Chapter 361 You Don't Have Face Here

“And who are you?”

Ye Feng glanced at the middle aged man.

As soon as this person entered, he had an arrogant look.

He couldn't stand it.

When everyone heard this, they almost fell to the ground.

He didn't even know Peng Wannian, the third richest man in Zhonghai City?

Are you kidding me?

Peng Shaokun gritted his teeth and looked at Ye Feng. “Are you blind? My father is the third richest man in Zhonghai, how can you not know him?”

Ye Feng heard this and hurriedly stood up. “So it’s Brother Peng, sorry for the disrespect.”

When Peng Shaokun heard this, he almost vomited blood on the spot.

He had just finished introducing his father. The other party called him ‘Brother Peng’. Didn’t this make him a generation younger?

Peng Wannian looked at Ye Feng coldly. “I, the chairman of Cinda Corporation, personally came to invite you, isn’t that enough?”

Ye Feng smiled lightly: “Although you are the third richest man in Zhonghai, you have no face in front of me.”

When everyone heard his arrogant words, they almost peed their pants.

The person standing opposite him was the chairman of Cinda Corporation.

Peng Wannian, the third richest man in Zhonghai City on the Hurun Rich List.

To them, this was already an unattainable existence.

Ye Feng actually dared to speak to him in such a tone?

They really didn't know if he was fearless. or arrogant and ignorant.

Peng Wannian and Peng Shaokun were also furious.

He almost went berserk on the spot.

However, at this moment, Ye Feng continued: "Although you have no face here, if I don't go, Niu Sidun will think that I'm afraid of him."

"Lead the way."

Peng Wannian gritted his teeth.

Even though he was filled with hatred, Mr. Niu was still waiting in the Emperor Palace.

'I'll settle the score with this kid in the future...' No, perhaps there would be no future.

If this kid still dared to be so arrogant in front of Mr. Niu...

He probably didn't need to do it himself.

This kid would be reduced to ashes.

The Peng father and son led the way.

Ye Feng brought Lin Qianqian and followed closely behind.

Everyone hesitated for a moment before following after him.

After all, everyone wanted to see if Ye Feng would still dare to be so arrogant after seeing Niu Sidun.

Among the people who followed him, Kong Ping was burning with anxiety.

He originally only wanted to invite Ye Feng to support him.

He did not expect things to develop to this stage.

It was completely out of his control.

He was extremely anxious.

He had no choice but to call his cousin Kong Xianghui urgently.

Kong Xianghui was working overtime at the company.

The latest Zhonghai Hurun Rich List was about to be released.

There was a lot of work to be done.

For the past few days, he had been working overtime until late at night every day. He didn't even have time to eat.

At this moment, the phone on the table suddenly rang. The caller ID showed that it was his cousin, Kong Ping.

He didn't even think about it and hung up the phone.

This cousin of his had always been a troublemaker.

He often used his name to cause trouble everywhere.

If he called him, he would either borrow money or ask him to introduce him to someone.

He was so busy with work now, how could he have time to deal with this guy?

However, just as he hung up, the other party called again.

Kong Xianghui hung up three times.

The other party was still calling. Kong Xianghui was instantly enraged.

He immediately picked up the call and scolded, "Are you f*cking done? I'm very busy now and don't have time to deal with you..."

"Cousin, something bad has happened..." Kong Ping's sobbing voice immediately came from the other end.

“You want me to clean up your mess again?”

Don’t even think about it. You’re the one who stirred up this mess. Go and clean it up yourself. From now on, I won’t care about your mess anymore!”Kong Xianghui shouted and was about to hang up the phone.

At this moment, Kong Ping said anxiously, “Cousin, this time it’s about Mr. Ye Feng... Kong Xianghui’s movements paused and he hurriedly asked, “What’s wrong with Mr. Ye? Why are you with Mr. Ye? Did you offend Mr. Ye?”

He asked a few questions in a row.

“No, it’s about Mr. Ye and Niu Sidun...”

Kong Ping then briefly recounted what happened tonight.

Kong Xianghui was so shocked that he couldn’t speak for a long time.

Ye Feng and Niu Sidun had a direct confrontation?

This was a huge matter of Mars colliding with Earth.

From what Kong Ping said, Niu Sidun had clearly come prepared tonight. This time, Mr. Ye would probably suffer.

Thinking of this, he hurriedly hung up the phone.

As he put on his clothes and walked out, he flipped through his address book.

Lingyun Real Estate.

Chen Xuan was gathering all the higher-ups in the company for a meeting.

The project in the Laocheng District of Zhonghai City was successfully won. But this was only the beginning. The follow-up work would become more and more complicated.

There could not be any mistakes in the middle.

Otherwise, all their previous efforts would be wasted.

Just as the meeting reached a critical moment...

She suddenly received a call from Kong Xianghui.

Chen Xuan and Kong Xianghui weren't that close. Now that she received his call, she had no idea why he was suddenly calling her.

However, after much hesitation, she finally picked up the call. However, before Chen Xuan could ask, she heard Kong Xianghui's anxious voice: "Ye Feng is in trouble!"

Chen Xuan stood up from her seat.

All the higher-ups present were shocked. President Chen was still smiling.

Why did her expression suddenly change?

Could it be that something had happened to this project?

"That's all for today's meeting. I have something to do and have to go first," Chen Xuan said as she jogged out.

As she was in a hurry, she sprained her ankle at the door.

But she didn't care.

She continued to hobble away. Everyone looked at each other in bewilderment.

Among them, there was no lack of elders who had been following Chen Xuan since the establishment of Lingyun Real Estate. In front of them, Chen Xuan had always been calm and steady.

She had the demeanor of a general who would not change her expression even if Mount Tai collapsed in front of her.

They had never seen her so flustered before.

What exactly happened?

Was the sky about to fall?

Chapter 362 How Can You Let A Dog In?

Meanwhile, at Zhonghai Airport.

Huang Zhiyuan was already sitting in the first-class cabin of the plane.

There was a very important project in Yuanfang Wenchuang Real Estate that required him to go to Europe for a week.

They had been talking to this client for more than half a year and had already reached the most critical step. There was no room for any mistakes.

He took out the other party's information and prepared to study it again on the plane.

At this moment, his phone suddenly rang.

The caller ID showed that it was Kong Xianghui.

At this moment, a graceful air stewardess walked over. "Sir, our plane is about to take off. Please switch your phone to flight mode."

Huang Zhiyuan nodded politely and hung up.

He was about to switch his phone to airplane mode.

At this moment, Huang Zhiyuan's text message arrived.

There were only eight words in the message.

[Ye Feng is in trouble! Come back immediately if you see it!]

When he saw the content of the message, he felt his brain explode.

He hurriedly stood up from his seat and walked out.

"Sir, the plane is about to take off. Please return to your seat..." the air stewardess hurriedly reminded him.

"I want to get off the plane! Immediately!"

Zhonghai Tycoon Club.

Wen Tingguang was eating with a group of big shots from the political and business world.

He had put in a lot of effort to organize today's game.

As long as he could win over this group of people, it would be a force to be reckoned with.

Just as everyone was toasting...

Wen Tingguang's phone suddenly rang.

The caller ID showed that it was Kong Xianghui.

He hesitated.

Even though he had a good relationship with Kong Xianghui, those present were all big shots from all walks of life.

He could not afford to offend any of them.

After thinking for a while, he hung up.

He was about to continue toasting the few big shots.

At this moment, he saw Kong Linghui send a message.

[Ye Feng is in trouble! Come back immediately if you see it!]

Wen Tingguang's expression changed drastically.

He could no longer care about greeting the big shots.

He immediately called back.

Everyone looked at him in surprise.

A few big shots even showed dissatisfaction on their faces.

Wen Tingguang hung up the phone.

"I'm sorry, everyone. I have something urgent to deal with. Excuse me."

As he spoke, he turned to look at his assistant. "You must accompany the big shots well. All the expenses will be on me."

Then, he left quickly.

Everyone was displeased.

This dinner was organized by you.

But you ran away first?

Letting an assistant brush us off?

Are you looking down on us?

Sotheby's Auction House, Zhonghai Branch.

A large-scale auction was being held tonight.

It was the biggest auction in the second half of the year.

What was going to be auctioned were all priceless treasures.

Those who came to participate in the auction this time were all elites from all walks of life.

The auction house also attached great importance to this event.

The general manager, Chen Qiushan, personally presided over the auction.

The item being auctioned at this moment was an extremely precious Ru kiln.

The price had already reached 120 million.

“Mr. No. 63 has bid 120 million. Any higher bids?”

“120 million going once.”

“120 million going twice.”

Chen Qiushan's gaze slowly swept across the crowd.

Everyone's thoughts could not escape his gaze.

At this moment, the phone in his pocket suddenly vibrated.

He ignored it.

He thought that the other party would stop after one hit.

He did not expect the other party to call him one after another.

Even though his phone was already on vibrate.

However, he could still clearly hear a buzzing sound.

He awkwardly took out his phone.

He prepared to turn off his phone.

At this moment, he saw a message: [Ye Feng is in trouble, reply immediately!]

His expression changed drastically.

He threw the microphone on the table and turned to leave the stage.

Everyone on and off the stage was dumbfounded.

What was going on?

The auction had already reached its most critical juncture.

The auctioneer suddenly quit?

This was probably the first time in the history of auctions, right?

Countless similar scenes were happening in Zhonghai.

Tonight was destined to be a stormy night!

Just as the undercurrents were surging in Zhonghai City.

The Emperor Palace, which was also the most luxurious private room in the Wangjiang Pavilion, was already filled with many people.

Almost all of them were famous people in Zhonghai City.

Some of them were even in the top 20 of the Hurun Rich List and Zhonghai.

And Niu Sidun was undoubtedly sitting in the main seat.

He was playing with the prayer beads in his hand.

He had a harmless smile on his face.

Just like a Maitreya Buddha.

Any one of these people could be a business lord who could intimidate a region. The pressure they brought together was even more unparalleled.

Lin Qianqian, Kong Ping, Gao Jinxi, and the others who followed them in felt an invisible pressure as soon as they entered.

Many people only felt their knees go soft, and they could not even stand properly. But Ye Feng's expression was still normal.

After entering the Emperor Palace, his first glance landed on the person sitting at the main seat.

When he saw that person's appearance clearly, he was somewhat surprised.

Wasn't this the person who had brushed past him at the Antique Street?

He could never forget that cold gaze of his. Unexpectedly, this person was Niu Sidun. Niu Sidun was also sizing him up. "You are Ye Feng? You're even younger than I imagined." Ye Feng directly walked to the position opposite him.

He pulled the person on the seat away and sat on it. "You're Niu Sidun? You're even older than I thought."

When everyone heard this, their expressions changed drastically at the same time.

Niu Sidun had an important position in the business world of South Guangdong Province. Even in Zhonghai, he was the one who commanded the heroes.

This guy actually dared to speak to Mr. Niu in such a tone?

Niu Sidun didn't show any emotion on his face.

However, a man standing behind him had already shouted.

"Arrogant and ignorant child, you still dare to be so arrogant after meeting Mr. Niu? You're simply courting death."

This person was about forty years old and had a scar on his face.

The scar extended from the corner of his eyes to the corner of his mouth, and it was a ghastly sight.

The valiant aura on his body was very oppressive.

Those who were less courageous would probably be glared at by him.

They would be so scared that they peed their pants.

Ye Feng dug his ears and turned to look at Lin Qianqian.

“Was there a dog barking just now? Wangjiang Pavilion is such a high-end place. How can you let a dog in?”

As soon as he said this...

Everyone was shocked. Wasn't this Ye Feng too arrogant? He really didn't think much of Niu Sidun?

Chapter 363 If You're Not Afraid of Death, Come Up

Everyone was shocked when they heard Ye Feng calling that scarred face a 'dog'.

The man was called Jiang Bingkun.

At first, he was from a club and had once fought with another gang.

Holding a machete, he forcefully carved out a bloody path.

Later, he was imprisoned for a few years.

After he was released from prison, he followed Niu Sidun by chance.

He was in charge of handling some shady matters.

He could be considered Niu Sidun's number one fighter.

Niu Sidun also trusted him greatly.

Therefore, no matter where he went, he would bring this person along.

“Brat, Mr. Niu gave you face and asked you to come over to toast. Do you really think you're a dish?”

Jiang Bingkun was furious and immediately waved his hand.

“Throw this kid out.”

Following his order, a few men in black sunglasses immediately rushed in from outside.

They all carried a valiant aura.

Everyone instantly became nervous.

They all looked at Niu Sidun.

Was he going to fall out with him right away?

Niu Sidun looked at Ye Feng with a faint smile on his face.

“This brother of mine has a bad temper. Did he scare Mr. Ye?”

Ye Feng picked up the chopsticks in front of him and took a bite of the food. “I’m not even afraid of the owner. Why would I be afraid of a dog?”

Niu Sidun’s prayer beads paused, and killing intent flashed in his eyes.

However, a moment later, he regained his smile.

“I think you’re quite an interesting person. I want to invite you over for a drink. Why do you have to be so hostile?”

As he spoke, he leaned back. “How about this? Apologize to my brother and this matter will be over.”

When Ye Feng heard this, he could not help but sneer.

This Niu Sidun obviously wanted to give him a show of strength.

Therefore, he deliberately let his subordinates provoke him.

Now, he wanted him to apologize.

If he really did that, he would never be able to raise his head in front of Niu Sidun.

“Apologize to him? Is he worthy?”

Peng Shaokun and Xue Xiangdong were really afraid that Ye Feng would admit defeat and apologize.

Then, they wouldn't be able to watch a good show.

At this moment, hearing his tough words, they couldn't help but sneer in their heart.

This guy was really stubborn.

They would see how he died later!

On the side, Jiang Bingkun was completely enraged. "What are you all standing there for? Throw this arrogant and ignorant brat out." This time, Niu Sidun did not speak again. Those few black clothed men immediately approached Ye Feng.

The atmosphere in the room immediately became tense.

Everyone looked at Ye Feng gloatingly.

"This kid is really arrogant. Why is he pretending in front of Mr. Niu?"

"Young people who are successful are all like this. They think that they have some achievements and don't know the immensity of heaven and earth."

“It’s good to teach him a lesson so that he won’t always be so arrogant.’ “If he was really thrown out like this, then it would be extremely embarrassing. I’m afraid that he’ll become the laughing-stock of Zhonghai in the future.”

“Isn’t this his own fault?”

Hearing everyone’s mockery...

Kong Pinggao, Jin Xi, Lin Qianqian, and the others were all panicking.

“Mr. Ye, hurry up and apologize to them. After apologizing, this matter might be over.”

“Yeah, a wise man knows when to lose. Now that we’re in their territory, it’s better to give in.”

“Ye Feng, at this time, don’t force yourself.

Ye Feng listened to their earnest advice. He still sat there calmly, unmoved.

He only said coldly to the approaching bodyguards, “Let me remind you guys out of kindness. My attacks are quite heavy. If you’re not afraid of death, come up.” Jiang Bingkun laughed sinisterly when he heard that. “You’re about to die, yet you still dare to be stubborn? Do it!”

The men in black were also furious.

This kid actually dared to threaten them?

He was courting death!

They immediately swarmed forward.

These people were Niu Sidun's personal bodyguards.

Every one of them was an elite.

They were very agile.

Five or six people rushed up together, their killing intent surging.

Everyone present could even imagine how Ye Feng would look like later.

However, what happened next left them completely dumbfounded.

Ye Feng was still sitting there, not moving at all.

At this moment, a bodyguard in black suddenly grabbed his arm, trying to subdue him. However, before the bodyguard in black could do anything, Ye Feng's hand had already reached out like lightning.

He grabbed his wrist, buckled it, and pulled it.

There was a cracking sound that made one's teeth ache.

The bodyguard's hand was severely deformed. But Ye Feng still did not let him go.

He pressed his hand onto the dining table.

He grabbed the two chopsticks beside him and stabbed them into the table.

"Ah..."

The bodyguard in black let out a shrill scream and almost fainted.

When everyone saw this scene, they were so scared that their faces turned pale. They had never expected this young man to appear out of nowhere like a shooting star. He was actually so strong.

And his methods were so vicious.

It was simply creepy.

Niu Sidun and Jiang Bingkun were also slightly surprised.

They originally only wanted to show Ye Feng their might.

He wanted to kill his prestige.

He did not expect this guy to be so strong that he could cripple a bodyguard.

“Since this kid is so ruthless, you don’t have to worry anymore. Kill him.”

Those bodyguards were already shocked by Ye Feng’s ruthless methods.

Hearing Jiang Bing Kun's scolding, they reacted and continued to attack Ye Feng.

Ye Feng picked up a bowl of fish soup on the table.

It hit a bodyguard's head with a bang. The scalding fish soup was poured on his head.

The bodyguard let out a miserable cry and grabbed at the air with both hands.

He was then kicked in the chest by Ye Feng and flew out.

Ye Feng did not slow down at all.

He grabbed the chair beside him and threw it violently.

Boom!

It hit the other bodyguard's head.

The wooden chair fell apart.

His agility and ruthlessness caught everyone off guard.

In less than a moment.

The six or seven bodyguards were all lying on the ground.

A shrill scream echoed throughout the entire room.

It was like hell on earth. Everyone looked at each other.

They could see the fear in each other's eyes.

Previously, they only knew that Ye Feng's business talent was heaven-defying. At such a young age, he was already rich. However, they never expected the other party to be so valiant.

Even Niu Sidun's bodyguards had been crippled.

This combat power was simply off the charts!

Niu Sidun and Jiang Bingkun were also in disbelief.

They thought that the other party was just a cunning Zhuge Kongming.

They did not expect that there was a fierce Zhang Fei living in his body. This guy was really skilled in both martial arts and literature.

This was unexpected!

Chapter 364 Are You Crazy?

Lin Qianqian, Kong Ping, Gao Jinxi, and the others were also in disbelief.

Ye Feng was standing there calmly. He exuded a proud aura.

At his feet, the bodyguards screamed repeatedly, making his image look even more lofty.

He was like a god of war.

Peng Shaokun and Xue Xiangdong were previously gloating at the side.

They thought that they could see Ye Feng being thrown out in a sorry state.

Who would have thought that the tables would turn so quickly?

A group of elite bodyguards had actually been taken down by him alone.

As for Ye Feng, he was still standing there unharmed. Even his hair was not messed up.

Even they had to admit that the current Ye Feng was very handsome!

Oh no, he had gotten it again this time.

Ye Feng put his hands in his pockets and turned to look at Niu Sidun.

“Mr. Niu, I think you should consider changing to another security company. This bunch of trash, if they can’t even protect themselves, how can they protect you?”

There was no expression on Niu Sidun’s face.

However, Jiang Bingkun, who was beside him, was so angry that he was about to vomit blood.

These bodyguards were carefully selected by him to protect Niu Sidun.

In the end, they were all crippled by Ye Feng alone.

Where would he put his old face?

He was about to make a move personally.

At this moment, Niu Sidun suddenly reached out and stopped him. "There's no need to go. You're no match for him."

Jiang Bingkun didn't want to admit it.

But in the end, he had no choice but to accept this fact.

Although he was from a club and had experienced countless battles, he was still a member of a club.

But he had to admit that he was not Ye Feng's match.

The other party was able to get rid of those bodyguards without any effort, so it was obvious that he had retained his strength.

If he went up now, he would only humiliate himself.

Everyone present was secretly shocked.

To be able to make Niu Sidun suffer a huge loss...

Moreover, there was nothing he could do to him.

This Ye Feng was really awesome.

Many people began to ponder.

They openly stood on Niu Sidun's side and became enemies with Ye Feng.

Was it right or wrong?

“Mr. Niu, are we just going to watch this kid act so arrogantly?”

Jiang Bingkun looked at Niu Sidun unwillingly.

Niu Sidun rubbed his prayer beads and said lightly, “Don’t worry, someone will give us an explanation.”

Just as Jiang Bingkun was pondering the meaning behind his words...

The door of the private room was suddenly pushed open.

A slightly fat middle-aged man walked in quickly.

The man first looked at the bodyguards who were wailing on the ground.

He looked at Ye Feng again.

In the end, he walked up to Niu Sidun without saying a word.

“Mr. Niu, I am the general manager of the Wangjiang Pavilion, Wan Haiyun. I am really sorry that such a heinous thing happened in my Wangjiang Pavilion. I have shocked you.” Niu Sidun looked up and glanced at him.

“General Manager Wan, my people were seriously injured in your Wangjiang Pavilion. I hope you can give me an explanation.

Otherwise...”

Wan Haiyun immediately wiped away his cold sweat. “Mr. Niu, don’t worry. I will give you a satisfactory explanation.”

As he said that, he looked at Ye Feng coldly. “Ye Feng, you actually dared to cause trouble and injure people in my Wangjiang Pavilion? Are you looking down on our Wangjiang Pavilion?”

Ye Feng smiled. “Are you blind? They beat me up, so why am I the one causing trouble?” Wan Haiyun’s expression froze, but he still snorted coldly. “No matter how you quibble, the fact is that you have hurt so many people. How do you plan to resolve this matter?”

Ye Feng looked at him without batting an eyelid. “Since you are the general manager of Wangjiang Pavilion, how do you think we should resolve this?”

Wan Haiyun extended two fingers.

“I’ll give you two choices. Either you apologize to Mr. Niu immediately and compensate these people for their medical expenses. If Mr. Niu is willing to forgive you, then this matter will be settled.”

Ye Feng sneered: “What about the second one?”

Wan Haiyun’s expression was somewhat cold.

“If you refuse a toast only to drink a forfeit, then I’m sorry, but you won’t be able to leave the Wangjiang Pavilion today.”

Ye Feng glanced at him in disdain. “You want to make me stay?”

Wan Haiyun glanced at the bodyguards on the ground. “I can see that Mr. Ye is very strong, but no one can leave the Wangjiang Pavilion if we want to keep them.”

As soon as he finished speaking, the door of the private room opened again.

A group of people in security uniforms immediately rushed in like a flood. They surrounded Ye Feng.

There were at least twenty to thirty people.

Seeing this, everyone revealed shocked expressions.

This Wan Haiyun really went all out to curry favor with Niu Sidun.

This was trying to kill Ye Feng. Kong Ping's expression changed, and he immediately glared at Wan Haiyun. "Wan Haiyun, since you know Mr. Ye, you must know how powerful he is. Do you want to be Mr. Ye's enemy? Have you considered the consequences?"

Wan Haiyun immediately raised his head and laughed.

"Pfft, calling you Mr. Ye, do you really think you're somebody? In front of Mr. Niu, you are nothing. Hurry up and kneel down and beg Mr.

Niu for mercy!"

Ye Feng looked at his fearless face and could not help but laugh.

"Looks like you're very skilled at being a dog.

But are you sure Niu Sidun can save your dog life?" Wan Haiyun's face darkened. "Since you don't know what's good for you, then I have nothing else to say."

As he spoke, he waved his hand at the security guards. "Take him down."

The security guards immediately swarmed over.

Everyone pushed back.

They were afraid of hurting themselves.

Peng Shaokun, Xue Xiangdong, and the others were secretly laughing. Facing so many people, even if Ye Feng had three heads and six arms, he would not be able to resist.

Stop pretending. Let's see how you die now!

In the entire private room. Only Lin Qianqian, Kong Ping and Gao Jinxi were still standing firmly beside Ye Feng.

The others were either gloating or watch from the sidelines.

They were all waiting to watch a good show.

At this moment, the door of the private room was pushed open again.

“Stop!”

Following that, a berating voice sounded.

A man in his thirties walked in quickly and blocked Ye Feng. “Wan Haiyun, are you crazy?”

Chapter 365 Shocking News!

Wan Haiyun frowned when he saw the man.

“Han Qi, do you want to be my enemy?”

The man looked at him with certainty.

“I don’t want to be your enemy, but as the Vice President of the Wangjiang Pavilion, I definitely can’t sit idly by and watch you ruin the reputation of Wangjiang Pavilion.’ Wan Haiping felt a little embarrassed after being rebuked by his subordinate.

“How did I ruin the reputation of the Wangjiang Pavilion? Didn’t you see that this kid is causing trouble at Wangjiang Pavilion? If I don’t take him down, then I’ll be ruining the reputation of Wangjiang Pavilion. Move aside!” Han Qi continued to glare at him.

“You’re lying through your teeth. This gentleman was clearly surrounded by a group of people, but you turned a blind eye? Just because the other party is the famous Niu Sidun in the business world? Is that why you’re protecting him?”

Wan Haiyun’s thoughts were exposed by him, and he instantly flew into a rage out of humiliation.

“Since you know that that person is Mr. Niu Sidun, how dare you stop me? Why aren’t you moving away immediately? Otherwise, don’t blame me for being rude to you.”

Not only did Han Qi not back down, he even took a step forward.

“In my eyes, without Mr. Niu or Mr. Ma, no matter who it is, they have to abide by the rules of the Wangjiang Pavilion. I, Han Qi, treat everyone equally and will not tolerate them.”

Wan Haiyun was already furious after being rebuked by him.

He originally wanted to show off in front of Niu Sidun and successfully cling to this thigh, but now he was being refuted by Han Qi again and again.

If he didn't make a prompt decision and settle this matter, he would probably leave the impression of a 'good-for-nothing' in Niu Sidun's mind.

At the thought of this, he immediately steeled his heart. "Han Qi, since you don't know what's good for you, then I have nothing more to say."

As he spoke, he waved his hand at the security guards.

"Take Vice President Han under control. Let him go after we're done here."

Following his order...

Immediately, two security guards rushed forward and restrained Han Qi.

"Wan Haiyun, you b*stard. If you dare to mess around, the chairman won't let you off."

Wan Haiyun sneered when he heard his threat.

"If the chairman knew, he would agree with me doing this. Besides, so what if he knew? I have Mr. Niu's protection. What can he do to me?"

Han Qi wanted to say something more, but he was dragged out of the private room by the two security guards.

Wan Haiyun smiled smugly. He turned his head toward Ye Feng. "Ye, I will give you one last chance. Are you going to apologize to Mr. Niu or not?"

Ye Feng had both hands in his pockets. He looked at him strangely.

"I'll give you one last chance. As long as you chase Niu Sidun and these people out of the Wangjiang Pavilion now, you can still continue to be the general manager.

When Wan Haiyun heard this, he immediately looked at him as if he was looking at an idiot. "Did I hear wrongly? Haha, who do you think you are? A brat who hasn't even grown hair dares to threaten me? Since you don't know what's good for you, don't blame me.

"I As he spoke, he waved his hand at the security guards.

"Teach this kid a lesson."

The security guards obeyed and immediately swarmed over.

The atmosphere in the room was extremely tense.

Everyone held their breath and stared at the situation.

Although Ye Feng was very good at fighting...

However, with such a large group of people charging forward, so what if he could fight?

The outcome would only be worse.

The Peng father and son, Xue Xiangdong, and the others were secretly gloating.

They were looking forward to seeing Ye Feng's miserable ending later.

Meanwhile, Lin Qianqian, Kong Ping, Gao Jinxi, and the rest were still standing firmly beside Ye Feng.

Although they were all a little afraid, but when they saw Ye Feng's sturdy back, the fear in their heart immediately lessened.

It was as if as long as he stood there it could give people a firm belief.

It made people fearless of any threat.

Just as the atmosphere in the Emperor Palace was about to explode...

The door of the private room was pushed open again.

A man in his fifties walked in quickly.

When Wan Haiyun saw this person, his expression immediately changed and he hurriedly went up to him.

“Chairman Cao, didn’t you go to the northwest to discuss business? Why are you back so soon?”

When everyone heard his words, they immediately understood.

This man was the chairman of the Wangjiang Pavilion, Cao Xinfu.

Even though this person controlled the Wangjiang Pavilion, a top-notch restaurant in Zhonghai, he rarely showed up in the business world of Zhonghai.

There were very few people who had seen his true appearance.

They did not expect that he would finally reveal his true appearance today.

Cao Xinfu glanced at Wan Haiyun indifferently.

“I rushed back because I wanted to see someone.”

Wan Haiyun immediately understood. “Are you here to see Mr. Niu? I’ll help you introduce him...”

As he spoke, he volunteered to help the two of them bridge the gap.

When everyone heard this, they also thought that Cao Xinfu had rushed back from thousands of miles away to see Niu Sidun.

After all, it wasn’t easy to meet a big shot like Niu Sidun.

However, what everyone did not expect was...

Cao Xinfu shook off Wan Haiyun's hand and walked toward Ye Feng.

"You must be Mr. Ye? I am the former chairman of the Wangjiang Pavilion, Cao Xinfu. Greetings, Mr. Ye."

Seeing this scene, everyone was flabbergasted.

So Cao Xinfu wasn't here to see Niu Sidun.

He came to see Ye Feng?

This was too unbelievable. Was Ye Feng more attractive than Niu Sidun?

And he seemed to have said 'former chairman'.

Could it be that the Wangjiang Pavilion had already changed owners? They had never heard of it.

Niu Sidun was very calm in the face of everything tonight.

It showed the bearing of a formidable man. However, his expression darkened.

Cao Xinfu's actions were undoubtedly a slap to his face.

Where did he get such guts? Everyone present realized this problem.

They all looked at Cao Xinfu in a daze. Why would he do such a thing? Between Niu Sidun and Ye Feng, even a fool would know to choose the former. How could he not understand? Wan Haiyun also looked at Cao Xinfu in bewilderment.

"Chairman Cao, he... You just offended Mr.

Niu. Don't stand on the wrong side now." Cao Xinfu glared at him coldly. "I don't know who Mr. Niu is, and I don't know what team I'm on. I only know that Mr. Ye has acquired the ownership of the Wangjiang Pavilion and is now the real boss of the Wangjiang Pavilion."

As soon as he said that, everyone in the Emperor Palace felt as if they had been struck by lightning.

This news was too shocking. Ye Feng actually bought Wangjiang Pavilion and became the new owner?

In other words...

At the place where they were standing...

It was someone else's territory? They were actually attacking the owner of this place in his territory?

Chapter 366 Shooting at the Godfather of Business in a Province!

Cao Xinfu's words undoubtedly dropped a heavy bomb in the hall.

The Wangjiang Pavilion held a very important position in Zhonghai.

Especially the VIP card of the Wangjiang Pavilion, it was a symbol of status.

If you went out to discuss business with others, even if you reported that you were the chairman or general manager of a certain company, the other party might not pay attention to you.

However, if you said that you had a VIP card for the Wangjiang Pavilion, it would immediately make people look up to you.

From this, one could see how high the status of the Wangjiang Pavilion was.

And to be able to become the master of the Wangjiang Pavilion, one's status would naturally rise with the tide.

Just like Cao Xinfu, although he rarely showed up in the business world of Zhonghai.

However, when everyone mentioned this name, they would be filled with respect.

This was the halo that the Wangjiang Pavilion gave him.

But now, Ye Feng had actually become the new owner of this place.

They were afraid that his status and influence would increase further.

Many of the people present began to weigh their options. They had chosen to stand on the opposite side of him today.

Was it the right choice?

As for Lin Qianqian, Kong Ping, and Gao Jinxi, they were already overjoyed.

They were already in despair, but they didn't expect things to turn around.

Ye Feng had become the owner of Wangjiang Pavilion.

It was a complete reversal.

Who would dare to touch them now?

Just as everyone was bewildered...

Wan Haiyun roared.

“Nonsense! How could Ye Feng purchase Wangjiang Pavilion? Wangjiang Pavilion has a high status in Zhonghai. How could he just buy it? Why haven't I heard any news?”

His heart was now shrouded in fear.

In order to please Niu Sidun, he had already offended Ye Feng.

If ye Feng became the new owner of Wangjiang Pavilion, would there still be a place for him?

When he thought of this, he immediately felt a surge of evil.

He waved his hand at the security guards.

“All of you, attack. Beat this kid to death. If he dies, count it on me.”

He was already desperate.

He only wanted to use these security guards to get rid of Ye Feng first.

It would be best if he could take Ye Feng's life.

Taking a step back...

Even if he could not take Ye Feng's life.

At the very least, he had shown his loyalty to Mr. Niu.

At that time, he would also be able to successfully cling onto Niu Sidun's thigh. Naturally, he would not care about the identity of the general manager of Wangjiang Pavilion.

Cao Xinfu saw his deranged appearance and immediately snorted angrily. "Let's see who dares to do so!"

The group of security guards was initially restless, but when they heard this shout, they immediately retreated in fear.

Although Cao Xinfu rarely showed his face in Wangjiang Pavilion, the deterrence he brought was still incomparable.

Wan Haiyun saw that no one dared to move.

He gritted his teeth and attacked Ye Feng.

Ye Feng did not even look at him.

He directly kicked him high.

He slapped him hard on the face.

Wan Haiyun spat out a mouthful of blood and flew backward.

He knew that he was finished.

It was completely over.

Not only did he offend Ye Feng, he hadn't been able to please Niu Sidun.

Now, Zhu Bajie was looking at himself in the mirror.

"Why aren't you getting out?"

Cao Xinfu's cold gaze swept across the group security guards.

The security guards were about to run away.

"Wait a minute, "Ye Feng suddenly called out.

The security guards were terrified.

of Could it be that Mr. Ye wanted to teach them a lesson?

However, they were clearly mistaken.

Ye Feng only pointed at the group of bodyguards who were still screaming on the ground. "Throw these people out, they are an eyesore here."

The group of security guards looked at each other when they heard that. However, no one dared to take the lead.

At this moment, Han Qi, who had regained his freedom, walked up first. "I'll do it."

As he spoke, he dragged a bodyguard's leg and walked out.

The security guards saw that someone was taking the lead and immediately swarmed over. In an instant, the group of bodyguards was cleaned up.

Niu Sidun's expression turned uglier and uglier.

Ye Feng ordered his bodyguards to be thrown out like dead dogs.

This was a slap to his face. Everyone present also realized this, and they could not help but admire Ye Feng's courage.

At this moment, Han Qi wiped his sweat and walked back.

Ye Feng looked at him in admiration. "You are not bad, you will be the general manager of Wangjiang Pavilion in the future."

Han Qi was stunned. "Mr. Ye, I... I'm afraid I'm not qualified..."

Ye Feng interrupted him. "At that time, you still stood up to uphold justice and protect the reputation of Wangjiang Pavilion. In my opinion, no one is more qualified than you."

Han Qi was able to sit in the position of Wangjiang Pavilion's vice president, so he was naturally not a stupid person. Hearing Ye Feng's words... "Thank you, Mr. Ye." He immediately thanked him gratefully. "I will definitely work hard to maintain the reputation of Wangjiang Pavilion."

Compared to the joy here...

Wan Haiyun's heart was like dead ashes. Han Qi was personally promoted by him. In the past, he had always been his lackey.

He did not care at all.

He did not expect that because of a mistake in his thoughts...

The other party had actually replaced his position and become the respected general manager of Wangjiang Pavilion.

As for himself, he was about to pack up and get lost.

Those people who used to suck up to him, they would probably fight to add insult to injury, right?

At the side, Ye Feng did not look at him anymore.

This kind of thing was like a dead dog.

He was not worthy of distracting him. Among everyone present, something that was worth his effort, there was only one person. That was Niu Sidun.

“Mr. Niu, it seems like your dogs are useless!”

Ye Feng had a smile on his face as he continued to look at Niu Sidun.

Niu Sidun happened to be looking at him.

The killing intent in his eyes could no longer be concealed.

“Ye Feng, are you determined to be my enemy?”

Ye Feng faced the killing intent in his eyes. He did not dodge at all. “Respected Mr. Niu, aren’t you saying the opposite? I don’t want to be your enemy, but why do you have to target me everywhere?”

As he spoke, his gaze slowly swept across everyone present.

Everyone met his gaze and lowered their heads.

It was hard to imagine that a young man in his early twenties had such a powerful deterrent force.

It was not inferior to Niu Sidun at all. “Didn’t you come to such a banquet today to beat me up? If you have any other dirty tricks, just use them. I, Ye Feng, will accept all of them!”

His words were powerful. Everyone present was as silent as cicadas in winter, staring blankly at that childish face!

This young man was about the same age as their children. At this moment!

At Wangjiang Pavilion!

To the godfather of business in South Guangdong Province, Niu Sidun...

A declaration of war!

Chapter 367 The Aristocratic Circle Is Really Chaotic!

Hearing Ye Feng’s declaration of war, Niu Sidun’s eyes narrowed.

A cold light immediately appeared.

He had already forgotten how many years it had been since anyone dared to challenge him.

And today, a young man had actually drawn his saber at him again.

He really did not know if he should praise Ye Feng for his courage, or if he was reckless?

Before Niu Sidun could speak...

Peng Wannian was the first to step forward.

“A brat still wet behind the ears dares to challenge Mr. Niu? What a joke! Mr. Niu doesn’t need to do anything. I, Peng Wannian, will make sure you have no place in Zhonghai.”

The crowd didn’t find it strange that Peng Wannian was the first to jump out.

After all, they had heard about the conflict between Peng Wannian’s son and Ye Feng.

Now that he stood up, not only could he avenge his son, but he could also please Niu Sidun.

This was the best of both worlds.

“That’s right. Do you still need Mr. Niu to personally deal with a little kid? With Mr. Peng, it’s more than enough.”

“Actually, Mr. Peng has already given him a great deal of respect by taking action. Mr. Peng is the third richest person on the Hurun Rich List. Isn’t this bullying a child?”

“This kid is still young, but he’s already so arrogant. If we let him continue to develop, won’t he rebel against the heavens?”

“That’s right. We have to teach him a lesson today. Otherwise, this kid really doesn’t know the immensity of heaven and earth.”

“With Mr. Peng’s help, wouldn’t he be able to make this kid kneel down in no time?”

Everyone immediately began to praise Peng Wannian.

Although Ye Feng’s business power could not be underestimated, he was still incomparable to the Peng family, who had been in Zhonghai for many years.

As long as Peng Wannian made a move, Ye Feng would be dead in no time.

Lin Qianqian, Kong Ping, and Gao Jinxi started to worry about Ye Feng.

Even though Ye Feng had the upper hand in the two battles just now, those who fought against him were just lackeys after all.

And now, Ye Feng was facing Peng Wannian, who had an important position in Zhonghai. They were afraid that this time, Ye Feng... It was a close call.

Ye Feng glanced at Peng Wannian. "Even the famous Peng Wannian is fighting to be Niu Sidun's dog?"

Peng Wannian's face darkened. "Kid, don't make it sound so unpleasant."

Peng Shaokun also jumped out.

"Little b*stard, watch your mouth. Ever since you showed up, the entire Zhonghai has been in chaos. We're doing the people a favor." When Ye Feng heard this, he could not help but laugh out loud. "You talk about benevolence and righteousness, but behind your back, you are a thief and a prostitute. This is really the Peng family's inherited family style." Peng Shaokun seemed to have thought of something. He immediately shut up guiltily and avoided his eyes.

Peng Wannian was trembling with anger.

“Little b*stard, our Peng family has always prioritized benevolence and righteousness. How can you slander us like this? If you don’t give me an explanation today, I’ll definitely be irreconcilable with you.”

Everyone present also scoffed at Ye Feng’s actions.

“This Ye Feng is too despicable. Although both sides have already fallen out, they should still rely on their strength to speak. How can he attack personally?”

“Yes, if you rely on your strength to win, no one will say anything. However, you said that his family is not upright and that he is a thief and a prostitute. This is a little too much.”

“Isn’t this a shrew cursing in the streets? His methods are too despicable. I really don’t understand how such a person succeeded.”

“He’s just a little hooligan. Mr. Niu and Mr.

Peng think too highly of him and even treat him as an opponent.”

“This person is morally corrupt and speaks irresponsibly. Mr. Peng, please eliminate the evil for the people...”

Lin Qianqian, Kong Ping, and Gao Jinxi were also speechless.

Ye Feng's previous performance was pretty good, he had resolved all the dangers easily.

The methods and boldness he displayed were not inferior to the big shots of the business world like Niu Sidun and Peng Wannian. But this time, why did he suddenly lose his standard and start to attack personally? This was clearly a disadvantage.

Not only could he not cause any harm to the other party, but he would also become a pretext for others.

And just as everyone was unhappy with Ye Feng's words...

However, Ye Feng still looked at Peng Shaokun calmly. "Young Master Peng, do you want to explain the wicked things you have done, or should I say it for you?"

When Peng Shaokun heard this, his expression immediately changed. "Don't... Don't say, I... Please."

He no longer cared about his face. He begged Ye Feng in a hurry.

When everyone saw this scene, they were all confused.

Why was Young Master Peng so frightened all of a sudden?

Could it be that Ye Feng really had something on him?

Peng Wannian could tell as well. He immediately glared at his son. "What did you do? Did someone catch you?"

Peng Shaokun hurriedly lowered his head.

"Dad, don't ask. Let's go back and talk." Peng Wannian saw that his son found it difficult to talk about it. He estimated that the impact of this matter would be very bad, so he didn't intend to continue asking.

Ye Feng saw this and immediately laughed: "Indeed, one should not wash one's dirty linen in public. Don't let outsiders know about such an embarrassing thing."

Hearing this, everyone became even more curious.

What exactly was going on? How could Peng Shaokun behave like this?

Peng Wannian wanted to muddle through this matter.

He would ask him in detail when he got home.

But after being provoked by Ye Feng, he could no longer act dumb.

He could only turn to look at his son. "Tell me, what is it? My Peng family has always been upright. What can't we say publicly?"

Peng Shaokun gritted his teeth and fell to his knees. "Dad, I... I'm sorry... I'm not human..." Peng Wannian hurriedly helped him up. "What is it? Tell me!"

Peng Shaokun was crying so hard that his tears were running down his face. "I... I..."

After mumbling for a long time, he still found it difficult to speak.

Ye Feng was getting impatient.

"I'll speak for him. He slept with your woman. It's that simple."

As soon as he said this...

The atmosphere in the entire Emperor Palace became strange.

Everyone looked at the Peng father and son with a strange expression. The son slept with his father's woman? This... The aristocratic circle was really chaotic!

Chapter 368 Were You a Paparazzi in the Past?

Moreover, if Ye Feng's words were true...

Peng Wannian and his son would become the laughing-stock of Zhonghai from now on.

A son cheating on his father was simply an ancient legend!

Peng Wannian looked at his son's ashen face.

He immediately knew that Ye Feng was not lying. It seemed like it was true.

And judging from the trajectory of his and his son's lives...

That woman must be Secretary Liu.

Thinking of this, Peng Wannian had the urge to vomit blood.

His wife had passed away many years ago.

All these years, the only relationship he took seriously was with Secretary Liu.

Unexpectedly...

However, even though he was furious...

However, this was not the time to settle scores with this little b*stard and that b*tch.

He had to take care of the Peng family's face first.

Thinking of this, Peng Wannian immediately glared at Ye Feng.

“Ye Feng, I originally thought of you as an opponent. I didn't expect you to use such a despicable method to splash dirty water on our Peng family. I really overestimated you.”

In order to save Peng family's face, he could only blame this on Ye Feng's framing.

He reckoned that the other party had only heard rumors and did not have any concrete evidence.

Everyone present felt that it made sense.

Up until now, Ye Feng had only said it without any evidence.

Perhaps, this was Ye Feng's plan to frame him. It was also possible.

Ye Feng could not help but laugh when he heard him making false accusations.

"It seems that Mr. Peng won't shed tears until he sees the coffin. Since you've said so, I'll let you have your way."

As he spoke, he took out his phone from his pocket.

Lin Qianqian, Kong Ping, and Gao Jinxi had strange expressions when they saw this. This guy wasn't going to play a video again, was he?

Just now, the video had caused Xue Xiangdong to fall out with his girlfriend and even openly fight with her. Now, it was happening again? In the distance, Xue Xiangdong's expression was also very ugly.

Being cuckolded by his girlfriend was already very annoying.

Ye Feng had actually made it public.

It would be difficult for him to raise his head for a long time in the future.

He did not expect Ye Feng to do this again.

Was this guy a paparazzi?

It was different from what they had thought.

When Peng Shaokun saw Ye Feng take out his phone, his face turned ashen.

“Mr. Ye, I... I beg you, don't do it...”

He was no longer as arrogant as before when he faced Ye Feng. He only had a pleading expression on his face.

The more he acted like this, the more curious everyone was.

“What is this thing? It actually scared Peng Shaokun to this extent?”

“It seems like Ye Feng’s words were true, otherwise, he would not be like this.”

“Is there a video of Peng Shaokun clapping for love with that woman in this phone? Isn’t that too exciting?”

“If that’s really the case, then the Peng family’s face is completely lost today.”

Ye Feng did not care about what the others said.

He retrieved the video taken in the parking lot that night.

Then, he turned to look at Peng Wannian.

“Mr. Peng, let me ask you again. Are you sure you want to play this video in front of everyone?”

Peng Wannian's old face twitched crazily.

At this point, was there any difference between showing it or not?

If he said that he wouldn't show it, wouldn't he be confessing without a fight?

"Show it! I believe that my son will never do anything to ruin the family's reputation." He could only hope that Ye Feng was bluffing.

Ye Feng did not say anything else.

He immediately called over a service staff and asked him to project the video.

The facilities in the Emperor Palace were very advanced.

Soon, the video was played on the big screen.

And the picture was very high definition. The scene on the screen was in the parking lot.

A man got out of a yellow Maserati.

Everyone looked at Peng Shaokun. His face was as pale as paper, and beads of sweat kept rolling down his forehead.

This only increased everyone's desire to continue watching.

The video continued to play. They saw an extremely coquettish woman get out of the passenger seat.

Those who were familiar with Peng Wannian immediately recognized that this woman was his secretary.

And those who did not know Secretary Liu, combined with Ye Feng's words before, roughly understood her identity.

"What a sl*t. You're so promiscuous even in the car."

"Don't let anyone see you."

"So what if they see it? What's there to be afraid of?"

"I'm your father's woman. Aren't you afraid that someone will take a photo of me and send it to your father?"

“What’s my father’s is mine. When he dies, everything he has will be mine.”

Just by hearing this.

Everyone’s worldview had already suffered a serious impact.

Peng Shaokun knew that this woman was his father’s woman, but he still dared to have s*x with her.

This was simply worse than a beast!

Peng Shaokun’s eyes were already staring straight ahead, looking like he had nothing left to live for.

After today’s incident, he would become the laughing-stock of the entire Zhonghai. Peng Wannian’s expression turned even uglier. He wished he could strangle his son to death.

It wasn’t that he hated him for sleeping with his woman.

What he hated was that this b*stard was actually so careless that he could even be filmed.

In the future, how could the Peng family have the face to stand in Zhonghai?

The video continued to play. "Doesn't that mean we have to wait for him to die? He's alive and well now, and you still dare to be so impudent?"

"The problem is, can that old fart still satisfy you? It's better for you to keep your fertile water to ourselves than to hook up with wild men outside, right?"

"If he can't satisfy me, can you?"

"Looks like I have to teach you a lesson today.

You don't know how powerful your Brother Kun is..."

It was no longer important what was going to be played after that.

The truth was clear now.

Peng Shaokun slept with his father's woman.

His actions were like that of a beast.

In the future, he would be despised by the entire Zhonghai. Peng Wannian was a victim. However, if he encountered such a thing, he would probably become the object of ridicule.

In short, Ye Feng did not even need to waste any effort.

With just one video, he had toppled the Peng family, an established family in Zhonghai!

Chapter 369 We're Better to Be Enemies

As for Peng Wannian, he felt his chest heat up as he looked at the mocking gazes of the crowd. He spat out a mouthful of blood!

He was the head of the Peng family and the third richest man in Zhonghai.

He was already used to the flattery of others.

When had he ever been treated like this?

Everything that happened today was all thanks to Ye Feng!

When everyone saw this scene, they were all dumbfounded.

Peng Wannian, the big boss of the business world, was actually angered to the point of spitting blood by Ye Feng. Wasn't this a little too exaggerated?

However, on second thought, they all understood.

If such a thing happened to them, they would probably vomit blood too, right?

Peng Shaokun hurriedly walked over. "Dad, are you alright..."

Before he could finish...

Peng Wannian slapped him.

Bang!

One could imagine how strong he was in his rage.

Blood immediately seeped out from the corner of Peng Shaokun's mouth.

Half of his face was already swollen.

The father and son both spilled blood on the spot.

It was truly tragic.

Peng Wannian was too ashamed to stay any longer.

He glared at Ye Feng hatefully. He turned around and walked out. He did not even greet Niu Sidun.

Ye Feng shrugged innocently.

He wasn't the one who made him a cuckold, SO why was he glaring at him?

After Peng Wannian walked out of the Emperor Palace, he was still furious.

He immediately called the company's Security Department. "Take control of that b*tch Liu Mei immediately. I'll deal with her when I get back."

However, a few minutes after he finished the call, he received a call from the Security Department.

"Chairman Peng, something bad has happened. Liu Mei... She ran away.' "What is it? Ran away? Why did she run away?"

When Peng Wannian heard this, he almost vomited blood again.

"We just went to the Administrative Department to look for her. They told us that Liu Mei didn't come to the company today. Moreover... Last night, she transferred 20 million yuan from the Finance Department..."

Another piece of bad news came from the Security Department.

"I Peng Wannian gritted his teeth and held on. "What does the Finance Department do? How could she transfer the money without Vice President Peng's and my signatures?"

"The Finance Department said that she has the signature of Vice President Peng Shaokun..."

Peng Wannian turned to look at Peng Shaokun.

“Did you sign it for her?”

Peng Shaokun looked at him pitifully. “She... She threatened me and said that if I didn’t sign it, she would tell you about us...”

“You...” Peng Wannian pointed at him with a trembling finger and spat out another mouthful of blood.

After that, he fell backward and lost consciousness.

Peng Shaokun panicked when he saw this.

“Someone, call the ambulance!”

The people in the Emperor Palace of Wangjiang Pavilion did not know what was happening outside.

At this moment, everyone held their breaths.

Their gazes swept back and forth between Niu Sidun and Ye Feng.

They knew very well that the two of them had completely fallen out tonight.

From now on, they would be like fire and water.

Zhonghai was about to change.

Niu Sidun held the prayer beads in his hand and stared at Ye Feng for a long time. "I really underestimated you. No wonder you can have your current achievements at such a young age. As expected, heroes come from young people."

Ye Feng smiled humbly: "It's alright." Niu Sidun stood up and slowly walked in front of him.

"I am a person who loves talents. Geniuses like you are my favorite. As long as you learn from me for a few years, I can hand over all my business to you."

As soon as he said this, everyone present revealed an expression of disbelief.

To think that Niu Sidun actually wanted to 'appease' Ye Feng?

Ye Feng had slapped his face a few times. He actually let bygones be bygones and turned enemies into friends?

This boldness was really not something that ordinary people could possess.

No wonder Niu Sidun could have today's achievements.

Trees had roots, water had a source, and everything had a reason.

"Isn't this Ye Feng's luck too good? He humiliated Mr. Niu just now, but Mr. Niu wasn't angry and still wants to recruit him."

"Being able to learn from Mr. Niu is a good thing that many people dream of. Only a fool would refuse."

"Ye Feng can be considered to have some achievements now. I'm afraid he might not be willing to submit to others."

"That depends on who is under him. How many people want to learn from a business godfather like Mr. Niu?"

"With Mr. Niu's protection, won't he be able to do whatever he wants in the future? He will definitely agree."

They weren't the only ones who thought so.

Even Lin Qianqian, Kong Ping, and Gao Jinxi hoped that Ye Feng would agree to it quickly.

It was better to have one more friend than one more enemy, let alone an enemy like Niu Sidun. Such an enemy would be anyone's nightmare!

Now, since the other party had taken the initiative to turn enemies into friends, and was even willing to hand over all of his businesses to Ye Feng. This was a once-in-a-lifetime opportunity.

They wanted to help Ye Feng and immediately agree. And when Ye Feng heard Niu Sidun's words, he was also shocked.

However, he immediately returned to normal.

"To be honest, your suggestion is quite attractive. From the bottom of my heart, really want to agree." Niu Sidun frowned slightly. "But?"

Ye Feng met his gaze. "But my bones are too hard to bend. The I thought of having to follow behind you and calling you Mr. Niu makes me blush."

As soon as he said this, everyone present immediately boiled over.

“Did I hear wrongly? He actually rejected Mr.

Niu’s proposal? He... Is there something wrong with his brain?”

“Yeah, this is an opportunity that many people dream of. He actually doesn’t know what’s good for him?”

“I knew it. This kid is very arrogant when he is young. How could he be willing to be under others?”

“Maybe he doesn’t know Mr. Niu’s true strength, so he made such a stupid decision?”

“When he finds out Mr. Niu’s true strength, he’ll probably regret it until his intestines turn green, right?”

“How foolish...”

The killing intent in Niu Sidun’s eyes grew stronger and stronger.

“Young man, are you sure you’ve thought it through? If you reject me, then we will be enemies from now on.” Ye Feng’s lips curled up.

“I think it’s better for us to be enemies than friends. What do you think?” Their gazes met.

It was as if two sharp swords were clashing.

Sparks flew everywhere!

Chapter 370 The Light of Fireflies Dare to Compete with the Bright Moon

“How many years has it been since anyone dared to challenge me? You are the first. You’re quite bold.”

Niu Sidun stared at Ye Feng.

It was as if he wanted to use his eyes to make the other party yield.

“Then aren’t you very lonely?”

Ye Feng’s expression was calm. He did not retreat.

“Ugh, you are indeed a rare talent. I really do not wish to see us fight each other...”

Niu Sidun shook his head and sighed.

But then, his gaze became sharp.

“But since you don’t know what’s good for you, then there’s nothing for me to be polite about. Let me see what you have to be so arrogant.”

His voice was sonorous and powerful.

His body emitted a sharp and domineering aura.

Many people present could not help but shiver.

Ye Feng was standing opposite him.

He could feel the almost tangible pressure at such a close distance.

“Niu Sidun, others fear you like tigers and wolves, but I treat you like grass. Your era is over. Welcome to Ye Feng’s era.”

Ye Feng's words were also powerful.

His body emitted an aura that was on par with Niu Sidun's.

The two auras clashed.

Everyone present was a little breathless.

They couldn't help but feel shocked.

The powerful aura emitted by Niu Sidun was within their expectations.

After all, he was a famous super big shot.

But Ye Feng was so young.

His aura was actually not inferior to Niu Sidun's.

This surprised them.

If this person was given a few more years...

He might really become the next Niu Sidun.

But at this moment, Ye Feng was still too weak. At least in front of Niu Sidun, he was still vulnerable.

“Hahaha, your era? I admit that you are the most outstanding young man I have ever seen. But I’m afraid it’s too early to say that now, right?”

Niu Sidun looked up at the sky and laughed. His gaze as sharp as a knife.

“Zhonghai is your territory, and everyone here is the elite of your business world. Now, please raise your arms and let us see how many people dare to stand on your side and become enemies with an outsider like me.”

Facing Niu Sidun’s aggressive aura...

Ye Feng’s gaze was still firm.

He slowly raised his right hand.

“Those who are willing to fight side by side with me, Ye Feng, please join the ranks!”

He waved his arm and shouted.

Lin Qianqian, Kong Ping, and Gao Jinxi stood firmly behind him.

Han Qi, who had just been promoted to the general manager of the Wangjiang Pavilion, also walked over silently.

Cao Xinfu hesitated for a moment before finally following behind.

Then, there was no one else.

Niu Sidun was stunned for a moment before he burst into laughter.

Among these people, Cao Xinfu was the only one who had some weight.

The others did not even have the qualifications to make him look at them.

“Is this your charisma? If you want to rely on these trash to compete with me, then I can only say that you’re overestimating yourself!”

As soon as he finished speaking...

All the business tycoons of Zhonghai gathered behind him.

“Lucky Star Corporation is willing to listen to Mr. Niu!”

“Huichuang Corporation is willing to listen to Mr. Niu!”

“Tianchen Corporation is willing to listen to Mr. Niu!”

|| 11 There were no less than 30 to 40 people in total.

At this moment, they all stood behind Niu Sidun.

The pressure it brought was incomparable. Niu Sidun stared at Ye Feng proudly. “These people are from the business world of Zhonghai, but now they are standing on my side and opposing you. What do you think?”

Ye Feng's gaze slowly swept across those people. "Everyone has the freedom to choose, I, Ye Feng, will not force anyone. But I will say this, choosing to be enemies with me, Ye Feng, today is the stupidest decision you will ever make in your life! You will also pay the price for this!"

Those people were also experienced in the business world.

But for some reason...

At this moment, when they met the young man's gaze, their heart thumped for no reason.

An invisible fear began to spread in their hearts. "Hahaha, arrogant and ignorant child. You're about to die, yet you still dare to be stubborn?"

"The light of a firefly dares to compete with the bright moon? You're simply overestimating yourself."

"Becoming enemies with Mr. Niu is the stupidest decision you've made in your life."

"Since you dare to make an enemy of Mr. Niu, this day next year will be your death anniversary!"

"We want to be enemies with you. Are you not convinced? Are you going to hit us?"

Everyone clamored, trying to use arrogant words to dispel the fear in their hearts.

No matter what...

Comparing the two sides, Ye Feng's side was at an absolute disadvantage in terms of numbers, strength, and aura.

He was completely suppressed.

There was still a portion of people present who did not choose to take sides. Instead, they chose to watch from the sidelines.

Niu Sidun looked at Ye Feng with a smile.

"Why don't you try raising your arms and shouting again? Otherwise, how can you fight me with just a few people?"

Ye Feng did not seem to hear the mockery in his words.

He slowly raised his arm again. “Those who are willing to fight side by side with me, Ye Feng, please join the ranks!”

No one walked out.

They did not want to be enemies with Ye Feng, but they did not dare to be enemies with Niu Sidun, they only wanted to stay out of it.

“Those who are willing to fight side by side with me, Ye Feng, please join the ranks!” In the entire hall, only Ye Feng’s voice echoed.

Other than Lin Qianqian and the others, no one else entered the queue.

It was a little pitiful, but also a little ridiculous...

“Those who are willing to fight side by side with me, Ye Feng, please join the ranks!” The entire hall remained silent. Everyone looked at Ye Feng’s performance as if they were watching a clown. Facing a powerful enemy like Niu Sidun, only a fool would stand with him at a time like this. Wouldn’t that be suicide?

The atmosphere in the hall fell into an awkward silence.

At this moment, the door to the private room was suddenly pushed open.
