Chapter 781

Su Chen laughed when he saw Shangguan Haitang's embarrassed look.

He didn't think that Shangguan Haitang would fall in love with him. Shangguan Haitang was a relatively dedicated woman.

Otherwise, I haven't seen her regain her female body for so many years, and she might not even have anyone she likes now.

Shangguan Haitang looked at this bastard and wanted to beat him, especially with his ugly appearance.

Shangguan Haitang felt very disgusted when he looked at it, "Why didn't you show up if you weren't dead? Do you know that your wife is going to attack Daming now?" Started a war?"

Su Chen leaned on the chair and said helplessly, "It was only these two people who knew about it. I really almost died in those few days. If it weren't for my fate, I might have really died. The Wu-Dang Clan I won't let go of the people from the Ghost Palace."

Shangguan Haitang looked at Su Chen and said doubtfully, "I see you don't look hurt at all now, you won't lie to me, right?"

"I'll do it! Shangguan Haitang, why don't you let a terrestrial immortal in the celestial realm kill you once? See if you can survive from the land gods in the heavenly realm? Shangguan Haitang, last time I was slapped by Bai Jing from the Ghost Palace because of you women. How do you want to thank me?"

"Just dream, I was not the only one by your side at that time. All the girls from the Emei sect were there, as well as Qingqi, Zhu Qiqi and the others. Why didn't you ask them to thank you?"

"Didn't this happen to you first?" Su Chen patted Shangguan Haitang on the shoulder and smiled and said,

Shangguan Haitang doesn't want to talk to this bastard anymore.

If nothing happens to this bastard, then the war can be unnecessary.

It's just that she looked at this bastard as if she had no intention of stopping it. War, is this bastard really going to attack the Ming Empire?

This bastard will not attack the Western Continent after unifying the Southern Continent, right?

Yilin is very confused when she looks at Su Chen and Shangguan Haitang.

She finds out why Su Chen is here Teasing the man Shangguan Haitang made Yilin look at Su Chen and move her body. She didn't want to be disgusted by this hateful bastard.

But she was very shocked after hearing what Su Chen and Shangguan Haitang said.

She didn't Thinking that Su Chen was actually slapped by a terrestrial immortal in the Heavenly Realm, even this hateful bastard was injured trying to save some women.

Woman?

Shangguan Haitang is a woman?

Yilin looked at Shangguan Haitang and was confused again, she didn't Thinking that Shangguan Haitang turned out to be a woman, and that the No. 1 Xuanzi agent of the Four Secret Agents turned out to be a woman,

Yilin was now very confused.

What happened today made her a little overwhelmed, an ugly man pretending to be a flower picker. He teased himself, and later told her about his search for his sister for more than ten years.

And this flower-picking thief actually changed his appearance?

He was also chased by land gods in the heavenly realm?

Even Shangguan Haitang of the Four Secret Agents was A woman?

This made her very confused when she looked at Su Chen and Shangguan Haitang.

Who is this hateful man?

What is the relationship between Shangguan Haitang and this hateful bastard?

"Haitang, can you send this little nun out of the palace first?" Su Chen looked at Yilin and said to Shangguan Haitang.

Su Chen felt that it was a bit dangerous for Yilin to stay in the palace now. The old bastard in the palace was not easy to deal with.

Su Chen was worried that if the old bastard did something to Su Yan or Ximen If Chuixue and the others took action, he would probably implicate Yilin, a confused little nun.

Shangguan Haitang glanced at this bastard when Su Chen called her Haitang.

Now she didn't want to argue with Su Chen on these trivial matters.

Shangguan Haitang Looking at Yilin, she said to Su Chen,

"Not now. The palace has been sealed off by the emperor's order. If today's matter is not resolved, I'm afraid no one in the palace will be able to get out. But don't worry about this little nun. Nothing will happen to her as long as I am here."

Su Chen heard that Shangguan Haitang could not send Yilin out of the palace, so he said to Shangguan Haitang, "Well, then you will take this little nun away soon. It is a bit dangerous for her to stay here with me."

"what are you up to? Don't reveal your identity now."Shangguan Haitang hurriedly grabbed Su Chen's arm.

She was very worried about what trouble this bastard would cause in the palace again. This bastard was so disturbing.

Su Chen looked deep into the palace and faced Shangguan Haitang seriously. He said,"There is an old monster in the palace, a strong man who is half a step into the Golden Core realm. You know my daughter and Princess Yunluo went to the palace. I did it just in case that old bastard found out about my daughter's identity. Take action"

"hiss! Half a step to the golden elixir realm? Are you not mistaken?"

"Um! Have you heard of Night Emperor's name?"

"Night Emperor? The Night Emperor actually came to the Ming Palace. How is this possible? Emperor Ye has never given up on the throne. For hundreds of years, every emperor has been wary of Emperor Ye. How could the emperor let Emperor Ye come to the palace?"

Shangguan Haitang is very shocked now.

Her No. 1 village in the world contains top-secret information about Ye Emperor.

Moreover, since Ye Emperor failed to seize the throne, every emperor in the future has been very wary of Ye Emperor, and even Emperor Ye is not allowed to come to the imperial capital.

But now Emperor Ye is blatantly in the palace, which makes Shangguan Haitang confused.

Su Chen was very speechless when he looked at Shangguan Haitang.

Emperor Ye is now a half-step heavenly being. If he wants to come to the Daming Palace, even the masters of the Ming Dynasty will not be able to stop him.

Besides, Ye Emperor is probably about a hundred years old. Is he still obsessed with the position of the Ming Emperor?

Su Chen doesn't think that Ye Emperor is He is also interested in the throne.

This is not a world of cultivating immortals. If it were a world of cultivating immortals, Su Chen might think that Emperor Ye wanted to fight for luck to improve his realm of cultivation.

But this is a world of martial arts, and at most it is a world of high martial arts.

I'm afraid there is no such thing as luck in the world, right?

Su Chen shook his head and said to Shangguan Haitang, thinking about this,

"What's the matter? Now that the Ming Empire has set its sights, does the Ming royal family now have land gods in the heavenly realm? Emperor Ye is now so powerful that even the emperor may not be able to do anything to him. If Emperor Ye wants to appear in the palace, can you, the experts in the Ming Dynasty, stop him?"

Shangguan Haitang nodded after hearing Su Chen's words and said very discouraged, "Since the death of the eunuch Sanbao, the Ming Dynasty has indeed lost its powerful masters. Now only my adoptive father Zhu Wuli is powerful in the royal family, but with Ye Di It's still far behind in comparison." Su Chen was speechless when he heard Shangguan Haitang mention Zhu Wuli's infatuated man. Zhu Wuli is a powerful and courageous prince. What kind of beauty does he want that he can't get? But he treats a woman like this The married woman never forgets her? She even designs to take away the woman named Su Xin. Could it be that Su Xin is the most beautiful woman in the world? Su Chen thought about it and reminded Shangguan Haitang,

"By the way, your adoptive father Zhu Wuwu is not a good person. He has ulterior motives for the throne. You four secret agents were all deceived by Zhu Wuwu."

"Are you telling the truth?"

Shangguan Haitang said in surprise when she heard Su Chen's words.

She had no doubt that Su Chen would deceive her.

Shangguan Haitang did not believe that Su Chen would deceive her.

This was her intuition and her trust in Su Chen.

Su Chen admired Zhu Wuwu's infatuation.

Zhu Wuwu and he were two extremes.

Su Chen was a playboy with a lot of women, but Zhu Wuwu only had one woman in his life, and he still didn't get that woman in the end.

Su Chen said to Shangguan Haitang with some regret, "Yeah! Zhu Wuwu is indeed obsessed with the throne, but he is also an infatuated person. For the sake of one woman, Zhu Wuwu did not marry another woman. This Zhu Wuwu is really infatuated."

"Are you talking about Su Xin?"

Chapter 782

When Shangguan Haitang heard what Su Chen said, he knew who the woman Su Chen was talking about.

Zhu Wuli was still single because of that woman Su Xin, but Su Xin was already dead.

Shangguan Haitang didn't know why Zhu Wuli hadn't found another woman yet. Maybe Zhu Wuwu still hasn't forgotten Su Xin.

"Yes, it's Su Xin, Gu San Tong's wife, Cheng Shi Fei's mother." Su Chen nodded and drank tea and said to Shangguan Haitang.

Shangguan Haitang was surprised when he heard Su Chen's words and asked, "Is it right or wrong? Is Cheng Shifei the son of Gu Santong and Su Xin? How can this be?"

"Is there any impossibility in this? Su Xin did not die. After she was seriously injured, Zhu Wuwu fed her a sweet potato to save her life. If she wanted Su Xin to survive, she had to feed her another

sweet potato. Zhu Wuwu did not know how to survive. For ten years, I have been searching for the whereabouts of Tianxiang Doujiang."

"this.....this....."

"Begonia! Don't worry too much. Zhu Wuli probably doesn't dare to think too much about the throne now. After all, that old bastard is in the palace, and he will not seek death or fight for the throne."

Shangguan Haitang looked at Su Chen very complicatedly.

She would rather not hear these things.

Now she knows that Zhu Wuwu is using their four spies, which makes her not sure how to face Zhu Wuwu in the future.

Shangguan Haitang is She had raised Zhu Wuwu since she was a child. She had great trust in Zhu Wuwu. Now that she knew what Zhu Wuwu had done, Shangguan Haitang didn't know whether she should continue to help Zhu Wuwu do things. When

Su Chen saw Shangguan Haitang's complicated look, he Shaking her head,

Shangguan Haitang can be said to be a tragedy in the world. She has been used by Zhu Wuli since she was a child, and she was even a chess piece in Zhu Wuli's hands.

She loved Duan Tianya, but Duan Tianya didn't have her in his heart.

When Guihai Yida fell in love with her, he was killed by Liu Shengpiaoxu before she could find happiness.

【I'm tired from yesterday's romance!】

【The official road is so bumpy that it makes me cry!】

【The bright moon on the sea is hard to calm down!】

【The plum blossoms are in full bloom! 】

This poem is probably a true portrayal of Shangguan Begonia.

Shangguan Begonia has a rough life, just like the Begonia flower, it failed before it fully bloomed.

In the harem at this time,

Concubine Yan looked at Princess Yunluo and Taoist Lao Daobaozimu with burning eyes.

This was her bedroom, and it was now being messed up. Even her private clothes were thrown everywhere. , which made her very angry.

Concubine Yan looked at Princess Yunluo and said expressionlessly,

"Princess Yunluo, do you think I will believe you? This old man broke into my bedroom, but my Lihua Palace was completely destroyed. How can I say this? Don't tell me this is what this seriously injured old man meant?"

Princess Yunluo felt a little trembling when she saw Concubine Yan's appearance. Princess Yunluo has been very cold towards this charming Concubine Yan ever since she entered the palace. She always felt that Concubine Yan was deceiving her emperor brother. , and even seemed to be planning something in private. Moreover, this Concubine Yan seemed to be a woman with strong martial arts, and she had suffered a lot at the hands of Concubine Yan. Princess Yunluo refused to admit it and pointed at Mu Taoist and said , "That's what this old man said, I led the imperial army to chase you all the way to your palace, but I saw with my own eyes that this old man wreaked havoc in your palace.

"

"snort!"

When Concubine Yan saw that Princess Yunluo still refused to admit it, she did not want to cause trouble to Princess Yunluo now.

Her plan had not been implemented yet, and Concubine Yan did not want to offend Princess Yunluo too much at this time.

"All of you, get down. Concubine Yan looked at the imperial guards here and ordered expressionlessly,

"Yes, Concubine Yan"

"Princess Yunluo, who is this Concubine Yan?" Su Yan looked at Princess Yunluo and asked in a low voice.

Princess Yunluo pulled Su Yan and whispered in her ear,

"Su Yan, this Concubine Yan is not a good person. She only entered the palace three months ago. This charming woman somehow confused my brother. She was canonized as Concubine Yan in just three months. Concubine, and she also possesses martial arts skills. I have been taught a lesson by her several times."

"Do you know what her name is?"

"Her name is Jiang Yuyan, she seems to be the daughter of a martial arts family in Jiangnan."

"Jiang Yuyan? Why do I seem to have heard this name somewhere?"

"Do you know this charming woman?"

"I've heard of it, but I just can't remember it at the moment." Su Yan touched her chin and looked at Concubine Yan Jiang Yuyan and said, this name seemed very familiar to her, but she couldn't remember it now, but this woman must be extraordinary, otherwise she would definitely not remember this. The woman's name.

At this time,

Concubine Yan Jiang Yuyan looked at Taoist Mu and walked towards him with cold eyes.

This Taoist Mu was a master of the Grand Master.

Since she practiced the grafting method in the Liuren Divine Dice, she has absorbed She has absorbed the internal strength of countless martial arts masters.

But she has not absorbed the internal strength of the great masters.

This time, a great master threw himself into the trap, and she would not let go of this golden opportunity.

Mu Taoist saw this concubine turning to him As he walked forward, he knew that he might not be able to escape this time. If he had not been seriously injured, he could have killed this woman in the early stage of the Grand Master with one palm.

However, he was severely injured by Emperor Ye, and his current strength is not ten times what he was at his peak. One percent, I'm afraid even a master master can kill him.

Mu Taoren held a long sword and quickly killed Jiang Yuyan.

He knew that the only way to escape was to fight off this woman, otherwise he would be killed by this woman.

"court death!"

Jiang Yuyan didn't expect that Taoist Mu, who was seriously injured, would dare to attack her at this time. She stretched out her palm and slapped Taoist Mu.

Boom!

Taoist Mu was immediately slapped away by Jiang Yuyan.

"Come here!"

Jiang Yuyan looked at Mu Taoist and directly sucked Mu Taoist over with her hands.

She looked at Mu Taoist and smiled coldly. As long as she absorbs Mu Taoist's power, her strength will definitely be stronger..

Mu Daoren was sucked by Jiang Yuyan to a place less than five meters away from her and began to absorb his internal energy.

When Jiang Yuyan was absorbing Mu Daoren's internal energy from a distance,

Mu Taoren looked at Jiang Yuyan in horror.

He did not expect this woman. A technique that actually absorbs internal energy

"My internal power, you witch, you can actually absorb the internal power. Are you the one ignored by Hou Zhu, the brave god?"

Concubine Yan Jiang Yuyan said disdainfully while absorbing Taoist Mu's inner strength, "Is Zhu Yili worthy of him? Be obedient and become my nourishment"

"ah! Witch, I will never let you go even if I am a ghost."

Chapter 783

Mu Taoren knew that he was doomed this time, but he did not want his decades of internal energy to be absorbed by this demon girl.

He looked at Jiang Yuyan and was about to explode his internal energy. Even if he died, he would not be able to let this demon girl get his internal energy.

Jiang Yuyan saw Mu Taoist preparing to explode his internal power and die.

"Um? Want to commit suicide? Do you think that's possible?" She smiled and tied a knot with her hands and said mockingly,

"How can this be? I can't use my inner strength?"

"snort!"

"ah!"

Jiang Yuyan took control of Mu Taoist and hurriedly began to absorb his internal power.

She would not give up this rare opportunity in vain. If she absorbs Mu Taoist's internal power this time, her strength will be even stronger. In the future, she will also No more careful survival in the palace

"I'll do it! I remembered it, and it turned out that she was Jiang Yuyan, Jiang Biehe's illegitimate daughter. This was the ninth level of the wedding magic power of transferring flowers and jade." When Su Yan saw Jiang Yuyan absorbing Mu Taoist's internal energy, she suddenly remembered what this martial arts was. She looked at Jiang Yuyan and felt very curious.

The Mingyu Kung Fu of Yihua Palace also included the movement of flowers and jade. , but the moving flower and jade technique of Ming Yu Gong is a palm technique that relies on force.

However, the moving flower and jade technique of the Wedding Clothes Magic Art can actually absorb internal energy from a distance, which makes Su Yan feel a little curious.

Now Jiang Yuyan relies on the moving force. Hua Jieyu became a great master.

How many Jianghu people's inner strength did she absorb? Only then could she become a great master?

And if the old master's inner strength was absorbed by Jiang Yuyan,

I'm afraid Jiang Yuyan's strength would be even greater. Powerful.

Princess Yunluo was confused when she heard Su Yan's exclamation.

Although she knew who Jiang Yuyan was, what is the magical skill of wedding?

What is the magic of transferring flowers and jade?

Could it be that the martial arts Jiang Yuyan is using now? Is it the magical power of wedding clothes?

Boom!

At this moment,

Jiang Yuyan completely absorbed Mu Taoist's internal power. Her current aura is constantly improving, and

Jiang Yuyan's cultivation realm continues to improve crazily from the early stage of the Grand Master's cultivation realm. At the peak of the early stage of the Grand Master!

The middle stage of the Grand Grandmaster!

The peak of the middle stage of the Grand Grandmaster!

The late stage of the Grand Grandmaster. It was not until the peak of the late stage of the Grand Grandmaster that

Jiang Yuyan stopped making breakthroughs.

At this time, Jiang Yuyan's temperament also changed.

She was no longer a submissive and weak person. She looks like a queen who reigns over the world, exuding a noble temperament.

Mu Daoren is now paralyzed on the ground helpless.

He has now become a useless person. After decades of After cultivating this witch, he now wants to die once and for all.

A smile appeared on Jiang Yuyan's face after feeling her strength.

Her strength has reached the peak of Grand Master. If she goes further, she can be promoted to the realm of heaven. Land God, this was something she had never dared to think about before.

"Huh? This old man turned out to be a member of the Wudang Clan." Jiang Yuyan felt her Wudang swordsmanship absorbing the old man's inner strength and said doubtfully.

Princess Yunluo saw Jiang Yuyan absorbing the old man's inner strength. She didn't dare to stay here anymore.

After all, Lihua Palace is where she and Su

If Jiang Yuyan brings trouble to them, she and Su Yan are no match for this woman.

Princess Yunluo pulled Su Yan and said hurriedly, "Let's get out of here. This woman is too scary."

"Um!"

Jiang Yuyan found Princess Yunluo and Su Yan who were about to leave secretly.

After she killed the helpless Mu Taoist with one palm, she appeared in front of Princess Yunluo and sneered,

"Princess Yunluo, why do you want to leave?"

"Concubine Yan, can't I leave?" When Princess Yunluo saw Jiang Yuyan blocking the way, she looked at Jiang Yuyan and asked with wide eyes,

"sure! But do you want to give me an explanation about my palace?"

"Explain what? Your Lihua Palace was destroyed by that old man. This has nothing to do with me."

"Do you think I will believe you?"

Su Yan guessed that Jiang Yuyan was not trying to destroy Lihua Palace at all. This time she and Princess Yunluo discovered her secret. I am afraid Jiang Yuyan will not let them go easily.

Su Yan looked at Jiang Yuyan and said She said,"Concubine Yan, Princess Yunluo and I didn't see anything today, and we have never been to Lihua Palace."

Princess Yunluo is not stupid either.

When she heard Su Yan's words, she hurriedly said,"Yes, yes, we didn't see anything today, and we have never been to Lihua Palace."

"Little girl, you are quite smart. Who are you?"Jiang Yuyan looked at the beautiful little girl next to Princess Yunluo and was very curious.

She didn't expect that this little girl would guess that she was going to silence her. It seemed that this little girl's background was not simple.

Su Yan smiled and said Jiang Yuyan said,"I am just a nobody, Concubine Yan doesn't have to worry that I will tell what happened today.

Jiang Yuyan looked at Su Yan with a half-smile but threatened,"Nobody?" I don't think so. Tell me your name and the names of your parents, otherwise you should know what I will do?"

"Are you threatening me?"

Su Yan's face became serious when he heard Jiang Yuyan's words.

At this time,

Su Yan's noble temperament suddenly emerged.

Now Su Yan is no longer a naughty and crazy girl.

Su Yan now seems to have changed. Like a person, her current temperament is even more noble than Jiang Yuyan's, and Su Yan's temperament is not comparable to Jiang Yuyan's.

Jiang Yuyan uses her strong strength to make her very noble. This is just an acquired taste. A noble temperament.

Su Yan has been cultivated with a noble temperament since she was a child. After all, her father is a top noble, and with his father's powerful power, millions of troops in his hands, and her powerful aunts , her words and deeds all reveal strong self-confidence and unparalleled noble temperament.

"Who are you?"

Jiang Yuyan can have such a noble temperament without this little girl.

This is something she can't understand.

This is even nobler than Princess Yunluo's temperament.

What is the origin of this little girl?

How could she be so noble ? Noble temperament?

Su Yan looked at Jiang Yuyan disdainfully and said,

"You don't deserve to know because of your status, Jiang Yuyan, don't think that you can do whatever you want just because you are a powerful grand master. I have too many grand masters to count. It would be very simple for me to kill you."

Jiang Yuyan was so angry that she trembled with anger when she heard Su Yan's words.

She didn't expect that this little girl would dare to threaten her without knowing what was going on.

Although she couldn't figure out the origin of this little girl, she didn't plan to let this tsundere go now. As a little girl,

Jiang Yuyan threatened Su Yan viciously, "Little girl, talking big can get people killed."

Su Yan didn't care at all about Jiang Yuyan's threat.

If Jiang Yuyan didn't know what to do, she wouldn't mind letting the shadow assassin kill Jiang Yuyan.

Su Yan looked at Jiang Yuyan and sneered, "Tsk! Jiang Yuyan, Yihua Jade in Liuren Divine Dice is not so easy to practice. You will have to pay a huge price to learn the martial arts secrets of Yihua Palace."

"Little girl, it seems you know a lot! Yihua Palace? Do you think you are still afraid of Yihua Palace with your current strength?"

"Hahaha! For a great master like you, I can tell you that with your current strength, you will be killed if you can't hold it in ten moves in Yao Yue's hands. Even if Yao Yue wants to launch a special move, you may not be able to catch even one move and you will be killed instantly.."

Chapter 784

Jiang Yuyan was very flustered when she looked at Su Yan.

She did not expect that this little girl would know about the transfer of flowers and jade that she practiced. She even knew about the Liuren Divine Dice.

This made her very confused.

She is the only one who knows about the Liu Ren Divine Dice.

She even entered the palace after getting the Liu Ren Divine Dice.

In the past few months, she has secretly absorbed the inner strength of some weak Jianghu people. These things are all her fault. It was done in secret. How did this little girl know about the technique of transferring flowers and connecting jade in the Liuren Divine Dice?

Jiang Yuyan looked at Su Yan and couldn't make up her mind.

She didn't know whether to kill this little girl and Princess Yunluo now?

The identity of this little girl is too mysterious, and she is now afraid that what this little girl says is true.

Su Yan looked at the ugly Jiang Yuyan and smiled.

Aunt Yaoyue and Aunt Lianxing from Yihua Palace have now practiced her father's emperor-level sword skills, and even the family's king-level secrets from Yihua Palace. There are copies there too.

Although Yao Yue and Lian Xing have not yet advanced to the level of land gods in the Heavenly Realm, their strength is that of land gods in the early stage of the Heavenly Realm. They can probably kill them, not to mention Jiang Yuyan, who has the strength of a great master.

If Jiang Yuyan really underestimates Yao Yue and Lian Xing,

I'm afraid she will die miserably.

Su Yan knew that her aunts were ruthless people, and killing people was probably a common occurrence for them.

Princess Yunluo's eyes lit up when she looked at Su Yan.

Su Yan was much more courageous than her.

She really couldn't compare with Su Yan now.

Her princess and Su Yan's princess were probably not the same. They are not on the same level, just like there is no comparison between candlelight and the bright moon.

Su Yan pulled Princess Yunluo and said to Jiang Yuyan, "Can we leave? Concubine Yan!"

"Little girl, tell me your name and I can let you go." Jiang Yuyan looked at Su Yan with a gloomy face and said.

She doesn't want to offend this mysterious little girl now, but this is not the end.

As long as she becomes stronger in the future, this little girl will pay the price.

Su Yan didn't think that Jiang Yuyan still wants to know her name at this time, it seems that Jiang Yuyan plans to regain the face she lost this time.

Su Yan blinked and said with a smile,

"What if I don't say it?"

"Then don't blame me for being rude." Jiang Yuyan was very angry when she saw this hateful little girl.

She had already given in, but this little girl still dared to play with her.

This made Jiang Yuyan clench her fist and wanted to chop this hateful little girl.

"My name is Su Yan. You are welcome to seek revenge from me in the future." Su Yan saw that Jiang Yuyan was going crazy, so she smiled and pulled Princess Yunluo away and said,

"Su Yan?"

Jiang Yuyan looked at Su Yan and Princess Yunluo leaving.

She frowned and thought,

Su Yan?

Surnamed Su?

There doesn't seem to be a powerful force named Su in the Ming Jianghu family.

This little girl won't say it casually. Did you deceive yourself by saying a name?

Jiang Yuyan shook her head and stopped thinking about it.

She is now a master at the peak of Grand Master.

Liu Xi, the great eunuch of Xichang, is no longer her opponent.

She is also planning to find Jiang Bie. Crane takes revenge

【Jiang Biehe, I am coming to avenge the murder of my mother.】

【And that woman who bullied me all those years, I will make your life worse than death this time】

【Liu Xi, I will operate on you first this time. If it weren't for you, I would have killed Jiang Biehe long ago. 】

At this time, after Su Yan and Princess Yunluo left Lihua Palace,

Princess Yunluo breathed a sigh of relief.

She was very scared when Jiang Yuyan wanted to kill them just now, and she did not expect that Jiang Yuyan would kill them. Killing people and silencing them. I'm afraid even if she tells her brother the emperor, her brother won't believe it. I'm afraid she will be very sad in the palace in the future.

"Princess Yunluo, are you scared?" Su Yan asked with a smile when he saw Princess Yunluo's taciturn look.

"Um! I was scared. I didn't expect Yan Fei Jiang Yuyan to be so powerful, a great master! How could I not be afraid." Princess Yunluo nodded when she heard Su Yan's words.

Although she didn't know whether Jiang Yuyan would kill her, there was a great master who was thinking about her all the time.

Princess Yunluo was very scared.

Su Yan patted her little chest and said, "Don't worry, Jiang Yuyan won't do anything to you if she doesn't kill me again."

"real?"

"Of course, Jiang Yuyan will definitely not dare to take action against you until she understands my details."

"This puts me at ease, but if she knows your identity, I'm afraid she will be even more afraid to take action against me." Princess Yunluo laughed when she thought of Su Yan's identity. She knew that Su Yan was Wu Xiangjun's only daughter. There was Wu Xiangjun behind Su Yan protecting her, but she couldn't help but smile. After coming out,

Princess Yunluo thought that Su Yan was a real princess.

Not only was she protected by powerful guards, she even had her own independent army, more than 100,000 troops!

But what about herself? She only has a false name. Lord, her brother cannot be compared with Su Yan's father, and her mother is probably not even comparable to Su Yan's mother and aunts.

Su Yan is probably the most favored one in the Black Bird Palace in Gusu City. She is probably a dispensable person in the Ming Palace.

Seeing Princess Yunluo's unhappy look, Su Yan also guessed that Princess Yunluo was also living a very unhappy life in the Ming Palace.

Happy, there is probably no one in this deep palace who can talk to Princess Yunluo.

Princess Yunluo must be very lonely in the palace.

She looked at the silent Princess Yunluo and smiled and said, "Yunluo Princess Luo, how about you come with me after this incident? Then I will take you to see the Black Bird Palace in my home. It is really beautiful there."

Although Princess Yunluo is very curious about the Black Bird Palace in Gusu City, she also knows that she may never leave the Ming Dynasty Capital in her lifetime, let alone go to Gusu City in the Southern Continent.

Princess Yunluo shook her head. He shook his head and said in frustration, "I'm afraid I can't leave. My brother the emperor will definitely not agree."

"Princess Yunluo, as long as you want to leave the Ming Palace, leave this matter to me. Tomorrow I will ask your brother to let you leave the Ming Dynasty with me."

"real?"

"Of course, the black bird envoy from Gusu City will arrive tomorrow, and I will tell you to leave by then.".....

In the Imperial Study Room of the Ming Palace,

Zhu Wuli was reporting Ximen Chuixue's matter to the Ming Empire. He was very confused when he looked at the man with a broken arm next to the emperor.

This man with a broken arm was only a master at the peak of his master's level.

He Is it possible to protect the emperor?

There were probably more than a dozen powerful people involved in the fight here. Was the emperor rescued by the Night Emperor?

But who is this one-armed man?

What is his relationship with Ye Di?

"Uncle Emperor, do you think Ximen Chuixue can persuade Mrs. Jun to stop the army?"

"I'm afraid not, but we can't arrest Ximen Chuixue. Although Ximen Chuixue is Wu Xiangjun's sworn brother, Mrs. Jun will definitely not care too much about Ximen Chuixue's opinion when sending troops this time. And if we attack Ximen Chuixue this time, it will I'm afraid it gave Mrs. Jun an excuse to send out troops to attack our Ming Empire."

Chapter 785

The Ming Emperor was very displeased when he heard Zhu Wuwu's words.

Since Ximen Chuixue couldn't persuade Mrs. Jun, why did he leave Ye Gucheng behind?

The competition between these two people destroyed the Forbidden City and even severely slapped the face of the Ming Empire.

Do you not intend to pursue them?

When Chu Liuxiang heard the conversation between Emperor Ming and Zhu Wuwu, he was moved.

If Ming and Lord Wu Xiang's troops were allowed to go to war at this time, then Ming could hold back Lord Wu Xiang's millions of troops, and they, the anti-Soviet alliance People can contact the rebel armies of the Song Dynasty and Sui Dynasty to start a war against Wu Xiangjun's forces at the same time, and even the Qin Dynasty in the Eastern Continent can also cross eastward to the Southern Continent to participate in the war.

With so many empires and forces launching war against Wu Xiangjun's territory at the same time, he didn't believe that Wu Xiangjun's territory could handle them.

When Chu Liuxiang thought of this, she said to Emperor Ming,

"Emperor, Lord Wu Xiang is an ambitious guy, and her wife is even more ruthless. The Ming Empire should not compromise with Lord Wu Xiang's wife."

"Our Ming Dynasty can take advantage of Lord Wu Xiang's disappearance, and the Ming Empire can send out troops to attack Lord Wu Xiang's army, as long as we can defeat or contain Lord Wu Xiang's army"

"The rebel forces in the Song Dynasty and Sui Dynasty in the Southern Continent will begin to counterattack against Lord Wu Xiang's army. By then Lord Wu Xiang will not have any extra troops to resist, and his power will probably fall apart. This is how our Ming Dynasty expanded its territory. good chance."

When Emperor Ming heard Chu Liuxiang's words, he looked at him like an idiot.

【Damn it】

【How did this idiot get Ye Di to accept him as his disciple?】

【Can Lord Wu Xiang's army be dealt with by the Ming Empire's army?】

【Now Wu Xiangjun's millions of troops are about to reach the border of the Ming Empire. Their Ming army has not been deployed yet. How can they start a war with Wu Xiangjun's army?】

【Wu Xiangjun's army has been tempered by war. Even the emperor who does not understand military affairs knows that there is a huge difference between soldiers who have been on the battlefield and soldiers who have not been on the battlefield. Doesn't this idiot know?】

【And this idiot dares to call him emperor? Did Chu Liuxiang really think that he wouldn't dare punish him as long as Emperor Ye was around?】

【The rebel armies in the Song Dynasty and Sui Dynasty were all rabble-rousers, and they would probably be wiped out soon.】

【Now this idiot still wants those empire and rebel forces to counterattack?】

【This is his! He didn't dare to think about things, but this idiot really dared to think about them. 】

Zhu Wuwu looked at Chu Liuxiang and was very dissatisfied.

Why is this man with a broken arm so arrogant?

Even if he is a disciple of Ye Didu, he can't just call him Emperor Ming.

Is this how Ye Di teaches his disciples?

Or was this what Emperor Ye asked his apprentice to do?

Zhu Wulan lowered his head silently after hearing Chu Liuxiang's words.

He didn't want to see this Chu Liuxiang now. He was really afraid that he would not be able to control himself and kill this idiot.

In the past few days, Lord Wu Xiang's army and the ministers in the court have been trying every possible means to get Mrs. Lord to retreat, but what did this idiot say?

This idiot actually said that he would defeat Wu Xiangjun's army or contain these millions of troops.

If the Ming Empire could defeat Lord Wu Xiang's army, would this idiot still say it?

There are millions of elite troops, and even hundreds of thousands of troops from Princess Zhao Min of Dayuan.

From the south, north, and northwest, these armies are attacking the Ming Dynasty from three directions at the same time. How many armies does the Ming Dynasty have that can stop these battle-hardened armies?

The Ming Empire only had more than one million troops.

These troops had never experienced war.

How could they fight against Lord Wu Xiang's army with these troops?

How to contain Wu Xiangjun's army?

Besides, the Song Dynasty has been crippled by Wu Xiangjun's northern army, and the Song Dynasty will be destroyed in a few months.

As for the rebel forces in the Sui Dynasty, they were defeated and surrendered by Wu Xiangjun's army. They were wiped out. Only two or three of the more than ten rebel forces were left.

The remaining rebel forces are probably living in fear now.

Is this idiot going to let them counterattack?

This is his counterattack hammer.

Emperor Ming looked at Chu Liuxiang expressionlessly and said, "Chu Liuxiang, there is nothing to do with you here. You can go down!"

When Chu Liuxiang saw that Emperor Ming was not going to accept his opinion, he was very angry.

It seemed that Emperor Ming was being manipulated. Lord Wu Xiang was frightened, but this was an opportunity to destroy Lord Wu Xiang's power.

Chu Liuxiang didn't want to give up in vain.

He looked at Emperor Ming and continued to persuade,

"Emperor, this is a once-in-a-lifetime opportunity. As long as the emperor can defeat or contain Wu Xiangjun's millions of troops, Great Qin in the Eastern Continent will dispatch 500,000 elite troops to attack Wu Xiangjun's territory. Emperor, you must think clearly."

The Emperor of the Ming Dynasty frowned when he heard Chu Liuxiang's words.

He knew about the Great Qin Empire in the Eastern Continent. With the power of one country to fight against the six eastern countries, the Great Qin was very powerful.

If the Great Qin really sent out 500,000 elite troops, taking advantage of the empty troops in Wu Xiangjun's territory to attack Wu Xiangjun's territory, I am afraid that the remaining troops in Wu Xiangjun's territory are really no match for the Qin army. The

Emperor of Ming Dynasty thought for a while and asked Chu Liuxiang, "Will Great Qin in mainland China really dispatch 500,000 elite troops?"

Chu Liuxiang saw that the Ming Emperor was a little moved, so he hurriedly told the Ming Emperor about the hatred between Wu Xiangjun and Qin Wang Yingzheng, "Yes, Emperor, Qin Wang Yingzheng in the Eastern Continent has a grudge against Wu Xiangjun, as long as we If it could start a war with Lord Wu Xiang, Da Qin would definitely send troops to attack Lord Wu Xiang's territory."

The Emperor of the Ming Dynasty felt that if the Qin Dynasty could send out troops, then this war could be fought. Anyway, Mrs. Jun has already launched a war against them against the Ming Dynasty. Now he can't even fight if he doesn't want to.

"Uncle Huang, what do you think?"

Zhu Liuxiang looked at Chu Liuxiang and felt very strange.

Why did Chu Liuxiang think that Da Qin would definitely participate in this war?

If Chu Liuxiang deceived Daming, it would be impossible for Daming to negotiate peace with Mrs. Jun in the future.

Zhu Wuwu thought about it and He cautiously said to the Ming Emperor,

"Your Majesty, the Great Qin in the Eastern Continent is too far away. Even if the Great Qin in the Eastern Continent will send out troops, it will probably take ten and a half months at the fastest for the Qin army to reach Lord Wu Xiang's territory. Our Ming army can hold on for ten days. Half a month?"

Chu Liuxiang said disdainfully after hearing Zhu Wuli's words,

"The Ming Empire has millions of troops, plus the hundreds of thousands of local Hunan troops. If that doesn't work, we can recruit another million troops. With a population of tens of millions, is there still a shortage of troops in the Ming Dynasty?"

The Emperor of Ming Dynasty's eyes lit up when he heard Chu Liuxiang's words.

He now feels that Chu Liuxiang's proposal is good. As long as he recruits millions more troops, he can hold back Wu Xiangjun's army even if he waits until Qin's army attacks Wu Xiang. Jun's territory, their crisis in the Ming Dynasty will be completely resolved.

"Okay, what Chu Liuxiang said is right. Tomorrow the court will decide not to discuss peace talks with Madam Jun. Our Ming Empire will face Madam Jun's army head-on this time. We Ming Dynasty will let Madam Jun know that this invasion of our Ming Dynasty is wrong. It will cost her a lot."

Chapter 786

After hearing the words of Emperor Ming Dynasty, Hou Zhuwu, the God of Iron Courage, opened his mouth and finally said nothing. Although he understood that it was impossible to avoid a war with Lord Wu Xiang's army, these ministers were trying to avoid war these days. further worsening, and efforts are made to find ways to mitigate the outbreak of all-out war.

Their ministers all speculated that this time it was just Mrs. Jun who wanted to vent her anger. After all, Lord Wu Xiang was assassinated and disappeared in the Ming Empire, and the Ming Empire would have to bear Mrs. Jun's wrath no matter what.

But now if the emperor cooperates with countries and forces in other continents,

I am afraid there will be no room for relaxation in the future, and the war will probably end until one side is destroyed.

Zhu Wuwu looked at Chu Liuxiang and stared at him and asked, "Chu Liuxiang, are you sure that the Qin Empire will definitely send troops?"

Chu Liuxiang was very happy now.

Now the Ming Dynasty is going to raise the entire country's troops to fight against Wu Xiangjun's army. This time Their anti-Soviet alliance will hopefully destroy Lord Wu Xiang's power.

Even if Wu Xiangjun is not dead, he will still be a polished commander from now on.

They can deal with him at will as a tiger without minions.

When Chu Liuxiang heard Zhu Liuxiang's words, he smiled and said, "Don't worry, Lord Marquis, I have people in Daqin. I promise that Daqin will send troops. You don't need to question this."

Zhu Wuwu looked at Chu Liuxiang's broken arm and asked with a frown. He said, "You have worked so hard to convince the Holy Emperor, do you also have a grudge against Wu Xiangjun?"

Chu Liuxiang's face was filled with anger when he heard Zhu Wuwen's words.

The bastard Wu Xiangjun humiliated him and robbed his woman in an instant. It made him think about it again.

His arm was chopped off.

Su Rongrong and Li Hongxiu were also snatched away by that bastard, which made him very angry and helpless.

His twisted face said angrily,

"Yes, Mr. Wu Xiang has a grudge against me. He ordered my arm to be cut off, and my woman was snatched away by that bastard. I will kill Mr. Wu Xiang for revenge in my life, even if Mr. Wu Xiang really kills me this time. Even if he is not dead, I want him to lose everything first."

The Emperor of Ming Dynasty waved his hand to stop Zhu Wuwu from continuing to ask, "Okay, uncle, that's it for today. I will announce this decision at the court meeting tomorrow."

"Your Majesty, what should we do with Ximen Chuixue and those people?" Zhu Wuwu looked at Chu Liuxiang and offered his hand to the Ming Emperor,

"Um? Those people! Tomorrow Mrs. Jun's envoy will arrive. Let them stay in the palace today and wait until tomorrow to see what happens. Those Jianghu people will also stay. Once our Ming Dynasty and Wu Xiangjun's army go to war, these Jianghu people will also join our Ming Dynasty army."

"this....., Yes, Your Majesty." Zhu Mingli wanted to refute what Emperor Ming said when he heard it, but Emperor Ming left as soon as he said that. This made Zhu Wuli look at the leaving Emperor helplessly.

This time he felt that Emperor Ming was a little inflated and recruited hundreds of people again. Thousands of troops, this is very difficult.

Not to mention weapons and armor, I am afraid that there is no money to recruit.

Without weapons and money, how can we recruit an army?

Do we want the recruited troops to go to the battlefield with bare hands?

There is such an emergency. Recruiting an army? Is an army without training still an army?

Zhu Mingwu looked at Chu Liuxiang and left.

He always felt that the decision of the Ming Emperor this time was very stupid, but now there is an old guy in the palace. He I don't want to worry about that much now.

When Zhu Wuwu arrived at the palace square, he told Zhuge Zhengyi what happened in the imperial study room.

Zhuce Zhengyi frowned in confusion after hearing Zhu Wuwu's words. It seems that the Emperor of the Ming Dynasty actually changed the original plan, and now wants to unite the empires and forces of other continents to fight against Wu Xiangjun's wife. This may be very detrimental to the Ming Dynasty.

If Mrs. Jun's anger against the Ming Dynasty changes, If it becomes a full-scale war,

I am afraid that the Ming Empire may collapse.

But this is the decision of the Ming Emperor after all, and even if he wants to oppose it, it will be useless.

Then Zhu Wuwu announced the emperor's order to the people here, although the people here were all Very dissatisfied, but faced with the siege of tens of thousands of troops, the Jianghu people here could only stay in the palace for one night.

Lu Xiaofeng and the others also came down from the top of the Forbidden City.

This time, something unexpected happened to them. , but they can only wait for the emperor's decision tomorrow.

After Su Chen heard Zhu Wuwu's words, he was a little confused. It would be okay if the Ming Emperor kept Ximen Chuixue and Lu Xiaofeng, but here Thousands of Jianghu people were also left behind, which made him confused.

Su Chen touched his chin and said to himself, "What is the Ming Emperor going to do? How could such a decision be made? Does the Ming Emperor want to force these Jianghu people to participate in this war?"

Shangguan Haitang said in surprise when he heard Su Chen's muttering,

"Impossible, the Jianghu people are a group of domineering people. It is impossible for them to obey the orders of the imperial court. The Jianghu people are very resistant to taking refuge in the imperial court. It is probably impossible to get these Jianghu people to join the army."

Su Chen stood up and stretched and said,

"This is a guess. Maybe my guess is wrong. Haitang, find me a place to rest. I can't just sit here all night like these people in the world, right?"

"You dream, this is the palace, you think I am the emperor."Shangguan Haitang rolled his eyes at Su Chen and didn't want to talk to this bastard.

The people here have to stay in the palace square all night.

This bastard still wants to stay in the palace.

Why doesn't this bastard die?

Su Chen hugged him Shangguan Haitang patted his shoulders and said with a flattering smile,

"Shangguan Haitang, I know that you are very capable. You must be the best in the world in the palace.Man, you can definitely do that by finding a place to rest."

Shangguan Haitang slapped Su Chen's hand away and stared at Su Chen in warning,

"Just dream! Just stay here honestly. I don't worry about you, a bastard, wandering around in the palace. I'll be right next to you and watch you. Otherwise, I'm afraid that you, a pervert, will go to sleep in the beds of the concubines in the palace."

"I'll do it! You Emperor Ming's concubines are all vulgar and vulgar, do you think I will fall in love with them?"

"laugh! Who would believe what you say, a shameless pervert?"

Su Chen sat down again and said helplessly to Yi Lin, "Forget it, forget it if you don't help. Little nun, pour me some tea."

Su Chen saw Shangguan Haitang looking at him warily, and he had no choice.

Originally, he was going to use the rest to find that girl Su Yan, but this time I'm afraid he won't be able to see that girl alone. At this time,

Wuqing sat down She also came here in a wheelchair.

She frowned and looked at Shangguan Haitang and asked, "Haitang, who is this ugly man?"

"Sheng Yayu, why are you starting to judge people by their appearance?" Su Chen took the tea that Yi Lin poured for him and said to Qingqing with a smile.

Qingqing was very excited when he heard Su Chen's voice.

This bastard is not dead, but why didn't this bastard show up earlier?

This time The disguise was so ugly. If she hadn't discovered that Shangguan Haitang was here, she wouldn't have noticed that this bastard was familiar.

Qingqing glared at him angrily and yelled, "It's really you shameless pervert. Why aren't you dead?" "Didn't you show up earlier?"

"What's wrong? Does Miss Wuqing miss me too?" When Su Chen came to Qing Qing, he squatted down and touched her little face and asked with a smile,

"Shameless!"

Chapter 787

In the Ming Palace Square, thousands of Jianghu people here are unable to leave the palace now. These Jianghu people and Jianghu sects are gathered in twos and threes. They are worried that the Ming court will take action against them Jianghu people tomorrow.

At this time, at the edge of the square,

Ning Zhongze and Yue Lingshan were held hostage by a middle-aged man. Ning Zhongze, who was completely disappointed with the Huashan Sect, was about to leave the palace with Yue Lingshan, but when they were about to leave the palace, they found that the palace had already Under martial law, no one could leave the palace.

Ning Zhong had no choice but to take Yue Lingshan on the edge of the palace square to wait for the palace to lift the martial law. However, what they did not expect was that a middle-aged man suddenly appeared next to them and controlled their mother and daughter..

The person who controlled their mother and daughter was none other than the escaped Happy King Chai Yuguan.

Chai Yuguan was not only injured but also in a state of embarrassment.

He did not expect that there would be a powerful old monster in the Heavenly Realm in the palace. The monster he brought The old monster who was under his command was killed silently.

If he hadn't been lucky this time,

I'm afraid he would have been killed silently by that old monster.

Happy King Chai Yuguan looked at Ning Zhongze and his daughter in fear and threatened them,"You all cooperate with me honestly. As long as the martial law is lifted in the palace, I will let you go, otherwise I will kill you.""

"We know, seniors."Ning Zhongze controlled her emotions and pulled Yue Lingshan and said to Happy King Chai Yuguan.

Ning Zhongze is very worried now.

This middle-aged man who suddenly appeared is too powerful.

Although he is injured now, but with just He instantly controlled the mother and daughter.

Ning Zhongze guessed that the injured middle-aged man must be very powerful. She did not dare to disobey the middle-aged man's threat now. When the

Happy King saw Ning Zhongze, mother and daughter agreed,

He hurriedly checked his injuries, and now he was very afraid of the old monster in the palace.

The old monster could almost kill him with a casual blow, which showed that the old monster was very powerful. Thinking of the old monster in the palace, his face turned very ugly.

【I'm afraid Lao Daobaozi and Crown Prince Nan are already dead. This time they really failed to steal the chicken and lost the rice.】

【All the subordinates he had trained over the years were also dead.】

【Who is that old monster?】

【Why did a powerful old monster suddenly appear in the Ming Palace? 】

Yue Lingshan leaned closely to Ning Zhongze and asked fearfully,"Mom, will we be okay?"

Yue Lingshan did not expect that so many things would happen during this trip to the palace.

She did not expect that her father would be a hypocrite.

That hypocrite Yue Buqun even sold her mother in order to survive. The conflict between Linghu Chong and Yue Buqun just now also let her know that the people of the Huashan Sect are all selfish people.

"We'll be fine, don't worry." Ning Zhongze touched Yue Lingshan's hair and said comfortingly.

Ning Zhongze is also very sad now.

She did not expect that their mother and daughter would be kidnapped in the palace.

This injured middle-aged man must have done something in the palace. ?

Even the martial law in the palace this time is probably caused by this middle-aged man, but her strength is really low, and it is impossible for Ning Zhongze to escape with Yue Lingshan.

Now she can only pray that this middle-aged man will lift the martial law in the palace. At that time, he could let them go.

At this time,

Su Chen was glaring at Qing Qing and rubbing his waist.

He didn't expect that just by touching Qing Qing's little face, this girl actually pinched him hard.

It seems that women are the same regardless of age, and this time his waist suffered again.

Su Chen attracted the attention of many people in the world.

The people around him did not expect an ugly middle-aged man. There were two beautiful women around him.

The ruthless man from the Shenhou Mansion was actually flirting with the ugly middle-aged man, a nun served the ugly middle-aged man tea, and even Shangguan Haitang, the four secret agents He also appeared there.

This made these people in the world look at Su Chen and speculate about his identity. Behind this ugly middle-aged man, there were more than ten beautiful female guards, and those guards were all powerful and beautiful. Woman.

Wuqing was staring at Su Chen with a red face.

She didn't expect that this shameless pervert would actually touch her, and in full view of the public.

This made Qingqing look at Su Chen and wish she could strangle him to death. Shameless bastard.

Su Chen rubbed his waist, sat down and said to Qingqing with a red face, "Qingqing, you are so cruel, you will pinch my waist and bleed."

"You deserve that as a bastard."

Wu Wuqing rolled her eyes at Su Chen in shame and didn't want to talk to this bastard.

She shouldn't have come here this time.

This bastard is too shameless and shameless.

Wu Wuqing and this bastard have only met a few times, and this bastard started teasing Yu. She, this made her look at Su Chen and want to leave here.

But she was also worried that this bastard would reveal his identity.

This was the Ming Palace. If this bastard exposed his identity now, there would probably be another bloody storm in the Ming Palace. Got it

"You are so unlovable!"

"asshole!"

Su Chen smiled and stopped teasing Qing Wu.

He looked around at the people in the Jianghu who were paying attention here and shook his head.

The arrival of Wu Qing and Shangguan Haitang must have attracted the attention of the people here, but now he is not worried about it. After revealing his identity, with Qingqing and Shangguan Haitang present, at least no one dared to disturb him.

"Huh? Why were Ning Zhongze's mother and daughter abducted?"

Su Chen used his mental strength to check where Su Yan was, but he suddenly discovered that in the corner of the palace square,

Ning Zhongze and Yue Lingshan were held hostage by a middle-aged man, and the middle-aged man seemed to be injured.

This Su Chen felt very strange

"What? Who is being held hostage?" Shangguan Haitang was sitting next to Su Chen when she heard his muttering. She asked Su Chen curiously.

Su Chen took Shangguan Haitang's hand and whispered in her ear, "It's Ning Zhong of the Huashan Sect. Mother and daughter, and the person holding them hostage was a middle-aged man. It seemed that he was injured. No, that middle-aged man turned out to be a master at the peak of Grand Master."

"Ning Zhongze's mother and daughter from the Huashan Sect? And being held hostage by an injured top master?"

Shangguan Haitang shook off Su Chen's hand and glared at Su Chen.

This bastard wants to take advantage of her all the time.

This bastard is really hopeless.

But she frowned after hearing Su Chen's words.

Ruthless. After hearing Su Chen's words, he said to Shangguan Haitang, "Could it be those remnants who invaded the palace?"

"should be."

Shangguan Haitang nodded with a serious expression.

Qingqing and Shangguan Haitang both know what happened in the palace tonight. Although Crown Prince Nan's conspiracy has been shattered, the remnants in the palace are still being cleaned up. What about this great master? The middle-aged man must have fled from the palace to the square.

"I will report to the Marquis and Shenhou"

"Let me go too!"

Chapter 788

Shangguan Haitang and Wu Wuqing nodded to each other and prepared to go to Zhuge Zhengyi and Zhu Wuwu, but they looked at Su Chen at the same time and were very helpless before leaving.

This bastard is a time bomb.

If both of them leave, and if this bastard does something again,

I'm afraid the palace will be even more uneasy tonight.

"I'll do it! What's your expression? Su Chen asked angrily when he saw Shangguan Haitang and Qingqing's expression.

Shangguan Haitang said to Su Chen with a serious face, "You stay here well tonight. Tomorrow the palace will lift martial law and we will send you away."

"You'd better not go there, you know? asshole." Wuqing glared at Su Chen and threatened in shame,

"Holy shit! I can go there this late at night, so your worries are unnecessary."

Shangguan Haitang and Wuqing were still very uneasy after hearing Su Chen's words.

This bastard is a shameless person.

Nine times out of ten, his words cannot be believed.

However, the remnants of Prince Nan must be eradicated as soon as possible, otherwise they will be killed. These remnants fled the palace, and I'm afraid it will be very difficult for them to catch them in the future.

In the end, Shangguan Haitang and Qingwu left, but they gave Su Chen a strict warning when they left. After receiving Su Chen's repeated warnings, they After the guarantee,

Shangguan Haitang and Qingwu were relieved.

When Su Chen saw Shangguan Haitang and Qingqing leaving, he said to the cute little girl Yilin next to him, "Little nun, I will leave for a while, so you can Wait here for my return."

Yilin was stunned when she heard Su Chen's words.

Su Chen had promised not to run around or cause trouble just now, but Qingqing and Shangguan Haitang had just left, and he was about to leave too.

This made Yilin look at Su Chen. He said cutely, "No, didn't you just promise Qing Wu and Shangguan Haitang not to run around? You don't mean what you say."

Su Chen touched Yilin's cute little face and said with a smile,

"This is a well-intentioned statement. Little nun, just wait for me here with peace of mind. My men here will protect you. If Qingqing and Shangguan Haitang ask about me, just say that I went to the latrine."

"is this okay?"

"Don't worry about it, just listen to me"

"Okay, but you have to come back soon"

"knew."

Su Chen gave instructions to Fairy Yunmeng's men behind him and then suddenly disappeared.

Yilin was very surprised when she saw Su Chen suddenly disappearing.

She didn't expect that Su Chen was so powerful.

Why did he suddenly appear in front of her? disappeared?

Could this hateful bastard be a very powerful master?

In the palace harem. After Princess

Yunluo and Su Yan left, Jiang Yuyan was very angry when she looked at the dilapidated Lihua Palace.

Her palace must be It was destroyed by Princess Yunluo and that little girl. She will never let those two girls go in the future.

"who?"

Jiang Yuyan suddenly found an ugly middle-aged man appearing in front of her. This shocked Jiang Yuyan.

She did not expect that a man would appear in front of her silently.

Could it be that this ugly man is better than her? More powerful?

"Um?"

Su Chen didn't expect to be discovered as soon as he arrived here. He clearly felt that Su Yan and Princess Yunluo were destroying the palace here.

Why was there only one woman left here?

Could it be that Su Yan and Princess Yunluo had just Left?

Jiang Yuyan looked at Su Chen warily and asked, "Who are you?" This is the Harem of the Ming Dynasty. Are you planning to do something evil?"

"Huh! The peak strength of the Grand Master? I didn't expect that there would be a woman at the peak of Grand Master status in the Ming Palace."

Su Chen looked at Jiang Yuyan and was very confused.

He did not expect that this woman was actually a master at the peak of a grand master.

It seemed that this woman should be a concubine of the Ming Empire, but how could a concubine be a grand master?

"who are you?" Jiang Yuyan didn't expect that this ugly middle-aged man would see through her strength at once, and her gloomy face was very wary of this sudden appearance.

Su Chen pretended to look lustful and looked Jiang Yuyan up and down. The figure smiled and said, "I am the famous flower picker Tian Boguang. I never thought that there would be a beauty like you in the palace. I, Tian Boguang, am very lucky this time.""

"Flower picker? Tian Boguang? Go to hell!" Jiang Yuyan felt uncomfortable with Su Chen's eyes. When she heard that this bastard was the flower-picking thief Tian Boguang, she slapped Su Chen angrily, boom!

"Where are people?"

Jiang Yuyan blasted out a big crater where Su Chen was standing just now with one palm. However, when she looked into the crater, she didn't find Su Chen's body. This made her wary and she hurriedly looked around.

"Beauty, are you looking for me?" Su Chen suddenly appeared behind Jiang Yuyan, hugged her and said with a smile,

"Tian Boguang, you are seeking death!"

Jiang Yuyan was hugged by Su Chen and slapped him with her palms full of shame and anger.

Her body had never been touched by a man, not even the eunuch emperor had touched her. She never thought that she would be touched by this pervert today. The thief was hugged

"Holy shit!"

Boom!

Su Chen teleported and disappeared and appeared on a pillar in Lihua Palace. When he looked at this beautiful woman, he felt very surprised.

This concubine was actually a perfect body, but how could a concubine be a perfect body?

Su Chen suddenly thought that Emperor Zhu Houzhao of the Ming Dynasty seemed to have no descendants.

Zhu Houzhao of the Ming Dynasty also died in his thirties, and his successor was a cousin in the royal family, the Jiajing Emperor Zhu Houcong of the Ming Dynasty.

Could it be that the Emperor of the Ming Dynasty was a god ? Eunuch?

Otherwise, why did Emperor Zhu Houzhao of the Ming Dynasty, who had been emperor for more than ten years, have no offspring?

There were many concubines in the palace.

One concubine could not give birth to a child, but dozens of concubines could not give birth to children. This is But it was very strange.

Su Chen looked at Jiang Yuyan and smiled and asked, "Beauty, I didn't expect that you are still a perfect body. Is it okay to be your emperor's husband?" Or do you not please the emperor?"

"Damn it, I'm going to kill you, this shameless thief." Jiang Yuyan looked at Su Chen with an angry face and wanted to kill this bastard immediately.

She didn't expect that this thief could see at a glance that she was still in perfect condition. This shameless thief was indeed a flower picker.

Su Chen stood on the pillar and curled his lips and said,

"You can't kill me"

"That's not necessarily the case, just graft it on!" Jiang Yuyan's face was gloomy and she suddenly used the magical power of wedding clothes on Su Chen.

This time she wanted to drain all the internal energy of this flower picker, and she would make good use of this damn lewd thief in the future.

Boom!

"I'll do it! graft? The magic power of wedding clothes? Are you Jiang Yuyan?"

Chapter 789

Su Chen was very confused when he saw Jiang Yuyan's method of grafting flowers onto wood, grafting flowers onto wood and grafting wood on wood?

Only Jiang Yuyan can use the magical martial art of moving flowers and grafting flowers. Yao Yue and Lian Xing should not have gone to Jiang Biehe to take away the Liuren Divine Dice.

Then this woman must be Jiang Yuyan, but why does Jiang Yuyan appear now? Become a concubine in the palace?

Could it be that Jiang Yuyan and Hua Wuque already know each other?

Or has the plot between Xiao Yuer and Hua Wuque begun?

Su Chen is now being threatened by Jiang Yuyan who is trying to absorb his internal energy from afar, but Su Chen is not worried at all. Jiang Yuyan cannot absorb his own internal energy.

Su Chen practiced the Emperor's Internal Classics. How could Jiang Yuyan absorb his abilities with the heaven-level skills he practiced?

"How can it be? Why can't I absorb your inner energy?"

Jiang Yuyan was very confused now.

She found that she could not absorb the inner strength of this lewd thief, and this lewd thief actually knew that what she practiced was grafting flowers and grafting trees. This made Jiang Yuyan very surprised.

Su Chen looked at Jiang Yuyan and faced her. She said expressionlessly, "Jiang Yuyan, hand over the Liuren Divine Dice and the Secret Book of Yihuaqiangmu. This is not what you deserve."

"You damn thief, are you dreaming!"

"It seems that I have to teach you, this cruel woman, a lesson." Su Chen looked at Jiang Yuyan and jumped down from the pillar and walked towards Jiang Yuyan step by step.

"What are you going to do, don't come over."

Jiang Yuyan backed away nervously when she saw Su Chen approaching.

All her methods could not do anything to this perverted thief. She was very worried that this perverted thief would do those things to her.

"Hand over the Liuren Divine Dice and the secret book of grafting flowers and grafting wood on top of each other. Don't force me to really take action against you."

"I give you!"

Jiang Yuyan took out the Liu Ren Divine Dice and the secret book of Yihuahuamu from her arms and handed them to Su Chen. When she saw Su Chen was about to take the Liu Ren Divine Dice, she suddenly hit Su Chen in the chest with a palm.

Boom!

Lihua Palace A room in the room was destroyed by Jiang Yuyan in an instant.

Su Chen suddenly appeared behind Jiang Yuyan, and he quickly tapped Jiang Yuyan's acupuncture points,"She is indeed a cruel woman. Fortunately, I have been on guard against you."

"you....."

Jiang Yuyan was very surprised when Su Chen tapped her acupoints.

She didn't expect that this thief had been guarding her. This time she made a complete miscalculation.

"Jiang Yuyan, how do you want to die now?"Su Chen took the Liuren Divine Dice and the Secret Book of Changing Flowers from Jiang Yuyan's hands and threatened her fiercely.

"You damn thief, if you want to kill him, kill him!"

"Huh! I didn't expect you to be so stubborn, but you have to know that I am the flower picker Tian Boguang. What do you think I will do to you?"

"Tian Boguang, if you dare to insult me, I will commit suicide immediately"

"Really?"

Su Chen touched Jiang Yuyan's angry face and asked with a smile.

Su Chen didn't believe that Jiang Yuyan would commit suicide.

Although this woman was extremely beautiful in the original work, she was very smart and vicious. She was a vicious person who held grudges but not gratitude. Woman.

Jiang Biehe's wife made every possible effort to make things difficult for her and beat her severely. It is impossible for this woman to commit suicide before taking revenge.

"You thief, you will not have a good death in the future!" Jiang Yuyan was touched by Su Chen on the face and glared at Su Chen and cursed.

Jiang Yuyan is very desperate now.

She didn't expect that she would fall into the hands of a thief before she started to take revenge, but she hasn't yet. Even though she could die, her mother's revenge has not been avenged, and she has not killed the vicious woman who bullied her.

Su Chen glared at Jiang Yuyan and threatened, "I'm the one who did it!" Damn woman, if you scold me again I will take off your clothes."

"Come on, you do what you want, you perverted thief, but I will definitely kill you in the future, I swear!"

"Holy shit! He is really a crazy woman. I have no interest in women like you. It is really disappointing."

Su Chen put away the secrets of Liuren Divine Dice and Yihuahuamu and unlocked Jiang Yuyan's acupuncture points.

He didn't have the time to stay here to play with Jiang Yuyan.

Fortunately, he disguised himself this time, otherwise he would be beaten by this crazy person in the future. If a woman holds a grudge, I'm afraid he will have to destroy her now.

"Um? Someone is coming, holy shit, it can't be that old bastard!" Su Chen used his mental strength to prepare to see where Su Yan's girl had gone, but he suddenly noticed a figure coming towards this side quickly.

Jiang Yuyan didn't expect that the lewd thief actually let go of her.

When she looked at Su Chen, she felt very Strange, how did this lewd thief know her?

Like the little girl before, he was also very familiar with the tricks in the Liuren Divine Dice.

Who was this lewd thief?

She didn't believe that this lewd thief was really The flower-picking thief Tian Boguang.

When Jiang Yuyan heard Su Chen's mutterings, she guessed that this thief had noticed someone coming, but she didn't even notice it at all. This made her estimate the strength of this thief to a higher level.

"Who is coming?"

"none of your business!"

"Damn the thief!"

At this moment, an old man appeared silently in Lihua Palace.

He looked at Jiang Yuyan and Su Chen and was very confused. They are just two people. One is at the peak of the Grand Master's strength, and the other is at the Grand Master's strength. How can they? Will there be a fight in the palace?

What happened here before was because he didn't come over to monitor the three powerful women. What happened here this time?

"who are you?"

Jiang Yuyan was very shocked when she looked at this old man.

She could not see the strength of this old man. Moreover, since the old man arrived, she felt very depressed.

"Night Emperor?"

Su Chen guessed as he looked at the old man who appeared.

He didn't expect Ye Di to look so old.

Ye Di's ex-wife, Ye Di's wife Shui Rou, was a very sexy and Fengyi beauty.

Fortunately, Ye Di and Ye Di's wife separated. Otherwise, he wouldn't have gotten a charming and beautiful woman.

"Do you know me?"

Ye Di looked at Su Chen with piercing eyes and was a little confused.

He didn't expect that this boy in disguise could guess who he was.

He hadn't appeared in front of strangers for decades. How could this boy suddenly... Can you guess his name?

Su Chen shook his head and said to Ye Di, "I don't know him, but I know your apprentice Chu Liuxiang. I heard him talk about you."

"You know my disciple Chu Liuxiang, then who are you?"

"Boy, Dali Duan Yu has met his senior." Su Chen rolled his eyes and saluted Ye Emperor.

Now Su Chen can only pretend to be Duan Yu, that pretty boy.

He can't deal with this Ye Emperor.

Although he can escape in an instant, Su Yan and his women They are still in the palace, so it would be best if this time there would be no conflict.

Jiang Yuyan was confused now.

Who is the Night Emperor?

Why did this perverted thief pretend to be a gentleman when he saw the old man coming.

Still Is this pervert really named Duan Yu?

Jiang Yuyan is very suspicious that this pervert who talks nonsense is deceiving the Night Emperor.

"Are you Duan Yu, the prince of Dali?" Ye Di had no expression on his face and frowned, staring at Su Chen suspiciously and asked,

Whoosh!

Touch!

When Su Chen saw that Ye Di doubted his identity, he directly used the Six Meridians Divine Sword and Yiyang Finger to attack the side. Fortunately, he had learned the Six Meridians Divine

Sword and Yiyang Finger from the Duan Family of Dali before, otherwise it would have been difficult to fool him this time.

"The Six Meridians Divine Sword and the One-Yang Finger are indeed Dali's unparalleled secrets, and you are only at the level of a master. This is exactly the same as what my apprentice said."

Chapter 790

After Ye Di saw the Six Meridians Divine Sword and Yiyang Finger used by Su Chen, he did not doubt Su Chen's identity.

It's just that he was very puzzled that Su Chen appeared in the palace this time and even fought with a concubine in the palace.

And why is there a great master among the concubines in the palace?

This also made Ye look at Jiang Yuyan with some doubts.

Could this concubine be someone placed in the palace by other forces?

Or did this woman have some conspiracy to enter the palace and become the emperor's concubine?

Ye Di shook his head and thought no more.

He didn't want to care about the affairs in the palace now.

This woman was just a grand master. If the emperor couldn't even deal with a grand master, he deserved to be killed or controlled.

After this time, he will focus on attacking the Golden Core Realm, and he will no longer care about things in the world.

Ye Di looked at Su Chen and said to him, "My apprentice Chu Liuxiang is in the palace, don't you go and meet me, little friend?"

Su Chen did not expect that Chu Liuxiang was also in the palace, but fortunately Chu Liuxiang did not appear with Ye Di this time. , otherwise he might really be exposed.

Su Chen looked at Ye Di and shook his head and refused,"No, senior, we are now trying to win over the martial arts masters. There are many masters coming to the competition in the Ming Dynasty Palace this time. I This time we have to win over some martial arts masters."

Su Chen felt emmmmm in his heart now..... joke!

Wouldn't it be completely exposed if I saw Chu Liuxiang now?

Su Chen would not foolishly go to see that unfortunate Chu Liuxiang. When

Ye Di looked at Su Chen, his eyes flashed coldly and he nodded and said,

"Um! I understand, but you don't need to compete with each other. I know that you and Chu Liuxiang are both people who have been hurt by Wu Xiangjun. If you want to win over the masters of the world, you can work together. In fact, you don't need to distinguish between high and low."

"Seniors, if we don't win over experts, I'm afraid we will be marginalized in the future. This is not what I want to see."

After hearing Su Chen's words, Emperor Ye no longer doubted anything.

Just now, this boy had no intention of meeting Chu Liuxiang. He had some doubts about this boy's identity.

However, when this boy said these words,

Emperor Ye also expressed his suspicion to Su. Chen was relieved.

Chu Liuxiang also told him these things.

They are now trying their best to win over the masters in the world. It seems that they are trying to compete for the right to speak in their forces.

Ye Di nodded to Su Chen. He reminded, "Forget it, you young people can do whatever they want. Boy, there are still three celestial realms in the palace, so you have to be careful."

Su Chen was very surprised when he heard Ye Di's words.

He didn't expect that there were three land gods in the heavenly realm in the palace.

Fairy Yunmeng came to the palace with him.

She was his wife, and she was considered a heavenly being. A land fairy from the human realm.

When his daughter Su Yan comes to the Ming Palace this time, Su Yan must have a land fairy from the heavenly realm to protect her. Who is the person who comes with Su Yan?

Shui Rou (Mrs. Ye Di) is It is impossible to come to the Daming Palace.

Donghuang Taiyi and Bai Ruobing (Marquess) are probably impossible to come. After all, their whereabouts are a bit strange, and it may be difficult to find them.

Then only Shi Guanyin and Jellyfish Yinji are left, but Who among these two people protected Su Yan when he arrived at the Daming Palace?

But who could it be if there was another terrestrial immortal in the Celestial Realm in the palace?

He couldn't guess now.

Su Chen looked at Ye Di and asked tentatively, "Senior! Are there still three heavenly beings in the palace? Then why didn't the seniors drive them out or kill them?"

"You can't do it, you can't do it, just do it yourself." Ye Di shook his head at Su Chen and disappeared.

Phew!

Damn it!

This old bastard finally left, but who is the remaining land immortal in the Celestial Realm in the palace?

Bai Jing from the Ghost Palace ?

Or Fu Hongxue's mother Hua Baifeng?

And what did Ye Di mean when he said he couldn't use it?

Could Ye Di not be able to defeat those three land gods in the heavenly realm?

Or was there another reason?

Su Chen sat directly on a broken stone bench. On the bed, he rubbed his brows and thought about these things that he couldn't understand.

I'm afraid this old bastard Ye Di doesn't know the relationship between Shui Rou (Ye Di's wife) and him. If this old bastard knows that Shui Rou has become his Madam Ye, I am afraid that Emperor Ye will hunt him down all over the world.

Su Chen thought that he should kill this old bastard as soon as possible after this incident, otherwise Emperor Ye would know that he had stolen Shui Rou (Mrs. Emperor Ye), this old bastard. I'm afraid they will go to Gusu City and start a killing spree.

Jiang Yuyan was very shocked when she saw Su Chen.

She didn't expect that there were three land gods in the heaven and human realm in the palace. The Night Emperor must have been a land god in the heaven and human realm just now. , but what is the identity of this thief?

Jiang Yuyan doesn't believe that this bastard is really that Dali Duan Yu. Although she has only been in contact with this shameless thief for a short time, she feels that there is not a single word in this bastard's mouth. To be honest.

Flower picker Tian Boguang?

Dali Duan Yu?

I'm afraid these are all fake identities.

But this bastard would boldly deceive a terrestrial god in the heaven and human realm.

This made Jiang Yuyan look at Su Chen and feel that this bastard's heart is terrible. Really big, isn't this shameless thief afraid of being exposed and killed by Emperor Ye?..?

"What are you looking at? Have you never seen a handsome guy?" Su Chen found Jiang Yuyan staring at him and said to him speechlessly,

"shameless!"

Jiang Yuyan was so angry that she was shaking with anger at what Su Chen said.

Doesn't this perverted thief have any skills?

Now he looks like an ugly middle-aged man.

What kind of handsome guy is this perverted thief?

Su Chen doesn't want to be with Su now. Su Chen met Yan, the remaining heavenly land immortal in the palace. Before he figured out her identity,

Su Chen had better keep a low profile and said, "Jiang Yuyan, find me a place to rest. I want to be here." think of something"

"Go away, this is my palace."When Jiang Yuyan heard Su Chen's words, she yelled with shame and anger.

This thief still has no intention of giving up on her.

Damn thief!

Why didn't she expose this shameless thief in front of Emperor Ye just now?

Su Chen heard Jiang Yuyan knew that she had misunderstood.

Su Chen would not have any thoughts about this cruel and ruthless woman who did not recognize her relatives. Although Jiang Yuyan was very beautiful,

Su Chen might not be able to tame this woman who did not recognize her relatives.

His Although those women are also ruthless people, Su Chen has a way to deal with his women. But this Jiang Yuyan is different.

This woman is too dangerous.

Su Chen doesn't want to leave a time bomb around him.

"His! Jiang Yuyan, don't think too much. I have no idea about you as a woman. I just want to find a quiet place to understand the information that Emperor Ye just told me."

"roll! You shameless thief, you are not welcome here."
