Chapter 741

The next morning, when Su Chen woke up, he found that he was sleeping next to Fairy Yunmeng. He looked at Fairy Yunmeng who was still sleeping and left quietly. He was afraid that Fairy Yunmeng would wake up. I'll kick him away

【Damn bastard! 】

After Fairy Yunmeng left Su Chen, her face turned red and she cursed the bastard in her heart.

Last night, this bastard ran to her and fell asleep for some reason. Now she felt that somewhere in her body was scratched by this bastard and it was very painful.

"Su Chen, you wake up."Xiao Qing saw Su Chen coming and made some room for him to sit down.

The masked man was very scared when he saw Su Chen.

This big devil is very cruel.

When the leader of the Niutou Gang was beaten by the big devil, He had seen it several times, and now he was afraid that the big devil would also take action against him.

Su Chen glanced at the worried masked man, then hugged Xiao Qing and asked,"You haven't rested all night?"

"No, we talked all night, but he lost his memory and couldn't remember anything."

"Don't worry, when we get to that vixen Wu Chi's place today, let him try and see if he can remember anything."

"What is Wuchi?"

"Wu Chi can not only see his own obsessions, he can even completely wash away the obsessions in his heart. As long as the people who are washed away their obsessions can leave Shura City, we just don't use this method. There is another vixen who left Shura City. city method"

"Obsession?"

Su Chen took Xiaoqing's hand and pointed at the ribbon on her wrist and said,

"Well, your obsession is this ribbon of your sister. As long as you hold this ribbon, you can see your obsession in Wuchi."

"I see."

Xiao Qing looked at the ribbon on her wrist and nodded.

"Come on, let's go find that vixen after dinner." Su Chen pulled up Xiaoqing and told her and the masked man.

At this moment, after the Niutou Gang destroyed the Rakshasa Sect, they began to massacre all the monsters and spirits around them. They were going to Shura City. All the creatures in there must be killed.

The leader of the Niutou Gang is in a bad mood right now.

He could have killed Sima Guanren of the Rakshasa Sect yesterday, but in the end Feng Jie appeared. After those ghosts and monsters appeared, Sima Guanren I don't know where I escaped to.

"Gang leader, our people found out that Sima Guanren went to Wangi Supermarket last night."

"Bangi Supermarket?"

"Yes, that's the neutral force"

"Gather all the Niutou Horse Noodles from our Niutou Gang and destroy the High Market today."

"Yes, Gang Leader!"

On an independent island, there are defense fortifications everywhere. Some little monsters are guarding the bridge and outside the mountain pass with weapons. On the wall at the mountain pass, there are also monsters with rifles in their hands watching down.

At that time, an off-road vehicle and a dilapidated pickup truck drove over from the other end of the bridge. When the off-road vehicle reached the mountain pass, the off-road vehicle stopped. I saw several beautiful beauties getting out of the off-road vehicle one after another.

"Weapons must be handed in!"

A crocodile demon came over and said to Su Chen and others cautiously.

Su Chen looked at this idiot crocodile demon and stretched out his hand and asked, "Do you see that we are armed?"

Su Chen knows that the vixen is not allowed to bring weapons into her High Market.

When he came to the High Market, he received the girls' weapons into the system space. Now the High Market is not safe.

Su Chen doesn't want to When something unexpected happens, Sun Liuxuan and Xiao Luosha have no weapons to use.

"Forehead! You can come in!"

"Come on, let's go in."

Su Chen said and walked swaggering towards the entrance of the valley.

Sun Liuxuan and the others followed Su Chen closely one by one. The unattended masked man looked at the monsters around him and quickly followed them.

"I'll do it! There are so many supplies here? I knew I was coming to rob this place."

Su Chen and Sun Liuxuan walked into a main hall and found that the hall was as wide as a warehouse, filled with all kinds of supplies.

Su Chen looked at the supplies here and thought he was a fool. When he was watching the anime, he knew that there were a lot of supplies here in Little Vixen.

In the past month, he had been looking for supplies everywhere, and he was really a little stupid.

When Xiao Qing heard Su Chen's words, his face turned black with anger. Su Chen warned,

"You should be more honest with me. We have a lot of supplies. This time we are here to ask how to get out of Shura City. Don't cause trouble for me, you bastard."

When the little Rakshasa heard Su Chen's words, he smiled and said,

"Hahaha! Big Demon King, you don't really want to rob this place, do you? I heard that the owner of Bangi Supermarket is very powerful. You should be careful."

"Beautiful little Rakshasa, if you didn't remind me, I would have forgotten that the little vixen here is a being that I cannot afford to offend." Su Chen directly hugged the little Rakshasa and said happily,

Su Chen is really the vixen here.

Although she didn't show her strength when she came out, she can freely enter and leave Shura City. I'm afraid her strength is very extraordinary, and this vixen is probably Su Daji

"Let me go!"

Little Rakshasa's face turned red when Su Chen held her, and she was a little overwhelmed.

When she saw the second sister Rakshasa looking at her with a smile, the little Rakshasa pinched Su Chen's waist in embarrassment.

"hiss!"

【What the hell!】

【Rakshasa women can't help but pinch their waists!】

【Do all female creatures in the world have this skill? 】

Su Chen quickly let go of the little Rakshasa when he pinched his waist. He didn't want his waist to suffer like this.

"Shameless pervert!"

"asshole!"

"Damn pervert!"

When Sun Liuxuan, Xiao Qing and Fairy Yunmeng saw Su Chen holding the little Rakshasa, they ordered and cursed angrily.

This bastard really can't walk when he sees a beautiful woman, and now he doesn't even let Rakshasa women go.

【Forehead!】

【He seems to be a snake demon! 】

Xiao Qing thought and suddenly realized that she and Su Chen were not the same kind. This made Xiao Qing look at Su Chen with contempt.

This bastard is a beautiful woman!

I'm afraid this bastard will not let her go regardless of whether she is a beautiful woman or not.

In this hall, there is a little girl of about ten years old, wearing a white fox headdress on the back of her head and cool clothes, revealing her small waist and smooth and delicate calves. Not getting tired of her little feet, she sat on an elevator and looked at Su Chen and Xiao Qing who were arriving and said with a sweet smile,

"Yo, we have another guest."

The little vixen looked at Su Chen with a wary look.

She knew about the Great Demon King of Shura City, but why did he come to his little Wanyi Supermarket this time?

Why did the losers outside let this evil star in ? Already?

Xiaoqing stepped forward and offered her hand to this little vixen,

"Boss, I want to know how I got into Shura City? And how to get out of here?"

Chapter 742

The little fox was a little surprised when she looked at Xiao Qing. She didn't expect to meet this green snake in Shura City.

This is White Snake's sister from fifteen hundred years ago, oh!

There is also the human being who was turned into a monster by himself, the white snake and the reincarnated person are all related to the green snake. It seems that something destined has happened, and something must have happened to the white snake.

The little fox thought for a moment that this green snake was related to her, and that this green snake also came with the big devil.

She looked at Su Chen and said to Xiao Qing with a sweet smile, "For the sake of the girl and me, The two customers were destined to be together before, so let me tell you."

The little fox took a puff of cigarette and suddenly her head turned around. Her fox head spit out some blue smoke and said in an old voice,

"The most painful and resentful thing in the world is to ask for it and not get it. Shura City is born out of the resentment of all living beings in the world. If you don't enter reincarnation, you will travel through time and fall into this Shura City because you have too strong obsessions in your hearts."

"Obsession?"

Xiaoqing heard the little fox say the same thing, and she looked at Su Chen.

The little fox was exactly the same as what Su Chen told her. It seemed that Su Chen, the bastard, didn't deceive her.

The little fox turned into a human head again and continued to smile. said,

"You can't get it if you ask for it! The thoughts that you can't let go and make you have all kinds of bitterness and resentment in your heart are called obsessions"

"Obsession is entangled, and they are all gathered on one object. Every living being who comes to Shura City has it. That object is everyone's obsession."

Xiao Qing looked at the ribbon on her arm and had an expression on her face. Now she will no longer doubt that bastard's words.

Although that bastard Su Chen is often not serious, he has never deceived himself.

Sun Liuxuan and Yun Dream Fairy and Little Rakshasa looked at Su Chen after hearing what the little fox said. They did not expect that Su Chen actually said the same thing as the little fox. It seemed that they could really leave Shura City this time.

"Little fox, take us to your Wuchi." Su Chen ignored Xiao Qing and the others. He looked at the little fox and said with a smile,

"Big Devil, you won't have any thoughts about my Wu Chi when you come to my Bangi Supermarket this time, right?" The little fox suddenly jumped on Su Chen. She hung on Su Chen's body and squinted her eyes and asked Su Chen.

Su Chen was very speechless when he felt the soft body of the little fox and the fragrance of her body.

This little fox The fox is indeed a vixen.

Su Chen pushed the little fox down and said seriously,

"cough! Be more serious, little fox, I don't have any thoughts about Wuchi, I just accompany them to see their obsession."

"hehe! Come with me!" The little fox looked at Su Chen with some surprise in his eyes. He looked at Su Chen and said with a sweet smile.

When Su Chen saw everyone else looking at him, he nodded and followed the little fox. When they entered a After the lift, the lift quickly went down to the ground under the operation of two little monsters.

When they reached a huge space underground,

Su Chen and Xiao Qing saw a huge pool underground. This should be the Wu Pool..

But there were already people here in Wuchi.

Su Chen looked at the people here and found that the Sima official was also here, which Su Chen really didn't expect. The

Sima official was not killed by the Niutou gang leader. , it seems that the Niutou Gang will also come to Little Fox's Bangi Supermarket soon.

"Sima?"

"Damn traitor!"

The second sister Rakshasa and the little Rakshasa saw that Sima Du's face was very ugly.

Sima Guanren saw that the little Rakshasa and the others also appeared here, which surprised him very much.

He did not expect that the Rakshasa from the Rakshasa Gate was actually there. Without death, he looked at the little Rakshasa and the others with expressions of disbelief.

"Rakshasa? You guys are here too?"

The little fox looked at Sima and the Rakshasa and asked with a smile, "Do you have any grudges against Sima officials?"

"No!"

The little Rakshasa glared at Sima Guanren and said angrily.

Although the little Rakshasa was angry with Sima Guanren for escaping from the battle, Sima Guanren was not a Rakshasa after all. The Rakshasa Sect had been destroyed, and they did not want to fight with Sima Guanren in the future. People have nothing to do with each other.

Su Chen didn't care about the grievances between Rakshasa and Sima.

He looked at an old scholar and Peach Blossom Demon next to him and felt strange. The old scholar was walking around the Wu Pond and didn't want to jump into the Wu Po Po. It's okay to say , but the peach blossom demon didn't intend to jump into Wuchi?

Something was wrong.

At this time,

Xiaoqing and the others walked to Wuchi to take a look at the person they were obsessed with, and the masked man followed Xiaoqing. Walked over.

Su Chen did not go to see these people's obsession.

He was not interested in these.

Su Chen was now very curious about the fact that the Peach Blossom Demon did not jump to Wuchi.

The little fox saw that Su Chen did not go to Wuchi to see him. As a person of obsession, she twisted her waist and came to Su Chen and said,

"Great Demon King, don't you go and see the person you are obsessed with in Wuchi?"

"I saw."

Su Chen looked at the little fox and said with a sly smile,

"See it?"

"Saw it"

"you? What are you looking at me for? Am I the person you are obsessed with?"

"uh-huh!"

"Damn the big devil, how could I be the person you are obsessed with?"

"Little fox, if you don't believe it, just see for yourself." Su Chen said and came to Wuchi to look at Wuchi.

Su Chen didn't have any obsession.

Now he wanted to test whether he could see the little fox in Wuchi because he had been thinking about it. , it doesn't matter even if you can't see it, the masked man can't see it anyway, and he is not the only person in Wuchi who can't see the obsession. Beside

Wuchi, as Su Chen looked towards Wuchi, there was no one beside him. People who were watching Wuchi came to Su Chen and looked at Wuchi. They all wanted to know what kind of obsessive person Su Chen would see in Wuchi.

Circles of light suddenly appeared in Wuchi, and suddenly a circle of light appeared in Wuchi. A beautiful woman and a little girl appeared. The ones that appeared in this circle of light were Jing Salamander and Su Yan, mother and daughter.

Then, beautiful women appeared in each circle of light, Murong Qiudi, Yan Fei, Changsun Wuchu, Shi Guanyin and other women appeared in the circle of light one by one, and even Su Chen's confidante, Yao Yue, Zhu Yuyan and others also appeared in the circle of light one by one.

Xiao Qing, Sun Liuxuan and other women's faces were very expressions now. They didn't expect that the people this bastard Su Chen was obsessed with were all beautiful women, which made them very angry when they looked at Su Chen.

Although they knew that this bastard was a powerful person in his world , but I didn't expect that this bastard would have so many beautiful women, and these beautiful women would become this bastard's obsession.

Then in Wuchi,

Xiaoqing and Xiaobai also appeared in Wuchi in a circle of light. In the pool, in the aperture, Xiaoqing and Xiaobai were laughing and having a snowball fight with each other under a big tree, but Xiaoqing next to them was very confused.

As these scenes disappeared one by one, another aperture appeared, and The figure of the little fox appeared in this aperture.

The place where this little fox appeared was in Baoqingfang. In the picture, the little fox stood alone on the mountain of Baoqingfang with a pipe and a frown. She looked at She didn't know what she was thinking about as she looked into the distance.

The little fox was very surprised when she looked at the picture.

She had experienced this picture before.

It had been her for thousands of years. A scene that only appeared once. It was the only time she felt lonely.

"How can this be? Who are you?"

Chapter 743

Others at Wuchi looked at Su Chen and felt it was incredible. They did not expect that Su Chen's obsession included Xiao Qing and Xiao Fox.

This made them feel something was very wrong when they looked at Su Chen.

How could Xiao Qing and Xiao Fox be included in this bastard's obsession?

Su Chen didn't expect that he would actually see Xiao Qing and Xiao Fox in Wuchi, which also made him feel a little surprised.

When the women around him looked at him, he didn't know how to explain it.

"Ahem, don't look at me, I don't know anything"

"who are you?"

The little fox is very excited when looking at Su Chen.

She just wants to know who Su Chen is?

Why does he have her in his obsession?

"Suchen!"

When the little fox heard Su Chen's words, he frowned and thought for a while and said,"Su Chen? Why don't I have any impression?"

Su Chen thought speechlessly when he heard the little fox,

【It's strange that the little fox knows him!】

【He had seen Little Fox before he traveled through time.】

【This little fox doesn't think he has a real relationship with her, does he? 】

At this time, a demon suddenly ran up and reported to the little fox,"Brother, Fire Tribulation! Fire Tribulation is coming to our Manyi Supermarket!"

"Just come, we'll be fine here in Wuchi anyway."The little fox glanced at Su Chen and said casually to the approaching demon.

Sun Liuxuan and Little Rakshasa are now going to see the person they are obsessed with. They don't care about these things.

With Su Chen, a pervert, by their side , even if those ghost monsters come, they are not afraid, and they are now very powerful, and they can deal with those ghost monsters even if they come.

As these women look at their respective obsessions at the edge of Wuchi,

There was no one else around Su Chen. He looked at Peach Blossom Demon and ducked to her side.

"Peach Blossom Demon, don't you want to jump into Wuchi?"

"Thinking about it but not thinking about it!"

The Peach Blossom Demon looked at the jade pendant in his hand and said sadly,

"I'll do it! If you want to jump, go back if you don't want to, there's nothing to hesitate about"

"And you? Are you going to jump into the pool?"

"I don't have that plan. There are many people I am obsessed with, and I don't want to forget them. The peach blossom demon handed the jade pendant to Su Chen and asked with a smile, "Su Chen, have you seen this jade pendant of mine?""

"Um?"

Su Chen took the jade pendant and looked at it and felt a little strange. He had never seen this jade pendant before, but he had seen this round jade pendant in anime.

What does this peach blossom demon mean?

The peach blossom demon will never recognize the wrong person. Right?

Peach Blossom Demon looked at Su Chen and asked expectantly,

"Do you recognize this jade pendant?"

"do not know!"

Peach Blossom Demon grabbed Su Chen's clothes and said bullyingly, "You lied to me, I can see in your eyes that you know me, right?"

【I'll do it!】

【What does this mean?】

【I just played tricks on Xiao Qing and Xiao Fox. Is this retribution? 】

Su Chen returned the jade pendant to Peach Blossom Demon and said firmly, "Peach Blossom Demon, I really don't recognize this jade pendant. You may have mistaken the person.""

"Did I really know the wrong person?"The Peach Blossom Demon took the jade pendant and muttered to himself melancholy.

"Yes!"

At this moment, there was a sudden scream from the elevator.

Several ghost monsters were biting the monsters under the little fox in the elevator. Some monsters shouted while avoiding the ghost monsters,

"Ghost monster! The ghost monster is coming!"

"Point gun!"

"shave!"

"Iron pieces are broken."

When Su Chen looked over,

Xiaoqing, Sun Liuxuan, and Fairy Yunmeng were killing the ghost monsters one by one with their moon steps. The ghost monsters were being killed by them one after another. Now the ghost monsters were killed. The monster was not enough of a threat to the three of them.

When Su Chen appeared in front of the little fox, he stretched out his hand and said, "Little fox, give me the ticket. I want to use the Ruo Bridge to get out of Shura City."

"What if the bridge? It seems that you know a lot, but why should I give it to you? Su

Chen looked at the little fox and said with a smile, "Little fox, maybe I was your husband in my previous life. You can't help but give me this face, right?"

"Shameless pervert! I have never had a husband, you bastard, leave Bangi Supermarket immediately." The little fox was very angry when she heard what Su Chen said. She took out a card and threw it to Su Chen and yelled angrily.

"hehe! Thanks. The Niutou Gang will come to destroy your Bangi Supermarket. You'd better leave here."

"Would I be afraid of those Bull-headed Horse Noodles from the Niutou Gang?"

"I know you are not afraid of those bull-headed and horse-faced people from the Niutou Gang, but you don't seem to be able to use your abilities in Shura City, and the Bull-headed Gang has a large number of people, so the little monsters under your command are no match for those bull-headed and horse-faced people."

When the little fox heard Su Chen's words, she looked at this shameless pervert.

Although she didn't know why this shameless pervert knew her so well, this bastard seemed to really care about her.

This made the little fox look at Su Chen and I am very curious, what is the fate of this bastard and me?

"I see"

"Farewell!"

Su Chen saw that the little fox had no intention of leaving, and he also knew that nothing could happen to the little fox.

His purpose of coming here has been achieved.

With this ticket,

Xiaoqing can defeat Fahai in that illusory space, so if The bridge will appear, and they can leave Shura City.

At this time,

Xiaoqing and the others also killed the ghost monster next to Wuchi. When the women saw Su Chen coming, they knew that Su Chen must ask Now we know how to leave Shura City.

Su Chen shook the card in his hand and said to Xiao Qing and the others, "Let's go to a place where we can open the passage to leave Shura City."

"good!"

Peach Blossom Demon didn't know when she came here.

She looked at Su Chen and asked softly, "Can I go with you? I also want to leave Shura City"

"Can!"

Su Chen looked at Peach Blossom Demon and nodded in agreement. Anyway, as long as the passage is open, it doesn't matter if one more person leaves.

"Little fox, this is for you, I hope it is useful to you." When Su Chen was about to take everyone away, he took out a spirit stone from the system space and threw it at the little fox, and he led everyone away from Wuchi.

The little fox was very shocked when he looked at the spirit stone in his hand. "Spiritual stone? Moreover, the spiritual energy inside is very pure and abundant. How could that bastard have spiritual stones? How come there are still spiritual stones in this era of Dharma Ending?"

"Su Chen, who are you?"

"What is your fate with me?"

"Why don't I have any impression of him?"

"Could it be that my memory is incomplete?"

"Shameless pervert, one spiritual stone is not enough for my cultivation."

Beside Wuchi,

Sima Guanren looked very ugly when he saw Rakshasa and Su Chen leaving. Originally, he wanted to find a chance for the two sisters, Quan Rakshasa, to be with him. It seems that there is no hope this time. Under a big tree in the middle of Shura City,

Su Chen and Xiao Qing have arrived here.

This is where the Spider's car appears, and it is also where you can get on the Spider's car and enter the Batu Caves.

Su Chen put the ticket He handed it to Xiaoqing and touched her hair and said,

"Xiaoqing, you and the masked man are waiting here for the Spider's car. I'll send Sun Liuxuan and the others to the Snake's Tail first to wait for the bridge to appear."

"OK, I'll wait for you to come."

Chapter 744

Xiao Qing took the card and nodded to Su Chen.

She now trusted Su Chen very much. Originally, Xiao Qing had a good impression of Su Chen, a shameless pervert.

In Wuchi, she saw that the person Su Chen was obsessed with was actually her, which made Xiaoqing have great trust in Su Chen now.

Su Chen hugged Sun Liuxuan and Fairy Yunmeng and disappeared in an instant.

He wanted to arrange those who didn't need to get on the bus at the snake tail of Shura City first, so that if the bridge was opened, they women could also get there immediately. Leaving Shura City at the tail of the snake.

When Peach Blossom Demon saw Su Chen disappearing instantly with Sun Liuxuan and Fairy Yunmeng, she said in surprise,

"this.....Su Chen actually has spatial abilities?"

Xiao Qing and the Rakshasa sisters didn't answer the Peach Blossom Demon. They were very wary of the Peach Blossom Demon. The bastard and the Peach Blossom Demon didn't know what they said, but they actually tricked a beautiful woman into being with them.

"The big devil is indeed powerful."The masked man said in great shock when he saw Su Chen and the two girls disappearing.

After a while, Su Chen appeared again holding the little Rakshasa and the second sister Rakshasa, and suddenly disappeared until Su Chen took the Peach Blossom Demon away..Only

Xiaoqing and the masked man were left here. Xiaoqing and the masked man looked around and hoped that the spider's car would appear soon.

At this moment, a spider-like car drove quickly around, Xiaoqing and the masked man immediately chased after them after seeing it.

Xiaoqing raised the card in his hand and shook it at the spider car. After the spider car opened the door, Xiaoqing and the masked man rushed forward and back. Jumped into the car.

In the spider car, a banshee with six hands took the ticket from Xiaoqing's hand, looked at it and said,

"You troublesome little fox, but for the sake of the little fox, I can let you in. Little monster, if you enter the Batu Caves and see how dangerous it is, if you don't have enough perseverance, you will turn to ashes in an instant. Do you really want to go?"

"No matter how dangerous it is, I must go for my sister, for Su Chen and I to leave Shura City."

When the Spider Banshee heard Xiao Qing's words, she turned around and looked at her and said, "Okay, you can take care of yourself!"

Bang!

The roof of the spider car suddenly fell down a passage. Xiaoqing thanked the spider banshee and took the masked man up.

"I'm late!"

Su Chen suddenly appeared in the spider car, but he saw that Xiao Qing and the masked man had already gone up. It seemed that there was no way for him to explain what Xiao Qing wanted to do. The

Spider Banshee saw Su Chen appearing in her car. She didn't seem surprised at all in the spider car. She looked at Su Chen and smiled and said,

"Yo! Why would the great demon king in Shura City come to my place?"

Su Chen looked at the Spider Banshee with a pair of sunglasses on her face, multiple eyes on her forehead, and leather shorts on her body. This spider girl's figure was really hot. The

Spider Banshee now even used six hands. She was driving a car, but this spider car was not for people to sit in. If ordinary people were to sit in her car, they would have been so dizzy that they would have vomited all over the floor. When he came to Spider Woman, he smiled and said,

"Spider-Woman, can the top be opened again?"

"That's not possible. You can't go up there without a ticket."

"Please be accommodating!"

"You're so accommodating, you big devil. If I don't kick you out of the car now, it would be considered polite to you. You'd better not provoke me."

"I'll do it!"

"Um?"

The spider banshee suddenly burst out with a powerful aura and looked at Su Chen.

Su Chen suddenly felt a powerful aura enveloped him. Su Chen was very surprised when he looked at the spider banshee. He didn't expect that this spider banshee was also A powerful demon, he looked at the Spider Banshee and said hurriedly,

"What I mean is to listen to you. I will wait here for Xiaoqing and the others."

【My day!】

【So scary!】

【This spider banshee is indeed no ordinary banshee. Fortunately, she didn't force herself.】

【His!】

【This spider banshee should be as powerful as the little fox, but why doesn't she leave Shura City?】

"That's fine, Big Demon King. With your strength, it should be easy to leave Shura City. Why did you let that little monster go to Batu Cave?"

"none of your business!"

Su Chen said angrily while sitting aside. The

Spider Banshee didn't expect that this big devil would dare to be so arrogant. She turned to look at Su Chen and said threateningly,

"What did you say?"

Su Chen ignored Spider Woman this time.

He thought that the Niutou Horse Face of the Niutou Gang might have attacked the little fox's territory. This time the little fox might have to leave Shura City before them. The bottomless pool should be where the little fox left Shura City. Place.

At the Wanyi Supermarket at the time, all the Niutou Horse Noodles from the Niu Tou Gang were attacking here. After the fire disaster destroyed the fortifications here, these little monsters under the little fox were no match for the Niu Tou Ma Mian. After the

Little Fox led his men After the little monsters came to Wuchi, the bull-headed and horse-faced people also chased here. When the bull-head gang leader saw that Sima Guanren was indeed here, he grinned and said to Sima Guanren,

"Sima Guanren, you have no way to escape this time."

Sima Guanren said with despair when he saw the leader of the Niutou Gang, "Brother, it seems that I am in doom this time. I can't go to your Ruo Bridge."

The little fox looked at Sima Guanren and smiled and said, "Sima Guanren, there is nothing I can do about this."

"Mr. Niu, let's do a pick-up this time! Die to me!" Sima Guanren said while holding a long knife and killed the leader of the Niutou Gang.

"Don't overestimate your capabilities!"

Boom, boom, boom!

The leader of the Niutou Gang took the giant ax and killed Sima Guanren. The underground space was constantly vibrating by the giant ax of the leader of the Niutou Gang. The little fox looked at the two people fighting and smiled with disdain. Laugh, now she wants to find that shameless pervert Su Chen. She really needs the spiritual stone in Su Chen's hand, and she is sure that Su Chen still has the spiritual stone in his hand. The little fox looked at Wu Chi and took it. She jumped directly with the two little followers. She didn't want to wait here any longer. If that bastard opened the bridge and left, she would suffer a big loss.

Boom!

After the little fox jumped into Wuchi, Wuchi was beaten by a The huge fox stirred up a riot, and the water in Wuchi began to surge around.

After killing Sima Guanren, the leader of the Niutou Gang discovered that Wuchi was rioting, and he looked at the Niutou Mamian who was running for his life. He also ran outside, but he was covered by the Wuchi water before he could run very far.

"Hahaha!"

The huge fox saw that all the minotaurs and horses were submerged by the water of Wuchi, so she smiled and kept stirring the water of Wuchi.

Until the dragonfly demon and lantern demon under her entered a space, she Yueshen flew out from an upper hole in the cave.

In the Spider Banshee's car, the Spider Banshee did not expect that such a bastard such as Su Chen would ignore her. This made the Spider Banshee look at Su Chen angrily.

"Damn big devil, don't make me angry, I'll throw you out."

Su Chen drank the fat house water and looked at the Spider Banshee. Now he is not worried that the Spider Banshee will take action. It is impossible for the Spider Banshee to teach him a lesson without waiting for Xiao Qing to come out.

"Fire disaster! Fire Tribulation has appeared!"The spider banshee suddenly saw the fire coming out around her and said hurriedly,

"Spider-Woman, are you still afraid of fire? Don't lie to me, this fire disaster can't do anything to you at all."

When Spider Woman saw Su Chen still leisurely drinking Fat Mansion Water, she knew that this bastard was not afraid of the Fire Tribulation, and that this bastard would definitely use her to deal with the ghost monsters that appeared in the Fire Tribulation.

She looked at this bastard and became angry. started to curse,

"Shameless, you, the devil, are really shameless!"

Chapter 745

At this moment, the Spider Banshee is driving around in his spider car. The city of Shura is either a fire disaster or a wind disaster. This is also thanks to the Spider Banshee's special car, otherwise it would have overturned long ago.

The next moment, in the Batu Cave,

Xiao Qing kept challenging Fa Hai, but failed every time. However, Xiao Qing did not give up. She would continue to challenge after each failure. This was not only to go out to save her sister, but also to save her sister. Even for that shameless bastard Su Chen.

In the Batu Cave,

Xiaoqing finally defeated the old Fahai after twenty years, and the Leifeng Pagoda was also pushed down by her.

She looked at the space where she had succeeded in her challenge and fell silent for a moment.

"All things are boundless, and there will eventually come a time when you can't do what you ask for, and you can't get what you ask for. The same is true for me, and I am powerless. Good thing! How good!" After the old Fa Hai was defeated by Xiao Qing, even the Leifeng Pagoda here was pushed. He clasped his palms and said helplessly,

Boom!

After disappearing in this space,

Xiao Qing also returned to the Spider Banshee's car. But as soon as she came back, the Batu Cave exploded suddenly, and even Spider Woman's spider car was overturned.

Su Chen was also dizzy when the spider car exploded suddenly, "I'm here!" Spider-Woman, how do you drive?"

"Get off my body, you shameless bastard!" Spider Banshee looked at Su Chen sitting on her body and cursed expressionlessly.

She didn't expect that this bastard Su Chen would use her as a meat pad after Spider Woman exploded. Damn it. Why don't you die, you bastard?

Su Chen looked at the spider woman under his body and jumped up. He didn't expect that he would have the spider woman sitting under his body.

"Holy shit! Sauri! Sauri! I did not mean it"

"roll! I don't want to see you again"

"OK! OK! "

At this time, when Xiao Qing discovered Su Chen, she ran over and hugged Su Chen and said happily, "Su Chen, I succeeded."

If the Spider Banshee had not thought that Xiao Qing would succeed, she looked at Xiao Qing and smiled softly. He smiled and said, "Little monster, this is not the place for you to stay. Leave Shura City quickly!"

Su Chen hugged Xiao Qing and was about to take her and the masked man away, but he looked at Spider Woman and asked curiously road,

"Spider-Woman, aren't you leaving?"

Spider Woman glared at Su Chen and cursed angrily,

"none of your business!"

"What the hell!"

Su Chen was very speechless when she heard Spider Woman's words.

She thought she was being a donkey with good intentions, but she thought that it would be very easy for Spider Woman to leave. She should have the same purpose in Shura City as the little fox.

"Let's go, Spider Woman. I'll see you again in the future. Also, your body is really soft and smells great." Su Chen said with a smile to Spider Woman, and hurriedly disappeared with Xiaoqing and the masked man.

"Shameless pervert!"

Boom!

The spider banshee was very angry when she heard Su Chen's words.

She angrily hit him where he was standing. But at this time, Su Chen and Xiao Qing had disappeared. The place where Su Chen was standing just now was A big hole was created by Spider-Woman.

Spider-Woman looked at the place where the bridge appeared and said angrily,

"Shameless pervert, we will meet again in the future, and when the time comes, I will make your life worse than death."

Su Chen, Xiaoqing and the masked man appeared at Snake Tail and hurriedly said to everyone here,

"If the bridge appears, everyone should run over quickly. I will take some people there first, and the rest will be careful about the appearance of Qi Jie and those ghost monsters."

"we know!"

"Sun Liuxuan, little Rakshasa, I will take you there first."Su Chen said as he hugged Sun Liuxuan and Xiao Luosha and disappeared directly.

Xiao Qing and the others started to climb up the giant vine first. They would not wait here for Su Chen to take them away.

Su Chen took them with him When Sun Liuxuan and Little Rakshasa appeared in front of the Ruo Bridge, he hurriedly said to Sun Liuxuan and the others,

"If you want to leave, go in. If you don't want to leave now, you can wait for Xiaoqing and the others to arrive."

"I will wait for you to leave together!"

"I'm waiting for you to leave too!"

Sun Liuxuan and Xiao Luosha said directly to Su Chen.

Su Chen nodded and disappeared directly. Several times in a row, when everyone was brought to the Ruo Bridge by Su Chen.

The women here are now all Without leaving first, they were all waiting for Su Chen to leave together.

At this time,

Sun Liuxuan grabbed Su Chen's hand and asked anxiously,"Su Chen, will I not be able to see you after I leave?""

Sun Liuxuan also suddenly remembered that she and Su Chen are not in the same world. If she leaves this time, I am afraid she will never see this shameless bastard in her life.

This makes Sun Liuxuan not want to leave Shura City now.

Su Chen came from the system space Taking out a box he had prepared a long time ago, he handed it to Sun Liuxuan and said,

"We will meet again in the future, I promise! Take these, they contain the martial arts secrets and a red fruit I gave you. As long as you practice well in the future, we can meet again."

"real?"

"real!"

Sun Liuxuan took the box Su Chen gave him and kissed him, and she was pushed into the Ruo Bridge by Su Chen.

Su Chen looked at Sun Liuxuan's disappearing body and hurriedly looked at the little Rakshasa,

"Little Rakshasa, here are the things I have prepared for you. I hope we will meet again in the future."

"Will we meet again too?"

"Will do!"

"I'm gone, I won't forget you."The little Rakshasa took the box that Su Chen gave her and took a deep look at Su Chen. Then she pulled the second Rakshasa sister into the Ruo Bridge.

Su Chen looked at the Peach Blossom Demon next to him and said,"Peach Blossom Demon, Hurry up and enter the Ruo Bridge. Qi tribulation will appear soon."

"Thank you this time, Su Chen, we will definitely meet again, you must be my destined person."The Peach Blossom Demon walked to Su Chen and hugged him and said something. Then she smiled and walked into the Ruo Bridge.

However, when the Peach Blossom Demon's body disappeared, his jade pendant was left in Shura City and was broken.

This made Su Chen look a little confused.

Su Chen looked at the remaining people, hugged Xiao Qing and said with a smile,"Xiao Qing, when you go back this time, go to the museum next to Leifeng Pagoda in Hangzhou. You will be there."The fragments of my sister's magic weapon and the masked man's bone flute are also among the fragments."

"Xiaoqing, as long as you miss your sister very much in your heart, the bead will return to its original state, and maybe your sister will appear."

Xiaoqing leaned into Su Chen's arms and said sadly,"Su Chen, I understand, but will we never meet again?"

Xiao Qing could tell that Su Chen had lied just now.

I'm afraid they would never see each other again after they left. She felt very sad when she looked at Su Chen.

Su Chen's smile was a little stiff and she said, "How could it be? We will definitely meet again"

"But we are not from the same world at all. You were deceiving Miss Sun and the others just now, right?"

"Xiaoqing, I don't know this, but I believe we will meet again. Take this. I don't know if it will be useful to you, but this is my most precious item."

Boom! Boom! Boom!

Su Chen pushed Xiao Qing away and said hurriedly, "The qi tribulation is coming. Xiao Qing, leave quickly. The masked man takes Xiao Qing and leaves here quickly."

"Su Chen, you shameless pervert, will we meet again?" When Xiaoqing was pulled into the Ruoqiao by the masked man, she asked Su Chen crying loudly.

Su Chen looked at Xiaoqing's body slowly disappearing and smiled bitterly and said, "Yes, definitely. Will do!"

Su Chen looked at Xiao Qing who had completely disappeared and shook his head.

He didn't know whether they would meet again in the future, but he felt that one day they would definitely meet in the future.

Su Chen looked at Fairy Yunmeng next to him and pulled. As she prepared to enter Ruoqiao, "Let's leave too!"

"Su Chen, you bastard, wait a minute?"

"I'll do it! Why is the little fox here?"

Chapter 746

Su Chen looked at the little fox running over and was very confused.

Shouldn't the little fox leave Shura City at this time?

Why did she come here without leaving?

When Fairy Yunmeng saw the little fox about to arrive, she worriedly said to Su Chen, "Su Chen, why don't we leave quickly? This little fox may have come with bad intentions."

Su Chen hugged Fairy Yunmeng and comforted her. She said, "Don't worry, the little fox is not a bad person. There must be something wrong with her coming this time."

The little fox came to Su Chen and hurriedly caught him.

She was worried that this bastard would suddenly enter the bridge. "Su Chen, do you still have those spirit stones?"

Su Chen was very speechless when he heard the little fox's words.

He thought something would happen to the little fox.

It seems that spirit stones are necessary for cultivation in all worlds. He hopes that they can be used in the future. Get more spiritual stones from the system gift pack

"I'll do it! Little fox, you didn't leave because you wanted the spirit stone for me?"

"if not?"

"Holy shit! I thought you didn't want me to leave. It seems I'm just being sentimental."

"Pooh! I miss you so much! Do you still have those spiritual stones of yours? Those spiritual stones are very useful to me."

Su Chen thought about it and decided to give the little fox some spirit stones. After all, the little fox will live in the same world as Xiao Qing and Sun Liuxuan.

Xiao Qing and Sun Liuxuan will have the little fox to look after them in the future, so they will not be in any danger.

"Here, this is my remaining spirit stone, little fox. From now on, you have to take care of Xiaoqing and Sun Liuxuan. I know you are from the same world." Su Chen took out some spirit stones and handed them to the little fox and said, he will keep three spirit stones this time, and the remaining ten or so will be given to the little fox. If the little fox becomes stronger in the future, this pair of Xiao Qing They are also very beneficial

"No problem, I will take care of them from now on." The little fox looked at the dozen quick spirit stones and smiled and said,

"help me! Help me!"

At this moment, a cry for help suddenly came from the giant vine.

Su Chen turned around and saw that it was the leader of the Niutou Gang. The leader of the Niutou Gang did not expect to appear here, but this time he arrived late.

Su Chen He patted the little fox on the head and asked, "Little fox, Niutou Gang Leader, you didn't kill him?"

"A piece of trash, not worth my while." The little fox opened the bastard Su Chen and patted her head and said disdainfully.

Su Chen saw that the leader of the Niutou Gang was about to turn into a ghost monster, so he shook his head and said,

"Then let's leave, little fox, you can also leave from Ruoqiao"

"Okay, it's the same if you leave from there."

After Su Chen pulled Fairy Yunmeng and Little Fox into the passage, a figure appeared where they were just now.

This person was none other than Spider Woman.

Spider Woman was a little annoyed when she saw Su Chen and Little Fox leaving. , she didn't expect that Su Chen would have spirit stones. If she had known, she would have asked that bastard how many pieces he wanted, so that she could recover from her injuries faster. The spider woman looked at the passage of the Ruo Bridge and said angrily,

"Shameless pervert, even if you have a spirit stone, you don't know how to give it to me. It's even more impossible for me to let you go next time we meet. And if you get mixed up with the little fox, I'm afraid you will continue to have troubles in the future, shameless little bastard. I hope you don't die prematurely"

-

In Tianxuan Continent, the capital of the Ming Dynasty,

Su Chen's body slowly appeared at the place where he disappeared, but he did not find Fairy Yunmeng.

After thinking about it, he felt that if he disappeared from there, he might appear there. Fairy Yunmeng must be in a different place from where he disappeared.

Su Chen looked at the night and didn't know what would happen in the few days after he disappeared. Now he wanted to go to Zhu Qiqi's mansion to ask if anything big had happened in the past few days.

At this moment,

Fairy Yunmeng suddenly arrived quickly from the sky. She breathed a sigh of relief when she saw that Su Chen hadn't left yet.

"Suchen!"

Su Chen was very curious when he saw Fairy Yunmeng arriving. Now that he has returned to Tianxuan Continent, why does Fairy Yunmeng still come to find him?

"Fairy Yunmeng, why are you here?"

After Fairy Yunmeng came to Su Chen, she unexpectedly quickly tapped Su Chen's acupuncture points, and even took out a ribbon to tie her and Su Chen together.

Fairy Yunmeng knew that this bastard could teleport. She didn't want Su Chen to get away from him

"I'll do it! Fairy Yunmeng, what are you doing?" Su Chen was a little confused when Fairy Yunmeng tapped her acupoints and was even tied up. He didn't understand how such a good Fairy Yunmeng would do this.

Fairy Yunmeng touched Su Chen's face and smiled softly and said ,

"Su Chen, I won't let you go. I can't do anything to you in Shura City, but now my strength has been restored. Although your teleportation ability is powerful, as long as I tie you up, you can't escape from me. escaped."

Su Chen was very speechless when he looked at Fairy Yunmeng. It seems that this time he is going to be taught a lesson by Fairy Yunmeng.

He kept harassing Fairy Yunmeng in Shura City, and even secretly had sex with her countless times. Rest in Fairy Yunmeng's bed with her. This time she is really going to die.

"I'll do it! Do you want to take revenge on me for what I did to you in Shura City?"

Fairy Yunmeng hugged Su Chen and left here in a hurry. She didn't want to be found here and Su Chen was here.

"No, Su Chen, I will not retaliate against you, I just don't want you to leave me. My innocence has been ruined by you, and you will be responsible for me in the future."

Su Chen breathed a sigh of relief when he heard Fairy Yunmeng's words.

As long as this female devil doesn't take revenge on herself, it would be fine.

However, this female devil, Fairy Yunmeng, actually fell in love with him. This made Su Chen a little unexpected.

"Mrs. Yunmeng, let me go quickly. I will take responsibility in the future. I have disappeared for so many days and I still don't know what happened. I want to deal with what happened as soon as possible."

Fairy Yunmeng was very happy when she heard Su Chen call her Madam, but now she will not let Su Chen leave. This bastard has many enemies in the Ming Dynasty.

If he appears in the Ming Dynasty now,

I am afraid that not only the Ming Dynasty court will arrest him , and even the crazy woman in the Ghost Palace might try to take action against Su Chen.

Fairy Yunmeng would not let this bastard get hurt.

"That's not okay. You bastard has many enemies in the Ming Dynasty. I don't trust you to appear alone in the Ming Dynasty. You stay with me for a few days first. After I find out what happened after we left, I will Let yours go."

Su Chen felt good after hearing what Fairy Yunmeng said.

He doesn't know anything right now, so it would be better to wait until he understands what happened in the past few days, and then he and Fairy Yunmeng can deal with what happened in the past few days.

Anyway, there is a terrestrial immortal in the heavenly realm beside him, so he doesn't worry about safety in the capital of Ming Dynasty anymore.

"Um! That's okay. Let me go. I won't run away. Would you treat your husband like this?"

"Really not running away?"

"Don't run away!"

Fairy Yunmeng thought about it and let go of Su Chen. Anyway, this shameless pervert will be her husband in the future. It is really not good for her to do this.

Fairy Yunmeng also knows this bastard very well, as long as this bastard agrees. He would never regret anything.

Bang!

Su Chen spanked Fairy Yunmeng after she was let go.

This woman was simply lawless. Even he dared to sneak attack her, so why did he tie her up?

After being hit by Su Chen, Fairy Yunmeng flushed with shame and said, "You shameless pervert, how dare you hit me? Seeing Fairy Yunmeng's embarrassed look, Su

Chen hugged her and hurriedly reminded her, "Damn, be careful. Are you flying in the sky?"

"Shameless pervert!"

【The transition to Shura City is over, let's return to the theme. 】

Chapter 747

Two days ago, in the Southern Continent, in the central capital of the Kingdom of Jin.

After Su Yan ordered the army to start attacking the Jin Kingdom's Zhongdu, catapults continued to bombard the walls of the Jin Kingdom's Zhongdu. This time, Su Yan wanted to solve the Jin Kingdom as soon as possible and then secretly go to Ming Dynasty to find her father Su Chen.

Su Yan stood on the high slope and kept shouting orders, "Blow the Jin Kingdom wall hard until I use up all the boulders.""

"Yes, Princess!"

After Su Yu, commander of the Netherworld Cavalry, heard Su Yan's order, he hurriedly saluted and arranged for the catapult to continue attacking.

Zhen Mi was speechless when she saw Su Yan's angry look.

Su Yan's temper was too Explode!

Although her father was assassinated and disappeared, war can't be taken as a joke!

Besides, the promiscuous Princess Qi was persuading the Emperor of Jin to surrender.

At this time, Su Yan ordered the army to attack, which would make Princess Qi Thinking that Su Yan didn't trust her or even doubted her,

Zhen Mi pulled Su Yan and whispered,

"Su Yan, what you do will make Princess Qi very embarrassed. She is also your father's future wife after all."

"laugh! I don't know whether my father is alive or dead. Even if nothing happens to my father, it is not certain whether Princess Qi can be my father's wife."

"You are just messing around. Madam Jun has issued an edict. Princess Qi is now your father's serious future wife. Do you think this is false?"

Su Yan was very speechless when she heard Zhen Mi's words.

She had forgotten that Princess Qi was named Mrs. Jinhua.

Su Yan looked at Zhen Mi and said awkwardly, "Forget it, the attack has already started anyway. Now There is no point in not attacking. Just think of this attack as putting some pressure on the Kingdom of Jin."

"You!"

Zhen Mi looked at the little girl Su Yan and shook her head.

Su Yan looks like a child now, but Su Yan just now looked like a fierce little lolita.

The city wall of Zhongdu in the Kingdom of Jin was already riddled with holes. Now, the continuous attacks of dozens of huge catapults have made the city wall of Zhongdu of the Jin Kingdom almost collapse. At this moment, in the palace of Zhongdu of the Jin Kingdom,

Princess Qi is telling the Emperor and ministers of the Jin Kingdom about Gusu. The promise of the city, if the Emperor of the Kingdom of Jin does not surrender at this time, I am afraid that after the entire Kingdom of Jin is captured in the future, the Emperor of the Kingdom of Jin and the nobles may all be killed.

Princess Qi Kingdom stood in the palace in a black bird costume In the main hall, her perfect figure was even more graceful and luxurious in this black bird costume, and her exquisite appearance made people not want to look away when they looked at her.

Princess Qi looked at the Emperor of Jin who was still hesitant,

She saluted the Emperor of Jin and said,

"uncle! You should think about it now, but I'm afraid you don't have much time. The little princess can't wait any longer and starts attacking the capital of Jin Kingdom this time. I'm afraid she is impatient to wait."

"How to do this?"

"Yes, do you want to surrender now?"

"If we cannot surrender, our Kingdom of Jin cannot possibly perish!"

"Then will you lead the army to fight the army in Gusu City? The army of Gusu City is stronger than the army of Dayuan. Can our army of the Jin Kingdom defeat the army of Gusu City?"

"this.....this....."

In the main hall of the Jin Kingdom Palace, the ministers here are talking one after another. These ministers are now thinking of surrendering.

After all, the Kingdom of Jin is hopeless, and some of these ministers also want to think about their future.

The Emperor of Jin looked at the faces of these ministers. He also knew what these ministers were thinking. I am afraid that most of these ministers were ready to surrender.

The Emperor of Jin looked at Wanyan Honglie and asked expectantly, "Wanyan Honglie, what do you think? Can our army defeat the Gusu City army?"

Wanyan Honglie shook his head and said to the Emperor of Jin,

"Your Majesty, we can't. Although we still have more than 300,000 troops, our army is no match for the Suzhou army. Moreover, this time it is an elite army brought by the little princess."

Wanyan Honglie was also very helpless.

Their Jin army could not even defeat the Dayuan army, but the army in Gusu City defeated the Dayuan army and even drove the Dayuan army out of the Jin country.

Gusu City The little princess in Gusu City must not be able to withdraw her troops unless Dajin is destroyed. After all, this is the first time the little princess in Gusu City has commanded a war. She will probably not give up until the Jin Kingdom is destroyed.

"well! Surrender! Surrender! I didn't expect that Dajin would die in the hands of a few people, hahaha!"The Emperor of the Kingdom of Jin laughed loudly when he heard Wanyan Honglie's words, but only he knew the desolation in his heart.

The ministers in the palace hall all breathed a sigh of relief when they heard the words of the Emperor of the Kingdom of Jin. Now If they surrender, at least they won't have to wait to die. If the army of Gusu City breaks through Zhongdu, I'm afraid these ministers will be buried with the Jin Kingdom. The ministers here will continue to enjoy the glory and wealth. It is better to destroy the country than to be killed like them. Be strong.

Princess Qi smiled when she heard the words of the Emperor of Jin. This time she has completed what Mrs. Jun Yan ordered.

Now that Jin has surrendered, she believes that Lord Wu Xiang will not neglect her in the future..At this moment, outside Zhongdu City, catapults were still attacking the walls of Zhongdu City. But at this moment, the gate of Zhongdu City suddenly opened, and a man in black rode a horse and rushed towards where Su Yan was..

The secret guard guarding Su Yan saw the people appearing in Zhongdu City and reported to Su Yan,"To inform the princess, a secret guard came out of Zhongdu City."

Su Suyan looked at the secret guard coming over and said with a smile,"Oh! I hope the secret guard can bring good news this time, let him come over!"

"Yes, Princess!"

"See Princess, the Emperor of Jin has ordered the surrender"

"Stop the attack, Su Yu, order Madam Chai to lead 50,000 troops into Zhongdu. We must control all the troops of the Jin Kingdom."

"Yes, Princess!"

Su Yan is very happy now. This time she destroyed a country. Although this country has been crippled by Dayuan, this is the country she destroyed after all.

"who?"

At this moment,

Black Widow, Xiao Meng, and Black and White Siming all looked around nervously. They felt that a powerful person was coming here, but they hadn't found out where this person was yet. An. The guards immediately guarded Su Yan, and the surrounding troops also took out their crossbows to guard the surroundings.

After the shadow assassin Youruo sensed the visitor, she suddenly appeared and saluted beside him, "See Mrs. Shi Guanyin!"

"Is it Aunt Shi?"

Su Yan asked suspiciously when he heard what Shadow Assassin You Ruo said.

A beautiful woman suddenly appeared and said with a smile, "Haha, that's right. You guys discovered me just by showing a little bit of my breath. Su Yan, girl, I didn't expect that. You actually lead the army to fight"

"Auntie, why are you here?" Su Chen asked in surprise when he saw the beautiful woman who appeared.

Shi Guanyin came to Su Yan, touched her head and said with a smile,

"Of course I'm here to protect you. That bastard of your father doesn't know where he is hiding now. Now you are in a very dangerous situation."

Su Yan's eyes lit up when she heard Shi Guanyin's words. She didn't expect that Shi Guanyin would also say that nothing would happen to her father, which made her very happy.

"Auntie, do you also think nothing will happen to my father?"

"Of course, your father is not even easy for me to deal with. How could something happen to him? Girl, don't worry, nothing will happen to your father."

Chapter 748

Shi Guanyin was shocked when she learned that Su Chen was in trouble. If she hadn't known that Su Chen was very powerful, she might have gone to Ming Dynasty to look for Su Chen.

Although she didn't know why Su Chen didn't show up when things happened this time, she felt that that bastard Su Chen must be playing some conspiracy, or that he was enjoying himself with that vixen.

Su Yan was completely relieved when she heard Shi Guanyin's words.

She looked at Shi Guanyin and smiled slyly and said, "I'll be relieved if I have an aunt. Aunt, how about we go to Daming to find my father?"

Shi Guanyin listened. She was shocked when she heard Su Yan's words.

This little girl was also very troublesome. Su Yan, like her bastard father, also made trouble everywhere.

Shi Guanyin finally understood that like father, like daughter. That bastard Su Chen didn't know how to educate Su Yan. I'm afraid this girl will be as restless as Su Chen when she grows up.

Shi Guanyin tapped Su Yan's forehead and said angrily, "Girl Yan, are you crazy? Now that bastard Su Chen has disappeared and is hiding, you are in very danger now. You are not allowed to go to Daming, do you understand?"

"Isn't my aunt protecting me?" Su Yan knows that Shi Guanyin is a powerful terrestrial immortal in the heavenly realm. With Shi Guanyin protecting her, Su Yan believes that nothing will happen to her along the way.

Shi Guanyin was very speechless when he heard Su Yan's words.

This time There is more than one Celestial Realm land deity in the Ming Dynasty capital, but there are two to three Celestial Realm land deities there.

Although Shi Guanyin is powerful, if she is pestered by one or two Celestial Realm land deities, I'm afraid Su Yan has no one who can protect her.

Shi Guanyin rubbed Su Yan's head and said helplessly,

"Girl Yan, Emperor Mingdu is not just a terrestrial immortal in the heaven and human realm. Zhang Sanfeng of the Wudang Sect and Bai Jing of the Ghost Palace are both land gods in the heaven and human realm."

"Although I can kill them, the Ming Dynasty royal family still has a land immortal in the heavenly realm. If they attack together, I won't be able to protect you."

Su Yan smiled mischievously and said to Shi Guanyin,

"Hey, aunt, let's go with the army. Huang Rong has set off with the 60-strong army of the Southern Legion. We can go there with Huang Rong's army."

Shi Guanyin still shook her head and refused.

She would not let Su Yan risk going to the Ming Dynasty. The situation in the Ming Dynasty is unknown now, and Su Yan is Su Chen's only heir. I'm afraid there are many people trying to attract her attention, and

Shi Guanyin doesn't want to Let Su Yan be hurt a little bit,

"No, it's too dangerous. I don't dare to take you to Daming. Otherwise, if your mother and Concubine Yan find out, I'm afraid my life will be difficult in the future."

"Really can not?"

"It really doesn't work."

The black and white Siming, Xiao Meng, and Black Widow next to them looked at Shi Guanyin very curiously. Shi Guanyin was a terrestrial immortal in the heavenly realm, and she was also a very beautiful woman.

That bastard Su Chen didn't know what happened. To deceive such a powerful and beautiful woman

"Su Yu, the whole army is marching into Zhongdu. I want to go to the Jin Kingdom Palace to see how it is. Is it as beautiful as the Xuanniao Palace in our Gusu City?"

"Yes, Princess!"

In the Imperial Palace of the Kingdom of Jin, the Emperor of the Kingdom of Jin and a group of ministers stood neatly in the square of the palace waiting for Su Yan's arrival. Soldiers and secret guards of the Netherworld Cavalry were everywhere here on guard.

At this moment, a secret figure Wei suddenly shouted in the square,

"The princess has arrived!"

"The king of the Jin Kingdom's subjugation, see Princess!"

"See the princess!"

The Emperor of Jin and his ministers knelt down and saluted the little princess Su Yan who arrived.

Su Chen looked at the very fat Emperor of Jin and threatened,

"Get up, everyone! Emperor of the Kingdom of Jin, you will live in Gusu City from now on. As long as you don't do those unnecessary things, I can guarantee your safety. If I find you doing any little things, then your life will be over."

The Emperor of Jin State was frightened and said hurriedly when he heard Su Yan's words,

"Princess, don't worry, I know how much I have, and I will not do anything that would displease the princess in the future."

Ever since the Emperor of Jin saw the troops in Gusu City here, he no longer dared to think about the restoration of the country. The murderous aura emanating from the bodies of these troops made him very scared. He didn't think about anything about the restoration of the country now. OK

"That's good! Su Yu, arrange a team of ten thousand people to bring the Emperor of Jin and these ministers back to Suzhou"

"Yes, Princess!"

Su Yan looked at Wanyan Honglie who was left behind by her and ordered,

"Wanyan Honglie, now you cooperate with Mrs. Chai to select one hundred thousand elite cavalry from the Jin Kingdom's army. Remember, I want to be your Jin Kingdom's most elite cavalry, not those soft-footed shrimps."

"Yes, Princess!"

Wanyan Honglie is very happy now.

He didn't expect that the little princess would use him as a subordinate. This is his opportunity.

If he can prove his ability with the little princess, maybe he will become the little princess in the future. A legion commander in the legion.

At this moment,

Su Yan looked at Princess Qi next to him and felt a little embarrassed.

After all, she had forgotten the identity of Princess Qi just now, but she didn't care much about Princess Qi's identity now.

Su Yan Yan's father has many women, and she doesn't know if this Princess Qi can get along with her in the future.

"Princess Qi, you did a good job this time. Although you will be my father's wife in the future, you are not yet after all. I will report this matter to my aunt."

"Thank you, Princess!"

Princess Qi looked at Su Yan and smiled.

She knew the status of Princess Su Yan in Gusu City. Princess Su Yan was the only heir to Lord Wu Xiang.

And the ladies in Gusu City , but they all like this little princess very much, and even Wu Xiangjun's aunt loves her very much.

This little princess is loved by thousands of people in Xuannio Palace, but she will not leave Su Yan with nothing. A good impression.

A Netherworld Cavalry soldier ran over and saluted Su Yan,

"To inform the princess, the Emei sect's Mijie Shitai brought an old man to see the princess."

Su Yan was sizing up the Jin Kingdom Palace, but she didn't expect that the old nun from the Emei sect would come over.

Does Master Jue still plan to accept her as a disciple?

The Emei sect doesn't have any martial arts to teach itself.

Su Yan's aunts are not gods. The land gods in the human realm are the great masters. Do you still need to become a master?

"Bring the exterminator too!"

"Yes, Princess!"

"Auntie, can we really not go to the Ming Dynasty Capital?" Su Yan looked at Shi Guanyin and asked with a smile.

She is now free again.

In the army, there is Mrs. Chai, who was sent by his father to help her, and the commander of his own army.

Su Yan doesn't have to worry about things in the army. , now she just wants to go to Ming Dynasty to find her father

"no!"

"Auntie, what should I do if I really want to go?"

"It doesn't work anyway, hey! Girl, a terrestrial god from the heavenly realm has arrived, and you will be standing next to me in a while."

Chapter 749

Outside the Jin Kingdom's palace,

Miejie Shitai and Zhang Sanfeng did not expect that Wu Xiangjun's daughter Su Yan had destroyed the Jin Kingdom. They were very shocked when they saw that the emperor and ministers of the Jin Kingdom had just been taken away by the army.

Miejie Shitai and Zhang Sanfeng rushed from Ming Dynasty to Gusu City non-stop. However, before they reached Gusu City, they heard that the little princess was leading an army to attack the Kingdom of Jin, so they hurried to the Kingdom of Jin.

Zhang Sanfeng looked at the black-armored troops patrolling here and said seriously, "Master Jue, Lord Wu Xiang and these armies are indeed powerful. They can't compare with the armies of the Ming Dynasty."

Master Jue nodded to Zhang Sanfeng and said ,

"Um! These are the Netherworld Cavalry Legion, which is a heavy cavalry and conventional cavalry legion. Wu Xiangjun also has a Xuanwu Legion, which is an army of heavy infantry and regular infantry. These armies are very powerful."

"In particular, their military formations and crossbows are very powerful, otherwise the Jin Kingdom's more than 300,000 troops would not have surrendered without a fight in just a few days."

Zhang Sanfeng was very speechless when he thought about the news he heard on the way here.

The more than 300,000 troops of the Jin Kingdom surrendered without fighting. This surprised Zhang Sanfeng.

When he was traveling around, the Jin Kingdom had conquered the Song Dynasty. The army was defeated and defeated.

He did not expect that an army of more than 300,000 people would surrender without a fight against an army of less than 100,000 people from Gusu City. Zhang Sanfeng looked at the soldiers on guard here and said helplessly, "I don't know much about these things. However, these armies are very powerful. The Jin Kingdom's more than 300,000 troops actually surrendered without a fight. This shows that the Jin Kingdom's more than 300,000 troops are not sure of defeating the army of the little princess."

"Master, our princess invites you to come in."

"Thanks!"

When Master Mijie and Zhang Sanfeng arrived at the palace, they saw many beautiful women in the main hall of the Kingdom of Jin. Su Yan was sitting on the throne in the hall and looked at them.

Su Yan looked at Zhang Sanfeng and said to Mijie Master Tai smiled and said,

"Master Mijie, why are you here this time?"

Master Jue was very surprised when she looked at beautiful women such as Xiaomeng and Black Widow.

She did not expect that there would be so many masters around Su Yan. These beautiful women were all stronger than her, and Zhang Sanfeng was very shocked when he looked at Shi Guanyin sitting next to Su Yan.

He couldn't see through this woman's strength at all. He even felt that this woman seemed to blend in with the environment here.

This made him very shocked when he looked at Shi Guanyin. vigilance

"Princess, this time I want to come to you to intercede for someone." Master Jue said to Su Yan helplessly that this matter would have to be discussed sooner or later.

Master Jue hoped that Su Yan could forgive Zhang Sanfeng for what he did to her father for the sake of their past friendship.

"plead? to whom?"

Su Yan looked at Master Mijie with some doubts.

She thought that Master Mijie knew some people from the Jin Kingdom, right?

This time the Jin Kingdom was destroyed, did Master Mijie come here to intercede for her friends?

"Wu-Dang Clan Zhang Sanfeng!" Master Jue pointed at Zhang Sanfeng and said directly to Su Yan.

Su Yan turned red with anger when she heard what Master Jue said.

She didn't expect that Zhang Sanfeng of the Wudang Sect would dare to come to her place. His father was a member of the Wudang Sect.

Su Yan would not forgive Zhang Sanfeng of the Wudang Clan and Bai Jing of the Ghost Palace for causing their disappearance.

Everyone who looked at Zhang Sanfeng hurriedly said to Shi Guanyin, "Auntie, catch this old man."

Black Widow, Xiao Meng, and Black and White Siming immediately came to Su Yan, and the surrounding secret guards also took out their crossbows and pointed them at Zhang Sanfeng.

Boom!

After Shi Guanyin heard Su Yan's words, she burst out with a powerful The aura and pressure enveloped Zhang Sanfeng.

She had discovered this veteran of the Heavenly Realm early on, but she did not expect that this veteran was Zhang Sanfeng of the Wudang Sect who caused her husband to disappear.

Shi Guanyin looked at Zhang Sanfeng and wanted to kill him with one palm. She didn't pay attention to the land gods in the middle stage of the Celestial Realm.

Master Mijie didn't expect that there would be a land god in the Celestial Realm here. She was very shocked when she looked at Shi Guanyin. It seemed that Su Yan was the He was protected from all sides.

Seeing that Shi Guanyin suppressed Zhang Sanfeng and was unable to move, Master Mijie hurriedly said to Su Yan,

"Wait, Su Yan, for my sake please let Zhang Sanfeng and Zhang Zhenren go. This time he also had a conflict with your father out of nowhere. Zhang Zhenren has always been a person who will not take the initiative to cause trouble, and this time He came here to make amends."

Su Yan stood up and said expressionlessly,

"Impossible, if you attack my father, you will die! Master

Miejie hurriedly moved around to stop him and said,"Su Yan, I can guarantee that the Wudang Sect will not be an enemy of Gusu City in the future, and he can also make up for it this time. Su Yan, what do you want from the manager?".

Su Yan was a little hesitant when he heard Master Jue's words.

Zhang Sanfeng is a well-known chivalrous man. If he doesn't come here to admit his mistake this time, then he can kill him without mercy.

But now he obviously If he is here to die, then he wants to kill him, right?

Su Yan touched her chin and thought for a moment and said,"Zhang Sanfeng, as long as you can capture Bai Jing in the Ghost Palace or kill her, I can kill you Wudang Let the net be open, but the damned people will still die. That Song Qingshu will die no matter what, do you agree? Zhang

Sanfeng said with difficulty with sweat on his forehead,"Old Taoist, I agree, but can I exchange the old Taoist's life for Song Qingshu's?""

"oh? Can!"

Su Yan agreed without thinking.

Zhang Sanfeng is a land god. She can use him to take the lead. If he can catch and kill Bai Jing in the Ghost Palace, that will save her aunts from having to take action.

As for Zhang Sanfeng Just look at his great performance this time.

Su Yan looked at Zhang Sanfeng and nodded to Shi Guanyin.

Shi Guanyin saw that this girl Su Yan didn't let her kill Zhang Sanfeng, which made her very strange. This girl doesn't know now What are you going to do next?

Su Yan grinned and ordered loudly,"Su Yu, order Madam Chai to lead the 50,000 Netherworld Cavalry Legion to stay in Zhongdu. You lead the 30,000 Netherworld Cavalry Legion and the 100,000 Jin Kingdom Cavalry now. Gather outside the city"

"Yes, Princess!"

Shi Guanyin came to Su Yan and asked doubtfully, "Girl, what are you going to do?"

"Auntie, you will know in a moment. Black and White Commander, you stay to protect Mrs. Chai's safety."

"Yes, Princess!"

"Let's go outside the city!"

Su Yan smiled and jumped outside.

Now she has thought of a way to go to the Ming Dynasty.

With Zhang Sanfeng to deal with Bai Jing from the Ghost Palace, the Ming Dynasty will only have one land immortal in the heavenly realm.

This time Shi Guanyin shouldn't stop her from going to Ming Dynasty, right?

Xiaomeng and Black Widow were very confused when they looked at Su Yan.

This weird girl is even more elusive than her father. This time, this girl doesn't know what she's going to do. What, the people here hurriedly followed Su Yan out after Su Yan went out. Now Su Yan can't be without someone to protect her. Outside Zhongdu City

,

Su Yan's 30,000 Netherworld Cavalry Legion and 100,000 Jin Kingdom Cavalry lined up neatly. Inside and outside the city

"Su Yu, the commander of the first Netherworld Cavalry Legion of the Black Bird Legion, comes to see the princess!"

"See the princess!"

"Wanyan Honglie led the Jin cavalry to see the princess,"

"See the princess!"

Su Yan looked at these troops on horseback and nodded.

There is nothing to say about the Netherworld Cavalry Legion. They are all very elite troops. The army selected by Jin Guo Wanyan Honglie looks good now, but I don't know how it will perform on the battlefield..

Su Yan rode his horse to the Jin army and said loudly,

"Soldiers of the Kingdom of Jin, you should know who I am. From today on, the Kingdom of Jin has been destroyed. You will belong to my army from now on, but this is only temporary. The troops recruited by my army are all elite. If your performance If you dissatisfy me, you will be laid off. There will be no soft-footed shrimps in my army."

Su Yan looked at these Jin troops and asked loudly,

"Can you enforce the prohibition?"

"able! able! able!"

One hundred thousand soldiers of the Jin Army replied loudly and neatly.

Su Yan rode his horse back and forth, looked at these troops, and continued to say loudly,

"If I tell you to charge, you have to charge, even if you die, can you do it?"

"able! able! able!"

"Remember what you all said, you are now the second temporary legion of the Black Bird Legion, the Falcon Legion, and the commander of the legion is Wanyan Honglie."

"Yes, Princess!"

"Fighting for the princess, it is not a pity to die!"

"Fighting for the princess, it is not a pity to die!"

"Fighting for the princess, it is not a pity to die!"

Chapter 750

Wanyan Honglie of the Jin Kingdom and the 100,000 Jin Kingdom troops are very excited now. They all know who the little princess is. This little princess will be the first heir to Lord Wu Xiang in the future.

If Lord Wu Xiang establishes the country in the future, the little princess will be the eldest princess and the heir apparent, and will also be the queen of the empire in the future. If they become the direct legion of the little princess, I am afraid they will soar into the sky in the future.

Moreover, the military treatment in Gusu City is very good.

One month's military salary is more than what they receive for half a year. Even the luxury accessories in Gusu City will be distributed to the army during the war. Not to mention the rewards after meritorious deeds.

Su Yan looked at the mighty Jin Kingdom army and nodded.

If these armies were still like this on the battlefield, then she wouldn't mind accepting this temporary Falcon Legion as the official second legion of the Black Bird Legion.

Su Yan looked at The two commanders of the Black Bird Legion ordered,

"Su Yu, Wanyan Honglie, led the army to set out for Xixia, oh no, it was Liangzhou Daxing Prefecture, weChange equipment and receive supplies in Daxing Mansion."

Su Yan suddenly thought that there is no Xixia Kingdom.

Now Xixia is just a state of Gusu City, Liangzhou.

Huang Rong's Southern Army set out from Liangzhou to attack the Ming Dynasty.

Su Yan's Black Bird Army were all cavalry. Her Black Bird Army If the Bird Legion works faster, they can catch up with Huang Rong before Huang Rong's Southern Legion reaches the border of the Ming Dynasty.

"Yes, Princess!"

When Su Yu and Wanyan Honglie heard Su Yan's order, they hurriedly organized their troops and prepared to set off.

"We got into the carriage and set off."Su Yan returned to Shi Guanyin and said to them.

Shi Guanyin, Black Widow, Xiaomeng, Zhen Mi, and Master Jue are confused now. They don't understand what Su Yan is going to do.

But they all Feeling that Su Yan must have acted without orders this time, they were very worried about what Su Yan would do again.

Shi Guanyin hurriedly grabbed Su Yan who was about to get into the carriage and asked,"No, Su Yan, what are you going to do?" What?"

"Go to Liangzhou!"

Su Yan said seriously,

"What to do in Liangzhou?"Zhen Mi looked at Su Yan very seriously.

This little girl has done trouble not once or twice.

Ever since she met this little girl, this little girl has never been normal. I'm afraid she will do something secretly this time..Su

Yan looked at Zhen Mi and smiled and said,

"What do you think?"

Zhen Mi said angrily when she heard Su Chen's words,"I'm talking nonsense! Are you, a little girl, going to send troops privately again?"

"Maybe!"

Su Yan can't tell the truth now.

She can only muddle through and go to Liangzhou. Anyway, after arriving in Liangzhou, even her mother and aunt can't control her.

Zhen Mi is really afraid of Su Yan now. , this little girl is becoming more and more lawless. She is afraid that one day something will happen to this little girl, and she may be implicated by this little girl, and I am afraid that Wu Xiangjun will not let her go.

"I won't go, I want to go back to Gusu City. I want to go back to Gusu City and leave the Southern Continent with my father."Zhen Mi turned around and was about to leave. There is no way she would go crazy with this little girl this time.

"You Ruo!"

When Su Yan saw Zhen Mi was about to leave on horseback, she smiled maliciously and shouted. The shadow assassin Youruo suddenly appeared next to Su Yan and saluted,

"Princess!"

Su Yan pointed at Zhen Mi and smiled and said, "Catch Zhen Mi into the carriage. If she dares to make trouble, I will tap her acupuncture points."

"Yes, Princess!"

Zhen Mi was stopped by Youruo when she was caught and said angrily to Su Yan, "Hey! Su Yan, what are you doing? There is no way I can go with you this time."

Su Yan smiled and walked towards the carriage and said,

"That's not okay, you are my talisman. If I find my father and he beats me, I will hand you over. You are so beautiful, maybe my father will forget to beat me as soon as he sees you."

Su Yan knows that her father likes beautiful women very much. This time she went to Daming secretly. If her father knew about it, he would definitely not spare her.

But with Zhen Mi, it will be different. I think her father will be very happy with this amulet. I like it.

Shi Guanyin has a dark face now and wants to teach this bastard girl Su Yan a lesson. She didn't expect that Su Yan would find a woman for that bastard Su Chen at such a young age.

This made Shi Guanyin suspect that this was Su Chen's request. Su Yan did it. That shameless pervert can do anything.

Black Widow and Xiaomeng looked at Su Yan now and were shocked and unbelievable. I'm afraid this is really their biological daughter. Even his father's personality and hobbies are known. It was clear that he had even prepared a way to deal with his father. When they looked at Su Yan, they were very speechless.

Is this just okay? Why did Su Yan do this at such a young age?

Did someone teach her?

Master Miejie and Zhang Sanfeng next to him were stunned and stunned. How could the little princess who looked so majestic in front of the army suddenly change into a different person?

Today, they saw the unknown side of Su Yan. This little princess was so smart.

Whether it was her calm command of the army at such a young age, or her cunningness in leading a scapegoat to deal with his father.

This made both Master Miejie and Zhang Sanfeng look at Su Yan and feel incredible.

"Everyone get in the car, the army is about to set off!"

Su Yan shouted hurriedly when she saw these people.

She didn't want these people to continue to be surprised.

If they didn't dare to leave quickly, I'm afraid the secret guards and shadow assassins here would tell her mother and aunt about what happened here. There.

I'm afraid I won't be able to leave by then.

Shitou Guanyin looked at Su Yan and shook his head before getting into the carriage. Anyway, what happened here tonight will be known to Jing salamander and Concubine Yan. She is not afraid that Su Yan can learn from her.

The black widow and the calm-looking Xiaomeng also got on the carriage one after another.

Master Jue looked at Zhang Sanfeng and got on. Zhang Sanfeng should just ride the horse himself. After all, there were women in the carriage.

"Woouoooooooo!"

Zhen Mi was in the carriage. The shadow assassin You Ruo tapped her acupuncture points and stared at Su Yan.

She hated this little girl now, but she also knew that it was impossible to escape from Su Yan.

Su Yan patted her Zhen Mi put her shoulders back and said with a smile, "I do it for you."

"Hahaha! Sister Zhen Mi, don't look at me like this. I am doing this for your own good. You are so beautiful. If you go to Gusu City alone, you may encounter flower pickers on the way."

Zhen Mi turned around and didn't want to look at this hateful little girl.

She was really helpless with this little girl now. I'm afraid her father wouldn't be able to pick her up even if he came.

No!

Her father probably wanted her to stay with Su Yan.

"Come, tell me the order for the army to set off towards Daxing Prefecture in Liangzhou!"

"It's the princess!"

Liangzhou, Daxing Prefecture.

After Huang Rong's Southern Army was replenished here, it marched non-stop towards the Western Continent. The march of 600,000 troops was very shocking.

After the huge Southern Army appeared in the Western Regions, the small countries in the Western Regions here were very... They were so nervous that the small countries in the Western Region were afraid that this huge army would attack them.

In a carriage,

Huang Rong was checking the secret message from Gusu City.

The secret guard outside the carriage suddenly reported," Commander, a secret message came from the advance guard. The countries in the Western Regions have assembled 200,000 troops to ambush our army in Mingyue Canyon."

"Overestimating our capabilities, we ordered the 7th, 8th, and 11th cavalry regiments to attack and destroy the Western Region Allied Forces. You secret guards provide information to the cavalry regiments. We cannot delay on the road for too long."

"Yes, Commander!"
