

NATIONAL TRANSFER: NECROMANCER! I AM A DISASTER

Chapter 3 The Skeleton Warrior Coming Out Of The Garbage Dump

Suddenly a classmate shouted, "Look, there is movement in the dark clouds."

Everyone looked up.

A little fire rose from the dark clouds.

The flames floated in the air, rising and falling.

There seemed to be something else besides the firelight.

Moreover, there was a rattling sound of rubbing in the dark clouds, which made people's teeth sour.

Finally, a sharp-eyed classmate saw clearly what was in the dark cloud, and was so frightened that he fell to the ground.

"It's a skeleton, and everything in the dark clouds is a skeleton."

With his voice, the picture in the dark cloud has been fully revealed.

Thousands of skeletons are densely packed, and the flames are clearly the fire of souls in their skulls.

The skeletons glowed with pale white light, ferocious and terrifying.

Although they knew that this was just a vision, many students were still scared and backed away.

One of the soul fires fell from the sky and landed on Lin Moyu.

Then all the visions disappeared instantly, and everything returned to normal.

[Unique Hidden Occupation: Necromancer]

Not a rare job.

Instead, hide the profession.

And it is the only hidden occupation.

This means that there is only one profession in the world.

Unless Lin Moyu is dead, there won't be a second identical job.

Hidden jobs are rarer than rare jobs, even rarer than legendary jobs.

It is not clear whether it is strong or not, but it is certain that it is less.

Lin Moyu's necromancer profession is the only one in the world.

"Lin Moyu is so powerful that he has become a hidden profession, and it is the only hidden profession."

"How could the boy's luck be so good? Could it be that the magic circle made a mistake."

"Hidden occupations are not necessarily powerful. There have been many people's hidden occupations in history that were not very good."

"Yes, yes, the number of hidden occupations is just rare, not necessarily powerful."

"But the vision just now is so scary, and his profession is necromancer, so does he have to deal with the dead all the time?"

"He didn't speak in the first place. It's not a good time to deal with the dead, so there's no need to speak."

Lin Moyu came down from the magic circle after fully awakening his profession.

He was also a little excited about the unique hidden occupation, but he couldn't tell anything from his face.

Emotions and anger are not visible, just have shock and excitement in your heart, why put it on your face.

"Wait a minute." When passing by Zhang Qian, Zhang Qian suddenly stopped him.

Lin Moyu turned around and saluted Zhang Qian, "What is your order, senior?"

It's not that he can't speak, it's just that he speaks very little.

There will be no shortage of etiquette.

Zhang Qian asked, "Your occupation is a hidden occupation, and I have never seen it before. Would you like to show a skill?"

Faced with Zhang Qian's request, Lin Moyu did not refuse.

"Senior, please wait a moment."

I have just changed jobs and am not fully familiar with myself.

Check out your properties.

【Name: Lin Moyu】

[Occupation: Necromancer (unique)]

【Level: 1 (0.00%)】

【Power: 10】

【Agility: 10】

【Spirit: 20】

[Physique: 10]

[Equipment: None]

【Summon Space: 0/10】

[Skills: Soul Flame (Level 1), Summon Skeleton Warrior (Level 1)]

[Soul Flame (Level 1): Burns the target's soul, causing burning damage. The power depends on one's own spiritual power and skill level. 】

[Summon Skeleton Warrior (Level 1): Summon a black iron-level skeleton warrior (skeletons can be divided into black iron, bronze, silver, gold, diamond, legendary, and god-level). 】

In terms of attributes, mental power is better than the other two attributes.

This also represents the positioning of the necromancer, which belongs to the profession of the mage department.

The soul flame skill also illustrates this point.

But the summoning skeleton warrior skill is somewhat similar to the summoner profession.

Soul flames are definitely not suitable for display, so Lin Moyu chose to summon skeleton warriors.

When the skill was activated, a black vortex appeared around Lin Moyu.

Then a skeleton warrior burning with soul fire came out of the vortex.

The spirit dropped from 20 points to 10 points in an instant, and half of it was consumed.

The bones of black iron-level skeleton warriors are all gray.

There were many cracks all over his body, and even the knife in his hand was old and worn out, and he didn't know where he picked it from a pile of junk.

It's not just a knife, the entire skeleton warrior looks like it came out of a garbage dump.

Such a black iron-level skeleton warrior doesn't look very powerful, as if he will fall apart at any time.

Lin Moyu also took advantage of the opportunity to check the attributes of the skeleton warrior.

[Black Iron Skeleton Warrior]

【Strength: 15】

【Agility: 15】

【Spirit: 15】

[Physique: 15]

[Skill: None]

The four attributes are quite balanced.

There are no pros and no cons.

Temporarily no skills, only use normal attacks.

It's not that great,

When the skeleton warrior appeared, the students exclaimed in surprise and took a few steps back unconsciously.

People are always afraid of scary things.

There are only a few bold ones, and there is no movement.

Like Gao Yang, on the contrary, there is a trace of curiosity.

Zhang Qian's fingertips glowed, like a gust of wind falling on the skeleton warrior.

There was a red light in the eyes of the skeleton warrior, looking towards Zhang Qian, the fire of the soul also jumped violently.

[Skeleton warrior is attacked, whether to fight back. (If you don't make a choice within ten seconds, you will automatically counterattack.)]

A piece of information suddenly popped up in Lin Moyu's mind, and he quickly ordered the skeleton warrior not to move.

Zhang Qian said with a smile, "You are very vigilant."
