### Chapter 761

When Sikong Zhaixing heard Fu Hongxue's words, he hurriedly shrank his neck. He had seen Fu Hongxue's mother beat Fu Hongxue several times.

Sikong Zhaixing was very suspicious that Fu Hongxue was not his mother's biological son, otherwise why would his biological son be beaten so badly by his mother.

Lu Xiaofeng poured Fu Hongxue a glass of wine and said seriously,

"Fu Hongxue, the stakes are very high this time. I'm afraid something may go wrong in tonight's competition. My intuition has never failed me. I hope you can persuade your mother to help us."

"You are trying to kill me!"Fu Hongxue was very embarrassed when he heard Lu Xiaofeng's words.

He also knew that what happened tonight was of great importance, but his mother didn't care about these things at all.

It was just not Wu Xiangjun's matter. I'm afraid her mother wouldn't be able to help Ximen. Chui Xue, Ye Gucheng and the others.

At this time, after Zhu Qiqi and Zhou Zhiruo arrived,

Zhu Qiqi looked at Fu Hongxue, who had a bruised nose and swollen face, and asked,

"What life do you want? Lu

Xiaofeng looked at Zhu Qiqi and Zhou Zhiruo and asked them to sit down."We hope that Fu Hongxue's mother will help us in tonight's competition.""

Zhu Qiqi thought it was something, but she knew that Fu Hongxue's mother had been waiting for news about that bastard Su Chen in her house for more than ten days, and Fu Hongxue's mother, like her, was very concerned about that bastard Su Chen. Sometimes,

Zhu Qiqi is very suspicious that Fu Hongxue's mother Hua Baifeng has a special relationship with that bastard. Otherwise, why would Fu Hongxue's mother care so much about Su Chen?

Zhu Qiqi looked at Fu Hongxue and felt that if that bastard had If he is not dead, I am afraid that Fu Hongxue's beautiful mother will also be taken down by that bastard. Then doesn't Fu Hongxue have a father who is the same age as him for no reason?

Zhu Qiqi looked at Fu Hongxue strangely and said, "This is not simple. , Fu Hongxue, as long as you tell your mother that Ximen Chuixue is Wu Xiangjun's sworn brother, I believe your mother will definitely help you."

"Yes, why didn't I think of this?" Fu Hongxue suddenly understood after hearing Zhu Qiqi's words.

His mother was very concerned about Wu Xiangjun's affairs. This time Wu Xiangjun's sworn brother was in trouble. He believed that her mother would definitely help after knowing about it.

Ximen Chuixue listened. Zhu Qiqi was speechless for a while.

But he could also see that Fu Hongxue's mother had a special relationship with that bastard Wu Xiangjun. Although the proposal Zhu Qiqi made this time was very good, it was just that he looked at the stupid one. Fu Hongxue felt a little sorry for him, because Fu Hongxue might have to call him uncle in the future.

Ximen Chuixue's always cold face was now twitching.

He was very sympathetic to Fu Hongxue now. If he calls Su Chen his father in the future, Ximen Chuixue would be in that scene I dare not think about it.

At this moment, a woman in black night clothes suddenly appeared here, and after she appeared, she saluted Ximen Chuixue,

"Shadow Assassin Yeyue, meet the Marquis"

"what's the matter?"

Ximen Chuixue's mouth twitched when he heard the Shadow Assassin's words.

He didn't expect that bastard Su Chen to actually knight him, and he was also a marquis.

This reminded him of what the bastard said when he was drinking with that bastard in Sui Dynasty. If so, it seems that his Sword God Marquis has settled down.

"Lord Marquis, Madam Jun has a secret message for you."The shadow assassin Yeyue handed the secret message to Ximen Chuixue and then disappeared.

Everyone here looked at Ximen Chuixue in shock.

They did not expect that Ximen Chuixue turned out to be a marquis in Gusu City. Apart from Junjue, and the highest title of king.

Wu Xiangjun is now a monarch, and the highest he can be is a marquis.

If Wu Xiangjun becomes emperor in the future, then Ximen Chuixue, who is Wu Xiangjun's sworn brother, will be a king. Have you become a noble?

And he is also a very, very powerful imperial prince. Ximen Chuixue has reached the sky in one step.

Sikong Zhaixing looked at Ximen Chuixue and said with some envy,

"Holy shit! Ximen Chuixue, I don't think anything will happen to you this time without Fu Hongxue's mother protecting you. You have more than a million troops behind you to support you. I don't think the Ming Emperor dares to touch you now."

"You are wrong, it is almost two million troops."

Ximen Chuixue destroyed the secret letter after reading it.

He didn't expect that little girl Su Yan would come to Ming Dynasty, and she would bring her army with her.

Now Su Yan and Princess Zhao Min of Ming Dynasty are joining forces. , that is an army of almost 700,000, and the Ming Dynasty is really going to be in trouble this time.

Sikong Zhaixing looked at Ximen Chuixue and asked in confusion,

"What's the meaning? Ximen Chuixue, didn't Madam Jun just send two combat legions with a total of 1.2 million troops?"

Ximen Chuixue is very uneasy right now.

Su Yan, like his father, likes to cause trouble everywhere. If Su Yan comes to Ming Dynasty, Ming Dynasty will be in trouble.

He will definitely not be able to do it alone now. Although Su Yan is protected by experts, Ximen Chuixue still wants to protect Su Yan. After all, that girl is very suitable for her and him. Moreover, I also passed on the Piaoxue sword technique passed down from my family to you, Su Yan. Now I don't know how well any of the girls are practicing.

Ximen Chuixue looked at Lu Xiaofeng, Ye Gucheng, Sikong picking stars, flowers all over the building, Fu Hongxue and others decided to drag them into the water.

With great masters like them protecting Su Yan, plus The experts around Su Yan are protecting him so that nothing will happen to Su Yan even if he comes to the capital of the Ming Dynasty.

Ximen Chuixue thought about this and said to Sikong Zhaixing and the others,

"Yes, but that girl Su Yan has also arrived with her army, and she has joined forces with the army of Princess Zhao Min of the Great Yuan Dynasty. Now there are almost 700,000 troops assembled on the northwest border of the Ming Dynasty."

"Damn it, is Mrs. Jun really going to destroy the Ming Empire? By the way, we are all from Ming Dynasty. If the war starts, which side will we help?"

The people here were stunned when they heard Sikong Zhaixing's words, yes!

They are all from the Ming Empire. Now that Lord Wu Xiang's wife has launched a war against the Ming Dynasty, what are they going to do?

On one side is Their country, on the other hand, is their best friend.

They are all very confused this time.

Ximen Chuixue doesn't care what these people think, the war is not decided by a few people in the world, and He also believed that Lu Xiaofeng and the others would not be enemies of Wu Xiangjun's army.

Ximen Chuixue waved to Lu Xiaofeng and the others and said, "Put those things aside for now. There is still a big trouble here."

"What big trouble?"

Ye Gucheng spoke for the first time today.

Now that he looks at Ximen Chuixue, he will no longer underestimate him.

Originally, they knew each other through Lu Xiaofeng, and their relationship was also good, but Ye Gucheng has never regarded Ximen Chuixue as his Opponent, but this time he won't. Although he is the lord of a city, Ximen Chuixue is now a marquis, and may even be a king in the future.

Compared with Ximen Chuixue, he is in the sky and on the earth.

Look at Ximen Chuixue. He slowly said to everyone, "Girl Su Yan will arrive at the capital of the Ming Dynasty in the evening."

"Holy shit!"

"How can this be?"

"Why did Su Yatou arrive? What is Mrs. Jun going to do?"

Chapter 762

Lu Xiaofeng and Sikong Zhaixing were shocked when they heard Ximen Chuixue's words. They did not expect that the young princess Su Yan would come to the Ming Dynasty Capital at this time, which was beyond their imagination.

Zhou Zhiruo was surprised when she heard Ximen Chuixue's words and said, "I didn't expect Su Yan to come. I'm afraid I'm really in big trouble this time."

Zhu Qiqi looked at these people with ghostly expressions and asked in confusion. ,

"how? Why do you all look like this when that bastard's daughter arrives? Even Emperor Ming is very dangerous, but it's okay if Su Chen's daughter doesn't reveal her identity. Zhou

Zhiruo looked at Zhu Qiqi and said helplessly,

"Qiqi, you know that bastard Su Chen is enough to cause trouble, but that bastard's daughter is better than her master. Su Yan's ability to cause trouble is as good as Su Chen's."

Zhou Zhiruo also didn't understand why Su Yan came to the capital of the Ming Dynasty at this time.

It is very dangerous here. Even if the Ming court knows Su Yan's identity, they may immediately seize Su Yan and threaten Mrs. Jun to withdraw.

She doesn't understand now. Why would Mrs. Jun agree to Su Yan coming to Daming? Is it because of that bastard Su Chen?

But this is impossible?

If it were for that bastard Su Chen,

Mrs. Jun would not be able to send Su Yan here. The people in Gusu City Any one of those women would be better than Su Yan!

"ah!"

Zhu Qiqi was stunned when she heard Zhou Zhiruo's words.

She didn't expect that the bastard Su Chen's daughter was also a restless person. So will Su Yan continue to cause trouble in the Ming Dynasty when he comes this time?

Zhu Qiqi thought of Su Chen Because of Chen's ability to cause trouble, she was very worried about whether Su Yan would cause any big trouble again after his arrival.

Lu Xiaofeng and the others also looked aggrieved now.

They now hated that bastard Su Chen. What happened has caused an unparalleled war, and now his daughter is coming again.

Now that Mrs. Jun has informed Ximen Chuixue, will these friends of Mr. Wu Xiang not help the little princess if they know about it?

This is probably impossible, after all. They have a good relationship with Wu Xiangjun. If the little princess Su Yan is in danger, they will not stand idly by.

Fu Hongxue stood up and drank the wine in the glass in one gulp and said,

"Everyone, I want to tell my mother about this. My mother will definitely go tonight."

Fu Hongxue wants to immediately tell Hua Baifeng about the arrival of Su Chen's daughter in the evening. This time the little princess arrives, Fu Hongxue believes that her mother will definitely protect the little princess Su Yan personally. The others nodded silently, and now they It is impossible to prevent the arrival of the little princess, and they can only try their best to protect the

little princess Su Yan after her arrival. In a room in an inn in the capital of the Ming Dynasty, Dai Qisi, Xiao Zhao, Ah Zhu and the others Now they are sitting together in silence. They have been looking for Su Chen in the Ming Dynasty for more than ten days, but there is no news about that bastard, which makes them all suspect that Su Chen is dead. Moreover, Su Chen's identity also makes them They were surprised that they all knew the name of Lord Wu Xiang of the Southern Continent, and they did not expect that the bastard they knew was actually Lord Wu Xiang. Now Lord Wu Xiang's wife has launched a war against the Ming Dynasty, and more than one million troops are going to fight. Started to attack the Ming Dynasty. This made Dai Qisi and the others feel terrible just thinking about it. Dai Qisi looked at Xiao Zhao and Ah Zhu and smiled and said,

"Don't think so much. I didn't expect that bastard to be Wu Xiangjun. Although there is no news about that bastard these days, nothing will happen to him. I think he will appear in tonight's competition at the top of the Forbidden City. Then we can meet that bastard."

Xiao Zhao and Ah Zhu nodded when they heard Dai Qisi's words.

Now they can only wait for the competition at the top of the Forbidden City in the evening, hoping that Su Chen will appear. Although the chance of Su Chen appearing is low, they are now We can only pray that that bastard will show up.

In a ruined temple,

Shen Lang is hiding here like a beggar.

Now the Ming Dynasty is trying its best to capture him.

His injuries have finally improved, but today they are chasing him. The person made his injury serious again.

Shen Lang covered his bleeding arm and said viciously,

"Damn bastard, damn Wu Xiangjun, I must avenge this, and Bai Feifei, I didn't expect that she is the current owner of the Ghost Palace, and now Dongchang actually thinks that he knows the location of the Ghost Palace and is chasing him, but I know shit, but this time I really suffered a disaster."

At the same time, in an ordinary courtyard not far from the ruined temple, everyone in the Ming Cult was sitting together with heavy hearts. They all knew that the man in the restaurant was Wu Xiangjun.

They did not expect it. The bastard in the restaurant turned out to be Mr. Wu Xiang. Their Mingjiao was in big trouble this time.

Originally, the Mingjiao had many enemies. The six major sects of the Ming Dynasty were all enemies of their Mingjiao. The Yuan Empire also wanted to destroy their Mingjiao..

Now that their Mingjiao conflict has happened with Wu Xiangjun again, the Mingjiao life may be really difficult in the future.

Yang Xiao looked at the gloomy Zhang Wuji next to him and sighed and said,

"Leader, we can't save the people of the Wudang Sect at all. The important place of Tianlao is guarded by the Imperial Guards and the Forbidden Army. It is impossible for us to save the Wudang Sect's people in the Tianlao."

"yes! Even if all of us go to Jie Tian Prison, we will probably die in vain."

"We should not worry about the Wudang sect. The top priority now is to return to the Mingjiao Guangmingding. This time our Mingjiao has offended Mr. Wu Xiang. I am afraid that Mr. Wu Xiang's wives and confidantes will not let us go."

"The Ming Dynasty's Yihua Palace may take action against our Mingjiao. If the two palace masters of the Yihua Palace take action against our Mingjiao, we, the Mingjiao, will not be able to stop it no matter what."

"Leader, we should unite with the Dongfang Invincible of the Sun Moon God Sect. After all, the Sun Moon God Sect and our Mingjiao have a close relationship. It is impossible for the Dongfang Invincible to see our Mingjiao destroyed."

"We don't know how strong Dongfang Bubai is now, but she is definitely very powerful. It's just that she has been at Blackwood Cliff and has never come down from the mountain. We don't know if she will help our Ming Cult this time."

Everyone in the Mingjiao is talking worriedly now. They can't see the future of the Mingjiao now. The enemy they face this time is really powerful.

Zhang Wuji looked at these people in the Mingjiao and felt very helpless.

He also knew that with these It is simply impossible for people to save the people of the Wudang Sect. Now the Mingjiao cannot save itself. Those women of Wu Xiangjun will definitely not let the Mingjiao go.

Zhang Wuji can only save the Mingjiao first and then find a way to save the people of the Wudang Sect." Let's take a look at tonight's competition at the Forbidden City. The Wudang Clan can't save us and we'll find a way later. After the competition at the Forbidden City, we'll go to the Sun Moon God Sect."

"Yes, leader."

In the evening, the Forbidden City in the imperial capital of the Ming Dynasty!

This place is already guarded by 50,000 forbidden troops and thousands of imperial guards. Masters from the special institutions of the Ming Dynasty such as Hulong Villa, Shenhou Mansion, Dongchang, and Xichang are also dispatched. These Masters are always prepared for what is about to happen in the Forbidden City.

Some well-known sects and some powerful masters in the world, The time has come one after another, and these people will not miss the martial arts competition on the top of the Forbidden City tonight on a full moon night.

Chapter 763

Ming Dynasty, Forbidden City. In the Forbidden City in the evening,

Su Chen and Fairy Yunmeng have arrived at the Forbidden City with more than a dozen of their men. Now Su Chen looks like a middle-aged man. This is a disguise master under Fairy Yunmeng. He is disguised.

Su Chen held Fairy Yunmeng and sat on the viewing platform. Behind him were more than a dozen female guards of the Grand Master. These were the subordinates Fairy Yunmeng had trained for decades.

Su Chen was very surprised when he saw hundreds of Jianghu people arriving around him one after another.

Now the Ming court no longer allowed the Jianghu people to come in casually without the need for yellow satin.

It seemed that the Ming court didn't care about these Jianghu people at all this time. arrival.

Could it be that a terrestrial immortal from the heavenly realm has arrived in the Ming Dynasty?

Who could it be?

Night Emperor?

Holy shit!

It would be troublesome if Emperor Ye came this time.

Su Chen had soaked Ye Emperor's wife Shui Rou. If Emperor Ye knew that he was here, Emperor Ye would probably kill him no matter what.

Fairy Yunmeng is definitely not the opponent of Ye Di Capital.

I am afraid that only Jellyfish Yinji and Donghuang Taiyi can defeat Yedi, but now Jellyfish Yinji and Donghuang Taiyi are not here.

Su Chen thought it was better to be careful this time. It would be best if his identity was not exposed.

"Husband, it's really busy here today." Fairy Yunmeng leaned in Su Chen's arms and looked at the hundreds of Jianghu people arriving and said with a smile.

Su Chen touched Fairy Yunmeng's hair and said with a smile,

"Um! After all, Ximen Chuixue and Ye Gucheng are both top masters of the younger generation, and they are both at the level of Grand Masters. Although their competition this time is a conspiracy, seeing the competition between the two great swordsmen in the world, I am afraid that these Jianghu people are very attractive. Fairy Yunmeng poured a cup of tea for Su Chen and said with a smile, "If Ximen Chuixue and Ye Gucheng fight, who do you think will win in the end?" Will your sworn brother Ximen Chuixue win?"

"I don't know, maybe no one can win!" Su Chen can't see clearly about this competition now.

This is the world of Zongwu.

Although in the TV series, Ye Gucheng's flying immortal is more powerful than Ximen Chuixue's Piaoxue swordsmanship, there is really no telling whether Ximen Chuixue will lose this time.

"You mean they'll end up tied?"

"Maybe!"

"Don't you think highly of your sworn brother?"

"Ximen Chuixue is a stubborn person. I used to give him some powerful swordsmanship secrets, but he just looked at them and didn't need them. He still kept practicing his Piaoxue swordsmanship."

"Ha ha! Swordsmen are all aloof people, maybe Ximen Chuixue has confidence in his Piaoxue swordsmanship!"

Su Chen nodded when he heard Fairy Yunmeng's words.

He now also suspects that Ximen Chuixue just looked at the swordsmanship secrets that he wanted to give him. I am afraid that Ximen Chuixue wanted to borrow the essence of swordsmanship. I am afraid that in the future, his Piauxue Swordsmanship will become more and more powerful in the future.

Fairy Yunmeng suddenly saw some people coming in from outside the Forbidden City, and these people appeared in groups.

Fairy Yunmeng smiled when she looked at their servants. He said with a smile,

"Huh! Some Jianghu sects have come, including Huashan Sect, Shaolin Temple, Songshan Sect, Hengshan Sect, Kongtong Sect, and Kunlun Sect. It seems that these Jianghu sects are also very interested in this competition."

"There are also some powerful martial arts masters, but I don't know any of them." Su Chen saw that many of the people who came this time were great masters, but he didn't recognize any of these people.

"Ha ha! I don't know him either." Fairy Yunmeng smiled and didn't know these great masters.

She hadn't appeared in the Jianghu people for decades.

If she hadn't gotten the news this time that King Happy had appeared in the Ming Dynasty, it would have been impossible for her to come to the Ming Dynasty.

In the palace,

The Emperor of Ming Dynasty looked at the old man in front of him and stood respectfully beside him. He didn't even dare to breathe now.

This is the ancestor of their Ming Dynasty royal family,

Emperor Ye!

The arrival of Emperor Ye this time made him relieved. , a terrestrial god from the Heavenly Realm arrived, and this ancestor, Emperor Ye, was the most powerful being in the Heavenly Realm. The Emperor of Ming Dynasty was not worried about any accidents that would happen during this competition at the top of the Forbidden City.

And the broken arm beside Ye was Chu Liuxiang looked at the Ming Emperor with disdain. A powerful Ming Empire could decline like this. He looked down upon this incompetent emperor.

Ye Di looked at the Ming Emperor and asked expressionlessly,"Emperor, this time Wu Xiangjun's army attacks the Ming Dynasty, can you stop it?"

The Emperor of the Ming Dynasty was very scared when he faced Emperor Ye.

This ancestor's momentum was too scary.

Although ancestor Emperor Ye didn't target him, he felt very depressed when he was around him.

"Going back to our ancestors, Wu Xiangjun's army is very powerful. I'm afraid the Ming Dynasty's army is no match. This time it was the Wudang Sect and the Ghost Palace. Now everyone in the Wudang Sect has been caught, but the Ghost Palace has never found them. If we can't capture the people in the Ghost Palace this time, I'm afraid Wu Xiangjun's army will not retreat."

"Ghost Palace? well! A mysterious sect that existed decades ago did not expect that the changes in the Palace of Ghosts would not be destroyed until now, and Bai Jing had actually advanced to the realm of celestial beings."

"Ancestor, don't you know where the Ghost Palace is?"

"I don't know. I know the former residence of the Ghost Palace, but it has been abandoned. Emperor, don't worry about the Ghost Palace for now. Something may happen during this martial arts contest on the top of the Forbidden City. You must deal with it carefully. Chu Liuxiang, please stay and help this time. To entertain the emperor"

"Yes, ancestor"

"Yes, master!"

Ye Di said to Emperor Ming and Chu Liuxiang and then disappeared.

Emperor Ming and Chu Liuxiang saw that Emperor Ye had left. They looked at each other and ignored each other. Chu Liuxiang looked down on Emperor Ming and didn't want to talk nonsense with him, while Emperor Ming looked down on him and didn't want to talk nonsense with him.

He didn't want to talk to Chu Liuxiang when he saw the look in Chu Liuxiang's eyes. This disciple of Yedidu obviously looked down on him. The

Emperor of Ming Dynasty also had dignity. If Chu Liuxiang, who had lost his arm, was not a disciple of Yedidu, he would have ordered his subordinates long ago. Execute this Chu Liuxiang.

Outside the Forbidden City of the Ming Dynasty,

Lu Xiaofeng, Sikong Zhaixing, Huamanlou, Fu Hongxue, Zhu Qiqi and Zhou Zhiruo, all Emei sect nuns, are now accompanying a little girl with an exquisite face.

And Ximen Chuixue and Ye Gucheng separated and prepared to go to the Forbidden City for a competition.

This time, the competition between Ximen Chuixue and Ye Gucheng was not as important as protecting the little girl. When Ximen Chuixue left, he kept telling Lu Xiaofeng and the others that they must protect the little girl.

This little girl The girl is Su Yan who has just arrived at the Imperial Capital of the Ming Dynasty.

This time Su Yan can arrive at the Imperial Capital of the Ming Dynasty so quickly because Shi Guanyin flew her all the way. Otherwise, Su Yan would definitely not be able to make it to this big competition at the top of the Forbidden City. When

Su Yan arrived, she felt very helpless when she saw that the people around her were protecting her carefully.

No one in the capital of Ming Dynasty knew Su Yan, but people like Lu Xiaofeng had been protecting her carefully.

This made Su Yan feel that she Like a prisoner,

"Hey, uncles, I'm not a prisoner. Why are you all following me like this? Shouldn't you pay more attention to the contest between my second uncle and Ye Gucheng? Zhu

Qiqi patted Su Chen's head and asked doubtfully,"Girl, you're coming alone this time, aren't you afraid of something happening?"

"Who said I came alone? I was brought here by my aunt. Besides, there are secret guards and shadow assassins in the capital of Ming Dynasty. There are people protecting me now. You don't need to be so nervous."

#### Chapter 764

Su Yan didn't want these people to follow her now. This time she finally persuaded Shi Guanyin to take her to the Ming Dynasty Capital. This time she wanted to have a good time.

She did not look for her father Su Chen this time.

If her father was in the Ming Dynasty, he would definitely not be absent from the competition on the top of the Forbidden City on a full moon night.

Lu Xiaofeng looked at Su Yan and said seriously,

"Su Yan, it's very dangerous here. You have to stay with us no matter what this time. You're not allowed to run around."

Su Yan opened her bright eyes and looked at Lu Xiaofeng and said innocently,

"Uncle, I just went to watch the competition. How could I run around in the emperor's palace?"

Lu Xiaofeng is very worried that Su Yan is causing trouble everywhere.

Both father and daughter are disturbing. There is no way he will let Su Yan leave this time.

"Then you must stay with us, Zhu Qiqi and Zhou Zhiruo, you two must follow Su Yan every step of the way."

"we know."

Zhu Qiqi and Zhou Zhiruo looked at Su Yan and nodded.

They are now standing on the left and right of Su Yan. They want to keep an eye on this girl even if they don't watch the competition this time.

"Really."

Su Yan saw Zhu Qiqi and Zhou Zhiruo standing by her side like prisoners, which made Su Yan's plan come to nothing.

"Let's go, let's go to the palace first."

Lu Xiaofeng shook his head when he saw this and said.

Sikong Zhaixing was following Su Yan with a constipated look on his face.

He was very worried that this careless little girl would escape in time. He knew how powerful this little girl was. Smart.

Hua Manlou and Fu Hongxue are also behind Su Yan one by one. Now we have to watch out for this little ancestor.

If something happens to this little ancestor again in the Ming Dynasty, I'm afraid Mrs. Jun in Gusu City will be completely angry. By then, I'm afraid It's not as simple as sending an army.

I'm afraid those women from the Tianren Realm of Wu Xiangjun will all come to the Ming Dynasty Capital.

In a luxurious mansion in the Ming Dynasty Capital, dozens of masters and grand master masters are standing in the courtyard, and in a room ,

Crown Prince Nan, Happy King Chai Yuguan, and Taoist Lao Dao Bao Zi Mu all drank tea with expressionless faces.

Lao Dao Bao Zi looked at the time and put down his tea cup and said, "It's almost time, we should enter the palace to prepare.."

Taoist Lao Daobao Zimu is a little absent-minded now.

The Wudang Sect has all been captured by the court, and Zhang Sanfeng doesn't know what he is doing now. If this plan succeeds, then he can also let the people of the Wudang Sect to the throne of the Southern Prince. Let go.

Prince Nan is in a very excited mood now.

If everything goes well this time, then he will be the emperor of the Ming Empire tomorrow, and he will be the master of the Ming Empire from now on.

Prince Nan smiled and said to Happy King and Lao Daobaozi said,

"Well, some of the imperial guards in the palace have been bribed by my father. Even the eunuchs serving the emperor are among our people. As long as you kill the emperor this time, I can replace you. As long as you can remove some of the troublesome people in the palace. That's it."

Happy King Chai Yuguan is also a little happy now.

If the prince of the south can successfully replace the emperor this time, then everything he has paid today will be worth it.

As long as he can advance to the land immortal in the heavenly realm again, he will not be afraid in the future. Fairy Yunmeng and Bai Jing were chasing after her.

King Happy looked at Prince Nan and reminded him,

"We understand that there must be experts around the emperor, so let Lao Daobaozi deal with it. I will lead the rest of the people to guard the inner palace. The people in Dongchang, Hulong Villa, and Shenhou Mansion cannot get through without us."

"Okay, let's go into the palace now to prepare. As soon as Xu Shi arrives, we will start taking action."

In the Forbidden City, thousands of Jianghu people have gathered here, and the surrounding Forbidden Army and Imperial Guards are now vigilantly observing these Jianghu people as if facing a formidable enemy.

Su Chen and Fairy Yunmeng are watching these Jianghu people continue to They were talking, but at this moment,

Su Chen suddenly noticed that Lu Xiaofeng and the others had arrived, but when he saw Su Yan, he almost screamed,

"I'll do it!"

"What's wrong?"

Fairy Yunmeng asked suspiciously when she saw Su Chen's expression of seeing a ghost.

Although she also saw Lu Xiaofeng and the others arriving, it was impossible for these people to make Su Chen show such an expression.

Su Chen pointed to Lu Xiaofeng and the others. The person stuttered a little and said, "I...My daughter is here too. Why is she also here in the capital of the Ming Dynasty?"

"Lu Xiaofeng, the little girl among them is your daughter?" Fairy Yunmeng looked at the delicate and beautiful girl among Lu Xiaofeng and asked,

"Yes!"

"Why did your daughter appear in Daming? Your wives actually asked her to come to Ming Dynasty. Are they afraid that something will happen to her?"

"This girl must have arrived secretly, alas! I'm afraid that Concubine Yan and Jing Sala can't control this girl anymore."

"What to do now? Do you want to bring your daughter here now?"

"Don't! With Lu Xiaofeng and the others here, nothing will happen to my daughter. I hope she won't cause trouble this time."

Su Chen is also very helpless now.

Su Yan has now arrived in the Ming Dynasty.

It is probably unrealistic to send her away now. He hopes that Su Yan can be more honest this time and not make trouble in the Ming Palace.

Fairy Yunmeng Looking at Su Yan, he was very curious.

This little girl didn't look like a naughty girl now. Why would Su Chen say that this girl would cause trouble just like him?

At this time,

Lu Xiaofeng and the others encountered trouble after they arrived. A sixteen or seventeen-year-old girl with some royal guards stopped Lu Xiaofeng and others.

The girl looked at Lu Xiaofeng and said arrogantly,

"Lu Xiaofeng, who has four eyebrows, I know you, can't you really teach me your telepathy?"

Lu Xiaofeng didn't expect that they would be stopped as soon as they arrived here. He looked at this girl and guessed her identity. She is the sister of the Emperor of the Ming Empire and

Princess Yunluo!

Lu Xiaofeng looked at this unreasonable Yunluo. The princess refused and said,

"Can't!

Princess Yunluo did not expect that Lu Xiaofeng would dare to refuse her, "You?" Do you know who I am?"

"Princess Yunluo! Princess

Yunluo pointed at Lu Xiaofeng and threatened, "You know who I am and yet you dare to refuse me, Lu Xiaofeng, don't you want to live?"

Lu Xiaofeng looked at the unruly and willful Princess Yunluo and said helplessly, "Princess Yunluo, my telepathic finger is a secret that is not passed down. You'd better find other martial arts secrets!"

"What secret is not passed on? Didn't you pass it on to me?" Su Yan looked at Lu Xiaofeng and smiled and said,

Su Yan is going to cause trouble this time.

Who told Lu Xiaofeng and others to look at her seriously? She can't do anything she wants now. This time she is going to give Lu Xiaofeng looking for trouble.

When Princess Yunluo heard Su Yan's words, she hurriedly asked her,

"Is what you said true?"

"certainly!"

Su Yan pretended to be an honest little girl, nodded and said to Princess Yunluo in a positive tone.

Princess Yunluo heard Su Yan's words and pointed angrily at Lu Xiaofeng and yelled, "Okay. ah! Lu Xiaofeng, you bastard dared to deceive me. It seems you really don't want to live anymore."

Lu Xiaofeng and Sikong Zhaixing looked confused when they heard Su Yan's words. They didn't expect that Su Yan would interrupt at this time, and even dismantle Lu Xiaofeng.

Now they all feel that Su Yan this time It must be intentional, otherwise this little girl wouldn't be smiling with her mouth squinted.

This made Lu Xiaofeng and the others angry.

They never expected that Su Yan would find trouble as soon as he arrived at the palace. This made Lu Xiaofeng and the others angry. They were all very helpless.

Lu Xiaofeng thought that if they didn't deal with this unruly and willful Yunluo County, they might really be in trouble.

Chapter 765

Su Yan was smiling now to see how Lu Xiaofeng would solve this matter.

She didn't care what trouble Lu Xiaofeng would encounter if he couldn't solve this matter. Now she just wanted to take revenge on people like Lu Xiaofeng.

Zhu Qiqi looked at Su Yan and said seriously,

"Girl, you are going too far. This is Princess Yunluo of the Ming Dynasty. This time you have brought trouble to Lu Xiaofeng and the others."

Su Yan smiled when she heard Zhu Qiqi's words.

She didn't care at all about this silly Princess Yunluo. It would be easy for Princess Yunluo to deal with her, but she would use Yunluo later. Princess Luo does something,

"What are you afraid of? I am just a princess of the Ming Dynasty. What if I am also a princess?"

Zhou Zhiruo almost covered her mouth when she heard Su Yan's words. She looked at Su Yan and said seriously, "Su Yan, you'd better forget your identity as the princess now. This is the Ming Dynasty. You want to be caught by the Ming court. ?"

"Got it, I'm just saying, I'm not stupid"

"You, you are such a little witch"

"Forget it, I'll just help Lu Xiaofeng and the others!"

"Um? what are you up to? Girl, please be more honest with me." Zhou Zhiruo hurriedly tried to grab Su Yan, but Su Yan ducked and ducked.

Zhou Zhiruo and Zhu Qiqi saw Su Yan running to Princess Yunluo, and they hurriedly wanted to catch the girl back.

Su Yan ran to Princess Yunluo stood next to her and shouted with a smile,

"Princess Yunluo!"

Princess Yunluo looked at this delicate and beautiful little girl. She also liked this girl very much.

Moreover, this beautiful little girl helped her expose Lu Xiaofeng's lies, but now she has to teach Lu Xiaofeng a lesson for daring to deceive her. ,

Princess Yunluo touched Su Yan's head and said with a smile,

"Little girl, what do you want me to do? I have no time to talk to you now. After I teach Lu Xiaofeng a lesson, I will play with you again."

Su Yan rolled her eyes when she looked at Princess Yunluo. When she looked at Princess Yunluo, she felt that this silly Princess Yunluo must be very easy to deceive.

She took Princess Yunluo's hand and said seriously said,

"Princess Yunluo, in fact, you don't need to ask Lu Xiaofeng to learn his Lingxi Finger. That Lingxi Finger is not something that we women can learn. That Lingxi Finger is too ugly to use."

"Really?"

Princess Yunluo looked at Su Yan and didn't believe her words.

She knew that Lu Xiaofeng's Lingxi Finger was very famous, and he could even use Lingxi Finger to clamp any weapon to attack. She was bound to master this martial arts.

Su Yan started talking nonsense to Princess Yunluo without blinking an eye, "How could I lie to my sister? I just studied for a while and stopped learning. This Lingxi Finger is too ugly to use. Learning Lingxi Finger is useful." It damages the image of us women."

Princess Yunluo thought for a moment after hearing Su Yan's words. It seemed very unladylike for her to hold a weapon with her fingers.

But why did she feel that this little girl was deceiving her?

Princess Yunluo looked at this six-year-old girl. The seven-year-old girl felt that she was overthinking. How could such a young girl deceive her?

"If so, then I won't study either."

"Sister, can you take me to the palace to play?" Su Yan saw that she had settled Princess Yunluo, so she smiled and asked.

Princess Yunluo pulled Su Yan and thought for a while and said, "Of course, but there are so many people here now, I want to learn from them. Some powerful martial arts, how about I take you to the palace to play in the future?"

Su Yan didn't expect that Princess Yunluo would have to learn some martial arts this time.

Su Yan touched her chin and wondered if her martial arts could be taught to Princess Yunluo. There are so many people in the world here. What kind of martial arts should Princess Yunluo learn?

"Huh?"

"The Huashan sect has also come, I hope they don't recognize me."

Su Yan suddenly saw those people from the Huashan Sect.

The Huashan Sect had offended him before.

However, Linghu Chong from the Huashan Sect seemed to know the Dugu Nine Swords, and the Dugu Nine Swords was also a heaven-level martial arts secret book. That Linghu Chong was secretly Cultivation.

This is what his father told her before.

Su Yan looked at Princess Yunluo and smiled and said,

"Do you want to learn powerful martial arts? What about learning swordsmanship? I know that Linghu Chong of the Huashan Sect knows the Dugu Nine Swordsmanship. This swordsmanship seems to be a heaven-level swordsmanship."

"real?"

Princess Yunluo didn't expect that the little girl actually knew about heaven-level swordsmanship.

This made her look at the little girl and feel that her origin was very extraordinary. But now she didn't want to inquire about the little girl's origin.

Princess Yunluo now wanted to know whether the heaven-level swordsmanship thing was true.

Su Yan nodded and said with a smile, "Yeah! I heard from my father that Linghu Chong secretly practiced this sword technique, and even his master didn't know about it."

"Wow! Heavenly swordsmanship! I want to learn, so I will learn this swordsmanship. Come here, find me where the Huashan sect is." Princess Yunluo saw that what Su Yan said was serious, and now she believed what this little girl said.

"Yes, Princess!"

After the surrounding Jin Yiwei heard Princess Yunluo's order, these Jin Yiwei hurriedly went out to search for the Huashan faction.

Lu Xiaofeng and others looked at Su Yan in confusion as he deceived Princess Yunluo.

They are now facing This smart little girl is convinced. This little girl is so smart at such a young age.

That bastard Wu Xiangjun has a successor. This little girl's future achievements may be even more shocking than her father's.

"Ximen Chuixue is here, look at the top of the palace, Ximen Chuixue has appeared"

"Unexpectedly, Ximen Chuixue actually came, and Ye Gucheng should be coming too."

"Two young swordsmen from the Ming Dynasty competed in swordsmanship, but this time it was not in vain"

"Ha ha! That's right. I also use a sword. I'd be thankful to be able to learn a few moves from Ximen Chuixue and Ye Gucheng this time."

"Ximen Chuixue and Ye Gucheng are both great masters. It would be great if you can clearly see them competing. If you still want to learn swordsmanship secretly, stop dreaming here."

"well! I'm really old. I didn't expect that the younger generation would be so powerful now. I am only at the innate realm now, but Ximen Chuixue and Ye Gucheng are already at the level of great masters at such a young age."

Thousands of people in the palace looked at a young man in white clothes standing on the top of the Forbidden City. When they knew that this young man was Ximen Chuixue, they all talked and praised him.

Now they are very fond of Ximen Chuixue. He worshiped Ye Gucheng.

This was the capital of the Ming Dynasty.

The two great swordsmen actually competed at the highest point of the capital of the imperial palace. This made people like them yearn for it.

Su Chen couldn't help but see Ximen Chuixue appearing. He smiled and cursed, "I'll do it! Ximen Chuixue is really good at showing off."

Now Ximen Chuixue is very handsome.

He is standing on the top of the Forbidden City in white clothes. The bright moonlight sets off the handsome Ximen Chuixue. This makes Su Chen can't help but want to climb up. Let's have some fun on the Top of the Forbidden City.

When Fairy Yunmeng saw that Su Chen also wanted to go to the Top of the Forbidden City, she laughed.

Ximen Chuixue is very handsome now. Ximen Chuixue, who has a cold face, looks very handsome now. chic

"Ha ha! Husband, don't forget that you look like a middle-aged man now, and you are still an ugly middle-aged man. Even if you go to the top of the Forbidden City, you will probably still be an ugly man."

"Forehead! I forgot, but no matter how ugly I am, I am holding a stunning beauty"

"Shameless!"

Chapter 766

On the top of the Forbidden City of the Ming Dynasty, after Ximen Chuixue appeared, everyone in the Imperial Palace of the Ming Dynasty, including the Imperial Army, Jin Yiwei, Dongchang, Hulong Villa, and Shenhou Mansion, all looked at Ximen Chuixue nervously.

It's just that these special agencies can't do anything about Ximen Chuixue.

The emperor ordered to turn a blind eye or close one eye to Ximen Chuixue. Ximen Chuixue is not someone that the Ming Dynasty can offend now.

The Ming Dynasty has been trying to find a way to get the lady in Gusu City to withdraw from the war, and Ximen Chuixue is Wu Xiangjun's sworn brother. If he attacks Ximen Chuixue at this time, I am afraid that the Ming Dynasty and Gusu City will really fight to the death.

Zhu Wuwu became a little restless after Ximen Chuixue appeared.

He did not expect that the emperor did not need the protection of the people from Hulong Villa and Shenhou Mansion, and did not even leave the East and West factories. This made Zhu Wuwu very worried about King Nan now. The prince's conspiracy succeeded this time.

Zhuge Zhengwen looked at Zhuge Zheng who was resting with his eyes closed and wanted to beat him up. It's already this time and this old bastard is still pretending.

Isn't Zhuge Zheng really not worried about the emperor's comfort? ?

Zhu Wuwu suppressed his anger and said to Zhuge Zhengwo,

"Lord Shen, do we really not need protection from the emperor? Today's competition is very weird. What accidents might happen if we don't protect the emperor?"

Zhuge Zhengwo opened his eyes and helplessly said to Zhu Wuwu, "Master Marquis, the Holy One said that we don't need our protection, haven't you figured it out yet?"

Zhuge Zheng also looks at Zhu Wuwu in a different light now.

In the past, he had always been worried that Zhu Wuwu would seek power and usurp the throne. But after this incident, he knew that Zhu Wuwu still took the rise and fall of the Ming Dynasty as his own responsibility.

Although this cannot change Zhu Wuwu's ambitions, At least when the Ming Dynasty was in crisis, they could share the same hatred with the enemy.

Zhuge Wuli did not add insult to injury when the Ming Empire was in crisis. This made Zhuge Zhengga think highly of Zhu Wuli.

When Zhuge Zhengwo said this, Zhuge Wuli said in surprise, "You mean there is someone protecting the emperor?"

"I'm afraid a scary person has come to the palace."

"Night Emperor?"

"Night Emperor!"

Zhu Wulan looked at the inner hall of the palace in horror.

He did not expect that Emperor Ye would come to the capital of the Ming Dynasty, and even enter the palace to see the emperor. Isn't the emperor afraid that Emperor Ye would seek power and usurp the throne at this time?

Emperor Ye is a man.

Although almost a hundred years have passed for the prince who failed to seize the throne, since he changed his name to Night Emperor, he knows that his emperor's heart has not died.

The emperor in the dark night!

I'm afraid he is still thinking about the emperor's throne.

Zhu Wuwu Looking at the palace, he sighed.

Emperor Ye was a terrestrial god in the heavenly realm, and even the most powerful being in the heavenly realm. If Emperor Ye sought power and usurped the throne now, the Ming Dynasty would fall apart in an instant.

Zhuge Zheng I heard Zhu Wuwu sigh, and he also understood why Zhu Wuwu sighed. A powerful ancestor always stared at the emperor's throne. This was really ironic.

Zhuge Zheng shook his head and said to Zhu Wuwu, "Master Marquis, don't worry, Emperor Ye will not seek power to usurp the throne now, at least not at this time."

"well! This is such an eventful time."

"Let me guess, why did Su Yan and Princess Yunluo of the Ming Dynasty go to find trouble with the Huashan sect?"

At this time, after Su Chen looked at the pretentious Ximen Chuixue, he discovered that Su Yan and Princess Yunluo were walking towards the Huashan faction. This made Su Chen want to spank Su Yan when he looked at her. Could it be that Su Yan had forgotten that the Huashan sect knew her?

"A small Huashan sect will be fine, you don't have to worry." Fairy Yunmeng smiled when she saw Su Chen making a fuss.

Su Chen stood up and was about to stop Su Yan, but he saw that Su Yan and Princess Yunluo had already arrived at the Huashan Sect. He knew that the past was over. It was evening.

Su Chen sat down again and explained helplessly to Fairy Yunmeng, "No, some people from the Huashan Sect know Su Yan. If Su Yan's identity is exposed this time, I'm afraid she will be in danger."

"You don't have to worry, maybe Yan'er can find a way to make it difficult for people to recognize her."

"is it possible? Don't you see that she's not covering her face at all now? Why is this girl so stupid now?"

"hehe! Let's wait and see. You said that girl is a smart little girl. She must have her own plan for doing this."

"Now I can only.....Damn it, why did Qing Wu and Shangguan Haitang pass by too?"When Su Chen looked at Su Yan and was helpless, he suddenly discovered that Qingqing and Shangguan Haitang were also walking towards the Huashan faction.

Su Chen was not sure whether Qingqing and Shangguan Haitang knew Su Yan or not. This time it really happened. There is some trouble.

At this time,

Lu Xiaofeng and the others have nothing to do with Su Yan.

They can only follow Su Yan now.

This girl is too troublesome.

Now that Ximen Chuixue has appeared, Lu Xiaofeng and the others hope that Ye Gucheng will try his best to If they delay their appearance again, the people who want to use them may not be able to implement any plans. In the corner of the palace square,

Shi Guanyin and Hua Baifeng stood face to face. Hua Baifeng did not expect that there would be a powerful celestial being that would attract She came here, and she actually lost to this woman after more than ten moves.

Hua Baifeng looked at this powerful and beautiful woman and asked,"Who are you?"

"Stone Guanyin!"

Shi Guanyin looked at the defeated general and said calmly.

Hua Baifeng was surprised when he heard Shi Guanyin's words and asked, "Shi Guanyin? Are you Wu Xiangjun's bastard woman?"

Shi Guanyin didn't expect that this woman actually knew her name and knew about her and Su Chen, but she still asked Hua Baifeng coldly,

"Yes, why are you following Yan'er?"

Hua Baifeng smoothed her messy hair and said with a smile, "Haha! It seems that my worries were in vain, Shi Guanyin, I didn't want to take action against Su Yan. My son is Fu Hongxue. He asked me to protect Su Yan this time. I just didn't expect that a powerful person like you would exist beside Su Yan."

"That's it. I'm sorry this time. I did it for Yan'er's safety."

"No need to apologize, I would do the same thing if I did, but I won't let your bastard husband go. If that bastard doesn't give me an explanation, I will kill him."

"Forehead!"

Shi Guanyin was speechless when she looked at Hua Baifeng.

Wasn't this Hua Baifeng also molested by that bastard Su Chen?

She was completely helpless to Su Chen now. Is that bastard going to kill all the powerful and beautiful women in the world? ?

Shi Guanyin rubbed his head and said with a smile, "Let's go to Su Yan's place first, and we'll talk about the rest later.""

"Well, my name is Hua Baifeng"

"Hua Baifeng, what a good name. I'm afraid we will be a family in the future."

"you.....What nonsense."

Hua Baifeng was a little embarrassed and annoyed when he heard Shi Guanyin.

What does Shi Guanyin mean?

Did that bastard really want her to be his woman?

How is this possible? It would be a good thing if Hua Baifeng didn't kill that bastard. That bastard If she dared to have these thoughts, she would definitely kill that bastard.

When Xu Shi arrived,

Ye Gucheng also appeared on the top of the Forbidden City.

He stood in front of Ximen Chuixue and looked at him expressionlessly.

After these two people appeared There was no fighting or talking, but they stood there looking at each other colder than the other.

Ximen Chuixue and Ye Gucheng wanted to delay as much as possible. They also wanted to know who was plotting against them both.

Zi On the top of the Forbidden City, one is fluttering in white, and the other is swaying in the wind.

The two young sword gods and sword masters are now like old enemies. They look at each other and continue to increase their momentum and pressure, like a battle. A great war can happen at any time.

Chapter 767

On the top of the Forbidden City, with the appearance of Ye Gucheng, thousands of Jianghu people in the palace looked over. When these Jianghu people saw Ximen Chuixue and Ye Gucheng continuously increasing their momentum, they knew that Ximen Chuixue and Ye Gucheng Ready to start fighting.

Su Chen looked at the arriving Ye Gucheng and said with some sourness, "I'll do it! Here comes another pretender. Ye Gucheng is just like Ximen Chuixue. They both have a cool and arrogant look. Can they find a wife like this? ?"

Fairy Yunmeng was speechless when she heard Su Chen's words.

Why does this bastard envy everything?

But now the temperaments of Ximen Chuixue and Ye Gucheng are indeed very attractive.

Ximen Chuixue and Ye Gucheng are two natural swordsmen.

They are born for swords. I am afraid they don't care about anything else except swords.

If Ximen Chuixue and Ye Gucheng don't die young in the future, their future achievements may not be low, and they may even surpass her in less than ten years.

Fairy Yunmeng looked at Ximen Chuixue and Ye Gucheng and praised them. "This is the temperament of a true swordsman. They only have swords in their hearts. You, a bastard, can't learn that."

When Su Chen heard Fairy Yunmeng praising Ximen Chuixue and Ye Gucheng, he said angrily, "Shit! I'm also a swordsman, why can't I learn? I'm just too lazy to be a ruthless swordsman. The beautiful women in this world need me to save them."

"You save a piece of shit, but it's more like harming a beautiful woman." Fairy Yunmeng rolled her eyes and said disdainfully,

Pah!

" Su Chen hugged Fairy Yunmeng and slapped her butt in a threatening manner,"Yunmeng, I've been teaching you a little lightly these days. It seems like I will continue to teach you a lesson"

"No, husband, I was wrong. Fairy Yunmeng leaned into Su Chen's arms with a pitiful look and begged for mercy.

She is now a little afraid of this bastard Su Chen. This bastard is not a human at all. Fortunately, this bastard has many women, otherwise she will really be in trouble in the future. I will be killed by this bastard.

On the top of the Forbidden City,

Ye Gucheng looked at Ximen Chuixue and said coldly and arrogantly,

"Ximen Chuixue, although our competition this time was taken advantage of, among the younger generation of Ming Dynasty, I also admire your swordsmanship very much. We might as well have a serious fight this time."

Ximen Chuixue looked at Ye Gucheng with cold eyes and said coldly,"I think so too, Ye Gucheng, I am very interested in your flying fairy. Let's have a battle today."

"war!"

"war!"

Ye Gucheng and Ximen Chuixue pulled out their swords at the same time and shouted,"

Bang!"

Then the two of them attacked each other with swords at the same time. Their fast movements were constantly changing to attack each other on the top of the Forbidden City.

"Fight, holy shit! It's so fast, I can't even see it clearly"

"Such a fast sword, I'm afraid I won't be able to take any of it"

"Oh my God, these two are so handsome, Moonlight! The top of the Forbidden City! Fluttering white clothes! The green shirt swings! Ximen Chuixue and Ye Gucheng are like immortals"

"They are so powerful. They are indeed the most powerful people in the younger generation of Ming Dynasty."

"So powerful. Xie Xiaofeng of Shenjian Villa can't compare with them at all. The gap is too big."

The Jianghu people here started talking when they saw Ximen Chuixue and Ye Gucheng start fighting.

When Lu Xiaofeng saw Ximen Chuixue and Ye Gucheng fighting, he touched his mustache and shouted helplessly, "Damn it, why are Ximen Chuixue and Ye Gucheng fighting now? Didn't you tell them to delay as long as possible? Why doesn't any of this make people worry?"

Hua Manlou shook her head when she heard Lu Xiaofeng's words and said,

"When two sword madmen meet, they will definitely fight it out, Lu Xiaoji, you should have thought of this already. Lu

Xiaofeng looked at Ximen Chuixue and Ye Gucheng and shook her head and said, "Although I thought about it, I didn't expect them to start fighting as soon as they met. This is different from what I thought.""

Sikong Zhaixing ignored the fight between Ximen Chuixue and Ye Gucheng.

He was very worried when he looked at Su Yan now. This girl is too troublesome. Although Ximen Chuixue and Ye Gucheng did not go according to plan, they At least he knew what to do.

Sikong Zhaixing glanced at the fight between Ximen Chuixue and Ye Gucheng and said indifferently, "Ignore them, it's business to keep an eye on Su Yan. Anyway, Ximen Chuixue and Ye Gucheng have a sense of proportion, and they also It's impossible to fight to the death"

"Um! Let's be optimistic about Su Yan."Fu Hongxue is also very nervous about Su Yan now.

Fu Hongxue has been warned by her mother that nothing can happen to Su Yan today. If Su Yan has an accident this time, I'm afraid he will be beaten again.

On the top of the Forbidden City,

Sword rays of light pierced the sky like lightning, and two figures, one white and one green, kept flashing and attacking each other. The collision of the two sword rays made a constant clanging sound.

Ye Gucheng appeared above Ximen Chuixue. A sword slashed at Ximen Chuixue. The strike of the sword was brilliant and swift. The powerful sword energy struck Ximen Chuixue like lightning. The edge of the sword was so terrifying that it was irresistible.

Boom!

Ximen Chuixue raised his hand and fired out a cold and biting sword. Qi, two powerful sword qi collided together and made a powerful sound, even the rubble on the top of the Forbidden City was blown away.

After Ximen Chuixue broke Ye Gucheng's attack, he flew towards Ye Gucheng in the air. A sword thrust through.

Touch!

Ye Gucheng seemed to have known that Ximen Chuixue was about to attack. His Feihong Sword quickly blocked Ximen Chuixue's black sheath sword.

After Ximen Chuixue and Ye Gucheng flew away, they each looked at each other. , they were testing each other in the battle just now, and the real contest has just begun.

"A sword makes the snow fall!"

"Feiyun!"

Boom!

Ximen Chuixue and Ye Gucheng have now used some of their special moves. Although these are not their powerful sword moves, these alone make the people in the palace feel very powerful.

"Flying!"

"One sword fell to the snow!"

Boom!

Ximen Chuixue and Ye Gucheng went back and forth and launched powerful attacks. The sword light on the top of the Forbidden City appeared and disappeared like lightning. The figures of one white and one green were entangled together for a while, and then they disappeared. They separated quickly.

Zhuge Zhengga looked at the battle between Ximen Chuixue and Ye Gucheng and sighed, "It's amazing, now is their real battle."

"Um! The future achievements of these two people will definitely not be low." Zhu Wuwu nodded when he heard Zhuge Zhengwo's words.

The strength of these two people is probably about the same as him, and they are real swordsmen. As long as they are given time to grow, they may not even need to advance to the Heavenly Realm. How long.

Zhuge Zhengyi looked at Ye Gucheng and shook his head.

This time Ye Gucheng was going to die in the palace.

The dignity of the Ming Empire did not allow provocation. Although Ximen Chuixue also provoked the dignity of the Ming Dynasty, who made Ximen Chuixue? What about the background?

Zhuge Zhenggao looked at Ye Gucheng and said pitifully, "It's a pity that nothing will happen to Ximen Chuixue this time, but we must keep Ye Gucheng." "

"It's a pity for Ye Gucheng. Who said he has no background?" Zhu Wuwu also felt that it was a pity that Ye Gucheng died this time.

Although he wanted to conquer Ye Gucheng, he was not the one to decide this time.

He still has to obey the emperor's orders.

Chapter 768

At this time in the palace,

Su Yan and Princess Yunluo did not watch the fight between Ximen Chuixue and Ye Gucheng. Although the fight between Ximen Chuixue and Ye Gucheng was very eye-catching, it did not attract them at all.

Su Yan knew that the competition between Ximen Chuixue and Ye Gucheng was probably just a show, and even if it was a real competition, it would only end at the end. There would be no life-and-death battle between them.

Princess Yunluo only wanted to obtain the Dugu Nine Swords, the heaven-level swordsmanship of Linghu Chong of the Huashan School. As for the competition between Ximen Chuixue and Ye Gucheng, she didn't care at all.

Princess Yunluo came here today to collect some powerful martial arts secrets. Now that she has news about heaven-level martial arts secrets, she wants to get them as soon as possible.

After Princess Yunluo and Su Yan arrived at the Huashan Sect,

Princess Yunluo couldn't wait and asked loudly,

"Among the Huashan sect, who is called Linghu Chong here?"

Yue Buqun of the Huashan Sect saw two beauties, one big and one small, arriving, and they were looking for his apprentice Linghu Chong, which made him confused. The backgrounds of these two beauties were not simple. Behind the big beauty was There were Jin Yiwei guards, and the little beauty was also guarded by powerful people such as Lu Xiaofeng, Sikong Zhaixing, Hua Manlou, etc.

Moreover, when Yue Buqun looked at Su Yan, he felt that he had seen this little beauty there, and he had only seen this little beauty for a moment. I didn't think of it.

Ning Zhongze of the Huashan faction looked at Su Yan with a dumbfounded expression.

She didn't expect to meet Lord Wu Xiang's daughter here.

You must know that the war between Lord Wu Xiang and the Ming Dynasty was about to break out. Now Su Yan Yan's appearance here was something Ning Zhongze never expected.

Ning Zhongze blushed a little when she thought about what happened in Xingzilin.

Although Wu Xiangjun didn't need her at that time, she had promised to be Wu Xiangjun in Xingzilin after all. The maid, she felt very uncomfortable looking at Su Yan now.

Yue Buqun looked elegant and easy-going and smiled at Princess Yunluo and said,

"This lady, I am Yue Buqun of the Huashan Sect, and Linghu Chong is my disciple. I wonder why the lady calls me a disciple? Princess

Yunluo looked at Yue Buqun and threatened arrogantly,

"Are you Linghu Chong's master? That's the best thing. Linghu Chong has a heaven-level secret book of Dugu Nine Swords. Let him call it out now, otherwise none of you Huashan Sect will be able to leave the palace."

Su Yan looked at Yue Buqun, who sold his wife to survive, with great disdain.

She had not forgotten what happened in the apricot forest.

This Yue Buqun was an insidious hypocrite who sold his wife to survive.

Su Yan Now she is not afraid that Yue Buqun will recognize her. Tomorrow the black bird envoy from Gusu City will come to the Ming Dynasty Capital. At that time, she will represent Gusu City to make the final statement against the Ming Empire.

"What kind of heavenly swordsmanship?"

Yue Buqun was very surprised when he heard what Princess Yunluo said.

He didn't expect that his apprentice Linghu Chong had practiced heaven-level swordsmanship, and he didn't know anything about it.

He looked at Linghu Chong next to him and was very angry. Linghu Chong never thought that this woman would find out that he was taught Dugu Nine Swords by Senior Feng. Now he was very worried that his master would do something bad to him.

Linghu Chong had been wary of Yue Buqun ever since the Xingzilin incident, and he also knew that Yue Buqun is a real villain.

Princess Yunluo looked at the surprised Yue Buqun and laughed and said, "Haha! You, a master, don't even know that your apprentice secretly practices heaven-level swordsmanship. It seems that you are not a very good person either."

"Linghu Chong, is what this lady said true?" Yue Buqun looked at Linghu Chong beside him and asked angrily.

Linghu Chong knew that this matter could not be hidden.

Now even if he refused to admit it, I'm afraid no one would believe it. He looked at Yue Buqun and said calmly,

"Yes!"

Yue Buqun looked at Linghu Chong angrily and wanted to chop him with one palm.

He was always looking for a way to make the Huashan sect stronger. He even castrated himself in order to practice the sword technique of warding off evil.

But his apprentice actually had a heaven-level sword technique. He did not tell him, which made Yue Buqun look at Linghu Chong as if he were dead.

Ning Zhongze and the other disciples of the Huashan Sect did not expect that Linghu Chong actually had heaven-level swordsmanship, which made them feel a little incredible when they looked at Linghu Chong.

Ning Zhongze's daughter Yue Lingshan looked at Linghu Chong and asked in confusion, "Mom, senior brother actually has the secret book of heaven-level swordsmanship, but why didn't he tell us?"

"Maybe it's because your senior brother promised someone and he didn't let him tell you." Ning Zhongze looked at Linghu Chong with very complicated eyes.

She now felt that there was no good person in the Huashan sect.

She had brought up Linghu Chong, and he didn't even tell her that he had obtained heaven-level swordsmanship.

Could it be that Linghu Chong was still worried that he would rob her? His heaven-level swordsmanship secret book?

Yue Buqun looked at Linghu Chong and asked angrily, "Okay, Linghu Chong, do you still have me as your master in your eyes?" Why didn't you tell me that you secretly practiced heaven-level swordsmanship?"

Linghu Chong was very scared when he saw the way Yue Buqun looked at him.

However, he is now in the Daming Palace.

He believes that Yue Buqun does not dare to do anything here.

Linghu Chong is also confident now. After all, he still has a strong backer. If Yue Buqun knew that Senior Feng Qingyang was behind him, and he believed that Yue Buqun did not dare to do anything to him.

Thinking of this, Linghu Chong said to Yue Buqun expressionlessly, "Why should I tell you? I got this heaven-level swordsmanship accidentally. It's my private matter."

"Bastard, are you going to bully your master and destroy your ancestors?"

Yue Buqun is going to be mad at Linghu Chong now.

His great disciple has no respect for him at all, and now he dares to refute him without fear. Isn't Linghu Chong afraid that he will clean up the family?

Princess Yunluo heard that Linghu Chong really had. She didn't want to wait any longer for heaven-level swordsmanship. It was better to get the secret book of heaven-level swordsmanship as soon as possible.

Princess Yunluo looked at Yue Buqun and Linghu Chong and said loudly, "Okay, I don't want to hear you arguing here. , Linghu Chong, hand over the heaven-level swordsmanship Dugu Nine Swords, otherwise don't blame me for being rude. Linghu

Chong looked at the official lady and refused helplessly, "It's impossible to leave the heaven-level swordsmanship to you. Miss, the heaven-level swordsmanship was passed down to me by a senior. Without that senior's instructions, I wouldn't have been able to do it." Handed over."

When Princess Yunluo heard that Linghu Chong dared to refuse, she ordered to the dozens of Jinyi guards behind her, "I, Princess Yunluo, haven't gotten what I want before you come out. Come on, catch Linghu Chong. If he If he doesn't surrender his heaven-level swordsmanship, I'll break his legs."

"Yes, Princess!"

Linghu Chong heard that this woman turned out to be Princess Yunluo. He thought that the emperor's sister was not Princess Yunluo.

Moreover, the little girl next to Princess Yunluo was Princess Su Yan, daughter of Wu Xiangjun. He looked at Su Yan felt that Princess Yunluo must not know her identity, and the war between Wu Xiangjun and the Ming Dynasty was about to break out.

Linghu Chong thought that if he revealed Su Yan's identity as Princess Yunluo, then his heaven-level sword would be There should be no need to hand over the magic secret book.

Linghu Chong looked at Princess Yunluo and said hurriedly, "Wait! Are you Princess Yunluo, the sister of the Ming Emperor?"

"good! Do you want to hand over the heaven-level swordsmanship secret book now?" When Princess Yunluo saw that Linghu Chong had heard about her, she felt that Linghu Chong must be scared.

Linghu Chong looked at Su Yan and said to Princess Yunluo, "Princess Yunluo, if I tell you a huge secret, Can you don't want the heaven-level swordsmanship secret book?"

Princess Yunluo asked suspiciously after hearing Linghu Chong's words, "A big secret?" What is it?"

Linghu Chong smiled and said word by word to Princess Yunluo, "Wu....Xiang....Jun...female....Son....news"

"What?"

"Linghu Chong, shut up."

Chapter 769

Princess Yunluo was very surprised when she heard Linghu Chong's words.

She did not expect that Linghu Chong actually knew the news about Wu Xiangjun's daughter. This was a big deal.

You must know that Lord Wu Xiang's army is about to overwhelm the Ming Empire. If you can capture Lord Wu Xiang's daughter at this time.

Then wouldn't it be possible to stop fighting this war?

At this time,

Ning Zhong heard Linghu Chong's words and wanted to stop him angrily.

She did not expect that Linghu Chong would betray Wu Xiangjun's daughter in order to keep his secret book of heaven-level swordsmanship.

Did Linghu Chong not want to live anymore?

If Mrs. Jun of Gusu City knew that her daughter was betrayed by people from the Huashan Sect, I am afraid that the Huashan Sect would be slaughtered without leaving any chickens or dogs.

Su Yan looked at Linghu Chong with surprise.

She didn't expect that it would be Linghu Chong who revealed her identity this time. She originally thought it was the hypocrite Yue Buqun who wanted to betray her. It seems that the Huashan sect is all the same. There is no good person in the Huashan sect..

Su Yan smiled and didn't care.

She wanted to cause trouble for the Ming Empire this time. If her identity was not exposed, how could she cause trouble openly?

And if her identity was exposed in the Ming Dynasty, Su Yan didn't believe that her father wouldn't show up to look for her.

Lu Xiaofeng said that Sikong Zhaixing was now very shocked.

They did not expect that Su Yan's identity, Linghu Chong of the Huashan Sect, actually knew about it, and they knew that they were in trouble this time.

Moreover, Lu Xiaofeng now suspects that Su Yan must have done this on purpose.

Su Yan should know that people from the Huashan Sect know her, but when she came to the Huashan Sect, she didn't even cover her face. This was obviously to let the people from the Huashan Sect recognize her. she.

What on earth is this little girl going to do now?

Lu Xiaofeng and the others were now standing vigilantly beside Su Yan. If people from the Ming Palace took action against Su Yan, they would have no choice but to protect Su Yan from leaving the Ming Palace.

At this time,

Su Yan burst out laughing. Her clear laughter attracted everyone here to look at her.

Su Yan looked at Linghu Chong and said with a smile,

"Hahaha! The Huashan sect is good, but I didn't expect that the Huashan sect actually produces some despicable and shameless villains. This is an eye-opener for this princess."

Yue Buqun of the Huashan Sect looked at Su Yan and took a few steps back.

Now he remembered why this little girl was familiar to him. This little girl was the daughter of Wu Xiangjun.

Everyone in the Huashan Sect looked at Su Yan. Yan just looked surprised.

They didn't expect that this little girl was actually Princess Su Yan, the daughter of Wu Xiangjun, and this time their senior brother Linghu Chong was going to betray Princess Su Yan.

Yunluo County The Lord looked at Su Yan as if he had seen a ghost and asked, "You? Princess? Are you Princess Su Yan, daughter of Wu Xiangjun?"

Princess Yunluo looked at Su Yan and felt incredible.

She did not expect that Princess Su Yan would appear in the palace of the Ming Dynasty and even come together with her.

This Princess Su Yan is much bolder than Da.

Could it be that she Aren't you afraid that the Ming court will catch her?

Su Yan nodded and admitted with a smile, "Yes, Princess Yunluo, I didn't expect you to know my name."

Choke!

The Jinyi guards behind Princess Yunluo heard that this little girl turned out to be Princess Su Yan, the daughter of Wu Xiangjun. They all hurriedly pulled out their weapons and prepared to catch Su Yan.

Princess Yunluo When the Lord saw that the Jin Yiwei wanted to arrest Princess Su Yan, she looked at the Jin Yiwei and ordered hurriedly, "What are you doing? Put away your weapons. Do you want to rebel?"

The Jinyi guards here did not put away their swords when they heard Princess Yunluo's words. They looked at Su Yan as if they were ready to arrest everyone. If they can catch Princess Su Yan this time, then they have set a huge obstacle. Thanks to the credit,

Qianhu, a guard in golden clothes, saluted Princess Yunluo and said, "Princess, this is Princess Su Yan, the daughter of Lord Wu Xiang. If we catch her, the Holy Emperor will be very happy.""

"Didn't you hear me telling you to put away your weapons?" Princess Yunluo is a little angry now. She didn't expect that these Jinyi guards would not obey her orders, which made her very angry.

"Ha ha! Princess Yunluo, it seems that you are also a powerless princess in the Ming Empire. Even these guards do not obey your orders. It seems that you are quite pitiful."

Princess Yunluo has an ugly face now.

She didn't expect Su Yan to say this to her, but she seems to have no power in the Ming Empire.

But this Princess Su Yan is different. This little girl has so much power at such a young age. A legion army can even call the shots in Wu Xiangjun's territory, and no one dares to disobey Princess Su Yan's orders.

Princess Yunluo and Princess Su Yan are both princesses, but she is not the same as Princess Su Yan. There is no way to compare.

Princess Yunluo put her hands on her hips angrily and glared at Su Yan and said, "Princess Su Yan, you still have the heart to laugh at me, aren't you afraid that these Jinyi guards will catch you?"

"Just this crap can't catch me." Su Yan looked at these scumbag Jinyi guards and said disdainfully.

When the thousands of Jinyiwei heard Princess Su Yan's disdain for them, he couldn't help but loudly ordered, "If we take down Princess Su Yan, we can get the heaven." Give me the big credit!"

"stop!"

"Stop it all!"

Just when Jinyiwei was about to take action, Qingwu from Shenhou Mansion and Shangguan Haitang from Hulong Villa suddenly appeared and stopped him. Shangguan

Haitang and Wuqing did not expect that Princess Su Yan would appear in the palace of the Ming Dynasty. If Jinyiwei catches her now, With Princess Su Yan in residence, I am afraid that war will not be an issue in the future.

Jinyiwei Qianhu saw Qianqing and Shangguan Haitang arriving, and he was afraid that they would come to take the credit.

He threatened Wuqing and Shangguan Haitang and hurriedly ordered road,

"The people of Shenhou Mansion and the people of Hulong Villa, this is a matter for our Jinyi Guards. I hope you won't stop us and come to me."

"Yes, Qianhu!" Dozens of Jin Yiwei men rushed towards Su Yan with knives.

When Lu Xiaofeng and others were about to stop the Jin Yiwei, they saw Su Yan wave his hands, which made Lu Xiaofeng not understand what this girl was going to do again. What?

When Shangguan Haitang and Qingqing saw Su Yan stopping Lu Xiaofeng and the others, they didn't know what Princess Su Yan wanted to do.

"Kill them,"

Su Yan ordered expressionlessly when he saw the Jin Yiwei who were about to come to arrest her.

Su Yan stopped Lu Xiaofeng and the others just to prevent them from being embarrassed.

After all, this is the Imperial Palace of the Ming Dynasty.

If Lu Xiaofeng and the others took action to kill them These Jin Yiwei, I am afraid that they will be wanted by the Ming Empire in the future. This is not what Su Yan wants to see.

Tear! Tear! Tear!

Just after Su Yan gave the order, more than a dozen shadow assassins suddenly appeared and silenced these Jin Yiwei in an instant. Wu Xi slashed their throats and killed them all.

When Sikong Zhaixing saw the black-clothed shadow assassin appearing, he was surprised and said, "Holy crap!" As expected, someone is protecting this girl."

Lu Xiaofeng looked at Su Yan and was very confused.

He didn't expect that Su Yan would take action against them. Didn't this girl intend to let them protect her from the beginning?

Lu Xiaofeng looked at Sikong Zhaixing and said helplessly, "Sikong Zhaixing, This girl doesn't want to embarrass us. Princess Su Yan probably never thought of asking us to protect her from the beginning."

Although Hua Manlou has contacted Su Yan for the first time today, he is very optimistic about this little girl now. I am afraid that this girl's achievements will be no less than her father's in the future.

"Um! If we take action, I'm afraid we won't be able to gain a foothold in the Ming Dynasty in the future. Princess Su Yan is indeed a smart and intelligent girl."

After Su Yan saw that the Jin Yiwei who wanted to capture her was killed, she looked at Princess Yunluo and said with a smile, "Princess Yunluo, see what I said, right? These Jin Yiwei are all scum. It's just trash. I helped you deal with the rebel men this time. How do you want to thank me?"

Chapter 770

Princess Yunluo was very frightened now.

She did not expect that Princess Su Yan's men would be so powerful. In just an instant, more than thirty Jin Yiwei were killed silently.

And this little girl didn't hesitate at all when she ordered the killing of these royal guards, just like asking her men to kill chickens. This made Princess Yunluo a little scared when she looked at this little girl.

Princess Yunluo looked at Su Yan, swallowed her saliva and said worriedly, "Princess Su Yan, you won't kill me too, will you?"

Su Yan looked at Princess Yunluo's frightened look and pretended to be pitiful. He said, "Princess Yunluo, are you afraid of me now? I am a child!"

Lu Xiaofeng and the others were speechless when they heard Su Yan's words, child?

Which child led an army to destroy the country at the age of six?

Which six-year-old child would order his subordinates to kill people at every turn?

Is there a six-year-old kid who goes around causing trouble at such a young age?

Lu Xiaofeng and the others were completely helpless with this smart little girl. If anyone looked at this little girl as a child, they would probably be deceived by this little girl without even knowing why.

Princess Yunluo rolled her eyes when she saw Su Yan's innocent look. Now she understood that this little girl was a little devil, even a little devil trained by her father Wu Xiangjun.

Princess Yunluo saw that the Imperial Guards and Imperial Guards around her had noticed this. She looked at Princess Su Yan who was still calm and composed and reminded, "Princess Su Yan, aren't you going to escape? If you don't escape, I'm afraid It's too late."

Su Yan said nonchalantly, "It's okay, your Ming Empire doesn't dare to catch me now, and you can't catch me."

Su Yan also saw the troops surrounding him. But she didn't care about these armies at all.

An accident would happen during today's competition at the top of the Forbidden City. Although she didn't know what the accident was, the troops and masters in the palace today would definitely not care about her.

Even if a master comes to catch her, she is protected by Aunt Shi Guanyin, and there will even be a jellyfish Yin Ji who is more powerful than Shi Guanyin coming tomorrow.

She was protected by two powerful half-step golden elixir masters, but

Su Yan could walk sideways in the Ming Dynasty.

Princess Yunluo said with a look of disbelief, "Don't dare to arrest you? This is the palace of the Ming Empire. Now your mother has ordered the army to attack our Ming Dynasty. Do you think our Ming Dynasty will not arrest you to threaten your mother?"

"Hahaha! Princess Yunluo, I think you are very interesting. How about we be friends?"

"cut! Who wants to be friends with a little girl like you? We are enemies. Does the enemy know?"

"enemy? Just you? Do you believe that if I ask your emperor brother to give you to my father, our Gusu City will stop fighting. Do you think your emperor brother will give you to my father as a concubine?"

"you....."

Princess Yunluo blushed when Su Yan said that.

She didn't expect this little devil to say this. But if this little devil really said this, I'm afraid her emperor brother would really give her to this little devil's father. concubine.

Zhu Qiqi, Zhou Zhiruo, and even Qingqing and Shangguan Haitang were speechless when they heard Su Yan's words. This little girl is really lawless now. If her mother knows about these things, she may suffer in the future.

Su Chen looked at the blushing Princess Yunluo and smiled. Wouldn't this silly Princess Yunluo take her seriously?

Su Yan shook her head and looked at Linghu Chong, who was about to betray her, and asked coldly, "Linghu Chong, do you want to hand over the secret book of heaven-level swordsmanship or not?"

"I....."

Linghu Chong didn't know how to answer now.

This little princess was very scary now. If he didn't hand over the secret book of Dugu Nine Swords, I'm afraid this little princess would kill him.

But if he hands it over, I am afraid that senior Feng Qingyang of the Huashan Sect will not be able to spare him. Linghu Chong is in a very difficult situation now.

""You Ruo"

Su Yan saw that Linghu Chong was still coquettish at this time, and she looked down very much on this bastard who wanted to betray her just now.

"Princess!"

You Ruo suddenly appeared next to Su Yan and said politely,

"Cut off one of Minghu Chong's arms"

"Yes, Princess!"

Ah!

After hearing Su Yan's order, Linghu Chong quickly drew out his sword and prepared to resist. However, as soon as he drew out his sword, You Ruo suddenly appeared next to him and slashed his right arm with a sword.

Linghu Chong's right arm The long sword in his hand fell to the ground, and Linghu Chong also screamed in pain.

"Linghu Chong, hand it over now or not?"

"Hand it over, I hand it over!"

"It's really a penalty for not eating the toast."

After Linghu Chong handed the secret book of Dugu Nine Swords to Su Yan, Su Yan was too lazy to pay attention to this bastard.

She looked at the secret book and put it away.

This heaven-level sword skill secret book is quite good. The martial arts in the Xuantiao Palace This time there is another heaven-level swordsmanship secret book in the pavilion.

Su Yan looked at Ximen Chuixue and Ye Gucheng who were still fighting and was very speechless. Now Ximen Chuixue and Ye Gucheng seemed to be angry. In the Forbidden City Dian Dian was completely destroyed by them.

Lu Xiaofeng came to Su Yan and asked directly, "Su Yan, I'm afraid it will be difficult for you to leave now. What are your plans this time?" Can you tell us?"

He wanted to know what this little girl was going to do this time?

Why did she want to expose her identity?

Su Yan looked at Lu Xiaofeng and smiled and said, "Haha! No, but you will know tomorrow"

"You!"

At this time,

Zhu Wuwu and Zhuge Zhengwo arrived here. They also found that dozens of Jinyi guards had died here, so they hurried over to take a look.

"I met my adoptive father! Lord God!"

"I've seen the Lord God! Hou Ye!"

Zhu Wuwu and Zhuge Zhengwo waved their hands to Shangguan Haitang and Qingqing and then saluted Princess Yunxi,

"Zhu Wuyi has met Princess Yunluo!"

"Zhuge Zhengwo, I have met Princess Yunluo!"

"The emperor's uncle and the divine prince are exempt from the ceremony. Princess Yunluo looked at Su Yan and said to Zhu Wuwu and Zhuge Zhengwo.

Zhu Wuwu looked at Shangguan Haitang and asked her, "Haitang, what happened here? Why did dozens of Jinyi guards die?"

"this....." Shangguan Haitang lowered her head and didn't know whether she should tell Zhu to ignore Su Yan's identity.

She was very conflicted now.

She couldn't stand that bastard Su Chen, but she wanted to tell Su Chen what happened to her daughter here. Zhu ignored it, she couldn't do it, at least what Su Yan was doing here couldn't come out of her mouth.

When Su Yan saw that Shangguan Haitang didn't reveal her identity, she guessed that Shangguan Haitang was probably his father's friend like Lu Xiaofeng and others. She didn't want to embarrass Shangguan Haitang, so

Su Yan said to Zhu Wuwu without shame, "I ordered these Jin Yiwei to be killed."

Zhu Mingwu did not expect that the Jin Yiwei here was ordered to be killed by this little girl, but what is the identity of this little girl?

And why are people like Lu Xiaofeng so nervous about this little girl?

"you? Little girl, who are you?"

Su Yan smiled and pointed at the Huashan Sect people and Princess Yunluo and said, "This! You can ask people from the Huashan Sect or Princess Yunluo. They all know my identity."
