Chapter 731

When Su Chen heard what this beautiful little Rakshasa said, he felt that it was unnecessary to save this little Rakshasa.

The people and monsters living in Shura City, even Rakshasa and ghosts, are not fuel-efficient lamps.

But this little Rakshasa is a bit cute. If he hadn't saved her just now, I'm afraid she wouldn't have died.

After all, Rakshasa can fly, and this beautiful little Rakshasa can also escape the sneak attack just now.

The beautiful little Rakshasa looked at Su Chen and smiled and said, "You are quite a human being. Thank you for saving me this time. I will repay you in the future."

"How can you repay me? Do you want to pledge yourself to me?" Su Chen looked at the little Rakshasa with great interest and teased. As soon as the little Rakshasa spread his wings, he flew upside down and far away from Su Chen and said angrily,

"You bastard!"

Su Chen opened a can of Feizhai water, took a sip and asked with a smile, "Then how are you going to repay me?"

"I can give you food!"

"I don't need it. I have so much food that I can't even finish it."

"Then I'll give you weapons!"

"I have weapons!"

"call! I can agree with you to join our Rakshasa Sect"

"cut! But I can't stand your bullshit sect leader, Sima Guanren."

The little Rakshasa saw that this bastard human wanted everything, and now he was insulting Sima, the leader of their Rakshasa Sect. This made the little Rakshasa look at Su Chen with a cold face. She now suspected that this human being had a crush on her.

"You bastard, I won't repay you."

Su Chen shook his head when he heard what the little Rakshasa said, but when he was about to tell the little Rakshasa that he didn't need to repay, he found that he had killed three bull-headed and horse-faced ones, but the remaining four or five bull-headed and horse-faced ones were still there. The Rakshasa people and Rakshasas were killed and were running around, and even the Rakshasa people were killed. Only six or seven people were left.

Su Chen looked at the little Rakshasa, pointed down and said with a smile, "Smart The little Rakshasa, all your people are going to be killed, why don't you save those Rakshasas?"

"Damn bull-headed horse noodles!" When the little Rakshasa saw what was happening below, she flew down from the beam to kill those bull-headed and horse-faced faces.

When Su Chen saw the little Rakshasa also joining the fight, he touched his chin and thought for a while and said to himself,

"He was really an outspoken little Rakshasa who loved beauty, but this little Rakshasa and Sun Liuxuan were both Green Snake's tools. In the future, like Sun Liuxuan, she would be killed by the ghosts of the Niutou Gang."

Boom!

At this moment, a Minotaur that was taller and more powerful than the others smashed the wall of the warehouse and walked in carrying a huge battle axe.

The little Rakshasa saw the Minotaur with one of its horns broken off. He said in surprise, "It's the leader of the Niutou Gang! This time we are doomed."

When the remaining ox-headed horse faces saw their gang leader arriving, one of them smiled and said,

"Little Rakshasa, you are dead this time. When our gang leader arrives, none of you will be able to escape."

"Damn it, we will kill you first even if we die." The little Rakshasa knew that she might not be able to escape. She looked at the arrogant horse-faced monster and flew up. She used her eagle feet to grab the cars nearby and smashed them against the bull-headed and horse-faced monsters.

Boom! Boom! Boom!

One by one. A car was smashed into these bull-headed and horse-faced faces, and the entire warehouse was in a mess. Even the cars and fuel here were destroyed a lot, and the remaining Rakshasa people also took weapons to kill the bull-headed gang leader, but they had just rushed. When they arrived in front of the Niutou Gang leader, they were neatly chopped in half by the Niutou Gang leader with a giant ax and died. The burly Rakshasa saw that the other Rakshasa sect members were dead, and now he and the little boy were saved. Rakshasa, he hurriedly flew into the air and said to the little Rakshasa,

"Third sister, run away!"

The little Rakshasa can only prepare to fly out from the hole above the warehouse.

"Go together!"

The leader of the Niutou Gang suddenly raised a car and hit the burly Rakshasa and the little Rakshasa in the air.

"None of you can leave."

Boom!

Ahem!

The little Rakshasa and the burly Rakshasa were directly hit from the air by the car.

When they fell to the ground, they looked at the leader of the Niutou Gang in horror.

The leader of the Niutou Gang moved too fast. They They were smashed down from the air before they could react.

The leader of the Niu-head gang saw that the little Rakshasa and the others had lost their fighting power, and he ordered the remaining three Niu-head and horse-faced men next to them,

"Go and kill these two Rakshasa!"

"Yes, Gang Leader!"

The remaining three bull-headed horse-faced people rushed towards the little Rakshasa and the others with weapons in hand. The little Rakshasa looked at the bull-headed horse-faced people charging at them with blood streaming from the corners of her mouth, and she was very panicked.

Now she has no fighting power at all. And her fourth brother couldn't even stand up. This time they were really going to die here.

Bump! Bump! Bump!

Just when the three bull-headed horse faces were about to rush in front of Little Rakshasa and the others, Su Chen shot directly. Blow the heads of these three bull-headed horse-faced men.

Su Chen wanted to test the strength of the bull-headed gang leader. Mr. Niu was given a body-protecting divine light by Fahai.

Su Chen also wanted to know if he could kill this man with his current strength. Mr. Niu.

When the little Rakshasa saw Su Chen, he exclaimed, "Is it him?" He didn't run away after the leader of the Niutou Gang arrived? Now he actually saved himself again"

"Um? Who are you?" The leader of the Niutou Gang looked up at Su Chen on the beam and asked doubtfully.

Su Chen took a sip of Fatty Water Ji's and smiled and asked, "Mr. Niu, who are you? I'm very interested in your identity."

Su Chen was also very curious about the identity of Mr. Niu. Before he traveled through time, the Internet had been discussing the identity of Mr. Niu, but most people thought that Mr. Niu was the Bull Demon King.

This is simply nonsense.

Fahai is the most He is just a Human Immortal, but what about the Bull Demon King?

He is a member of the Jie Cult, and he is also the Demon Saint in the world of Journey to the West.

The Bull Demon King is at least as strong as a Taiyi Golden Immortal. How could he take orders from Fa Hai, a scumbag? The leader of the

Niutou Gang saw that this human didn't answer him, and now he dared to ask himself the question. This made him angry, and he jumped up and slashed at Su Chen with his giant axe.

"Human, you are seeking death!"

"Oh, can you try to kill me?" Su Chen saw Mr. Niu attacking him and said with a nonchalant smile,

Boom!

"Point gun!"

When Su Chen was attacked by the Niutou gang leader, he teleported and appeared behind Mr. Niu and launched a finger gun attack. A white light appeared from Su Chen's fingers and shot towards the Niutou gang leader's body.

Touch!

"Come on, the finger gun can't penetrate the body of the Niutou Gang leader?"

Su Chen saw that after his finger gun attacked Mr. Niu's body, a golden light appeared from Mr. Niu's body and blocked his finger gun attack. This made him feel that it was impossible for him to kill this Niu now. Sir, he can't deal with Fahai's body-protecting divine light now.

"snort!"

The leader of the Niutou Gang looked at the protective divine light on his body, then looked at Su Chen and snorted disdainfully,

"What a shame, Lanjiao!"

Boom!

This time, the Niutou Gang leader was kicked out of the warehouse by Su Chen's Lan kick.

Su Chen felt relieved this time.

Although he couldn't kill the Niutou Gang leader, but if he could keep beating this Mr. Niu like this, he felt like this It's also good.

You can beat Mr. Niu when you have nothing to do.

You can also beat Mr. Niu when you are in a bad mood.

Anyway, Mr. Niu has the divine light to protect him. No matter how hard he beats him, he can't beat Mr. Niu.

The little Rakshasa saw Su Chen kicked the leader of the Niutou Gang away, a little unbelievable.

She looked at Su Chen and asked in surprise,

"you.....How are you so powerful?"

"Little Rakshasa, now you know that I am strong. Originally, I wanted you to pledge yourself to me, but your strength is too weak. Now I don't need you to pledge yourself to me."

"You are shameless!"

"Damn it, I just asked you to pledge your body to me and you called me a bastard. Now I don't need you to pledge your body to me and you call me shameless. Little Rakshasa, do you want to go to heaven?"

Chapter 732

The little Rakshasa stood up with difficulty and came to Su Chen's side. But after she heard Su Chen's words, she pointed at Su Chen and angrily wanted to kill this bastard.

Although her strength was not as good as those powerful ones in Shura City. She has a bull's head and a horse's face, but her strength is not weak.

At least ordinary people, monsters, and even ghosts are no match for her.

Su Chen is too lazy to pay attention to this little Rakshasa now.

This time, he also sees this beautiful little Rakshasa, who is a character he liked when watching anime.

Otherwise, he would not save this beautiful little Rakshasa.

Su Chen looked at the little Rakshasa's feet and found it hard to look at them.

Everything about this little Rakshasa was very beautiful. She was as bulgy as she should be. It was her feet that Su Chen couldn't stand. I wonder if her eagle claws can turn into human feet.

Su Chen knocked on the small helmet on the little Rakshasa's head and said,

"Little Rakshasa, you'd better take your companions and leave here quickly, otherwise the leader of the Niutou Gang will come again later and you'll be dead."

The little Rakshasa looked at this bastard in confusion when Su Chen knocked her helmet. She didn't expect that this bastard would dare to knock her on the head.

Oh!

It was a helmet.

This made the little Rakshasa look at Su Chen with fire in her eyes. , when the little Rakshasa thought of Su Chen's strength, she held back her anger and opened Su Chen's hand and said angrily,

"Aren't you still here?"

Su Chen said angrily when he heard what the little Rakshasa said,

"I'll do it! Little Rakshasa, can't you see that I can't kill that Mr. Niu?"

The little Rakshasa thought that every time Su Chen attacked the Niutou Gang Leader, some golden light would appear on the Niutou Gang Leader's body.

She thought that if the Niutou Gang Leader didn't have those golden lights, I'm afraid Su Chen would kill the Niutou Gang Leader instantly.

The little Rakshasa thought of the Niutou Gang Leader. The golden light on the body asked Su Chen doubtfully,

"Is it because of the golden light on the body of the Niutou Gang leader? I saw that every time you attacked the leader of the Niutou Gang, there was some golden light coming out of his body. What was that golden light?"

"Don't know, huh? The leader of the Niutou Gang is here again!" Su Chen saw the leader of the Niutou Gang running over again in an aggressive manner.

It seemed that the leader of the Niutou Gang was not injured at all. Su Chen touched his chin and thought that the leader of the Niutou Gang was really a good punching bag.

"ah!"

When the little Rakshasa heard Su Chen's words, she saw the Niutou Gang Leader running from a distance. She was very afraid of the Niutou Gang Leader.

The little Rakshasa took Su Chen's arm and hid behind him.

Su Chen hurriedly He shook off the little Rakshasa's arm and said helplessly, "Damn it! What are you pulling me for? I'm going to fight the leader of the Niutou Gang later. You little Rakshasa, leave quickly and don't disturb me here."

"I.....you....."

"Leave now!"

"What a bastard you are!" The little Rakshasa glared at Su Chen and said angrily. She knew that she was a burden here, and she didn't want to cause trouble to this bastard here.

The little Rakshasa hurriedly ran to the burly Rakshasa and took him with him. Flying into the air, she looked at Su Chen and then flew away from the gap above the warehouse. But when she was about to fly out of the warehouse, the little Rakshasa turned around and shouted to Su Chen, "You bastard, don't do it." died"

"I can't die!"

Su Chen waved her hand to the little Rakshasa and told her to get out of here.

The little Rakshasa looked at Su Chen and asked her to leave impatiently. She glared at Su Chen fiercely and flew away with the burly Rakshasa. At this time, the leader of the Niutou Gang had already ran over. He raised his big ax and struck hard at Su Chen.

"You are dead!" boom!

"Where are people?"

The ground was directly split into a big pit by the leader of the Niutou Gang, but he found that the human had disappeared.

"Mr. Niu, are you looking for me?" Su Chen appeared beside the Niutou Gang leader with a smile and asked with a smile,

"Damn, why are you so fast?" When the leader of the Niutou Gang saw Su Chen appearing on his left, he swung his giant ax at Su Chen again. The speed of this human being was too fast. The leader of the Niutou Gang would not underestimate this human being now.

Boom!

"The iron is broken!"

Boom!

Su Chen directly knocked the leader of the Niutou Gang away with one punch. However, this time Su Chen still noticed the golden light coming from the body of the leader of the Niutou Gang.

Su Chen guessed that every time he attacked, Fa Hai would give this Niu Tou a blow. The golden light of Mr.'s body protection blocked it.

It seems that the ability of immortal cultivators is indeed not something that warriors can compete with.

"Sandbag, here I come! Moon step!"

"Lan foot line!" boom!

"Iron Block Wheel"

Boom!"

"The iron is broken!" boom!.....

Su Chen didn't have the ability to react to the Niutou Gang Leader this time. He used Shao and Yuebu's movements to continuously attack the Niu Gang Leader whose body was glowing with golden light.

Although he could not kill the leader of the Niutou Gang, this time he could practice his Sixth Form of the Navy, and by the way, he could also beat the leader of the Niutou Gang who had disdained him just now.

The leader of the Niutou Gang is very depressed now.

This human being is too fast. Now he is being beaten constantly and he doesn't even have the ability to resist.

If it weren't for the protective golden light on his body, he might have been killed by this human long ago.

While being beaten by Su Chen, the leader of the Niutou Gang angrily threatened Su Chen, "I want to kill you, I must I'll cut you into pieces with my own hands"

"What the hell! You really resist being beaten!"

Su Chen is a little tired now.

This bastard is really thick-skinned.

Su Chen has probably been beating Mr. Niu for almost an hour, but the Niu Tou Gang Leader didn't get hurt at all. It seems that he really can't beat the Niu Tou Gang Leader. That protective golden light on the body

"Damn bastard, I won't let you go"

"Goodbye, Mr. Niu, I'll play with you next time, and you'll be a fool!"

Boom,

Su Chen kicked the Niutou gang leader away. This time, the Niutou gang leader was kicked hundreds of meters away by Su Chen.

He didn't want to continue beating the Niutou gang leader. Today was enough. There will be plenty of time to beat the Niutou gang leader in the future. Gang leader.

Su Chen collected the intact fuel in the warehouse, found some motorcycles that could be driven and received system space.

Su Chen drove a fairly good pickup truck back to Octopus's territory.

After Su Chen left, the leader of the Niutou Gang ran back, but when he came to the warehouse, he found that there was no one here, which made him yell very angrily, "Asshole, damn bastard, that human being Who gets it? Why is it so powerful?"

In Octopus's abandoned warehouse,

Sun Liuxuan felt helpless when she saw a beautiful woman she had picked up again.

She was also preparing to leave after collecting the food and weapons, but at this time a beautiful woman appeared in front of her and fainted.

Moreover, this beautiful woman was also seriously injured, which made her unable to help but save her when she saw this beautiful woman.

Sun Liuxuan felt a little helpless when she looked at the unconscious woman in ancient costume on the bed, and she patted her forehead. He said to himself like he was about to die,

"What's wrong with me? Why did you pick up another person? This is Shura City, a crisis-ridden Shura City!"

"ah! I really convinced myself"

"And that bastard Su Chen, it's almost dark now, but why hasn't that bastard come back yet? That shameless pervert won't die outside, right?"

At this moment, the beautiful woman in ancient costume woke up on the bed. When the woman in ancient costume woke up and looked at this strange environment, she said hurriedly,

"What is this place?"

"In Shura City here, which dynasty are you from? How could he be seriously injured?"

Chapter 733

Sun Liuxuan saw this woman in ancient costume coming to her side when she woke up.

She looked at this woman in ancient costume who had extraordinary temperament and an air of superiority about her body.

She felt that the identity of this woman in ancient costume might not be simple.

The woman in ancient costume reluctantly sat up and looked at Sun Liuxuan and said with a smile, "I know this is Shura City. You can call me Fairy Yunmeng. I am from the Ming Dynasty."

Sun Liuxuan heard that this woman was actually called Fairy Yunmeng, and she was still Being from the Ming Dynasty, she thought that the person named Xianzi might be good at martial arts.

This made her look at Fairy Yunmeng and asked curiously,

"Fairy Yunmeng? People from the Ming Dynasty? Are you a martial arts master?"

Fairy Yunmeng was a little frustrated when she heard Sun Liuxuan's words.

She was a majestic terrestrial immortal in the heavenly realm, but now she is like an ordinary person. Although her current physique is very powerful, but without the Yuan Power in her body, she is in Shura. It was also difficult to walk in the city.

Fairy Yunmeng leaned back to make herself more comfortable and said, "A martial arts master? In the past, right? But in Shura City, I didn't have any inner strength at all."

"You have no inner strength? Is it like those demons have no magic power?"

"Yes, this Shura City is very weird. All the internal energy and mana in Shura City are blocked."

Sun Liuxuan also understood after hearing Fairy Yunmeng's words, why the demons in Shura City don't seem so powerful.

It turns out that those demons have no magic power.

"So this is ah! Fairy Yunmeng, how long have you been in Shura City? How could he be seriously injured this time? Fairy Yunmeng forced a smile when she heard Sun Liuxuan's words and said, "I have been in Shura City for five or six days. This time I was careless and was tricked by those demons using traps. Thank you very much for your help.""

Fairy Yunmeng didn't think about why she came to this Shura City.

She came to the Ming Dynasty capital to find the Happy King Chai Yuguan to take revenge, but she met Wu Xiangjun in the Ming Dynasty capital and was chased by the crazy woman Bai Jing from the Ghost Palace..

She just looked aside, who knew she would appear in Shura City inexplicably.

Sun Liuxuan gave Fairy Yunmeng a bottle of water and said with a smile, "My name is Sun Liuxuan, you can call me Miss Sun, I There is also a little follower, but he is not here now. He may be back soon."

"Thank you, Miss Sun!"

While Sun Liuxuan and Fairy Yunmeng were talking,

Su Chen opened the door and came in.

However, when Su Chen came in with two backpacks, he suddenly found that there was another woman in the room, and she was also wearing ancient clothes. This beautiful woman made Su Chen very curious. He was only out for a day. Why did Sun Liuxuan bring another woman back?

"Mr. Wu Xiang? Why are you here?"

Fairy Yunmeng was very surprised when she saw that the man who came in was Su Chen. She did not expect that Lord Wu Xiang, who was famous in Tianxuan Continent, would also appear in Shura City.

"you know me?"

Su Chen saw that this beautiful woman in ancient costume actually recognized him.

Su Chen guessed that this beautiful woman also came to Shura City from Tianxuan Continent. He did not expect that someone from Tianxuan Continent could come to Shura City.

Sun Liuxuan heard Fairy Yunmeng call Su Chen Wu Xiangjun, which made her know that Su Chen, a bastard, had not deceived her.

It was just that one of them was from the Song Dynasty and the other was from the Ming Dynasty. How could Fairy Yunmeng know Su Chen, a native of the Song Dynasty?

Sun Liuxuan looked Fairy Xiang Yunmeng asked in confusion, "Fairy Yunmeng, do you know Su Chen? Su Chen is from the Song Dynasty. How could you possibly know Su Chen?"

Fairy Yunmeng looked at Su Chen and said to Sun Liuxuan, "Miss Sun, not only does the Ming Empire exist on our Tianxuan Continent, but the Song Dynasty, the Sui Dynasty, the Yuan Dynasty, the Han Dynasty, and the Qin Dynasty all coexist."

Sun Liuxuan was very confused when she heard Fairy Yunmeng's words.

This is a world where all dynasties are together! When

Sun Liuxuan thought about those dynasties being together, I'm afraid the wars in that world will never stop, and may even continue to break out year after year. war

"hiss! It's such a complicated world, so your world must be very chaotic, right?"

Fairy Yunmeng looked at Su Chen and said with a smile, "Now we have to ask Mr. Wu Xiang. Whether our world will be in chaos or not depends on what Mr. Wu Xiang does. Su

Chen thought for a while and then remembered who Fairy Yunmeng was, "Fairy Yunmeng, are you the wife of Happy King Chai Yuguan?"

When Fairy Yunmeng heard Su Chen talking about Chai Yuguan, she laughed a little crazily and said,

"Hahaha! Chai Yuguan is not my husband. That man with a human face and an animal heart is not worthy of being my husband."

""Understood."

Su Chen nodded when he heard Fairy Yunmeng's crazy words.

He knew that Fairy Yunmeng was plotted by Happy King Chai Yuguan, but he still couldn't understand that Fairy Yunmeng would appear here.

Sun Liuxuan is very confused now.

What did Fairy Yunmeng mean just now?

Why should they look at Su Chen if their world is in chaos?

Does this bastard have great power in their world?

But this is not right?

Even if It was Su Chen who had great power in the Song Dynasty, but there were many dynasties in their world, and other dynasties did not care about the nobles of the Song Dynasty.

"Su Chen, what did Fairy Yunmeng mean just now? Why does it depend on you whether your world is in chaos or not?"

Su Chen rolled his eyes at Sun Liuxuan and said helplessly, "Don't believe what she said nonsense!"

Su Chen now has some suspicions that Sun Liuxuan's world may be a parallel time and space, otherwise she would not have known about Fairy Yunmeng and the Happy King Chai Yuguan he talked about. Su Chen guessed that Sun Liuxuan's world may not have novels and TV series about martial arts outside history. When

Sun Liuxuan heard what Su Chen said, she angrily grabbed his clothes and threatened,

"hateful! Do you think I can't see it? Tell me your true identity?"

"Didn't I tell you? My name is Su Chen, and I am a nobleman." Su Chen looked helplessly at the angry Sun Liuxuan and said,

"Mr. Wu Xiang? Is this the title of your Lord?"

"Yes!"

"Damn it, you must be hiding something from me, right?"

"No"

"Damn bastard! You still lied to me, do you think I am a fool?"

Su Chen looked at Sun Liuxuan and felt that she was lucky not to be killed by Fairy Yunmeng this time. Fairy Yunmeng was a murderous female devil.

How could Sun Liuxuan become addicted to saving people?

If she continues like this ,

I'm afraid she will really be killed by her own stupidity,

"Aren't you just a fool? Otherwise, why would you save people casually? Do you know who this Fairy Yunmeng is? She was the number one devil in the world decades ago. If she kills you, I'm afraid you won't even know why."

"What? Fairy Yunmeng was the big devil in your world decades ago? How is this possible? She doesn't look much older than me."

When Sun Liuxuan heard Su Chen's words, she moved closer to Su Chen in fear. She was afraid that Fairy Yunmeng would suddenly take action against her. But she looked at Fairy Yunmeng and didn't show any sign of taking action.

Sun Liuxuan felt that Su Chen might be scaring herself, and Fairy Yunmeng looked to be in her thirties. How could she be the devil from decades ago?

"A novice"

Chapter 734

Fairy Yunmeng looked at Su Chen with great helplessness. She did not expect that Lord Wu Xiang would show her age.

Women care about their age very much, but this bastard exposed her age like this, which made Fairy Yunmeng look at Su Chen and want to kill Su Chen with her [Tianyun Wuhua Brocade].

But she thought that she was in Shura City now, which was much more dangerous than Tianxuan Continent.

Fairy Yunmeng didn't want to fall out with Su Chen at this time. After all, with this bastard here, at least her life safety could be guaranteed.

Although Fairy Yunmeng couldn't kill this bastard with a hidden weapon, she didn't want to make it easy for him.

Fairy Yunmeng looked at Su Chen and smiled sinisterly and said to Sun Liuxuan, "Miss Sun, you may not know that this Lord Wu Xiang is a famous person in our Tianxuan Continent."

"The women of this bastard are all peerless beauties on the martial arts ranking list. Even the peerless beauties on the martial arts ranking list are basically captured by this bastard."

"Moreover, Lord Wu Xiang's power was very powerful. The Song and Sui Dynasties were almost destroyed by this bastard's army, and some small foreign countries were either destroyed by this bastard or surrendered to him."

"This bastard's army numbers in the millions in Tianxuan Continent. There is probably no empire in Tianxuan Continent that can be a match for this bastard."

"This bastard's wives and confidants are all very powerful. Not only are those women powerful, but the sects they control are also very powerful, and there are even several women in the Heavenly Realm."

Sun Liuxuan felt incredible when she heard Fairy Yunmeng's words and looked at Su Chen.

She didn't expect that Su Chen was so powerful. His army alone had millions. This bastard was going to defy heaven.

Sun Liuxuan felt that she had saved someone this time. She was such an incredible person.

If she appeared in his world, I'm afraid this bastard would reward her with a high official, right?

Sun Liuxuan shook Su Chen's arm and asked in surprise, "Hiss! How can you, a shameless pervert, be so powerful? Millions of troops? Do you want to unify the Tianxuan Continent?"

"I have this plan!"

Su Chen nodded and said to Sun Liuxuan,

"Do you really plan to unify your world?"

Sun Liuxuan was speechless when she heard Su Chen's words. This bastard really planned to unify his world.

"Why not?"

"Forget it, I'm asking in vain, by the way, Su Chen, are there Yinkui Sect and Cihang Jingzhai in your world? Fairy

Yunmeng was very surprised when Sun Liuxuan mentioned Yinkui Sect and Cihang Jingzhai.

"Miss Sun, how do you know about the Yinkui Sect and Cihang Jingzhai? oh! Forgot, you are our world a thousand years from now."

Fairy Yunmeng was very curious when she heard that Sun Liuxuan actually knew the sect in her world, but she suddenly thought that Sun Liuxuan was a person from later generations. Fairy Yunmeng was no longer curious when she thought of this.

"Are there really Yinkui Sect and Cihang Jingzhai? Are there Beggar Clan and Yihua Palace?"

"have!"

"hiss! Wanwan, Shi Feixuan, Huang Rong, Yao Yue, Lian Xing, all these people exist?"

"All exist!"

Sun Liuxuan is now very curious about the world of Su Chen and Fairy Yunmeng.

People from these martial arts novels all appear in their world, and even various dynasties appear together.

This makes Sun Liuxuan also yearn for them two. The world, after all, she has a martial arts dream.

Su Chen ignored the conversation between Sun Liuxuan and Fairy Yunmeng.

He put the quilt he had brought over on the table, opened a can of beer and drank it. There was still time before the arrival of the green snake. One month, this month Su Chen wants to think about what to do.

There is also Fairy Yunmeng, the female devil, and I don't know whether it is good or bad for her to stay here.

This Fairy Yunmeng is not an ordinary person, her vicious The hidden weapon [Tianyun Wuhua Brocade] is very sinister, and Su Chen might not be able to avoid it if he were to confront it. Su Chen sat on the window sill and looked at the anticlimactic scene in the distance. That should be the place where the bridge would open. From there, you can leave Shura City, but the tail of the snake is the lair of ghost monsters.

Those ghost monsters do not pose a threat to him. It is strange that

Su Chen's teleportation ability allows those ghost monsters to catch up with him.

At this time,

Sun Liuxuan arrived The person next to Su Chen scolded Su Chen unceremoniously,"Su Chen, you actually accepted Zhu Yuyan and Yao Yue, you are such a scumbag."

Su Chen pushed away Sun Liuxuan who was very close to him and explained, "What are you talking about? Collected everything? Zhu Yuyan and Yao Yue are both my confidante"

"Tsk, your confidante will become your wife in the future, and you have several wives now, and you still say that you are not a scumbag?"

"Too lazy to pay attention to you."

Su Chen didn't want to talk to this feminist while drinking beer. This Sun Liuxuan was also full.

In ancient times, you actually said that several of my wives were scum.

He had the fewest wives and concubines in front of those powerful people in ancient times. That one is not a group of wives and concubines.

Fairy Yunmeng looked at Su Chen and asked doubtfully, "Wu Xiangjun, how did you come to Shura City? Su

Chen shook his head and said, "I don't know. I was here when I woke up. I was rescued by this stupid woman.""

Su Chen doesn't want to say that she was brought in by the system, and it's just an instant for her to leave.

This woman, Su Chen, doesn't trust her at all. She is an ambitious and even cruel female devil, so she should be careful. good

"Damn it, Su Chen, if you say that again, I will be rude to you." Sun Liuxuan heard that Su Chen actually said that she was a fool, which made her very angry when she looked at Su Chen.

"Fairy Yunmeng, how did you come to Shura City?"

"I didn't know that just when Emperor Ming was looking at that crazy woman Bai Jing who wanted to kill you, I then appeared in Shura City inexplicably."

"You were actually in the Ming Dynasty Capital at that time?" Su Chen did not expect that Fairy Yunmeng was also in the Ming Dynasty Capital at that time.

This was something Su Chen couldn't understand. Fairy Yunmeng had been chasing and killing Happy King Chai Yuguan.

Could it be that Happy King Chai Yuguan was also in the Ming Dynasty Capital?

Could Happy King Chai Yuguan be one of the promoters of the competition between Ximen Chuixue and Ye Gucheng?

Su Chen thought that Happy King Chai Yuguan might have cooperated with the Southern King of the Ming Dynasty. Is there any other people or forces involved? participate?

"Hahaha! Of course I'm in the Ming Dynasty Capital. You bastard has turned the Ming Dynasty Capital upside down. I'm afraid your wives have already begun to avenge you."

Fairy Yunmeng thought of what Su Chen's shadow assassins said when he disappeared.

She understood that not only the Wudang Sect and the Ghost Palace would be destroyed by those women, but even the Ming Dynasty might also be destroyed by the revenge of Su Chen's women.

Su Chen thought that Fairy Yunmeng was also at the place where he had an accident.

He suspected that Fairy Yunmeng's arrival here might have something to do with him. After communicating with the system, Su

Chen hurriedly asked, "System, will Fairy Yunmeng's arrival in Shura City cause any problems?" Will it have something to do with me?"

"Ding, the system doesn't know"

"How could you not know?"

"System, reply?"

"His! Could it be that Fairy Yunmeng was really implicated by her and came to Shura City? Otherwise, why would the system say I don't know? If Fairy Yunmeng's arrival in Shura City has nothing to do with him, the system will definitely say that it has nothing to do with him."

Chapter 735

Shura City, one month later.

In the morning, in Octopus' territory,

Su Chen was sleeping in Sun Liuxuan's room holding Fairy Yunmeng in her arms, while Sun Liuxuan on the upper bunk had not yet woken up.

At this time,

Fairy Yunmeng opened her eyes drowsily when she felt herself being suppressed.

When she found that the bastard Su Chen had come up to the bed again, she kicked Su Chen down hard again.

In the past month, this bastard Su Chen either held her to sleep or held Sun Liuxuan to sleep. They had been guarding against this bastard, but no matter how they guarded against him, this bastard would not change his ways.

For a month, she and Sun Liuxuan had taken turns sleeping in the lower bunk, but as long as they slept in the lower bunk, when they woke up in the morning, they would find this bastard appearing on the lower bunk and hugging them to sleep.

"I'll do it!"

Su Chen cursed after being kicked out of bed by Fairy Yunmeng.

Fairy Yunmeng straightened out the modern clothes she was wearing and then glared at Su Chen and threatened,

"Suchen, you damn bastard, do you want me to kill you?"

Fairy Yunmeng is now wearing a pair of tight jeans and a pink vest. Her delicate face and the appearance of a mature woman are very attractive.

Su Chen looked at Fairy Yunmeng. Dressed like a modern woman, she swallowed her saliva and said, "Damn it! Fairy Yunmeng, there are only two beds in this room. You and Sun Liuxuan have one bed each, so you let me sleep on a stool. Won't your consciences hurt?"

"Won't!"

"What the hell! Don't forget, I have worked hard to support you these past month."

"You've worked so hard. Why did I hear that your food was paid to you by the Niutou Gang? What on earth have you done this month? Why are those Niu-headed Horsemen from the Niu-Tou Gang so afraid of you?"

"None of your business, busty woman!"

"you wanna die!"

Fairy Yunmeng really can't stand this bastard anymore.

This bastard has been a pervert for the past month.

Not only have they been harassed by this bastard when they were sleeping, but they were even harassed by this bastard when they were taking a shower.

At first, she was still against this bastard. She tried her best, but since she was easily subdued by this bastard.

Fairy Yunmeng is this bastard who is stronger than her in Shura City.

If she doesn't use the hidden weapon [Tianyun Wuhua Brocade], she may not be able to do anything with this bastard. When

Sun Liuxuan was woken up, she lay down on the upper bunk and stared at Su Chen and asked, "Su Chen, are you in bed again this time?"

"Sleep on your own!"

Su Chen looked at Sun Liuxuan's turbulent body and said angrily.

Sun Liuxuan jumped down from the upper bunk and pointed at Su Chen and said angrily, "You shameless pervert, can't you sleep honestly?!"

"sure! You sleep on the stool and I sleep on the bed. This way I will be honest at night."

"You are dreaming!"

"Then don't blame me, you are both fleshy anyway, and it's comfortable to sleep with you in my arms"

"Shameless pervert!" Sun Liuxuan and Fairy Yunmeng both stared at Su Chen and cursed in unison.

Su Chen was too lazy to pay attention to them.

He patted the dust on his clothes and took a towel to wash up.

It has been a month now. , Green Snake is coming soon, and Su Chen doesn't want to stay in Shura City any longer.

Although he has lived a pleasant month, he always feels that he doesn't belong here. He wants Green Snake to hurry up now If the bridge is easy to leave here,

Su Chen has become the big devil in Shura City in the past month. He has killed and beaten every human, demon, bull-headed horse-faced, and Rakshasa in Shura City, and even ghosts and monsters. He also killed a lot of people.

Mr. Niu, the leader of the Niutou Gang, was beaten by him twice in three days. Now the Niutou Mamian of the Niutou Gang will run away immediately when he sees him.

Sun Liuxuan and Fairy Yunmeng don't know these things.

Su Every time Chen went out alone, if they knew that they could walk sideways in Shura City, these two women would be so surprised that their jaws would drop.

After Su Chen washed up, he thought for a while and said to himself,

"well! Unfortunately, I got up late again today. If I had gotten up earlier, I wouldn't have been kicked out of bed by Fairy Yunmeng again. It seems that I'd better go to the Niutou Gang Leader to vent my depressed mood today."

"I'm going to find food, you can play as you like!" Su Chen said to Sun Liuxuan and Fairy Yunmeng and walked out.

When Sun Liuxuan saw Su Chen going out again, she asked Fairy Yunmeng, "Do you believe he went to find food? Fairy

Yunmeng shook her head and said with disbelief, "I don't believe it. This bastard is mysterious every day.""

Fairy Yunmeng had a very complicated expression when she saw Su Chen leaving. If it hadn't been for this bastard in the past month, I'm afraid she wouldn't have been able to survive until now.

She had stayed alone in Shura City. Isn't it dangerous here? Fairy Yunmeng's strength is at the level of hell.

Fairy Yunmeng feels a little panicked now.

She finds that she relies more and more on this bastard. Sometimes she even finds this bastard sneaking into bed at night, but she pretends not to know.

And this bastard touched her at night, which made Fairy Yunmeng hate this bastard.

"Sister Yunmeng, I'm going out, and it's up to you to protect the supplies at home."

After Sun Liuxuan organized her belongings, she took a gun and prepared to go out to see if she could collect some supplies.

"Be careful!"

"knew!"

At this moment in Shura City, a woman wearing tattered clothes appeared on the street with a confused look. She looked at the high-rise buildings here, and the cars on the street started shouting,

"What is this place?"

"Is this the tower? Was he also sucked into the tower?"

"elder sister! elder sister!"

"noob! noob!"

"Fahai, you bald donkey, where is this place?"

This woman in rags is the Green Snake that Su Chen has been waiting for. If Su Chen had known that the Green Snake would arrive today, I'm afraid he wouldn't have gone to the Niutou Gang leader to bring bad luck.

Xiao Qing was walking on the street. She was very curious about what kind of place this was, and after she touched a car.

The car made an alarm sound that startled her, but just when she was about to use her magic power to destroy the car, she found that she had no magic power anymore. ,

"What about mana?"

At this time, a Minotaur suddenly spotted Xiao Qing in the distance. When the Minotaur saw Xiao Qing, he took a huge mace and came towards Xiao Qing to kill him.

At this moment, Su Chen hadn't looked for her yet. The leader of the Niutou Gang, he found the little Rakshasa in a building, and this time the little Rakshasa did not have her eagle feet, which made Su Chen a little curious from a distance. Su

Chen appeared in Xiaoluo The person next to Sha looked at Little Rakshasa curiously and asked, "Little Rakshasa, why are you alone this time?"

"Big Devil, why are you here now? I've been looking for you for a month." The little Rakshasa suddenly heard the sound and was so frightened that she wanted to attack. However, when she found out it was Su Chen, she asked in surprise.

The little Rakshasa has been looking for Su Chen for a month. She is the human who saved her last time. She must thank him properly.

But she hasn't found anyone in the past month.

After the legend of a big demon king appeared in Shura City, the little Rakshasa knew that that person must be Su Chen.

Su Chen touched his chin and smiled asked,

"Little Rakshasa, do you really want to pledge yourself to me?"

"Shameless pervert! I just want to repay you for saving my life last time. Don't think too much."

"That's a shame."

Chapter 736

Su Chen originally wanted to imitate Xu Xian and Ning Caichen, but he no longer had the intention after receiving systematic reminders.

As long as the people, monsters and Rakshasa here leave from the Ruo Bridge, they will return to their respective worlds.

If Su Chen did those things to the women here, I'm afraid he would really become a scumbag. After thinking about it, he gave up on these beautiful beauties.

When the little Rakshasa saw that Su Chen said regrets but actually didn't care at all, she was so angry that her teeth itched. If she couldn't beat this bastard, she would want to beat this bastard once now.

"By the way, Big Devil, I still don't know your name?"

Su Chen leaned on a pillar and looked at the collapsing buildings in the distance and said, "Why do you know my name? It's impossible for you to commit yourself to me anyway"

"Bastard, forget it!"

"By the way, little Rakshasa, why did your feet turn into human feet?"

"My script is originally a human foot, but I used some materials to make it into an eagle foot, so that it can be more convenient for me when fighting."

"So why don't you continue to use your eagle feet now?"

"none of your business!"

The little Rakshasa was very happy to see Su Chen looking at her feet just now.

She also noticed that the bastard was frowning when Su Chen looked at her feet last time. She took off the eagle feet after she went back last time.

Although her strength would be reduced a lot when fighting, she still decided to do this.

The little Rakshasa wanted to let Su Chen know that not only was she beautiful, but she also didn't have those monster characteristics on her body.

"I'll do it!"

Su Chen didn't expect that this little Rakshasa really has a personality, but the little Rakshasa's white and tender feet are really beautiful.

Su Chen thought that the green snake might be coming, and I'm afraid that the little Rakshasa will fade away in a few days..

Su Chen felt that it was a pity that this beautiful little Rakshasa died as a tool. It seemed that he would save her life in the future. After all, the little Rakshasa also had some fate with him.

"This is for you, you can keep it for self-defense in the future." Su Chen took out a short blade used by the Shadow Assassin from the system space and handed it to the little Rakshasa and said,

"What kind of weapon is this?"

"A weapon used by assassins. This weapon goes really well with your petite and cute body." bump!

"It's so sharp and very handy." The little Rakshasa cut off a metal guardrail with a short blade. She was very happy when she looked at the short blade. It was as if this short blade was tailor-made for her. The more the little Rakshasa looked at the short blade, the more she looked at it. The more she liked it, she looked at Su Chen and asked with a smile,

"Great Demon King, doesn't this short blade have a name?"

"Cut off love!"

Su Chen saw that this little Rakshasa liked him and named him casually. Anyway, he has many short blades like this.

These are produced by the system. Although they are not as good as those divine swords, these short blades are high-quality weapons..

When the little Rakshasa heard the name Su Chen said, he frowned and said, "End love? This name doesn't sound good, so let's call it Xueyue?"

"what ever!"

"Then call it Snow Moon." The little Rakshasa waved Xue Yue in his hand and said happily,

"Huh?"

Su Chen suddenly sensed the sound of fighting not far away.

Seeing Su Chen looking into the distance, the little Rakshasa asked worriedly,

"What's wrong?"

"The people from the Niutou Gang over there seem to be chasing someone. Forget it, I'll go over and take a look. Little Rakshasa, go back to your Rakshasa Gate. These days, the Niutou Gang is destroying other forces everywhere. I'm afraid you will be next. Rakshasa gate"

"Our Rakshasa Sect knows this, and our sect leader Sima has already prepared for it."

Su Chen said disdainfully when he heard what the little Rakshasa said,

"laugh! You'd better not count on that Po Sima. I'm afraid that the Rakshasa Sect won't be able to defeat the Niutou Gang, and the first one to escape will definitely be that Po Sima."

Su Chen knew that Sima was a profit-seeking person.

When the Niutou Gang captured the Rakshasa Gate, that Sima didn't show up to save the Rakshasa Gate, and he even abandoned Xiaoqing during his escape.

This made Su Chen very upset. He was not used to that Sima, and that Sima might be Ximen Qing, which made him even more disgusted with that Sima.

"you....."

"See you again after I leave!" Su Chen interrupted the little Rakshasa without letting her say anything. Then Su Chen sensed the Minotaur and disappeared in front of the little Rakshasa.

"Hello! Where do you live, great devil? How can I find you in the future?" The little Rakshasa shouted hurriedly when he saw Su Chen disappearing.

Seeing that Su Chen didn't answer, the little Rakshasa kicked the guardrail in frustration and said, "Damn you bastard! Can't you wait until I finish asking questions before leaving?"

At this time,

Su Chen appeared on the roof of a house looking at the Minotaur and the person he was chasing. But when he saw the woman in tattered green clothes, he was confused.

He did not expect that Xiao Qing would be here today. He showed up and met him.

It seemed that this time he was going to pick up a woman instead of Sun Liuxuan.

Oh no!

He was going to pick up a snake demon.

Su Chen suddenly discovered that there was a person where the green snake was running. When he saw the person clearly, he looked surprised.

"I'll do it! Why is Sun Liuxuan here? There is so much food at home that we can't finish it. Why does this competitive woman show up again looking for supplies?"

Su Chen looked at Sun Liuxuan and felt that this might be destined. Sun Liuxuan, a tool man, could not escape his fate. Would Sun Liuxuan still die if he had his own existence?

At this moment,

Sun Liuxuan and Xiaoqing also met, in After Sun Liuxuan shot the Minotaur with a gun, Sun Liuxuan and Xiaoqing fled together.

"Here, let's run!"

"good!"

Sun Liuxuan and Xiaoqing quickly avoided the attack of the Minotaur while running away quickly. After they escaped into a parking lot, they were both confused. This place turned out to be a dead end.

Bump! Bump! Bump!

In the bullhead After the monster appeared with a mace,

Sun Liuxuan shot directly at the Minotaur with a gun. However, after the Minotaur quickly blocked the bullet fired at him with the mace,

Sun Liuxuan was very confused.

She did not expect that the Minotaur actually She can even block bullets, but this leaves her with no choice.

"It's over, no more bullets"

"What?"

Xiao Qing saw that Sun Liuxuan stopped shooting, and she didn't understand what was happening, but now the Minotaur was approaching step by step, which made her nervous and didn't know what to do. The

Minotaur saw that the two women had retreated. But when he retreated, he even ran out of bullets for his weapon. He held the mace and approached them step by step with a mocking smile. When

Sun Liuxuan saw the Minotaur approaching, she shouted in panic,

"Su Chen, you bastard, come and save me. I can let you sleep on my bed in the future."

Su Chen stood on the edge of the second floor and looked at Sun Liuxuan and said with a smile,

"This is what you said, Sun Liuxuan, you must mean what you say."

"you.....Are you, this bastard, always around?"Sun Liuxuan was very happy when she saw Su Chen appear, but she thought why he appeared in time when she called him. Could it be that this bastard was watching her and this woman escape just now?

"Ha ha! you guess?"

Su Chen was very happy when he saw Sun Liuxuan's changing face. The competitive woman just now was frightened.

Sun Liuxuan was very angry now.

This bastard actually watched her being chased by the Minotaur. And the frightened look she had just now was also seen by this bastard, which made Sun Liuxuan want to strangle this bastard to death,"I guess your sister! You shameless pervert didn't save me in time when you saw me being chased. You are such a shameless bastard."

"Sun Liuxuan, are you being hunted? Look at this Minotaur. Does he want to kill you?"

"this.....How is this going?"

Chapter 737

In the abandoned parking lot, ever since Su Chen appeared, the Minotaur looked at Su Chen in horror and felt at a loss.

He knew that this big devil was very terrifying.

The leader of their Niutou Gang was beaten by this big devil every three days. Even the big devil in their gang, the Niutou Horse Face, killed a lot of them.

Xiao Qing was very strange after seeing Su Chen appear.

How did this human being appear here?

Moreover, he also knew this girl, and even seemed to have a good relationship with her.

The minotaur that was chasing them now was even more afraid of this human being after it appeared. This made Xiao Qing look at Su Chen very curiously.

Sun Liuxuan was very confused when she saw the Minotaur's frightened look.

Is this the same Minotaur that was chasing them so aggressively just now?

Why is it suddenly right now? correct!

Someone in Octopus's territory seems to have said that this bastard has always had the Bull-Head Horse Face of the Bull-Head Gang to honor him with food and supplies.

Could this bastard be the big demon king in Shura City?

The more Sun Liuxuan thought about it, the more possible it became.

"How is this going? Is this Minotaur afraid of you? Su Chen, aren't you the big devil in Shura City?"

Su Chen appeared next to Sun Liuxuan in a flash, knocked her on the head and said,

"Can you remove that?"

"Bastard, don't hit me on the head, you bastard really have something to hide from us."When Sun Liuxuan saw this bastard knocking her on the head, she stared at him and said,

"Point gun!"

Whoosh!

A ray of white light emitted from Su Chen's finger instantly penetrated the head of the Minotaur next to him. The Minotaur had no time to react before it fell to the ground with a headshot.

Sun Liuxuan watched as Su Chen killed him effortlessly. She saw the Minotaur, which made her very surprised when she looked at Su Chen.

"you....What is your ability?"

"Want to learn?"Su Chen hooked her fingers and asked Sun Liuxuan with a smile.

Sun Liuxuan saw that Su Chen was very powerful here and there, and it seemed that this bastard might want to teach her, so she nodded hurriedly and said,

"think!"

"Warm my bed tonight and I will teach you"

"Shameless pervert!"

Su Chen smiled when he saw Sun Liuxuan's angry look.

He looked at the confused Xiao Qing next to him and asked, "Hahaha! Little monster, which dynasty are you from? What is your name?"

"dynasty? Da Song, you can call me Xiaoqing." Xiao Qing reacted when Su Chen asked her.

She was shocked by this human's ability just now.

How could this human being be so powerful?

And the ability he used just now didn't seem to be demon power.

Sun Liuxuan heard this Xiaoqing even came to her side and pointed at Su Chen and said, "Da Song? Xiaoqing, this bastard is also from the Song Dynasty, but you may not be from the same time and space. There are no monsters in this bastard's world."

Xiao Qing looked at Su Chen and was a little surprised.

She didn't expect that Su Chen was also from the Song Dynasty.

But where is this place?

Why is this place so weird?

Su Chen suddenly found the masked man appearing in the parking lot. Upstairs, he smiled and said to Sun Liuxuan,

"Let's get out of here!"

Sun Liuxuan nodded when she heard Su Chen's words. She was very curious about what this bastard had done this month. This time she and Fairy Yunmeng would interrogate this bastard when she went back.

Sun Liuxuan glared at Su Chen He said angrily,

"Okay, let's go back to the octopus territory first, but when you get back to our place, you bastard must honestly tell me everything you have done in the past month."

Su Chen shook her head and walked out first.

When Sun Liuxuan saw that Su Chen didn't answer her, she clenched her fist and made fierce gestures behind Su Chen. Then she followed Su Chen with Xiaoqing. Went out.

Upstairs in the parking lot, a man with a mask was sitting in a dilapidated pickup truck. He looked at Xiao Qing leaving speechlessly for a long time.

This Xiao Qing felt very familiar to him, and he even wanted to ignore it. Everything must be protected by her.

This made him very confused.

He definitely didn't know Xiao Qing, but when Xiao Qing was chased by the Minotaur just now, he was very worried about Xiao Qing's safety.

Now Xiao Qing is being The big devil in Shura City was saved, which also made him feel a little relieved.

The big devil was very powerful in Shura City, and even the leader of the Niutou Gang was not his opponent. In the future, there will be a big devil to protect Xiao Qing. , he was also very relieved.

The next time,

Su Chen, Sun Liuxuan and Xiao Qing almost arrived at Octopus's territory, but they could no longer stay here. The next disaster would affect this place, and the Niutou Gang would also The octopus' territory must be eradicated.

Su Chen will not save the people and monsters here.

He decided to take Sun Liuxuan and the others away from here tomorrow. Anyway, he had already prepared a temporary residence.

Along the way, Sun Liuxuan introduced Shura City to Xiaoqing. He even told her some things about a thousand years later.

I just thought that Xiaoqing was even more confused now, as if she didn't understand what Sun Liuxuan said.

Three days later, when Su Chen found a new residence,

Su Chen Lying on the bed, she watched Xiao Qing continue to learn, while Fairy Yunmeng was angrily massaging this bastard Su Chen.

She also wanted to learn the Navy Six Styles that this bastard taught Sun Liuxuan. After all, she had to survive in Shura City. You need to have strong strength, but the request made by this bastard made Fairy Yunmeng very angry.

Sun Liuxuan, who was practicing the Sixth Form of the Navy on the side, could be very happy now.

Sun Liuxuan was very powerful. From now on, she would just do it without using a gun. She can walk in Shura City and kill those people and monsters who deserve her attention.

"shave!"

"Point gun!"

Bang!

After Sun Liuxuan stepped into the air in the nearby warehouse, the white light emitted from her fingers instantly penetrated a concrete pillar next to her.

She looked at the pillar that was knocked away, dodged and said to Su Chen with a smile. , "Su Chen, I've already learned the six naval moves including the shaver, finger gun, and iron block. You can teach me the remaining three moves, right?"

"Okay, as long as you keep the bed warm tonight, I will teach you the rest." Su Chen was a little speechless when he saw Sun Liuxuan's excited look.

If it hadn't been for the help of the system this time, this girl wouldn't have been able to practice the Sixth Form of the Navy even if she practiced to death. This is why Su Chen saw that in the past few days, this girl had given him The warm quilt was given to her in the Navy Six Style.

It was also good to sleep with a beautiful woman every night. Although he would not do anything to Sun Liuxuan, ordinary kissing and touching was still okay.

Sun Liuxuan heard what Su Chen said She stared at him angrily and said, "Damn it, you are a pervert!

Su Chen looked at Sun Liuxuan's blushing and angry look and smiled and said, "If you don't want to do it, forget it. Xiaoqing and Fairy Yunmeng can do it.""

"I don't have it. You pervert, don't pay attention to me." Xiao Qing rolled her eyes at the side and Su Chen was very speechless.

She originally thought that this powerful human being was a gentleman, but this bastard was just a pervert.

This bastard secretly hugged her to sleep the day after she arrived. , if she hadn't heard Sun Liuxuan and Fairy Yunmeng say this before, I'm afraid she would have killed this bastard with one shot

"hiss! Fairy Yunmeng, do you want to strangle me to death?"

"You deserve to die."

Chapter 738

Fairy Yunmeng was very angry with this bastard Su Chen.

This bastard did not take advantage of her, but this bastard just refused to teach him the Sixth Form of the Navy.

This made her very angry with Su Chen. Now this bastard was teasing her again, which made her want to strangle this bastard to death.

"Okay, I originally planned to teach you, so I will pass it on to you first." Su Chen took Fairy Yunmeng's hand and smiled and said,

"real?"

"certainly!"

Su Chen said and pressed Fairy Yunmeng's head with her hand, and asked the system to pass the primary use of Navy Six Style to Fairy Yunmeng.

Fairy Yunmeng closed her eyes after Su Chen held down her head.

Now All the six naval styles that Su Chen mentioned appeared in her mind, and these abilities seemed to be imprinted on her mind. She now felt that her body seemed much stronger.

"Su Chen, why do I feel like I am as good at Navy Six now?"

"try it yourself?"

"Moon step!"

When Fairy Yunmeng came to the warehouse outside, she looked around and suddenly flew into the air.

Touch!

"Hahaha!"

Su Chen saw Fairy Yunmeng suddenly crashing into the roof of the warehouse just one month later. This made Su Chen laugh when he saw the embarrassed Fairy Yunmeng.

Fairy Yunmeng patted the debris on her body and blushed. He glared at Su Chen and cursed, "Asshole, you're laughing your ass off."

"You should practice more!"

"Um! I know!"

When Sun Liuxuan saw that this bastard Su Chen was also teaching Fairy Yunmeng, she put her hand on Su Chen's arm and said hurriedly,

"It's my turn, Su Chen, please teach me the other three moves."

Su Chen looked at Sun Liuxuan and taught her the remaining three moves of the Sixth Navy. This time, Su Chen did not embarrass Sun Liuxuan again.

Su Chen knew that they would not be together for a few days. After leaving Shura City, Su Chen, I'm afraid they will return to their own worlds.

Su Chen is also worried about Sun Liuxuan.

Sun Liuxuan will be in the same world as Xiaoqing in the future. Monsters can exist in that world. Although the six-style navy can't kill powerful monsters, but in the future As long as Sun Liuxuan can protect herself

"It's my turn!"

Xiao Qing saw that Sun Liuxuan also went out to the warehouse to practice the Sixth Form of Navy. She put down her notebook and walked to Su Chen expressionlessly and said.

Su Chen looked at Xiao Qing in surprise.

Xiao Qing had never mentioned it in the past few days. You need to learn the Sixth Form of the Navy, and Xiaoqing is a thousand-year-old snake demon. It seems that Xiaoqing's Sixth Form of the Navy will be useless if he learns it.

Well!

At least it is still useful in Shura City.

"Do you want to learn too?"

Bang!

Xiaoqing immediately pressed Su Chen under her and yelled fiercely, "Asshole, why don't I learn?"

Su Chen felt a little helpless towards this violent woman.

Xiaoqing is indeed a monster. He will attack whenever he disagrees. If it weren't for his strong physical fitness, I'm afraid he would have broken several of his ribs in the past few days.

"Don't get excited, don't get excited, Xiaoqing, come down first and I'll teach you the Sixth Form of the Navy"

"You know what I mean!"

Xiao Qing smiled when she saw Su Chen's soft clothes and said, after Su Chen passed the Navy Sixth Form to Xiao Qing, the warehouse next to him was in bad luck. These three violent women now want to destroy the warehouse.

"Huh? Is the Minotaur starting to take action now?" Su Chen suddenly discovered that Octopus's territory has been captured by the Niutou Gang.

He did not expect to enter the plot so soon.

Su Chen looked at the three girls practicing outside and shook his head. It seems that the days of separation are over. Far away.

Su Chen disappeared into this room in an instant.

He was going to see if Xiao Qing and Sun Liuxuan were making trouble this time. Will the Niutou Gang fight with the Rakshasa Sect?

Su Chen was a little worried about the little Rakshasa. He will be killed this time. After all, the plot has been changed beyond recognition by him. Some accidents may happen.

"Huh? That bastard sneaked out again. Should we go find that bastard?" Fairy Yunmeng suddenly discovered that Su Chen was missing, so she guessed that the bastard must have secretly gone out to cause trouble again. When

Sun Liuxuan heard Fairy Yunmeng's words, she discovered that Su Chen's bastard had really disappeared. She angrily threw the person next to her Shitai kicked off and said, "Okay! Anyway, we can learn this ability while looking for that bastard."

"I do not mind! Xiao

Qing nodded indifferently.

When Sun Liuxuan heard that Fairy Yunmeng and Xiao Qing had no objection, she waved her hand and said, "Let's go!" Let's go find that bastard. His teleportation ability is also pretty good, but I'm afraid this bastard won't be able to teach us that easily."

Fairy Yunmeng and Xiao Qing's eyes lit up when they heard Sun Liuxuan's words.

They were also very envious of Su Chen's teleportation, but that bastard actually said that ability was something he was born with and there was no way to teach them. This was so frustrating. They all didn't believe what that bastard said.

At this time,

Su Chen appeared on a building in Octopus's territory. After Su Chen appeared, he saw that the Niutou Gang and the Rakshasa Sect were already confronting each other on the street. Even Su Chen I also discovered the masked man on the building opposite.

Although the masked man Su Chen knew that he was the reincarnation of the White Snake, Su Chen always felt that he was not the real White Snake.

The masked man should be the Gudi Li A wisp of White Snake's soul, otherwise why could Xiaoqing still meet Xiaobai outside after the death of the masked man?

On the street, the Niutou Gang and the Rakshasa Sect were preparing to go to war aggressively, and the Sima officials of the Rakshasa Sect were lazy. Sitting in the car holding two Rakshasa beauties, he looked at the leader of the Niutou Gang and shouted with a smile,

"Mr. Niu!"

The leader of the Niutou Gang looked at Sima Guanren and shouted in a low voice,

"Sima Guanren!"

"Mr. Niu, since we landed in this city, we are on the line of life and death every moment. It is not easy for you and me to survive to this day!"

"Not easy!"

"Do we really have to fight with our lives and meet with our swords now?"

"One mountain cannot tolerate two tigers"

"But when two tigers fight, one of them will be injured, and it may not be me."

Su Chen was speechless listening to the conversation between Sima Guan and the leader of the Niutou Gang.

These two gangs are like underworld monsters. If you want to fight, let's start fighting! Why are you pretending to be here now?

Su Chen looked at the little Rakshasa. With a sexy and sultry look on her face, she wanted to beat her up, and a fight started immediately, but the little Rakshasa was still teasing those bull-headed and horse-faced faces. This little Rakshasa had a big heart.

And the second Rakshasa sister, this one At that time, I was still blowing bubble gum. No wonder the Rakshasa sect will be destroyed in the future. It is strange that such a person will be a leader and the Rakshasa will not be destroyed.

"kill! Destroyed the Rakshasa Gate"

"Destroy the Niutou Gang, kill!"

At this time, the Rakshasa Sect and the Niutou Gang started a melee, and the street became chaotic for a while. The Rakshasa Sect people and demons were suppressed and killed by the burly Niutou Gang's bull-headed horses from the beginning.

And the Sima Guan people He also fought with the leader of the Niutou Gang, but under the powerful giant ax of the leader of the Niutou Gang, Sima Guanren was attacked and was hiding everywhere.

Boom! Boom! Boom! Boom!

The leader of the Niutou Gang blasted out a big hole with his axe. Sima Guanren is now He couldn't get close to him, and his attacks almost killed Sima Guanren several times.

The leader of the Niutou Gang looked at Sima Guanren with great disdain.

This time he was not facing the big devil Su Chen, Sima Guanren. If you can't hold it for a few rounds, you'll be killed by him.

"Why is this Mr. Niu so flexible? Shouldn't he be inflexible due to his tall stature?"

"Sima Guanren, let's see how long you can hide?"

Chapter 739

Sima Guanren is a little timid now.

He doesn't want to be killed by the leader of the Niutou Gang.

Now the Rakshasa Sect has fallen into a disadvantage, and the Rakshasa Sect has killed and injured quite a few people and Rakshasa. If this continues, I'm afraid the Rakshasa Sect will be wiped out by the Niutou Gang today. boom! bump!

The attack of the leader of the Niutou Gang directly cut off Sima Guanren's long sword, and Sima Guanren's left chest was also scratched by the giant axe.

Sima Guanren got up and covered his chest, and looked at Rakshasa. The person who opened the door quickly ran away.

When the leader of the Niutou Gang saw Sima Guanren escaping, he quickly chased after him, "Sima Guanren, you can't escape."

"hateful!"

Sima Guanren didn't expect that he had given up on the Rakshasa Sect, but the leader of the Niutou Gang still wanted to kill them all, which made his face very ugly.

After the little Rakshasa killed a bullheaded horse face, he saw Sima Guanren running away, and she was very angry when she saw Sima Guanren escaping. She did not expect that Sima Guanren actually escaped.

"Damn it, the big devil was indeed right, that bastard Sima would actually abandon their Rakshasa Sect."

The fourth Rakshasa also saw the Sima officials escaping. He hurriedly came to the little Rakshasa and shouted loudly,

"Third sister, you and second sister should leave quickly, Sima has abandoned us."

After the little Rakshasa took Xue Yue and quickly killed a bull-headed horse face from the air, she hurriedly said to the burly Rakshasa, "I know, fourth brother, go tell the second sister to leave quickly, I'm blocking you here."

"good!"

"The Rakshasa Sect has been destroyed. The Sima officials have abandoned the Rakshasa Sect and fled. The Rakshasa Sect will be destroyed tonight."

"kill! Destroyed the Rakshasa Gate"

"The Sima officials escaped and the Rakshasa sect was destroyed today."

"kill!"

When the Niu Tou Ma Mian of the Niu Tou Gang saw the master of the Rakshasa Sect escaping, they all shouted with great momentum and rushed to kill the Rakshasa Sect members and Rakshasa.

"Sima?"

The second sister of the Rakshasa clan did not expect that Sima Guanren would escape at this time. She was very angry when she saw the Rakshasa being killed repeatedly. The burly Rakshasa rushed to the second sister of Rakshasa and said hurriedly, "Second Sister, leave quickly, we are no longer the opponents of the Niutou Gang."

"Walk? Can we go there? Today our Rakshasa sect will be destroyed." The second sister Rakshasa looked at the killed Rakshasa.

She was heartbroken now.

The escape of the Rakshasa Sect leader had demoralized both the Rakshasa Sect members and the Rakshasa Sect. Otherwise, the Rakshasa Sect would not have been defeated at this time. So fast.

At this moment, the entire Shura City suddenly seemed to be suspended. The bull-headed horse face and the Rakshasa from the Rakshasa Gate who were fighting here suddenly discovered the appearance of the ghost monster.

"Wind disaster! Run quickly, it's Feng Jie!"

"Run, run away!"

"Damn, is there such a thing as wind disaster now? Run away, run away from the Niutou Gang!"

The streets are now very chaotic. Rakshasa and Ninau-headed Horsemen are everywhere in cars and motorcycles, trying to escape the arrival of the Ghost Palace.

Su Chen saw that there was a life-and-death battle just now, but now the people from the Niutou Gang and the Rakshasa Gate are all They began to work together to escape.

These bull-headed horse faces and Rakshasa really brought it upon themselves.

Su Chen suddenly discovered that the little Rakshasa actually went to save the Rakshasa who was blowing bubble gum. This made Su Chen very speechless when he looked at the little Rakshasa.

Didn't she realize that Is that Rakshasa unable to escape anymore?

"I'll do it! Who else will this little Rakshasa save if he doesn't run away quickly?"

When the second sister Rakshasa saw the little Rakshasa flying away with her to escape, she hurriedly struggled and said,

"Third sister, run away and leave me alone!"

"No, second sister, I will save you and escape together." Little Rakshasa grabbed the second sister Rakshasa with one hand and held Xueyue in the other to kill the attacking ghost monster.

Just when the little Rakshasa was about to be surrounded and killed by the surrounding ghost monsters, boom!

"Second sister, third sister, run away!"

The burly Rakshasa rushed over immediately. After he opened a gap for the little Rakshasa and the second sister Rakshasa, the burly Rakshasa was caught and bitten by the ghost monster.

"Fourth brother!"

The little Rakshasa and the second Rakshasa sister cried out sadly after seeing the burly Rakshasa being bitten by the ghost monster,

"Go quickly!"

"Walk! let's go!"

But it was already too late at this time. A group of ghosts and monsters had appeared around them. They were trying to get out and couldn't leave.

The second sister Rakshasa took a long knife and said to the little Rakshasa,

"We can't leave, Third Sister, this time it's the Second Sister who has caused trouble for you. I will fight a way out for you later. You have to take the opportunity to escape."

"No, second sister, let's break out together"

"No, you must escape. We, the Rakshasamen of the Rakshasa Sect, cannot all die here."

"Second sister!"

"Walk!"

At this time,

Su Chen suddenly appeared next to the little Rakshasa and patted her helmet again and said, "It's so touching! Little Rakshasa, you are even more embarrassed this time."

The little Rakshasa was very surprised when she saw Su Chen appear, but when she saw the ghosts around her, she anxiously said to Su Chen,

"demon king! How did you come? You should leave quickly, there are too many ghost palaces here."

Su Chen laughed when he saw the anxious look on the little Rakshasa, "Hahaha! I'm the big devil. Do you think I'm afraid of these ghosts and monsters?"

"Point gun!"

"shave!"

"The iron is broken!"

"Point gun spots!"

Su Chen looked at the ghost monsters around him and quickly used the Sixth Marine Style to kill these ghost monsters. Under Su Chen's rapid attack, the surrounding ghost palaces all died with headshots.

This made the little Rakshasa next to him. They and the second sister Rakshasa were stunned. They did not expect that the ghosts and monsters in Shura City that changed their expressions upon hearing the sound were so easily killed by Su Chen. Even those ghosts and monsters could not even get close to Su Chen.

"Third sister, this human being is the big devil you said?"

"Yes, second sister, I didn't expect this big devil to be so powerful."

"It's too powerful."

Su Chen suddenly discovered that there were more and more ghost monsters here, and there were a steady stream of ghost monsters flying in from a distance. When

Su Chen saw this, he felt that this time he had stabbed the ghost monster's lair. It seems that this time it is going to happen. Ran away

"Walk!"

Su Chen suddenly appeared next to Little Rakshasa and Second Sister Rakshasa. He hurriedly hugged them and teleported away.

Su Chen's temporary residence, after Su Chen arrived with Little Rakshasa and Second Sister Rakshasa, he Suddenly, he discovered that Sun Liuxuan and the others did not live here.

Su Chen hurriedly used his mental power to check their situation and found that they were rushing back. He was not worried that something would happen to Sun Liuxuan and the others.

The little Rakshasa was very shocked when he looked at the surrounding environment. , she did not expect that Su Chen, her and her second sister would appear here in an instant. When she looked at Su Chen, she felt that he was more powerful than she imagined.

"Great Demon King, is this your residence?"

Su Chen asked for a can of beer and drank it, then said to the little Rakshasa, "Yes, you can take a rest here, and there will be food and water nearby."

"OK!"

The second sister Rakshasa looked at Su Chen and was very surprised.

She didn't expect that this big devil was so powerful and could even use the legendary space power.

She still couldn't figure out why this big devil wanted to kill them?

Could it be that Xiao Luo Does Sha have an unusual relationship with this big devil?

"Third sister, what is your relationship with this big devil?"

Little Rakshasa's face turned red when the second sister Rakshasa looked at her. She hurriedly took out her Xue Yue and explained in a low voice, "Second sister, our relationship is just an ordinary relationship. Since the big devil saved me last time, I also... I just met him a few days ago. Look, this Xue Yue was given to me by the Great Demon King."

"Hahaha! Why would he come to save you in a normal relationship? Do you think I'm a fool?"

Chapter 740

The second sister Rakshasa doesn't believe a word of Little Rakshasa now. If Little Rakshasa has nothing to do with Su Chen, why would Su Chen save them? Why does the little Rakshasa blush? Is this a self-inflicted crime?

The second Rakshasa sister did not continue to ask the little Rakshasa. Now that the Rakshasa sect is finished, I am afraid that she and the little Rakshasa are the only ones left in the Rakshasa sect. She is very sad now that her fourth brother died to save them.

After coming here for a while,

Sun Liuxuan and the others also came back, but when they saw that there were two beautiful Rakshasa women in their residence, they looked at Su Chen who was drinking beer with unkind eyes.

"This little Rakshasa is my friend." Su Chen saw Sun Liuxuan and the others staring at him one by one. He swallowed and hurriedly explained.

But after Su Chen explained, he suddenly realized. Do you need to explain to them?

These women are all like him. It doesn't matter.

Su Chen felt that he was also out of his mind. Why did he couldn't help but explain when he saw the hostile eyes of Sun Liuxuan and others?

"Hello!"

"Hello!"

Sun Liuxuan and Little Rakshasa looked at each other and greeted each other.

Su Chen watched Sun Liuxuan and Little Rakshasa talking to each other.

He was too lazy to pay attention to it. He had been paying attention to Little Rakshasa just now, and he actually turned Meng The masked man has been forgotten.

Now I don't know if the masked man is dead?

If the masked man is dead,

Xiao Qing may not be able to find Xiao Bai even if he leaves Shura City. The bone flute is crucial to Xiao Qing.

Su Chen looked at Xiao Qing holding the laptop again and said to her, "Xiao Qing, we are going to go to Hu Jing's place tomorrow. Your sister can get some news from Hu Jing's place."

"Su Chen, how do you know about my sister?" Xiao Qing looked at Su Chen in surprise. She didn't expect this shameless pervert to know about her sister.

Su Chen came to Xiao Qing, sat down and hugged her and said, "Idiot! When you first came to Shura City, didn't you always call your sister Xiaobai?"

"Shameless pervert! Not ready to hug me." Xiao Qing was very angry when she heard Su Chen's words, but after this bastard hugged her, Xiao Qing hurriedly pushed Su Chen away and cursed in shame.

Su Chen shamelessly hugged Xiao Qing's waist and said with a smile. ,

"There is someone very important to you in the vixen. That person may be the reincarnation of your sister, or he may be the soul of your sister. You have to get to the vixen to find out, and the vixen also knows how to get out. Shura City.

Xiaoqing looked at Su Chen in surprise and asked hurriedly, "Who are you?" How do you know all this?"

Xiao Qing saw that Su Chen was hugging her and wouldn't let go. She didn't bother to care about this bastard.

Anyway, this wasn't the first time.

She had been hugged by this bastard when she slept at night. Now she doesn't have this bastard hugging her like this. What discomfort.

Su Chen pressed his chin on Xiao Qing's shoulder and started talking nonsense.

"Xiaoqing, I haven't been idle these days. I saw clearly what you wanted to do. I even heard the talk you said in your sleep clearly. I searched all over Shura City these days to find out. Some information about your sister."

Xiao Qing didn't believe a word Su Chen said, but she still looked at Su Chen and was moved.

Although Su Chen is a shameless bastard, he will fulfill his words as long as he says it. This bastard must have found out this time She got clues about her sister.

Fairy Yunmeng made tea for Su Chen and Xiaoqing. When she brought it over, she was very surprised when she heard Su Chen's words.

She didn't expect that Su Chen would find a way to leave Shura City, but Fairy Yunmeng thought of it. If Su Chen and her leave Shura City, I'm afraid they will be separated when they return to Tianxuan Continent.

Fairy Yunmeng has become accustomed to Su Chen being by her side, and has even developed some feelings for Su Chen.

They can always stay in Shura City. Together, but I'm afraid they will part ways after returning to Tianxuan Continent.

This bastard has many women in Tianxuan Continent. I'm afraid this shameless pervert will forget her alive by then.

Fairy Yunmeng looked at Su Chen complicatedly He asked, "Can we leave Shura City?"

""Yes."

Sun Liuxuan was very happy to hear what Su Chen and Fairy Yunmeng said. She looked at Su Chen and confirmed again and asked, "Can we really leave Shura City?" Su Chen, you didn't deceive us, did you?"

Little Rakshasa and the second sister Rakshasa also looked at Su Chen anxiously. They also wanted to leave this crisis-ridden Shura City. They now want to know if this is true.

"Really, tomorrow we will go to Bangi Supermarket to find that vixen. She knows how to leave Shura City."

"Yeah, great, we can get out of this damn place." Sun Liuxuan almost jumped up with joy.

She has no memories of this Shura City at all. Living in fear every day is very torture.

Su Chen clapped his hands to these happy beauties and said, "Go to bed early today, tomorrow We have Bangi Supermarket"

"good!"

"knew!"

"Then have a good rest today."

Sun Liuxuan and Little Rakshasa both said hurriedly that they can leave Shura City tomorrow, which made them a little excited.

During the break,

Su Chen's temporary residence was occupied by Little Rakshasa and the second sister Rakshasa. , his bed was given to Xiao Luosha and the others, while Su Chen shamelessly hugged the hot-figured Xiao Qing and lay together to rest.

In the dark night,

Su Chen suddenly felt someone in the warehouse, and he sensed that the person who arrived was actually It was the masked man.

Su Chen saw that Xiao Qing also noticed the arrival of the masked man at this time.

Xiao Qing blinked at Su Chen, as if asking who this person was?

Su Chen touched Xiao Qing's Changfa whispered,

"This is the reincarnation of your sister that I suspect. He has no ill intentions towards you, and his bone flute is a fragment of your sister's magical weapon that was damaged. Go talk to him."

"good!"

Su Chen continued to sleep after Xiao Qing left. Today is probably the last night in Shura City. Tomorrow Xiao Qing will defeat Fahai in the spider demon's training illusion space. He can easily kill the leader of the Niutou Gang. This way Nothing happened when they left.

Xiaoqing used the moon step to appear in front of the masked man.

She looked at the masked man and smiled and thought, is this really her sister Xiaobai?

Just why is it a man ? ?

Is it true that this masked man is the reincarnation of her sister as Su Chen said?

Or is this just a ray of her sister's soul?

"Who are you? Why come to me?"

The masked man did not expect that Xiao Qing would suddenly appear in front of him.

He looked at Xiao Qing and said hurriedly,

"I forgot my name, but I won't hurt you. I came here just to see if you are safe here."

"Sit down, I have something to ask you!"

"OK!"
