Chapter 91

Su Chen stopped when he heard Huang Rong's scream. He didn't expect Huang Rong to be so shameless. He just wanted to scare her. Huang Rong actually called Su Yan to come. Su Chen looked at Huang Rong and shook his head. This Huang Rong deserves it. It's a female Zhuge

"You won. I didn't expect you to be so shameless."

When Huang Rong saw Su Chen admitting defeat, she came to him happily. Now that she had Su Yan as a shield, Su Chen, a bastard, couldn't do anything to her.

Huang Rong playfully stuck out her tongue to Su Chen and said,

"The one who is close to the ink is the black man. I can't even think about being shameless when I am with you today. You are too shameless and insidious."

Su Chen saw Huang Rong approaching and trying to squeeze her, so he pushed her away and said,

"Go away, I don't want to talk to you now. You should go see your father. Tell your father to tell that old beggar to get out immediately, otherwise I will kill him if I change my attention. Well, let's just say it's for your father's sake. I only let him go this time to save my face."

When Huang Rong saw this bastard pushing her away again, she said to Su Chen with disdain,

"Shameless is shameless. She clearly wants Hong Qigong to take the blame, and what she said here is awe-inspiring."

When Su Chen saw this girl Huang Rong insisting on saying that she was shameless, Su Chen threatened,

"Um? How about I kill Hong Qigong now? I just said that you insisted on killing Hong Qigong"

"Bastard, I can't spare you next time."

Huang Rong said and hurriedly ran to her father. Now she was also afraid that Su Chen suddenly changed his mind and wanted to kill Hong Qigong.

When Su Chen saw Huang Rong running away, he looked at the beggar gang that was being slaughtered. It was about to end here. Now I have to go back. Today was really thrilling, but at least I have dealt with Murong Bo, an old bastard. I don't have to worry about being assassinated when I go out in the future.

"Su Chen, I am leaving with my cousin."

Lin Shiyin came to Su Chen and said to Su Chen with some reluctance.

Su Chen took Lin Shiyin's hand and asked doubtfully,

"leave? Do you want to go back to Ming Dynasty with Li Xunhuan? Lin

Shiyin looked at Su Chen and said tenderly,

"Well, my cousin and I have been out for a while. We are going back home this time, but after telling my family, I will come to Dasong to find you."

Lin Shiyin also didn't want to leave Su Chen, but this time she went back to break off her engagement with her cousin Li Xunhuan. There was no way she wouldn't go back.

Su Chen hugged Lin Shiyin, kissed her and said with a smile,

"Okay, I'll wait for you to come back in Da Song. Su

Chen looked at Li Xunhuan next to him and said, "Brother Li, I will trouble you when Shiyin comes to Song Dynasty.""

Li Xunhuan said in displeasure when he saw this bastard Su Chen kissing Lin Shiyin in front of him,

"No, Shiyin is my cousin, I will protect her."

Lin Shiyin didn't expect that Su Chen would kiss her in front of her cousin. She hugged Su Chen with a blushing face and said,

"Su Chen, you have to wait for me to come back"

"I will wait for you to come back"

"Brother Su, see you later"

"Brother Li, see you later."

Su Chen felt a little emotional when he saw Li Xunhuan and Lin Shiyin leaving. Not only did he meet Li Xunhuan and Lin Shiyin today, but he also didn't expect to get involved with Lin Shiyin, a silly girl. From now on, Li Xunhuan should just live his life with wine. The worst is in the future. I sent more wine to Li Xunhuan.

At this time, Zhou Zhiruo and Zhao Min came over. Zhou Zhiruo came to Su Chen and said,

"Su Chen, Huanwan and Shi Feixuan also left. They didn't come to say goodbye to you, they just said they would come to see you later."

Su Chen looked around after listening to Zhou Zhiruo's words, but he didn't find Huan Huan and Shi Feixuan here. It seems that they don't want to say goodbye to him.

Su Chen sighed and shook his head, Huan Huan It is not easy to persuade them to stay by talking to the master and the concubine. Each of them listens to their master more and more, and their master is more crazy and difficult to deal with. They are all somewhat crazy old women. One is willing to sacrifice his life for the sake of the world, and the other is In order to revitalize the sect, the six relatives refused to recognize each other. Damn, how come the current world is full of powerful female masters and female leaders, and some of them are a little crazy.

Su Chen saw Zhou Zhiruo and Zhao Min staring at him. He said jokingly,

"What do you see me doing? If you want to leave, just leave."

After hearing Su Chen's words, Zhou Zhiruo angrily reached out and grabbed him and asked,

"Bastard, are we useless and you just want to kick us away?"

I thought, what are you talking about? I feel like I am putting up my pants and not recognizing anyone. Girl, saying this will make people misunderstand our relationship.

Zhao Min turned red and stared after hearing Zhou Zhiruo's words. Staring at her, she didn't expect Zhou Zhiruo to say such ambiguous words, which made Zhao Min want to leave here now.

Seeing Su Chen and Zhao Min looking at her strangely, Zhou Zhiruo asked anxiously,

"What are you looking at me for? Did I say something wrong?"

Su Chen and Zhao Min looked at each other and nodded at the same time.

Seeing them both nodding, Zhou Zhiruo recalled what she said.

"Didn't I just say that we are of no use to Su Chen? This bastard is going to.....Forehead."

Before Zhou Zhiruo finished speaking, she glared at this bastard Su Chen with a face full of shame and anger. She was made angry by him, otherwise she wouldn't have said the wrong thing.

Su Chen looked at Zhou Zhiruo and Zhao Min and smiled. Laughter breaks the awkward atmosphere,

"I just made a joke to liven up the atmosphere. Besides, Master Mijie needs to recover after being injured. By the way, next to Su Yan's carriage, Zhou Zhiruo help your master to rest on the carriage first."

"This is like a human saying."

After Zhou Zhiruo heard Su Chen's words, she saw the carriage next to her. She waved to Zhao Min and left.

After seeing Zhou Zhiruo leaving, Zhao Min said coldly to Su Chen,

"Bastard Su, I'm leaving. Maybe we will be enemies in the future."

Su Chen looked at Zhao Min with a tight face and said with a smile,

"enemy? Zhao Min, you also said that we might be enemies in the future, so will I let you go? My hundredth concubine is you."

Zhao Min kicked Su Chen angrily.

"Damn it, are you going to die if you don't say those infuriating things?"

Su Chen grabbed Zhao Min's little feet and said with a smile,

"He won't die, but he will go crazy"

"You are such a shameless person. If I meet you, I will lose at least ten years of my life. Let go of my feet. What are you going to do?"

Zhao Min regretted why he showed mercy to this shameless person. This bastard touched his own feet. This made Zhao Min want to strangle this bastard immediately in shame and anger.

Su Chen was also a little confused now. He just thought of Zhang Wuji. In the plot of tickling Zhao Min's feet, who knew that he not only took off Zhao Min's boots, but even involuntarily wanted to tickle Zhao Min's soles

"That, that, I said I didn't mean it, do you believe it?"

Chapter 92

Zhao Min now looked at this bastard with shame and annoyance. This bastard still wanted to make a fool of himself. Why did he take off his boots without doing it on purpose?

If this bastard did it on purpose, wouldn't he have to take off his clothes? Bah, what are you thinking about? Zhao Min was also stunned by this bastard.

Zhao Min felt angry when he looked at Su Chen.

"Bastard, this time the matter is not over yet, I will seek revenge from you in the future."

"Uh, okay, okay, I'll wait for you to take revenge."

Su Chen was relieved when he saw that Zhao Min didn't yell. If Zhao Min made a fuss here, he would be embarrassed.

Zhao Min was angry when he saw that this bastard Su Chen was still holding his boots. said,

"If you don't return my boots to me, do you still want to keep them?"

After hearing Zhao Min's words, Su Chen shook his boots and said with a smile, "Haha, then I will accept it, and I will return it to you when you come again."

"you.....You are so shameless, Su Chen, you are a bastard. I will torture you if I catch you in the future."

Zhao Min saw Su Chen holding her boots and leaving. This made Zhao Min a little stunned. This damn bastard, he wouldn't want to have his own ideas, would he?

Zhao Min shuddered and shook his head. She didn't Zhao Min will like this bastard. If he likes this bastard Su Chen, Zhao Min may be pissed to death by Su Chen in the future. This bastard is poisonous. I can't see this bastard in the future.

Su Chen feels a little awkward when walking with his boots. Speechless, he can't walk around with a woman's boots. Concubine Dongjun Yan of the Yin Yang family has been following him, and Su Chen has no way to put the boots into the system space.

"Liu Teng, put these boots away for me and give them to me when you get back."

""Yes, Your Majesty."

Su Chen looked at Concubine Dongjun Yan and made a gesture to follow her. Concubine Yan was going to give it to him anyway, so Su Chen regarded her as a bodyguard.

Damn it, Lord Wu Xiang. The bastard really regarded me as his subordinate. Concubine Yan looked stupid and wanted to kill this bastard with one palm.

Seeing Concubine Yan's angry look, Su Chen smiled and came to the surrounded Jianghu people. Now the Beggar Gang has already It's time to finish, and the remaining minions will be cleared away in a while.

Seeing that Duan Zhengchun and Wanyankang hadn't been caught yet, Su Chen frowned and ordered,

"Come here, capture Dali Duan Zhengchun and Jin Guo Wanyankang, and execute all their men."

"Yes, Your Majesty."

A commander immediately led his soldiers and ran towards the Jianghu people on the right to arrest them.

Concubine Yan came to Su Chen and asked incomprehensibly.

"Wu Xiangjun, what do you want to do to arrest Duan Zhengchun of Dali and Wanyankang of Jin? You have to know that catching them will bring war to your Song Dynasty."

Concubine Yan thought that Lord Wu Xiang wouldn't take revenge on Duan Zhengchun and Wanyankang, right? Although Duan Zhengchun and Wanyankang also sent people to attack Su

Chen's army, Duan Zhengchun and Wanyankang were after all, Dali and Jin Guo An important figure.

This shameless Lord Wu Xiang would not know about it, so why did he want to arrest him? Does this shameless bastard have any conspiracy?

""Guess"

Su Chen looked at Concubine Yan and smiled mysteriously. Concubine Yan from the Yin-Yang family is just right to come with her this time. The masters from Tianlong Temple in Dali are prepared for the Yin-Yang family. The Yin-Yang family wants to know something. The secret must be to destroy Dali Tianlong Temple first

"You are shameless."

Concubine Yan Yan was furious now. This bastard, if she knew, would she still need to ask him? Concubine Yan found that Su Chen was not only shameless, but also very irritating. She was so angry with him that day when she was with Su Chen.

Concubine Yan knew that this bastard not only had some plot against Da Qin, but he also knew some secrets of the Yin Yang family. Before Concubine Yan investigated clearly, Su Chen, the bastard, could not be killed or offended.

Su Chen looked at Yan speechlessly. concubine,

"Let me guess, I just want you to guess, why am I shameless again, are you sick?"

"you....."

When Su Chen saw that Concubine Yan wanted to say something shameless, he hurriedly interrupted Concubine Yan and said,

"I don't want you, you, remember to cooperate with me later, otherwise you will understand"

"What do I know? I do not know anything"

"You should understand."

Concubine Yan asked Su Chen angrily,

"I know nothing. You came here without saying anything to me. I don't know what you plan to do to Duan Zhengchun and Wan Yankang. How do you want me to cooperate with you? Do you understand if it's you?"

Concubine Yan now suspects that this bastard Su Chen is trying to set a trap for her. If she doesn't cooperate with him as Su Chen said, I'm afraid this bastard won't talk about the Yin Yang family's most precious treasure, the Phantom Sound Box and Canglong Qisu. The bastard was obviously threatening him.

Su Chen had long known that Concubine Yan would definitely guess it with her intelligence, and now he was deliberately pretending to be confused. Could he really be that easy to deceive?

"Haha, Concubine Yan, you don't have to try to trick me. You will know what you want to know in a moment. Just watch what I say and you will know how to cooperate with me."

Concubine Yan's chest heaved with anger. This bastard really wanted to set a trap for her.

"Shameless, you are so shameless, do you want to use our Yin and Yang family to do things for you?"

Su Chen applauded and praised,

"Smart, Concubine Dongjun Yan of the Yin Yang family is not only beautiful but also really smart. I am not using your Yin Yang family, but trading. I will give you information and you will do things for me, so that no one of us owes anything to the other."

At this time, Duan Zhengchun and Wanyankang were also brought over. Su Chen looked at Duan Zhengchun and Wanyankang who were tightly tied up and smiled and said,

"Duan Zhengchun, you are really destined for me in Dali. Some time ago, your son had a conflict with my daughter and was arrested. Now you, a stallion, also had a conflict with my daughter and was arrested. What do you think I should do with you?"

Duan Zhengchun threatened Su Chen with a righteous look on his face,

"Lord Wu Xiang, I am the Zhennan King of Dali, and my son is the Crown Prince of Dali. Aren't you afraid of arresting us and causing a war between the two countries?"

Su Chen smiled and kicked Duan Zhengchun in the stomach and said with a smile

,

"Haha, Duan Zhongma, do you think my army will scare you, Dali? As for your more than 100,000 or 200,000 troops in Dali, it would be easy for me to massacre them."

Duan Zhengchun said angrily after being kicked to the ground,

"Mr. Wu Xiang, there are two great masters in our Dali Tianlong Temple, and there are six master masters. Aren't you afraid that the great masters and masters of Tianlong Temple will seek revenge on you?"

"Not afraid"

"you.....Wu Xiangjun, are you really not afraid of death?"

Su Chen stepped on Duan Zhengchun's chest and said to him,

"Duan Zongma, have you seen this beautiful woman next to me? Yin Yang Family Master, do you know why she appears here to help me?"

"Why?"

Duan Zhengchun looked at the beautiful Dongjun of the Yinyang family and asked in confusion. Duan Zhengchun also couldn't understand why the Yinyang family was in the Eastern Continent. Why did this Dongjun of the Yinyang family travel thousands of miles to help Su Chen?

Su Chen didn't expect this. Duan Zongma couldn't guess the obvious cooperative relationship, and Duan Zhengchun couldn't guess it, so why threaten him? Su Chen continued to remind Duan Zhengchun,

"are you a pig? You don't know about our obvious relationship. Do you still think you are a charming and charming Duan Stallion?"

After hearing Su Chen's words, Duan Zhengchun looked at the Yin-Yang Family Master and then at Su Chen. He suddenly thought that Su Chen and the Yin-Yang Family Master were not husband and wife, right? Otherwise, why would the Yin-Yang Family Master be at the critical moment? time to save Su Chen's daughter

"I understand. I asked why the Yin-Yang Family Master would help you. It turns out that the Yin-Yang Family Master is your wife and the little princess is your child."

"Am I him?"

Chapter 93

Su Chen was now completely speechless for Duan Zhengchun, a stallion. After Su Chen stepped on Duan Zhengchun hard, he found that Concubine Yan was glaring at Su Chen with an evil look on her face. Su Chen smiled awkwardly when he saw it. He smiled and pointed at Duan Zhengchun and said,

"This is what this bastard said, it's none of my business"

"You bastard, I will deal with you later."

Concubine Yan said, she came to Duan Zhengchun and kicked Duan Zhengchun away.

""Drag Duan Zhengchun over here."

The soldiers nearby immediately dragged Duan Zhengchun to Concubine Yan. The soldiers here didn't know what the relationship between this beautiful woman and the king was, but the king didn't say anything to stop them. Can obey the orders of this beautiful woman.

When Concubine Yan saw Duan Zhengchun being dragged over, she stepped on one of Duan Zhengchun's legs and clicked

"ah! ah! ah! ah"

"My legs, my legs, Mr. Wu Xiang, we in Dali will not let you go."

Damn it, it's not like I stepped on your leg and you won't let me go. Su Chen just looked at Duan Zhengchun and thought about it. Concubine Yan is very angry now. Su Chen doesn't want to do it anymore. If you provoke this fierce woman, let Concubine Yan take it out on Duan Zhengchun.

"Wang Meng, let the remaining Jianghu people leave."

Su Chen turned around and saw that after the Beggar Gang was wiped out, he rescued Wang Meng, the leader of the Xuanwu Army.

Su Chen had no intention of dealing with the Jianghu people here. He did not dare to massacre these Jianghu people at will, in case there was an old monster in their gang. If you want to take revenge, then don't you have nothing to do to make trouble?

"Yes, Your Majesty"

"Hey, Wan Yankang, what do you think I should do with you?"

Wan Yankang immediately knelt down in front of Su Chen and begged,

"Mr. Wu Xiang, I was wrong. Please let me go. I won't dare to do it again."

Wanyankang saw clearly what happened just now. He didn't want to end up like Duan Zhengchun. Although this woman from the Yinyang family was very noble and beautiful, Wanyankang didn't dare to look at the Yinyang family at all. Dongjun.

This woman is too cruel. Dongjun of the Yinyang family has already disabled Duan Zhengchun's legs, but this fierce woman has not given up yet. Is Dongjun of the Yinyang family going to destroy Duan Zhengchun's limbs?

Su Chen looked at this poor Wanyankang. This Wanyankang can be said to be a tragedy. His biological father Yang Tiexin can be said to be useless. I am afraid that Yang Tiexin is not as good to Yang Kang as Wanyan Honglie.

If Yang Tiexin had not appeared, Jin Guo He was not destroyed by the Mongols. Maybe Yang Kang would be the emperor of the Jin Kingdom in the future. After all, his adoptive father Wanyan Honglie would be the emperor of the Jin Kingdom, and Wanyan Honglie would only be a son like Yang Kang.

Su Chen thought that if he met Yang Tiexin, he would be the emperor of the Jin Kingdom. He would kill him. In order to find his wife and children, Yang Tiexin actually held a martial arts contest to recruit a bride, and they were still in the capital of the Kingdom of Jin.

He obviously wanted to push Zhi Mu Nianci into the fire pit. If Yang Tiexin was sincere If it is good for his adopted daughter, why not find an honest man for Mu Nianci to marry?

From the moment Yang Tiexin held a martial arts competition to recruit a bride, Su Chen could tell that he had no good intentions. If Yang Tiexin met a powerful master in the martial arts competition, He also defeated his adopted daughter Mu Nianci.

Yang Tiexin didn't care about this person's age or whether he was ugly, as long as he could help him save his wife and child. It can be said that Yang Tiexin had no good intentions since he adopted Mu Nianci.

Su Chen looked at Wanyankang, who would suffer a tragedy in the future, and asked,

"Wanyankang, what price can you pay for me to let you go?"

Wanyankang knew after listening to Su Chen's words that he had no intention of killing him, but he was also afraid of having his legs broken by the Yin-Yang family master.

Wanyankang hurriedly said to Su Chen,

"I can ask my father to give you money, Mr. Wu Xiang, but I was wrong this time. Please let my father redeem me."

Su Chen smiled and said to Wanyankang,

"Wanyankang, how much money do you plan to use to redeem yourself? You only have one chance. If you don't agree with me, I will hand you over to the guy next to you."

Wan Yankang said immediately,

"Five hundred thousand taels of gold, I asked my father to redeem me with five hundred thousand taels of gold"

"You're not bad. Come here and ask this young prince of the Kingdom of Jin to write a letter to his father."

Su Chen was a little shocked after hearing Wanyan Kang's words. Su Chen didn't expect Wanyan Honglie to have so much money, but Su Chen didn't care about the land ceding compensation of the Song Dynasty not long ago.

"Yes, Your Majesty."

Su Chen felt that the amount of blackmail this time was a little less. I am afraid that the Kingdom of Jin will not exist for long. He hopes that he can go to the Kingdom of Jin to plunder it. The benefits will not be taken away by the Mongols.

Duan Zhengchun's legs have now been trampled by Concubine Yan. He immediately begged for mercy when he looked at this cruel woman.

"Ahhhh, let me go, I was wrong, I will never deal with your daughter again."

Su Chen shook his head when he heard Duan Zhengchun's begging for mercy. Poor kid, Duan Zhengchun is a stallion who still hasn't understood the mistake he made. It seems that his hand will not be saved.

Wanyankang heard Duan Zhengchun's screams made his body tremble with fright. He really didn't want to fall into the hands of that cruel woman.

Su Chen was speechless when he saw Wan Yankang trembling with fear.

"You better shake your ass and write a good letter. It's best to tell your father clearly what you did wrong. If your father dares to take action, then Duan Zhengchun will be your role model. Wan

Yankang nodded hurriedly and said, "Yes, yes, my father will definitely redeem me. He will not do anything inappropriate.""

Wanyankang is very regretful now. If he had known that he would encounter such a thing, he would not come to Xingzilin to join in the fun even if he was beaten to death.

Wanyankang decided not to participate in things in the martial arts in the future. Women in the martial arts They were really too cruel, especially those women with strong martial arts skills. Today he saw how cruel the women around Wu Xiangjun were.

Su Chen saw that Concubine Yan really wanted to destroy Duan Zhengchun's hands and said hurriedly,

"Concubine Yan, please don't kill Duan Zhengchun, he is still of some use."

After hearing Su Chen's words, Concubine Yan let Duan Zhengchun go and came to Su Chen's side and asked fiercely,

"Su Chen, you bastard, did you deliberately lead Duan Zhengchun to say this?"

Seeing Concubine Yan looking like she was about to take action, Su Chen said hurriedly,

"Concubine Yan, I just want to guide Duan Zhengchun to find that I and your Yin Yang family are together, so that the great masters of Dali will not dare to move out at will. After all, your Yin Yang family's Donghuang Taiyi is a martial arts master in the heaven and human realm.

Concubine Yan suddenly grabbed Su Chen and said angrily, "I don't believe anything you say, you shameless bastard."

Concubine Yan is very angry now. She is innocent with this bastard Su Chen. How could that idiot Duan Zhengchun think that she is the wife of such a shameless person like Su Chen, and even her daughter shows up?

"What I said is true. I didn't lie to you this time."

"Ah! Ah"

Chapter 94

Concubine Yan now doesn't believe what this bastard Su Chen said. Concubine Yan feels that Su Chen deliberately led Duan Zhengchun to misunderstand her relationship with Su Chen.

Only in this way can Duan Zhengchun misunderstand the close relationship between Wu Xiangjun and the Yin Yang family. Even if the great masters and masters in Tianlong Temple knew that Duan Zhengchun was caught by Wu Xiangjun, they would not dare to act rashly.

When Su Chen saw that Concubine Yan didn't believe him, he didn't explain much. Su Chen didn't dare to say anything to this fierce Dongjun, but Su Chen felt a little embarrassed when he saw Concubine Dongjun holding him close.

Su Chen saw that his troops all lowered their heads and did not dare to look here, so he hurriedly reminded Concubine Yan,

"that.....Concubine Yan.....We are too close. Let me go now, otherwise my army will misunderstand that you are plotting against me."

"You shameless person, you....."

Concubine Yan didn't expect that she and this bastard Su Chen were actually close to each other. They were now facing each other, which made the people next to them look like they were lovers hugging each other. This made Concubine Yan resentful. This bastard Su Chen must be given the Six Soul Fear Curse.

Su Chen looked at Concubine Yan who looked ugly and reminded,

"Concubine Yan, you caught me. We are so close together. You can't blame me."

"you....."

Concubine Yan calmed down and pushed away the bastard Su Chen. Concubine Yan was not able to kill this shameless man yet. Sooner or later, she would settle the score with this bastard for what happened today.

Su Chen shrugged when he saw Concubine Yan let go of him. If Concubine Yan had attacked him just now, Su Chen would have teleported away immediately. Su Chen had been guarding against Concubine Dongjun Yan. This fierce woman was here. It would be strange if Su Chen around him wasn't worried.

However, the fragrance on Concubine Yan's body was still very pleasant, and she didn't know if it was body fragrance or something.

Su Chen was a little speechless when he looked at Duan Zhengchun next to him, who was screaming in pain. He was a man of the world, and even an innate master. I broke both legs and screamed in pain.

"Duan Zhengchun, shut your mouth right now, or I will let Lord Yin Yang Family continue to torture you. Duan

Zhengchun looked at Su Chen and said with sweat on his face, "Wu Xiangjun, please let me go. I will neither go against you nor retaliate against you in the future.""

Su Chen walked up to Duan Zhengchun and slapped Duan Zhengchun on the face.

"Duan Zhongma, I believe you heard what Wan Yankang said just now. You also wrote to your emperor brother and asked him to send someone to send you 500,000 taels of gold, otherwise I will continue to hand you over to the Lord of the Yin Yang Family.."

Su Chen looked at Duan Zhengchun and thought of Li Qingluo and Wang Yuyan. Duan Zhengchun cannot be killed yet, but he cannot be let go now. Su Chen in Dali is about to be destroyed. Duan Zhengchun is still of some use at this time.

This When I go back next time, I'll hand Duan Zhengchun over to Li Qingluo first, and see if Li Qingluo still has lingering feelings for Duan Zhengchun.

"I understand, I will write immediately."

Duan Zhengchun is now very afraid of Yin Yang Family Master. If Wu Xiangjun hadn't stopped Yin Yang Family Master in time, he might not have been able to save his arms.

Duan Zhengchun thought about how Yin Yang Family Master had stepped on them one by one just now. The bones in his legs made Duan Zhengchun tremble in horror.

Seeing Duan Zhengchun's fear of Concubine Yan, Su Chen smiled and continued to threaten,

"By the way, tell your emperor brother that Donghuang Taiyi of the Yin-Yang family is in the Song Dynasty now. If your emperor brother doesn't send money, I believe that Donghuang Taiyi of the Yin-yang family will go to your Dali."

"hiss! I will make it clear in the letter."

Duan Zhengchun did not expect that the headmaster of the Yin and Yang family in the realm of heaven and earth, Donghuang Taiyi, would also come to the Song Dynasty. This made Duan Zhengchun give up hope that the great master in Tianlong Temple would come to save him.

Duan Zhengchun doesn't even want to let Tianlong Temple now. The great master in Tianlong Temple came to save her. If Taiyi Donghuang was really in Wu Xiangjun's house, I am afraid that the great master in Tianlong Temple would also bring food when he came.

Concubine Yan frowned after hearing the words of Su Chen, a shameless bastard. , she did not expect that Su Chen actually used their Yin and Yang family to threaten Duan Zhengchun.

This bastard even deceived Duan Zhengchun and their leader Donghuang Taiyi to come to the Song Dynasty. Concubine Yan now had a new understanding of Su Chen's shamelessness. understanding.

Su Chen ordered after seeing that all the Jianghu people here left quickly,

"Wang Meng, gather the troops and return to Gusu City"

""Yes, Your Majesty."

Su Chen ignored Concubine Yan next to him and walked directly towards the carriage. It was getting dark, and Su Chen wanted to return to Gusu City before it got dark.

Concubine Yan saw that Su Chen was such a shameless person. The disciple left without paying any attention to her, which made Concubine Yan clenched her fists and couldn't help but want to beat this shameless person.

Concubine Yan did not expect that this bastard Su Chen would leave her after using her. Concubine Yan took a deep breath She calmed down her emotions with her tone. She couldn't be impulsive now. There would be time to teach this shameless person a lesson in the future.

Su Yan jumped out of the carriage immediately when he saw Su Chen approaching on the carriage. Su Yan asked Su Chen when he came,

"Dad, are we going back to Gusu City?"

Su Chen touched Su Yan's head and said with a smile,

"Of course I have to leave. If I don't leave here, do I have to spend the night in the apricot forest?"

Su Yan said with a smile when he saw Su Chen pulling her into the carriage,

"Haha, Dad, just ride back. There are women in the carriage now, so don't get in it."

Su Chen looked at the carriage and was a little speechless. He had just forgotten that Master Mijie was injured and resting on the carriage. Now Zhou Zhiruo and Huang Rong should be in the carriage. It is impossible for Su Chen to get on the carriage this time.

"Got it, prepare to be beaten when you go back this time. Su

Yan took Su Chen's hand and asked worriedly, "Dad, do you think my mother will really beat me?"

This time Su Yan came out of Gusu City secretly. Although Su Chen no longer cares about her, Su Yan is still a little worried about her mother. Su Yan knows that her mother will not beat her, but Su Yan thinks that her mother has always been He felt very helpless as he stared at her.

Su Chen smiled and said to Su Yan, a clever guy, "You will understand if you remove the word"?"."

Su Yan knew that she would definitely be taught a lesson by her mother when she went back this time. Su Yan suddenly thought of the women she saw today. Those women must be related to her father, and maybe some of those women will become her father in the future. Dad's wife,

Su Yan rolled his eyes when he thought of this and said to Su Chen with a smile,

"Dad, you have to help me this time, or I will tell my mother about the women you met here."

"Let me tell you, they and I are both innocent, so please don't talk nonsense."

"Can you just hug and kiss me casually if you are innocent?"

"Well, that's etiquette"

"Dad, don't just trick children into making appointments. Anyone who cheats children is a bad person."

Chapter 95

Three days later, all the martial arts sects in the Song Dynasty now knew what happened in Xingzilin. They even criticized the Shaolin Temple and the Beggar Gang for daring to take action against a princess in the Song Dynasty. This was a crime of treason. This made the people in the world who knew about Xingzilin They were all very shocked.

Even Hong Qigong, the leader of the Southern Beggar Clan, not only participated in the attack on the princess of the Song Dynasty, but also brought the Northern Beggar Clan into trouble. This also led to Wu Xiangjun's army directly massacring everyone in the Beggar Clan in Xingzi Lin.

All the members of the Northern Beggar Clan were killed, but Hong Qigong, the leader of the Southern Beggar Clan, escaped. Now some elders of the Northern Beggar Clan asked Hong Qigong, the leader of the Southern Beggar Clan, to give an explanation. There were several fierce battles between the northern and southern Beggar Clan, resulting in the death and injury of countless Beggar Clan disciples.

Gusu City, Wuxiangjun Mansion.

Su Chen sat in a chair and listened to Wang Meng's report to him. In the past few days, the army in Gusu City was killing people everywhere. The beggar gang's branch in Gusu City had been eradicated, and the disciples of the beggar gang in Gusu City had also been killed. The army found him and executed him.

Su Chen looked at Wang Meng, the commander of the Xuanwu Army, and said,

"Wang Meng, the power of the Beggar Gang in Gusu City has been eradicated. The next step is the Buddhist temples. I will eradicate all the temples within the scope of Gusu City. Any monks who dare to resist will be killed by me. Those who do not will be let go. After they leave the city of Gusu, there will no longer be any temples for monks in our territory."

Wang Meng reminded with some worry,

"Your Majesty, maybe some Buddhist believers in Gusu City will denounce Your Majesty."

Su Chen smiled and said,

"Haha, what are you afraid of? There are more and more people in Gusu City now. Anyone who dares to speak to those monks will be expelled from Gusu City. I want to see if anyone dares to speak to those monks. Go down and prepare."

Since Su Chen abolished exorbitant taxes and miscellaneous taxes, the number of people in Gusu City has almost doubled, and Gusu City has become more and more prosperous. Although Gusu City has been full of troops arresting Beggar Gang disciples in the past few days, but It does not affect the normal life of the people in Gusu City at all.

"Yes, Your Majesty."

Su Chen rubbed his head when he saw Wang Meng leaving. There is no formal government office in Gusu City now, and there are a lot of things going on. Su Chen doesn't have a counselor or any civil servants under his command. Su Chen thought about it. I thought about it and prepared to tie up some civil servants.

Jing salamander came in from outside and saw Su Chen rubbing his head and asked with concern,

"Husband, what are you thinking about? What happened?"

Su Chen hugged Frightened Salamander's moving body and said with a smile,

"No, I want to go there to find a talented civil servant. Now that there are more and more people in Gusu City, ordinary officials are already somewhat overwhelmed. Without civil servants to manage Gusu City, I am afraid that there will be trouble in Gusu City."

Su Chen looked at the beautiful Jing Salamander and thought of the night when he came back from Apricot Grove. Su Chen entered Jing Salamander's room. When Jing Salamander was shy and did not resist, Su Chen captured Jing Salamander. Jing Salamander was captured by Su Chen. Salamander shyly leaned into Su Chen's arms and said with a smile,

"We should find some talented civil servants. Huang Rong's father is good. From his teaching Yan'er poetry, calligraphy and painting these days, I feel that Huang Yaoshi should be qualified to be the governor of Gusu City."

Su Chen shook his head and said, "Huang Yaoshi will not agree. He is a Jianghu man and cannot be an official."

"makes sense"

"Where is that girl Su Yan?"

Jing Salad was a little speechless when he heard Su Chen ask Su Yan. Now that Su Yan spends half his time studying and half the day playing in Gusu City, Jing Salad is afraid that he won't be able to control that crazy girl in the future.

"After going outside to play, she said that today was the time for Bai Xiaosheng to announce some lists, and now she might go to Songhe Tower to inquire about those lists."

Su Chen is very interested in this martial arts list. Through this list, Su Chen can know which martial arts dramas are integrated into this mixed martial arts world. Su Chen also wants to know about those martial arts masters and martial arts beauties. Who is on the list

"This year is the time for the announcement of various martial arts lists that change every thirty years. Haha, interesting. Madam, do you think this Bai Xiaosheng is a person or an organization?"

Jing Salamander nodded to Su Chen a little seriously and said,

"It must be an organization, otherwise Bai Xiaosheng might have died long ago after hundreds of years. Moreover, this organization knows the affairs and characters of Jianghu very well, and the scale of this organization must be very large."

Su Chen also guessed that Bai Xiaosheng must be an organization. Otherwise, Xuantian Continent is so big. If Bai Xiaosheng was alone, how could he know so many secrets of the world?

"Well, that's right. We should also pay attention to this Bai Xiaosheng in the future. I wonder if the top ten list will be announced today?"

"It should be available by noon."

In Songhe Tower,

Su Yan, Huang Rong, and Zhou Zhiruo were sitting by the window, drinking tea and waiting for the news on the first martial arts list.

Su Yan asked Huang Rong next to him with some boredom,

"Sister Huang, what list do you think will appear on today? Could it be the beauty list of martial arts?"

Huang Rong was a little depressed when Su Yan pulled her over. She still wanted to think of ways to retaliate against Su Chen, but she failed several times. Now Huang Rong is not interested in any rankings at all. She just wants to think about how to repay Su Chen.

"How do I know? I have just entered the world and I don't understand some things."

Su Yan smiled when he looked at the listless Huang Rong. Su Yan also knew that Huang Rong was against his father, but every time it ended in Huang Rong's failure. Now Huang Rong must be very helpless.

"Sister Zhou, do you know?"

Zhou Zhiruo looked at the lively scene around him and smiled and said, "I don't know. Anyway, we will know it in a while, so you don't have to be too anxious."

"Then just wait."

Su Yan thought of the Yin-Yang family Dongjun who had always disliked her father and was always against her father, and felt a little helpless. There were several times that if he hadn't been by his father's side, I'm afraid that the Yin-Yang family would have Jun was about to attack her father. Su Yan was speechless when he thought about his father's angry words to Jun of the Yin Yang Family.

Su Yan said to Zhou Zhiruo and Huang Rong,

"Why do you think that Yin Yang Family Master keeps going against my father? Sister Huang, why did my father offend that Yin-Yang family master? Huang

Rong immediately said to Su Yan energetically,

"Needless to say, your perverted father must have had some bad intentions towards Lord Yin-Yang. Lord Yin-Yang would naturally go against your father when he found out."

Huang Rong is now friends with Concubine Dongjun Yan on the same front. They have a common enemy and both want to teach that shameless bastard Su Chen a lesson.

Zhou Zhiruo also said to Su Yan with great certainty,

"Well, your father is a shameless bastard. He must have had bad thoughts towards Concubine Dongjunyan of the Yinyang family. Su Yan, think about it. Concubine Dongjunyan is so beautiful and noble. Your father must have taken advantage of her. Then Concubine Dongjun Yan will always seek to settle accounts with your father."

Su Yan felt that she asked the wrong person this time. Zhou Zhiruo and Huang Rong both had strong opinions on his father. They made random guesses about things they didn't know at all, and they were still slandering her father. Su Yan looked at them and became humble. head

"The martial arts list has appeared! The martial arts list has appeared!"

Chapter 96

Su Yan, Zhou Zhiruo, Huang Rong and others looked towards the high platform of Songhe Tower when they heard the martial arts ranking list appeared. At this time, there were some people on the high platform posting the martial arts ranking list.

People in the Songhe Tower gathered around them one after another. These people were waiting for what list would appear this time, and also wanted to know what new people would appear on the list.

"The first list of the martial arts list that changes every thirty years has now appeared. This is the martial arts beauty list. Although there are only ten stunning beauties on this list, it is possible that some hidden beauties are not on the list."

"After all, there are some low-key stunning beauties who are very low-key, like Lin Chaoying in the Song Dynasty thirty years ago, Bi Xiuxin in the Sui Dynasty, Lianxing in the Ming Dynasty, etc. Let's take a look at this time Those beauties are all on the beauty list."

When this person posted the list, all the people in the Songhe Tower stretched their heads and looked up.

Su Yan and Zhou Zhiruo could clearly see the beauty list on the high platform without standing up from their seats. Ranked first, Baiyue in the Eastern Continent, Yan Lingji has a beauty in the north, Unparalleled and independent. Look at Qingren City, then look at Qingren Country. Yan Lingji, a member of the killer organization under Baiyue in the Eastern Continent, Baiyue's deposed prince. When they read these rankings, they all started talking, None of the beauties that they thought should be on the list were on the list, which made these martial arts people very dissatisfied.

"Our Song Dynasty's Little Dragon Girl and Huang Rong are not on the list. How is this possible?"

"Our Emei sect Zhou Zhiruo from the Ming Dynasty, and the ruthless ones from the four famous shops, didn't make the list either?"

"Stop talking, none of the big guys are on the list. This normal ranking list is definitely not complete. There should be a follow-up ranking list."

"The Eastern Continent is awesome, the top three are all occupied by the Eastern Continent"

"What's so great about this? Our Gusu City's Wu Xiangjun is so powerful. You haven't seen that half of the beauties on the list are related to our Gusu City's Wu Xiangjun."

"Yes, how did Mr. Wu Xiang do it? These are all stunning beauties. If there is one who can fall in love with me, I am willing to die."

"Alas, I hope there will be follow-up rankings. Many beauties are not on the list."

After reading the ranking list, Su Yan looked at Huang Rong and Zhou Zhiruo. Su Yan thought that they could all be on the list, but why none of them were on the list. Su Yan didn't know whether they were in a good mood now, and she didn't dare to Disturb Zhou Zhiruo and Huang Rong.

When Huang Rong saw Su Yan constantly looking at her and Zhou Zhiruo, she smiled and said,

"Su Yatou, what are you looking at? It's not reasonable that I'm not on the list. I'm just in and out of the world. It would be weird if I was on the list. Zhou

Zhiruo said to Su Yan a little unhappy,

"Yes, these women on the list are all very beautiful, but I am not happy that Zhao Min is on the list. Why can Zhao Min be on the list and I am not?"

Zhou Zhiruo is very depressed now. Although her relationship with Zhao Min was mistaken, how could Zhao Min be on the list and still ranked sixth? She was not even on the list. This makes Zhou Zhiruo a little unwilling. I am afraid that Su Chen will be the one in the future. The bastard will definitely take this opportunity to attack her.

Su Yan smiled, poured a cup of tea for Zhou Zhiruo and said,

"Haha, Sister Zhou, don't mind, this list is definitely incomplete."

Zhou Zhiruo took a sip of tea and said helplessly,

"Even if it is completed later, so what? If I were on the list, I'm afraid I wouldn't be ranked as high as that woman Zhao Min."

"Zhou Zhiruo, why are you competing with that clever girl Zhao Min? That Zhao Min is a ghost. Zhao Min is a Mongolian princess. She will definitely lead troops to fight against our Song Dynasty and Ming Dynasty in the future. You must be careful in the future. Although Zhao Min won't kill you, you still have to be careful about her."

Huang Rong thought about Zhao Min's words before leaving and knew that they might be enemies when they meet again in the future. Zhou Zhiruo might really be no match for the conspirator Zhao Min, but Zhao Min and the bastard Su Chen are a very good match. They are both insidious and cunning people.

Zhou Zhiruo also felt a little regretful when she thought of Zhao Min.

"I know that Zhao Min told me before he left that we might be enemies when we meet again. In fact, Zhao Min is a good person, but we are not the same nation, and there will definitely be conflicts in the future."

Su Yan looked at the beauty ranking list and Huang Rong asked doubtfully,

"Sister Huang Rong, what do you think is the relationship between Zhao Min and my father? Why didn't I see that there was a relationship between them?"

Su Yan just discovered that Lin Shiyin had a very good relationship with Huan Huan, Shi Feixuan and her father, and would even become her aunt in the future. Su Yan also didn't feel the relationship between Zhao Min and his father. Did he miss something?

Huang Rong Thinking of Su Chen, he was a little angry.

"Your father is a shameless person. Haven't you seen that half of the beauty rankings are related to your father? Zhao Min must have had something shameful happen with your shameless father."

Su Yan was speechless when she heard Huang Rong scolding her father. She quickly changed the subject and said to Huang Rong,

"Sister Huang Rong, it would be great if my father could catch everyone on the beauty rankings. This would make those Jianghu people jealous to death."

"Then your father will not live long. The suitors of those beauties on the beauty ranking list will definitely try every means to kill your father."

Chapter 97

Su Chen from Wu Xiangjun's Mansion sat by the pool and fished out of boredom. He was now waiting for Jin Guo and Dali to send the ransom. After dealing with Duan Zhengchun and Wan Yankang, Su Chen planned to slowly occupy the southern part of the Song Dynasty, and then went to the Jianghu to find the treasures and martial arts secrets that I knew, and by the way met some Jianghu heroes and Jianghu beauties.

"Su Chen, what are you going to do to tell me where the Yin-Yang family's most precious treasure, the Phantom Sound Box, is?"

Su Chen watched his fishhook move on the lake and hurriedly said to Concubine Yan,

"Come here."

Concubine Yan looked at this bastard Su Chen with some confusion. What would this gangster do to her?

"What are you going to do, you gangster?"

Su Chen urged anxiously when he saw Concubine Yan being coy and unwilling to come over quickly,

"Come here quickly."

Concubine Yan saw that this bastard dared to urge her. This made Concubine Yan, who had never blushed before, blush a little.

"Bastard, are you dreaming?"

Su Chen looked back at the blushing Concubine Yan and was speechless. He just asked Concubine Yan to come over and get the teapot. She was blushing, but Concubine Yan looked really beautiful when she blushed.

"Holy shit, come here quickly, a fish is hooked and come over and hold the teapot for me."

Concubine Yan looked at the movement in the lake and knew that she had just misunderstood the gangster Su Chen, but she did not give Su Chen a good look.

"Damn it, can't you make it clear?"

"Let me get it together, what else do I need to explain clearly when I catch a fish? Is there something wrong with you, a woman?"

Su Chen handed Concubine Yan the teapot after she came over and hurriedly pulled up the fishing rod. However, Su Chen was speechless when he saw the fish he caught. A small fish no longer than a finger jumped on the hook. Jumping around.

Seeing Su Chen catch a fish as small as possible, Concubine Yan smiled and said,

"Haha, you caught such a fish after fishing for a long time, and even making soup at night is not enough."

Su Chen pushed Concubine Yan away in frustration.

"Go away. It's not like you've been here chirping and scaring away the fish."

"Bastard, you touched me again."

When Concubine Yan saw this bastard Su Chen pushing her again, she raised her hands angrily to scare this bastard Su Chen.

Seeing that Concubine Yan was about to take action, Su Chen threw away the fishing rod and hugged her and said,

"Let me ask you, are you Jade? If you touch it, can it still be broken?"

"Go away, I don't like men touching me, you bastard, let me go."

When Concubine Yan saw Su Chen, a gangster, hugging her, she was so embarrassed and angry that she wanted to kill this bastard, but she couldn't kill this bastard now. Concubine Yan hadn't gotten the information she wanted, and Su Chen, this bastard, couldn't kill him yet. Die.

Boom

"Damn it"

"Ah, I'm going to kill you, you gangster."

Concubine Yan directly used her internal force to shake Su Chen away. However, she didn't expect that Su Chen, a bastard, would hold on to her clothes after being knocked away by her. Concubine Yan was unprepared. Su Chen took him and fell into a small lake.

Su Chen was also confused now. In the lake, Su Chen looked at the fragments of Concubine Yan's dress in his hand. This time Su Chen knew that he was in big trouble. He actually After tearing off Concubine Yan's dress, Su Chen looked at Concubine Yan's smooth back and turned around to run away.

Concubine Yan's face was red with both hands covering her chest. Now she wanted to kill Su Chen angrily. In this way, her innocence was stained by Su Chen, a shameless bastard. Now Concubine Yan no longer cares about any tasks. She will not be willing to kill Su Chen. Boom. Just when Concubine Yan hit Su Chen with a palm, Li Qiushui Appeared to block Yan Fei's attack.

"What are you doing?"

Li Qiu Shui stood on the lake and looked at Su Chen and Concubine Yan and asked doubtfully.

Li Qiu Shui was no longer wearing a veil, and her face had completely recovered. This is still the Zhu Guo that her daughter Li Qingluo gave her. Li Qiu Shui completely restored her original appearance after taking the Zhu Guo.

Li Qiu Shui and Li Qingluo now look exactly the same. They look like twin sisters.

Only later did Li Qiu Shui find out that the Zhu Guo was given to her daughter by Su Chen , even Wang Yuyan gave it to her. Although Li Qiu Shui wasted a red fruit to heal herself, she was still very happy after her face recovered.

Li Qiu Shui also successfully asked for a red fruit from Su Chen and gave it to Li Qingluo, When Li Qiu Shui thought that he went to Su Chen to ask for Zhu Guo without a veil, it was funny that Su Chen had mistaken the person. Su Chen actually thought that she was her daughter Li Qingluo. Now Li Qiu Shui feels very comfortable living here. His relatives Now that they are all here, the lively feeling of the family makes Li Qiu Shui reluctant to leave.

"Aunt Li, come and save me"

"Why did you provoke Concubine Yan again? What happened to her clothes?"

Su Chen asked curiously when Li Qiu Shui picked her up from the lake.

Li Qiu Shui also discovered that Concubine Yan's clothes were torn. She was speechless when she saw Concubine Yan hiding in the water. Li Qiu Shui didn't know that Su Chen and Concubine Yan were in pieces. Concubine Yan was playing that trick again.

Su Chen was also very embarrassed now. He was still holding the rags from Concubine Yan's clothes.

"Misunderstanding, Concubine Yan and I had some misunderstandings"

"You go ask your maid to bring some clothes, and I'll talk to Concubine Yan."

"Oh, oh, I'll go right away."

Li Qiushui saw that Su Chen had left and appeared above Concubine Yan. She saw that Concubine Yan was still in the water and had not come out, so she used the voice search to convey her soul and said to Concubine Yan,

"Concubine Yan, Su Chen has left, you can come out now"

""Senior Li,"

Concubine Yan shouted in embarrassment when she emerged from the lake.

Li Qiu Shui looked at the embarrassed Concubine Yan and laughed.

"Haha, Su Chen's maid brought clothes after a while. Fortunately, there is no one here, and the guards and maids are not allowed to come in. Otherwise, what you two are doing here will be misunderstood. Concubine Yan said angrily,

"It's all your fault, Su Chen. That shameless bastard dared to tear my clothes to pieces. I can't get around that bastard."

"Haha, Concubine Yan, I apologize to you on behalf of Su Chen. You also know that Su Chen is unconventional, but Su Chen is still pretty good. Otherwise, just marry Su Chen."

Li Qiu Shui looked at Concubine Yan and admired her more and more. Li Qiu Shui also met Su Chen's wife Jing Sala, but Jing Sala was too silent. Although Jing Sala is a great master, asking her to kill someone would be more difficult than anyone else. Everyone is strong.

But if she is asked to manage Wu Xiangjun's Mansion, I'm afraid she won't be able to do it. But Concubine Yan is different. Concubine Yan is not only smart, but she is also the Dongjun of the Yin Yang family. She will be more than enough to manage Wu Xiangjun's Mansion in the future. , but Li Qiushui didn't know whether Concubine Yan would marry Su Chen.

"What? I marry that bastard? Concubine Yan was stunned after hearing what Li Qiu Shui said. How is it possible for her to marry that bastard Su Chen? Concubine Yan would not marry that shameless bastard.

Li Qiu Shui persuaded Concubine Yan from the side,

"Yes, your innocence is now ruined in the hands of Su Chen. We don't allow you to kill him. You also know that his wife Jingyu is a woman who is not good at words. She will definitely not be able to control this family in the future. Yan Concubine, you can think about it."

Chapter 98

Concubine Yan fell silent after listening to Li Qiu Shui's words. Her heart was very complicated now. It was very easy for that bastard Su Chen to kill him. She could kill a useless person who didn't know martial arts in a hundred ways. Got that bastard.

Concubine Yan also knew that if she really killed Su Chen, she would definitely not be able to escape the Song Dynasty. Su Chen's wife and this Li Qiu Shui would definitely hunt her down. She would have no chance to escape with the two great masters chasing her.

Concubine Yan thought that her innocence had been ruined by Su Chen. It would be okay if no one knew, but this time she was seen by Li Qiu Shui. Even if Concubine Yan wanted to kill someone and silence her, she couldn't do it, but she let herself marry Su Chen, a shameless person. As a person, Concubine Yan would not agree to marry that bastard even if she died.

Seeing that Concubine Yan was silent, Li Qiushui smiled and said,

"Concubine Yan, you can think about it. There is no need to answer in a hurry now."

At this time, Su Chen's maid Ziyun came in with clothes. When she saw Li Qiushui, she saluted and said,

"Madam, Miss Yan Fei's clothes are here."

"Ziyun, please leave your clothes and go out."

"Yes, madam."

Li Qiu Shui came to the lake, took the clothes from Zi Yun and let Zi Yun leave. Concubine Yan would be too embarrassed to come out of the lake with Zi Yun here. Concubine

Yan hurriedly left after seeing Su Chen's maid leave. She flew out of the lake, but as soon as she reached Li Qiu Shui, she heard Su Chen's voice

"Concubine Yan, Concubine Yan, you are on the list, you are on the list.....I went, I didn't see anything"

"Ah, bastard, you're dead this time."

Su Chen saw that Concubine Yan was ranked second on the martial arts beauty list. He was so happy that he ran over. On the way, he saw the maid Ziyun coming out of the garden lake and thought that Concubine Yan had changed her clothes.

Su Chen just wanted to tell The good news about Concubine Yan made her let go of what she had done first, but she didn't expect that Concubine Yan hadn't started changing yet. This time, Su Chen saw all of Concubine Yan's body. Concubine Yan shouted when she saw

Su Chen She was blinded when she ran in. This time, she had just taken off the broken dress and was about to put on the new one. She didn't expect Su Chen, a shameless person, to run in again.

Su Chen immediately saw this situation. Turning around, she hurriedly left. This time she really angered Concubine Yan, and she wanted to go out and hide.

After Concubine Yan changed her clothes, she immediately used Qinggong to fly out of the garden. She would not give up until she killed Su Chen.

Li Qiushui saw In this situation, she shook her head. She was also shocked by Su Chen's sudden appearance just now. Li Qiushui even suspected that Su Chen did it on purpose. Otherwise, it would be bad when Su Chen came back. Why did Concubine Yan retreat when she was broken? She ran in when she was about to change her dress.

Li Qiu Shui disappeared in a flash. Now she was really afraid that Concubine Yan would kill Su Chen. When she was in the lake just now, Li Qiu Shui felt that Concubine Yan's attack was just to hit her. Next to Su Chen, Li Qiushui could not guarantee that Concubine Yan would be merciful this time.

Outside Gusu City, Su Chen left Gusu City under the cover of guards after coming out of Wu Xiangjun's Mansion. Now Su Chen was dressed like a commoner. Clothes, Su Chen did not dare to stay in Gusu City this time. Su Chen did not plan to return to Gusu City until Concubine Yan calmed down. Su Chen quickly wrote a letter and gave it to Liu Teng and said,

"Liu Teng, you will return home later and give this letter to the old lady and ask her to do as I said in the letter. In addition, let Wang Meng and Huang Rong discuss gradually cannibalizing some counties around us and let them gradually develop towards Yangzhou. , it would be best to capture Yangzhou quietly"

"Yes, Your Majesty."

Seeing that he had arranged everything, Su Chen got on a horse and left quickly. Hundreds of secret guards also followed Su Chen and left quickly. At night,

Mr. Wu Xiang Mansion, Li Qiu Shui, Li Qing Luo, Jing Sala, Yan Fei, Su Yan, Huang Rong, Zhou Zhiruo, Jue Shitai, Huang Yaoshi, Xiao Feng, except for Wang Yuyan who is in seclusion, the rest are all here.

A'Zhu and A Bi are here Everyone had tea and then left. They also saw that something seemed to have happened, but those things were not what they should hear.

Li Qingluo glared at Liu Teng and asked sternly,

"Liu Teng, where did that guy Su Chen go? Liu

Teng lowered his head and said to Li Qingluo with a wry smile.

"Old madam, I don't know either. Your Majesty just asked me to give the letter to the old madam. The other thing is to ask Wang Meng, commander of the Xuanwu Army, and Miss Huang Rong to start encroaching on some counties around Gusu City. It is best to be able to fight without bloodshed. Capture the nearby city of Yangzhou"

"You go down."

Li Qingluo rubbed her head and waved her hand and said,

"Yes, Madam."

Liu Teng left in a hurry after hearing what Li Qingluo said.

Li Qingluo took the letter and said helplessly to the others, "What should we do now? That bastard has escaped"

"Aunt Li, how about I lead the troops to capture my father?" Su Yan stood up and said with shining eyes.

Li Qingluo touched Su Yan's head and said seriously,

"You should be more honest. Your father has run away from home. Do you want to run away from home too? Jing Salamander, look at this girl, don't let her run away, other places are not peaceful now, nothing can happen to the little girl."

"I will keep an eye on A Yan, Aunt Li."

Jing Salamander looked at Su Yan and nodded. She was also worried that Su Yan would run out of Gusu City. This time Jingye Salamander planned to prevent Su Yan from leaving her. In front of me. When

Huang Yaoshi heard that Su Chen asked Huang Rong to lead the army to encroach on the surrounding counties, he frowned and asked,

"Ronger, what are your plans? Huang

Rong touched her chin and said with a smile,

"Haha, Dad, this time I will help that bastard Su Chen to regain the surrounding counties. It would be a pity not to do such an interesting thing."

Huang Yaoshi looked at Huang Rong and said with a smile,

"Since Mr. Wu Xiang believes in you and you plan to do it, then go ahead and do it. If there is anything you can't solve, you can tell me."

"Sister Huang, since you are going to lead the army to fight, I will let Uncle Xiao Feng protect you. Anyway, I have my mother to protect me, so nothing will happen to me in Gusu City. Huang

Rong thought for a moment and nodded in agreement.

"Okay, then thank you, Princess Su Yan. Brother Xiao, I will rely on you to protect me from now on."

Xiao Feng patted his chest and assured with a smile,

"Haha, girl Huang Rong, your safety will be left to me from now on. As long as the Grand Master doesn't appear, nothing will happen to your safety."

Concubine Yan is sitting next to her with an ugly expression. She has searched almost all over Gusu City but still can't find that bastard Su Chen. Concubine Yan knew that the bastard escaped from Gusu City. Concubine Yan just didn't expect that Su Chen's actions would be so... Come on, it seems that that bastard is quite capable of escaping.

Concubine Yan doesn't know where to go to find that bastard Su Chen. Now she can only wait for Su Chen to come back in Gusu City. Concubine Yan doesn't believe that Su Chen can hide. She never came back.

Jing Salad looked at the people in the room and did not tell the news about Su Chen. Jing Salad had just been notified by the secret guards. She knew where Su Chen was going with some secret guards. After all, she was in charge of the secret guard, and whatever happened to Su Chen would be communicated to her through the secret guard.

In a small town a hundred miles away from Gusu City, Su Chen came to an inn and stayed there. He was exhausted now. He had ridden a horse for more than a hundred miles in one breath. Now he felt like his butt and thighs were going to have blood blisters.

"Have you heard about it? A heaven-level martial arts secret book appeared in the Sui Dynasty. What is it called Immortality Art? It is said that practicing the secret book to the extreme can lead to immortality. Now many martial arts people have gone to the Sui Dynasty. I don't know whether this news is true or not?"

Chapter 99

Su Chen was sitting nearby drinking wine and listening to the conversations of these Jianghu people in the inn, and knew that the emergence of the Secret of Immortality should be the beginning of the plot of The Legend of Two Dragons of the Tang Dynasty.

It seems that the longevity secret cannot lead to immortality, right? Su Chen touched his chin and thought that there didn't seem to be any heaven-defying skills in The Legend of Two Dragons of the Tang Dynasty, but the Four Great Wonders seemed to be more awesome.

Anyway, I can't go back to Gusu City now, so I will go to Sui Dynasty this time, hoping to get a good harvest this time.

Su Chen was a little impulsive when she thought about Concubine Yan's figure. She didn't expect that Concubine Yan's figure was so good, especially her breasts were so big.

Concubine Yan must be furious now. She will not be merciful to him this time. Every time Concubine Yan attacks him, he observes with his mental power.

Last time in the lake, although Concubine Yan was angry, she still did not attack him. Su Chen felt that she was hitting him next to her to scare him.

Su Chen didn't dare to gamble this time. Although he could escape, Su Chen still wanted to pretend to be a pig and eat the tiger without exposing his teleportation.

At this time, a man with a mustache Su Chen smiled and said while sitting here,

"Brother, can I sit here?"

"You've already sat down, and you still ask me what I'm doing?"

Damn it, how come Lu Xiaofeng appears here, Japan and Europe, how come there is Lu Xiaofeng Legend in this world? Then why don't the beauties in Lu Xiaofeng Legend appear in the martial arts beauty list? There are no beauties like Shangguan Feiyan, Xue Bing, and Shaman. On the list, it seems that characters in this world appear slowly. No wonder Bai Xiaosheng's list of martial arts beauties is incomplete this time.

"My surname is Lu. What is your surname, brother?"

Lu Xiaofeng said without hesitation as he ate the food Su Chen ordered with chopsticks.

Su Chen was a little speechless looking at Lu Xiaofeng, who was much thicker-skinned than himself.

"My surname is Su, Lu Xiaoji, I know you."

Lu Xiaofeng did not expect that this ordinary person who did not know martial arts would actually know her, which made Lu Xiaofeng a little curious about Su Chen,

"Oh, I see Brother Su is not from Jianghu, how can he know me?"

Su Chen took a sip of wine and said with a smile,

"I don't think I can recognize Lu Xiaofeng, who has four eyebrows. Lu Xiaoji, why don't you shave your eyebrow-like beard, so that I'm afraid no one will recognize her."

Lu Xiaofeng touched his sexy mustache and said,

"My beard is my life. I won't shave it off. Don't you think I'm very handsome with a beard?"

"I don't think you are as handsome as me even with your beard." Su Chen looked at Lu Xiaofeng and then touched his face and said,

Su Chen now wants to be more shameless, thick-skinned, and shameless than Lu Xiaofeng, so that this Lu Sandan will not be interested in her in the future. Su Chen didn't want to be with this nosy Lu Xiaoji. None of Lu Xiaoji's friends would end well.

"you are so shameless"

"Compared to each other and you, Lu Xiaoji, I am nothing."

"Brother Su, where are you going?"

"Brother Lu, where are you going?"

Lu Xiaofeng observed Su Chen and then touched his mustache and said,

"In the Sui Dynasty, I heard that a martial arts secret book that can make people immortal appeared in the Sui Dynasty. I want to take a look. Brother Su, do you want to go with me?"

The more Lu Xiaofeng looked at Su Chen, the more she felt that Su Chen was not simple. Who is this guy who is as shameless and shameless as herself?

Lu Xiaofeng also checked Su Chen and found that Su Chen did have blocked meridians and couldn't do martial arts. He was just a guy who couldn't do martial arts. Why is the young master walking around in the Jianghu? Isn't he afraid of being killed by the Jianghu people?

Su Chen shook his head and refused, "If you don't go, my meridians are blocked and I can't learn martial arts. If I go, it will be in vain.""

Su Chen doesn't want to go to Sui Dynasty with this pauper. Lu Xiaofeng has no money and is shameless. He also likes to meddle in other people's business. It's too dangerous to be with Lu Xiaofeng.

Lu Xiaofeng shook his head with some pity and said,

"That's a pity. I thought I could go to Sui Dynasty with me if I met a close friend."

Lu Xiaofeng didn't believe that Su Chen would not go to Sui Dynasty, but Lu Xiaofeng felt that Su Chen really didn't want to be with him. Does this Su Chen know something?

Su Chen rolled his eyes at Lu Xiaofeng and said,

"If I don't become the confidant of the famous Lu Xiaoji, how many more years will I have to live?"

"Brother Su, this is wrong. Why do you feel like you are going to die when you are with me?"

Just when Su Chen was about to answer Lu Xiaofeng, a group of women entered the inn. These women were all wearing white dresses, but there was a man among these women, and this man looked like a bitch.

Su Chen touched it Lu Xiaofeng asked in a low voice,

"Lu Xiaoji, do you think the person among these women is a man or a woman?"

Lu Xiaofeng said to Su Chen with a serious expression,

"Brother Su, that is a man, 100% a man. Don't you know Hua Wuque, the young master of Yihua Palace?"

Lu Xiaofeng is very helpless now. Why did these people from Yihua Palace chase her to the Song Dynasty? Didn't she just save a few men who were about to be executed in Yihua Palace? These women from Yihua Palace made too much fuss. How could they Just chase after yourself

"Let me guess, he is Hua Wuque? He just has a pretty face and doesn't have any masculinity at all."

Su Chen looked at Hua Wuque and was speechless. If Hua Wuque were in modern times, he would probably be a piece of meat.

Lu Xiaofeng is trying to reduce his presence as much as possible. He doesn't want these women to find out that he is also in this inn.

"Brother Su, do you want to die? These women are very cruel and ruthless, so don't offend them."

Su Chen saw that Lu Xiaofeng was a little worried that the women from Yihua Palace would recognize him, and his heart suddenly suddenly broke down. Now Su Chen was afraid that Lu Xiaofeng would offend these women from Yihua Palace.

"Lu Xiaoji, you are also a master after all. Why do you seem to be hiding from these women? Lu

Xiaofeng said in a low voice with some embarrassment,

"I'm not afraid of them, I'm afraid of Yao Yue and Lian Xing. These sisters are at the level of cultivation of great masters. Do you think I'm afraid or not?"

"Damn it, you didn't really offend Yihua Palace, did you?" Su Chen immediately stood up and asked nervously.

Lu Xiaofeng hurriedly pulled Su Chen down and said awkwardly,

"I just saved a few men who were about to be executed by Yihua Palace, but I didn't expect that Yihua Palace would chase me for this trivial matter."

Su Chen pushed Lu Xiaofeng and said nervously,

"Damn it, you leave now, I don't want to get involved with you, there are really no good things to be done with you."

Su Chen is completely speechless now. This Lu Xiaofeng is indeed a troublemaker. Now I am afraid that Lu Xiaofeng has also been implicated. This place is such a big place, and these women from Yihua Palace will definitely notice them soon.

"Mr. Su, I didn't expect to meet you here."

Chapter 100

Song Zhi and Song Yuzhi did not expect that they would meet Wu Xiangjun here. Just by looking at Wu Xiangjun's dress, they knew that Wu Xiangjun wanted to hide his identity, so Song Zhi only called Wu Xiangjun Mr. Su.

This time Song Zhi wanted to make a good friend of Wu Xiangjun. Originally, the Lingnan Song family wanted to make a deal with Wu Xiangjun.

It's just that a heaven-level martial arts secret book appeared in the Sui Dynasty. Song Zhi and Song Yuzhi could only take their men to see what the heaven-level secret book was about. Will you become immortal if you practice to the extreme?

Song Yuzhi looked at Su Chen and ignored him. Song Yuzhi looked down on this shameless Wu Xiangjun. Just from the ranking list of martial arts beauties, he knew that Wu Xiangjun was a womanizer.

Song Yuzhi didn't want to get involved with this Wu Xiangjun. She was also afraid that Wu Xiangjun would ruin her Song Yuzhi's reputation.

"Who are you?"

Su Chen was a little confused when he looked at Song Zhi. He didn't know such a middle-aged man, and this middle-aged man looked like a martial arts master.

Song Zhi smiled and said to Su Chen,

"Haha, I'm Song Zhi from the Southern Song family in the Great Sui Mountains. This is my eldest brother's youngest daughter, Song Yuzhi. Mr. Su, we met in Xingzilin. Maybe you don't remember me."

"It turns out that he is the second brother of Song Que, the Heavenly Sword. Senior Song, please sit down."

Su Chen didn't expect that the Song family of the Sui Dynasty in Xingzilin would leave just now. They didn't seem to have the idea of exposing their identities, which made Su Chen feel relieved. Song Yuzhi sat down and glared at Su Chen. Song Yuzhi didn't expect this gangster. He actually ignored himself, which made Song Yuzhi think carefully about what he was going to say to answer Su Chen, but it was all in vain.

"Mr. Su, where are you going?"

Lu Xiaofeng directly interrupted and said to Song Zhi,

"We are going to Sui Dynasty. Mr. Song, I wonder if we can take your boat to Sui Dynasty?"

"It turns out to be Lu Xiaofeng with four eyebrows. Of course this is possible. Our ship is in Hangzhou. We can go to Sui Dynasty together."

"Thank you very much, Mr. Song."

Lu Xiaofeng looked at Su Chen and smiled proudly.

Su Chen looked at the shameless Lu Xiaofeng and didn't want to talk to him. Now Su Chen doesn't know whether to be with this shameless Lu Xiaofeng. This bastard is so shameless. I can't compare to this Lu Xiaoji

"Lu Xiaofeng, your beard really looks like eyebrows. Why do you have such a beard?"

Song Yuzhi was a little curious about Lu Xiaofeng. This Lu Xiaofeng was a master in solving crimes. He had helped Ming Dynasty solve many strange cases. Even Lu Xiaofeng's name was very famous in the Sui Dynasty.

Lu Xiaofeng smiled and said to Song Zhi next to him Niece Song Yuzhi said,

"I think this is very handsome, and it should be easier to find a wife in the future.

Song Yuzhi glanced at Su Chen and said to Lu Xiaofeng, "You are as shameless as someone else.""

"Brother Su and I are just like-minded."

Lu Xiaofeng looked at Su Chen and said to Song Yuzhi.

Lu Xiaofeng now feels that Su Chen is really not an ordinary person. If Su Chen is an ordinary person, why did the Song Dynasty in the Sui Dynasty treat Su Chen like this? To be polite, Lu Xiaofeng felt that he wanted to find out the details of Su Chen and find out who Su Chen was.

"See the First Palace Master, the Second Palace Master."

At this time, the girls in Yihua Palace suddenly saluted at the door and said.

I saw two very beautiful women suddenly appeared at the door of the inn. After they came in, they swept away lightly. Looking at the guests in the inn, there was no sound at all in the inn at this time. The people here felt a certain chilling atmosphere, making them unable to even breathe. At this moment, a sound like a fart suddenly came out. came out, breaking the tranquility in the inn. Everyone here and the women in Yihua Palace stared at the place where the sound came from.

"Forehead? If I said this was the sound of a chair, would you believe it?"

Su Chen was extremely embarrassed now. This old chair didn't ring in the morning or at night. Why did it ring at this time? And the sound was like a fart.

Song Yuzhi stood up and walked away from Su Chen and said,

"You are such a shameless bastard. Lu

Xiaofeng looked at Su Chen and said very shamelessly,

"Brother Su, farting is human nature, but farting in public is too much."

"Holy shit, don't you know if I'm farting? Lu Xiaofeng, you are going too far by adding insult to injury like this."

Su Chen wants to strangle this bastard to death when he looks at Lu Xiaofeng. Some of the people here believe that he is not farting.

Song Yuzhi, that silly girl, tricked him and made other people in the world suspicious. But what did this bastard Lu Xiaofeng say? , the rest of the people believed that he was farting just now

"It's over, Brother Su, you are going to kill me."

When Lu Xiaofeng saw the people in Yihua Palace discovering him, she regretted why she framed Su Chen. If she hadn't framed Su Chen just now, maybe the people in Yihua Palace wouldn't have discovered him easily if they were blocked by Song Zhi's men.

Su Chen Seeing that people from Yihua Palace had already surrounded the place, Su Chen smiled and said to Lu Xiaofeng,

"Phew, Lu Xiaoji, do you know what retribution is now? You deserved to be found out this time."

At this time, Yao Yue came up. She looked at the people around Lu Xiaofeng and said sternly,

"Lu Xiaofeng, are you still running away now? Lu

Xiaofeng stood up and said helplessly to Yao Yue,

"Palace Master Yaoyue, didn't I just save a few men, and I was also too humble to your flower slaves, why do you keep chasing me?"

Su Chen looked at the ruthless and ruthless Yao Yue in this peerless couple. This Yao Yue must be at least fifty years old, but now she looks only in her twenties. Yao Yue is still so beautiful.

Even better than this The women in the Wulin Beauty List are much more beautiful, especially Yao Yue's temperament. Just looking at it makes people want to conquer this noble and beautiful woman.

Su Chen couldn't help but click on it when he thought of Yihua Palace's unique Ming Yu Gong. Yao Yue nodded. The Ming Yu Gong of Yihua Palace was indeed extraordinary. This Ming Yu Gong should be the same as the Heavenly Demon Technique practiced by Huan Huan, which can keep youth forever.

Yao Yue sneered and said to Lu Xiaofeng,

"Lu Xiaofeng, who said I came here for you this time? This time we met you by chance."

Lu Xiaofeng asked in surprise after hearing Yao Yue's words,

"Lord Yaoyue Palace also wants to go to Sui Dynasty?"

Yao Yue clapped her hands and some flower slaves from Yihua Palace were ready to attack Lu Xiaofeng. Yao Yue said to Lu Xiaofeng

"Of course, I am also very interested in the martial arts secret book that appeared in the Sui Dynasty. Lu

Xiaofeng looked at the flower slaves gathered around and hurriedly expressed her goodwill to Yaoyue and said,

"Invite the Lord of the Moon Palace, we can go to Sui Dynasty together. This friend of mine owns a boat. After we arrive in Hangzhou, we can leave by boat together. Let's forget about these small grudges of ours?"

"Kill all these people"

"Yes, Palace Master."

After receiving the order, the flower slave from Yihua Palace came towards Lu Xiaofeng, Su Chen and Song Zhi with a sword.

Su Chen immediately stood up and said to Yao Yue,

"Wait, Palace Master Yaoyue, we don't know Lu Xiaofeng. If you want to kill, just kill Lu Xiaofeng. That is a conflict between you and Lu Xiaofeng, so we won't get involved."

"You shameless person just stared at me. Don't think I didn't notice. Men really don't have a good thing. Kill them."

"Am I him?"
