

Zongwu 701

Chapter 701

Everyone in the entire restaurant was surprised by the dying Granny Jinhua.

They did not expect that Granny Jinhua would be so angry that her son was going to kill her.

This was very confusing to them..

At this time,

Song Qingshu was helped by people from the Wudang Sect and laughed and mocked,

"Hahaha! Damn brat, I didn't expect you to make your mother angry to death. I will send you to see your damn old woman in a moment."

""Shut up, Qingshu."

Song Yuanqiao heard Song Qingshu's words and immediately yelled at him.

Although Song Qingshu wanted to deal with this pretty boy at first, he didn't want Song Qingshu to kill someone, but now Song Qingshu still wants to kill someone.

This is embarrassing. Song Yuanqiao was very angry when he heard this.

Song Qingshu didn't expect that his father Song Yuanqiao would reprimand him. Song Qingshu pointed at Su Chen angrily and said, "Dad, this brat wants to steal a woman from me. I swear I won't kill him until I kill him.""

"Treason, how could I teach you such a traitor?" Song Yuanqiao glared at Song Qingshu and said angrily, bang bang bang bang!

After Su Chen handed the purple-robed Dragon King Dai Qisi to Ah Zhu next to him, he turned to look at Song Qingshu, clapped his hands and said with a smile,

"Song Qingshu, do you want to kill me?"

Song Qingshu glared at Su Chen and gritted his teeth and said, "Not bad!" Boy, you're dead this time"

"Can you kill me? Or do you want to kill me with these wine bags and rice bags of your Wudang sect?"

"Boy, don't think that I can't kill you because the Emei Sect is protecting you. The Emei Sect is no match for our Wudang Sect at all, and the Emei Sect doesn't dare to enmity with our Wudang Sect."

"oh? Really?"

"Of course, my master Zhang Sanfeng is a land god in the Tiantian realm. How dare the Emei Sect dare to take action against our Wudang Sect?"

Su Chen was speechless now when he saw the confident Song Qingshu.

Zhang Sanfeng was indeed a powerful land immortal in the Heavenly Realm, but Zhang Sanfeng, a turtle with a shrunken head, was not afraid of Su Chen. Zhang Sanfeng had too many concerns, and Zhang Sanfeng could endure it for the sake of the overall situation. The disciple was forced to death, and a celestial-level terrestrial immortal had no temper at all. Can such a celestial-human terrestrial immortal scare Su Chen?

Besides, he has several celestial-level land immortals among his women.

What if the Wudang Sect

Su Chen wouldn't mind destroying the Wudang Sect if he dared to go against himself if he didn't know what to do.

Su Chen said mockingly to Song Qingshu when he thought of this,

"It is true that your master, Zhang Sanfeng, was a terrestrial god in the heavenly realm, but why were Zhang Wuxia and his wife from the Wudang sect forced to death by the six major sects?"

"Why did Zhang Sanfeng not dare to let out a fart even after Zhang Wuxia and his wife were forced to death? Zhang Sanfeng is as timid as a mouse."

"Damn it!"

"court death!"

"Arrogant!"

"Damn pretty boy!"

"Kill this pretty boy!"

When the Wudang Sect heard Su Chen slandering Zhang Sanfeng, they all glared at Su Chen and shouted. They didn't expect that a pretty boy who didn't know martial arts would dare to humiliate their Wudang Sect like this.

"What the hell! You damn scumbags, if anyone dares to call me a pretty boy again, I will kill him." Su Chen was very angry when he heard that people from the Wudang sect dared to call him pretty boy.

Why have more and more people called him pretty boy since Chang'an City?

Does he just have a pretty boy's face?

"court death!"

When Mo Shenggu heard Su Chen's words, he drew his long sword and killed Su Chen.

Zhang Sanfeng was a master he respected very much.

This pretty boy not only insulted his master today, but now he even dared to threaten them, the Wudang Sect. This This time he had to kill this pretty boy who knew nothing about heaven and earth.

Bang!

"Wudang Clan, do you want to be enemies with our Emei Clan?" Master Jue knocked away Mo Shenggu's sword with one palm and shouted expressionlessly.

Master Jue and the nuns from the Emei sect took their swords to protect Su Chen behind them.

They nuns would not let Wudang He sent someone to take action against Su Chen.

Mrs. Jue is really helpless towards this bastard Su Chen. This bastard really causes trouble no matter where he goes.

Although I don't blame this bastard this time, if he doesn't take action against Zhou Zhiruo You move your feet, nothing like this will happen now.

"How about being an enemy? This pretty boy is dead this time. Anyone who insults our master will die."

"Yes, this pretty boy must die this time"

"Let's go together and kill this pretty boy."

"Emei sect, please get out of the way, otherwise don't blame us Wudang sect for being unkind."

"The Wu-Tang Clan cannot be insulted! Everyone in the Wudang Sect drew out their long swords and looked at the Emei Sect, threatening them with evil expressions.

Song Yuanqiao was also threatening Master Jue with an expressionless face,

"Master Jue, you should leave with the Emei Sect. Don't force our Wudang Sect to take action against you, the Emei Sect."

"If this pretty boy hadn't insulted our master, we wouldn't have taken action against him this time."

"But this time this pretty boy not only insulted our master, he even dared to threaten us. This pretty boy is dead this time."

Su Chen was very speechless when he heard what the Wudang Clan people said.

Is his Wudang Clan not worthy of humiliation?

What kind of bullshit is this?

Su Chen pushed away the little nuns who were protecting him and laughed at him. said,

"I almost believed him. Didn't the six major sects insult your cowardly master more than ten years ago?"

"Didn't I insult you Wu-Tang Clan?"

"Now you are so tough in the face of me, an ordinary person who doesn't know martial arts, how come you didn't even dare to let out a fart at that time?"

"court death!"

Song Yuanqiao's face turned red when he heard Su Chen's words and he went straight towards Su Chen,"

Bang!

" Master Jue held Song Yuanqiao with the Yitian Sword in one hand and stopped Song Yuanqiao angrily and threatened,"Song Yuanqiao, if you dare to take action again, don't blame us, Emei Party!" The Wu-Tang Clan takes action"

"Master Mijie, what is the relationship between this boy and your Emei sect? Why do you have to defend him?"

"Song Yuanqiao, this is our Emei sect's business, you don't need to know"

"Master Mijie, do you really want to be the enemy of our Wudang sect because of this pretty boy?"

"As long as you let this kid go, I won't be an enemy of your Wu-Tang Clan."

"impossible! This time he must die!"

"Then let the war begin!"

Master Jue saw that the Wudang Clan people were determined to kill Su Chen. She really hated the bastard Su Chen.

But she couldn't let the Wudang Clan people take action against this bastard. I'm afraid she really had to fight with him this time. The Wudang sect broke up.

Song Yuanqiao did not expect Master Jue this time that he would go to war with the Wudang sect for this pretty boy.

This really made him confused. Why would Master Jue defend this pretty boy so much?

Shen Sanniang next to him Seeing that the Emei and Wudang factions were about to start a war, they were very speechless.

"Miss, this bastard is really a troublemaker."

"This kid is a bastard who doesn't know where the world is and he got into big trouble this time."

Chapter 702

Hua Baifeng didn't expect a brat who didn't know martial arts. What confidence did he have to humiliate the Wudang Clan here?

Although Zhang Sanfeng is a tortoise-like person, Zhang Sanfeng is a terrestrial immortal in the heaven and human realm after all. A land immortal in the heaven and human realm is not someone who can be insulted by random people.

"Wu-Tang Clan, get ready for war!"

"yes! Senior Brother (Uncle)"

"Emei faction, ready for war"

"Yes, Master (Master)."

As the Wudang Sect and the Emei Sect prepared for war, other ordinary Jianghu people in the restaurant hurriedly left.

They did not want to be harmed here.

The people of the Ming Sect were very excited, and the Emei Sect They really want to see a break with the Wudang Sect.

This time it is best for the Emei Sect and the Wudang Sect to die together, so that in the future, their Mingjiao will not have to face the encirclement and suppression of the Emei Sect and the Wudang Sect.

However, there are also many Jianghu people who are not afraid of death. Instead of leaving, these Jianghu people were planning to stay and watch the show.

The disciples of the Wudang Sect and the Emei Sect drew out their long swords and glared at each other. As long as the Wudang Sect Song Yuanqiao and the Emei Sect's Miejie Shitai gave the order, both sides would immediately Start a war.

Just when the Wudang Clan and the Emei Clan were about to take action, many officials from the Ming Dynasty came to the restaurant.

When the leading people went to the restaurant, they saw that the Emei Clan and the Wudang Clan were about to fight. One of them hurriedly shouted,

"Stop it, stop it, everyone, the Shenhou Mansion is here, and all of you people in the world are not allowed to cause trouble in the capital of the Ming Dynasty."

A Jianghu man exclaimed when he saw the official officer arriving,

"The life-seeking, iron-handed, cold-blooded, and ruthless man in a wheelchair behind the Shenhou Mansion, these four famous arrests are here."

The Jianghu people next to him were surprised when they saw the people coming up from behind and said, "There are also Guihai Yida from Hulong Villa, Duan Tianya, Shangguan Haitang, the gangsters who have become right and wrong, and these four spies are also here."

An old man looked at the situation in the restaurant and said with pity.

"This time the Emei Sect and the Wudang Sect can no longer fight. With the presence of four famous arresters and four secret spies, the Emei Sect and the Wudang Sect will not dare to act recklessly in the Ming Dynasty this time."

After the Iron Hand of the Four Famous Catchers looked at the Emei Sect and the Wudang Sect, he suddenly found Wu Xiangjun in the Emei Sect.

He felt dizzy when he saw Wu Xiangjun here.

【I'll do it!】

【Is this bastard here like this?】

【Something big might happen this time, but this bastard's identity cannot be exposed. 】

At this time, the four famous arresters Qing Qing and the four secret agents Shangguan Haitang also discovered Su Chen. They did not expect that Wu Xiangjun would appear in the Ming Dynasty. They were also very shocked when they looked at Su Chen.

Su Chen knew that Tie Shou and Qing Wu had recognized him when they looked at him. He even guessed that Shangguan Haitang had seen him before when he saw Shangguan Haitang's expression.

Su Chen didn't want Tie Shou and Qing Qing to reveal his identity. He looked at Tie Shou and the others and said hurriedly, "The people from the government are here. This is even better. The officials and Song Qingshu of the Wudang Sect want to kill me. You guys There are also officials here who can testify. You should quickly seize Song Qingshu of the Wudang Clan and execute him for murder."

The four famous arrests and the four secret spies were speechless when they heard Su Chen's words.

Do they dare to control the people of the Wudang Clan?

The Wudang Sect has an old monster in the Heavenly Realm, and Song Qingshu is the third generation leader of the Wudang Sect. It is so possible for them to arrest Song Qingshu and punish him.

Wuqing looked at Su Chen and didn't want to talk to this bastard.

This bastard must have caused this incident.

This bastard is a disaster star and will cause some big things no matter where he goes.

Shangguan Haitang looked at Su Chen and twitched the corner of her mouth.

Although she had only met Wu Xiangjun once from a distance, she knew this bastard very well.

Through the information gathered in the past few months,

Shangguan Haitang knew that this bastard was a A shameless bastard who gets into trouble everywhere.

The Jianghu people in the restaurant were speechless when they looked at Su Chen.

How could the government resolve the fight between Jianghu people?

What's more, people in the government may not dare to take care of these things. As long as they don't cause trouble in the imperial capital, neither the four famous arrests nor the four secret spies can take action against these famous members.

The nuns from the Emei sect lowered their heads when they looked at Su Chen.

They also felt that Lord Wu Xiang was a little embarrassed now.

The Jianghu people were the ones to solve the problems in the Jianghu. But they had never heard of the Jianghu people relying on the government to solve the Jianghu. Disputed.

The people of the Wudang Clan are all glaring at Su Chen angrily.

If they could kill this bastard now, they might not be able to bear it anymore.

When Su Chen saw that the four famous arresters and the four spies did not arrest anyone, he knew that it was impossible for people in the government to offend the Ming Dynasty's noble families for no reason.

But Su Chen would not let the Wudang Clan go.

If he hadn't sensed the arrival of the four great spies and the four great captors just now, Su Chen's shadow assassins would have been ordered by him to kill everyone in the Wudang Clan. Su Chen came to the four great captors and said angrily, "What are you looking at?" ? Why don't you arrest people yet, Tie Shou, we have known each other for a long time, do you want to watch me be killed by the Wudang Clan?"

Tie Shou looked at Su Chen and said helplessly, "Mr. Su, this There may be some misunderstanding, why don't we just forget it?"

Zhuiming and Lengxue didn't expect that Mr. Su actually knew Tie Shou, which they didn't expect.

It's just that the Wudang Clan can't afford to provoke them, and they only maintain the security of the imperial capital during the martial arts competition between Ximen Chuixue and Ye Gucheng. The battles in the rivers and lakes still have to be resolved by the people of the rivers and lakes themselves, but it cannot be resolved in the capital of the Ming Dynasty.

Su Chen patted Tie Shou on the shoulder and said angrily,

"What a misunderstanding. Aren't you, the four famous arresters, always responsible for eliminating violence and upholding justice? Why don't you take action now to catch Song Qingshu of the Wudang Sect who wants to kill people?"

When Tie Shou saw this bastard insisting on arresting Wu-Dang Clan members, he said with a bit of pain,

"Mr. Su, forget it, you have nothing to do now anyway."

"Damn it, will anything happen if I am killed? Are you going to arrest people or not?"

After Wu Qing saw Su Chen forcing Tie Shou to arrest the Wudang Clan people, she was so angry that she couldn't stand it anymore.

Qing Qing came to Su Chen in a wheelchair and said angrily

"Bastard, you must have caused these things yourself, right?"

"ruthless! Why are you still in a wheelchair? Aren't your legs feeling better yet?" Su Chen saw Qingqing paper girl coming over and looked at her legs and asked doubtfully.

Seeing this bastard looking at her legs, Qingqing cursed with shame and anger, "What the hell, you haven't answered me yet. Did you cause what happened here?"

"No, it's really not my fault this time. If you don't believe me, you can ask the officials here."

Chapter 703

Su Chen smiled when he saw that Wu Qing and Tie Shou didn't reveal his identity, and that Shangguan Haitang, who was disguised as a man, didn't reveal his identity this time. This time, Su Chen was a little curious..

Su Chen saw Qing Qing and Tie Shou asking about official duties here, and then he looked at Shangguan Haitang and blinked.

This chick seemed to have some reason not to expose his identity, but Su Chen was also afraid that she would tell Zhu to ignore that old cunt in the future.

He wanted to find a time to warn Shangguan Haitang not to let her reveal his identity.

Shangguan Haitang was speechless when she saw Su Chen blinking at her.

She didn't want to get involved with this romantic and lustful Wu Xiangjun.

This bastard must be worried that he has exposed his identity, but this time there is no way she will expose this bastard's identity.

Shangguan Haitang knows how powerful this bastard is now. If Wu Xiangjun's identity is exposed this time, I am afraid that the Ming Dynasty will not be peaceful in the future.

"What are you staring at? There will be a time when you cry." Su Chen noticed that Song Qingshu was staring at him with red eyes, so he gestured to wipe his neck and threatened.

Song Qingshu didn't expect that this bastard would be so rampant when the official came. He couldn't help but snatched away a Wudang disciple next to him. The long sword shot towards Su Chen,

"Damn pretty boy, I'm going to kill you." bump!

"Get Song Qingshu for me!"

When Tie Shou saw that Song Qingshu dared to take action after they arrived, he hurriedly came to Su Chen's side and punched Song Qingshu away. He then ordered the surrounding police officers,

"yes!"

Song Yuanqiao saw that Song Qingshu was beaten out again, and even the officials wanted to arrest Song Qingshu, so he hurriedly stopped the officials and said to Iron Hand,

"Stop it, Iron Hand, give us Wudang Clan some face and let my son go."

Tie Shou looked at Song Yuanqiao and said expressionlessly,

"Song Daxia, your son is planning to commit murder in front of us this time. You also know what is going on with Emperor Ming now. Your son will be living in the prison of our Shenhou Mansion for a while."

"Iron Shou, does your Shenhou Mansion really not give face to our Wudang Sect?" Song Yuanqiao said angrily when he heard Tie Shou's words.

He didn't expect that the people from the Shenhou Mansion actually wanted to arrest his son.

It seems that the Wudang Sect has been so low-key these years that even the government doesn't give them face.

Although this time His son is not right, but that bastard boy obviously knows the people in the Shenhou Mansion.

If the people from the Shenhou Mansion take his son away this time, I am afraid that his son Song Qingshu will be in trouble.

Su Chen fanned the flames and said,

"Iron Hand, seize Song Qingshu, what are you doing to give face to the Wudang Sect? It is impossible for that old immortal from the Wudang Sect to come to Emperor Ming to cause trouble for your Shenhou Mansion, and your Shenhou Mansion does not need to be afraid of the Wudang Sect."

Just when Tie Shou didn't know whether he should continue to capture Song Qingshu, an old voice suddenly came over,

"My friend, you passed"

"who?"

Su Chen suddenly felt a powerful aura coming from him. He looked around nervously and shouted.

Everyone in the restaurant was frightened by the sudden sound.

Everyone here looked around with vigilance. , the old man who spoke out is a powerful master, and they don't know whether the person coming is good or evil.

"master?"

"It's the master's voice!"

"It's unmistakable, it's the master's voice"

"Why did the master come to the capital of Ming Dynasty?"

Everyone in the Wudang Sect became happy when they heard this voice. This was Zhang Sanfeng, the Dinghai Divine Needle of the Wudang Sect. Their disciples did not expect that Zhang Sanfeng would come to the Ming Dynasty.

Su Chen was frightened when he heard the conversation among the Wudang Sect. Damn, he never thought that Zhang Sanfeng, who had been an otaku for thousands of years, would come down from Wudang Mountain to the Ming Dynasty Capital.

【What the hell!】

【Why is that old immortal Zhang Sanfeng here?】

【This is trouble. 】

An old man with a white beard appeared silently in the restaurant.

After the old man appeared, everyone in the Wudang Clan hurriedly bowed to the old man and saluted,

"Disciple meets master"

"Wudang disciples meet their ancestors."

The people in the restaurant also saluted Zhang Sanfeng and said,

"The junior has met Zhang Zhenren."

The four famous arrests and the four secret agents also saluted Zhang Sanfeng one after another.

"The four famous arresters of Shenhui Mansion (the four secret agents of Hulong Villa) met Zhang Zhenren."

Except for the Emei Sect and Hua Baifeng, Su Chen was speechless when he saw everyone here saluting Zhang Sanfeng. It seemed that he was in for a disaster this time.

Although it was impossible for Zhang Sanfeng to kill him, this time He will definitely be taught a lesson by Zhang Sanfeng, a veteran.

Su Chen doesn't want to be taught a lesson, but I am afraid that no one here is Zhang Sanfeng's opponent. The people of Shenhui Mansion and the people of Hulong Villa are even less likely to offend Zhang Sanfeng.

【Huh?】

【Those two beautiful women didn't seem to salute Zhang Sanfeng?】

【Could it be that that plump, cool and beautiful woman is also a terrestrial fairy in the realm of heaven and human beings?】

【Her maids are all people at the pinnacle of Grand Masters, and that beautiful woman must be a terrestrial immortal in the heavenly realm. 】

Su Chen looked at Hua Baifeng and Shen Sanniang and smiled.

If that beautiful woman was a land fairy in the heavenly realm, then this time she wouldn't have to be afraid of Wudang's Zhang Sanfeng.

Zhang Sanfeng waved his hands to his disciples of the Wudang Sect and then said to the people around him,

"Wudang Taoist has met you all."

At this time, the Emei sect, led by Master Jue, came to Su Chen. They were also very worried about Su Chen. The arrival of Zhang Sanfeng from the Wudang sect was not something they, the Emei sect, could handle. Tie

Shou and Wu Qing also came. Next to Su Chen, the two of them don't know what to do now.

With the arrival of a terrestrial god from the Heavenly Realm, they can no longer embarrass the Wudang Clan.

Su Chen, the bastard, may be unlucky this time, but they still have to try their best. Help this bastard,

Qingqing couldn't help but say when he saw Su Chen still smiling.

"You're going to be in trouble this time."

Su Chen knocked Qing Qing's head and said angrily,

"Damn it, Zhang Sanfeng is just here, what's the use? An old bastard who only has strength but doesn't use it. What do I have to be afraid of?"

"Shameless!"

Seeing that this bastard was doing something to him at this time, Qingqing glared at Su Chen with shame and anger and cursed. Shangguan Haitang came to Su Chen at this time. She looked at Su Chen and reminded him, "Su Chen Young Master, please be soft on Master Zhang later, otherwise you may be taught a lesson by the Wudang Clan."

"Shangguan Haitang, you don't have to worry about this. You just need to keep some secrets."

"Don't worry, I won't tell anyone about you"

"Thanks! I'll treat you, this beautiful woman, to dinner later."

Shangguan Haitang was very surprised when she heard Su Chen's words.

She didn't expect that her secret of disguising herself as a man would be discovered by this bastard. This guy is indeed a romantic and lustful bastard.

The secret that she had hidden for so many years was revealed to this bastard at a glance. I can see it. It seems that I have to stay away from this shameless pervert in the future.

"My friend, you went a little too far this time."

Chapter 704

Zhang Sanfeng is also very helpless now.

He came to the Ming Dynasty capital this time to find Mu Taoist.

He got the news that Mu Taoist might appear in the Ming Dynasty capital.

This time he had to take Mu Taoist back to the Wudang sect no matter what.

He is the only one supporting the Wudang Sect now.

If there is a Mu Taoist who is at the peak of the Grand Master's level, the Wudang Sect will not be in a state of insecurity in the future.

It's just that this time he was forced to show up by the bastard Su Chen, otherwise his disciple Song Qingshu might really be captured by the people of Shenhou Mansion.

Moreover, this bastard boy called himself an old bastard, which made Zhang Sanfeng stare at him.

Su Chen looked at Zhang Sanfeng and said unceremoniously,

"Zhang Sanfeng, I don't think I have gone too far. Since you have been paying attention to this place, you should know what a scornful person your disciple Song Qingshu is. I am acting in the same way as a human being. I did not kill him on the spot. Song Qingshu, you should thank me."

Zhang Sanfeng looked at Song Qingshu and sighed.

It was indeed Song Qingshu who made a mistake this time.

He also knew about Song Qingshu's narrow-mindedness. It was just that it had been so long that Zhang Sanfeng thought that Song Qingshu had changed, but he didn't expect that he was still with him. It was exactly the same as before.

However, Song Qingshu is the third generation disciple of their Wudang Sect, and will also be the leader of the Wudang Sect in the future.

Zhang Sanfeng believes that if Song Qingshu matures in the future, Song Qingshu will definitely change.

"Qingshu is still young, and he is also in the world, so some of his mistakes can be forgiven."

Su Chen was stunned for a moment when he heard Zhang Sanfeng's words.

Song Qingshu is young?

It's his fault!

Does Zhang Sanfeng think everyone here is blind?

Su Chen was so angry at what Zhang Sanfeng said that he cursed,

"Damn it, old bastard, Song Qingshu is young? I'm sorry, Song Qingshu is older than me, but you're still saying he's younger? Have you become blind through cultivation?"

Song Yuanqiao shouted angrily when he heard that Su Chen dared to curse his master,

"Damn you, how dare you speak to my master like this"

"Mr. Su, you....."Shangguan Haitang looked at Su Chen and wanted to cover this bastard's mouth.

Is this bastard tired of living?

Is Zhang Sanfeng someone he can scold?

Doesn't this bastard have any brains?

Doesn't he know that Zhang Sanfeng is a land immortal in the realm of gods and humans?

Miejie Shitai, Zhou Zhiruo, Wu Qing, Tie Shou and others all looked at Su Chen and were very speechless.

They also did not expect that Su Chen would be so bold as to scold Zhang Sanfeng in front of Zhang Sanfeng.

This made them all very worried about Su Chen. safety.

If Zhang Sanfeng was so angry that he wanted to kill Su Chen, I'm afraid no one here could stop Zhang Sanfeng.

The people in the restaurant now looked at Su Chen as if he were a fool.

They all felt that Su Chen was dead this time.

This pretty boy who didn't know martial arts dared to insult Zhang Sanfeng like this. Even if Zhang Sanfeng had a good temper, he would probably take action. I want to destroy this pretty boy.

The people here in the Ming Cult were all looking at Su Chen in shock.

They felt that Su Chen was more like the Demon Cult than they were.

They didn't dare to breathe after Zhang Sanfeng arrived, but this pretty boy actually dared to yell at Zhang Sanfeng.

This But it was beyond their imagination.

Zhang Wuji now hated Su Chen deeply.

Zhang Sanfeng was the person he respected and admired the most, but this pretty boy dared to curse his master.

This made Zhang Wuji clenched his fists and couldn't help but kill this bastard with his own hands.

"Boy, do you want to die?"

Zhang Sanfeng's face is very dark now.

No one has dared to scold him like this in many years.

Zhang Sanfeng didn't expect that he would be scolded by a pretty boy who doesn't know martial arts today?

This made Zhang Sanfeng's beard stand up in anger.

Su Chen hugged Zhou Zhiruo beside him and smiled and said, "I don't want to die, and you can't kill me."

Zhou Zhiruo was stunned when Su Chen hugged her.

This bastard's life and death were uncertain now, and he dared to touch her.

Zhou Zhiruo blushed and tried to shake off this bastard.

"Ha ha! My friend, are you sure I can't kill you?"

"certainly!"

"My little friend, do you know my level of cultivation?"

"Old man, aren't you just a terrestrial god in the heaven and human realm? You're not the only one here who is a land god in the heaven and human realm. What are you pulling on?"

"Um?"

Zhang Sanfeng heard Su Chen's words and checked everyone here.

When he arrived just now, he didn't pay attention to the people in the restaurant. Now he heard Su Chen's words and was confused.

Are there still heavenly beings here? Is there a terrestrial immortal in the heavenly realm?

Is it because there is a terrestrial immortal in the celestial realm that this pretty boy has the confidence to insult him?

Su Chen smiled when he saw Zhang Sanfeng looking at the people in the restaurant in confusion, and he let go of his constant struggle. Zhou Zhiruo walked towards Hua Baifeng.

This time he had to deal with Hua Baifeng first, otherwise Hua Baifeng might not help him.

Everyone in the restaurant looked at Su Chen in confusion.

None of them expected that there was someone in the restaurant. There is also a land immortal who is in the heaven and human realm. Today, I am very lucky to see Zhang Sanfeng, a land immortal in the heaven and human realm. But I didn't expect that there is actually a land immortal in the heaven and human realm in the restaurant. This makes everyone in the restaurant Everyone was very shocked.

Su Chen came to Hua Baifeng and shouted with a smile,

"senior!"

Hua Baifeng didn't expect that this little bastard could actually see her level of cultivation. If you know that she practices techniques that hide her level of cultivation, even Zhang Sanfeng might not be able to see it. But how did this little bastard see it?

Hua Baifeng When Su Chen called her "Senior", she wanted to play tricks on this little bastard. She would not help this little bastard easily.

Besides, she and this little bastard were not related to each other. Zhang Sanfeng was still in the realm of heaven and human beings no matter what. Immortal.

Hua Baifeng doesn't want to become enemies with a terrestrial immortal in the heaven and human realm for no reason.

"senior? Hua

Baifeng looked at Su Chen and smiled slyly.

Su Chen looked at Hua Baifeng and was dissatisfied with the title and quickly changed his words,

"oh! No, it's a beauty!"

"Beauty?"

When Hua Baifeng heard Su Chen call her beautiful, she rolled her eyes at him. This little bastard is just a flirt.

"Aunt!"

Su Chen saw that Hua Baifeng was still dissatisfied with calling her like this, so he changed his words again.

When Hua Baifeng heard Su Chen call her like this, black threads appeared in her head.

Does this bastard want to die?

Why is Hua Baifeng so beautiful and so beautiful? At such a young age, this bastard boy really wants to die.

Hua Baifeng glared at Su Chen and shouted angrily,

"What a fart! Are you going to die, you little bastard?"

Su Chen had no choice.

This beautiful woman was a psychopath.

He looked at Hua Baifeng and said angrily, "I'll do it! So what do you want me to call you? Do you also want to be my mother?"

Sanniang Shen next to her laughed when she heard Su Chen's words, "Hahaha! Miss, I don't mind if you have another son in the future. Hua

Baifeng glanced at Su Chen and mocked, "I don't want a son who makes his own mother angry to death.""

"I'll do it! That old woman is not a mother." Su Chen said angrily when he heard that the beautiful woman mentioned Dai Qisi as his mother.

Hua Baifeng curled her lips and looked at Su Chen and said disdainfully, "Tsk! Then I won't recognize you, a little bastard." son"

"I have no intention of recognizing you as my mother. What is all this about?"

Chapter 705

Su Chen is going crazy with Hua Baifeng now. He just came to seek protection from Hua Baifeng, but why is this crazy beautiful woman so difficult to deal with, and why is it now that he wants to recognize her as a relative?

When Hua Baifeng saw Su Chen spitting out dirty words in anger, he shouted with a sullen face, "You brat, if you say dirty words in front of me again, be careful, I'll beat you up right now.""

"What should I call you?"

Su Chen took out a breath and asked angrily,

"casual!"

Hua Baifeng smiled and looked at Su Chen and said.

Su Chen clenched his fists and felt that Hua Baifeng was playing tricks on him. He looked at Hua Baifeng and said teasingly,

"Wife? May I?"

Bang!

When Hua Baifeng heard that Su Chen dared to call her like this, she waved her hand angrily and slapped Su Chen. This bastard was just seeking death.

This time she was merciless, although she didn't intend to kill him. I killed this little bastard, but this little bastard will have to lie down for several years without being able to get out of bed.

Su Chen teleported and appeared next to Shen Sanniang.

When he mentioned his wife, he wanted to slap himself. This time, he wanted to slap himself. Another attempt to commit suicide.

Zhang Sanfeng hadn't finished yet, and this time he offended Hua Baifeng, a terrestrial god in the heavenly realm.

Su Chen asked Shen Sanniang to block Hua Baifeng and said angrily, "I'll do it! Didn't you say you let me call you casually?"

Hua Baifeng was very surprised when he saw Su Chen dodge his attack.

This little bastard really knows martial arts, but he was actually deceived by this little bastard.

"Damn it, you actually know martial arts?" Hua Baifeng was angry and slapped Su Chen again.

"I'll do it! Are you still coming?"

Su Chen saw that Hua Baifeng didn't pay any attention to Shen Sanniang and slapped her again. He hurriedly hugged Shen Sanniang and disappeared instantly.

Boom!

Just after Su Chen and Shen Sanniang disappeared, a corner of the restaurant was completely occupied by Hua Baifeng. It was completely shattered with a palm strike, and the people in the restaurant were completely confused.

They didn't expect that a pretty boy who didn't know martial arts could actually know martial arts, and he seemed to be very powerful.

The land gods who are currently in the heavenly realm are attacking She was able to escape. Although the beautiful woman didn't use all her strength, it still made them look on tenterhooks.

Zhou Zhiruo looked at Su Chen and said with a very ugly face, "This damn bastard, he is so powerful." Strength"

"Mr. Su may have some hidden agenda and want to pretend that he has no martial arts skills." Ding Minjun looked at Su Chen and said with a gleaming smile,

"That guy is a shameless bastard." Wuqing looked at Su Chen and said angrily.

Wuqing didn't expect that Su Chen was so powerful.

But this bastard actually used their Shenhui Mansion to deal with the Wudang Clan. This made Wuqing clenched his fists and wanted to beat that bastard hard..

Shangguan Haitang also looked at Su Chen and felt incredulous. Although she knew that Su Chen was very strong, Su Chen could still dodge under the attack of the Heavenly Realm, which was beyond her imagination. The

Exterminator of the Emei Sect The nuns of Taihe were very surprised when they looked at Su Chen. They didn't expect that Su Chen was so powerful, which also made the nuns like them very happy.

Zhang Sanfeng was very surprised when he looked at Hua Baifeng. If it weren't for Hua Baifeng He couldn't see her strength at all this time.

This Hua Baifeng turned out to be a land immortal in the Heavenly Realm. He was even at the middle stage of the Heavenly Realm like himself, and that pretty boy could actually do it. Martial arts, and his strength seems to be very good.

Zhang Sanfeng is very depressed now.

This time he is a little embarrassed. Today's series of blows make him feel that he has become a little arrogant over the years.

Hua Baifeng saw that this time he was beaten by that man again. The bastard boy dodged away, which surprised her very much.

"Damn it, is it possible for this little bastard to dodge his own attack?"

And Su Chen breathed a sigh of relief when he appeared in Mingjiao with Shen Sanniang in his arms.

Hua Baifeng's attack just now was too fast.

If he hadn't attached great importance to Hua Baifeng with his mental strength, he would have been seriously injured by Hua Baifeng this time.

"Damn it, why are you here with us?"The Golden Winged Bat King Wei Yixiao was watching the excitement, but when he turned around, he found that Su Chen had appeared in their Mingjiao holding a beautiful woman.

This frightened the Golden Winged Bat King Wei Yixiao and immediately jumped up and hid away. Yes, other people in Mingjiao hurriedly hid when they saw Su Chen here. This bastard boy is now being chased by a land god in the heavenly realm. They don't want to be affected by Chi Yu.

"Can you let me go?"Shen Sanniang's face turned red and a little embarrassed when Su Chen hugged her.

Shen Sanniang tried to break away when she was hugged by Su Chen, but when this bastard boy held her to avoid Hua Baifeng's attack, and even suddenly appeared here, this Shen Sanniang was very surprised.

She didn't feel any internal energy fluctuations in this boy's body, and he suddenly appeared here.

This made her very curious about Su Chen's ability.

Su Chen saw this beautiful woman's face flushed and was stunned. He smiled and said, "Oh, I'm sorry, I just hugged you out of desperation."

After Hua Baifeng discovered Su Chen, he appeared next to Su Chen and was about to take action.

"Bastard, you're hiding here. When Su

Chen saw Hua Baifeng appearing next to him, he waved his hands in a hurry and said, "Stop!" stop! I was wrong, please forgive me for my unscrupulous remarks just now."

Shen Sanniang also hurriedly grabbed Hua Baifeng and said comfortingly,

"Miss, please don't do anything. This little bastard made an unintentional mistake just now, so don't get along with him."

When Hua Baifeng saw Shen Sanniang holding her back and continuing to teach this bastard, she angrily asked Su Chen,

"Little bastard, how do you know martial arts? Why hide your strength?"

Su Chen didn't pay attention to Hua Baifeng's lunatic.

When he saw Xiao Zhao who hadn't left, he came to sit next to her. Xiao Zhao had a thick black gold iron chain locked on his wrist.

He took it out from the system space The green-blooded sword slashed at the black-gold iron chain on Xiao Zhao's wrist.

Click!

The black-gold iron chain on Xiao Zhao's wrist broke. Su Chen slashed a few more times, completely breaking Xiao Zhao's black-gold iron chain. All removed.

Su Chen touched Xiao Zhao's face and said with a smile, "Xiao Zhao, your mother is fine now. You can go over and take care of your mother with Ah Zhu."

Su Chen fed Dai Qisi a red fruit, and Dai Qisi was obsessed with him this time. But

Dai Qisi will not have it easy in the future.

That Dai Qisi actually wants to be his mother, Su Chen will It's impossible not to cause trouble for her.

Xiao Zhao still has a confused expression.

Su Chen's escape from the attack of the woman in the Celestial Realm just now shocked her. She also didn't expect that Su Chen could actually do martial arts.

And look. It seemed that Su Chen's martial arts was still very powerful.

Now that Su Chen was sitting next to her, she not only broke the black gold chain, but this bastard also touched her face, which made Xiao Zhao blush and lower his head in a hurry.

Hua Baifeng I didn't expect that when I asked this little bastard, he didn't answer me immediately, but just made love to a little beauty here.

This made Hua Baifeng look at Su Chen and cursed angrily,

"You bastard boy, I'm asking you, why are you teasing a pretty girl here? Do you want to die? Su

Chen looked at Hua Baifeng and said to her with a smile, "Madam, haven't you also hidden your cultivation level?" We are half a pound to half a pound, no one should say anything about the other."

"Little bastard, who do you call madam? It seems you really want to die"

"I'll do it! This is an honorific title! It's an honorific! You're such a hard nut to take care of."

Chapter 706

Su Chen is now completely helpless towards Hua Baifeng.

This crazy woman is really difficult to serve.

No matter what she calls her,

Su Chen can't help it. Now she can't help but want to spank this crazy beautiful woman.

"Shameless pervert!"

Hua Baifeng felt that this bastard couldn't be as simple as calling her Mrs., this shameless bastard must have evil intentions for her.

Su Chen was too lazy to talk to Hua Baifeng. He looked at Shen Sanniang and smiled and asked, "Beauty, your name is what name? Shen

Sanniang looked at Su Chen and said with a smile, "Shen Sanniang, you can just call me Sanniang.""

Su Chen smiled when he heard what Shen Sanniang said.

This Shen Sanniang is really gentle and lovely.

Such a woman is the most suitable wife, but Shen Sanniang is a bit older.

"Shen Sanniang? Sanniang? Yes, I will call you Sanniang from now on. You are much gentler than that lady of yours."

"You damn little bastard!"

Hua Baifeng saw that Su Chen was so kind to Shen Sanniang, but he kept swearing at herself.

This made her look at Su Chen and feel more and more that this bastard did it on purpose.

"Shen Sanniang? Sanniang, do you know Fu Hongxue?" Su Chen suddenly looked at Shen Sanniang and asked hurriedly.

Shen Sanniang said in confusion when she heard Su Chen's words,

"I know you. Fu Hongxue is my lady's son. Do you know Hongxue?"

Su Chen looked at Shen Sanniang and then at Hua Baifeng. This time when he saw this plump and cool woman, he knew she was Hua Baifeng.

Why did Shen Sanniang and Hua Baifeng appear in the capital of the Ming Dynasty?

And how could Hua Baifeng be a heavenly being ? A terrestrial immortal in the human realm?

Su Chen really couldn't understand this.

How come the mixed martial arts world is in such chaos?

Hua Baifeng's strength in the original drama can be said to be average. How did he become a celestial being in the human realm now? Land fairy?

But Shen Sanniang, a poor woman, has changed her destiny in the mixed martial arts world, and such miserable things will not happen in the future.

Su Chen took a breath and forced a smile and said, "We know each other, but we are not Too familiar."

Hua Baifeng looked at Su Chen and said very dissatisfied,

"My son actually knows someone like you. It seems that I need to teach him more lessons in the future, otherwise he will be led astray by you, a little bastard."

Su Chen stood up and ordered Hua Baifeng and Shen Sanniang,

"Madam, since I am your son's friend, Zhang Sanfeng will do you a favor. Sanniang, please help suppress those people from the Wudang Sect. I will kill that Song Qingshu."

Shen Sanniang nodded and agreed, "Okay, Wudang sent me to help you suppress them."

Shen Sanniang's change towards Su Chen is pretty good.

When Hua Baifeng attacked him just now, this little bastard knew how to save her and avoid Hua Baifeng's attack.

Although Hua Baifeng couldn't hurt himself, this little bastard was able to When threatening, she thought of her own comfort.

This made Shen Sanniang feel very good about Su Chen.

Hua Baifeng looked unhappy and mocked Su Chen, "Why should I listen to you, little bastard, what qualifications do you have?" Order me to help you?"

"Are there any conditions?"

Su Chen rubbed his aching head and said to Hua Baifeng.

Hua Baifeng didn't expect that Su Chen would think that she would ask him to help?

This is what he just thought of.

Fu Hongxue was alone in the capital of Emperor Ming to find that bastard Wu. Mr. Xiang may have some difficulties. She and Shen Sanniang don't know Mr. Wu Xiang. If this bastard helps, I believe they will find the damn Mr. Wu Xiang soon.

Hua Baifeng looked at Su Chen and asked doubtfully,

"Um? You little bastard is really smart. How did you know that I would make conditions?"

Su Chen looked at Hua Baifeng and said disdainfully,

"laugh! You, a terrestrial god in the heavenly realm, cannot come to watch the competition between Ximen Chuixue and Ye Gucheng. Then you must have a purpose for coming to Emperor Ming Dynasty. Although I don't know what your purpose is, you will definitely need someone to help you now. ,right?"

Hua Baifeng didn't expect this little bastard to be so smart, but she didn't want to let this little bastard get his way right now.

Hua Baifeng looked at Su Chen and refused to admit it and said,

"Damn it, I am a human being in the realm of gods and terrestrial gods. What can I need help from? You self-righteous little bastard got it wrong this time."

Shen Sanniang looked at Hua Baifeng with some surprise and asked,

"Miss, aren't we looking for Mr. Wu Xiang in the capital of Ming Dynasty? Maybe he can help"

"Sanniang!"

"Hahaha! Forehead? Are you looking for Mr. Wu Xiang?" Su Chen laughed happily when he heard that Shen Sanniang had exposed Hua Baifeng, but he suddenly realized that Shen Sanniang and Hua Baifeng had come to the Ming Dynasty to look for him. This made Su Chen stunned.

"right! This time we are here to kill Lord Wu Xiang."Shen Sanniang said when she saw Su Chen's surprised look.

She guessed that this little bastard wouldn't know where Wu Xiangjun was, right?

Su Chen was confused when he heard what Shen Sanniang said.

Shen Sanniang and Hua Baifeng actually came to kill him?

This But he was very puzzled.

Why did Hua Baifeng and Shen Sanniang kill him?

He didn't do anything to Fu Hongxue? Could it be that he told Fu Hongxue that he was not Hua Baifeng's biological son, so Hua Baifeng and Shen Sanniang wanted to kill him?

Su Chen was very confused and asked Hua Baifeng,

"Kill Lord Wu Xiang? Why? Hua

Baifeng said to Su Chen with anger on his face,"There is no reason. That bastard Wu Xiangjun deserves to die.""

【What the hell!】

【This is really a disaster!】

【What on earth did that bastard Fu Hongxue tell his mother?】

【When Hua Baifeng found out about her biological son, she not only refused to thank herself, but now she even wanted to kill herself. What the hell was going on? 】

Su Chen not only has a headache now, but now he is very worried that Hua Baifeng and Shen Sanniang will desperately want to kill him if they know his identity?

How could Hua Baifeng, a lunatic, be so cruel to herself?

What the hell is going on with him?

Shen Sanniang patted Su Chen on the shoulder and asked with a smile, "Bastard, do you know where Mr. Wu Xiang is?"

"I know, eh! I don't know, how could I know where Mr. Wu Xiang is?" Su Chen almost let it slip.

Su Chen looked at Hua Baifeng and Shen Sanniang and thought speechlessly,

Mr. Wu Xiang is right in front of you, but you don't know him. It seems that he will leave the capital of Ming Dynasty as soon as possible this time.

The capital of the Ming Dynasty was really not the place he wanted to stay.

Hua Baifeng looked at Su Chen and felt that he was lying. This bastard must know where Wu Xiangjun is.

"Bastard, why do I feel like you're lying to me? Did you know where Mr. Wu Xiang was and didn't tell us?"

Su Chen shook his head hastily and said to Hua Baifeng and Shen Sanniang, "No, how is that possible? You are all so beautiful and attractive. If I knew where Mr. Wu Xiang was, I would tell you two beauties right away."

"Slick-tongued little bastard!"

The next time, in Zhu Qiqi's mansion, Lu Xiaofeng and the others learned that Su Chen had gone out, which made them all nervous. Wouldn't that bastard cause anything to happen when he went out this time?

Lu Xiaofeng said to Ximen Chuixue They hurriedly said, "No, we have to find that bastard as soon as possible, otherwise that bastard will definitely cause big trouble."

Sikong Zhaixing said helplessly as his balls hurt.

"Um! We immediately split up to look for him. That damn bastard couldn't live in peace for a while. I hope he was just wandering on the street."

Fu Hongxue patted his blood knife angrily and said,

"is it possible? That bastard has probably caused trouble. Damn it, what are we going to do now?".....

Chapter 707

Zhu Qiqi saw how nervous Lu Xiaofeng and the others were, and she also knew that they were worried about what trouble that bastard Su Chen would cause.

She also knew the bastard very well.

Now that the bastard had left her mansion, Zhu Qiqi was also very worried that the bastard would cause big trouble. Even if the bastard's identity was exposed, Emperor Ming might be in chaos.

After a while,

Lu Xiaofeng and the others discussed it and hurriedly left to find Su Chen. They were worried that the bastard might cause big trouble later.

Zhu Qiqi couldn't sit still anymore. She saw Lu Xiaofeng and the others hurriedly looking for that bastard Su Chen.

She kept cursing that bastard Su Chen,

"Damn you bastard, I shouldn't have brought that bastard to the Ming Dynasty. This is really your own fault."

Zhu Qiqi scolded Su Chen for that bastard, and hurriedly ordered the guards in her house to look for that bastard.

She arranged her clothes, and hurried out with some guards to look for that bastard.

In the restaurant,

Su Chen no longer cared about why Hua Baifeng and Shen Sanniang wanted to kill him. He pushed the confused Xiao Zhao and said,

"Xiao Zhao, go to Ah Zhu's place to take care of your mother now. You don't have to stay any longer after Mingjiao. There will be danger here. You should hurry up and get there now."

"ah! oh! I know, but you have to be careful." Xiao Zhao nodded and looked at Su Chen with a blushing face.

Xiao Zhao is now more sure that this young master is the husband her mother found for him, otherwise he would not care about her so much.

And she does not need to continue to lurk in the future. In Mingjiao, this is probably because her mother wants her to marry this young master, right?

When Su Chen saw Xiao Zhao leaving with a red face, he was ready to find trouble with the Wudang Clan. Su Chen would not let go of those who called him a pretty boy. Especially Song Qingshu, the bastard who wanted to kill him.

Just when Su Chen was about to discuss with Hua Baifeng about asking her to help,

Shen Lang and Bai Feifei also came up to the restaurant.

Su Chen was very speechless when he saw Shen Lang and Bai Feifei. Why did the two of them come here?

This is really messed up.

As soon as Shen Lang and Bai Feifei came up, they found Su Chen with two beautiful women. This made Shen Lang very angry. This person doesn't know martial arts. The pretty boy might have really confused Zhu Qiqi.

Shen Lang looked at Su Chen and pointed at him angrily and yelled,

"It's you bastard, you bastard who dared to appear here alone and found two beautiful women to live freely here. You finally showed your true colors. Zhu Qiqi was really deceived by you, a pretty boy."

The people in the restaurant looked at Shen Lang as if he were a fool.

Didn't this guy who just arrived see the situation in the restaurant?

Is that bastard a pretty boy?

Can a pretty boy be so powerful?

And those two beautiful women Man, this guy is really looking for death.

One of these two beautiful women is a deity in the realm of heaven and earth, and the remaining beautiful woman is probably not simple in strength.

Qingqing couldn't help laughing when she heard Shen Lang's words. come out,

"Poof! Hahaha, I'm afraid it's hard to take off that bastard's nickname of pretty boy. Why do every enemy of this bastard call him that?"

Zhou Zhiruo was very confused when she looked at Su Chen.

She is really a bastard. The wives are all powerful people. There is even a lady in the heavenly realm.

That Shi Guanyin is a powerful master in the heavenly realm. I'm afraid she is. Zhang Sanfeng is no match for Mrs. Know

"That's because this bastard's wife is a powerful person. I'm afraid this bastard doesn't have much chance to take action. He didn't even have a chance to take action, so he was solved by this bastard's wife and his men."

"Um! But Mr. Su does look like a pretty boy."Shangguan Haitang looked at Su Chen and said with a smile.

Master Jue was speechless listening to the conversation between Zhou Zhiruo, Qing Wu and Shangguan Haitang.

Although Su Chen was indeed relying on his wives, that bastard could Taming those powerful women is also a skill,

"Okay, don't talk about Mr. Su behind the scenes, otherwise you will be in trouble if that bastard hears you. That bastard hates being called a pretty boy."

Zhou Zhiruo, Qing Wu, and Shangguan Haitang became nervous when they heard Master Jue's words. They knew that bastard Su Chen was a narrow-minded person.

If that bastard heard what they said, he might really cause trouble for them.

At this time, Hua Baifeng and Shen Sanniang felt bad.

They had suffered unreasonable disasters from this bastard Su Chen.

This bastard was really a guy who caused trouble everywhere. Before the troubles here were resolved, trouble came again. ,

Su Chen felt very helpless when he saw Shen Lang and Bai Feifei looking unkind.

She still liked this Shen Lang in the TV series, but this time he wanted to commit suicide and he couldn't control it.

Su Chen looked at Shen Lang and said reminded him,

"Shen Lang, you have nothing to do with me here. Get out of here if you have the sense to do so, or don't blame me if you get hurt later."

Shen Lang was very angry when he looked at Su Chen.

I don't know how this bastard pretty boy deceived Zhu Qiqi.

Zhu Qiqi's family is very rich. This bastard must have been behind Zhu Qi's back when he came to this luxurious restaurant. Qi came here secretly,

"Damn pretty boy, you not only deceived Zhu Qiqi"

"Now you come here with Zhu Qiqi's money to live freely, and you even found two beautiful and alluring women to accompany you."

"I will definitely expose you as a shameless pretty boy."

Hua Baifeng couldn't stand hearing Shen Lang's repeated insults. She suddenly appeared next to Shen Lang and kicked him away.

Bump!

Click!

Shen Lang was kicked by Hua Baifeng and knocked down several tables and vomited blood. He fell to the ground, and now several of Shen's ribs were broken by Hua Baifeng.

"court death!"

When Bai Feifei saw Shen Lang's miserable look, it was as if Su Chen had punched him.

Su Chen turned sideways to avoid Bai Feifei's attack and said hurriedly,

"I'll do it! Bai Feifei, it was this woman who beat Shen Lang. Why did you attack me?"

Bai Feifei didn't expect this bastard to be able to dodge her attack. She looked at Su Chen and said angrily,

"That old woman is also your woman, I just want to kill you and then kill them."

Su Chen hid behind Shen Sanniang and hurriedly said to Bai Feifei,

"Damn it, Bai Feifei, you stinky woman, don't talk nonsense, or I will be killed by you. If you want to die, don't take me with you."

Su Chen is now very worried that Hua Baifeng, a lunatic, will kill him soon.

After all, Hua Baifeng's lunatic temperament is somewhat elusive.

If Hua Baifeng is doing it for reputation or something like that, she might really put herself and herself together. Bai Feifei killed them together.

Shen Sanniang looked at Bai Feifei and smiled and said,

"I didn't expect this woman to be a great master. Little bastard, do you want me to help you kill this woman?"

Su Chen nodded hurriedly to Shen Sanniang.

Su Chen felt that it was better not to take action. Fighting and killing was too tiring, so it was better not to take action.

"If you need it, if you need it, Sanniang, I will leave this vicious woman to you."

Shen Sanniang looked at Su Chen, smiled and then suddenly disappeared. She appeared aside and said to Su Chen with a playful smile,

"But I don't kill women! Little bastard, you should deal with this woman yourself, so we also want to know how strong you are."

"I'll do it! Sanniang, you are unjust!".....

Chapter 708

Su Chen didn't expect that Shen Sanniang would do something like this. He felt helpless when he saw Shen Sanniang hiding aside.

This Bai Feifei is a master of the Grand Master.

Although Su Chen is not afraid of Bai Feifei, if he uses his martial arts, I am afraid that his identity will be discovered by the people here.

"You're dead this time." Although Bai Feifei doesn't know why this beautiful woman doesn't help this bastard?

But she is very determined to kill this bastard.

This bastard first humiliated Shen Lang with Zhu Qiqi in Zhu Qiqi's mansion, and also in this restaurant, Shen Lang was seriously injured by this bastard's mistress in a sneak attack. This made Bai Feifei look at Su Chen and hate him very much.

Just as Bai Feifei was approaching Su Chen step by step,

Yagy Taimamoru suddenly appeared in the restaurant.

He came He hurriedly came to Su Chen and saluted,

"Owner!"

Su Chen was so happy when he saw Tajima Mamoru Yagyu, he hurriedly ordered,"Tajima Mamoru Yagyu, stop this crazy woman for me."

"Yes, master!"

After Yagyu Tajima Mamoru heard Su Chen's order, he drew out his samurai sword, looked at Bai Feifei, and struck her with the sword. This time he had to show off in front of Su Chen, otherwise he might be in front of Su Chen in the future. It's worthless in front of me

"court death!"

Boom!

Bai Feifei saw that a Japanese at the master level dared to stop her. She raised her fist and jumped to appear next to Yagyu Tajima Mamoru.

When Yagyu Tajima Mamoru was swinging his sword,

Bai Feifei killed Yagyu Tajima with one punch. Mamoru's katana flew away, and then quickly kicked Yagyu Taimamomo away.

Yagyu Taimamomo, a Japanese man, was quickly eliminated by Bai Feifei in two or three blows.

Yagyu Taimamomo was kicked aside. He was holding his chest and vomiting blood and was very confused.

Where is he?

What is going on?

Didn't he want to show off in front of Lord Wu Xiang?

Why was he defeated by a woman in an instant?

Are all the people in the Central Plains so powerful? ?

Yagyu Tajima Mamoru had the heart to die while lying on the ground.

Since he came to the Central Plains, he has been defeated every time he made a move. Even the masters from the Central Plains he encountered were stronger than the last.

"What a waste."

Su Chen saw Liu Sheng, but Ma Shou didn't stop Bai Feifei, and was even solved by Bai Feifei in two or three times.

This made Su Chen look at Liu Sheng, but Ma Shou was very disdainful.

Hua Baifeng and Shen Sanniang looked at Su Chen His subordinates were instantly dispatched by Bai Feifei and he shook his head. There is a world of difference between a Grandmaster and a Great Grandmaster, and the gap in strength cannot be compared.

"It's your turn, asshole!"

Bai Feifei dealt with Liu Sheng, but Ma Shou looked at Su Chen and said viciously.

Su Chen quickly waved his hand to stop Bai Feifei and said,

"Wait, Bai Feifei, don't you like Shen Lang?"

"Now that Zhu Qiqi doesn't like Shen Lang, shouldn't you be happy?"

"And if you kill me this time, I'm afraid Zhu Qiqi will avenge me. You should know Zhu Qiqi's identity. There are many great masters in her family."

"If you don't kill me, you can stay and fly with Shen Lang in the future, and Zhu Qiqi and I won't bother you."

"Isn't this a happy situation?"

Bai Feifei was stunned when she heard Su Chen's words.

She felt that what this bastard said seemed to be very right.

This time Shen Lang came to the Ming Dynasty to find Zhu Qiqi, which made Bai Feifei very unhappy. If this bastard and Zhu Qiqi meet in the future, Together. Then didn't Shen Lang give up on Zhu Qiqi?

Wouldn't there be no one to compete with her for Shen Lang in the future?

Just when Bai Feifei was hesitating whether to kill Su Chen,

Shen Lang suddenly said to Bai Feifei in the distance shouted,

"Feifei, kill that bastard."

Shen Lang is very angry now.

He didn't expect that he would be attacked by the mistress of this bastard Su Chen. Now he is seriously injured and even has several broken ribs.

This makes Shen Lang hate this bastard Su Chen. It was to the bone.

Bai Feifei frowned when she heard Shen Lang's words, but she thought that Shen Lang was her lover after all, and she also liked Shen Lang very much. Bai Feifei still had to obey Shen Lang's orders.

She looked at Su Chen smiled and shook his head and said,

"Hahaha! Bastard, although what you said is very good, you must die this time. If you want to blame it, blame your old mistress."

As Bai Feifei said, she suddenly punched Su Chen.

She discovered that this bastard might be good at martial arts, otherwise it would have been impossible for the bastard to dodge her attack just now.

Bai Feifei would not let this bastard escape again this time.

"Damn it, you crazy woman." Su Chen appeared to the side in an instant and cursed at Bai Feifei.

He knew that it would be impossible to reconcile with Bai Feifei this time, and no one here could help him. No one from the Emei sect was Bai Feifei's opponent, and The four famous arrests and the four secret agents are now probably suppressed by Zhang Sanfeng and Hua Baifeng.

The remaining Wudang Clan and Mingjiao are all bad guys. It would be good if they don't deal with Bai Feifei together now.

That old man Zhang Sanfeng The bastard is probably eyeing him now, but with Hua Baifeng here, I believe Zhang Sanfeng will not dare to do anything.

Although Hua Baifeng kept saying that he would not help him, Su Chen found that Hua Baifeng was being arrogant.

If Zhang Sanfeng treated him Take action, Hua Baifeng will definitely stop that old bastard Zhang Sanfeng

"Damn it, why don't you hide if you have the guts?" Bai Feifei cursed angrily when he saw that his attack was dodged by this bastard again.

Su Chen looked at the angry Bai Feifei and mocked disdainfully,

"laugh! It's none of your business whether I have sex or not. You're a nymphomaniac idiot. Don't think that if you kill me Shen Lang will be with you. Shen Lang doesn't have you in his heart. He has always liked Zhu Qiqi. What do you have that is better than Zhu Qiqi?"

"you wanna die!"

Boom, boom, boom!

Bai Feifei attacked Su Chen crazily when she heard what Su Chen said. This time she was really mad at this bastard.

Although she thought what this bastard said was true, but this bastard dared to do this Laughing at himself.

Bai Feifei was so angry that he wanted to cut this bastard into pieces.

Su Chen kept teleporting in the restaurant to avoid Bai Feifei's attacks, but Su Chen was not idle either. He either appeared here at the Wudang Sect or next to the Mingjiao.

Su Chen wanted to use Bai Feifei to get rid of the Wudang sect. Su Chen just followed the trend of the Ming sect. Anyway, he looked down on people like the Ming sect who acted willfully.

Boom boom boom!

"Cough cough cough! Damn pretty boy, don't come over to our Wu-Tang Clan."

"This bastard did it on purpose. He let this woman attack us on purpose."

"Shameless, this bastard is so shameless!"

"Kill him. Let's kill this bastard together."

Everyone in the Wudang Sect was disgraced by Bai Feifei's attack. Many disciples were even accidentally injured by Bai Feifei. Everyone in the Wudang Sect looked at Su Chen and kept cursing.

Chapter 709

The Mingjiao people in the restaurant were also very angry.

Su Chen kept appearing in their place, and the crazy woman started fighting without caring about them at all.

This caused many people in the Mingjiao to be injured. Everyone in the Mingjiao looked at Su Chen and wanted to kill this shameless bastard.

The Emei faction, the four famous arresters, and the four spies were speechless when they saw Su Chen diverting trouble to the east.

This bastard is really shameless. He obviously wants to use Bai Feifei's hand to get rid of his people.

"Bastard, you're looking for death!"

Zhang Wuji had always disliked Su Chen, but now this bastard provoked their Mingjiao for no reason, and everyone in the Mingjiao was constantly injured by Bai Feifei.

Zhang Wuji really couldn't stand this bastard anymore. He saw Su Chen appearing in front of them again. Here in Mingjiao,

Zhang Wuji immediately took action against Su Chen.

Boom!

Su Chen smiled strangely when Zhang Wuji took action and suddenly disappeared. After Su Chen disappeared, Bai Feifei arrived. As soon as Bai Feifei appeared here, she felt someone. If she dared to attack herself, she hurriedly stretched out her palm and hit Zhang Wuji quickly.

Bai Feifei did not expect that Zhang Wuji of the Ming Cult would attack her, and even sneak attack on her while she was unaware.

This made Bai Feifei very angry.

She originally thought The bastard Su Chen was so angry that he lost his mind. Zhang Wuji, the Ming Cult, dared to disturb him.

Bai Feifei looked at Zhang Wuji and shouted angrily,

"you wanna die!"

Zhang Wuji saw that Bai Feifei had misunderstood, and he hurriedly explained to Bai Feifei, "Girl, I want to deal with that bastard, not you intentionally."

"Go and explain to the King of Hell!" Bai Feifei doesn't have that much. Anyone who dares to provoke her will die.

This bastard dares to attack her Zhang Wuji, but Bai Feifei will not let him live.

Boom boom boom boom.....

Zhang Wuji and Bai Feifei are both Grand Master masters, but Bai Feifei is at a higher level than Zhang Wuji, and the Great Shift of the Universe practiced by Zhang Wuji can rebound any martial arts, which makes the battle between Zhang Wuji and Bai Feifei even.

The battle between Bai Feifei and Zhang Wuji is getting more and more intense. The restaurant is constantly shaking under their attacks. I am afraid that if this continues, the restaurant will collapse at any time.

"Tsk tsk, the fighting was really fierce!" Su Chen suddenly appeared next to Qingqing and Shangguan Haitang. He lay on Wuqing's wheelchair and said with a smile,

"Asshole, stay away from me." Qingwu felt the heat in her ears, she moved her body with a red face and said,

"I'll do it! Ruthless, do you dislike me?" Su Chen smiled and joked when she saw Qing Qing's blushing face.

When Qing Qing heard Su Chen teasing her, she noticed that everyone around her was looking at her with strange eyes, which made Qing Qing want to strangle this bastard to death.

Look at Qing Qing Xiang Su Chen stared angrily and said,

"You bastard, we have nothing to do with you."

Su Chen lay beside Qingqing and continued teasing with a smile,

"Why doesn't it matter? I think we had a very good relationship at the beginning, and Tie Shou also knew it. You, a woman, wouldn't be afraid of inviting me to eat and drink, so you deliberately didn't recognize me, right?"

"We have nothing to do, you bastard, get out of my way." Qingwu really couldn't stand this bastard's teasing. She pushed Su Chen and shouted while her face was red.

"You are so boring!" Su Chen shook his head and looked at Shangguan Haitang beside him. When Su Chen saw that Shangguan Haitang was also nervous now, he smiled and hugged Shangguan Haitang's shoulders directly and said,

"Shangguan Haitang, you, the secret agent of Hulong Villa, won't dislike me. We are both men and should have more contact in the future."

"Let go!"

Shangguan Haitang saw this bastard hugging her shoulders and yelled at Su Chen in shame and anger.

Shangguan Haitang knew that this bastard could see that she was a woman, but this bastard knew that she was a woman.

This bastard still dared to tease her like this. To her.

This made Shangguan Haitang hate this bastard.

Su Chen hugged Shangguan Haitang's shoulders and said with a smile, "No! We will be brothers from now on, this will show that our relationship is better."

Shangguan Haitang drew out her sword and angrily threatened Su Chen,

"put.....hand!"

"good! good! Really, you people are really boring." Su Chen saw that Shangguan Haitang was about to get angry, so he quickly retracted his hand.

Su Chen didn't want Shangguan Haitang to attack him in anger.

He could just take some advantage, but he didn't want to make Shangguan Haitang angry.

Four The daiming catchers and the other four spies saw that Su Chen not only teased Qing Wu, but also the man Shangguan Haitang.

This made them look at Su Chen strangely, and they all looked back involuntarily. He backed away.

Looking at Shangguan Haitang, Wuqing felt very strange.

This bastard Su Chen liked beautiful women very much.

It was okay for the bastard to tease him this time, but why did the bastard also flirt with Shangguan Haitang?

Could it be that Shangguan Haitang Not a man?

Is Shangguan Haitang a woman disguised as a man?

Thinking of this, Qingwu looked at Shangguan Haitang and felt that her guess was very correct. This Shangguan Haitang looked like a woman no matter how she looked like a pretty girl. No wonder this bastard would tease Shangguan Haitang.

Shangguan When Haitang saw Qingqing looking at her, she knew that Wuqing had guessed something.

That damn bastard had her identity discovered by Wuqing this time, damn bastard!

Shangguan Haitang looked at Su Chen next to her and thought: Stab this bastard to death with the sword.

Su Chen was very happy as he sat here in the Emei Sect and watched the fight between Bai Feifei and Zhang Wuji.

This time he not only got rid of Bai Feifei, but also made Bai Feifei and the Mingjiao enemies.

This was a good thing that killed two birds with one stone, but Wudang It's a pity that Pai wasn't involved.

"You bastard is really shameless."Zhou Zhiruo looked at Su Chen sitting here leisurely and drinking the tea that Ding Minjun poured for him. She laughed at Su Chen in a low voice. When Su

Chen heard Zhou Zhiruo's words while drinking tea, he threatened her,"Zhou Zhiruo, are you here? If you laugh at me like this, I will ask your master to give you to my warm bed"

"Shameless pervert!"

"Hey hey hey! Zhou Zhiruo, if I proposed marriage to your master, do you think your master, Master Mijie, would agree?"

"you dare?"

"Hahaha! Give me a slap on the back and I won't propose marriage, otherwise you have to be careful!"

"You are so shameless!"Zhou Zhiruo looked at Su Chen, gritting her teeth and clenching her fists, wanting to kill this bastard.

She was now afraid that this bastard would really propose marriage to her master.

If this bastard really proposed marriage, I'm afraid her master might really agree to it.

Her master, Mrs. Jue, was very protective and optimistic about this bastard.

Zhou Zhiruo did not dare to risk making this bastard angry enough to propose marriage.

She stretched out her hand and glared at Su Chen, massaging his back.

"hiss! Can't you be gentler?"

"I'll beat you to death, you bastard!"

Chapter 710

Su Chen saw Zhou Zhiruo massaging his back with a murderous look, which made Su Chen's mouth twitch.

This Zhou Zhiruo really has the character of a little witch. It seems that her character will lead to her darkening in the future.

Su Chen pushed Zhou Zhiruo away and said with disgust, "Okay, I don't need you to massage my back. I want to live for a few more years. You should still harm other people in the future."

"Young Master, let me massage your back!" When Ding Minjun saw that Su Chen wouldn't let Zhou Zhiruo massage his back, she hurriedly said to Su Chen,

"Well, yes!"

"Shameless pervert!"

After Zhou Zhiruo was pushed away by Su Chen, she stared at Su Chen with a very unkind look.

This bastard is a shameless pervert who will cause harm wherever he goes.

It seems that his senior sister Ding Minjun was confused by this bastard. Zhou Zhiruo Looking at Su Chen, he wanted to give this bastard a kick.

Boom boom boom!

Bai Feifei and Zhang Wuji are now angry.

Zhang Wuji is now scarred.

After all, he is not as strong as Bai Feifei. He can still compete with Bai Feifei at the beginning..

But as Bai Feifei's anger increased,

Zhang Wuji was unlucky.

Under Bai Feifei's desperate attack,

Zhang Wuji was almost killed by Bai Feifei, and Bai Feifei was also injured by Zhang Wuji. The broken dress caused some of her injuries. The snow-white skin was exposed.

The Golden Winged Bat King of the Ming Cult was covered in scars when he saw Zhang Wuji, and even now he couldn't hold on anymore.

He hurriedly said to the people around him,

"Come on, let's go together, otherwise the leader will be killed by this woman"

"Save the Lord!"

"Let's save the leader together"

"Kill that damn woman."

More than a dozen people from the Ming Cult, led by the Golden Winged Bat King Wei Yixiao, took out their weapons and rushed towards Bai Feifei. However, Yang Xiao's expression kept changing when he saw Zhang Wuji being pressed down and beaten by Bai Feifei. He saw that everyone from the Ming Cult had gone to help Zhang Wuji. Yang

Xiao sighed and said to his daughter Yang Buhui,

"No regrets, you are waiting here, you must not go there."

Yang Xiaoke only has this daughter. He is also planning to marry his daughter to Zhang Wuji. This time Zhang Wuji will not die even if he says nothing. The Mingjiao cannot lose its leader when those well-known and upright sects want to attack their Mingjiao.

Otherwise, the Mingjiao will really It will be defeated in the hands of people like them.

"But dad, I also want to save the leader!" Yang Buhui shook his head and said to Yang Xiao with a long sword.

When Yang Xiao heard Yang Buhui's words, he glared at her and said, "Your strength is too low, so there is no need to go over. Be obedient!"

"Yes, Dad!"

Bai Feifei is very angry now.

She did not expect that this Mingjiao leader is as difficult to deal with as a tortoise shell. Although she is stronger than this Mingjiao leader.

But the Mingjiao leader's martial arts can actually rebound her attack, which makes her At first, Bai Feifei looked a little hurt.

Now she was about to destroy the leader of the Ming Cult, but some people from the Ming Cult who didn't know whether to live or die came again.

Bai Feifei looked at the people from the Ming Cult who were rushing towards them, and she angrily slapped them with her palm. past,

"Nether Snow Nether Palm!"

Boom!

Cough cough cough!

Before the Ming Cult members could rush over, they were blown away by Bai Feifei's palm. Some low-strength Ming Cult members were directly killed by Bai Feifei's palm. Even the Golden Winged Bat King Wei Yixiao vomited blood. fell to the ground,

"A bunch of scum!"

Bai Feifei said with disdain when she saw the Ming Cult people who were knocked down by her.

Zhang Wuji saw that everyone in the Ming Cult was killed and injured by Bai Feifei's palm. Yang Xiao was treating the Ming Cult people, so he hurriedly shouted to Bai Feifei who was about to take action,

"Stop, Miss Bai, we don't need to fight to the death. You have to deal with that bastard, and I have to deal with him. We can work together to kill that bastard."

"Um?"

Bai Feifei stopped when she heard Zhang Wuji's words.

Thinking about it now, she felt that it was the bastard who deliberately caused a conflict between her and the Mingjiao. Although it was Zhang Wuji who attacked her first, it really seemed to be that bastard's conspiracy.

Zhang Wuji saw Bai Feifei When he stopped attacking, he breathed a sigh of relief.

Zhang Wuji really couldn't do anything to Bai Feifei. If they continued to fight, he would probably be killed by Bai Feifei in just a few moves.

Zhang Wuji pointed at Su Chen and said to Bai Feifei said,

"Really, that bastard deliberately tempted you to fight with our Ming Cult, and that bastard is actually drinking tea and letting a beautiful woman massage him while watching us fight to the death here. Aren't you angry?"

"Damn bastard!"

Bai Feifei turned to look at Su Chen, and she realized that the bastard was actually drinking tea leisurely.

The nun from the Emei sect next to him even massaged his back, which made Bai Feifei's face turn black with anger.

Zhang Wuji was very angry when he saw the members of the Ming Cult dying. All this was caused by that bastard.

If that bastard had not attracted Bai Feifei, their Ming Cult would not have suffered heavy casualties now.

Zhang Wuji looked at Su Chen and stared angrily. said,

"Miss Bai, let's go kill that bastard together"

"good!"

Bai Feifei looked at the dead and injured people in the Ming Cult and was wary of Zhang Wuji.

She didn't believe that she had killed people from the Ming Cult, and the leader of the Ming Cult would just let it go.

I'm afraid if she was injured, the leader of the Ming Cult would kill him without mercy. He asked her to avenge everyone in the Ming Cult.

When Su Chen saw Bai Feifei and Zhang Wuji coming together, he guessed that they might have temporarily reconciled.

But now he is not afraid of Bai Feifei.

With Shen Lang in his hands,

Bai Feifei is not at his mercy.

As for Zhang Wuji,

Su Chen believes that if Zhang Wuji's identity is revealed here,

Zhang Wuji may be in even greater trouble.

In this world of mixed martial arts, the dragon-slaying knife is a treasure of a dynasty.

If Zhang Wuji is exposed by him, he may be Zhang Sanfeng in the future. It was difficult to control the situation.

The treasure of a dynasty is very attractive.

Su Chen looked at Bai Feifei and smiled and said, "Bai Feifei, you are tired, why don't you have a cup of tea and take a rest first."

Bai Feifei came to Su Chen.

She looked at the people around her who were wary of her.

Then she glared at Su Chen and said angrily,

"Shameless bastard, how dare you plot against me?"

Bai Feifei didn't expect this bastard to know so many masters here today.

If he kills this bastard now,

I'm afraid the dozen or so masters here will deal with her together.

Who is this damn pretty boy?

This bastard must be He won't be a good-for-nothing person.

Su Chen looked at Bai Feifei and his face turned black with anger.

He pretended to cough and explained,

"cough! No, how could I plot against Miss Bai? Miss Bai is so pretty and beautiful, and I would not plot against a beautiful woman."

When Bai Feifei heard Su Chen compliment her on her beauty, she straightened her chest and said arrogantly,

"It's too late for you to say anything now. Don't think that I will let you go if you say some complimentary words about my beauty now."

"that! that! Shen Lang seems to be being held hostage by my men. Bai Feifei, are you sure you want to take action?"

"shameless bastard!"
