

Zongwu 71

Chapter 71

When Su Chen was about to urge Murong Bo outside to take action, Ning Zhongze's loud voice suddenly came out, which made Su Chen and Shi Feixuan look over.

Now Ning Zhong was squatting on the ground with tears on his face and crying sadly. This made Shifei Xuan and the others know that Yue Buqun must be threatening his wife.

Su Chen looked at the crying Ning Zhongze and said to Murong Bo next to him,

"Murong Bo, you have seen enough of the show now and you can take action."

Murong Bo now just wants to have a conflict with the women behind Su Chen. He is not in a hurry to take action. Maybe these women will kill Wu Xiangjun out of love and hatred. Murong Bo can kill him without having to do anything. Why wouldn't Mr. Wu Xiang do it?

Murong Bo smiled and said to Su Chen,

"Haha, Mr. Wu Xiang, the play is not over yet, why don't you wait and see?"

Su Chen looked at Murong Bo and frowned and said,

"I'm so stupid, I'm going to do it now, I feel sick just looking at this hypocrite."

Su Chen still doesn't know why Murong Bo delayed killing this hypocrite, but this is what he wanted. Xiao Feng hasn't found that person yet.

No matter what conspiracy Murong Bo has, he has bought himself time. Now as long as I urge him more urgently, I believe that Murong Bo, an old bastard, will definitely not take action immediately.

At this time, Yue Buqun turned pale and immediately said loudly to Su Chen,

"Wait, Mr. Wu Xiang, my wife promised to be your woman, please don't kill me."

Su Chen held Huanwan and Shifei Xuan in his arms and said to Yue Buqun in a disgraceful manner,

"Go away, when did I say I wanted your wife? My woman is no younger and more beautiful than your wife. You are dead this time."

Shi Feixuan and Huan Huan were in Su Chen's arms, their faces flushed, and they each pinched Su Chen's waist. Su Chen grinned and touched the soft waists of Shi Feixuan and Huan Huan.

Su Chen didn't want to suffer a loss and didn't fight back. , however, it felt really comfortable to touch the waists of Shi Feixuan and Huan Huan. When Shi Feixuan and Huan Huan saw Su Chen, a bastard, touching them, they immediately grabbed Su Chen's rebellious hand.

Yue Buqun looked at it in horror. Looking at Su Chen, he said,

"No, you didn't say that my wife is beautiful just now. My wife also agreed. Please let me go."

Yue Buqun also saw the beautiful women around Su Chen. Now Yue Buqun just hopes that Lord Wu Xiang will like beautiful women. He has also heard that some officials occupy many beautiful women.

"Haha, it's useless for your wife to agree, Murong Bo, if you don't do anything, your son Murong Fu's other arm will be chopped off."

Seeing that Su Chen was determined to kill him, Yue Buqun panicked and threatened Ning Zhongze, who was crying beside him,

"If you don't go and beg Wu Xiangjun, don't you want Lingshan to live?"

Ning Zhong looked at Yue Buqun with hatred, knelt on the ground and prayed to Su Chen, saying,

"Mr. Wu Xiang, please let Yue Buqun go this time, and I will repay you by working as a cow or a horse for you in the future."

Lin Shiyin looked at Ning Zhongze who was pleading for that hypocrite and asked with hatred that iron cannot become steel.

"Ning Zhongze, right? Yue Buqun is going to give you to this bastard, why are you still interceding for that hypocrite? This hypocrite doesn't deserve what you're doing."

Ning Zhongze looked at this beautiful woman and said sadly,

"I don't want to, I don't want to plead for Yue Buqun, but if I don't plead for him, my daughter will die. Yue Buqun can't die now. Miss, please let Mr. Wu Xiang not kill Yue Buqun this time."

Lin Shiyin said angrily after hearing Ning Zhongze's words,

"This shameless hypocrite actually threatens you with your daughter, so you cannot let him go."

Huanhan looked at Yue Buqun and wanted to kill him immediately. She didn't expect that this hypocrite would threaten his wife with his daughter.

Huanwan said to Su Chen angrily,

"Yue Buqun deserves to die, Su Chen, kill this hypocrite quickly."

Huang Rong was also very angry and said to Su Chen,

"Su Chen, kill this hypocrite now who is worse than you. I feel sick just looking at this hypocrite."

Master Mijie is trembling with anger when she looks at the leader of the Huashan Sect. She never thought that the leader of a famous and upright sect could be such a hypocrite who is greedy for life and afraid of death. Now he is even willing to give up his wife in order to survive. He even did not hesitate to threaten his wife with their daughter.

Master Jue pointed angrily at Yue Buqun with the Yitian Sword and said to Su Chen,

"Mr. Wu Xiang, this Yue Buqun is simply not a human being. This kind of person cannot be left behind, so he should be killed."

"Dad, kill this hypocrite, he is so inhuman"

"It's better to kill him, so as not to harm other people in the future."

"This kind of person is actually the leader of the Huashan Sect. The Huashan Sect is really blind."

Ning Zhongze said hurriedly after hearing these women's words,

"No, ladies, my daughter is in seclusion in a secret room. If Yue Buqun had not opened the secret room, my daughter would have been trapped and died in the secret room. Only Yue Buqun could open the secret room. He cannot die yet. Please let me, ladies. Lord Wu Xiang, please let Yue Buqun go this time."

Lin Shiyin and the other girls looked at each other after hearing Ning Zhongze's words. They didn't expect that things would be like this. Now they don't know whether to ask Su Chen to let Yue Buqun go.

Su Chen listened to Ning Zhongze. He was a little speechless. He didn't expect that Yue Buqun would play this trick. Su Chen didn't care about Yue Lingshan at all. Whether Yue Lingshan died or not had nothing to do with him.

Su Chen was going to let Murong Bo kill Yue Buqun first. Anyway, There will be a Song Qingshu who can delay the time, otherwise Murong Bo will realize that Xiao Feng is missing, and he will take action immediately. Just when Su Chen wanted Murong Bo to take action, Shi Fei Xuan pulled Su Chen , Shi Feixuan saw that Su Chen wanted that Murong Bo to kill Yue Buqun, so she hurriedly pulled Su Chen and said,

"Su Chen, why don't you let this hypocrite go? Anyway, this hypocrite doesn't pose a threat to us."

When Huanwen saw Shi Feixuan speaking for Ning Zhongze, she glared at Shi Feixuan and said to Su Chen,

"Su Chen, that little nun Shi Feixuan is right. We can kill Yue Buqun anytime. Let's let this hypocrite go this time."

"Su Chen, how about....."

"Stop, stop talking, I know what you are going to say."

Just when Lin Shiyin was about to say something, Su Chen interrupted her directly. Su Chen could now see that these women wanted to let her go this time. Yue Buqun, the hypocrite.

Su Chen didn't pay much attention to the fact that he couldn't kill the hypocrite Yue Buqun this time. Although this hypocrite made him sick, there was an even more disgusting Duan Zhengchun waiting for him to deal with him. This hypocrite Yue Buqun Su Chen didn't want to worry about it anymore.

Su Chen looked at Shi Feixuan and Huan Huan and said to them,

"Master Feixuan and Huanwen, this time it's up to you to make the decision. You can make another decision now. Do you decide whether to kill this hypocrite or not to kill him?"

Su Chen doesn't want to get involved anymore. If he says to let Yue Buqun go, these women will definitely say that they are attracted to Ning Zhongze.

If he kills this hypocrite Yue Buqun, these women will definitely say it again. He said that he refused to save himself, and that he was a snake-hearted and vicious person. Su Chen did not want to get into trouble again.

Shi Feixuan and Huan Huan looked at each other, and Shi Feixuan said to Su Chen,

"Let's let this hypocrite go this time."

Ning Zhongze heard Shi Feixuan's words and immediately said gratefully to her,

"Thank you ladies, Ning Zhongze will serve Wu Xiangjun well in the future."

"I'll join in"

Chapter 73

Su Chen didn't expect that the little demon girl Huan Huan was really angry this time. There were still some bruises on her arms. Su Chen looked at Huan Huan helplessly. Now Su Chen was not sure what the relationship between herself and Huan Huan was. what relationship.

This beautiful elf-like Su Chen will not give up now.

In the past, Su Chen only wanted to live a peaceful life in Gusu City, but this time, under the analysis of Zhao Min and Huang Rong that they wanted to avenge Su Yan, Su Chen also had the ambition to control the Song Dynasty.

In this world of mixed martial arts, without strength or power, I am afraid that he will die in an ugly way in the future, and his family may also be dead on the streets that day, so let's defeat Southern Song Dynasty first.

Su Chen shook his head and didn't think about these things first.

"Okay, I was just joking, how could I not want you, a beautiful and beautiful lady?"

"This is more or less the same."

Huanyuan looked at Su Chenjiu and felt that Su Chen had changed a bit. In the past, Su Chen treated her like a young man, the kind who just took things as they came and lived without any goals. When she was around Su Chen, she felt like him. The momentum has changed a bit, and Su Chen is now like a sword about to be unsheathed.

Seeing this, Su Chen asked softly with concern,

"Su Chen, are you okay?"

"have"

"What's your business? Come talk to me"

"My arm hurts"

"Bastard, I'll hurt you so much."

Huanwen felt that she was overthinking. That bastard Su Chen was still as annoying as before, and he had not changed at all.

At this time, Murong Bo brought his men to the Wudang Sect, and Song Yuanqiao was already waiting for Murong. The arrival of Bo.

Ever since Mr. Wu Xiang called his name, Song Yuanqiao had no intention of escaping with Song Qingshu. He knew that he could not escape the pursuit of this great master no matter what.

Unless his master Zhang Sanfeng could come to save them.

Song Qingshu pulled him. Song Yuanqiao looked at the arriving Murong Bo in horror and said,

"Dad, you have to save me. I don't want to die, so you must save me, Dad."

Song Yuanqiao felt a little helpless when it came to this unfulfilled son. After all, Song Qingshu was also his son, and Song Yuanqiao would not just watch him die here. Murong Bo came to Song Yuanqiao and said angrily,

"Wudang Clan, Song Qingshu committed suicide? Or should we kill him? Of course you can resist, but if you dare to resist, I will kill all of you more than ten Wudang Clan members."

Song Yuanqiao looked at Murong Bo and asked pretending to be calm,

"Murong Bo, aren't you afraid that my master Zhang Sanfeng will seek revenge from you in the future?"

"Afraid, of course I am afraid. Today I have offended many people in the world. Anyway, I will hide myself from now on. I don't care if I have one more enemy of the Wudang Clan."

Murong Bo looked at Zhang Sanfeng's good-for-nothing disciple. After all, Zhang Sanfeng was a super master in the Heavenly Realm, but his disciples were more useless than the last. Song Yuanqiao was only born at the eighth level of cultivation at such an old age, and this Song Yuanqiao was not even as good as The women around Wu Xiangjun, at least there were two innate masters among them.

Song Yuanqiao felt helpless after hearing Murong Bo's words. He knew that this Murong Bo was determined to kill his son this time.

This time Murong Bo's His subordinates have killed so many Jianghu people, and he will no longer be able to gain a foothold in the Jianghu world. Now Murong Bo is a broken man, so it doesn't matter.

"Murong Bo, can you really not let my son go this time?"

"Song Yuanqiao, my son is still in Wu Xiangjun's hands. If you can save my son, I won't bother to kill your useless son. Song

Yuanqiao hurriedly said after hearing Murong Bo's words,

"Hu, Murong Bo, can you wait a moment while I go to see if I can find your son?"

Murong Bo looked at Song Qingshu with some evil intentions.

"Um? Song Yuanqiao, I can save my son by killing your son now. Why should I wait for you to save him? Song

Yuanqiao touched his beard and said with a smile,

"Haha, Murong Bo, what if you kill my son Wu Xiangjun this time but don't let your son go?"

Now Song Yuanqiao is not afraid that Murong Bo will kill his son now. Wu Xiangjun has gone back on his word several times before and did not let Murong Bo's son go. This time he doesn't know if

Wu Xiangjun really wants to let Murong Bo's son go. Song Yuanqiao I believe Murong Bo will never believe Wu Xiangjun again.

Murong Bo fell into deep thought after listening to Song Yuanqiao's words. That bastard Wu Xiangjun cannot be believed. Wu Xiangjun is too shameless. He has lied to himself several times, and Wu Xiangjun Lord Xiang knew that he wanted to kill him. Lord Wu Xiang would probably not let his son Murong Fu go when he was not sure about his safety.

"Okay, I'll give you a chance. If you can't save my son, then don't blame me for killing your son."

"Thank you. If I can't save your son, it might be my son's life."

Song Yuanqiao bowed his hands to Murong Bo and walked towards Su Chen. Song Yuanqiao could only hope that Wu Xiangjun would let his son go for the sake of his master Zhang Sanfeng.

"Dad, are you here this time to catch those who assassinated you?"

Su Yan watched Shi Feixuan and Huan Huan pulling Su Chen respectively. She came over and pulled Su Chen's clothes and asked.

Su Yan also found that her father treated these two women differently from other women. Shi Feixuan He and Huanwan will definitely become part of their family in the future.

Su Yan also wants to know more about Shi Feixuan and Huan Huan now, so that she can tell her mother about the personalities and hobbies of these two women when she goes back later.

Su Chen lets go of Shi Feixuan and Huan Huan Huanwan smiled and picked up Su Yan and said,

"Well, this time I came here to completely kill those who assassinated me. Girl, you will not be able to leave the city at will in the future. You have now seen how chaotic the world is outside. Don't follow the example of Huang Rong."

"That girl Huang Rong often ran away from home. Didn't you see that her father Huang Yaoshi's hair was turning white? This is all because of Huang Rong. If you don't want your father to have white hair in the future, don't learn from Huang Rong."

Su Chen said happily after being picked up by Su Chen,

"Dad, do you think I'm a fool? Sister Huang's father's hair turned gray because he was older. Sister Huang ran away from home because her father kept her locked up on an island."

"There weren't many people on the island, so she would definitely get bored if she stayed on the island for a long time. Sister Huang's father didn't allow her to leave the island, so Sister Huang had no choice but to escape."

Hanwan looked at the smart Su Yan, patted her head and said with a smile, "Little girl, you are quite smart. Su

Yan bent his head and asked Hanhan, "Sister Hanhan, will you marry my father in the future?"

"Little girl, why are you asking these questions? Can't I marry your father?"

"Of course, I want to know now, Sister Hanhan, do you want to marry my father?"

Huanhan blushed and looked at Su Chen. She didn't think that Su Yan would ask herself this question now, which made Huanhan not know how to answer it now.

"She won't marry your father".....

Chapter 74

Shi Feixuan had been listening to the conversation between Huan Huan and Su Yan. When she heard Su Yan ask Huan Huan if she would marry her father, Shi Feixuan frowned.

Shi Fei Xuan doesn't want Huan Huan to marry Su Chen. She doesn't know if this witch will use Su Chen to complete some of their Yin Kui sect's tasks. The demon sect is full of evil-doers and unscrupulous people. Shi Fei Xuan doesn't want her to marry Su Chen. I don't want Huanwan to deceive Su Chen.

Huanwan glared at Shi Feixuan and said angrily,

"Master nun, do you want to die? Why can't I marry this bastard Su Chen? Can't I just marry you?"

"Shi Feixuan, don't forget that you are a nun and you need to be clean. Don't always think about robbing men."

Shifei Xuan said to Hanhan coldly,

"You have a purpose to get close to Su Chen, and I won't allow it."

Huanwan said with a somewhat evasive look, "What purpose can I have? Can't I like Su Chen?"

Although Huanyu wants to take advantage of Su Chen, she also likes this bastard Su Chen very much now. If there is danger, Huanyuan will not let Su Chen do it. She just wants to help Su Chen do what she can. Kwai Pai

"Huanyuan, don't think that I don't know the magic method you practice. If you fall in love with Su Chen, you should know the consequences."

"you.....Master nun, this is my business, you don't need to worry about it"

"I'm just reminding you."

Su Yan was a little confused when he heard what Shi Feixuan and Huan Huan said. A woman from the Demon Sect wanted to take advantage of her father, and a nun also had feelings for her father. This made Su Yan feel a little confused. She shook her head. She shook her head and didn't think about it anymore. Alas, it's too difficult for me as a child.

Lin Shiyin and the others were also eavesdropping on the argument between Shi Feixuan and Huan Huan. Now they also felt that Shi Feixuan and Huan Huan both had feelings for Su Chen. There is some friendship, but they seem to have not completely settled down because of their respective sects.

Huang Rong is now staring at Su Chen, the bastard. She heard clearly what Su Chen and Su Yan said just now. If she hadn't been Zhao Min held on, and the bastard Su Chen was already lying on the ground.

Su Chen saw Xiao Feng coming back when Shi Feixuan and Huan Huan were arguing. There was also a masked man coming back with Xiao Feng. Su Chen knew who Who is this person? It seems that Xiao Feng has recognized him. Murong Bo can't run away this time. Su Chen doesn't have to worry about being assassinated again in the future. After Xiao Feng arrived, he nodded to Su Chen and took him with him. He stood aside and talked with the masked man.

Su Chen was just worried about that bitch Li Qiushui. The affair in Xingzilin was about to end. It was getting dark and that bitch didn't see her back either.

Su Chen I am just worried that Li Qiu Shui will not be with the Tianshan Child Elder. If Li Qiu Shui is really with the Tianshan Child Elder, then I am afraid that Li Qiu Shui and the Tianshan Child Elder are fighting again.

I don't know if they will be together this time. We will die together. Li Qiu Shui is a great master after all. Su Chen doesn't have any great masters available here. Now Su Chen doesn't want Li Qiu Shui to die so early.

"who's that person?"

"Come on, why are you talking so quietly? Don't you know that scaring people can scare them to death?"

Su Chen was thinking about Li Qiushui. Zhao Min came to Su Chen quietly and pointed at the masked man next to Xiao Feng and asked. Zhao Min's sudden question startled Su Chen.

Huh, I'm not angry, I want to be calm, otherwise this bastard Su Chen will definitely not tell me who that person is.

Zhao Min calmed down his anger and asked softly,

"Su Chen, I'm sorry just now. I didn't notice you were thinking about something. Who is the masked man next to Xiao Feng?"

Su Chen reached out and touched Zhao Min's forehead and said strangely,

"You don't have a fever, why are you so weird?"

"Damn it, you bastard, you just have a fever."

Zhao Min was a little confused when Su Chen touched her forehead. When she heard what Su Chen said, she angrily grabbed Su Chen's clothes and cursed.

Su Chen looked at this womanly Zhao Min and clicked. nod,

"That's right. How could Princess Zhao Min speak to me in such a weak manner? I thought you were sick."

"You mean I look like a man?"

Zhao Min is so angry now that if Su Chen's troops weren't here, Zhao Min would have taught this bastard a lesson.

"No, I didn't say that. You said it yourself."

"Tell me who you are personally?"

"After a while you know who he is."

Su Chen looked at Zhao Min who was very close and wanted to touch Zhao Min's little face. Zhao Min felt a little flustered when she saw Su Chen staring at her. When Zhao Min felt that Su Chen was going to touch her face.Song

Yuanqiao's voice interrupted Su Chen's impulse,

"Mr. Wu Xiang, Song Yuanqiao of the Wudang faction wants to discuss something."

Su Chen looked at Zhao Min with some embarrassment and said hurriedly,

"Huh? Why are everyone from the Wudang Sect here? Why hasn't that old bastard Murong Bo made a move yet? It seems like they are going to give him some motivation."

Zhao Min blushed and immediately let go of Su Chen and took a few steps back. Zhao Min didn't think about why she didn't stay away from this bastard Su Chen just now, and why she wanted to close her eyes at that time.

She shook her head and thought that this bastard Su Chen was poisonous. , she didn't want to be poisoned like Shi Fei Xuan and Huan Huan.

After Zhao Min took a few steps away from Su Chen, he said to Su Chen in a panic,

"Murong Bo has not killed Song Qingshu now. Song Yuanqiao's arrival must have been a negotiation. Song Yuanqiao must have promised Murong Bo something. That's why Murong Bo didn't start to kill Song Qingshu. After all, Yue Buqun gave his wife to you just now in order to survive."

Su Chen looked at Zhao Min's panic and smiled and said,

"What else could happen? Song Yuanqiao must have come to save Murong Bo's son in exchange for his son"

"Then do you agree to Song Yuanqiao?"

Zhao Min looked at this bastard laughing at herself, and she blushed a little. Now she didn't want to face this bastard.

It's just that this bastard knows a lot of things, and he also knows some secret things in the world, which makes Zhao Min want to get some useful information for himself from Su Chen.

Su Chen touched his chin and said with a smile,

"Hey hey hey, this time Song Yuanqiao comes over and I will blackmail the Wudang Clan. Anyway, Murong Fu is useless now, and that old bastard Murong Bo now has someone who can deal with him."

"Is that masked man a Grand Master? Is this person your trump card against Murong Bo?"

"It's none of your business."

Zhao Min was a little angry when she saw that the bastard Su Chen didn't tell her, "You bastard, tell me who the masked man is?"

Su Chen waved his hand to Gu Changfeng next to him to let Song Yuanqiao in, and said to Zhao Min unhurriedly,

"You'll know in a moment, don't be anxious."

Zhao Min grabbed Su Chen with a quick step and stared at him and asked,

"I want to know now"

"Don't pull me, Song Yuanqiao will come in soon"

"Tell me and I will let you go"

"I guess, it's not my fault, you pulled me, and I didn't kiss you on purpose. Calm down, Zhao Min, calm down, how about you kiss me back?"

Chapter 75

Su Chen didn't expect that Zhao Min suddenly pulled him, and Su Chen kissed Zhao Min directly as soon as he turned around. Su Chen was a little confused when he saw that he had kissed Zhao Min.

Su Chen didn't expect to kiss Zhao Min, a witch this time. Now Su Chen knew that he was in trouble. If he couldn't comfort Zhao Min, he might not be able to stay in peace in the future.

"You bastard, I'm going to kill you."

Zhao Min didn't expect that she would be kissed by this bastard. Although it was caused by her pulling on Suchen just now, this bastard actually stuck out his disgusting tongue. Zhao Min wanted to kill this bastard now. When

Su Chen saw Zhao Min wanted to take out her Mongolian dagger and said hurriedly,

"Calm down, calm down, Zhao Min, you can't blame me for this. You pulled me suddenly and I accidentally kissed you. But don't worry, others didn't see it. They were all trying to persuade Shi Feixuan and Huan Huan. You can rest assured. , this matter is known by heaven and earth, you know it and I know it, no one else will know it"

"Dad, you just kissed Zhao Min, I saw it."

Su Yan didn't know when he came over. She looked at Su Chen and Zhao Min and reminded with a smile that

Su Yan had come to Su Chen a long time ago, but Zhao Min was a little too engrossed in the conversation with her father, so he didn't notice the short stature. Su Yan, Su Yan remained silent and listened to their conversation.

"Damn it."

Su Chen felt a little helpless when he saw Su Yan next to him. He didn't even notice when this girl Su Yan arrived. When

Zhao Min saw Su Yan, his face turned red and he glared at Su Chen. Zhao Min didn't expect that. Su Yan discovered that she was kissed by Su Chen, a bastard. Now Zhao Min feels a little uncomfortable when she sees Su Yan staring at her.

"Suchen, I don't want anyone to know."

Zhao Min warned Su Chen and turned around to leave Su Chen, the bastard. Now Zhao Min has no shame in staying here with Su Chen and Su Yan. When

Su Chen saw that Zhao Min let him go this time, he immediately agreed. ,

"Definitely, I will definitely not tell anyone, and neither will my daughter."

Su Yan smiled when he saw Zhao Min leaving and said to Su Chen, "Dad, you are really lucky."

"This is not a girl's luck, this is a disaster."

Su Chen looked at the approaching Song Yuanqiao and said helplessly.

Su Chen did not expect that he would meet several peerless beauties in one day, and three of them would be kissed by him. Lin Shiyin was still the one who had been assaulted by herself, and her luck was a bit strong today.

After Song Yuanqiao was brought over by a group of soldiers, he saluted Su Chen and said,

"Wudang Sect Song Yuanqiao met Wu Xiangjun and the little princess"

"Song Yuanqiao, what are you doing here this time?"

Su Chen has no interest in the leader of the Wudang Sect who has done nothing. Now, except for Zhang Sanfeng, the rest of the Wudang Sect are just some crooked melons and cracked dates. Zhang Sanfeng is a powerful martial artist, but the apprentice he teaches is a comparison. Incompetent.

Song Yuanqiao looked at Su Chen and said calmly,

"Lord Wu Xiang, I hope you can let Murong Bo's son Murong Fu go free this time. As long as you let Murong Fu go, our Wudang sect owes Lord Wu Xiang a favor."

Su Chen looked at Song Yuanqiao for a while and then laughed.

"Haha, Song Yuanqiao, do you know that Murong Bo wants to kill me? If I let Murong Bo go now, do you think I can leave alive? Do you want me to die in the apricot forest?"

Song Yuanqiao looked at Su Chen laughing and said to Su Chen anxiously,

"Wu Xiangjun joked, there are so many troops here like Wu Xiangjun, I think Murong Bo will definitely not be able to kill you."

Su Chen is too lazy to argue with Song Yuanqiao now. Su Chen just wants to get some benefits and let Xiao Feng and his son kill Murong Bo and his son.

"Song Yuanqiao, I used to think that you were an honest and honest leader of the Wudang Sect, but I didn't expect that you are also a shameless villain. Do you know why I chose your son to be killed by Murong Bo?"

"Um, I don't know this."

Song Yuanqiao looked at Su Chen with some embarrassment. Of course he knew what Song Qingshu did. If Song Qingshu hadn't unabashedly peeked at women like Su Chen, I'm afraid the Wudang Sect wouldn't have been forced by Murong Bo.

Su Chen Today I have seen the faces of these famous and upright people. They clearly know that everything is true, but they just want to pretend to be confused.

Su Chen looked at Zhang Sanfeng, the great disciple, and said disgracefully,

"Song Yuanqiao, it's not that you don't know, it's that you don't have the nerve to say it. You should know what kind of person your son is. The women here are not your son's kind and you can attract their attention."

"I understand, I will educate him well in the future"

"Hey, it's hard to say whether you will be cruel in the future. Maybe your son will be killed by Murong Bo in a while."

"Mr. Wu Xiang, if you have any requests, feel free to ask them, as long as they are not excessive, I will definitely agree to it. Seeing that the goal had been achieved, Su

Chen smiled and said,

"Your Wudang sect doesn't have the items I need. If you hand over your master's Tai Chi Chuan and Tai Chi Sword, as well as your Wudang sect's Qinggong Ti Yun Zong, I can hand over Murong Fu to you."

Song Yuanqiao said with an ugly face after hearing Su Chen's request,

"Mr. Wu Xiang, these are the secret martial arts secrets of our Wudang Sect. We, the Wudang Sect, can pay one hundred thousand taels of silver, plus some yellow-level martial arts secrets, to please Mr. Wu Xiang to release Murong Fu."

Song Yuanqiao didn't expect that Lord Wu Xiang would open his mouth. Tai Chi, Tai Chi Sword, and Wudang Tiyun Zong are all martial arts of the Wudang sect. It is impossible for Song Yuanqiao to hand them over. Even if Song Qingshu died here, he would not Hand it over.

Su Chen said a little shamelessly,

"Do I care about the money? Huang-level martial arts secrets are useless. I just need Tai Chi, Tai Chi Sword, and Wudang Tiyun Zong. I don't want the rest."

"Alas, Mr. Wu Xiang, is there no possibility of further discussion? I hope Mr. Wu Xiang can make some demands that I can accept for the sake of my master."

At this time, Master Mijie, who had been here for a while, smiled and said to Su Chen,

"Mr. Wu Xiang, Song Yuanqiao will not give you those martial arts secrets you want. Those are the martial arts of the Wudang sect, and they will not let those martial arts secrets wander outside."

"Master Mijie, please help our Wudang Sect."

Miexue Shitai Nian has a good relationship with the Wudang Sect in the Emei Sect. This time she also saw that Su Chen wanted to blackmail the Wudang Sect, so she planned to help Su Chen.

Mijie Shitai also saw that Murong Fu was no longer useful. , the masked man next to Xiao Feng may be the person Su Chen wants to deal with Murong Bo.

Murong Bo and Murong Fu and his son may also be dead here soon,

"Head of the Song Dynasty, give Wudang Tiyunzong to Lord Wu Xiang, and give another one hundred thousand taels of silver, and I can help you intercede with Lord Wu Xiang."

Chapter 76

Song Yuanqiao hesitated after hearing Master Jue's words. Now he only needs to pay a prefecture-level Qinggong secret book and some money to save his son. Although Wudang Tiyunzong is Wudang's peerless Qinggong secret book, if Song Yuanqiao uses it to save himself Son, I believe that the master will not punish himself.

Song Yuanqiao sighed and said to Master Mijie,

"I agree, Master Mijie, I just hope that Mr. Wu Xiang will not spread the Wudang sect's martial arts secrets."

Master Mijie smiled after hearing Song Yuanqiao's words and said,

"Head of the Song Dynasty, if Wu Xiangjun wants these secret books, his daughter should practice them. I will tell Wu Xiangjun not to let him pass them on."

Master Jiejie is very happy to be able to get Song Yuanqiao to pay for a local-level Qinggong secret book this time.

After Wudang Tiyunzong Qinggong secret book, Wu Xiangjun will definitely let that girl Su Yan learn it.

Su Yan will also accept it from now on. For the sake of the apprentice, this time Master Jiejie also wanted to help the apprentice Wu Xiangjun because of her in the future.

"Thank you very much, Master."

Song Yuanqiao now only hopes that Master Mijie can convince Wu Xiangjun that coming to the Beggar Clan Conference this time not only failed to make Song Qingshu famous in the world.

He has also given away Wudang's peerless Qinggong. It seems that he should not bring it this time. His son came out to practice.

Su Chen looked at Master Mijie and Song Yuanqiao talking and asked Su Yan,

"Yan'er, do you want to find a master to learn martial arts?"

Su Yan held a branch and gestured beside it and said,

"Looking for a master? I have never thought about it. My mother still won't let me learn martial arts. She said that she can only practice martial arts when I am older."

"Have you ever thought about finding a master to learn martial arts from him?"

Su Chen also wants Su Yan to find a master to practice martial arts. Now that Su Yan is too lively, he will no longer be able to control this little girl. Su Chen wants to find a master for her to restrain her.

Su Yan throws it away Zhizhi said pitifully to Su Chen, "No, I don't want to leave home, nor my mother and father."

Su Yan knew after listening to Su Chen's words that her father wanted to find a master for her. Su Yan didn't want to find a master. Now that she was free and comfortable at home, she didn't want to find a master to discipline her.

Su Chen looked quickly Su Yan's expression changed and he was a little speechless.

"Okay, then stay at home. Dad will find you some more martial arts secrets later. Then you and Aunt Yuyan can practice together."

"Haha, thank you dad."

Su Yan smiled and took Su Chen's hand and continued, "Dad, why don't you take care of Shi Feixuan and Huan Huan?"

Su Chen looked at Shi Feixuan and Huan Huan next to him, who were still staring at each other, and then shook his head helplessly and said,

"No need, they are sworn enemies to begin with, as long as they don't fight it's fine"

"Will Dad marry Shi Fei Xuan and Huan Huan in the future?"

Su Chen looked at Shi Fei Xuan and Huan Huan and smiled and said to Su Yan,

"Of course, Shi Feixuan and Huan Huan will be your aunts in the future, but now is not the time."

Su Chen had no intention of provoking these women before, but in the future he decided to rebel and destroy the country, and he didn't care about the witches or saints.

Besides, Shi Feixuan and Huan Huan will both be super masters who can reach the Grand Master or even the Heavenly Realm in the future. , even if he really has no way to practice martial arts in the future, with so many martial arts masters in his family, Su Chen does not need to worry about being assassinated. At this time, Master Jue came to Su Chen with a smile and pulled Su Yan to tell Su Chen said,

"Wu Xiangjun, Song Yuanqiao has promised to hand over the secret book of Wudang Tiyunzong. The one hundred thousand taels of silver may need him to be handed over to you later. I think you are also ready to release Murong Fu now. Let Song Yuanqiao take him away this time. Bar."

Su Chen smiled when he saw Song Yuanqiao promised to give him a martial arts secret book. This time, Su Chen got a martial arts secret for nothing. This Song Yuanqiao is also a good old man. I'm afraid

Master Jiejie helped him this time because of Su Yan. No matter what, He said that he had taken advantage of Su Yan this time.

Su Chen smiled and said to Master Jue,

"Haha, thank you so much this time, Master. Song Yuanqiao handed over Wudang Ladder Yunzong first and then he can take away that trash Murong Fu first."

Master Jue immediately handed Su Chen the martial arts secret book that Song Yuanqiao gave her.

"This is Wudang Ladder Yunzong. Your Majesty, please take a look."

"System, is this Wudang Ladder Yunzong real?" Su Chen took over the martial arts secrets and started communicating with the system.

"Ding, the secrets of Wudang Ladder Cloud Control are true."

When Su Chen heard that this martial arts secret book was true, he ordered Gu Changfeng next to him,

"Gu Changfeng handed Murong Fu to Song Yuanqiao of the Wudang Sect for him to take away"

"Yes, Your Majesty."

After Su Chen ordered, he saw Master Jue pulling Su Yan to the Emei Sect. Su Chen looked at Su Yan winking at him and pretended not to see it. Su Chen didn't care about Su Yan's plea for help. , let Master Jue teach Su Yan a political lesson.

At this time,

Lin Shiyin panted and ran to Su Chen and asked hurriedly,

"Su Chen, why did you let Murong Fu go? Don't you want your life? Su

Chen looked at Lin Shiyin's worried look and said with a smile, "Isn't Miss Lin Shiyin here?" I don't think you'll just die without saving your life, right?"

"I won't save you. Now you want to commit suicide and you can't blame others."

Lin Shiyin was a little nervous when she saw this bastard Su Chen staring at her.

She had just seen the soldiers hand Murong Fu over to the Wudang sect, so she hurried over to stop Su Chen from letting Murong Fu go. Who knew this bastard Not scared at all

"Don't bother me unless you save me."

Su Chen saw Lin Shiyin's words were wrong and pushed her away. He wanted to find the master Feixuan and Hanwen next to him to ask them to prepare to kill. Lin

Shiyin was pushed away by Su Chen and hurriedly stepped forward and grabbed Su Chen's clothes and said angrily. ,

"Bastard, why did you let Murong Fu go? Murong Bo will come to kill you soon. Aren't you ready to escape?"

Su Chen looked at Lin Shiyin's chest speechlessly when he saw Lin Shiyin holding him. Hey, it's really big enough. No wonder it felt so good when he touched it before. It's just that Lin Shiyin is a little stupid. Is this what is called big breasts? brainless?

"Fuck you, didn't you see that Zhao Min and Huang Rong also saw me letting Murong Fu leave? Why didn't they come to stop me? Lin Shiyin, from now on, you should eat more walnuts and not papaya."

Lin Shiyin was a little confused and didn't know what Su Chen meant. She looked at Zhao Min and Huang Rong and they really didn't care about Murong Fu being let go. This made Lin Shiyin a little confused now.

"What do you mean? Why should I eat walnuts? What is papaya? I didn't eat any papaya"

"Walnuts nourish the brain, papaya enhances the breasts"

"Ah, Su Chen, you actually said that I have big breasts and no brains. I want to kill you bastard."

Chapter 77

Lin Shiyin thought for a while after listening to Su Chen's words. Walnuts can nourish the brain and papaya can enhance breasts. She has eaten walnuts herself, but she doesn't know what papaya is.

It was just papaya breast enlargement, which made Lin Shiyin a little confused. Suddenly Lin Shiyin realized that this bastard Su Chen wanted to say that he had big breasts and no brains. This damn bastard

"Ah, Su Chen, you actually said that I have big breasts and no brains. I'm going to kill you bastard."

"Let me guess, this girl's reaction is slow enough."

When Su Chen came to Shi Feixuan and Huan Huan, he heard Lin Shiyin's threatening voice. Su Chen shook his head speechlessly. No wonder Lin Shiyin would be given to Long Xiaoyun by Li Xunhuan in the future. At that time, he didn't object. This reaction The speed is faster than a turtle.

When Zhou Zhiruo saw Lin Shiyin running towards here in a menacing manner, Zhou Zhiruo knew that the two people might have another conflict, so she asked Su Chen strangely,

"Su Chen, why did you provoke Lin Shiyin again?"

Su Chen felt a little strange when she looked at this Zhou Zhiruo. Her master, Master Mijie, was right next to her. Why was this Zhou Zhiruo not with her master?

And being with these women all the time, could it be the beauty effect? Beautiful women should be with beautiful women. ?

Su Chen looked at Zhou Zhiruo curiously and said,

"It's okay, I just asked her to eat more walnuts in the future. Zhou

Zhiruo frowned and asked in confusion,

"Eat walnuts? Why should Lin Shiyin eat walnuts?"

"Yes, why did you only let Lin Shiyin eat walnuts? What about us?"

Huang Rong looked at Su Chen with displeasure. Now she just wants to go against Su Chen. She hasn't forgotten that bastard Su Chen said bad things about her before.

Zhao Min also joined in the fun and said to Su Chen,

"Su Chen, you are a little biased. There are so many of us, why do you only let Lin Shiyin eat walnuts?"

Although Zhao Min wondered why Lin Shiyin was so angry when Su Chen asked Lin Shiyin to eat walnuts, she didn't think too much about it. Now that the women here are condemning Su Chen, she also wanted to join in the fun.

Huan Huan and Shi Feixuan Now they are also looking at Su Chen. They are not glaring at each other now. They also need Su Chen to give them an explanation. Su Chen has not invited them to eat or anything.

"Why did I ask Lin Shiyin not to eat papaya? Do you also want to know why?"

Su Chen saw that these women were all denouncing him, so he strangely said to Zhou Zhiruo and the others.

Su Chen now wants them to know the functions of walnuts and papayas, so that they will eat them secretly in the future, but Su Chen ignored them. One glance at the chests of the girls showed some shortness of breath.

My dear, what did these girls eat to grow so big? Now they are wearing dresses. These are not modern tight-fitting clothes. They don't even wear those. What kind of bra? Are all women in ancient times so well developed?

"pawpaw? I know papaya. Papaya is nothing delicious. It's just a fruit. Why don't you let Lin Shiyin eat it?"

Huang Rong knows about papaya. She has eaten it too. But there is nothing wrong with eating papaya. Huang Rong couldn't understand why Su Chen didn't let Lin Shiyin eat it. Is papaya

poisonous? The other women also looked at Su Chen. They also I want to know why Su Chen wants Lin Shiyin to eat walnuts but not papaya.

"Cough cough cough"

"You, cough your ass and say it quickly."

Huang Rong saw that Su Chen didn't say anything and was trying to fool him. Huang Rong wanted to pat Su Chen on the shoulder to urge him. However, Huang Rong was a bit short and she couldn't reach Su Chen's shoulders. This made Huang Rong embarrassed now. Absolutely.

Su Chen wanted to laugh when he looked at Huang Rong next to him. Huang Rong was the shortest among the girls, about 1.6 meters tall. She was 1.8 meters tall. Huang Rong wanted to pat her on the shoulder, but she had better wait for her later. You should grow taller.

The other girls also wanted to laugh when they saw Huang Rong's embarrassed look. They were holding back their laughter now. If they did, I'm afraid Huang Rong would be even more embarrassed.

Su Chen saw Lin Shiyin running over. After that, he told Zhou Zhiruo next to him,

"Lin Shiyin is here, Zhou Zhiruo stops Lin Shiyin first, and I will tell you"

"Okay, if you don't tell us after I stop you, then you can just wait to die."

Zhou Zhiruo looked at Lin Shiyin who was running over and nodded to Su Chen. She really wants to know about walnuts and papayas now. The more this bastard doesn't talk about it, the more Zhou Zhiruo feels that there must be something weird in it.

"Su Chen, I want to kill you"

"Shiyin, calm down first and tell us why this bastard Su Chen provokes you again?"

Lin Shiyin ran over and yelled at Su Chen. Now Lin Shiyin was so angry with this bastard Su Chen. This bastard dared to look at her breasts and said that she had no brain. This made Lin Shiyin so angry that she wanted to strangle this person to death. Bastard.

Although the bastard Su Chen touched her breast, he was unintentionally taken advantage of by that bastard. Lin Shiyin was stopped by Zhou Zhiruo and glared at Su Chen who was next to Shi Feixuan and Huan Huan.

"Zhiruo, you don't know how hateful this bastard is, he actually said.....He actually said me....."

Lin Shiyin was pointing at Su Chen with a face full of shame and anger, but when she thought about what Su Chen said, she felt embarrassed and didn't know what to say. She couldn't tell Zhou Zhiruo and the others that Su Chen said she was big-breasted and brainless.

Zhou Zhiruo pulled Lin Shiyin and asked anxiously, "What did you say? What did you say?"

Huang Rong was a little excited now and hurriedly asked Lin Shiyin,

"Yes, Shiyin, tell us quickly, if this bastard really bullies you, we will all avenge you, and we will destroy this bastard."

Huang Rong has waited for the opportunity to teach this bastard Su Chen a lesson. This time Huang Rong will give this bastard a lesson to see if Su Chen dares to say bad things about him behind his back.

Su Chen pulled the concubine to make peace. Huanwan was talking quietly beside them. After a while, Murong Bo came to kill him. Although Xiao Feng and his son could deal with Murong Bo and his son, Murong Bo still had four masters' subordinates.

He only had his master Fei Xuan and Huan here. Huan, together with Mijie Shitai holding the Yitian Sword, Su Chen is now preparing for them to kill the four master masters. With the cooperation of the army this time, I believe they can kill the four masters smoothly.

Huan After listening to Su Chen's words, Huan and Shi Feixuan agreed. This time when Murong Bo attacked, even if Su Chen didn't tell them, they would kill the remaining four masters.

Huan looked at the angry Lin Shiyin next to her. He asked, "Su Chen, why is Lin Shiyin so angry?"

Shi Feixuan also looked at Su Chen and waited for his answer.

"Haha, you'd better not know. If you did, I'm afraid you would call me a hooligan."

Huanwen asked hurriedly with her eyes wide open.

"you.....Didn't you do something hooligan to Lin Shiyin?"

At this time, Zhou Zhiruo pulled Lin Shiyin beside him and shouted to Su Chen

"Su Chen, Lin Shiyin has been stopped by me, can you tell us now?"

"Walnuts nourish the brain, papaya enhances the breasts."

Chapter 78

Zhou Zhiruo and the other girls fell silent after hearing what Su Chen said. They all looked at each other and found that each of them had quite big breasts, especially Lin Shiyin and Zhou Zhiruo. They were the biggest ones here. Could it be that papaya breast enlargement is Really?

Zhou Zhiruo and the others then looked at Lin Shiyin. Walnuts to replenish their brains? Doesn't that bastard Su Chen want to scold Lin Shiyin for being brainless? No wonder Lin Shiyin was so angry. If they were themselves, they would have taken a sword to kill that bastard Su Chen.

But they thought about why Su Chen, a bastard, knew that walnuts nourished the brain and papayas enlarged breasts? This made them all look at Su Chen with ill intentions.

When Su Chen saw these women looking at him with ill intentions, he smiled and said,

"Look at what I'm doing. I've already told you that Murong Bo is here now. Huanwan, you and Shi Fei Xuan get ready. Zhou Zhiruo goes and asks your master to come over. The rest of you can just protect me."

Su Chen only dared to say it when he saw Murong Bo coming with his men. Now that Murong Bo is his shield, he believes that these women will not cause trouble for him at this time.

Huan looked meaningfully When he looked at Su Chen, he pinched him and said,

"we know."

Shi Feixuan blushed and lowered her head and nodded. She didn't expect that Su Chen would say such a thing. Shi Feixuan couldn't help but think that Su Chen, a bastard, must have studied women.

Zhou Zhiruo glared at Su Chen She hurriedly went to find her master. She knew that now was not the time to cause trouble for Su Chen, but she would definitely not let this bastard go. This bastard

Su Chen must have secretly looked at her breasts. If she didn't teach him a lesson, Zhou Zhiruo felt unhappy

"Suchen, you....."

"Huang Rong, I know what you are going to say. You don't need to protect me anymore. You can go play with Lin Shiyin."

Su Chen saw that Huang Rong, a ghost girl, was about to stir up trouble and hurriedly interrupted her. Now Su Chen didn't want to deal with this crazy woman. After Murong Bo's incident was over, Su Chen would teach Huang Rong a lesson. Huang Rong angrily said to her He waved his fist in the air. This bastard is so shameless. Su Chen did it on purpose. The bastard Su Chen didn't say anything before. He waited for Murong Bo and the others to come over and then hurriedly said it. This bastard

Su Chen just knew that Murong Bo was here. , they just want to cause trouble for this bastard, and they will wait for this incident to settle with him again.

Lin Shiyin's chest is rising and falling with Su Chen now. She heard that Su Chen, this bastard, actually asked Huang Rong to take her. Go play, can you go play now?

The martial arts people around are watching them. Can you still play with Huang Rong when Murong Bo arrives? Does this bastard Su Chen despise her and Huang Rong? Or does he want to protect her and Huang Rong? ?

Lin Shiyin felt that Su Chen disliked them. Lin Shiyin was protected by her cousin, so she was not afraid of Murong Bo who was about to come. Lin Shiyin felt that her hatred with Su Chen was already irreconcilable. After this incident passed, she Either you and Su Chen die or I die.

At this time, Murong Bo led Murong Fu and his men to the front of the army and said loudly,

"Mr. Wu Xiang, how are you prepared to die this time?"

Su Chen looked at Murong Bo's murderous look and smiled, hugged Huanwan and Shi Feixuan and said to him,

"Murong Bo, I don't want to die. I have so many beautiful wives and concubines. How can I be willing to die? But it's you. You must be incapacitated now, right?"

"Otherwise, there would not be a good-for-nothing son like Murong Fu. Did your wife know that you were no longer good, so she stole the man and was killed by you? Murong Fu, I'm really not sure whether you are Murong Bo's son or not."

"You bastard, you still dare to talk nonsense when you are about to die."

After hearing Su Chen's words, Murong Bo angrily hit a big tree with his palm. The big tree fell to the ground directly due to Murong Bo's attack.

Even some martial arts people nearby were knocked upside down and flew away. , Murong Bo glared at Su Chen and was about to order his men to kill that bastard Su Chen.

Seeing Murong Bo's complete anger, Su Chen continued,

"Wait, Murong Bo, look at how Murong Fu looks nothing like you. Murong Fu is definitely not your son. If you don't believe it, you can ask your subordinates. You should trust your subordinates. I This is a kind reminder to you."

Su Chen now also has some doubts about whether Murong Fu is Murong Bo's son. Murong Fu's pretty face doesn't look like Murong Bo at all. Is this Murong Bo really cuckolded?

Huan Huan leaned in Su Chen's arms He said doubtfully, "Su Chen, is Murong Fu really not Murong Bo's son?"

"How do I know? I just said it casually."

Su Chen kissed Huan Huan's little face and said with a smile.

Su Chen is just suspicious now, but if Xiao Feng and his son are allowed to come out, after Murong Bo sees the faces of Xiao Feng and his son, and then looks at how he and Murong Fu look, I'm afraid Murong Bo will go crazy.

Seeing this bastard kissing her again, Huanhan said in embarrassment,

"You are so shameless. This Murong Bo has been unlucky for eight lifetimes when he met you."

"Huan Huan, after Xiao Feng and his son come out, you will know why I said that Murong Bo and Murong Fu are not biological father and son."

Shi Fei Xuan frowned when she saw Su Chen kissing Huan Huan again. Now that the relationship between Su Chen and Huan Huan is getting better and better, Shi Fei Xuan was worried that Su Chen would be used by this witch in the future.

Su Chen touched Shi Fei Xuan With a small waist, he smiled and said,

"Fei Xuan, those masters will definitely be sent by Murong Bo to kill me soon. You and Huan Huan will block each other. But no, you don't have to use all your strength to deal with them. You can directly lead them to the giant shield formation next to them. There is already an ambush there. Crossbow"

"I know,"

Shi Feixuan replied as she grabbed Su Chen's hand touching her waist. Shi Feixuan found that Su Chen particularly liked touching her waist, and now he would hug her and touch her waist at every turn. This made Shi Feixuan Very embarrassed.

Here, Murong Bo looked at the good-for-nothing son Murong Fu next to him with a sullen face. He also felt that Murong Fu looked nothing like him, neither in appearance nor personality.

Murong Bo looked at He looked at the men next to him and wanted to ask them what they thought, but Murong Bo suddenly thought that this might be Su Chen, the shameless bastard, sowing discord.

Murong Bo turned around and wanted to kill that bastard Su Chen first, and then check later. I wonder if Murong Fu is his son.

When Murong Fu saw Murong Bo looking at him without blinking, Murong Fu was very scared. He was now afraid of this father whom he had not seen many times. After hearing Su Chen's instigation of discord, Murong Fu would Kill yourself.

Murong Bo continued to walk towards Su Chen, who was protected by the army.

"Wu Xiangjun Su Chen, no matter what you say this time, I will kill you first."

"That's not necessarily the case, Xiao Feng, you and your son can come out now."

Su Chen saw Murong Bo coming angrily and smiled and shouted,

"Mr. Wu Xiang, we have been waiting for a long time."

At this moment, a strong momentum came from the side, and then a masked man led Xiao Feng to come to Su Chen in a few jumps. Xiao Feng raised his hands to Su Chen and said,

"Haha, you didn't wait as long as your father, Xiao Yuanshan, you also know about Murong Bo now, this time let you and your son have a life and death showdown with Murong Bo and his son."

Su Chen looked at this burly masked man. Xiao Feng's father was not a good person. He killed Xiao Feng's master and adoptive parents.

Although Xiao Feng's father may have been a good person before, he may have changed since he was kidnapped and killed.

Xiao Feng's master and adoptive parents were killed without telling Xiao Feng's true identity. It seems that Xiao Yuanshan is not a good person now.

Xiao Yuanshan pulled off his scarf and said coldly to Su Chen,

"Mr. Wu Xiang, I'm not here to help you this time. Murong Bo is my enemy. I'm just here to kill my enemy."

"You also knew that my son's identity was not revealed before. For the sake of telling my son that I am not dead, I won't kill you this time, but I won't be able to tell you for sure if I meet you again in the future."

Holy shit, does this Xiao Yuanshan want to die? He is threatening me. Su Chen looked at Xiao Yuanshan with a cold face. Did he make a mistake in calling this Xiao Yuanshan out this time?

Xiao Feng heard what his father said. He knew he was going to be bad, and now Su Chen was also cold-faced. Xiao Feng was afraid that his father would conflict with Su Chen.

"Dad, don't say that. Mr. Wu Xiang didn't know me before. How could he tell me my identity as a master?"

"Feng'er, shut up." Su Chen looked at Xiao Yuanshan and sneered, "Haha, Xiao Yuanshan, don't take yourself too seriously. Isn't the Grand Master great? Believe it or not, it's not very difficult for me to keep you."

Oh my God, I can't bear it. This is the Grand Master. The Grand Master is great. Why am I so impulsive? Su Chen wants to slap himself now.

"Hahahahahaha."

Shi Feixuan and Huan Huan looked at Su Chen helplessly. Is this the help they called? Why did they turn against Su Chen now? Shi Feixuan pulled out his Se Kong Sword, and Huan Huan also held his Demon Ribbon in his hand on guard.

When Gu Changfeng saw that the newly arrived Grand Master was going to deal with Wu Xiangjun, he hurriedly ordered,

"Xuanwu Legion, battle formation, imperial..."Dong dong dong dong dong"

The Xuanwu Legion immediately set up huge shield formations in front of Su Chen, and their crossbows were also pointed at Xiao Yuanshan.

Su Yan saw this huge shield formation in the Emei Sect. The grandmaster was very worried about her father if he wanted to betray him. She looked at the army here and was afraid that she would not be able to stop the great master. Su Yan thought of his father's army outside the apricot forest, so

Su Yan immediately ordered the commander Gu Changfeng road,

"Gu Changfeng"

"Subordinates are here"

"Send a signal, call in the troops"

"Yes, your Majesty."

After receiving the order, Gu Changfeng immediately made a gesture and tweeted.....Pengpengpeng

The Jianghu people in the Apricot Grove suddenly saw three loud noises coming from Tian's mouth, and then all the Jianghu people here saw a red color in the air, which made these Jianghu people know that this was a call for an army.

They looked at the young man in the army, but they didn't know what was happening inside now. Some people with strong cultivation knew what was happening inside.

These people who knew the situation did not expect that the helpers hired by Wu Xiangjun were going to take action against Wu Xiangjun. Just because they did not tell Xiao Feng's true identity earlier, they were about to kill Wu Xiangjun now. This made Jianghu who knew the situation Everyone feels a little weird.

Dongjun of the Yinyang family smiled when she saw the changes inside. She knew that her chance had come. If she helped Wu Xiangjun this time, Dongjun could successfully gain Wu Xiangjun and Su Chen's trust, and she could also do it in the future. After getting many secrets from Wu Xiangjun, Dongjun disappeared in a flash.

At this time, Murong Bo stopped when he saw a great master appeared. He originally thought that this great master was wanted by Lord Wu Xiang to deal with him, but he did not expect that they were going to kill each other. Murong Bo stopped. Ready to watch a show

"Lord Wu Xiang, do you think your troops can stop me from killing you?"

Xiao Yuanshan frowned when he looked at the troops here. Although these troops couldn't stop him from killing Wu Xiangjun, I'm afraid he would have to pay some price if he wanted to kill Wu Xiangjun.

"No, but you can't kill me here."

Su Chen smiled and said to Xiao Yuanshan.

Then, Su Chen said to Lin Shiyin behind,

"Lin Shiyin, come here"

"Su Chen, what did you ask me to do?"

Lin Shiyin came to Su Chen in confusion and asked.

Now Lin Shiyin only knows that Su Chen's helper has betrayed him, but what did Su Chen ask her to do? Doesn't she know this new masked man?

"Mr. Wu Xiang, you don't want to give me a beautiful woman, do you? These women of yours are all good, and you will all be my son's wives from now on, hahahaha."

Su Chen hugged Lin Shiyin and said coldly,

"Xiao Yuanshan, it seems that you have to die this time. Xiao Feng, do you mind if I kill your father?"

Su Chen doesn't have to worry now that Lin Shiyin is a trump card. Li Xunhuan will not watch his cousin die here. Although it is a bit shameless for him to do so, Su Chen does not want to die young.

This is all the fault of that bitch Li Qiushui. , saying that Murong Bo will be left to her to deal with after he appears. Is this him? Murong Bo has been around for a long time, but there is no trace of Li Qiushui's mother.

"Alas, Mr. Wu Xiang, I'm sorry for your coming this time. Don't worry, I won't care about anything you do this time. I will protect Su Yan."

Xiao Feng didn't expect that things would happen like this. He is now in a dilemma. Now he can only protect Su Yan.

"Well, Xiao Feng is still Xiao Feng."

Huanwan and Shi Feixuan looked at Xiao Yuanshan with evil eyes after hearing Xiao Yuanshan's words. If they didn't die this time, Xiao Yuanshan would definitely die miserably.

Zhou Zhiruo, Zhao Min, and Huang Rong also looked at Xiao Yuanshan with cold eyes. If they could kill Xiao Yuanshan, they would cut his body into pieces and feed it to dogs.

Lin Shiyin angrily scolded Xiao Yuanshan, "You stinky old man, you want us all to marry your son, do you want to die?"

Lin Shiyin no longer cares about Su Chen hugging her. She also heard what Xiao Yuanshan said just now. Now Lin Shiyin wants her cousin to kill Xiao Yuanshan directly.

Su Chen fanned the flames and said,

"Yes, Shiyin, just scold him like this, and then ask your cousin to throw a knife at him. Lin

Shiyin felt something was wrong after hearing what Su Chen said. It turned out that Su Chen, the bastard, wanted to use her to get her cousin to help him.

Lin Shiyin bit Su Chen angrily and said,

"You bastard, it turns out you were trying to catch my cousin's attention, you are so shameless, let me go, I won't help you shameless bastard."

Lin Shiyin twisted around in Su Chen's arms, making Su Chen feel very awkward.

Su Chen immediately bowed his body and said hurriedly,

"Damn it, why did you react so quickly this time? Be careful, the gun may go off."

Lin Shiyin grabbed Su Chen's ear and said angrily,

"You bastard, do you still want to say that I am stupid? What kind of misfire?"

Chapter 80

Lin Shiyin was a little angry now. Will this bastard explain to herself that she won't help him? Now Su Chen actually brought him here to try to get his cousin to take action. Did that bastard Su Chen really treat him as a waste?

Su Chen held Lin Shiyin and whispered in her ear,

"Shiyin, you are a very smart woman, how could you be so brainless? This time I'm relying on you"

"Look at how arrogant Xiao Yuanshan is. He actually wants you to be his son's wife. This is something I can't even imagine. Xiao Yuanshan is much more shameless than me. Give your cousin a sign and tell him to be destroyed. he. Lin

Shiyin glared at Su Chen and asked angrily, "You are not a good person either. Do you really have no thoughts about us?"

Lin Shiyin didn't expect why Su Chen was so shameless now. Not only did this bastard kiss Huan Huan and Shi Feixuan, but he also kept touching her, and now he even hugged her. Now this bastard actually said that he had no interest in them. Su Chen was a little confused when he looked at Lin Shiyin. He didn't know whether Lin Shiyin wanted to know whether he had thoughts about them or whether he didn't have thoughts about them.

"Do you want to hear the truth or lies?"

"you.....! You're so mad at me, you damn bastard, you're so mad at me, I don't listen to the truth or lies, so shut up now."

Lin Shiyin looked at Su Chen angrily and turned away. She really doesn't want to deal with this bastard now. She really doesn't get along with this bastard. This bastard Su Chen doesn't even dare to say that he likes them now. He is really a coward..

Su Chen breathed a sigh of relief when he saw that Lin Shiyin had passed this level. Now it depends on how Li Xunhuan will deal with this Xiao Yuanshan.

Now Xiao Feng is trying to persuade Xiao Yuanshan, but it seems that there is little hope. Su Chen does not intend to let this Xiao Yuanshan go.

Xiao Yuanshan is not only a threat He even wanted to take advantage of his woman. Su Chen would not let Xiao Yuanshan continue to live.

This Xiao Yuanshan was already a madman, and a madman was very terrifying. It would be better for Xiao Yuanshan to die.

Su Chen saw Murong Bo coming The old cunt is watching a show again, and Su Chen plans to cause some trouble for him

"Murong Bo, is the show good?"

Murong Bo looked at Su Chen and laughed and said,

"Haha, Mr. Wu Xiang, you may be killed without me taking action this time. I am enjoying watching the show now."

Su Chen smiled strangely and said to Murong Bo with a sigh,

"Murong Bo, you'd better look at Xiao Feng and his son first, and then you and your son, I'm afraid you won't be able to laugh. Your wife has given you a big cuckold, and you raised your son for nothing in vain."

Murong Bo stared at Su Chen and wanted to shut up this bastard. Murong Bo did not expect that Su Chen would dare to tease his wife and son when he was about to die.

"Don't talk nonsense, Murong Fu is my son, and your attempts to sow discord have no effect on me."

Su Chen hugged Lin Shiyin and smelled her hair and smiled and said,

"Murong Bo, it's actually very simple to know if Murong Fu is your son. Look at Xiao Feng and his son, they look almost exactly the same. They must be father and son."

"You and Murong Fu not only look different, but also have different personalities. You can ask your subordinates. If they don't know the premise that you are father and son, and meet Murong Fu on the road, they will think that Murong Fu is Your son?"

"Murong Bo, you must have heard of blood test. Here you can find a bowl of water. You and Murong Fu put a drop of blood into it and see if Murong Fu is your son? Anyway, you are quite bored now, why not give it a try now?"

What Su Chen wants now is that one of Murong Bo and Murong Fu has type A blood and the other has type B blood. Then their blood will definitely not fuse, and Su Chen can watch a scene of a father and son killing each other.

Murong Fu saw that Murong Bo was a little moved and said hurriedly,

"Dad, I'm your biological son. Don't believe Wu Xiangjun's instigation of discord."

Murong Fu is now extremely cruel to Wu Xiangjun Su Chen. Why does this bastard keep staring at him? He is obviously Murong Bo's biological son. How come he has become the son of an adulterer from Wu Xiangjun's mouth? Murong Fu Now he is afraid that his father Murong Bo will believe what this bastard Wu Xiangjun says.

When Su Chen saw Murong Fu, this loser, speak, he knew that it would be impossible for Murong Bo to take a blood test this time. Murong Fu is really an idiot.

If Murong Fu did not speak to clarify himself, fearing that Murong Bo would not make up his mind to do a blood test, so Su Chen decided to add fuel to the fire to Murong Bo.

"Murong Fu, if you are Murong Bo's biological son, what are you afraid of? Isn't it just a drop of blood to test your relationship? Are you dizzy? Or are you not Murong Bo's son at all? Are you afraid that a blood test will reveal yourself? Murong Bo, you can take care of it now."

Murong Bo looked at Murong Fu with a sullen face and said angrily,

"Come on, go get a bowl of water."

Murong Bo is now also very doubtful whether Murong Fu is his son. This man is different from him in appearance and personality. Now that bastard Su Chen said he wanted a blood test, Murong Fu immediately came to clarify himself, which made Murong Bo even more suspicious of Murong Fu. Not his own son

"He is the master."

Murong Fu looked at Murong Bo in disbelief. He did not expect that his father Murong Bo really suspected that he was not his son.

Murong Fu said to Murong Bo in surprise,

"Dad, you don't believe that I am your son? I am your biological son, why do you believe what that bastard Wu Xiangjun says?"

Murong Bo stared at Murong Fu expressionlessly and said,

"Just take a drop of blood for a blood test, and it will be clear whether you are my son. Are you afraid that you don't want to do a blood test?"

"I'll test it."

Murong Fu saw Murong Bo's sinister look and hurriedly agreed. He was now afraid that if he didn't agree, his father would still capture him and force him to take a blood test.

Lin Shiyin leaned into Su Chen's arms and asked doubtfully,

"Bastard, do you think Murong Fu is Murong Bo's biological son?"

Su Chen hugged Lin Shiyin and smiled and said,

"We don't care whether they are biological or not, I'm just looking for trouble with Murong Bo. Anyway, we will know in a while."

"You are really bad. Now Murong Bo and Murong Fu must hate you, you bastard."

"Haha, Murong Bo and Murong Fu were our enemies when we came to save them. They will definitely die here this time. My 20,000 Xuanwu Legion is not a vegetarian."

"How can it be? Dad, this must be a mistake. Let's try again....One blood, we.....Retest.....once."

At this moment, Murong Bo's voice of exclamation came from Murong Bo.

Murong Bo said with a sad laugh,

"Hahaha, I didn't expect that my Murong royal family would be cut off from me. I, Murong Bo, am ashamed of my ancestors."

Murong Fu was now scared and said hurriedly,

"Dad, this must be a mistake. Yes, Mr. Wu Xiang must have done something. Dad, let's try it again."

"Su Chen, Murong Bo and Murong Fu are really not biological father and son. You bastard succeeded in sowing discord this time."
