

## Zongwu 711

### Chapter 711

Su Chen saw that Yagyu Taimamoru had controlled Shen Lang, and Yagyu Taimamoru, that cautious Japanese kid, actually tied up Shen Lang like a rice dumpling and even blocked Shen Lang's mouth. Su Chen shook his head in amusement.

The kid was really good at catching people. It seemed that he could let Yagyu Taimamomo do the kidnapping in the future.

Bai Feifei saw Shen Lang being caught by the Japanese she defeated. When she looked at Su Chen, she was so cruel that she killed the bastard with one palm.

This bastard was so shameless that he actually grabbed Shen Lang to threaten her.

Zhang Wuji, who arrived with Bai Feifei, saw Bai Feifei being threatened by Su Chen, and he knew that this time it would be impossible for Bai Feifei to take action against this bastard.

He looked at Su Chen with a sullen expression but did not make a move.

There were many masters next to this bastard.

If he hadn't had Bai Feifei's help,

Zhang Wuji would have been surrounded and killed by the masters here before he could reach Su Chen.

The people in the restaurant stopped when they saw the fighting. They all looked at Su Chen and Bai Feifei who were facing each other with some relief.

Although the Jianghu people here still want to watch the fun, they also know that if this restaurant is fought here again by the masters, I am afraid that this restaurant will completely collapse.

Zhang Sanfeng looked at Su Chen now and was very confused.

This boy who had no cultivation level just now could actually move instantly?

Moreover, this kid hasn't used any inner strength yet, which Zhang Sanfeng can't figure out.

There is also Hua Baifeng, the terrestrial god in the heavenly realm. Although Hua Baifeng did not allow the boy to attack him just now, Hua Baifeng has been locking himself with a powerful aura.

Zhang Sanfeng knew that as long as he wanted to take action against that brat, Hua Baifeng would definitely take action against him.

Although Zhang Sanfeng is not afraid of Hua Baifeng, a terrestrial god in the heavenly realm, but if he takes action to catch that brat, I am afraid that all his disciples and grandsons here may be killed by another woman.

Zhang Sanfeng is also very helpless now.

He can't do anything now except waiting for that bastard to deal with Bai Feifei and then come to trouble him with the Wudang Clan.

Hua Baifeng and Shen Sanniang looked at Su Chen and felt that this brat was very shameless. They still didn't understand what level of cultivation Su Chen was.

This bastard's secret method of escaping was so powerful that even Grandmaster Bai Feifei couldn't catch him, and he couldn't even force out his specific strength.

Moreover, he shamelessly caused a conflict between the Ming Cult people and Bai Feifei.

This bastard boy is a troublemaker.

Shen Sanniang was very speechless when she saw Su Chen and Bai Feifei confronting each other, "Miss, it seems that we can't test the strength of that bastard boy this time. This brat is too slippery."

Hua Baifeng glanced at Zhang Sanfeng and looked at Su Chenxiao. Hua Baifeng smiled and said, "Don't worry, as long as this bastard is still here, you can definitely test out his specific strength."

Hua Baifeng is becoming more and more interested in Su Chen.

All the masters in this restaurant seem to be the same as him. This bastard kid also has something to do with it. Why are the masters and masters of the Emei Sect,

Shenhou Mansion, and

Dragon Protection Villa all trying to protect this bastard here invisibly?

And this bastard boy seems to have a really good rapport with women.

All the beautiful women in the restaurant are related to this bastard. Even the enemy Bai Feifei is now related to Su Chen, eh!

She and Shen Sanniang seemed to be among them. da da da da da.....

The tranquility of the quiet restaurant was suddenly broken by a burst of footsteps.

Some people were coming up the stairs of the restaurant.

People on the second floor looked at the stairs of the restaurant. Everyone here wanted to know who would be there at this time. will come.

At the stairs of the restaurant, a beautiful woman led more than a dozen powerful guards to the second floor of the restaurant.

This beautiful woman was Zhu Qiqi, who was looking for Su Chen everywhere.

She mobilized everyone in her Zhu family to know that this bastard appeared in this restaurant, and this restaurant was still her family's restaurant.

When Zhu Qiqi came up, she found that the second floor was very strange.

It was too quiet here.

However, when Zhu Qiqi found Su Chen, she was so angry that she forgot everything.

She walked quickly to Su Chen and cursed angrily,

"Bastard Su, I finally found you bastard."

Su Chen saw that it was Zhu Qiqi who had arrived, which made Su Chen a little confused.

Didn't he ask this little rich woman to wait for Lu Xiaofeng and the others in her mansion? Then Zhu Qiqi would come out to find him? Could it be that Lu Xiaofeng and the others had already arrived at Zhu Qiqi's house?

In Qiqi's house?

Su Chen looked at Zhu Qiqi who was being protected by guards and asked doubtfully, "Little rich woman, how did you find me?" Has the person I asked you to wait for arrived?"

Zhu Qiqi was very angry when he saw Zhou Zhiruo, Qing Wu, Ding Minjun, and the many beautiful nuns from the Emei sect next to Su Chen.

Lord Wu Xiang, Su Chen was indeed as lustful as ever, and this bastard just came out for a while. He hooked up with so many beauties, but people from the Emei Sect, Shenhou Mansion, and Hulong Villa would be with this bastard?

Even the woman Shen Lang rescued, Bai Feifei, stared at Su Chen with an angry look on her face?

Could it be that this The bastard wants to pry away this beautiful woman Shen Lang saved?

Zhu Qiqi patted his head and felt that he was thinking too much. Su Chen had nothing to do with her anyway. No matter what this shameless pervert did, it had nothing to do with her. As long as she sends this bastard away as soon as possible.

She doesn't want to have anything to do with this bastard Su Chen in the future. Being with this bastard is too tiring.

Zhu Qiqi looked at the people here and rolled his eyes at Su Chen and said,

"nonsense! If you show up at my restaurant, will I still not be able to find you?"

"I'll do it! Is this restaurant yours too?" Su Chen was very speechless when he heard Zhu Qiqi's words.

Zhu Qiqi's father was really very rich.

Every restaurant he just entered belonged to the Zhu family.

There was no one in the capital of the Ming Dynasty. How much property belongs to Zhu Qiqi's family?

"certainly!"

Zhu Qiqi nodded proudly and said,

"You are really a little rich woman. Have those people arrived at your mansion now?" Su Chen looked at Zhu Qiqi's triumphant look and curled his lips and said,

"Here we come, six people came this time, but they all came out to look for you bastard again. You, the bastard who caused trouble everywhere, made them all very worried. Now go back home with me and stay honest."

Chapter 712

Zhu Qiqi also noticed that something was wrong here.

The people here were all looking at this bastard, and there had obviously been a fight here.

The second floor of the restaurant was now in a mess, and there were even some dead and injured people nearby.

Zhu Qiqi is now very worried that this bastard has caused some trouble. She wants this bastard to leave here quickly.

Otherwise, if this bastard's identity is exposed here, I'm afraid something big will really happen to Emperor Ming.

"Zhu Qiqi!"

Bai Feifei saw that Zhu Qiqi was flirting with this bastard, and didn't even notice that she, the great master, was there.

This made her very angry.

Zhu Qiqi looked impatient when Bai Feifei called her. said,

"what?"

Bai Feifei pointed at Su Chen and Zhu Qiqi angrily and said,

"This bastard can't leave, and neither can you. Originally, I thought of killing you and this bastard at night, but I didn't expect you to come too. This saves me from killing you two bitches at night."

Zhu Qiqi had a serious expression when he heard Bai Feifei's words.

Bai Feifei was indeed going to assassinate her at night as Su Chen said.

This woman is really crazy.

She has nothing to do with Shen Lang, and

Zhu Qiqi also She just wanted to take revenge on Shen Lang for ignoring her before. She didn't expect Bai Feifei to look like he wanted to kill her.

This made Zhu Qiqi completely helpless towards Bai Feifei.

"Bai Feifei, you crazy woman, Shen Lang has nothing to do with me, and this bastard has nothing to do with me either. You crazy woman, don't talk nonsense to me here, it will kill people."

Bai Feifei looked at Zhu Qiqi's guards and mocked disdainfully, "Tsk! Do you think you can stop me from killing you just because you have these innate men?"

"You crazy woman is terrible"

"You are all going to die this time!"

Bai Feifei looked at Su Chen and Zhu Qiqi angrily, then she took out a signal firework from her arms and threw it into the sky from the window of the restaurant, chirping.....boom!

The signal fireworks exploded directly over the restaurant, and a piece of red smoke suddenly appeared over the restaurant.

When people in the restaurant saw Bai Feifei, they might ask for help, or even summon their men.

This made people here speculate about Bai Feifei's identity.

A young grandmaster has already surprised the people here. If there is a powerful force behind Bai Feifei, then maybe something big will happen here.

Zhang Sanfeng and Hua Bai Feifei also looked at Bai Feifei with great interest.

This Bai Feifei had never paid attention to anyone else when she arrived. She only had Su Chen as her enemy.

Now Bai Feifei wants to summon her men or ask for help.

If she finds out that there are two people in the celestial realm and land gods in the restaurant, she wonders if Bai Feifei will regret making such a fuss here?

Zhang Sanfeng looked at Bai Feifei with some surprise in his eyes, but he thought that if Bai Feifei could summon powerful helpers this time, it might be very beneficial to the Wudang Sect.

After all, Su Chen had a grudge against their Wudang sect. If he couldn't reach a reconciliation with this bastard boy this time,

Zhang Sanfeng still thought it would be better for this bastard boy to die.

And if Bai Feifei can kill Su Chen, this will be of great benefit to Zhang Sanfeng's Wudang Sect.

Zhang Sanfeng looked at Hua Baifeng and thought that he might have to stop Hua Baifeng from saving that bastard kid.

Hua Baifeng smiled when she saw Zhang Sanfeng looking at her.

She guessed Zhang Sanfeng's plan. Zhang Sanfeng, who had always been a coward, might have to stop herself from saving that bastard boy this time.

Hua Baifeng looked at Su Chen and felt that this time I'm afraid she won't be needed to save that bastard.

The people around Su Chen are not weak in strength. I'm afraid the manpower Bai Feifei will recruit will not be the opponent of those grandmasters.

Shen Lang was very confused when he was being guarded by Yagyu Taimamomo.

Although he knew that Bai Feifei was good and might even be approaching him intentionally, he did not expect that Bai Feifei was a great master.

There might even be a powerful force behind it, which made Shen Lang look at Bai Feifei both happily and warily.

When Su Chen saw the signal sent by Bai Feifei, he knew that Bai Feifei was going to summon the women from the Ghost Palace.

Although Su Chen didn't know that the Ghost Palace was so powerful in the world of mixed martial arts, but based on Grandmaster Bai Feifei's cultivation level, I'm afraid that the Ghost Palace was also very powerful in the world of mixed martial arts.

Maybe even Bai Feifei's mother Bai Jing, she might also be a land fairy in the heavenly realm.

Su Chen looked at Bai Feifei and said helplessly, "Feifei, it's wrong for you to do this. We don't have any life-or-death hatred, why do you have to treat her so badly?" Shall we kill them all?"

"Shut up! Is that what you, a bastard, can call Feifei?" When Bai Feifei heard Su Chen call her Feifei, she yelled at Su Chen angrily.

This bastard is a shameless pervert.

Now he dares to tease her like this.

Does he really regard herself as an ignorant woman?

Su Chen He touched his nose and smiled awkwardly and said,

"Forehead! Aren't I trying to befriend you? Bai Feifei, although the Ghost Palace is very powerful, the people here are not something ghosts can deal with. If your mother Bai Jing comes, she might be able to kill us."

"Ghost Palace?"

The people here were very shocked when they heard Su Chen's words.

The Ghost Palace is a very secretive women's sect. There are rumors in the world that the women in the Ghost Palace are very powerful. There are several great masters, and I'm afraid there are also masters. Not less, and the Ghost Palace is even more mysterious and powerful than the Yihua Palace of the Ming Dynasty.

Zhang Sanfeng and Hua Baifeng were very surprised when they heard Su Chen's words.

They had also heard of the Ghost Palace.

The Ghost Palace is a very mysterious and powerful place. Women's sect.

It seems that the Ghost Palace has been looking for someone to take revenge, but it has not been seen in the Ghost Palace for more than ten years. Now the Ghost Palace has been born.

Bai Feifei is very shocked now, but the Ghost Palace has not seen any revenge for more than ten years. Appearing in Jianghu Ren, how did this bastard know about the Ghost Palace? He even knew about her mother from the look of this bastard. This made Bai Feifei very surprised when he looked at Su Chen.

Bai Feifei stared at Su Chen and asked loudly,

"Who are you? How do you know about the Ghost Palace? Do you even know Wu's mother Bai Jing?"

Su Chen looked at Bai Feifei and was very helpless.

How should he answer Bai Feifei's words?

Did he tell her that he had read Wulin Foreign History before?

It's just that if he didn't tell Bai Feifei clearly from the look on his face, I'm afraid she still wouldn't let it go.

Su Chen After thinking about it, he decided to stabilize Bai Feifei first.

Now that he can do it, he will not fight.

After all, this is the capital of the Ming Dynasty.

Su Chen doesn't want his identity to be exposed here.

"cough! It doesn't matter who I am. As for the Ghost Palace and your mother Bai Jing, do you believe me when I say that your mother and I know each other?" at this time

"oh? Boy, why don't I know when I met you?" A clear female voice suddenly came from all directions,

"Mother?"

Chapter 713

The Jianghu people in the restaurant were frightened by this sudden voice and trembled all over. They, the Jianghu people, did not expect that another powerful master would come.

Even this master may be a land immortal in the heavenly realm, otherwise he would not have exploded with such murderous intent in the restaurant.

Zhang Sanfeng and Hua Baifeng also looked at a nearby window with serious faces, but they sensed that the voice came from there. This powerful woman of unknown origin was probably Bai Feifei's mother Bai Jing.

Although the remaining members of the Wudang Sect and Mingjiao were very afraid of the murderous intent in the restaurant, they were all a little happy now.

This woman who is about to appear is probably Bai Feifei's mother, and Bai Feifei wants to kill that bastard Su Chen this time, so that bastard Su Chen is definitely dead this time.

Bai Feifei is confused now.

She didn't expect that her mother Bai Jing would also come to the Ming Dynasty.

Bai Feifei couldn't understand why her mother Bai Jing appeared in the Ming Dynasty.

Are you worried about coming to the Ming Dynasty alone this time?

But she also brought two great masters and some master masters to protect herself. Her mother shouldn't come to protect her, right?

When Su Chen heard this voice, he asked Bai Feifei with an ugly face,

"Bai Feifei, is this my mother's voice?"

Bai Feifei looked at Su Chen and said mockingly,

"You shameless bastard, didn't you say you knew my mother? Can't you even recognize her voice?"

【What the hell!】

【This time I'm going to commit suicide again】

【Why did Bai Jing come to the Ming Dynasty Capital?】

【Why didn't she seek revenge from Happy King Chai Yuguan and actually appeared in the capital of the Ming Dynasty? 】

Su Chen is very helpless now. With

Bai Jing's arrival, I'm afraid things will not be solved this time.

Bai Jing is even crazier than Bai Feifei.

This woman is probably crazy.

After being abandoned and burned by Happy King Chai Yuguan, Bai Jing may have become a female devil who is neither human nor ghost.

Zhou Zhiruo, Qingqing and others looked at Su Chen with great helplessness.

Wouldn't this bastard stop talking nonsense?

I'm afraid this bastard is really doomed this time. He's a powerful enemy in the Heavenly Realm. This bastard dares to tease her out loud. I'm afraid Bai Feifei's mother will kill this bastard when she appears.

"Boy, when did we meet?" A veiled woman in a white dress suddenly looked at Su Chen beside Bai Feifei and asked coldly.

Su Chen's mouth twitched when he saw the perfect figure Bai Jing appear.

Although Bai Jing was disfigured by Chai Yuguan, There were even some burns on her body.

But it seemed that Bai Jing's appearance was not as serious as he imagined.

Su Chen looked at Bai Jing, and he felt that she was still a stunning beauty, with bulging front and back. Her figure is full of the charm of a mature woman, but the face under Bai Jing's veil is probably very scary.

"cough! I....."

"Don't say you met me in a dream, otherwise you will definitely die miserably." Bai Jing didn't let Su Chen continue. She looked at Su Chen and said with a hint of chill in her eyes,

"So do you know me?" Su Chen looked at Bai Jing's cold and cold look and asked unhappily.

Bai Jing looked at Su Chen and said with a sneer,

"Of course I know who you are? Do you want me to say your name now? It's just that if I tell you your identity, I'm afraid the Ming Dynasty will be destroyed. Do you think you are Master Su?"

"Bai Jing, how could you possibly know who I am?" Su Chen was very shocked when he heard Bai Jing's words.

How could this Bai Jing know him?

This was the first time Su Chen appeared in Daming, and he had only arrived in Daming in the past few days. How could Bai Jing know him?

Bai Jing She looked at Su Chen and laughed.

She thought that Wu Xiangjun was a shameless bastard who was not afraid of heaven or earth. Now he didn't even dare to let others know his name in the capital of Ming Dynasty. It seemed that he was also a fake person. Man, Lin Chaoying may have been deceived by Wu Xiangjun.

Bai Jing also met Lin Chaoying in Jin Kingdom.

She also captured Lin Chaoying back to her ghost palace in the Ming Dynasty.

Bai Jing felt that Lin Chaoying looked very much like herself. , they had all been deceived by men, and she wanted Lin Chaoying to help her daughter in the Ghost Palace.

But Lin Chaoying never agreed, and even kept looking at the portrait of Wu Xiangjun Su Chen every day.

Bai Jing also knew about Wu Xiangjun at that time. Regarding Xiangjun Su Chen.

Bai Jing saw Su Chen staring at her cautiously and said with a smile, "Hahaha! Are there times when you, a lecherous person, are afraid?"

Su Chen looked at Bai Jing and asked with a serious face, "Who are you?" You can't be Bai Jing, the ghost palace? How could Bai Jing know me?"

Su Chen is very wary of whether this woman is Bai Jing. I

'm afraid this woman in the realm of heaven is not Bai Jing.

How could Bai Jing have an idea for him?

I'm afraid no one in this world except Chai Yuguan cares about Bai Jing. She was going crazy trying to seek revenge from Chai Yuguan.

How could Bai Jing have the intention to know about her?

The people from the Emei Sect in the restaurant and Qingqi, Zhu Qiqi, Shangguan Haitang and other people who knew Su Chen's identity, Now they all looked at Bai Jing nervously.

They didn't expect that Su Chen's identity would be exposed like this, but this woman was a land fairy in the heavenly realm, and they couldn't do it even if they wanted to kill someone and silence them.

Others in the restaurant The Jianghu, Wudang Sect, and Mingjiao people all looked at Su Chen.

They were all guessing about Su Chen's identity?

Why did Bai Feifei's mother know him? And it seemed that Su Chen's identity was not simple.

Zhang Sanfeng looked at Su Chen now and felt that the Wudang sect might have caused a big trouble this time.

All the land gods in the heaven and human realm knew this boy, and even looked particularly familiar with him.

This made Zhang Sanfeng guess the identity of this boy. It's definitely not simple, otherwise Bai Jing wouldn't have been able to say that this kid's identity would cause terrible things to happen.

If something happens to this kid here, I'm afraid the forces behind him will not let go of their Wudang sect in the future.

Hua Baifeng and Shen Sanniang watch Su Chen's beautiful eyes showed doubts.

They thought his identity was suspicious.

This bastard boy has hidden his cultivation level until now. Moreover, Bai Feifei's mother actually knows him.

Even the identity of this bastard is only Something big will happen if you say it. Is the identity of this bastard really so terrifying?

"I am Bai Jing, the former master of the Ghost Palace."

Chapter 714

After Bai Jing learned about what happened here from Bai Feifei, she looked at Su Chen with murderous intent. She didn't expect that this Wu Xiangjun dared to play with her daughter. This was unforgivable.

Although Bai Jing will not expose the identity of this bastard now, it doesn't matter whether the identity of the bastard is exposed or not after killing him.

Although Su Chen heard Bai Jing say that she was Bai Jing, the former owner of the Ghost Palace, he still didn't believe it.

Bai Jing was forced by Chai Yuguan to take the abortion pill and was burned beyond recognition by the fire in the Ghost Palace.

It's just that Bai Jing doesn't look like she's been burned by fire.

Su Chen kept staring at Bai Jing and asked again,

"Are you really Bai Jing? You are not unrecognizable because of the fire, but how come you are still very white and flawless under your neck?"

"Shameless! you wanna die!" Bai Jing shouted angrily when she heard Su Chen's words. She appeared directly next to Su Chen and slapped Su Chen with her palms. Su Chen didn't expect that Bai Jing would suddenly take action.

It was impossible for him to hide now.

He Behind him were Zhu Qiqi, Shangguan Haitang, and the nuns from the Emei sect.

If he had escaped,

Zhu Qiqi and Shangguan Haitang would have been killed by Bai Jing angrily.

Boom!

Su Chen was blown away by Bai Jing's palm. Got out,

"Young Master!"

"asshole!"

"Mr. Su!"

"Bastard!"

After Su Chen was blown away by Bai Jing, Ding Minjun, Zhou Zhiruo, Qingwu, Zhu Qiqi, Shangguan Haitang, and even the nuns from the Emei sect, such as Master Jue, all hurried over to check on Su Chen's injuries. Poof! Cough!

Cough cough cough!

Su Chen fell down after being hit against the wall.

He vomited blood and felt that all the internal organs in his body were about to shift. Now he was sweating in pain.

This time, this was Su Chen's first time traveling through time. Such a serious injury once

"Young Master, are you okay?"

"Bastard, does it matter whether you want it or not?"

"Mr. Su, how do you feel?"

"Let this bastard take this healing potion quickly."

When Zhu Qiqi and the others came to Su Chen, they were nervously checking Su Chen's injuries. When they saw that Su Chen was only seriously injured and his life was not in danger, they all breathed a sigh of relief. The

Exterminator Tai was relieved to see that Su Chen's life was not in danger.

Although she didn't understand why Su Chen didn't run away just now, she knew that there were those women and her Emei sect disciples behind Su Chen.

Su Chen might be worried. If he avoided it, those women and the disciples of the Emei Sect might be in trouble.

Master Jue looked at Bai Jing who was about to come over and drew out the Yitian Sword and ordered,

"Emei faction, protect Mr. Su!"

"Yes, Master (head)."

The disciples of the Emei Sect drew out their swords one by one and looked at Bai Jing with expressionless expressions. Wu

Qing saw that Su Chen was covered in blood and was even vomiting blood. She looked at Bai Jing and said He ordered everyone in the Shenhou Mansion,

"Shenhou Mansion, please protect Mr. Su for me"

"ruthless?"

Lengxue was a little surprised when he heard Qingwu's words.

He didn't know why Qingqing wanted to help Mr. Su?

But he was dealing with a terrestrial god in the heavenly realm. Even if they all came together, they couldn't be defeated by Bai Jing in one blow. Okay.

Wu Qing didn't pay attention to Leng Xue. She looked at the dozen or so elite agents of the Shenhou Mansion in the restaurant and shouted with a cold face,

"Didn't you hear me?"

Tie Shou knew Su Chen's identity.

It was absolutely impossible for Su Chen to die here, otherwise something big would really happen. He looked at the other people in the Shenhou Mansion and cursed angrily,

"What are you doing watching? Why don't you protect Mr. Su for me?"

"yes!"

The detectives from the Shenhou Mansion were scolded by Tie Shou, and each of them hurriedly protected Su Chen.

"Everyone in Hulong Villa will protect Mr. Su for me."Shangguan Haitang looked at Su Chen with a very complicated look.

She didn't expect that Su Chen would not avoid Bai Jing's attack for the sake of women like them.

Shangguan Haitang had been paying attention to Su Chen just now, and there was something going on in Su Chen's body. Yes, but he didn't evade for a moment in the end.

This made Shangguan Haitang now have some inexplicable feelings for Su Chen.

Gui Hai glanced at Shangguan Haitang and hurriedly ordered,"Everyone in Hulong Villa should be alert and protect me. Mr. Su"

"yes!"

When the people from Hulong Villa also joined in protecting Su Chen,

Su Chen was now protected tightly inside and out. Although everyone here knew that they were no match for that woman in the Heavenly Realm. But they were still vigilant in protecting Su Chen.

"How are you doing, bastard? Please speak?"Zhu Qiqi held Su Chen in her arms and looked at Su Chen who was still vomiting blood. She said anxiously to Su Chen with a tearful voice.

Zhu Qiqi knew how powerful Su Chen was.

Su Chen even used Shi Guanyin to kill him. There was no way, this time it was these women who got him involved.

Zhu Qiqi knew that Su Chen's teleportation ability could easily avoid Bai Jing's attack, but this bastard was willing to be seriously injured in order to protect the women here.

This made Zhu Qiqi looked at Su Chen and bit the careless bastard to death.

Bai Jing kept going to kill Wu Xiangjun with an expressionless face.

Just now she also saw the women around Su Chen killing him. She didn't try her best to kill the pervert beside her, but now the people here dare to act like they are determined to protect that bastard.

Bai Jing will not be merciful this time.

Swish, swish, swish!

"who?"

Just as Bai Jing continued to walk towards Su Chen, suddenly more than ten black masked female assassins appeared around her. These masked female assassins suddenly appeared and started to kill Bai Jing.

Bai Jing did not expect that they were still hiding here. With so many people around, she didn't realize there was anyone hiding here.

Bai Jing saw these masked female assassins killing her, and hurriedly attacked these female assassins, boom boom boom!

Stab!! Stab! Stab!

When Bai Jing was killing these female assassins, these female assassins disappeared quickly without hitting a single hit.

And when Bai Jing was looking for these female assassins, two powerful female assassins The assassins suddenly appeared next to Bai Jing. They held short blades and stabbed Bai Jing's neck quickly.

Bai Jing jumped sideways to avoid the fatal sneak attack, but her dress was still covered by the two powerful masked female assassins. It was scratched.

At this time, Hua Baifeng could not wait any longer.

She did not expect that the bastard did not hide this time. She also guessed that the bastard wanted to protect the woman behind her.

Now some more appeared. The masked female assassin stopped Bai Jing from killing Su Chen, so Hua Baifeng decided to help the bastard first, and then she would try to find out the secret of the bastard.

At this time,

Bai Feifei felt very sad when she looked at Su Chen who fell to the ground and vomited blood. It was incredible. The speed of her mother's attack just now was no different from hers.

With that bastard's ability, he could obviously avoid it.

But why didn't he avoid it?

Was it because of the women behind him?

"how so? That shameless pervert didn't hide? How can this be? Is he really trying to protect the women behind him?"

Chapter 715

The Jianghu people in the restaurant now saw that Bai Jing had severely injured Su Chen with a single palm, which made them realize that the strong in the Heavenly Realm should not be underestimated.

Su Chen had just played a trick on Bai Feifei, the great master, but Bai Jing, who was in the Heavenly Realm, defeated Su Chen with one palm.

This only shows that it is impossible to defeat the land gods in the Heavenly Realm.

The Wudang Sect and Mingjiao people were very happy to see Su Chen seriously injured. They now hope that Bai Jing of the Heavenly Realm can continue to kill Su Chen, so that they will lose a powerful enemy in the future.

Xiao Zhao was guarding his mother Dai Qisi here, but at this moment, she suddenly found that Su Chen was knocked out by Bai Jing's palm.

This made Xiao Zhao unable to sit still.

She stood up in a hurry and said to Ah Spider said,

"Young Master? Ah Zhu, what should we do if something happens to the young master?"

Ah Zhu is also very worried about Su Chen now, but her and Xiao Zhao's strength is very low. Even in the past, they couldn't help Su Chen.

Ah Zhu now hates why her strength is so low.

Her mother died and she She couldn't take revenge.

Now the person she loved was seriously injured and her life was in danger at any time, but she still couldn't help at all.

Ah Zhu looked at Xiao Zhao with red eyes and said,

"Xiao Zhao, don't worry, we can't help you there. There are so many people protecting the young master. I can only wait for my mother-in-law to wake up before helping the young master."

Xiao Zhao looked at Ah Zhu's ugly face with red eyes. She also knew that Ah Zhu was very worried about Su Chen's comfort.

Xiao Zhao looked at her mother Dai Qisi and said doubtfully,

"well! I don't know when my mother will wake up, but my momentum is getting stronger and stronger, as if she is about to break through the realm of cultivation."

"It should be soon. The young master ate a special fruit for my mother-in-law. I think that fruit must be extraordinary."

"Um! I believe Mr."

At this time,

Bai Jing was irritated by the shadow assassins. She did not expect that these assassins' hiding abilities were so powerful that even her own Heavenly Realm strength could not detect where these assassins were hiding.

"Damn it, can't I kill your master if I can't find you?" Bai Jing looked at the shadow assassins who disappeared again and flew towards Su Chen angrily.

"kill!"

The people from Hulong Villa and Shenhou Mansion saw Bai Jing coming quickly, and they all started to kill Bai Jing under the leadership of the four secret agents and the four famous arrests. The four secret agents Gui Hai Yida and Duan Tianya, Cheng Shifei and the others took the lead in charging towards Bai Jing one by one, while the cold-blooded and life-chasing iron hands of the four famous arresters also attacked Bai Jing one after another.

"Damn you scum, please die!"

When Bai Jing saw that the official here dared to take the lead in attacking her, she struck angrily at the people in Hulong Villa and Shenhou Mansion.

Boom!

Everyone in Hulong Villa and Shenhou Mansion was directly attacked by Bai Jing. He flew out with one palm, and at this time, the people from Hulong Villa and Shenhou Mansion were knocked away. After breaking through the wall of the restaurant and flying out, the restaurant was finally on the verge of collapse.

"Get out of here quickly, the restaurant is going to collapse."

"Go, get out of here"

"Holy shit! Are land gods in the heavenly realm really that powerful?"

"Leave quickly, leave quickly, this place is going to collapse."

When the Jianghu people in the restaurant saw that the walls of the restaurant were shattered, and now the restaurant was crumbling and about to collapse, these Jianghu people all shouted and left the restaurant quickly. Boom!

Zhu

Qiqi hugged Su Chen and Emei As soon as the people who were sent jumped out of the restaurant, the restaurant completely collapsed.

For a moment, the collapsed restaurant was full of dust flying everywhere.

And the people on the street looked in the direction of the restaurant and were very confused, why would a good restaurant collapse? Suddenly collapsed?

Bai Jing appeared in the air after the restaurant collapsed.

When she saw the people from the Emei faction trying to escape with the unconscious Su Chen, Bai Jing sneered and shouted,

"Want to run? Where can you escape with that bastard?"

Hua Baifeng looked at Zhang Sanfeng in front of her with an ugly face.

She didn't expect that Zhang Sanfeng would actually intercept her this time.

The identity of that bastard was unusual.

Isn't Zhang Sanfeng afraid that the bastard would seek revenge from the Wudang Clan?

"Zhang Sanfeng, do you want to stop me?"

"Fellow Taoist Hua, you can't go there now." Zhang Sanfeng saw Bai Jing chasing those people from the Emei sect. He stood in front of Hua Baifeng and stopped her and said, although Zhang Sanfeng was worried that Su Chen's men would seek revenge from the Wudang sect in the future, but if Su Chen didn't die this time, I'm afraid they Wudang The faction will not have an easy time in the future.

Zhang Sanfeng thought it would be better to let Bai Jing of the Ghost Palace kill Su Chen. In the future, maybe his Wudang faction can advance and retreat together with the Ghost Palace.

Zhang Sanfeng does not believe in the two gods. The power will be wiped out by Su Chen's power

"you wanna die!

Hua Baifeng punched Zhang Sanfeng, boom!

Zhang Sanfeng stood on the spot and made a circle with his hands to directly resist Hua Baifeng's attack, but he was repelled by Hua Baifeng for more than ten steps before he stopped.

Zhang Sanfeng said to Hua Baifeng expressionlessly,

"Fellow Taoist Hua, you and I are both at the middle stage of the Heavenly Realm. You can't defeat me. And as long as I block you for a while, that young man will be killed by Bai Jing of the Ghost Palace."

"You deserve to die!"

Hua Baifeng was very angry when she heard Zhang Sanfeng's words.

When Hua Baifeng looked at Zhang Sanfeng, she felt that she had never been so cruel to a person.

Although she and Bai Tianyu pretended to be husband and wife decades ago, Bai Tianyu was killed by Ma Kongqun.

But she She has never been so cruel to Ma Kongqun. After all, she and Bai Tianyu are pretending to be a couple and they have no feelings.

But now this Zhang Sanfeng has completely made her understand.

Although she doesn't care about Su Chen's bastard, she still cares about Su Chen. She was very interested in the secret, and even had some affection for that bastard, not to mention that the bastard also knew her son Fu Hongxue.

Boom boom boom!

After Hua Baifeng and Zhang Sanfeng fought, this street was completely occupied by Yu Bo. It was badly destroyed, and the civilians here also suffered heavy casualties. The terrifying atmosphere on the street made the city guards even dare not approach.

On another street in the Ming Dynasty capital, people from the Emei faction and Shangguan Haitang and the others These women escorted Su Chen towards the Shenhou Mansion, but at this moment, dozens of maids from the Ghost Palace suddenly appeared on the street with weapons, blocking their way.

Bai Jing appeared in the Ghost Palace In front of the palace maid, she looked at Shangguan Haitang and the others and said expressionlessly,

"Leave that bastard behind and I can let you go?"

The shadow assassin Youruo also appeared here with dozens of shadow assassins. She looked at Su Chen who was seriously injured and said hurriedly to Zhu Qiqi and the others,

"Protect our master and leave, we are here to block him."

Just when Zhu Qiqi was about to answer You Ruo's words, she suddenly found that Su Chen's body began to disappear.

This made Zhu Qiqi frightened and hurriedly exclaimed,

"How is this going? Why is this bastard missing? Why did he slowly turn into white light?"

After sensing that the host was facing a huge threat, the system activated emergency protection measures.

"Ding, the host is now in a coma and is dying. The system has initiated emergency rescue measures and the trial space (Shura City) has been opened urgently."

Chapter 716

Shadow Assassin's Youruo and Youxue saw Su Chen's body beginning to disintegrate. They all hurriedly rushed to Su Chen's side to grab his disembodied body, but their hands went directly through Su Chen. Chen's body was empty

"Owner?"

Youruo and Youxue didn't catch Su Chen, so they looked at Su Chen who was slowly disappearing and shouted in surprise,

"Mr. Su!"

"Bastard Su!"

"Damn bastard, what's going on?"

"Young Master!"

Shangguan Haitang, Zhou Zhiruo, Wuwu and others also hurriedly tried to catch Su Chen, but each of them passed through Su Chen's virtual body and missed it. This made everyone here confused. He looked at Su Chen dumbfounded.

At this time,

Bai Jing from the Ghost Palace, Bai Feifei and the maids from the Ghost Palace looked at Su Chen and were also very shocked. They saw Su Chen's body glowing white and slowly disappearing. It was very incredible.

Bai Jing looked at Su Chen in the air on the street and said in surprise,

"Um? How can this be? What happened to that shameless pervert? Why is the body starting to weaken?"

Bai Feifei took a step into the air and asked Bai Jing hurriedly, "Mom, what's going on? Why did that shameless bastard's body disappear?"

"I have no idea!"

Bai Jing's face is very ugly now. She didn't expect that such a situation would happen to Su Chen. I'm afraid things will be troublesome this time.

If Su Chen's body disappears like this, I'm afraid her ghost palace will really be hidden from the world in the future. No way out.

Bai Jing didn't really want to kill this bastard. She just wanted to threaten Su Chen and go back to the Ghost Palace to see Lin Chaoying.

If she wanted to kill this bastard, she would have killed him long ago. Bai Jing was It was impossible for Lin Chaoying to kill Wu Xiangjun. It seemed that she had done something wrong this time.

Bai Jing saw that this bastard's body was about to completely disappear.

This made her very worried now. Wu Xiangjun's Those women will definitely take revenge on her ghost palace in the future.

On the ruins of the restaurant,

Hua Baifeng and Zhang Sanfeng were fighting fiercely. Shen Sanniang suddenly appeared next to her and shouted anxiously at Hua Baifeng,

"Miss, it's not good, that bastard is going to disappear."

"What? That bastard's body is going to disappear. How is this possible?" Hua Baifeng was very surprised when she heard what Shen Sanniang said.

She did not expect that Shen Sanniang would say this, but Shen Sanniang would not lie to her. Hua Baifeng knew that something must have happened to Su Chen.

"Zhang Sanfeng, get out of here!" Hua Baifeng fiercely used all his strength to strike Zhang Sanfeng with a palm.

Boom!

The entire ruins of the restaurant were shaken by Hua Baifeng's attack. Debris flew everywhere, and even the buildings with a radius of several hundred meters next to the restaurant were shaken. The houses were completely collapsed by Yu Bo's shock.

Zhang Sanfeng was also a little distracted when he heard Shen Sanniang's words, but this time he was distracted and was blown away by Hua Baifeng's palm.

Zhang Sanfeng was knocked hundreds of meters away by Hua Baifeng. After that, he stabilized his body.

He looked at Hua Baifeng and Shen Sanniang and hurriedly followed them after they disappeared. He also did not expect that Su Chen's body would disappear.

At the next moment, Zhu Qiqi didn't know what to do. , now she could touch Su Chen's body, but when she saw that Su Chen's body was slowly disappearing, she cried and didn't know what to do.

"Woohoo! what to do? what to do? Think of a way to save this bastard."

At this time, five or six figures flew from a distance and quickly came to Master Miejie and the Emei Sect.

After they appeared and saw Su Chen's situation, one of them asked in surprise,

"what happened? Holy shit! What happened to this bastard?"

When Zhu Qiqi saw Lu Xiaofeng and the others arriving, he hurriedly called for help, "Lu Xiaofeng, think of a way to save this bastard quickly, Su Chen's body is going to disappear."

Sikong Zhaixing said in shock when he saw Su Chen's appearance,

"Damn it, why is Su Chen's body disintegrating? How can this be?"

Lu Xiaofeng came to Su Chen but couldn't grasp his body. He looked at Su Chen's body slowly decomposing and said angrily,

"What exactly is going on? This bastard can't die. Who the hell beat this bastard to serious injuries?"

Ximen Chuixue and Ye Gucheng also tried to catch Su Chen, but they all passed by wearing Su Chen's body, which made their faces very ugly.

Lu Xiaofeng and the others knew that if Su Chen was there, The Ming Emperor was killed, and I was afraid that Wu Xiangjun's women would launch a war against the Ming Dynasty, and even Wu Xiangjun's terrifying women would bloodbath the Ming Emperor.

Zhu Qiqi hurriedly told Lu Xiaofeng and others about what happened in the restaurant. The matter was told to these people.

Now even Lu Xiaofeng and the others could not save Su Chen.

Zhu Qiqi saw that Su Chen's legs had become weak and disappeared. I was afraid that his body would be completely destroyed in a while.

She was bleeding. Holding Su Chen's disintegrating body tightly with tears,

Zhu Qiqi looked at the women in the Ghost Palace with hatred. Although Su Chen often angered her, she was very happy to be around Su Chen.

Just a few days on the ship were the happiest days for Zhu Qiqi. Now Su Chen, the bastard, is going to die.

This is a situation Zhu Qiqi is very unwilling to see.

After Hua Baifeng and Shen Sanniang arrived, Su Chen's The lower body has become blurred and disappeared, and now even Su Chen's hands have begun to blur.

Hua Baifeng looked at Su Chen's appearance and exclaimed,

"What exactly is going on?"

Seeing Hua Baifeng, Qingwu hurriedly begged, "Senior, can you save this bastard?"

"Mother, please save Su Chen!" When Fu Hongxue saw Hua Baifeng arriving, she hurriedly came to Hua Baifeng and said,

"Suchen? Is he that bastard Wu Xiangjun?"

Hua Baifeng was very surprised when she heard Fu Hongxue's words.

She didn't expect that the Wu Xiangjun Su Chen she had been looking for was this bastard. This bastard knew that she was looking for him, but in front of her, this bastard pretended to be stupid.

"Mom, don't worry about so much, come and save him first." Fu Hongxue hurriedly pulled Hua Baifeng to Su Chen and said,

"How to save this?"

Hua Baifeng looked at Su Chen's disappearing body and said very helplessly.

Hua Baifeng is helpless now.

She has never encountered such a situation.

How can she come to save her?

She is slowly disappearing now. Su Chen had no way to save him.

When Shen Sanniang saw that Su Chen had disappeared and most of his body had disappeared, she reached out to touch the bastard Su Chen.

Although she and Hua Baifeng had been looking for this bastard, she was listening When it turned out that this bastard was Wu Xiangjun, Shen Sanniang didn't have any anger in her heart.

When Shen Sanniang was about to touch Su Chen's bloody face, her hand actually passed through Su Chen's body. She didn't even think about it. Touching Su Chen's face,

"Why can't I touch his body?"

Chapter 717

Everyone here couldn't do anything when they saw Hua Baifeng in the Heavenly Realm.

They all looked at Su Chen in despair.

This bastard Su Chen might really die.

The street was completely quiet now. Except for the sound of Zhu Qiqi crying, everyone here was silent looking at Su Chen's body.

Dong Dong Dong Dong Dong.....

At this time, the footsteps of the army came from a distance, and the imperial guards of the Ming Dynasty were also dispatched. However, when these troops came to this street, they stopped when they saw the situation here.

Zhuge Zhengyi and Zhu Yingyi didn't know what was going on when they saw the situation here, but they saw people from Shenhou Mansion and Hulong Villa standing nearby covered in blood.

They waved to the Praetorian Guards and walked over.

The Jianghu people in the Imperial Capital of the Ming Dynasty are now rushing over, but this place has been blocked by the Imperial Guards of the Ming Dynasty. Except for the powerful people, all the Jianghu people in the Imperial Capital of the Ming Dynasty have been blocked out.

"Cold-blooded, what happened here? Why are you all seriously injured?"

"Duan Tianya, what happened here?"

After Zhuge Zhengwo and Zhu Wuwu arrived, they asked Lengxue and Duan Tianya respectively.

Zhuge Zhengwo and Zhu Wuwu found that the woman in the sky was very powerful, and there was also an old Taoist priest who was also very powerful, even among those women. A woman is now exuding an icy chill.

These people are all land gods of the heavenly realm, but why did three land gods of the heavenly realm appear in the Ming Dynasty?

This made Zhuge Zhengwo and Zhu ignored They don't dare to be presumptuous now.

Lengxue and Duan Tianya also hurriedly told Zhuge Zhengwo and Zhu Wuwu what happened in the restaurant.

What happened here today is of great importance, and the appearance of the three heavenly beings made them also There was lingering fear in their hearts.

Zhuge Zhengwo and Zhu Mingwu looked at the women in shock when they heard what Lengxue and Duan Tianya said, but now the man inside was surrounded by the women, and they couldn't see who the man was.

"ah! asshole!"

"Young Master!"

"Mr. Su!"

"Suchen!"

"Bastard!"

At this time,

Su Chen's body completely disintegrated and disappeared into Zhu Qiqi's arms. Su Chen disappeared without a trace as if he had never appeared before. The girls all screamed when they saw Su Chen's disappearance. Get up.

When the Shadow Assassins saw Su Chen's complete disappearance, they were all very angry. The

Shadow Assassins' leader You Ruo and Deputy Commander You Xue looked at Su Chen's disappearance, and they all knelt down with the Shadow Assassins..

As the shadow of Wu Xiangjun Su Chen, they failed to protect Su Chen this time.

This time they were derelict in their duty.

Shadow assassins like them have no face to live after Su Chen's death.

Shadow Assassin Commander Youruo Chu She put her short blade on her neck and said angrily,

"Master, it was our dereliction of duty for not protecting the master. Youruo and the shadow assassins will continue to accompany the master."

Dozens of other shadow assassins also drew out short blades and put them on their necks. They were all ready to commit suicide and follow Su Chen.

"stop! What are you doing?" Hua Baifeng saw dozens of shadow assassins preparing to commit suicide. She hurriedly appeared in front of Youruo and asked loudly.

Hua Baifeng did not expect that these powerful masked female assassins would actually commit suicide. This made her look towards These powerful female assassins were very shocked.

What is the charm of that bastard Wu Xiangjun Su Chen?

Can he have so many powerful subordinates commit suicide for him after his death?

What did Master Jue see about the shadow assassin ? Later, she also hurriedly came to persuade them, the shadow assassins,

"You all should not commit suicide first. Mr. Su Chen may not be dead, he has just disappeared now. Maybe this is a means of saving his life. There is no way that shameless pervert can die like this."

Shangguan Haitang also admired these shadow assassins very much.

These shadow assassins were not only powerful, but also loyal to Wu Xiangjun Su Chen. She saw that these shadow assassins would follow Su Chen and die.

She also hurriedly He advised the shadow assassins,

"Yes, you all should not commit suicide first. Mr. Wu Xiang does not die so easily. If Mr. Wu Xiang does not die, then your suicide this time will be meaningless."

The other women here saw dozens of shadow assassins kneeling on the ground who were about to commit suicide, and they all tried to persuade them.

Women like Zhou Zhiruo, Qing Qing and the others did not want these powerful shadow assassins to commit suicide now.

Although they were very sad about Su Chen's disappearance this time, they women all believed that Su Chen might not have died. But their idea was a bit fanciful.

His body had completely disappeared.

How could Su Chen have died? Not dead?

Bai Jing from the Ghost Palace looked very ugly after seeing Su Chen disappear.

Especially when she saw the assassins who had stopped her before were all kneeling on the ground. Each of these powerful assassins held a hand in their hand. Dianbian was preparing to commit suicide.

This made her feel that she was really in big trouble this time.

Youruo also felt that it made sense after hearing what these women said.

Wu Xiangjun Su Chen had many ways to save his life, and she felt a little uncomfortable now. I believed that Su Chen would die so easily.

You Ruo thought for a while and then stood up and ordered coldly,

"Youxue, immediately sent a message to Mrs. Jun, Concubine Yan, telling Mrs. Jun what happened here."

"Yes, Commander!"

Youxue disappeared here directly after hearing Youruo's order.

"The first team immediately went to Yihua Palace to find Mrs. Shuirou (Mrs. Ye Di) and asked them to contact Mrs. Jun Yanfei"

"Yes, Commander!"

"The second team went to the Eastern Continent to find Bai Ruobing (Marquise) and Donghuang Taiyi, and told them about the situation here."

"Yes, Commander!"

"The third team went to Shenshui Palace to look for the jellyfish Yin Ji, saying that something happened to the master."

"Yes, Commander!"

"The fourth team went to the imperial capital of the Song Dynasty to wait for Mrs. Shi Guanyin to arrive, and then told Mrs. Shi Guanyin about the master's accident."

"Yes, Commander!"

"The remaining team summons all our shadow assassins and follow me to protect Princess Su Yan."

"Yes, Commander!"

Youruo waved his hand after announcing the order.

Dozens of shadow assassins here disappeared one after another.

After everyone here heard Youruo's words, they all looked at the masked man in front of them in shock. Female assassin.

None of them thought that things would turn out like this. When they heard the names of the women mentioned by You Ruo, they knew that those women were not simple.

Jellyfish Yinji, Shi Guanyin, and Donghuang Taiyi, these three people are heavenly. He is a terrestrial immortal in the human realm, and he is also a strong man in the celestial realm who became famous decades ago.

And the remaining Shui Rou and Bai Ruo Bing are probably very extraordinary, otherwise they would not be comparable to Jellyfish Yinji and the others. The

Shadow Assassin leads You. After seeing the Shadow Assassins leaving, she looked at Zhuge Zhengwo and Zhu Wuwu who were arriving from the Ming Dynasty. The

Shadow Assassin leader You Ruo said to them coldly,

"The war is coming. If the Ming Dynasty does not want to be destroyed, everyone from the Ghost Palace and the Wudang Sect must be escorted to Gusu City in the southern continent. Otherwise, you will have no other choice until our army and masters are assembled. This is my advice to you,"

Zhuge Zhengyi asked with an ugly face after hearing Youruo's words.

"Who are you?"

"Under Wu Xiangjun, the Shadow Assassin leads Youruo." You Ruo said and disappeared.

Chapter 718

On the streets of the Imperial Capital of the Ming Dynasty, after all the shadow assassins disappeared and left, everyone here stared dumbfoundedly at the place where the disappeared shadow assassin Youruo was. They were all shocked and overwhelmed by the words of the shadow assassin Youruo.

The person who was killed turned out to be Su Chen, Lord Wu Xiang of the Southern Continent?

Wu Xiangjun Su Chen is the ruler of the largest Southern Continent in Tianxuan Continent.

Lord Wu Xiang's millions of troops are destroying the Song and Jin Kingdoms. Even in the east of the southern continent, Lord Wu Xiang has millions of troops attacking various rebel forces in the Sui Dynasty. They have even occupied more than half of the country in the Sui Dynasty.

I heard that Lord Wu Xiang's army existed in Great Qin in the Eastern Continent, but it was too far away and they didn't know much about it. However, they guessed that Lord Wu Xiang's army there might also be quite large.

The national power of the Song Dynasty and the Sui Dynasty is about the same as that of the Ming Dynasty. Although the Song Dynasty and the Sui Dynasty are not as powerful as the Ming Dynasty due to the rebellion of foreign races and empires, the Ming

Dynasty is also having a hard time.

The foreign Jurchens have repeatedly defeated the Ming army outside the pass, and The Yuan Dynasty was also eyeing the Ming Dynasty, and even the kings in the Ming Empire were restless.

If Lord Wu Xiang's army starts to wage war against Ming Dynasty at this time, Ming Dynasty may really be in danger of destroying the country.

If Mrs. Jun of Gusu City wanted to avenge Wu Xiangjun, I am afraid it would not take a month to assemble millions of battle-hardened troops to attack the Ming Dynasty.

This does not include Wu Xiangjun's women and confidants.

From the threatening words spoken by the Shadow Assassin Commander You Ruo, people here could tell that Wu Xiangjun had at least five land gods in the heavenly realm.

This is scary enough.

There are only so many land gods of the Celestial Realm in the entire Tianxuan Continent, but Lord Wu Xiang actually has five super masters of the Celestial Realm.

These are just land gods in the heavenly realm.

Wu Xiangjun's remaining women and confidantes are basically masters of the Grand Master, and even those women themselves are powerful forces in the martial arts world.

Yaoyue and Lianxing's Yihua Palace! Queen Yin wishes Yuyan the Yin Kui faction! Fan Qinghui and Yan Jing'an's Cihang Jingzhai! Murong Qiudi's mysterious Tianzun organization! Yin Yang family! Taoist! Wait, these powerful sects and organizations are very terrifying.

If these forces are united, I am afraid there will be hundreds of Grand Master masters, and the Grand Master masters may be even more unclear.

Zhu Wuwang's face turned very ugly when he heard the words of the shadow assassin You Ruo. He did not expect that Lord Wu Xiang would appear in the Ming Dynasty Capital.

If he had known that Lord Wu Xiang was here, I am afraid that he would have made friends with Lord Wu Xiang at all costs.

Zhu Wuwu saw the power of Lord Wu Xiang in Sui Dynasty.

Now the Sui Dynasty can be said to be the world of Lord Wu Xiang. If he could cooperate with Lord Wu Xiang, Zhu Mingwu would not have such a deliberate plan to get the throne.

But now that Lord Wu Xiang has died in the Ming Dynasty,

I'm afraid he won't be able to hold on to the throne even if he gets it.

Zhuge ignored angrily smashed the stone pillar next to him with an angry palm and shouted, "Damn it, how could Lord Wu Xiang be killed here? The Wudang Sect and the Ghost Palace have stirred up a hornet's nest this time."

Zhuge Zhengga also looked very expressionless now. It's so ugly that

Lord Wu Xiang died in the Ming Dynasty. This is a big deal. I'm afraid a war is coming. This time the Ming Dynasty will be even worse.

Zhuge Zheng and I are a little angry now.

Emperor Ming didn't know anything about Lord Wu Xiang's arrival.

If they had known about Lord Wu Xiang's arrival early in the morning, they would probably have controlled him immediately. After all, a living Lord Wu Xiang is more useful than a dead Lord Wu Xiang.

It's just that Zhuge Zheng and I were frightened when thinking of Wu Xiangjun's five powerful men in the heavenly realm. Fortunately, they didn't discover Wu Xiangjun early.

Otherwise, if they take action against Wu Xiangjun and control him.

I am afraid that those land gods in the heaven and human realm will come to save Wu Xiangjun.

At that time,

I am afraid that the Ming Emperor will be completely destroyed by those angry land gods in the heaven and human realm.

Zhuge Zhengyi had a headache and hurriedly said to Zhu Wuli next to him,

"well! It's too late to say anything now. Lord Marquis, let's go to the palace quickly and report to the emperor. This matter is of great importance and we can't delay it any longer."

"Walk!"

After Zhuge Zhengwo and Zhu Wuwu left, other Jianghu people here also left one after another. However, there are still three powerful land gods in the Heavenly Realm here. They, ordinary Jianghu people, will not stay here and be targeted.

"Master Zhang, the Wudang Clan did something wrong this time, alas!" Master Jue looked at Zhang Sanfeng in the air and sighed.

Master Jue felt very sorry for Zhang Sanfeng. If Zhang Sanfeng had not stopped Hua Baifeng from coming to save Su Chen,

Su Chen would not be able to target the Wudang sect in the future, but now. It is a foregone conclusion that the Wudang Sect may be completely wiped out this time.

Zhang Sanfeng stood in the air with an unbelievable expression on his face. His mind is in chaos now.

Lord Wu Xiang?

The future ruler of the Southern Continent?

Wu A terrestrial god in the heavenly realm?

Zhang Sanfeng found it hard to believe when he thought about this now, but he also believed what the shadow assassin Youruo said just now. This time the Wudang sect might really be facing the disaster of annihilation.

Zhang Sanfeng was a little emotional now. He said lowly,

"well! This time Pindao really did something wrong."

Master Jue looked at Zhang Sanfeng and hesitated for a moment.

Zhang Sanfeng was a very good person, and Zhang Sanfeng was also an upright representative of the Ming Dynasty's martial arts.

Master Jue didn't want Zhang Sanfeng and the Wudang sect to be destroyed like this. She looked at Zhang Sanfeng and said to him reminded,

"Master Zhang, take everyone from the Wudang Sect to Gusu City in the Southern Continent. Maybe you can go to Madam Jun to plead guilty to Concubine Yan, and the Wudang Sect may be preserved."

Zhang Sanfeng thought about it after hearing Master Mijie's words and said,

"Master Mijie, can you intercede with Madam Jun, Concubine Yan, on behalf of our Wudang sect? This is what I did alone. Even if Pindao is killed, I have no regrets. I just hope that my Wudang sect can be preserved."

Master Mijie did not expect that Zhang Sanfeng would die in exchange for the survival of the Wudang sect, which made Master Mijie admire Zhang Sanfeng very much.

But she didn't know Mrs. Jun Yan at all, and Su Chen's other Mrs. Jun, Jingshao, was very She was so cold, no matter what she said, Jing Salamander would never let everyone in the Wudang Sect go.

Master Jue suddenly thought of Su Yan and hurriedly said to Zhang Sanfeng,

"Mr. Zhang, I don't know Mrs. Jun and Concubine Yan, but I do know the little princess Su Yan. How about you and I try to find the little princess?"

"Thank you Master Mijie! Then the old Taoist will trouble the master."

Chapter 719

Seeing that Zhang Sanfeng agreed, Master Mijie gave instructions to Zhou Zhiruo and her disciples, and she and Zhang Sanfeng disappeared on the street.

On the street,

Bai Jing and Bai Feifei from the Ghost Palace looked ugly now. They naturally heard the words of the shadow assassin You Ruo.

Wu Xiangjun has five land gods in the heavenly realm, which they did not expect.

Bai Jing is the only land fairy in the Celestial Realm in the Ghost Palace, and she is still in the middle stage of the Celestial Realm. There is no way she can be a match for those veteran Celestial Realm women.

Now Zhang Sanfeng wants to use his own life to save the lives of all the disciples of the Wudang Sect.

Bai Jing thought about it and decided to go back to the Ghost Palace to ask Lin Chaoying first. She didn't want the Ghost Palace to be destroyed by the old land gods of the Heavenly Realm.

Bai Lianjing has not found Happy King Chai Yuguan to take revenge, and she does not want to die yet.

If Lin Chaoying can persuade Mrs. Jun in Gusu City, then she does not need to go to Gusu City to apologize in person.

But this might be very difficult.

After all, she had seriously injured Wu Xiangjun with her own hands, and she even kept saying that she wanted to kill that bastard.

Mrs. Jun in Gusu City may be able to let the Wudang Clan go, but she and everyone in the Ghost Palace probably won't be able to let go no matter what.

"Come on, let's go back to the Ghost Palace"

"Yes, mother!"

Bai Feifei nodded when she heard Bai Jing's words.

She looked around hoping that Shen Lang would appear, but she still didn't notice Shen Lang's appearance.

When the restaurant collapsed just now,

Bai Feifei saw Shen Lang break away from Yagyu Taimamomo. She escaped from the binding and didn't even say hello to her.

And now Shen Lang didn't show up, which made Bai Feifei very disappointed with Shen Lang who left.

And as everyone in the Ghost Palace left,

Zhu Qiqi also Sadly, she led the Emei sect and Lu Xiaofeng towards her mansion, while Qingqing and Shangguan Haitang looked at each other and followed her.

Now they don't know whether Su Chen is alive or dead, maybe they stay in Zhu Qi Qi can get some news about Su Chen.

After everyone on the street left,

Dai Qisi appeared here with Ah Zhu and Xiao Zhao, but they arrived a little late. They didn't see anyone after they arrived..

Dai Qisi is now a master in the middle stage of the Grand Master.

After she ate the Zhu Guo fed to her by Su Chen, her internal injuries were not only healed, but the remaining spiritual power of the Zhu Guo also allowed Dai Qisi to advance directly to the Grand Master. Mid-Grand Master.

This made Dai Qisi very happy, but when she heard that Su Chen was injured after successfully advancing, she hurriedly brought Xiao Zhao and Ah Zhu to find Su Chen.

Dai Qisi and the others looked up when they saw the empty streets. Very confused,

"Where are people? Why are they all gone?"

Xiao Zhao saw that there was no one on the street, so she hurriedly asked Dai Qisi,

"Mother, do you think anything will happen to the young master? Dai

Qisi touched Xiao Zhao's hair and said comfortingly, "Don't worry, that bastard is a shameless person at first glance. It is impossible for anything to happen to that kind of person."

Xiao Zhao and Ah Zhu felt relieved after hearing Dai Qisi's words.

Although they had only known Su Chen for a short morning, they were deeply impressed by that somewhat naughty bastard.

They didn't want anything to happen to that shameless bastard..

In the residence of Nanwang, the capital of the Ming Dynasty, the Nanwang Crown Prince sat with an old man and a middle-aged man, frowning and silent. What happened today shocked them all. The things they have planned over the years may come to nothing. Prince Nan now said hesitantly, "Old knife handler, King Happy, what do you think of today's events?"

The old swordmaster looked at Prince Nan and said with an ugly expression,

"Cancel the plan this time. It can be said that our plan is of no use at all. If you are not afraid that land gods from the heavenly realm will assassinate you in the future, then we can continue to replace plums with peaches according to the original plan."

Lao Daobaozi is now very worried about the Wudang Sect. Although he was expelled from the Wudang Sect, he has always wanted to return to the Wudang Sect, but he has never found a suitable opportunity.

Now the Wudang Sect is facing a life and death crisis, He also did not expect that Zhang Sanfeng would appear in the Ming Dynasty capital, and would even be related to Wu Xiangjun's death. This was something he could never have imagined.

Chai Yuguan, the happy king, coughed a few times after hearing Lao Daobazi's words and said ,

"Cough cough cough! Lao Daobaozi, there is no way we can cancel the plan. This is a good opportunity for Prince Nan, and even if Lord Wu Xiang's army wants to attack the Ming Dynasty, it will only be a few months later."

"As long as the prince sits on the throne of the emperor, the prince can send troops and masters to attack the Wudang sect. This can also give an explanation to Wu Xiangjun's wife. Maybe Wu Xiangjun's wife will not launch a war against the Ming Dynasty after seeing the prince's attitude.."

Happy King Chai Yuguan is also very helpless now.

Since he and his wife Yunmeng Fairy were both injured, his strength has stopped below the realm of heaven and man, and his injuries have never recovered.

This time with Nan Wang Cooperation, he also wants to use Nan Wang to find the holy medicine for healing for him.

After all, his enemies Fairy Yunmeng and Bai Jing of the Ghost Palace are looking for him. Even Bai Jing of the Ghost Palace appeared in the Ming Dynasty Capital this time.

This is Happy King Chai Yuguan is very worried.

Happy King Chai Yuguan wants to recover from his injuries as soon as possible and advance to the Heavenly Realm. He is worried that whether Fairy Yunmeng or Bai Jing finds him, he will die without burial. The ground.

When Lao Dao Baozi heard the words of Happy King, his face was very gloomy, but he thought that the Wudang Sect was in turmoil now, and he could only find a way to save the Wudang Sect in the future. When

Prince Nan heard the words of Happy King, he clicked He nodded, and he didn't want to miss this opportunity. As long as he could pretend to be the emperor, he could find a way to give Mrs. Wu Xiangjun an explanation.

"The Happy King is right, the plan will continue, but Ximen Chuixue and Ye Gucheng need you to implement it. The competition between them must proceed as planned."

"good!"

"clear!"

In the Daming Palace, the Emperor of the Ming Dynasty stood up in surprise after hearing what Zhuge Zhengwo and Zhu Wuli said. He did not expect that Lord Wu Xiang died in the capital of the Ming Dynasty. This frightened the Emperor of the Ming Dynasty.

"Lord Shen, Uncle Emperor, what should we do now? What if I don't give an explanation to Mr. Wu Xiang's wife? I'm afraid Wu Xiangjun's wife will really launch a war against our Ming Dynasty."

Zhuge Zhengwo said seriously to the Ming Emperor,

"Your Majesty, I am not afraid, but Mrs. Wu Xiangjun will definitely launch a war against the Ming Dynasty."

When Emperor Ming heard Zhuge Zhengwo's words, his face became very ugly. He suddenly thought that Lord Wu Xiang was dead, so would his power also fall apart?

"Lord Shen, Lord Wu Xiang is dead, won't there be unrest in Lord Wu Xiang's territory?"

Zhuge Zhengwo looked at the emperor and said helplessly,

"Your Majesty, I'm afraid Wu Xiangjun's successor has been chosen a long time ago. Wu Xiangjun has only one child now, the six-year-old princess Su Yan, and the little princess Su Yan owns the Su family's black bird jade pendant. This is the next generation of the family head. can only have"

"Although Madam Jun, Concubine Yan, is pregnant, she has not given birth yet. I am afraid that Madam Jun, Concubine Yan, will not deprive the young princess of her legal heir status."

"Besides, the biological mother of the little princess is Wu Xiangjun's first wife, but she is very mysterious. We only know that she is very powerful and is the real leader of Wu Xiangjun's secret guards."

When Zhuge Zhenggao heard what Zhuge Zhengwo said, he added,

"Your Majesty, the little princess Su Yan now controls a hundred thousand elite cavalry and is attacking the Kingdom of Jin. She may have even destroyed the Kingdom of Jin. No one can shake her identity as the heir."

"Holy shit! A six-year-old princess commanded a hundred thousand elite cavalry to destroy the country? This is going to be outrageous."

## Chapter 720

Two days later, in Gusu City, Southern Continent, Xuanniao Palace.

The atmosphere in Xuanniao Palace is now very tense.

The palace is full of troops standing guard and patrolling.

Today, the number of troops in the palace has increased several times compared to usual, and 50,000 Xuanwu Legions have been stationed in Gusu City, and 100,000 troops outside Gusu City are ready to deal with upcoming changes.

In a palace in Xuanniao Palace,

Li Qiu Shui, Li Qingluo, Concubine Yan, Jing Salamander, and Madam Mingzhu all looked at the secret letter sent early this morning with ugly expressions.

When she got the secret message,

Li Qiushui quickly made some arrangements. If something happened to Su Chen, she was worried that someone would take action against Concubine Yan and the others.

Li Qingluo looked at the secret letter and said in great pain,

"How could something happen to that boy Su Chen? Concubine Yan touched her swollen belly and said with conviction, "Aunt Li, I don't believe anything will happen to your husband. He will come back safely.""

Ms. Mingzhu stood up and walked around in a panic.

She didn't think that Su Chen was dead.

How could this be possible?

That bastard was a shameless and shameless bastard. How could a scourge die?

Mingzhu looked here. The man exhaled and said,

"I don't believe it either. That bastard has many ways to save his life. Maybe this is one of his ways to save his life."

Li Qiushui nodded when he heard Mingzhu,

"possible! Now we have to deal with some unexpected things. Whether Su Chen is dead or alive, the forces that are ready to attack us will definitely take action this time. Li

Qingluo thought about Su Yan's safety and hurriedly said to Li Qiu Shui,

"Mom, that girl Su Yan must strengthen her guard. If...I said that if Su Chen really had an accident, Su Yan would be Su Chen's designated heir in the future, and her safety must be the first priority."

Concubine Yan was also very worried about Su Yan's safety.

After thinking about it, she looked at the girls and said,

"Su Yan now has Black and White Young Master Siming, Xiaomeng, and Black Widow protecting Su Yan, but it is not enough now."

"Jing Salamander asked the secret guards to send a message to the Moon God of the Yin Yang Family, Zhu Yuyan from the Yin Kui Sect, Yan Jing'an from Cihang Jingzhai, and Lian Xing from Yihua Palace to protect Su Yan, as long as they were not on land in the heavenly realm. If the gods take action, Su Yan will be fine"

"Let Shi Guanyin go too. No matter what, Su Yan's safety comes first."Li Qingluo thought for a while and said to Concubine Yan.

Concubine Yan thought that Shi Guanyin was going to kill the old eunuch in the Heavenly Realm of Song Dynasty, but I'm afraid she can't do it now.

Su Yan can't do anything now, otherwise I'm afraid the empire you conquered will fall apart.

Concubine Yan nodded and agreed,

"good!"

"I'm going to order the secret guard to deliver the message now." When the Jing Salamander heard this, he hurriedly stood up and went to prepare a letter.

When Mrs. Mingzhu saw Jingyu writing a secret letter, she looked at Concubine Yan and asked, "What should we do in the Ming Dynasty?"

Concubine Yan looked at the map of the Ming Dynasty on the wall and said fiercely,

"Send a large army to attack Ming Dynasty. If Ming Dynasty hands over all the people of Wudang Clan and Ghost Palace, we can not start a war. Otherwise, we will destroy Ming Dynasty first, then kill Wudang Clan and find the location of Ghost Palace."

Ms. Mingzhu waved her hands helplessly and said,

"We have no way to assemble a large army now. Without Su Chen's Black Bird Token and the Black Bird Jade Pendant in Su Yan's hand, our Blue Bird Jade Pendant can only command an army of less than 100,000. Now Su Yan is far away in the Kingdom of Jin, and her Black Bird Jade Pendant I'm afraid the Bird Jade Pendant won't be delivered in time either."

Mrs. Mingzhu thought that the Blue Bird Jade Pendant in their hands could only command an army of less than 100,000.

If an army of one million were to be dispatched

, they would probably need Su Chen's Black Bird Token and Su Yan's Black Bird Jade Pendant.

Concubine Yan smiled and said He took out a jade pendant from his arms and said, "Don't worry about this, I have a phoenix jade pendant, which can also command all Su Chen's troops."

Mingzhu took Concubine Yan's jade pendant and looked at it and asked doubtfully,

"Phoenix jade pendant? Why haven't I heard of it?"

Mrs. Mingzhu, Li Qiushui and her daughter looked at Concubine Yan and were very curious.

They had never heard of the Phoenix Jade Pendant.

How could Concubine Yan have such a token?

"The Phoenix Jade Pendant originally belonged to Jing Salamander, but she didn't ask for it. Now the Phoenix Jade Pendant is in my hand. This represents Wu Xiangjun's official wife and can also command all of Su Chen's troops, including the secret guards and shadow assassins."

Concubine Yan was very speechless when she saw that they didn't know.

Now Concubine Yan is worried about this phoenix jade pendant.

Is this phoenix jade pendant really capable of commanding all the armies as Su Chen said?

Isn't this a deliberate trick by that bastard? Hers, right?

Li Qiushui and the others nodded when they heard Concubine Yan's explanation.

The phoenix originally represented the queen of a country.

Jingyu's cold temper was indeed inappropriate.

Concubine Yan had this phoenix jade pendant, so she was well-deserved. Mrs. Jun, who will also be the queen after the founding of the country.

Li Qingluo looked at Concubine Yan and asked,

"How many troops are we going to send out? Which commander will lead the army?"

Ms. Mingzhu took out some secret letters and said,

"Now the five major legions are fighting in different areas. Huang Rong's southern legion and Mu Guiying's northern legion are destroying the Song Dynasty. I am afraid that it will take less than two months to destroy the Song Dynasty. Their legions may not be used."

"As for Li Xiuning's Eastern Army in the Great Sui Dynasty, they have now pacified the southern part of the Great Sui Dynasty. Li Xiuning's Eastern Army can be used."

"Shen Luoyan's Western Legion is fighting against the Li clan. I'm afraid Shen Luoyan's Western Legion cannot be used."

"There is also Hu Ji's wolf army. She is too far away, and Hu Ji also threatens Da Qin. It is impossible to use her wolf army."

Concubine Yan looked at the secret letter that Mingzhu took out. Now the five legions all have missions, but this time she has to take revenge on Su Chen.

Concubine Yan thought about it and pointed to the map and said,

"We dispatched two large armies. The southern part of the Sui Dynasty has been pacified by Li Xiuning. Li Xiuning's Eastern Army's 800,000 troops dispatched 600,000 troops to attack the Ming Dynasty by boat. We can land in the Ming Dynasty's Mingzhou Prefecture to attack the south of the Ming Dynasty."

"The war against the Song Dynasty can be slowed down, allowing Huang Rong's 600,000 troops from the Southern Army to cross the border from Xixia to attack Shanhaiguan in the north of the Ming Dynasty."

Li Qiushui nodded when she heard Concubine Yan's words, but when she heard Concubine Yan talking about Xixia, she smiled and said,

"Xixia is already a state of ours, and there is no transit. However, the Jurchens' territory is from Xixia. I'm afraid the Jurchens will not allow us to cross the border so easily."

"If they disagree, the Jurchens will be destroyed."
