### Chapter 771

When Princess Yunluo heard Su Yan's words, she felt that this little girl seemed to be afraid that other people would not know that she was Princess Su Yan.

Now she is not sure what this little girl is going to do, but this time she doesn't want to expose the little girl's identity.

Princess Yunluo thought about it and said to Zhu Wuwu and Zhuge Zhengwo,

"Uncle Emperor, Lord Shen, don't listen to this little girl. These Jin Yiwei want to rebel and don't even obey my orders, so I asked Lu Xiaofeng and the others to kill these ungrateful bastards."

"Is this really the case?" Zhu Wuwu looked at Princess Yunluo and felt that this matter might not be what she said.

He looked at Shangguan Haitang to make sure that these Jin Yiwei were dead, but at this juncture he must know that this and today Is it relevant to the big thing that is about to happen?

Princess Yunluo saw Zhu Wuwu looking at Shangguan Haitang and said hurriedly, "Of course, how could I lie to the emperor's uncle? If you don't believe it, you can ask Shangguan Haitang and Qingwu, or even the Huashan sect here."

Shangguan Haitang also nodded. Anyway, Princess Yunluo was in front of her, so she followed suit and made sure. Even if Zhu Wuwu knew the truth in the future, she could still say that Princess Yunluo forced her to do so.

"Princess, why don't these royal guards obey your orders?" Zhuge Zheng looked at Princess Yunluo and touched his mustache and asked.

Princess Yunluo pointed angrily at the corpse on the ground and said angrily,

"I want to get a martial arts secret book from the Huashan Sect. These bastards dare to disobey my orders. They deserve to die. When I get back, I will let my imperial brother teach the commander of the Jinyi Guard a lesson."

Princess Yunluo is not pretending to be angry this time. She is still very angry because these royal guards did not obey her orders just now.

She has decided to learn more from

Princess Su Yan, who is always willing to kill people. After chopping off her arm, Princess Yunluo felt that Su Yan had a much more exciting life than she, the princess.

"So that's it, then we won't disturb the princess." Zhuge Zhengyi looked at Princess Yunluo and then left with Zhu Wuwu.

After Zhuge Zhengyi and Zhu Wuwu left, the corpse here was also carried down by Zhu Wuwu's order by the surrounding imperial troops.

Su Yan looked at Yunluo County The Lord found it strange that this Princess Yunluo did not reveal her identity?

This is somewhat unreasonable.

Princess Yunluo is the sister of the Ming Emperor. Now her mother and aunt are sending troops to attack the Ming Dynasty.

Shouldn't this Princess Yunluo be Do you want to reveal your identity?

Do you want Zhuge Zhengwo and Zhuge Zhengwo to arrest you?

After Su Yan saw Zhuge Wuwu and Zhuge Zhengwo leaving, she looked at Princess Yunluo and asked in confusion,

"you are sick?"

"You just got sick." Princess Yunluo was not angry so she glared at Su Yan and said

"Then why didn't you tell me my identity just now?"

"cut! Little girl, you are not afraid at all when you come to the Daming Palace, and you are even eager to let people here know your identity. Do you think you have any conspiracy?"

"I'm plotting against you"

"Do you think I'm stupid?"

"You're not a fool, you're a huge fool"

"I'm too lazy to pay attention to you. By the way, Su Yan, where's the secret of martial arts? Give it to me quickly, I want to practice this heaven-level swordsmanship, Dugu Nine Swords"

"It's useless for you to cultivate in the fifth level of heaven the day after tomorrow. Wait until you reach the realm of innate cultivation before you can practice with me."

"Don't look down on others. You might not be as good as me in the future."

"Ha ha! I disappoint you. This princess is now at the sixth level of Xiantian cultivation. It is really embarrassing that you are not even as good as a six-year-old child." Su Yan looked at Princess Yunluo and burst out with a smile as she revealed her cultivation level.

She looked at Princess Yunluo and was very proud.

Princess Yunluo is also a princess like her, and now she can completely crush Yunluo. Princess, I wonder if Princess Yunluo will become autistic in the future?

Princess Yunluo looked at Su Yan and asked in surprise, "Hiss! How can it be? How come your cultivation level is so high? Su

Yan waved his hands and said, "Don't ask. Just ask because this princess is gifted.""

"Shit, you must have taken a pill to increase your power."When Princess Yunluo looked at the stinky Su Yan, she clenched her fist and wanted to beat her up.

This little girl was really annoying, but she seemed unable to beat a six-year-old girl. This made Princess Yunluo The Lord is very depressed

"Why don't you take this elixir?"

"I don't!"

"I have it! Want to eat?"

"If you want it, give it to me quickly."

Su Yan pulled Princess Yunluo and smiled and said,"Haha, then you take me to your Daming Palace. I want to see who is more beautiful and elegant than you, or our Xuanniao Palace in Gusu City. Beautiful and stylish"

"You don't have any conspiracy in the palace, do you?" Princess Yunluo looked at Su Yan cautiously and asked.

Su Yan pretended to be a very cute lady and said to Princess Yunluo,"How is it possible? I am a kind-hearted child. Those who fight and kill I don't know how to do things"

"I believe you!"

Su Yan took out a jelly bean that Su Chen had made for her before. She looked at Princess Yunluo and said sadly,

"Pill, pill, it seems like someone doesn't want you anymore."

When Princess Yunluo saw Su Yan taking out a crystal clear green elixir, she hurriedly said to Su Yan,

"Give it to me, I'll take you to the palace"

"OK, it's a deal." Su Yan casually stuffed the jelly beans into Princess Yunluo's hand and said with a smile.

Sikong Zhaixing kept twitching when he saw Su Yan deceiving Princess Yunluo with a jelly bean.

He looked at Yun Luo Princess Luo felt that she was very pitiful. From now on, Princess Yunluo still didn't know how she would be deceived by this little devil Su Yan. When

Fu Hongxue saw that Su Yan actually gave her a power-increasing pill, he was puzzled. Lu Xiaofeng asked,

"Is that really a pill that increases one's power? Lu

Xiaofeng glanced at Fu Hongxue and said with a smile, "Shit, that's just a candy. We've seen this little girl eat it before. Princess Yunluo was deceived by Su Yan this time.""

Fu Hongxue said with some shame when Lu Xiaofeng heard it, "Uh! This little girl is so cunning. She actually deceived Princess Yunluo with candy. Isn't she afraid of what will happen?"

"That girl must have a solution. She might tell Princess Yunluo that her talent is not good, or give some other reasons. Anyway, that girl is smart."

At this time,

Zhuge Zheng and I were sitting together and looking at Princess Yunluo. The two old foxes didn't believe what Princess Yunluo said just now, but they didn't guess what Su Yan was saying.

Zhuge Zhengwo asked Zhuge Zhengwo in confusion about his identity, frowning, "Shenhou, who is that little girl? Why do Lu Xiaofeng, Sikong Zhaixing, Huamanlou, Fu Hongxue, Zhu Wanwan's daughter and Zhou Zhiruo of the Emei sect all seem to be protecting her?"

Zhuge Zhengwu touched his beard and shook his head and said,

"I also can't understand that a little girl is protected by four great masters, and those great masters are all famous figures. Although the remaining Zhu Qiqi and Zhou Zhiruo are low in strength, they are Zhu Bai, the richest man representing the Ming Dynasty. Wan, one is the future head of the Emei Sect."

"Why didn't my adopted son Shangguan Haitang and your niece Qingqing tell us the truth?"

"Maybe Princess Yunluo threatened them, a littleIt's just her head. She's not what we should care about now. It's already halfway through Xu Shi. I'm afraid those conspiracies are about to begin."

"Um! I wonder if something will happen to the emperor this time?"

Chapter 772

Su Chen was very confused now.

He saw that Su Yan asked the shadow assassins to kill the imperial guards who were protecting Princess Yunluo, and Zhu Wuwu and Zhuge Zhengwo also went there. But why didn't Zhuge Wuwu and Zhuge Zhengwo capture Su Yan? ?

Why wasn't Su Yan's identity revealed?

What on earth is that girl going to do?

Su Chen saw Su Yan and Princess Yunluo leaving together, but Lu Xiaofeng and the others did not follow her. Su Chen guessed that Su Yan must have prevented Lu Xiaofeng and the others from following her.

Su Chen looked at Yun in her arms. Dream Fairy said,

"Yunmeng, go and protect that girl Su Yan. I don't know what that girl is going to do now."

Fairy Yunmeng nodded and agreed. She knew that this bastard Su Chen was worried about the safety of his daughter Su Yan, but when she left, she told Su Chen, "Okay, don't cause trouble in the palace. , your identity cannot be exposed now."

Su Chen took out a blue bird jade pendant from the system space and handed it to Fairy Yunmeng,"I know, if you hold this blue bird jade pendant, there must be someone around Su Yan to protect her. If you meet a powerful woman, you can take it. With this blue bird jade pendant, I don't want my own people to beat my own people."

"laugh! You are such a philandering bastard!"Fairy Yunmeng took the Blue Bird Jade Pendant and glanced at Su Chen.

She knew what the bastard Su Chen meant.

This bastard must be worried about conflicts between him and his other women.

This bastard is a shameless pervert.

Yunmeng Meng Fairy waved her hand to Su Chen and disappeared suddenly.

Su Chen was relieved to see Fairy Yunmeng go to protect Su Yan.

Although there were people around Su Yan protecting her, Su Chen was worried about the people in the Ming Palace. The Night Emperor will appear.

If the immortal Night Emperor appears in the palace, the people protecting Su Yan may not be able to protect Su Yan. After all, the immortal Night Emperor is very powerful. Emperor Ming is walking towards the imperial study room in the palace.

Go, now the competition between Ximen Chuixue and Ye Gucheng is going on in the palace, and he always feels that something is going to happen, which makes the Ming Emperor so confused that he has no intention to deal with state affairs.

"Holy lord, someone wants to see you?"At this moment, an old eunuch came in and said with a smile to Emperor Ming.

Emperor Ming frowned when he saw this old eunuch coming in.

This old eunuch came in without saluting him, and even dared to smile in front of him. He felt that there seemed to be something wrong with the old eunuch serving him.

"Who wants to see me?"

"I!"

A man who looked exactly like Emperor Ming came in with a group of people, and this man was actually wearing a dragon robe. This made Emperor Ming very surprised when he looked at this man. Emperor

Ming faced this person who dared to pretend to be him. He shouted loudly, "How dare you pretend to be me."

The Crown Prince Nan Wang who pretended to be the emperor was not to be outdone. He looked at the Ming Empire and shouted with a majestic look, "How dare you, I am the Emperor of the Ming Dynasty. You, a fake, dare to pretend to be me."

"Someone come! Catch this person pretending to be me." The Emperor of Ming Dynasty ordered angrily to the surrounding Imperial Guards, but the surrounding Imperial Guards did not seem to hear it, and the old eunuch next to him actually saluted the Ming Crown Prince after he arrived.

This made the Emperor of Ming Dynasty look around in horror. , he now understands that the forbidden army here and this old eunuch are all the people pretending to be him.

Lao Daobaozi followed the Nanwang Crown Prince and urged, "Crown Prince, act quickly, and save yourself a long night and many dreams.""

"Lao Dao Bao Zi, just send our Emperor to return to the west."

Prince Nan also knows that he must kill the Ming Empire as soon as possible so that he can completely control the Ming Empire. If something unexpected happens at this time, I am afraid that their chance will be in vain.

"good!"

As soon as Lao Dao Baozi waved his hand behind him, two men took swords and started to kill the Ming Emperor.

Boom!

Just when Lao Dao Baozi's men were about to kill the Ming Emperor, a one-armed man suddenly came out of the imperial study room. Appeared to kill his men.

When the Ming Empire saw Chu Liuxiang appearing, he hurriedly ran behind Chu Liuxiang and shouted, "Chu Liuxiang, come and save me!"

Taoist Lao Daobaozimu didn't expect that there was another person hidden here, and it was the famous bandit commander Chu Liuxiang. He looked at Chu Liuxiang, who was only at the peak of the master's cultivation level, and said indifferently,

"Chu Liuxiang? The handsome thief Chu Liuxiang? Unexpectedly, the famous bandit commander Chu Liuxiang turned out to be a one-armed man and became the eagle dog of the imperial court."

Chu Liuxiang was very angry when he heard Mu Taoist's words.

His arm was cut off by that bastard Su Chen. This was a shame for his life. If that bastard Su Chen hadn't made him unstable, I'm afraid he would have been promoted to Grand Master by now. Chu

Liuxiang looked at Taoist Mu and shouted angrily, "Shut up, you rebellious people should be arrested without mercy, otherwise don't blame me for being rude."

"Chu Liuxiang, you are the only one who is at the pinnacle of the Grandmaster level and you are still brazenly trying to stop us. It seems like you are really tired of living."

"It's not certain who will die and who will live."

"Go up and kill Chu Liuxiang and the Ming Emperor"

"yes!"

Mu Taoren's more than ten subordinates rushed towards Chu Liuxiang and the Ming Emperor after hearing the order, bump! bump! bump!

Chu Liuxiang used his peerless Qinggong to kick away these attacking masters. He was also very worried now. , these people are actually at the master level, and even the old man is still a very powerful person. He now hopes that his master can appear to save him and the Ming Emperor.

"kill!"

Mu Daoren's men surrounded Chu Liuxiang and each raised their weapons to attack Chu Liuxiang.

For a time, the imperial study room was shattered by the attacks of these people, and many precious treasures were destroyed by their fighting.

"Killing sword!"

"Heartbreaking Palm!"

"Soul-breaking finger!"

"Blood sword technique!"

Boom! Boom! Boom! Boom!"

"Feiling Lifting Technique!"

Chu Liuxiang saw more than a dozen masters attacking together. He hurriedly used Qinggong to avoid these attacks, but in the small imperial study room, he couldn't use his Qinggong at all. He was beaten down by these people after dodging a few times.

"Ahem! damn it!"Chu Liuxiang was hit directly on the wall of the imperial study room by the attacks of these people. He stood up hurriedly, holding his chest and coughing continuously.

"kill!"

These Jianghu people didn't stop when they saw Chu Liuxiang was injured. They still wanted to immediately kill Chu Liuxiang, the famous bandit commander in the Ming Dynasty.

Boom!

At this moment, the Jianghu people who attacked Chu Liuxiang suddenly fell to the ground one by one. One by one, they wanted to raise their heads in fear, but there was nothing they could do to raise their heads. In just an instant, each of these Jianghu people bled to death from their nostrils and mouths.

"who?"

Taoist Lao Daobao Zimu was very shocked when he suddenly saw this situation.

He did not expect that there was someone in the palace, and this person was probably a land immortal in the heavenly realm. Otherwise, more than ten masters would not have been killed in an instant. Killed.

Prince Nan was so frightened that he hurriedly hid behind Mu Daoren.

He was also very surprised now. How could there be so many changes in the plan this time? Now that another powerful person has appeared, they will not have a chance this time. Do you know if you can succeed?

"master!"

"Ancestor!"

Chapter 773

In the imperial study room of the Ming Palace, a mysterious old man appeared at some point. After the old man appeared, Chu Liuxiang and the Ming Emperor both saluted the old man.

"Who are you?" Taoist Lao Daobaozimu was very frightened when he saw the old man suddenly appearing.

This old man appeared silently in the imperial study room. He didn't even notice it at all. He even couldn't see the old man's cultivation now. Realm, this surprised him very much

"Night Emperor!"

The old man looked at Taoist Mu and said calmly,

"night.....Night Emperor! Walk!" When the old man heard that this man was Ye Emperor, he hurriedly grabbed the Prince of Nan Wang and ran away. But he knew how powerful Ye Emperor was. Even if there were ten of him, he would not be his opponent in Ye Emperor's capital, not even Zhang Sanfeng of Wudang Sect. Ye Di's opponents, if they stay, they will definitely die.

"Now that you are here, stay!" Ye Di looked at Mu Tao Ren and the others and wanted to escape. He stretched out his palm and patted Mu Tao Ren and Nan Wang Crown Prince casually.

Boom!

Ah!

Nan Wang Crown Prince died suddenly without even calling out, and Mu Tao Ren relied on his Although the special movement skills escaped Ye Emperor's fatal attack, he is now seriously injured.

Mu Taoren did not stop at all. He quickly fled out of the palace while bleeding.

This Ye Emperor is too terrifying. He will never stop in the future. None of them wanted to face the powerful existence of Ye Di.

When Chu Liuxiang saw Mu Taoist running away, but his master did not take action to kill Mu Taoist again, he wiped the blood from the corner of his mouth and asked Ye Di, "Master , why didn't you kill that person?"

"He's just a clown, but there are still a few people in the heavenly realm in the palace. If that person escapes, just run away."

It's not that Emperor Ye doesn't want to kill that Taoist Mu.

If he kills Taoist Mu again now, I'm afraid his aura will be discovered by the masters of the Celestial Realm in the palace. He doesn't want those Celestial Realm masters in the palace either. The master found him in the palace.

Emperor Ming came to Ye Emperor and saluted and thanked him, "Thank you, ancestors, for saving your life."

"No need to thank you. You should deal with those rebellious people."

"Yes, ancestor!"

Chu Liuxiang is still confused.

His master actually said that there are still several land gods in the heaven and human realm in the palace, and how many land gods in the heaven and human realm?

What are those land gods in the heaven and human realm doing in the palace?

Those heavenly beings The land gods in the human realm will not come to see the competition between Ximen Chuixue and Ye Gucheng.

Has the crisis in the palace not been resolved this time?

Are these people just pawns?

Are the land gods in the heavenly realm the ones who really want to take action? ?

Chu Liuxiang felt very complicated when he saw Ye Di disappearing again. His strength was too low now.

If he had the ability to kill these pawns this time, he probably wouldn't need his master to take action, and Chu Liuxiang wouldn't do it now either. Will knowing the identity of his master Ye Di be discovered by those land gods in the heavenly realm? The competition between Ximen Chuixue and Ye Gucheng is still going on in the palace square. Their strength is half a catty to eight ounces. Now everyone has There was nothing anyone could do. If the two of them didn't use real tricks, I'm afraid they would be indistinguishable for a while.

Su Chen was sitting here drinking tea and watching the competition between Ximen Chuixue and Ye Gucheng, but he found that Shangguan Haitang He kept looking at him.

This made Su Chen worry that Shangguan Haitang was suspicious of him.

"Why does this woman Shangguan Haitang keep looking at me? Could it be that she saw that she was disguised?"

Just when Su Chen was thinking about Shangguan Haitang, a crisp voice said next to Su Chen, "Amitabha, donor, I am Yilin from the Hengshan Sect. Can I take a rest here?"

Su Chen turned around and saw a pretty little nun appearing next to him. This somewhat submissive little nun was standing here in a formal manner. Su Chen didn't expect that this pretty little nun was Yilin, but why? Yilin came to the Daming Palace alone this time?

It seems that the Hengshan Sect didn't come this time, right?

"Hengshan sect? Yilin? Why didn't you come with your Hengshan sect?"

Yilin saw clearly that this person was a very ugly middle-aged man, and she felt that she should not come here this time, but there was no other place to sit and rest in the palace. She was tired and thirsty now,

Yilin He clasped his hands and said to Su Chen, "Donor, people from the Hengshan Sect were originally going to come together, but there were some changes on the road. Master and the others did not come to the Daming Palace this time. I came alone without being notified."

"Sit down first."

Su Chen looked at the confused little nun and smiled and said.

This little nun must have suffered a lot on the road. Judging from her travel-stricken appearance, she must not have stayed in any inn. I'm afraid she didn't live in a ruined temple along the way. , just find a place to rest

"Thank you donor!"

Yilin didn't know where to put her hands when she sat down. Now when she looks at this ugly middle-aged man, she is very afraid that he is a bad person. Now she regrets coming here.

"Little nun, have some tea!"

"Thanks!"

Su Chen looked at the very formal Yilin and smiled.

This little rabbit-like nun is probably scared.

He looks like an ugly and fierce person now. Yilin is probably doing her a disservice.

Su Chen Looking at Yilin, she smiled and said teasingly,"You're welcome. If you drink my tea, you'll be mine. You see, I'm ugly and I don't have a wife at this age. You can return to secular life and be my wife."."

Pfft!

Cough cough cough cough!

"Amitabha, giving.....Donor, I am a monk and I cannot get married."Yilin was drinking tea and suddenly choked in shock when she heard Su Chen's words. She hurriedly made a Buddha name and said to Su Chen,

"You can return to secular life." Su Chen saw Yilin's little face suddenly turn red, and she continued teasing,

"I can not!"

"you can!"

Yilin is now very afraid of Su Chen.

This ugly man is going to attack her.

She now regrets coming here very much. "I can't, I really can't return to secular life. Donor, I'm leaving. Thank you for the tea."

Su Chen grabbed Yi Lin who was about to stand up and leave.

He pretended to be a flower picker and touched Yi Lin's face. He said coquettishly, "Don't leave once you're here. You're a beautiful little nun. If I were It would be unreasonable to let her go. I had never played with a nun before, so I didn't expect that such a beautiful little nun would come to my door automatically this time."

Yilin hurriedly tried to break away from Su Chen's hand, but she found that this ugly man was stronger than her. She couldn't break free from this ugly man's hand.

Yilin looked like she was about to cry when she looked at Su Chen. It looked like she was really going to be bullied by this ugly flower picker this time.

Chapter 774

Su Chen was so scared when she saw Yi Lin that she was about to cry.

He smiled and let Yi Lin go.

This little nun was too innocent. I was afraid that if he continued to scare her, she would really break down and cry.

When Yilin saw that Su Chen let her go, she hurriedly left this ugly man.

This ugly man was a flower picker. Yilin didn't want to stay here and be bullied by this flower picker.

"I know your sister is there." Su Chen said with a smile when he saw Yilin about to leave,

"My sister? Do you know who my sister is?" Yilin stopped when she heard Su Chen's words. He looked at Su Chen and asked hurriedly.

Su Chen smiled when he saw Yilin taking the bait.

This Yilin's sister Dongfang Bubai is as powerful as Yao Yue. He had heard Yao Yue talk about Dongfang Bubai more than once.

Although he had no interest in Dongfang Bubai, this little nun Su Chen was very interested.

Yi Lin, who had been in the world for many years To be so innocent and innocent is rare in the world.

Su Chen poured Yi Lin another cup of tea and said, "Of course, your name is Dongfang Lin, and your sister's name is Dongfang Bai. Am I right?"

Yilin was very excited now.

She didn't expect that there would be news about her sister who had been missing for many years. This made her very happy.

Yilin nodded hurriedly to Su Chen and said, "Yes, yes, my sister is here. There? Tell me quickly?"

"That's not okay. Why should I tell you if there's no benefit?"

"What benefit do you want?"

"Hehe, I don't have a wife yet, do you understand?"

"No, no, no, this is really not possible, I am a monk."

Su Chen looked at the flustered Yi Lin and started talking nonsense.

"oh! Forget it, you don't care about your sister's life or death anyway, but your sister's current situation is very bad. If your sister dies, don't blame me."

Su Chen finds it interesting now.

This little nun is so easy to deceive. If

I scare the little nun this time, she won't cry again, right?

Su Chen is very bored now, and it's okay to have this little nun to accompany him to relieve his boredom. Not bad.

Yilin looked helpless when she looked at this ugly man.

This man was old enough to be her father, and he was also a flower picker. This bastard actually threatened her with her sister's affairs.

Yilin Lin really has no choice now.

She can't ignore her sister's affairs, but she doesn't want to hand herself over to this flower picker.

Yilin looks at Su Chen aggrievedly. She hopes that this bastard will tell him kindly. About her sister.

Just when Su Chen was teasing Yi Lin, the people around him stood up one after another. They saw that Ximen Chuixue and Ye Gucheng were preparing for the final contest.

The winner was about to be announced.

Here People in the world started talking about it.

"Look, Ximen Chuixue and Ye Gucheng are about to compete."

"They are all preparing for a trick now. It seems that they are going to have a showdown."

"Who do you think will win in the end?"

"Ye Gucheng, Ye Gucheng's flying immortal is the most powerful"

"I think it's Ximen Chuixue. Ximen Chuixue's Piaoxue sword technique is also very powerful."

"I can't say for sure. They are both leaders of the younger generation. One is the future Sword Master and the other is the future Sword God. They are both too powerful."

"Um! After tonight's competition at the top of the Forbidden City, Ximen Chuixue and Ye Gucheng are the real sword gods and sword masters."

"Sword God and Sword Master, now it depends on which one of them is more powerful."

Lu Xiaofeng and the others also stood up one by one.

They were worried that one of them would be killed or injured between Ximen Chuixue and Ye Gucheng. After all, a master's duel requires all-out efforts.

Fu Hongxue looked at Ximen Chuixue and Ye Gucheng's continuous gathering of skills face to face. He asked worriedly, "Ximen Chuixue and Ye Gucheng are not really desperate for a life-and-death battle, are they?"

Although Lu Xiaofeng is also worried that Ximen Chuixue and Ye Gucheng will attack each other at all costs, he believes that Ximen Chuixue and Ye Gucheng will be measured.

"No, but they have to go all out in this competition. This is a sign of respect for a swordsman."

Sikong Zhaixing looked helpless now.

Girl Su Yan has run away with Princess Yunluo. I wonder which girl will cause trouble again?

And Ximen Chuixue and Ye Gucheng competed, but they did not follow what they had discussed before. Yes, these people are too troublesome.

"With all due respect, don't they know they are being taken advantage of this time? Let's just have a casual fight here. If they are all injured after a while, I'm afraid it will be easy for the people in the palace to catch them. Huamanlou grabbed Sikong Zhaixing, who was walking back and forth, shook his head and said, "Sikong, nothing will happen to Ximen Chuixue and Ye Gucheng. You can rest assured about this."

Sikong Zhaixing sat down and said depressedly, "What about Su Yan?" Do we really not care about that girl?"

Lu Xiaofeng took a sip of wine and said helplessly,

"Since Su Yan said that we should wait at Zhu Qiqi's house, let's wait at Zhu Qiqi's house. We can't do anything in the palace."

Lu Xiaofeng really has no way to deal with Su Yan now.

That girl must be planning something. Su Yan's behavior today is very abnormal, but he can't guess it now.

As for the Huashan Sect,

Yue Buqun must be captured Living in Linghu Chong, he was angry and forced to say,

"Linghu Chong, hurry up and write down the heaven-level swordsmanship for me. You are a traitor who deceives your master and destroys your ancestors. You are the cause of today's events. If Wu Xiangjun's wives destroy our Huashan sect in the future, I will be a ghost. won't let you go"

"I won't write it even if I die, so just give up, you hypocrite"

"Damn it!"

When Yue Buqun heard Linghu Chong's words, he pierced his thigh with his sword.

He is now full of resentment towards Linghu Chong.

He has long been disgusted with this useless disciple. If it weren't for that heaven-level swordsmanship, he would I'll kill this bastard now.

Ah!

"Hypocrite, you sold my wife to survive in the apricot forest, and now you want to kill me for my swordsmanship. You are a despicable and shameless hypocrite."

"damn it!"

Yue Buqun was very angry when he heard Linghu Chong's words.

When he saw the way the disciples here looked at him, he knew that these disciples believed Linghu Chong's words. This made Yue Buqun so angry that he cut him off with a single sword. He hit one of Linghu Chong's ears.

Ah!

Linghu Chong was rolling around on the ground covered in blood.

He was full of murderous intent towards Yue Buqun. He thought that if he didn't die this time, he would definitely kill Yue Buqun with his own hands. He was killed.

I believe Ning Zhong was also very angry.

She did not expect that Linghu Chong would explode these things. How would she behave in the future?

Ning Zhong looked at Yue Buqun and Linghu Chong, and she was stunned. Yue Lingshan was so forced that she walked outside the palace.

She would never go back to the Huashan sect.

Ning Zhong thought that the people of the Huashan sect were either hypocrites or smart-alecks. She was completely disappointed with the Huashan sect and also with Yue Bu. The group of eunuchs were heartbroken.

On the top of the Forbidden City, the final duel between Ximen Chuixue and Ye Gucheng was about to begin. Ximen Chuixue and Ye Gucheng nodded to each other and flew up at the same time.

"A full blow!"

"A full blow!"

Chapter 775

Everyone in the Ming Palace looked at Ximen Chuixue and Ye Gucheng on the top of the Forbidden City. The two outstanding figures of the younger generation were about to launch the final blow.

Will the sword god Ximen Chuixue win?

Or will Sword Master Ye Gucheng win in the end?

This is what everyone here wants to know.

At this moment, Su Chen no longer teases the little nun Yilin.

He now also wants to know the final decisive battle.

Who will win in the end, Ximen Chuixue or Ye Gucheng?

At this time, after Ye Gucheng flew into the air, white clouds appeared vaguely behind him, which made the Forbidden City brighter in the dark night.

After Ximen Chuixue flew into the air, he looked like a Ice cubes and snowflakes could be seen everywhere around him, which showed that it was extremely cold around Ximen Chuixue.

The people in the palace felt the sword intent of Ye Gucheng and Ximen Chuixue, and they all involuntarily took a few steps back.

They did not expect that Ye Gucheng and Ximen Chuixue's sword intentions would be so powerful. This terrifying momentum was probably invincible to them in the Grand Master.

These Jianghu people looked at Ximen Chuixue and Ye Gucheng on the top of the Forbidden City and talked excitedly.

"What a terrifying sword spirit, one is aloof and the other is cold and arrogant, these are the real swordsmen"

"very scary!"

"hiss! Is this the momentum unleashed by the great master? Why do I feel that we are so small now?"

"Awesome, awesome. Ximen Chuixue and Ye Gucheng will probably be the most powerful swordsmen in the future."

"A white cloud, a snowflake, being able to see these visions in your lifetime is not a wasted life."

If Su Chen and Yi Lin looked at Ximen Chuixue and Ye Gucheng who were emitting terrifying sword intent, although these were nothing to Su Chen, these sword intents left Yilin dumbfounded and

Yilin's face turned slightly red. He looked at the top of the Forbidden City and said in shock, "It's so scary. This is much more powerful than my master."

"What level of cultivation is your master? Su Chen asked suspiciously when he heard Yilin's words.

How could Yilin's master compete with Ximen Chuixue and Ye Gucheng? die

"Grandmaster!"

Yilin said seriously when she heard what Su Chen said.

Yilin also wanted to use her master's strength to scare Su Chen. She hoped that Su Chen would not embarrass her after hearing about her master's strength.

Su Chen heard that Yilin After saying that, he shook his head speechlessly.

He didn't expect that such rubbish strength could be the leader of a sect. This made Su Chen feel that the Hengshan sect was probably at the bottom of the Ming Dynasty.

"Little nun, have you seen these female guards behind me?"

"I saw it!"

"They are all at the level of master cultivation."

"ah!"

"Do you still think your master is strong?"

Yilin was dumbfounded when she looked at the female guards behind Su Chen.

She didn't expect that these guards were all at the level of masters, which was much stronger than their Hengshan sect.

The Hengshan sect only had three masters.

Yilin looked at Su Chen and was even more worried. She might not be able to escape from the flower picker this time.

Yilin looked at Su Chen and clasped her little hands in fear and said, "I.....I.....We are monks. Whether we are strong or not has little effect on our Hengshan sect."

Su Chen was very helpless when he heard Yilin's words. This little nun was really cute and silly.

Su Chen didn't scare Yilin anymore.

This simple little girl had little to do with him anyway. He would tell her soon. Her Dongfang Bubai matter made her leave.

Today's competition at the Forbidden City was about to end.

Su Chen originally wanted to go to the palace to see what was going on inside, but he thought of the old immortal Night Emperor in the palace. The Emperor of the Ming Dynasty will definitely be fine, and there is no need for him to go to the palace to check.

Just when Ximen Chuixue and Ye Gucheng were preparing for the final blow,

Zhuge Zhengwo and Zhu Wuli in the Ming Palace, the people on the high wall of the palace Shi Guanyin, Hua Baifeng,

Fairy Yunmeng who had just arrived around Su Yan, and even Ye Di deep in the palace were all very surprised when they saw the powerful sword intent of Ximen Chuixue and Ye Gucheng.

These The terrifying sword intent is also a threat to the land gods in the early stage of the Celestial Realm. If the land gods in the early stage of the Celestial Realm do not practice the king-level martial arts secrets, I am afraid that even the strong ones in the early stage of the Celestial Realm will be injured.

And at this time ,

Ximen Chuixue and Ye Gucheng were on the top of the Forbidden City.

Ye Gucheng in green clothes and Ximen Chuixue in white had only their opponents in their eyes now.

Ye Gucheng raised his sheath sword directly towards Ximen Chuixue. Break out

"Flying fairy from heaven!"

Ximen Chuixue held the sword flat against his chest and swung it suddenly,

"One sword fell to the snow!"

Ye Gucheng's sword struck Ximen Chuixue like a bolt of lightning, while Ximen Chuixue's sword flashed with countless snowflakes and suddenly rushed towards Ye Gucheng. Boom boom boom!

Suddenly there was a white light and a crystal clear sky on the top of the Forbidden City. The snowflakes collided together, and the impact caused Yu Bo to collapse half of the Forbidden Peak, and even the surrounding rubble hundreds of meters away flew away.

The people in the Jianghu below the Forbidden Peak were also shaken by Yu Bo Staggering around, the palace was in chaos for a while.

After a while, when the people here looked at the top of the Forbidden City, they found that Ximen Chuixue and Ye Gucheng were already standing together on the broken top of the Forbidden City.

It's just that Ye Gucheng's black-sheathed sword was pointed at Ximen Chuixue's eyebrows, while Ximen Chuixue's sword was pointed at Ye Gucheng's chest.

This competition at the top of the Forbidden City seemed to be ending in a draw.

Ximen Chuixue's cold face was now He was completely pale. He suddenly spit out a mouthful of blood and said expressionlessly,

"The Flying Fairy from Heaven is really powerful, I lost!"

"No, your last sword, Luoxue, was very powerful. I lost."Ye Gucheng is also pale now. He spit out a mouthful of blood after Ximen Chuixue gave up.

Ye Gucheng thought that although he did not go all out in this duel, Ximen Chuixue probably did not go all out either. Their strength in this battle There should be no difference between top and bottom, and there should be no difference in victory or defeat.

Ximen Chuixue looked at Ye Gucheng and said coldly and arrogantly,"You didn't try your best, otherwise I would be dead now.

Ye Gucheng looked at Ximen Chuixue expressionlessly and said,"You didn't try your best either. Although I can kill you with my best, I will also be killed by you.""

"draw!"

"draw!"

"Fight again next time!"

"Fight again next time!"

The Jianghu people in the palace were in an uproar when they heard the conversation between Ximen Chuixue and Ye Gucheng. They did not expect such a powerful attack. Ximen Chuixue and Ye Gucheng did not use their full strength. This made the Jianghu people here look at Ximen Chuixue and Ye Gucheng. Gucheng was very shocked.

At this time,

Zhuge Zhengwu and Zhu Wuwu led thousands of forbidden troops and guards in the palace. Even the four famous arresters and the four spies were staring at Ye Gucheng.

Zhuwuwu looked at the top of the Forbidden City Ye Gucheng shouted loudly,

"Ye Gucheng, come down and capture us now. The dignity of the Ming Empire needs your blood to wash away it."

The Jianghu people in the palace now also understand that this is the Ming Dynasty court wanting to settle accounts after the fall. After all, competing on the top of the Forbidden City of the Ming Dynasty trampled on the majesty of the Ming Empire.

But the Jianghu people here felt strange when they looked at Ximen Chuixue, the Ming Dynasty Why did the people in the imperial court only target Ye Gucheng?

What about Ximen Chuixue?

Why didn't the people in the Ming court mention Ximen Chuixue?

Chapter 776

On the top of the Forbidden City,

Ye Gucheng and Ximen Chuixue frowned when they heard Zhu Wuwu's words. This was different from what Lu Xiaofeng said. Wouldn't the Ming court pay no attention to them in order to deal with this conspiracy?

Now thousands of archers from the Forbidden Army have turned against them. Even the masters of the Ming Dynasty have surrounded the top of the Forbidden City, and there are tens of thousands of troops surrounding the palace.

Ye Gucheng and Ximen Chuixue looked at each other and then took their swords and prepared to fight out. They would not be captured without mercy.

When Su Chen saw Zhu Wuwu and Zhuge Zhengwo leading their men to kill Ye Gucheng, they said to themselves,

"I'll do it! Ximen Chuixue and the others are in trouble this time, but why is there no movement in the palace now? Has that old immortal Night Emperor already dealt with the troublemakers? All the people of Crown Prince Nan were killed by Emperor Ye?"

"What did you say?"

Yilin asked suspiciously when she heard Su Chen muttering beside Su Chen.

"none of your business! Why do monks ask so many questions?"

"you.....I....."

Su Chen took out hundreds of taels of silver from the system space and said to Yilin,

"I don't want you and me anymore. You should leave the palace now. This money is given to you. In addition, you can go to Hengyang City to find an oiran named Dongfang Bubai in a brothel called Shui Nian Hua. That Dongfang Bubai is your sister. You You can show her your wallet and she will know."

Su Chen doesn't want Yilin here now. If Ximen Chuixue and Ye Gucheng can't escape later, he will rescue them. It's very dangerous for Yilin to stay here.

Before the fight starts,

Su Chen decided to let Yilin leave the palace first.

When Yilin saw the silver that Su Chen put into her hand, she said stupidly, "You don't want me anymore?"

When Su Chen heard Yilin's words, he felt like he was a heartless man.

He seemed to have trashed Yilin and no longer wanted her. It looked like he was using money to send Yilin away from him.

"Holy shit! I was joking just now. Don't take it seriously. Leave immediately." Su Chen patted Yilin's little head and said speechlessly.

Yilin felt that this flower picker was cheating on her.

She must have not agreed to be his woman. This flower picker was no longer interested in her as a nun.

This What the flower picker told her must be false.

Thinking of this, Yilin put the money on the table and said with a serious face, "I won't leave, what if you lied to me? I won't be able to find you by then?"

"I'll do it! What I said is true. Your sister was a courtesan in Lost Time, but she was pretending there. Your sister is a powerful master. You will know it when you meet your sister."

"You really didn't lie to me?"

"No"

"real?"

Su Chen really has nothing to do with this confused little nun.

Yilin was afraid of her own death just now, but now she can't drive her away no matter how hard she drives her away.

"Really, everything I said is true, little nun, leave quickly. Didn't you see that there was going to be a fight here?"

Yilin said to Su Chen with an innocent face, "But the palace was closed when I came here. I have no choice but to go out now."

"His! You are in such trouble."

Su Chen was speechless.

He didn't expect that the palace was under martial law. Could it be that the Ming court wanted to take action against all the Jianghu people here this time?

Su Chen had no choice but to send this little nun away now. It's no longer possible. You can't hold the little nun and send her away by teleporting, right?

Su Chen suddenly found that Shangguan Haitang was still checking on him at this time. This made Su Chen unable to send Yi Lin away.

Su Chen saw Shangguan Haitang thought of pretending to be a man,

【Why does Shangguan Haitang still look at herself from time to time?】

【Did that shrewd woman really know her identity?】

【Her current appearance is very ugly, she shouldn't recognize herself, right? 】

At this time,

Zhu Wuwu and Zhuge Zhengyi saw Ye Gucheng and Ximen Chuixue preparing to resist, so they waved their hands and prepared to let their men take Ye Gucheng.

Zhu Wuwu looked at Ximen Chuixue and was about to take action.

He was also afraid that Ximen Chuixue misunderstood that they wanted to keep him.

Zhu Wuwu hurriedly said to Ximen Chuixue on the top of the Forbidden City, "Ximen Chuixue, you can leave, we won't embarrass you." You."

Ximen Chuixue was confused when she heard Zhu Wuwu's words.

What's going on?

This competition at the top of the Forbidden City was with him and Ye Gucheng. Why would Zhu Wuwu let him go now?

Then why didn't Ye Gucheng let him go together?

Ye Gucheng looked at Ximen Chuixue's confused look and said, "Are they afraid of your identity?"

"identity?"

"You are Lord Wu Xiang's sworn brother. The Ming Empire does not dare to take action against you if it wants to persuade Mrs. Jun to stop fighting. The Ming Empire does not dare to offend you at this time."

"So this is ah!"

Ximen Chuixue now understands that

Ming Dynasty has been sent millions of troops by Mrs. Jun to attack Ming Dynasty. Ming Dynasty must try every means to avoid the invasion of Wu Xiangjun's army.

His identity is Wu Xiangjun's sworn brother.

If Daming didn't want to completely offend Mrs. Jun, they would definitely not dare to take action against him this time.

Ye Gucheng looked at Ximen Chuixue and showed a smile and said, "Leave. It's better for me to die here alone than for the two of us to die together." Strong here."

Ximen Chuixue shook his head and said expressionlessly, "I will not leave my friends and run away. Besides, we will have to fight in the future, and I will not let you die here."

At this time,

Lu Xiaofeng, Sikong Zhaixing, Huamanlou, Fu Hongxue and others also used Qinggong to come to Ye Gucheng and Ximen Chuixue. They would not let Ye Gucheng and Ximen Chuixue face this matter alone.

Lu Xiaofeng said to Ximen Chuixue and Ye Gucheng said, "That's right, we can't abandon our friends."

"You don't have to come." Ximen Chuixue's expression changed when he looked at Lu Xiaofeng and the others. He didn't expect that Lu Xiaofeng and the others would come back knowing that they had a narrow escape this time, which moved him a little.

Ye Gucheng nodded to Lu Xiaofeng and the others and said, "You guys No need to come over, this is our business after all."

Lu Xiaofeng looked at the troops and masters under the Forbidden City and said with a smile, "Don't worry, we won't die this time. With Ximen Chuixue here, the Ming court will not dare to arrest us."

But after Lu Xiaofeng heard Zhu Wuwu's shouting, he thought of a way to leave the Ming Palace.

This time it was all thanks to that bastard Wu Xiangjun.

If he hadn't tricked Ximen Chuixue into sworn sworn relationship with him, I'm afraid they would have really escaped death this time. No more life.

Lu Xiaofeng said loudly to Zhu Wuwu in the palace,

"Zhu Wuwu, you should know the identity of Ximen Chuixue. If you can let Ye Gucheng leave the Ming Palace this time, Mrs. Jun will persuade Ximen Chuixue to stop fighting."

When Zhuge Wuying heard Lu Xiaofeng's words, he looked at Zhuge Zhengwo.

He thought that if Ximen Chuixue could persuade Mrs. Jun to stop the army this time, it would be a good thing for the Ming Dynasty.

But now he doesn't know whether he should believe Lu Xiaofeng's words or not. Ignoring Zhuge Zheng and I nodded to him, he said to Lu Xiaofeng on the top of the Forbidden City, "Lu Xiaofeng, are you telling the truth?"

"Of course it is true, but will Mrs. Jun agree to stop the army? We cannot guarantee this."

Chapter 777

The people in the Ming Palace were very confused when they heard the conversation between Lu Xiaofeng and the brave god Hou Zhuwu.

What is Ximen Chuixue's identity?

Why did Madam Jun of Gusu City give up attacking the Ming Dynasty?

Isn't Ximen Chuixue the owner of Wanmei Villa?

How could the owner of Wanmei Mountain Villa make Mrs. Jun of Gusu City give up attacking the Ming Empire?

This is a question that everyone here doesn't understand.

At this time, Su Chen looked at Lu Xiaofeng on the Forbidden City and was very speechless.

Lu Xiaofeng was obviously using Ximen Chuixue's identity to oppress the Ming Empire. No wonder Zhu Wuwu only ordered the arrest of Ye Gucheng just now. Zhu Wuwu and the others may have investigated Ximen Chuixue and herself were sworn sworn friends, but!

Since Concubine Yan launched a war against the Ming Dynasty, she would not give up attacking the Ming Dynasty so easily. Although the Ming Dynasty would not be destroyed this time, the Ming Empire must pay a huge price to prevent Concubine Yan from actually starting to destroy the Ming Dynasty. country war.

After talking to Zhu Wuwu, Lu Xiaofeng waited for Zhu Wuwu's answer.

He was now sure that Zhu Wuwu and Zhuge Zhengyi would continue to deal with Ye Gucheng, but it was impossible to let them leave like this. Now it depends on what the Emperor of the Ming Empire will do Done.

Zhuge Wuwu and Zhuge Zhengyi discussed it and decided that it was just an opportunity.

Although Lu Xiaofeng did not guarantee that Mrs. Jun would withdraw the troops, this was an opportunity to talk to Mrs. Jun after all. Maybe this time the troops in Gusu City could postpone their attack on the Ming Empire..

Zhuge Zhengyi looked at Zhuge Zhengyi and frowned and asked, "Shenhou, what do you think we should do? Should we believe what Lu Xiaofeng said?"

Zhuge Zhengyi touched his mustache and shook his head.

He felt that Lu Xiaofeng They are just using Ximen Chuixue to deceive them, but this is also an opportunity.

If they use Ximen Chuixue's identity to contact Mrs. Jun, the Ming Empire can also negotiate, which will not lead to a strong force that has been unable to contact Gusu City. ,

Zhuge Zhenggao thought about it and said to Zhu Ignorance,

"Lu Xiaofeng must be talking nonsense, but if Ximen Chuixue writes to Mrs. Jun in Gusu City to stop the army, this is our only way, so we might as well give it a try"

"Well, I think so too. After all, a Jianghu person can exchange for a chance of avoiding war, which is worth it."

"Mr. Hou, go and report it to the Holy One. After all, only the Holy One can decide this matter. I am here to watch over them."

"good!"

When Zhu Mingwu left, he said to Lu Xiaofeng and the others, "Lu Xiaofeng, I must report this matter to the Holy One. Just wait where you are. If you have any intention, don't blame us."

"We'll wait here."

Lu Xiaofeng smiled and agreed directly. When

Sikong Zhaixing saw Lu Xiaofeng, he agreed without hesitation.

This made Sikong Zhaixing feel like it was a bit of a joke. Ximen Chuixue and Ye Gucheng had destroyed half of the Forbidden City. The top.

The Ming Empire was severely slapped in the face by Ximen Chuixue and Ye Gucheng. The Ming Emperor would not let Ye Gucheng go easily. He thought it would be better to kill him as soon as possible.

Sikong Zhaixing whispered when he came to Lu Xiaofeng. Said, "Lu Xiaofeng, is this really okay? Why don't we fight out now?"

Hua Manlou next to him heard what Sikong Zhaixing said and hurriedly stopped him, "No!" Sikong, maybe we can get out of the Ming Palace without fighting this time. Don't mess around."

Lu Xiaofeng shook her head and said to Sikong Zhaixing,

"Well, Brother Hua is right. No matter whether it works this time or not, this is our chance. It's better not to fight. Besides, there are tens of thousands of troops and some powerful masters here. We just have to kill them. I'm afraid It's also impossible."

Sikong Zhaixing looked at Lu Xiaofeng and the others and sat directly on the top of the Forbidden City. Hearing what Hua Manlou and Lu Xiaofeng said, he could only wait with peace of mind. After all, it is difficult to fight out from tens of thousands of troops. Reality.

At this time,

Ximen Chuixue frowned and looked at Lu Xiaofeng and the others and asked,

"Where is Su Yan?"

"this....."

Lu Xiaofeng and the others might not know how to answer Ximen Chuixue after looking at it.

Su Yan, that girl, ditched them and Princess Yunluo and left. If Ximen Chuixue knew that Su Yan had gone deep into the palace, I'm afraid this ice cube would directly It will also go deep into the palace.

Lu Xiaofeng and the others could see that Ximen Chuixue was very concerned about Su Yan. Although he didn't talk much, he often showed a rare smile to that girl Su Yan.

"explain!"

When Ximen Chuixue saw Lu Xiaofeng and the others' embarrassed looks, he clenched his Feihong Sword worriedly and said coldly.

Lu Xiaofeng saw Ximen Chuixue's face became even colder, so he hurriedly said to Ximen Chuixue,

"Ximen Chuixue, don't worry, nothing happened to that girl Su Yan. You also know that she is weird. She just left us and went to visit the palace with Princess Yunluo, the sister of Emperor Ming."

"Um! That girl is playing tricks on Princess Yunluo. You can rest assured that nothing will happen to Su Yan."Sikong Zhaixing also hurriedly said to Ximen Chuixue,

"Ximen, Princess Su Yan is very smart. You don't have to worry about her."

"That is, that little girl is the smartest person I have ever met. We don't have to worry about her at all."

Hua Manlou and Fu Hongxue also said to Ximen Chuixue one after another.

They knew how smart Princess Su Yan was. Just now, they were dumbfounded when they saw how smart Princess Su Yan was playing Princess Yunluo.

That girl is so smart.!

If Su Yan grows up and inherits the title of Lord Wu Xiang in the future, I am afraid that no one in the world can be her opponent. When

Ximen Chuixue heard what Lu Xiaofeng and others said, he was relieved. As long as Su Yan's identity was not exposed, He was not very worried about Su Yan's safety.

Ximen Chuixue knew that there must be a master around Su Yan protecting Su Yan. Although he didn't know who was protecting Su Yan, that person must be a land immortal in the heavenly realm..

The Jianghu people in the palace are also very helpless now.

Some of them wanted to leave originally, but the Ming Palace has been under martial law, and no one can leave without the emperor's order.

Although there are thousands of Jianghu people in the palace, they also They could not be the opponent of tens of thousands of troops. They could only wait for the Ming Emperor to lift the martial law and let the Jianghu people here leave.

In the palace,

Shi Guanyin and Hua Baifeng also discovered Fairy Yunmeng. They watched Fairy Yunmeng appear in the palace. People around Su Yan were very vigilant.

But when they saw Fairy Yunmeng just looking at Su Yan without making any movement, they looked at each other and understood.

This woman in the Heavenly Realm is probably the same. Here to protect Princess Su Yan.

Hua Baifeng looked at Fairy Yunmeng and asked Shi Guanyin doubtfully, "Shi Guanyin, do you know this person?" She seems to be protecting that girl Su Yan?"

"do not know!"

Shi Guanyin is very angry now.

How many powerful and beautiful women has that bastard Su Chen found?

Previously, a Hua Baifeng from the Heavenly Realm appeared, and now another beautiful woman from the Heavenly Realm appeared.

That bastard really brought the world into the world. Have you caught all the powerful and beautiful women in one fell swoop?

"Then why did this woman come to protect that girl Su Yan?"

"Wouldn't it be easy to find out if you just ask?"

Chapter 778

Fairy Yunmeng is also very curious about the two celestial realm women who are protecting Su Yan around her. When she came to Su Yan, she felt two powerful auras around her. One aura was similar to her cultivation realm, but The other one is much more powerful than her.

Fairy Yunmeng was also very depressed.

Where did that bastard Su Chen find a powerful woman?

At this time,

Shi Guanyin and Hua Baifeng appeared next to Fairy Yunmeng.

Shi Guanyin looked at Fairy Yunmeng who was plump and very beautiful and asked,

"Who are you?"

Fairy Yunmeng looked at the two Celestial Realm women who appeared next to her. These two women were also very beautiful.

One of them, a beautiful woman with a very outstanding temperament, was stronger than her, and her breasts were bigger than hers..

Another white-haired woman in the Heavenly Realm is also very beautiful, especially her delicate face and petite and concave and convex figure.

"You should know this!" Fairy Yunmeng took out the blue bird jade pendant, shook it and said with a smile,

"Blue Bird Jade Pendant?" Shi Guanyin was completely relieved when she saw the blue bird jade pendant in Fairy Yunmeng's hand.

Since this woman has Su Chen's blue bird jade pendant, it means that she is Su Chen's woman, but when did that bastard Su Chen deceive him again? A beautiful woman in heaven and human realm?

"Um!"

When Fairy Yunmeng saw that Shi Guanyin knew the Blue Bird Jade Pendant, she felt relieved about Shi Guanyin and the others. This at least shows that these two powerful women are really the bastard Su Chen's woman.

"What is the Blue Bird Jade Pendant?" Hua Baifeng looked at the jade pendant in Fairy Yunmeng's hand and asked doubtfully.

Shi Guanyin took out her blue bird jade pendant and showed it to Hua Baifeng and said,

"The blue bird jade pendant represents the status symbol of Mrs. Wu Xiangjun. In Su Chen's territory, anyone who sees the blue bird jade pendant must obey the orders of the holder of the blue

bird jade pendant. The blue bird jade pendant can even be used to dispatch no more than one hundred thousand troops. follow her orders"

"So this is ah!"Hua Baifeng didn't expect that the blue bird jade pendant could not only carry identities, but could even command some troops. This blue bird jade pendant was a bit unbelievable.

Fairy Yunmeng looked at Shi Guanyin and Hua Baifeng and smiled and said,"My name is Yunmeng. what about you?"

"Stone Guanyin!"

"Hua Bai Feng!"

Shi Guanyin and Hua Baifeng also told their names after knowing that Fairy Yunmeng was not an enemy.

Fairy Yunmeng nodded to Shi Guanyin and the others and said,"It seems that we have to protect that girl Su Yan together."

"Where is your husband? Where is he now?"

Shi Guanyin looked at Fairy Yunmeng and guessed that she might have been sent by Su Chen to protect Su Yan. Otherwise, it would be impossible for her not to know about Fairy Yunmeng's existence, and it's also impossible for Gusu City not to know Fairy Yunmeng's identity. Fairy Yunmeng smiled and said to Shi Guanyin,"He is in the palace now, but he cannot show his face now."

Shitou Guanyin breathed a sigh of relief when she heard Fairy Yunmeng's words.

She was very worried about Su Chen's disappearance.

Although she knew that nothing could happen to that bastard, she was still a little worried.

Now she got the news about Su Chen , she was finally relieved.

Shi Guanyin looked at Fairy Yunmeng and said with a sweet smile, "As long as nothing happens to that bastard, Yunmeng, I will be your sister from now on."

"I know, Sister Shi! Sister Hua!" Fairy Yunmeng was very helpless when she looked at Shi Guanyin.

That bastard doesn't know how many women there are. Now she can't do anything to Shi Guanyin and the others. Who told her to meet Su Chen too late.

Fairy Yunmeng is a woman with traditional values..

Hua Baifeng was a little happy when she heard the news about Su Chen.

She wanted to take revenge on that bastard, but she didn't expect that Fairy Yunmeng would also call her sister.

This made Hua Baifeng blush and said hurriedly, "Uh! Yunmeng, I am not your husband's woman. Don't make any mistake."

"Huh? You are not your husband's woman?" Fairy Yunmeng looked at the white-haired Hua Bai Feng and was very confused.

This Hua Bai Feng was so beautiful and sexy, and even her white hair and her delicate and beautiful face were very attractive. How could she not be Su ? Chen's woman?

How could that bastard Su Chen let go of such a beautiful and sexy beauty?

Shi Guanyin looked at the puzzled Fairy Yunmeng and smiled and said, "Haha! Yunmeng, Hua Baifeng is not here now, but that doesn't mean she won't be in the future, but she may have to call us sister in the future."

Shi Guanyin doesn't believe that Hua Baifeng will escape Su Chen's murderous hands in the future, and Hua Baifeng is so protective of Su Yan now.

She doesn't believe that Hua Baifeng is protecting Su Yan because of his son's request.

"Well said!"

Fairy Yunmeng also nodded and said affirmatively.

Hua Baifeng looked at Shi Guanyin and Fairy Yunmeng and said shyly, "You guys.....Stop talking, I will not become that bastard woman, this is simply impossible."

Zaihua Baifeng is now speechless to Shi Guanyin and Fairy Yunmeng.

How can these two women say this?

Don't they mind that bastard Su Chen provoking women everywhere?

Aren't they jealous at all?

"Ha ha!"

Shi Guanyin and Fairy Yunmeng looked at each other and laughed.

They both knew that bastard Su Chen very well. With Su Chen's shameless character, it would be impossible for that bastard not to take action against Hua Baifeng. It's just a matter of time

"you....." Hua Baifeng was so overwhelmed by the laughter of Shi Guanyin and Fairy Yunmeng that she hated Su Chen so much for that shameless pervert, and her reputation might not be able to be washed away.

Shi Guanyin smiled and waved his hands and said seriously, "Okay, let's not joke around. There is a powerful person in the palace, and he also discovered us."

"Are there beings in the realm of heaven and humans in the palace?"

"How can it be? We were discovered?"

Fairy Yunmeng and Hua Baifeng were very surprised when they heard Shi Guanyin's words.

They did not expect that there was a being in the heavenly realm in the palace, and even discovered them, which made them look around carefully.

Shi Guanyin looked towards the depths of the palace and said cautiously, "Yeah! This person is very powerful. I'm afraid I'm no match for him. If he hadn't taken action just now, I might not have been able to detect his aura."

Shi Guanyin also just discovered that powerful Heavenly Realm expert, no!

It should be said that he is a half-step golden elixir realm expert.

Although she is also a half-step golden elixir realm cultivation realm, after all, she has just advanced to the half-step golden elixir realm. I'm afraid she is far from being a match for this person as she is in the Golden Core Realm.

"So is he friend or foe?" When Fairy Yunmeng heard that Shi Guanyin was not that person's opponent, she asked Shi Guanyin worriedly.

Shi Guanyin shook his head and said seriously, "I'm afraid he is an enemy, and he is also a half-step Jindan realm. super strong"

"hiss! So what do we do? Do you want to take girl Su Yan out of the palace immediately?" Fairy Yunmeng is also very shocked now. For a strong man who is half a step into the Golden Core Realm,

I am afraid that the three of them are no match for that person. Should they take Su Yan out of the palace immediately? Otherwise, what if this person is at the Half Step Golden Core Realm

?

If a strong man takes action, I'm afraid Su Yan will be in danger.

"Wait and see, we have at least three powerful beings here, and they will not easily provoke us compared to the person in the palace."

Chapter 779

Shi Guanyin waved her hand to Fairy Yunmeng.

Although they were not the opponent of the person in the palace, they were three powerful women. Even if the powerful half-step golden elixir realm expert in the palace wanted to kill them, he would probably have to kill them. Pay something.

What's more, Jellyfish Yinji will arrive tomorrow.

As long as Jellyfish Yinji arrives, the strong man in the palace will probably be even more afraid to take action against Su Yan.

Jellyfish Yin Ji is very powerful.

She is probably only one chance away from becoming a strong person in the Golden Core Realm. The person in the palace will definitely not be Jellyfish Yin Ji's opponent.

Fairy Yunmeng and Hua Baifeng nodded when they heard Shi Guanyin's words. They were also some of the top people in Tianxuan Continent. Fairy Yunmeng and Hua Baifeng were also proud of them.

Deep in the palace,

Emperor Ye stood up when he felt that he was discovered.

He did not expect that he was discovered after just making a casual move. This made him curious about the women who came to the palace..

Ye Di suddenly sensed that three powerful women were walking together, he frowned and said to himself,

"Huh? Didn't you think the three of them knew each other? It seems that the relationship is very good. A person who has just advanced to the half-step golden elixir realm and two land gods who are in the middle stage of the heavenly realm are a bit troublesome."

Ye Di thought for a while and sat down again.

It is impossible for him to kill these three powerful women now. Although he can kill these three powerful women, he may also be injured. This is very important to him. There is no need to say so.

If he gets injured trying to kill these three powerful women, it may have an impact on his advancement to the Golden Core Realm.

You must know that the more powerful people are injured, it will have an impact on improving their cultivation realm, and they may even be seriously injured. If he did, he would stop at the current level of cultivation. The Night Emperor would not let a small loss delay his advancement to the Golden Core level.

At this moment,

Su Yan and Princess Yunluo were playing around in the palace. What was happening in the palace now became Their playground, no matter where it is, they have to look at it, and even destroy it.

In the Lihua Palace in the imperial palace, the place is full of dilapidation, chaotic tables and chairs staggered to the ground, and exquisite porcelain has been smashed. It was smashed to pieces, and the palace gauze was torn off by them and thrown to the ground. Even the clothes of the emperor's concubines were thrown everywhere.

"Su Yan, can we do this?" Princess Yunluo asked worriedly as she looked at the mess they had made in the palace.

Although Princess Yunluo and Su Yan were having a great time this time, she couldn't stand the concubine in Lihua Palace. This time it was for this reason that she and Su Yan were wreaking havoc here.

But when she saw the ruined palace, she was very worried that her brother would punish her.

Su Yan sat on the steps to rest and said, "It doesn't matter. Yes, but your palace is too cold. It is not as noisy as my Xuanniao Palace, and it is not even as beautiful as my Xuanniao Palace."

"Is the Xuanniao Palace in Gusu City really beautiful?" Princess Yunluo felt that the Daming Palace was already very beautiful, but the way she looked at Su Yan didn't look like he was lying, which made her a little curious about the Xuandiao Palace in Gusu City.

Su Yan stood up and He nodded and said to Princess Yunluo,

"Of course, my Xuannian Palace was built with many precious treasures gathered together, including the precious flowers and plants sent by the Yihua Palace, the precious calligraphy and paintings collected by the Yinkui Sect, the exquisite jades from Cihang Jingzhai, and the Yin and Yang of the Eastern Continent. The family luck comes to cherry blossom trees, blue jacaranda trees, and even a huge hibiscus sacred tree. Do you think my Black Bird Palace is beautiful?"

"Wow! Su Yan, will you take me to see your Xuandiao Palace in the future?"

"of course"

"That's pretty much it, you will be my friend from now on."

At this time, an old man with scars all over his body suddenly broke into the palace. When the guards found out, they hurriedly surrounded the old man.

"who?"

The old man Baozi Mu Taoist is very frightened now.

He fled all the way from the Imperial Study Room, but the imperial guards around him are looking for him everywhere.

Mu Taoist doesn't even know what is happening to Happy King Chai Yuguan now. He now wants to be with Happy Wang Chaiyuguan could not make peace.

Mu Taoist was very depressed when he saw him surrounded by dozens of forbidden troops.

This place is already a harem, why would there be still forbidden troops?

Could it be that the forbidden troops in the harem can also appear here? ?

Taoist Mu covered his chest and coughed up blood and said, "Ahem! Damn it, I didn't expect that there were even Imperial Guards here.

Princess Yunluo asked warily when she saw the old man covered in scars, "Old man, who are you?" You dare to break into the harem in the palace. Don't you know that breaking into the harem without permission will result in beheading?"

Princess Yunluo discovered that this old man was very powerful. He might have been injured after sneaking into the palace secretly and was discovered. Now she was worried that this powerful old man would be harmful to her and Su Yan.

Su Yan was a little curious when he saw this old man arriving. , this is the harem of the Ming Dynasty.

This old man came here with scars all over his body. He may have taken refuge, or he may have even escaped here after being hunted.

This made Su Yan feel interesting.

A powerful old man did something in the palace. What?

Who can seriously injure this powerful old man? When

Mu Taoren looked at Princess Yunluo, he felt that this girl looked very familiar. He suddenly thought of the portrait he saw in Prince Nan's house. Why did this woman look so different the more he looked at her? Like the emperor's sister, Princess Yunluo,

Mu Taoren was a little excited and asked Princess Yunluo, "Huh?" Are you Princess Yunluo?"

"Yes, it is this princess"

"Ha ha! Yes, with Princess Yunluo as a hostage, I can escape from the palace this time"

"You want to arrest me?"

"What do you think?"

"Come on, kill this old bastard." Princess Yunluo didn't expect that this old bastard wanted to arrest her, so she hurriedly ordered to the surrounding imperial guards.

After giving the order, Princess Yunluo grabbed Su Yan and ran towards the outside of Lihua Palace.

But she saw Seeing that this old bastard is very powerful, the forbidden army here may not be able to catch this old bastard.

Just when Princess Yunluo was pulling Su Yan to run away, a beautiful woman in gorgeous clothes led some palace maids When she arrived at Lihua Palace, this beautiful woman saw that her Lihua Palace was badly damaged, so she asked the people here with an ugly face,

"What's going on here?"

When Princess Yunluo saw that it was the mistress of Lihua Palace who had arrived, she felt guilty and said hurriedly,

"ah! Concubine Yan, run quickly, there is a criminal wanted by the emperor's brother here."

Concubine Yan saw that Princess Yunluo was also in her palace, and even an injured old man was surrounded by the imperial guards. This made her very strange when she saw this place. How could these people appear in her palace? She saw He raised his eyebrows at the old man.

He was a powerful old man, even a peak Grandmaster.

But who beat this old man seriously in the palace?

Taoist Mu was very excited when he saw the emperor's concubine arriving, surprised,

【Um?】

【How is this woman a great master?】

【Why is there a concubine of a great master in the palace? 】

When Mu Tao Ren was about to kill these forbidden troops and capture Princess Yunluo, he discovered that the beautiful concubine who arrived turned out to be a master of a great master, which made Mu Tao Ren not dare to take action easily now.

He is seriously injured now. If this woman takes action, he may not be able to escape no matter what.

Chapter 780

At this moment, in the palace square, the Jianghu people here are also sitting very irritably in the Palace Square, waiting for the palace to lift the martial law. These Jianghu people are also worried that the Ming Dynasty will take action against them, the Jianghu people. The tens of thousands of troops around the palace are so scary. They are worried.

At this time,

Shangguan Haitang came to Su Chen's side this time.

She could see that this ugly-looking middle-aged man had used disguise, and she knew the art of disguise very well.

Moreover, this ugly man gave her a very familiar feeling.

She was sure that this disguised man must know her, and they must even be very familiar with each other.

Shangguan Haitang looked at this ugly man with a blank expression. He asked, "Have we met somewhere?"

Su Chen was a little nervous when he saw Shangguan Haitang arriving.

Su Chen was very sure that Shangguan Haitang saw that he had disguised himself, but why did Shangguan Haitang notice him?

There must be many of the thousands of Jianghu people here who have been embarrassed, but why does Shangguan Haitang care so much about him?

Did this chick discover his true identity?

When Su Chen heard Shangguan Haitang's words, he shook his head and said, "I don't know him. How could I know the famous Xuanzi secret agent?"

Shangguan Haitang looked at Su Chen and pointed at him with a sword and said coldly, "Oh! Really? Why do I feel like you are someone I know? Tear off your human skin mask"

"Have you disguised yourself?" When Yilin heard Shangguan Haitang's words, she looked at Su Chen and asked cutely.

Yilin was also very curious about Su Chen's identity.

Now she is no longer afraid of this ugly middle-aged man. From the ugly middle-aged man just now, The young man saw the danger here and asked her to leave.

Yilin felt that he was not a bad person.

The ugly middle-aged man just now must have deliberately teased her.

Oh!

No!

He may not be an ugly middle-aged man, maybe he is a very handsome young man

"Little nun, don't be too fussy." Su Chen knocked Yi Lin on the head and looked at Shangguan Haitang.

This Shangguan Haitang is really troublesome. If she doesn't keep an eye on Lu Xiaofeng and the others, why is she chasing after her?

Shangguan Haitang was far away just now. He kept checking on him, and now he came to ask him to take off his disguise mask.

Is this possible?

If his identity is exposed now, I am afraid that the Ming Emperor will catch him at all costs.

There is an old bastard in the palace.

It was definitely impossible for Su Chen to reveal his identity at this time, but how could he send Shangguan Haitang away?

Yilin touched her head and looked at Su Chen aggrievedly.

She didn't expect that just when she asked, this bastard would be cruel. He hit her hard on the head.

This hurt!

Couldn't this damn bastard be gentler?

"cough! Shangguan Haitang, there is no need to do this. I have honestly not caused any trouble since I came to the palace. Can you be merciful and let me go?"

Shangguan Haitang looked at Su Chen with contempt and said, "Honestly?" Are you just teasing nuns here? quick! Take off your human skin mask"

"I'll do it! Why did I tease the nun? Su Chen looked at Shangguan Haitang and said angrily. He looked at Yilin, took her hand, winked and asked, "Yilin, did I tease you?" You tell this Shangguan Haitang honestly."

Yilin's face turned red when Su Chen grabbed her hand.

She lowered her head and didn't know how to answer. This hateful bastard was teasing her, but he told her sister's news again.

Yilin stammered. I don't know how to say, "That.....that...."

"That shit!"

Su Chen was speechless for this little nun.

This stupid little nun was too confused. Now it seems that Shangguan Haitang cannot give up so easily.

Su Chen said to Shangguan Haitang in his original voice,

"Shangguan Haitang, we are all old friends. I will go to you to make it clear in the future. Can you forget it now?"

Su Chen can only believe that Shangguan Haitang will not betray him. After all, Shangguan Haitang did not expose his identity in the restaurant before.

Su Chen also believes that Shangguan Haitang knows his identity this time, and Shangguan Haitang will probably keep it a secret..

Shangguan Haitang opened her eyes wide when she heard Su Chen's voice.

The ugly man's voice just now was very rough, but now his voice was very delicate, and she was very familiar with this voice.

Shangguan Haitang stared at her Her beautiful eyes said in surprise, "You.....you....You are indeed not dead! you.....Woo woo woo"

"Shh!"

Su Chen hugged Shangguan Haitang and covered her mouth. He was worried that Shangguan Haitang would accidentally call out his name.

Yilin was completely stunned now.

She could hear the voice just now clearly. This The voice must be that of a young man.

But when she saw Su Chen hugging a man and covering his mouth, she was a little at a loss.

Shangguan Haitang was confused when Su Chen held her and covered her mouth. She didn't expect that this bastard would dare to hug her and cover her mouth with his dirty hands.

Shangguan Haitang's face was red and he was struggling to kill this shameless pervert.

"I'll let you go, but don't reveal my identity, okay? Shangguan beauty"

"Woohoo!"

Shangguan Haitang glared at Su Chen and wanted to bite this bastard to death.

The bastard covered his mouth.

How should she answer this bastard?

"What did you say?"

Su Chen was very confused when he heard Shangguan Haitang's whining voice.

What kind of language is this?

Doesn't Shangguan Haitang agree to him?

"Woohoo!" Shangguan Haitang's eyes were burning and she wanted to kill this bastard. This bastard must be teasing her.

Yilin watched from the side as Su Chen covered Shangguan Haitang's mouth and asked her to answer.

This hateful man is even too bastard..

Yilin looked at Su Chen and reminded, "You covered Shangguan Haitang's mouth. How do you want her to answer you?"

"I'll do it! Sorry, I was nervous just now and forgot to cover your mouth." Su Chen hurriedly let go of Shangguan Haitang and said with an embarrassed smile,

"Shameless pervert, you are really stubborn." Shangguan Haitang wiped her mouth after Su Chen let her go.

Shangguan Haitang didn't expect that this bastard was really not dead, and he was still alive and kicking in the palace. It's just that his appearance now is really very... It was ugly.

When Su Chen saw that Shangguan Haitang had not revealed his identity, he smiled and said to Shangguan Haitang, "Haha! Shangguan Haitang, how did you discover me? I look very ugly and fierce now."

Shangguan Haitang glared at Su Chen and said with anger and helplessness, "You bastard, I can still recognize you even if you turn into ashes."

"Shangguan Haitang, you won't fall in love with me, will you? Otherwise, how could you be so familiar with me?"

"Shameless pervert!"
