Che, who was even more miserable than she was. Not only was her husband and son ordered to be executed by this bastard.

Even the widows of the Yang family were threatened with firewood by this bastard from time to time. The princess came to serve this shameless pervert. Although Sun Buer wanted to help Princess Che, she was also powerless.

"Ha ha! Have tea, there are some things you know that are not good for you." Su Chen looked at Black Widow and Sun Buer and shook his head.

He didn't want to tell Black Widow why he was laughing. With Sun Buer here, Su Chen didn't want Sun Buer to get angry for no reason again. Temper, after all, I still need Sun Buer to tell me that the treasure is on that mountain after arriving in Zhongdu,

"oh!"

At this time,

Mu Nianci was very nervous. When Su Chen looked at her just now, she was very worried. If this noble young master fell in love with her, I am afraid that she and Yang Tiexin would not be able to escape.

The guards here She looked very powerful. If the noble young master attacked her, she and Yang Tiexin might not be able to defeat these guards. Fortunately, the noble young master just looked at her and stopped caring about her. This made Mu Nianci He breathed a sigh of relief.

Yang Tiexin was also very nervous when he saw the noble young master looking at Mu Nianci, but later the noble young master stopped looking at Mu Nianci, which made Yang Tiexin relieved.

"Don't worry, it'll be fine"

""Yeah" da da da.....

At this time, the sound of horse hooves came from a distance, and the secret guards looked nervously into the distance. They were worried that the person coming would be harmful to Su Chen.

Su Chen didn't pay attention to this. This time he came to Jin Kingdom's Zhongdu secretly. Not many people knew that he came to Jin Kingdom's Zhongdu, and those who knew that he came to Jin Kingdom's Zhongdu were even less likely to betray him.

At this time, dozens of riders chased the two women and two men in front and appeared next to the tea shop. After dozens of riders behind surrounded the four people in front, the leader of the dozens of riders called out to a beautiful woman among the four. shouted,

"Huang Xuemei, you can't escape this time, hand over the Heavenly Demonic Piano, or today will be the day you all die?"

Huang Xuemei was very angry when she looked at the dozens of people besieging them. She was constantly being chased along the way, and she was even injured by Dongfang Bai and Ancestor Liehuo. Otherwise, these pursuers would have killed them long ago.

"You lackeys of Dongfang Bai are wishful thinking in wanting my Heavenly Demon Qin."

The leader of these people knows that Huang Xuemei has been seriously injured. He is not worried that Huang Xuemei will use the Tianmo Qin to kill them. If he takes back the Tianmo Qin this time, Dongfang Bai will reward them well in the future.

"If you don't drink the toast, you'll be fined with wine. Give it to me and kill these people."

"Yes, Hall Master."

Huang Xuemei was about to take action when she saw these people. She looked at her younger brother Lu Lin, Fu Yunjun, and Tan Yuehua. She might not be able to escape this time, but Lu Lin and the others had to escape. Huang Xuemei didn't want her to My brother died here.

Huang Xuemei took out the Tianmo Qin from behind and said with a pale face,

"Lu Lin, as soon as I stop them, you should find a chance to escape from here, otherwise we will all die here."

When Lu Lin saw Huang Xuemei was about to use the Tianmo Qin, he hurriedly held down the Tianmo Qin and said anxiously,

"Sister, you can't use the Heavenly Demonic Piano. If you use the Heavenly Demonic Piano again, you will die."

"Yes, Miss Huang, you can't use the Heavenly Demonic Qin anymore. I think you should just hand it over to them. This Heavenly Demonic Qin is an unknown object. There is no need for you to keep the Heavenly Demonic Qin."Fu Yunjun saw that Huang Xuemei still didn't want to give up the Tianmo Qin at this time, and he was very helpless about it.

This Tianmo Qin caused a bloody storm among the people in the world. Fu Yunjun didn't want Huang Xuemei to have this unknown thing again.

If Huang Xuemei doesn't If he abandons the Tianmo Qin, he is afraid that the woman he likes will fade away, which is not what he wants to see.

Huang Xuemei shook her head and refused directly,

"No, I will not give up the Heavenly Demonic Qin even if I die. How can I take revenge in the future without the Heavenly Demonic Qin? I will not hand over the Heavenly Demonic Qin even if I die today, and even if I hand over the Heavenly Demonic Qin now, these people will probably kill us. It will cause trouble in the future."

Tan Yuehua, who was beside Lu Lin, looked at the Tianmo Qin in Huang Xuemei's hand and her eyes lit up. This was the best time for her to seize the Tianmo Qin.

But when she looked at Huang Xuemei, she didn't know if Huang Xuemei could activate the Tianmo Qin again. What if? If Huang Xuemei could still activate the Heavenly Demonic Qin, she would be dead.

Tan Yuehua thought about it and stopped trying to snatch the Heavenly Demonic Qin. Anyway, after Huang Xuemei fought with these people, it would be easy for her to snatch the Heavenly Demonic Qin again.

"I guessed it was Huang Xuemei. She was a little embarrassed this time!"

Chapter 643

Su Chen didn't expect to meet Huang Xuemei here, but why was Huang Xuemei being chased by these people this time?

Didn't he tell her about his brother and his enemy during the Sui Dynasty?

Why is she still in such a mess?

Su Chen looked at Huang Xuemei who looked like she was seriously injured and shook her head. This woman was really in trouble. Huang Xuemei was very miserable in the TV series. He didn't expect that in this world of mixed martial arts, she would still be in such a miserable state.

But this Huang Xuemei is much more beautiful than the ones she has seen on TV. This latest version of the Six-Fingered Piano Demon is very beautiful, and her temperament is very suitable for being a female devil.

"kill! Kill this devil."

At this moment, dozens of people from the Jianghu area took weapons and killed Huang Xuemei and the others.

"court death! clang!"

When Huang Xuemei saw these desperate Jianghu people rushing up, she put the Tianmo Qin on her lap, played the Qin with one hand and released a sonic attack. When the leader of these Jianghu people saw Huang Xuemei playing the Tianmo Qin, he hurriedly He backed away and shouted,

"No, this female devil can actually activate the Heavenly Demonic Piano to retreat quickly." boom!

"Ah, my hands!"

"Damn it, my brother is dead"

"Help me, I'm being attacked"

"Cough cough cough! Junior brother, wake up."

After Huang Xuemei played the Tianmo Qin, the people who wanted to attack Huang Xuemei were instantly shaken by the sound waves of the Tianmo Qin, killing and injuring countless people. There were only a dozen people left among the dozens of Jianghu people.

Huang Xuemei played the Tianmo Qin. After that, she vomited blood and almost fell off the horse. She was very desperate when she saw the more than ten Jianghu people left.

"cough! Damn it, I can't stand it after just playing it once. It seems like I'm really doomed this time."

"Sister, are you okay?"

Lu Lin hurriedly supported Huang Xuemei and asked with concern,

"Why aren't you leaving yet? Are they all going to be left to die?"Huang Xuemei saw that her younger brother and Fu Yunjun had not left, which made her very angry. She was seriously injured this time. Lu Lin and the others were no match for these Jianghu people. If they don't leave now, they might really die soon. There is no way to escape.

Fu Yunjun got off the horse and came to Huang Xuemei's side and said affectionately,

"Miss Huang, we can't escape this time, and it's impossible for these Jianghu people to let us go now. I have no regrets about being able to die with you this time."

Huang Xuemei was very speechless after hearing what the scholar said. The scholar started to beat her and said that she was some kind of female devil. She failed to kill the scholar several times, but in the end he fell in love with her at first sight. This Huang Xuemei looked at Fu Yunjun and felt that this scholar was a bit silly. Lu Lin was also very helpless now. With his low strength, he could not help his sister Huang Xuemei. Now his sister urged Tianmo Qin to vomit blood, which made Lu Lin very anxious. Worried that Huang Xuemei would die like this,

Lu Lin found that there were many Jianghu people in the tea shop next to him. This time he wanted to see if the Jianghu people here would help them, otherwise they would really die here this time.

Lu Lin Lin dismounted and took advantage of the fact that the Jianghu people who were chasing them were still worried about Huang Xuemei, so he hurriedly led Huang Xuemei towards the tea shop.

"Sister, there are many Jianghu people in the tea shop next to us. I wonder if they will save us? Let's take shelter there first."

Huang Xuemei also found that there were many Jianghu people in the tea shop, but these Jianghu people did not come out to help them when they were being hunted. I am afraid these Jianghu people are not willing to cause trouble.

Tan Yuehua looked at Huang Xuemei and was afraid for a while. Fortunately, she didn't just Take action to snatch the Tianmo Qin, otherwise I am afraid that I will be killed by this female devil, but now this female devil is really going to die, and soon she will use Lu Lin to seize Xiaoxia Tianmo Qin.

A man who is chasing Huang Xuemei When Jianghu people saw Huang Xuemei and others walking towards the tea shop, he hurriedly asked the hall master next to him,

"Hall Master, what should we do now? Do you still want to kill Huang Xuemei?"

The hall master is still frightened now. If he hadn't escaped quickly just now, he might have been injured by Huang Xuemei's Tianmo Qin. This time he will not be careless.

After seeing Huang Xuemei vomiting blood, he smiled and said,

"No, Huang Xuemei was seriously injured. She activated the Tianmo Qin just now. I'm afraid she can't hold on any longer. We won't do anything until she is unconscious or dead. Anyway, the four of them can't escape. We don't need this time. Fighting with Huang Xuemei"

"Yes, Hall Master."

In the tea shop, the people here saw Huang Xuemei and the four of them arriving and hurriedly stayed away from them. Just now, the people in the tea shop saw the Jianghu people outside chasing them. They didn't want the Jianghu people outside to think that they were a group of people. Damn it. When

Mu Nianci saw that Huang Xuemei was covered in injuries and was constantly vomiting blood, she said to Yang Tiexin next to her,

"Dad, let's go see that girl. I'll use some medicine for knife wounds. The girl has wounds all over her body. I'll give her some medicine."

Yang Tiexin hurriedly grabbed Mu Nianci who was going to save Huang Xuemei. He didn't want Mu Nianci to be involved in these feuds. He had important things to do. He would never allow Mu Nianci to save that girl.

"Don't go there, we can't cause trouble. Didn't you see that the Jianghu people outside have never left? They are just waiting for this girl to be unable to hold on before taking action. Besides, this girl is a female devil. We cannot save a female devil."

"father?"

"Stop talking, sit down and don't move, we will leave in a moment"

""Yes."

When Mu Nianci saw Yang Tiexin staring at her, she sat down and did not dare to go against Yang Tiexin's words. She looked at Huang Xuemei and felt helpless.

After Su Chen saw Huang Xuemei come to the tea shop, he found that everyone here was He quickly moved away from Huang Xuemei and the others, which made Su Chen very speechless. The people here were really greedy for life and afraid of death.

Su Chen was very curious when he saw Sun Buer next to him looking angrily at the Jianghu outside. Sun Buer Why didn't he go out to help Huang Xuemei and the others when he was so angry? Was Sun Buer worried that he wouldn't be able to kill the Jianghu people who were chasing Huang Xuemei?

Su Chen asked Sun Buer doubtfully after thinking about it,

"Sun Buer, aren't you a decent person? Why not save these people?"

"none of your business!"

"Damn it, Sun Buer, I didn't expect you, a beautiful Taoist nun, to say dirty words. Aren't you afraid that your dead master will jump out from under Jiuquan and teach you a lesson?"

"Shameless bastard, you have no right to speak to me about my master. Whether I save them or not is my business. You, shameless pervert, don't have to worry about this."

Sun Buer was very angry when she looked at Su Chen. This bastard was motivating her to save those people.

Although she also wanted to save those people, she gave up after seeing Tianmo Qin.

This hand The woman holding the Heavenly Magic Piano is a female devil like Li Mochou. She will not save a murderous female devil.

"I'll do it! Sun Buer, you are really invincible. I really misjudged you before."

Su Chen was very speechless towards Sun Buer now. Didn't Sun Buer turn into a poisonous woman after following him for a long time?

Otherwise, why would Sun Buer be so venomous?

Su Chen couldn't beat or scold Sun Buer now. If he knew that the Jin national treasure was hidden on that mountain in the future, Sun Buer wouldn't be able to live well in the future.

"Master, do you know the woman playing the piano?"The black widow looked at Su Chen and asked curiously.

The black widow felt that something was wrong with Su Chen after seeing this woman. She was even a little worried that the woman would find him. This made the black widow look at Huang Xuemei and was very confused about her and her relationship. What relationship does Su Chen have?

"cough! I....."

"You bastard won't recognize every beautiful woman you meet, right? Shameless pervert!"

Before Su Chen finished speaking, Princess Che interrupted Su Chen and mocked unceremoniously.

Princess Che now knows this bastard very well. This shameless pervert can't move even when he sees a beautiful woman. The bastard.

This time he must have wanted to save this beauty to do some dirty things, otherwise this bastard would not have encouraged Sun Buer to save that beautiful beauty.

Su Chen saw Princess Chee sitting next to the black widow at some point, Now he even dared to interrupt him and laugh at himself.

This made Su Chen look at Princess Che and threatened,

"Widow Chai, why did you come and sit down? Don't you want to sit with me? Now he not only sat here, but even dared to mock me like this, are you trying to fall into a trap this time?"

"laugh! up to you"

"I'll do it! You are awesome. You know I won't do anything to you now, but you dare to talk to me like this?"

"Why don't I dare? Why don't you teach me a lesson now?"

"night! night! I will definitely teach you a lesson tonight." Su Chen really doesn't dare to teach Widow Chai a lesson now. If he tries to teach Widow Chai a lesson now, I'm afraid Huang Xuemei will find him.

Su Chen has his back to Huang Xuemei now. He is just worried that Huang Xuemei will use that promise after discovering her. And I am also worried that Huang Xuemei will be foolish enough to reveal her identity.

There is also the woman next to Huang Xuemei. That woman is Tan Yuehua, the disciple of Ancestor Liehuo. Tan Yuehua confuses Huang Xuemei's younger brother Lu Lin to seize the Magic Qin.

Even the scholar and Huang Xuemei's relationship is not ordinary. The scholar fell in love with Huang Xuemei, but I don't know how they met so quickly in the world of mixed martial arts, and even ran for their lives together. Su Chen also knew that Huang Xuemei was seriously injured now, and he wanted to know something Will these people with evil intentions try to snatch the Heavenly Demon Qin? Huang Xuemei won't die for a while anyway, and he doesn't want to rush to save Huang Xuemei now. After hearing Su Chen's words, Princess Chai pointed at Su Chen with a red face. She was speechless. She knew that this shameless pervert might have really pissed off this shameless pervert. It seemed that she was going to suffer tonight.

Princess Che looked at Sun Buer and thought that she could save her, otherwise she would really I will be humiliated by this shameless pervert again.

Sun Buer was very speechless when he saw Princess Che's eyes asking for help.

Just now, Princess Che was arrogant and coaxing angrily at the bastard Su Chen, but now he is scared Asking for help from herself.

This is really self-inflicted!

How can she save Princess Che? If she goes to save Princess Che tonight, I'm afraid she will be involved.

Sun Bu'er doesn't want to be in Su Chen wanted to offend that bastard when he was angry.

At this time,

Lu Lin suddenly saw Huang Xuemei starting to vomit blood again, and he hurriedly said to Huang Xuemei with concern,

"Sister, what's wrong with you? Huang

Xuemei vomited blood and said to Lu Lin intermittently,

"I....I can't do it anymore, Lu.....Lin, you must....Run away, devil.....If you can take Qin away, take it away, but if you can't, take it away.....Take it away, abandon the Tianmo Qin and run away, never do it again in the future.....for me and my family.....People take revenge, you will.....Be good to Yuehua....Good life."

When Lu Lin saw Huang Xuemei's face was pale and she was constantly vomiting blood, he knew that Huang Xuemei's internal injuries were very serious. He was so helpless that he didn't know what to do. Now they don't have anything they want. They have not even been able to heal their wounds during these days of escaping. All the medicine is used up

"Sister, you will be fine. I will find healing medicine for you now. Just hold on for a while."Lu Lin wiped Huang Xuemei's blood, and he hurriedly said to Dong Yuehua beside him,

"Yuehua, come take care of my sister"

"I understand, Lu Lin, please see if anyone here has any healing medicine."

"good!"

After Lu Lin left, Tan Yuehua supported Huang Xuemei and looked at the approaching Tianmo Qin, wanting to snatch it away.

But the scholar next to her kept looking at Huang Xuemei here. She was very wary of this scholar.

This scholar Although she didn't know how good his martial arts was, the scholar Tan Yuehua felt that he was a very big threat to her. She couldn't just snatch the Tianmo Qin and run away now.
When

Lu Lin came to the Jianghu people here, he begged bitterly, "Which of you can heal your wounds?"
medicine? Can you save my sister?"

The Jianghu here shook their heads when they saw Lu Lin coming to ask for healing medicine. They don't care about these Jianghu vendettas. Even if they have healing medicine, they can't give it to Lu Lin at this time, otherwise the Jianghus who are chasing these people will soon People will definitely not let them go

"If any of you have it, give me some, and I will kowtow to you here."

Lu Lin saw that the Jianghu people here were hiding and dodging. He also knew that these Jianghu people were afraid that the people outside who were chasing them would retaliate against them.

But her sister could no longer hold on, so Lu Lin threw away all her dignity and knelt down to beg. The Jianghu people here can give him some healing medicine.

Mu Nianci couldn't bear it anymore. She stood up, took out her knife wound medicine and said to Lu Lin, "Little brother, I have some knife wound medicine here. Take it and save your sister quickly."

When Lu Lin saw that this beautiful girl had given him medicine for a knife wound, he hurriedly kowtowed to this kind-hearted young lady and thanked her,

"Thanks! Thank you for this lady!"

"Go and save your sister. No need to thank me." When Mu Nianci saw that Lu Lin was about to kowtow to her, she hurriedly helped Lu Lin up and said to him.

Lu Lin nodded to Mu Nianci and hurriedly took the knife wound medicine and ran towards Huang Xuemei. Although the knife wound medicine It is impossible to save Huang Xuemei's internal injuries, but this may be the only life-saving medicine.

Sun Buer looked at Mu Nianci and nodded in praise, "That pretty girl is good."

Sun Buer saw that no one here gave the boy healing medicine, but that beautiful woman was able to give him healing medicine at this time, which shows that this beautiful woman is very kind in her heart.

"She is a little scumbag with a weak heart and weak power, and harms others and herself. I am afraid her family will be harmed if she dies this time."

Chapter 645

When Su Chen heard Sun Buer praising Mu Nianci, he took a sip of tea and said, Su Chen had checked Mu Nianci's cultivation level before. How dare an acquired scumbag dare to commit such vendettas? It seems that she is A novice who travels around the world.

Although Sun Bu'er knew that Su Chen was right, Mu Nianci's healing medicine for that boy might kill her and even affect the relatives around her, but this bastard couldn't say that to a kind-hearted person. Woman,

Sun Buer glared at Su Chen and yelled at him, "You shameless pervert, is anyone as hard-hearted as you?"

Su Chen was speechless after hearing Sun Buer's words.

This Sun Buer But only the state officials were allowed to set fires, and the people were not allowed to light lamps. He was hard-hearted, but wasn't Sun Bu'er hard-hearted?

Did she go give healing medicine to Huang Xuemei's brother?

Su Chen looked at Sun Buer and said with a disdainful smile, "Sun Buer, you have a heart of Buddha. Have you given that boy the healing medicine?"

Sun Buer's face turned red and she didn't know what to say. She just wanted to see. Let's see if this bastard Su Chen can save that beautiful woman. He didn't expect that this bastard would attack him this time.

Sun Buer stumbled and said to Su Chen,

"I.....I.....I.....That's because that kid didn't come to us to ask for healing medicine, otherwise I would definitely give it to that kid"

"Just quibble here!"

""Asshole"

Sun Buer doesn't want to talk to this bastard now. Although he was speechless by this bastard, Mu Nianci, who just gave the boy healing medicine, can save him. Sun Buer will never see a kind-hearted person. Mu Nianci was killed by those Jianghu people outside.

At the next moment,

Mu Nianci was being severely taught by Yang Tiexin. Yang Tiexin did not expect that Mu Nianci actually gave the boy healing medicine, which put them in a desperate situation..

He was very desperate when he saw the Jianghu people outside glaring at him and Mu Nianci. With their strength, they were no match for the Jianghu people outside.

Now the Jianghu people outside would definitely not let him go. And Mu Nianci, this made Yang Tiexin very angry.

He came to Jin Guozhong this time just to find his wife. He finally got the whereabouts of her wife. I am afraid that he will be betrayed by Mu Nianci without even meeting her. They were killed here.

Mu Nianci also noticed the way the Jianghu people outside looked at them. She knew that she had caused a big disaster this time and might even implicate Yang Tiexin and her in being killed by the Jianghu people outside.

Mu Nianci Looking at Yang Tiexin, she said very guiltily, "I'm sorry, Dad, I really don't want to see that woman die like this, it's all my fault."

Yang Tiexin looked at Mu Nianci and wanted to kill her now. This idiot woman has caused big trouble this time. If he doesn't come up with a way this time, I'm afraid he will really be killed here.

Yang Tiexin stared at Mu Nianci cursed loudly,

"What's the use of saying this now? I shouldn't have adopted you, this disaster star, in the first place. Now it's all over. My efforts of more than ten years have been ruined by you, this disaster star. Get out of here, I don't have a daughter like you."

"father!"

"roll! Get out of here, I don't want to see you idiot woman again, get out of here, get away from me."

Yang Tiexin can only sever ties with Mu Nianci now, so that maybe those Jianghu people will not kill him as well.

He may still be able to find his wife in Zhongdu. In order to find his wife, Yang Tiexin... He didn't care, and he wouldn't care about Mu Nianci's life or death.

Mu Nianci looked at Yang Tiexin and felt as if she had changed. She didn't expect that Yang Tiexin would drive her away just for some healing medicine, and even her father. The relationship between women was broken.

This made Mu Nianci very sad and desperate. She looked at Yang Tiexin, saluted her and walked out of the tea shop.

Mu Nianci just hoped that this time she would be beaten by the people outside. After killing him, he would not kill Yang Tiexin again. After all, Yang Tiexin had adopted him for many years. Mu Nianci could only do this for Yang Tiexin now.

"Girl, come here." Just when Mu Nianci was about to walk out of the tea shop, Sun Buer stopped her.

Everyone in the tea shop heard Yang Tiexin scolding Mu Nianci just now, and Sun Buer did not think of Mu Nianci either. His father was so hateful that he even planned to sacrifice his daughter in order to survive.

"Senior, you called me?" Mu Nianci heard someone calling her, and she saw a Taoist nun next to the noble young master calling her. Mu Nianci didn't know why the Taoist nun called her.

"Yes, you come here first"

"Okay, senior!"

Mu Nianci came to Sun Buer's table cautiously. She was very scared when she saw the guards around her looking at her.

"Sit down, someone, come and give this girl a cup of tea." After Mu Nianci arrived at Sun Buer's side, Sun Buer pulled Mu Nianci and asked her to sit down, and even ordered the secret guard to pour tea for Mu Nianci.

Su Chen looked at Sun Buer's master's expression. He looked very speechless.

He didn't care what Sun Buer wanted to do, but it was good that Sun Buer could save this beautiful woman. After all, Su Chen didn't want a kind-hearted woman to disappear like this.

Black Widow and Princess Che also looked at Mu Nianci with admiration. This woman was a daring woman. After being abandoned by her father, she went to bear the mistakes she made alone. This woman deserves their rescue.

"What's the girl's name?"

"Senior, my name is Mu Nianci."

Pfft!

Ahem!

Su Chen was shocked when he heard that this woman was Mu Nianci. He didn't expect to meet Mu Nianci here.

But Guo Jing has been accepted as a disciple by Hong Qigong. Even the plot of "The Condor Shooting" has changed beyond recognition. Why does Mu Nianci only appear here now?

And isn't Mu Nianci's father Yang Kang's father Yang Tiexin?

His! How come the plot is so messed up?

The Quanzhen Sect has been destroyed by him, so there won't be another martial arts competition between Yang Kang and Guo Jing, right?

When Sun Buer saw Su Chen, a bastard, drinking tea, he sprayed her all over her body, which made her glare at Su Chen angrily and drink. Cursed,

"What are you doing, you bastard? Can't you enjoy even a cup of tea?"

"Sorry, sorry, didn't mean it." Su Chen felt a little unreasonable and hurriedly wiped the tea on Sun Buer's robe.

"Asshole, don't touch me"

"Let me join in, Sun Buer, I will wipe it for you with good intentions. Don't be so ignorant of good people's hearts."

"Shameless pervert!"

Princess Chai saw Su Chen touching Sun Buer and hurriedly said to Sun Buer, "She did it on purpose. Daozhang Sun, you must not let go of this bastard who wants to take advantage of you."

"I'll do it!"

Chapter 646

Su Chen didn't expect that Widow Chai would add insult to injury at this time. Su Chen glared at Widow Chai and didn't want to talk to her. Sun Buer didn't seem to be instigated by Widow Chai to attack him now.

Sun Buer looked at Princess Che and packed up her Taoist robe and ignored her. She knew that Princess Che was trying to get her into conflict with that bastard Su Chen, so that Princess Che would have a helping hand later in the evening. I'm not that stupid to provoke that bastard Su Chen at this time.

Seeing that Sun Buer didn't take action against Su Chen, Princess Che did not even scold Su Chen for being such a shameless pervert. This made her very disappointed. It seemed that she would have to face that shameless pervert alone at night.

At this time,

Su Chen turned to look at Yang Tiexin with a cold light in his eyes. This Yang Tiexin was the person Su Chen hated very much when watching the TV series.

Su Chen suspected that Yang Tiexin had bad intentions when he adopted Mu Nianci from the beginning, otherwise why would he have set up competitions in Jin Kingdom to recruit brides.

Zhongdu is the imperial capital of the Jin Kingdom, and Mu Nianci is very beautiful. Isn't Yang Tiexin worried about the nobles of the Jin Kingdom robbing civilian girls?

And Yang Tiexin probably had ulterior motives in asking Mu Nianci to compete in martial arts to find a bride.

Yang Tiexin must have known for a long time that his wife was in the mansion of Wanyan Honglie, the sixth prince of the Jin Kingdom, and also knew the place where Wanyan Honglie's son would often pass by.

He may have deliberately asked Mu Nianci to compete in martial arts at that time, just to attract Yang Kang came to participate in a martial arts competition to recruit a bride.

Yang Kang is the young prince of the Jin Kingdom. If he comes to participate in a martial arts competition to recruit a bride, I am afraid no one will dare to compete with him. In this way, he can sneak into Wanyan Honglie's mansion and secretly take away his wife.

Su Chen looked at Yang Tiexin and said disgustedly, "A useless scum, I really want to kill him with one palm.""

"Master, do you want to kill that old man? Do you want me to take action?" When the black widow heard what Su Chen was talking to herself, she looked at Yang Tiexin and stood up and said to Su Chen. The black widow also looked down on the old man who abandoned Mu Nianci in order to survive. Now she saw Su Chen Chen Ye was dissatisfied with the old man, so the black widow decided to kill the greedy Yang Tiexin for Su Chen and Mu Nianci.

Mu Nianci heard that this charming woman was going to kill Yang Tiexin, which made her very She did not want this coquettish woman to kill Yang Tiexin.

Although Yang Tiexin severed the father-daughter relationship with her, Yang Tiexin had adopted her after all. Mu Nianci did not want to be ungrateful and let these people kill Yang Tiexin.

Su Chen After pulling Black Widow away, she shook her head, "No, we don't have to deal with a scumbag who is in the acquired realm.""

"Yes, master."

Sun Buer saw Mu Nianci became nervous after hearing what the Black Widow said. However, after Su Chen did not let the Black Widow kill Yang Tiexin, Mu Nianci was still worried about Yang Tiexin's comfort.

Sun Buer He shook his head and told Mu Nianci,

"Mu Nianci, you don't have to worry, we won't kill your adoptive father, but don't have anything to do with that old man in the future. That old man is a person who is greedy for life and afraid of death. This time he can be driven away in order to survive. You, I will definitely use you to save your life next time I encounter danger. Don't be stupid in the future!"

"I.....I see." Mu Nianci nodded when she heard Sun Buer's words.

She knew that Sun Buer was doing this for her own good. This time she could see Yang Tiexin's true face clearly, but she was still a little worried about Yang Tiexin. After all, She was raised by Yang Tiexin

"Mu Nianci, do you want to become my teacher?"

Sun Buer admires Mu Nianci's kind qualities very much. Now that the Quanzhen Sect has been destroyed, Sun Buer must recruit more disciples if he wants to reorganize the Quanzhen Sect, and Mu Nianci is very compatible with Sun Buer. With two appetites, she planned to accept Mu Nianci as her disciple this time.

Pfft!

"Cough cough cough!"

Su Chen was choked again this time.

He didn't expect that Sun Bu'er would accept Mu Nianci as his disciple?

With Sun Bu'er's innate cultivation level, he would still have the nerve to accept him as a disciple?

Su Chen looked at Sun Bu'er and was very surprised. speechless

"Inglourious bastard, do you really want to die?" Sun Buer saw that the bastard Su Chen had sprayed tea on the Taoist robe she had just arranged. This made her think that this bastard did it on purpose.

"Misunderstanding, misunderstanding, I didn't mean it this time, you have to believe me." Su Chen saw that he had sprayed tea all over Sun Buer again this time, which made him very embarrassed.

He had sprayed tea all over Sun Buer just now, and this time he was surprised by Sun Buer and sprayed again. Sun Buer moved his body, Su Chen felt that Sun Buer might not let him go this time.

"I trust your size."

Sun Buer stood up with a long sword and stared at Su Chen, wanting to kill this bastard with one sword. However, she saw the black widow and the surrounding secret guards looking at her warily, which made her very helpless.

Sun Buer knew that if she took action at this time, I am afraid that the Black Widow and the secret guards would attack her without mercy. She was no match for the black widow and the secret guards, and she did not even want to be imprisoned by this bastard in the future.

Su Chen waved to the secret guards and hurriedly explained to Sun Buer, "Sun Buer, this time it's true. Trust me again, I really didn't mean it."

Sun Buer looked at the secret guards around him angrily and sat down. She felt better when she saw that Su Chen didn't let the secret guards come over. She looked at Su Chen and exhaled heavily and said angrily,

"call! You bastard, this is the last time. If you deliberately humiliate me again, you will never want to know where that place is again in your life."

"Forehead! Okay, okay."

Su Chen nodded hurriedly when he heard Sun Buer's words.

Now Sun Buer can't afford to offend him. The location of the Jin Kingdom's treasure still needs Sun Buer, otherwise he would not be so humble to Taoist Sun.

If it were Yin and Yang With the women of the Yin-Yang family by his side, Su Chen doesn't have to care about Sun Bu'er so much.

After all, the women of the Yin-Yang family can read minds, and Sun Bu'er, an innate state, has no power to resist in front of the girls of the Yin-Yang family.

"Mu Nianci, come with me to the carriage. I want to change into my robe." Sun Buer glared at Su Chen fiercely and pulled Mu Nianci to Su Chen's carriage.

Sun Buer didn't want to leave Mu Nianci with Su Chen, a pervert. This bastard is a shameless pervert. Brother, if Mu Nianci is left here, I am afraid that this pervert will attack Mu Nianci. This is not what Sun Buer wants to see.

"Okay, Daozhang Sun."

Mu Nianci was confused now. Taoist Sun wanted to accept her as his disciple just now, but before she had time to react, she was disturbed by the noble young master next to her. She couldn't figure it out when she looked at Sun Buer and Su Chen. What is the relationship between them?

Su Chen whispered when he saw Sun Buer and Mu Nianci leaving,

"Even with Sun Buer's innate cultivation level, he still has the nerve to accept a disciple, but this is really going to mislead others."

"Coward, why didn't you just say that in front of Sun Buer?"

Chapter 647

Princess Chei looked at Su Chen with great disdain. She didn't understand why Su Chen tolerated Sun Buer everywhere. Sun Buer was imprisoned by this shameless bastard like her, but why did Su Chen treat Sun Buer completely differently from him?

Princess Chea looked at Sun Buer who was walking towards the carriage and thought, wouldn't this Sun Buer have also been humiliated by Su Chen, a shameless pervert?

It's just that Sun Buer is obviously not as beautiful as him, but why does that bastard Su Chen treat him and Sun Buer completely differently?

Su Chen looked at Widow Chai but did not speak out against her. He would teach Widow Chai a lesson tonight, and let her dance for a while longer.

Su Chen looked at Huang Xuemei and was very speechless. Now those people haven't even started to snatch the Tianmo Qin.

And Huang Xuemei might really die if she didn't get treatment. Su Chen shook his head and felt that this time he would have to spend a red fruit, otherwise Huang Xuemei would really be hopeless.

At this time, after Lu Lin applied Mu Nianci's knife wound medicine to Huang Xuemei, Huang Xuemei's condition still did not improve.

Lu Lin said to Huang Xuemei very anxiously,

"Sister, sister, how are you?"

Huang Xuemei opened her eyes and looked at Lu Lin and said,

"I can't do it anymore, Lu Lin. After you escape this time, go to Gusu City in the south. Mr. Wu Xiang of Gusu City and I are friends. As long as you say you are my brother, Mr. Wu Xiang will help you."

"Lord Wu Xiang of Gusu City? Sister, do you know Mr. Wu Xiang?" Lu Lin looked at Huang Xuemei in surprise.

He did not expect that his sister Huang Xuemei actually knew Wu Xiangjun. Wu Xiangjun, who accounted for almost all the beauties in the martial arts beauty rankings, was his idol.

But he thought that his sister was also tall. She is very beautiful. Is her sister also Wu Xiangjun's confidante?

"I know him, but I'm afraid I won't see him again." Huang Xuemei smiled when she thought of Su Chen. Wu Xiangjun agreed to his promise and hoped to save his younger brother. Lu Lin saw a smile on Huang Xuemei's pale and beautiful face, and he was even more sure of the relationship between Huang Xuemei and Wu Xiangjun. It was very abnormal.

He guessed that his sister Huang Xuemei was already the woman of Wu Xiangjun, otherwise Huang Xuemei, who never smiled, would not smile when she mentioned Wu Xiangjun.

But Dong Yuehua and Fu Yunjun next to them were not so happy.

Dong Yuehua did not expect that Huang Xuemei knew Wu Xiangjun. She had also heard of that Wu Xiangjun. Now Wu Xiangjun's army began to attack the Song Dynasty, and even occupied the important town of Chang'an City in the Song Dynasty not long ago.

Moreover, Wu Xiangjun's Both his men and women are very powerful. Although her master, Patriarch Liehuo, is a powerful master, if he were to fight against Lord Wu Xiang, he might not even know how he would die.

A Yihua Palace could easily kill her master. And Liehuo Palace, not to mention Wu Xiangjun's other confidants, Dong Yuehua doesn't dare to take the idea of Tianmoqin now. She doesn't want to bring disaster to her master and Liehuo Palace.

Fu Yunjun's face is very ugly now, no wonder Huang Xuemei has never liked him. It turns out that Huang Xuemei already likes someone, and he is also the famous playboy.

This made Fu Yunjun very angry when he looked at Huang Xuemei.

Wu Xiangjun was a bastard who played with women. He didn't understand that Huang Xuemei was so A sane woman will fall in love with that scum for a while

"Sister, what is your relationship with Wu Xiangjun?"

"friend!"

"oh! ah! friend! Just friends?"

"Ahem! What are you thinking about? Wu Xiangjun and I just met in Sui Dynasty. Don't think too much about those messy things."Huang Xuemei was very helpless when she heard Lu Lin's words.

The reason why Huang Xuemei didn't tell her relationship with Wu Xiangjun at first was because she was afraid that Lu Lin would think too much.

Wu Xiangjun's reputation is very bad. Any beautiful woman and If that bastard was together, he would probably be misunderstood as that bastard's confidante or even a woman.

Huang Xuemei was also worried about other people's misunderstandings, so she never mentioned Wu Xiangjun. If she hadn't been in trouble this time, she wouldn't have mentioned that shameless bastard. of

"Yes, I don't want to, I don't want to anymore, don't get excited." Lu Lin saw Huang Xuemei vomiting blood again, so he hurriedly wiped the blood from the corner of Huang Xuemei's mouth and said. At this time,

Dong Yuehua suddenly found that the Jianghu people who were chasing them outside had walked towards the tea shop, which made her She was also very nervous.

She was an undercover agent, but these Jianghu people who were chasing them didn't know that if a fight really broke out, she would probably be killed by these Jianghu people.

Dong Yuehua hurriedly reminded Huang Xuemei and the others. ,

"Those who are chasing us are coming, what should we do?"

"Damn we fought them." When Lu Lin saw that those who were chasing them were about to enter the tea shop, he drew his sword and said angrily.

Dong Yuehua held the angry Lu Lin and said worriedly,

"But the rest of the Jianghu people are all masters of the innate realm, and those of us who are in the acquired and innate realms are not their opponents at all."

Lu Lin knew that he was no match for those who were chasing them, but he was very unwilling to just wait to be killed.

"What to do? Are we just here waiting to be killed? Huang

Xuemei looked at the people who were chasing them outside. She held Tianmoqin in her arms and said weakly, "You all will run away in a moment. I will give you the last chance to escape.""

"No, sister, you will die if you use the Tianmo Qin again."

"I can't do it even if I don't use the Tianmo Qin. Lu Lin, you all have to run away quickly. I don't know if I can kill these people."

"sister....."

"listen.....Be obedient, don't let me die with my eyes closed"

"I, I get it"

"Lu Lin, after escaping, you must go to Gusu City to find Lord Wu Xiang as soon as possible. Now you can onlyHe can save your life."

Huang Xuemei nodded after seeing Lu Lin's agreement. If Lu Lin and the others could escape to Gusu City, then that bastard Su Chen would definitely kill Lu Lin and the others for her sake.

At this moment,

Huang Xuemei was pursued outside. The Jianghu people started shouting and cursing outside the tea shop.

"Everyone who is irrelevant inside should get out, or we will kill you too in a moment."

After hearing this, the Jianghu people in the tea shop hurriedly ran out one by one. They were worried that if they didn't leave for a while, they, the Jianghu people with low strength, would also be killed.

Yang Tiexin also talked to Cha at this time. He fled the tea shop together with the Jianghu people inside.

He was very worried that the people outside would kill him too, but he did not find that the Jianghu people were killing him after escaping from the tea shop.

This made Yang Tiexin relieved. He looked at the carriage next to the tea shop and hurriedly left this place with a complicated expression.

After a while, Huang Xuemei and the others were the only ones left in the tea shop and Su Chen on the other side of the tea shop.

Su Chen and Black Widow were still resting and drinking tea calmly. They didn't care at all about the threats from the Jianghu people outside the tea shop. Outside the tea shop

, a Jianghu person looked at Su Chen and the others and was very worried. There were dozens of men in black guarding the noble young master, and those guards in black looked very powerful.

He hurriedly came to their leader and reminded them, "Master, it seems we can't mess with those people. Get up!"

"Um! Let's not mess with those people."

Chapter 648

Outside the tea shop, the Jianghu people who were chasing Huang Xuemei now looked at Su Chen and they were very wary. They did not expect that there would be these powerful guards on the other side of the tea shop. This time they were chasing Huang Xuemei and snatching the Tianmo Qin. I wonder if these people will intervene.

Lu Lin saw that the people in the tea shop were all scared away by the people who were chasing them outside. But just when he thought that the people who were chasing them outside were going to come in and kill them, Lu Lin suddenly discovered that those on the other side of the tea shop were No one left.

Lu Lin looked at the noble young master and his guards there, and felt that the noble young master was definitely not afraid of those who were chasing them this time, and he might be able to let the noble young master save them.

Lu Lin hurriedly pointed at Huang Xuemei and said to Su Chen

"Sister, look, there are still people over there who haven't left, and the noble young master's guards seem to be very powerful. Maybe we can let the noble young master save our lives this time."

"Huh?"

Huang Xuemei looked in the direction Lu Lin pointed at, and she found that the young master's back was very familiar. She must have seen him there before, but she couldn't remember why she was so familiar with this back.

"Sister, please wait here while I go to that noble young man to ask them to save us."

Lu Lin nodded to Dong Yuehua and Fu Yunjun next to him without waiting for Huang Xuemei's reply. He hurriedly ran towards Su Chen. Now the people who are chasing them can come in and kill them at any time. Lu Lin dare not delay any longer.

""Lu Lin"

Huang Xuemei saw Lu Lin running towards Su Chen and wanted to stop him, but Lu Lin seemed not to hear and continued running towards Su Chen. Huang Xuemei did not continue to stop Lu Lin.

Huang Xuemei didn't believe it. Those people will help them. The nobles are all selfish people. If there is no benefit to them, the nobles will not easily help them.

"stop!"

Just when Lu Lin was about to arrive at Su Chen's place, the secret guards suddenly stopped the approaching Lu Lin. The secret guards pointed their crossbows at Lu Lin one by one and threatened,

"Don't get me wrong, I just want to meet your young master."

"Don't come over without being summoned, go back"

"Dear brothers, I really need to see your young master for something. Please let me see you."

"return to!"

The secret guards did not pay attention to Lu Lin's plea. They threatened Lu Lin with expressionless faces. If Lu Lin did not retreat, the secret guards would really shoot Lu Lin without hesitation.

At this time, he changed his robes. Sun Buer and Mu Nianci also came back. When they saw Lu Lin being stopped by the secret guards, they were a little confused. Why did this Lu Lin come to Su Chen? Could it be that this Lu Lin came to ask for help?

Lu Lin saw These secret guards refused to let him pass. Even if he didn't leave, they might really shoot him, which made him very anxious.

When he found Mu Nianci coming, Lu Lin felt like he had found Mu Nianci. He hurriedly shouted to Mu Nianci like a lifeline,

"Miss, thank you for the knife wound medicine you just told me. But now my sister and I are in very danger. I want to ask this young man to save us. Miss, you are kind-hearted, please help us."

Mu Nianci is also very helpless now. Why does Lu Lin come to beg her again? Just now, she was cut off by Yang Tiexin because of her troubles. She will not be stupid and brainless again this time. Help Lu Lin

Mu Nianci knew how much she had. If she were strong, she would help Lu Lin, but she was a scumbag in the acquired realm.

Mu Nianci thought of what the noble young master said. She did not want to cause unnecessary trouble again.

Mu Nianci looked at Lu Lin and said helplessly, "I...I don't know that noble gentleman either, so I can't help you this time."

Lu Lin knelt down and begged Mu Nianci,

"Miss, please, my sister has been seriously injured, and those who are chasing us have been chasing us. If that noble gentleman doesn't save us this time, I'm afraid we will all die here."

Sun Buer was very speechless when she saw Lu Lin kneeling down and begging Mu Nianci. This Lu Lin is now convinced that Mu Nianci is kind-hearted. She doesn't want the apprentice she just received to do something stupid again.

Sun Buer Looking at Lu Lin, he drank to him,

"Boy, your sister is a big demon who kills without batting an eye. These feuds have nothing to do with us. When you are in the Jianghu, life and death are your own destiny. We will not help you."

Lu Lin was very angry when he heard what Sun Bu'er said. He didn't expect that Sun Bu'er actually thought that her sister Huang Xuemei was a murderer.

Lu Lin also thought that Huang Xuemei was a murderer when he didn't meet her, but after meeting her, After Huang Xuemei recognized each other, he knew that his sister Huang Xuemei was a kind-hearted person.

If those people hadn't wanted to rob the Tianmo Qin, his sister Huang Xuemei would not have gone on a killing spree to kill those Jianghu people who robbed the Tianmo Qin.

Lu Lin looked at Sun Fuji said sadly and angrily,

"Senior, my sister has never killed innocent people indiscriminately. Those people were killed by my sister because they wanted to snatch her Tianmo Qin. Even our whole family was killed by those people. Is it wrong for my sister to kill those people?"

"this....."Sun Buer did not expect that things would be like this, which made her feel that what she just said was a bit too much.

Lu Lin saw that Sun Buer believed his words, so he hurriedly said to Sun Buer,

"Senior, as long as we can save my sister this time, we don't want the Tianmo Qin. We have been hunted by those people for who knows how long for the Tianmo Qin. I don't want my only sister to die again."

Sun Buer looked at Lu Lin and found that Mu Nianci was tugging on her clothes. This made Sun Buer know that Mu Nianci still wanted to help this Lu Lin. Sun Buer shook his head and said to Lu Lin,

"well! You and I come here, as long as you can convince that bastard, your sister will be saved"

"Thank you, senior, thank you, senior." When Lu Lin heard Sun Buer's words, he hurriedly kowtowed to Sun Buer and thanked him.

"Get up and come with us"

"Yes, senior."

But just when Sun Buer was about to take Lu Lin over, the surrounding secret guards still didn't get out of the way. They all pointed at Lu Lin with their crossbows.

They didn't get Su Chen's order. It was impossible to let this unknown person get close to Su Chen, otherwise the secret guards would have failed in their duty. When

Sun Buer saw that the secret guards had not dispersed to make way when he was about to take Lu Lin over, This made her feel very embarrassed. She looked at the secret guards and ordered loudly,

"Get out of the way!"

The secret guards still didn't get out of the way. They all still looked at Lu Lin with expressionless expressions. They didn't even accept the crossbow.

"I told you all to get out of the way, didn't you assholes hear that?"

"Hahaha! Sun Buer, you are just a prisoner, why should my guards listen to your orders?"

Chapter 649

Sun Buer was very angry now. Su Chen's bastard guard didn't give her face this time, which made her lose face this time, especially when she found that Mu Nianci and Lu Lin looked at her even more. It made her feel ashamed.

Moreover, that shameless bastard Su Chen was still making sarcastic remarks and even told him that he was a prisoner. This made Sun Buer want to bite that bastard to death.

"Master, are you a prisoner? Were you caught by this noble young master?" Mu Nianci was very confused now. She looked at Sun Buer and asked doubtfully.

She had heard everything the noble young master said just now, and the guards here did not obey Sun Buer's orders. This made her feel that the master she just worshiped might really be a prisoner.

Just a prisoner, why doesn't he look like a prisoner?

Her master Sun Buer didn't look like a prisoner at all, and even the noble prince seemed unwilling to offend her master. Mu Nianci can't figure out what's going on now.

"No, don't listen to that bastard's nonsense."

Sun Buer doesn't want Mu Nianci to know that she is a prisoner now. These things have already made her feel embarrassed enough.

If she lets Mu Nianci know that she was captured by Su Chen again, I am afraid that she, who has just been captured, will be very disappointed.

Lu Lin was also very confused now. He looked at Sun Buer and then at Mu Nianci. He couldn't figure out what was going on. He now hoped that the noble young master You can see him so that he can save his sister Huang Xuemei and the others.

"Asshole, get these damn guards of yours to stand down." Sun Buer looked at Su Chen and cursed angrily,

"Damn it, Sun Buer, you have to pay attention to your identity. If you continue to scold me, be careful that I won't let you go at night."

Su Chen was very helpless when he heard Sun Bu'er. If a man dared to scold him like this, Su Chen would have cut him into pieces. When Su Chen looked at Sun Bu'er, he felt that this Taoist nun was getting more and more arrogant. She became more and more arrogant.

Now that Sun Buer didn't regard her as a prisoner at all, was she going to be the hostess?

Thinking of this, Su Chen shuddered and shrank his head. This Taoist nun is unworthy! This Taoist nun is really unworthy.

When Sun Buer heard the words of Su Chen, the shameless pervert, his face turned red and he cursed, "Shameless pervert, get your guards back quickly."

Su Chen waved his hand to let the guards go down and then lay down on the table. He didn't want to provoke Taoist Aunt Sun now. As long as Sun Bu'er told him about the mountain where the treasure was hidden, Su Chen would let Taoist Aunt Sun leave him immediately.

"Young Master, please save us. I will repay you in the future." When Lu Lin came to Su Chen's side, he knelt down and begged Su Chen,

"oh?"

"Young Master, we will also give the Tianmo Qin to you, as long as you can save the four of us."

"laugh!"

"Really, Master, as long as you save us, the Tianmo Qin will be yours from now on."

"What is the use of the Tianmo Qin? I damn can't play the piano." Su Chen was very speechless when he looked at Lu Lin.

He wanted the Tianmo Qin to be of no use.

Besides, the Tianmo Qin can have the greatest effect in the hands of Huang Xuemei.

If a man wants a piano, is he going to be a fake?

See Lu Lin. He didn't even want the noble young master Tian Moqin, which made him feel very helpless. He looked at Su Chen and said incoherently,

"You can give me anything you want, as long as we have it, we can give it to you. Su

Chen looked at Lu Lin and smiled strangely and said, "Your sister is pretty good. If she is willing to stay with me for a month, I can save you this time."

"shameless bastard"

""Shameless pervert"

Sun Buer and Princess Chai were speechless when they heard Su Chen's words. This shameless pervert is really stubborn and he is taking advantage of the situation.

Now those four people are in danger. If the four of them If you don't want to die, you can only agree to the request of this bastard Su Chen. I'm afraid this shameless pervert has been distracting that pretty girl early in the morning.

"What? This is impossible and I will not agree to this."When Lu Lin heard Su Chen's words, he immediately refused.

He would not use his sister as a bargaining chip. Even if they were all killed this time, Lu Lin would not use his sister to survive.

Su Chen laughed After smiling, he picked up the tea cup and said to Lu Lin, "Forget it if you don't agree, I won't force you."

Su Chen heard that Lu Lin refused directly. This made him feel that this boy was not bad. At least he did not abandon his sister when the disaster was approaching.

He did not even trade his sister for the only chance of survival. This made Su Chen He was a little impressed by this boy.

Lu Lin suddenly thought of the Wu Xiangjun his sister Huang Xuemei talked about. He hurriedly said to Su Chen, "Master, my sister's man is Wu Xiangjun. As long as you save us this time, in the future, Mr. Wu Xiang will definitely thank you."

Pfft!

Ahem!

Su Chen was shocked by Lu Lin's words.

When did he and Huang Xuemei get close?

How could Huang Xuemei be her woman?

Su Chen had only met Huang Xuemei a few times and didn't even speak. A few words later.

How could she be his woman?

Su Chen looked at Lu Lin speechlessly. Who told him these things? Why did he say that he was his sister Huang Xuemei's man for no reason? This is He wanted to ruin his sister's reputation.

Princess Chai and Sun Buer also looked at Lu Lin in surprise.

How could Su Chen have a relationship with that beautiful woman?

If that bastard beauty was Su Chen's woman, he How could they be sitting here leisurely drinking tea?

They didn't believe what Lu Lin just said, and even thought that Lu Lin was deceiving Su Chen to save the four of them.

Mu Nianci was very helpless now. This time Your young master just sprayed tea all over her. No wonder her master asked her to sit here just now.

Mu Nianci looked at Su Chen and wiped the tea from her clothes. She did not dare to be as angry as her master with this young master..

When Lu Lin saw the surprised look on the noble young master's face, he was worried that he didn't believe what he said. He hurriedly continued to say to Su Chen,

"Young Master, what I said is true. My sister is Wu Xiangjun's woman. They have known each other since the Sui Dynasty, and they even made a private agreement for life. If Young Master saves us this time, my brother-in-law will definitely be in trouble in the future. Thank you for your."

Princess Chei couldn't help but burst out laughing. This time she was so happy by what Lu Lin said. She didn't expect that this kid actually called her brother-in-law.

Although she thought it was Lu Lin who was talking nonsense. , but this time is a good opportunity to attack the bastard Su Chen. Princess Che will not give up the good opportunity to laugh at Su Chen.

"Hahaha! Shameless bastard, since that beautiful woman is Wu Xiangjun's woman, if you save her this time and you will be very successful, why don't you go and save these four people? This is a small thing for you anyway."

Chapter 650

Su Chen was completely helpless now. What the hell was this Lu Lin talking about? He really had nothing to do with Huang Xuemei, but this bastard even called his brother-in-law.

Is this really his fucked up dog?

He, a genuine Wu Xiangjun, was right in front of him, and this bastard asked him to go to Wu Xiangjun to collect the reward after rescuing them?

What is this thing about?

There is also Widow Chai, a widow who has been seeking death. It seems that she really cannot be let go tonight.

If we don't teach this ignorant Chai Widow a lesson, I'm afraid she will jump to heaven in the future.

Su Chen thought that Huang Xuemei might not be able to hold on for long. If she didn't save her, Huang Xuemei would really die.

Su Chen took out a red fruit from the system space. The spiritual energy in the red fruit was copied into the red fruit. As long as she Even those who are not powerful would not be able to see what is special about Zhu Guo.

When Su Chen got the Zhu Guo for the first time, the spiritual energy was not sealed, but all the Zhu Guo he got in the future were sealed. Maybe the system was worried that the Zhu Guo spiritual energy would disappear from the Zhu Guo.

He looked at the red fruit and handed it to Lu Lin and said,

"Give this to Huang Xuemei to eat. Lu

Lin looked at this fruit-like fruit and asked doubtfully,

"What's this?"

"Just think of it as a piece of fruit. You will understand after your sister eats it."

"Then can you save us?"

"After Huang Xuemei eats it, I will save you."

"Isn't this fruit poisonous?"

"You can stay if you don't want to eat, I won't force your sister to eat."

Sun Buer was very surprised when she saw that Su Chen actually gave this boy a Heaven and Earth Spirit Fruit.

She had heard Lin Chaoying talk about this kind of Heaven and Earth Spirit Fruit. One Heaven and Earth Spirit Fruit can make people... A Grandmaster breaks through to a Great Grandmaster.

But why would Su Chen be so generous and give this boy a Heaven and Earth Spirit Fruit to save his sister?

Could it be that this shameless pervert really knows that beautiful woman?

Even that beautiful woman is really him A bastard's woman?

Sun Buer shook his head and felt that she was overthinking it.

If that beautiful woman was this bastard's woman, I'm afraid he, the bastard, would have saved her long ago.

The most likely thing now is that this shameless pervert really likes her That beautiful girl.

Sun Buer saw the silly boy still didn't believe it and reminded him, "Boy, if you want to save your sister, please let your sister eat this red fruit quickly. You are really a stupid boy."

When Lu Lin heard Sun Buer's words, he felt that this fruit might be unusual, otherwise the senior would not have reminded him like this.

He hurriedly saluted Sun Buer and said,

"Okay, I'll go over and let my sister eat it now."

Su Chen saw that Lu Lin didn't believe him, and thought he was giving him a poisonous fruit. This made Su Chen very speechless.

This Lu Lin is really a fool. Now that Huang Xuemei is dying, he can still use it. Are you going to poison Huang Xuemei?

And Sun Buer, the nosy Taoist nun, how did she know that Zhu Guo was the one who saved people? Who told Sun Buer, the Taoist nun Zhu Guo, about Zhu Guo? Could it be Lin Chaoying

?

That crazy woman? Only Lin Chaoying has been close to Sun Buer, so it seems that she can't be wrong.

Su Chen looked at Sun Buer and wanted to know if his guess was correct, but he saw that Sun Buer didn't want to talk to him. He took a sip of tea angrily.

Is this Taoist Sun really fucked up? He is now completely helpless towards Sun Buer.

Sun Buer just saw Su Chen looking at her, and she was very nervous. Lin Chaoying told her what happened, and she also promised not to tell anyone.

Although she didn't reveal anything about the Heaven and Earth Spirit Fruit this time, she was still very worried about what Su Chen would find. She could only pretend to be nonchalant now. She was talking to Mu Nianci.

After Princess Chai saw Lu Lin taking Zhu Guo to Huang Xuemei, she found that Huang Xuemei had vomited blood again and even closed her eyes motionlessly now. This made her Looking a little confused,

Princess Che looked at Su Chen and asked curiously,"You bastard, you didn't really give a poisonous fruit to that beautiful woman to eat, did you?"

"Idiot woman!"

Su Chen glanced at Widow Chai when he heard what she said.

Su Chen didn't expect that Princess Chai was also a fool. Why would he poison Huang Xuemei when she was half-dead?

If he wanted to kill Huang Xuemei, he could just sit down and kill her. Huang Xuemei would belch after waiting here for a while. Could she use poison to kill Huang Xuemei?

When Princess Che heard Su Chen insulting her, she angrily punched Su Chen.

"Shameless pervert, I will fight you."

Su Chen was happy when he saw that Commander Che was going to beat him. Widow Chai really cares about eating but not beating. A little scumbag who is born in the world is here to abuse her.

Su Chen grabbed Widow Chai's attacking hand and hit him Pull, Widow Chai was pulled into her arms by Su Chen.

Su Chen hugged Widow Chai tightly and smiled and said, "Be more honest or I'll deal with you now.""

"Let me go, you shameless pervert." Princess Chai was stunned when Su Chen pulled her over and hugged her.

Now that she remembered that she was no match for this bastard, she twisted her body and was about to struggle out of Su Chen's arms.

Su Chen touched Widow Chai Blushing with embarrassment, he smiled and said, "Dream, you threw yourself into the trap, why should I let you go?"

""Shameless"

Princess Che has no choice now. If this shameless pervert doesn't let go of her, she won't be able to break free, and the girls next to her won't be able to help her. This is really her own trap in the hands of this pervert..

Mu Nianci saw that Su Chen was bullying Princess Che, but the other women here did not help Princess Che, which made her very confused. She saw that Princess Che was a nobler man than this one. She is much older. Although Princess Che is mature, beautiful and very charming, they don't seem to have that kind of relationship as husband and wife, right?

Moreover, Princess Che is also very angry at this noble young master holding her, but Neither the master nor the charming woman helped Princess Che, which made her curious about the relationship between these people.

Mu Nianci looked at Princess Che and asked curiously, "Master, who are that woman and this noble young master?" relation?"

"Concubine, Miss Chai is this bastard's concubine." Sun Buer was very speechless when she heard Mu Nianci asked about the relationship between Su Chen and Princess Che. Now she can only deceive Mu Nianci.

Could it be that she told her that Princess Che was the woman who was captured and humiliated by Su Chen? ?

Even Su Chen killed her husband and son, and also used other widows of the Yang family to threaten Princess Chei to serve this shameless pervert.

How could these Sun Buer tell Mu Nianci?

And himself too She has an sworn hatred with this bastard, and it is even more impossible for her to tell Mu Nianci now.

"Concubine?"
