Getting \$10 Trillion Out Of Nowhere Chapter 21

Chapter 21: Bar Rescue

Inside a private lounge of Dusk

“What did Connor say? Will he lend us the money?” Lily asked anxiously after May had finished calling Connor. “Yep, he said yes.” May nodded gently. Her conversation with Connor was still echoing in her mind.

May had never expected that she would end up having to ask an incel like Connor for help.

And, Connor would lend her money on the condition that she would spend a night with him. It was hard for May to accept that she had to sleep with Connor. But, if she could not come up with \$100,000, her fate could be much more terrifying as a goon like the blond guy could do anything. So, May could only agree to Connor’s request.

“I didn’t know that he still had some conscience and was willing to lend us money.” Lily was relieved, feeling less worried after hearing that Connor was willing to help them.

May furrowed her brows and turned to look at Lily snappishly. “I am lending you this money. You will have to repay me when you have money in the future.”

“Why? Isn’t Connor the one who lent us both this money?” Lily was not too happy.

If Connor lent her this money, she could act cute in front of him, finding favor with him, and he might waive her debt. She thought she was good at dealing with an incel like Connor.

“Who do you think you are? You think Connor is stupid enough to lend us money just like that? He will lend us the money only on the condition that I sleep with him. I will forgo this money if you replace me and spend a night with him.” May was aggravated, gritting her teeth.

Lily was stunned, mouth agape, and could not say a word. After a long while, she looked at May and said, “You’re crazy, May. How could you sleep with someone like Connor for fifty thousand dollars?”

“You have any better alternatives other than agreeing to Connor’s request? Isn’t sleeping with Connor better than with Todd?” May said with a sneer.

Lily stood there dumbfounded, not knowing what to say. "Don't tell anyone else about this. Or else, I promise I will kill you myself." May looked at Lily with threatening eyes. "I won't tell anyone. Don't worry," Lily quickly said.

Todd was sitting on the sofa and becoming impatient. He slammed the table and scolded, "Have you borrowed the money yet, you two batches? You two will follow me now if there is no one coming for you."

"My friend will be here in a while." There was a hint of fear in May's eyes when she heard what Todd said.

"Five more minutes. If your friend hasn't arrived after five minutes, you know what is going to happen," Todd said impatiently. May cowered in the corner, nodding timidly and not daring to speak.

Knock! Knock! Knock!

Just then, someone knocked on the door outside the private lounge.

"Come in!" Peter hollered toward the door.

Connor pushed the door open and walked straight in. A twinkle of emotion flashed in the eyes of May and Lily when they saw him.

"I am here for them," Connor said expressionlessly after glancing at May and Lily.

"Did you bring the money?" Peter asked in an icy voice. He sat in the middle of the couch and did not even look at Connor. Connor put the food delivery bag he was carrying on the table and said, "Here are one-hundred-thousand dollars. Now, let them go."

Todd quickly opened the food delivery bag and then walked over to Connor, scanning him with scorn, and grinned. "I didn't expect that an incel like you could come up with one-hundred grand so quickly. You're rich."

"Whether I'm rich or not has nothing to do with you," Connor said.

"What an arrogant kid." Todd walked up to Connor and looked at him carefully. He was wide-eyed as if he suddenly remembered something. "No wonder you look familiar. You're the food delivery guy near Porthampton University, right?"

"This is the kid, Todd. I have seen him several times at the university," one of Todd's underlings said.

“Haha, no wonder you look so familiar. How many takeaway trips did you have to make to earn one-hundred grand? Was it worth doing it just for these two b*tches?” Todd asked. His voice was filled with disdain.

“Todd, I heard that his girlfriend just dumped him recently. He spent all the money he made as a delivery guy for three years on that girl, who ended up running away with a rich kid. The most dramatic thing was that he only found out that his girlfriend was cheating on him when he delivered food to a hotel and bumped into her and that rich kid. What a loser,” Todd’s underling next to him said.

“Haha, this boy is an exemplary incel. He still wants to play the hero when he can’t even feed himself. I almost died laughing.” Todd burst into laughter when he heard what his underling said.

The others laughed along with him..

Chapter 22: Lick My Shoes Clean

Connor had a calm expression despite everyone’s ridicule.

He remained unmoving at his spot and did not refute.

To him, these people were merely a bunch of clowns.

In their eyes, however, Connor was behaving cowardly.

May and Lily watched Connor stand there blankly and unmoving. Their eyes were filled with contempt as they scorned Connor. They had never seen a man remain so indifferent after being humiliated so badly. He was utterly hopeless.

The two of them now understood one thing; even though Connor had become wealthy, it still did not change the fact that he was a loser.

May was starting to feel regret. Sleeping with someone like Connor would stain her reputation.

She was even starting to think that sleeping with Todd Knowles would be much better than with Connor. “Are you all done laughing?”

Connor lifted his head to look at Todd, who was standing in front of him, and asked softly.

“No... Not yet. HAHAHA! Let me laugh for a bit more.”

“Growing up, I’ve never met someone like you. I’m going to die of laughter...” Todd clutched his stomach and laughed wildly non- stop.

Connor did not say a word after hearing what Todd said. He continued standing there blankly. Lily and May watched Connor with speechless expressions.

It took a while for Todd to finish laughing. He looked at Connor and said, “Alright. Since you’ve brought the money, I won’t make things difficult for you. Lick my shoes clean and I’ll let you all leave!”

Connor's gaze grew cold when he heard Todd's words. He lifted his head and looked at Todd. Suddenly, the entire room became quiet.

Todd saw that Connor looked like he did not want to lick his shoes. Todd said with a terrifying expression, “Are you f*cking deaf? I told you to lick my shoes clean. You didn’t f*cking hear me or what?”

“I've given you the money. What else do you want?”

Connor said to Todd in a low voice.

Right now, Connor did not want to expose his own identity, so he did not fuss over what Todd had said earlier. However, asking him to lick someone’s shoe had crossed the line.

“Didn't you hear me say what I want? Lick my shoes clean, and then, you can scam with them!”

Todd obviously did not intend to let them leave with Connor.

After all, the two girls—May and Lily—could be regarded as beauties, and chancing upon them once was not easy.

That was why he deliberately made things difficult for Connor. If Connor really kneeled down to lick Todd’s shoes clean, Todd would find other ways to embarrass him.

“Connor, why are you just standing there? Hurry up and lick. We can leave when you're done licking!” May quickly shouted when she saw Connor standing there unmoving.

Connor's gaze instantly grew cold when he heard May's words.

He never expected May to say something like that. After all, he was here to save the two of them!

“Did you hear that, punk? Hurry up and lick my shoes clean. Then, you can leave...”

Todd said to Connor while laughing.

Connor remained expressionless at his spot and did not utter a single word. "Todd, stop messing around!" At that moment, Peter, who had been silent, suddenly shouted.

"Peter, you..."

Todd looked confusedly at Peter. He did not know why Peter had stopped him. "Since Connor has brought the money, stop making things difficult for him. Let them go!"

"But I..." Todd looked as if he was a little reluctant. "I told you to let him go. Didn't you hear me?" Peter bellowed coldly.

Todd looked at Peter and hesitated for a moment before speaking, "Alright, consider yourself lucky today. Take these two b*tches and scram. Don't let me see any of you again in the future..."

When May and Lily heard what Todd said, they quickly ran toward Connor's direction. A few minutes later, Connor left Dusk with May and Lily.

Lily turned to glance at Connor and said to him disdainfully, "Connor, I heard that you're only willing to lend us money because May agreed to sleep with you. Is that right?"

"Hmm, does that have anything to do with you?" Connor asked coldly.

"Of course it does. How can someone like you sleep with May? Why don't you take a look in the mirror!"

Lily said with contempt. She then added, "We'll pay you back. But regarding

May sleeping with you, dream on. Let's go, May!"

After Lily said that, she proceeded to drag May away and wanted to leave. She had never uttered a single thank you to Connor

from the beginning to the end. Naturally, May did not want to sleep with Connor. After all, she was still a virgin. How could she sleep with someone like Connor?

She turned around without hesitation and wanted to leave.

"The two of you can leave if you dare. If I can save you two from Todd Knowles, then I can also get him to capture you two again. That's why I think the two of you better consider it thoroughly!"

Connor suddenly shouted just as May and Lily were about to turn around and leave.

When May heard what Connor said, her body quivered momentarily and she instinctively stopped walking.

“Connor, isn’t this a bit too much? We’re classmates. Is doing such a thing necessary?” Lily turned to Connor and yelled. “That wasn’t what the two of you said when you bullied me.”

Connor said with a meaningful smile.

“You...”

Lily was stunned when she heard what Connor said.

“Lily, you stay out of this. I’ll just spend the night with him. Otherwise, Todd Knowles might actually capture the two of us...” May whispered through gritted teeth.

“How could I possibly let you get tainted by a person like him?”

Lily yelled while staring at May with her wide eyes. It was as if she cared about May very much. “If you feel bad, I’m fine with you spending the night with me instead!”

Connor said to Lily with a meaningful expression.

When Lily heard what Connor said, she immediately let go of May’s hand without hesitation. She then whispered, “Don’t worry, May. I won’t tell a single person about this!”

Lily said and quickly strode far away. She was scared that Connor would suddenly force her to stay.

Meanwhile, May stared hopelessly at Lily’s back, not knowing what to say. Connor hailed a cab and said to May, “Don’t just stand there. Get in the cab!” May stood at her spot and hesitated for a moment. She then gritted her teeth and followed Connor into the cab..

Chapter 23: Hooking Up at Seven Days Hotel Ten minutes later.

The cab arrived at the entrance of Seven Days Hotel. Connor knew that many couples from Porthampton University would come here to hook up every weekend.

However, Connor had never stayed at a hotel before, so he did not know anywhere else and could only take May here. “This is my first time, Connor. Yet, you’re taking me to a shabby hotel like this?”

May said when she got out of the cab as if she was a little dissatisfied.

“At least I’m taking you to a hotel. Do you want me to take you to the woods and bang you?”

Connor responded with a blank expression.

“You...”

May instantly blushed when she heard what Connor said.

She then said through gritted teeth, “I’m warning you, don’t you tell anyone about us hooking up. Otherwise, I won’t forgive you even when I’m dead!”

“Also, when we get into the hotel room later, you’re not allowed to kiss or touch me anywhere. Quickly get it done and I’ll just pretend that I got bitten by a dog. In the future, the two of us will have nothing to do with each other, do you understand?”

Connor looked very speechless after he heard what May said. He walked to the hotel’s front desk and booked an hourly rate room.

When the receptionists saw Connor and May walk in, a hint of confusion flashed across their eyes. After all, Connor was dressed like a loser while May was beautiful and sexy. The two of them did not look like a couple at all.

Even though May spoke very loudly when she was making agreements with Connor just now, this was actually her first time hooking up with a boy. So, she was feeling very anxious.

May stood by the door and hesitated for a long time, but she still did not dare to enter. “Come on in!”

Connor opened the door and said expressionlessly.

“No... I won’t go!”

The moment May stepped one foot into the room, her other foot started to back out. “Are you going back on your word?”

Connor looked at May and asked with a poker face.

“So what if I am? This is my first time. I’m not going to sleep with a loser like you!” May glanced disdainfully at Connor and said with contempt.

“If you don’t come in, then I’ll give Todd Knowles a call right now. Do you think Todd would be as courteous?” Connor said nonchalantly.

“Do you take me for a fool? Todd Knowles already got your money. Why would he listen to you? Even if I were to leave right now, you can’t do anything about it!”

May said as she turned around and prepared to walk toward the direction of the escalator.

“If you leave right now, I can get Todd to send you back to me. Do you believe me?”

Connor stared at May’s retreating figure and said coldly.

“You filthy loser, why are you posing?”

May turned to Connor and glared at him. She then walked to the escalator without turning back.

After May had left, a meaningful smile appeared on Connor’s face. He took out his phone and dialed Thomas’ number. “Mr. McDonald, how may I be of assistance?”

The moment the line was connected, Thomas’ respectful voice sounded.

“Go to Dusk and get in touch with a person called Peter Knowles. Get him to send May Young to room 802 at Seven Days Hotel!”

Connor said indifferently.

“Alright, Mr. McDonald. I’ll get right on it!”

Thomas did not ask any questions and immediately complied with Connor’s request.

After Thomas hung up the phone, he got someone to get ahold of Dusk’s phone number. He proceeded to contact Peter and Todd.

“Hello, who’s this?”

In the bar’s private lounge, Peter picked up the phone a waiter handed to him and asked impatiently.

“Peter Knowles? This is Thomas Morgan!”

Thomas said nonchalantly.

“Mr-Mr. Morgan? How can I be of your assistance?”

Peter’s tone instantly changed to a respectful one when he heard that the person on the other end was Thomas Morgan. After all, everyone in Porthampton knew who Thomas Morgan was. Naturally, Peter did not dare to disrespect him.

“Take your younger brother, Todd Knowles, with you and capture May Young. After that, send her to room 802 at Seven Days Hotel, understand?”

Thomas commanded in an authoritative tone.

“Un-Understood!”

Peter complied without any hesitation.

Although Peter did not know why Thomas wanted to do such a thing, but not even his boss dared to disobey Thomas’ orders. As such, he quickly brought Todd with him and rushed to Seven Days Hotel.

Meanwhile, May still did not know what was awaiting her..

Chapter 24: Humiliating May Young

Half an hour later, Peter and Todd found May at a bubble tea shop near Seven Days Hotel. They took her to the front door of room 802.

“Let go of me! What do you want? Did Connor ask you all to do this?” “Quit blabbering and get in. If you dare to escape again, I’ll kill you!” Peter looked at May and said threateningly.

After all, Thomas was the one who asked him to bring May here, so it meant that the person in the hotel room was a big shot. Naturally, Peter did not dare to cross their path.

That was why Peter took Todd back to the bar after bringing May to the hotel.

May was now standing in front of the door and had started to hesitate. She eventually pushed the door open while trembling and walked in.

In the bedroom, Connor was sitting on the bed and looking at May with a meaningful expression.

“It... It was really you?”

May looked at Connor who was standing in front of her. She shouted with an astonished expression.

“How was that? | told you | would get Todd Knowles to send you back if you dared to leave. | didn’t lie to you, right?” Connor looked at May with a meaningful expression. He then walked over to the door and locked it.

“What are you doing?”

May quickly shouted when she saw Connor lock the door.

“Take off your clothes!”

Connor did not chat around with her and immediately commanded.

May was instantly stunned when she heard Connor’s words. A hint of fear flashed across her eyes.

Even though May looked coquettish on the surface and always wore revealing clothes, she was actually really conservative. Moreover, her hot body and extremely good looks inevitably made her arrogant, so she had never hooked up with a boy before. Now that she was asked to take her clothes off in front of a man, it was practically a form of humiliation to her. Additionally, that man was not just anybody, but the Connor McDonald that May truly looked down on.

She could not even imagine how she was going to live if she actually hooked up with Connor that day.

“You’re not taking your clothes off, aren’t you? I’ll get Todd to come right now and see what he’ll do to you!”

Connor saw May standing at her spot unmoving. He took a few steps and wanted to leave the room.

“No, don’t... I’ll take them off, alright?”

May quickly stretched her hand out to tug at Connor before she bit her lips and said.

“Then, hurry up and take them off!”

Connor turned around and looked May up and down.

May took a deep breath and unbuttoned her micro-mini skirt with trembling hands. She then slowly took it off.

When May took off her micro-mini skirt, a pair of fair and slender legs appeared in Connor’s view.

He had to admit that May indeed had a hot body. It was not an exaggeration to call it unworldly.

“Go on!”

Connor said expressionlessly.

May stared at Connor and hesitated for two seconds. She then bit her lips and started to take off her top.

It only took a while for May to take off her low-cut blouse, and her seductive figure was exposed right in front of Connor. May covered her chest with her hands and said to Connor shyly, "Hurry... Hurry up and do whatever you want to do!" When Connor heard May's words, he could not help but smile. He then did something that May had never expected. Connor opened the door, turned around, and walked outside.

"Connor, what are you doing?"

May quickly shouted when she saw that Connor intended to leave.

"I have done what I wanted to do. You're free to go!"

Connor responded coldly.

"You're... You're done?" May was stunned when she heard what Connor said. She stared at Connor with her beautiful eyes, not knowing what he meant. "Didn't you want to sleep with me?"

May hesitated for a moment and asked Connor. However, May thought of something in the very next second. She quickly ran over to him and tugged at him while saying pleadingly, "Connor, I know I was wrong. I take back what I said earlier; you can kiss me. Right now, you can do whatever you

want. I'm begging you, please don't ask Todd Knowles to come." May thought that Connor had changed his mind, so she pleaded inferiorly with him.

Perhaps it was due to May's nervousness that she did not cover her chest with her hands. So, her body was completely exposed.

"Did I ever mention that I was going to get Todd Knowles?" Connor asked May softly. "You... If you aren't going to get Todd, then why are leaving?" May was stunned briefly before she asked.

"You didn't actually think that I was interested in hooking up with you, right?" Connor looked at May and could not help but laugh. He then said with disdain, "I won't have any thoughts for women like you even if you stripped yourself naked in front of me. What I did today was just to see how far a gold-digging woman like you could go for money. I, Connor McDonald, can't sleep with a woman who sells her first time for fifty thousand dollars!"

"You bastard!"

May frowned and glared at Connor while yelling. "How am I a bastard?"

Connor asked her nonchalantly.

“Connor, you did this to humiliate me, didn’t you?” May asked angrily.

“That’s right, I’m humiliating you. I wanted to let you know that I won’t bother laying a finger on women like you, even if you crawl onto my bed completely naked...”

Connor responded with contempt. He then turned around and walked out of the room. May was the only one left in the room standing dumbfoundedly. Connor’s words from just now echoed in her mind. That was when May realized how ridiculous her behavior was earlier.

Maybe she did not have the right to humiliate Connor at all since she was not even much nobler than Connor..

Chapter 25: My Shoes Dirty

Connor took his phone out and dialed Thomas’s number once he was out of Seven Days Hotel.

“How can I help you, Mr. McDonald?” Thomas’ voice came through as soon as the call went through.

“Help me check out a guy named Todd Knowles,” Connor said softly.

“You got it, Mr. McDonald. I will send someone right away, and someone will contact you soon.” Thomas readily answered.

“Good.” Connor nodded and hung up. Then, he hurried to Porthampton University. A Bentley stopped in front of Connor before he could enter the university campus. A middle-aged man in a suit stepped out of the car and bowed to Connor with respect. “Hello, Mr. McDonald.”

Connor studied the man in the suit. “You’re Thomas’ guy?”

“Yes, Mr. McDonald. Mr. Morgan asked me to check the background of a man named Todd Knowles. I have obtained all his information. Are you going to go meet him now?” The man in the suit asked.

“Let’s go,” Connor said, nodding.

“Please, Mr. McDonald.” The man in the suit opened the car’s door, thoughtfully putting his hand under the roof rail. He was very diligent.

The man's action made Connor feel awkward. "You don't have to do that," he said in a low voice. "You are Mr. Morgan's boss, and Mr. Morgan is my boss. It is my pleasure," the man in the suit said. "Okay. What is your name?" Connor smiled at the man in the suit.

"My name is Kyle Hayes. Just call me Kyle, Mr. McDonald." The man in the suit said as he drove. "You're Kyle Hayes?" Connor was shocked, and his expression was changing dramatically.

"You heard of my name before, Mr. McDonald?" Kyle asked with a smile.

"Of course I've heard of you. You're well known in Porthampton," Connor replied in surprise.

"Haha, thank you for your compliment, Mr. McDonald. I am just a nobody in front of you. Please feel free to call me if you need me in the future." Kyle looked at Connor respectfully.

Connor looked at Kyle helplessly, not knowing how to describe his feelings.

Everyone in Porthampton had heard Kyle's name to a greater or lesser extent, and Connor heard the name from the mouths of his classmates. It was said that there was a bigwig who knew everyone in Porthampton, and his name was Kyle. In the whole of Porthampton, almost no one dared to mess with Kyle, and most of the illicit businesses in Porthampton were under Kyle's control.

Connor had never expected that the legendary godfather, Kyle Hayes, would drive him and ask him to call him by his name. If Dominic and Spencer knew about it, would they not be scared to death?

Ten minutes later, Kyle parked the Bentley in front of Dusk, then got out of the car to open the car door for Connor. "I have asked my men to investigate it, and they have found Todd in this bar."

"Well, let us check him out inside," Connor said and headed straight into the bar. After a few moments, Connor found the private lounge that he had been to earlier, opened the door, and walked in.

Todd was playing poker when Connor came in. He was stunned for a moment before he grinned.

"Gee, isn't this Connor, the cuckold? Why did you come back here? Are you going to lick my shoes or something?"

"I'm sorry, but it is my shoes that are dirty this time." Connor looked at Todd and smiled calmly.

“Your shoes are dirty?” Todd was dumbfounded when he heard what Connor said. But, he quickly came to his senses and came up to Connor with an angry face.

Peter was sitting on the couch, squinting his eyes at Connor, and wondering what was Connor doing coming back here.

“Kid, you just said that your shoes were dirty, didn’t you?” Todd looked at Connor defiantly.

“That’s right.” Connor nodded lightly.

“This kid’s shoes are dirty. What do you all think we should do?” Todd looked to his underlings, and then, he barked with over a dozen men lunging up to surround Connor in an instant.

“Mr. McDonald just said that his shoes are dirty. Why are so many of you surrounding him, Todd?” Kyle stepped into the private lounge just then.

Peter was sitting on the couch drinking beer when he heard Kyle’s voice. He turned his head and was rooted to the spot, looking surprised when he saw Kyle.

“Who the hell are you?” Todd did not know Kyle and stared at him ruthlessly. Peter came up and kicked Todd to the ground as soon as Todd's voice trailed off. Crash!

He then glared at Todd and berated him severely.. “How dare you talk to Kyle like that! Apologize!”
