### Chapter 681

Su Yan was very happy to see the grand momentum of her newly established Black Bird Legion. This was her direct legion. In the future, she would add many other military services to her Black Bird Legion.

Su Yan then arranged for Su Yu, commander of the Netherworld Cavalry, to collect supplies of materials and weapons, and then she took Zhen Mi back to her own courtyard in Jiangling Mansion. She would wait for the people her father had arranged for her to arrive before leaving for the border of the Kingdom of Jin.

After Su Yan and Zhen Mi returned to their temporary residence, Zhen Mi couldn't forget the previous things for a long time.

Those powerful armies just now had a great impact on Zhen Mi.

She has never seen so many cavalry troops in the Han Dynasty. I am afraid that the total cavalry of the Han Dynasty does not have a hundred thousand cavalry troops.

Wu Xiangjun's strength was really too strong.

Zhen Mi took a sip of tea and calmly said to Su Yan,

"Su Yan, do you really want to lead the army to destroy the Jin Kingdom?"

Su Yan sat on the chair and shook his little feet and said happily,

"Of course, my father has given the order and of course I have to carry it out."

"But can you do it?"

Zhen Mi felt very helpless when she saw the excited Su Yan.

She thought it was unreliable for a six or seven-year-old girl to command a hundred thousand elite cavalry troops.

But why did those cavalry troops seem to obey Su Yan's orders so respectfully?

Isn't the army a place where the strong are respected?

Without ability, the soldiers in the army cannot let rubbish lead them.

But Su Yan is just a six or seven-year-old girl. Why doesn't anyone in the cavalry army give Su Yan a show of strength?

Are all the soldiers in the army really obedient and loyal to Lord Wu Xiang?

Zhen Mi can't figure it out now.

"Do you want to remove that one?" Su Yan looked at Zhen Mi with a puzzled expression and was very speechless.

At this time, Zhen Mi still didn't believe him. This made Su Yan not sure how to explain to Zhen Mi.

"Aren't I worried about you?"

Su Yan looked at Zhen Mi and thought that she was so beautiful. If his father Su Chen saw Zhen Mi, he would definitely be fascinated. In this way, Zhen Mi, who got along with him, would not be able to leave the southern continent and return. The northern continent.

Su Yan rolled his eyes and looked at Zhen Mi and said with a smile,

"Sister Zhen Mi, don't worry, I will definitely be able to do it. By the way, Sister Zhen Mi, if you are so beautiful, why don't you become my father's woman? In this way, you don't have to go back as far as Dahan in the future."

"What are you talking nonsense about?" Zhen Mi turned red and rolled her eyes at Su Yan and said,

"Hahaha! Sister Zhen Mi, if my father sees you, he will definitely think of ways to get it from you. My father is a womanizer."

"Su Yan, have you ever said that about your father?"

"Sister Zhen Mi, everyone in the Southern Continent knows about my father's behavior, eh! I'm afraid everyone in the Eastern Continent and the Western Continent knows about it, but I'm afraid they don't even know that the Northern Continent is far away from you."

Zhen Mi is now a little curious about Su Yan's father Wu Xiangjun.

She didn't expect that Su Yan would say this about his father.

Is Wu Xiangjun really a lustful person?

But since she came to Wu Xiangjun's territory, The ordinary people here support Lord Wu Xiang very much, and Lord Wu Xiang's territory is also very stable and peaceful.

Zhen Mi can't understand why Su Yan said this about his father?"Is your father really a womanizer?"

Su Yan touched her chin, shook her head and said,

"You can't say that! how to say?"

"My father just likes beautiful women. Do you know the ranking list of martial arts beauties?"

"The peerless beauties on the ranking list of martial arts beauties in the Southern Continent, the Eastern Continent, and even the Western Continent are basically either my father's women or my father's confidante."

"What kind of person do you think my father would be based on these?"

Zhen Mi was stunned when she heard Su Yan's words and said, "This.....He seems to be a lecher!"

Zhen Mi knows about the ranking list of martial arts beauties. Although there are no beauties from their northern continent on the ranking list of martial arts beauties, Zhen Mi also knows about the peerless beauties on other continents.

If there are peerless beauties on the ranking list of martial arts beauties, It really all has something to do with Lord Wu Xiang. I'm afraid Lord Wu Xiang is really a lecher.

Su Yan saw Zhen Mi's surprised look and said with a smile,

"Hahaha! Sister Zhen Mi, my father is often away from Gusu City, so I suspect that he wants to catch all the peerless beauties on the martial arts beauty ranking list."

"Then your mother doesn't care if your father behaves like this?"

"cut! My mother doesn't care about this, and even my other aunts don't bother to care about my father. Even Aunt Li at home can talk about my father, but my father still often leaves Gusu City secretly and goes his own way."

"You are so unfortunate to have such a father!" Zhen Mi looked at Su Yan and shook her head.

Zhen Mi thought that if Su Yan's father had many wives in the future, I am afraid that this little girl like her would have many aunts and even many brothers and sisters in the future.

In the future, when Su Yan's brothers and sisters grow up, they may fight for power and kill each other like other royal families.

This little girl may be involved in the fight for power among those brothers and sisters in the future.

-

On the Western Continent, in a dense mountain in the southwest.

This large mountain surrounded by primitive jungle is the most mysterious Tianji Mountain in the martial arts world. It is also the place where Old Man Tianji announced the secrets of the martial arts world. However, Tianji Mountain is constantly shaking like a volcano about to erupt.

In a secret room in Tianji Mountain,

Old Man Tianji sat here looking at the various martial arts rankings in his hand and tearing them up casually.

Now he can no longer publish these ranking lists of various martial arts drawn up by Old Man Tianji.

Without the help of the Tianji Stone Tablet, these martial arts rankings drawn up by Old Man Tianji can't be published anymore. All rankings are inaccurate.

He had announced the wrong ranking list of this year's martial arts beauties. Fortunately, he used the Tianji Stone Tablet to correct it in advance.

However, now that the Tianji Stone Tablet is completely out of control, Old Man Tianji is no longer able to publish other ranking lists in the martial arts world.

Just when Old Man Tianji was feeling sad, a disciple from Tianji Pavilion suddenly ran in and said anxiously to Old Man Tianji,

"Pavilion Master, that stone tablet is about to be completely exposed, and our Tianji Liquid can no longer suppress the stone tablet."

After hearing this disciple's words, Old Man Tianji closed his eyes and said,

"well! This is God's will. It has been hundreds of years since I discovered this Tianji Stone Tablet. I'm afraid there will be no Tianji Pavilion and me, the old man Tianji, in the future."

Boom, boom, boom, boom!

Suddenly, there were bursts of huge noises from Tianji Mountain, and a huge white light pillar shot straight into the sky from Tianji Mountain. Tianji Mountain was instantly shattered by the huge light pillar. Tianji Mountain and Tianji Mountain were shattered. Old Man Tianji has completely disappeared from Tianxuan Continent.

【The Tiandao Stone Tablet appears, and the ranking list of Tianxuan Continent will be announced one month later. The top ten princes list of Tianxuan Continent will be announced one month later. Those on the list will receive Tiandao rewards for their hard work. 】

## Chapter 682

Eastern Continent, Great Qin

In the palace hall,

King Qin Yingzheng is preparing to destroy the Han Kingdom. General Wang Jian, Prime Minister Li Si and others are discussing with Qin King Yingzheng the reactions of the other five countries after the destruction of the Han Kingdom.

King Qin Yingzheng, dressed in a black dragon robe, said to Prime Minister Li Si with dignity,

"Li Si, the other five countries in the east must be appeased this time. The Han Kingdom must be destroyed this time. Our Great Qin wants to leave the Han Kingdom in the east, but it blocks the only way for Great Qin to pass."

"Your Majesty, it is easy to destroy the Han Kingdom, but does Xinzheng City really want it?" Li Si saluted King Qin Yingzheng's hand.

Li Si really couldn't understand why the capital of Han was not captured after the Han Kingdom was destroyed.

How could the Han Kingdom be considered destroyed if the capital of Han was not captured?

King Qin Yingzheng Hearing Li Si's words, his face was filled with anger.

That bastard Wu Xiangjun not only took over Jiuyuan County of Great Qin, but even after he fell out with that bastard, he even booked the city of Xinzheng in the Han Kingdom that Great Qin had not conquered yet.

That damn bastard!

If it weren't for the hundreds of thousands of wolf troops and the direct regiments of that bastard Wu Xiangjun in Jiuyuan County, King Qin Yingzheng would not have cared about the promise he made to that bastard.

King Qin Yingzheng looked ugly and gave the order directly road,

"No, I want to get all the other lands in the Han Kingdom, but we can't have Xinzheng City in the Han Kingdom. This is the condition I promised to that bastard Wu Xiangjun."

"What about King Han?"

"Don't worry, King Han of the Han Kingdom and other ministers and nobles of the Han Kingdom are no longer in Xinzheng City. The new capital of the Han Kingdom should be Nanyang now. Xinzheng City has been controlled by Wu Xiangjun's wife Zinu. We are not We need to take action against Xinzheng City"

"Yes, Your Majesty!"

Boom, boom, boom, boom!

At this moment, bursts of huge noises suddenly came from the sky, and Xianyang Palace was shaken continuously.

"What happened? Protect the king quickly!"

"Your Majesty, there is a strange phenomenon in the sky of Xianyang Palace."

"Go out and have a look."

When King Qin Yingzheng and his civil and military ministers appeared outside the hall, they were very shocked.

They saw colorful clouds rolling in the sky, and then suddenly a huge stone tablet appeared in the sky.

After the stone tablet emitted a burst of white light, some golden The big characters appear on the stone tablet,

【The Tiandao Stone Tablet appears, and the ranking list of Tianxuan Continent will be announced one month later. The top ten princes list of Tianxuan Continent will be announced one month later. Those on the list will receive Tiandao rewards for their hard work. 】

Ying Zheng looked at the Tiandao stone tablet in the sky and said in shock,

"Is this a miracle? Top ten princes list? God rewards hard work? Is this how heaven wants to reward the princes who are on the list?"

Li Si looked at the Tiandao Stone Tablet and said excitedly to King Qin Yingzheng,

"Your Majesty, this is your opportunity. Now our Great Qin is the most powerful country in the Eastern Continent, and your Majesty is the king of our Great Qin. I believe that your Majesty can be on this prince list, and may even be the number one existence."

Qin King Ying Zheng laughed after listening to Li Si's words.

He is the King of Qin, and Qin has millions of troops.

Ying Zheng believes that he will definitely be on the list, and he may even be the first.

But Ying Zheng suddenly thought of Wu Jun Xiang couldn't stop laughing.

That bastard was a monarch.

That bastard would definitely be on the list of the top ten princes this time, and could even surpass his own existence.

Damn it!

That bastard Wu Xiangjun is already so powerful,

Why haven't you established a country and become an emperor?

If that bastard became the emperor, wouldn't he stop competing with himself for the top spot on the prince list?

That shameless bastard would fight against himself even if he was not in the Eastern Continent.

Why hasn't that bastard Wu Xiangjun been killed yet? Death?

Why haven't those idiots like Bai Yifei taken action yet?

At this time, everyone in the northern continent could clearly see the strange phenomenon in the world, whether it was the eastern continent, the southern continent, or even the western continent.

The entire Tianxuan Continent was It can be said that everyone was shocked by the vision of heaven and earth.

Afterwards, everyone in Tianxuan Continent was basically discussing which princes could be included in the first top ten princes list.

-

In Jiangling Mansion,

Su Yan and Zhen Mi were stunned when they saw the vision in the sky.

They did not expect such a vision of heaven and earth to appear.

Even the Tiandao Stone Tablet appeared. A month later, the Tiandao Stone Tablet will announce the tenth anniversary of the Tianxuan Continent. Ranking of great princes.

Su Yan looked at the huge Tiandao stone tablet in the sky and asked Zhen Mi doubtfully,

"Sister Zhen Mi, do you think there are gods on the Tianxuan Continent?"

"No, if there were gods, they would have performed miracles long ago." Zhen Mi touched her chest where her heartbeat was very fast, shook her head and said,

"But how to explain this?"

Su Yan pointed to the Tiandao stele in the sky and asked.

Zhen Mi also looked at the huge Tiandao stele in the sky with a confused expression.

Is this the Tiandao stele created by the gods?

Zhen Mi is also very doubtful about the existence of the Tiandao stele in Tianxuan Continent. no gods

"I don't know, I can't explain it. Su

Yan suddenly looked at the Tiandao Stone Tablet and asked Zhen Mi expectantly, "Sister Zhen Mi, do you think I can be on the list?"

Zhen Mi looked at everyone with expectant faces speechlessly and shook her head.

Why is this little girl's mind racing so fast?

Just now she was discussing gods and now she wants to be on the top ten princes list.

But this top ten princes list Su Can Princess Yan be on the list?

Zhen Mi felt that a princess could not be on the top ten princes list, "How could you, a princess, be on the list? This is the ranking of princes. Your father should be on the list, right?"

Su Yan hurriedly retorted after hearing Zhen Mi's words,

"Why can't the princess be on the list? Although my title is not as good as that of a king, my title is greater than those of a marquis."

"this.....I don't know. Maybe you can be on the list, but don't expect too much. After all, there are countless princes in Tianxuan Continent, and there are probably many powerful princes."

"I know this, I just look forward to it, as long as my father can be on the list."

On a merchant ship going to the Ming Dynasty in the Western Continent,

Su Chen stood on the ship and looked at the vision in the sky and was speechless for a long time. Now he understood why Old Man Tianji was so familiar with the secrets in the martial arts world.

What the hell is Old Man Tianji? Powerful?

I'm afraid Old Man Tianji has obtained this Tiandao Stone Tablet before. He must have used the Tiandao Stone Tablet to publish various rankings in the martial arts world. No wonder there has been no movement for several months after Old Man Tianxuan published the ranking list of martial arts beauties twice. , it turns out that the Tiandao Stone Tablet has returned to the Heavenly Road, and

Old Man Tianji cannot control the Tiandao Stone Tablet.

But is this still an ordinary martial arts and mixed martial arts world?

Why is it becoming more and more fantasy now?

There won't be any gods and demons in the future, right?

## Chapter 683

In the Tianxuan Continent, the princes of the Ming Dynasty, the Great Sui Dynasty, the Great Song Dynasty, the Great Han Dynasty, and the Great Yuan Dynasty are looking forward to the top ten princes list. Even the princes of some small foreign countries are also looking forward to the top ten princes list in a month. The list of princes and princesses is announced.

These princes thought that if they could get on the list, they would get rewards from heaven. The rewards from heaven were very tempting, and they might even get the elixir of immortality in the future.

On the sea,

Su Chen stood on the bow of the boat and took a sip of wine. He looked at the Tiandao stone tablet disappearing in the sky and shook his head. The

Tianxuan Continent will probably be very chaotic in the future. In order to be on the list, those princes, They will definitely expand their power greatly during this month.

Even some forces that are not princes may ask for titles from their countries at this time.

Just when Su Chen thought that Tianxuan Continent would be in great turmoil in the future, a sneaky person appeared next to Su Chen.

When he came to Su Chen, he saluted Su Chen and said,

"grown ups!"

Su Chen discovered this sneaky person when he appeared on the boat. However, this person has not moved in the past few days, and has even been hiding in the room without coming out.

Su Chen is too lazy to care about this sneaky person..

But Su Chen didn't expect that this sneaky person actually knew him, and now he even came to him to salute him.

This was something Su Chen didn't expect.

"Um?"

When Yagyu Taimamomo saw that Su Chen didn't recognize him, he hurriedly said in a low voice to Su Chen,

"Sir, this villain is Tajima Mamoru Yagyu from Japan. I had the honor to meet you once in Chang'an City."

Yagyu Taimashou knew that this man was the leader of a powerful force.

He also took advantage of the chaos and escaped from Chang'an City when this man commanded the Song army to kill tens of thousands of Yuan troops.

Although he did not know the specific identity of this man identity, but this person has some powerful subordinates, and he can even command the Song Dynasty army. This person must be a top noble. He also saw the vision of heaven and earth just now. If he joins this top noble, he will be treated differently in the future. The plan is crucial.

Su Chen looked at the somewhat wretched Yagyu Taimamo and asked in confusion,

"Yagyu Tajima Mamoru? The father of Yagyu Piauxu and Yagyu Yukihome?"

Su Chen did not expect that Yagyu Taimashou would appear here. This Japanese man did not expect that he would not die in Chang'an City. It seems that this Japanese Yagyu Taimashou has a lot of ability to escape.

"Yes, my lord."

Yagyu Tajima Mamoru replied respectfully to Su Chen.

Su Chen was very speechless when he looked at this very cautious and respectful Yagyu Tajima Mamoru.

If he hadn't known the character of Japanese people very well, he would have almost believed this very person. Respectful Tajima Mamoru Yagyu,

Japanese people are all white-eyed wolves who are unfamiliar with him. The reason why Yagyu Taimamomo is so respectful to him now is because he is stronger than him. If this Tajima Mamoru Yagyu is stronger than him in the future, I am afraid this Yagyu Tadama Shou would immediately turn against him and kill him.

Su Chen waved his hand to Yagyu Tadama Shou and said,

"Yagyu Tajima Mamoru, Yagyu Yukihiime and Yagyu Piaoxu are currently working as Mu Guiying's guards in Chang'an City. If you want to find them, you can go to Chang'an City."

When Yagyu Taimashou heard Su Chen's words, he was so frightened that he knelt down in a hurry.

He had never thought about looking for his two daughters again. If this adult didn't hide it from him now, I'm afraid he would be raped by this adult at any time. The guards killed him.

Yagyu Tajima Mamoru didn't believe that this adult would appear on this merchant ship without guards. This adult's guards might be hidden somewhere on this merchant ship. I'm afraid that this adult would just wave his hand and he would The masters hiding around were killed instantly.

Yagyu Tajima Mamoru knelt on the ground and said hurriedly to Su Chen,

"Your Excellency has misunderstood. It is their honor for Yukihiime Yagyu and Piaoxu Yanage to be your escorts. I only met you this time on the boat to Daming, so I came to see you."

"oh? Are you going to Daming too? Are you going to the Ming Dynasty to find Duan Tianya, or are you going to seek refuge with the brave god Hou Zhuwu?"

"this.....To be honest with you, the villain is indeed seeking refuge with the brave God Hou Zhuwu of the Ming Dynasty."

"laugh! Then stay well on the ship, and when you get to Ming Dynasty, you can go and seek refuge with Zhu Wuwu. But if my news is exposed to you, then you don't have to go back to Japan in the future."

"Sir, I came here to seek refuge with you."

"Trust me? Your strength is too weak." Su Chen shook his head when he heard that Yagyu Danma Shou wanted to surrender to him.

He didn't know how to use this white-eyed wolf.

He didn't kill the Japanese this time.

It was already for the sake of sister Yagyu Yukiji who had served him well.

Now

It is simply a daydream to still want to take refuge in him.

Yagyu Taimamo's eyelids twitched when he heard Su Chen's words.

His strength at the master level is still not enough?

He is not even able to be this master's subordinate?

What is the identity of this master?

Yagyu But Ma Shou now wanted to be this master's subordinate even more. He knelt on the ground and begged Su Chen,

"Sir, I know that my strength is too weak and I am not qualified to be your subordinate. However, you also need an errand boy when you go to Daming this time. Although my strength is too weak, I can still be a slave. I hope you can accept me as your slave.."

Su Chen thought about it after hearing what Yagyu Taimamomo said.

It would be good to accept Yagyu Taimamomo, and he would never encounter the wrong boat again when he goes out in the future.

And this time he did not bring his subordinates. Come out, how about accepting Yagyu Taimamomo first?

If he dares to do some small tricks in the future, he can kill him at any time.

In the end, Su Chen decided to accept Yagyu Taimamomo first. After all, there is a master Servants are also good.

Su Chen can let his shadow assassins monitor Yagyu Taimamomoru at any time. If he has any evil intentions, the shadow assassins can execute him at any time.

Just after Su Chen accepted Yagyu Taimamomo,

A woman's voice suddenly called out from behind Su Chen, "Su Chen, why are you a bastard on my boat again?"

"Let me guess, Zhu Qiqi, why are you here?" Su Chen turned around and was very surprised when he saw it was Zhu Qiqi.

Why is this little rich woman also on this boat?

No!

His!

This merchant ship belongs to Zhu Qiqi?

This Zhu Qiqi went to his aunt When Su Cheng returns to Daming, it will be over this time.

Zhu Qiqi knows his identity, and he may be blackmailed by this little rich woman this time.

## Chapter 684

Bai Feifei laughed when she saw Su Chen looking at her in surprise. She didn't expect that this bastard would be on her ship. He even appeared on her ship without his men. This time she wanted revenge.

This bastard humiliated himself severely in Luoyang City in the Sui Dynasty, and even made himself embarrassed in Luoyang alone.

Although she didn't believe that this bastard could beat Shi Guanyin, that was the only time she lost, and she would not let this bastard go.

Zhu Qiqi narrowed his eyes and laughed and said,

"Hahaha! Bastard Su, you fell into my hands this time."

Su Chen felt very helpless when he saw the weird Zhu Qiqi.

Why did this Zhu Qiqi meet her here?

His luck was really bad.

Su Chen looked at the smiling Zhu Qiqi and threatened,

"Little rich woman, you are so ridiculous, are you my opponent?"

"Forehead!"

Zhu Qiqi hurriedly took a few steps back when she heard Su Chen's words.

She had forgotten that this bastard had even forced Shi Guanyin, who was in the Heavenly Realm, to be helpless.

Zhu Qiqi looked at Su Chen and was very wary.

Although He had brought some powerful Jianghu guards with him this time, but compared with this bastard, those guards seemed not good enough.

Seeing Zhu Qiqi's scared look, Su Chen said mockingly, "Smile, why don't you laugh?"

When Zhu Qiqi saw Su Chen's arrogance, he pointed at him angrily and threatened,

"Bastard Su, don't be complacent. We will arrive in Ming Dynasty in a few days. I can know your identity clearly. If you dare to offend me, I will expose your identity. I'm afraid there will be many people looking for you by then. ?"

"Make an offer!"

Su Chen is a little helpless now.

This Zhu Qiqi has seized his weak point.

Although he can defeat Zhu Qiqi with force, after all, he and Zhu Qiqi have no enmity. He even owes this little rich woman a He promised to take action against a beautiful girl who had no grievances and no grudges, but Su Chen was a little reluctant to do so. When

Zhu Qiqi saw Su Chen's submission, she came to Su Chen with a smile. She stretched out three fingers and said to Su Chen with a smile. ,

"whee! Give me three promises. In addition, your fine wine, fried tea, and soap from Gusu City will be sold by my family in Daming from now on."

Su Chen was very speechless when he heard Zhu Qiqi's words.

This Zhu Qiqi is trying to take advantage of the situation!

How could he agree to Zhu Qiqi's conditions?

If he agreed to Zhu Qiqi's conditions, I'm afraid he would be equal to I sold myself to this little rich woman

"Let me guess, why don't you go to heaven? If this doesn't work, you should change some conditions." Su Chen sat on a wooden box and angrily refused to Zhu Qiqi.

When Zhu Qiqi saw Su Chen's refusal, he smiled and waved his hand.

After a while, Zhu Qiqi's guard came over with a cage.

Zhu Qiqi took out a carrier pigeon from the cage, wrote a secret message on the side and tied it to the pigeon's foot.

Zhu Qiqi shook the carrier pigeon in his hand and asked with a smile,

"Is it really not possible?"

Su Chen didn't expect that Zhu Qiqi would threaten him like this. Now he couldn't help but take action against this little witch.

This damn little rich woman seemed to want to teach her a lesson.

But he thought that in this vast sea, he If he falls out with the little rich woman, I'm afraid he will feel uncomfortable. After all, it is impossible for Su Chen to kill this little rich woman.

If he catches Zhu Qiqi and threatens her, although Zhu Qiqi may temporarily agree to him.

But when it comes to the little rich woman of Daming, I will definitely be more right with myself

"you....."

"I won't force you! After all, you are not only powerful, but also very powerful, and your confidante are some terrifying women. I don't want to offend you!"

"Zhu Qiqi, you are a profiteer just like your father. I can only make you a promise. As for fine wine and other things that are not under my control, I can't make the decision."

"make a deal!"

When Zhu Qiqi heard Su Chen's words, he quickly put the carrier pigeon back into the cage.

"Huh? Why did you just agree?" Su Chen looked at Zhu Qiqi and asked with great confusion.

Did he just agree to Zhu Qiqi's promise to seal the deal?

Does this little rich woman just need to make a promise from herself?

"Hahaha! I originally got fine wine, fried tea and soap at a 30% discount. Even if other merchants in Ming Dynasty bought these from Gusu City, they would not have the strength to compete with me.

Su Chen was surprised and asked Zhu Qiqi, "30% off?" How could you get those goods at 30% off?"

If you buy the fine wine, fried tea, and soap in Gusu City, you'll get a 22% discount, and a 30% discount can be said to be free.

How could Zhu Qiqi get the goods at a 30% discount?

Zhu Qiqi patted Su Chen shoulder and said with a smile,

"Thank you very much for this. I just told you my name, and your aunt took me to live in your house, and even regarded me as your confidante, hahaha! If I didn't have some conscience, I might be able to get the goods this time without paying any money."

"Damn it, you are so shameless!"

Su Chen finally understood that this little rich woman was pretending to be her own woman in Gusu City, but she did know this little rich woman. I'm afraid people in Gusu City had also investigated this little rich woman, otherwise it would have been impossible. Treating this little rich woman like this, but this little rich woman really has nothing to do with him.

I am afraid that people in Gusu City will not believe that they have nothing to do with this little rich woman.

After all, I am afraid that everyone in the whole continent knows about his lustful and passionate things. And next to him, Tajima Mamoru Yagyu was very shocked.

He had been dizzy until now.

Su Chen?

Mr. Wu Xiang, Su Chen?

Mr. Tajima Yagyu didn't expect that the master he just recognized was actually Mr. Wu Xiang. Su Chen, this shocked him to the point of dizziness.

When Yagyu Taimashou arrived at the Southern Continent, he inquired about the countries and forces in the Southern Continent.

Wu Xiangjun Su Chen can be said to be at the top of the Southern Continent. People, even the southern continent may be defeated by Wu Xiangjun's army in the future.

There are also Wu Xiangjun's women and those confidante, those women are more powerful and terrifying than the last,

Wu Xiangjun's terrifying and powerful women, I'm afraid that any woman can crush him to death.

Yagyu Taimashou looked at Su Chen with great fear.

He didn't dare to reveal his little thoughts now.

If Wu Xiangjun knew some of his plans, I really will die without a burial place.

Chapter 685

In the capital of Ming Dynasty, a huge merchant ship entered the Yangtze River Estuary from here. From here, it would take two or three days to reach the imperial capital of Ming Dynasty.

On the merchant ship,

Su Chen was sitting on an armchair with a fishing rod bored. While passing the time, he was originally going to disembark in Mingzhou Mansion, but when he heard the news that Ximen Chuixue was going to compete with Ye Gucheng here in Mingzhou Mansion.

Su Chen decided to visit the capital of Ming Dynasty.

After all, Ximen Chuixue was his sworn brother.

Cough cough cough!

He was a sworn brother who was deceived.

Zhu Qiqi came to Su Chen and sat down with her legs crossed.

These days, she was annoyed by this bastard every day. After having this bastard in the originally boring journey,

Zhu Qiqi found it much more interesting.

Seeing Su Chen's depressed look, Zhu Qiqi smiled and said to him,

"Bastard Su, you owe us a promise. If I ask you to redeem your promise in the future, don't deny it."

"Am I that kind of person?"

Su Chen said casually without looking at Zhu Qiqi.

She has been wronged by her these days.

I don't know if Zhu Qiqi will annoy Shen Lang to death when she meets him?

Zhu Qiqi should have met Shen Lang. Have you been to Shen Lang? Su Chen also forgot whether Zhu Qiqi had met Shen Lang.

Zhu Qiqi stared at Su Chen carefully and nodded and said,

"It looks like it to me!"

"I'll go away and don't disturb my fishing." Su Chen pushed away Zhu Qiqi who was in front of him and said impatiently,

"Hahaha! It's amazing that you can catch fish on a moving boat. Are you stupid?"

"Little rich woman, are you very free?"

"yes! What's wrong?"

"If you have free time, you can work as a female celebrity. This will save you from being divorced by your husband's family if you don't become a female celebrity when you get married."

"Shameless! Can your wife be a female celebrity? They are all Jianghu people. I don't believe that those women of yours can be female celebrities. Besides, I am the daughter of Zhu Wanwan of the Ming Dynasty. Do I need to learn to be female celebrities?"

"Holy shit! Being rich means being awesome."

Su Chen was speechless for a moment when he heard Zhu Qiqi's words.

This Zhu Qiqi cannot be treated as an ordinary woman.

If Zhu Qiqi had not met Shen Lang, I am afraid she would have lived a good life with no worries about food and clothing, but in the future she and Shen Lang seem to have a happy ending.

But this is the world of mixed martial arts.

I don't know if Zhu Qiqi will have a happy ending with Shen Lang after suffering all the hardships in the future?

Zhu Qiqi looks at it. This bastard was speechless and happily sat on the chair kicking his white feet.

This time he defeated this bastard again.

It seems that if he is unhappy in the future, he can come to trouble this bastard, so that his mood  
Then you can get better.

Su Chen put down the fishing rod and asked Zhu Qiqi,

"Little rich woman, do you understand the competition between Ximen Chuixue and Ye Gucheng?"

Su Chen wants to know if the fight between Ximen Chuixue and Ye Gucheng took place in the Forbidden City of the Ming Dynasty?

After all, that full moon night on the top of the Forbidden City, with a sword coming from the west and flying immortals from the sky, was a very famous decisive battle on the top of the Forbidden City. He had to go and see it.

After all, Ximen Chuixue was also his sworn brother, and Su Chen would go there to cheer him up no matter what.

But in the mixed martial arts world, was this competition still a conspiracy?

Ximen Will Chui Xue and Ye Gucheng be able to compete in the final?

He couldn't guess this.

Zhu Qiqi shook his head and said angrily,

"How could I understand? You bastard came to the Western Continent with me from the Southern Continent. I don't know what happened in the Ming Dynasty recently, but it seems that Ximen Chuixue is your adopted brother who was tricked. You bastard will not go to see it. Your adopted brother's martial arts competition, right?"

"What kind of adopted brother was cheated? Ximen Chuixue is my sworn brother." Su Chen rolled his eyes at Zhu Qiqi and explained.

Zhu Qiqi pointed at Su Chen and said with an expression of "I know everything", "Liar, you think I don't know that you have set a trap for Ximen Chuixue that you will definitely win." I won the bet and got Ximen Chuixue to be your little brother."

Su Chen stood up and walked to Zhu Qiqi to look at her figure. He touched his chin and smiled and said,

"You, a little rich woman, know quite a lot. Little rich woman, you are wearing a pink bellyband that is exposed today."

Su Chen also didn't expect that Zhu Qiqi had a proud figure at a young age, which was much more powerful than Xiao Longnu.

Although Zhu Qiqi was not very good at martial arts, her business acumen was inherited from her father Zhu Bai Wan.

If Xiao Longnu had an amazing figure, I'm afraid her ranking of martial arts beauties would definitely be even higher. After all,

Xiao Longnu is very beautiful, especially her cold expression, which would probably add even more points..

A very beautiful woman with a very perfect figure and a cold expression. This is the most attractive thing and the most likely to arouse men's desire to conquer. I hope that

Xiao Longnu will not grow any longer in the future. Bend it, otherwise your beautiful face and cold expression will be wasted.

"You are shameless!"

Zhu Qiqi stood up from the chair in a hurry. She crossed her arms with shame and anger and looked at Su Chen warily.

This bastard Wu Xiangjun is a lustful and shameless pervert.

This bastard will not hit her. Right?

Zhu Qiqi is now very worried that this bastard will hit her.

Although this bastard is very interesting and happy to talk to her, she does not want to be the woman of this shameless bastard.

"I'll do it! Little rich woman, if you are wearing a white dress, don't wear a heavy colored bellyband, otherwise people will notice it at a glance."

"Damn bastard, you are a shameless pervert"

"What the hell!"

"Get away from me, or I'll call it molestation"

"Call, you can call now"

"Shameless pervert!"

Zhu Qiqi looked at this bastard and still looked at her intently. She flushed and hurriedly ran towards the cabin with her arms crossed. She was also careless this time.

Why didn't she come out wearing such an unmatched dress without thinking about it? ?

But Xin Hao didn't dare to come here without his own orders, otherwise he would be embarrassed. It's just that this time he took advantage of the shameless pervert.

Damn bastard!

I will never let that shameless bastard go in the future. When

Su Chen saw Zhu Qiqi escaping in a hurry, he sat down and smiled and said to himself,

"A hairless little girl still fighting with me? I have been giving you permission these days, otherwise I would have stripped this little rich woman naked and spanked her."

"You Ruo!"

"Owner!"

Su Chen held You Ruo in his arms and ordered,

"Send a shadow assassin to find out about the competition between Ximen Chuixue and Ye Gucheng. I want to know the time and place of their competition, and even whether there is any conspiracy in it."

"Yes, master!"

Chapter 686

Two days later, the capital of the Ming Dynasty.

Su Chen and Zhu Qiqi lived in a luxurious mansion after arriving in the Imperial Capital of Ming Dynasty. This was a separate courtyard of Zhu Qiqi in the Imperial Capital. There were no people in it except some servants and guards.

The next morning, after Su Chen got up, he came to the hall and saw Zhu Qiqi eating breakfast alone.

Su Chen sat directly next to Zhu Qiqi, picked up his chopsticks, and ate the food while talking to Zhu Qiqi. said,

"Little rich lady, your mansion is so luxurious, it's almost as luxurious as my Wu Xiangjun's mansion."

When Zhu Qiqi saw this bastard sitting next to her, she moved slightly to stay away from this bastard. This bastard was a shameless pervert.

She didn't want to be taken advantage of by this shameless pervert.

But Zhu Qiqi After Qi heard what this bastard said, she looked at Su Chen strangely. Is her mansion going to catch up with this bastard's Wu Xiangjun's mansion?

Isn't this bastard sleepy?

I have seen Wu Xiangjun's mansion before. The most luxurious and beautiful palace is not even comparable to the Ming Palace that has been built for hundreds of years.

Is this bastard mocking her?

When Zhu Qiqi thought of this, he stared at Su Chen angrily and asked, "My mansion Catch up with your Wu Xiangjun Mansion? You bastard don't talk in your sleep, do you?"

Su Chen was eating the delicious food when he noticed that Zhu Qiqi was staring at him nervously again.

He shook his head speechlessly. He did not offend this little rich woman this time.

He just praised this little rich woman for her luxurious mansion. This little rich woman is about to lose her temper.

Is there something going on with this little rich woman?

Otherwise, why would she lose her temper so easily?

"I'll do it! Haven't you lived in my Wuxiangjun Mansion? You should know if your mansion is about to catch up with my Wuxiangjun mansion in terms of luxury."

Zhu Qiqi understood what Su Chen said.

I'm afraid this bastard hasn't returned to Gusu City for a long time, otherwise he wouldn't have said such a thing.

She looked at Su Chen, squinted her eyes and smiled and said, "Bastard Su, how long has it been since you returned to Gusu City?"

"Forehead! It's been more than half a year!"

Su Chen thought for a while and said doubtfully.

It has been a long time since he left Gusu City this time. He doesn't know what changes have happened in Gusu City now, but judging from Zhu Qiqi's appearance, I am afraid that there have been changes in Gusu City. is very big

"I said so!"

"What's wrong?"

"Your Wuxiangjun Mansion is now probably more luxurious and beautiful than the imperial palace of the Ming Dynasty. I am afraid that during your absence in Gusu City, you have no idea how luxurious and beautiful your Wuxiangjun Mansion has been transformed. My little This small mansion is nothing compared to your Wu Xiangjun mansion."

"real?"

Zhu Qiqi nodded heavily and said

"Of course, I have lived in your Wuxiangjun Mansion. Wuxiangjun Mansion now occupies a huge area. It can no longer be called a mansion. It should be called a palace."

"A huge golden black bird stands in the middle square of the palace. Black-backed golden black bird flags are hung everywhere in the palace. Together with your black-armored army guarding the palace, it makes your bastard's palace look very majestic. , magnificent"

"The palace's pavilions, pavilions, Guidianlan Palace, small bridges and flowing water are simply magnificent and beautiful. It is the most beautiful and spectacular palace group I have ever seen. I stayed in the palace for a few days and didn't want to leave."

Zhu Qiqi now thinks of this bastard's Wu Xiangjun's Mansion, no!

It should be this bastard's palace. Zhu Qiqi still has a very yearning expression.

The Xuanniao Palace is the most luxurious and beautiful palace she has ever seen. , I am afraid that the palaces of other empires in Tianxuan Continent are not as good as this bastard's palace.

【What the hell!】

【Those prodigal ladies won't really transform Wu Xiangjun's mansion into a palace, right?】

【How much money does this cost?】

【Damn it, I'm afraid I won't be able to find my mansion when I go back to Gusu City, no! It's his palace now. 】

Su Chen felt very uneasy now.

What he heard Zhu Qiqi said was probably that his Wuxiangjun Mansion had really been transformed into a palace, and it was probably the most beautiful, spectacular and magnificent palace in the entire continent.

Just when Su Chen was thinking about his own Wu Xiangjun's mansion in Gusu City, a maid came in and saluted Zhu Qiqi,

"Miss, Shen Lang is asking to see you outside the house."

"Shen Lang? Why is he here?" Zhu Qiqi heard that Shen Lang came to see her, which made her very strange.

She used to play with Shen Lang, but he had always avoided her.

Why did he come to her this time?

Su Chen heard that Shen Lang came. I was a little confused when I came to Zhu Qiqi.

Shouldn't it be Zhu Qiqi who was chasing Shen Lang shamelessly?

So Shen Lang came to find Zhu Qiqi this time?

Is it the other way around in the world of mixed martial arts?

This time it is Shen Lang's turn Lang came to pursue Zhu Qiqi?

Su Chen looked at Zhu Qiqi and felt that something was going to happen.

He smiled at the surprised Zhu Qiqi and said, "Tsk tsk! It seems that the suitor of the little rich woman has chased her home. Zhu

Qiqi stared at Su Chen with a red face and said angrily,

"Nonsense, Shen Lang has never pursued me. I also thought he was funny and pursued him for a while, but I didn't expect that he would come to me at this time?"

Su Chen pretended to be very surprised and shouted, "I'll do it!" You, a little rich woman, actually fell in love with Shen Lang?"

Zhu Qiqi now wants to strangle this bastard to death.

What do you mean by backstabbing?

She has nothing to do with Shen Lang. This damn bastard doesn't mean to stimulate herself like this, right?

Zhu Qiqi slapped him fiercely when he thought of this. The table said angrily,

"You bastard! What flipping? I just thought he was as funny as a piece of wood, but I didn't fall in love with that piece of wood."

Su Chen looked at the angry Zhu Qiqi in a funny way while eating the food and said,

"Who would believe this? You'd better go see your lover as soon as possible!"

"Damn bastard, Xiaolin, bring Shen Lang over. Zhu Qiqi glared at Su Chen and then told the maid next to him,

"Yes, miss."

The maid Xiao Lin shrank her neck and ran out hurriedly when she saw the angry Zhu Qiqi.

After a while, the maid Xiao Lin came to the hall with a man and a woman, but when they came to the hall, they found a strange scene.

The hall In the hall, Zhu Qiqi and a young man were fighting over food, which made them feel a little incredible.

In the hall, when Zhu Qiqi saw Su Chen wanted to eat food, she deliberately stopped her and said,

"Inglorious bastard, this is my favorite dish, you are not allowed to compete with me."

Su Chen was very speechless when he saw Zhu Qiqi using chopsticks to mess with his choice of food.

"Holy shit! No matter how I eat that dish is your favorite? Why don't you just say that these are your favorite dishes and don't let me eat them?"

"Huh? It can still be like this! These are my favorite dishes, so just drink the porridge next to them!"

"Holy shit!"

Chapter 687

Su Chen was completely speechless towards Zhu Qiqi now. This little rich woman was deliberately going against him. Anyway, he had almost eaten, so Su Chen was too lazy to talk to her now.

But Su Chen felt strange when he saw Shen Lang coming in with a beautiful woman.

Could it be that Shen Lang came with a very beautiful woman to pursue Zhu Qiqi?

So who is this beautiful woman?

"Qiqi!"

After Shen Lang saw him arriving,

Zhu Qiqi never paid attention to him, and even seemed to be flirting with the man. This made Shen Lang feel that Zhu Qiqi was not the same Zhu Qiqi who liked him.

Zhu Qiqi saw that Su Chen had given up to her again, which made her very happy. Originally, she wanted to ridicule this bastard, but Shen Lang had already arrived and she temporarily let Su Chen go.

Zhu Qiqi saw It was strange when Shen Lang arrived with a beautiful woman. Why did Shen Lang have a confidante after not seeing him for a while?

Zhu Qiqi looked at Shen Lang and smiled and said,

"Shen Lang, what do you want from me?"

"Qiqi, who is the young master next to you?"If Shen Lang didn't return to Zhu Qiqi, he now wants to know who the man next to Zhu Qiqi is and why he is with Zhu Qiqi?

Even eating together early in the morning?

Could it be that this man lives in Are you in Zhu Qiqi's house?

Su Chen felt goosebumps all over his body when he heard Shen Lang calling the little rich woman Qiqi. He rubbed his arms and wanted to leave here. He didn't want to eat the dog food here..

But he was pulled down by Zhu Qiqi just as he was about to stand up.

Zhu Qiqi saw this bastard rubbing his arms, and she knew that this bastard must be laughing at her.

Zhu Qiqi could not let this bastard leave. , she must let this bastard know that she and Shen Lang are not in that kind of relationship.

Su Chen, who Zhu Qiqi glared at, said angrily to Shen Lang, "He is just a shameless bastard. If you have anything to say, just say it here." Bar!"

Su Chen was very speechless when he heard Zhu Qiqi's words, come on!

This Zhu Qiqi doesn't know what he is crazy about.

Is this asking him to stay and continue to eat dog food?

Shen Lang looked at Su Chen on the side and said Zhu Qiqi said,

"Qiqi, Ximen Chuixue and Ye Gucheng are about to compete on the top of the Forbidden City in the palace on a full moon night. I want to go and have a look. I just need the yellow satin from the palace to enter the palace. Can Qiqi help me get two of them?"

Zhu Qiqi shook his head and said helplessly,

"I'm afraid this won't work. I haven't received a piece of yellow satin from the palace yet. I still want to see it!"

"What? You can't get the yellow satin from the palace either?" Shen Lang was very surprised when he heard Zhu Qiqi's words.

He knew that Zhu Qiqi was the daughter of Zhu Wanwan, the richest man in the Ming Dynasty.

Now even Zhu Qiqi couldn't get the yellow satin to enter the palace.

This made Shen Lang Something that was unimaginable.

Zhu Qiqi glanced at Su Chen and said to Shen Lang,

"That bastard Lu Xiaofeng is now in charge of the yellow satin in the palace, and I still haven't found that bastard."

Zhu Qiqi knows the relationship between this bastard Su Chen and Lu Xiaofeng. If Lu Xiaofeng knew that Su Chen was with her, not to mention a piece of yellow satin, I'm afraid Lu Xiaofeng would give it to him ten or twenty pieces of yellow satin. It's just that Lu Xiaofeng didn't know

where that bastard with four eyebrows was hiding. Until now, none of her people have found that bastard.

Seeing that Zhu Qiqi couldn't get the yellow satin to enter the palace, Shen Lang looked at Su Chen and said: Zhu Qiqi said,

"Can I stay with you first?

Zhu Qiqi shook his head when he heard Shen Lang's words and said,"No!" This is my private residence. It's a little inconvenient. Shen Lang, you'd better stay in an inn!"

Shen Lang didn't expect that Zhu Qiqi wouldn't even allow him to live here.

Now he thought that the man next to Zhu Qiqi must have a different relationship with Zhu Qiqi, otherwise he wouldn't treat him like this.

Could this be Zhu Qiqi? Shen Lang's family?

Did Zhu Qiqi say that he was afraid that her relationship with him would be exposed and rejected him?

Shen Lang thought of this and smiled at Zhu Qiqi and said,

"Qiqi, but now the inn is full. The competition between Ximen Chuixue and Ye Gucheng attracted countless people from the world. Now there are no rooms in the inn in the imperial capital. Qiqi, you don't want me to sleep on the street, right? Zhu

Qiqi waved his hand and said helplessly,"Then there's nothing I can do. It's really inconvenient for me here.""

Zhu Qiqi doesn't want Shen Lang to live here.

The identity of this bastard Su Chen is not simple. She doesn't want Su Chen's identity to be discovered by Shen Lang.

Moreover, the courtyard here is her private courtyard, and Zhu Qiqi also She didn't want to let an unrelated man move in.

If she hadn't been worried about the identity of this bastard Su Chen being exposed, she wouldn't have let this bastard live in her private residence.

At this moment,

Yagyu Tajima Mamoru came to Su Chen from outside The one next to me saluted and said,

"Owner!"

"Have you found someone?"

Su Chen asked when he saw Yagyu Taimamomoru coming over.

After Su Chen learned that Ximen Chuixue and Ye Gucheng were going to compete at the top of the Forbidden City in the Ming Dynasty Palace on a full moon night, he asked Yagyu Taimamomo to look for him at the Ming Emperor. Lu Xiaofeng, this is why Su Chen wants to try Yagyu Taimashou.

Su Chen wants to know if this Yagyu Taimashou will deliberately expose his identity. If he has any intention, I'm afraid he won't be able to come back now.

Yagyu. But Ma Shou bowed to Su Chen and said,

"The master has been found. I have told him the address here. He said that after a few friends arrive, they will come over to meet the master."

"good! Go down!"

"Yes, master!"

Su Chen didn't expect that Yagyu Taimashou was so capable. Zhu Qiqi sent many people but failed to find Lu Xiaofeng, and Yagyu Taimashou found Lu Xiaofeng in one night.

This Yagyu Taimashou is not useless. If Yagyu Taimashou is in the future But Ma Mamoru has always been loyal to him, and Su Chen can also use Yagyu Tashima Mamoru.

However, he still has to send people to monitor Yagyu Tashima Mamoru. The Japanese Su Chen doesn't really believe it, and Yagyu Tashima Mamoru must have something. The conspiracy was about to be realized.

Zhu Qiqi's eyes lit up when she heard the conversation between Su Chen and Tajima Mamoru Yagyu. She guessed that Su Chen, the bastard, must have asked his men to find Lu Xiaofeng, and it seemed that he had found him now. Lu Xiaofeng,

Zhu Qiqi asked Su Chen excitedly when he thought of this,

"Bastard, your people found Lu Xiaoji?"

Su Chen glanced at Zhu Qiqi and took a sip of tea and said,

"none of your business!"

Zhu Qiqi didn't expect that this bastard Su Chen would not give her face.

Now there are outsiders here.

Is this bastard trying to embarrass her?

Zhu Qiqi thought about this bastard teasing her on the boat, and deliberately did it again today. To make herself look bad, she couldn't help but stretched out her hand, grabbed Su Chen's waist and yelled,"

"Do you want to die? asshole!"

"I'll do it! Let go, let go quickly, are you going to strangle me to death?"

## Chapter 688

Daming, in Hulong Villa.

Zhu Wuli looked at the four spies with bright eyes. Today, the four spies came to him again to prevent Ximen Chuixue and Ye Gucheng from competing in the palace. This made Zhu Wuli a little angry.

Not only will Zhu Wuliang not stop Ximen Chuixue and Ye Gucheng from competing in the palace this time, but he will also transfer some of the guards in the palace from their posts. Only in this way will Nanwang's conspiracy be successful. As long as the Nanwang Crown Prince kills Xiao emperor.

He, Zhu Wuli, can also take the opportunity to suppress the rebellion and rise to power. The mantis stalks the cicada, and the oriole follows behind. He, Zhu Wuli, wants to be that oriole, and the Ming Empire will be his from now on.

Duan Tianya knelt on the ground and said to Zhu Wuwu in a deep voice,

"Foster father, the imperial palace is the center of power of our Ming Dynasty, and it is also the face of the royal family. Ximen Chuixue and Ye Gucheng dare to compete on the top of the Forbidden City. This is a slap in the face of the Ming Empire and an insult to His Majesty the Emperor. As protectors of the royal family, we Longshan Villa, we cannot ignore this matter."

Shangguan Haitang also knelt down and begged Zhu Wuwu,

"Yes, adoptive father We cannot allow this competition at the top of the Forbidden City. We also ask our adoptive father to order an order to prevent Ximen Chuixue and Ye Gucheng from competing at the top of the Forbidden City."

"He also asked his adoptive father (Master Hou) to order to stop Ximen Chuixue and Ye Gucheng from competing at the top of the Forbidden City."

The remaining Guihai Yidao and Cheng Shifei also knelt down and persuaded Zhu Wuwu.

Zhu Wuwu waved his hand and looked at the four spies and said angrily,

"Shut up, everyone, do you think I don't want to stop Ximen Chuixue and Ye Gucheng from competing at the top of the Forbidden City?"

"This competition is not the focus. There is a huge conspiracy in it. If we can't figure out this conspiracy, I'm afraid there will be turmoil in our Ming Dynasty."

"Before you compete on the night of the full moon this time, you must find out who is pushing for Ximen Chuixue and Ye Gucheng to compete at the top of the Forbidden City in the palace."

"Yes, foster father (Master Hou)."

After hearing Zhu Wuwu's words, the four spies looked at each other and replied, and they hurriedly got up to investigate the conspiracy of the competition.

Zhu Wuwu shook his head when he saw the four spies leaving. , he did not believe that the four spies could find out that King An was behind everything. This was his best chance to get the throne, and he would not allow anyone to ruin this plan.

Zhu ignored and looked in the direction of the Ming Palace. He smiled and said to himself,

"In less than a month, the top ten princes list will be announced. I want to be on the top ten princes list, but after I am on the list, I will be the Emperor of the Ming Dynasty. King Nan, your rebellion this time has done me a big favor. I hope you can You can kill the little emperor, but don't let me down!"

Imperial Capital, Shenhou Mansion,

Zhuge Zheng, I and the four famous arresters were talking about the competition between Ximen Chuixue and Ye Gucheng at the top of the Forbidden City in the imperial palace.

Lengxue looked at the people around him and stood up and said coldly,

"I think there must be some conspiracy behind Ximen Chuixue and Ye Gucheng competing in martial arts. One is the Sword Master of the Ming Dynasty, and the other is the Sword God of the Ming Dynasty. Although they are young and have such titles, it is rare and valuable."

"But this can't be a competition for the best sword in the world. You have to know how many swordsmen are stronger than them in Tianxuan Continent. Even in the Ming Dynasty, there are many people of the older generation who are stronger than them."

"The two of them were competing at the top of the Forbidden City. I think there must be an ulterior conspiracy."

"There is indeed a conspiracy"

"But the emperor has agreed to this martial arts competition in the palace. I'm afraid there's nothing we can do to stop it."

"There are a lot of people coming to Jianghu in the imperial capital now. If the emperor cancels the martial arts competition in the palace at this time, I am afraid it will not be good."

Chasing life, ruthlessly, Iron Hands also expressed their opinions. It is impossible to prevent the martial arts competition at the top of the Forbidden City in the palace.

But this time, there must be something fishy about the martial arts competition between Ximen Chuixue and Ye Gucheng, which may require the four of them. A famous arrest needs to be investigated.

Zhuge Zheng took a sip of tea and said expressionlessly,

"The four of you put aside everything and do your best to investigate who is behind this Ximen Chuixue and Ye Gucheng's fight at the top of the Forbidden Palace. I suspect that Ximen Chuixue and Ye Gucheng were also used by someone with ulterior motives this time."

"Yes, Lord Shen!"

At the same time, the Jinyiwei, Dongchang, and Xichang of the Imperial Capital of the Ming Dynasty are also investigating the martial arts competition between Ximen Chuixue and Ye

Gucheng. The Imperial Capital of the Ming Dynasty is currently in a turbulent situation, and earth-shattering changes can break out at any time.

And at this time, In the Imperial Capital of the Ming Dynasty, many Jianghu sects have arrived in the capital. The Wudang Sect, Emei Sect, Huashan Sect, Shaolin Temple, Kunlun Sect and other famous sects have arrived in the Imperial Capital of the Ming Dynasty. Even people from demonic sects such as the Sun Moon Sect and the Ming Sect have arrived.

They all appeared in the Imperial Capital of Ming Dynasty. Now people with swords and swords can be seen everywhere in the Imperial Capital of Ming Dynasty. In an inn, this is an inn chartered by the Emei Sect. The whole inn is full of beautiful nuns coming and going.

In a room of the inn , Zhou Zhiruo looked at Master Jue who was sitting drinking tea and couldn't understand why she suddenly came to Ming Emperor Capital to watch the martial arts competition when the Ming Cult was being destroyed?

Is this martial arts competition more important than the Ming Cult?

Zhou Zhiruo really couldn't understand. Then he asked Master Mijie,

"Master, this time we from Emei are sent to the capital of the Ming Dynasty to watch the competition between Ximen Chuixue and Ye Gucheng. So won't we deal with the Ming Jiao?"

Mr. Mijie put down her teacup, looked at Zhou Zhiruo and said with a smile,

"No, the Mingjiao needs to be dealt with, but it's not the right time yet. None of the other major sects are trying their best to destroy the Mingjiao. It's not worth the gain to deal with the Mingjiao now. Only the best of our major sects can destroy the Mingjiao. Otherwise, Some trash fish used to be just food delivery."

Zhou Zhiruo shook her head when she thought of the Jianghu people from various major sects who had gathered earlier.

Those Jianghu people from various major sects are all innate and acquired practitioners. If these Jianghu people go to attack the Mingjiao, they may never come back.

"That's it! So this time we are just watching Ximen Chuixue and Ye Gucheng compete?"

Master Mijie looked at Zhou Zhiruo and thought of that girl Su Yan, but that girl is still too young now, and now Mr. Wu Xiang is becoming more and more powerful. I am afraid that Mr. Wu Xiang may regret the original agreement, but fortunately His own apprentice Zhou Zhiruo is not bad either.

Zhou Zhiruo learned those martial arts secrets at Wu Xiangjun's Mansion, and now she is a master in the middle stage of a grand master. She is even just one step away from catching up with her cultivation level.

Master Mijie Looking at his proud disciple, he said seriously,

"Not entirely, Zhiruo, don't you think this competition between Ximen Chuixue and Ye Gucheng is a bit strange? Why do they compete at the top of the Forbidden City in the Imperial Palace of the Ming Dynasty? Who is prompting this competition at the top of the Forbidden City?"

Zhou Zhiruo also couldn't understand at first how two swordsmen in the early stage of the Grand Master could compete on the top of the Forbidden City. You must know that there are many powerful masters in the Ming Dynasty Palace. How could

Ximen Chuixue and Ye Gucheng let the Ming Dynasty defeat them? The emperor allows martial arts competitions in the palace?

There must be some conspiracy here,

"Um! I can't understand this either. I guess there will definitely be turmoil in the Ming Dynasty this time. The competition should not be the focus. The focus is on the people behind the competition."

"right! This time we want to see who can cause chaos in the Ming Dynasty. If it is a foreign race that is engaged in conspiracy, then it is impossible for us Jianghu sects to stand idly by."

Chapter 689

In Zhu Qiqi's house,

Zhu Qiqi and Su Chen were looking at each other with big eyes and small eyes. However, after a while, Zhu Qiqi's face was red and defeated. She did not expect that this shameless bastard would actually take action.

When Zhu Qiqi felt the hand on her leg, she hurriedly appeared on the other side of the table.

She looked at Su Chen and wanted to strangle this shameless pervert to death again.

Zhu Qiqi hid far away from Su Chen and stared at Su Chen with shame and anger, saying,

"Shameless!"

Su Chen rubbed his waist when he saw Zhu Qiqi running away.

This little rich woman was really cruel. This time, her waist suffered again. It seems that all her women are the same and like to pinch their waists at every turn. , I have to be careful about my waist in the future.

When Su Chen heard Zhu Qiqi scolding him, he said helplessly,

"Come on! We are half a pound to half a pound. If you hadn't made the first move, would I have made the move?"

Zhu Qiqi wants to kill this bastard now.

Is this a physical matter?

This bastard is obviously teasing her.

She just pinched this bastard's waist, but this bastard actually dared to touch herself.

This Zhu Qiqi, who had never been teased like this before, was very angry.

"You are a shameless bastard."

Shen Lang felt very uncomfortable now. Why did

Zhu Qiqi, who had always followed him like a follower, start flirting with a man in front of him?

Shen Lang came to Zhu Qiqi and wanted to know her. What is the relationship with this man?

"Qiqi! you....."

When Zhu Qiqi heard Shen Lang calling her, she hurriedly interrupted Shen Lang and asked doubtfully, "Shen Lang, why haven't you left yet? I can't let you stay here. You'd better go to the inn quickly. Yeah."

Zhu Qiqi discovered that Shen Lang hadn't left yet, which made her feel that Shen Lang had seen everything she had just done.

This made her feel a little embarrassed.

She was so embarrassed this time, and it was all because of Su Chen, a shameless bastard.

Shen Lang's face turned dark when he heard Zhu Qiqi's words.

Zhu Qiqi actually forgot that he was still here?

Is this still the little beauty Zhu Qiqi who is obedient to him?

Shen Lang didn't expect that he had no sense of existence now. He looked at Su Chen and felt that this man must not be a good person.

Just now he saw Zhu Qiqi running away from this man with a red face. This man must have done something dirty to Zhu Qiqi just now.

Shen Lang felt that he couldn't leave, otherwise Zhu Qiqi wouldn't know how to be bullied by this dirty man.

Shen Lang looked at Zhu Qiqi and pointed at the beautiful woman next to him and said,

"No, Qiqi, I really can't find an inn now, and I brought a woman with me. Just let me stay here for a while. If there is an inn with a room, I will go and stay in the inn immediately."

Zhu Qiqi looked at the beauty next to him and asked curiously,

"Huh? You look down and out and there is a beautiful woman who likes you. Why don't you introduce her to me?"

Shen Lang saw that Zhu Qiqi noticed Bai Feifei, and he felt that there was hope for living here. As long as Zhu Qiqi could sympathize with Bai Feifei, then there is a high probability that Zhu Qiqi would let them stay.

"This is Bai Feifei, a girl I rescued on the way to the imperial capital. Qiqi, don't get me wrong."

Zhu Qiqi nodded and said with a smile,

"oh! So that's it, but you still have to leave. It's really not convenient for you to stay here, but I will arrange an inn for you. After all, my family has several inns in the imperial capital, and I won't let you sleep on the street."

Su Chen patted the table and laughed and said to Zhu Qiqi, "Hahaha! Little rich woman, if you had said this earlier, it would have been over."

Su Chen now understands that although Zhu Qiqi and Shen Lang know each other, they do not fall in love at first sight with Shen Lang like in the TV series.

Now Zhu Qiqi and Shen Lang should be some kind of acquaintances. , otherwise Zhu Qiqi would not be teasing Shen Lang like this. Moreover, Shen Lang seems to be a little hostile to himself.

Could it be that Shen Lang is interested in Zhu Qiqi?

If so, there will be a good show.

There is also a beautiful woman next to him. Bai Feifei, this woman is a ruthless character. It seems that Bai Feifei is still the master of the ghost palace.

Su Chen knows that Bai Feifei seems to be a beautiful and pure woman in appearance, but she is a cruel and ruthless woman in her heart.

Such a beautiful woman is often a very sophisticated, smart and vicious woman.

He did not want to provoke such a beautiful and vicious woman.

Su Chen did not expect Bai Feifei to appear next to Shen Lang so soon, but there will be no such thing in the future. Zhu Qiqi is competing with her for Shen Lang, so let Shen Lang sleep with this cruel woman.

"Shut up you bastard!"

Zhu Qiqi is so angry now.

Can't this bastard just sit there and drink tea?

She just wants to play tricks on Shen Lang. When she asked him to play, Shen Lang always refused with a cool expression. Himself.

Now Shen Lang has come to beg for herself. If she doesn't seek revenge from Shen Lang, she will not be Zhu Qiqi.

Shen Lang's face is full of anger now.

He did not expect that Zhu Qiqi is taking it out on him.

This is Want to take revenge on him for rejecting her?

Shen Lang looked at Zhu Qiqi and walked outside. He would not beg Zhu Qiqi again. He didn't believe that he could not find a place to live in such a big Ming Dynasty. place.

Bai Feifei looked at Su Chen and Zhu Qiqi and walked out without saying a word, but when she turned to leave, there was some ruthlessness on her face.

This time Shen Lang was humiliated here, but she would not If you let these two people go, tonight will be the day they die.

Su Chen was very surprised when he saw Bai Feifei leaving. He did not expect that Bai Feifei was actually a master in the late stage of the Grand Master. If it weren't for the murderous intention she showed when she left, I'm afraid Su Chen would have died. Chen also thought that she and Shen Lang were both masters.

Su Chen looked at Zhu Qiqi and reminded,

"Little rich lady, it seems you are in trouble"

"What's my trouble?"

Zhu Qiqi was very speechless when he looked at Su Chen.

If this bastard hadn't talked nonsense, Shen Lang wouldn't have left angrily just now. It seems that he can't continue to tease Shen Lang in the future.

Su Chen came to Zhu Qiqi and said He touched her hair and said,

"That Bai Feifei just now is not simple. That Bai Feifei is a master in the late stage of Grand Master. When she turned around and left just now, she showed some murderous intent. It seems that she will come to you tonight."

"You didn't lie to me?"Zhu Qiqi was about to open the bastard's hand that touched her hair, but she was stunned when she heard Su Chen's words.

Bai Feifei is actually a master in the late stage of a grand master?

So how can Shen Lang, a master in the early stage of cultivation, be saved? Her?

And why did Bai Feifei come to see her at night?

Is it because she had just teased Shen Lang?

Zhu Qiqi didn't think that Bai Feifei came to chat with her at night. It seemed that Bai Feifei came to kill him at night to vent his anger on Shen Lang.

Chapter 690

Su Chen nodded when he saw Zhu Qiqi's thoughtful look.

Zhu Qiqi was indeed Zhu Wanwan's daughter. It seemed that she had guessed that Bai Feifei would come to kill her at night.

It's just that why should a woman embarrass a woman!

Zhu Qiqi was just joking with Shen Lang that Bai Feifei was going to kill someone. It seemed that Bai Feifei was really a cruel woman.

Su Chen looked at Zhu Qiqi who was still thinking about the Bai Feifei he was talking about. He smiled and patted her head and said,

"Why are you scared? Zhu

Qiqi blushed and opened Su Chen's hand to pat her head and said in embarrassment,

"Go away! What do I have to be afraid of? It's just a great master. It's not like there's nothing in my family. If Bai Feifei dares to come and kill me tonight, I'll make sure she never comes back.

Su Chen gave a thumbs up, smiled and praised Zhu Qiqi, "Domineering!" Little rich woman, you are really domineering now."

Zhu Qiqi glanced at Su Chen with a cool look and said,

"Inglorious bastard, do you praise me if I use it?"

"I'll do it!"

Su Chen was speechless when he looked at the nervous Zhu Qiqi.

This little rich woman really doesn't need to be praised.

Why would she go to heaven if she praised her?

Hasn't anyone praised this little rich woman before?

Su Chen shook his head. He shook his head and continued to pour the tea.

He was waiting for Lu Xiaofeng and the others to come over. Maybe Ximen Chuixue would come with him, right?

When they arrived, he would know whether the competition between Ximen Chuixue and Ye Gucheng was still the same as in the movie and TV series. Same?

At this time, in a dilapidated small courtyard in the capital of the Ming Dynasty,

Lu Xiaofeng, Hua Manlou, Sikong Zhaixing, Ximen Chuixue, and Ye Gucheng were all drinking here. None of them were in the small courtyard. While talking, they just kept their heads down and drank.

The competition between Ximen Chuixue and Ye Gucheng was planned, and they didn't even know who planned it.

Ximen Chuixue and Ye Gucheng had no intention of competing now. What were they fighting for? The best sword in the world.

But now in the Ming Dynasty, no!

Even the entire Tianxuan Continent probably knows that they are going to compete on the top of the Forbidden City in the Ming Dynasty.

This makes it difficult for them to ride a tiger now.

If they are on the top of the Forbidden City in the Ming Dynasty Imperial Palace The martial arts competition may fall into the trap of those behind the scenes. If

Ximen Chuixue and Ye Gucheng do not compete on the top of the Forbidden City in the palace, they may be ruined in the world in the future. Although they are not responsible for this, there are Who believes it?

Lu Xiaofeng took a sip of wine and said, "Don't even think about it. Let's go meet someone first."

"Who to meet?"

Sikong Zhaixing asked suspiciously when he heard that Lu Xiaofeng was taking them to meet someone.

Lu Xiaofeng shook his head and said depressedly,

"I don't know, but just now a Japanese guy came over and gave me a letter, but there was only one word in the letter, [Come]! Holy shit! I still don't know who sent me the letter."

Lu Xiaofeng still can't figure out who the Japanese master is?

Why did he want to see him?

Leave a word "come" to return him?

Who is that damn Japanese master?

Sikong Zhaixing looked at Lu Xiaofeng He said angrily,

"Just one word [come]! You still don't know who wrote the letter? Then screw yourself, if the person who wants your life sets a trap for you, you Lu Xiaoji will eat a dead chicken."

"Who do you think it is?"

Hua Manlou asked Lu Xiaofeng while drinking.

"Lord Wu Xiang! Lu

Xiaofeng thought for a moment and said seriously.

Sikong Zhaixing was surprised when he heard Lu Xiaofeng's words and said,"What?" Lu Xiaoji, what are you dreaming about? I'm afraid that bastard Wu Xiangjun is leading his troops to destroy the Song Dynasty now? How could that bastard of his appear in Ming Dynasty?"

"Lord Wu Xiang! How could he be here?"Hua Manlou didn't expect that the person Lu Xiaofeng would talk about was Lord Wu Xiang.

I'm afraid it's impossible for Lord Wu Xiang to appear here.

Now Lord Wu Xiang's army is fighting on multiple fronts, including the Yuan Dynasty, the Song Dynasty, and the Jin Kingdom. Now they are all being beaten back by Wu Xiangjun's army.

Even the capital of the Jin Kingdom has been surrounded by Wu Xiangjun's daughter. I am afraid that the destruction of the Jin Kingdom will only take about a month. At this time, Wu Xiangjun is absolutely It's impossible to appear here

"It's possible that the letter's writing style is like that of Wu Xiangjun."Ximen Chuixue also stood up and said coldly at this time.

Sikong Zhaixing said with a confused face when he heard Ximen Chuixue's words,

"What the hell! I have forgotten that you are Wu Xiangjun's sworn brother. Is it really Wu Xiangjun who is here?"

"Didn't he come to Ming Dynasty without the martial arts competition? That bastard Wu Xiangjun would also do other big things?"

"Let's leave the Ming Dynasty. The things that bastard usually causes are big things. I'm afraid there will be another battle between land gods and gods in the Heavenly Realm this time in the Ming Dynasty? For the sake of our own lives, we should leave the imperial capital."

Sikong Zhaixing knew that Wu Xiangjun, that bastard, was causing trouble everywhere.

During that time in the Sui Dynasty, he was always on tenterhooks. If it wasn't for his fate, he would have died in the Sui Dynasty.

Now that bastard is here to cause trouble again. Daming,

I'm afraid even if this incident hadn't happened, that troublemaker Wu Xiangjun would have turned Daming upside down.

"Is Wu Xiangjun really that scary?" Hua Manlou asked suspiciously when he saw Sikong Zhaixing looking worried and about to run away.

Sikong Zhaixing, Lu Xiaofeng, and even Ximen Chuixue all nodded heavily. Wu Xiangjun's ability to cause trouble is really too strong. , and the enemy that appears every time is the Grand Master. They have seen the land gods in the heaven and human realm many times.

They have never seen the land gods in the heaven and human realm before, but with Wu Xiangjun With that bastard together, they have seen all the land gods in Tianxuan Continent.

Among the land gods in the heaven and human realm, the three of them have met many people, such as Shi Guanyin, Madam Yedi, Tianseng, Pang Madara, there are also the Marquise Bai Ruobing who has never been seen before, Donghuang Taiyi of the Yin Yang family, and even Dini who was killed by the Marquise who was killed before she even appeared. This is really scary.

"I would like to meet Mr. Wu Xiang." Ye Gucheng Leng Ao said with a smile on his face.

Sikong Zhaixing twitched his lips when he saw Ye Gucheng looking like he wanted to see Lord Wu Xiang. He is really going to die!

"Ye Gucheng, that bastard Wu Xiangjun really can't be with him. Although Wu Xiangjun is a very good person without any aristocratic viciousness, he is too threatening to be around."

Ye Gucheng looked at Lu Xiaofeng, Ximen Chuixue, and Sikong Zhaixing, who all looked ugly, and asked in confusion,

"How dangerous is it? You are all great masters after all, are you really that scary around Mr. Wu Xiang?"

Lu Xiaofeng patted Ye Gucheng's shoulder and said sincerely,

"The enemies of the Heavenly Realm, and the last one are the enemies of the Grand Master, Ye Gucheng, think about that scene, right?"

"Holy shit!"
