Chapter 691

Ye Gucheng was shocked when he heard what Lu Xiaofeng said.

Every time Wu Xiangjun caused trouble, his enemies would appear as land gods in the heavenly realm?

The last enemy is still the Grand Master?

This is simply too dangerous!

Ye Gucheng, Lu Xiaofeng and others have just been promoted to grand masters not long ago. I am afraid they will have to kneel when they encounter some powerful grand masters.

Although Ye Gucheng is relatively silent and arrogant, he is not a stubborn person. Now he is also a little afraid of going to Wu Xiangjun's place.

Hua Manlou was also very confused now.

This time he finally understood what Sikong Zhaixing said. This Lord Wu Xiang was very dangerous. He could not go to find Lord Wu Xiang this time no matter what.

Hua Manlou stood up and said hurriedly to Lu Xiaofeng and the others,

"call! So what else are we going to do? Why don't we leave the Ming Dynasty Capital as soon as possible? I'm afraid it will be very dangerous here from now on. We can't go looking for death."

Lu Xiaofeng took a big sip of wine and said helplessly,

"I'm afraid it's too late now. Mr. Wu Xiang actually sent someone to look for me. He will definitely not let me escape from the Ming Dynasty. Moreover, this time Ximen Chuixue and Ye Gucheng are competing on the top of the Forbidden City. I'm afraid we won't be able to leave either. Let it go."

Sikong Zhaixing now also knows that it is impossible for them to leave the Ming Dynasty. Even if Wu Xiangjun does not come, they cannot ignore the affairs of Ximen Chuixue and Ye Gucheng. After all, they are all good friends.

"What the hell! If that bastard Wu Xiangjun doesn't command the army in the Song Dynasty, why is he wasting his time here? Aren't the Great Sui, the Great Song, and even the Great Qin in the Eastern Continent not enough of a scourge for that bastard?"

"Shall we still go to Wu Xiangjun's place now? Ximen Chuixue looked at everyone here and said with a cold face.

Lu Xiaofeng took out a box from under the table, shook his head and said, "Go!" It's a blessing, not a curse, but it's a curse that cannot be avoided. I hope Mr. Wu Xiang won't cause any trouble this time."

Sikong Zhaixing and the others looked at each other and nodded. This time Wu Xiangjun and the others will not be able to see each other, but they are all very uneasy.

In an inn in the capital of the Ming Dynasty,

Fu Hongxue stood between two people with a bruised nose and a swollen face. He didn't dare to breathe when he was surrounded by beautiful women. One of these two beautiful women was his adoptive mother Hua Baifeng, and the other was her mother's maid Shen Sanniang.

Hua Baifeng sat on the chair with an expressionless face. She was cold and beautiful. There is an angry expression on her face now.

She is wearing a white dress and her figure is very plump. Her convex figure and cold face make people know at a glance that she must have been a top peerless beauty when she was young..

Fu Hongxue looked at the angry Hua Baifeng and lowered his head.

Fu Hongxue had hurriedly returned to the northwest where her mother lived in seclusion since the war in Chang'an City. However, when he told her mother Hua Baifeng and Shen Sanniang about Wu Xiangjun, Fu Hongxue was severely punished by Hua Baifeng.

Fu Hongxue was now even more certain that his mother Hua Baifeng and Wu Xiangjun must have had an entanglement.

Otherwise, why would his mother Hua Baifeng beat him after he told those things? She even kept treating him Shen Sanniang, who is very gentle, can also beat herself.

He is now thinking about her mother Hua Baifeng and Shen Sanniang beating him.

He did not expect that his mother turned out to be a powerful master.

As for how strong he did not know.

Fu Hongxue thought of what her mother taught her before. When he was doing martial arts, he only showed his master's level of cultivation.

This time her mother's exposed strength shocked Fu Hongxue.

His mother Hua Baifeng's maid Shen Sanniang was both a master at the peak of the grand master. I'm afraid her mother Hua Baifeng She was so powerful that she couldn't even imagine it.

Hua Baifeng was very angry when she saw Fu Hongxue standing aside.

Hua Baifeng didn't expect that Fu Hongxue actually thought that she and that Wu Xiangjun had an affair, and even separated her due to some conflicts?

She has nothing to do with Wu Xiangjun, and she has never even met Wu Xiangjun.

It must be that pervert Wu Xiangjun who ruined her innocence in front of Fu Hongxue.

Hua Baifeng is now innocent. , even the marriage between her and Bai Baiyu was faked by them.

Hua Baifeng never thought that Wu Xiangjun knew that Fu Hongxue was not her son, but that bastard Wu Xiangjun probably didn't know that Ye Kai was not her biological son. Ye Kai didn't

know either. She asked the maid Shen Sanniang to keep the child, otherwise Hua Baifeng would not be able to tell that Bai Tianyu's wife exchanged her son?

Hua Baifeng thought that she had inadvertently absorbed a mysterious energy in a broken secret place, and even She also got a king-level martial arts secret book.

For decades, she was unable to come out of the secret place in order to digest the mysterious energy.

She never thought that someone would dare to insult her innocence.

Hua Baifeng looked at Fu Hongxue, who had a bruised nose and face. He said angrily,

"Hongxue, are you sure that Lord Wu Xiang is in the Ming Dynasty Capital?"

Fu Hongxue nodded hurriedly when she heard Hua Baifeng's words and said,

"Mother, Ximen Chuixue, the sworn brother of Wu Xiangjun Su Chen, is going to compete with Ye Gucheng at the top of the Forbidden City in the Ming Dynasty. He will definitely come to the Ming Dynasty Capital to watch the competition. Hua

Baifeng slammed the table and said, "Go find that bastard Su Chen now. I won't let go of that bastard who ruined my innocence this time.""

"Yes, mother."

Fu Hongxue hurriedly ran out of the room.

He is now very afraid of his mother Hua Baifeng. Ever since his mother revealed her powerful strength, Fu Hongxue has been worried. He is afraid that his mother will beat him at every turn. After

Fu Hongxue went out,

Shen Sanniang poured Hua Baifeng a cup of tea and asked doubtfully,

"Miss, why did that bastard Wu Xiangjun know what happened to us? Is he also an old monster?"

Hua Baifeng shook his head angrily and said,

"Impossible. Wu Xiangjun Su Chen is indeed a young man in his twenties. It is impossible for him to know what happened back then. Moreover, only you and I know what happened back then. Why does Wu Xiangjun Su Chen know about it? This is also true for me. Can't understand"

"Then why did Wu Xiangjun Su Chen tell Fu Hongxue that the lady and I were his former women?" Shen Sanniang was very ashamed and angry when she thought about what Fu Hongxue told them when she came back this time.

She never thought that decades later, she and Miss Hua Baifeng would be insulted by a kid in his early twenties. This also made the always gentle The generous Shen Sanniang was very ashamed and angry.

Hua Baifeng became even more angry when he heard what Shen Sanniang said.

He was very ashamed and angry when he thought of what Fu Hongxue had said before.

Fu Hongxue was also an idiot. He had not left that secret place for decades. Didn't he Is it clear?

But that idiot actually believed everything that shameless pervert Wu Xiangjun said. This made Hua Baifeng want to teach that idiot a lesson again.

"Damn Wu Xiangjun, that bastard is probably deceiving Hongxue. This bastard Hongxue trusts people too easily. He actually thinks this is true. I'm really angry to death."

Chapter 692

Hua Baifeng is getting more and more angry when she thinks of that bastard Wu Xiangjun.

That bastard slandered her for no reason.

Now I'm afraid there are many people who know about her relationship with that bastard. This time, she was really ruined by that bastard. clean.

Shen Sanniang looked at the angry Hua Baifeng and asked worriedly, "Miss, you won't kill Mr. Wu Xiang after you find him, right?"

"how? That bastard ruined our innocence. Am I not allowed to kill him?" Hua Baifeng looked at Shen Sanniang and was very confused.

That bastard Wu Xiangjun insulted their innocence. Why does Shen Sanniang seem to want to speak for that bastard?

Does Shen Sanniang know that bastard?

Shen Sanniang just goes out to buy some daily necessities every month. , it is impossible for her to know Wu Xiangjun who was far away in the Song Dynasty.

So what happened to Shen Sanniang?

Seeing Hua Baifeng's confused expression, Shen Sanniang knew that she had misunderstood.

She just felt that Fu Hongxue was a bit honest and not very flexible, and From Fu Hongxue's account, it seemed that these were all Fu Hongxue's guesses.

Shen Sanniang was also worried that Hua Baifeng had killed the wrong person.

Shen Sanniang hurriedly waved her hand to Hua Baifeng and said,

"no! I think it's best to ask clearly. Hongxue only gave a general idea, and from Hongxue's account, it seems that Mr. Wu Xiang didn't personally say that we were his women."

Hua Baifeng now feels that Shen Sanniang is too gentle and kind.

She is still dozens of years old, but Shen Sanniang has not changed at all.

Fortunately, Shen Sanniang has been accompanying her secretly for decades, otherwise Shen Sanniang would have been killed long ago. She was deceived and still knew nothing.

Hua Baifeng gave Shen Sanniang, the maid who was as close as a sister, a blank look and said,

"What else do you want to ask? This is obvious. Our reputation has been ruined by that bastard. I must kill that bastard."

Shen Sanniang thought about it and felt that Hua Baifeng was right. In any case, that Wu Xiangjun has ruined their innocence. And I'm afraid there are already many people in the Song Dynasty who know about this matter, even if they are killed now That bastard had nothing to accuse him of. Fu Hongxue was walking boredly on the streets of the Ming Dynasty. He didn't know where Wu Xiangjun would appear. Who else did he know in the Ming Dynasty? I don't know, Ximen Chuixue hasn't shown up yet, so where should he go to find that bastard Wu Xiangjun?

"Damn Wu Xiangjun, not only was he beaten by his mother this time, he even went out to look for that bastard now. If he finds that bastard in the future, I'm afraid that bastard will be unlucky."Fu Hongxue smiled sinisterly when she thought of her mother Hua Baifeng's strength.

Fu Hongxue is now very sure that his mother is a land fairy in the heavenly realm. Shen Sanniang is also at the peak of the Grand Master's cultivation realm. Her mother Hua Baifeng's strength will be Weak?

"Fu Hongxue?"

Just when Fu Hongxue wanted to find that bastard after Wu Xiangjun, and that bastard would be taught a lesson by his mother, suddenly he heard someone calling him from behind.

Fu Hongxue turned around and found several people with cloaks appearing in front of him. Behind him, Fu Hongxue saw a person lifting his cloak and realized it was Lu Xiaofeng.

He looked at the sneaky looks of Lu Xiaofeng and the others and asked in confusion,

"Lu Xiaofeng, what are you doing?"

"Afraid of being discovered, let's go and talk." Lu Xiaofeng pulled Fu Hongxue and walked to a secret corner.

In a secret corner,

Lu Xiaofeng saw Fu Hongxue watching Sikong Zhaixing and they smiled and introduced him,

"Fu Hongxue, these are my friends Sikong Zhaixing, Huamanlou, Ye Gucheng, and Ximen Chuixue. Why are you here in the capital of the Ming Dynasty?"

"This is Fu Hongxue, also my friend." Then Lu Xiaofeng also introduced to Sikong Zhaixing and the others.

Fu Hongxue didn't expect that Ximen Chuixue and Ye Gucheng who were competing on the top of the Forbidden City were both here. This surprised him. They looked like they should be friends. Why would they want to How about competing at the top of the Forbidden City?

But he didn't care about asking these questions now.

Fu Hongxue looked at Ximen Chuixue and asked hurriedly,

"Ximen Chuixue? I was about to find you. Where is your sworn brother Wu Xiangjun now? I have something important to see him."

When Lu Xiaofeng heard that Fu Hongxue was also looking for Wu Xiangjun, he did not expect that Fu Hongxue also knew that Wu Xiangjun was in the Ming Dynasty.

Lu Xiaofeng patted Fu Hongxue's shoulder and said sinisterly,

"Are you looking for Mr. Wu Xiang?"

"yes!"

"Come with us then, we're going to find that bastard now." Lu Xiaofeng winked at the others and took Fu Hongxue to find Su Chen.

Lu Xiaofeng didn't care what the relationship between Fu Hongxue and Su Chen was. If they could join a master this time, they could also have one more helper. After all, Fu Hongxue's strength was also Not weak.

If that bastard Su Chen does something again, they all will have someone to take care of them together. At least they won't be instantly wiped out by the powerful enemies provoked by Su Chen.

Sikong Zhaixing and the others saw Lu Xiaofeng's eyes. They all smiled.

Anyway, dead Taoist friends are not dead.

With one more person to be implicated, they can at least feel more relaxed.

"Oh well."

Fu Hongxue hurriedly nodded after hearing Lu Xiaofeng's words.

This time, he was very lucky. As soon as he found that bastard, he would tell his mother immediately. As for whether Wu Xiangjun would be disabled by her mother, this is It's not what he should care about.

In Zhu Qiqi's mansion,

Su Chen was lying on a rocking chair and basking in the sun. It was almost noon now, and he believed that Lu Xiaofeng and his friends would arrive soon.

But he looked next to him Zhu Qiqi, who was also basking in the sun, was very speechless. Why is this Zhu Qiqi so idle?

Doesn't she need to take care of her family's business?

Su Chen looked at Zhu Qiqi's perfect figure lying on the rocking chair. , he moved his throat and said,

"Little rich lady, are you free?"

"What do you think?"

"Why don't you go out and take care of your family's business if you don't have time?"

"I don't need to do that. I just need to keep an eye on you, you bastard."

Su Chen wanted to beat Zhu Qiqi when she heard what she said. Did this little rich woman regard him as a naughty child?

"I'll do it! Am I a child? Are you still using this little rich woman like you to read it?"

Zhu Qiqi looked at Su Chen and smiled disdainfully.

She couldn't trust this bastard to leave him alone in her house, otherwise she might not be able to find her house when she went out.

Zhu Qiqi knew that This bastard's ability to cause trouble is very powerful.

"laugh! You bastard is very capable of causing trouble. You only stayed in Sui for less than a month. Can you tell me what happened in Da Sui without you? Even those things were caused by you. If I leave today, I'm afraid you, the bastard, will tear down my mansion."

Su Chen sat up and glared at Zhu Qiqi and said angrily,"What the hell am I? Am I a naughty kid?"

"Aren't you a naughty kid?"

"I'll do it!"

Chapter 693

Su Chen really couldn't help but want to beat up this little rich woman. What this little rich woman said was really hurtful. How could she be such a naughty kid? If Zhu Qiqi is the naughty kid, besides, was he the one who caused those things in Sui Dynasty?

Su Chen was also a victim in Sui Dynasty.

Su Chen walked up to Zhu Qiqi and glared at her and said, "Little rich woman, you are so courageous. We are the only ones here, aren't you afraid of making me angry and doing something to you?"

"you dare?"

Zhu Qiqi puffed up his chest and stared at Su Chen and said without any sign of weakness,

"ha! Do you think I dare?" As Su Chen said this, he hugged Zhu Qiqi, kissed her face, and hurriedly backed away.

He was worried that Zhu Qiqi would kill him when he got angry. This little rich woman is a little witch. Su Chen can I didn't want to capsize in the gutter this time.

Zhu Qiqi didn't expect that this bastard would actually dare to do this.

Now that he was kissed by this bastard,

Zhu Qiqi, with a face full of shame and anger, hurriedly reached out to catch this bastard.

"Shameless, I will kill you"

"Goodbye, little rich woman, I will go for a walk on the street. When Lu Xiaofeng and the others arrive, I will ask them to wait for me here." Su Chen waved his hand at the ashamed and angry Zhu Qiqi and suddenly disappeared.

When Zhu Qiqi saw Su Chen disappear, he shouted angrily, "Damn it, you shameless pervert, I won't let you go. your."

Zhu Qiqi angrily kicked away the recliner where Su Chen was sitting. Now she was very ashamed and angry. She was teased by that bastard again. This was the third time.

Zhu Qiqi wiped it. The face kissed by that bastard made my heart beat very fast. Why didn't that damn bastard die? Why didn't I dislike that bastard?

Did I fall in love with that shameless pervert?

This was impossible?

How could I fall in love with that bastard ? Shameless pervert?

Even if all the men in the world were dead, it would be impossible for him to fall in love with that playboy.

Zhu Qiqi touched her hot face and gritted her teeth and said to herself,

"Damn shameless bastard, I hope you step in dog poop when you walk and eat flies when you eat."

On the streets of the Imperial Capital of the Ming Dynasty,

Su Chen walked alone in boredom.

There were a lot of people coming and going on the street, but there were also a lot of police officers on the streets of the Imperial Capital.

Su Chen even found some people hiding in the street. The spies among the common people, he guessed that those were either Zhu Wuwu's men, the eunuchs from the East Factory and the West Factory, or even Zhuge Zhengwo's men. It seemed that the Ming Emperor was also very wary of this competition.

"Waiter, please bring some good food and wine." Su Chen went to a restaurant and sat at a window seat and shouted,

"Well done, sir."

While Su Chen was eating food and drinking wine, an old voice said next to Su Chen,

"Young man, can I share a table with you? I paid for your food and drinks."

"No, I like peace and quiet." Su Chen saw an old woman and an ugly girl coming next to him and refused directly.

Su Chen didn't want to cause trouble this time, and the old and the young were from Jianghu, a master in the early stage of the Grandmaster, and a The little girl who was born in the Third Heaven did not want to interact with some Jianghu people at this time.

Grandma Jinhua and Zhuer were very unhappy when they saw that Su Chen did not agree.

They came to this restaurant because of the Mingjiao people these days. Having been eating here, Granny Jinhua wanted to sit at a seat by the window and wait for someone, so that even if she met an enemy, she could quickly escape from the window.

However, this kid with no martial arts actually refused her, which made Jinhua Granny Hua couldn't help but want to take action against Su Chen

"Boy, here are ten taels of silver. Now get out of here." Grandma Jinhua slapped a piece of silver directly into the table with one palm. Now she wanted to threaten this ignorant boy.

Su Chen was very speechless when he looked at the silver embedded in the table.

This was not his fault. Looking for trouble.

Could it be that I am a disaster star?

Why did I encounter such a thing just after I came out? There are many seats by the window in the restaurant, but how come this old woman has identified her position? Is it possible that I am just a disaster star

?

Do you have a bullied face?

"I'll do it! Old woman, have you eaten enough to hold on? Can you still kill me if I don't leave?"

"If you want to die, I am willing to help you." Grandma Jinhua glared at Su Chen with a sullen expression.

Grandma Jinhua didn't expect that Su Chen would not give her face and even called her an old woman.

Although she looks like an old woman now, this boy is so rude. , which also made Grandma Jinhua a little angry.

Ah Zhu saw that Su Chen was very handsome, and he had a temperament that she couldn't describe. She didn't want to kill this young man for a position.

Ah Zhu hurriedly pushed Su Chen and reminded him, "Sir, you'd better leave, my mother-in-law has a bad temper."

Su Chen ignored Ah Zhu's reminder. He looked at Granny Jinhua and pointed at the official downstairs and threatened,

"Old woman, have you seen that over there? Those are the official servants of the Shenhou Mansion. If you threaten me again, be careful and I will report you to the officials."

Grandma Jinhua was very speechless when she saw the official officials downstairs.

In the past, she didn't care about these official officials, but this time she had something to do. If she attracted some people's attention at this time, I'm afraid her affairs would not be the same. Well done,

"Ah Zhu, let's sit down and don't worry about this brat."

Grandma Jinhua smiled when she looked at this proud bastard and directly pulled Ah Zhu to sit down.

Anyway, this kid is just an ordinary person.

Does he still have the ability to drive her away?

"I'll do it!" Su Chen was very speechless when he saw Granny Jinhua sitting down unceremoniously and even started eating the food she ordered. Su Chen heard the old woman calling the girl next to her, Ah Zhu. Chen guessed the identities of these two people, Ah Zhu? Isn't this Zhang Wuji's cousin Yin Li in The Heaven and the Dragon Sword? Then is this old woman Dai Qisi, the purple-shirted dragon king of the Ming sect? This Persian beauty in the Heaven and the Dragon Sword can actually do it. When she came to the Imperial Capital of the Ming Dynasty, was she here specifically to see Ximen Chuixue and Ye Gucheng compete in martial arts? Or was she here to wait to see her daughter Xiao Zhao?

"Old woman, it's very dangerous to sit here with me. If something happens later, don't blame me for not warning you."

"Boy, you don't need to scare me, what danger can you, an ordinary person, face? If there is danger, your mother-in-law is here to help you avoid it."

Chapter 694

When Su Chen saw that Dai Qisi was not frightened, he left her alone. This time, he was probably either causing trouble for himself or Dai Qisi was going to cause trouble. It would be better for him to leave immediately after drinking.

At this time, some Jianghu people came up to the restaurant.

After these Jianghu people came up, they looked at the people around them, and they found the right place to sit down.

Then some detectives from the Shenhou Mansion also came up to the restaurant.

At this time, the restaurant was basically full of people. Some ordinary wealthy businessmen and common people quickly finished their meals and left the place immediately. They were worried that these Jianghu people would have a conflict in the restaurant later.

Ah Zhu saw some people coming up and whispered to Granny Jinhua, "Grandma, people from the Ming Cult"

"I know, eat first." Golden Flower Grandma Dai Qisi looked at the Ming Cult people and shook her head and said,

"Yes, mother-in-law!"

Su Chen also looked back at the people from the Ming Cult. The young man among them should be Zhang Wuji, and the two beautiful beauties next to him should be Xiao Zhao and Yang Buhui. As for the remaining ones, The young man must be a senior member of the Ming Cult.

While Su Chen was observing the people from the Ming Cult, more than a dozen nuns also came up to the restaurant. But when they came up and saw the people from the Ming Cult here, they all drew their swords as if they were going to kill people. Only a middle-aged nun who still had charm waved her hand to stop these nuns. The nun who still had charm looked at the Ming Cult people and said threateningly,

"People from the Demon Sect dare to appear openly and openly in the capital of the Ming Dynasty. Aren't they afraid of destroying you?"

A middle-aged man with a beard in Mingjiao looked at Master Mijie and said mockingly,

"To exterminate Lao Ni, do you dare to do it even in the Ming Dynasty?"

"Bat King, don't cause trouble." Zhang Wuji saw the Golden Winged Bat King looking like he was going to cause trouble and said hurriedly,

"Yes, the leader."

Zhang Wuji persuaded the Golden Winged Bat King Wei Yixiao to come down and look at the Emei Sect.

When he saw Zhou Zhiruo, a complicated expression appeared on his face. He had always remembered Zhou Zhiruo's beautiful face. But now he is the leader of the Ming Cult. , and Zhou Zhiruo is a disciple of the Emei Sect, he and Zhou Zhiruo are probably destined not to be together.

Master Mijie knows that this is the capital of the Ming Dynasty, and there are Ming Dynasty officials here in the restaurant. Besides, they are the only ones from the Emei Sect here this time. , it is impossible to destroy masters like the Ming Cult.

Master Jue looked at the Golden Winged Bat King Wei Yixiao and said disdainfully,

"laugh! If you let scum like you live a little longer, your demon sect will be destroyed sooner or later."

Master Jue said and took these nuns to sit on the other side. Just after Master Jue and the others sat down,

Ding Minjun, the disciple of Master Jue, discovered Su Chen. She had never forgotten this Wu Xiangjun.

At first She had been infatuated with Wu Xiangjun in the apricot forest. Even when she lived in Wu Xiangjun's mansion with her master Mijie, she also learned some martial arts in Wu Xiangjun's mansion.

Although now she does not have Zhou Zhiruo's strength. Powerful, but she is also an innate pinnacle existence.

Ding Minjun did not expect to meet Wu Xiangjun again in the capital of the Ming Dynasty.

Ding Minjun came to Master Jue and lay in her ear and whispered,"Master, Wu Xiangjun is here"

"What?"

Master Jue heard Ding Minjun's words and quickly looked around. When she found the back of a man with his back to her, Master Jue couldn't sit still. She didn't expect that Jun Wu Xiang would appear in the capital of the Ming Dynasty.

This bastard Do you want to die?

If people in the Ming court know that Lord Wu Xiang is in the Imperial Capital of the Ming Dynasty, I am afraid that Lord Wu Xiang will not be able to leave the Imperial Capital of the Ming Dynasty this time. Tai Cong, the exterminator, has been paying attention to Lord Wu Xiang since he returned to the Emei Sect. In the current situation, Lord Wu Xiang's power is growing day by day, and I am afraid that the Song and Jin Kingdoms will be destroyed by Lord Wu Xiang's army within a few months. By then, Lord Wu Xiang's army will destroy the Sui Dynasty, and the Southern Continent will But it is ruled by Lord Wu Xiang.

I am afraid that Ming Dynasty is very worried about Lord Wu Xiang's power. After all, after the southern continent is ruled by Lord Wu Xiang, the Ming Dynasty in the western continent will bear the brunt of facing Lord Wu Xiang's power. threaten

"Master, would you like to invite Mr. Wu Xiang to come over?"Zhou Zhiruo also heard Ding Minjun's words. After she saw Wu Xiangjun, she reminded Master Miejie. When

Ding Minjun heard Zhou Zhiruo's words, she looked at Master Miejie expectantly.

She really wants to see Master Wu Xiang now. If he could invite Mr. Wu Xiang over, he would have the opportunity to get close to Mr. Wu Xiang.

Ding Minjun didn't care at all about the future head of the Emei Sect. As long as she followed Mr. Wu Xiang in the future, the head of the Emei Sect would be with her. There was nothing in his eyes.

Master Jue thought about it and decided to call Mr. Wu Xiang over.

This bastard was very dangerous in the Ming Dynasty.

Even if she didn't watch the competition between Ximen Chuixue and Ye Gucheng this time, Master Jue would. Send this bastard out of the Ming Dynasty,

Master Jue ordered Ding Minjun,

"Minjun, go and invite Wu Xiangjun over. Remember not to reveal Wu Xiangjun's identity. The two people next to him are probably not with Wu Xiangjun. Don't let it slip."

"Yes, master."

Ding Minjun smiled and replied hurriedly when he heard Master Jue's words.

At this moment, Su Chen was a little restless.

He knew that he would be recognized by the nuns from the Emei sect when they appeared here. After all, everyone from the Emei sect was here. He has lived in his house, and this time I am afraid that his identity has been discovered by the nuns of the Emei sect.

Jinhua Granny Dai Qisi asked suspiciously when she saw that Su Chen was fidgeting now,

"What are you guys worried about? Why do you look worried and scared?"

Su Chen said angrily when he heard Dai Qisi's words,

"none of your business!"

"Do you want to die?"

Dai Qisi didn't expect that she was caring about this young boy with good intentions, but not only did this boy not appreciate it, he even dared to attack her. This made Dai Qisi couldn't help but want to teach this bastard a lesson.

"I can't die." Su Chen smiled when he noticed that Ding Minjun's big-breasted girl had arrived.

Dai Qisi looked at the ungrateful Su Chen with disdain and threatened, "You, a boy with no martial arts skills, will die if you don't speak big words. ? If I want to kill you, it's just a matter of one palm."

"Mr. Su, we meet again." Ding Minjun came to Su Chen at this time and said with a smile.

Su Chen directly pulled Ding Minjun and held her in his arms and asked,

"Ding Minjun, I didn't expect to see you in the Ming Dynasty. Are you, the Emei faction, going to watch the competition between Ximen Chuixue and Ye Gucheng this time?"

Golden Flower Granny Dai Qisi looked at Su Chen in surprise. This bastard actually hugged a disciple of the Emei Sect.

Doesn't this bastard kid not want to live?

Old Ni Jue was sitting next to him. I'm afraid this bastard kid this time He was really going to die.

Everyone in the Mingjiao looked surprised when they saw Su Chen hugging Ding Minjun.

The Mingjiao knew that the Emei sect's Master Miejie was the most protective of her disciples. This time her disciples were killed by an unknown person. The boy who knows martial arts was hugged.

I am afraid that Master Miejie will soon kill this ignorant boy with the Yitian Sword.

At the same time, Master Miejie also had a dark face, although she knew that bastard Wu Xiangjun Feng Liu was lustful, but this bastard dared to bully her disciples.

If this was not the capital of the Ming Dynasty, and Master Jue was afraid of exposing this bastard's identity, she would have been unable to resist pulling out the Yitian Sword and stabbing this bastard to death.

Chapter 695

The restaurant is now quiet. Everyone here knows about the Emei Sect. This time, a boy dares to hug a disciple of the Emei Sect. I am afraid that Master Miejie will get angry and kill this ignorant person. boy.

Golden Winged Bat King Wei Yixiao looked at Su Chen and said with a look like he was going to die,

"Darling, this kid is too courageous. Mr. Mijie Lao Ni is now a master in the later stage of Grand Master. I don't even dare to offend Mr. Mijie Lao Ni. This guy is more courageous than me."

Yang Xiao looked at Su Chen disdainfully and laughed, "He's just a kid who doesn't know where the world is and he deserves to die."

Other members of the Mingjiao also nodded.

They all know the strength of the Mingjiao Master. In the past few months, hundreds of members of their Mingjiao were killed by the Emei Sect. There is no one in their Mingjiao because of the ruthlessness of the Mingjiao Master. Everyone knows this.

Zhang Wuji didn't look at Su Chen. He still couldn't forget Zhou Zhiruo. He was very obsessed with the lonely and beautiful Zhou Zhiruo. If Master Mijie hadn't been here, he would have run over to meet Zhou Zhiruo. Now.

Xiao Zhao is very worried about Su Chen, the young master sitting with her mother. Although she doesn't know the relationship between this young master and her mother, she doesn't want anything to happen to this young master.

It's just that her current strength is low, even She was still chained, and she was unable to save Su Chen even if she wanted to.

Dai Qisi and Ah Zhu now looked at Su Chen holding Ding Minjun and felt that this bastard was looking for death, but why did Ding Minjun act like a little woman and not resist this? Bastard?

And I haven't seen any movement from Master Mijie now, which makes Dai Qisi and Ah Zhu next to me very strange.

Ding Minjun was very confused when Su Chen hugged her.

Although she liked Su Chen very much, But now she is in a restaurant. There are many people here, and even her master is here.

Ding Minjun blushed and wanted to break away from Su Chen's arms, but before she could break away, Ding Minjun was held by Su Chen. She sat on his lap, and Ding Minjun hurriedly said to Su Chen with a red face, "Master, my master invites you to come over. Let me go first."

"Okay, let's go over there. I haven't seen Master Miu for a long time." Su Chen nodded in agreement after hearing Ding Minjun's words.

He didn't want to stay here in the first place, but now he can't leave. But it's not bad to go to Master Jue's place. At least there are some beautiful beauties there.

Su Chen Holding Ding Minjun in her arms, she stood up and looked at the confused Jinhua Granny Dai Qisi and said with a smile,

"Old woman, I'll leave this place to you. I'd better go to the beauty den. My appetite is almost gone when I look at you."

"Damn bastard!"

Golden Flower Grandma Dai Qisi heard Su Chen's I just want to kill this shameless bastard with one palm.

Why does it make me lose my appetite just looking at myself?

Is this disguise technique of mine really ugly?

If I took off my human skin mask now, I would probably blind this shameless bastard.

When Su Chen carried Ding Minjun to Master Mijie, he smiled and said to the still charming Master Mijie,

"Master Mijie, I didn't expect you to be beautiful again after not seeing me for several months."

Su Chen's eyes lit up when he looked at the still charming and even charming Master Mijie. This plump figure with undulating chest makes people unable to take their eyes away.

Fortunately, Master Mijie is not from the TV series. That old nun with long eyebrows, otherwise Su Chen would rather be at Dai Qisi's place than come to Master Jue's house. The Master Miu's wife in the TV series is even more nauseating than Dai Qisi's disguise.

"Shameless!"

When Zhou Zhiruo heard Su Chen teasing her master, she angrily clenched her fists and said, she didn't think that this shameless pervert not only hugged her senior sister Ding Minjun, but also molested her master as soon as he arrived, which made Zhou Zhiruo very indifferent. This bastard.

Master Mijie teased herself when she heard the bastard Su Chen arrived, which made her face even darker now.

Now she doesn't know how to face this shameless bastard. This bastard cannot be beaten or scolded now.

Mijie No matter how angry the master is now, she has to endure it. She won't let this bastard Daming show up in the future.

The disciples of the Emei sect who had seen Su Chen all nodded to him when they saw Su Chen's arrival. If it hadn't just been Her master ordered not to expose Wu Xiangjun's identity. I'm afraid they would come to Su Chen one by one like Ding Minjun and ask questions.

Master Jue looked at this bastard holding Ding Minjun, who was blushing, and she didn't let go now. , she said to Su Chen with a cold face, "Master Su, is it time for you to let go of my apprentice Ding Minjun."

Su Chen let go of Ding Minjun with some embarrassment when he heard what Master Jue said.

He thought of the martial arts secrets below the king level that he had collected in his house. The last time Master Jue was in Xingzilin, he was trying to save his daughter Su Yan. And was seriously injured.

Although Su Chen had repaid her once, but there were no good martial arts secrets that time. Su Chen also wanted to repay Master Mijie this time.

Su Chen smiled and said to Master Miejie,

"Forehead! I forgot, but Master Miejie, you Emei sect disciples are all beauties. From now on, they can come to my house to play. Recently, I have collected a lot of martial arts secrets in my house. If you are interested, you can go and take a look."

"real?"

Master Miejie was very moved when she heard Su Chen's words.

Last time she only brought some disciples from the Emei Sect to live in Wu Xiangjun's mansion for more than a month. This made her and her disciples' strength improve rapidly.

If she could bring some more disciples of the Emei Sect to the martial arts pavilion in Wu Xiangjun's mansion to view those martial arts secret books, I'm afraid her Emei Sect would be even more powerful.

"Of course, I have collected a lot of martial arts secrets from the Jianghu sects in the Sui, Qin and Song Dynasties."

Zhou Zhiruo was very angry when she saw that this bastard ignored her. This bastard didn't seem to want to see her.

In Gusu City She didn't talk to her much at that time, and now that she was angry with him, this bastard still ignored her.

This made Zhou Zhiruo look at Su Chen and become even more angry, "They are all martial arts secrets below the king level, you have the nerve to take them." Come out and send us Emei sect away."

Su Chen looked at Zhou Zhiruo and smiled when he heard what Zhou Zhiruo said.

This Zhou Zhiruo she hadn't seen for several months is even more beautiful now. Her devilish figure rivals that of Wanwan.

But why does Zhou Zhiruo look so angry?

I I didn't provoke this little beauty when I arrived, I didn't even tease her.

Isn't Zhou Zhiruo the one who came?

"Little girl, you still want to practice the secret books of king-level martial arts. I don't have many of those secret books. I will give you the secret books of king-level martial arts. Do you dare to practice? If you are not afraid that those sects will know that you practice their martial arts, I can let you practice it."

Master Jue pulled Zhou Zhiruo and smiled and said,

"Zhiruo, those king-level martial arts secrets all have their own owners. It is already very good for us to be able to practice some heaven-level martial arts secrets. You must know that the highest martial arts secrets of our Emei sect are earth-level.

Zhou Zhiruo glared at Su Chen fiercely and said to Master Jue, "I understand, master!"

"Zhiruo, you Emei sect also eats here. We are really destined. We Wudang sect also come here to eat today."

Chapter 696

In the restaurant, with the arrival of the Wudang Sect, the atmosphere in the restaurant is now a bit strange.

Song Qingshu, the third generation disciple of the Wudang Sect, has been pursuing Zhou Zhiruo of the Emei Sect. This is known to everyone in the Ming Dynasty. matter.

Now the Wudang Clan is also in this restaurant.

Are they really here to eat?

Or does it come with a purpose?

I'm afraid only people in the Wudang Clan know this.

When Zhou Zhiruo saw Song Qingshu arriving, she whispered very depressedly, "Why is this damn follower here too? Today is really unlucky."

Su Chen was very speechless when he saw more than ten people from the Wudang Sect arriving.

He just came to the restaurant casually.

Why are you meeting so many Jianghu sects when you go out to have a meal ?

The Ming Cult, the agents of the Shenhou Mansion, the Emei Sect, the current Wudang Sect, and the pretender Dai Qisi, the purple-robed Dragon King, will there be some martial arts sects or powerful martial arts masters in the future?

"Wudang Song Yuanqiao met Master Miejie." A middle-aged Taoist priest brought more than a dozen Taoist priests to the side of Master Jue to offer his hand.

Master Jue looked at Song Yuanqiao, the eldest disciple of the Wudang Sect, nodded and said,

"I've met Daxia Song!"

Although Master Miejie was a little happy about the arrival of the Wudang Sect, she was very helpless when she saw Song Qingshu of the Wudang Sect.

The third-generation chief disciple of the Wudang Sect was a loser, and he had been pestering her apprentice Zhou Zhiruo all these years. Jiejie Shitai wrote several times to tell Song Yuanqiao to take care of his son, but now it seems that it is still the same as before.

"Master, I didn't expect to meet you here, so we won't disturb Master while dining here."

"Sir Song, please excuse me."

Song Yuanqiao nodded to Master Miejie, and then said to Song Qingshu, who had been staring at Zhou Zhiruo, "Qingshu, let's go sit next to each other and don't disturb the Emei sect's masters while they eat."

Song Yuanqiao also knows that his son Song Qingshu has always been obsessed with Zhou Zhiruo of the Emei sect, but Zhou Zhiruo is the most proud disciple of Master Miejie, and he is also the leader of the next generation of Emei sect. It is impossible for Master Miejie to let Zhou Zhiruo marry his son Song Qingshu. Moreover, Song Qingshu cannot accompany Zhou Zhiruo of the Emei sect.

Zhou Zhiruo is currently at the middle stage of master cultivation, while Song Qingshu is only at the sixth level of innate talent. The gap between them is too big.

"Yes, father!" Song Qingshu looked at Zhou Zhiruo reluctantly, and he and the Wudang Clan people sat next to the Emei Clan.

Su Chen looked at Zhou Zhiruo with a cold face and said with a smile, "Little beauty, it seems that Song Qingshu of the Wudang Clan treats you badly. I have an idea!"

"none of your business! shameless bastard! Zhou Zhiruo glared at Su Chen and said angrily,

"I'll do it!"

Su Chen didn't expect Zhou Zhiruo to be so angry.

He sat depressed and drank the tea that Ding Minjun poured for him. This Zhou Zhiruo paper girl must be the one who came. Su Chen didn't want to be bored anymore.

Ding Minjun saw Su Chen depressed. Seemingly, she refilled Su Chen's tea and said with a smile, "Sir, Junior Sister Zhou has always had a bad attitude towards Song Qingshu of the Wudang Sect, so please stop teasing Junior Sister Zhou."

When Master Miejie saw that there were no outsiders here, she looked at Su Chen and said very seriously,

"Mr. Su, what are you doing here, Emperor Ming? Tomorrow we will leave the Ming Dynasty together. You can't stay here."

"Master, it's okay, no one here knows me"

"How do you know no one knows you? Iron Hand and Wu Wu of Shenhou Mansion, Zhu Wuwu and the Four Secret Agents of Hulong Villa have all seen you in Xingzilin and Sui Dynasty. Aren't you afraid that they will find you and keep you?"

"I'll do it! Master, is what you said true?" Su Chen didn't expect that so many people here in Ming Dynasty had seen him.

Su Chen couldn't sit still.

He originally thought that very few people in the Ming Dynasty knew his identity, but now it seems that the officials in Ming Dynasty also know him.

But if Qingqing from the Shenhou Mansion discovers him, she won't expose her identity, right? Now I don't know if Qingqing can stand up?

Master Mijie said to Su Chen because she hated iron.

"Of course it is true. How could I lie to you with this? You must leave the Ming Dynasty Capital immediately tomorrow."

Su Chen nodded and said to Master Jue, "I understand. I saw Lu Xiaofeng and Ximen Chuixue today and will leave immediately tomorrow."

Su Chen also knew that Emperor Ming was a place where he could not stay any longer. If those people found out that he was here, they would probably cause another disturbance. It would be impossible for the Ming court to let him leave the Ming Dynasty safely.

"Um! Tomorrow I will take the disciples of the Emei Sect to take you back to the Southern Continent." Master Jue was relieved when Su Chen agreed to leave tomorrow.

This bastard didn't understand the seriousness of the matter. She originally thought she would waste some time to convince this bastard, but now it seems that this bastard still knows himself.

At this time, two more beautiful women came up to the restaurant.

After their arrival, these two beautiful women attracted the attention of all the people in the restaurant. These two beautiful women had mature, attractive and exquisite figures. Their faces made the people here unable to take their eyes away.

These two beautiful women were Hua Baifeng and her maid Shen Sanniang. When they arrived, they saw that the people here were staring at them, which made Hua Baifeng frown. She frowned and couldn't help but kill these people who were looking at her.

"Madam, we do it here."

Shen Sanniang hurriedly pulled Hua Baifeng and said.

She was worried that Miss Hua Baifeng couldn't help but kill these Jianghu people. Let these people watch. Anyway, there were a lot of people looking at them like this along the way.

Here in Mingjiao, Zhou Dian, one of the five disciples, stared at Hua Baifeng and Shen Sanniang and said,

"Darling, these two beauties are so beautiful. I, Old Zhou, have never seen such alluring beauties. They are even more beautiful than Zhou Zhiruo from the Emei sect. Only the purple-robed Dragon King from our Ming sect can compare with them."

"Um! These two beautiful full women are very charming." Yang Xiao's eyes lit up when he looked at Hua Baifeng and Shen Sanniang.

Yang Xiao was a very lustful person, otherwise he wouldn't have robbed Ji Xiaofu from the Emei sect more than ten years ago, although he has gained a lot of favors over the years. , but when he saw these two beautiful women,

Yang Xiao's lustful thoughts became active.

Zhang Wuji's face turned ugly when he heard Zhou Dian and Yang Xiao's words.

Although he knew that people in Mingjiao acted willfully, but They were discussing good women here, which made Zhang Wuji a little uncomfortable.

Zhang Wuji felt threatened by these two beautiful women. These two beautiful women are definitely not ordinary people. I am afraid they are all from the world. Master,

Zhang Wuji looked at Zhou Dian and Yang Xiao and reminded him unceremoniously,

"These two women are very threatening. You'd better not provoke them. It would be very easy for them to kill you."

Chapter 697

Zhou Dian and Yang Xiao were very surprised when they heard Zhang Wuji's words.

They knew the strength of Mingjiao leader Wuji, and a great master actually said that the two beautiful women were very powerful.

I'm afraid those two beautiful women are both great masters.

Based on Grandmaster Yang Xiao's later cultivation level and Zhou Dian's initial cultivation level, if they provoked these two beautiful women, they might really be looking for death.

Zhou Dian and Yang Xiao looked very ugly now. They were very worried that what they just said would be heard by those two seductive and beautiful women.

The other people in Mingjiao were also surprised and looked at the two beautiful women.

They thought that these two beautiful women came to this restaurant and they were not worried about the Jianghu people here. I am afraid they really are not worried about someone taking action against them. These two beautiful women are probably really super masters in the world.

Su Chen looked at Hua Baifeng and Shen Sanniang and felt that they were very beautiful and attractive.

One of the two beauties had a plump figure and a cold face, while the other was thin and had a gentle face.

These are all attractive beauties that are rare to see.

If they were younger,

I'm afraid their names would be on this year's ranking list of martial arts beauties.

"Shameless pervert!"

Zhou Zhiruo saw Su Chen looking at the two beautiful women who had just arrived without blinking, which made her look at Su Chen even more unkindly. This Wu Xiangjun is a very lustful and shameless pervert.

Su Chen heard that Zhou Zhiruo Starting to quarrel with him again, Su Chen patted Zhou Zhiruo beside him on the shoulder and said,"Zhou Zhiruo, if you are in a bad mood, don't talk. I don't want to quarrel with you now."

"asshole!"

Zhou Zhiruo opened Su Chen's hand that patted her shoulder and cursed angrily.

When Master Jue saw that something was wrong today, Zhou Zhiruo shouted at her,

"Zhiruo! Don't talk to Mr. Su like this. You have no education at all now?"

When Zhou Zhiruo heard Master Miejie scolding her, she pointed at Su Chen aggrievedly and said,

"Master, this bastard is a pervert. Look at the way this bastard looks at those two beautiful women, his eyes will pop out."

Su Chen hurriedly covered Zhou Zhiruo's mouth when she heard what she said.

Does Zhou Zhiruo want to kill him?

These two beautiful women are very powerful. Su Chen doesn't want them to hear what they say here, otherwise I'm afraid Something was about to happen.

Su Chen covered Zhou Zhiruo's mouth and whispered to the nuns Zhou Zhiruo, Miejie Shitai and the others,

"I'll do it! What are you talking nonsense about? These two beautiful women are not simple. The thin beautiful woman is a master at the peak of Grand Master. The plump and cold-faced beautiful woman poses a very big threat to me. As for her cultivation level, I can't tell."

"Young Master, are you telling the truth?" Ding Minjun asked in surprise when he heard Su Chen's words.

Master Jue and Zhou Zhiruo also looked at Su Chen in shock.

They didn't expect that these two beautiful women were so powerful.

Could it be that these two beautiful women are so powerful? Are they all great masters?

"Um! We don't want to mess with these two beautiful women." Su Chen looked at Hua Baifeng and Shen Sanniang again, nodded and said,

"Woohoo!"

"Sauri! Sauri! I forgot to let you go." When Su Chen heard Zhou Zhiruo struggling and whining, he hurriedly released his grip on Zhou Zhiruo's mouth and said apologetically,

"Shameless!"

Zhou Zhiruo stared at Su Chen with a red face and wanted to strangle this bastard to death.

She did not expect that this bastard would cover her mouth.

This was the first time she had been treated like this by a man, which made Zhou Zhiruo's heart beat very fast.

Master Mijie is very tired now. She doesn't want to care about this bastard Su Chen now. This bastard is a shameless pervert.

She is very worried about this bastard now and will turn her Emei sect into this bastard's harem in the future.

She But it can be seen that Ding Minjun looks at this bastard with some affection in his eyes, and this bastard is now provoking Zhou Zhiruo, the future head of her Emei sect.

This made Master Jue decide to ask her disciples of the Emei sect not to have excessive contact with this bastard in the future. , she doesn't want her Emei sect to become this bastard's harem in the future.

Hua Baifeng is very unhappy now.

She heard everything the Jianghu people in the restaurant said word for word.

Hua Baifeng is a celestial being. The terrestrial gods were insulted by these scum here today?

If Shen Sanniang hadn't been holding her back, Hua Baifeng would have killed all the smelly men here.

Hua Baifeng sat on the chair and stared. Next to Su Chen, she heard what the man said just now, but she didn't expect that this stinky man would discover Shen Sanniang's cultivation realm.

This also made Hua Baifeng a little strange.

Shen Sanniang had hidden her cultivation realm, and there was no trace of this. How did a stinky man in the realm of cultivation discover Shen Sanniang's realm of cultivation?

Hua Baifeng was somewhat interested in this stinky man.

Hua Baifeng looked at Su Chen and asked Shen Sanniang

"Sanniang, how did that stinky man discover your level of cultivation?"

"I don't know, miss, could this person also be hiding his realm of cultivation?"

Shen Sanniang shook her head and didn't know how Su Chen discovered her cultivation realm, but she felt that this Su Chen should be a powerful master, otherwise he would not be able to see her cultivation realm.

Hua Baifeng took a sip. Cha said to Shen Sanniang,

"I didn't find that he had any internal power. Either this stinky man was just guessing at random, or his secret method of hiding the realm of cultivation was very powerful."

When Shen Sanniang heard Hua Baifeng's words, she looked at Su Chen and was very curious.

How did this young man discover his own cultivation level?

She is very interested in this young man now.

A man actually mingled among a group of nuns. He even touched some nuns, but those nuns did not drive him away.

What kind of identity did this young man get?

At this time,

Song Qingshu of Wudang Sect was very angry.

He saw Su Chen and Zhou Zhiruo sitting. He looked very ugly when they were talking together. When he saw Su Chen covering Zhou Zhiruo's mouth, he couldn't help but explode.

After Song Qingshu hurriedly came to the Emei Sect, he pointed angrily at Su Chen and shouted Cursed,

"You bastard, get out of this restaurant right now, or you don't have to leave."

Zhou Zhiruo didn't expect that Song Qingshu would dare to treat Su Chen like this.

Su Chen was Wu Xiangjun!

This ignorant Song Qingshu dared to scold Su Chen like this?

Doesn't this brainless idiot not want to live?

Zhou Zhiruo couldn't help but He shouted loudly to Song Qingshu,

"Song Qingshu, this is the place where our Emei sect belongs. Get out of here immediately."

Chapter 698

In the restaurant, as Song Qingshu made a big fuss in the Emei Sect, everyone in the restaurant was attracted and looked over.

They, the Jianghu people, all understand now.

Song Qingshu was jealous of the man in the Emei sect, and Song Qingshu was even worried that the man would rob Zhou Zhiruo.

Here in the Ming Sect, the Golden Winged Bat King Wei Yixiao watched Song Qingshu making a fuss in the Emei Sect and said with a smile,

"It's a good show. If the Emei sect and the Wudang sect break up, it will also be good for our Mingjiao. At least we don't have to worry about the Emei sect and the Wudang sect jointly attacking our Mingjiao in the future."

"Right!"

"It would be best if the Emei and Wudang sects fight and even kill some people, so that the Emei and Wudang sects will definitely not unite in the future."

"Hahaha! Watch a play, watch a play!"

"It would be a pity if some of the beautiful little nuns from the Emei sect died this time."

Everyone in the Ming Sect is watching the excitement and talking to each other.

They are now eager for the Emei Sect and the Wudang Sect to fight. Anyway, the Emei Sect and the Wudang Sect are both enemies of their Ming Sect. It would be best if they fight together. All the disciples of the sect were dead.

Zhang Wuji frowned when he saw Song Qingshu provoking the Emei sect. He didn't want the Wudang sect and the Emei sect to fight.

Although Zhang Wuji is now the leader of the Ming sect, he is a member of the Wudang sect after all. , although no one from the Wudang Sect recognized him now, he did not want to be harmed by a fight between the Wudang Sect and the Emei Sect.

And Zhou Zhiruo of the Emei Sect was his dream lover, and Zhang Wuji was even less likely to let Zhou Zhiruo suffer any harm. Hurt.

Zhang Wuji looked at Su Chen and was very angry. Just now Su Chen covered Zhou Zhiruo's mouth, but he almost couldn't help but kill the pretty boy with his fist. The perfect goddess in his mind was actually touched by that pretty boy. This made Zhang Wuji very angry.

Xiao Zhao was very speechless now.

She did not expect that the man brought by her mother would actually mix with the nuns of the Emei sect, and even continued to attack the nuns of the Emei sect. Using his hands and feet, he now provoked Song Qingshu of the Wudang Clan.

Xiao Zhao looked at her mother and was very helpless, why did her mother find such a perverted man as her subordinate.

The Purple Shirt Dragon King Dai Qisi saw the Wudang Clan Song Qingshu, who wanted to take action against Su Chen now, smiled and said,

"Damn boy, he's dead this time"

"Mother-in-law, don't we go and save him?" A'Zhu looked at Su Chen and said to the purple-shirted Dragon King Dai Qisi very worriedly.

The purple-shirted Dragon King Dai Qisi looked at A'Zhu and said angrily, "Save me, it's best if that bastard dies."

Dai Qisi did not forget what that bastard said. The brat actually disliked her for being ugly. She also said that her ugliness affected his appetite for food.

She would not save that bastard even if he died a hundred times.

Ah Zhu looked at Su Chen and reminded Dai Qisi, "But after all, that young master gave us his seat and even invited us to dinner."

"Ah Zhu, don't you have a crush on that bastard boy?" Purple-shirted Dragon King Dai Qisi looked at Ah Zhu and asked in confusion.

Ah Zhu lowered his head and waved his hands hurriedly and said,

"No, no, no one will like me if I'm so ugly. Besides, that young man looks like a playboy at first glance. Even if I'm not disfigured, I won't fall in love with a passionate man."

"well! I told you not to practice Thousand Poisonous Spider Hands, why didn't you listen?"Purple-shirted Dragon King Dai Qisi sighed when she saw Ah Zhu's evasive eyes.

Dai Qisi saw that Ah Zhu had a crush on that bastard boy, but Ah Zhu's current face is probably something that no man would like. Her,

Dai Qisi knew that Ah Zhu was very beautiful, but she had to practice the poisonous spider hand in order to take revenge, and now she has become a human being and a ghost.

Dai Qisi also treated Ah Zhu The purple-shirted dragon king looked at Ah Zhu and decided to help Ah Zhu once. As soon as he rescued the boy, he would marry him to Ah Zhu. Anyway, that bastard boy didn't know martial arts, so he couldn't escape. Dai Qisi thought about eating with that bastard every day in the future. She wanted to see if that bastard would eat in front of an old ugly girl and a clown girl. Will that bastard boy eat it?

"Ah Zhu, you wait here while I go rescue that bastard boy."

"ah? Thank you, mother-in-law."

Here in the Emei Sect, when Song Qingshu spoke rudely to Su Chen, these little nuns from the Emei Sect all stared at Song Qingshu with unkind expressions.

"Get out of here, or I'll kill you?"Ding Minjun directly drew his sword and pointed it at Song Qingshu and threatened.

Ding Minjun was very angry now.

Su Chen was her sweetheart.

This good-for-nothing Song Qingshu dared to speak rudely to Su Chen.

If it weren't for the fact that he was the son of Song Yuanqiao of the Wudang sect.

Ding Minjun He had already been killed with one sword.

Song Qingshu was still shocked that Zhou Zhiruo asked him to leave, but he did not expect that a disciple of the Emei Sect would dare to threaten him.

"Do you dare to attack me?"

Ding Minjun continued to threaten Song Qingshu with a serious face,

"Why not? Get out of here now or I won't show mercy"

"Hahaha! Are you my opponent?" Song Qingshu looked down upon this little nun from the Emei sect. He laughed and laughed.

Master Jue was very unhappy when she saw Song Qingshu threatening Su Chen.

Now she sees that this idiot dares to laugh at her. Disciple, an idiot with a sixth-level innate talent dared to laugh at a little master with a peak innate talent. The Wudang Sect really had no successors.

Master Jue looked at the table next to her and saw that no one from the Wudang Sect came to stop Song Qingshu. She said He ordered Ding Minjun with an expressionless face, "Minjun, teach me a lesson for this ignorant boy."

"Yes, master!"

Ding Minjun smiled and stabbed Song Qingshu with a sword after hearing Master Jue's order. Although she couldn't kill Song Qingshu of the Wudang sect this time, she wanted to vent her anger for Su Chen.

Song Qingshu saw Ding Minjun stabbing Song Qingshu with his sword. He, he hurriedly retreated and drew out his sword and started fighting with Ding Minjun.

Su Chen sat here and watched all this speechlessly.

This time he seemed to be in trouble again, but he didn't know if the trouble would be big this time. ?

Su Chen looked at Zhou Zhiruo and whispered softly,

"Beautiful women are a disaster"

"Shameless!"

When Zhou Zhiruo heard Su Chen's muttering, her chest heaved with anger.

Did she ask this bastard to cover her mouth just now?

Now Song Qingshu is threatening this bastard.

What does it have to do with her?

Song Qingshu Although he has been pursuing her, he has never talked to that idiot.

Su Chen, the bastard, brought all this on himself, and

Zhou Zhiruo doesn't want to take the blame.

Chapter 699

Su Chen looked at Zhou Zhiruo and curled his lips and stopped talking to her.

The woman who had been having trouble these days was not someone he could mess with. Su Chen didn't want Zhou Zhiruo to take it out on him. When he looked at how Ding Minjun was going to beat Song Qingshu,

Song Qingshu suddenly was Ding Minjun flew away with a kick.

Su Chen saw that Ding Minjun was using the light skill of Lingbo Weibu, and he was using it so skillfully. It seemed that Ding Minjun was not a useless busty woman. bump!

Ding Minjun kicked Song Qingshu away and said mockingly, "Big disciple of the Wudang Sect, is this all you have?"

"damn it! Why are you so strong?" Song Qingshu vomited a mouthful of blood when he hit the wall. He looked at Ding Minjun and was very surprised. He didn't expect that he was no match for a young disciple of the Emei Sect. When

Ding Minjun saw that Song Qingshu still looked down on her, she mocked Song Qingshu,

"Pooh! It's you who are too weak"

"I'm going to kill you stinky nun."

"It depends on whether you have the ability." The people here in the Wudang Sect were very surprised when they saw that Song Qingshu was no match for any disciple of Master Jue.

Song Qingshu went to trouble that pretty boy and they didn't even think about stopping them. They also felt that Song Qingshu and Zhou Zhiruo would be a perfect match together. This time they asked Song Qingshu to show off in front of Master Jue.

But what happened was too unexpected.

After Yu Lianzhou, the second in command of the Seven Heroes of Wudang, suddenly discovered Ding Minjun's cultivation level, he quickly stood up and said to Song Yuanqiao,

"No, senior brother, that little nun is actually at the peak of innate strength. Qingshu is no match for that little nun."

Mo Shenggu, the seventh of the Wudang Seven Heroes, was surprised when he heard Yu Lianzhou's words and said,

"What? How can this be? In the Emei Sect, apart from Zhou Zhiruo, Jingxuan, and Bei Jinyi, who are in the late Xiantian cultivation realm, other disciples of Master Mijie are not so powerful?"

Did Song Yuanqiao think that Master Miejie's apprentice would have such a high level of cultivation? He frowned and said when he looked at Ding Minjun's martial arts,

"This is true. It seems that the Emei Sect has got some opportunities. Didn't you see that this little nun's Qinggong and swordsmanship don't seem to be the Emei Sect's martial arts?"

"Let's go and save Qingshu quickly, otherwise Qingshu will be seriously injured." Zhang Songxi, the fourth of the Wudang Seven Heroes, saw Song Qingshu being teased by the little nun from the Emei sect and said hurriedly,

"Walk!"

At this time,

Song Qingshu was beaten by Ding Minjun and was hiding in hiding. Even the clothes on his body were in tatters.

Moreover, there were several wounds on his body from Ding Minjun's long sword. If he hadn't been able to kill Song Qingshu, I'm afraid Song Qingshu would have died. She had killed her long ago.

The people here in the Mingjiao are also very surprised now.

They did not expect that the little nun of the Emei Sect was so powerful. Now even the third generation leader of the Wudang Sect is no match.

Golden Winged Bat King Wei Looking at Song Qingshu being teased by Ding Minjun with a smile, he said in surprise,

"Be good, why are the nuns from the Emei sect so strong now? Is this still the Emei School with two or three small fish? Yang

Xiao looked at Ding Minjun's martial arts and said with a serious face, "These are not Emei sect's martial arts. It seems that the Emei sect cannot be underestimated in the future."

Zhang Wuji also didn't expect that the Emei Sect had changed so much. He looked at the fight between Ding Minjun and Song Qingshu and shook his head and said,

"We will talk about the Emei Sect in the future. We Mingjiao should not cause trouble in the capital of the Ming Dynasty. After all, the Ming Dynasty is now very wary of us Jianghu people."

The other members of the Mingjiao also nodded heavily, but they thought that if the Emei Sect became really powerful in the future, their Mingjiao would probably be in trouble.

While Ding Minjun continued to teach Song Qingshu a lesson, the Wudang Sect's Everyone came over, and Song Yuanqiao looked at his son's miserable state and shouted hurriedly,

"stop!"

When Master Jue saw people from the Wudang Sect coming, she smiled disdainfully and said,

"Minjun, come back!"

"Yes, master!" Ding Minjun looked at the scarred Song Qingshu who had been beaten by him, and she smiled and returned to Su Chen.

Song Yuanqiao became a little angry when he saw Song Qingshu's miserable appearance. He did not expect that the Emei sect did not give them Wudang any face.

When everyone else in the Wudang Sect went to check Song Qingshu's injury, Song Yuanqiao came to Master Jue and said expressionlessly, "Master, did your Emei Sect go too far this time?"

Master Mijie came to question Song Yuanqiao when she saw her arrival, which made Master Mijie very unhappy.

She is the head of a sect after all, so what qualifications does Song Yuanqiao have to question her?

Besides, when Song Qingshu came to make trouble, Song Yuanqiao just now Why didn't you stop him?

Now that his son was injured because he was inferior to others,

Song Yuanqiao came to ask, shouldn't Song Yuanqiao give her an explanation?

"Too much? I don't think our Emei Sect has gone too far. Song Yuanqiao, you should take more care of your precious son from now on, otherwise if he provokes people he shouldn't provoke in the future, I'm afraid it will bring trouble to your Wudang Sect."

Song Yuanqiao didn't expect that Master Jue would say this.

He now suspected that the young man next to Master Jue might have a different origin.

Song Yuanqiao checked Su Chen and didn't find that he knew martial arts. "Master, who is this young man to you? ? Why do you want to defend him?"

"This boy is mine. Song Yuanqiao, do you want to bully even my mother-in-law?" When the purple-robed dragon king Dai Qisi came here, she looked at Song Yuanqiao and knocked the ground heavily with her crutch.

Su Chen was speechless when he heard Dai Qisi's words.

Just save him if Dai Qisi comes to save him, but Why do you say that you are hers?

This is very misleading.

Although others do not know the true face of this old woman, he knows!

"I'll do it! When did I become yours?"

"Shut up! You have no place to speak here." Dai Qisi didn't expect that this bastard boy would come to cause trouble at this time.

Doesn't this bastard boy know that he is here to save him?

This nerdy, stupid boy.

When Song Yuanqiao saw that this old woman also came to defend this pretty boy, he just looked at this The old woman thought for a while and suddenly shouted,

"Who are you? You are Grandma Jinhua!"

"Yes, it's me!"

"Is this guy your apprentice?"

"no"

"So this guy is your son?"

"Forehead! That's right!"

Chapter 700

Purple-shirted Dragon King Dai Qisi thought about it and felt that what she just said was right.

Ah Zhu is his apprentice. If this bastard boy gets married to Ah Zhu, then from now on this bastard boy will be half of his apprentice.

Isn't a disciple just like a son?

That half-disciple is also half-son.

Master Jiejie and the people from the Emei Sect looked at Su Chen suspiciously after hearing Granny Jinhua's words.

They and other nuns all knew Su Chen's true identity, so why did Granny Jinhua come to save him?

He even said that Su Chen was his son?

Is this Golden Flower Granny really the mother of Wu Xiangjun Su Chen?

Xiao Zhao here in Mingjiao also has a confused expression now.

When did her mother have another son?

Why doesn't she know?

Xiao Zhao suddenly thought that this young master could not be her mother Dai Qisi who found her a husband, right?

Xiao Zhao's face turned red when she thought of this. She looked at Su Chen and then at Zhang Wuji. Now she didn't know what to choose.

One was an engagement made by her mother, and the other was someone she liked a little bit.

Xiao Zhao didn't know what to do in the future.

When Song Yuanqiao heard that this pretty boy was the son of Grandma Jinhua, he knew that it would be impossible to cause trouble for this boy.

Granny Jinhua is a late-stage master. She is at the same level of cultivation as herself. If she offends Granny Jinhua this time, I am afraid that the Wudang Sect will be targeted by her in the future.

"Mr. Su, is Grandma Jinhua your mother?" Ding Minjun and Zhou Zhiruo, sitting next to Su Chen, asked at the same time in confusion,

"What a fart!"

Su Chen has come to his senses now.

How dare Dai Qisi, the purple-robed dragon king, take advantage of her?

Although Dai Qisi came to save her with good intentions this time, she can save him as long as he can. Why would he still recognize his son indiscriminately?

That little girl Xiao Zhao is right next to her, so isn't Dai Qisi afraid that that girl Xiao Zhao will be sad?

Su Chen pointed at Dai Qisi angrily and shouted,

"Old woman, when did I become your son? Don't recognize your son randomly here. If you want to recognize your son, aren't there so many young people here? Why are you looking for me?"

"Shut up, you bastard!" When Dai Qisi heard Su Chen's words, she wanted to tear this bastard's mouth apart.

"I won't shut up about him, what can you do to me?"

"Are you going to piss me off to death?"

"Old woman, it's best to die so as not to scare people later."

"you.....you.....Cough cough cough cough!" When Dai Qisi pointed angrily at Su Chen and wanted to say something else, she suddenly coughed violently, even coughing up blood.

Dai Qisi could not stand firmly now. She might fall down at any time. Falling. When

Su Chen saw Dai Qisi who kept coughing and even coughed up blood, he suddenly thought that Dai Qisi, the purple-shirted dragon king in the original drama, seemed to have some internal injuries and kept coughing. Could it be that he was angry and made her injuries more serious this time?

Su Chen had a very bad impression of Dai Qisi.

For the sake of the Ming Cult's Great Shifting Technique, she made the young Xiao Zhao suffer in the Ming Cult since childhood.

Is this what a mother should do?

It's just that Dai Qisi came to save him this time. If Dai Qisi died here, Su Chen would be very sorry. Su Chen hurriedly came to Dai Qisi to support her and asked worriedly,

"I'll do it! No, old lady, you won't be mad at me, will you?"

At this time,

Hua Baifeng beside him really couldn't stand it anymore.

How could this bastard treat his mother like this?

Although I don't know what happened between their mother and son? But they are mother and son after all.

Hua Baifeng flashed to Dai Qisi and Su Chen stared at him and said,

"You bastard boy, are you going to piss your mother off to death?"

"Damn it, what does this have to do with you?" Su Chen didn't expect that this beautiful woman would come to teach him a lesson. He looked at this beautiful and plump woman and said angrily.

Hua Baifeng said angrily to Su Chen while checking Dai Qisi's condition.

"People in the world are in charge of the affairs of the world. If you were my son, you unworthy son, I would have killed you with one blow.

After Ah Zhu saw what was going on here, he hurried over and asked, "Mother-in-law?" Mother-in-law, what's wrong with you? Master, what happened to my mother-in-law?"

Su Chen glared at this beautiful woman, and then said to the arriving Ah Zhu, "It's not clear yet, but with this nosy woman here, I believe your mother-in-law will be fine."

Song Yuanqiao and the Wudang sect next to me don't know if they can still cause trouble for the Emei sect.

Now they are very speechless when they see Granny Jinhua looking like she is about to be angry to death.

No wonder Granny Jinhua has such a son. His temper is very bad.

And the people of the Emei sect don't know what to do now. They nuns can only look at Granny Jinhua when she wakes up and then ask what is going on.

Xiao Zhao here in Mingjiao is now She was so anxious that she didn't expect that the husband her mother found for her would actually make her mother angry. This made Xiao Zhao worried and unable to get over.

After Hua Baifeng injected some true energy into Dai Qisi, she frowned. He frowned and said angrily to Su Chen, "Boy, prepare for the funeral. Your mother may not be able to survive. Her internal injuries were very serious to begin with, and now she is so angry that you can't save her."

Su Chen was very surprised when he heard that Dai Qisi was hopeless.

He didn't expect that Dai Qisi was really going to be mad at him.

How could he do this?

But he heard this beautiful woman again He said that Dai Qisi was his mother. This made Su Chen angry and scolded Hua Baifeng unceremoniously.

"Holy shit! She's not my mother, didn't you idiot woman hear that?"

Hua Baifeng was very angry when she heard that Su Chen actually called her an idiot.

She couldn't stand this bastard.

Not only did this little bastard make his own mother angry to death, but now he even dared to insult her.

This little bastard The bastard is tired of living.

Hua Baifeng raised his palm angrily and wanted to chop the little bastard into pieces and bury him with his mother.

"you wanna die!"

Shen Sanniang hurriedly took Hua Baifeng's hand and dissuaded her,

"Miss, don't be angry! Don't be angry! Maybe this kid's mother is dying and he's in a bad mood. Don't blame him."

"Damn little bastard!" Hua Baifeng glared at Su Chen and handed Dai Qisi over to this little bastard.

Su Chen had a headache while holding the unconscious Dai Qisi.

It seems that another red fruit was wasted this time.

I met him today. This Dai Qisi is really unlucky for eight lifetimes.
