Chapter 651

Mu Nianci was very surprised when she heard what Sun Buer said. A woman of such an age was actually the concubine of this noble young master? It seems that this noble young man is a lecher.

But why would the master be with such a person?

Mu Nianci couldn't understand any of this.

Princess Chai was very embarrassed after hearing the conversation between Sun Buer and Mu Nianci. But she thought of her current situation. This might be Sun Buer's best explanation. Otherwise, if Sun Buer told the truth, She really didn't have the face to face Mu Nianci, a stranger.

Su Chen didn't care about the old Taoist nun Sun Buer's nonsense. He just wanted to wait for Huang Xuemei to recover from her injury and leave here. The treasure of the Golden Kingdom was the top priority, and he didn't want to waste time here.

Northwest of the Great Yuan Dynasty, this is the territory that the Great Yuan Dynasty just occupied the Ming Dynasty not long ago. Although the Great Yuan army conquered this land, the resistance here has not disappeared. Whether it is people with lofty ideals among the people or people in the Jianghu, they have been Resist the rule of Dayuan.

In an ordinary small town, many Jianghu people come and go here. These Jianghu people are all preparing to destroy the Ming Cult of the Western Region and seize the Dragon Slaying Sword.

This time, the six major sects took action against the Ming Cult at the same time. They wanted to destroy the Demonic Cult, which was killing Jianghu people everywhere.

In a teahouse, a handsome young man was sitting here with more than a dozen of his subordinates, drinking tea. The handsome young man smiled while looking at the people coming and going in the town.

An old man next to him looked at the teahouse. To the people outside, he saluted this handsome young man and said,

"Princess, it seems that the six major factions are preparing to dispatch the Ming Cult. This time, the princess's strategy seems to have been successful."

This handsome young master is Princess Zhao Min of the Great Yuan Dynasty. Ever since Zhao Min captured this northwest land in the war with the Ming Dynasty, the Jianghu people here have always been against her.

Zhao Min hates the Jianghu people here. It goes to the bone that if these Jianghu people's sects were not in the high mountains, and some Jianghu sects were even still in the Ming Dynasty, Zhao Min would have sent an army to destroy these Jianghu sects.

Zhao Min smiled and said while drinking tea,

"hehe! It's not considered a success yet. Although the six major sects have formed an alliance to destroy the Ming Cult in the Western Regions this time, the fire is not enough. All the people who come here are some small-timers, and none of the real masters have come. It seems that Cheng Kun needs to put in more efforts.."

The deer stick guest of the two elders Xuan Ming said to Zhao Min cautiously,

"Princess Cheng Kun's origin is unknown. Although he has taken refuge with the princess, we must be on guard against him."

Zhao Min stood up and walked to the window, fanned herself with a folding fan and said with a smile,

"Well, I know that, but Cheng Kun is very familiar with Mingjiao. I even suspect that Mingjiao may have sworn hatred with Cheng Kun. This is what we need."

"The Mingjiao is a serious problem in our Yuan rule here. If we can use the six major sects to destroy the Mingjiao this time, Cheng Kun will be useless. We can deal with him later."

"Princess Shengming!"

At this time, a guard hurriedly came to Zhao Min and saluted, "For Princess Princess, a secret message from Chang'an City of the Song Dynasty."

"bring here"

"Yes, the princess."

Zhao Min took the letter from the guard and hurriedly read it, but her face turned ugly as she read it. Zhao Min gritted her teeth and tore the letter into pieces. She watched it being torn into pieces. The letter made my face turn red with anger.

【That shameless bastard Suchen!】

【That bastard actually included Dayuan's army that attacked Chang'an City and the army he sent to protect him?】

【What does that damn bastard want to do?】

【Isn't he afraid that Dayuan will launch a war against him?】

【Shameless! That bastard is so shameless. Is he trying to force himself to rebel against Dayuan?】

【Damn bastard! 】

Zhao Min is very angry now. She did not expect that Su Chen would do this. This disrupted all her plans. Now she is not interested in dealing with any Jianghu sect or Mingjiao.

That bastard Su Chen caused such a big trouble. I'm afraid those people in Dayuan Capital will not let that bastard go. Zhao Min is now worried that Dayuan will launch a war against Su Chen's forces at all costs.

Zhao Minrou rubbed his head and thought about how to help that bastard prevent the Yuan Dynasty from launching a war against him.

But this time I'm afraid it will be a little difficult.

After all, the 300,000 Yuan troops were recruited by that bastard. The Yuan Empire has lost its face, and the ministers in Dadu will probably not let that bastard go.

"Princess, what happened?" Xuan Ming and his wife were very worried when they saw Princess Zhao Min's angry look. They looked at each other and asked Zhao Min cautiously.

Zhao Min slammed the table angrily and said,

"It's not that bastard Wu Xiangjun. That bastard not only deceived the army I sent to protect him, but also deceived that idiot Zayadu's army. Now the Yuan army of more than 300,000 people has been deceived by that The bastard has been taken in. This time the bastard is fighting to the death with the Yuan Empire."

"What? Wu Xiangjun actually recruited more than 300,000 troops from the Yuan Dynasty? But how is this possible? Are all the generals of the Yuan army idiots? How could they take refuge in Lord Wu Xiang?"

Xuan Ming and some of the masters protecting Zhao Min were very shocked when they heard Zhao Min's words. These masters all know the relationship between Princess Zhao Min and Lord Wu Xiang, and Princess Zhao Min may even be the wife of Lord Wu Xiang in the future.

But how did Wu Xiangjun recruit more than 300,000 Yuan troops in one go? This made them all confused.

How could the generals of the Yuan army allow Wu Xiangjun to recruit their troops?

This was The more than 300,000 Yuan troops are not an army of 300 or 3,000 people. Are the more than 300,000 Yuan troops no longer fighting for the Yuan Empire?

And what is the charm of Lord Wu Xiang? How can he Is it possible to conquer more than 300,000 Yuan troops at once?

Zhao Min sat down again and said helplessly,

"How is this impossible? That bastard has the troops that I support him with, plus that bastard's shameless conspiracy. He may even be using my name to cheat. It's easy for that shameless bastard to control those armies."

"Zayadu is an incompetent fool. I'm afraid Zayadu was betrayed by that bastard Su Chen. That idiot even helped that bastard Su Chen count the money."

Zhao Min can only think of ways to help that shameless bastard now, who told her to fall in love with that bastard.

But now I'm afraid Da Yuan Dadu has also got the news. If he wants to help that bastard, he can only start a war so that Da Yuan can't take care of it now Su Chen, otherwise the Emperor of the Yuan Dynasty and the nobles would not have been indifferent to this matter.

But which country should we attack?

Chapter 652

In the Central Capital of the Kingdom of Jin, just when Princess Zhao Min was worried about Su Chen,

Su Chen had already arrived in the Central Capital of the Kingdom of Jin.

After seeing that Huang Xuemei was about to recover from her injury, he quietly left the tea shop with Black Widow and Princess Chai..

Su Chen knew that after Huang Xuemei recovered from her injuries, with her master's level of cultivation, the Jianghu people who were chasing them were no match for her.

Su Chen was also afraid that Huang Xuemei would expose himself if she recognized him. Besides, Su Chen didn't want to meet Huang Xuemei at this time. This time, he felt that the fewer people who knew about the Golden State Treasure, the easier it would be to keep it secret.

He doesn't want to cause unnecessary trouble this time. Even if he causes anything again, I'm afraid his women won't let him wander around anymore.

But what Su Chen didn't know was that Huang Xuemei and the others also came to Jin Kingdom's Zhongdu.

After Huang Xuemei recovered from her injuries, she easily killed the Jianghu people who were chasing them.

After Huang Xuemei learned that the noble young master who rescued her had left quietly, she took Lu Lin and the others to Zhongdu of the Kingdom of Jin.

Huang Xuemei was very interested in the noble young man who rescued her.

She felt more and more that the noble young master knew her, and she was very familiar with the young master's back. They must have known each other.

But why did that noble young man want to leave?

This made Huang Xuemei unable to guess.

On the streets of Zhongdu in the Kingdom of Jin,

Lu Lin saw his sister Huang Xuemei looking around on the street, and he asked Huang Xuemei,

"Sister, are you looking for that noble gentleman?"

Huang Xuemei stopped and nodded. She looked at Dong Yuehua and Fu Yunjun next to her and said to Lu Lin,

"Yes, that noble young master must know me, otherwise that precious spiritual fruit would not heal me so easily"

"A precious spiritual fruit not only completely healed my injuries, but also brought my cultivation level to the peak of a master. If he wasn't a familiar person, how could he heal me with that precious spiritual fruit?"

Lu Lin was also very confused. In the tea shop, the noble young master took the people away before his sister recovered from her injuries.

Lu Lin thought that the noble young master was lying to him not to save them, but he did not expect that the noble young master would. As soon as he left, his sister Huang Xuemei suddenly recovered from her injuries.

This made Lu Lin know that the spiritual fruit that the noble young master gave him was a holy medicine for healing. But why did the noble young master leave without seeing her sister? This made Lu Lin not even think about it now. I want to understand.

Now that Lu Lin heard what his sister Huang Xuemei said, he also felt that the noble young master might really know her sister, but why didn't he recognize her sister? This was also something Lu Lin couldn't understand.

"Did your sister remember who he was?"

"No"

"It seems that we can only know whether the noble young master knows my sister after we meet him. It's also my fault that I didn't ask the noble young master's name at that time, otherwise my sister would know who the noble young master is."

"hehe! It doesn't matter, we will see you if we are destined."

Huang Xuemei smiled and didn't care. She had already made some guesses about the noble young master Lu Lin mentioned before, but she was not very sure whether it was him yet.

Dong Yuehua and Fu Yunjun next to her now looked like two different people. They were like transparent people.

After Huang Xuemei recovered from her injuries in the tea shop, they came to Jin Kingdom Zhongdu without stopping.

Dong Yuehua and Fu Yunjun both felt that they should not come to Jin Kingdom Zhongdu, but Huang Xuemei didn't care about their opinions at all, which made them They were very helpless and continued to follow the Huang Xuemei siblings.

Dong Yuehua wanted to seize the Tianmo Qin for the master's order, so it was impossible for her to leave Huang Xuemei.

And Fu Yunjun was even more impossible to leave Huang Xuemei. He was deeply in love with Huang Xuemei, and after knowing that Huang Xuemei and Wu After getting to know Xiangjun, he was now worried that Huang Xuemei would be deceived by Wu Xiangjun, but Fu Yunjun would not let Huang Xuemei be deceived by that playboy.

In an inn in Zhongdu,

Su Chen and Sun Buer were sitting They stared at each other with big eyes and small eyes. They had been like this for a while, but now no one spoke first.

Su Chen stared at Sun Buer for a while, rubbed his eyes and said to her,

"Sun Buer, aren't you pushing your limits? I didn't kill you because Wang Chongyang told me about the treasure of the Kingdom of Jin. Now that we have arrived in Zhongdu of the Kingdom of Jin, you not only don't tell me where the mountain where the treasure is located is, but you even threaten me. Do you think it's possible to give your apprentice a red fruit before telling me?"

"I think it's possible!"

Sun Buer also rubbed his eyes and drank tea and said leisurely.

Su Chen slammed the table and said, "Maybe, aren't you afraid that I will kill your apprentice now?"

"So will you?"

Sun Buer put down the tea cup and looked at Su Chen in disbelief.

Sun Buer knew something about Su Chen. Although this shameless bastard was not a good person, he would not kill innocent people indiscriminately. Evil man.

She thought that if this bastard hadn't been her family-killing enemy, maybe they would have become good friends. It was just fate that made them enemies of life and death.

Su Chen pointed at Sun Buer angrily and cursed, "I, he Yes! You damn Taoist nun, why don't you die?"

"Mr. Wu Xiang, if I die, your golden treasure will be wasted. Isn't it just a red fruit? The beautiful woman in the tea shop you gave me before never saw you so stingy."

"I'll do it! Can this be the same? I owe that Huang Xuemei a promise, and I still promised it this time. How can you compare with her?"

"laugh! Do you think I believe it? Maybe you see that Huang Xuemei is very beautiful, and you shameless pervert will have your designs on that Huang Xuemei."

"If I had Huang Xuemei's idea, how could I leave first?"

"You are playing hard to get. Maybe Huang Xuemei will leave without saying goodbye after seeing you saving her. From now on, if she meets you in Zhongdu, she will definitely have a good impression of you. You shameless pervert has a good plan."

"I'll do it! You, this damn Taoist nun, have such a rich imagination."

Su Chen is completely helpless towards this Sun Bu'er now, it's his fault!

It's a pity that Sun Bu'er's imagination doesn't serve as a catcher, this damn dead Taoist nun.

I'm afraid if I don't give her a red fruit now It won't work anymore.

I don't know how Mu Nianci was fooled into becoming her disciple by this dead Taoist nun.

Just because she is a scumbag with an innate realm, she still wants to accept a disciple. This dead Taoist nun is not afraid of misleading others.

"Wu Xiangjun, will you give it or not?"

"Here, I'm really fucking impressed with you."

Chapter 653

Su Chen finally gave Sun Buer a red fruit, but Su Chen also put down his harsh words. He had chosen Sun Buer's apprentice Mu Nianci. This was considered a love gift that he mentioned.

Su Chen was very happy when she saw Sun Buer's gloomy face. The dead Taoist nun deserved her punishment. Su Chen thought that Sun Buer might leave without saying goodbye tomorrow morning. After all, she was very worried about her taking action against Mu Nianci..

When Su Chen returned to his room, he asked the secret guard to send him a map of the Kingdom of Jin. He looked at the map of the Kingdom of Jin and looked for the Wuling Mountain that Sun Buer told him. Wuling Mountain is where the treasures of the Kingdom of Jin are buried. The place.

Su Chen looked at the map of the Kingdom of Jin for a while and then angrily slapped the table and said, "Damn it, why is there no Wuling Mountain on this map? Could it be that the dead Taoist nun deliberately lied to him? But this is impossible?"

Su Chen searched the map and found no Wuling Mountain near Jinguo Zhongdu. This made Su Chen feel that he had been deceived by that dead Taoist nun Sun Buer.

But when he thought about it, Sun Buer's expression didn't look like he was deceiving him. Then why was Wuling Mountain not found on the map of the Kingdom of Jin?

"Someone come!"

"Your Majesty"

"Send someone to Zhongdu Street to find out if there is a big mountain called Wuling Mountain near Zhongdu."

""Yes, Your Majesty."

After Su Chen saw the secret guard leaving, he wanted to go to Sun Buer's place to ask, but he saw that it was getting late, and going now would definitely be misunderstood, so Su Chen would go early tomorrow morning. Damn that dead Taoist nun Du Sun Fuji.

While drinking tea, Su Chen thought of what he had ordered the Black Widow to do.

"Black Widow went to Wanyan Honglie's mansion to steal the precious snake, but I don't know if there is still that precious snake in this mixed martial arts world. I hope Black Widow will not return empty-handed."

Su Chen suddenly hit the table and thought of Widow Chai,

"Um! There is also Widow Chai. I almost forgot about the arrogant Widow Chai. Now that she has nothing to do, she is angry and teaches Widow Chai a lesson."

After a while,

Su Chen came to Widow Chai's room.

When Su Chen walked into Widow Chai's room, he found Princess Chai holding a long sword and staring at him warily.

Princess Chai saw this shameless The bastard actually came to her room, which made her very nervous. She had made this bastard angry today, and she was afraid that she would fall into the hands of this bastard again.

Princess Che took her long sword and He yelled at Su Chen, "Shameless you!.....What are you doing here? Get out of here quickly.

Seeing Widow Chai's nervous look, Su Chen smiled and said, "Aren't you asking questions knowingly?" Widow Chai, you are very arrogant today, why? Are you scared now?"

"Shameless pervert, get out of my room. Princess Che took the long sword and pointed it at Su Chen and threatened.

Su Chen gently pushed away the long sword pointed at him and said mockingly, "Do you think it's possible?" Concubine!"

"Get out, or I'll kill myself!"

Su Chen was very speechless when she saw Widow Chai holding the sword on her neck.

Widow Chai is really a fool.

Can she threaten herself like this?

Has she forgotten the widows in Chang'an City?

Su Chen looked at Widow Chai's serious look, sat down, poured a cup of tea and said,

"It's up to you, but don't forget the widows of the Yang family in Chang'an City. If you commit suicide, I think the widows of the Yang family will be worse off than dead. If you want to commit suicide, commit suicide as soon as possible."

Princess Chea was very angry when she heard what this shameless bastard Su Chen said. She threw her sword to the ground and cursed angrily,

"Despicable, shameless, you are a despicable and shameless bastard. Su

Chen threatened Widow Chai while drinking tea and said, "Scold me, scold me. I'll see if you still have the strength to scold me!"

"Damn it, you shameless bastard, why don't you die?"

"laugh! Even if you die, I won't die. Don't forget that you are much older than me."

Princess Cheshire looked at this shameless bastard and had nothing to do with him. Now that this bastard has defeated her, there is nothing she can do to resist this bastard.

Princess Cheche stared at this bastard in despair. Today she is going to do it again. I'm going to be humiliated by this shameless pervert

""Master"

At this moment, the Black Widow's voice came from outside the room.

Su Chen was very speechless when he heard the Black Widow's voice. Now that he had almost finished Chai Widow, he did not expect that the Black Widow would come to disturb him at this time.

"Black Widow, what's going on?"

Black Widow curled her lips when Su Chen didn't let her into the room. She guessed that Su Chen must be doing something with Widow Chai, but she didn't mean to disturb Su Chen this time. What happened in Wanyan Honglie's Mansion Black Widow believed that Su Chen would be very interested, so

Black Widow said to Su Chen outside the door, "Master, something happened in Wanyan Honglie's Mansion, Master, do you want to go take a look?"

"oh? What happens in Wanyan Honglie's mansion is none of our business, I have no interest in seeing all that mess."

Su Chen now feels that Black Widow came to disturb him on purpose this time. What happened in Wanyan Honglie's Mansion has nothing to do with him. Su Chen is not interested in those silly things in Wanyan Honglie's Mansion.

"The master is Mu Nianci's adoptive father who appeared in Wanyan Honglie's mansion. He seems to be fighting over his biological father and adoptive father."

"Confrontation? That Yang Tiexin is just an acquired scumbag. Why should Wanyan Honglie confront him?"

"hehe! The master, Wanyan Honglie's wife, was being held hostage by Yang Tiexin. For the sake of his wife, Wanyan Honglie did not dare to let his men kill Yang Tiexin."

Su Chen understood now. It turned out that Yang Tiexin had gone to Wanyan Honglie's mansion today. It seems that he had really known that his wife was in Wanyan Honglie's mansion for a long time.

This time there was no Mu Nianci competing for marriage, and there was no Guo Jing. Huang Rong's help, Yang Tiexin is looking for death this time.

Yang Tiexin sneaked into Wanyan Honglie's house secretly this time. I'm afraid that after being discovered, he pretended to hold his wife hostage first, so that Wanyan Honglie might not take action against him, but Yang Tiexin The intention is sinister.

Su Chen thought about it and decided to go and have a look. It was still early anyway, and it would not be too late to teach Widow Chai a lesson after seeing it.

Su Chen touched Widow Chai's shy and angry face and said with a smile,

"Widow Chai, you are lucky this time, but I will still come back. Just wait here for me to come back."

"Wait, I'm going too!" Princess Chei was originally very angry when Su Chen, a shameless pervert, touched her face.

But she suddenly thought of Yang Tiexin who abandoned Mu Nianci, and she also wanted to see what happened to Yang Tiexin, who was greedy for life and afraid of death. What was he doing in Yan Honglie's mansion?

A Jianghu man went to the sixth prince's mansion of Jin Kingdom and kidnapped the princess. Princess Che was also very curious about this matter.

"what are you going to do?"

"Why can't I go? That damn Yang Tiexin, I want to watch him die, but can't I?"

Chapter 654

In the Kingdom of Jin, the Sixth Prince Wanyan Honglie's

Mansion was in a mess. Soldiers holding torches were everywhere, besieging the backyard of the palace.

In the backyard, Yang Tiexin was holding a spear in one hand and a beautiful woman in the other, looking around nervously.

Wanyan Honglie was very angry when he saw a dirty Jianghu man holding his wife hostage. He now wanted to kill the guards who were guarding the palace today.

Not only did these guards fail to protect the palace properly, they even allowed this dirty charlatan to hold his princess hostage. This made Wanyan Honglie's face turn black with anger.

Wanyan Honglie looked at this Jianghu man and tried to persuade him,

"This good man, if you want money, I can give it to you, and I can even let you leave safely. As long as you let my wife go, I can agree to all your conditions."

"Wanyan Honglie, haven't you recognized me at this time? Have you forgotten what happened in Niuji Village eighteen years ago?" Yang Tiexin looked at Wanyan Honglie and was very angry.

His beautiful wife had been humiliated by this Wanyan Honglie for eighteen years. This made Yang Tiexin's heart bleed with anger.

"It's you! You are that Yang Tiexin, I didn't expect that you didn't die." Wanyan Honglie listened to Yang Tiexin's words and looked at him carefully. He didn't expect that Yang Tiexin was not dead, but found him in the palace, and now he was holding Bao Xiruo hostage.

Yang Tiexin recognized Wanyan Honglie when he saw him, he laughed crazily and said,

"Ha ha! Are you surprised that I'm not dead? Do you regret not killing me now?"

"I don't know what you are talking about, Yang Tiexin, let go of my wife quickly." Wanyan Honglie looked at the crazy Yang Tiexin and felt that he had gone crazy. He was now very worried about Bao Xiruo's life safety. This abnormal Yang Tiexin was too dangerous now.

Yang Tiexin tensed up when he heard Wanyan Honglie's words. She hugged Bao Xiruo tightly and cursed, "Your wife? This is obviously my wife. Wanyan Honglie, you are still a majestic King of Jin, but you can even do things like robbing civilian girls."

Bao Xiruo now looks like she has no love left. She didn't expect that Yang Tiexin was not dead and found this place eighteen years later. But she was already married to Wanyan Honglie, even in the past eighteen years. Wanyan Honglie took great care of her. Even Yang Kang, who was not his biological son, he treated her like his own son.

Now that Yang Tiexin appeared, her heart was in chaos. Bao Xiruo didn't know whether to leave with Yang Tiexin or stay. Here.

She watched the confrontation between Yang Tiexin and Wanyan Honglie without making any sound. Now she just hopes that this matter can be resolved peacefully.

But her heart has died after being held hostage by Yang Tiexin. Bao Xiruo is like The puppet was like a puppet without a trace of soul.

Seeing Bao Xiruo's lifeless eyes, Wanyan Honglie cried out distressedly, "Yang Tiexin, let my wife go quickly. Back then, Xiruo thought you were dead, but she has already married me. Xiwei will have nothing to do with you from now on. Yang

Tiexin stared at Wanyan Honglie and said sadly,

"All of this was caused by you. If you hadn't appeared, would I have separated from my wife? Does my wife think I'm dead?"

"Bastard, let go of my wife quickly. We can resolve our personal grudges ourselves. This has nothing to do with cherishing weakness."

"Hahaha! Wanyan Honglie, you despicable villain, do you think I will believe you? Your guards and troops are everywhere here. Do you think I am an idiot? Quickly make way for us to leave, otherwise we will die here together."

Wanyan Honglie had no choice. Yang Tiexin was crazy now. For Bao Xiruo's safety, Wanyan Honglie had to let this bastard Yang Tiexin leave. He looked around and ordered loudly,

"Get out of the way, get everyone out of the way, let them go."

At this time,

Yang Kang hurried over with his men. When he saw Wanyan Honglie, he hurriedly asked,

"Father, how is my mother?"

"Kang'er, your mother is fine now." Wanyan Honglie comforted him when he saw Yang Kang arriving, and Yang Tiexin knew that this man was his son when he saw Yang Kang. Bao Xiruo was already pregnant when his accident happened, and Yang Kang's age was also right. ,

Yang Tiexin looked at Yang Kang and shouted hurriedly, "Kang'er, you are my son, Wanyan Honglie is not your father at all, I am your father"

"What? Are you my biological father? Then why did you hold my mother hostage?"

When Yang Kang heard that this dirty old man was his biological father, it was very difficult for Yang Kang to accept.

After Yang Kang was kidnapped by Wu Xiangjun and redeemed by his father Wanyan Honglie, her mother told Yang Kang Regarding his true life experience, even Wanyan Honglie admitted that Yang Kang was not his biological son.

Yang Kang knew that it was her mother who asked him not to forget everything Wanyan Honglie had done for him. Wanyan Honglie never treated him badly and always regarded him as his biological son. Treat her like a son, and even respect her mother Wanyan Honglie very much.

But now Yang Tiexin's appearance is really difficult for Yang Kang to accept, not to mention that this biological father is holding his mother hostage, which makes Yang Kang look at Yang Tiexin very It's complicated.

The next time,

Su Chen, Black Widow, and Chai Widow appeared on a roof watching the family farce below. They just needed popcorn and melon seeds, otherwise the three of them would have enjoyed watching it even more.

Black Widow looked at Yang Tiexin and asked Su Chen,"Master, do you think that Wanyankang will recognize that damn old man Yang Tiexin?"

Su Chen is also very strange now. Yang Kang actually knows that he is not Wanyan Honglie's biological son. This is something Su Chen didn't expect.

The plot in the world of mixed martial arts is really messy, but Yang Kang knows that he is not Wanyan Honglie's. It seems that Wanyan Honglie, his biological son, did not have any accidents.

Could it be that Wanyan Honglie had already told Yang Kang's true likeness?

Su Chen shook his head when he thought of this. It was useless for him to think about it. He was just watching the show anyway.

He listened When asked by Black Widow, she smiled and said,

"No, if Yang Tiexin had not kidnapped Bao Xiruo, Wanyankang might have recognized Yang Tiexin. However, after Yang Tiexin kidnapped Bao Xiruo, Wanyankang might have wanted to kill Yang Tiexin now."

Princess Chei shook her head when she saw the situation below. This Yang Tiexin is really seeking death this time.

Is he here to save his previous wife? Or is he here to kill his previous wife?

Now Bao Xiruo He already looked hopeless. Didn't Yang Tiexin see it?

After hearing what Su Chen said, Princess Chei nodded and said,

"That's right. I heard that Wanyan Honglie was very kind to his son Wanyan Kang. Even after you, the bastard, held Wanyan Kang hostage, Wanyan Honglie immediately went to redeem Wanyan Kang with the ransom. It shows how good Wanyan Honglie is to Wanyankang"

"And Yang Tiexin didn't do anything to Wanyankang. He just gave Wanyankang the life to come into this world, and now he is holding Wanyankang's mother hostage. This is the trigger for Wanyankang to explode."

"Generating kindness is not as important as cultivating kindness. You take care of me when I am young, and I take care of you when you are old. This is the ancient custom of us people in the Central Plains."

"Wanyankang knew that Yang Tiexin was his biological father. I'm afraid Wanyankang wouldn't recognize him at this time, and might even get into a fight."

When Su Chen heard Widow Chai's words, he hugged her and praised her with a smile, "Widow Chai didn't expect you to have such an opinion, not bad! Good!"

Chapter 655

Princess Chezhan glared at him fiercely when she saw this shameless pervert hugging her again. Now she had nothing to do with this shameless bastard.

Especially when this bastard suddenly appeared in Wanyan Honglie's mansion with her and Black Widow in his arms, Princess Chee knew that the gap between herself and this bastard was not even a little bit big.

Princess Che is still unclear about how powerful this bastard Su Chen is.

Princess Che leaned in Su Chen's arms and rolled her eyes at Su Chen and said, "You shameless pervert."

Su Chen flicked Princess Che's forehead and threatened, "Concubine, if you scold me like this again, I will I'm not polite to you."

Just when Princess Che was glaring at Su Chen and about to scold this bastard again, Black Widow suddenly took Su Chen's arm and pointed downwards and said,

"Master, look, is that Hong Qigong, the leader of the Beggar Clan?"

"I'll do it! Why is Hong Qigong in Wanyan Honglie's mansion? How did this bastard escape from Chang'an City to here?" Su Chen was also very surprised when he saw Hong Qigong appearing.

After Hong Qigong disappeared early at the Chang'an City Martial Arts Conference, Su Chen thought he was hiding in Chang'an City. The secret guards began to look for Hong Qigong after the war. Qi Gong, just didn't expect this shameless bastard to appear here.

Black Widow's eyes were cold and she said sinisterly, "Master, do you want me to kill him now?"

Su Chen pulled the black widow and shook his head. He looked at Hong Qigong and felt that there must be something wrong with his presence here.

Why didn't Hong Qigong go anywhere else but came to Wanyan Honglie of the Jin Kingdom?

You know Hong Qigong Qi Gong used to hate foreign races very much, so he must have some purpose for appearing in Wanyan Honglie's mansion this time.

Su Chen thought about it and said to the black widow,

"Wait, Black Widow, do you think Hong Qigong appears here to draw Wanyan Kang into the anti-Soviet alliance?"

"It is possible. After all, the master has captured Wanyan Kang before, and Wanyan Kang will definitely be very cruel to the master. Hong Qigong must have appeared in Wanyan Honglie's mansion to win over Wanyan Kang."

"Damn it, it seems that the anti-Soviet alliance has grown a bit, and it's time to implement my plan."

"Master, do you want to contact those people now?"

"No, let's wait and see after we deal with the Jinguo Treasure matter. Anyway, these people are under surveillance. I don't believe that these anti-Soviet alliances can still go to heaven."

"Yes, master."

Su Chen felt that now was not the time. If he could not eliminate those people in the anti-Soviet alliance at once this time, I am afraid there would be endless troubles in the future. Su Chen wanted to kill those people in the anti-Soviet alliance with one stick.

When Princess Chee heard what Su Chen and Black Widow said, she looked at Hong Qigong and her eyes lit up. Should she find a way to contact these people from the anti-Soviet alliance?

After all, it would be hopeless for her to seek revenge. If these people from the Anti-Soviet Alliance cooperate, they might really be able to kill this shameless pervert like Su Chen.

It's just that these people from the Anti-Soviet Alliance seem to be under surveillance by this bastard, and Princess Chee doesn't know what will happen if she contacts these people. Wouldn't he be discovered by this bastard, and should he remind these anti-Soviet alliance people?

At this time,

Yang Kang suddenly appeared next to Yang Tiexin, and when Yang Tiexin was unprepared, he knocked Yang Tiexin away with one palm. Go out, and Bao Xiruo was rescued by Yang Kang at this time.

After Yang Tiexin was knocked down by Yang Kang, he looked at Yang Kang in shock. He just thought that Yang Kang came to recognize him, but he did not expect that Yang Kang would suddenly treat him Taking action,

Yang Tiexin looked at Yang Kang and asked very painfully,"Kang'er, why are you doing this? I am your biological father!"

When Yang Kang saw Bao Xiruo's dull eyes, he hated this Yang Tiexin very much. If he didn't show up, his mother wouldn't be like this. All this is due to this Yang Tiexin.

Yang Kang pointed at Yang Tiexin and asked angrily ,

"Biological father? You are my biological father, why are you holding my mother hostage? Is there a biological father like you?"

"I have no choice but to do this. This is Wanyan Honglie's palace. If I didn't pretend to hold your mother hostage, none of us would survive."

Yang Kang looked at Yang Tiexin's face and laughed disdainfully,

"Ha ha! Can't even survive? You can't survive on your own, right?"

"Yang Tiexin, if you hadn't held my mother hostage, maybe I would have known you."

"I have known for a long time that I am not Wanyan Honglie's biological son, and Wanyan Honglie also knows. My mother told me all this, but I didn't expect that you are such a villain. You are not worthy of being my father at all."

"How can this be? This is not true."Yang Tiexin didn't expect that Yang Kang had known for a long time that he was not Wanyan Honglie's son, and it was Bao Xiruo who even told Yang Kang. This made Yang Tiexin unable to believe that it was true.

Yang Kang looked at Yang Tiexin's confused look. He said, "Please leave and don't bother us again. We have nothing to do with you."

Yang Tiexin is his biological father no matter what, and he has no intention of killing Yang Tiexin, but he never wants to see this biological father who disgusts him again.

"No, I won't leave. Xiwei is my wife and you are my son. If you want to leave, let's go together." After Yang Tiexin heard Yang Kang's words, he hurriedly pulled Yang Kang and Bao Xiruo away together.

When Yang Kang saw that Yang Tiexin still refused to give up, he kicked Yang Tiexin again and said, "Get out! Otherwise I will kill you."

At this time,

Hong Qigong came to Yang Tiexin, checked his injuries, and then scolded Wanyankang,

"Wanyankang, this is your biological father. How can you treat him like this?"

Wan Yankang didn't expect that this old beggar would be nosy. This old beggar actually came to invite him to join some secret organization this time, and this secret organization still wanted to fight against Wu Xiangjun. This shocked Yang Kang very much.

But now The Jin Kingdom was defeated by Dayuan, and everyone in the Jin Kingdom now hopes that Lord Wu Xiang can send troops to rescue them. The Jin Kingdom is even ready to surrender to Lord Wu Xiang like Xixia. If he wants to do so at this time If he joins the secret organization that fights against Wu Xiangjun, I am afraid that he will be destroyed by the Emperor of Jin without Wu Xiangjun taking action.

Besides, he has no grudge against Wu Xiangjun, although he was caught by Wu Xiangjun. , but Lord Wu Xiang did not mistreat him. Yang Kang did not want to provoke a very powerful enemy.

After thinking about these things, Yang Kang looked at Hong Qigong and said disdainfully,

"Old beggar, I will not join your secret organization, nor will I be an enemy of Lord Wu Xiang. You should leave here, you are not welcome in our palace."

Hong Qigong didn't expect that Yang Kang still rejected him. Did this young prince really give up the humiliation imposed on him by Lord Wu Xiang?

"Wanyankang, have you really made your decision? Mr. Wu Xiang is our common enemy. Don't you really want to take revenge?"

"I have no grudge against Mr. Wu Xiang. We just had some conflicts at the beginning. Old beggar, since my father redeemed me, I no longer have any grudge against Mr. Wu Xiang. You have come to find the wrong person here."

Hong Qigong looked at Yang Kang and was very helpless.

In the anti-Soviet alliance, he has achieved nothing now. He has even lost his beggar gang. Now he is like a non-staff member in the anti-Soviet alliance.

If he can't pull him in anymore, If someone joins the anti-Soviet alliance, I'm afraid he won't be able to talk to me in the anti-Soviet alliance in the future.

Chapter 656

Su Chen didn't expect that Yang Kang didn't agree to Hong Qigong's invitation, which made Su Chen a little confused.

Yang Kang should be very cruel to him. There was such a good opportunity to take revenge on him, why didn't Yang Kang agree?

Could it be that Yang Kang really didn't care about his insult to him last time?

Black Widow smiled when she heard Wanyankang's words and said, "Master, it seems that Wanyankang no longer dares to be your enemy."

"Maybe."

Su Chen doesn't believe that Wan Yankang will put down his bullying of him. Maybe there is something that prevents him from offending him. It seems that the Jin Kingdom was bullied enough by Dayuan. The Emperor of the Jin Kingdom must be asking for himself. He even wanted him to send troops to help the Kingdom of Jin fight against Dayuan. This may be the real reason why Wanyankang did not dare to offend him.

Su Chen was very speechless when he looked at the scene below. Now Wanyankang and Hong Qigong looked at each other, completely Yan Honglie supported Bao Xiruo and kept comforting him, while Yang Tiexin stood behind Hong Qigong with a confused look on his face.

There is nothing to see here, these people who are so old are still fighting for one For older women, these love affairs are not as interesting as the love affairs of young people.

Su Chen looked at the dark-faced Hong Qigong below and ordered the black widow,"Black Widow, let people stare at Hong Qigong this time. I want to know his whereabouts in the future"

"Yes, master."

Black Widow nodded to Su Chen and disappeared. She will now arrange for secret guards to follow the old beggar for a while. This time she will not let the old beggar disappear inexplicably like in Chang'an City.

Su Chen is here After Black Widow left, she looked at Princess Cheche in her arms and said with a smile,

"Widow Chai, are you interested in people like Hong Qigong? Do you want to join his anti-Soviet alliance to assassinate me?"

"you....."

Su Chen interrupted Princess Che and continued,

"You don't have to deny it, I saw your happy expression just now. I know exactly what you are thinking, Widow Chai, but this may disappoint you, and you will have no chance to join them in the future."

Su Chen is also blasting this silly girl, Princess Che. He didn't see Princess Che's expression just now, but he felt that Princess Che was a little quiet at this time.

Su Chen felt that she must have listened to him and the Black Widow. After saying that, this silly Widow Chai might have some ideas, so Su Chen decided to test this Princess Chai.

"Why?"

Princess Che is very frightened now. This shameless pervert is so scary. How can he observe her subtle expressions so carefully.

Just now she just wanted to contact Hong Qigong and those people.

But she just didn't pay. This bastard found out all his thoughts about the action, which made Princess Che very afraid of this bastard Su Chen.

"Will you still kill me after you have my child? Hahaha!" Su Chen looked at Princess Che and smiled and teased,

"Shameless pervert!"

Princess Cheshire was so angry with this bastard. She didn't expect Su Chen to say this, but she couldn't help but touch her belly and it was very complicated.

She thought about what would happen if she really had this shameless child. What to do?

This frightened her very much.

This was her enemy who killed her husband and her son. Princess Che did not want to be too involved with this bastard.

But when she looked at Su Chen, she felt that which bastard was the real one? Him?

Just now, this bastard looked confident and sure of victory. Why did he suddenly turn into a shameless pervert?

Could it be that this bastard has been pretending to be a pervert to cover up his true nature? Face?

But this bastard has many powerful soldiers and even masters. Why does he hide his true identity like this?

Could it be that he guessed wrong?

This bastard is a scumbag, and this is his true colors?

"Damn it, you definitely don't have children now." Su Chen was very speechless when he saw Widow Chai touching his belly.

This silly girl is really stupid.

She just said it and she believed it. How come Widow Chai is still so stupid at such an old age? noob?

"You are shameless!"

Princess Checha stared at Su Chen and didn't want to talk to this bastard. She now understood that she couldn't talk to this bastard at all. If she continued to talk to this bastard, she would be asking for trouble.

At this time,

Wan Yankang faced Hong Qigong and Yang Tiexin and the others shouted,

"Get out of here, or you don't have to leave."

"Boy, you will regret it later." Hong Qigong looked at Yan Kang with an ugly expression and then flew away.

After seeing the old beggar Hong Qigong leave, Wan Yankang looked at Yang Tiexin and said expressionlessly,

"You still won't leave? Don't let me dare to kill you just because you are my biological father."

"you....."

"Get out!"

When Yang Tiexin saw Yang Kang's angry look, he was very unwilling to look at Bao Xiruo and left angrily and melancholy.

Bao Xiruo never looked away from Yang Tiexin from the beginning to the end. Now she is like a dead person. No expression.

No matter what Wanyan Honglie was saying next to her, Bao Xiruo looked at the dark night sky with blank eyes.

"Father, how is my mother?"

"well! Your mother has received some stimulation and will get better in the future."

"Huh, it's good if nothing happens. From now on, the palace will send more people to protect you. What happened today can never happen again."

"This is natural."

After Wanyan Honglie left with Bao Xiruo and Wanyan Kang, the place became quiet.

At this time,

Su Chen took Princess Chei to look for the snake keeper Liang Ziweng in Wanyan Honglie's house for a while. He didn't find any snakes or Liang Ziwen in Wanyan Honglie's mansion.

It seems that Liang Ziwen didn't appear here in the world of mixed martial arts. Su Chen had no choice but to take Princess Che and leave Wanyan Honglie's mansion.

In a small town not far from Jin Guozhong,

Lin Chaoying looked at the night and thought very much about that bastard Su Chen.

Now Lin Chaoying is a master in the later stage of the Grand Master. From the Zhu that Su Chen gave her Afterwards, Lin Chaoying was promoted to Grand Master and chased Su Chen non-stop, even ignoring her two apprentices.

Lin Chaoying thought about how Su Chen, a bastard, took advantage of her when he gave her Zhu Guo again. She blushed and said to herself,

"Su Chen, you shameless bastard, I won't make it easy for you this time. I will never forget your bullying of me."

Chapter 657

The next day, Su Chen hurriedly ran out of Widow Chai's room at the Zhongdu Inn in the Kingdom of Jin.

He hurriedly ran to Sun Buer's room. This time he got up late, and he was afraid that Sun Buer had already taken Mu Nianci with him. Left the inn.

This is really the Tomb of Gentle Heroes!

He shouldn't have been flirting with Widow Chai all the time. If Sun Buer left this time, how would he find the treasure of the Golden Kingdom?

He couldn't find the treasure-hiding mountain that stinky Taoist nun Sun Buer told him yesterday, but he couldn't find it on the map.

Su Chen was worried that Sun Buer was deceiving him. If Sun Buer had left, he might have wasted so much time looking for the treasure this time.

In Princess Che's room, after Su Chen left in a hurry, Princess Che walked out of the room.

She looked at Su Chen hurriedly looking for Sun Buer and the others, and it was very complicated. After looking at it for a while, she sighed and clenched her fists and returned to her room.

When Su Chen came down to the inn, he hurriedly asked the secret guards guarding the inn,

"Has that Taoist nun Sun Buer left?"

"Your Majesty, Daochang Sun left early in the morning"

"I'll do it! It's still too late, damn Sun Buer, don't let me see you again."

At this time, the secret guard next to him saluted Su Chen again and said, "Your Majesty, we have found out about Wuling Mountain. Wuling Mountain is one of the main peaks of Yanshan Mountain, just fifty miles away from the central capital of Jin Kingdom."

"Taoist Aunt Sun didn't deceive me? Damn it, this really makes me worry in vain."

Su Chen didn't expect that Wuling Mountain had been found, which made Su Chen feel that he had wronged Sun Buer.

But thinking that he ran out of Rourou Township to find Sun Buer early in the morning made Su Chen feel very fucked.

"Immediately order the secret guards to prepare, we will go to Wuling Mountain in a moment"

""Yes, Your Majesty."

Outside the capital of Jin Kingdom,

Sun Buer and Mu Nianci were rushing towards Zhongnan Mountain. She was very worried that Su Chen, that pervert, would take action against Mu Nianci, so she hurriedly arrived at dawn. He took Mu Nianci and left the inn.

Mu Nianci was very confused when she saw Sun Buer taking her away from Zhongdu in a hurry.

"Master, why do we have to leave in such a hurry? Could you please leave without saying goodbye to that noble young man?"

Sun Buer took Mu Nianci's hand and warned,

"Nian Ci, don't be with that bastard in the future, or even talk to that bastard. That bastard is just a pervert. Be careful if he gets interested in you. We'd better not see that bastard again in the future."

"Yes, master."

Mu Nianci nodded hurriedly when she saw Sun Buer's nervous look. She also saw that Su Chen was a lustful person. Now that she heard Sun Buer's words, she would not dare to have sex with Su Chen in the future. Any intersection.

At this moment,

Lin Chaoying suddenly appeared in front of Sun Buer and shouted,

"Daochang Sun!"

"Senior Lin, why are you here?" Sun Buer was very confused when he saw Lin Chaoying appear.

This is the capital of the Kingdom of Jin. What is Lin Chaoying doing here?

Is it because of that bastard Su Chen?

Lin Chaoying is indeed having an affair with that bastard Su Chen. I'm afraid Lin Chaoying is having an affair this time. Chaoying came all the way here just for that bastard Su Chen.

Lin Chaoying ignored what Sun Buer asked her. She didn't find Su Chen here and hurriedly asked Sun Buer,

"Mr. Sun, where is Su Chen? Where is that bastard now?"

Sun Buer looked at Lin Chaoying speechlessly.

Isn't Lin Chaoying too impatient now?

Lin Chaoying had not been separated from that bastard Su Chen for a long time, so why could he not resist seeing that bastard?

Sun Buer didn't want to care. The love affair between Lin Chaoying and that bastard Su Chen was a matter of fact.

Seeing Lin Chaoying's anxious look, she shook her head and said,

"Senior Lin, Su Chen is no more than Jin Guozhong now. He may go to Wuling Mountain today. If Senior Lin is looking for that bastard, it is best to go to Wuling Mountain to find that bastard."

"I understand. Thank you, Mr. Sun. Where are you going? Why aren't you with that bastard?" Lin Chaoying breathed a sigh of relief when she heard Su Chen's news.

As long as Lin Chaoying knew where the bastard was, she would have a way to find the bastard.

However, she looked at Sun Buer and was very confused.

Wasn't Sun Buer attracted by Su Chen ? Are you kidnapped to find the treasure of the Jin Kingdom?

Why are you not with Su Chen?

Could it be that Sun Buer was let go by that bastard Su Chen?

Sun Buer said somewhat complicatedly,

"I took my apprentice back to Zhongnan Mountain."

Lin Chaoying looked at the sad Sun Buer and shook her head. She knew that Sun Buer still hadn't let go of the Quanzhen Sect's extermination, but she didn't know how to persuade Sun Buer.

Lin Chaoying sighed. He said to Sun Buer,

"Daozhang Sun, you may as well go back to Zhongnan Mountain, but you should forget your hatred in the future. You also know that Wang Chongyang really did something wrong that time. Taking refuge in a foreign race is something that both humans and gods are angry about. Even if Wang Chongyang was not forced by Su Chen that time, He committed suicide, and I am afraid that the Central Plains martial arts people will not let him go in the future."

Sun Buer said angrily after hearing Lin Chaoying's words, "How can I not avenge my family's destruction? I will kill Su Chen with my own hands in the future."

"It's up to you. I'm leaving. Take care of yourself in the future."

"Goodbye, Senior Lin."

Lin Chaoying nodded to Sun Buer and disappeared. Hundreds of Jianghu people have gathered here in

Jinguo Wuling Mountain. These Jianghu people are at war with Huang Xuemei and others on the mountain. But they don't dare to rush up the mountain. Kill Huang Xuemei and the others. Huang Xuemei killed dozens of them, and Tianmoqin was not something they, the Jianghu people, could deal with. At the foot of Wuling Mountain, Su Chen was very speechless when he saw Huang Xuemei being besieged again. She didn't Thinking of meeting Huang Xuemei again here, and Huang Xuemei is still being hunted, this Huang Xuemei is really miserable. But why is she being chased to Wuling Mountain? There are treasures of the Golden Kingdom buried here in Wuling Mountain Huang Xuemei and the others should not know this place. Then why did Huang Xuemei and the others escape here?

"Master, what should we do now? Still going up the mountain?" Black Widow also looked at Huang Xuemei and the others who were halfway up the mountain and felt very helpless.

This time they were going to come secretly to get the treasure of the Jin Kingdom and leave, but now it is probably very difficult to find the treasure quietly.

Now Jin Wuling Mountain, where the national treasure is buried, is also occupied by these Jianghu people, which makes Black Widow eager to kill these troublesome Jianghu people.

Su Chen looked at the Jianghu people who controlled Wuling Mountain and said angrily,

"Come on, kill anyone who dares to stop us, it's him! How could you be so unlucky this time?"

"Yes, master"

Chapter 658

After hearing Su Chen's order, Black Widow led the secret guards to prepare to go up the mountain. Each of the secret guards guarded Su Chen towards Wuling Mountain vigilantly.

Su Chen didn't care too much, but now his face was full of anger. If these Jianghu people didn't know what to do, Su Chen wouldn't mind killing them here.

As soon as Su Chen and the others arrived at the foot of Wuling Mountain, the Jianghu people here shouted arrogantly at Su Chen and the others,

"Stop, no one is allowed to pass here"

"kill!"

Su Chen heard that these Jianghu people were so ignorant and dared to intercept them. He waved his hand and ordered to the secret guards,

"Yes"

Stab! Stab! Stab!

After hearing Su Chen's order, the secret guards rushed towards the Jianghu people who blocked them one by one. These Jianghu people did not expect that this noble young master would order him even if they disagreed with him. The guards killed them, and for a while, these Jianghu people were killed and injured by the secret guards.

A leader of these Jianghu people saw that these guards were very powerful, but in just a moment they killed and injured dozens of people, he hurriedly turned to the side. His subordinates ordered,

"Quickly report what's going on here to the alliance leader. These people should be in the same group as Huang Xuemei. They are here to save Huang Xuemei's people."

"Yes, Hall Master"

"Let's avoid them first and let these people go up the mountain. We will kill them when the leader comes."

""Retreat, retreat quickly."

When these Jianghu people saw that they were not Su Chen's escort opponents, they ran away one by one. They would not lose their lives here in vain. After leaving dozens of corpses, the remaining Jianghu people Everyone escaped

"Go up the mountain!"

"Yes, master."

Su Chen looked at the corpses on the ground and walked towards the mountain. Now is not the time to kill those Jianghu people. He doesn't want to delay any longer, otherwise there may be some accidents later.

Su Chen doesn't care this time. Can Huang Xuemei recognize him? He didn't want to wait for Huang Xuemei to leave before going up the mountain. He didn't want to wait any longer for the treasure of the Golden Kingdom.

Halfway up Wuling Mountain,

Lu Lin saw the situation at the bottom of the mountain and hurriedly said to Huang Xuemei who was resting. ,

"Sister, that noble young man is here. I didn't expect to meet him again here."

"Is it the spiritual fruit he gave me?"Huang Xuemei looked at Su Chen and his group at the foot of the mountain after hearing Lu Lin's words.

However, she was very shocked when she saw Su Chen being guarded by secret guards.

She did not expect that the noble young master was actually Wu Xiangjun. This made her She thought that the familiar figure she saw in the tea shop was no wonder it was so familiar, but why did Wu Xiangjun appear here? Did he come here specifically to save her?

But Wu Xiangjun had already saved her once, and this time Why did he appear here to save himself again?

Could it be that this lustful Wu Xiangjun has taken a fancy to herself?

Huang Xuemei's face turned very red when she thought of this. Although she still had a good impression of Wu Xiangjun, she would not like this playboy. Yes, Huang Xuemei has never thought about liking someone.

"Yes, sister, this is the noble man."

"I see."

Huang Xuemei was very nervous when she saw Wu Xiangjun who was about to arrive at their place.

She was afraid that Wu Xiangjun would ask her to be his woman when he came over.

Huang Xuemei knew Wu Xiangjun very well, and now she was nervous His palms were sweating.

At this time,

Su Chen came not far from Huang Xuemei and shouted at Huang Xuemei,

"Huang Xuemei, you unlucky woman, why don't you leave? I don't want to see you now. You unlucky ones should get out of here while all the gangsters have fled."

Huang Xuemei was confused for a moment.

She didn't expect that the bastard Su Chen would curse her as soon as he came. This was different from what she thought.

How could this bastard scold herself? Shouldn't he care about herself and comfort her first?

Huang Xuemei reacted immediately She was furious.

Just now she was worried that this bastard would come over and tease her, but she didn't expect that this bastard would come over and start scolding her.

Huang Xuemei glared at Su Chen and pointed at him angrily and cursed,"You.....You bastard!"

"I'll do it! Huang Xuemei, please get out of here quickly. I won't save you, this unlucky woman, next time."Su Chen now hopes that this unfortunate woman Huang Xuemei will leave here. He doesn't want to be discovered by the gangsters who will arrive soon when he is trying to retrieve the treasure.

"I don't need to be saved by you, this bastard, Mr. Wu Xiang, what are you doing here?"Huang Xuemei asked suspiciously when she saw Su Chen coming to her side.

Su Chen was very helpless when Huang Xuemei called out his identity. Just now he was just cursing this unfortunate woman and forgot to send the secret message to this woman. Unlucky woman.

Now his identity has been heard by Tan Yuehua and Fu Yunjun who are beside Huang Xuemei. These two people cannot deal with Huang Xuemei. They are even undercover agents of those Jianghu people.

Su Chen wants to strangle this idiot woman to death now.

Does she? Don't you understand that this is the Kingdom of Jin?

Can your identity be exposed here?

Su Chen angrily pointed at Huang Xuemei and cursed, "It's me!" Huang Xuemei, you are an idiot woman."

At this time, Lu Lin and the others looked at Su Chen in surprise when they heard Huang Xuemei's words. They did not expect that this noble young master was actually Wu Xiangjun. This was something they did not expect.

Lu Lin looked at Su Chen and Huang Xuemei. It didn't feel like they were lovers, as if Wu Xiangjun didn't like her sister very much.

Could it be that his sister and Wu Xiangjun had a conflict?

Or was Wu Xiangjun, the bastard, abandoning her sister?

Fu Yunjun looked at Su Chen and asked Holding the long sword in his hand, he was very worried about what Wu Xiangjun would do to Huang Xuemei.

But now it seems that their relationship is not that good, which makes Fu Yunjun breathe a sigh of relief.

And Tan Yuehua is now She was so scared. This person turned out to be Wu Xiangjun. This was Wu Xiangjun with an army of millions!

If her master came over and went on a killing spree with Huang Xuemei to snatch the Tianmo Qin,

I'm afraid Wu Xiangjun would kill her master. And her own. This time she really made a mistake in delivering the message to her master.

"Bastard, you are scolding me, be careful I am rude to you."Huang Xuemei heard Su Chen scolding her again, which made her tremble with anger and want to kill this bastard. Did this bastard come to make her angry?

Su Chen glared at Huang Xuemei angrily and said impatiently,"Get out of here. Come on, I don't want to look at you, this hapless and idiotic woman, right now."

Huang Xuemei's face was full of anger now.

What did this bastard mean? He came to save her but kept scolding her. What on earth was he going to do?

Huang Xuemei grabbed Su Chen's clothes and asked angrily,

"You shameless bastard, what are you doing here? Isn't it to save me?"

"Pooh! A passionate woman!"After Su Chen broke away from Huang Xuemei, he laughed at Huang Xuemei and said,

"I'll fight you bastard."

Chapter 659

Huang Xuemei couldn't bear it now. When this bastard came, he either scolded her or laughed at her.

This made Huang Xuemei angrily grab Su Chen and throw her over her shoulder.

Now she doesn't think about anything anymore. If she doesn't beat this shameless Mr. Wu Xiang once, she might be driven crazy.

Su Chen appeared behind Huang Xuemei in a flash. He looked at Huang Xuemei and kicked him on the butt.

He also wanted to beat Huang Xuemei once. This time she not only caused trouble for him, but even exposed her identity.

Su Chen was also very resentful towards Huang Xuemei.

The Black Widow and Princess Chee next to them were very speechless when they saw Su Chen kicking Huang Xuemei's butt. After all, Huang Xuemei is also a yellow-flowered girl. It was inappropriate for Su Chen to do this.

However, they thought that Su Chen was a pervert, and it seemed that it was understandable for him to do this. This was the nature of this shameless pervert.

"Mr. Wu Xiang, you are seeking death!" When Lu Lin saw Wu Xiangjun bullying his sister like this, he took a long sword and stabbed Su Chen.

"don't want!"

"court death!"

Bang!

Before Lu Lin could reach Su Chen, he was kicked out by the Black Widow. The Black Widow was not polite to Lu Lin. Although Lu Lin would not be kicked to death by her this time, I am afraid that he would not be kicked to death by her this time. Will be seriously injured

"younger brother!"

"Lu Lin"

"Brother Lu!"

After Huang Xuemei and Tan Yuehua saw Lu Lin being kicked by a charming woman and vomiting blood, they all shouted nervously to Lu Lin,

"Black Widow, get that woman and that man." Su Chen ordered the black widow after seeing Tan Yuehua and Fu Yunjun.

Su Chen thought about it and decided to resolve all these uneasy factors, otherwise these people might cause him some trouble.

"Yes, master."

After hearing Su Chen's order, Black Widow suddenly appeared next to Tan Yuehua and Fu Yunjun and clicked on their acupuncture points.

Tan Yuehua and Fu Yunjun were stunned after being created in an instant.

They did not expect that Wu Xiangjun would react to them. They took action, but they had never offended Mr. Wu Xiang.

Why did Mr. Wu Xiang want to arrest them both?

"Su Chen, what are you doing? Let them both go now." Huang Xuemei helped Lu Lin up and saw Su Chen's men grabbing Tan Yuehua and Fu Yunjun again, which made her more and more angry. She had not settled the matter with this bastard just now for kicking her ass, and now she has no chance to do so. Arresting her friend for no reason made Huang Xuemei want to take out the Heavenly Demon Qin and give this bastard a Heavenly Demon Eight Sounds

"Silly girl, no wonder you are often unlucky. You dare to take the people around you without knowing their true identity. You deserve to be unlucky all the time."

"What do you mean? Is there something wrong with Tan Yuehua and Fu Yunjun?"

"Of course there is a problem. Have you not thought about why those Jianghu people who want to snatch your Tianmo Qin know your whereabouts so well?"

"this....."

Huang Xuemei looked at Tan Yuehua and Fu Yunjun and was very confused.

Did they really expose her whereabouts?

Could it be that the two of them approached him because of Tian Mo Qin?

Su Chen looked at the somewhat sexy Tan Yuehua and scholar Fu Yunjun and said coldly,

"Tan Yuehua, do you still want to hide your identity now? And Fu Yunjun, I'm afraid this Fu Yunjun also has ill intentions towards you."

"I.....I was just following orders." Tan Yuehua knows her identity and maybe Wu Xiangjun knows it. She doesn't know how much Wu Xiangjun knows about her. If she doesn't admit it now, I'm afraid Wu Xiangjun will directly order her to be executed. Fu Yunjun looked at

Su Chen and said He said confidently, "I have no ill intentions, and I have not betrayed Huang Xuemei and Lu Lin. I just like Miss Huang Xuemei.""

"Did you hear that? Silly girl! Are you saying you are stupid?" After Su Chen heard what Tan Yuehua and Fu Yunjun said, he looked at Huang Xuemei and said mockingly,

"Bastard, don't call me stupid."

Huang Xuemei looked at Tan Yuehua and Fu Yunjun angrily and then glared at this bastard.

She did not expect that Tan Yuehua was actually an undercover agent. No wonder her whereabouts were found by those Jianghu people every time.

Although Fu Yunjun did not do anything, she She felt that Su Chen would not catch him for no reason.

Although this Fu Yunjun had always liked her, she did not like this Fu Yunjun at all. Fu Yunjun also liked her wishfully.

However, Huang Xuemei also guessed what Su Chen meant.

If she had never responded to Fu Yunjun's feelings for him, I'm afraid Fu Yunjun would become cruel because of love in the future.

And Lu Lin was very confused when he was sitting on the ground.

Didn't Tan Yuehua like him and have been with their siblings through life and death?

Why is Tan Yuehua now ? Turned into an undercover?

What happened to him?

Was he being used by this beautiful Tan Yuehua?

She never liked him at all?

When Su Chen came to the beautiful Tan Yuehua, he touched his face and smiled Then he said,"Tan Yuehua, are you talking about your master? When can he get here?"

"I....."

Tan Yuehua was very nervous when Su Chen touched her face. She knew that Mr. Wu Xiang was a lustful person. Could it be that Mr. Wu Xiang fell in love with her? This made Tan Yuehua very scared.

Seeing Tan Yuehua's nervous and frightened look, Su Chen deliberately threatened,"When will Patriarch Liehuo arrive? Will he take off your clothes and show it to the public if you don't tell me?"

Tan Yuehua heard Su Chen's threat and said hurriedly,"This afternoon. You can come, my master can come this afternoon."

When Tan Yuehua saw Wu Xiangjun, even her master Liehuo Patriarch knew about it, which made her know that she couldn't hide it no matter what. If she kept hiding it, I'm afraid this pervert would really take it for granted. She took off her clothes in front of so many people.

Princess Che and Huang Xuemei stared at the shameless bastard when they heard Su Chen threatening Tan Yuehua. They didn't expect that Su Chen, the shameless bastard, would threaten a woman so shamelessly.

"What about Dongfang Bai?"

Su Chen continued to ask Tan Yuehua.

Tan Yuehua shook his head and looked at Su Chen in fear and said, "I don't know, Dongfang Bai doesn't know that I am an undercover agent."

Su Chen looked at Tan Yuehua with some doubts.

How could Tan Yuehua not know about Dongfang Bai?

She just likes the immortal Dongfang Bai?

Is it because something has changed in the mixed martial arts world?

Or is it because the TV series version of Six Finger Piano Demon has Many, Tan Yuehua is not related to Dongfang Bai in this version?

Su Chen decided to try this Tan Yuehua, what if she deceived him?

Su Chen pinched Tan Yuehua's pale face and threatened,

"have no idea? Don't you like that immortal Dongfang Bai? How could you not know?"

Chapter 660

Tan Yuehua was a little confused.

How could she be related to Dongfang Bai?

Why did he even fall in love with the insidious Dongfang Bai? How could this Lord Wu Xiang say this?

Could it be that Lord Wu Xiang was testing her?

But is there anyone who tests women like this?

"What are you thinking about? Answer me quickly?" Su Chen urged when she saw Tan Yuehua's dazed look.

Tan Yuehua reacted and hurriedly said to Su Chen, "No, Dongfang Bai and I only met from a distance once. I have no relationship with Dongfang Bai at all."

When Su Chen heard Tan Yuehua's words, he felt that his guess was right. This Tan Yuehua should be the latest version of the TV series, but now it seems that this Tan Yuehua is of no use.

Su Chen looked at Tan Yuehua's anxious look and frightened her. said,

"That's it! Then you are of no use."

Tan Yuehua looked at Wu Xiangjun in confusion and asked tremblingly, "Wu Xiangjun.....Wu Xiangjun, you want.....You kill me?"

"Of course the useless people will be killed. Should I keep you to warm the bed?"

Su Chen was very speechless when he saw Tan Yuehua who was so frightened. If Tan Yuehua dared to be an undercover agent, why was he so timid?

At this time,

Lu Lin staggered over and hurriedly interceded for Tan Yuehua,

"Wu Xiangjun, please let Tan Yuehua go? Please spare her life?"

"I'll do it! Are you a fool? Huang Xuemei, take this idiot brother of yours away, otherwise I will not be able to help but kill him." Su Chen frowned and shouted to Huang Xuemei next to him.

Su Chen didn't expect that Lu Lin would come to plead for Tan Yuehua at this time. Doesn't this idiot know that Tan Yuehua is using him?

Or is this idiot really passionate about Tan Yuehua? Already?

"Lu Lin, will you come back to me?" Tan Yuehua came over and wanted to take Lu Lin away. She didn't want Su Chen to actually kill her brother in a rage.

Huang Xuemei had a very big opinion against this moody Wu Xiangjun. She had not forgotten that this bastard kicked her in the butt. Lu

Lin threw away Huang Xuemei and wanted to hold his hand, so he begged her,

"No, sister, although Tan Yuehua betrayed us, she must have had her own reasons. Sister, please beg Wu Xiangjun to let Yuehua go, right?"

"this....."

Huang Xuemei was also very embarrassed when she heard what Lu Lin said.

She actually didn't want Su Chen to kill Tan Yuehua. Although Tan Yuehua betrayed them, Tan Yuehua took good care of her when she was seriously injured.

"They're all idiots."

Su Chen looked at Lu Lin and the hesitant Huang Xuemei and shook his head helplessly.

No wonder Huang Xuemei, Lu Lin and their siblings have been on the run. Such kind-hearted silly girls should not be wandering around in the world without strong strength and power. Sooner or later, Huang Xuemei will die under her kindness.

Seeing this bastard, Huang Xuemei scolded her again, which made her clenched her fists and glared at Su Chen angrily and said,

"Bastard, you really are a fucking bastard."

"Tsk! If your kindness is weak and your strength is weak, you don't know how you will die in the future." Su Chen looked at Huang Xuemei and said disdainfully.

Black Widow saw that it was almost noon, but why did Su Chen say that she was addicted here, and even teased Tan Yuehua?

Black Widow had to remind Su Chen when she saw this road,

"Master, let's just do our thing, right? We've been delayed here for a while"

"I'll do it! I almost forgot exactly." Su Chen let go of Tan Yuehua's face, patted his head and said speechlessly, but Tan Yuehua's face was really smooth, and he felt a little reluctant to let go. He looked at the pale Tan Yuehua and shook his head.

This Tan Yuehua, he didn't know. She is just an ignorant woman who will kill her. Su Chen was just trying to scare her.

"Huang Xuemei, you can leave with these people. You can decide whether they live or die. Black Widow, order the secret guards to set off."

"Yes, master."

Su Chen doesn't want to delay any longer. Those Jianghu people will come again in the afternoon. Su Chen doesn't want to let those Jianghu people know when he finds the treasure. Now he is ready to follow the map to find the Jinguo treasure.

Huang Xuemei saw Su Chen led his men up the mountain. Even just now, she heard the black widow say that she came here to do something, but in these high mountains, what did that bastard Su Chen have to do?

"Yuehua, are you okay?"

Lu Lin untied Tan Yuehua's acupuncture points and said to her with concern.

After Tan Yuehua regained her freedom, she nodded and thanked Lu Lin,

"I'm fine. Thank you, Lu Lin. I didn't expect that you would save me after I betrayed you."

Tan Yuehua saw Wu Xiangjun leading his men up the mountain. She was relieved now. She was frightened by Wu Xiangjun just now.

Tan Yuehua originally thought that Wu Xiangjun would kill her without hesitation. She just didn't expect that Wu Xiangjun didn't kill her in the end.

She didn't think it was the result of Lu Lin interceding for her. Tan Yuehua guessed that maybe Wu Xiangjun didn't want to kill her at the beginning. She, a dispensable little person, had no intention of killing Wu Xiang.

Jun Ke didn't pose a threat at all. Maybe Wu Xiang Jun didn't care about a little person like her at all.

Lu Lin looked at Tan Yuehua with a look of infatuation and said, "You're welcome. I know you must have been threatened by those bad guys before betraying us. I don't blame you for betraying us either."

"You all leave." After Huang Xuemei also untied Fu Yunjun's acupuncture points, she looked at Tan Yuehua and Fu Yunjun and said expressionlessly.

Fu Yunjun heard Huang Xuemei's words after Huang Xuemei untied his acupuncture points. He did not expect that Huang Xuemei would let him leave.

Fu Yunjun looked at Huang Xuemei said with an ugly face, "Huang Xuemei, do you want to drive me away? Huang

Xuemei nodded to Fu Yunjun and said to him, "Yes, Fu Yunjun, it's impossible between us. It's better for you to leave, so that you won't be in danger in the future."

"No, if you don't fall in love with me for a day, I will not leave you for a day. I will definitely make you fall in love with me."

"roll! Fu Yunjun, get out of here quickly or don't blame me for being rude to you. I won't like anyone in the future."

Huang Xuemei was very angry when she looked at Fu Yunjun. Is this Fu Yunjun going to stalk her in the future?

She asked him to leave this time for his own good.

Ancestor Liehuo and Dongfang Bai might have arrived in the afternoon.

If Fu Yunjun is now If she leaves, she won't be chased by Ancestor Lie Huo and Dongfang Bai.

But this Fu Yunjun is too ungrateful. She has made it clear that she will not like him, but she still wants to pester her.

Huang Xuemei doesn't want this Fu Yunjun to In the future, because of love and hatred, it would be better for her to separate from the scholar Fu Yunjun as soon as possible.

Fu Yunjun smiled crazily and said after hearing Huang Xuemei's words,

"Hahaha! Huang Xuemei, you are so cruel. I didn't expect you to be so ruthless. I have been with you for several months, but I never thought you would drive me away after seeing Mr. Wu Xiang. You are indeed one of Mr. Wu Xiang's shameless people. Mistress."
